Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "*most*" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

ACTA National Double Barrel Championship 2012 – 995/995

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

National President's Notes

Firstly congratulations to Laetisha Scanlan for her recent World Cup win where another Australian, Catherine Skinner came second. It is a while since we have had two Australians on the podium in the same international ISSF event. Well done ladies. Congratulations to Darryn Nicholls for his High Gun win in Perth at the Trap Nationals with an all time record score. It may seem a bit late but we just couldn't fit anymore of Darren in the last magazine.

The Association recently bestowed Life Registered Shooter status on two former Executive members of long standing. Unfortunately neither was in attendance at the Hall of Fame dinner in Perth and so the awards

were presented to Past President Mr. John Mack, and former Chairman of Grounds, and Finance Mr. Dennis Harwood at the QCTA Hall of Fame dinner in front of a crowd numbering 170. The awards were made in recognition of the many years of voluntary service to your Association by these two gentlemen. Congratulations John and Dennis. Congratulations also to Mr. Robbie Smith this year's Presidential Medal recipient for his selfless contribution to our sport over many decades, including as an Executive member, and numerous other senior positions.

The Association hosted an ISSF forum at the Melbourne Gun Club on Sunday the 12th of May during the Victorian ISSF State titles. The forum was well attended and the ACTA was represented by Mr. Rob Fox, Mr. Ron Traill, Mrs. Elaine Forward and myself. The Chief Executive Officer of Australian International Shooting Limited (AISL) Mr. Damien Marangon, and the newly appointed High Performance Manager of AISL, Mr. Tim Mahon were also in attendance. Outcomes from the meeting included the election of Mr. Tom Turner, Ms Suzy Balogh, Mr. Eric Bullmore and Mr. Craig Henwood to a pool of shooters reps. These people are now available to ISSF shooters to discuss any ISSF matters they may wish to have raised with the ACTA International Shooting Committee (ISC). The ISC will now co-opt one of the four reps onto the committee as the shooters representative and also as the shooters rep to AISL. The ACTA is now preparing a submission to AISL on matters such as the AISL selection processes, Australia Cups, and self-funded spots to overseas competitions.

The ACTA was also represented at the AISL members forum on Saturday the 11th of May, by the same executive members.

A representative from the Australian Sports Commission gave a forceful and blunt presentation to all affiliates of AISL. This address included new mandatory requirements for transparency, financial reporting, conflict of interest, and government expectation of any National Sporting Organisation, such as AISL, regarding return on investment — put simply Gold medals at events that count. Events that count are described as events conducted in the Olympics. It appears the landscape is changing significantly, and likely not for the better. AISL has had its funding increased by \$100,000 this year, but this is now being reviewed annually.

I must thank AISL for changing the venue of its Board meeting to allow ACTA to host the ISSF forum and allowing their senior staff to attend. Thanks also to the Executive members who have so recently returned home from the Trap Nationals in Perth for making the time to attend both meetings. Some of them are now backing up at the end of the week to attend the Skeet Nationals and an ACTA Board meeting on the 23rd of May.

The success of the Trap Nationals in Perth has raised quite a few questions that I thought should be aired for members' consideration and comment. The total attendance, bolstered by almost 200 West Australians was larger than 5 of the last 10 Nationals at Wagga Wagga. This poses the question — Wagga Wagga was established as a National Ground because it was in the centre of the largest population of shooters in the country. However the events at Wagga Wagga are not well supported by this group, all within four hours travelling distance. Attendance at the Nationals at Wagga Wagga has not increased even though we have invested heavily on facilities in recent years. Why is this? Should this emerging trend affect our judgment on future investment on the grounds?

Campers were allowed for the first time in Perth for many years. This required much work on the part of the organisers to get the required approvals and provide adequate facilities. Many clubs facilities are now being overloaded with campers and in at least one instance recently the main power supply was fused totally and had to be repaired at the clubs cost of \$3500.00. Campers now have much larger and better equipped camps, vans etc, and are spending less time and money at the clubs bar and kitchens. Many clubs have been upgrading facilities for campers and this is great but it comes at a huge cost. Clubs seem frightened to ask for a camping fee at their larger events. We all need to consider this growing trend in light of the greatly increased costs associated with more campers and the reduction in income to clubs due to the campers' self-sufficiency.

The Double Barrel shoot-off was let run to its conclusion under normal Double Barrel rules and I accept full responsibility for that decision. Once the previous record was passed, the shooters were advised that presentations on Saturday night would be at 5-30 after which time we would be concluding the event under lights that evening. This did not eventuate as the event concluded prior

Continued on page 2

National President's Notes

Continued from page 1

to the presentations. The way Adrian Cousens and Ron Trill ran the shoot-off did not inconvenience any other competitors, it allowed the existing record to be challenged and eventually broken, and provided a solution to finishing the event on the Saturday. Perhaps in the future we should plan to let the shoot-off continue giving competitors the opportunity to challenge the record, until the Saturday evening and then use either lights or distance to finalise the event. Many believe targets need to be set harder, with some saying that is the real issue. Others say when did the majority of shooters last break 50? So they are difficult enough for most, and its only one event a year.

The opening day of the Trap Nationals with the Handicap in the evening is always a battle for time. It has been suggested that the Pre Nats could either start on

the Friday or be limited to one day and then host the Opening on the Sunday at around 10-00am, shoot the teams matches, followed by a free afternoon tea courtesy of ACTA and then have numerous traps open for practice that afternoon. This would make for a pleasant day with no pressure and time to catch up with people in a relaxed atmosphere. The Handicap would then start on the Monday morning at our normal event start time. Food for thought?

We welcome comment on any of the above.

The Executive meeting is to be held in mid-June and I am yet to decide if I will stand again as your President, and of course I might not get re-elected if I did anyway so this is possibly my last column as President. Thanks to all the great people I have met and for the support and help I have received over the last three years.

Regards,

Robert Nugent

Executive Officer's Report

It is a busy time in the National Office with three of the National titles already concluded for the year and I must say it is good to be back in the thick of it.

Congratulations to Laetisha Scanlan, Catherine Skinner and Darryn Nicholls on their recent sensational performances.

With the World Trap Championships proposed for the National Ground in 2018 there is a great deal of work to be done to ensure we present the ground and the Association in the best possible way on the world stage. I would like to think every member of the Association will support this as our medium term goal leading into the event. We will be seeking volunteers to assist with many aspects of the event and lead-up to it. More details will be forthcoming on this subject in the near future.

The next CTSN issue will see an article in relation to insurance. This is an ongoing education process, however this is one of the most serious issues in sport today. We cannot afford to get it wrong. If in doubt about insurance issues please contact the National Office.

The NATIONAL EXECUTIVE – How it works and its importance.

The National Executive will meet from the 20th – 22nd June. It is essential that Clubs, Zones and States, through appropriate channels, contact their delegates prior to the meetings to have items added to sub-committee agendas. This process is in place to assist delegates to the National Executive to be able to work

through the enormous amount of decision making necessary during those days.

Sub-committees are: Finance/Board, Coaching, International Shooting Committee, National Championships, Promotion & Development, National Ground Complex, Rules Committee, Legal & Governance. These sub-committees meet prior to the full Executive meeting to discuss recommendations that have been put forward. Once agreed upon they are submitted to the National Executive as recommendations, before final approval, with amendments made as necessary.

The National Executive has a very important role to play in leading the ACTA. Whilst all members of the Executive are State based it is important to look at the big picture. All decisions of the Executive need to be carefully evaluated before changes are made. The last question before implementing items put forward should be IS IT IN THE BEST INTERESTS OF THE SPORT?

The structure of the National Executive is that of a management role through sub-committees. It is reliant on those sub-committee members to do some of the work required.

Sub-committee members will be determined at the June National Executive meeting for 2014. These positions require a dedication to the sport, not just in passion but in business acumen. These positions are very demanding and require enormous time dedication.

Election of the Board is determined by the members of the National Executive. This elected Board has delegated powers to conduct the business of the ACTA as per the Constitution.

Tony Turner

Victorian 2013 State Skeet Carnival

MELBOURNE GUN CLUB, FEBRUARY 7 - 10

The 7th, 8th, 9th and 10th of February saw approximately 95 of the best shooters in Australia, the biggest attendance in 20 years, converge on the beautifully manicured Melbourne Gun Club to compete in the 2013 Victorian State Skeet Carnival. For the first time ever, the event was to run for 4 days and included the 28 Gauge State Title and the .410 State Title on the Thursday. With great weather predicted and much anticipation in the air, old and new friends were excited to get proceedings under way.

Thursday the 7th of February was a hot day with little wind and ideal conditions for shooting. The 50 target 28 gauge State title kicked off in the morning and it was clear early that the competition was going to be fierce! Possibles were posted by Michael Buttigieg, Laurie Durham and Nick Aird. The shoot off for overall commenced with Nick dropping out early leaving Michael and Laurie to battle it out. Into the 2nd round of the shoot off, Laurie dropped high 6 in the doubles and Michael Buttigieg claimed the overall with a score of 93/93.

Michael Buttigieg 28 gauge winner

Overall: Michael Buttigieg 93/93; 1st AA: Laurie Durham 92/93, 2nd AA: Nick Aird 55/56; 1st A: Pat Dury 49/51, 2nd A: Trevor O'Connell 48/51; 1st B: Bill Hine 44/50, 2nd B: Tracey Ashton 51/60; 1st C: David Vize 45/50, 2nd C: Peter McWilliam 40/50; Ladies: Jacqui Durham 49/50; Veterans: Pat Dury 48/50; Juniors: Eddy Elder 48/50.

The second event on Thursday was the 50 target .410 State title. While no possibles were shot,

Nick Aird winner .410

Queensland boys Nick Aird and Mark Fanning both went one down to finish on 49/50. The shoot off was a brief one, with Mark dropping High 1,

leaving Nick to step up and win the overall.

Overall: Nick Aird 50/51; 1st AA: Mark Fanning 49/51, 2nd AA: Laurie Durham 48/50; 1st A: Brendon Pearson 48/50, 2nd A: Terry Marsden 44/51; 1st B: John O'Sullivan 44/50, 2nd B: Sim Hee Neoh 43/50; 1st C: Peter McWilliam 37/50, 2nd C: Maureen Lococo 31/50; Ladies: Sarah Bennett 42/50; Veterans: Laurie Chelepy 45/50; Juniors: Eddy Elder 42/50.

After the brilliant displays in the mini gauge titles, Friday the 8th promised to be another spectacular day of shooting. Conditions remained perfect for the first of the High Gun events and the 50 target 20 gauge State title was commenced early. 50's were posted on the board by Nigel Hughes, Hayden Mountjoy, Michael Buttigieg, Glenn Clarke, Peter Vella, Adrian Cousens and Steve Vaccaro. The shoot off promised to be a good one with such talent shooting possibles. The first round

Hayden Mountjoy 20 gauge winner

saw Peter, Steve, Glenn and Nigel all bow out. At the 103 target mark, Adrian dropped high one and also left the battle. With just Hayden and Michael remaining, the two showed amazing ability by smashing a 200 break. The eventual winner, shooting a phenomenal 208/208 was Hayden Mountjoy, a score which also makes him the current 20 gauge long break holder for 2013.

Overall: Hayden Mountjoy 208/208, 1st AA: Michael Buttigieg 207/208, 2nd AA: Adrian Cousens 102/103, 1st A: Rodney Kneipp 75/76, 2nd A: Brendon Pearson 74/76; 1st B: Geoff Pearson 46/50, 2nd B: Chris Hughes 63/68; 1st C: David Vize 45/50, 2nd C: Peter McWilliam 44/50; Ladies: Jacqui Durham 49/50; Veterans: Paul Kouroupis 49/50; Juniors: Eddy Elder 61/62.

With the amazing shooting of the 20 gauge concluded, the 50 target Handicap event was the next to be competed. The initial 50 was shot, 6 squads of shooters remained in the event and the shoot off commenced. After the first round, we were down to 3 squads, and after the second round 2 squads of shooters remained. The third round of shoot offs lost another squad, and at the start of the fourth round, just 6 shooters remained: Tom Laber (B3), Clyde Bennett (B3), Bruce Baker (B3), Danny Sajn (B2), Peter Vosper (AA0) and Lorraine Hughes (AA0). The first to go was Clyde, and the top 5 placings were left to be decided. Bruce was next to go in fifth place. The remaining 4 shooters finished the fourth round which took them to 150 targets and prepared for the fifth round. Tom was the first to go on high 2, and finished in fourth place. Next to

Peter Vosper Handicap & 12 gauge winner

drop out was Danny, who let low 2 go and finished in third place. With just two shooters remaining, Peter and Lorraine, the battle continued until Lorraine dropped low

6, leaving Peter Vosper to take the overall. An exceptional effort from all shooters, but a special mention must be made to both Lorraine and Peter, who both went into the handicap as AA0 and shot the event clean.

Overall: Peter Vosper 166/166, 2nd Lorraine Hughes 165/166, 3rd Danny Sajn 151/156, 4th Tom Laber 148/155, 5th Bruce Baker 126/133, Ladies: Lorraine Hughes 165/166; Veterans: Clyde Bennett 121/127, Juniors: Eddy Elder 58/59.

Saturday the 9th was another lovely day for shooting and everyone was ready and raring to go. The quality of shooting was again obvious with 100's being shot by four shooters: Peter Vosper, Lorraine Hughes, Adrian Cousens and Eddy Elder. The overall shoot off began, with Eddy the first to bow out on station 2, followed by Adrian on station 3. A repeat of the previous event, Lorraine and Peter were left to fight it out for the overall. Both shooters were clean to station 6, where Peter dropped the single low 6. But so did Lorraine! Peter stepped up to shoot his repeat and finish the station clean, but Lorraine let low 6 in the doubles go, which meant Peter claimed his second overall in a row.

Overall: Peter Vosper 117/118; 1st AA: Lorraine Hughes 116/118, 2nd AA: Adrian Cousens 108/109; 1st A: Justin Hayden 98/100, 2nd A: Max Oakley 96/100; 1st B:

Continued on page 4

Bruce Baker 94/100, 2nd B: Chris Hughes 93/101; 1st C: Shaun Silver 89/100, 2nd C: Greg Miller 88/100; Ladies: Lorraine Hughes 100/100; Veterans: Peter Vosper 100/100; Juniors: Eddy Elder 100/100.

With the 100 target event concluded, the postal teams were to be shot, and the shoulder to shoulder teams to be decided.

Postal HG
Michael Buttigieg

Open postal team: Michael Buttigieg (High Gun); Eddy Elder, Adrian Cousens, Steve Vaccaro, Barry Moss, David O'Sullivan, Laurie Durham, Ben Garraway, Paul

Johnston, Hayden Mountjoy, Max Oakley, Fab Francione, Todd Pickering, Glenn Clarke, David Jackel.

Open Shoulder to Shoulder team: Eddy Elder, Adrian Cousens, Michael Buttigieg, Laurie Durham, David O'Sullivan.

Ladies postal team: Jacqui Durham (High Gun), Katie Light, Linda Watson, Alison Farish, Leonie Johnston, Maureen Lococo.

Ladies Shoulder to Shoulder team: Jacqui Durham, Katie Light, Linda Watson.

Junior postal team: Eddy Elder (High Gun), Christian Lagos, Jake Beveridge, Nick Johnstone.

Junior Shoulder to Shoulder team: Christian Lagos, Jake Beveridge, Nick Johnstone.

