## National President's Notes

The ACTA Board met recently and considered numerous items. Extra support for the World DTL team members was approved in light of the current cost of travel to England due to the Olympics. The Juniors received an extra \$600 each thanks to funds provided as part of the Perazzi sponsorship package, and other Team members have received an extra \$600 as part of the Casella Wines Overseas Team Sponsorship package. We thank Perazzi and Casella Wines for their ongoing and valued support. The balance of funding, being \$1400 per

team member, is now being paid upon the Teams return once all requirements of the Team agreement are met. I feel sure that this team intends to represent Australia both on and off the tracks to the best of their abilities and the ACTA is endeavoring to ensure this is the case.

The ACTA is hosting a meeting of Firearms Industry members to discuss ways of improving the promotion of our sport. It is hoped that their joint experience and knowledge may be able to provide us with some answers to questions such as attracting new members, retention of existing members and better ways to provide service to our membership. All ideas will be on the table.

The ACTA will be in attendance at the Sydney Shot Expo over the weekend of the 16th and 17th of June. The display will include the Dry Fire equipment, promotional videos, flyers etc and will be manned by members of the Marconi Club Sydney.

The ACTA has engaged a consultant to prepare the shotgun specific module for the new Coaching program. The consultant has previously prepared these on behalf of some other Australian International Shooting limited (AISL) affiliates.

A decision has been made to recommend to the Executive that the co-opted position on the Board for a person with financial expertise be changed to a person with a background in Marketing and Promotion (M & P). Despite numerous requests in the CTSN we have not been able to fill the position for a person with finance expertise and it was thought that in view of the profits over the last two years, and the current expertise in the office, we seem to be able to manage our finances effectively. However we have not set any records in either attracting new members nor in retention of existing members. Following executive approval the Board would then comprise the President, four elected executive members, one co-opt with Legal and one co-opt with M & P expertise.

AISL held an Extraordinary General meeting (EGM), on Saturday the 12th of May. Two notices of motion were adopted with ACTA support. The elections saw two new Board members appointed, Allan Smith, a well known Rifle shooter and, Bruce Scott, former Commonwealth Games Gold medallist. Two other Board members, who were elected in November at the Annual General Meeting are Russell Mark, Gold medal trap shooter and Catherine Fettel, former President of Pistol Australia. Catherine was elected president of AISL at the EGM. The result is that since early November we have a complete new Board (except for the shooters Rep) and a new President. The ACTA supported these changes because we wished for change within the organization in four key areas, and had to date had limited success at achieving this.

The areas we are trying to drive change in are :

- Team selection - to be simplified, more transparent and more objective.
- AISL coaching - To be better administered and provision of more access to AISL coaches by the member bodies.
- AISL competition - AISL run Australia Cups are not to "compete" against our State title events, but are to compliment them or be shot in conjunction whenever possible.
- Consultation - The ACTA has supported a move for "informal" gatherings of AISL member bodies with Board members to thrash out common problems perceived by the member bodies.

Basically I suppose recent happenings display a wish by the member bodies to take some control of what is after all, their sport at the highest levels, and for our part the ACTA make no apologies for this.

The ACTA take the matter of firearms safety very seriously. There has been many instances of late of a flagrant breach of the rules being the closing and pointing of firearms at other than the layout areas. The attendance of dealers at more events providing gunfit services is of course permissible in their controlled trading area under their control and where no ammunition is

Continued from page 1

present. However the closing or pointing of firearms outside the layout and traders area is strictly forbidden for obvious reasons. The other issue with this dangerous practice is that of public perception. Many grounds border public areas such as roads and a passerby or for that matter a visitor on the grounds who perceives that a closed firearm is pointing in his direction could quite easily make a complaint which could have dire consequences for our sport.

Therefore all be warned that this practice will not be tolerated and instances will be dealt with in accordance with the rules. You may be lucky and get a warning, but you also risk suspension.

We wish our Olympians and our World DTL shooters all the best in their forthcoming competitions.

Until next month.

## Executive Officer's Report

The National Skeet Championships are currently in progress while I write this. The grounds are in good condition and the weather so far has been perfect. As a lot of those shooters who attend the Skeet nationals do not come to the Trap and vice-versa it is good to see a different group of shooters at Wagga Wagga and to welcome them to the National Grounds. These Championships will see the selection of a Team to represent the ACTA at the NSSA World Skeet Championships

in the United States as well as the team to shoot off against New Zealand in the Glenn Trophy this week. The number of shooters attending is on par with last year's entrants. This year also see's a number of Trade displays with merchandise and ammunition.

I have received a lot of positive comment about the product reviews in the magazine, unfortunately due to the number of ads, both commercial and club, we have not had the room to produce a product review in this edition however they will return in the next edition.

In June we will be holding the next meeting of the National Executive and this meeting will include sub - committee meetings to identify activities and programs for the ensuing twelve months. The sub-committees cover the areas of Rules, Championships, Grounds, Promotion and Marketing, International Shooting, Coaching, Finance and Legal and Governance. This meeting will be held at the National Office and assists in developing the strategic direction for the ACTA.

In terms of firearms safety members are reminded that firearms are to be under the control of the licensed shooter at all times. If you cannot see your gun and it is not secured it is not under your control. Guns should also be broken or open when being carried around the grounds.

# 2012 Southern Cross SKEET CARNIVAL

This carnival is to commemorate the loss of the Lady Southern Cross. The world's greatest aviator Sir Charles Kingsford Smith and co pilot John Thompson "Tommy" Pethybridge lost on 8th November 1935 off Aye Island in the Gulf of Martaban, Myanmar formally known as Burma. The Lady Southern Cross was a Lockheed Altair 8D Special 10 years ahead of its time and was built to Kingsford Smith's specifications.

Our best shoot in our short 5 year history, shooter numbers, weather, and targets. Weather was perfect, no wind and 23 degrees, targets were perfect thanks to Rodney Kneipp, David O'Sullivan and Julie Freeman who remeasured our skeet layouts, moved concrete pads and painted to their correct locations, moved the crossing point, boundary marks until all targets were flying to regulation standards, and as the score board reflected with so many high scores shot, 50/50s 49/50s 48/50s.

I am passionate about Skeet and will do anything to promote and support this sport. It is important that we all plan ahead so I would

like to make a suggestion that we all please look at carnival dates of other clubs so not to clash with other Skeet Carnivals and divide our limited and dedicated Skeet Shooters, just because you are holding a zone carnival does not necessarily give you priority. I am proud and grateful to say that we had 21 Southern Zone Shooters support our carnival when I know that most of them would have a passion to have attended the Southern Zone Carnival me included that was held the same time as our carnival. Please note that the Southern Cross American Skeet Carnival will always be held on the weekend third Sunday of April, this is set in concrete and is already advertised on the Australian Skeet Shooters Association web site <[www.myassa.com.au](http://www.myassa.com.au)> for next year as was it for last year.

## National Development Camp

Tuesday, April 10, was the start of the 2012 National Development Camp. All participants arrived just after lunch and were presented with their shirts. The head coach David Coleman gave them a short talk about what the camp was going to include in the coming days and what was expected of them.

A member and qualified sports psychologist, Michael Kruger-Davis gave the juniors a two hour talk on preparation and readiness to shoot, which got the camp off to a good start. With all the juniors keen to get started, we headed off to the pattern plate.

The pattern plate is used to see where all the guns were shooting and then check out gun fit and mount. Then it was off to ground five where everyone shot their first 25 targets.

