National President's Notes

I write this report from Wales on the last day of the International Clay Target Shooting Federation (ICTSF) World DTL Championships. The Team competition has been completed and the Australian Team has achieved a great result. Team results are as follows:

Open Team Gold – 2373-2400 winning from Wales by 5 Points.

Lady Team Silver – 1156-1200 second to New Zealand by 7 Points.

Veteran Team Gold – 1172-1200 winning from England by 1 Point.

Junior Team Silver – 1172-1200 second to Northern Ireland by 8 Points.

This can only be described as an excellent outcome for the Australian Team members and the ACTA.

Australia can be proud of the Teams performance, both on and off the Traps, and on your behalf I extend to the team members our congratulations and appreciation.

The individual competition continues as I write, but due to deadlines a full report and photographs will appear in next month's magazine.

I represented the Association at the ICTSF AGM last Wednesday where Mr. John McCormack was elected as President. I was subsequently elected as Vice President. The ICTSF is conducting the Sporting in Canada in 2013 and will be back running the World DTL in New Zealand in 2014. The decision made in New Zealand last year to drop the lowest score off each team total at all ICTSF events was raised again and our Association now needs to consider its position in relation to this matter.

Following the recent National Executive meeting, Peter Haley, former Executive member and Chairman of the Grounds Sub-Committee, was co-opted back onto the Grounds Sub-Committee to assist with projects and to look at a long term strategy for the development of the National Grounds. Proposals will include the location of additional powered camping sites, location of an additional skeet layout, new stairs for skeet houses to meet safety requirements and a possible location for ISSF layouts. The work will include a review of current facilities and the development of maps listing all existing services. A proposal will also be included to realign the fence line between the National office and the National grounds to accurately reflect the boundaries.

The West Australian Clay Target Association is well advanced on preparation for the 2013 DTL Nationals. Now is probably a good time to start thinking and preparing for what will be a good event and a good trip. Lets support our West Australian shooters by having a good attendance.

Executive Officer's Report

The CTSN is in the fortunate position of again having a large number of advertisements. This is both good and bad. Good because the advertising helps reduce the cost of the magazine for printing, bad because it reduces the space available for articles and editorials. The advertisements are both club and industry. Why does it reduce articles? The Newsletter is restricted to 64 pages because to go bigger, places the magazine into a more expensive mailing category due to weight.

The present page extent and trim size is our most cost effective. We therefore look at the advertisements firstly and develop articles to make the extent 64 pages plus a 4-page cover and 4-page gloss colour section. On occasions last year we produced a Newsletter of only 56 pages due to lack of advertising. The editorial staff is endeavoring to keep all Newsletters to 64 pages by adding extra articles if we are short of advertising content.

This situation shows that advertisers feel the coverage they get in the Newsletter and the target market we provide, is worthwhile for their business. It is up to all of our members to continue to support our advertisers and sponsors. When sponsors see that we support them they also see the benefit of supporting us.

The ACTA is currently working with insurance companies to develop a policy to cover guns. This will be a policy members which members will be able to take out through the Association. We believe that our buying power will be able to negotiate a better price than members going with insurance companies as individuals. As the number of members using this policy increases, hopefully the price will go down in subsequent years.

At the time of writing, the DTL team is in Wales and we have had our first win in the warm up events. Matt Schiller of the Boorowa Club has won the British Junior Championship. Matt was the top Australian shooter as well, and shot 299/300 in the one day event. This augurs well for the Junior team in the World Championships.

2012 Skeet Nationals

Whilst the forecast indicated some wet weather for the week ahead, the Pre-Nationals were shot in fine weather. Typical for this time of the year, cold foggy mornings led to beautiful sunny days. This was perfect for tuning up for the 2012 Skeet Nationals. The grounds were in perfect condition and a large number of the shooters had already arrived.

The weeks shooting attracted 165 shooters overall, with most events having between 130 and 150 shooters. There were 14 international shooters present with good representation from each of the States. Grades were evenly represented and over one third of the shooters represented Juniors, Women and Veterans.

Victoria took the Women's title with one possible, Linda Watson, and a score of 72/75. The Junior event unfortunately only had two teams entered which saw New South Wales beat Queensland scoring 71/75. However Queensland was successful in the Veteran's event with one possible, Pat Dury, and a score of 69/75 for the team.

Following the Teams event the Official opening was held and our guests from the New Zealand National Executive selected Queensland as the best dressed team to once again win the A&M Denton Perpetual Trophy.

Event 3: 13th National Skeet Handicap

For the second year running the National Skeet Handicap was won by a Junior shooter, Eddy Elder from the Melbourne club. This year third place was also filled by a sub-junior, Antony Ballarino with both shooters separated by New Zealander Jamie Peryer-Fursdon. New Zealand filled three of the first ten places, which is recognition of the consistent quality of their shooters. Eddy's performance with 194/195, Antony's 189/200

HIGH GUNS

The Overall High Gun this year, and winner of the Cec Herbert Perpetual Trophy, was David O'Sullivan from the Bairnsdale club. David shot 542 to prevent Leigh Roberts taking three in a row. An excellent result from David and it will be interesting to see if David can now go for the hat trick. After coming second last year this was a just reward for consistent shooting by David.

Graded High Guns

The AA grade High Gun was taken out by Paul Johnston of the Melbourne club. Paul finished only two points behind David with a score of 540. The A Grade High Gun was taken out by Dean Everett from New Zealand, with a score of 536. This is the second year a New Zealander has taken a grade High Gun award. Christopher Jenkins from Hobart took the B Grade High Gun with a

score of 520. This follows his Handicap win from last year. C Grade was won by Steven Atkins from Shoalhaven club with a score of 509. These High Gun wins highlight the consistent performances all week in a variety of shooting conditions and the winner's ability to handle a variety of weather conditions.

Section High Guns

Eddy Elder of the Melbourne club, finished a week of consistent shooting by taking out the Junior High Gun and the W Attwood Perpetual Trophy. Eddy had a score of 530/550 which indicates how well he was shooting overall. The Bill Attwood/ Bob Buchan perpetual Trophy for the Sub-Junior High Gun was won by Antony Ballarino whose name had featured all week in results. Antony shot 488 and is from the Port Denison club in Queensland. This was a good introduction for the youngest shooter at the National this year. The winner of the Women's High Gun and recipient of the Nunawading/Ringwood Regent Perpetual Trophy was Lorraine Hughes, who worked hard all week to keep Nigel on his toes. Lorraine, from the Caboolture club shot 525/500 and featured in the results right from the first event. The Veterans High Gun, and winner of the Ray Melville Perpetual Trophy, was Peter Vosper. Peter, from the Frankston club, shot 520/550 to win the trophy and sash.

Sponsors and Acknowledgements

Many thanks go to the sponsors for the success of the Championships. Bang on Target, Casella Wines, Beretta all assisted in making the Championships successful. This year's Nationals saw a larger number of trade displays and these helped the atmosphere and provided some shopping for shooters. It is to be hoped to increase this for next year. Many thanks to the office staff, Judy, Sue, Maureen and Jenny. Once again Frank and Janenne ably ran the shoot program and squadded shooters which helped the event

National Development Camp, 3rd-6th July 2012

Dr Adrian Hurley-Australian Olympic basketball coach once told me "your team don't care what you know they want to know you care."

After introducing themselves and shooting the pattern board twenty juniors squadded up on Tuesday afternoon to begin a three day junior development camp and show the coaches what they could do and how they do it. Gary Hayden and myself looked on with interest.

