## National President's Notes

The Trap Nationals started on a low this year, but certainly ended on a high. Attendance was stable with about 35 withdrawing after pre-nominating, mostly with flood related issues, who will be reimbursed. The targets used at the start of the competition, although tested prior, were not of a suitable standard, and were replaced at the first opportunity. Issues with excess breakages due to them being stuck together, breakability, varying colour, and small splinter like chips had placed an unacceptable amount of pressure on the referees. The supplier has recognised the problems we encountered and was very understanding, and as disappointed as we were.

Scores recorded were excellent and to have 3 shooters still in the double barrel shoot-off at 980 is incredible. The logistics of having a shoot off of this length causes some problems for organisers and for those shooters who had to stop and shoot the single barrel in the middle of the double barrel shoot off. These shooters had their long break broken when they missed either during the single barrel event or the subsequent shoot off. This scenario has prompted the matter of long breaks to come under some scrutiny, and the rules committee will consider whether any action needs to be taken to best cater for this problem. Some think the event should be conducted from 18 metres, and the skeet rules offer a different explanation from the trap rules altogether, of what happens when you shoot a different type of event. They state that shooting in an event of a different type neither adds to nor terminates a break. This would allow competitors to shoot the single barrel event during the double barrel shoot off without threatening the Long Break. Congratulations to Glen Hayden who excelled, eventually shooting a new National DB record of 995/995, only a year after Tony Arvanitakis set the great 900/900.

Congratulations must go to Tamworth shooter John Sleightholme for his impressive win in the Overall High Gun. A fairly quiet and humble character, it proved a popular win.

Many thanks must go to all who helped during the event and prior, both paid and unpaid. The grounds certainly did not look like they had been flooded only weeks prior, and the assistance given when changing the brand of targets by the Hayden clan, Andrew Casella and others certainly reduced the workload for the paid staff. The office ran efficiently with only a few small snags, but nothing that affected the shoot, and our thanks go to all involved.

The trade area had some new displays this year as well as our loyal and regular sponsors. The full value of sponsors donated product went to the shooter this year and we thank all sponsors for their valued support.

The Hall of Fame dinner was a great night and I extend our thanks to Adrian Cousens for the history lesson about William Grant, the posthumous inductee, for the evening. It was both interesting and entertaining. Presidential Medals were awarded to John Byrnes and Peter Haley, both worthy recipients, and a belated Presidential Medal held over from 2011, was presented to Vince Gatt.

The Doug Smith medal for 2011 was awarded to Darryn Nicholls from Broken Hill, another worthy winner. The induction of Cecile Daly and Steve Aitkens were both interesting and respectful and I thank the MC, George Barton and the presenters for the way they conducted themselves throughout the evening.

The Mackintosh reunion was another great evening steeped in history and recollections. Many had the opportunity to renew old acquaintances. The presentation of the ten and twenty year team pins was a highlight. Congratulations to Roger Duthie at making his 20th team during the Nationals in time for the first Mackintosh reunion, he joins a very select club. Following the success of the evening with over 150 in attendance, consideration now needs to be given to how often these events will be held in the future. Our thanks go to former historian Mark McInnes for his foresight and efforts in bringing this evening to fruition. Photographs and reports from both dinners will be in next months CTSN.

The Annual General Meeting was exceptionally quiet this year, and concluded in record time. General discussion following the meeting was also over quickly, despite several calls for further items. The presentation of financial reports showing a profit of just short of \$300,000 was the result of some tough decisions made in the past.

Congratulations go to all team members selected for the World DTL to be held in Wales in July. We wish them safe travel and hope they can perform to their abilities. The Association will review the amount given to team members toward travel for this event as it is extremely expensive to fly to the British Isles with the Olympics being held at about the same time as the World DTL. Thanks also to Perazzi Australia who have made some extra funding available for the Juniors attending the event.

Recognition of the AA Elite group will be kicking off at this year's Skeet Hall of Fame dinner. AA Elite badges will be presented to those who have applied and met the criteria as outlined on our website. This

will be a fairly "Elite" group to be part of, as the requirements are quite high. For further details regarding AA Elite recognition in either the trap or skeet discipline, contact our Acting Historian – Adrian Cousens.

A new sponsor, Kolar Austral-Asia will be in attendance at the Skeet Nationals. Kolar has agreed to a 3 year sponsorship of the Doubles event and we welcome them on board. This sponsorship was brought to the Association by the ASSA, and we thank them for their efforts. Kolar agents are well known skeeties, Glenn & Paulette Walker.

Dates for the 2013 Trap Nationals are set down for the 6th to the 14th of April at West Australian Gun Club, and we look forward to seeing as many of our members there as possible.

The matter of the claim from our former National Coaching Director remains in the legal sphere and at this stage I cannot provide any update to members.

An independent decision on the Flood Appeal monies has now been received by the Board and the monies will be granted to Herbert River (\$9500) and Condamine (\$5389) as the only two applicants. The Association thanks all that supported the appeal and hope we do not need another in the foreseeable future. We wish the two clubs the best for the future.

It has been suggested that at the National events we have enough campers to possibly have someone interested in taking on the cleaning of the toilets, for similar remuneration as current. Anyone interested should contact the office.

Your Board meets in Adelaide on the 11th of May with many agenda items. Board members will also be attending the AISL Extraordinary General Meeting on the 12th May.

## Executive Officer's Report

Well, what a month it has been. Following the floods we had the recovery and preparation for the Nationals, then a very good Trap Nationals followed by the Junior Coaching Camp. It has been a busy period, but enjoyable and successful.

The National grounds were in excellent condition and probably benefited from the rain. We saw some excellent shooting with results in all events improved from last year. This culminated in a new Nationals record for the Double Barrel with

Glen Hayden just missing the 1000 targets scoring 995 out of 995. The Mackintosh shoot on the Sunday saw 5 shooters shoot a complete score and of these, 2 were juniors. Until this year only 7 people had ever shot a perfect score. This augurs well for the 2012 World DTL Championships in Wales for our teams.

The Junior Coaching Camp had 13 students and was run by David Coleman with assistance from Michael Kruger-Davis and Gary Hayden. It was a very successful camp with all participants improving their results from the start and learning new skills to assist them in the future.

The next Junior Camp is to be conducted at Wagga Wagga in July. Details and application forms are now on the website. The camp is to focus on DTL and Skeet and is to be run by Graeme Gosling from the Newcastle Lake Macquarie Club assisted by National Executive member Gary Hayden. The camp will include presentations on sports psychology, nutrition and fitness.

The October camp will be located in Melbourne and will concentrate on ISSF Trap and Skeet. It is hoped that we may have some specialised coaching assistance from an Olympian as well as a previous National ISSF coach. Applications will open in July and the camp will be on in October from 2-5 during the school holidays.

You will notice that there is no equipment review in this issue due to the report and photos from the Trap Nationals.

We look forward to the Skeet Nationals in May and hope they are as successful as the Trap Championships and that the grounds are as well presented.

Any suggestions for products to be reviewed would be welcomed.

*Chris Gibson*

# 2012 National Trap Championships

**A**s many members would be aware March was a tumultuous time, weather-wise in Wagga Wagga with many parts of the city and surrounding district affected by floods. The National grounds did not escape completely, however the 2012 National Trap Championships have again gone off successfully. Perfect weather for the period of the Championships was highlighted by excellent scores which were an improvement on last year. Work by ground staff resulted in the grounds being in excellent condition and with all equipment working well.

The number of shooters who attended was on par with last year even though the office received a number of cancellations prior to the event from shooters who were unable to attend because of the floods.

Whilst a problem occurred due to the variable condition of targets the issue was resolved prior to

the Double Barrel event. The supplier agreed that the quality was not up to standard and was most helpful in sorting out contractual arrangements to allow a change of target for the last 3 National events and the Mackintosh shoots.

A highlight of the week was the Double Barrel with Glen Hayden shooting 995, a new Championships record. Darryn Nicholls, 994/995 and Darryl Stevens 981/982 also produced excellent results and the event was still being shot into the third day.

