Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

ACTA National Double Barrel Championship 2012 – 995/995

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

National President's Notes

By the time this goes to print the Trap Nationals will have been done and dusted. The event, conducted in Perth, is off to a great start with record nominations in all events received to date. Many in the west have worked hard to host this event so it is great that it will be so well supported. Nominations are up about 100 on each event, from the 2005 numbers. There appears to be a much larger number of WA competitors registering and this could likely be due to both an attractive Pre-National program and the Nationals being shot as 50 target events. Major firearms dealers from the eastern coast will be present to sell you a new gun or service existing firearms and we hope they are well patronized.

We welcome Mrs. Cheryl Arnot to her position as an Executive member. Cheryl, from Tasmania, comes with a wealth of experience in local government and sports management at the highest level. Cheryl will take up her position at the forthcoming AGM in Perth. Cheryl replaces Mr. Allan Kenny who has served as an Executive member and a Vice-President of the Association. We thank Allan for his years of service to the Association.

There has recently been concern expressed by some International Shooting Sport Federation (ISSF) shooters about the recently published selection process for the forthcoming Commonwealth Games. Without judging the merit of the concerns in any way, it has been decided to have an open forum at the Victorian State ISSF Titles to discuss the perceived problems. The meeting will be attended by representatives from Australian International Shooting Limited (AISL), members of the ACTA Board, who are meeting that same weekend, shooters representative Mr. Tom Turner, and High Performance Committee representative, Mrs. Elaine Forward. All interested shooters are welcome to attend. Venue date and times will be announced on our website and the social media.

Applications for the Executive Officer position have now closed and we have had twelve applicants. The Board is now in the process of shortlisting those we will interview. Interviews will not be held until after the Trap Nationals. It is expected that an announcement will be made in late April.

Clubs are advised that if you have photographs, footage or comment it can be posted to the ACTA Twitter link. We are keen to develop our presence in the social media so if you have any content please contact Alex Smith at ACTAsport@gmail.com. The ACTA needs to increase its exposure in the social media, but as in the CTSN it must be done responsibly, eg. the image we wish to promote does not include shooters in camo gear or singlets. We have rules about proper dress and even in this issue of the CTSN a photograph was edited because of the dress standard.

The Association has recently been contacted by parties from both West Australia and New South Wales requesting the ACTA step in and resolve problems in these areas. The ACTA now has a process in place whereby a request of this nature is considered in the first instance by our Legal and Governance Committee. The committee, comprising members with expertise of a legal and compliance nature, then advises the ACTA on a course of action to follow, and provide comment to the parties involved. What we all need to remember is that every state, zone and club has their own constitution, they all differ, and many of these have processes to follow after receiving a complaint. Complaints relative to financial and compliance matters involving incorporated bodies may also fall under the umbrella of each state jurisdictions corporate affairs office.

Whilst the ACTA will get involved if legally required to, many of these issues are covered within the States constitution, or based on a clash of personalities, and as such should not be subject to involvement by the ACTA.

The Association has now started a mailout of Long Service recognition badges to members who have been continuously registered for 25 and 50 years, respectively. These badges are just a small thank you to those that have made up the core of the ACTA for many decades, so please wear them with pride. There are 67 in the 50 year category at the moment and some 1400 in the 25 year category. There will inevitably be mistakes in this process as we are relying on data that is at least 25 and up to 50 years old, so if you feel you have been missed please contact the office. This process is being done in batches and will take some time so it would be appreciated if members hold off from ringing until after the end of June, by which time the mailout should be complete.

Executive Officer's Report

By the time you read this the DTL Nationals in Perth will have been completed. Nominations have been greater than for any Nationals held in Perth since records have been kept. An excellent result and one sure to test the organisation over there, however with the work done already, I am sure we will have a good event. One topic which has cropped up in regard to the Nationals is the number of Targets to be shot in each event with a number

of members suggesting the attendance would be affected by only having 50 target events. Fortunately this has not eventuated. After the 2011 DTL Nationals the National Executive decided to revert to 50 targets events in the DTL Nationals for three years to help reduce costs and to try to improve attendance. The matter will then be reviewed. Problems also occur at venues other than the National Ground with finishing events due to the smaller number of layouts.

The ACTA is part funding an Open Team to shoot in the World Sporting Clay Championships in Canada in Jul/Aug. The level of support for overseas teams generally depends on the money available in the discipline Teams Levy Fund. The ACTA has also received support from sponsors such as Cassella Wines and

Perazzi to assist travelling teams, particularly juniors.

This year's Junior Development Camps will be held in Wagga Wagga at the National Grounds at the following times, 9-12 July and 24-27 September. Both of these dates co-incides with school holidays in most states. It is very rewarding to see shooters who have attended these camps shooting well in National Championships and overseas. Attendee's have the opportunity to shoot both DTL and Skeet at the camp however the skills and techniques taught will help them in all disciplines. Details, selection criteria and an expression of interest form will be placed on the web site. The training is conducted in a manner which allows a young shooter to attend a number of camps and achieve sustained improvement. The ACTA is extremely grateful to Winchester for their support in providing ammunition for the Junior Camps.

A reminder to all members who may wish to apply for new handicap books, you are required to go through your Club Secretary to have them provided. When your handicap/grade changes you should also ensure that your Club submits a handicap/grade change form. The information held on the ACTA database is only as good as the information provided to the office. Your renewal sticker has on it the handicap in our database so if it is wrong when you receive it that means we have not been advised of the change. Please contact your club so the appropriate paperwork can be forwarded to the National Office.

NSW State Deauville Doubles Championship

By Paul Edwards

The NSW State Deauville Double Championship was held at the Goulburn Clay Target Club over the weekend with 55 shooters traveling from throughout the state to test themselves. The weather was almost like it had been dialled in, hardly a breath of wind, clear skies and warm temperatures which made for an interesting spectacle as the state's best shooters produced some outstanding scores.

In the warm up to the main event (50 target double barrel) 14 perfect scores were posted and the ensuing shoot off was a battle of attrition. Competitors were marshaled across the three traps shooting 10 per trap till they were down to the final few, then to speed things up the shoot off was completed as Points Score, meaning those relying on the their second barrel were out. Paul Watchorn who was extremely focused all day, was the eventual victor which was a very fitting result with 126/126.

The Handicap event followed a similar path to the first event, and with almost perfect targets, high scores were guaranteed. The subsequent shoot off, following 12 unblemished scores, quickly ejected any competitor without perfect timing and then there were three. Damien Webster was stuck in the middle of a family shoot off between Noel and Paul Watchorn, however Paul this time was the runner up along with Damien on equal 44/45 and the winner this time was Noel 45/45.

The main event, the affair everyone had travelled for, shaped up to be everything the spectators had come to see. Now late in the afternoon due to some lengthy shoot offs and with a surprise appearance from two of Australia's cream of the crop, Matt Patmore and Marc Crimmins, the growing crowd was treated to some spectacular shooting. To explain, Deauville Doubles is a team event where pairs shoot at 2 targets (1 target each) from 22 metres and any missed target can be shot by their partner with the second barrel, this can present some heart stopping shots, sometimes just a few metres

from hitting the ground, it is amazing that at around 70 metres a target can still be turned to smoke from a well placed shot.

6 teams accounted for the first 20 pair of targets, which meant yet another lengthy shoot off to decide the overall state champions. Forty pair were shot before cracks started to appear, one team out, then another. At around 50 pairs of targets the ring-ins (Patmore & Crimmins) left a target untouched and the crowd went quiet. Finally the Webster father and son team (Jeff and Damien) was to continue against Elton Chatcuti and Rob Hill who had not met until that morning. At the 60th pair with the scorers just about to call a break to have a drink and gather more cartridges, one of the Webster's (no fingers pointed) lost concentration and a lonely target went sailing to the ground untouched. Elton and Rob stepped up, took their positions and called for their targets, one target was a puff of smoke and the other had just the smallest chip heading in right angles to the rest of the target, it was enough to claim victory and stop what was an extremely long day.

Many thanks go out to all members who helped out in any way, the surprising volume of competitors may have halted less prepared clubs. The Goulburn Clay Target Club has practice shoots on every third Tuesday of the month at 6.30pm and competition days are every 2nd Sunday of the month, Leon Cuzner can be contacted on 0428 382 995.

BRISBANE GUN CLUB

FEBRUARY 15th & 17th 2013

2013 Australasian-Pacific "Grand Prix"

Hosting one of the most successful ISSF National Championship Carnivals in recent times, Brisbane Gun Club once again lined up on 15th February to host the 19th annual staging of the Australasian-Pacific "Grand Prix" in Olympic Trap and ISSF Skeet.

Despite the ongoing effects of the atrocious weather experienced immediately following the National Championships, which ended in bad weather on Australia Day, 25th January, Brisbane Gun Club members and staff once again rallied to conduct what must surely be Australia's premier club hosted International ISSF shooting competition – The Australasian-Pacific "Grand Prix".

Whilst once again, inclement weather was widely predicted, the championship weekend commenced on time on Friday 15th February with the conducting of the ever popular 100 target Olympic Trap "Skins" Badge Match. With the field divided evenly into two groups consisting of AA/A and B/C grade competitors, it was obvious from early conversations that friendships would once again be put on hold in an effort to pick up some of the "Skins" on offer during the day.

After a leisurely start to the day, round one of the "Skins" Badge Match saw two of our regular supporters Dan Johnson of Warwick, and Frank Minici of Cecil Park, both record clean scores of 25/25 to share the AA/A grade section honours, while Brisbane shooter Clint Hope, who has recently been knocking on the door of an upgrade to A grade, came in with a grade snatching 24/25 to take the money in that section.

In round two, Dan Johnson once again recorded the top score of 24/25 but this time shared the spoils with Glenn Kable who along with Frank Minici had driven for 15 hours to attend the weekend competition. The B/C section in the second round went to another great supporter – Bob McNamara of Redcliffe with 21/25.

Round three, and things were hotting up on the trench layout. The AA/A section saw

5 shooters all record 24/25, which under the rules saw the cash prize money 'jackpot' to the next round, which would certainly cause the competition to hot-up. The B/C section in this round went to an extremely joyous Julian Yee of Cecil Park who says he normally doesn't look at the score board, but with 'skins' on during an event he has to make an exception. Julian recorded a handy 22/25.

The final round for the day and the best that anyone could come in with in the AA/A section was 23/25 until local Brisbane Gun Club member, Scott Dobeli, disappointed the three 23s already in to record a 24/25 in the final squad of the day to pocket the jackpotted 'skins'. The B/C section winners were Hiroko Iida of Cecil Park and Clint Hope of Brisbane, who was once constantly being closely scrutin-

ised by the handicapper.

With the first day's shooting concluded and the scores added, the results again proved Brisbane Gun Club to be a venue for good scores to be recorded. The Badge Match results: AA Grade Glenn Kable (Fiji) 92/100, A Grade Dan Johnson (Warwick) 95/100, B Grade Clint Hope (Brisbane) 86/100, C Grade Albie Van Eden (Cecil Park) 78/100, Lady Hiroko Iida (Cecil Park) 73/100, Veteran Greg

B Grade winners Klint Hope, Reno Cangiano & Shane Smith

C Grade winners Yuji Kobota, Sam Cannizzaro & Hiroko Iida

Newey (Warwick) 81/100 (after a count back from Kevin Perkins of Maryborough).