Western Australia, Tasmania, NSW and Victoria were represented by Shayne Wallis, Sam Barnes, James Turner, Bowen Kemp, Michelle Boase, Matthew Hollingsworth, Jamie Zechner, Tom Pilgrim, Kyle Booth, Cooper Mooney, James Hayden, Logan Wemyss, Matthew Downes, Jesse Hoare, Nathan Zechner, Bailey Vogelzang, Kate Schiller, Jack Flintoff, James Aitken & Fraser Prowse.

Michael Kruger-Davis led the mental training and talked on "being in the present" something that we all struggle with at times, our minds mooch along or dwell on a lost target or think about a victory speech and the next thing you know the ref is calling a lost target or worst still a successive lost target. Over two days Michael spoke on and led sessions in visualisation, relaxation and concentration.

Tuesday night dinner at the Motel, Wednesday BBQ cooked by ACTA's EO Chris Gibson & Wednesday all you can eat at the RSL and I didn't have to wash up once it doesn't get much better than that.

The only disappointing part of the camp was the State of Origin score and another series loss (7 in a row) to the NSW blues, thanks to Gavin Prowse who showed an interest in Rugby League which is rare for a "Sand Groper" I know, thankfully I had someone's shoulder to cry on.

Cold mornings & nights were a bit harsh for a coastal boy but the days were beautiful, calm and cool, perfect for target shooting and the scores on Thursday were excellent and showed a marked improvement over Wednesday's records.

Kate Schiller won the single barrel shoot off and was heading off to Wales soon after the camp. Well done Kate a fantastic result to make it through the shoot off without losing a target.

Gai Downes our girls chaperone had a pretty easy job (I think) with three perfectly behaved young ladies, thanks Gai for taking on this role. On behalf of the Juniors I thank Winchester Australia for the shells and the ACTA for financing this camp it was very much appreciated by all who attended.

2012 Skeet Nationals

run smoothly. The ground staff and trappers ensured there was something to shoot and the area looked in top condition and the traps operated well and threw good targets.

The informal shooters meeting on the Wednesday night is an invaluable way to get feedback from skeet shooters and comments will be noted and acted on where suitable. The ACTA President Robert Nugent made himself available for the entire carnival enabling good feed-back.

Finally many thanks to Adrian Cousens, the Shoot Marshal and Ron Traill the Tournament Director. Their efforts ensured

the event ran smoothly.

I would also like to thank Paul Johnston and the ASSA for talking to sponsors for the Skeet Championships and for the support they provide in collating information for the Hall of Fame. Thank you to Stephanie Elder for taking the photographs.

Don't forget the easiest way to improve the Championships is to encourage other shooters along for the week. More shooters assist in obtaining sponsors and helps the competition.

Next edition of CTSN will include an article on the team's events and the Glenn Trophy with information on the team to go the US.

Diamond Jubilee Championship to Maurie Westbury

Richmond River Gun Club conducted a Diamond Jubilee Double Barrel Championship on Sunday 24th June, 2012 not only to commemorate the diamond jubilee of Her Majesty, Queen Elizabeth II, but also to celebrate sixty years of clay target shooting in Lismore.

The club which originated in Casino somewhere between 1946 and 1951, became the Lismore Gun Clay Pigeon Club when it moved to Lismore in 1952, the year Queen Elizabeth II acceded to the throne.

The coronation of Her Majesty took place in 1953 and that year, a Coronation Handicap shoot held at Lismore was won by 15 year old Keith Murphy.

The silver jubilee of Her Majesty's reign was celebrated in 1977 and that year the club moved to its current location at Wyrallah Road, East Lismore.

In 2012 at the club's Diamond Jubilee Championship, a more mature but still keen sighted Keith Murphy placed the winners sash on another veteran shooter, Maurie Westbury.

Despite needing to use his second barrel a few times, Maurie was the only one of forty-nine competitors to shoot the possible 50 out of 50 and in fact, did not miss any of the 105 targets that made up the days competition. (With a lost of just two points for second barrels in the points score event, his total of 148/150 gave him the High Gun for the day).

Keith Murphy incidentally was placed equal seventh in the event with a score of 48/50.

The fact that both Maurie and Keith are just as competitive now as they were in their youth is another demonstration of the fact that clay target shooting is a sport knowing no age (or gender) bias.

The event also marked what is likely to become a strong bond between members of the Richmond River Gun Club and fledgling club, Urbenville-Woodenbong Clay Target Club, which was formed under the SSAA banner but has now applied for affiliation with the ACTA and the NSWCTA.

Despite being a new club it does not lack experienced shooters. The six members in attendance at Lismore are members of ACTA clubs scattered all over including Toowoomba, Warwick, Ballandean and Tyagarah and a number were amongst the list of winners.

Greg Newey shared in the AA Cash Divide first event, John Lee won the AA Double Barrel, Bruce Pethers the B Grade DB (then elevated to A Grade) and the A Grade Continental. Steven Ward was 2nd in C grade

double barrel and Stephen Goldthorpe won the C grade continental.

Benefits of coaching came to the fore when Ian Sullivan shot his personal best scores winning the Intermediate High Gun for the day with a total 145/150 which was equal second overall for the day.

Northern Zone coaching co-ordinator Peter Holmes assisted by Geoff Jacobsen and Don Johnson conducted a coaching clinic on Saturday 23/6 and while some participants did not show immediate improvement, Ian certainly did.

With a great score of 74/75 Ian easily scooped the B Grade 25 P/S cash divide first event, went down narrowly to Bruce Pethers in the D/B after a 32 target shoot off when both had scored 48/50. In the final event, 25T Continental, 23/25 got him into another shoot off with Don Johnson resulting in another second.

The clinic was the first of its kind held at Lismore in recent times and focused on basic techniques. Twenty members were in attendance, a large number of who are relatively new to the sport. Most took away something and were extremely appreciative that Peter took the time and made the effort to co-ordinate the clinic.

Full results from the monthly shoot on 24/6/12 can be viewed on the ACTA results page.

Difficulties have been encountered in having the domain name re-activated but hopefully this will be sorted soon.

This will be the last report from me since I am about to take a break from gun club administration after five years of really intensive commitment to Richmond River. Thank you for bothering to read these articles and I encourage each and every one of you to become involved in your club's administration if you are not already.

To all those who have made the last five years enjoyable for me I thank you for your information, help and support and look forward to shooting with you again somewhere around the traps.

Annual 2 Day Shoot

The Cunnamulla Annual 2 Day which has now become a 2 day and 1 night Shoot held on the Mothers Day weekend (May 11, 12 & 13) attracted 91 shooters from all over including several shooting with us for the first time. Thanks to Tania Burke and partner Brant Woodward for bringing their beautiful truck displaying guns, ammo and accessories. Thanks also to Neil Cracknell for bringing a stall of ammo and accessories. It was wonderful to have the opportunity to check out and purchase some shooting gear, we don't often get the chance out here.

The new electricity upgrade was made good use of with many camping on the grounds for the weekend it was nice not to have to worry about the fuse box and plenty of points for the campers to use. Thanks to David McMahon for writing our grant application. Thanks also to the crew at West Qld Solar and Electrical, Leigh, Oliver, Liam and Zac great job lads.

This year also saw the addition of another trap at the club, thanks to another grant coming in. The trap is in and set up with the Club now having 4 traps all under lights, a big improvement to the Clubs infrastructure. A big thank you to Sparrow Crick, Bora Schmidt, Eddie Mills and all the other Club members who gave their time to build the trap house and all the other jobs that go with setting up a trap and getting the grounds ready for a shoot. Thanks also to everyone who helped in the bar, kitchen and office would not be the great weekend it is without you.