The carnival was opened by our co-patron Kay Hull and she was

assisted in selecting the best dressed team by representatives of our major sponsors, Beretta, Perazzi and Winchester. The Victorian team reaped the rewards with their improved efforts in the dress department, by winning the award for the first time.

The team won the SACTA Perpetual Trophy and each team member received a gold ACTA medal.

In the Open State Team Shoulder to Shoulder match, South Australia were the winners with a

score of 124/125. Team members were Craig Bentley, Max Medhurst, Greg Kessegian, Kym Firth and Luke Higgins.

The Women's section was won by New South Wales. Team members were Helen Overton, Samantha Peck and Kate Schiller with a winning score of 74/75.

The Junior Team, in a points decision, was won by New South Wales with a score of 218/225, from Tasmania. Making up this team were Nick Brown, John Duryea and Ethan Brindley.

In the Veterans section Victoria shot 74/75 to win. Members of the team were Chris Carrol, Ian Holt and Ron Hounsell.

See additional State Team photos on pages 9 - 11.

## 2012 ACTA TRAP NATIONALS ACKNOWLEDGEMENTS

The ACTA would like to thank all of our sponsors: Major Sponsors, Beretta & Casella Wines for their continued support along with our event sponsors, Perazzi, Winchester, Horsley Park Gun Shop, Eley, White Flyer (Spartan Global), Cooper Tires and Outdoor Sporting Agencies for their contribution to the Trap Nationals. The support of these valuable sponsors is very much appreciated by the ACTA and the shooters.

Many thanks to all the office staff, particularly Jim Shepherd who took over following Glenn Woodhatch's accident and ran the events office as well as taking photos. The first contact for shooters is invariably the events window and I thank Maureen, Judy, Jenny and Sue for their work in the nominations office as well as still performing their other duties.

To Frank Auditore, with the assistance of Janenne Kidd, who handled the squadding and scoring, a big thank you. Once again we saw the benefits of Frank's computer program. The Championships would not have run in such a professional manner without the input and foresight of Frank. He spent many days leading into the event, assisting the ACTA in setting up the pre-squadding. His Shootmaster program was able to supply squad and shoot time details which made shooters aware of what time and where they were shooting. Frank also spent many late nights during the carnival re-working squads to allow shooters who nominated at the Nationals to fit within the rotation and to supply them with their squad details.

Handicapper Ray Peatling and his assistant Malcolm Dyson, along with their wives, ensured there were few problems with handicapping and shooters' books.

I would also like to thank Bruce Rickard for the support of Canterbury International, for his attendance and for the maintenance of the voice releases.

Once again we had the services of Ian McGeogh in providing his gunsmith services and for looking after emergency gun repairs. And to Daryl Stevens and Joe Camelleri for providing their stock making and repair services during the Championships.

A huge thank you to Shoot Marshal Adrian Cousens and to Ron Trull, Tournament Director.

To Fred Rapley, thank you not only for your tireless work over the ten day period, but also for providing assistance in preparation of equipment following the floods.

One of the comments most heard was the compliment on the condition of the National Grounds and that reflects on the work of David Jocelyn and Wayne Sloan, our new assistant groundsman trainee, and the long and heavy workload which they contributed, particularly with the inconvenience of the weather.

Also a big thank you to the Trappers who did a great job. The problem which occurred with targets was minimized by the efforts of the grounds staff, trappers and volunteers.

I previously mentioned the staff for their work in the events office. Their efforts with nominations, Hall of Fame Dinner and the Mackintosh Reunion were also greatly appreciated.

Congratulations also to the National Executive on the way the Championships were set up and conducted.

Finally, thank you to the traders who provided their services at the event. It was great to see a carnival atmosphere and friendly people. Many thanks also to Di Nice Coffee, Mr G Ice Creams, Riverina Poffertjes and our caterer and hospitality contractors, Arthur Turner, his wife Leanne and their staff, who provided food and drinks throughout the carnival. Arthur and Leanne also provided the shooters with the BBQ on Thursday evening.

The ACTA National Executive appreciate every contribution right through to the scorers and referees who gave up their time as volunteers to ensure a successful Trap Nationals.

## Northern Zone Continental Championship hosted by Inverell RSM

**O**n the weekend of the 17th & 18th March, Inverell RSM Clay Target Club held the Northern Zone Continental Championship shoot.

Around 40 shooters arrived for the first day of competition with the weather overcast and cool. The first event of the day was the 25T Northern Zone Points Score Championship. After some fine shooting this event was taken out by Inverell's president Matthew Colley with the perfect score of 87/87. AA grade was won by John Reid from Guyra with a score of 84/87 with Dale Ellis also from Guyra 2nd with a 70/75. 1st place in A grade was local shooter Garry O'Brien with a 70/75 with Ralph Larkings from Glen Innes with a score of 68/75. B grade was won by local shooter Hamish Backus with a 66/75 with 2nd place also taken by another Inverell shooter, Russell Rolfe with a 65/75. C grade was won by Inverell shooter Mark Macdonald with a 71/75 followed closely by Inverell's youngest shooter, Noah Mallory with a 66/75. Well done Noah!

Shooting again was a challenge as the day deteriorated, with showers arriving mid-morning. This made the 2nd event of the day, the 25T Northern Zone Single Barrel Championship interesting to say the least. Overall in this event was Murray Johnson from Brewarrina with a perfect 25/25. AA grade was taken out by Guyra shooter Dale Ellis with a 27/27 from Inverell shooter Jimmy Roberts 26/27. Garry O'Brien from Inverell had another win in A grade with a 23/25 with Inverell shooter Tony Turner 2nd with a 24/28. Again the locals featured with John Paul and Hamish Backus having a shoot off for 1st and 2nd in B grade with John being the eventual winner with 29/31 from Hamish 21/25. C grade was again taken out by the fine shooting of Mark Macdonald with a 21/25 from Darren Mallory with a 17/28.

The skies cleared with the last event of the day, the 40T Northern Zone Mixed Championship. Overall in this event was taken out by Guyra shooter Dale Ellis with the perfect 60/60. Guyra shooters then had a touse with Geoff Fields taking out 1st place in AA with a 93/95 from Dave Edmonds. A Grade was won by Noel Campion from Glen Innes with a 54/60 from Hayden Johnson with a 83/95. Owen Larkings from Glen Innes took out B grade with a 52/60 from Ian Duncan from Inverell with a 50/60. Again two of our local shooters took out the C grade with Mark Macdonald 1st with a 56/50 from Darren Mallory with a 45/60.

One of the highlights of the day was a shoot off between father and son, Darren and Noah Mallory with Darren just pipping young Noah at the post. Great shooting from two of our newest members.

Sunday arrived with a clear blue sky and warm conditions. The first

event, the 50T Northern Zone Double Barrel Championship was shot in near perfect conditions. Overall in this event was John Reid from Guyra with a 63/63. Jeff Richardson from Guyra took out AA with a 62/63 from Harold Batson from Richmond River 115/116. A grade was won by Ralph Larkings from Glen Innes with a 54/56 from Garry O'Brien with a 53/56. B Grade was won by Ian Duncan with a 55/58 from local shooter Hamish Backus with a 54/58. Again Inverell featured in C grade with Mark Macdonald taking out 1st place with a 46/50 from Noah Mallory with a 45/50.

Unfortunately the perfect conditions didn't stay with us, as a strong breeze blew up making those elusive continental targets duck and dive.

The next event on the card was, joy of all joys, 15 pair Northern Zone Double Rise Championship. Overall in this event was again Dale Ellis from Guyra with a 27/30. Sam Gall from Treloar took out AA grade with a 26/30 followed by Guyra Shooter, Robert Reeves with a 25/30. Inverell shooter Tony Turner took out A grade with a 24/30 from Dave Newberry from Guyra with a 23/30. B grade was won by Inverell shooter Ian Duncan with a 21/30 from Russell Rolfe with a 26/40. Again the local pair Mark Macdonald and Noah Mallory had to share the placing's in C grade with Mark being the winner with 18/30 followed by Noah with a 16/30.