Veterans postal team: Chris Hughes (High Gun), Jim Turner, Clyde Bennett, Bill Hine, Gabriel Lagos.

Veterans Shoulder to Shoulder team: Jim Turner, Chris Hughes, Clyde Bennett.

The open team High Gun was shot off between Michael Buttigieg, Dave O'Sullivan, Laurie Durham, Fab Francione and Glenn Clarke who all shot 50. Fab and Glenn dropped out in the first round, and Laurie exited after shooting the 100 and into the third round of the shoot off. Both Dave and Michael shot four rounds clean, but bad

light caused the shoot off to be postponed until the next day. Both shooters agreed to continue the shoot off in conjunction with the first event on Sunday, and Michael was the winner with Dave dropping high 4. Special mention to Dave whose efforts over the 100 tgt event, the postal team shoot, postal team High Gun shoot off and the champ of champs event gave him a break of 305 – the current 12 gauge long break for 2013.

Sunday the 10th was a cooler day with a little wind but still great conditions for skeet. The 50 target Champion of Champions was the first event of the day. The Champ of Champs is shot 25 targets 12 gauge and 25 targets 20 gauge, with all shoot offs to be shot in 20 gauge. 6 possibles were

Justin Hayden
winner Ch/Ch

recorded by Barry Moss, Michael Buttigieg, Nick Aird, Justin Hayden, Craig O'Neill and Terry Marsden. Terry, Craig and Nick all dropped out on station 1, and Michael bowed out on 2. That left just Barry and Justin in the shoot off. Barry dropped low 4 which left Justin to win his very first overall State title!

Overall: Justin Hayden 62/62; 1st AA: Barry Moss 61/62, 2nd AA: Michael Buttigieg 55/56; 1st A: Terry Marsden 50/50, 2nd A: Trevor O'Connell 53/54; 1st B: Tracey Ashton 48/50, 2nd B: Luke Ralph 49/52; 1st C: Maureen Lococo 45/52, 2nd C: Nancy Badewitz 44/52; Ladies: Lauryn Mark 51/52; Veterans: Jim Turner 49/50; Juniors: Eddy Elder 49/50.

The last event of the 2013 Victorian State Skeet Carnival was the 50 target Skeet Doubles. With the wind coming up the conditions were a little trying, and no possibles were posted. 6 shooters showed exceptional skill to go 1 down with 49/50: Leigh Roberts, Shane O'Brien, Michael Buttigieg, Eddy Elder, Benn Baker and Ben Garraway. After 7 stations, only two shooters remained, Michael and Eddy. Just two stations later, Michael dropped out leaving Eddy to claim his second overall

Eddie Elder
winner Doubles

Silva 48/50, 2nd A: Trevor O'Connell 52/56, 1st B: Nando Praino 46/50, 2nd B: Sim Hee Neoh 45/52; 1st C: Steven Marcon 42/50, 2nd C: Greg Miller 41/56; Ladies: Lorraine Hughes 46/50; Veterans: Laurie Chelepy 46/50; Juniors: Eddy Elder 49/50.

With all of the events of the Carnival shot, the only thing left to decide was the High Guns.

The Overall High Gun was won by Eddy Elder on 297/300. An amazing display of skill and poise over the entire weekend made Eddy the first junior to ever win this title. A huge congratulations to Eddy for his fantastic shooting and attitude.

Eddie Elder

Brendon Pearson and Christian Lagos, all on 283/300. After the 14 target bracket was completed, Christian Lagos was the eventual

Victorian State doubles title.

Overall: Eddy Elder 67/68; 1st AA: Michael Buttigieg 66/68, 2nd AA: Leigh Roberts 62/64; 1st A: Pedro Da

winner after shooting all 14 targets and finishing on 297/314.

The B Grade High Gun was won by Bruce Baker on 274/300. Bruce had a definite break out weekend, moving up to A grade and consistently shooting well in all events.

The C Grade High Gun was also decided with a shoot off between Steven Marcon and David Vize on 247/300. At the end of the 14 targets, Steven Marcon was deemed the winner with a score of 259/314.

The Ladies High Gun was won by Lorraine Hughes on 291/300. Lorraine had a fabulous weekend as always, featuring in more than one overall shoot off and proving once again that she is up there with the best shooters in the country.

The Veterans High Gun was won by Laurie Chelepy on 288/300. Laurie is a favorite on the skeet grounds and proved once again that he is still a wonderful shooter and a great asset to our sport.

The Junior High Gun was also won by Eddy Elder

Champion of Champions at Kempsey

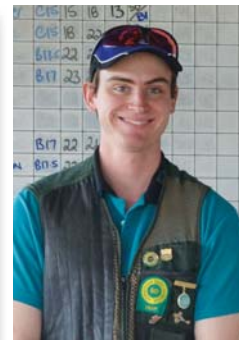

As my wife and I motored to the Kempsey clay target club for the April monthly shoot, the weather appeared to promise to be a perfect day. Clear blue skies, a very little breeze with the temperature around 22c to 23c degrees. How spoilt is this bloke, I hear you mumble, he has his wife drive him to shoots. But no, as we are all aware, shooting sports can be participated by person young and old, male or female and clay target shooting is no exception. My wife was driving me to the shoot because she is an active shooter. But I digress, the weather gods were not smiling on us that April Saturday as by lunch time it had turned decidedly cold and quite a brisk breeze was blowing straight into the shooters faces. This of course was making the targets dance around a bit, but shooters are a resilient lot, and the cooler, windy weather only induced them to shoot hotter scores.

Kerry Miller again took out the High Gun for the day/night shoot. This is becoming a habit Kerry. I am not sure if it is the new high rib on his gun or the coaching he gets from his wife, but Kerry is certainly on fire at the moment. The shoot was a day/night, 25 target double barrel, and 75 target Champion of Champions for the day component and also 10 target double barrel and 50 target points score, for the night shoot. Brad Hooper took out the Champion of Champions section of the shoot.

There were 17 shooters for the day shoot and 11 shooters for the night shoot so the events were completed quickly. There were no complaints as the canteen ladies, under the watchful eye of Robyn, once again put on a very fine afternoon tea and evening meal. I have recorded the Champion of Champion event winners at the end of this report and the complete list of grade places are shown in the monthly competition list. I would just like to mention that our long time president, Ted, is back on deck after being on the sick list. He did not take long to get back in harness as he organised to have master trap technician, Fred Rapley, come to the club and carry out routine maintenance. Whilst there Fred and Ted instructed half a dozen of our members on trap maintenance and how to carry out

Margaret Burke with Ted Baker

Julian Booth

minor repairs as well as how to set up the traps for the various forms of competition. We should now be well placed to have any breakdowns, all though rare on our traps, attended to in quick time. Also by the time you read this a working bee will have been held to construct a new internal fence on the club grounds. Our thanks to all those who participated in both the instruction day and attendance at the working bee. The Kempsey club is certainly making great strides in up-grading the facilities and grounds, and a little bird told me that renovations of the office could be next on the "to do" list.

Now to the Champion of Champion winners, Overall winner was Brad Hooper. AA Grade, 1st Kerry Miller, 2nd Steve Saul. A Grade 1st Margaret Burke, 2nd Julian Booth. B Grade, 1st Bill Neil, 2nd Denis Joel. C Grade, 1st C Crighton, 2nd Michael Carter. Don't forget the Inaugural Kempsey Two Day shoot on 21st and 22nd September. Bring the family and spend some time on the beautiful North Coast.

Victorian 2013 State Skeet Carnival

Continued from page 4

on 297/300. As mentioned above, Eddy is really a bright light in the future of our sport and continues to be a fabulous role model to juniors and open shooters alike.

With all the High Guns decided, that concluded the 2013 Victorian State Skeet Carnival.

I'm sure I speak for all of the participants when I send a massive thank you to the VCTA, the Melbourne Gun Club and everyone who helped out over the weekend, particularly Paul Johnston, Laurie Durham, Leonie Johnston, Christine Durham, Blake Slater and Roger Esplin who ensured the shoot ran

smoothly from start to finish.

Thanks must also go to Sheralyn and Georgia for their wonderful work in the office, Stephanie Manley for her wonderful photos, all of the kitchen and bar staff, the trap boys and all of the referees and scorers.

A big thank you to the ASSA web-master Ivan Spiller for updating the scores and also anyone else who I may have forgotten.

And finally, a huge thank you to all of the shooters for coming to Melbourne Gun Club, especially all of the travelers for making this weekend another brilliant Victorian State Carnival.

Attention all Rules Supervisors and Handicappers

Due to much confusion among secretaries, handicappers, rules supervisors and State Associations as to when regrading should take place and to have all handicappers using the same process the consensus is:

Once a shooter has shot 200 or more targets his card will be ruled off and his percentage calculated. This may happen during the course of the day.

Should his grade increase or decrease this will not take effect until the end of the days shooting. This means his grade will not change until the following day.

Below is Rule 2.01

HANDICAPPING/GRADING

SECTION 2

2.01 COMMON MARK AND HANDICAP SHOOTING

- (a) All appropriate 15 metre scores (common mark) shall be recorded for percentage performance classification irrespective of how the event is run.

Note: All targets that are shot under 15 metre (common mark) competition conditions to be entered on the ACTA shooters record card – with the exception of Eye Openers (maximum of 10 targets), Double Rise, and those shot Targets Only.

- (b) (i) A graded event is a competition common mark shooting event in which all the competitors shoot from the same mark and prizes are allocated for various grades of competitor.

(ii) A graded meterage event is where a shooters grade is used to determine a mark from where all shooters in that grade shall compete, e.g. AA Grade may shoot from 21 metres; A grade from 19 metres, B grade from 17 metres and C grade from 15 metres. Scores shot in this event shall not be recorded on a shooters handicap card.

- (c) Shooters shall be graded into four grades by their percentage performance over all standard targets fired upon in 15 metre competition day or night, including shoot-off targets, with broken targets to count in Double Barrel and Pointscoring events. Results in events shot from other than 15 metres shall not be included. (Except as in sub-section 2.01(h)).

- (d) Clubs shall have the option of running all Championships other than State or Commonwealth Championships either as graded events or as one class events.

- (e) Grades shall be: AA 97% and over; A 94% and under 97%; B 87% and under 94%; C under 87%.

Note: Club Managements have the option of shooting D Grade under 80%.

- (f) Shooters failing to produce their ACTA Score Book at competition shoots shall pay a \$20.00 penalty fee to the club.

- (g) Club Managements have the option of running common mark events OA, AA, A, B, C; AA, A, B, C; First, Second, Third; or by combining, AA & A or A & B or B & C grades.

- (h) It shall be the responsibility of a designated club official to enter individual event scores and progressively mark the shooter's card with his 15 metre results. After each 200 targets double barrel regrade the shooter if necessary. Double Barrel scores will be transposed for any better scores from the other events column of near equal target amounts. (this being a maximum difference of plus or minus 10 targets) i.e. Continental and Single Barrel.

If the 200 targets fall during an event or shoot-off, regrading will not take place until the completion of that event. All targets to the end of that event and shoot-off targets are to be used in calculation of percentage.

Once 200 or more targets have been shot at and recorded and after the substitution of any bad scores, the percentage shall be calculated.

Regrading and re-handicapping shall not take effect until the end of a day's shooting

- (i) A shooter must shoot a minimum of three (3) consecutive groups of 200 targets, i.e. 600 targets, at a lower grade percentage to be downgraded. He can only be downgraded one grade at a time. All scores after the last grading must be carried forward onto a new record card. Other than in the authority vested in Rule 2.04(g).
- (j) Shooters awaiting the issue of a card after registering for the first time shall be allowed to enter in any competition. Scores shot during this period must be kept and entered on his card when received.
- (k) If a shooter has lost his card he shall be allowed to compete providing he is registered with the ACTA. He shall be allowed to compete in his grade in common mark events and shall be allowed to compete in handicap events from the mark he claims to be his correct handicap mark. Should he win prize money or trophies they must be retained by the club until such time as the shooter presents his card to the club for marking.
- (l) Should it be found that the shooter has claimed the wrong handicap mark or grade, the Club shall advise the State Association so that the matter may be investigated. If it is determined that the shooter deliberately misled the Club Management regarding his grade and/or his handicap, the shooter may be suspended for a period of up to three (3) months.
- (m) A shooter must not shoot in a grade higher than his best performance. Once having attained a grade he may elect to remain in that higher grade when due for regrading. If he so elects he must remain in that grade for the next three groups of 200 targets. If the shooter so elects his card must be marked to indicate such. E.g. Prefer A grade.
- (n) Managements conducting graded common mark events shall provide a minimum of one prize or trophy for each grade.
- (o) All wins shall be recorded with a OW (overall) or GW (grade) beside scores on handicap cards.
- (p) Any shooter re-registering after a period of non-registration shall be placed in the same grade and handicap as when he was last registered.
- (q) A shooter registering for the first time shall be graded on the first 50 double barrel targets. These 50 targets will then become part of the first 200 targets for grading purposes. Newly registered ACTA shooters with experience and grade classification in other shotgun codes (e.g. Field and Game) shall for the first 200 targets shoot at the highest grade attained in that code.
- (r) Upgrading of shooters after 200 targets is limited to one grade at a time.
- (s) No shooter will be regraded or re-handicapped until the completion of competition on that day.

A Body Day at Bega Gun Club

No, it's not what you think it's just that Club President, Phil Body had such a good day at Sunday's shoot, it seemed fair to dedicate the day to him.

Twenty-nine shooters arrived at the Tarraganda grounds for a three event program, consisting of 25 target single barrel, 25T Continental and 50 target ball trap. Conditions were fine and the grounds looked a picture thanks to the hard working volunteers who set up.

The 25T single barrel started pro-

ceedings. Phil Body started well to win AA Grade 25/25 with second going to Charlie Smith 32/33 after a shoot off. Cooma visitor Steve McIntyre collected 24/25 targets to win A Grade from Tony Gray on 24/28. A couple of our senior shooters featured in B Grade with Ray Kearns on 24/25 winning from Brian Smith 34/38. Colin Brownlie shot well to win C grade 24/25 from Mick Diss, 21/25.

25 Targets Continental followed the single barrel, warming up the competitors for the ball trap to follow. Once again, Phil Body cleaned up the lot for a 25/25 win

*B Grade winner 25T single barrel

in AA Grade, with Chris Rowland taking out second with a score of 37/38. A grade was won by Shane Platts after a shoot off with second place getter Steve McIntyre, Shane winning with 26/28 to Steve's 25/28. The Club's elder statesmen, once again featured in B Grade, with John Seide winning 24/25 and Bert Deacon second on 28/31. Junior, James Body, showed good form to win C Grade, 23/25, from Alex Wedutenko, 19/25.

The main event of the day, the 50T ball trap saw a continuation of Phil's fantastic day when he took out A Grade with a score of 48/50, to win from Charlie Smith

on 46/50. B Grade was won by Chris Rowland with a good score of 43/50 with Brian Smith picking up second 39/50. C Grade went to Craig Field who shot a creditable 41/50 targets, with Dick McInnes taking second 41/55.

High Gun went to Phil. A very consistent effort, over three different events, saw him drop only two targets for the day, finishing with 98/100. Well shot. John Gray was once again kind to the treasurer, letting her keep the money and instead accepting the meat tray. Don't forget we have a practice on the third Sunday of each month from 2.00 till 5.00

TOP END BUSH SHOOT

The Top End Gun Club Incorporated held their Annual 60 Target Novelty Bush Shoot on Sunday 12th May 2013.

