Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "*most*" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

ACTA National Double Barrel Championship 2012 – 995/995

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

National President's Notes

At the National Executive meeting held in June I was elected for a two year term to the position of National President. I am honoured that the executive elected me to this position and would like to thank each of them for their honesty and dedication to their positions. Each executive member holds numerous positions in the executive which I am confident they will all excel in.

At this time I would like to thank the immediate past President, Mr Robert Nugent for the work and time he has committed whilst in the position and I look forward to working with him in the future.

Robert has remained as a seconded member to the grounds committee

and will be attending on your behalf at a meeting overseas as Vice President to the International Clay Target Shooting Federation.

For those that don't know me I will provide a small look into my past. I have been on the ACTA Executive since 2006 and have also been the South Australian Clay Target Association (SACTA) President since that time. My roles on the ACTA executive have included being the National Secretary and chair of the Legal and Governance committee. I am a serving (38 years) police officer and have qualifications in event management and tourism. I am presently a Director of the Australia & New Zealand Police Games Federation and have served on appointed Ministerial Boards relative to international major events. I also have a strong interest in administration practices.

At the National Executive meeting approval for a review of the ACTA constitution and bylaws was given, which will be undertaken by the Legal and Governance Committee in consultation with the Executive Officer and Landers & Rogers (ACTA solicitors) as soon as practical. Any constitutional changes will be referred to the full membership before inception as required by the current constitution.

The Management Committee for the next year was elected at the executive meeting and I can advise that the new committee consists of Mr Ron Traill (Victoria), Mr Robert Fox (Northern Territory), Mr Arty Del-Ben (New South Wales), Mr Garry Read (South Australia) and two seconded members, Mr Neil Haydon — legal (Victoria) and Mr Alex Smith — marketing and promotions (Queensland). This committee will be fully accountable to the National Executive for all constitutional matters and issues that impact the membership. The day to day running will be handled by the Management Committee with an "instrument in writing" being prepared to ensure the responsibilities and accountability of all committees is understood.

There are several new members on the executive and they are all listed inside the front cover of this Clay Target Shooting News (CTSN). Several new committee chairpersons are Mrs Cheryl Arnol (Tasmania) the chair of the "legal and governance" committee, Mr Arty Del-Ben (New South Wales), chair of the "championships" committee and Mr Garry Read (South Australia), chair of the "promotions and development" committee.

Cheryl brings a wealth of governance knowledge to the ACTA and will be a valuable asset in taking the association forward. Cheryl has also been elected to the position of Treasurer. Arty has represented the ACTA at numerous State, National and International events and is passionate about clay target competition, and will represent you all well in his portfolio. Garry is an active and progressive member of the executive and with the assistance of his committee will bring new initiatives to the association to progress membership and promotion of the sport.

The other committee chairpersons are Mrs Elaine Forward (Western Australia) — international shooting, Mr Ron Traill - rules, Mr Don Johnson (New South Wales) — grounds, Mr David Howe (Northern Territory) — coaching.

All of the present executive members come with a wealth of experience and will continue to lead the association into and beyond 2014.

The ACTA executive is there to progress and take the association forward into the "business" of clay target shooting. This association has to be run on a business model that will deliver each of the disciplines in the most efficient and financial manner. The next meeting of the Management Committee in August will consider the budget for the association for 2014. Mrs Cheryl Arnol as Treasurer has been invited to that meeting to assist in completing this on behalf of the association.

Once the Management Committee has met, minutes are typed and recommendations made, the full executive will meet by telephone to ratify (or not) all recommendations.

All members of the ACTA are reminded that if you have an issue that you believe should be discussed by the National Executive I remind everyone that each State has a process in place. In most States an issue is to be raised at the club level — then forwarded to the zone and finally to the State executive to ensure completeness. In most instances many issues can be (or have been) resolved before being referred to the ACTA. Utilising procedures already in place will lessen the workload on the ACTA office allowing them to complete other duties.