Last event of the weekend was the 20T Northern Zone Deauville Double Championship. Guyra shooters must have been having plenty of practise at this as they had a clean sweep of all placings. Overall was Jeff Richardson and Dave Newberry with a 39/39, followed by Geoff Baxter and Geoff Fields with a 38/39. 2nd place was taken out by John Reid and Robert Reeves with 19/20.

High Guns for the weekend are as follows: OA Dale Ellis Guyra 233/240, AA John Reid Guyra 229/240, A Garry O'Brien Inverell 211/240, B Ian Duncan Inverell 201/340, C Mark Macdonald Inverell 212/240, Ladies Sue Turner Inverell 138/240, Junior Owen Larkings Glen Innes 184/240, Veterans Geoff Baxter Guyra 212/240.

Inverell club would like to thank the visiting shooters for travelling. We would also like to thank our sash sponsors, Pioneer Hi-Bred Australia, Glen & Peta Anderson, Matt Colley, Three River Big Game Hunting & Lance Kent. Also a huge thank you to Adam Woodbury and Allan West for the presentation of the grounds. Thank you to our trap boy Stratton, as usual an amazing effort. Thank you also to John, Jenny, Terry and Cassie who kept the hungry shooters fed. Above all, a huge thank you to Glen, Adam and Tony for the wonderful job you do in the office.

# Bega April sunshine dazzles shooters

Glorious autumn sunshine greeted the smaller than usual contingent of 19 shooters who turned out for the April shoot at the Tarraganda grounds of the Bega Gun Club. With many regulars attending the Nationals at

Alf Niesar A Grade PS winner

Craig Field B Grade PS, SB, 2nd 50T Continental

Michelle Craig 2nd C Grade SB & 50T Continental

Wagga and the closure of the Brown Mountain making travel distances from Goulburn and Canberra much longer, the club was very happy with the field in attendance.

Three events were offered for the day, commencing with a 25 target points score. Chris Rowland showed super form in AA Grade, using the second barrel once to register a winning score of 74/75. Stuart Bennett and Phil Craig took an extra six targets to decide second with Stuart being victorious, 88/93. A Grade went to Alf Niesar with a consistent 71/75. Shane Platts picked up second from Neville Teale after a one target shoot off with a score of 70/78. In B Grade, Craig Field celebrated a return to form to win 72/75 from the ever consistent John Siede on 71/75. Mick Diss collected the prize in C Grade, with a score of 63/75, one point better than Dick McInnes's 62/75.

Having warmed up with a points score, the second event was a single barrel, which for some of us simply meant we used less lead but still had a lot of fun. The slight breeze just added to the joy. Once again, Chris Rowland maintained his hot form, winning with a score of 24/25. Ken Hurt and Bob Walters took an extra three targets for Ken to come out second, 25/28. With Ray Welch and Neville Teale dropping just one target each, A Grade went to a shoot off to decide the result. After a further seven targets, Ray was declared the winner 31/33 to Neville's 30/33. Craig Field showed his return to form was a consistent one by taking out B Grade with a score of 21/25. Veteran John Seide and junior, Brody Walters stepped up to decide second, with Brody

collecting after three extra targets, 23/28. Dick McInnes improved on his first event effort to win C Grade, 19/25 from Michelle Craig 18/25.

The final round of the day was a fifty target Continental. Once again the quality of shooting was very high, despite the wind causing a reasonable amount of tossing and falling. Chris Rowland again showed how it was done by calmly "shooting the lot", 50/50 to win AA Grade from Phil Craig with a score of 46/50. Ray Welch maintained the standard, taking A Grade with a score of 49/50 from Ray Hedger, who had to survive a three target shoot off with Neville Teale for a 49/53. John Seide showed the young fellows how in B Grade, winning with a score of 47/50. Craig Field followed up his wins in the previous two events, taking second 44/51, after a one target shoot off with Brody Walters. Once again, Dick McInnes showed his colleagues how it was done, winning with a score of 39/50. Michelle Craig also maintained her consistency, collecting second place with a tally of 36/50.

Chris Rowland was rewarded for his efforts with the prized High Gun award. Across the three different events, he missed just one target for the day, in a demonstration of outstanding shooting.

# 3rd Annual Hay Gun Club Easter 2 Day Shoot

Organisers could not have hoped for better weather over the Easter Weekend, turning it on for local and travelling competitors from as far as Brewarrina, Armidale, Sydney, Adelaide, Cobar and Broken Hill for the \$20,000.00 -plus prize pool.

The weekend kicked off on Friday night with 91 competitors in the Gargaro Farming & Fraser Dwyer Electrical \$1000.00 20 target single barrel off mixed meterage. Even with a dust storm blowing up half way through the evening, the Hay club dominated the event again this year with Robert Anderson taking home the first place \$500.00 cash prize.

Event 1 on Saturday was a 30 target mixed event of double barrel, single barrel and points score. Arty Del-Ben managed to top James Willett in the 3rd round of the shoot off for the overall title with an impressive 123/125. Local club member John Duryea

scored highest of the junior competitors.

Event 2 was 30 targets of single barrel and needed a lengthy shoot off to crown Casey Fletcher from Cohuna the overall winner with 75/75. Well done also to Hay club members Gerard Harrison, Trent Gordon and Evan Gargaro for topping the A B and C grades respectively.

OA SB Casey Fletcher

Perhaps the most anticipated event of the weekend, event 3, the 30 target double barrel contest by no means failed to excite again this year. Having seven squads shooting the possible, nearly half the field, everyone knew they were in for a lengthy battle under lights to claim the overall title and take home the \$400.00 cash. A big congratu-

OA DB Brian Doyle

lations goes to local club member Brian Doyle for outshooting all others in the event with a new club record of 477/477. A special mention also to junior James Willett from Corowa who was in it till the end with 476/477 and local member Robert Anderson

with 426/427. Rob held the previous double barrel club record of 421/421 from the Easter 2011 shoot.

Sunday morning saw Event 4, the 30 target points score shot off to name Clive Foster from West Wyalong the champion with 216/216. Local member Phillip Headon was the overall runner up and claimed first place in AA grade

OA PS Clive Foster

with 213/216. The conclusion of this event saw another Hay Gun Club record broken with Brian Doyle's Long Break of 520+ smashing the existing 461/461 record held by Sam Clifford of Noorat.

Local junior member John Duryea deserves a big well done after winning the title of the most prestigious Event 5 30 target handicap. Sponsored by Mialls Gun Shop in Frankston Melbourne, the event's shoot

# COUNTRY VICTORIAN VETERANS DOUBLE BARREL CHAMPIONSHIP

On Easter Sunday the 8th of April the Wonthaggi Gun Club hosted its annual 100 target Double Barrel Country Victorian Veterans Championship. This was shot in conjunction with 50 targets Double Barrel and 50 targets Points Championship. The Veterans event is for 1st 2nd and 3rd with broken targets to count. It was a fine, overcast day with a slight to stiff cool breeze that made for some interesting targets. This did not deter a small but enthusiastic group of shooters. The grounds were in top condition thanks to member Jim Maffett and the canteen was well staffed by Shirley and husband Rob. At the end of the day most of the places were cut and dry, with only a couple of shoot offs.

L-R Winners are gridders Jeff Lowndes 3rd, Frank Ibbott 1st, Peter Fraser 2nd

a fair touch up on the day. You know how it goes, old age and experience verses youth and enthusiasm.

The final results were AA 1st Todd Malone 195/200, AA 2nd Bernie Stokes 192/200, A & OA Frank Ibbott 195/200, A 2nd Peter Fraser 185/200, B 1st Geoff Shields 176/200, B 2nd Tony Sanders 174/200, C 1st Geoffrey Polson 162/200.

For the main event, the Country Victorian Veterans Championship, Frank Ibbott took out first with a great score of 97/100. Second went to Peter Fraser and third went to Jeff Lowndes 91/100. Congratulations to Frank Ibbott on his fantastic shooting on the day. He looked pretty happy with himself

wearing the two sashes and carrying all his winnings. I would like to thank everyone for attending and helping out on the day, especially to Todd Malone for running the office, and look forward to seeing you all soon at one of the friendliest clubs in South Gippsland.