Our major sponsor for the day once again was Cummins South Pacific who have been supporting our club for over five years now and again donated four portable generators for our major prizes on the day.

The day started off well with 25 shooters stepping to try their luck at winning one of the four generators and cash prizes on the day.

Top Gun for the day went to Craig Herbert with an excellent score of 51/60.

A grade required a shoot between Nathan Vale and Colin McTaggart each with a score of 50/60. After a short shoot off Nathan came out in front to take out A grade. B Grade was taken out by Tim Lloyd with a fine 50/60 with Garry Mills coming in second with another fine score of 49/60. C Grade was won by Dave Howe with a score of 44/50 and second was Casey Spanner with a score of 40/60 which was pretty good for a first up effort in trying his luck at our bush shoot layout.

The TEGC would like to thank our sponsor Cummins South Pacific for their continued support of our club as their support not only helps our club financially but also helps promote the sport of clay target shooting in the Northern Territory.

The competition went very well with all shooters enjoying the challenge of the layout provided on the day. The committee would like to thank everyone who assisted in the setting up and packing up of the equipment and to all competitors who competed on the day.

WAGC – McWhirter 500

Well, there goes another McWhirter 500 for this year, and once again many thanks to Neill McWhirter for his generous support of this event, he has done so for the last 5 years and we greatly appreciate it.

Conditions were quite warm on Saturday, with Sunday being slightly cooler but much more humid and overcast.

Numbers were down on previous years, but there was certainly no shortage of competition.

This was a great event for those who attended as we had the opportunity to do some preparation for the upcoming nationals here next month.

As well as the usual great performances from the people we expect to do well, we had some great personal best performances, this was evident by the number of regrades at the end of the event.

I was lucky enough to shoot in the squad with Stuart Wardle, who started the event in B grade and, following a very strong performance, which saw him achieve a 150 break, saw him re graded to A. I doubt it will be long before we see him in AA grade!

Also worth a mention, Frank Mammone, who came in as a relatively new shooter to DTL in C grade, he managed to win the High Gun for that grade, as well as 1st in all 3 events. As you guessed, now in B, not long before we see him in A grade I am sure.

It was also great to see Ollie McPartland return to form, winning his shoot off with Carsten Bager for second place in the Points Score event. The overall winner being Terry Hearn with a magnificent 299/300.

It was also good to see Neill McWhirter win back some of his sponsorship by taking 1st place in AA for the single barrel event with a 97/100, another great performance.

Welcome to Lynne Curtis who made the trek from the east coast. Lynn didn't go home empty handed taking out second place in AA for the double barrel event. Lynn was seen earlier on in the day with another local shooter sporting the latest in ammo pouches, designed for the

supremely confident shooter, holds only 25 shells. I guess you only need 25 for the round.

A win for the dads with Phil Hart beating his son Connor in the point's event by 1 point. Connor who is AA grade shot well but dad managed to beat him in the one event. Phil also shot well enough for a regrade. Connor went on to win the Junior High Gun.

A blast from the past, Joe Puglia returned to form also, Joe, with his unique shooting style shot

well over the two days seeing him being regraded from A to AA. Great effort Joe.

High Gun winners for the event were as follows:

Overall, Carsten Bager winning over Josh Fleay by just one point, Ladies was won by Shirley Hocking, Veterans High Gun won by Lars Bager ahead of D Neale. Lars admitted that whilst he has many sashes, this one is a first of this kind, Junior High Gun was won by Connor Hart ahead of Declan Foley and William Frenilizzi, AA High Gun was won by Josh Fleay just ahead of Terry Hearn, A High Gun won by Bert Boschetti, B High Gun won by Stuart Wardle, Mr 150, C High Gun won by Frank Mammone.

RESULTS

OA HG: Carsten Bager 493:

Event 1 100T DB: OA: Josh Fleay 208/208; AA: 1st Carsten Bager 207/208, 2nd Lynne Curtis 147/148, 3rd Richard Whitely 116/117; A: 1st Bert Boschetti 99/100, 2nd Luke Smith 123/125, 3rd Vince Lizzi 122/125; B: 1st Stuart Wardle, 2nd Doug Berry 98/100, 3rd Dino Franco 97/100; C 1st Frank Mammone 96/100, 2nd Phil Hart 92/100, 3rd Stuart Tuckett 87/100.

Event 2 100T SB: OA Carsten Bager 98/100; AA: 1st Neill McWhirter 97/100, 2nd Josh Fleay 117/121, 3rd Duncan Burnett 116/121; A 1st Bart Boschetti 97/100, 2nd Gary Smith 91/100, 3rd Rocco Priolo; B 1st Stuart Wardle 90/100, 2nd Joe Leca, 3rd Linton Tuckey; C 1st Frank Mammone 89/100, 2nd Phil Hart 86/100, 3rd Stuart Tuckett.

Event 3 100T Points: OA: Terry Hearn 299/300; AA 1st Josh Fleay 296/300, 2nd Ollie McPartland 337/342, 3rd Carsten

Bager 226/342; A: 1st Wayne Kuser 295/300, 2nd Bert Boschetti 294/300, 3rd Luke Smith 296/306; B: 1st Stuart Wardle 288/300, 2nd Joe Leca 287/300, 3rd Peter Carley 272/300; C: 1st Frank Mammone 293/300, 2nd Stuart Tuckett 285/300, 3rd Phil Hart 282/300.

Re-grades: Stuart Wardle B to A, Phil Hart C to B, Doug Berry B to A, Luke Smith A to AA, Bert Boschetti A to AA, Frank Mammone C to B, Joe Puglia A to AA, Wayne Kuser A to AA, John Eddy A to AA.

Bob Leita wins Bob Barron Memorial Handicap

The weather conditions were challenging for competitors due to constantly changing light from overcast to sunny skies at the Wangaratta Clay Target Clubs May Down The Line shoot held on Saturday 18th. The events attracted six squads of trap shooters, including some regular shooters from Melbourne.

Following the 10 target eye opener, shooters settled down to compete in a 50 target double championship shot over the three grounds provided by the club. AA grade shooter Rodney Wilson shot a perfect score of 52/52 to win the overall title, followed closely by club president Angelo Grassi who dropped one target taking out second place. Corey Wilkinson shot consistently during the event winning A grade on 64/65 with David Luelf from Mansfield taking 2nd place with 63/65. B grade was well won by Vic Tomasoni on 49/52 and Peter Green took out 2nd place with 48/52. Luke Argiro took home the C grade sash 55/59 followed closely by Nick Mastrippolito on 54/59.

The 30 target Bob Barron Memorial handicap was also won with another perfect result shot by Bob Leita shooting 30/30. Luke Argiro took out 2nd with another great result of 35/36 and 3rd place went to Nick Mastrippolito 27/30. The back markers trophy was awarded to Colin Wemyss on 27/30.

After the days results had been tallied the overall High Gun winner went to Rodney Wilson 108/110, Veterans winner was David Luelf 85/90 and best junior was Jason Wilson 85/90.

The days events finished by 4.30 pm which allowed all visiting shooters to head back home relatively early and well satisfied after another top shoot put on by the club.

L-R Louise Wilson, Alex Wozniak (13 years old) and Roy Ellis (71 years old)

PHOTO COMPETITION NO. 10

Clubs/members can send photo's (Digital only) to the CTSN email address. If space permits we will publish the best of these.

A winner will be selected every 3 months with the winner's photo being published in the CTSN with an article & receive a camera for their Club.

The overall winner will receive a full page gloss colour advertisement in the magazine for a shoot event (to be used in the next 12 months)

* Each photo needs to be less than 6 months old.

* The photo will need to be picture-ready for publication in the magazine (no touch-ups required).

* Must be of Clay Target shooting or related to a shooting event.

30th Anniversary Shoot

We were ready lots of phone calls to President John left us in no doubt that we were in for a good weekend of competition. Grateful thanks to the Committee and helpers, at the working bee last weekend, for the Club house and grounds were all in immaculate condition and the sight of so many campers when I arrived on the grounds on Friday evening was in itself reassuring and had us all excited for what was sure to be a great weekend.

We had been sweltering here in South Australia from the 3rd longest heat wave on record and we were all keeping our fingers crossed for the weather to be kind to us over the weekend. The heat record was broken by a cool change just 2 days before our shoot and we were all smiles. The weather forecast was for a 5% likelihood of some clearing showers on Saturday morning and then fine for the remainder of the weekend with the temperatures in the mid 20s. Yes, it all sounded good!

WRONG! We woke to find a somewhat threatening looking sky away to the south-west but figured it would hopefully come to nothing. We had just completed the 10 tgt E/O when the wind picked up and rain could be seen sweeping across the paddock towards the gun club. "It'll be gone in a couple of minutes", we all said, hoping to see a break in clouds... but there was none, and still it blew a gale outside and that, along with the driven rain, saw shooters not too keen on braving the elements outside. President John had to make the decision, with the number of shooters and the number of events and targets to be shot, the day had to proceed and the first of the Handicap squads put on a brave face and went off to their allocated traps. The day was not without further mishap – the rain being driven by the wind had somehow managed to get into the 'mechanics' of the trap on layout 4 and after much feverish work by our committee members it was decided to continue with the 3 traps instead. The weather continued to frustrate the shooters, small breaks in the rain had some shooters not coming into the clubhouse drenched but the relentless wind had targets dipping and diving so good scores were few and far between. By now the wood fire in the centre of the clubhouse had been lit and this was found to be the favourite spot for those not out shooting.

Sixty nine shooters from as far afield as Port Lincoln, Port Augusta, Kadina, Mount

Gambier, Mallala, Waikerie, Victor Harbour and Adelaide vied for the placings in the seven events being competed for.

Event 1 10 tgt D/B E/O C/D: The graded cash divide saw some seven AA shooters, three A graders and three B graders all shoot 10/10 while two C graders shared the spoils having shot 9/10.

Day 1

Event 2 25 tgt Monarto Anniversary Handicap: This event was keenly fought and Eric Parletta shooting a 24/25 from his handicap mark of 21 metres won the event outright. Back marker Craig Bentley came in second shooting a 27/29 from 25 metres. Third placing went to Matthew Stokes who shot a 26/29 from 24 metres, fourth placing went to Rex Perry shooting a 24/26 from 15 metres and the final place went to Matthew Humberstone with his score of 25/28 from 18 metres.

Event 3 25 tgt Monarto Single Barrel Championship: The wind played merry hell in this event but those best able still came in with some good scores. Matthew Stokes won the Overall and AA grade with his score of 24/25 with second place going to his father, Shane Stokes on 23/25. A grade saw Michael Veenstra win on a 25/29 over P Marshall who shot 24/29, B grade placings went to Vince Petraccaro on 21/25 over Max Leaford on 20/25 and C grade places went to Rex Perry who shot a 20/25 over Ivan Hein on 17/25.

Event 4 25 tgt Monarto Points Score Championship: The final event for day one saw Club shooter Peter Hendy take out Overall and A grade by shooting a score of 73/75 over fellow A grader Michele Giannone on 69/78. AA grade went to Rob Clark who shot a 72/75 over Shane Stokes on a 71/75. B grade saw Matthew Humberstone shooting a 72/78 to win out over Gary Schmidt on 71/78 and the C grade places went to Antoine Irving on a 57/75 over Di Loughhead on 54/75.

Peter Hendy wins P/S CS & Club President John Bretag

This brought day one to a close and following some camaraderie with the campers in the clubhouse we all decided to keep our fingers crossed for just what

sort of weather Sunday would spring on us.

Following a sleep over at President John and Ruth's home at Pompootea we again headed for the Club for the competition of day two. A darkening sky, again in the south-west, had us anxious, but by late morning the clouds had gone and we were left with a fine day but a fearsomely cold wind continued to buffet the shooters from the south for the whole day.

Day 2

Event 5 Monarto 30 Mixed Target Championship (10 D/B, 10 S/B, 10 P/S): Dino Oliviero got the competition away to a good start by winning Overall and AA grade in this event which is shot in conjunction with the Clem

Dino Oliviero wins M/T CS, with Rob Clark

Thomas Memorial, his score was 98/100 over Matthew Stokes who shot a 97/100. A grade was won by Michael Veenstra who shot a 48/50 over Anthony May on 68/75.

B grade went

to Gary Schmidt on 44/50 over Matthew Humberstone who shot 66/75 and C grade placings went to Rex Perry on 43/50 over Len DeCandia who shot 58/75.

Event 6 25 tgt Monarto Double Barrel Championship: Overall and AA grade winner here was Eric Parletta winning his second sash for the weekend. He shot a score of 42/42 over Shane Stokes on 41/42. Michael Veenstra took out A grade after shooting 31/32 over Peter Hendy on 30/32. Gary Schmidt won B grade by shooting his score of 25/26 over Kevin Polst on 24/26 and the C grade places went to Jeff Raper on a score of 23/25 over Rex Perry's 22/26.

Event 7 25 tgt Graham Michell Memorial P/S Championship: The final event on the programme, this event is also shot in conjunction with the Graham & Ruth Michell Team shoot and teams from five clubs had been handed in prior to the event. Overall and A grade went to Michael Veenstra shooting a perfect 75/75 with second placing going to Peter Hendy on 73/75. AA grade places went to Dino Oliviero who shot 103/105 over Dennis Lymn on 102/105. B grade was won by Matthew

Michael Veenstra (A) and Rex Perry (C)

Humberstone with his score of 67/75 over Kevin Polst on 63/75 and the placings in C grade went to Di Loughhead shooting 69/75 over Len DeCandia on 65/75.

The team shoot was won by the International Gun club with their score of 346/375 team members being Dino Oliviero, Rito Borzillo, Dennis Lymn, Michele Giannone and Eric Parletta.

A full house at presentation time saw the Overall and AA grade High Gun go to Matthew Stokes with his score of 263/275. A grade High Gun went to Michael Veenstra who shot 255/275. B grade High Gun was won by a surprised Matthew Humberstone on 244/275 and last but not least C grade High Gun went to Rex Perry with his score of 212/275.

Our 30th Anniversary shoot was over and the President acknowledged the sponsorship of donations towards the excellent array of trophies those thanked were: Brenton Burgess of Burgess Paint & Panel, Wayne Jackson of Jackson 4x4 Accessories, Darren Rowe of Rowe Aluminium & Security Rob Low of Marsh Pty Ltd, C&K Scudds of Mount Compass Tavern,

Rodney McCue of McCue's Bakery, Peter & Jackie Hendy, Ruth Michell.

Apart from the weather, over which we have no control, the weekend was a huge success. Many things stood out over the weekend and I shall try to make note of all of those that came to my attention. Firstly, apart from the hiccups from traps, the excellent running of the shoot under the watchful gaze of Club President John Bretag who shot alone in the last squad with a relatively new shooter who just wanted to shoot 'clays only' on the day a great gesture John! Secondly I want to make mention of those tireless workers (who also competed in the events) belonging to our club, Rex Perry, Troy Oakes and Trevor Smart (filling traps), Rob Clark (already 'sleep deprived' through his work during the vintage season at Langhorne Creek working on trap 4 and trying to get it back into working condition), Peter Hendy for his excellent choices in the purchasing of all of the club's trophies – thanks Pete, Ivan Hein for helping keep those squads moving and for his raffle ticket selling, club

Patron Les Stone for coming out on his 81st birthday to help wash dishes in the canteen 'bravo Les', to Ruth in the canteen, along with Jackie and Margaret who pitched in to help – great work girls, your efforts are much appreciated, to Molly (she 'loaned' to me her bed for two nights "thank you") for running the score cards out to the layouts and to fellow helper in the office, Peter Harris handicapper and lastly to young Haydan Bowman who had driven all the way from Kadina to shoot in the two day competition, a great big "Thank You" your nominations being left as a donation to the club will long be remembered, we'd love to see you back again in less inclement weather. Memorable quote for the weekend was made by Di Loughhead who was the only shooter to speak the absolute truth when she said "the weather conditions today (Saturday) can only be described as atrocious". I heartily agreed with her and had been thinking the same thing.