The weekend saw plenty of

shooters (32) posting red on the board the most I have seen in my time shooting at the Club. We also watched as 24 shooters took to the lanes to contest the shoot off for the Double Barrel event whittling down to Neil Cracknell and Col Betts with Neil the eventual winner posting a new Club record of 234, congratulations to Neil some beautiful shooting.

Double Barrel winner Neil Cracknell

A couple of years ago a visiting shooter (Phil Doring) suggested we have a State of Origin event which the Club thought was a great idea, this years' event was as hotly contested as the first

(not so much with the shooters as in the peanut gallery, with the crowd getting very vocal in their encouragement and in heckling) the later was too much for the Qld team of Richard Schmidt, Geoff Fett, Aaron Marsh, Eddie Mills, Ben Haig and Shane Fitch going down to the NSW team of Rod Moody, Colin Betts, Barry Heaslip, Harold Batson, Brant Woodward and Sid Kinsey. Victorian team of Robert Ross, Tania Burke, Neil Cracknell, Darren Knight, Chris Ross and Doug Trewin came in 3rd. Look out next year we will get you again, Queenslander!! Aaron

Marsh was the State of Origin High Gun winning the Leigh Knight Trophy.

Due to the tragic loss of Leigh Knight a much respected travelling shooter late last year, we combined with Brewarrina to have a High Gun event over the 2 programs. Leigh was a great supporter of both clubs', travelling with his Dad, Bert and usually bringing another shooter or two with him, his loss impacts our clubs greatly and he will be sorely missed. family for making the pilgrimage to both Bre and Cunnamulla for the shoots this year.

Each year we look forward to catching up with our good friends and long distance club members from Victoria, Bill Hickford and Doug Trewin, as usual Bill had a couple of presents for the Club. We now have a beautiful flag and a new sign for the little house, aptly named Mills Manor. Thanks Bill your signage around the place makes our Club look great.

QUEEN'S BIRTHDAY AT ECHUCA

Echuca Clay Target Club saw five squads of shooters arrive on the Sunday of the Queens Birthday long weekend, and with virtually perfect shooting conditions it was assured that there was going to be a lot of perfect scores recorded.

With a clear blue sky as background, the black targets, even in the opening event that was the difficult discipline of Ball Trap, were so clear to see that several full scores of 25 were recorded, and even after another 25 round of shoot off targets, two shooters were still without

a loss. Melbourne Cricket Clay Target Club member, Rupert Hunter and Echuca's, Craig Fitzgerald, and they decided because it was a graded Cash Divide event, to share the A grade cash after recording their excellent 50/50 score.

Event Two, a 25 target Single Barrel Championship, and again shoot offs required, and again Rupert Hunter, having a good day out at Echuca, and Echuca member Rob Viney, both on a full score of 25, but unfortunately Rob missed his first target, and Rupert made sure of his, and that gave Rupert the Overall Winners Sash, and the 1st place in AA Grade trophy with again, a perfect score of 26/26. Rob Viney having to settle for the 2nd in AA Grade trophy, with his 25/26 result.

A 20 Target, Double Barrel Championship, was Event Three, and with two shots to nail the targets it ended up with two squads of shooters with full scores to shoot off. Finally it was down to two shooters, Horsham's Craig Kelly, and Sebastopol member Alan Ford, and at the 60th target, Craig shot his, but Alan dropped his, and it was all over, with Craig Kelly accepting the Overall Winners Sash, and the 1st in AA Grade trophy the result of his excellent 60/60 score. Alan picking up 2nd in

AA Grade, with an end result of 59/60.

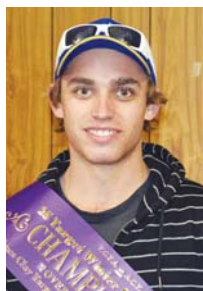

Finally, the Echuca Club Mug was the last event. With shooters moving back along the handicap marks it was finalised at the 25 metre mark. Echuca member, Pat Calandro was the last shooter still on a full score, and that earned him a handsome \$100.00 reward. Well shot Pat.

A good roll up on a holiday long weekend, and with such good shooting conditions the Echuca committee were sure that all who attended would surely have enjoyed the shoot.

Full results: 25 Ball Trap B grade 1st G Rathbone 25/25, 2nd Alan Cole 33/36, C grade 1st Noah Calandro 18/25, 2nd Matt Reed 18/25. 25 SB A grade 1st L Gee 27/28, 2nd D Long 27/28, B grade 1st G Rathbone 24/25, 2nd C Repacholi 13/25, C 1st B Inch 18/27, 2nd N Calandro 17/27. 20 DB A grade 1st D Long 37/38, 2nd N Hunter 28/29, B grade 1st G Rathbone 22/24, 2nd C Repacholi 21/24, C grade 1st N Calandro 15/20.

Instruction for Dookie College Students at Wangaratta

Wangaratta Clay Target Club had a visit by a group of students and teachers from Dookie Campus Secondary School on 7th June. Local club members, Brian Reid and Phillip Smith were assisted by Rob Newman and Jennifer Johnstone, also club members, representing the Access for All Abilities program.

Most of the group of teenagers had not fired a gun before and after some initial reluctance in a few cases, they soon got in to the swing of things. It was commendable that this group made an extraordinary effort in encouraging, supporting and praising their colleagues. Praise must also go to the three teachers, Kerri, Damien & Wendy for their high standards in supervising and assisting

their students. The entire group were very well mannered, interested, took notice of safety advice and a representative of their group, Damian, made a terrific thankyou speech at the conclusion of their session.

The club set up a skeet field for the students to try. In almost every case, the kids made some great shots and smashed many clays. It was particularly encouraging to witness their enthusiasm after they broke a target, with most putting up their hand to have a few more shots. The three teachers present also put on a good show of shooting. Damien said he had some previous experience shooting clays when he was younger.

The Wangaratta Clay Target Club has provided their grounds for many groups of persons over the years. The club has been actively involved

with The Access for All Abilities Program here in Wangaratta and has provided their facilities on several occasions for Paraplegic, Quad-ruplegic and people with Acquired Brain injury. Also, visitors from scout

groups, service clubs and many other schools have enjoyed the top class facilities at the clubs North Wangaratta complex. Local club members are always on hand to set up the equipment, welcome the groups, supervise on safety and offer advice.

It is hoped that this group from Dookie Secondary school will visit again, there certainly appears to be a few budding champions amongst them.

Record Attendance at Annual 2 Day Shoot

Despite less than favourable, unseasonable cold and windy weather (which we suspect was orchestrated by Floyd and Dave so that they could be here), the Annual Shoot at Normanton Gun Club was very well attended and a great time was had by all. 89 shooters, from 20 different clubs across Australia nominated to compete over the weekend, breaking the record of 72, which was set at last year's event.

Event One was the Gulf Country Points Score Championship, sponsored by Floyd and Merle Johnson, which was won in fine style by Veteran Ed Collins from Atherton, after a shoot off with the current National Double Barrel Champion, and another Veteran, proving that the older gentlemen are not to be discounted.

Event Two, Carpentaria Double Barrel Championship, sponsored by Gobble 'n' Go, was won in fine style by the National Champion, Glen Hayden, but not easily, after a shoot off with eleven others, including the second last man standing, Stephen Curley from Curley's Cattle Transport.