One important training tool used at the camp is the use of video, which shows the juniors exactly how they approach each target. The coaches then show the juniors and instruct each of them how to improve their stance, hand and eye coordination, reaction and many other aspects of shooting. With this training tool the juniors were able to see and put into practice this knowledge which led to the improvement in the number of targets shot.

By the third day the juniors had now shot at 200 targets and their scores had improved from their first 100 targets.

The last day at camp the juniors wanted to shoot Double Rise. They shot 50 pair, and overall scores were good. We concluded after lunch with an open discussion outlining each participants achievements.

The juniors enjoyed themselves and received information and new skills that they will be able to put into practice at each and every shoot they attend with more confidence.

A big thank you to the ACTA for making these camps possible and to the coaches and parents for their support.

Looking forward to the National Development Camp in July.

# 75th Mackintosh Reunion Dinner

On Saturday the 31st of March this year, during the Trap Nationals, the much anticipated first ever Mackintosh reunion was held. The venue was the Gumly Hall conveniently located about two kilometres east of the National Ground. Registration of guests and pre-dinner drinks started around 7.00pm with the National Vice-President, Mr Ron Traill opened proceedings just after 7.30 by welcoming the 165 people in attendance and introducing the MC for the evening, our past Historian, Mr Mark McInnes.

Mark outlined the evening and then invited our National president, Mr Robert Nugent to address the guests. Robert then made a short speech regarding why he thought the whole Hall of Fame and Mackintosh Reunion concept was so important to the advancement of our sport and thanked Mark for his foresight and drive in establishing the Hall of Fame and organising the Mackintosh reunion. The first break was then taken for entrees.

Following this Mark introduced our acting Historian Mr Adrian Cousens who elaborated on the importance and prestige of the Mackintosh Team Shoot and the high regard in which gaining a place in it has been held over such a long period of time. He then assisted Mark in naming all those shooters who had participated in ten or more Mackintosh Teams and presented Silver commemorative badges to those who were present. The audience was

obviously impressed by the fact that 28 people had achieved this great feat and heartily applauded those who were able to come forward to receive their badges.

Mark then proceeded on to announce that during the history of the Mackintosh Team Shoot there were in fact four people who had made the team on twenty or more occasions and what a shame it was that none of those people could be in attendance. Newton Thomas and Sperry Marshall have both passed away and "Pud" Burgess and Doug Smith no longer attended the Nationals due to age and/or ill health.

However this disappointment was short lived when one of the highlights of the evening was unveiled. When Mark announced that just a few hours earlier that day another great shooter had reached this momentous milestone, he had the audience's undivided attention. So it was to a standing ovation that Roger Duthie came forward to be presented with the first ever Gold Mackintosh Achievement Badge. Whilst presenting the award Adrian stated what a shame it was that Roger was receiving this award on such short notice as he was sure that with more warning Roger would have "tidied his act up with a haircut".

Returning back after the main course, Mark announced that the Champion Mackintosh Team of all time had been a photo finish between 1969 and 1994, with the earlier team just taking the honours. All 30 members of that team were named and it was wonderful to see that even though 43 years had elapsed since the event, three of the original members of that great team were still able to attend. Ivan Halbert,

Tim Catling and Bill Stevens all came forward to receive their mementos and Ivan graciously responded on behalf of the team.

Following another break for dessert and coffee, Mark formally concluded the evening during which he expressed his desire for these reunions to become a regular feature every five years, much to the delight of

*Roger Duthie with Adrian Cousins*

*Tim Catling, Billy Stevens & Ivan Halbert*

all those present. After this a number of group photos were arranged and then the band and the dance floor became the focal point until the evening wound up around 11.00pm.

# Perth SIZZLES at Pre-Nats 500

On March 10–11, the West Australian Gun Club Inc. (WAGC) hosted the annual PreNats 500 DTL competition with in-excess of \$6,000 in prizes being offered. Solely sponsored by Neill McWhirter of Mining and Drilling Services, this is the fourth year that this event has taken place. WAGC is most grateful for Neill's support and the shooting fraternity thanks him for his generous sponsorship.

As many would know, Neill is an elite shooter who has won many championships and values the opportunity for those shooters attending the National DTL Championships to be competition hardened prior to arrival, in order to give them the best chance of national's success.

This year the numbers were slightly down on previous years (46 competitors), due mainly to the extreme weather conditions being experienced in Perth. Two days of 40+ degrees certainly deterred some from attending and tested the "metal" and concentration of those that battled the elements. Despite this, excellent scores were posted and "soot-balls" were frequent and many.

Event one was the 100 target DB championship and was split, shooting 50 targets first up over both days. After the first 50

OA HG winner Tony Burnard Trap Capt Ken Parsons & Pres Peter Pierre

targets, fourteen shooters could still shoot the 100 targets. By the morning of the second day only four (4) shooters managed to post a clean score, being Peter Pierre, Tony Burnard, Giovanni Quaranta and "man in form" Josh Fleay. Surprisingly, after only 17 targets Tony was pronounced the 100DB PreNats Champion from Josh, Giovanni, and Peter. Martin Perry took out A grade with 99, Chris Fitzgerald B grade with 98 and Justin Hale C grade with 91. Both Martin and Justin would feature heavily in all events over the weekend and both earned promotion to AA and B grade respectively.

Event 2 on the Saturday was the 100SB championship which again is not everyone's favourite event. No shooter was clean after 50 targets but there were a number of 49's posted. Following the next bracket of 50 targets, Jim Hamilton stood

alone on 98/100 and was crowned the 2012 100SB PreNats Champion. In what could only be described as stifling conditions, Jimmy held his concentration and shot the last 50 clean, a great shooting effort under trying conditions. There were a couple 97's by Josh Fleay and Wayne Kuser and 3 others on 96 who all went to shoot-off. Wayne took out 1st in AA, Josh 2nd and Lars Bager 3rd. Martin Perry again took out A grade with 92, Rocco Priolo took out B grade with a very respectable 93 and Justin Hale C grade with 85/100. A free BBQ cooked by chef's Giovanni and Rocco, concluded what was a difficult and testing day of shooting.

Sunday dawned and Event 3 was the 100 DB Pts championship. Due to the hot conditions, this was shot in brackets of 25 rather than 50 targets. The shooters appreciated the extra time in-between to

rehydrate and rest before the next round. After 50 targets Lynne Curtis led with 149/150, followed by a pack on 148. Tony Burnard shot the last 75 targets single barrel to finish on 298/300 and clean-skinned this event. In doing so he also wrapped up the Overall High Gun, shooting 492/500. Well shot "Bulldog" and I am sure the prize money was well received.

Other notable scores were in AA grade Paul Vivante 296, Trevor Morris and Lynne Curtis 295, in A grade Martin Perry 294, B grade Rocco Priolo on 285 and in C grade Justin Hale with 271/300.

As mentioned, the Overall HG was won by Tony Burnard on 492/500 with graded HG's being AA Lynne Curtis with 490, A Martin Perry with 485, B Rocco Priolo with 492/521 and C grade Justin Hale with 420/500. Congratulations to all the winners and to those that shot personal bests.

Many thanks to all the volunteers who helped run this carnival, being Terry Hearn, Ollie McPartland, Elaine Don & Tracy Forward, Jerry Mercer, Robin Bailey, Ken Parsons, Dairmuir Duffy, Pete Pierre, Giovanni Quaranta and Rocco Priolo.

Finally, the WAGC committee and members give special thanks again to Neill McWhirter for his generous support. His significant sponsorship and event concept makes this event truly unique on the West Australian shooting calendar.

# RULE REQUESTS

Over recent times I have received many requests for a number of different rule interpretations. One I have had on numerous occasions is that of when downgrading occurs what should happen to the shooters handicap mark as these marks are tied to grades.