Thank you to all who helped in any way with refereeing and scoring and in general being prompt with squads this all helps to make a successful shoot.

It was a great weekend and I enjoyed every minute of it but I shall keep my fingers crossed that at our 31st Anniversary shoot in 2014 we shall be blessed with some better weather in the meantime "happy shooting".

Ruth Michell
Shoot Day Secretary

Monarto Alexandra Clay Target Club Inc

Stop Press:

Weather update rang through by one of the happy campers at the club on Monday morning following the weekend of competition is as follows "Beautiful crisp morning, sun shining in a clear blue sky and not a breath of wind". Wouldn't you know it !!!!

Western Zone Skeet Carnival Dubbo, 27th & 28th April 2013

The Western Zone Skeet carnival held at the Dubbo Gun Club started off on Saturday afternoon with 50 target Handicap event, the weather conditions were near to perfect as possible with four shooters making the shot off. Doug Moorby was the winner with 77/80 followed by John Pethybridge 75/80 with Sarah Bennett collecting third place with 67/68.

Sunday morning was just as good for WZ Skeet Championship. Sarah Bennett was unbeatable with 49/50. Shane Bennett took AA grade with

46/50, A grade went to Errol Tucker on 48/50, second in A was Chris Everett 47/50. First in B grade went to Doug Moorby also on 48/50, Denis Coaker picking up second on 46/50. C grade went to Ron Spedding on 40/50, 2nd to Les Clarke winning a three way shoot off.

Second event was the NSW State Championship. Sarah Bennett and Luke Cross came in with a 49/50 requiring a shoot off to decide who would take the winner's sash and cash and to have their name on the State trophy. Sarah Bennett collected the honours with a winning score of 55/56. Shane collected AA with 45/60. Luke Cross won A grade with 54/56 and Errol Tucker 2nd on 47/50. First in C was Ron Spedding with 44/50, 2nd in C going to Scott Tucker 40/50.

Twenty five pair of Skeet Doubles rounded up the program on Sunday, Shane Bennett out classed the competition with an excellent 49/50 to take O/A, Sarah Bennett collected AA with 42/50. A grade saw Errol Tucker first on 44/50, Chris Everett close on his heels with 43/50. John Pethybridge collected B grade with 44/50, Denis Coaker runner up with 43/50. C grade was Ron Spedding on 41/50 followed by Scott Tucker 35/50.

The High Gun had Shane & Sarah both on 190/200 apiece, but after the shoot off Shane took the High Gun with 204/214.

The club would like to thank all the people who travelled for the event and to Geoff, Peter, Dave & Ken who gave up their weekend to help run the shoot. Thank you all.

E.T.

Doug Moorby HC winner

Sarah Bennett WZ winner

Shane Bennett HG winner

WANGARATTA CLAY TARGET CLUB

APRIL 21st 2013

L-R: Logan Wemyss, Michael Vandergulik, Peter Finn, Gil Farish, Warren Fish, Dennis Savage, Colin Finn, David Jackel, Brian Reid

VCTA North East Zone Skeet Championship

The Wangaratta Clay Target Club was once again the venue chosen for the 2013 VCTA North East Zone skeet championship held on Sunday 21 April, with good results from Reid & Finn

The day started off with ideal weather conditions, however during the afternoon some wind and an overcast sky prevailed. Overall the targets presented were of a high standard, with the traps set up by our resident skeet expert, Phil. Smith.

It was pleasing to see several new shooters coming along to enjoy the activity, with one DTL shooter seriously considering switching over to skeet as his new trap discipline. Skeet has a very dedicated group of enthusiastic

followers and is a very social sport due to the fact that the squads are in close proximity to each other as they move from station to station.

The first event held was the 50 target North East Zone Championship which was won by B grade local club member Brian Reid on 57/58 after a short shoot off and as a result Brian has now moved up to A grade. The other winners were Gil Farish in AA grade on 58/60 one target ahead of James Willett on 57/60. James father Arthur won A grade with a tally of 92/93 after a lengthy shoot off with Colin Finn finishing on 91/93. Local club treasurer Bryce Robinson took out 2nd place in B with a result of 58/62.

The 25 pair North East Zone Skeet doubles event was well won by Colin Finn with the great result of 51/54. Colin is a top doubles

shooter with perfect timing and control. David Jackel took out AA grade with 47/50 ahead of Gil Farish on 46/50. Peter Finn won 2nd in A grade with a result of 50/58, both Peter and his son Colin are regulars and very welcome shooters here at Wangaratta. As an aside, Peter is a fan of the musical legend Mitch Miller and both share perfect timing in their different pursuits. Dennis Savage shot 47/50 taking out B grade ahead of junior top shot Logan Wemyss on 46/54. C grade was nicely won by Michael Vandergulik with 42/50 and 2nd place by Warren Fish on 38/50.

Michael Vandergulik and Jess Sinclair from OPAL Arms generously sponsored some of the trophies on the day.

The overall winner for the day was Colin Finn with an unbeatable score of 96/100.

George Campbell Memorial

The Boorowa Clay Target Club, held the annual George Campbell Memorial shoot on Saturday 27th April, in beautiful sunny weather, attracting 40 shooters from all over the State.

Grade winners of sashes donated by the Campbell family were: AA Chris Warren; A: Damien Burt; B: Will Taylor; C: Stuart Burrows.

Boorowa Clay Target Club would like to thank the Campbell family for their generous sponsorship for the late George Campbell Memorial Shoot.

The club also held 50 target night Points Score Championship which was won by Chris Warren, shooting 148 out of 150.

Finally a writing month where I haven't been flat out. Unlike last month where I returned from nine full-on days at the Trap Nationals to meet a five day deadline. This period included Canberra International's Annual Skeet Shoot, a weekend off, Melbourne Gun Club's Skeet Bonanza, another weekend at home and then off to Wagga for the Skeet Nationals.

Southern Cross Skeet Carnival

Several years ago John Pethybridge was looking for a way to commemorate the loss of his uncle, Tommy Pethybridge who was the co-pilot with Sir Charles Kingsford Smith on their ill fated flight in the Lady Southern Cross in 1935, plus he was also looking for a way to promote Skeet shooting at Canberra International Gun Club. The combination of these two objectives resulted in the Annual Southern Cross Skeet Carnival.

This shoot flew under my radar for the first few years until my good mate David O'Sullivan relocated to Canberra, got involved with the local Gun Club and invited me up to help him support their Shoot last year. Bottom

John Pethybridge congratulates Mark Corbett on his first 100

line? We had such a good time that this year I didn't even wait for an invite. The highlight was probably after the Handicap when Mark Corbett from Cooma had shot a whole

Melbourne Skeet Bonanza

A weekend at home seemed like a great idea until Karien made me aware of how much yard work needed doing around the house. So the following week, when Glenn Clarke suggested I help him christen the spare room at his new residence in Beaconsfield and shoot Melbourne Gun Club's Annual Skeet Bonanza with him, it was a walk up start. The highlight

Paul Kouroupas & David O'Sullivan - winners at Southern Cross Skeet Carnival

Michael Buttigieg - Overall High Gun at Melbourne Skeet Bonanza

of the shoot was another stellar performance by that currently in-form shooter, Michael Buttigieg. He won both of the events on Saturday, on his way to winning the Overall High Gun with a great score of 199/200.

Then we will begin our gradual journey south as the weather warms up again. I need to be

Dodging Winter

Returning home from Melbourne I was left with less than two weeks to get ready to go away. Seriously go away! This year we will not come home from the Skeet Nationals. Instead we will commence our annual journey north and not return home until Christmas. After

the Nationals we have two weeks to get to Alice Springs to help with the Northern Territory State Shoot and then off up to Darwin for a couple of months to dodge the winter. During our stay I have been invited to further assist the NTCTA with not just Darwin's Annual Four Day Shoot but also the Commonwealth Trap Carnival the previous week. Two great shoots back to back in glorious weather in the middle of winter. Think about it!

Then we will begin our gradual journey south as the weather warms up again. I need to be

in Roma at the end of September to help with the Queensland Skeet Carnival and to do an extended quality control test on the soft serve machine at the local bakery. I hope to have enough time to call in at Gladstone for another barramundi fishing lesson from my old mate Laurie Chelepy. And then back to Wagga to assist with the NSW Trap Shoot. After that we will probably make our annual pilgrimage to Newcastle to visit an old school mate, Gary Scott, who assures me he can build me a much better "Blind Sight" to hang off the side of the K-80. That would be good!

This Month's Trivia Question

Recently I read an entry on Facebook congratulating young Mitchell Iles on shooting his way back to 25 metres. This reminded me of a phone conversation I had a couple of weeks ago with my old mate Ken Lowry about all sorts of interesting historical tidbits. One of these was about the oldest and youngest National Champions. So this month's question is: Who was the youngest person to ever win an Overall National Championship in either Trap or Skeet? E-mail your answers to cuzzo@a1.com.au and the first correct one received will get a complimentary entry to one National Championship of your choice in 2014.

May's Trivia Question

The winner of the first National ISU Skeet Championship in 1978 was my old mate and Two-Man Team partner, Johnnie Summers. What made this achievement so significant was the winning score of 197/200. That would have won at the Commonwealth Games and maybe even at the Olympics. And the fact that he was well clear of second place which I think was either Ian Hale or Alex Crikis. The first correct answer was submitted by Fred Guyatt who also competed that year and I think finished fourth behind the "Big Three".

ULUPNA ISLAND ZZ'S

Day 1: Saturday 4th May. Weather fine, 10 shooters. After lunch and practice we were ready for some shooting with two small comps. First was a 15 bird event and second was also a 15 bird event. Lee Fitzgerald took out overall in both events.

Those who stayed overnight had a good yarn & dinner.

Day 2: Sunday 5th May. 30 Bird Event. Weather fine. 20 shooters in comp, 10 taking Super Sweeps, 9 on Normal Sweeps. The Calcutta got under way. Lee Fitzgerald was the Auctioneer, with help from myself, Vince. Comp started 12.10pm. We had BBQ lunch on the run and finished at 4.00pm.

1st wave to shoot 10 bird Sweep Normal/Sweep: 10/10 Craig Dixon & Gonzo, 1st wave 10 bird in Super Sweep 9/10, Lee Fitzgerald, Marc Crimmins, Robert Hall, Norm Basile, Dave Calandro & Vince Gatt. 2nd wave to shoot 10 bird Sweep N/Sweep 10/10. Pat Calandro N/Sweep, Lee Fitzgerald, Marc Crimmins, Norm Basile S/Sweep & Gonzo N/S David Calandro & Marc Crimmins. 3rd wave to shoot 10 bird Sweep 10/10 Lee Fitzgerald, Marc Crimmins, Ralph Lanio, Norm Basile & Vinnie all S/Sweep. 4th wave to shoot 10 bird Sweep 10/10 Marc Crimmins Vinnie & Craig Dixon all S/Sweep. 5th wave to shoot 10 bird Sweep 10/10 Vinnie on his own S/Sweep.

O/All Winner 28/30 Craig Dixon. Good shooting, not bad without practice. 2nd 27/30, Colin Saxton, Marc Crimmins, David Calandro, Gonzo & David Sydenham, split the money.

It was nice to see Norm & Vinnie have a good run for a change. Anyhow after a good weekend of shooting I would like to thank Peter & Karen Web from Red Gum Retreat for their help, Shane D, running the ZZ set-up. Also a special thanks to Lee Fitzgerald & Son Robbie, Craig Fitzgerald, Colin Saxton with the clean up after the weekend.

Vince Gatt, ZZ Sydney Australia

May Competition at Kerang Clay Target Club

Pleasant conditions greeted those shooters that attended the Kerang Clay Target Club on Sunday May 12 2013. As well as our local shooters, competitors attended from, Swan Hill, Bendigo, Boort, Castlemaine, Cohuna, Moulamein and Walmer. The program for the day consisted of two events, a Medley Championship and Double Barrel Tower Championship.

Event 1 45 Target Medley Championship sponsored by Morton's Engineering Kerang: AA Grade Rick McKinnon 70/75, 2nd Wayne Upton 69/75, Overall and A Anthony Costa 71/75, 2nd Graeme Young 68/75, B Geoff Hogan 58/75, 2nd Neville Woolhouse 55/75, C Rohan Dehne 58/75, 2nd Gary Baddley 47/75.

Event 2 25 Target Double Barrel Tower Championship sponsored by Dahlsen's Building Centre Kerang: Overall and AA Grade Neville Woolhouse 36/36, Russell Barnes 24/25, A Grade Stephen Bates 35/36, 2nd Wayne Upton 24/25, B Grade Wayne Canny 20/25, Rick McKinnon 24/25, 2nd Robin Algie 23/25.

Kerang Clay Target Club would like to take the opportunity to thank all of the sponsors for their support as without good sponsors these events are not possible. Likewise we would like to send a big thank you to all those who assisted to make this shoot run so well.

We look forward to the Kerang Club's leg of the Annual Circuit Shoot, held at the Kerang, Moulamein and Boort Clay Target Club on the Queen's Birthday weekend in June.

Zone Double Rise at Mathoura

A Victorian, North East Zone, Night Double Rise Championship was the main event at the Mathoura Gun Club's April 2013 shoot. A reasonably difficult event, especially when shot under lights, but fortunately weather conditions were excellent, with no wind at all and a reasonably mild temperature.

Euroa member, Laurie Fitzpatrick, was just too good on the night, with no one able to match his 25/30 score. Five targets lost out of thirty in Double Rise, shot in the night, is very good shooting, and it earned Laurie the, Overall Winners Sash, and the 1st in A Grade trophy. Les Comensoli, a member of Cohuna Clay Target Club, shot a 20/30 score, and that gave him 1st in B Grade, and Ryan Comensoli, also from Cohuna, shot the same score of 20/30, earning him 1st in C Grade trophy.

The first event was a 5 pair Double Rise Cash Divide, and Laurie Fitzpatrick again collected 1st place, with a score of 9/10. Tim Maher a Deniliquin member dropped one more target, and his 8/10 gave him the 2nd place cash.

Event Three, a 15 target Single Barrel Cash Divide was won by Tim Maher with a 13/15 result, Laurie Fitzpatrick shot a 12/15 earning him 2nd place cash, and George Bradley a Mathoura member, also came in with a 12/15 result, and he shared 2nd place cash with Laurie.

The fourth event was a 15 target Points Score Cash Divide, and a score of 41/45 shot by Carl Comensoli, also of Cohuna, was good enough to take out the 1st place cash. Two Deniliquin members, Bruce Cook, and Tim Maher, both shared 2nd place cash, both having shot a 39/45 score.

The shoot ran very smoothly for the entire program, with everyone enjoying the competition. Thanks must go to Donna McClusky for providing food and drink for all, and even the presentations were all finished prior to 10.00pm, allowing travellers an early trip home.