Continued on page 2

National President's Notes

Continued from page 1

I also bring to the attention of all members that the ACTA National Executive members are not 'slaves' to the shooters. In most instances they are club, zone and State delegates, and are involved in a multitude of committees and sub-committees within the clay target fraternity. Add to this other interests they may be involved in and their time is limited. As such, the executive are there to

progress the business of clay target and are advisors to the Executive Officer to ensure best business practice. At National Championships the Executive are there to ensure the smooth running of the championships, provide advice and assistance and ensure an enjoyable experience is presented by the ACTA office to members. In most instances, they are also competitors.

I thank you for taking the time to read this first report and look forward to meeting many of you around the clubs.

Allan Vilcins

Executive Officer's Report

In this report I have decided to deal with two issues, sportsmanship & membership. Clay target shooting is a sport and as such should be enjoyed by all and promoted by all as a great sport to be involved in. From an early age to later years in life male and female participants can enjoy clay target shooting. There appears to be a breakdown of sportsmanship in some sports these days and we do not want our sport to be one of them.

I would not put another person at risk in my sport, yet we have people associated with clay target shooting who would. An ACTA member not renewing their membership on time and continuing to shoot puts other members at risk. A non-member shooting "targets only" may seem to be a quick dollar for the club, however this person could cost you a great deal, as they are not entitled to shoot, nor do they have insurance cover. As our policy states, a person may attend 3 times before being required to become a member. This is not three times each year or three times per year at different clubs, it is 3 times. How many people in your club pay late membership, are you one of them? Are you aware that by exceeding the 28th February deadline, you and others on the ground are not insured should you cause an accident? This is putting members, clubs, volunteers and office bearers in legal jeopardy should an accident occur, as our insurer would not cover the person or club operating outside the scope of cover. This falls under both categories of membership and sportsmanship.

Sportsmanship is another interesting area and I will go back to when my father was a shooter many years ago. He talked often about the camaraderie and fellowship, about the tradition and history, about the honesty when shooting and refereeing. Our sport was built around integrity and honour within the sport. I hear of instances lately where this may have

changed, I hope these are isolated instances. We have a Member Protection Policy in place to ensure people are aware of their rights. I would say to those in the ACTA, make a conscious effort to treat other members with respect and integrity. We have a positive future and need leaders to show the way, these leaders need not be the older generation. We all have a role to play in the promotion and development of the sport. As a member protection officer your role is to advise people where to take their complaint, not to solve the issue.

The National Executive have met during June, the results of the sub-committee meetings and the National Executive meeting will be made clear in the coming months when the ACTA will forward those recommendations and decisions on to the general membership. These executive members representing you, the shooters, do this job for no remuneration and at a great deal of cost in terms of money and time. They represent you and your States, and most importantly the National Body. They have a vision for the Association which will take us through to the World DTL Titles in Wagga Wagga in 2018. The decisions of the National Executive in planning for this event are critical in terms of the timing of Nationals and for further development of the National ground. Representation to various funding bodies has already commenced with the view of presenting the National ground as a world class shooting and entertainment venue.

On behalf of the National Executive I seek your support as a member of the Association in going forward. The National Executive and the staff of the ACTA are continuing to drive the Association forward, and there are many new initiatives to be introduced, all with one thing in mind, "Is it in the best interests of the Sport?" Answer: YES

Cheers,

Tony Turner

GLEN INNES CLAY TARGET CLUB

APRIL 13 & 14 2013

ANNUAL SPORTING CLAYS

Saturday 13th and Sunday 14th April 2013 saw the Glen Innes Clay Target Club hold their annual Sporting Clays Shoot with 71 shooters travelling from Brisbane, Coffs Harbour, Gold Coast, Grafton, Guyra, Iluka, Inverell, Kingaroy, Quirindi, Tamworth, Toowoomba and Yamba. Saturday the weather was cool and overcast with the odd sleety shower in the afternoon with Sunday warm and fine - quite a contrast to the previous day. Our course builders changed the layout from previous years to provide some interesting stations in particular the 'sewer rat'.

The Overall High Gun for the weekend was won by Craig Hayes of Inverell RSM Club with a score of 187/200. A total of seven possibles were shot by five shooters over the eight rounds with the shooters receiving a 25 Break Cap for their efforts.