*Steve Ziegler, President WGC*

For the 50DB and 50 PTS Championship it came down to a shoot off for overall between young gun Todd Malone of Morwell GC and veteran Frank Ibbott of Nepean GC. They went to the tracks to shoot in multiples of 5 DB and 5 PTS. They got through the first lot of shoot off targets and were all square after letting each other in. Out they went again with both of them looking like they were going to settle in for a long shoot off. Todd pulled a second in the points and Frank held his nerve to take the win. Overall most of the veterans gave the younger shooters

sky opened up and heavy rain, lighting and thunder brought the day to an early close. This event was postponed due to safety concerns. As a kind gesture everyone donated their nominations for this event to the Tambo Gun Club who lost all their traps and electronics to a recent flood in that area.

The High Gun winners were: Overall High Gun Bruce Powell 204/205, AA Grade High Gun Alex Dallas 203/205, A Grade High Gun Brian Harrison 197/205, B Grade High Gun Zach Grimshaw 192/205, C Grade High Gun Michael Currie 178/205, Ladies High Gun Viv Moore 188/205, Veteran High Gun Vic Hyde 199/205, Junior High Gun Nathan Warnock 191/205.

The weekend was a huge success. Thank you to the Gemfields Committee who did a great job in preparing the grounds and keeping all participants fed and watered.

Big thank you to the Shoot Marshals, Grant McPherson and Robert Hoolihan who kept the weekend moving along with no hitches. Next year all roads will lead to the Tambo Gun Club who will be hosting the event in late February 2013.

# V.C.T.A. South East Zone Teams Event – Round One

The first round of this event is always an exiting time and 2012 was no exception, with a shoot start time of 9.30am the car parking was outside the gate by 9.10, in all 146 shooters contested the Double Barrel, a first round record.

Event one the Handicap provided twelve possibles, so the targets must have looked pretty good. After fifty five in the shoot off there were two, Craig Moroney and Chris Carrol, with Craig the winner 62/62 and Chris 2nd 61/62, third was Tony Faranda 53/54. Rayce Burgess 27/28 was the Back Marker and Indi Gladman 26/27 the Junior Front Marker.

Half way in the Teams section it was Mornington Blue 119 from Melbourne Blue and Werribee One on 118, in the mix also was Nepean Two on 117.

H/C 1st Craig Moroney

D/B O/A Geoff Asto

Event two the Double Barrel saw another swag of possibles, 38 to be exact and the amazing thing was not one of the 12 that shot the Handicap was able to put the second 25 together. It took some time to get down to the Overall winner Geoff Aston 156/156, who out lasted Uriah Maloney 155/156. However Uriah first in AA showed his grand father John Rowe 2nd AA 152/153 the way it is done and there might just be a few more of those in the future Pa!! 1st A N Kotarewski 149/150, 2nd P Arbaci 76/77, 1st B J Williams 62/63, 2nd G Tunks 53/53, 1st C P Cassidy 50/51, 2nd J Thorpe 35/36.

This whole show is really about the teams and both Frankston Australian 2 and Werribee 2 came home with only two points down in the Double Barrel, but it was Melbourne Blue with the total of 240/250 who took the honours, R Esplin, G Aston, F Santoro, B Humphries and J Spicer were the winning team. Frankston Australian where next with 239 from Nepean 1, Melbourne Red, and Werribee 2 all on 237.

Jrn HGs C Grade Indi Gladman  
& A Grade Uriah Maloney

The competition is again as tight as ever and 2012 looks like another great year.

The Junior winning team was Werribee 93/100. N Zechner and J Zechner.

## CLONCURRY GUN CLUB

Clay Target Shooting is alive and well in Cloncurry. The Cloncurry Gun Club hosted a coaching and gun fit weekend on April 14 & 15. This was made possible by the generous support of Xstrata Ernest Henry Mining who flew stockmaker Dennis Harwood from Brisbane to Cloncurry.

The Club has seen an explosion of membership in recent times, growing from 10 members to 30. There is a diverse range of members, with ages ranging from those in their sixties, to two junior members, aged 17 and 12. The North West has bred some of the finest shooters in the country, with both Queensland and Australia representatives coming from our region. The gun fit weekend was complimented by coaching received from Dennis Harwood, Wayne and Dianne Reeves from Normanton and Mick McGill from Mt Isa and other experienced shooters from the area. With such a large number of new shooters in Cloncurry, the weekend was imperative to those needing to learn the art of clay target shooting.

Approximately 30 shooters attended the weekend from affiliated clubs including Mt Isa, Normanton and Cooktown. Most had some type of gun adjustment made by Dennis.

Cloncurry Gun Club would like to thank Xstrata Ernest Henry Mine, Dennis Harwood, Wayne and Dianne Reeves, Mick McGill (coaching), and the Wilson family (supply of saws and sanders for the weekend), and the Central Hotel for donating accommodation. The Club would also like to thank all those who attended and assisted.

# 2 Day Sporting Shoot Best Yet

**M**arch the 17th and 18th saw twelve squads turn up to compete for the one hundred target Coffs Coast Classic and the one hundred target Sporting Challenge events held over the two days. Teams from Queensland, the Northern Tablelands, and up and down the coast making the effort to come and shoot and we thank them very much.

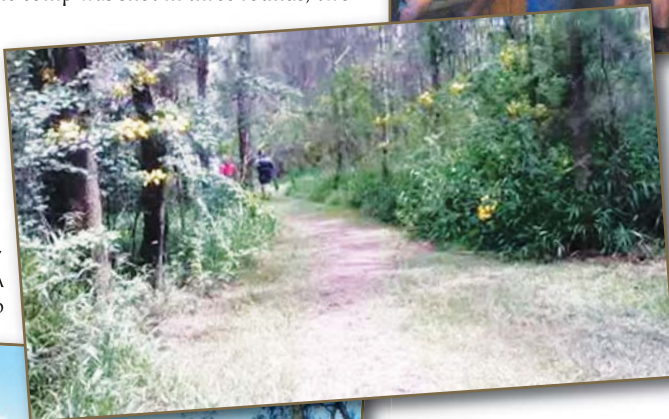

Saturday saw oppressing conditions with high humidity and warm temperatures testing all shooters, especially those from the tablelands whom some even wore shorts! The comp was shot in three rounds, two of thirty three and one of thirty-four.

At the end of the first day with our eyes stinging from sweat, James McIver took out the High Gun with 88/100. AA was won by Noel Lillis 87/100, second and third was a three way shoot off between Terry Preston, Craig Hayes and Harvey Spicer each on 84/100, resulting in Terry coming second and Craig third. A four way shoot off was required to decide A grade with

four shooters on 79/100. Roger Vidal was the winner, Athol Page coming second and Bob Stanlan third. Not too feel left out B graders decided to give us a shoot off as well with three shooters even on 69/100. Alan West won the shoot off with Len Adams second and Tony Secombe winning third. Tony Love won C grade after a shoot off against Ray white who were both tied on 58/100 with Jason Parkes third 57/100. We all than sat down to a banquet of prawns which was put on by the club. Beautiful!

On Sunday the humidity was replaced by a forty knot south-easter that saw shooters quietly contemplating the effect this would have on the targets, but due to the quality of the shooting on the day average scores actually improved! Well into the comp the same shooters who placed in day one were keen to hold onto their spots and were shooting well knowing one dropped target could see them lose their spot. There was a brief interlude during the day when one of the traps caught on fire, but realising it wasn't one of Shorty's layout deceptions, James McIver (true to his name) and Harvey Spicer came to the rescue, sorted things out and had the trap going in ten minutes.