Murray Roberts

Newcastle Lake Macquarie 5 Stand

On the 4th May 2013 Newcastle Lake Macquarie Clay Target Club was greeted with a calm, fine and sunny day for their 100 target 5 stand shoot. The two courses were vastly different with one having the more traditional in the air type targets and one course set amongst the trees with low fast crossing targets which included a rabbit hidden and darting across your front running away into the scrub.

The two courses which tested your skills with short & medium length targets were again a tribute to Frank Searles, John Puller & Graham Hayes who worked hard and quietly in the background and their efforts are appreciated. As the rounds preceded and scores were coming in, it wasn't going to be easy to predict a winner as half a dozen

Graham Hayes presenting the winner's medallion to Kevin Raymond, High Gun and 1st AA

shooters could have taken it out, with some 25's by Len Brookes, Murray Roberts and Jason Solomons well done men.

When the dust had settled at the end of the day all grades were already determined except AA grade which had Frank Searles, Graham Hayes and Kevin Raymond all on

90/100. The shoot off began to determine overall and 1st and 2nd in AA, at the start it was one for one and shooters look solid but at the end of the 25 targets there was only one winner and that was Kevin Raymond who shot a 25 to take Overall and 1st in AA with Frank Searles 2nd with 23/25.

The results for a successful day were as follows: Overall and 1st AA Kevin Raymond 115/125, 2nd Frank Searles 113/125. A grade winner was Len Brookes 89/100, second Murray Roberts 86/100. B grade winner Brent Suprain 84/100, second Kevon Moxey 82/100. C grade winner Patrick O'Dwyer 72/100, second Max Barlow 67/100.

Thank you also for the Office Staff and Sue & Danny in the Canteen, job well done. The members draw was won by Adam Crouch who was not present and it jackpots once again.

**Thanks all,
Publicity Officer**

2013 Annual Good Friday Shoot

A great attendance, with 50 keen competitors attending, and shooting conditions being a balmy autumn day.

Competitors arrived from all regions of Victoria and one keen shooter from NT.

The day was again greatly supported by our local sponsors, the Jorgensen Family, Horsham Concrete, Westway Nursery & J. & A. Fencing, we thank these supporters very much for their contribution.

Once again the Club put up a Cash incentive of \$500 to any shooter able to shoot the program clean. We had a very relieved committee after every competitor had missed by the second event.

A couple of milestones were achieved by father/son competitors, with Wayne Wilde from Central Wimmera Gun Club who shot his first 50/50 straight and son Lockie winning his first sash.

1st event won by Wayne Wilde with the only perfect score of 150/150 to win the Jorgensen Family Points Score Championship.

2nd event, the Westway Nursery Single Barrel Championship, was won by Marc Crimmins after a shoot-off with Five (5) other hopeful competitors.

Wayne Wilde with Club President Chris Jorgensen

Club Secretary Colin Dunn with Lockie Wilde

Chris Jorgensen with Ash Bolwell

3rd event went to Ash Bolwell's with 141/141, after a lengthy shoot-off.

RESULTS:

50 Tgt Jorgensen Family PS CS: O/A and B Grade 1st, W. Wilde 150/150, B 2nd, A. Reid 140/150, 3rd, E. Domney 128/150 - AA, 1st R. Lehmann 173/174, 2nd W. Wende 172/174, 3rd A. Crawford 149/153 - A, 1st W. Calaby 147/150, 2nd R. Black 146/150, 3rd M. Canavan 143/150 - C, 1st S. Pilgrim 125/150, 2nd, L. Wilde 123/150, 3rd, R. Garlick 122/156;
25Tgt Westway Nursery SB CS: O/A, AA, 1st, M. Crimmins 52/52, 2nd, S. Rundle 51/52 - A, 1st, W. Calaby 37/38, 2nd, W. Coates 36/38 - B, 1st, E. Domney 24/25, 2nd, W. Wilde 23/25 - C, 1st, L. Wilde 24/25, 2nd, I. Jones 21/25.

25Tgt, Horsham Concrete DB CS: O/A, AA, 1st, A. Bolwell 141/141, 2nd, A. Crawford 140/141 - A, 1st, R. Jorgensen 123/124, 2nd, A. Jorgensen 55/56 - B,

1st, W. Wilde 44/45, 2nd, B. Bolwell 30/31 - C, 1st, L. Wilde 30/31, 2nd, S. Pilgrim;

High Guns:

O/A HG W. Wende 248/250, AA M. Crimmins 247/250, A J. O'Connor 190/200, B W. Wilde 198/200, C L. Wilde 171/200, Vet W. Calaby 196/200, Jun T. Pilgrim 184/200.

TRELOAR CLAY TARGET CLUB'S Charity Shoot for Legacy

The third DTL Charity Clay Target Shoot 100 held on 10 March, organised by the members of the Treloar Clay Target Club at Tamarang, raised some extra much needed funds for Gunnedah Branch of Legacy. Proceeds were gratefully received by Gunnedah Legacy President, Mr Kerry Bee, when the cheque was handed over on 11 April.

Club President, Noel Edlington, firmly believes that without the generous support of the small businesses in Gunnedah, this Charity Shoot would not be possible.

The Club chooses to run a DB 100 Target Handicap event which significantly tests the ability of the competitor. Handicap events are generally kept to a maximum 25 or 30 targets.

Thankfully shoot-offs between shooters at Treloar's Legacy Shoot didn't reach 1,038 targets as was the case for the DB event at the "Nationals".

Treloar Club has welcomed the election of their dedicated President Noel to the position of NSWCTA President at the AGM held at Bathurst on 1 February. Noel is kept on his toes well and truly as he was re-elected President of the Northern Zone at the Zone's AGM at Guyra on 23 February.

Noel's fervent desire is to improve the public perception of the sport, to increase the publicity surrounding the sport hence encouraging valuable Corporate Sponsorship, to encourage the participation of High Schools

in the sport as part of their free choice curriculum, and to grow membership thus ensuring the viability of Clay Target Clubs across the State from the young shooters coming up through the ranks.

Peter Holmes of the Tamworth Club has been 'head hunted' and has been appointed the State Coaching Director. Peter is well known and respected as he has contributed to the administration of the sport in numerous capacities over many years. He has also competed in the top ranks. Knowing Peter he won't be just another name tag carrier!

Without spirited vision and strong leadership within the shooting fraternity, will Australia ever produce Olympians like George Barton and Michael Diamond or a World Champion in the mould of Darryn Nicholls. These shooters have all come from NSW clubs.

Attractive tri-colour sashes bearing the Treloar Kookaburra centre medallion for Overall and Best Front Marker were presented to Paul Tattam (Moree Club) and to John Lewis (Upper Hunter Club).

Presentation of the much admired leather trophies followed. Heavily discounted, these were purchased from Mr Craig Bates, Director of Aussie Bush Leather in Tamworth.

Following is the list of 'top shots' on the day who went home happily carrying their trophies. 1st Paul Tattam (Moree) 97/100, 2nd Peter Holmes (Tamworth) 95/100, 3rd Arthur Minter (Port Macquarie) 94/100, 4th Brian Kneipp (Moree) 109/114, 5th David White (Treloar) 108/117, 6th Hugh Faris (Narrabri) 92/100, 7th Gordon Gilder (Treloar) 93/102, 8th Sam Broinowski (Treloar) 92/101, 9th Mark Iliffe (Moree) 91/100, 10th Rex Wilson (Port Macquarie) 90/100.

Members of Treloar Club are looking forward to arranging the next Legacy Shoot in 2014, which as Noel says, "Is not far away".

Article submitted by Lois Edlington

Southern Cross Skeet Carnival

The carnival was to commemorate the loss of the Lady Southern Cross. Weather was in the low twenties with light wind. Shooters from the following clubs attended Cecil Park, NSW, Townsville, Brewarrina, Cooma, Tamworth, Dubbo, Frankston, Bairnsdale, Albury-Wodonga, Griffith, Brisbane, West Australian.

SATURDAY 20TH Event 1: 50 Target

Graded Cash Divide: 1st AA: Adrian Cousens 50/50, equal 2nd AA: Shane Bennett & David O'Sullivan, 49/50, 1st A: Rodney Kneipp 50/50, 2nd A: Wayne Petersen 49/50, equal 3rd A: Mark Corbett, George Bailey & Michael Maloney 48/50, equal B: John O'Sullivan, Ben Buhagiar 48/50, 3rd B: Gerry Lafferty 47/50, 1st C: John Tan 45/50, equal 2nd C: Sven Krollpfeiffer & Steve Balogh 43/50.

Event 2 50 Target Skeet Handicap: This event ended up with 19 shooters in the shoot off with 4th Place to Paul Kouroupis 111/114, 3rd Place to Shane Bennett 116/117, and the last two shooters did not want to give in 2nd place to Mark Corbett 161/164, 1st place to Adrian Cousens 164/164.

Event 3 50 Target 25 Pair Skeet Doubles

CS: OA: Paul Kouroupis 49/50, 1st AA: Peter Vella 50/52, 2nd AA: Adrian Cousens 49/52, 1st A: Wayne Petersen 48/50, 2nd A: Mark Corbett 47/50, 1st B: Gerry Lafferty 47/52, 2nd B: Rowan Venables 46/52, 1st C: James Laws 40/50, 2nd C: Nancy Badewitz 38/50, Lad: Sarah Bennett 47/50, Vet: Ray Wendt 45/50.

SUNDAY 21ST Event 4: 100 Target

Southern Cross American Skeet Championship & NSWCTA Southern Zone: OA: David O'Sullivan 135/137, 1st AA: Adrian Cousens 134/137, 2nd AA: John Guberina 133/135, 1st A: Wayne Petersen 98/101, 2nd A: Mark Corbett 97/101, 1st B: Frank Cooper 97/100, 2nd B: John Pethybridge 93/100, 1st

HG winners: Frank Cooper B Grade, David O'Sullivan AA Grade, Adrian Cousens OA, Ray Wendt Veterans, Sarah Bennett Ladies, Wayne Petersen A Grade

C: James Jonklaas 98/108, 2nd C: James Laws 97/108, Lad: Sarah Bennett 98/100, Vet: Ray Wendt 98/100, Jun: Josh Robinson 52/100.

Southern Zone Team 2013: Team M1 John Guberina 99/100, Team M2 Alberto Muoio 99/100, Team M3 Mark Corbett 104/110, Reserve No 1 Wayne Petersen 102/110, Reserve No 2 John Pethybridge 93/100, Reserve No 3 Colin Sim 91/100.

High Guns: OA: Adrian Cousens 247/250 received the Lady Southern Cross Solid Crystal Glass Trophy, AA: David O'Sullivan 245/250, A: Wayne Petersen 241/250, B: Frank Cooper 232/250, C: John Tan 217/250, Lad: Sarah Bennett 240/250, Vet: John Guberina 241/250

Mark Corbett

I would like to thank our sponsors Fyshwick Firearms and Villi's Pies very much appreciated. Thank You to the shooters for making the effort to travel and support Skeet. And final thank you very much to the CICTC staff who

Adrian Cousens OA HG, 1st AA Gr CD, HC & Southern Cross CS & 2nd AA Skeet Doubles

help run this carnival Garry Betar & John Kearns in the office, Jennifer Betar & Christine Pethybridge in the kitchen ladies and gentleman from visiting club Judy & Gerry Lafferty, Ann Rae, Robert Thorne, Jim Laws and my good friend Rodney Kneipp who has now moved to Queensland but flew back for our shoot and worked very hard cleaning up after the completion of shooting both days. Also Adrian Cousens as shoot marshall who took the pressure off me and allowing me to shoot in the carnival.

BARWON & DISTRICT CHAMPIONSHIPS

The Barwon & District Championships were held over the weekend of 4th & 5th May with 62 shooters attending from clubs including Warren, Cobar, Narromine, Hermidale, Coonamble, Treloar, Condobolin, Richmond River,

Bourke, Guyra, Dubbo, Tamworth, Bendigo, Cunnamulla and Narrabri. Conditions for shooting on Saturday were cool and sunny for the day.

Event 1 30 Target Barwon & District Points Score Championship with Coonamble's Glen Harvey taking the Overall sash with 159/159 after a hard fought shoot off against his fellow club member Scott Moody (Coonamble) who took 1st AA grade 158/159. For Glen, it proved to be the start of a very successful weekend out west. 2nd AA grade William Powell (Hermidale) 103/131, 1st A grade Ben Haig (Cunnamulla) 125/126, 2nd our NSW State President, Noel Edlington (Treloar) 99/102. 1st B grade Tony Coleman (Cunnamulla) 112/114, 2nd Braden Marett (Brewarrina) 110/114, 1st C grade Robert Barden (Cunnamulla) 85/90, 2nd Waylon Bright (Cunnamulla) 83/90. Ladies section Margarette Coddington (Brewarrina) 82/90, and Veterans section Wally Rae (Narromine) 101/102.

Event 2 30 Target Barwon & District Single Barrel Championship, Aaron Marsh (Bourke) took the overall sash with the only possible 30/30. 1st AA grade Peter Boland (Hermidale) 49/50, 2nd Scoot Moody (Coonamble) 48/50, 1st A grade Wally Rae (Narromine) 29/30, 2nd Ben Haig (Cunnamulla) 35/37, 1st B grade Mark Meers (Coonamble) 29/30, 2nd Braden Marett (Brewarrina) 26/30, 1st C grade Waylon Bright (Cunnamulla) 26/32, 2nd Phillip Nass (Cunnamulla) 25/32. Ladies section Helen Overton (Brewarrina) 28/30, and Veterans section Geoff Fett (Cunnamulla) 28/30.

Event 3 50 Target Barwon & District Double Barrel Championship, also headed to Bourke with Aaron Marsh taking the overall sash with 178/178, after an intense shoot off against Coonamble's Glen Harvey 177/178. 2nd AA grade Peter Boland (Hermidale) 170/171, 1st A grade Geoff Fett (Cunnamulla) 77/78, 2nd Tony Bradshaw (Echuca) 50/51, 1st B grade Tony Coleman (Cunnamulla) 49/50, 2nd Braden Marett (Brewarrina) 50/52, 1st C grade Greg Walker (Condobolin) 48/50, 2nd Liam Kelly (Tamworth) 46/50. Ladies section Helen Overton (Brewarrina) 49/50, and Veterans section William Powell (Hermidale) 78/79. The 2013 Brewarrina Club Champion was Max Betts with 78/79. After the day's shooting was completed, everyone settled down and enjoyed Bre's famous roast dinner and desserts followed by a few amber ales before retiring.

Sunday morning arrived and again presented shooters with perfect weather for shooting. Event 4 45 Target Barwon & District Medley

Left: 2013 Club Champion Max Betts

Centre: Junior HG Liam Kelly
Right: HC winner Glen Harvey

Championship saw Coonamble's Glen Harvey getting "a skinner" and the overall sash with 74/75. 1st AA grade Colin Betts (Brewarrina) 73/75, 2nd Helen Overton (Brewarrina) 72/75, 1st A grade Ben Haig (Cunnamulla) 73/75, 2nd Allan Neilsen (Brewarrina) 72/75, 1st B grade John Polack (Cobar) 69/75, 2nd Mark Meers (Coonamble) 68/75, 1st C grade Phillip Nass (Cunnamulla) 61/75, 2nd Margarette Coddington (Brewarrina) 55/75. Ladies Tracey Boon (Bourke) 34/75, and Veterans section Peter Holmes (Tamworth) 71/75.

Event 5 30 Target Barwon & District Handicap was won by Coonamble's Glen Harvey 52/52 after a shoot off against Jim Manns (Cobar) 51/52, 3rd Nathan Power (Narrabri) 57/58 after a shoot off against Scott Moody (Coonamble) 56/58.