Event Three was started on Saturday afternoon, but due to failing light was held over to be finished on Sunday morning. The Reliance Petroleum Double Barrel Continental Championship was won by "The Gulf Grey", camp oven caterer extraordinaire, Wayne Reeves after a shoot off with Clarence Davis from Charters Towers and Stephen Curley.

Some of our regular shooters swear that they only come to the Normanton Gun Club for the food, and Saturday night's meal did not disappoint. Roast venison, corned beef, Rogan Josh, donkey stew, and a mile of vegetables, with Gillian Smerdon's famous trifle for afters sated even the biggest appetite. As we partook of sumptuous repast it grew dark enough for the night event, Gallagher Butchering Night Double Barrel Championship, sponsored by Gallagher Butchering and Ludbrook's

Sash Winners

Outback: Six shooters vied for the fluorescent green Overall sash, with Glen Hayden eventually victorious, perpetual bridesmaid (in a stylish green and white striped ensemble) Stephen Curley taking AA grade, Bill Gall winning A grade, "Spearchucker" Turner walking away with B grade, and C grade going to the traintastic Tony Robinson.

After the completion of Saturday's programme Event Five got underway. Glen Hayden completed the Double Barrel Trifecta with Overall in the Landsborough Double Barrel Championship, which was sponsored by Corsivia and GB.

S&E Motors again sponsored the Carpentaria Single Barrel Championship, and this year's black sash for Overall went to Noel Beale with a skinner!

The last event on the programme was the Norwest Plant & Pastoral Points Score Championship. It was difficult to tell who was more excited to tell who was more excited when Kim Kidd presented Don with his first sash for B grade in this event, but your surname had to be Murphy to shoot a possible. Steve and Bruce fought it out, with Bruce taking out Overall. That concluded the programme, but not the shoot offs. Glen Hayden held off Wayne Reeves and Brett Williams to be the Carpentaria Classic winner for 2012, and Ron Gough from Townsville emerged victorious in the shoot off for the AA Grade High Gun.

With an Overall or AA grade sash in 6 out of 7 events, and enough hats to put Edward de Bono to

shame, it wasn't hard to pick the winner of the Gulf Concrete sponsored Overall High Gun Glen Hayden. Curley Cattle Transport sponsored the Veteran's High Gun, which went to Ed Collins, and the Grade High Guns; A grade to David Hobbs from Karumba, B grade to Dan Marriott from Cloncurry and C grade to local hero Tony Robinson, who took home his first of five sashes from the weekend. The Ladies High Gun went to Cherie Ryan.

In total over \$6900 was paid out in prize money, and that was only possible with thanks to our generous sponsors; Albion Hotel, Carpentaria Shire Council, Century Batteries, Corsivia - GB, Curley's Cattle Transport, Gallagher Butchering, Gobble n' Go, Gulf Concrete, Gulfland Motel, Hastings Deering, Floyd & Merle Johnson, Ludbrook's Outback, Normanton Stop Shop, Norwest Plant & Pastoral, Diane & Wayne Reeves, Reliance Petroleum, S & E Motors, Stewart Gillman Internationale, and The Top Service Station.

The weekend's meals and snacks could only be possible with the assistance of a great many wonderful people who baked (Kerry-Anne, Elyse, Joanne, Kim, Kate, Kathryn, Danny, Gillian, Merle, Sharon, De Ding, Joyce, Tamara and Louise and Chris), cut up vegetables, made sandwiches, served behind the counter and cleaned up. Louise and Chris Knol did a sterling job keeping the kitchen operating, ably

assisted by Tamara, Rena, Dolly, De Ding, Joyce, Nicole, Pauline, Jeanette, and campers Cheryl, Pat and Pat. Liquid refreshment was kept flowing thanks to Providor Tony Robinson and his many shifts of bar staff. Gallagher Butchering's cold room kept the drinks cold all weekend thanks also to them.

Much work went into preparing the grounds for this event. Thanks must go to Brad Bird for mowing and whipper snipping everything in sight, the crew of ladies who cleaned the clubhouse and ablution blocks, Floyd and his water truck for filling the tanks before the shoot, Stroudy and Don for the earthworks, Darryl for donating the concrete for the walkways around the ablution block, and bringing the water truck out to re-fill the tank which emptied itself twice over the weekend.

Club member Steve Murphy did a bit of pro-bono electrical work prior to the shoot, and was called on again to get a baine marie operating for Saturday night - Thanks

Sash Winners in Event 7 Norwest Plant & Pastoral Points Championship

Steve. Aside from electrical and water problems we also had a minor power outage on Saturday night, which was taken care of very quickly by Ergon, proving that it's not what you know but who you know when you need a pole fuse replaced – Thanks boys! Thanks also to Danny Sturmfels for the loan of the cold room, and the donations the Gobble 'n' Go made towards the weekend's catering.

Throughout the weekend many local members and visitors stepped in to lend a hand. Brad and Scott ran practice and re-filled the traps, along with other volunteers who helped out when needed. Referees and scorers kept the programme rolling, and we were never short of volunteers to officiate during shoot-offs. The office ticked over like a well-oiled machine with Diane at the helm, assisted by Sharon, Cherie, Deb, Nicole and Hayley.

Thanks to all of our club members who were able to be here for the shoot, and for your support and attendance throughout the year.

FEAR OF FLYING

Over dinner several weeks ago, a discussion regarding fear of flying, gave me thought that it might be a useful topic for an article. There are probably lots of shooters out there who would like to travel overseas to compete but their fear of flying is stopping them making the first move.

I have written several articles with fear as the theme over the years. I have looked at fear as natural reaction to uncertainty or danger, or focusing on the future and worrying about what might or might not happen. In this article I want to explore dealing with phobias (irrational fears), but rather than explain and look critically at fear, I want to outline a way of dealing with phobias.

What usually happens with a phobia is avoidance, what is commonly referred to as the flight response. Because we have learned to fear something: flying, spiders, dogs, germs, heights, etc, we avoid those situations that will make us feel scared or anxious.

Usually in my practice, I will use cognitive-behaviour therapies (CBT). CBT basically looks at changing behavior (eg. avoidance) by changing cognitions (thinking of all the disasters that might happen). I would begin the therapy with CBT to explore the thoughts that have led to the beliefs that have created the phobia. Because the client has come into therapy, there goal is usually to deal with and if possible extinguish the irrational fear. It is at this point I change the focus of the therapy, and it becomes more behavioural. The problem with dealing with phobias is that there is no quick fix. The irrational thoughts have developed over time, often a lifetime so it is impossible to remedy this in one or two sessions. Research shows that the longer it takes the more effective the therapy will be.

But the most useful technique, I have found for dealing with irrational fears, learned fears or phobias is **systematic desensitisation**. Systematic desensitisation is sometimes called **graduated exposure therapy**. Systematic desensitisation as a therapeutic approach, was developed by South African Psychiatrist, Joseph Wolpe.

The next part of the therapy and it's structural framework is relaxation. I usually teach my clients several methods and have them practice regularly at home. It doesn't matter what type of relaxation technique: it depends on the clients preference. For the ease of explanation, and given last month's topic was centering we will assume the client has chosen centering as the relaxation technique. Other relaxation techniques: The Relaxation Response, Progressive Muscle Relaxation, Controlled breathing, meditation, etc are equally as good.

Once the client is able to effectively relax it is important to develop with the client a hierarchy of stressful situations. Starting at 1 (least stressful) and moving to 10 (most stressful: normally avoided situation). For our client with a fear of flying the hierarchy might look like this.