After a good day's shooting in the Badge match, Friday's field was tripled in size for the weekend by the inclusion of the shooters representing the Japan Shotshell Top Gun Club who have been attending the Australasian-Pacific "Grand Prix" competition for many years. The Top Gun Club from Japan come to Brisbane with the support of Winchester

Greg Newey (Warwick), with Clive Pugh of Winchester

Australia, whose ongoing sponsorship of our "Grand Prix" is so valuable to us to ensure the successful continuation of the event.

This year, 34 Japanese shooters attended the "Grand Prix" competition and as usual they took the opportunity, as soon as their feet touched the ground, to have a full day's shooting practice before the weekend's proceedings. Many of the Top Gun group have visited Brisbane before for previous "Grand Prix" competitions, and it is always a pleasure to welcome them back to Brisbane.

With eleven full squads of shooters entered for the Olympic Trap section of the Australasian-Pacific "Grand Prix", an early start was scheduled for the commencement of Saturday's proceedings. As the weather forecast for the weekend was not very encouraging, the plan was to conduct the competition over the two covered Olympic Trap ranges, shooting 100 targets on Saturday and 50 targets plus an open final and a final for the Japanese shooters on Sunday. As Brisbane had recently upgraded the sequencers and electronics to enable the new 2013 ISSF rules to be adopted, the finals on Sunday were planned to be conducted under the new 2013 rules despite the fact that the general feeling was that they were not completely user-friendly and were very time consuming.

Although only a small field for the ISSF Skeet Australasian-Pacific "Grand Prix" Championship, the qualification scores would also be interesting, but not all important as the new ISSF finals system would also be used in the skeet competition.

It was so evident at the recent Olympic Discipline National Championships that as scores are no longer carried forward into the finals, it becomes anyone's event when it comes down to shooting the doubles from stations 3, 4 & 5 during the semi-final and medal finals.

In conjunction with the conducting of the Australasian-Pacific "Grand Prix" Olympic Trap event, this year also saw the inclusion of our ever popular "Skins" competition on the 4 rounds to be shot on Saturday. As is the usual practice, the "Skins" would be conducted in two groups AA/A grades combined and B/C grades combined. With good entries right across the field, the returns on Saturday would be very attractive \$150 per round in the AA/A group and a massive \$450 per round in the B/C section.

Safety first Japanese guns in the rack at Brisbane Grand Prix

Round one of the trap competition saw the top performers from the previous day's competition continue on where they left off with Warwick's Dan Johnson taking the honours in the AA/A section with a 24/24 and Klint Hope of Brisbane cleaning up the B/C section with 23/25. A great start for both shooters, picking up the "Skins" in the first round and therefore recouping their weekend's nomination fees early in the day.

With the first round out of the way, the focus was now on the second opportunity to post a

good score and share in some of the \$2,500 "Skins" money which would be paid back during the course of the day. Local Brisbane shooter Fernando Cilli, who has been shooting

extremely well in recent times, was the one to beat in AA/A grade and although a number of 24s were recorded during the round, Fernando secured the spoils with a good 25/25 and pick up \$150 for his troubles. The B/C section saw Japanese Top Gun shooter Yuji Kobota record 24/25 to take the \$450 up for grabs in that group.

Half way through the first day and there were still plenty of shooters hanging their hopes on a good round to take some of the dollars on offer. The B/C section of the third round once again saw one of our Japanese visitors, Yasushi Tanaka, come in with 24/25 to card the top score in the section while Frank Minici recorded his second clean 25/25 for the weekend to take out the AA/A honours.

The final round for the day on Saturday and again a number of shooters who had not shared in the "Skins" over the weekend, still had their hopes up that this would be the one they had been waiting for. It turned out that this was certainly the case in the AA/A group with six shooters (Frank Minici, Fernando Cilli, Peter Tobin, Dan Johnson, Kevin Perkins

and Seiji Maki) all posting 24/25 to share the final AA/A "Skin". The B/C group was also shared in the 4th round by well-known Newcastle supporter Reno Cangiano and Brisbane member Sam Cannizzaro who both had 23/25.

With 100 targets completed after a long day which was interrupted on a number of occa-

and Brisbane B grader Klint Hope (130/150) making up the six positions.

After the conclusion of the qualifying rounds, all that was left to do was to conduct the finals in both disciplines using the new ISSF finals system. Under the new rules, the scores recorded in the qualifying rounds are no longer carried forward to the finals and all shooters now enter the final on a zero score.

The ISSF Skeet final firstly saw the conducting of the semi-final which was conducted shooting doubles and reverse doubles from stations 3-4-5-4, a total of 16 targets. Kenichi Ikenaga (Japan Top Gun) was first into the Gold/Silver medal final followed by Justin Ehrenreich (Brisbane) who defeated Masaru Sekimukai (Japan Top Gun) in a shoot-off. The Bronze medal final was then contested between Masaru Sekimukai and Hiroshi Yamanaka, with Sekimukai taking the medal 12 to 10. The Gold medal final finally ended with Justin Ehrenreich taking the overall spoils after defeating Kenichi Ikenaga, in another shoot-off, 11 + 2 to 11 + 1.

sions by heavy rain showers, Fernando Cilli proved he was going to be there when the final six were determined by carding 23, 25, 24, 24 for a day's total of 96/100. Frank Minici had a consistent day ending on 93/100, while Peter Tobin and Dan Johnson on 92/100, and Glenn Kable on 90/100 made up the top 5. With six positions available in the new format final, it was still anyone's guess who might be in the running for the sixth spot which would be determined after another 50 targets.

In the ISSF Skeet competition, the Japanese Top Gun team members, Kenichi Ikenaga and Masaru Sekimukai, were leading from Brisbane shooter Justin Ehrenreich, with Hiroshi Yamanaka of Japan in 4th place after 100 targets. Day two saw a mixture of scores carded and at the end of the 150 targets the Japanese shooters Kenichi Ikenaga (131/150), and Masaru Sekimukai (125/150) were in front, ahead of Justin Ehrenreich (115/150) and Hiroshi Yamanaka (107/150).

After a further 50 targets of the Olympic Trap Championship, Fernando Cilli cemented the first position into the final despite recording a 20/25 in his first round of the day followed up by 23/25 to finish on 139/150. Brisbane member, Peter Tobin, shot 46/50 for the morning to come in on 138/150 in second place with Dan Johnson (137/150), Frank Minici (136/150), Glenn Kable (135/150)

The final of the Olympic Trap "Grand Prix", also conducted under the new ISSF finals system, also proved to be unpredictable at the start, with the opportunity there for anyone of the top 6 shooters to take the overall spoils.

At the conclusion of the semi-final, Glenn Kable and travelling companion Frank Minici, would contest the Gold/Silver final, and Fernando Cilli and Peter Tobin would contest an all-Brisbane Bronze medal final. Warwick's Dan Johnson and Klint Hope of Brisbane were eliminated after the semi-final.

Following the completion of the qualifying 150 targets, a special final was conducted for the members of the visiting Japanese Top Gun Club Members. This final, which was also conducted under the new ISSF rules, was finally won by Masatoshi Watanabe who recorded 11/15 in the semi-final to reach the Gold/Silver medal round, and then, recorded a perfect 15/15 to take the overall gold medal.

International 1 Masatoshi Watanabe (Japan Top Gun), 2 Masayoshi Yamamoto (Japan Top Gun), 3 Seiji Maki (Japan Top Gun).

The International High Gun Trophy, sponsored by David & Cathie Menck, was presented to Masatoshi Watanabe of the visiting Japan Top Gun Club for his win in the Top Gun Final.

Also contested over the running of the Olympic Trap "Grand Prix", was an inaugural teams event conducted between members of Brisbane Gun Club and members of the Japanese Top Gun contingent. The scores of the best AA, A, B, C, Lady and Veteran from each club were tallied and this year's winner was the Brisbane Gun Club Team of Fernando Cilli, Peter Tobin, Clint Hope, Sam Cannizzaro, Rohanna Abberton and Peter Stein.

During the presentation proceedings, special mention and thanks were made of the on-going support and sponsorship of Winchester Australia and their representatives Clive Pugh, Greg Mitchell and Tim Steer. The 3 day competition was also well supported by the staff and members of Brisbane and of course the kitchen staff who are also great supporters of the club.

The Australasian-Pacific "Grand Prix" carnival will again be held in 2014 on the weekend of 14th, 15th and 16th February, at which time we will once again be welcoming the members of the Japan Shotshell Top Gun Club.

Kerry Miller - High Gun at Kempsey

On the 16 March 2013 the Kempsey Club held their monthly shoot. However, before the shoot the annual general meeting was held. Our evergreen and hard working President Ted Baker, was unable to attend the meeting due to ill health. He submitted his President's report via his daughter Kerry. The treasurer also submitted his report and I can confidently predict that the club is undergoing a renaissance.

All positions were declared vacant, and Ted Baker was returned as President, a position he has capably held for over a decade. His able deputy Phil Ryder was also returned. Jenny, our diligent and hard working Shoot Secretary was also re-elected. Two very important positions were filled by the matriarch of the club, Robin Baker, and her helpful daughter, Kerry. These were the canteen supervisors, and I can recommend to all shooters visiting the north coast, come along to our shoots and even if you do not shoot that well on the day, you will get the best home cooked afternoon tea in the northern zone. To all those who put their hands up to accept minor, but no less important positions, our sincere thanks. All the club members would like to take this opportunity to wish Ted a speedy recovery, and we look forward to seeing him back on his shooting mark in the near future. I would just like to mention that we have two other members, Ken and Ken, who are battling health problems at the moment, and should be an inspiration to us all as to what you can achieve if the odds are against you, and don't give up.

*Deauville Doubles Club Champions
Ian Howe & Ken Saunders*

Now to the shooting, the weather was excellent for shooting, clear sunny skies and very little wind. The main event was the 20 pair Deauville Doubles Club Championship, 20m, which was taken out by Ken Saunders and Ian Howe 24/27, closely followed by Kerry Miller and Leslie Langer 23/27. Other events were 25t Double Barrel 15m Cash Divide won by, AA grade - Peter Brenton 25/25, Kerry Miller tied 25/25. A grade - Ken Saunders 1st

24/25, Barry Dray 2nd 23/25, B grade - Abby McMahon 24/25, Robert Nock 24/25, C Grade - Col Crichton 1st 22/25, Samantha Ryder 2nd 21/25. 25T PS 15m - AA Kerry Miller 1st 71/75, Peter Brenton 2nd 70/75, A Grade - Barry Dray 1st 67/75, Ken Saunders 2nd 65/75, B Grade - Robert Nock 1st 74/75, Bill Neil 2nd 72/75, C Grade Samantha Ryder 1st 54/75, Michael Carter 2nd 48/75. 25T Double Barrell Continental - AAGrade, Peter Brenton 25/25, Kerry Miller 25/25, A grade - Barry Dray 1st 25/25, Ken Saunders 2nd 22/25, B Grade - John Burke 1st 25/25, Phil Ryder 2nd 23/25, C Grade - Col Crichton 21/25, Michael Carter 21/25. High Gun for the day went to Kerry Miller 121/125.

Our next shoot is on the 20th April 2013. It will be a day/night shoot commencing at 12 Noon, come along and enjoy the Kempsey hospitality.