The final event for the weekend was meant to be Double Rise but it was changed to Event 6 30 Target Barwon & District Continental trophy event being won by Peter Boland (Hermidale) 55/55, 1st AA

grade Nathan Power (Narrabri) 54/55, 2nd William Powell (Hermidale) 31/32, 1st A grade Ben Haig (Cunnamulla) 34/35, 2nd Gary Jones (Cobar) 38/39, 1st B grade Dick Tulloh (Cobar) 27/30, 2nd Mark Meers (Coonamble) 26/30, 1st C grade Joe Kelly (Tamworth) 26/30, 2nd Dennis Horne (Cunnamulla) 32/38. Ladies section Margarette Coddington (Brewarrina) 23/30, and Veterans section Mike Sullivan (Richmond River) 37/39.

The High Guns for the weekend

were spread around 5 clubs this year. Overall High Gun with a very impressive score, only four points down went to (I think everyone can guess) Coonamble's Glen Harvey 301/305, AA Grade High Gun went to Peter Boland (Hermidale) 297/305, the next three High Guns all went over the border, A Grade High Gun went to Ben Haig (Cunnamulla) 296/305, B Grade High Gun went to Tony Coleman (Cunnamulla) 274/305, and C Grade High Gun went to Robert Barden (Cunnamulla) 267/305. Ladies High Gun went to Helen Overton (Brewarrina) 280/305, Junior High Gun went to Liam Kelly (Tamworth) 235/305 and Veterans High Gun went to William Powell (Hermidale) 288/305.

The club wishes to thank all our sponsors who donated items for the May Shoot and a huge thank you to all the ladies in the kitchen for the superb meals over the weekend. Thank you to all the members and visitors, who made this a very enjoyable and successful weekend. We would also like to thank the new NSW State President and his wife for their attendance; we hope they enjoyed their trip out west and hope to see them again in the future.

Psychological Skills for Shooting

Michael Kruger-Davis

CHOKING OR IN THE ZONE

For most of our normal life we refer to our selves as being in a conscious state. While we are awake we are able to be aware of what is happening to us, our thoughts our feelings and our reactions. Consciously, we think, act, concentrate, attend, and so on. We can enter an altered state of consciousness by using drugs, through meditation, experiencing

mental disturbances, or simply dreaming. In sport we can alter our state of consciousness by being in the zone or by choking.

What does an altered state of consciousness look like? What are the characteristics of an altered state of consciousness? According to Nideffer, 1992 they can be listed as:

1. *Alterations in thinking* leads to subjective disturbances in attention, memory and judgement.
2. *Disturbed time sense* leading to a speeding up of perceived time or timelessness: feeling like everything is in slow motion.
3. *Loss of control*, which we experience as losing a grip on reality.
4. *Change in emotional expression* as emotions become more or less intense than normal.
5. *Body image change*: this may lead to a feeling that we have left our body and are observing our performance as a passive observer.
6. *Perceptual distortions*: hypersensitivity to visual and kinaesthetic clues, for example hallucinations.
7. *Changes in the meaning and significance* of events, experiences and ideas.
8. *Sense of ineffable* which is an inability to adequately express what has happened.
9. *Feelings of rejuvenation* and hope, vigour and vitality.
10. *Hypersuggestibility*: increased response to suggestions. This is important if we are using hypnosis, self hypnosis, visualisation or guided imagery as tools for improving performance.

For the purpose of this article the two altered states that I want to explore are choking and being in the zone.

Choking, according to Mack and Casstevens, in *Mind Gym*, is a normal human reaction, a physiological response to a perceived psychological threat. I have previously written that "fear is a mental response to a perceived danger or threat. It's a primitive response that allows us to fight, flee freeze as a response to a threat. This fear is manifested as self doubt and produces anxiety. This anxiety then tenses up our muscles and we are unable to carry out the tasks we need to do in order to be successful. Anxiety makes us feel uncomfortable and when we feel this way we become stressed. With stress there is a change in the way we are breathing and under this stress we become internally self-conscious instead of being externally task-conscious. So what do we need to do to perform under pressure? We need to breathe and focus. When we become anxious our breathing patterns change and without realising it we may even hold our breath. This has the effect of taking the focus away from what we are doing in the here and now: we lose sight of the present. So, if we are anxious, stressed and tense, how do we relax the muscles and clear the mind? By breathing; oxygen is energy. Oxygen also allows us to focus the process of what we are doing; which keeps us focused in the present. Staying in the present keeps our orientation of

time in the right place: we can avoid thinking about the past (making judgments about past performances, other competitors, etc), and about the future (worrying about what might or might not happen). When we hold our breath, we are creating pressure and a nervous feeling. Athletes then choke because they become nervous about being nervous; worrying about being anxious. Because the pattern of breathing affects the pattern of your performance, then when you are under stress, deep breathing will help bring your mind and body back to the present. This simple technique of focusing on your breathing and taking a couple of deep breaths will help learn to be comfortable with the uncomfortable.

Being *in the zone*, on the other hand can be identified by eight mental and physical conditions that characterise being in the zone or at the level of peak performance.

1. Being mentally relaxed or in a state of inner calm. Sometimes this can be described as the sense of time being slowed down and having a high degree of concentration.
2. Being physically relaxed so that muscles feel loose and fluid.
3. Confident /optimistic; feelings of self-confidence, being optimistic and positive about our own performance. This is very important during challenging times within the competition.
4. Focused on the present. Shooting is a here and now sport and we feel a sense of harmony when the body and mind is able to work as one unit. In order for the body to perform well, our minds must also be in the here and now. This means shooting this target and not the one missed (in the past) or not the ones in the shoot off (in the future). By controlling the thoughts about the future and the past, the body can perform automatically without conscious or deliberate mental effort.
5. Highly energised. A high-energy state is frequently described as feelings of joy, ecstasy, intensity or being 'hot'.
6. Extraordinary awareness: A state of mind that allows the athlete to be acutely aware of their own bodies and of those around them.
7. In control. The body and mind seem to do automatically what is right without the need to exert or impose control.
8. In the cocoon. This involves feelings of detachment from the external environment and any potential distractions, where the athlete has complete access to one's powers and skills.

The eight qualities listed above are those that are evident when athletes reach peak performance. But there is a difference between being a very good club competitor and being a national champion. Williams (1993) continues and describes a psychological construct referred to as flow. Flow was defined by Csikszentmihalyi when the challenge equals skill level, when one knows what to do, one has clear goals, deep concentration, a sense of being in control, and a sense of loss of time; and the activity becomes autotelic.

The difference between choking and being in the zone is the emphasis that we place on our breathing and being in the here and now. Being mindful of your breathing and what is happening to you at this very moment will help you into the zone. Forgetting about your breathing, and focusing on the future or the past will lead to you choking.

MARCH 23rd & 24th 2013

Bairnsdale 400

Wow it's hard to even contemplate shooting a 100 straight in American Skeet doubles. The conditions and concentration required to perform such a feat is immense. Coupled with the fact that the only 100 target Skeet Doubles event in the Australian Skeet shooting Calendar is at the Skeet Nationals and only 50 target events at the state shoots (and shoot-offs at stations 3, 4 and 5) means that all of the ducks have to line up on one day every year for the feat to be attempted. So much so that there has only been 4 shooters to actually shoot a 100/100 Skeet doubles on Australian soil despite the Skeet Doubles being in the National program for 26 years.

It is recognised that the shooters needed more opportunity to shoot more doubles and it had been socially discussed for several years now around the traps that we should have a doubles only shoot somewhere and sometime but nothing was ever done about it. So it was decided that a 400 target Skeet Doubles only shoot was in order to give the shooters the opportunity to shoot more doubles and hopefully get longer continuous breaks. Next it was where and when and after many discussions we found that the Bairnsdale club could host the event in March 2013. The only issue with that was that Bairnsdale only has a single skeet field so getting shooters through 400 targets in one weekend was going to be a challenge as the single field could only handle 4 squads. And also what to call it and the answer was of course the Bairnsdale 400!

We all arrived on the Friday afternoon and some were shooting some practise targets in preparation for the weekend. We also put on fresh Skeet gloves, practised our high fives, bottom slaps and knuckle taps to make sure we had all bases covered and ready for the weekend ahead!

We had a World Champion, a Commonwealth and Olympic Champion and three members of the current Australian Skeet team in attendance so the sprits were high and we knew that the competition was going to be fierce!

Saturday morning there were some bleary eyes and sore heads but the weather was stunning approximately 30 degrees, blue skies and very little wind. Perfect conditions for Skeet shooters so the ducks were starting to line up! The situation of the skeet field at Bairnsdale is not sunshine friendly early in the morning so the first squad didn't go on until 10 am as the sun glare was pretty intense.

After event three had concluded we had to celebrate with Michael Buttigieg as he had managed to put together a break of 103 by combining results in Event 2 and Event 3 so this was a fantastic result. With this break Michael had also completed the last leg of the Skeet Grand slam of 200 x 12 Gauge 100 x 20 Gauge and 100 x 100 in Skeet Doubles all in the space of two months as he had shot the long breaks in the Vic State Titles in February and Michael is now the 6th person in Australia to achieve the Grand Slam in Australian Skeet shooting.

After the events had been done it was time for the shoot offs and everyone gathered behind the field to watch the action.

RESULTS DAY ONE: Event 1 50 targets Skeet Doubles: 1st Glenn Clarke 49/50 +4, 2nd Dave O Sullivan 49/50+3, 3rd Les Beechy 47/50. Event 2 100 Targets Skeet Doubles: 1st Michael Buttigieg 99/100, 2nd Dave O'Sullivan 97/100, 3rd Steve Vaccaro 96/100. Event 3 50 Targets Skeet Doubles: 1st Lauryn Mark 48/50 +, 2nd Steve Vaccaro 48/50, 3rd Michael Buttigieg 47.

Sunday, day two, dawned bright and sunny and it was already hot as we headed for the club. But unfortunately it was windy. Not just a little windy but a lot windy as we

Lauryn Mark taking a breather

Kate Light

Michael Buttigieg HOA

could see clouds of raised dust on the farmland on the way to the club. Unfortunately the wind didn't abate all day so we knew we were in for a challenge ahead of us.

Determination was the key to success for this day, you had to dismiss the omnipresence of the wind and dig deep and just focus on the targets. It was tough going as the splits between the targets were unpredictable and was very hard to get the rhythm going from station to station that you need for doubles shooting. On the plus side there were many cheers as shooters smashed targets that were either way up in the air or skimmed the grass which made for lots of fun and as a by-product split the competition wide open so you couldn't put your money on anyone for a win.

RESULTS DAY TWO: Event 4 50 Targets Doubles: 1st Michael Buttigieg 47/50+8, 2nd Shane O'Brien 47/50+7, 3rd Gerry Petruska 46/50+6. Event 5 100 Tgt Skeet Doubles: 1st Lauryn Mark 95/100+2, 2nd Michael Buttigieg 95/100+1, 3rd Dave O'Sullivan 93/100. Event 6 50 Target Doubles: 1st Michael Buttigieg 49/50, 2nd Steve Vaccaro 47/50+4, 3rd Shane O'Brien 47/50+3. Overall Results: HOA Mike 381/400, 2nd Dave O'Sullivan 375/400. 3rd Lauryn Mark 374/400.

Skeet Doubles: Long breaks over 50 that were also achieved on the weekend were as follows: Michael Buttigieg 103, Glenn Clarke 72, Dave O'Sullivan 64, Steve Vaccaro 62.

Great people, awesome venue and challenging conditions equal one great Skeet shoot. Hopefully the Bairnsdale 400 will now become an annual event and provide Australian shooters with the opportunity to shoot more Skeet Doubles targets and greater opportunity to complete the last leg of the Australian Skeet Grand Slam.

The crew at Bairnsdale 400

Kolar Trap Max TA

Distributor: On Target

Product Review by Matt Dwyer

We seem to be surrounded by gun makers of long standing and tradition. Successive generations of family members born into the industry and taking over the reins as their natural progression evolves. One company which certainly doesn't fit that mould is that of Kolar Arms, which has only been around since 1996. For Kolar it all happens at 1925 Roosevelt Avenue, Racine, Wisconsin 53406 in the USA. I guess that makes two unusual facets to Kolar – the fact it is a relative newcomer and the fact it is an American made double shotgun. In their own words, they set out to “produce the highest quality, ultimately reliable target shotgun that money can buy”.

The Kolar line includes trap, skeet and sporting gun configurations, with choices of fixed or adjustable ribs, fixed or interchangeable choke tubes (designated CT's), “carrier barrels” and full length sub gauge tube sets, fixed or adjustable combs and a wide variety of forend styles, wood grades and levels of engraving. The gun sent for testing was the “Trap Max TA”.

The action is a boxlock design, with a matte silver satin nickel receiver, relatively free from decoration excepting a border pattern and company logo on the underside. The barrels pivot on trunnions, and bifurcated lugs on the interior of the action walls provide lockup and action strength. The top lever is of generous proportions and knurled on the left hand side to suit a right handed shooter's thumb with grip. The shape and size of the lever meant the gun was quite easy to open. The top tang also houses the safety, and the selectable barrels are chose for firing order via the selector located behind the trigger within the trigger guard. This selector is marked B for bottom and T for top, and is quite easily changed. Being behind the trigger I don't believe it should be inadvertently bumped. The removable trigger group is mechanical in operation, and in order to remove it a small Allen screw behind the trigger guard is removed and the whole unit simply pivots out.

The triggers were tested over ten pulls per barrel, as is my usual procedure, and they averaged 2.07kg/4.5lb (bottom) and 2.04kg/4.5lb (top) with no sign whatsoever of any creep, rough spots or glitches. In a word they were extraordinary. The position of the trigger blade is adjustable fore and aft, the springs are the coil

type and the design of the mechanism eliminates the possibility of double discharging.

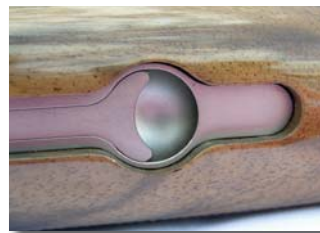

The beautifully matte finished barrels on the test gun were 81cm (32”) in length, came with five screw in chokes and weighed 1844gm when fitted with Modified and Improved Modified chokes. Overboring is becoming increasingly popular with a number of gun makers these days – as are longer forcing cones. The bores on the test gun are 0.750”, as opposed to a standard 12ga bore of 0.729”, and measuring the bores showed ultra consistent dimensions and the forcing cones are 70mm (2.75”) in length. Looking up the bores showed a brilliantly smooth polished finish. The chokes are 73mm (3”) in length and marked with their constriction measurements for identification (5 is skeet, 10 is IC, 15 is LM, 20 is M, 25 is IM, 30 is LF, 35 is F and 40 is Extra Full). They were smooth to install or remove and this was easily achieved by combination of spanner and fingers assisted by knurling on the tube ends.

There are no side ribs at all on the barrels which will greatly assist with heat dissipation, and a hangar at the muzzles keeps the barrels together at that end. The test gun came fitted with the

“high rib”, which is in fact adjustable for point of impact from 65/35 to 100/0, via a small wheel at the muzzle end. I patterned the gun with various POI setting and it came in almost perfect with all settings. The “ramp tapered” rib is manufactured of aluminium to ensure it isn't “top heavy” and it sits up 28mm (1.1”) from the top of the barrels. It had a silver mid bead with white Bradley front bead surrounded by an anti glare knurled pattern on both sides. Automatic ejectors were well timed and certainly dispensed with fired hulls emphatically.