The Committee would again like to thank Will Cameron for co-ordinating the weekend, along with David Robertson-Cuninghame, Greg Burey, Paul Wright, Martin McCosker and Scott Larkings who helped to set up the stations and grounds for the weekend. Many thanks also to Loma and Marie for helping in the kitchen, with the BBQ for lunch each day and cooked evening meal. Thanks also to all who helped run the BBQ. Thanks also to

Neil and Tracey for running the office. Thank you also to anyone who helped in anyway preparing the grounds, running the competition, and filling the traps, especially those from other clubs.

2013 Trapshooting Hall of Fame Dinner

The annual Trapshooting Hall of Fame Dinner was held this year on the evening of Tuesday the 9th of April, immediately after the completion of the National Champion of Champions event. Registrations began at 6.30pm and at 7 o'clock the MC for the evening, Mr George Barton, invited the National President, Mr Robert Nugent to the stage. Robert welcomed everyone and thanked them for their attendance.

During his opening speech he made mention of how much he enjoyed the fact that we were able to hold the dinner "in house" this year, rather than have to outsource it to a local commercial premises. This was the result of the Nationals being held in Perth this year and the fact that the clubhouse of the WA Gun Club was more than adequate for the task. He also commended De Page and the ladies from WACTA for the wonderful job they had done decorating the hall.

He then presented this year's Grand Slam awards by calling up Brian Doyle, David Fox, Craig Fitzgerald and John Maxwell to

thanked the ACTA for recognising his efforts.

Robert then invited the members of the Australian Team that represented us last year at the World DTL Championships in Wales to come forward. Although all members of the Open, Veteran and Junior Teams were present, it was disappointing that none of the members of the Ladies Team were able to attend. Robert congratulated the Team on their performance and behavior and added that they had been great ambassadors for the ACTA and that he was very proud of them all. He further added how pleasing it was to see them all appear in their uniforms and congratulated Matt Schiller for winning the Junior section of the Championship.

George thanked Robert and then invited our National Vice-President, Mr Ron Trail, to the stage to present the Parker and Holland Cup to last year's Macintosh perfect score qualifiers. Ron called forward Greg Coleman, John Duryea, Dan Power, Matt Schiller and John Sleightholme and congratulated them on their flawless qualifying efforts.

Ron then invited the 2012 Long Break Award winners to come forward and receive their plaques. Glen Hayden received the 15 metre award for 890 straight, Sox Pilipasis the 25 metre award for 96 consecutive targets from the back mark and John Maxwell the Double Rise award for his break of 73. George then congratulated the recipients, thanked Ron for his assistance and announced a break in proceedings for entr  e.

After the break George invited Col Witt to

Macintosh perfect score qualifiers: Greg Coleman, John Sleightholme, Dan Power, Matt Schiller & John Duryea

the stage to present the Doug Smith Medal on behalf of Doug, who unfortunately could not be present. Col invited the eight finalists to come forward and interviewed each one on the highlights of their shooting last year. He then opened the envelope and announced that Sox Pilipasis had won the award again for an unprecedented third time. After Sox responded George announced the major break of the evening for everyone to enjoy their main course.

Returning from dinner, George invited the ACTA's acting Historian, Adrian Cousens to the dais. Adrian briefly outlined a new ACTA initiative called AA Elite, where shooters who have reached a prescribed level of accomplishment can elect to set an example by choosing to remain in AA grade and shoot off the maximum handicap mark for the rest of their shooting career.

Once accepted, these shooters have their name added to a register which is displayed on the ACTA website and they are no longer required to maintain a Handicap Card. They are also presented with a very distinctive and tasteful silver badge denoting their attained elite status. Of the twenty two shooters who have been accepted to date, eight were in attendance and came forward to accept their badges and assemble for a group photo.

Following this George thanked Adrian, congratulated the recipients and then outlined this year's Hall of Fame induction, where upon he invited the 2013 inductee, Mr Glen Hayden to the dais. Glen's close friends Phil Grainger and Sam Clifford then came forward and delivered a resume of Glen's shooting career, which contained some entertaining highlights.