When a shooter is entitled to be downgraded, i.e. has shot three consecutive brackets of 200 targets at a lower grade percentage that shooter should not be automatically downgraded but asked if he wishes to be downgraded as downgrading is not compulsory. If he chooses to be downgraded his handicap will not automatically return to the minimum handicap for that grade but will remain on the highest handicap earned.

E.g.

1. A grade 19 metre shooter regraded to AA 21 metres (21 is not earned metres) and then returns to A grade will now be 19 metres as he has no earned metres above 19.

2. A grade 20 metre shooter regraded to AA 21 metres (21 is not earned metres) and then returns to A grade will now be 20 metres as he still has earned metres above the minimum for that grade.

3. A grade 19 metre shooter regraded to AA 21 metres and wins handicap event is now AA 21.5 metres and then returns to A grade will remain on 21.5 metres as these are earned metres above the minimum for that grade.

If the shooters current handicap card does not show his earned meterage the club official should ask the shooter what his earned meterage is and record it on his handicap card.

Should it be found that the shooter has claimed a wrong handicap mark he may be given a suspension for a period of up to three months. (Refer to Rule 2.01 (I))

# Fimac Shield draws a crowd

The second round of the 2012 Fimac Engineering Handicap Shield, glorious sunshine and perfect shooting conditions saw 39 shooters attend the Bega Tarraganda Grounds on Sunday 6th May. Shooters attended from Cooma, Berridale, Bombala, Narooma and Bermagui to boost the locals and ensure a fine day of friendly competition. Two, who shall remain nameless, shot at Cowra on Saturday and then travelled back to be at Bega on Sunday and were well rewarded for their efforts.

*Pres Phil Body and VP Stuart Bennett with AA 25T DB winner Bob Duncan*

Three events were held, commencing with a 25 target double barrel shot from sixteen metres. C Grader, John Gray showed good form to take the prize with a score of 21/25, one target ahead of Berridale visitor, Ben Rowbotham, 20/25. B Grade was fought out between John Seide and Bert Deacon after both finished equal in the main session. John finished up winning 31/33 to Bert's

went to first time visitor, Phillip Merry who cleaned up with 116/150 from Ben Rowbotham, 112/150.

High Gun for the day was taken out by Bob Walters with a commendable score 191/200. It was John Gray's turn this week to stress the treasurer in the shoot raffle. Unfortunately, a target escaped meat tray reward for his efforts, treasurer still holding the cash. Maybe next month.

The program for next month is the 100 target 'RV Repairs' Continental Open Championship, graciously sponsored by our President Phil and his wife, Pauline. Look forward to seeing you there. Practice at 9.00, competition at 10.00.

*C Grade 25T DB &  
raffle winner John Gray*

*Alf Niesar keeping the squads moving*

30/33, Alf Niesar and Shane Platts used an extra six targets before Alf picked up the prize 31/33 to Shane's 30/33. Robert Duncan shot well for 24/25 with Stuart Bennett taking second after a shoot off 36/38.

The feature event, round two of the Fimac Shield followed the first round proceedings. Handicaps were tested, before Bob Walters won the round with a score of 22/25. John Seide and Alf Niesar fought out the shoot off to decide second and third places with John eventually collecting second with a score of 31/35 from Alf's 30/35. Not sure who is leading the combined score, although I suspect John Siede is well up there after winning the event in 2011.

The final event for May was a fifty target points score shot from a common mark. After lunch action proved difficult for some, your's truly included. However, showing no after effects of his weekend wanderings in the pursuit of shooting, Bob Walters took the prize in AA grade, using his second barrel only three times for a score of 147/150. Great shooting. Our fearless president, Phil Body took out second prize with another fine effort, 143/150. A Grade saw Neville Brady in the winner's circle with a score of 137/150 with the ever consistent Alf Niesar filling second spot, 136/150. Mr consistent, John Siede, again featured in B Grade, winning with a score of 129/150 from Mario Magrin 119/150. C Grade

## ECHUCA COLLEGE STUDENTS

Two visits to the Echuca Clay Target Club from year nine boy students attending the Echuca College, proved that they actually took in everything that the volunteer coaches told them. The end scores were quite impressive from boys, most of who had never held or fired a shotgun before. Beginning on April the 30th and ending the next day on May 1st 2012, the boys enjoyed 2 fine days to experience the sport of Clay Target Shooting.

Not wanting to make it too easy for the students, the coaches gave them some straight away shots, but also a mixture of angled targets as well. And shooting in single barrel mode, mainly for safety reasons, the boys were up to the task with Jake Chandler leading all others, earning himself a High Gun Certificate for shooting an excellent 15/20 score. Well shot Jake, congratulations! Tyler Small and Campbell Ennis both recorded a 14/20 score and that listed them in 2nd place, with Erik Holt-Crossman shooting a 13/20 to post 3rd place. There were also numerous good scores just below those in the placings, and that pleased the Club members immensely, proving the boys had listened to their advice.

*Jake Chandler*

The Club wishes to thank David Pearson and the Echuca College for taking an interest in the sport of clay target shooting, and also a big thank you to the members, for volunteering to coach the students at these clinics.

# 2 DAY 5 STAND CHAMPIONSHIP

## Newcastle Lake Macquarie Clay Target Club

On the weekend of the 5th & 6th May 2012 Newcastle Lake Macquarie Clay Target Club was greeted with calm conditions but with some cloud for its annual 2 Day 5 Stand Championships. Shooters from far and wide attending, Wagga Wagga, Quirindi, North Coast and a variety of local clubs. After a showing of the targets the squads were under way for the first day's competition with a variety of targets. The layouts were setup by Frank Searles, Graham Hayes & John Puller who put in a lot of time with field shooting at Newcastle and we thank them for their efforts.

As the day proceeded and the scores started rolling in, it was clear the race for honours on day one would be hotly contested between Michael Ling, Amy Buys, Max Payton and Kevin Raymond. At the end of the first day Amy Buys took out the High Gun and A grade with a credible score of 89/100 followed by AA winner Kevin Raymond with a 86/100, B grade Ross Graham 91/118 and C grade by the one and only Wayne Holliday 54/100.

On Sunday we were greeted with fantastic weather so no excuses about conditions could be used. The leading contenders from Saturday were hard at it to improve and keep their positions. Some of the targets had been changed and tested the most competent shooter. The first round saw some good scores, but Kevin Raymond came in with a 25 which was his first of two for the day.

Results for the second day were as follows, High Gun and AA Kevin

**Sash winners**

Raymond 94/100, A grade Tony Shorten 106/125, B grade Robin Elton 70/100 and C grade Giuliano Mazzantini 61/100.

The two day High Gun Sash Winners were Overall and AA Kevin Raymond with 180/200 which is amazing as he recently lost his wife to a long battle with ovarian cancer and has not shot much in recent times, well done and our condolences to you and your family. A Grade/Ladies winner was Amy Buys 169/200; B grade was taken out by Robin Elton with 143/200, C Grade by Wayne Holliday 102/200 and congratulations on winning your first sash and finally Veterans Len Brookes 160/200. Congratulations to all prize winners and a huge thank you to Sally in the office who helps the shoots to run smoothly and of course the kitchen staff of Susanne and Danny.

# 2012 Trap Hall of Fame Dinner

On the evening of Tuesday March 27th, during the Trap Nationals and after the completion of the National Champion of Champions, 152 people from all over Australia made their way to the Function Room at the Wagga RSL Club for the annual Hall of Fame awards.