The woodwork on the Kolar is English walnut which showed nice grain and a gloss finish. There is a 6 way adjustable comb in place, as well as an adjustable butt pad and thick soft rubber gel type recoil pad. The pistol grip and forend are hand checkered on both sides with a borderless pattern and a ribbon curling through the centre. There is a slight palm swell on the pistol grip and all checkering is executed to a pleasing standard. The length of pull was set at 374mm (14.7”), and trigger blade position is adjustable fore and aft. The drop at both the front and rear comb was 37mm (1.46”) and at the heel 65mm (2.5”) with the comb set in its lowest position. The design

of the rib, and stock dimensions, promote a "heads up" shooting position, which allows for quicker target acquisition and which allows a full and uninterrupted view of the target in flight. This is becoming the way of many gun designs now. The forend is about 260mm (10.5") long, of good dimensions and raked back at the tip. It employs the popular latch method of attachment and snaps into place perfectly on either set of barrels. There is no movement evident whatsoever once it is in place and I found it provided good control and "feel".

The gun weighs 4.57kg (10lb), and there is no other way to describe it but as a heavy gun. Having said that, it balances right on the trunnions making it a neutral handing gun, the characteristics of which belie its physical weight. The gun swings beautifully, and the guns weight combine with the overbored barrels and long forcing cones to make it a very soft shooting machine indeed. In fact I can assure you I have never fired a softer shooting double barrel 12ga gun. The beauty about muscles is that they respond to physical

activity, and the more shooting done with a heavy gun will result in muscles growing to provide the capacity to lift and move the gun more easily. A bit of practice with this gun results in the weight being less of an issue, while the recoil reduction benefit will still stand which comes to the fore in longer shoot-offs.

I did plenty of pattern evaluation with the test gun and there were no disappointments to be had in this area. Good dense patterns without large voids were the norm and it was easy to see why targets were so completely and emphatically inked. I have never seen a shotgun cause so much damage to clay targets. It was quite incredible that something which is so tame to shoot can be so vicious when they hit those clay birds! The targets were absolutely pulverised more often than not, and more consistently than with any other gun I have used. To say I was shocked and thoroughly impressed would be an understatement.

Kolar guns come in an "Americase" aluminium fitted case, considered as the best security for all firearms

with regard to preventing damage during travel. I have tested some of the finest guns in production over the past couple of years and the Kolar doesn't give ground to any of them. The triggers are THE best shotgun triggers I have used with regard to consistency. The wood to metal fit is flawless in every respect. The handling of the shotgun is deliberate and its behaviour under recoil is the benchmark for soft shooting shotguns. I am reliably informed the aftermarket sales and service by the folks at Kolar is beyond reproach.

Some of the best clay target shooters in the world have gone to Kolar. Skeet shooters Wayne Mayes and Paul Giambrone III use these guns exclusively. Successes achieved by top shooters, and a good advertising campaign in the US, continues to see demand for the product flourish there. There are quite a number of Kolar's in Australia at the moment and demand continues to steadily increase for them here.

When I read about these guns in dispatches from friends in the US I thought the popularity there

would be due to the patriotism displayed by the Americans for this homemade product. After testing the gun I am convinced that probably accounts for a small percentage of the demand for Kolar products. I am more convinced the demand for them stems from the fact they are an extremely well made shotgun, with magnificent triggers and the ultimate in sheer shooting comfort. The build quality is outstanding, the reliability unquestionable and the all round performance is spectacular. The clay target disciplines have been dominated by Italian guns for the most part, but I can see that changing not so far down the track. Keep an eye out for Kolar shotguns, accept any offer to try one, and if you are prepared to invest your money in what may well be the best competition shotgun on the market then buy one. Kolar have a 3 year warranty and are distributed in Australia by On Target phone 07 3289 2689 or visit www.650straightskeet.com. The Trap Max TA has a RRP of \$12,800 and comes fully cased.

Matt Dwyer

John Shima to attend NSW State Skeet Championships

The NSW Clay Target Association is pleased to announce that John Shima from the famed Bender Shima Shooting Clinics will be attending the NSW State Skeet Championships at the Cecil Park Shooting Complex to meet and greet with the competitors. He has offered his time free of charge over the weekend prior to his formal coaching commitments the following week.

John is a five-time World Champion, and has been teaching and conducting shooting clinics around the world for over 30 years and has been a member of the All American team over 30 times. John Shima and Todd Bender are the only two Honorary Fellows of the Institute of Clay Target Instructors.

So if you have always wanted to ask a question here is your opportunity to do so face to face with a World Champion. For further details on John's visit please email; wayne.petersen@optusnet.com.au

ECHUCA CLAY TARGET CLUB

Echuca College Girls Aim High

Echuca Clay Target Club committee welcomed a class of year nine, girl Students, from Echuca College on Monday the 29th of April, for an introduction to the sport of clay target shooting. Usually the main concern the Students have is how bad is the recoil, or "kick", from the 12 gauge shotguns. After explaining that the guns are purposely heavy and designed to minimise recoil, and the very light cartridges that are used in the sport also reduce recoil, the students were more able to concentrate on the safety measures, and the procedures used at the club.

After a talk on handling, aiming, and use of the guns, and being told that they will have individual coaching; the girls were split into squads and taken to the trap layouts. After only a few shots at targets, most of the girls started to hit an odd one, which delighted them no end. The biggest problem for young teenage girls is getting used to the weight of the gun, but at the end of ten targets, "shot at in single barrel mode only", there were three girls equal on a score of four out of "ten – Maegan Johnson, Meg Berryman, and Amellia Lowe. The usual policy of the club is to achieve an Overall Winner, and that is done, in fairness to the shooters, by allowing them to shoot at a further five targets and then comparing scores.

Amellia Lowe,
OA winner

Possibly nerves may have taken hold, but the loud cheering from all the spectators at every target hit must have helped, as Amellia Lowe managed to hit all but one, giving her an impressive score for a beginner of 8/15 in single barrel shooting, and that score gave Amellia the title of Overall Winner on the day! Very good shooting,

Amellia. "Congratulations". Meg and Maegan, both shared 2nd place, both shooting a 6/15 score. The committee members of the Echuca Clay Target Club were impressed by the good conduct of the girls, and their eagerness to improve their hand eye co-ordination, and the club's members wish to thank the Echuca College, and Teacher, Katrina Shirley, also the Students, for taking an interest in the sport of Clay Target Shooting.

–R Shae Woods, Courtney Denham, Rochell Lovejoy, Meg Berryman & Andrea San Diego

State Championship at Echuca

A day prior to Mothers Day, the Echuca Clay Target Club held their May 2013 shoot, which included a, 50 target, Victorian, State Continental Points Score Championship. With four other events included it was going to be a difficult task for the committee to finish at a reasonable time of day, yet that finish time was reached well before 6pm, possibly helped in no small way that five squads of shooters was all that arrived for the shoot, due no doubt to the fact that the following day was Mothers Day.

Some excellent scores were shot in the State Championship, with Cohuna member Greg

Greg Hipwell
OA PS

Peter Watkins
Handicap 1st

Rob Viney
OA 1st CM

Hipwell topping the list, alone scoring a winning result of 147/150. Three points down in a very difficult discipline is very good shooting, and it earned Greg the Overall Winners Sash, and the 1st in AA Grade trophy. Bendigo member Peter Akkermans shot a 144/150 score and that gave him the 2nd in AA Grade place. A Grade 1st was Reid Knuckey 167/177, A 2nd was B Pay 166/167. B Grade 1st was collected by J Costa 138/150, B 2nd P Watkins 130/150. C Grade 1st Julie Hogan 101/150, and 2nd in C Grade was Natasha Collins 83/150.

A 20 target Handicap was next, and Numurkah-Shepparton member, Peter Watkins, needed only eight more targets to head off Anthony Costa and win 1st place money in the Handicap with a clean score of 28/28, Anthony put his hand out for the 2nd place cash shooting a 27/28 result, and John Pay shot a 23/24 and that gave him 3rd place cash.

A 20 pair Deauville Doubles Championship was next,

Peter Akkermans & Luke Torney 1st DD

and the Bendigo pair of Peter Akkermans, and Luke Torney, kept all others at bay, and put their hands out for the pair of sashes for Overall Winners, and for the 1st place trophies, J Costa and Freddie Siciliano were the 2nd placegetters in the event.

Twenty targets of Graded cash Double Barrel was Event four, and without some names listed, the result were Five Shares in AA Grade, Four shares in A Grade, P Watkins collected all the cash for B Grade, and Julie Hogan collected all the C Grade cash.

Last but not least was the Echuca Club Mug, and after working all day in the office, Echuca's Rob Viney went out and withstood all contenders, finishing shooting off the 25 metre mark, to claim the cash dividend for 1st place in the Club Mug, well shot Rob!

Year Nine Boys Shooting

Echuca College year nine boys had two shooting clinics in May, and the Kyabram schools, St Augustines College, and Kyabram P12 High School, both sent classes of boy and girl Students for a single visit to the Echuca Clay Target Club, all Students trying their hand at the sport of Clay Target Shooting.

With a total of 68 brackets of ten targets to be shot by the Students it was a large task for the volunteers to organise, but with good skills to do just that, coupled with good behaviour from the Students, everything ran smoothly and the Students stated that they enjoyed the shooting clinic immensely. The Students interest increases dramatically once their coaches get them actually hitting targets.

The club always selects an Overall Winner or "High Gun" at these clinics, usually requiring a shoot off to determine the winner, in the case of the Echuca College it was out of the best of twenty targets shot, plus shoot off, and that was between Brandon Meihuish and Jack Horrop, both having achieved an excellent score of 17/20, and after a bracket of five, the scores changed to 20/25 and 18/25 with Jack Horrop

Jack Horrop Echuca
College OA winner

The Squire reports from West Wyalong

Trench is a tough clay target discipline but there were four squads of shooters from across the Riverina and Central West who turned up for the Central Zone Trench Carnival held at the West Wyalong Clay Target Club on the last Sunday in April.

It was a great autumn day to have a shot.

Brant Woodward of Australian Sporting Arms arrived and donated a couple of boxes of "flash" targets (as seen at the Olympics) for the final shoot off at the end of the 100 target main event.

Not only did Brant bring the targets he also had a car load of shooters with him.

The autumn weather was ideal and except for one small mishap during the day the fifteen traps functioned perfectly and no doubt Pearse Close will be much fitter after his long stint as trapper during the day. Thank you Pearse.

OA Glenn Kable, with Clive Foster
VP NSWCTA CZ

NSWCTA CZ ISSF Team for 2013
Grady Evans (Bathurst Gun Club), Trent Jamieson (Boorowa Gun Club) & Clive Foster (West Wyalong Clay Target Club)

It was Glen Kable who was the man of the moment and donned the handsome grey and maroon Overall sash at the end of the day's shooting forging ahead in the final to win 114/130.

First in AA Grade was Trent Jamieson 91/100 ahead of Karl Corry 87/100.

Local shooter, John Wason 81/100 narrowly led home the B Grade field from Greg Buckley 80/100. In C Grade, Sean McCarthy 79/100 finished ahead of Warren Woods 73/100.

When the dust had all settled the Central Zone Team to shoot in the NSW Trench

Championship in August was Trent Jamieson 91/100, Clive Foster 85/100 and Grady Evans 81/100.

Two local shooters, John Wason and Don Turner are reserves for the team.

ECHUCA CLAY TARGET CLUB

achieving the higher score, and receiving an Overall Winners Certificate, and congratulations from the club committee, and all the other Students.

The Kyabram Students some shooting so well, but also having had a little shooting experience, did not require a shoot off to determine

a winner, as St Augustines Student, Mathew Adams, shot the only perfect score of 10/10. That perfect score earned him the High Gun Award, and also, again, the congratulations from the club's committee members, and the other Students, excellent shooting Mathew, well done.

The Echuca Clay Target Club committee wish to thank the schools, the teachers, and their Students, for taking an interest and being involved in what is classed as one of the safest sports worldwide, which does have the ability to teach newcomers respect for firearms, due to the organisations strict safety and handling rules, and also improve their hand eye co-ordination.

Mathew Adams St Augustines College OA
& Kyabram club member Greg Norris

Mr Ludwig Kohler

L K Precision Engineering (Gemini Traps)

9/6/1941-25/4/2013 (Peacefully in his Sleep)

I first met Ludwig at Sydney Clay Target Club in early 1993, what a gruff, cranky full of himself box headed German or so I thought at our first meeting.

How wrong I was, as the time past and we became very good friends I often thought to myself what I would have missed out on if I had not endured those first few meetings with Ludwig.

He was a very tough man to argue with, because Ludwig only argued if he knew he was right other than that he would not waste his time arguing.

Love him or hate him he changed our sport forever with his invention of his beloved "Gemini traps" one flick of a switch from Singles to Doubles, He was the consummate engineer always thinking and perfecting his craft.

Others will argue that there are better Traps on the Market but that is their opinion not mine. (Opinions are like bum-holes we all have one).

Prior to designing and manufacturing the Gemini Trap Ludwig was very much sought after by Hearing-Aid and Pacemaker companies for his design in their manufacture, that's how good an engineer he was.

Ludwig was a man that loved speed, in his younger days he raced Motor Bikes, Go-Karts and Boats and was an accomplished Pilot, he owned several planes along the way one being an old DC3, which Ludwig hired out to the TV comedy show of "Norman Gunston" fame, Gunston used to get flown from State to State in Ludwig's DC3.

I remember one day I made the fateful mistake of asking Ludwig for help with the trigger in my Krieghoff, sure mate come over to the Factory tonight after work and we will fix it right away.

I arrived at 6.30pm and left his factory at 4am next morning, near enough, 95% was good enough I told him, bullshit was his response 100% is the only way it will leave my factory.

We attended our First Grand American Trap shoot together (Vandalia Ohio. August 1996) along with Geoff and Janenne Kidd (The Lawson Motel Wagga Wagga), we did nothing but laugh and have the time of our lives, you had to really know and understand Ludwig to appreciate his sense of humor.

He often joked that the Krieghoff trigger was made up of 32 moving parts, being a typical German engineer why would they only use 16 parts when they can use 32. (His way of joking about German engineering).

Some year's back Ludwig used to write the odd article on an American Trapshooting website called "Trapshooters.com" there was an article

written called "Target Flight" written by a then committee member of the ATA. (American Trapshooters Association, Mr. Neil Winston, he later went on to become the President of the ATA.) Well Ludwig did not agree with Neil's theory.

He then set about to disprove it by building a wind tunnel and

testing as many different types/makes of targets to prove Ludwig to be correct, many an aerodynamically mathematical equation was done by Ludwig to add to his proof, but let's say after many months and much money spent by Ludwig that the Yanks agreed to disagree.

3 Years later I was fortunate enough to meet Mr Winston at the 2008 Grand American Trapshoot and reminded him of the discussion that went on for many months regarding "Target Flight" he said to me then that he had the utmost respect for Mr. Kohler and his "Pearls of Wisdom" as he put it, apparently at the time it was the longest running thread ever featured on Trapshooters.com.

Ludwig had a way of falling out with his fellow Trap shooters; he often called it as he saw it and you were left knowing in no uncertain terms where you stood with him.

He was on Sydney CTC committee for some 6-7 years from mid 90's to the early 2000's, he was a stickler for the rules of Trapshooting, he always argued that all we have to work with are the rules as they were laid down, not what each and every individual thought, he found himself in many arguments along the way but not once did he deviate from the "ACTA RULES".