1. Watching a plane on TV.
2. Watching a plane fly overhead.
3. Climbing into a plane at a museum.
4. Purchasing a plane ticket.
5. Visiting an airport or Checking in.
6. Boarding a plane.
7. Sitting in the plane.
8. Taxiing out to the runway.
9. Take off.
10. Flying.
11. Landing.

Normally as the therapist, I would get the client to relax (centre him/herself) and then visualize each of the steps in the hierarchy. The therapist will walk the client through each of the steps as part of a guided image whilst the client continued to practice relaxation or centering. Once the client feels comfortable with the images of the stressful situations and his/her ability to reduce the fear and anxiety by relaxing, it is time to then move onto the stressful situations in the real world. I would continue to ask the client to maintain practicing the relaxation techniques at home and then either with the client or if the client feels comfortable to do it on their own, I would have them go into the real life situations and as they started to feel stressed, get them to reduce the stress and anxiety by relaxing or centering.

Systematic desensitisation is very effective at treating the symptoms of stress and anxiety but it doesn't cure the causes. However, by learning relaxation, relaxing whilst visualizing and then relaxing in the stressful situation, phobias, irrational fears and anxiety can be treated effectively so that normal life experiences can be maintained. Once the client can deal with the stressful situations it is time to go back to the cognitive-behaviour therapy and get the client to re-write the narrative in his/her head.

I have put together all the articles that I have written for the CTSN on CD as word files. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

GOULBURN CLAY TARGET CLUB JUNE 10, 2012

AWSOME ROLL-UP

What an awesome roll up at the Goulburn Clay Target Club on Sunday 10th over the long weekend with 45 shooters traveling near and far along with spectators and family members. With Goulburn turning on its famous weather, the fog did not lift till lunch time and the bitter cold meant the fire was blazing all day and those that did not wear thermal clothes kept themselves warm by shivering.

L-R Les Birchill, Joe Mooney, Bob Churchill, Mick Simpson, Darren Hill, Arthur Paggett

Two events were contended over the course of the day with the first being a 50 target double barrel and the second a 50 target single barrel which always tests the strongest of minds especially late in the day when fatigue sets in.

In the First event there were 6 possible scores recorded 50 out of 50 and 7 shooters with just 1 miss, a slip up can mean the difference between being in the running for a place and coming last. The following shoot off dwindled from 6 shooters to 4 quite quickly with the first break for more cartridges bringing the rest unstuck. Dave Price with an

unusual concentration lapse saw him bow out just 3 targets into the second round handing the victory to well know Mat Patmore.

Event Two and with a stand out effort, Matt Patmore was in his own league with an unblemished record and the High Gun trophy for the day. With a couple of 48/50 and 47/50 scores posted and a great last round from Mick Simpson and Cooper Mooney, shot clean, the club has great depth in the talent that it nurtures.

A big thank you goes out to all the locals who regularly help on the day and special thanks goes to Lyn Clarke our tireless tucker lady and

to the traveling shooters that pitch in to make the day enjoyable.

Our next practice shoot will be held on Tuesday 19th June at 6.30pm (the fire will be roaring) and next month will have a handicap event, for more details contact Leon Cuzner 0428 382 995 or just turn up, everyone is welcome.

QUEENSLAND CLAY TARGET ASSOCIATION STATE TRAP CARNIVAL

Townsville Gun Club 5th, 6th & 7th May 2012

There were a few anxious moments leading up to the Queensland State Trap Carnival this year. Heavy rains in North Queensland through April saw the trap houses at Townsville Gun Club threaten to fill with water, while the camping area and road became water-logged and boggy. By the time the Labour Day long weekend arrived we couldn't have asked for more perfect conditions. The grounds had dried out and quickly filled with campers and the layouts looked like green manicured lawns. Glorious sunshine greeted shooters and stayed around for the entire weekend.

A change in the program this year saw the carnival open with the 50T State Double Barrel Championship, generously sponsored once again by John Maxwell from Maxisport, and 255 shooters contested the first event. Like all the qualifying events this year, it opened with a 5 target eye opener across the tracks. Taking home the Queensland silver badge, sash, trophy and prize was Bruce Powell from Springsure shooting 229/229 after a long shoot off. 1st in AA and just 1 target behind was Joe Rosatto from the Burdekin club, with Anthony Hanna from Charters Towers 1st in A grade on 138/139. B grade was won by

Vet DB Champ Jim Riggs with sponsor John Maxwell

Warrnambool shooter Neville Harris with 60/61, while Kylie Richards from Cloncurry shot an impressive 46/50 to win C grade. Lil Brandt from Rockhampton shot 55/56 to take the Ladies sash and Warrnambool's Isaiah Harris was the top junior with 135/136. Jim Riggs from Callide Dawson was the best Veteran shooting 89/90.

Event 2 on the card was the 25 Pair State Double Rise Championship, sponsored this year by Clay Targets Australia. Geoff Moore from Surat outshot and outlasted the opposition with an impressive 59/60 to win the title, taking the silver badge, sash and prize. Close on his tail and 1st in AA was Mike Swale finishing with 57/60, while Alex Dallas and Gavin Langridge fought for minor places in AA, Alex 2nd with 76/80 and Gav 3rd shooting 74/80. Melbourne's Tania Burke was 1st in A grade with 44/50 and local Ben Beazley shot 46/50 to win the B grade prize, while Andy Earl won C grade with 42/50. Tania also won the Ladies sash while Diane Reeves and Tracey Harker shared the prize on 43/50 apiece. Ben won the Junior sash with the prize going to Samuel Bylsma from Bundaberg, and Atherton's Peter Ward shot an excellent 47/50 as the best Veteran. Thanks very much to Murph and Graham from CTA for generously sponsoring the Double Rise this year.

The sunshine continued and on Sunday 252 shooters lined up for the State Single Barrel Championship under perfect conditions. This event was generously sponsored by Beretta Australia and Greg Chan was on hand to present the rifle, championship sash, Queensland silver badge and trophy to Herbert River president Barry Bosworth who won the event with a top score of 93/93. Normanton's Shawn Ryan kept Barry honest in the shoot off winning 1st in AA on 92/93. Gemfield's George Cross was one off the possible, taking A grade with 49/50, as was Karlene Kelly from Gladstone who won B grade also

with 49/50, some great shooting. Karlene also won the Ladies sash while Kelly Coogan took the Ladies prize just one behind on 48/50. Matthew Nielsen from Cloncurry was 1st in C grade shooting 44/50, Kingaroy's Erin Stewart won the Junior sash and prize with 50/52, and Neil Sinclair from Mt Isa was the best single barrel Veteran shooting 48/50 to win the sash, with Kevin Mott taking home the prize with 47/50.

Mike Swale, Queensland State Solar, sponsored the State Handicap again this year which was event 4 on the program. 247 shooters contested the event

HC sponsor Mike Swale QSS & Champ George Barton

with the title going to 24 metre winner George Barton from the Gold Coast, who won the sash, Queensland badge and cash prize. Dave Guy from Charters Towers finished in 2nd place shooting 57/58 followed by Wandoan's Aubrey Cormack in 3rd with 55/56, Philip Mair from Dysart 4th on 54/56 and Marty Vine from the Pioneer club in 5th place after a shoot off finishing with 62/63. This is the second year since the handicap was reinstated to our State program and is proving to be hotly contested event, so thanks to Mike for his generous support.