MC for the evening was that well known ISSF Skeet shooter Mr George Barton who invited the National President, Mr Robert Nugent to the dais. Robert then welcomed all the guests and formally opened the proceedings. Although there were no Grand Slam Awards to present this year, one of last years recipients,

*Matt Patmore*

Mr Matt Patmore had unfortunately not been present, so Robert invited him up to accept his overdue award.

Some years the ACTA Presidential Medal is not awarded at all but this year no less than three worthy recipients had our highest administrative honour bestowed upon them. In turn Robert invited Mr Vince Gatt, Mr Peter Haley and past president Mr John Byrnes forward to accept their prestigious awards. Vince's award was actually for 2011 but he was busy running the World Cup last year and was unable to attend. George then thanked Robert and invited our Vice-President Mr Ron Traill forward to present plaques to each of the shooters present whose name is inscribed on the Parker and Holland Cup.

*Peter Haley*

Most shooters are not even aware of the existence of this obscure but

*John Byrnes*

*Mark Crimmins*

*Fraser Roberts*

*Robbie Nisbet*

highly prized Cup as it generally only gets dusted off and brought out every ten years or so. It is awarded to anyone who qualifies for the Mackintosh Team on zero points down. Of the seven people named on the Cup during the last 75 years, three were in attendance and were presented with their recognition plaques. They were Mark Crimmins, Fraser Roberts and Robbie Nisbet. The irony of these awards was that no-one could have possibly foreseen that within a few days this normally "once per decade" occurrence would finally have not just a multiple addition but would have five more names all added in a single year.

With the lack of any Grand Slam recipients this year, two Masters Awards were presented. These are given to any shooter who can double the required criteria for any one of the three individual legs of a Grand Slam. This year they were both awarded for 25 metre shooting. The first went to Mr David Fox who had broken 146 targets straight off the back mark and the second was for Mr Tom Turner who had broken 100 targets whilst standing at the rear of the handicap lanes.

Following this Ron then presented the

*David Fox*

*Tom Turner*

annual Long Break Awards for 2011. The winners were Mr Tony Arvanitakis with 935 straight from 15 metres, Mr David Fox with 146 straight from 25 metres and Mr Matt Patmore who broke 148 targets straight in Trap Doubles. George then thanked Ron for his contribution and called a short break in proceedings to enjoy the entrees. Following this Mr Col Witt was invited up to the dais to preside

*Tony Arvanitakis*

over the awarding of our premier annual award, the Doug Smith Medal, which is presented to the most outstanding shooter during the previous year. Five finalists had been selected and this year they were from five different states. They were John Maxwell from Queensland, Arty Del-Ben from NSW, Mark Crevatin from Victoria, Darryn Nicholls from SA and Gary Kelly from WA. After our acting Historian, Mr Adrian Cousens outlined a brief summary of each shooter's achievements last year, the winner was announced.

*Col Witt with Darryn Nicholls*

This year the recipient was Mr Darryn Nicholls and after Col presented him with the prestigious medal and a plaque, he replied with a short acceptance speech thanking everyone concerned. George then thanked Col and Adrian, congratulated Darryn on his award and introduced local comedian and entertainer, Mr Mark Grentell who entertained everyone for about twenty minutes after which George thanked him and called for another break so that dinner could be served.

After the break for the main course, it was back to business for the induction of three more eminent shooters into the ACTA Trapshooting Hall of Fame. First up was Cecile Daly and after a summary of her career by both her son Mat Daly and the president of the Deniliquin Gun Club, Mr Rob Colliccoat, Cecile was presented with the customary green jacket. Following her acceptance speech, George thanked Mat and Rob and called another break for dessert.

*Steve Atkins and Cecile Daly*

Then it was on to the induction of Stephen (The Rat) Atkins who is not only one of our current crop of premier shooters but is considered by most of his peers to be the greatest Double Rise shooter in ACTA history. Steve's induction was ably handled by his friends Arthur Turner and Glenn Castellaro, following which he was also presented with his green jacket. Steve went on to thank everyone connected with the Hall of Fame and also everyone who had helped him during his career, especially his wife Helen whose loyal support was invaluable.

The last induction of the evening was a posthumous one to the most accomplished member of the famous Grant brothers from Gippsland in Victoria. Adrian Cousens delivered a passionate rendition of the history and accomplishments of William Grant as researched and written by our past historian, Mr Mark McInnes. With the formal portion of the evening completed a further half an hour of socialising, congratulating and photography eventually ended with everyone heading off home to bed in preparation for the National Double Rise event the following morning.

## TRAP

Nine squads of Trap had entered and the women kicked things off on the Trap layouts with 11 ladies vying for the title which came right down to the wire. Catherine Skinner & Anna Shedrina lead with 65/75, Michelle Beecham & Tania Burke on 56, Amanda Holt & Gemma Dunn rounded out the final.

We saw some great scores in single barrel including Gemma Dunn in her first ever final shooting a great 20 (new Perazzi working well)

*Ladies Trap winners Michelle Beecham 3rd, Catherine Skinner 1st, Anna Shedrina 2nd*

but Anna & Catherine were still dead-locked and a sudden death shoot off was required. Shot for shot the 2 girls went until the 4th target got away from Anna. Catherine held her nerve and smoked it to become the 2012 State Ladies Champion. Overall Ladies: Catherine Skinner 83/100 + 4, 2nd Ladies: Anna Shedrina 83/100 + 3, 3rd Ladies: Michelle Beecham 74/100.

Ladies Postal Team: Anna Shedrina, Catherine Skinner, Michelle Beecham & Tania Burke.

Ladies Shoulder to Shoulder Team: Catherine Skinner, Anna Shedrina & Michelle Beecham.

Day 1 of the Mens saw a tough battle. Brett Dunstan was the first to put "red ink" on the board in his first round, others to post 25's for the day were Adam Vella, Craig Henwood

*Jeff Tonna OA Winner with Josh Collard JNR Winner*

& Todd Malone. At the completion of Day 1 we saw Adam Vella on a great 73/75, Jeff Tonna not far behind on 72, Craig Henwood 71 & Brett Dunstan on 70. Could Adam Vella's dominance in this event in recent years continue?

Day 2 and the weather was perfect, hardly a breath of wind and clear blue skies. Adam had made his intentions clear by putting a clean round in followed by a 23 to finish on 121/125 and have a 3 tgt lead over Jeff Tonna on 118. Brett Dunstan 115, Craig Henwood 113, Todd Malone 113 & Talih Boukahmel all competed in the final. Special mention to Talih who missed his squad first round and even with a 3tgt deduction was still good enough to qualify for the final.

Shooting flash targets a good crowd stayed back to watch and what a show they got to witness. Jeff Tonna holding his nerve to shoot a great 24/25 single barrel nudged out Adam Vella by 1tgt. Brett Dunstan not to be outdone came home strong with a fantastic 25/25 in the final for 3rd overall and a spot in the Victorian team.

OA: Jeff Tonna 142/150, AA: Adam Vella 121/125, A: Brett Dunstan 115/125. A 2nd: Todd Malone 113/125 + 3, B: Anna Shedrina 108/125, B 2nd: Neil Cracknell 106/125, C: Ivan Borbas 79/125, C 2nd: Claire Watts 76/125.

## CENTRAL ZONE TRENCH CARNIVAL

April was a busy month for clay target shooters at West Wyalong for as well as the usual monthly shoot, West Wyalong Clay Target Club were host to the 100 Target Central Zone Trench Carnival on the fifth Sunday of the month.