Grand Slam Award recipients: Brian Doyle, John Maxwell, David Fox & Craig Fitzgerald

receive their plaques. After congratulating them on their accumulated achievements and inviting Jim Shepherd to take their photograph, he proceeded to the presentation of this year's Presidential Medal. Barry Kable was invited to the rostrum and he spoke at length about the vast administrative accomplishments of this year's recipient, Mr Robbie Smith, who in turn

Upon return he congratulated Glen and all the other recipients, thanked all the guests for their attendance and wound up the evening at about 10.45pm.

2013 TRAP CARNIVAL

Bendigo Clay Target Club was the host for the 2013 NEZ trap carnival on a Saturday in May that was overcast, cold, and threatening to rain, but fortunately did not. Possibly the poor weather conditions may have kept some shooters away as numbers were down slightly on 2012, but the nine full squads that did arrive to compete, enjoyed a highly successful trap Carnival.

The overcast sky may well have been a bonus, as the fluoro targets against that background were extremely visible, in turn allowing the shooters to produce some excellent scores. Also with some competitors winning multiple events the need for winning photos was reduced to only five. Echuca's, Stephen Atkins, and Yarrawonga's, John Gemmill, were the two finishing the shoot off for the Overall Winner in the 25 target, NEZ Points Score Championship, and John managed to drop a target, giving the Overall Winners Sash, and 1st in AA Grade position, to Steve Atkins, who ended up on a score of 138/138. John had to settle for 2nd in AA Grade with his score of 135/138. This Points Score Championship was proudly sponsored by Spartan Global/Kemen Australia.

The next event, a 25 target, NEZ Single Barrel Championship, was never going to be anyone's event other than Steve Atkins, as he was the only shooter to down all 25 targets with a single shot for each. Again Steve's shooting earned him the Overall winners sash, and the 1st in AA Grade trophy. And after a shoot off between all the other competitors that had lost one target initially, Echuca's, Casey Fletcher, outshot all the others in the shoot off, to take out 2nd place in AA Grade with an end score of 53/54.

A score of 34/34 was what Ararat's junior member, Thomas Pilgrim, shooting off the 19 metre mark, had to shoot to become the Overall Winner in the NEZ 25 target Handicap. Bendigo member Emma Cox, back on the 22 metre position, pushed Thomas that far but unfortunately dropped her 34th target, and put her hand out for the 2nd place cash payout. Rayce Burgess a Werribee shooter also off the 22 metre mark ended up with a score of 34/35 to collect the cash for third place in the Handicap, and another Werribee member, Junior, Nathan Zechner, standing on the 18 metre position claimed the fourth place

cash after scoring a 33/35. The NEZ Handicap was sponsored by Kudri and Lynda Demaj, and the Zone committee thank them for their sponsorship.

Last but certainly not least, the last event, a 25 target, NEZ Double Barrel Championship. And after so many shooters shot all 25 targets, in the shoot off it finally got down to two shooters, Bendigo's Tony Moroni, and Echuca's, Casey Fletcher, and at the point of almost being too dark, Tony dropped his 219th target, and when Casey shot his he became the Overall Winner, and also claimed 1st place in AA Grade with his excellent 219/219 score. Well shot Casey! After a period of time when the spectators thought that no one was going to miss a target, unfortunately Tony did miss, and that 218/219 score gave him 2nd place in AA Grade. Again, well shot Tony! Both shooters were shooting so well, that eventually it had to be lack of light that finished the event.

The Victorian North East Zone Open Team consists of Bernard Pay, Daryl Hunt, Casey Fletcher, Geoffrey Ervin, and Tony Moroni, with Luke Torney and Emma Cox as emergencies.

The Victorian North East Zone Veteran Team consists of Michael Ilickson, Don Collihole, Ron Traill, with Graham Coyle as emergency.

Unfortunately insufficient numbers at the shoot made it impossible to select a Lady and a Junior Team.

Ladies Overall High Gun Emma Cox (Bendigo) 143/150.

An excellent Carnival, running smoothly all day, except for a little trap problem, targets were easy to see against the cloudy background, shooters were putting in some high scores, a thanks to the ladies for the food and drink throughout the day, and it was most unfortunate that insufficient numbers of ladies and juniors arrived for the shoot. Also again, a big thank you to the sponsors.