The beautiful weather held out for the final event on Monday morning and 244 shooters contested the State Points Score Championship. Bruce Powell from Springsure shot brilliantly to win top honours with 192/192, taking

DB Pts & QLD Champion
Bruce Powell with QCTA President
Brian Muirson

the sash, badge, trophy and prize of Federal Ammunition generously provided by sponsors Nioa Trading. Steven Curley from Cloncurry was 1st in AA with 191/192, good shooting also from Bruce McFarlane of Frankston who shot 149/150 to win 1st in A grade. Normanton's Steve Murphy was 1st in B grade with 147/150 just ahead of Tracey Harker 2nd in B with 145, and Martin Hopkins won the C grade prize shooting 135/150. A big score from Diane Reeves who shot 147/150 to win the Ladies sash, and 145/150 from Luke Langridge who won the Juniors. Townsville member Pat Dury won the Veterans sash with 146/150 and Graham Rudd took home the prize just one behind on 145/150. Thanks to Ken Stevens from Nioa Trading for going to so much trouble to have the Federal ammunition available for prizes on the day.

The South East Zone collected the Open team medals with team members Bill Weedon, Daryl Stevens, Mike Swale, Gavin Langridge, Colin Witt and Sam Cannizzaro recording a perfect 125/125. In the Ladies section the Western Zone team was too strong with team members Viv Moore, Celeste Barnes and Julie Allan shooting 74/75 to win gold. The

Congratulations Barry, a tremendous effort. Thank you to Beretta Australia for their generous sponsorship of the overall and section High Guns.

Our carnival was fully sponsored this year and we cannot thank our sponsors enough for their generosity and support for this event. We also thank Beretta Australia for their presence at Townsville this year. In a first-time initiative our State Trap was combined with the well known Beretta Day format, and this was considered a great success and was much appreciated particularly by our northern shooters. Thank you to Greg, George and Sergei for their

service to our carnival visitors, and also to Hall's Firearms as the local Beretta dealer. Thanks also to Barry Bosworth for his assistance in making the stand available for the long weekend.

We greatly appreciate the generosity of the Queensland Police Clay Target Club and their ongoing support for junior shooters. The QPCTC donated prizes of ammunition to junior winners in every event this year, including the High Gun, and also give cash prizes to all junior team members at both Zone and State level. Thank you to Gary, Scott, Brian and all involved in this very generous initiative

which is greatly appreciated by junior shooters and their families.

We had a large number of entries in the annual Paw Paw Team Challenge again this year. Madam Paw Paw Julie Allan raises a huge amount of money for Queensland charities through her hard work and the contribution of 'shooter fines', and the Paw Paw Club has long been recognised for its donations to charity through our sport. You will find Paw Paw Club members throughout Australia. We will be submitting an article in a later edition detailing past team results and the charitable achievements of club members.

It was also pleasing to see trade displays at our carnival this year, and we thank those that took the time and effort to travel to Townsville and provide their products and services to our visitors. We look forward to your inclusion again next year.

The Townsville club committee and

members went all out this year to ensure our carnival was a success. Not only did they turn on the perfect weather, but offered top quality facilities in their beautiful club surrounds. Thank you to all the grounds staff, trappers, bar & kitchen workers, and all those who contributed in any way toward the weekend.

Nev Sheehan and the very hard working team of ladies in the kitchen

were run off their feet the entire weekend and did a wonderful job feeding the never-ending line of hungry shooters, with the Saturday evening meal topping the list of good reasons to visit the Townsville club. Thank you to Peter Mackey, Noel Beale, Des Barber and all the Townsville club members for your wonderful hospitality.

The Northern Zone always provides experienced personnel to run our State Carnivals in their region and this year was no exception. Carol Betteridge and Ray Collinson did a tremendous job running the office and made sure the event went off without a hitch. There was additional preparation work this year with pre-nominations too so we thank Carol for the many hours spent ensuring the shoot was under control from beginning to end. Thanks also to Diane, Gwen, Maria and all those who contributed in any way to assisting with the sign-ins, score board and shoot office. Northern

Pts & Lad HG winner Dianne Reeves

Open team HG winner Stephen Curley

Vets Team HG winner Graham Rudd

Zone President Wayne Reeves lent his experience once again as shoot marshal and we thank Wayne and his team, Bruce Murphy, Dean Reeves and Chris Wilson for their huge effort all weekend.

Thanks also to those who assisted in bringing the trophies to Townsville this year, logistically a very difficult job, so much appreciated Ronnie & Geoff, Geoff & Viv, Julie & Bill and Craig & Celeste. Another difficult and labour intensive task is to have the additional traps brought in from neighbouring clubs to make them available for our State carnivals. Thank you very much to Barry Bosworth and the Herbert River Club, and to Geoff Archer and the Charters Towers Gun Club for your efforts and assistance. Thanks also to Colin Witt who successfully tested his new camera at the carnival and contributed the photos for this article.

Congratulations to all the winners,

C grade HG winner Steven Pack

team members and to everyone who participated in the shoot. To all those who attended, who supported our wonderful sponsors or who contributed to this year's carnival in any capacity, thank you very much for making our 2012 State Trap Carnival a great success. We look forward to seeing you again next year.

The Squire reports from West Wyalong

John Wason is the Champion of Champions at the West Wyalong Clay Target Club for 2012.

John, who is a crack shot with a rifle, has in recent times, taken up clay target shooting and his time, dedication and commitment to his new sport paid dividends at the June shoot.

There was a bit over three squads who started the day with 25 Targets Double Barrel Cash Divide. In AA Grade Dozer Collins, Clive Foster, Don Turner, Jeff Nash and Luke Ellison all shot 25/25 and had very lean pickings in the cash department. James Turner shot 24/25 to take the major A Grade money from John Wason 23/25. Adrian Hodges 25/25 collected B Grade and Doug Murray 18/25 claimed second position.

The main event of the day was the prestigious 75 Target Champion of Champions event shot 25 targets double barrel, 25 single barrel and 25 points score.

As is usually the case in an event structured such as this a good round in the points score is essential if a shooter is going to finish at the pointy end of the field.

Congratulations to John Wason who outshot a pretty classy field to win

the event scoring 123/125. Dozer Collins and C Ceely could not match Wason taking AA Grade 122/125. James Turner 114/125 held off Graham Duncan 111/125 to be the A Grade winner. B Grade was awarded to Adrian Hodges 112/125. Adrian is an experienced and consistent shooter who earned his 50 Break Badge during the event. Doug Murray 91/125 was second in B Grade.

Matt Schiller came good in the final event of the day when he scored a very creditable 29/30 in the 15 Pair Double Rise. John Wason had his tail up after winning the Champion of Champions and claimed A Grade 27/30. In a good battle for B Grade Doug Murray and Adrian Hodges shared the honours with 19/30. New member, Mick Munro made an appearance and claimed C Grade with his score of 20/30.

Dozer Collins showed his consistency throughout the program being awarded High Gun 174/180.

The day was well organised and as shooters departed for home destinations of Orange, Temora, Forbes, Beckom, Young and Wagga they were well satisfied at the completion of a good day of clay target shooting.

CECIL PARK SKEET

A glorious sunny winter's day greeted 6 squads for the July comp. The notorious wind the "Cecil Park Doctor" arrived at 12:30pm and made the targets more challenging but quality shone through and some excellent scores shot.