Although a difficult shooting discipline, Trench has a strong following and visitors arrived from Bathurst, Young, Wagga, Griffith, Parkes, Cowra, Boorowa and Woodstock.

Shot in four visits to the trap layout, it gives competitors a good opportunity to see how other shooters are going during the course of the event and as the scores come in the tension builds during the day and the pressure to perform mounts.

Shooters were obviously a bit rusty as after the first round of 25 targets only Matt Schiller, Trent Jamieson and Dozer Collins scored a top of 21/25.

Things improved in round two with Matt Schiller and Leigh Stokes scoring 23/25 which is good shooting under the morning light conditions that prevail at West Wyalong.

Shooters shot consistently in the third round but Matt Schiller retained his favouritism with his 22/25.

Grady Evans from Bathurst was the outstanding shot in the fourth round when he claimed a 25/25 a great effort and a feat not often seen at West Wyalong.

Matt Schiller came in with 24/25 and Don Turner claimed the last spot in the final which is decided by the top six scores forming a squad to shoot a further 25 targets single barrel a difficult task.

The six selected for the final were Matt Schiller 90/100, Grady Evans

85/100, Trent Jamieson 81/100, Leigh Stokes 80/100, Robert Yeo 79/100 and Don Turner 77/100.

Matt Schiller maintained his form handling the single barrel section very well shooting 20/25 and was the Overall winner 110/125. The winner in A Grade was Trent Jamieson, B Grade went to Grady Evans with junior shooter James Turner taking out his section.

Zone President, John Finn competed during the day and was most complimentary regarding the organisation and administration of the shoot.

The Central Zone Team chosen to compete in the New South Wales Trench State Championships (ISSF) to be held at the Cecil Park Clay Target Club in August is Matt Schiller, Grady Evans and Trent Jamieson.

Brenson Wincke was the trapper on the day and did a great job. Although he was given assistance he was as busy as a one armed brick layer in Afghanistan.

## *The Squire reports from West Wyalong*

**The numbers were not great but the April shoot held by the West Wyalong Clay Target Club was big on relaxation and enjoyment.**

The morning started with 50 Targets from the Trench layout and many shooters saw this as an opportunity to get some practice for the Central Zone Trench Championship to be held the following week.

Some targets in the early morning light can be difficult to see let alone shoot but young Matt Schiller showed the way finishing first with a score of 42/50. Don Turner and Clive Foster came in equal second with a total of 41/50. Dozer Collins 37/50 was shooting quite well and was placed third.

*Winners of the Graham Bolte Memorial Deauville Shoot, Matt and Steve Schiller with Club President, Dozer Collins and Graham Duncan*

James Turner and Kate Schiller got the barbie underway and fed everyone before shooters were called for the afternoon's events.

The three winners of the 25 Target Double Barrel Cash Divide did not have very much to share, nevertheless, Dozer Collins, Clive Foster and Steve Schiller were quite happy that they had shot 25/25.

There is not much Double Rise shooting available around the various clubs but with the West Wyalong Clay Target Club's new traps double rise shooting is a snack to set up and shooters always enjoy this extra test of their skills.

Matt Schiller 38/40 shot the event very well and was the AA Grade winner.

Keeping it in the family, Kate Schiller 35/40 won A Grade and the consistent Adrian Hodges 31/40 won B Grade.

The main event for the day was the Graham Bolte Memorial 20 Pair Deauville Doubles. Graham was an inaugural member and also past President of the West Wyalong Clay Target Club.

Deauville Doubles is always enjoyed by shooters and it invariably draws a group of spectators who are very vocal in giving plenty of advice or should that be sledging?

The pairing of Steve and Matt Schiller was clear winners when they shot the maximum 20/20 to be clean. Graham Duncan, who is shooting well lately and has returned to A Grade, paired up with Doug Murray to be equal second with Dozer Collins and Clive Foster with 18/20.

Graham Duncan made the presentation at the end of the day on behalf of Jan Bolte, the winners will have their names engraved on a perpetual trophy as well as receiving a take home trophy on the day.

# RICHMOND RIVER CLUB NEWS

## Skeet – April

Some of our members “leave passes” must be endorsed with only one day shooting since only a small field lined up on Saturday 21st April with the monthly DTL shoot on the next day.

Warren Beddoes with scores of 19/23/24 and a comfortable handicap cleaned up. Considering that Warren shot his 24 his best ever in a round of skeet with his Hollis Side x Side he easily won the Side x Side badge held in conjunction. Tony Love showed the benefit of a lot of recent practice running second with scores of 20/23/21 and also a comfortable handicap.

## Trap – April

The main event at Richmond River Gun Club's monthly trap shoot was a 75 target medley sponsored by our great supporters, Geoff and Sue Pringle. On a fine but slightly overcast day, competition was keen with forty two shooters taking part.

Seventeen shooters recorded 15/15 in the Jan Harding Memorial Trophy Points Score eye opener and with two rounds left to shoot, Roy Warren is the only one still clean. Harold Batson and Bruce Copper are both one point adrift with a number of others a further point away hoping for a miracle.

AA Graders Terry Preston, Harold Batson, Steve Kilfoyle and Mark Formaggain shot 25/25 in the D/B stage of the medley as did Ricky Spencer, Jamie Beddoes, Luke Barnes, Geoff Pringle A Grade and Graham Gill B Grade.

Only three possible 25/25's were recorded in the single barrel stage by Ricky Spencer, Mike Sullivan and Scott Brereton.

With only the Points Score to shoot, competition was still very open in each grade. A missed target resulting in the loss of three points quickly turns things around when there is only one or two points separating shooters.

Ricky Spencer, who was clean at that time, needed his second barrel twice but regrettably, only one worked ending up on 121/125 seeing him relegated to second in A Grade to Roy Warren with a fine 75/75 in the points to finish on 123/125.

Terry Preston continued his good form finishing on 123 (25,23,75) winning AA from Harold Batson missing out on a shoot off by one point when he pulled a second on his last target (25,23,74).

A shoot off was required to determine B Grade after Scott Brereton overcame a shaky start with a great 25/25 in the SB stage. Don Johnson ended up winning with 139/150 to Scott's 137/150.

Roy Warren, Scott Brereton, Kim Nealon and Les Wheeler checking their scores

Terry Milgate won C grade and saw himself elevated back to B grade with 105/125. Leah Beaumont (102/125) took second.

Partners were drawn for the supporting event 20 pair Deauville Doubles from 18 metres which is always great fun. A bookmaker would have had a field day with most of the “favourites” dropping at least one target.

The four teams that shot the lot lined up behind one another on lanes two and four for the shoot off resulting in Kim Nealon and Les Wheeler winning the event with 32/32. Maurie Westbury and Geoff Pringle were 2nd with 31/32, Warren Beddoes/Jeff Lowndes 23/24, 3rd and Ted Schneider/Nancy Davis 4th.

Terry Preston won the daily High Gun Tankard after a 15 mixed target shoot off to with Roy Warren with Don Johnson taking Intermediate High Gun.

The 2012 two day shoot will be behind us by the time this article is read. In June our monthly DTL shoot will consist of a 25T graded DB Cash Divide, a 50 T DB Championship, and 25T Continental.

## Sporting Clays

16 shooters shot(at)75 challenging but fun targets set by Ted Schneider, Warren Beddoes and helpers on Sunday 29th April. Tony Love won overall as well as B Grade being the only one to shot a 25/25 at any stage. AA was won by Terry Preston, A by Bruce Pethers and C by Alan Dowley.

The next sporting clays shoot is scheduled for 29th July.

Since Richmond River Gun Club started in 1952 and a “Coronation” shoot was held that year, we are seeking permission to call our 2012 DB Championship event the “Diamond Jubilee” Championship.