High Gun Kerry Miller & Sec. Phil Ryder

ATTENTION ALL SHOOTERS

Listed below are the ACTA AA Elite criteria for Trap And Skeet.

Please contact the national office if you would like to be elevated to this status and believe you meet the criteria for that discipline.

It is mandatory that all AA Elite show their handicap card when nominating as proof of current membership.

ACTA AA ELITE

ELIGIBILITY CRITERIA - TRAP

ACTA shooters who meet certain criteria in relation to their grading, handicap and Hall of Fame Point accumulation may apply to the National Office to be elevated into a special grading level that reflects their achievement of an Elite level of performance.

Shooters may apply once they attain any of the following levels:

- AA grade and a handicap mark of 25 meters
- AA grade with a minimum of 50 HOF points
- Induction into their State or the National Trapshooting Hall of Fame

Upon attaining AA Elite classification shooters shall be:

- 1) Issued with a Handicap Card sticker indicating their Elite Grading
- 2) Added to a register of AA Elite Shooters maintained by the National Office and posted on the ACTA website.
- 3) Presented with a special lapel badge to indicate their achievement at the next Trapshooting Hall of Fame induction dinner.
- 4) Required to show their Handicap Card when nominating for events but the recording of scores shall be optional at the shooters discretion.
- 5) Required to shoot in AA grade and from 25 meters until an application to be removed from AA Elite status has been approved by the ACTA.

ELIGIBILITY CRITERIA - SKEET

ACTA shooters who meet certain criteria in relation to their grading and Hall of Fame Point accumulation may apply to the National Office to be elevated into a special grading level that reflects their achievement of an Elite level of performance.

Shooters may apply once they attain either of the following levels:

- 1) AA grade with a minimum of 50 HOF points
- 2) Induction into their State or the National Skeet Shooting Hall of Fame

Upon attaining AA Elite classification shooters shall be:

- 1) Issued with a Handicap Card sticker indicating their Elite Grading
- 2) Added to a register of AA Elite Shooters maintained by the National Office and posted on the ACTA website.
- 3) Presented with a special lapel badge to indicate their achievement at the next Skeet Shooting Hall of Fame induction dinner.
- 4) Required to show their Handicap Card when nominating for events but the recording of scores shall be optional at the shooters discretion.
- 5) Required to shoot in AA grade with a handicap of 0 until an application to be removed from AA Elite status has been approved by the ACTA.

12th VETERANS' GAMES

WAGGA GUN CLUB

The 12th Veterans Games, run by the Wagga Gun Club and was another success. We had 96 shooters nominated over the 5 days. Shooters from Victoria, New South Wales plus Edgar & Alwynne Collins who travelled all the way from the Atherton Tablelands of Qld to compete. We had 6 age groups from the 45 year old sub-juniors to the gentlemen in the 76+ age group.

In addition to the fine 218/218 of Stephen Guest in the Double Barrel event, of particular note was the shooting of WGC's President Don Power, who not only organised the events and was Shoot Marshall all week, but either won or took a place in all of his Age Groups in all events. Then went on to win his age group High Gun and top scored the High Guns.

We congratulate the shooters in the 76+ age group Edgar & Alwynne Collins, Noel Nicholson, Reg Petts, Doug Watchorn, Lawrence Shaw, Geoff Strauss & H Fairfield-Smith all these shooters competed in all events over the 5 days. During the 5 days we had 18 competitors in this age group, you will see by the scores they can still post very good scores.

Everyone who competes at this shoot has a great time, so if you have a spare 5 days next year, come and join us at the 13th Games.

Two State Championships

Maryborough and District Gun Club hosted the State 5 Stand Sporting Championship and the State Mixed Target Championship over two consecutive weekends.

VICTORIAN ACTA SPORTING CHAMPIONSHIP

Conditions were extremely hot but this did not deter 69 competitors arriving from all over the State.

Shooters commented favourably on the challenging targets set by Darren Watts, that required extreme concentration to post a competitive score.

Victorian State Sporting Team:
Peter Hall, Sox Pilipisidis & Daniel Johnson

Results: Sox Pilipisidis became the 2013 Victorian State ACTA 5 Stand Sporting Champion, swamping the field in the last round, to shoot 91/100 from Daniel Johnson and Peter Hall, both on 90/100. Daniel went on to take out AA Grade with Peter Hall second.

The A Grade State Champion was local shooter Bryan Rafferty, showing that there is still life in the old plumber, with a fine 82/100. Castlemaine shooter Mark Stuchbree was second with 79/100.

B Grade Champion was Dominic Azzopardi 76/100, from new local member Jim Sawyer 74/100. The C Grade Championship went to Billy Trotman 66/100 with Ryan Neilson, second 58/100.

Renae Birgan became the 2013 Ladies Champion with 79/100, Junior Champion Ryan Neilson and Veteran Champion Bryan Rafferty.

Congratulations to Sox Pilipisidas, Daniel Johnson and Peter Hall on their selection to represent Victoria as the State Team.

WANGARATTA 5 STAND CHAMPIONSHIP

Hot conditions suit Shale

With temperatures hovering around the mid 30's and high humidity didn't stop Adam Shale from shooting a brilliant score of 91/100 winning him the overall title at the Wangaratta Clay Target Clubs March 5 Stand Sporting Clays competition. Local competitor, Brett Jory had to be satisfied with 2nd place on 88/100, another excellent score for this challenging discipline.

Russ Taylor put in a fine performance of 85/100 winning A grade with Christian McGauran close behind on 82/100. Lady junior shooter, Demi Shale won B grade with a tally of 79/110 ahead of Reg Carmody 83/116. Junior up and coming champion Rhys McGauran took out C grade with 66/100 and Chris Backas shot 71/120 winning 2nd.

Keen DTL shooter, Graham Coyle won the Veterans High Gun on 64/100 with James Connor taking out the Junior trophy with 44/100.

Another very successful day of trap shooting at one of Victoria's best regional clubs. The day's event finished relatively early and all shooters went home well satisfied with the excellent variety of targets presented to them during the day. IntoShooting generously sponsored the trophies at this shoot.

Maryborough – Two State Championships

VICTORIAN MIXED TARGET CHAMPIONSHIP

The following weekend the 2013 State DTL Mixed Target Championship was held and again conditions were extremely hot but 3 shooters, Jim Shepherd, Stewart Forbes and Ward Wende posted the good score of 59/60.

The resulting shoot-off saw Bendigo shooter Ward Wende take out the 2013 title with 87/88 from local Stewart Forbes 86/88. Robert Durbridge demonstrated that a long absence from the sport is no detriment, winning A Grade with 56/60 from Wayne Callaby 55/60.

B Grade Champion was Murray Schaper 63/74 with President Jim Gaunt second on 61/74. Competing in his first ever DTL event, new member Brian Hughes (personal coach Bryan Rafferty) won C Grade with 48/60.

A 25 target Double Barrel trophy event was also held to conclude the day. AA Grade – Toni Moroni (Bendigo) outlasted Stewart Forbes to win, 41/41. A Grade was won by Ian Long 56/56, from Robert Durbridge

Ward Wende (Bendigo) Brian Hughes and Robert Durbridge (Maryborough), Murray Schaper (Ballarat), winners of the State Mixed Target Championship

55/56. Jim Gaunt shot the only possible in B Grade 25/25, to win from life member Don Robinson 24/25. New Maryborough member

Brian Hughes completed a successful day to win C Grade 20/25.

Golden Ibis Trophy and

A glorious sun filled sky and luscious green grounds, greeted shooters at Warren on Saturday the 9th of March for the Golden Ibis shoot 2013. A total of 80 shooters contested the weekend for the magnificent array of trophies plus cash returns.

Winners came from far and wide with a total of 22 clubs being represented from Qld through to Southern NSW.

This year's event was won from the start, with impressive shooting from Robert Thompson of Cobar Clay Target Club, who took out the overall Golden Ibis Trophy and Denis Hunt Memorial Trophy. Shooting an impressive 368/375 for the whole weekend, and winning overall in three of the six events.

The first event being 30 targets Double Barrel Cash Divide started the weekend. The cash was shared fairly evenly in each grade with no shooter scooping the pool in their respective grade.

The second event was the 30 Mixed Targets off 18m, proudly sponsored by Warren Supa IGA. The overall winner was Cobar shooter Robert Thompson shooting the only 75/75 possible. Robert was recipient of a Kinchrome Toolbox and sash. Remaining winners of the event: AA Grade 1st David Planter 74/75, AA Grade 2nd David Caccioppoli 96/100, A Grade 1st Mark Ticehurst 71/75, A Grade 2nd Rod Haug 69/75, B Grade 1st Brenton Kelly 66/75, 2nd Cherie Hunter 63/75, C Grade 1st James Elias 64/75, 2nd Mark Meers 56/75.

The third event was the 30 Target Lower Macquarie Single Barrel Championship, proudly sponsored by Three Rivers Machinery. Again, Robert Thompson had a great win, shooting the only 30/30. Robert was recipient of a Kinchrome Creeper and sash. Remaining winners of the event: AA Grade 1st David Crane 70/72, AA Grade 2nd Davis Caccioppoli 69/72, A Grade 1st Mark Ticehurst 28/30, A Grade 2nd Rod Haug 27/30, B Grade 1st Brett Williamson 28/30, 2nd Dallas Codrington 26/30, C Grade 1st James Elais 27/30, C Grade 2nd Michael Vallett 26/30, Ladies Helen Overton 27/30, Veteran Peter Fitzalan 30/33, Junior Ethan Dial 26/30.

On to event four the 30 Target Double Barrel Championship proudly sponsored by Macquarie Toyota. At the finish there were 22 possibles shot to enter into the shoot off. Many a shot faltered and only 4 shooters made it to the final wave. Orange

shooter Grant Spencer was victorious shooting an impressive 223 straight targets. For his effort Grant won a fantastic Gazebo and sash. Remaining winners of the event: AA Grade 1st Robert Thompson 222/223, AA Grade 2nd Colin Betts 151/152, A Grade 1st Mark Ticehurst 32/33,

A Grade 2nd Rick Murray 30/31, B Grade 1st Cherie Hunter 38/39, B Grade 2nd Maxwell Ingleton 37/38, C Grade 1st Mark Meers 29/30, 2nd James Elias 26/30, Ladies Carol Betteridge 38/39, Veteran Jim Manns 58/59, Junior Ethan Dial 99/100.

Saturday night the lovely Ladies in the kitchen prepared a beautiful bbq dinner for all to enjoy.

The bar was the place to be during the two hour shoot off in the double barrel. Some good old time yarns and laughs were enjoyed, and a great night was had by all. Most turned in early, in anticipating for the days shooting on Sunday.

An 8am start, and another beautiful day at the Warren Gun club. Many shooters enjoyed a brekkie of bacon and eggs before the start to the days shooting, which commenced with the fifth event, the 30 Target Points Score Championship. Event 5 was sponsored by Gunpro, who assisted in supplying many of the great prizes for the weekend. Canberra shooter Daniel Power shot an impressive 89/90, to take out the event, and be the recipient of a beautifully engraved Puma knife and sash. Remaining winners of the event: AA Grade Robert Thompson 88/90, AA Grade 2nd Nathan Power 95/99, A Grade 1st Kevin Heywood 83/90, A Grade 2nd Mark Ticehurst 106/114, B Grade 1st Cherie Hunter 79/90, B Grade 2nd Chris Weekes 76/90, C Grade 1st Mark Meers 87/90, C Grade 2nd James Elias 74/90, Ladies Carol Betteridge 89/99, Veteran Laurie Littlefield 84/90, Junior Billy Hunt 81/90.