Results for the day were as follows High Gun for the day James McIver

88/100, AA grade 1st Noel Lillis 85/100, 2nd Greg Mitchell, 3rd Craig Dargon, A grade Jason Solomons 81/100, 2nd Athol Page 80/100, 3rd Bill Hodges 77/100, B grade 1st William (Bomber) Bailey 69/100, 2nd Craig Norman 67/100, 3rd Scott Dalby 66/100, C grade 1st Ray White, 2nd Cameron Nixon, 3rd Jason Parkes.

High Guns for both days went to James McIver taking out overall with 176/200. Noel Lillis won AA with 172/100, Jason Solomons

took out A grade High Gun on 159/200, B grade was won by William (Bomber) Bailey with 136/100 and C grade taken out by Ray White with 122/200. Veteran High Gun went to Neil Radford with 151/200 and his wife winning the Ladies High Gun on 142/200. Congratulations to all shooters who won prizes. We thank Lismore and Inverell clubs for lending us traps. Special thanks must go to Dean Short "Shorty" for running the shoot and his many helpers who pitched in to make the weekend a great success.

# Colac vs MCC Annual Shield

The Colac Gun Club again played host to the Colac vs Melbourne Cricket Club (MCC) shield event on Sunday March 11. The weather was perfect and both clubs had huge turn-outs in a bid to secure the "Cricket Bat Trophy" for their club.

The event was held in conjunction with the annual "Cow Cockies Cup" which consisted of two events, a 50 target DB and 30 target P/S along with a 5 man teams event with \$500 worth of Beretta prizes up for grabs to the winning team.

The first event was the 50 target DB Cow Cockies Cup and saw J. Buchholz take out overall with 75/75 and Dave Neilsen taking AA with 74/75. A grade, 1st L. Presani 49/50, 2nd R. Bailey 48/50. B grade 1st J. Holt, 2nd J. Flintoff 50/53. C grade 1st A. Stinchcombe 42/50, 2nd J. Wilson 43/53.

Due to the massive turnout (one of the largest seen at Colac in years), the second event was shortened from 50 to 30 target points score Cow Cockies Cup. MCC Club Chairman Russell Mark (in a rare DTL appearance) took out Overall with 102/102 and Steve Sayers picked up AA with 89/90. A grade went to J. Farnes 90/90, 2nd place Andrew Fiek 87/90. B Grade 1st place went to Eddy Bidese 89/90

Above: Penny Smith  
Left: Russell Mark

with P. Watts picking up 2nd place 88/90. C grade again saw A. Sinchcombe taking out first place with 82/90 and MCC junior Jaxon Wilson picking up 2nd place with 81/90.

High Guns for the day were: O/A: Russell Mark 139/140: A grade: J. Farnes 137/140. B Grade: P. Watts 132/140, C grade: A. Stinchcombe 124/140 and Veterans: W. Calaby with 131/140. Ladies High Gun went to young gun Penny Smith 135/140 who also took home the Junior High Gun award.

In the MCC Sponsored teams event, the overall winners were Chris Brown, Jack Collicoat, Dave Neilsen, T. Holt and J. Buchholtz with a total score of 681/700. They received a Beretta pack each consisting of Muffs, Shooting Shields and Gun Bags.

The Cricket Bat Shield again came down to the wire after the 5 best shooters from MCC and Colac were tallied up - in fact it was a dead heat and had to go to the 6th shooter to decide. In the end it was MCC with a narrow 3 point victory to take out the "Bat" for 2012. The winning team for the MCC was: Russell Mark, Steve Sayers, Andrew Fiek, Billy Preston Eddy Bidese, and young Jack Gibbs. MCC Club Chairman, Russell Mark thanked the wonderful Colac Gun Club team for putting on what he described as "one of the highlights of the MCC Shooting Calendar" and Colac Secretary Steven Holt wished Russell all the very best for the upcoming London Olympic Games.

## March – DTL

David Conduit from the Ballandean Clay Target Club won the event of the day a 50T Handicap at Richmond River Gun Club's monthly DTL shoot on 25th March.

Shooting from 19 metres, David was the only one of 36 competitors to score the perfect 50/50. Second place went to Mark Formaggin with 49 (24-25) from 21 metres while Nathan Power, visiting from Lightning Ridge took 3rd from Don Johnson after a brief shoot off, both having scored 48's. Grafton Clay Target Club's Secretary, Rus Wesslink collected 5th with 47.

The second round of the Jan Harding Memorial Shield, a 5 target points score complimentary eye opener, got things underway with fourteen shooters recording 15/15.

Phillip Westbury, Geoff Jacobsen, Rod Gardiner, Terry Preston, Mark Formaggin, Dickie Bennett (AA), Nathan Power, Roy Warren, Scott Smith, David Conduit (A), Mick Allott, Geoff Pringle, Frank Binding and Luke Barnes (B) all shot 25/25 in the 25T DB C/D first event. Jeremy Clarke skinned C grade with 24/25.

The second event was a 25T Points Score. Luke Barnes showed no signs of the pressure of being stand in shoot Secretary when he followed up his perfect scores in the eye opener and cash divide event with another clean round. His 75/75 not only made him a clear winner of the event in B Grade, but saw him elevated to A Grade as well as earning his 50 break badge. Geoff Jacobsen won AA with 131/132 from Mike Sullivan 130/132. Nathan Power 74/75 was 1st in A with Rus Wesslink 73/75 2nd. D J Milligan secured 2nd in B grade after a brief shoot off with Frank Binding, while Junior shooter Mitchell Johnson won C Grade with 68/75 from Chris Doust 66/75.

## April – Night Trap

On a miserable evening, plagued by light showers, 17 shooters took part in the 75T Medley, the last night shoot until September.

Scoring was difficult but the fish and chips provided by Warren and Jamie Beddoes, cooked and served by Dick Powell, made up for anything the shooting may have lacked.

Phil Westbury won AA, David Bodley A, Warren Beddoes B and Troy Daley C.

## Tony Ryder selected for World DTL team

Our contingent, Kim and Therese Nealon, Scott Brereton and Leah Beaumont, Tony Ryder and Nancy Davis all performed creditably at the Nationals concluded recently although not all their names will appear in the list of winners.

Tony's inclusion in the five man team to represent Australia at the World DTL titles to be held in Wales in July and in the Mackintosh team is something of which the whole club is extremely proud.

Members of the Richmond River Gun Club are hoping that the

wet weather which has been plaguing a lot of places is now behind us so our facilities can be presented in the best possible condition for the two day shoot to be held on 26th and 27th May. The Bank of Queensland has joined our regular sponsors, Wal Murray First National Real Estate, Casino Tyre Professionals, Peter McKenzie, Suffolks Outdoor Sports Store and Clay Targets Australia.

Full details of the event were published in the CTSN or can be viewed at [www.northernriversgunclubs.com](http://www.northernriversgunclubs.com)

## Zone Double Barrel at Mathoura

Travelling shooters from Warrnambool, Maryborough, Werribee, Cohuna, and Deniliquin, as well as other closer areas converged at the Mathoura Gun Club on Friday evening the 23rd of March 2012 making up five squads to compete in the Victorian North East Zone Night Double Barrel Championship, as well as the other two events held on the night.

Shooting a ten target Double Barrel Cash Divide as event one, Warrnambool member Neil Cracknell, Maryborough member Stewart Forbes, Werribee member Andrew Whitechurch, and Deniliquin shooter Tim Maher all shot the ten targets and all had an equal share of the Cash Divide dividend.

The Zone Night Double Barrel Championship, and with a shoot off between Deniliquin members, Bruce Cook, and Tim Maher, after having shot all 25 of their targets, it needed only two targets to get an Overall Winner. Tim dropped his 27th target and when Bruce shot his he became the proud owner of the Overall Winners Sash and 1st in A grade trophy, an excellent result on your 27/27 score win, Bruce! B Grade 1st

was collected by Cohuna member Kylie Lyons with a 22/25 result, and C Grade 1st was won on the same score by Mathoura member Peter McClusky.

15 targets of Night Points Score Cash Divide was the third event, and Mick Keirl was the only shooter able to shoot a clean 45/45 score, and that earned him a \$25.00 1st place dividend, Neil Cracknell and Tim Maher almost made a clean score dropping just one point each to share 2nd place dividend of \$20.00 on a score of 44/45.