2013 Victorian State ISSF Titles

The 2013 Victorian State ISSF Titles were conducted at the Melbourne Gun club on May 10-12. The titles were again recognised as an AISL "PQS event" and as such formed to be the first of the Commonwealth Games selection events held in Australia. This ensured large crowds and strong competition. The titles were also the first of all States to be held using the new rules introduced by the ISSF in 2013.

DOUBLE TRAP

Held on Friday the 10th of May the Double Trap kicked off right on time with 4 full squads of shooters ready to go. Conditions could not have been better and 24 shooters battled out the 5 rounds of 15 "random pairs" of targets right til the end.

After the 5 rounds we were left with the top 6 shooters who qualified to compete in the "semi final" these shooters being Tom Turner on 135/150 who went very close to the high PQS score of 137, Russell Mark 131, Steve Haberman & Adam Vella on 129, Craig Trembath 124 and Marc Crimmins winning a 3-way shoot off to sneak in for 6th position with a 121/150. Congratulations must also go to Steve Haberman for recording the first clean round of 30/30 in Australia!

As per the new rules all 6 shooters now start from zero for the semi final meaning it basically is anyone's event who has qualified for the final. A further 15 pairs saw Craig Trembath record an excellent 29/30 to ensure he progressed to the Gold Medal match. Steve Haberman and Russell Mark, only 1 behind him, required a shoot off to see who would join Craig. After 5 pair it was Russell the victor leaving Steve to shoot off with Tom Turner for the bronze. Tom recorded a 27. Adam Vella with

OA Double Trap winner, Russell Mark, in action

a 26 & Marc Crimmins a 24 were both eliminated.

BRONZE MEDAL MATCH HABERMAN VS TURNER

After 15 pairs in the bronze medal it was Tom Turner who held on for a strong win to claim Bronze 26 to 22. Tom had shot brilliantly all day and as has been seen with the new rules recently the person who goes in leading doesn't always come out on top despite breaking more targets than everyone for the day!

GOLD MEDAL MATCH MARK VS TREMBATH

After 15 pairs these 2 still could not determine a winner with both recording 28 out of 30. A shoot off miss and out was required and what a marathon it became. Pair after pair both shooters knocked down with ease until on the 12 pair Craig Trembath missed and Russell nailed his to become the 2013 Victorian State Champion. These 2 put on an awesome display of shooting which was great to watch. Congratulations to Russell on adding yet another State Title to his collection.

Full list of Double Trap winners: Gold Russell Mark 131 + 28 + 28 + 23, Silver Craig Trembath 124 + 29 + 28 + 22, Bronze Tom Turner 135 + 27 + 26, AA Grade Steve Haberman 129, A Grade Marc

Crimmins 121, B Grade Ben Palmer 117, C Grade Joe Melisi 90, Junior Matt Woods 116.

WOMENS TRAP

Suzy Balogh 2nd Womens Trap, Laetisha Scanlan 1st Womens Trap, Catherine Skinner 3rd Womens Trap

With what would almost be a record of 15 women entered the State Women's Trap Championship held on Saturday 11th of May in great conditions. Fresh from their wins at the World Cup in UAE both Laetisha Scanlan and Catherine Skinner started as the white hot favourites. Catherine getting off to a great start with rounds of 25, 24 putting her in a great position in her last round to nail another PQS. With a 22 she did just that to be top scorer into the final on 71. Scanlan was next with 68 followed by Suzy Balogh on 67, Anna Shedrina 65, Tegan McCloy 64, Emma Cox & Penny Smith on 58.

Into the semi final we saw Suzy shoot a great 14/15 single barrel with Laetisha Scanlan shooting a 13 to join her in the Gold Medal Match. The spots for the Bronze Medal match were tight with Emma Cox, Tegan McCloy and Catherine Skinner requiring a shoot off to determine who would battle it out. Emma & Catherine being the victors after 2 targets.

BRONZE MEDAL MATCH COX VS SKINNER

Disappointed with her semi final round Catherine came out on a mission and nailed all 15 targets single barrel in the Bronze Medal

match to win 15 to 9 to continue her good form. Great shooting Catherine.