Event Six the Lower Macquarie Handicap sponsored by NM Owen Pty Ltd – Quality Fuel Distributors. 30 Targets from the shooters respective handicap mark. Only two possibles were shot from local shooters Mark Ticehurst and Scott Walton. In the shoot-off, Mark, held off the nerves and took the win with 35/35. Mark was recipient of \$350 cash and a sash. Remaining winners of the event: 2nd Scott Walton 34/35, 3rd Billy Hunt 38/39, 4th Maxwell Ingleton 37/39, 5th James Elias 35/37.

High Gun winner received the beautifully crafted 1oz Golden Ibis Trophy and the Dennis Hunt Memorial Cup, presented by Bruce & Ruth Hunt. We thank Kord Keogh who makes the Ibis trophy each year, and thanks also to the Hunt family for supporting our great shoot.

The High Gun winners for 2013 were: Overall Robert Thompson 368/375, Cobar Clay Target Club NSW, AA Grade Glenn Harvey 358/375, Coonamble Clay Target Club NSW, A Grade Mark Ticehurst 348/375, Warren Gun Club NSW, B Grade Brenton Kelly 333/375, Coonamble Gun Club NSW, C Grade James Elias 317/375, Hermidale Gun Club NSW, Junior Ethan Dial 336/375, Newcastle Gun Club NSW, Ladies Carol Betteridge 325/375, Burdekin Gun Club QLD, Veteran Peter Fitzalan 345/375, Dubbo Gun Club NSW.

Event Seven and the last chance to make the winners circle. The Presidential Trophy, 30 targets off 18 metres. Robert Thompson, who had been exceptionally consistent throughout the weekend, shot the only possible with 90/90. Remaining winners of the event: AA Grade 1st Bryan Manns 88/90, AA Grade 2nd Glenn Harvey 87/90, A Grade 1st Donald Morris 83/90, A Grade 2nd Kay Hunt 79/90, B Grade 1st Brenton Kelly 84/90, B Grade 2nd Ross Hill 72/90. C Grade 1st Rachael Turner 75/90, C Grade 2nd James Elias 69/90.

The last event normally sorts out the winners of the weekend, and all were relieved that there were no shoot offs for the High Guns. This certainly allowed the shoot and the trophy presentations to

Many thanks must go to the small but hard working people who put in many hours preparing for this weekend. To the hard working committee and ladies who helped make the grounds spectacular and the kitchen a welcoming place, thank you for a great weekend.

Our sponsors also are to be congratulated and thanked. Your contributions certainly go a long way to making this event happen. A special thank you this year to our major sponsors who contributed significantly to our prizes and the fantastic success of the shoot: Gunpro – Dubbo, Macquarie Toyota, Warren Supa IGA, Warren United Services Club RSL, Three Rivers Machinery, NM Owen Pty Ltd, Chesterfields Warren.

Our other sponsors, who continually support us, include: National Australia Bank, Spar Supermarket, Macquarie Valley Motor Inn, Cossy's Transport, and NTS Ag Services.

A big thank you also to all the shooters who travelled to Warren and enjoyed our weekends shoot, it is always a pleasure to have you in our company.

All round a great weekend, good fun, great companionship and heaps of laughs. We look forward to seeing you all at the 2014 Golden Ibis Trophy and Denis Hunt Memorial Cup.

COLLIE CLAY TARGET CLUB GROUNDS.

The competition and fellowship enjoyed by shooters and their families from far and wide was shared in warm humid conditions punctuated by a welcome cooling breeze.

Thanks to Collie Club the grounds and facilities generously made available offered excellent shooting for all.

The Crab Supper on Sunday was well attended and complimented on by the participants, most of whom did not participate in a great deal of conversation. It was entertaining to observe the various techniques to get all the sweet crabmeat from each one.

The competition held over four days had something for everyone and included ladies, juniors, veterans, and open competitors, and great results were achieved by all. One cash divide event ensured that many competitors shared in the prizes.

The magnificent support by sponsors Bohler Udderholm, the Meagher Family, Nexus Insurance Brokers, Clay Targets Australia, the Hyder Family, and Roy Alexander and Sons ensured that winners were well rewarded for excellent competition. A special thanks to those sponsors and to the members whose efforts raising the sponsorship helped make the event the success it was.

Two competitors stood out during the carnival notably Phil House a very consistent prize winner,

Phil House O/A and AA High Gun 404/405

and a new competitor to the sport in Jeremy Cable who proceeded to win regularly in "C" Grade only to be quickly promoted to "B" grade with another promotion in the wind.

FIMAC SHIELD 2013

Begins at Bega Gun Club

The Fimac Engineering Handicap event is one of the feature events on the Bega Gun Club's calendar each year and the roll-up of thirty-five shooters for this month's shoot is indicative of its popularity. Shot over four rounds throughout the year it is a true test of a shooter's consistency

The day opened with a 20 target double barrel event shot off 15metres. AA Grade went to a shoot off between Ray Welch, Kevin Hurt, Stuart Bennett and Leon Cuzner. Leon departed first after only two targets with Ray following after four. Stuart and Kevin continued on for a rather long time before Kevin missed one, leaving Stuart a worthy winner 61/61 to Kevin's 60/61. A Grade also went to a shoot off with Alf Niesar and Shane Platts having a much more sociable test. Shane kindly missed his first target, leaving Alf winner on 21/21 to Shane's 20/21. John Seide and Ray Kearns also sorted B Grade quickly, John winning 21/21 to Ray's 20/21. C Grade saw new member, Garry Martin hit 17/21 to beat another new member, Alex Wedutenko 16/21. All in all, eight shooters "shot the lot" in this first event. Great shooting and perfect conditions.

C Grade 20T Double Barrel winner Garry Martin

Single barrel, off a common mark, was the second offering on the program, with 25 targets to collect. AA Grader and Club President, Phil Body, showed the way with a clear round and victory in his grade. Ray Welch and Charlie Smith shot off for second, Ray taking the prize with 28/29. A Grade was nicely won by Neville Teale 24/25 to Stefan Seckar's 23/25. John Walker finally showed some reason for his move to B Grade with a score of 23/25 with

Fimac Sponsor Shane Platts enjoying the day

Don Ubrihien taking second 27/30, from Tony Gray, for runner up. Dick McInnes collected C Grade with a score of 21/25, Colin Brownlie taking second with a score of 22/27.

Feature event, the first round of the Fimac Shield followed. B Grader, Tony Gray took first round honours with a perfect 25/25, shooting off 17metres. Five shooters then took the shoot off path to decide the second and third places. Yours truly went out on the second – stupid forgot the rules and opened the gun on a misfire. Next to go was Phil Body, followed soon after by Robert Taylor. Alf Niesar finally collected second 32/33 from last year's winner John Seide. This puts Tony one up after round one with ten other shooters within two targets of him. A great first round with no pressure on at all for the second round.

Round 1 winner Fimac Shield HC Tony Gray

Final action for the day was 15 pair double rise. AA Grade went to Phil Body with a fine 28/30. One off the pace in second, with 27/30 was Leon Cuzner. A Grade was won by Alf Niesar 26/30 to Shane Platts' 22/30. Ray Kearns won B Grade with a score of 24/30 from regular visitor and new member, Andrew Scott 23/30. Junior, James Body showed good form to win C Grade 19/30 from Dick McInnes 18/30.

High Gun went to President Phil 95/100 and newcomer Wayde Hawkins from Cobar generously accepted the meat tray instead of stressing the treasurer for the cash on offer. The Club would like to thank Shane Platts for his continued sponsorship of the Fimac Handicap Shield. Without his and other sponsors' support the shoot program would certainly be less interesting.

Next month's shoot includes 25t Continental, 25 target Single Barrel and 50 target Ball Trap. Usual 9.00 practice with competition beginning at 10.00.

TOOWOOMBA'S ANNUAL

Fine weather greeted a large number of shooters to the Toowoomba Clay Target Clubs' Annual Skeet Carnival held on the 23rd & 24th February. Forty six competitors rolled up for the annual skeet, which was a marked increase on previous years. Visitors came from as far away as Gladstone, Bundaberg, Gold Coast, Brisbane and Caboolture. Numbers were swelled even more with many of our own trap shooters competing. Congratulations go to all trap shooters who attended, most ended up with a prize.

On Saturday, the wind was strong, however we were very fortunate to have fine weather. As our club is on the western side of Toowoomba, quite often we don't get the rain endured by the east coast right up to the escarpment of the range. The wind affected the scores, there being only one possible shot that day.

Event one was the fifty target handicap sponsored by the Sceresini family, a tradition that has been ongoing for many years. After an eight way shoot off for the four places,

club member and trap shooter Col Gray took out the title and sash this year with 69/75.

Second place went to Rob Drews, another trap shooter at our club, third place to Nick Walsh. For Nick, although a AA trap shooter, this was his first skeet competition. Fourth went to Donald Mabbutt who was having a difficult weekend with work commitments.

The only red score on the board was achieved by our own club member George Petrou

The program ran ahead of schedule on Saturday, so the club put on an extra cash event. Twelve pair doubles to be shot on stations 3, 4 & 5. Rob Drews (a trap shooter) shot 22/24, a great effort.

Cut Price Meats sponsor Len Edwards, President Max Barton & Laurie Chelepy 2nd AA 50T Skeet

Skeet captain, Ashley Mason, organised a camp oven dinner on Saturday night and encouraged competitors to stay and enjoy the great food. As a result, around thirty people enjoyed a well cooked and very flavoursome meal followed by apple crumble also cooked in the camp ovens, served with custard.

On Sunday the phone started ringing, with the common question, "is it raining up there"? Apparently it was raining in Brisbane and north and south of the region. Again, we were fortunate and the day dawned sunny with just a little cloud and thankfully the wind had died down substantially.

First event on Sunday was the fifty target skeet sponsored by Loughlan Cranes

of Toowoomba. Although the wind had died down and the targets were flying true, there was only two possibles shot, with the overall being won by newly married Laurie Rodden. Congratulations to Laurie and Marie on their wedding, may

you have many happy shooting years together.

Dark storm clouds appeared on the eastern skyline by the second event, the doubles, and we began to worry about getting the shooting completed without getting wet. Again luck was

Overall for the doubles was a shoot off between Lorraine Hughes and Chris Langley with a score of 48/50 with Chris the victor with the score of 50/52, not a long shoot off.

Overall High Gun went to Mark Fanning after a shoot off with George Petrou, both having shot 191/200 for the weekend.

Gold Coast members Aaron Knowles & Chris Larsen hand over the Albert Shield to George Petrou & Heath Miller

The grounds were a picture of green, thanks to the efforts of Len Edwards and Murray Smith who spent the three weeks prior to the competition, out on mowers, line-trimmers and weed sprays, a big job but the results were well worth the effort.

Once again the inter club challenge, the Albert Shield, between the Gold Coast and Toowoomba was strongly fought for, with team captains endeavoring to load their teams in their favour. But alas, the Gold Coast just couldn't manage it and were trounced by our local team by a significant eleven points. The Toowoomba team consisted of George Petrou, Rob Drews, Vic Stiller, Keith Simpson and Heath Miller.