Once again an excellent roll up of five squads, on a night that was good for Clay Target Shooting, and with the shoot running smoothly throughout, an early finish, giving the travellers plenty of time to travel to wherever they were staying at a reasonable hour.

## Canberra International MARCH SPORTING

**Canberra's March Sporting was shot in beautiful Autumn  
 weather 19 degrees, gentle and variable winds, sunny  
 with occasional light cloud.**

Our coordinator, Rodney Kneipp, had set what at first glance was an  
 easy course. However, it wasn't until you got to shoot it, the targets  
 were not as easy as one thought. Angled, fading and curving clays  
 were used in preference to outright speed and distance to make the  
 shooters work for their scores. Eighteen shooters attended, again  
 with a few new faces giving the discipline a try. One day they will all  
 turn up at once and we will be swamped.

Scores were a little bit below normal and are as follows: OA Rodney  
 Kneipp 81/100, A Adam West 77/100, 2nd Geoff Taylor 76/100,  
 B Rob Butterworth 76/100, C John Taylor 69/100.

**Rodney Kneipp & Geoff Taylor**

Our thanks to  
 Jennifer Betar  
 who staffed the  
 Canteen and  
 provided delicious  
 food throughout  
 the day. Also to  
 all those helped  
 setup, score, ref  
 and clear up at the  
 end of the day.

# Psychological Skills for Shooting

## UNDERSTANDING THE DIFFERENT GENERATIONS

The Trap Nationals have finished for 2012 and the performance of some was nothing short of outstanding. Whilst most were watching the shooting or looking for a bargain in the

trading areas, what wasn't being noticed was the spread of ages of the competitors and onlookers. In the past, it was appropriate for organisers of sporting event, to try and cater for those attending as one group. Given the different generations present should we be looking at how we try to meet everyone's needs.

According to Michael McQueen, *The New Rules of Engagement*, broadly speaking there are five main generations of the twentieth century.

- The Builders:** Born early 1900s to mid 1940s.  
Those older than 65 years.
- The Baby Boomers:** Born mid 1940s to mid 1960s.  
Those 45 to 65 years.
- Generation X:** Born mid 1960s to early 1980s.  
Those 30 to 45 years
- Generation Y:** Born Early 1980s to early 1990s.  
Those 18 to 30 years
- Generation Z:** Born late 1990s to ?  
Those who are now adolescents.

The interestingly all these generations were represented at the recent trap nationals and are likely to be represented at your local club or even in your workplace.

### What are the characteristics of each of the generations?

*The Builders* were the pioneering generation of the twentieth century: having to rebuild after the wars and the impact of the depression. Projects such as the Sydney Harbor Bridge and the Snowy Mountain Scheme are the obvious examples. The other interesting aspect of the Builders is that they have lived through incredible change during the century. Cars, planes, computers, advancement in medical skills and treatment, just to mention a few. Builders are characterized by being dutiful, frugal, stoic and proper.

*The Baby Boomers* came after the war and were part of the demographic expansion that saw an increase in the size of cities and towns, more schools, hospitals and other services. The Baby Boomers were also living in the shadow of the 'Cold War' and witnessed significant changes in social order: feminism, black civil rights, Woodstock, The Beatles, contraception and television for example. Baby boomers are characterized by optimism, prosperity and career focus, stylishness, assertiveness and being afraid of ageing.

*Generation X* had mixed fortunes. The social upheaval of the 60's and 70's meant that many would grow up in broken homes. Step-families and half brothers and sisters were more common. Financial strain because of the excesses of the boomers meant that it was more likely that mothers had to return to work, giving rise to Latchkey Kids who would have to look after themselves until their parents returned from work. By far the most significant aspect of this period was the threat of nuclear war and the AIDS virus. AIDS would bring the likelihood of death closer and meant that the Xers were unable to carry on with the "free love" behavior of the boomers generation. The characteristics of Generation X involved skepticism, cynicism, flexibility, independence, non-collectivist, committed to friends over parents and pragmatic.

*Generation Y* should be the most optimistic and self confident group.

They grew up in a time of changed child rearing practices that supported optimism and improving self esteem. This is the first group that perceived themselves "as the centre of the universe". This group should have been self-assured, confident, optimistic but we start to see significant rises in teenage pregnancy, youth depression and suicide. The characteristics of this group involve being well educated, ambitious, tolerant, socially aware and tech-savvy.

*Generation Z* are the kids that we are seeing at shoots now. The sub-juniors and juniors who are probably riding on the good fortunes established by their grandparents and parents. This group are very tech savvy. They are the first group who have been connected with each other and anyone else they care to be 'friends with'. Facebook, emails, twitter, My Space, etc allow them 24 hour contact with the rest of the world. Another characteristic of this generation is that they are prematurely mature: puberty is arriving earlier and body image plays a big role in the advertising, product placement, social interactions and reality TV shows. This group are pampered, empowered, risk adverse and overprotected. The fear of failure, fear of the unknown, fear of terrorists, stranger danger, etc all lead to a careful and conservative group that are more comfortable interacting through a media rather than interacting in person.

I'm not sure what the answer to meeting everyone's needs are. The short answer is communication and respect. Making sure we are genuine in our attempts to communicate with other groups and respect and accept their positions.

Over the past 8 years, part of the Nationals for me has been the opportunity to meet up with friends and enjoy the atmosphere. Jim Shepherd, Bryan Rafferty, Peter Tate, Dick Ayres, Sergai, Ray Mack, Miss Pat, John Holder and I have enjoyed a tippie of single malt whisky. This has become somewhat of a tradition dating back to the last Perth Nationals. As you can see by the picture, the 2012 squad: some excellent shots here.

What has happened has been an appreciation of the taste, bouquet and look of the single malt mixed in with the opportunity to meet and tell tales. Not all the members were here this year and it is hoped that we will be able to get together again soon and enjoy some of the unexpected benefits shooting brings: good friends, good times, good whisky and fun.

As I started last month's article with news that I was stranded because of floodwater, I would like to thank those shooters from mainly NSW who contacted me to find out how Barbara and I were getting on. Your calls, emails and messages were greatly appreciated. It goes to show what a great community shooters are.

# AUGUSTA CLAY TARGET CLUB

## Two days of simulated field shooting

### Featuring the GB Corsivia Hillview Challenge Championship

The recent Augusta Clay Target Club's annual two day Hillview Field Carnival featuring the GB Corsivia Hillview Championship attracted a great field of 110 shooters for 2 days of stimulating simulated field shooting. This is the Club's premier event each year and clay target shooters travel from near and far to participate. Bushfires that threatened East Augusta caused concerns to some shooters and this may have caused some shooters to miss this premier event. Fortunately for all, the very large fire was brought under control before too much damage was done to farm buildings etc and East Augusta was spared.

The Club's location on the eastern flank of the Leeuwin Ridge affords a wonderful visual sensation of the Blackwood River Valley and the Great Southern Ocean and the Club makes the most of this wonderful attribute when setting the shooting stations.

Maximum use of the types of targets makes for a challenging shoot. Black, orange, white and green; battue, chondelle, single, double, raffael pair, midi, super mini, rabbit and simultaneous pairs are all used to provide a variety of targets that ensures that only the most determined and focussed shooters score the high percentages.

To ensure the minimum of "no targets" and to maximise the true flight of targets, Augusta exclusively uses Corsivia clay targets due to superior quality, cost effectiveness and availability.

Handicaps this year were calculated from past performance over the last 3 years at Hillview rather than using the more traditional approach of ACTA handicaps and this proved to be a great success.

The weather for the weekend was excellent for clay target shooting. Bright conditions with a few clouds enhanced target visibility and the cooling breeze was not strong enough to cause too much flight variation with the targets.

#### Solofin Cranes Stakes

Saturday afternoon's event was the Solofin Stakes consisting of one round of 50 targets. The event was generously sponsored by Solofin Cranes proprietor Dave Beis and Allison Valley Wines owner, Ross Porter.