GOLD MEDAL MATCH SCANLAN VS BALOGH

Undeclared in Women's events under the new final System, Laetisha Scanlan was looking to continue her unbeaten run in 2013. Shot for shot both girls went until Suzy missing a couple in a row gave Laetisha the buffer she needed to come out on top 13 to 9 remaining undefeated in

2013. Gold Laetisha Scanlan 69 + 13 + 13, Silver Suzy Balogh 68 + 14 + 9, Bronze Catherine Skinner 71 + 9 + 15.

WOMENS SKEET

Over on the Skeet field the 3 Women were caught in a very tight competition. After the 3 rounds Laura Coles had shot rounds of 21, 23, 25 to fall just one short of

her PQS. Lauryn Mark recording 66 and Zita Dettori a 60.

In the semi final it was Laura Coles who again continued her good form to shoot a 14, Zita a 10 to put her into the Gold Medal Match with Laura. Lauryn being eliminated with 8.

Laura Coles 2nd Womens Skeet & Zita Dettori OA Womens Skeet

GOLD MEDAL MATCH - COLES VS DETTORI

As has been the norm with recent events leading into a final can now be a curse!!! Zita shot an awesome Gold Medal match to come out on top 14 to 13 in a great display of shooting by both girls!! Gold Zita Dettori 60 + 10 + 14, Silver Laura

Coles 69 + 14 + 13, Bronze Lauryn Mark 66 + 8.

MENS TRAP

*Christopher Southwell
Junior Trap winner &
Adam Vella OA Mens Trap winner*

A large crowd of 56 men had entered the Trap event held over the Saturday (50tgs) and Sunday (75tgs & final). Saturday's conditions were fine and sunny but Sunday proved tricky with a strong wind and dark and dull conditions. This didn't stop some great scores being posted especially from Brett Dunstan who had rounds of 25, 21, 25, 24, 25 to record a 120/125 and a PQS. Well done Brett!!! Second into the final was Adam Vella falling just one short on 119, Todd Malone 117, Vinnie Mollica 116, Glenn Kable and Steve Trembath after a short shoot off on 115 all qualified for the semi final.

What a semi final we had, with rain coming and light fading quickly Todd, Glenn, Adam & Brett all ending on 13/15!!! Steve & Vinnie being eliminated shooting 12 & 9 respectively!

After the shoot off the shooters to go to the Gold Medal match were Glenn Kable & Adam Vella. This left Todd Malone & Brett Dunstan to battle for Bronze.

BRONZE MEDAL MATCH DUNSTAN VS MALONE

Brett again displaying the curse of leading a final went into the Bronze Medal match with Todd Malone. In what could only be described as a "world record for the fastest medal match" this affair was done in record time with both guys getting straight into it. Brett came out on top 13 to 8.

GOLD MEDAL MATCH – VELLA VS KABLE

With the vast experience both these

L-R: Daniel Baskerville 3rd OA Skeet, Brett Dunstan 3rd OA Trap, Todd Malone A grade Trap, Christopher Southwell B Grade Trap, Craig Mitchell C Grade Trap

2 shooters have a close tussle was always on the cards. Rain getting closer and light getting darker by the minute these 2 Olympians battled right till the end. Adam came out on top 13 to 11 giving him yet another Mens State Trap sash!! Congratulations Adam.

Gold Adam Vella 119 + 13 + 13, Silver Glenn Kable 115 + 13 + 11, Bronze Brett Dunstan 120 + 13 + 13, A Grade Todd Malone 117, B Grade Christopher Southwell 115, C Grade Craig Mitchell 90, Junior Chris Southwell 115.

MENS SKEET

Mens OA Skeet winner Paul Adams

A total of 9 shooters were battling it out on the Skeet Field for the Men's Title. Paul Adams had handled the tricky conditions the best recording a great 120/125. Keith Ferguson was next on 113, James Bolding 107, Joshua Bell 100, Daniel Egan & Daniel Baskerville next on 96 made the semi final.