Ludwig's proudest shooting moment was back in early 2000 when he and Michael Diamond were the only two possibles in a Points Score Championship at the Illawarra Gun Club, you would not believe it Michael pulled a second on his first target, Ludwig shot his albeit very nervously and the rest is history as they say.

In the last 6-7 years his health had not been good, eye and heart problems were constantly with him, he had not shot for that time but still remained a member of Sydney CTC.

At the 2002 Nationals at Wagga-Wagga he had a Gemini Trap display with a sign on a post beside his display reading "Lift this flap to find out what causes you to miss targets" time and time again passersby would lift the flap only to be greeted by their own image in a mirror, such was his humor that only you can control "Hits or Misses".

My wife Karen and Ludwig had a special understanding if he got too much she would just say "Shut-up Ludwig" and he knew it was time to back off, she will miss him greatly.

Luddy as he was affectionately known to all his close friends will be missed by them and especially his Family, wife Fulla and daughter Christina, next time you shoot over a "Gemini" think of the little German box-head that designed and built it, we all owe him a debt of gratitude.

It's tough when we lose loved ones and its especially tough when you lose a good mate, Ludwig used to often phone me at work just to talk (he used to get lonely working in his factory by himself), there were plenty of times I wished him further as I was very busy running my own business at the time, always give your family/friends/mates the time they deserve you never know when that time will run out.

He rang me the morning before he passed away and I thank God I took time to talk to him, I would never have forgiven myself if I had not.

A little man of Big Stature.

**Your old squad mates, Gary, & Karen Kennerson
and John Crompton and all his mates from Sydney CTC**

From Don Johnson

Ludwig Kohler, 9/6/1941 - 25/4/2013 Inventor Designer Engineer

Lugwig invented this beloved "Gemini" Trap in the late 1990's, and the first commercial Gemini Trap was installed in 1996 at Sydney Clay Target Club and is still operating today in Trap 1.

Junior Coaching Clinic A Success

On the Easter long week end two local junior shooters (Adrian Bartolo and Cooper Mooney) attended a junior development coaching clinic run by Majura Park Gun club on the outskirts of Canberra, 14 juniors from the zone were invited and two national coaches put them through their paces. A credit to the Majura club, running this clinic at no or little cost to the juniors or parents, promoting the sport and helping some of the juniors financially who may not have been able to attend otherwise. First things first, the start of the clinic saw the fundamentals discussed and the little things like gun fit, stance and eye dominance that sometimes get missed were taken care of. Adrian said "one of the coaches discovered that his left eye is dominant which meant being a right handed shooter made it difficult to hit targets". Once this was diagnosed an easy remedy in

the form of a small piece of duct tape to block the vision in his left eye was positioned on his shooting glasses and then hitting targets was much easier. Cooper has attended one of these clinics in the past and with gun fit and eye dominance already sorted, set about learning more about the mental and technical side of the sport.

The coaching clinic had a major effect on both boys however none more so than Adrian who competed at Cecil Park Gun Club (home of the Olympic shooting events in Sydney) the following day, taking out high gun and winning the sash in his grade with a score of 233 out of a possible 250.

Adrian's good form continued over to last Sunday at the Goulburn Clay Target Clubs monthly shoot, with magnificent weather and 47 local and travelling

Adrian Bartolo, a proud winner

Max Clarke

Frank Bartolo

Leon Cuzner presenting Matt Patmore with his trophy

shooters in attendance. 2 events where on the cards for the day, with the first event 50 target points score producing multiple locked score, which meant shoot offs in almost all grades to decide the eventual winners. Local Josh Lambert clashed with Yass boy Matt Patmore in a shoot off for the top grade with Matt the eventual winner with a credible 203 out of 204.

The second event 50 target Continental saw 10 perfect scores and the ensuing shoot off span over 100 targets, again the top grade was taken out by Matt however locals featured heavily on the leader board with Frank Bartolo taking out A Grade and John Hutchins second in the same grade. Marulan Larrikin Max Clarke must be eating his veggies and was unstoppable with a clear win in B grade. Adrian Bartolo following on from last weekend's coaching and hot on his Dad's (Frank) heels, shot 47 out of 50 to take second place in C Grade.

The club also ran its Annual General Meeting after packing up with all positions remaining unchanged. Great to see Leon Cuzner voted in as president once more, Leon is a true asset to the club and he treats the club

like his baby. The club would not be in the strong position it is in without the likes of Leon, the Bartolo family, the Clarkes, the Mooneys and many others un-named (sorry if you are missed) along with the support and sponsorship from local business owner Josh Lambert from Fish and Shoot (Tackle World Goulburn).

A big thank you to all the members who gave an extra hour of their time to sift through the more boring side of running a not for profit club, practice shoots are still 6.30pm every third Wednesday and now with new lighting not even the colder months can stop this great little club. For any information about trying out the sport of clay target shooting or to undertake a firearms licence test, Leon Cuzner can be contacted on 0428 382 995.

Paul Edwards

VALE

The "Gemini" was the First Australian made trap to throw DTL singles, doubles and continental targets of a single arm trap in a full automatic mode. His design secured world patents.

I have known Ludwig only ten years, during which time we had many meetings in his factory at Bankstown which usually lasted two to four hours

and some went very late into the evening. For those of you who knew Ludwig, this was not unusual he loved to talk, about everything, not just his "Gemini" Traps.

We had very interesting discussions, some you could call arguments, Ludwig was the most stubborn, always right and sometimes the most abrupt and rudest engineer that I have had the privilege to know and work with.

One of God's chosen – a Fitter, Machinist, Toolmaker & Engineer.

THE AUSTRALIAN CLAY TARGET ASSOCIATION

presents the

20TH ACTA SPORTING CLAY NATIONALS

**TO BE HELD AT THE A.C.T.A. NATIONAL GROUND
TASMAN RD., WAGGA WAGGA NSW**

SATURDAY 17TH AUGUST AND SUNDAY 18TH AUGUST, 2013

Events to commence at 8.30am daily.

SATURDAY 17TH AUGUST

Event 1 - 100tgt ACTA Sporting Clays Championship
O/A plus 1st in AA, A, B, & C Grades, Medals 2nd & 3rd
Ladies/Juniors/Veterans (First place only)

Nomination: \$75.00

SUNDAY 18TH AUGUST

Event 2 - 100tgt Commonwealth Sporting Clays Championship
O/A plus 1st in AA, A, B & C Grades, Medals 2nd & 3rd
Ladies/Juniors/Veterans (First place only)

Nomination: \$75.00

NATIONAL SPORTING CLAY CHAMPION

In conjunction with Events 1 and 2
Overall winner: Royal Blue Sash and Trophy
Plus AA, A, B & C : 1st 2nd 3rd
Ladies/Juniors/Veterans (First place only)

Open to all ACTA, SSAA and Field & Game Australia Members

NOMINATIONS CLOSE FRIDAY 10TH AUGUST

FIELD LIMITED TO 120 SHOOTERS

ENTRY FORMS ARE NOW AVAILABLE FOR THIS EVENT FROM:

ACTA NATIONAL OFFICE ON 02 6938 2121 OR

CONDITIONS OF ENTRY

NATIONAL SPORTING CLAYS CHAMPIONSHIPS

1. Proof of association membership must be shown. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded. Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
2. Squads of 5 shooters to shoot 100 targets in four rounds of 25.
3. The Organising Committee will decide the order of shooting.
4. Skeet or Trap targets will be thrown, as well as mini, midi battue, rockett rabbit or flash or any other sporting clay target approved by the Association. Target type for any stand will be at the discretion of the shoot official, but shall number five (5) in total.
5. Shooters will be squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director.
6. Each shooter is to take enough cartridges to shoot at 25 targets
7. Shooters who fail to appear in time for their squad may be re-squadded towards the end of the event, but this is not guaranteed and non-participation is a possibility.
8. Should a shooter being late for his squad then elect to withdraw from the event he may not be eligible for any refund of nominations paid.
9. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
10. Any competitor will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfill their obligation to do so. Failure to either referee or score may incur a penalty of the LOSS OF ONE TARGET.
11. Shooters will be drawn from each day's last round squads to referee and score the first round of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility may be penalised one target. While replacement referee and scorers are permissible, the penalty of a loss of one target for they're failing to officiate shall be made against the officially designated person.
12. Any unauthorised shooter interfering with or attempting to interfere with the trap may be penalised FIVE (5) TARGETS.
13. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
14. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
15. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any section prize.
16. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
17. Nominations will be by pre-nomination, and only if nominations do not reach the maximum entry of 120 will nominations be taken on the day. Nomination if taken on the day of the event will incur a extra fee of \$25.00. Nominations will close daily at 10.00am.
18. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
19. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
20. Reduced Nominations: These shall apply to juniors and the second family members entering into the same event, they being wives and husbands. Shooters paying reduced noms are eligible for Open as well as section prizes.
21. All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Trap Championships.
22. Competitors to be eligible for A.C.T.A. team selection must be fully paid up members of the A.C.T.A. and Australian citizens prior to the competition.
23. Upon application to the ACTA office, refunds less a \$5.00 administration fee will be available. Refunds will not be available for competitors not complying with this condition of entry.

The CDSSA range is located on North West Coastal Highway - travel South from Carnarvon towards Perth and it is located approximately 100 metres from the cemetery.

Clay target shooters have Norfolk Island in their sights

The Norfolk Island journey is a long-time favourite for Clay Target shooters, the Norfolk Clay Target Association celebrates their 34th International Championships 02-07 February 2014.

An established popular event held in the first week of February it's no wonder clay shooters have Norfolk Island in their sights. Each year the Norfolk Island Clay Target Association hosts visitors atop Anson Bay, one of the most scenic spots on the island, for a week of competitive shooting and socialising among local club members and Australian and New Zealand visitors.

The week kicks off on Sunday afternoon when nominations are taken and the bar and clubhouse open with a welcome island style fish feast. The championships run throughout the week with the presentation dinner at major sponsor South Pacific Resort Hotel held on Friday night.

The Norfolk Island championships are unique because the event attracts so many visitors from Australia and New Zealand. Competitors literally

meet in the middle on Norfolk Island soil so the comp is a true melding of Aussie, Kiwi and locals competing for the titles. Events include 50 Target Skeet, Double Rise, Single Barrel, Ball Trap, Skeet Pairs, Ball Trap Pairs, High Gun,

Ladies High Gun, International teams and more.

Best of all the championships have become a great reason for partners, family and friends to tag along for a Norfolk Island holiday, the club invites all to attend the welcome, presentation and social functions during the week.

As the championships are held late summer it's the perfect time to visit and enjoy the beaches, deep sea fishing, snorkeling and all activities on offer. In fact it's not unusual for shooters to multi-task their holiday, to compete in the morning and get married that afternoon!

The Norfolk Island Travel Centre has just released hot deals for travel from Brisbane 01-08 February (7 nights) and Sydney 31 January - 10 February (10 nights). Prices start from \$849 per person 7 nights twin share ex Brisbane and \$1149 per person twin share 10 nights ex Sydney. The prices includes return airfare (seat and bag) to Norfolk Island, airline taxes, meet & greet at the airport, 7 night's twin share accommodation, 7 days car hire (hire car surcharge \$20 per day plus petrol extra), discount shopping card, complimentary mini-golf and complimentary 'A Walk in the Wild'. Clay Target Championship fees are additional to the above and payable direct to Norfolk Island Clay Target Club. Prices are current today and subject to change without notice. Conditions apply.

COACHING CLINICS

The VCTA South West Zone is holding two Junior Coaching Clinics in July.

They will be held on Saturday 6th July at the Warrnambool Gun Club and the 7th July at the Colac Gun Club starting at 10am both days and finishing around 3pm. Lunch will be supplied. The clinics are available to registered Juniors in the S.W.Zone.

The criteria to attend is that you must be a minimum of 14 years of age and be in grades A B or C.

All those wishing to attend could you please notify the club which you will be attending or myself on 0419 893 007.

Targets will be supplied but you will need to bring your own ammunition.

Gary Hayden S.W.Z.Coach

SOUTHERN ZONE NIGHT SKEET

Cecil Park Clay Target Club

Cecil Park CTC had the honour of hosting the Southern Zone Night Skeet Championships this year.

The night comp followed our monthly skeet comp and was well supported. We had 4 full squads attending. An excellent roast beef dinner was included in the nominations. Thanks to Wayne

Petersen and his wife for organising the roast dinner and Vivian for her expert preparation. The night skeet was a 50 target event won by Adrian Lucchetti after a two way shoot-off with Peter Vella. Congratulations Adrian.

Grade winners for the Southern Zone Night Skeet were Peter Vella in AA, Paul Kouroupis in A, Noel Watchorn in B and Steve Marcon in C. Thanks to all the shooters for their support. You will see we had a special bunch of "native supporters" for the night shoot. The shooting did not bother them at all and they stayed around for the entire event!!! This comp was particularly special as night shooting is a rarity in Australia and we look forward to hosting this event again in the future.

Full results were
50tgt SZ Night skeet:
O/A Winner
Adrian Lucchetti 61/63,
AA 1st Peter Vella 60/63,
A 1st Paul Kouroupis 46/50, B
1st Noel Watchorn 42/50, C
1st Steve Marcon 44/50.

Tony Hickman Shoot Marshall presenting Adrian Lucchetti O/A winner

Steve Marcon C grade High Gun winner

Paul Karoupis being presented A grade High Gun award

Great roast beef dinner organised by Wayne Petersen and prepared by Vivian

CLASSIFIEDS

Rates and Conditions

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$12.00 — 0-60 words

\$24.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

- (a) the person is a licensed firearm dealer, or
- (b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

- (a) the licence or permit number of the seller,
- (b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

WANTED: "For Private Collection" Old Paper shot shells and 2 piece packets. Will pay up to \$500 for trade brand packets. Powder tins. Gun Shop Catalogues. Australian Clay Pigeon Shooting News before 1960. Air Rifle packets & tins. Shooting memorabilia. Will pay good money. Pay top money for two piece Packets. Ph Mick Ward on 03 5775 1652. Shooters Licence No. 437 647-40B.

WANTED: Beretta ASE Gold X Trap in good to excellent condition. Suffolks Outdoor Sports Lismore NSW Phone 02 6621 3047.

WE ARE NOW ON FACEBOOK

The NSW Clay Target Association has now got its very own Facebook page, so if you a Facebooker be sure to Like us for all the latest news, results and important information.

Also if you have any photos you would like us to share of our NSW Shooters at their next, please forward the photo along with the details to the State office so we can load it on for you.

You can find us by typing NSW Clay Target Association into the search bar up the top of the page.

JOHN SHIMA TO ATTEND NSW STATE SKEET CHAMPIONSHIPS

The NSW Clay Target Association is pleased to announce that John Shima from the famed Bender Shima Shooting Clinics will be attending the NSW State Skeet Championships at the Cecil Park Shooting Complex to meet and greet with the competitors. He has offered his time free of charge over the weekend prior to his formal coaching commitments the following week.

John is a five-time World Champion, and has been teaching and conducting shooting clinics around the world for over 30 years and has been a member of the All American team over 30 times. John Shima and Todd Bender are the only two Honorary Fellows of the Institute of Clay Target Instructors.

So if you have always wanted to ask a question here is your opportunity to do so face to face with a World Champion. For further details on John's visit please email; wayne.petersen@optusnet.com.au