The field was strong with the majority of the State's best field shooters participating. 15 separate shooting stations were incorporated which along with a shotgun start meant that all shooters were on the course at the same time with a minimum of delays between stations.

Last year's Hillview Challenge Championship winner, Colin George was again in top form along with perennial winner Muzz Tucker; both on 46/50. Colin outlasted Muzz in the shoot off to take the overall winner's prize with Muzz the best in AA grade. Second in AA grade was local champion Michael McDonald on 45/50. First in A grade with 40/50 was Gavin Prouse after he prevailed in a shoot off with Tony

Papp. Another shoot off

was needed to separate Ben Lamont and Richard Banks for the best in B grade. Both carded 40/50 but Gavin proved too strong and took 1st in B grade with Ben 2nd. Once again a shoot off was necessary to find the winner in C grade. Kevin Dodd was too good for Augusta's Club Captain Bindi Warrilow to take the prize. Augusta's up

and coming Jake Crockin and Busselton's Frazer Prouse shared best Junior.

Many shooters and guests enjoyed a convivial BBQ at the clubhouse for dinner that evening and Paula Price's fabulous pavlovas were voted even better than those of last year.

## GB Corsivia Hillview Challenge Championship

Club members and generous helpers were busy early on Sunday morning to set the field for the GB Corsivia 100 target Hillview Challenge

Championship. Augusta is in a very fortunate position to have the topography and geography to enable substantial station and target variation thereby ensuring that each day's course is unique. The Augusta course is fantastic and this is simulated field shooting at its best.

Shooters were welcomed and briefed by Club Captain Bindi Warrilow on the course layout, gun safety and course etiquette before the shotgun start at 9.30am.

Augusta Captain Bindi Warrilow

Two rounds of 50 targets was the day's event and given the very strong field of competitors, good scores were assured. Veteran Mike Daden

was in form as was Trevor McDonald, both with 42/50. Phil House, Kojonup hotshot Gary Marsh and John Rourke did well with 44/50, Edgehill's Mitch Day shot a lovely 45/50 and field shooting champion Neil Yates excelled on 47/50. Augusta member, Michael McDonald was not to be outdone though and only dropped 2 targets to card a wonderful 48/50 to lead the field into the lunch break.

Neil Yates

All competitors and visitors enjoyed Augusta's country hospitality of fresh and smoked fish, Alexander Bridge burgers and fresh salads for lunch while they contemplated those targets that proved troublesome in the morning round.

Clear blue skies and a light breeze set the scene for a great afternoon of competition and so it was. Mike Daden did one better in the afternoon with 43/50. Last year's Hillview winner, Colin George improved with 44/50 along with Marco Ponta, Phil House, and Bill Truscott. Augusta's Trevor McDonald shot a

fine 45/50, as did the affable Tony Trainor. Gary Marsh always shoots well at Hillview and this year was not exception. Gary shot one more target than his morning round for an excellent 46/50.

Michael McDonald was feeling real competition pressure from far more experienced field shooters but showed real class by notching up 46/50 for the afternoon and

Kevin Childs

Tony Trainor

Rowan Shawcross

Christine McDonald & Carol Thompson

thereby taking out overall winner of the GB Corsivia Hillview Championship with 94/100. Gary Marsh was too good for the AA shooters with 92/100 with Neil Yates 2nd with 90/100.

Bill Truscott and wily Peter Fost shot off for 1st and 2nd in A grade with Bill prevailing with 92/110. John Rourke was far too good for the other B graders with 84/100

with 2nd place taken by Mitch Day on 81/100.

Kevin Dodd shone in C grade with 79/100 with 2nd place getter Ben Royer on 70/100. Ben is a recent new member at Augusta and did extremely well as a novice clay target shooter. Mike Daden has a stranglehold on the Veteran's trophy at Hillview and for the 5th year in a row he took 1st in Veterans with 85/100 with Ross Porter 2nd after carding 79/100 in a shoot off.

Wally McGregor

Local trap champion lady shooter Paula Price won Ladies 1st place with 66/100 from her daughter Jessica, 3 targets behind and Frazer Prouse had a great weekend by winning 1st in the Juniors with 81/100.

Craig Ellis

Michael McDonald's form for the weekend was wonderful and he took the 2 day High Gun with 139/150. Additionally he won the coveted Queenie Elliott Trophy for the best Cherry Tree and

Hillview aggregate score thereby arguably stamping himself as the best simulated field shooter in WA for the year.

All of the above would not have been possible but for the wonderful effort by the ladies associated with Augusta for providing morning and afternoon tea, dinner and lunch. A sincere thank you from all of the competitors and visitors.

Augusta's sponsors provide fantastic support. Thank you so much, Bruce Burns and Tony Trainor of GB Corsivia, Solofin Cranes, Allison Valley Wines, Silvafox, Winchester, Landmark, Kevill Electrics, Mark Murray, Troy and Amy Childs and Xtreme Sports.

# Territory Sporting takes off

Peter Bedggood shows his classic stance on the crossing tower target

**Sporting clay target shooting has certainly undertaken a resurgence in the Northern Territory if Darwin Clay Target Club and Top End Gun Club are any kind of example.**

Darwin has had three practice shoots and the first competition for what I believe is a year or two.

They conduct their days on a compact course that utilises tower, skeet and trap with four other traps angled around the lanes.

Top End GC have had a

*John Doyle, Debra Vagg, Amberley Emmett, Ben Harris & Peter Bedggood*

wonderful simulated course with around nine permanent stands for about 20 years but recently also ran a Five Stand sporting practice day.

Darwin has been supported very well by the local shooters and had five squads for practice and four squads for competition. While this might seem miniscule to the southern clay busters it is heartening to see another burgeoning discipline begin to thrive.

An overcast humid 30°C Darwin day saw the start of the DCTC five stand competition, a well attended 50 TGT five stand event with 8 traps saw juniors, ladies and vets well represented amongst the regular crowd. The shoot went well and was shot in multiples of 25 targets.

Results AA 1st Craig Herbert 48/50, 2nd John Williams 47/50, A 1st Kosta Karparthious 49/60, 2nd Stewie Rae 48/60, B 1st Paul Baxter 44/50, 2nd Peter Bedggood 43/50, C 1st Kelly Reynolds 33/50, 2nd Ben Harris 32/50.

A big thank you to all those who helped, trap mechanics, loaders, referees, scorers, office and canteen staff, last but not least a big thanks to all the shooters.

## **Neville Beeck Katanning W.A.**

**9.9.1920 - 4.2.2012**

Neville was a foundation member of the Katanning Clay Target in 1950, and was made a Life Member in 1989.

Neville was a wonderful contributor to the development of the sport of Clay Target shooting in Western Australia in the early days. He was a fine shot, winning State Titles and a place in the State Team on many occasions.

Also Neville was strongly involved in the development of our now famous "Cherry Tree Pool Field Championship" the first sporting championship in the Southern Hemisphere. Neville won the first ever event there in 1951, on the same ground that still hosts the event today 60 years on.

Neville's contribution to shooting extends well beyond clay targets, for in the early years much duck shooting etc, was part of country life. Neville through his work in fowl research, conservation in general

and the nature reserve (approx 60 acres) on his own property brought recognition to shooting in general.

So well respected was Neville, that people such as Dr Vincent Serventy, Dr Harry Butler, Malcolm Douglas and Department heads such as Harry Shugg visited Neville's marsupial park at his property "Summerfield" near Katanning to seek his advice.

Also when the Ord River in the Kimberley of W.A. was dammed and Lake Argyle was formed Neville Beeck was the man who co-ordinated "Operation Noah" to rescue the many animals trapped by rising waters.

All of this rubbed off on our shooting association and the respect in which it was held. In the early days of the W.A.C.T.A. we were often asked for an opinion, by Government Departments on shooting matters.

Neville was a conservationist NOT a preservationist, as he saw a need for culling on occasion and a sensible use of nature's bounty.

To Neville's wife Dorothy, daughters Julie and Pamela, son Geoffrey and their families we extend our sympathy, on the passing of a true gentleman.