In the semi final both Keith & Paul ensured that they was going through to the Gold Medal Match

with a score of 13. Right behind them was Daniel Egan on 12 and Daniel Baskerville on 11 to fight for Bronze. James with a 10 and Josh with an 8 were eliminated.

GOLD MEDAL MATCH ADAMS VS FERGUSON

Finally the hoodoo of leading into a final was broken with Paul shooting a great round to defeat Paul 14 to 12. Great shooting Paul on becoming the 2013 Victorian State Champion.

BRONZE MEDAL MATCH EGAN VS BASKERVILLE

The battle of the Daniel's for Bronze saw Baskerville come out on top in a hard fought round winning 10 to 8 which finished off a great weekend for him.

VICTORIAN SHOULDER TO SHOULDER TEAMS

Of course the highlight of any State Titles is to see who will represent our state at the next National Titles which will be held in Perth in 2014

Double Trap Russell Mark, Adam Vella, Steve Haberman. Womens Trap Catherine Skinner, Laetisha Scanlan, Anna Shedrina. Mens Trap

Brett Dunstan, Adam Vella, Todd Malone. Mens Skeet Keith Ferguson, James Bolding, Daniel Egan.

Congratulations to all shooters above and we wish you well at the Nationals.

An event like this doesn't happen without some big thank you's!! First to our Referee's and Officials who helped out all weekend to ensure this event had PQS Status, Ian Urch, Judith Kent, Peter Wray, Darren White, Tina White, Matt Dunkley, Vince Mollica & Kelvin Prescott. To Claire and Paul Watts for doing the office work with the help of Jean Wray on the handicap cards. And finally to the Melbourne Gun Club Committee & members, in particular Darren White, Steve Aston, Peter Wilkins, Steve Pellegrino, Rick Wallace, Matt Dunkley, Craig & Jack Henwood. Your help ensured a great carnival was enjoyed by all.

Thank you to Tina White for organising some small mother's day presents to all the mothers who were "forced" on Mother's Day to be at the range supporting their sons/daughters/husbands. A gesture that was welcomed by all.

This ended one of the most successful State ISSF Carnivals. We thank all who travelled from interstate and look forward to hosting you again in 2014!

TAREEE WINGHAM CLAY TARGET CLUB

APRIL 27 & 28 2013

17th Flying Fox Carnival

Taree Wingham Clay Target Club was magnificent for the two day carnival thanks to all the work carried out by club members. The fantastic spring weather bathed the grounds in sunshine without the heat of summer. It was a real treat each day. Tents, Caravans and Winnebago's were vying for the ideal site and upon arrival on Saturday morning everyone knew we were going to have a great weekends camaraderie and shooting.

Registrations completed, books and money handed over and competitors were ready to meet and greet friends they hadn't seen for a few months or so. Daryl Pasfield announced the squads over the PA and shooters had to curtail the catch ups to later in the day. Once more shooters came from varied clubs and it was wonderful to see the support from shooters making the effort to travel to Taree Wingham CTC yet again.

Taree Wingham Clay Target Club would like to thank the following sponsors for ongoing support, and trust they will continue to do so for future events. Thank you to: Robert & Libby Clarke Flying Fox Fifty Championship, G.B.Corsivia ANZAC Handicap & Overall High Guns, Leicht's Tyre & Auto Double Barrel Continental Championship, RedPoint Single Barrel Championship, Bourke's Transport Industries PS Championship G & L Paving &

Asphalt Champion of Champions, Lesley Langer Ladies High Gun.

Our first event on the Saturday was the 25 target G.B.Corsivia ANZAC Handicap. The conditions were perfect first thing in the morning however, its amazing how many shooters managed to drop a target or two from their designated meterage. One or two metres back can make such a difference and even things out, it's quite amazing. The final results were: 4th Phil Baker 27/28, 3rd Ceasar Diaz 35/36, 2nd Robert Verrall 36/37, 1st Peter Ryan 37/37.