As usual, a monthly skeet handicap will be held on the 3rd Saturday.

Details of all Richmond River events and information about the other clubs in the northern rivers area can be viewed on [www.northernriversgunclubs.com](http://www.northernriversgunclubs.com).

## Generation gap: Understanding Gen Y

This month I want to continue with the generation gap focus and look at the difference between how Gen Y think compared to the rest of us (builders, boomers and even gen X). To do this I want to explore what McQueen calls paradigm rifts: the established generational lens that we (builders, boomers and gen X) use compared to the Generation Y lens. There are nine areas of paradigm rifts.

1. *The concept of truth.* Our generational lens sees truth as absolute: black or white. The modernist (builders, boomers and gen X) mindset focuses on truth through knowledge. We need to be persuaded and convinced. For the modernist we will be told how we should behave, what we should believe, what we should say and how we should act.

For Gen Y truth is relative not absolute. In this post modernist way of thinking both world-view can be true. What we believe will depend on our upbringing, experiences, education, etc. This world-view allows for greater acceptance and tolerance of individual differences and questions the notion of absolute truth.

2. *Respect.* For the builders, boomers and even gen X, respect is bestowed on a person, position or an institution. Respect for authority, teachers, police, parents, elders, priests, etc, was given on the basis of their role. Through the Gen Y lens, according to McQueen, respect must be a two-way deal. McQueen gives an example of the signs on the beach at Manly. The council has a list of do's and don'ts. At the bottom of the notice is the sentence that says: We respect you, you respect us. Basically the council is saying: We respect your rights as a young person to have a good time. However we ask for your respect in return. Here is a list of ways by which you can show that respect.
3. *Patience.* To the older generations patience is a virtue. We understand delayed gratification. Before credit cards, people lay-buys goods. We knew and were told that life wasn't meant to be easy, so we had to work hard and wait for the things we wanted.

We understood that career development took time and we were willing to work our way up the ladder and wait for opportunities. Through the Gen Y lens, patience isn't a virtue it is a waste of time. Patience is pointless, frustrating and unacceptable. Fast food, micro waves, pre-prepared meals are a indicator of Gen Y's expecting everything straight away. The other day at work a young Gen Y teacher was complaining that the computer was dreadfully slow. From boot up to when she could use was all of 35 seconds. For a group that wants everything immediately, what happens when life doesn't go the way they want. Gen Y's either believe that there must be something wrong with my goal, or something wrong with me. As well as believing that life should be easy, gen Y also believe that life should be exciting. The banal and mundane just doesn't cut it.

4. *Communication.* This is the easiest way to tell the generations apart. Boomers bought a mobile phone as a convenient tool: what if I break down and need help. Gen X's like the ease and convenience of SMS. But for Gen Y it's about the phone; the bling, the apps: it is a fashion accessory. For the older generation it is about function, but for the Gen Y's it is about form. This group wants to stay connected to each other: phone, SMS, Facebook, email, MSN, etc. This is the

first group in history that can have 24 hour connection with each other. They have even invented a language: SMS speak. Gen Y's run the risk of the overarching potential for miscommunication, erosion of empathy, changes in physiology, sleep deprivation and shrinking vocabulary. There has also been an explosion of cyber-bullying and sexting; unfortunately the consequences of these activities are rarely thought through.

5. *Affirmation.* The older generations understand and are happy with intrinsic affirmation of a job well done. For this group when someone notices, or rewards, or encourages, it is icing on the cake. The same too with criticism. The older generations do not see constructive feedback as a personal attack but as an opportunity to learn and develop. Gen Y's on the other hand, crave external affirmation for their performance or effort. With a heavy reliance on external praise and feedback it is likely that Gen Y's will argue 'if no-one is going to notice, then why bother trying at all'. Gen Y's have a reputation for being narcissistic and when things don't go their way they fall in a heap. This is an interesting fact given that they were raised in the era of self-esteem.
6. *The future.* For the older generations the future was a linear progression, especially when it came to careers. Get a good education, a safe, secure job or specialize in one job, or at least one industry and retire at 65. For the Gen Y's a 'career' is one long resume-building process. For Gen Y's goal setting is really about being prepared. Rather than set a goal to go out on the weekend, they will wait until they get invites via SMS or Facebook and decide then.
7. *Loyalty.* For the older generations, loyalty was an inherent part of the job contract. Being loyal meant that you felt part of the 'family' or team and you held an allegiance to the firm. It is not surprising that for Gen Y this is not the same. Rather than a career, it is merely a job. The reason for this is likely to be because Gen Y have grown up in an era of unparalleled economic prosperity, or they have not had loyalty modelled to them or loyalty no longer seems necessary for career advancement.
8. *Work Ethic.* Builders, Boomers and Gen X saw staying with the one employer showed persistence, commitment and character. But today HR divisions are seeing Gen Y view experience as a curse. This is also leading to the casualization of the workforce: part-time instead of full-time jobs, casual instead of permanent, contracted instead of award. Gen Y's might appear 'lazy' because they only do what they are asked and nothing more. Why is this happening? Well, probably because they do not want the stroke or heart attack that they have seen members of the older generations have because they have put the job before lifestyle.
9. *Learning.* This is the final paradigm rift. In the past learning was about having a thirst for knowledge. Facts, figures, words, processes and outcomes were important. For Gen Y, learning is about getting a qualification. Cut out the fun stuff, the creative aspects, just teach them what they need to know to get qualified for a job. NAPLAN testing in schools today reinforces this notion.

If you are from the older generations, I hope this has been an insightful way of looking at the next generation. If you are one of Gen Y I hope this gives you some understanding as to why the older generations can find engaging with you difficult.

# Successful Easter Carnival at Mildura

**A** couple of weeks before our shoot we were like ants getting the grounds ready John Villiva and the rest of us had everything looking absolutely superb.

Driving into the Gun Club the Caravan Park was full to overflowing. Vans and tents of all sizes. Thursday night's welcome BBQ is a tradition and to break from tradition a couple of our members cooked spaghetti. Thanks to John and Vince and the Master, they had the barby cranked up for all those who like a snag on the barby. Me, I like both. Just a light social night - a few beers and a wine or two.

On Friday morning 81 shooters started with a 10 target E/O with 38 possibles.

Winner of the Medley Championship, Andrew Smith

event). There was one possible, Andrew Smith 100/100. Shoot offs in all other grades finished just as the weather turned, a dust storm put pay to any further events

So into the club house, a few refreshments and watch a slide show of our recent Inter School shoot. Good Friday fish & chip salad was an easy tea

Easter Saturday - 97 shooters, 10 target E/O with 36 possibles.

Event 4 - Luggage International 50 target

L-R Medley winners P Arbac, M Kadziela, A Smith & J Villiva

D/B. After a nice little shoot off Marc Crimmins 246/246 won from Wayne Parks 245/246. Marc was very happy with the colour choice this year.

Event 5 - Hesco Engineering 25 Target P/S. Winner as AA grader, Neil Cracknell 75/75.

On Saturday night as promised, Spoggi cooked Chinese food - very nice.

The back-to-front draw \$1000 1st prize - slowly out came the numbers until there were 3 left, winner 1st Ted Souder, 2nd Lorraine Powell, 3rd J Argiro.

Sunday - 94 Shooters, 5pr D/R E/O which 6 shooters shared

50 PR D/R - The Jim Vale Classic 1000 Championship. Jim Vale is the sponsor of his own event and word has it that it's one of the richest outside State and National level. Jim was ill last year and this year was on deck to shoot and present trophies.