A big thank you to the volunteers who kept the food supply running, people in the office, shoot marshal Laurie Chelepy and most of all to Ashley Mason, who serviced all the traps and set the heights and generally ran the weekend.

To all those that attended, thank you for making our weekend the success it was and we look forward to seeing you all again next year.

Aaron Knowles from Performance Outdoor Agencies Pty Ltd with B gr HG winner Theo Pieterse

Aaron Knowles from Performance Outdoor Agencies Pty Ltd with AA OA HG Laurie Sceresini

This month has had a short deadline, running from February 20 to March 15 and thus encompassing only three weekends. Each one has had a good Skeet shoot on, but I have been unable to attend any of them for various reasons. The first two were the WA State Carnival on the last weekend of February and the Brisbane 500 on the first weekend in March. Both were a little too far to tow our home on wheels, but maybe next year.

The third was the South Australian Skeet Carnival, which is a viable travel proposition, which I have attended on many previous occasions and which I would have dearly loved to attend this year. However, during my last shooting sabbatical from 2003 to 2009, I needed something to keep me off the streets and as exotic cars is one of my other passions, I became involved with the Phillip Island Historic Event and the Australian Formula One Grand Prix and as they usually butt together on the second and third weekends in March, so March has become my motor racing month.

Motor racing! What do I know about motor racing? Not much actually except that I love to watch it, especially if it involves historic cars. If I ever win Tattsлото, I will build a very large garage and then fill it with exotic historic cars, starting with a D type Jaguar. So where do I fit in at these two major events? Each has a large static display of exotic cars and I am effectively the "Shoot Marshall" at both. At Phillip Island I run the Expo Shed and at the Grand Prix I organize Auto Avenue, which is

Victorian Skeet Team 1974

the large grassy area directly behind the pits and opposite "Pete's Bar". This has fringe benefits as the entertainment Pete provides each afternoon is in the form of very attractive young ladies performing pole dancing on top of a large white grand piano in the middle of the marquee. Drop by if you're ever in the area and I'll give you a guided tour.

Skeet Team Clarification

OK, back to business. The creation of the ACTA Hall of Fame about ten years ago has spawned a number of associated offshoots, all of which were basically designed to promote and advance our sport, particularly in the area of greater participation at our major shoots. They include such things as Annual Awards for the most accomplished shooter and for the highest breaks shot in the various disciplines during any calendar year, the lifetime accumulation of certain levels of achievement in different events to culminate in Grand Slam Awards and most importantly the accumulation of sufficient points for eventual induction into the Hall of Fame.

Although a few people could possibly quote the various criteria word for word, most shooters probably have only a sketchy and perhaps confused perception of how this all works and some of our newer members may

have no idea of what is actually attainable for those people who strive to reach the upper echelon of our sport. For that reason I have been asked by our National President to try to provide an explanation of each of these various issues over the course of the next few months. However, as an important addition to our Skeet Team array has occurred recently and the full ramifications of it's selection criteria are due to come into effect at the end of this month, I think this would be an opportune time to clarify Skeet Teams in general.

State Postal Skeet Teams

At the various State Skeet Carnivals the two most important teams selected are the Postal Team and the Shoulder to Shoulder Team. The Postal Team is usually selected over the highest possible number of standard 12 gauge targets and comprises the fifteen highest aggregate scorers for the Open Team and the six highest in the three Sections: Ladies, Juniors and Veterans. Ties for the last placings are supposed to be broken by shoot-offs. After the match the ten best Open scores and the five highest scores in each Section are submitted to the ACTA for final evaluation at the end of the year and the winners are published in the CTSN early the following year.

Two LeMans 24 Hour Race winners at Phillip Island. The D Type Jaguar in 1955 and Vern Schuppan in 1983 driving a Porsche 956

The inaugural International Postal Team

2011 Western Australian Shoulder to Shoulder Team

Shoulder to Shoulder Teams

The Shoulder to Shoulder team is then established by adding each person's qualifying and match scores together to find the five best scores for the Open Team and the three highest for each Section. Again ties are required to be broken by shoot-off. Over the years different States have had different procedures regarding shooters who qualify for multiple teams and this has caused much heartache initially in Postal Team selection but then even worse when trying to sort out the Shoulder Teams.

If a young boy qualifies for and elects to shoot in the Open Postal Team where he then misses the cut for the Shoulder Team, can he revert back to the Junior Shoulder Team and displace the final qualifier there. And imagine if this scenario involved a young girl! Nowadays to alleviate this, multiple representation has been sanctioned, provided scores are not transposed. Thus if a young girl or an elderly lady shoots well enough, she could potentially shoot in three teams at her State shoot and then represent her State three times at the Nationals.

National Skeet Teams – Glenn Trophy

Prior to the advent of the Skeet Nationals in 1983, an International Shoulder to Shoulder Teams Match against New Zealand had been contested since about 1970. The end result is to have the winning country's name engraved on a small silver jug called the Glenn Trophy. A similar event occurs in Trapshooting and their prize is the Glenn Cup. Ties originally stood and were recorded as such, but after a request from New Zealand this was amended and now ties are shot off. During even numbered years the match is shot in Australia and the five highest Australian finishers in the National Skeet Championship constitute our team. That selection system still exists to this day. It works OK and is probably steeped in too much history to even contemplate any change.

On uneven numbered years the match is shot in New Zealand and for many years our team was self organised by those Australians present. When I first started to play in the late 70s, Billy Stevens from Queensland always attended the NZ Nationals and we all looked upon him as our "Elder Statesman". His team selection criteria was basic and effective. As he pretty

much knew everyone and their experience and ability, he simply named whoever he thought was our best team and that was that. It worked well too. He put our name on the jug more times than not. Well done Billy. Some time after the inception of the Skeet Nationals we started selecting our Team over nominated events at the Nationals and then fully or partly funding a designated travelling team. That system also still currently exists.

Trans Tasman Postal Team

The Macintosh International Trap Team has been one of the main events every year at the Trap Nationals for a very long time and will undoubtedly remain so. Some years ago someone had a bright idea that we should start a similar event at the Skeet Nationals. Obviously not a lot of thought went into it because although I'm told there is more NSSA Skeet shot in England than English Skeet, the organisation that organises the Macintosh event controls the latter.

The uneven playing field this created, along with a general lack of interest from the other participating countries caused the concept to self destruct fairly quickly. However, because the basic concept was sound, New Zealand came back to us after a while and suggested a scaled down Australasian version. And so was born the Trans Tasman International Postal Match. A similar selection criteria to the Glenn Trophy travelling team provides us a twelve person team with the best ten scores to count and the winner is announced every year after the New Zealand Skeet Nationals in November.

All Australian Skeet Team

With the advent of the Skeet Nationals we were clearly looking to mimic what NSSA call their All American Team each year. Without all their infrastructure and computerisation available to us, we took the only viable option available to us and named our team as the ten highest scorers in the Overall High Gun at the Nationals. It has worked well for many years but now with the advent of the Hall of Fame point system, it would probably be more relevant to name the highest accumulators each year under that system instead. Food for thought!

World Skeet Championships Team

1983 will forever be the watershed year of Skeet Shooting. The first ever Skeet Nationals with all it entailed would have been enough to ensure that, even without the selection of the first ever five person fully funded official Australian Team to represent us at the World Skeet Championships in San Antonio Texas the

following year. The team comprised the five highest scorers in the Overall High Gun. To paraphrase Neil Armstrong it was "One Giant Leap". It seemed almost too good to be true. And it probably was! After the second team was selected in '85 to travel '86, I don't think anyone was surprised when it got put into the "financially unsustainable" basket.

Since that time World Championship Skeet Teams have occurred in fits and starts. I think the next one was a three person team in about 1991. Then a junior development team in 2000, followed by an Open Team the following year. I don't recall any other official happenings on the NSSA front until a proposal from the ASSA was favorably considered by the National Executive early last year. The idea was to continue to partially fund a team to New Zealand every second year, but to add a new partially funded team to the United States on the alternate year and to continue this pattern on an ongoing basis.

This proposal also suggested a new and much more extensive selection criteria which was designed to achieve two important objectives. The first was to try to promote and expand the State Skeet Carnivals in every state of Australia and the second was to try to select the strongest possible team to represent our country in the global arena. Our team would be entered in the Zone Teams Match at the World Championships and our initial goal is to be the highest finishing Non-American team, after which why shouldn't we reach for the stars. It's been done before!

NEW SELECTION CRITERIA

Now to the punch line. The new selection criteria will be similar to that for the Glenn Trophy travelling team but will include all 450 regular targets shot at the Nationals, plus the addition of ANY two 100 target State Skeet Championship scores recorded during the preceding twelve months. ie Shoot as many State Skeet Championship events as you like during the year and then submit your best two scores. In order to assist in this venture, ALL States and Territories now conduct their State event over 100 targets. This system will come into effect after this year's Nationals and culminate in the selection of the Team at the 2014 Nationals to travel to the World Championships later that year.

Trivia Question

My current mission as Historian remains unchanged from last month. The accumulation of a full set of National and State ISSF winners from 1973 to now, so this month's Trivia Question will stay aligned with that task. Five years after the inaugural National Trench Championship, we conducted the first National ISU Skeet Championship in 1978. Give me not just the winner, who amassed 20 Hall of Fame points for his effort, but also the runner-up who opened his account with 10 points. Please e-mail your answer to cuzzo@a1.com.au and the first correct one received will get a complimentary entry to one National Championship event of your choice in 2014.

IT'S YOUR CALL by Bill McCarthy

At the **conclusion** of a simple double barrel event, you ask the shooters to "unload their guns and check their scores".

On this occasion you have a shooter challenge his score, claiming that his target recorded as "lost" was in fact broken by him.

You seek advice from other shooters who claim to have no opinion either way. The scorer can't remember and the discussion now becomes animated.

Under pressure now from the shooter you agree to give the shooter the benefit of the doubt and you alter the score.

Was the Referee Correct?

It's Your Call

If you ruled NO, you ruled correctly. Unless of course it this was the shooter's last target or a baulk had been claimed on that target. Rule 1.09(d)

*While **Rule 4.22(d)** provides for a shooter to challenge his score, there is no provision for a Referee to alter that score after the event has been completed. Although correction of scores at the end of an event seems to have become an accepted practice our rules do not provide for this circumstance. It seems we have only a challenge of the correct totalling and NOT whether a target was hit or not or even recorded properly. This, of course, now highlights a need for Referees to pay particular attention to calling the results of each shot loudly and clearly, thus allowing a shooter to challenge the Referees call at the time of the incident. **Rule 4.18(e)** is quite specific on this point.*

So there we have it! As a Referee you must make sure your call is clear enough to enable a shooter to challenge your decision AT THE TIME OF THE SHOT as he cannot do it afterwards.

As referees, "Qualified" or not, we are often placed in unenviable and indeed unpleasant situations whilst doing our duty out on the tracks. We are all conscious of situations which occur from time to time where we, as contemporaries of those we are judging, have to implement rules which may be distasteful to our brother competitors. Indeed, there is a very small minority of shooters who consider some rules to be minor or "pinpricking". It becomes increasingly difficult for us to apply these rules where some of our more temperamental shooters take offence. However, these rules have been well thought out and investigated thoroughly over many years by very experienced and knowledge shooters. They are there for our safety and our competitive equity.