Fortunately we still have the "Neville Beeck Skeet Cup" shot for annually, which will remind us of our esteemed past member.

## **HOT SHOTS AT ECHUCA COLLEGE**

A total of 38, year 10 Students, from Echuca College, attended shooting clinics held at the Echuca Clay Target Club in March 2012, and as well as conducting themselves in an orderly and attentive manner, they proved that they took in all that the coaches were trying to teach them by shooting some very respectable scores.

Split into three squads and shooting over three layouts, the Students shot ten targets in single barrel mode, twice. At the end of twenty targets shot there was a clear Overall winner for the Girls High Gun Award. Tayla Lowry outshot all the other girls to end up on an excellent score of 12/20, easily beating her opposition. Magnificent effort Tayla! With the boys there was a tie on 15/20 between Shanon Ferres, and Casey Hearn, and that meant a shoot off to decide an Overall Winner. The Club in fairness to these learner shooters hold shoot off's over five targets, and with all the other Students watching and barracking for them, at four targets both were on a three out of four score, then Shanon dropped his fifth and when Casey shot his it was all over, with Casey Hearn winning the Boys High Gun Award with a very respectable 19/25 score. An excellent effort Casey! And also commiserations must be paid to Shanon for his great shooting.

Echuca Clay Target Club committee hold these shooting clinics for a number of reasons, primarily to teach youngsters the safety aspects of carrying and using firearms, and also the fun, and self respect or pride, the students can have by incorporating their concentration, and their hand eye co-ordination into actually

*HG winners, Casey Hearn and Tayla Lowry*

hitting their targets. The scores shot by the Students were really very good considering that almost all had never fired a shotgun before these clinics. Another reason of course is to show young people the sport of Clay Target Shooting, in that a few at some time may be interested enough to become involved, a sport that world wide is acclaimed as one of the safest.

The committee of the Echuca Club wish to thank teacher, Petra Ogden, and the Echuca College, for taking an interest in the sport, and especially the students who appeared to thoroughly enjoy themselves. Presentation time was very popular with the students with member Craig Scott doing the honours, as President Ron Traill was busy at the National titles in Wagga Wagga.

## ***The Squire reports from West Wyalong***

**It may have been the change back from daylight saving or perhaps the locals went to West Wyalong's End of Daylight Saving Celebration Breakfast but there was only a small number of shooters on hand for the West Wyalong Clay Target Club's March shoot.**

The day was to feature two important events, the 50 Target Single Barrel Len Anderson Memorial and a \$100 Handicap.

There were certainly no excuses weather wise as it was a beautiful morning and the traps were throwing excellent targets.

To warm up for the feature events shooters were called to the layouts for 25 Targets Points Score Cash Divide.

Up until the last target in the last squad there had been no possibles but Clive Foster nailed his 25th target with a single shot to claim Overall and AA Grade 75/75. Don Turner pulled one second barrel to claim second in AA Grade 74/75, David Hodges 70/75 claimed A Grade ahead of James Turner 69/75.

*L-R Ray Schiller 3rd Clive Foster 1st Lyn Anderson Graham Duncan 2nd*

Graham Duncan has never missed a Len Anderson Memorial shoot and he claimed B Grade with score of 67/75 from Doug Murray 59/75, Tony Robinson shot a fine 69/75 to easily win C Grade from Jason Anderson 56/75.

Doug Murray donned the chef's hat and soon had the barbeque sizzling while the four energetic ladies in the canteen led by Gloria Duncan made sure everyone was well fed.

Graham Duncan was looking pretty relaxed and nothing would please him more than to win the Len Anderson Memorial event.

After the first round of 25 targets both Graham and Clive Foster were a target down but both looked like they could take out the event. Graham finished his second round with another 24 and he showed great interest in the scores of the last squad in which Clive was the last shooter. Clive dropped a target but got through to also have 24 which meant a shoot off to decide the overall winner.

As relaxed as Graham was he could not match Clive's accuracy dropping his 56th target leaving Clive as the winner, Graham runner up and Ray Schiller claimed third with 47/50.

It was really nice to see the Anderson family present during the day and Lyn's presentation speech was of her usual high standard and the medallions and trophies were much appreciated by the winner and place getters.

Other results in the event had Les Irvine and Don Turner second in AA Grade 45/50, A Grade was won by Ray Schiller from a fast improving John Wason 44/50, Graham Duncan won B Grade with his 48/50 from newly promoted Kelvin Maxwell 34/50, Tony Robinson 45/50 shot well in C Grade and will most probably not be there for much longer, winning from John Clay 41/50.

There was a hundred bucks up for grabs in the 25 Target Handicap and this had shooters renewing their concentration levels as they made their way to the trap layout.

John (No! I'm not going to buy a DT11) Wason shot the only 25/25 from 19 metres and he was one happy chappy.

Graham, having a great day, was relaxing with a quiet ale when he was called to shoot off for second and third against Paul Batson both with 24/25. After a quick discussion they decided to wax and so both received an even share of the dividend.

Clive Foster claimed the High Gun with a score of 144/150.

Not a very big crowd but a very relaxed day which was enjoyed by all Hey! That is what clay target shooting is all about.

## **EASTER AT KERANG**

**Overcast and mild conditions greeted those shooters that attended the Kerang Clay Target Clubs on Sunday the 8 April 2012. As well as our local shooters, competitors attended from, Cohuna, Swan Hill.**

# 34th Annual Skeet Carnival

**T**amworth Clay Target Club held its 34th Annual Skeet Carnival on 16th 17th and 18th March in generally good weather conditions except for some light drizzle on Saturday morning. However, this did not deter the shooters, most who are regular visitors to our popular carnival.

The attendance of 54 was down on last year for various reasons but it was pleasing to see some 11 shooters in attendance that have not attended previous shoots or have not attended for some time, indicating that the skeet discipline is well and truly alive. It was pleasing to see two of these 11 shooters, John Rodden (A Grade) and Noel Watchorn (B Grade), both who travelled long distances; win two of the High Gun trophies.

Shooters attended from Bathurst, Cecil Park, Dubbo, Illawarra, Newcastle, Terrey Hills (NSW), Queenslanders from Brisbane, Caboolture, Gold Coast, Mackay (Pioneer), Rockhampton and Toowoomba.

The Loomberah clay target facility was in perfect condition thanks to club members who regularly keep the grounds and traps maintained. Also Rod Taylor, Kevin Weatherall and John Cassin, and unofficial caretakers Wayne and Ann Holliday, who have been "holi-daying" at the club for some time.

Shooters competed for a good array of trophies thanks to the generous sponsorship of Weatherall Engineering, GCM Lighting and Electrical Greg McCulloch, John Guberina of G Brothers

Mercedes Benz at Mona Vale, Colin Sim of CPC Auto Components and Ken Brady's Bob Jane T-Marts Tamworth.

The carnival was catered for with fine food prepared and provided by Karen, Shirley, Ann and Melissa.

The office was run smoothly by Digby Richards, Rod Taylor, Peter Holmes and Joe Marshall who managed the squadding, handicapping and results and Shoot Marshal Ben Buhagiar from Cecil Park who kept the squads and shoot offs going without delay.

Students from Farrer Memorial Agricultural High School did a great job of keeping the traps stocked between rounds.

High Gun for the weekend was John Guberina from NSW club at Terrey Hills with a score of 199/200 and for the first time was presented with the coveted Geoff Walters Memorial Trophy by his widow Pauline in memory of

previous president Geoff Walters. It was a popular win as John has been a regular visitor to the carnival for several years and is a major sponsor. He was extremely pleased that his name will be the 20th name included on the trophy along with 19 other great scores with some shooters winning the trophy more than once.

Paul Kouroupis, also from NSW

club, won the Veterans High Gun with 191/200 for the second year in a row, only one target ahead of our own Rod Taylor.

By all accounts, shooters enjoyed the shoot which is pleasing to the organisers who continually strive to maintain and improve what has become one of the main events on the skeet shooting calendar.