Everybody was wondering if Marc could do it again. Shooters were not disappointed as they watched him shoot 10/10 E/O, then shoot his 1st 25 Pr clean 50/50. Top effort, eventually shooting 95/100. That was great shooting.

Event 8 - Justin Tassone Butchery 25 Target Handicap. Justin, a 1st time sponsor to our Club and it probably won't be his last. Justin is a local butcher from Red Cliffs. After a shoot off Les Kadzeila was victorious over Jack Flintoff, Tim Box & Jesse Hoare.

Sunday night in the club house, Spoggi, Helen & Ian worked all day, cooking a roast tea when already it looked as good or better than you would get in a 5 star restaurant. Needless to say seconds were had. Sunday night is a very casual night. A few reds came out and a few stories about "if I had shot better I could have won".

Much to my surprise there was a guest speaker that gave a talk on junior shooting, Mr Bill Iles. Bill, his daughter and her son Mitchell had travelled direct from Hay to Mildura.

Family & friends on one table had gathered for what one family member thought was a get together for Easter. Then unbeknown to Larry Dimasi, he was awarded Life Membership to Mildura Clay Target Club. Congratulations Larry.

Left: PS C Grade Tim Box, Right: Marc Crimmins, Overall HG

Monday, the final day with 84 shooters competing for the Falcon Cartridges 30 Target P/S. Neil Cracknell was trying to win 3 in a row but unfortunately Neil could not win his own sponsored event. Visiting AA shooter, Glen Arnol from Tasmania, was the winner with 93/93.

Event 10 - Corsivia GB 30 target S/B. There was a shoot off between Andrew Smith and Len Cook, with AA Grade Andrew taking it with 44/47.

This shoot would not be possible without the generous sponsorship from the following. Mr Jim Vale, Kings 4WD Radiators & Cartridge Sales Mr Trevor King, Luggage International Mr Peter Stizza, Hesco Engineering Mr Mark Dellar, Corsivia/GB Bruce Burns and his team, Justin Tassone Red Cliffs Butchery, Falcon Cartridges Mr Neil Cracknell.

The club wishes to thank all shooters that travelled to our fantastic club, shooters as far away as Tasmania, Adelaide, Orange, Noorat, Ararat, Geelong, Morwell Frankston, Robinvale, Horsham, Beaufort, Mansfield, and a very strong contingent from SE Zone again this year.

The club wishes to thank the following people. Spoggi (Neil Box), Helen & Ian Bull. Once again they catered for everybody for the entire weekend. Gary Pike (President) Shoot Marshall & Trap Mechanic Ross Buchecker, Ralph Mammone. All the guys that shot and filled traps Les & Michael Kadzeila, Carl Hunt, Steve Barnes & John Heley. Mark Box for his computer skills, club house P/A and photography.

And finally to the office staff. A big thank you to Len Cook, John Kelly & Peter Falkinder. And I'm sure they will be back next year.

The 2012 Carnival was once again a huge success. Hope to see everybody in 2013.

**Norman Watts, Vice President**

## New Zealand 2011 Nationals Report

By Stephen Atkins

### FRIDAY 2ND MARCH

A real early start 3.30am.

I have organised to pick Terry Boucher and Glen Daley (Melon) up in Bendigo on the way to Tullamarine to go to Christchurch.

Blast off is 10.00am, on the flight are some of the normal culprits that attend the bigger shoots, Ross Walsh, Darryn Nicholls, Rob, Narelle & Clayton Anderson, John Holder and Mr & Mrs Wanga. A real good flight taking only 2 hours and 35 minutes.

### 3RD MARCH

Arrive at Canterbury Clay Target Club, I can't describe how bad the weather is, freezing, cold, blowing it's guts out and raining on and off.

The Ball Trap was first up after qualifying Graeme Ede of New Zealand was the Overall winner on 46/50, this might sound like a fairly average score but let me tell you this was a real good score.

When I was walking up to my trap a target landed at my feet, this is after it had been thrown 60 metres out from the trap, shot at twice and finally landing 35 metres behind where it started from. They were wild!

There were four blokes on 45/50, two Kiwis, the Mosgeil Mauler (Clayton Anderson) and myself. One of the Kiwis missed his second target, I choked on my fourth and the Mauler didn't think much of his fifth, which meant Mr Warnock got A grade.

## Gympie Clay Target Club

Twenty-five shooters attended the Gympie Clay Target Club on Sunday 13th May 2012. It was a glorious sunny day. The Mayor, Mr Ron Dyne officially opened the \$33000 upgrade of the Club's facilities. Most of the funds came from a Grant received from the Community Benefit Gaming Fund. Mr David Gibson MLA also attended the Club and was impressed by the upgrade of facilities.

### 4TH MARCH THE HANDICAP

Still blowing a head wind fairly fiercely, four possibles, all Kiwis and none of them past 22 metres! The best of our mob was The Melon, he creamed 49 so he was in the shoot off for minor placings. The winner was Shane Watson with Gavin Searle second.

### 5TH MARCH

Double Rise and minis today, still blowing like hell the only difference is the wind has changed from being a head wind to a cross wind.

When qualifying was complete I was lucky enough to be on my own on 49. There were 10 guys on 48 and after a further 15 pair Custard was the winner with Goatie Wordley one target behind him.

In the minis there were four shooters who required red chalk. Fortunately for the Aussies one of them was Bruce Powell. After 10 birds Powell was the new Sparrow Champion, not bad when you see he did it with one arm in a sling due to a fall off his trail bike.

### 6TH MARCH

At last we got some real good targets, we drew trap nine and they were there to be punished, Arty and Glen Hayden were the only two Aussies to shoot possibles along with three Kiwis. After one round it was down to two Kiwis and after one further round the winner was a young guy called Dylan Woodhouse.

The best part of the day was still to come. About ten of us were invited by David Tipple to his house for a meal and a bit of a play. His wife cooked a lovely meal and made us all feel very welcome. He took us to his private shooting range to have a lash with some pretty impressive weapons including among other things, a K47, 45 calibre Thompson Machine gun and a 9mm M&K MP5 to say this was a buzz is an understatement – great night.

### 7TH MARCH SINGLE RISE CHAMPIONSHIP (NATIONAL DOUBLE BARREL)

The wind was now blowing straight in our face and a light consistent misty drizzle which made visibility very bad.

Jack Saxton was the winner in the end shooting a bit over 200 targets leaving Tom Turner with the runner up trophy. I said to Tom "I believe he is only about 17 years old?" and he said "I think he is one of the trappers" and the young bloke also said to Tom "It was the first thing he has ever won"

### 8TH MARCH NATIONAL SINGLE BARREL

Good conditions and no excuses, finally we got a representative in the shoot off. Nine possible of which six were Aussie. The old pensioner Neil Berry, Charlie Smith, Simon Gloster, Russell (Schultz) Felmingham, Ross Walsh and the publisher from Broken Hill, Darryn Nicholls. Simon got a bit excited on his first target, Schultz missed his second and Neil and Charlie didn't make it to five.

It wasn't long before it was down to John Beddis the defending champion, Walshy and Nico. It was a real good shoot off except for the result. John finally beat Walshy at about 90 targets with Nico third about five targets before.

Walshy nearly had the fairy tale shoot, before the event he decided to shoot one of the new Beretta DT 11s try guns, straight off the rack. There were only a couple of targets out of 90 or so he shot that weren't vaporized! It really was a great effort even though he didn't get over the line.