Let's face it: Not one of us likes to be placed in this position of embarrassment to the extent where we ignore the implementation of the rules to avoid conflict.

By far the most common situation (**but OF THE MOST**

IMPORTANCE) is in the area of **safety**. This is an area in which we should not make compromises. We as referees have a vicarious liability and responsibility to our fellow shooters, our sport, and to our public status in the community in regards to the retention of our firearms privileges and licences. Hence, any accident, however small will bring us unfavourably to the notice of a multiplicity of government and non-government organisations, the media and the general public. **Moreover, we must be aware of our vulnerability in a situation where we failed as a person in charge, to ensure we have complied with the simple precautionary safety rules laid down by our Association.**

Our most common exposure is at the start of each event where we as Referees are required under **GRTS 1** to have shooters check their barrels to ensure there are no obstructions in them. So many referees seem reluctant to implement this rule. The reasons are doubtless many and varied but the referee who fails to apply with this rule may be in some difficulty in the event of an accident. Your Rules Committee has put this rule there for this purpose.

So, as the Referee of a squad at the start of an event you ask the shooters to check their barrels to ensure they are not obstructed. One shooter has already placed cartridges in his gun: he doesn't remove them and says "I checked my barrels before I came on the tracks".

It's Your Call

*If you started the event you would be quite correct. There is nothing contained in our rules that requires us not to proceed. Once having warned the shooters we appear to have shifted the responsibility back to the shooter concerned. Current firearms' rules state that firearms safety is the responsibility of everyone at the shoot and not specifically the Referee/Range Officer/ Shoot Marshal etc. There is however, a very clear responsibility on behalf of the Referee to make sure guns are unloaded at the appearance of a red flag at the trap house and when someone is going forward of the firing marks and tracks. In these cases the rule is specific in its requirement of the Referee. The Referee is also required to instruct shooters to "unload their guns and check their scores" at the end of each visit to a trap. It is absolutely unnecessary for you to accept a responsibility for someone else's indiscretions or accidents. Your Association has done its best to give you the facilities to monitor and regulate safety issues to prevent potentially dangerous incidents from occurring. By bringing **GRTS 1** to the attention of shooters you are creating the first step in safety awareness.*

*It is incumbent on all shooters to know this rule and abide by it. It is there for our protection both in the sense of our own **liability** and **safety** and the safety of our contemporaries. We should not take offence when asked by a Referee to perform this task.*

CONDITIONS OF ENTRY – National Skeet Championships

GENERAL

1. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
2. Shooters will be Pre Squadded and any interpretation of this will be the responsibility of the Tournament Director.
3. Each shooter is to take enough cartridges to shoot at 50 targets/100 targets. A time limit of one minute will be imposed for the changeover for each 25 targets. Should the one-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** may be incurred.
4. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management
5. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
6. All shooters should sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
7. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
8. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
9. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
10. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
11. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall choose in which team they will be selected. They cannot compete in both Open and Section teams.
12. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section.
13. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
14. Pre-Nominations will close at 5pm on Friday 19th April 2013.
15. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of the card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
16. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
17. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
18. ***All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Championships.***
19. Squads of 5/6 to shoot 50 targets in one visit only to the traps. Squads of 5/6 to shoot 100 targets in one or two visits to the traps or as designated by the Tournament Director.
20. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible for any refund.

Psychological Skills for Shooting

Michael Kruger-Davis

THE WHEEL OF EXCELLENCE ROLLS ON

Last month I explored commitment and focused connection as components of Orlick's Wheel of Excellence. The wheel involves a number of key components that have to be present and work in harmony for you to be able to reach your full potential.

In this article I will explore look at three more components: confidence, positive images and mental readiness.

The third element of the Wheel of Excellence is confidence. This can also be translated into trust or belief in your own ability and potential, your capacity to overcome obstacles, your choices and your focus. It can also involve your level of readiness and preparation and can provide meaningfulness to your mission.

According to Orlick, where you have an unwavering belief in your capacity to carry out your mission and you are in absolute connection with your performance, then anything is possible. This is what people often refer to as being in the zone. If however, you let negative thoughts or experiences interfere with this confidence, you will develop self-doubt: your performance suffers because you doubt your ability to do even the simple tasks. Tim Gallwey, in *The Inner Game of Golf*, provides the advice: Trust and let go. Regular readers of these articles will be aware of the damage self-doubt can cause and the need to trust in our own ability (have confidence) and let go of past judgements and future worries. How can we strengthen our

confidence? Firstly, remember that someone believes in you. Then, think in positive ways about your capacity and capabilities. Thirdly, engage in high-quality, technical, physical and mental preparation. Next, recall successes from previous performances or practice sessions. Then, look for positive aspects of all performances and experiences. Finally, continually look for lessons that can be learnt from all experiences.

It is hard to read a book on sport psychology and not read about visualisation. The next element in the Wheel of Excellence, Positive Images, involves using your imagination in positive and productive ways. These positive and productive ways can involve creating an inspiration and positive vision, targeting specific daily goals, preparing yourself to follow a game plan or perform to your capacity. You can also use your imagination to enhance your confidence, speed up the learning process and helping you to act and react in more positive ways. According to Orlick, the overall benefit of thinking, planning and guiding your imagination in positive ways is to set a positive mindset for living and performing. He continues by stating that this mental process serves to enhance your confidence, focus and performance.

The fifth element is mental readiness. This is about your ability and readiness to create a positive learning opportunity, take advantage of performance opportunities and plan, prepare and evaluate effectively. You need to be mentally ready to develop essential mental, technical and physical skills necessary to excel in your chosen sport. Mental readiness will also help you follow a path that brings out personal best performances and keeps you relaxed and focused.

Personal excellence requires that you get the most out of yourself and your experiences. You need to be committed to make the most out of every experience and each opportunity. Orlick states that to be mentally ready you need to consistently enter a positive and focused state for learning, performing and interacting. Excellence emerges when you are mentally ready to act in positive ways.

Take a glance back at the diagram of the Wheel of Excellence. While all these components: confidence, focused connection, commitment, positive images, ongoing learning, mental readiness and distraction control appear on the rim of the wheel, the hub which holds these components together is YOU.

Next month's article will explore the final two components: distraction control and ongoing learning and how you can make the wheel work for you. Because it is a wheel: all the components must work together and move in a unified and agreed direction.

Marconi CTC held the first annual Marconi Falcon 100 in conjunction with the Marconi Falcon 100 team event on February 17th, with shooters representing Metropolitan, Sydney and regional clubs. Nominations started at 8:30 am and the shoot commenced at 10 am with 120 in attendance, a fantastic turn up for a one day shoot. It was a good atmosphere and great weather, sunny and only slight wind but nothing too much to worry about.

There were two shooters who shot 100/100 and many on 99 and 98. It was very nice to see a lot of red on the scoreboard, showing in every round of 25 targets. Up to 75 targets there was a possibility of an extra three to four 100's, unfortunately this happened in the last round for the four shooters of team falcon 400 with a great number of teams (12) in competition. Thanks to Arty Del Ben for looking after all that, job well done!

D Barros, K Barlow, Michael Hunt (Falcon)

Also a big thanks to our President for a wonderful job in running the shoot all day long and finishing in very good time. Thank you very much Peter Phillpott, wonderful job, and again, thank you to the committee for all your hard work. A big thanks to Paolo as

L Galea, D Barros, G Rootes, Michael Hunt (Falcon) A Nohra

well for feeding us all, thanks to Fulvia and Michela for running the kitchen, thanks to Pam in the office, wonderful job Pam. It was a very big day for her and she handled it very well! A massive thanks to Sharon Phillpott, Club Treasurer and Secretary, for all the hard work she puts into the club. Also in the office a big thanks to Holly and Nikos, who give up a lot of their time to do work for the club alongside Sharon, Peter and the committee so thank you for the work you two did in the office. Thank you to Morris the trapper, excellent job! And many many thanks to all the shooters and families for your support and a big thanks to the sponsors Neil Bakker from Falcon Cartridges Australia, for the sponsorship of the Falcon Shells. Thanks to Michael Hunt for the sponsor of Falcon Shells, and many thanks to Dino Barros for donating the rifles that were up for grabs. Without sponsors it would be very difficult to organise a very good shoot so thank you to all of our sponsors for your support.

The prizes up on the day were rifles, sashes, Falcon shells and a trophy for the winning team which was team Falcon 400.

On this day there were nine juniors with free noms. Congratulations to all the juniors but especially to Carter Matthews, Kai Barlow, Jake Preece and Drake Preece, very well shot boys! And congratulations to Dino Lucas and David Perri, the only two possibles to emerge from 120 shooters – the shoot off not lasting very long. The winner was David Perri and unfortunately for Dino Lucas it was just that one bird that got away! Well done boys.

QCTA CENTRAL ZONE ANNUAL TWO DAY SHOOT

The QCTA Central Zone held its Annual Two Day Shoot on the 23rd and 24th February 2013 with over 100 shooters in attendance. This year the Carnival was hosted by the Tambo Clay Target Club in central western Queensland.

The Tambo Club had the grounds in order and the traps had been fitted and targets were ready for what was going to be a great weekend of shooting. Near perfect shooting conditions met the participants with a little wind later in the day to upset the Double Rise in some quarters.

The first event of the day was the 50T QCTA Central Zone Double Barrel Championship and the Overall Winner was Brad Marks from Scrubby Creek with a 217/217. Other results were as follows: 1st AA Grade: Ray Collinson 216/217, 2nd Danny Allan 179/180; A Grade: Peter Purkis 109/110, Dennis Cormack 108/110; B Grade: Candy Cross 50/50, Peter Quinn 60/61 and C Grade: Joanne Taylor 46/50, Isaac Whiley 47/52.

Event Two was the 25T QCTA Central Zone Single Barrel Championship and the Overall Winner was Bruce Powell from the Springsure Clay Target Club with a score of 54/54. Other results were as follows: AA Grade: 1st Andrew Adams 48/49, 2nd Alex Dallas 43/44; A Grade: Matt Marks 53/54, Alan Powell 28/29; B Grade: Imelda Shilcock 25/26, Peter Quinn 24/26 and C Grade: Charlie Gall 21/25, Isaac Whiley 20/25.

Event Three was the 15 Pair QCTA Central Zone Double Rise Championship and the Overall Winner was Robert Cross from the Gemfields Clay Target Club with a score of 29/30. Other results were as follows: 1st AA Grade: Lil Brandt 35/40, 2nd Andrew Skinner 33/40, A Grade: Andrew Olive 27/30, Matt Marks 25/30; B Grade: Joe Taylor 25/30, Wayne Johnson 24/30 and C Grade: Brett Jenkins 41/50, Clint Abel 39/50.

Those who stayed on Saturday night were treated to a meal supplied by Hazel, Bill & Therese Rogers, they did a magnificent job and worked tirelessly over the two days. The Central Zone greatly appreciated their help and support.

Event Four was the 25T QCTA Central Zone Continental Championship and the Overall Winner was Alex Dallas from the Blackall Clay Target Club with a score of 124/124. Other results were as follows: 1st AA Grade: Bruce Powell 123/124, 2nd Andrew Adams 88/89; A Grade: Des Richardson 55/56, Tom Jarvis 46/47; B Grade: Christine Adams 25/25, Joe Taylor 31/32 and C Grade: Janene Vale 24/25, Michael Doyle 28/30.