Congratulations to David O'Sullivan with 99/100 and to Harry Bader, 1st in AA with 98/100. Great shooting!!! Also congratulations to all the

NIGHT TOWER SHOT AT MATHOURA

June 22 saw four full squads of shooters arrive at the Mathoura Gun Club, at what turned out to be a bitterly cold night, but thankfully no rain and no wind, which had been on the forecast. A 25 target, Victorian, North East Zone, Night Double Barrel Tower Championship mixed with two other events was what encouraged the shooters from places such as Bendigo, Euroa, Numurkah, Shepparton, Walmer, and even Parkes NSW, to venture out to a night shoot in such cold conditions.

After a 30 minute delay fixing a problem where rain had caused a power problem to the tower trap, shooting got underway with Event One, a 10 target Tower Points Score Cash Divide, and two shooters managed a full 30/30 score to share 1st place cash and they were Laurie Fitzpatrick, a Euroa member, and Bendigo member Colin Finn. Graham Hall a Walmer member dropped one point and his 29/30 score earned him all the 2nd place cash.

Event Two was the main event, and although it was a double barrel Tower Championship, night shooting tests even the best of shooters, so even though some were close to a full score only two managed to down all 25 targets, and they were Graham Hall and Colin Finn. After another 25 targets were downed both were still competing solidly, but on the 57th target Colin lost his concentration and missed, Graham made sure of his, and we had an Overall Winner, and 1st in A grade placing with an impressive 57/57 score. Well shot Graham! Colin with a score of 56/57 collected 1st in B Grade, and Cohuna member James Hogan picked up 1st in C Grade with a 23/25 result.

Graham Hall
OA NEZ Tower

Finally a 15 target Double Barrel Trap Cash Divide, and club president Roger Kerslake and Mick Kierl were the only two able to keep their losses down to one target, both posting an 14/15 score, and both sharing the 1st place cash. Colin Finn dropped two targets and his score of 13/15 earned him the 2nd place cash dividend.

Although the shoot finished rather late at 12.10am, all who attended enjoyed the competition, and even though it was bitterly cold, with two fires burning for warmth, and plenty of hot food and drink on hand it was easy to forget the temperature outside.

Southern Zone DTL Competition

**Attendance 120 shooters.
Weather Cold & Windy.**

Cecil Park Clay Target Club held the Southern Zone DTL Carnival for 2012 this month and we had approx 120 shooters attend. There were shooters from NSW, ACT & Qld. The weather on Saturday was very windy which proved difficult for any real good scores; Sunday wasn't much better with the wind still proving a challenge. With all the traps performing smoothly the shoot actually finished early both days Charlie Sherry was the only possible shot in an event over the weekend taking out the OA easily for Event 2 with a 50/50. It was good to see an up and coming young Junior, Carter Matthews, giving Frank Bradwell a good run in the Event 4 Handicap to finally take out 2nd place. During Saturday afternoon the club brought out some lovely cake & sweets platters to sweeten up the shooters, then backed it up again on Sunday afternoon with antipasto platters to be enjoyed by all that

was at the club, for a 'city' club it had a great 'country' feel and it proved very enjoyable & we hope you all enjoyed it.

I'd like to say thank you to the following people: Vivien, Mary & Jessica in the canteen, Maria, Gracie, Alyce, Mary Rapley & Frank Auditore for running the office, all the JDP kids that attended and helped doing odd jobs & trapping, Elton & Kathy for organising & donating the raffles on the day with donations going to help support Gemma Dunn on her trip to Germany in the Australian Junior Team. Frank Cicala for all his endless help over the 2 days.

Above: SZ Open Team for 2012

Left: Jeremy Heath being presented his award by Fred Rapley from SZ & Louis Galea from CPCTC

But mainly a huge thank you to all the shooters that supported the shoot, especially the people that traveled a long way to participate. Finally thank you to all the winners & placegetters.
On behalf of C.P.C.T.C thank you

Cosgrove Gun Club Annual Shoot

A fine, but slightly cool day greeted some 30 shooters whom arrived at the Cosgrove Gun Club on the 27th May for the annual shoot which had been brought forward from July. The day began early for some as the kitchen was supported by the Dookie/Cosgrove Hospital Ancillary who put on a great feed for all those attending and a splendid social day was enjoyed by all whom attended.

By 11.20am event one was on the way with a 30 target Double Barrel Championship which saw 3 shooters emerge with perfect scores, it took a further 35 targets to separate them and to have Marcus Hargraves win the Overall sash and take B grade on 65/65, followed by Luigi Rech on 64/65 to take 2nd in B grade, Peter Gobbo was 1st in AA grade on 45/46, followed by Ben Vogelzang on 33/34, A grade was won by Brad Rodger on 34/35 followed by Laurie Fitzpatrick also on 34/35 (after a coin toss I might add) and C grade

Gavin Gall Club President & Laurie Fitzpatrick HC

Gavin Gall Club President, Ray Ryan and Laurie Fitzpatrick, Vin Ryan Memorial HG Winner

was won by Chris Figgins on 26/30 with Gianni Gobbo on 25/30 in second place.

Event 2 was a 30 target Handicap and with a Marlin .17 Rifle, scope and accessories up for grabs this was the event everyone had come for. At the completion of the event Laurie Fitzpatrick from Euroa was on 29/30 off 20 metres was adjudged the winner and let the rest battle for the minor placing's. Second place went to Darren Saunders from Yarrowonga on 33/35 off 23 metres over Daryl Hunt from Wangaratta for third on 32/35 of 25 meters. Vilya (Billy) Vogelzang last year's winner took out the backmarker placing.

The Vin Ryan Memorial Overall High Gun Sash was presented by Ray Ryan to the winner Laurie Fitzpatrick on a score of 58/60.

The day finished quite early with many away by 3.30pm. Many thanks to the Dookie/Cosgrove Hospital Ancillary for a splendid feed and thank you to all the shooters that attended.

Weather Reduces Continental Numbers at Bega

The RV Repairs sponsored 100 target Continental Championship saw a reduced field in attendance, thanks to the untimely arrival of the rain last weekend, although hardy followers of the sport from Canberra, Cooma and Bombala managed to make it and boost the field.

Four squads commenced proceedings in the light rain shooting 25 targets on each of the two traps. By the time all squads had completed the first round, the rain decided to leave, creating almost ideal conditions for the second fifty. The usual magnificent lunch saw battle recommence, with some fine second half scores indicating how rain can affect some of us.

In AA grade, regular visitor, Peter Ewart compiled a fine 97/100 to take out the prize, closely followed by Stuart Bennett in second with another great score of 95/100. A Grade trophy was collected by Neville Teale, Nev shooting 95/110 to hold out Ray Welch who came a close second.

The ever reliable senior citizen of the club, John Seide collected B Grade with a score of 84/100 with another of our senior gentlemen, Brian Smith collecting second with a score of 78/100. Dick McInnes and Phillip Rumph made C Grade a Bombala affair with Dick taking the major prize with a score of 77/100. Phillip has

only recently joined the ranks of the sport so it was great to see early success.

Overall winner and High Gun for the day went to James Ewart, adding to the Ewart family's reward, for their travel. James also collected a meat tray in the shoot raffle.

The day also featured a major effort on the shoot raffle. The prize had stood for some time at \$500, so it was decided to hold three draws with the shooters shooting for the prize in order of draw. Bob Warner opened proceedings, but unfortunately missed the first target. Alf Niesar drew second straw and to the delight of all, hit the first. He then proceeded to nail the next four to finally make the treasurer part with the cash. James Ewart, the third shooter and Bob received the meat tray prizes.