### 9TH MARCH LAST DAY POINTS SCORE

Still windy and a top temp of 14C and only three possible the good thing was two of those were Australian, Schultz and Nico. The shoot off wasn't long, Schultz missed his first bird and Nico pulled a second on his first bird. That left Lindsay Rogers the Points Score Champion of 2012.

Gavin Searle won the High Gun and Australia got flogged in the Glenn Cup 247 to 245.

John Holder and I went out to the suburb of Sumner to check out the devastation of the earth quake 12 months ago, I don't think you could imagine what these poor people must have gone through.

## Leni Angelo Crema

2.4.1936 - 28.3.2012

On this day at the hospital of Fairfield we came to a day mourning and the unfortunate passing of Mr Leni Crema after a period of suffering. Leni was much loved by his daughter Jennifer, nephews, son in law, and brother David all his cousins and friends. A loving husband of the now deceased Judith-Anne.

Leni Angelo Crema born on the 2nd of April 1936 in Tully North Queensland. When Leni turned 3 the family moved from the sunny state of Queensland, to Sydney New South Wales. Leni and his late father Mr Crema were the original founding members of Club Marconi in Bossley Park, this then led Leni to become one of the original members of Marconi Clay Target Club. His passion for shooting originated from his love of hunting. Mr Leni Crema in his time was a very good clay target shooter, he won many championships throughout the state and came 2nd overall in the double rise event this came as a huge achievement to Leni.

Leni was in search for a suitable piece of land for many years with great difficulty of making a success. With Leni's strong Italian background Leni started shooting at Hawkesbury gun club in Windsor for a period of time, he then received an invitation to shoot at Royal Aero Gun Club in Bankstown, this club was more centralised within the shooting

population. Leni was approached by the Sydney President Ray Lucre to jointly develop the grounds as they are today.

Leni's passion was filled with the offer Sydney proposed to Marconi, to develop the Sydney Marconi Complex his passion led to the obsession to develop the grounds with adjoining members.

During this time Leni married his love Judith and not long after were delighted by the birth of their wonderful daughter Jennifer who opened his heart. Followed by the birth of his daughter Jennifer, Judith started to work in the office for the club. However, due to Judith's sickness she sadly passed away with in a short time. Leni was highly affected by the pressure and stress in regards to the upbringing of his baby girl and the stressful juggle of work and his passion for the club. His management position at Bortoli wines added extra hardship however, his mother helped look after Jennifer.

After this time, Leni found new light in a new business in the earth moving industry, his passion still then lead Leni to give and donate his machinery, time and love to the grounds. Leni was a member of the Australian Clay Target Association for roughly 40 years and was an alternating president for the Marconi Clay Target Club for 20 years. Leni left the presidential position to the younger generations of the club.

Leni Rest in Peace. Always remembered

## STATE TOWER SHOT AT MATHOURA

Shooters from a wide area, including Walmer, Numurkah/Shepparton, Bendigo, Cohuna, Kerang, Echuca, Euroa, arrived at the Mathoura Gun Club on Friday night, 27th of April to compete for the overall winners sash on the main event, which was a Victorian State 30 Target, Night Double Barrel Tower Championship. Those shooters made up four full squads and that was a very good roll up for a chilly April evening.

To allow the shooters to practice for the main event, firstly there was a ten target Single Barrel Tower cash divide, and although not one possible was shot, Mathoura member Thomas McClusky, Brayden Melotte of Walmer, Peter Finn from Bendigo, Tim Maher a Deniliquin member,

and Jeff Hogg from Kerang all shot a 9/10 score, and that earned them a share of the cash pool.

Although it was a very chilly night, with a fire burning outside the clubhouse, and one inside, and plenty of hot food and drink supplied, thanks to Donna McClusky, the shooters were able to put some very good scores together, with Club President, Roger Kerslake, also Brayden Melotte, and Peter Finn, able to shoot all 30 targets. A shoot off ensued which everyone thought would last many targets and yet only three targets later we had a winner. Bendigo member Peter Finn scoring a clean 33/33 put his hand out for the prestigious, Overall Winners Sash and the 1st in B Grade trophy. Peter who has been shooting Tower very well lately also scored a high enough percentage to move him up to A Grade. Well shot Peter, and congratulations

on reaching A grade.

A Grade 1st was collected by Brayden Melotte with a 32/33 result, and the C Grade 1st trophy went to Num/Shepp member, Barry Bloodworth, shooting an excellent 28/30 score.

Although Tower events take considerably longer than DTL events to shoot, through smooth running, the entire program including presentations was all over by a few minutes after 11.00pm, giving the travellers a chance to drive home at a reasonable time.

## Easter eggs and DTL at Cecil Park

Date 9th April 2012. Attendance 107 shooters. Weather beautiful

What a beautiful day to go clay target shooting with all our shooters turning up to participate & enjoy the social day out after filling up with chocolate Easter eggs on Sunday. The club put some nice platters with nibbles & more Easter eggs for the kids on during the afternoon for all to enjoy & what an enjoyable atmosphere it was, lots of laughter & chatter.

Nick Xenos was on fire & shot so well on Easter Monday we needed the fire extinguisher to put him out! Nick took out O/A for Events 1 (50tgt PS) and Event 2 (50tgt SB) and then went on to take out O/A High Gun with a perfect score of 250/250. Even though the prize winners were pretty evenly divided it was good to see Matty Patmore win something on the day after giving Nick Xenos some healthy competition.

I'd like to thank the JDP kids for helping with

## Successful Shoot at Echuca

Seven squads of shooters from a very wide area arrived at the Echuca Clay Target Club on Sunday the 29th of April to compete for the sashes and trophies on offer for the day. With 125 targets to aim at for the competitors throughout the afternoon, it was always going to be a battle to get that many shooters through the program, yet due to a very smooth running shoot, all shooting and even presentations were completed before 5.00pm.

*Daryl Hunt*

A 75 target, Victorian North East Zone Champion of Champions, was the first event and after a short shoot off, Daryl Hunt, a Wangaratta member put his hand up for the Overall Winners Sash, and the 1st place in AA Grade trophy, with an excellent score of 145/150. Luke Torney was the shooter who pushed Daryl along but he missed one more point to collect 2nd in AA grade with an end result of 144/150. John Gemmill picked up 1st in A grade with a 118/125, and Tony Plum shot a 116/125 to take out 2nd in A grade. Glenn Rathbone shot a 141/145 to win 1st place in B grade, Peter Keck collected 2nd in B grade with a 133/145 result. K Keely shot an 89/125 to take 1st place in C grade, with N Calandro picking up C grade 2nd with a 85/125 result.

The scores recorded were actually very good, considering that a strong, gusty, freezing cold south wind was prevalent throughout the shoot, pushing targets wherever it liked, and making it extremely difficult for the shooters.

*Barry Morris*

A 40 target Mixed Target Championship was next on the agenda, and missing just three points to collect the Overall Winners sash, and also the 1st place in AA Grade trophy, was Hay NSW member, Barry Morris, ending the event with an impressive 57/60 score. Charlie Burns ended up with a 68/72 score after a short shoot off, and that earned him the 2nd in AA grade trophy, A grade 1st was Alan Patten with a 55/60 result, and 2nd in A was Tony Plum on 53/60. B grade 1st was A Jones who shot a 53/60, and B 2nd was J Costa with a 52/60, C grade 1st was K Keely with a 43/60 score and C grade 2nd was collected by B Keck with a result of 42/60.

Lastly there was the very popular Echuca Club Mug to shoot, and finally there was only Andrew Whitechurch left that had not missed a target, Andrew a Bendigo member put his hand out to collect the 1st place cash trophy which was a very healthy \$90.00.