Event Five was the 25T QCTA Central Zone Points Score Championship and the Overall Winner was Tim Misson from the Barcardine Clay Target Club with a score of 90/90. Other results were as follows: 1st AA Grade: Carlo Barletta 87/90, 2nd Spike Scouller 86/87; A Grade: Dennis Cormack 89/90, Carol Betteridge 86/90; B Grade: Joe Taylor 77/78, Richard Holmes 74/78 and C Grade: Leteisha Whiley 72/78, Clint Abel 69/78.

*Champion of Champions Winner
Carlo Barletta*

*OA PS & HC Winner
Tim Misson*

The Central Zone Teams were selected over the Double Barrel, Single Barrel and Points Score events. The team members will compete at the upcoming Queensland State Carnival at Roma are as follows: Open: Carlo Barletta, Tim Misson, Richard Woolcock, Alan Powell, Bruce Powell, and Joe Taylor.

Veteran: Alan Powell, Kevin Mott, Jim Taylor. Ladies: Lil Brandt, Zarah Powell, Imelda Shilcock. Junior: Isaac Whiley, Leteisha Whiley, Jayd Powell.

The Zone Champion of Champions was held in conjunction with the team shoot and the winner with a score of 223/225 was Carlo Barletta.

The final event of the weekend was the 25T QCTA Central Zone DB Handicap and the Overall Winner was Tim Misson from the Barcardine Clay Target Club with a 35/35. Other results were as follows: 2nd Todd Holmes 34/35, 3rd Joanne Taylor 32/33, 4th Ray Collinson 31/32.

The High Gun winners were: Overall High Gun: Spike Scouller 222/230, AA Grade High Gun: Andrew Adams 221/230, A Grade High Gun: Tim

VALE

JAMIE ELLIOT

With sadness and shock we announce the passing of our mate, Jamie, "The big Fella", Elliot. Big heart, big smile, big wave.

Jamie may have been a Walmer member, but spent a lot of time travelling to other clubs, with a car load or a convoy of mates, Jamie was the proof that clay target shooting is a family sport and the social friendships made, last a lifetime.

Coaching and supporting welcoming to anyone, the catch phrases, the congregation around the back of his Patrol, the laughter all epitomised the true Jamie.

Our gentle giant gone forever.

Take a road trip for the good old days and make sure you share a memory with a mate.

ALLAN WALKER

It is with deep regret that the Narrandera Clay Target Club announces the passing of Life Member and past President of the Narrandera club, Allan Walker, Allan travelled widely throughout N.S.W, Victoria and South Eastern South Australia always with wife Alice beside him. Allan's dedication to the Narrandera Club over a lot of years resulted in the Club awarding Life Member ship to both Allan and his wife Alice. A Guard of Honour was held, comprising several Narrandera, Leeton & Ganmain shooters. Ex work mates of Alan's Fisheries Research Station days also took part.

Just a quick note as a show of his dedication Allan & his family in 1974, when the Murrumbidgee river was in full flood they resided on the farm at Corribimilla between Narrandera & Morundah, Allan, Alice & his family walked over 5km on the rail line just so they could shoot at Narrandera's monthly shoot. They faced a few challenges on the way across the line & bridge. Carrying their guns whilst both holding the hand of their young daughter so that she did not fall through the gap in the sleepers and their son was out in front taking care of the snakes that had taken safe haven on the rail lines that is dedication. Allan and his family loved the sport and made many friends during his shooting days and after the shooting was done Allan was always up for a cold beer.

So here's cheers mate.

From all, Narrandera Clay Target Club

CENTURY BATTERIES 100

A great way to start 2013 at Kempsey

A slightly disappointing attendance at Kempsey club for the start of the 2013 shooting calendar where shooters vied for the Century Batteries 100 prize. Ask any of the shooters in attendance about the day and I could guess their answer, yep, WINDY, WINDY oh and did I mention WINDY. What we thought was going to be a very hot day ended up a great day temperature wise but was extremely ... oh please don't let's say that W word again.

The plan was to shoot a little eye opener before commencing the Century Batteries 100 event. This was a 50 target double barrel and a 50 target points score event. From where I was sitting in the office, pounding on my computer, they all looked like continental targets. To top it off, Event 3 was 15 pair of double rise, double rise continental!!!, have we introduced a new discipline.

Scott Wallis & Brad Hooper

It might not have been perfect weather but there was some damn good shooting being recorded with Scott Wallis from Port Macquarie taking out the Century Batteries 100 prize with 198/200. Not far behind was his dad, Steve, taking out first place in AA Grade and sponsor representative, Brad Hooper, coming in second.

Full results were: O/A Scott Wallis 198/200; AA Steve Wallis 190/200, Brad Hooper 188/200; A Mick

Wilkins 179/200, Julian Booth 176/200; B Megan Wilkins 175/200, William Saul 165/200; C Col Crighton 164/200, Ted Baker 136/200. Results of other events are shown in the monthly competition lists.

Our thanks to shooters from visiting clubs for continuing to support our small club, especially our regulars from neighbouring Port Macquarie. We hope you come back and visit soon, even if it is for our famous afternoon tea.

Don't forget, if you need a hand getting started, call RedPoint, our valued sponsor.

KERANG CLAY TARGET CLUB

Hot and sunny conditions greeted those shooters that attended the Kerang Clay Target Club on Sunday March 10. As well as our local shooters, competitors attended from, Swan Hill, Cohuna, Patchewollock and Walmer.

The program for the day consisted of two events. Event 1: 50 Target Double Barrel Championship Sponsored by the Lake Charm Foreshore Caravan Park. Event 2: 25 Target double Barrel Tower Championship sponsored by Cumco Gypsum.

RESULTS: Event 1 50 Target Doubles Barrel Championship sponsored by Lake Charm Foreshore Caravan Park: Overall and AA Grade Wayne Upton 50/50, 2nd Chris Dalrymple 65/67; A Grade Ryan Barnes 49/50, 2nd Garry Wilkinson 50/53; B Grade Neville Woolhouse 48/50, 2nd Michael Greer 46/50, C Grade Peter Finn 45/50, 2nd Ivan Napier 35/50.

Event 2 25 Target Double Barrel Tower Championship sponsored by Cumco Gypsum: Overall and AA Grade Peter Finn 112/112, 2nd Graham Hall 100/101; A Grade Neville Woolhouse 111/112, 2nd Braydon Melotte 77/78 B Grade James

Absalom 49/50, 2nd Russell Barnes 20/25; C Grade David Shepard 24/25, 2nd Alan Wilkinson 28/30.

The Kerang Clay Target Club would like to congratulate Peter Finn, Neville Woolhouse, Graham Hall, Braydon Melotte and James Absalom for a fine display of pressure Tower Shooting in a shoot that went all the way with Peter Finn Shooting 112/112 to just pip Neville Woolhouse with 111/112 and take out the AA and overall championship.

The winners of the Kerang Clay Target Club Inc special effort were Neville Woolhouse and Trevor Wilkinson.

Kerang Clay Target Club would like to take the opportunity to thank all of the sponsors for their support as without good sponsors these events are not possible. Likewise we would like to send a big thank you to all those who assisted to make this shoot run so well and look forward to seeing you all back on Sunday the 14th April 2013 for the Kerang Clay Target Clubs 20 pair Double Rise Championship and a 25 Target Single Barrel Championship and 25 Target Points Score. Competition to start at 12:00 noon.

The Squire reports from West Wyalong

It was a disappointing number of shooters who turned up for the 100 target Sporting Clays shoot held at the West Wyalong Clay Target Club on the last Sunday in February.

Nevertheless, those who did take part had a good day and the cooler weather helped them enjoy the day even more.

Graham Duncan, Jason Anderson and Allan Schirmer had spent all Saturday afternoon out at the club designing two layouts which would ensure a challenging course with several long targets.

The strong wind blowing from the east made it impossible to set the targets so fine tuning had to be delayed until the following morning.

Just before 11.00am the shooters began arriving and the effervescent Sue Turner was soon collecting nominations, partaking in banter and organising squads so the shoot could get underway.

Sue worked tirelessly all day even scoring a couple of squads when things became a bit short handed.

Kay Summer-Hayes also pitched in to give a hand and her help was also very much appreciated.

The number one layout was causing shooters some problems as the cloud cover was making targets difficult to see early in their flight pattern with only visitor, Brian Summer-Hayes scoring well in the first round.

It was not until the second round on layout two that scores improved with Mick Munro shooting a 22/25 and Allan Schirmer a 23/25.

Brian Summer-Hayes maintained his consistent good form throughout the day.

A breakdown caused a short delay but a spare trap was soon in place and the day continued but there were some complaints about the white targets being thrown from the replacement trap.

After two rounds Don Turner had the barbecue ready and hungry shooters gathered in the clubhouse to eat and have a drink.

Some small changes were made to the layouts a target raised a smidgen here; a target given a bit more angle there and yellow targets substituted for white on the replacement trap to keep everyone happy.

The last two rounds seemed to go through very quickly and it was all done and dusted before afternoon tea.

As Dozer Collins and Sue Turner worked out the results, Gloria Duncan and Angela Dent sorted out afternoon tea and everyone sat around munching on sandwiches, delightful slices had a cuppa and chatted.

President Dozer called the gathering to order for the presentation but first thanked Mick Munro who brought over the Ardlethan/Beckom Field and Game automatic rabbit (Bruce Dent reckoned rabbits cannot run that fast), Ron Spedding who sent his new "springing teal" trap down from Parkes, Laurie Redfern, Doug Murray and John Wason whose traps threw perfect targets all day.

Dozer also thanked Sue for her effort in the office and Gloria and Angela for their help during lunch and afternoon tea.

Doug Murray 52/100 found the long targets difficult but claimed the cartridges for winning C grade. Graham Duncan 76/100 shot consistent scores all day to take B grade and Allan Schirmer could not maintain his earlier scores but managed to win A Grade with a score of 77/100. Peter Rae seems to be a bit out of sorts with his shooting lately but claimed AA Grade 76/100.

Mick Munro, fresh from gaining points in the Field and Game state selection shoot the previous weekend claimed Overall 82/100.

But the biggest surprise of all was Brian Summer-Hayes who rarely shoots and as a visitor shot "targets only" and had a very commendable score of 88/100.

Mick Keirl Wins Single Barrel Championship at Mathoura

Mathoura Gun Club hosted four full squads of shooters for their February 2013 shoot, which included a 25 target Single Barrel Championship. It was a very hot and humid night, but that did nothing to deter the shooters, some who recorded excellent scores throughout the competition.

Deniliquin member Tim Maher, Cohuna member Greg Hipwell, plus Mathoura members Mick Keirl, and John Berryman all shot a clean round of 30/30 in the 10 target Points Score Cash Divide that was the first event, and all received a share of the 1st place cash.

A score of 23/25 was good enough to get three shooters to do battle for Overall in the 25 target Single Barrel Championship, and they were Mathoura's Roger Kerslake and Mick Keirl, and Cohuna's Greg Hipwell, Greg dropped his 29th target, Roger dropped his 37th target, and when Mick shot his 37th target he became the proud owner of the Overall Winners Sash, and the 1st place winner of A Grade. A score of 34/37 is a good result in

night single barrel competition! Cohuna member Aaron Lyons shot a 21/25 to claim 1st in B grade, and Mathoura member Thomas McClusky shot a 17/25 and that earned him the 1st in C grade trophy.