Presentation saw President and sponsor for the event, Phil Body present sashes and ammo to all winners. The Club is very grateful to Phil and his wife Pauline for their ongoing support of our sport.

Ladies encouragement award went to Robyn Perkins and Junior award to Brodie Walters. Club members congratulated Brodie on selection in the State Junior Team.

GRAFTON CLAY TARGET CLUB

June Open Classic 2012

Grafton Clay Target Club conducted their prestigious June Open Classic over the Saturday and Sunday of the Queen's Birthday weekend with shooters attending from such regions as Victoria and Queensland plus the areas of Port Macquarie, Kempsey, Coffs Harbour, Richmond River along the coast and from Inland and the Tablelands including Guyra and Inverell.

Saturday opened up with clear skies, good targets and twelve squads of eager shooters for the two events on day 1. First event was a warm up with a 25 target Double Barrel Cash Divide where no less than 10 possibles were scored.

Second event on day 1 was the 75tgt Hammond Earthmoving Grafton City Medley of 25 targets each of Double Barrel, Single Barrel and Points Score. It was during this event that some cloud decided to come in from the coast but there was no disputing that Matt Colley from the Inverell Club was to be the Overall winner with the clear score of 124/125.

Day 2 dawned cloudy with some wind but none of the forecasted rain. First event was the 25tgt Shoppingworld Butchery

Steve Kilfoyle presenting Matt Colley (Inverell) with the OA HG Sash

Points Score where there was some really keen shooting however everyone seemed to be waiting for the main event which was the 50tgt Tutt Bryant Hire Double Barrel Jacaranda City Classic.

After the allocated 50 targets had been shot there were only four shooters who were sitting on the possible 50. They were Terry Rogers (Ballandean) Robert Clarke (Port Macquarie) Jamie Poole (Guyra) and Ian McDonald (Richmond River). Last one standing was Terry Rogers who took home the Overall Sash and cash with a score of 94/94. Well done Terry on his first visit to Grafton.

Shooting for the carnival closed with a 25tgt Continental Cash Divide.

Only task left was to distribute the prizes and our Senior Vice President Steve Kilfoyle was assigned this task. It was here that Steve's true vocation as a comedian was revealed when he had all laughing as he handed out the prizes.

Steve made a point on behalf of the Club of thanking out sponsors Tutt Bryant Hire, Hammond Earthmoving, Clarence Valley Council and Grafton Shoppingworld Butchery. Grafton Clay Target

Club received many accolades for the running and presentation of the carnival from numerous shooters both regular and new on the way the carnival was conducted Steve thanked all those from the Club who worked so hard to make the weekend so enjoyable and also thanked those visitors attending from near and far for making the weekend such a success.

Wangaratta 5 Stand Sporting

JUNE: Gaye Shale in top form

Wangaratta Clay Target Club conducted a Stand Sporting Clays Championship event during June. Absolutely perfect weather prevailed throughout the day, with some top scores being achieved as a result. The club had both of its grounds in full swing, providing a good mix of tricky and easier targets to challenge all the competitors on the day.

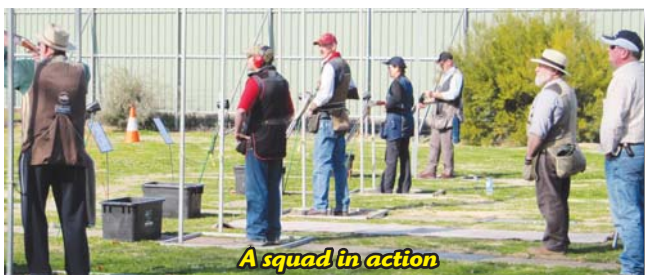

Top lady shooter, Gaye Shale, achieved a brilliant tally of 102/121 winning her the Overall championship sash, with second place in her grade won by Down the Line top shot, Darren Saunders, hot on Gaye's heels with one target short on 101/121. Gaye and her family are valued local club members and shoot here on a regular basis. Trevor Beach shot 80/100 winning AA grade, ahead of Liam Whyte on 74/100. Keen shot gunner, Reg Carmody, took out A grade with a good score of 82/100, just ahead of Gordon LePoidevin on 81/100. Gaye's daughter, Kacey, shot 65/100 winning her C grade, with Matt Crosher on 72/121 winning him 2nd place.

JULY: Boyd brilliant again

A good roll up of 41 shooters attended Wangaratta's July 100 target 5 stand sporting clays championship held on Sunday 8. The weather conditions were perfect, although the day started to chill off a bit later in the afternoon. The club had both its 5 stand grounds in full swing and the traps had been expertly set to deliver a good mix of tricky and easier targets presented on the day. The skill in setting these traps is to provide for shooters of all experience levels and the club catered for this extremely well.

It was great to see a good mix of shooters, including ladies, junior and veteran shooters. In some cases, it was a real family affair and in one instance three generations of the one family were represented on the day, Keith, Bryce and Will Robinson. The sporting clay discipline is one of the most skilful trap shooting events to participate in and is also great to watch from a spectator's point of view.

Nationally recognised top shot, Graeme Boyd won the overall title with a score of 87/100 and 2nd in AA grade went to Marty Seymour just behind on 86/100. A grader, Gordon LePoidevin shot 86/100 winning his grade ahead of Russ Taylor with 85/100. Local DTL shooter, Terry Pigram won B grade with a tally of 79/100 and Arthur Willett shot 68/100 winning 2nd. Doug Sutherland shot an impressive score of 80/115 winning him C grade and only one target behind was 2nd place getter, Rochelle Hunt 79/115.

The veteran's trophy went to Reg Carmody 64/100, Juniors to Adam Shale 81/100 and ladies trophy achieved to Gaye Shale 80/100.

The club would like to remind all shooters of the two day 5 stand shoot on Saturday 13 and Sunday 14 October. Both days will include 100 target championships events, commencing at 11am.

Please visit our website www.wangclaytarget.com.au for more information on the clubs activities.

Caboolture Awards Life Membership to Darrel Coleman

On the 27th May 2012 the club awarded a "Life membership" to one of our clubs longest serving members Mr Darrell Coleman [alias] D.C.

Having shot all disciplines over his shooting life, D.C. nowadays predominantly prefers to shoot Sporting Clays.

Over the years, Darrell has spent many hundreds of hours in promoting the club into the future with, Novice / beginners coaching, trap layout's, setting-up programs, & sitting on the committee in various positions.

Darrell reflects over the last few years:

"Back in 1992, the club started with a tin shed for a club house, three DTL layouts with manual "white Flyers" & we shot just once a month. Today, we have four DTL layouts with La'port & Canterbury auto and voice release, three Skeet layouts with La'port Skeet traps, one permanent five stand sporting with promatic sporting clay traps and C.V.R. also a new addition with a 13 meter tower with two promatic traps mounted on the top.

We have installed Token Machines on most of the layouts including the sporting layout.

The club now shoots just about every weekend, if not for competition, then for Fund Raising, Novice Training, & Corporate events. Our new web site is up & running looking very smart @ www.c.c.t.c.com.au

Please take a look for all our coming events & stories.

A recent addition to our grounds is the SSAA Caboolture Pistol Club, currently with a 25 metre range operating & this will increase to a total of four ranges in the coming years.

It has been very satisfying for me to watch and be involved in a club that is fast becoming the "Best" club around with new shooters & members enjoying the facilities that we have provided" with some great comments from Travelling shooters from the N.T. to the Southern States, these people are always welcome at Caboolture"

The Caboolture Clay Target Club Committee & members thank D.C. for all his work & input over the years.