A 15 target Double Barrel Cash Divide was the last event for the night, and two shooters managed to hit all 15, they were Cohuna member Kelvin Simmonds, and Bendigo member Peter Akkermans, both on a 15/15 score and both sharing 1st place cash. Ned Collicot from Deniliquin shot one less, and his 14/15 score earned him the 2nd place cash.

With the shoot running smoothly all night, due in no small part to the shooters willingness to referee and score throughout the competition, the shoot, and even the presentations, were all over by the respectable time of 10.45pm.

CECIL PARK SKEET AND TRAP

Skeet – January 11

It was the first monthly Cecil Park Skeet comp for the year and thank goodness the predicted 40 degree-plus weather never eventuated but it was still quite hot. There was welcome cloud cover and some cool breezes.

A new 25 target handicap event has been introduced for this year but there were some

hiccups. In future the winner will be determined on count back over the next 75 targets of the 100 target Championship event.

The predicted hot weather kept the number of shooter down. Only 4 squads attended. Congratulations to the Overall Winner Peter Vella with 99/100. Congratulations also to the grade winners, John Guberina in AA, Ian Stewart in A, Jeff Martin in B and John Michel in C.

Thanks to Maria in the office, Vivian in the kitchen, Tony Hickman for setting the targets and to our Shoot Marshall Benny.

DTL – March

Twenty eight shooters braved the elements to compete in our monthly Trap shoot which was conducted in conditions of wind and occasional showers.

It was pleasing to see the attendance of some of our new members who were competing for the first time and producing very respectable and encouraging results. Most importantly was the willingness of these shooters to participate in helping with scoring.

Our program for the day was over 100 targets shot in two visits of 50 targets to two traps. Each visit was 25 targets double barrel and 25 single barrel, all shot off a common mark of 15m.

OA winner Joe Camilleri

Results for the day in all grades were close with only one shoot off required for overall and first place in AA Grade. The final outcome after ten targets was a win for Joe Camilleri with 103/110 from Luke Cassar 102/110.

Grade results were as follows: AA Grade 1st Luke Cassar 102/110, 2nd Peter Papps 92/100, 3rd Ziad Alameddine 91/100; A Grade 1st Carter Mathews 90/100, 2nd Louis Galea 89/100, 3rd Colin Hawkins 87/100; B Grade 1st Peter Shialis 91/100, 2nd Gerald Camilleri 89/100, 3rd Mitchel Sobol 88/100; C Grade 1st Pece Apolevski 86/100, 2nd Kristy Barlow 79/100, 3rd Nick Siljanovski 73/100.

Our thanks for the day must go to Louis Galea our Shoot Marshal. Maria and Steph in the office, our junior shooters for keeping the traps full and of course our resident Chef Vivian.

Our next shoot is on the 6th of April when we plan to change the format for the day and have a 25 target eye opener followed by a 75 target Champion of Champions, that is 25 targets double barrel, 25 targets single barrel and 25 targets points score. We may bend the rules and shoot this event from 16metres (instead of the normal 18m) to accommodate our new shooters. Again the noms for the day will be \$40.

TONY CALANDRO MEMORIAL

Sunday the 10th of March saw twelve full squads of competitors arrive at the Echuca Clay Target club to compete in the three, fifty target Events on offer, and to also remember with respect a very popular Shepparton based shooter, Mr Tony Calandro. Tony's sons and relations were all in attendance for this memorial shoot, a shoot sponsored by the Calandro family. The Echuca committee hope that the effort their members, including Helen Atkins and Dot Roberts, put in towards the shoot, in the presentation of the shooting grounds, and the elaborate afternoon tea, was deemed as at least satisfactory.

Sunday was again a very hot day, the eighth in a row in the high 30s, which did make it a little difficult for the shooters to remain concentrating on the job in hand, but at least with no wind at all; the targets flew very straight which did assist the scores to be high.

A 50 target, Tony Calandro Memorial Points Score Championship, was event one, and with a shoot off required it eventually became a battle with a junior shooter, Mitchell Iles, and Echuca club President, Stephen Atkins, Steve shot the score to 309/309 and

when Mitchell shot at his target he had to use a second barrel, reducing his score to 308/309. That one point up gave Stephen Atkins the Overall Winners Sash and the 1st in AA grade trophy. Mitchell collecting the 2nd in AA grade trophy for his 308/309 effort. That score of 309 relates to 103 targets shot single barrel, and that is extremely good shooting on such a hot day. Congratulations Steve.

Ron Traill OA DB with S Atkins

Event two, a 50 target, Tony Calandro Memorial Single Barrel Championship, and although their was not one shooter who managed to score a clean fifty shot, many managed to lose just one target. 49/50 was the scores of the shooters shooting for Overall and that soon reduced to just two, Hay NSW member John Duryea and

Echuca's Craig Fitzgerald, and when Craig dropped his 88th target and John shot his it was all over. John Duryea the Overall Winner and 1st in AA grade with an excellent score of 87/88. Craig taking out 2nd place in AA grade, with an end result of 86/88.

Fearful that with the quality of the shooters competing that the Double Barrel may go well into evening, the afternoon tea and the presentations, for event one and two, were all done at the conclusion of the Single Barrel, that was to give spectators, and double barrel shooters who did not score well, the chance to leave at an early time.

In event three, a 50 target, Tony Calandro Memorial Double Barrel Championship, a large number of shooters managed to score a 50/50 result, meaning that the shoot off was going to take some time to sort out. Eventually the shooters were moved back to the 18 metre handicap mark, and that, probably coupled with a very long hot day, saw some start to lose targets and drop out. In the finish it was the ex President of the Echuca Club, Ron Traill, who prevailed, shooting a 140/140 score to collect the Overall Winners Sash, and the 1st in A grade trophy. 2nd in A grade was another Echuca member Glen Rathbone who posted a score of 59/60 to receive his trophy.

The Overall High Gun was won by Mitchell Iles, who also won the Junior High Gun. Hay NSW member, Diarne Doyle, won the Ladies High Gun, and Bill Iles took home the Veterans High Gun.

Apart from the heat, all competitors agreed it was an excellent shoot, running smoothly all day, with an abundance of shot shells supplied as trophies by the Calandro Family, and with grade as well as Overall Sashes supplied, and also High Gun Sashes, the Presentation ceremony was very impressive indeed. All competition, and presentations, were finalised by the reasonably early time of 7.30pm.

RESULTS: Event One PS: OA & 1st AA S Atkins 309/309, 2nd AA M Iles 308/309, A 1st Alan Cole 177/183, A 2nd Bruce Hooper 176/183, B 1st Geoff Ervin 144/150, B 2nd Brendan Moroni 143/150, C 1st Robert Henery 128/150, C 2nd Anthony Calandro 129/153.

Event Two SB: OA & AA 1st J Duryea 87/88, AA 2nd C Fitzgerald 86/88, A 1st G Rathbone 49/53, A 2nd B Hooper 48/53, B 1st G Ervin 47/53, B 2nd N Calandro 46/53, C 1st Anthony Calandro 44/50, C 2nd Glen Beehag 39/50.

Event Three DB: OA & A grade Ron Traill 140/140, A 2nd G Rathbone 59/60, AA 1st & 2nd shared by C Fitzgerald & Ray Peatling 137/138, B 1st Jeff Hogg 49/50, B 2nd Vince Vigliaturo 50/52, C 1st Glenn Beehag 49/50, C 2nd A Calandro 47/50.

John Finn, Peter Haley, Les Aberley recognised for their dedication

L-R John Finn, Les Aberley & Peter Haley

At the March meeting of the NSWCTA Central Zone, three stalwarts of the Zone were recognised for their contributions to clay target shooting & more specifically, our Zone. These gentlemen are well respected within the Central Zone & beyond & have dedicated many years (more than 50 years collectively) toward the advancement of our sport.

John Finn stood down from the President's position at the Zones last AGM – he remains on as Vice President for both, the Central Zone & the NSWCTA, as well as Delegate for the Cowra Gun Club. John had served as President for more than ten years & his commitment to the sport has been substantial. John has provided strong leadership & can be relied upon to be of assistance or to provide guidance. He is extremely supportive to 'new' shooters, especially juniors. John would regularly visit each club within the zone, this was important to him as it provided a way of touching base with everyone. This was appreciated by all the Clubs. The Central Zone is very happy that John will remain on as one of our Delegates to the NSWCTA.

Peter Haley resigned from his position as Zone Delegate to the NSWCTA after having served close to twenty years in the role. He remains as the Club Delegate for the Bathurst Gun Club. Peter is well known as a former Vice President of the ACTA & for the support that he has provided to both bodies – he is currently seconded to the ACTA's Grounds Committee. Peter is held in high regard & respected by many. His strong sense of balance & moderation should be an example to us all. Peter is extremely knowledgeable in regards to procedures & responsibilities. The Zone is grateful that Peter will remain on & be able to benefit us with his knowledge & guidance.

Les Aberley also resigned as Zone Delegate to the NSWCTA. At the risk of standing corrected, he would have to be our longest serving representative – he has been serving the Zone for 25 years. Obviously, this is an amazing contribution & shows true dedication to the sport. Les has long been a 'voice' for Skeet shooters & has represented them well – it is easy to think that DTL is the only discipline & it is hugely important to have men like Les to remind us all that the other disciplines need our attention also. Les is recognised by all as a true gentleman & continues in the role of Bathurst Gun Club's President. His presence will be missed from our meetings, although he has assured us that he will continue to attend from time to time.

The NSWCTA Central Zone respects the decisions made by John, Peter & Les to reduce their administrative roles within our sport & more directly our Zone. Perhaps they will now get to concentrate on their own shooting & enjoying what attracted them to the sport. We are grateful that they will all continue to provide us with the benefits of their expertise. Their many contributions, both as a group & as individuals have been extremely significant. These men should serve as an example to us all & represent values to which we all should strive.

MERSEY'S 2 DAY SHOOT

76 shooters attended the Mersey Clay Target Clubs shoot on 19th & 20th January, we would like to thank them for their support and participation. It was great to see so many mainland competitors in attendance. On behalf of the members I would like to offer our thanks and gratitude to all our sponsors from Kalgoorlie in Western Australia for sponsoring the events for the weekend.

With over \$5000 in prizes and sashes on offer competitors were keen to try their luck.

Saturday 19th the first event was the 50 Target State Single Barrel Continental C/ship which was sponsored by MCS Dewatering, unfortunately Stefan Colaguiuri was unable to attend, Richard Whiteley presented Sashes & prizes on his behalf. The date is June 1985. PERTH NATIONALS.

● A.J. (Chub) Smith is all smiles as he accepts his Presidential Medal from Roy Holtfreter.

Targets sponsored the Grade Winners trophies in this event. Email kindly donated the trophy for the High Gun of the Ladies International Team.

This was an impressive list of sponsors, thank you to all for your support.

The Trap Nationals were wound up with a barbecue, enjoyed by many far into the night.

Next year it's Melbourne gun Club, April 5 to 10.

● The victorious South Australian Team in the Interstate Shoulder to Shoulder Match. L. to R. at back: Executive Committeeman Brian Growden, Craig Bentley, Brian Thomas; front: Denis Lynn, Dino Oliviero and Trevor Reschke.