The second event of the day was the 25 target Bourke's Transport Industries Points Score Championship. The conditions were perfect for clean scores. Maybe just a little too perfect for some, and a second barrel or two made all the difference. Too many shooters were accustomed to winds and rain, so when the sun was shining, and

not a breath of wind, it put some right off. Honestly, overall the standard in all grades was very high indeed with only a point or two the difference separating first and second. The final results were:

Overall Kevin Thompson 87/87, AA Grade 1st Daryl Pasfield 84/87, 2nd Gary Carlyon 83/84, A Grade 1st Robert Verrall 74/75, 2nd Noel Edlington 72/75, B Grade 1st Russell Sainsbury 73/75, 2nd Sophie Sainsbury 71/75, C Grade 1st Col Creighton 70/75, 2nd Peter Ryan 75/81.

The third event for the day was the Leicht's Tyre & Auto Port Macquarie (owned by Peter & Sharon Leicht), 50 target Double Barrel Continental Championship. The afternoon brought slight changes to the weather, though it did not appear to create too many difficulties for most shooters. The final results were: Overall Robert Marco

65/65, AA Grade 1st Phil Baker 64/65, 2nd Jeff Richardson 58/59, A Grade 1st Robert Verall 50/51, 2nd Libby Clarke 49/51, B Grade 1st Lesley Langer 47/50, 2nd John Russell 46/50, C Grade 1st Peter Ryan 46/50, 2nd Philip Doyle 42/50.

With the days shoot over, some moved into the clubroom for the scheduled Zone Meeting, however, most of us enjoyed a few drinks and afternoon tea watching a beautiful sunset. Everyone no doubt took it easy and was planning for the challenges of the following day.

Sunday started with the 50 Target Flying Fox shot as 25 targets DB and 25 targets PS, sponsored by Libby & Robert Clark. Another perfect day greeted us and we all hoped for perfect scores. Hope hadn't quite got out of bed unfortunately, though there were some great results throughout the grades. Shoot offs were needed

The results were as follows: Overall Kevin Thompson 160/160, AA Grade 1st Kevin Raymond 157/160, 2nd Matt Colley 139/140, A Grade 1st Robert Marco 99/100, 2nd Robert Verrall 98/100, B Grade 1st Cherie Hunter 136/140, 2nd Jon Russell 135/140, C Grade 1st Tristan Hunter 89/100, 2nd Philip Doyle 78/100.

Shooters went out to compete in Event 5, the 50 Target RedPoint (owned by Brad Hooper), Single Barrel Championship. There were a few shoot offs in a couple of the grades, which was excellent. The finals results were: Overall Peter Boland 29/29, AA Grade 1st Dale Ellis 28/29, 2nd Cesar Diaz 39/40, A Grade 1st Lionel Finlay 23/25, 2nd Robert Verrall 27/30, B Grade 1st Dennis Roughan 32/35, 2nd Lesley Langer 31/35, C Grade 1st Nancy Davis 23/26, 2nd Peter Ryan 22/26.

The final event of the day was the G & L Paving & Asphalt Champion of Champions. 30 target event, which was made up with 10 DB, 10 SB & 10 PS. There were shoot offs to establish the final places in AA Grade and 2nd in B Grade, which was good to watch however, Cesar Diaz 99/100 secured 1st in AA Grade over Matt Colley's 98/100. Cherie Hunter 65/75 secured her place as well. Well done ladies and gents. The results were: Overall: Tony Norris 50/50, AA Grade: 1st Cesar Diaz 99/100, 2nd Matt Colley 98/100, A Grade 1st Libby Clarke 48/50, 2nd John Lisle 46/50, B Grade 1st Jon Russell 45/50, 2nd Cherie Hunter 65/75, C Grade 1st Tristan Hunter 49/50, 2nd Peter Ryan 39/50.

Golden Grain Shoot

Coonamble Clay Target Club had their Annual Golden Grain Shoot on the new date, being the 13th and 14th of April. The shooting conditions were perfect, Canterbury Traps, White Flyer Clays and great weather made little excuse for any bad scores. The company and these conditions allowed shooters to get great results and have a fantastic weekend. Although with no frost on the ground and with temps in the high 20's, we were worried about the Orange and Bathurst shooters. The fluid intake kept up and they battled through. Shooters travelled from as far as Victoria, Forster, Cessnock, Cowra and our close surrounding clubs that always support us.

After the completion of the day a few drinks were enjoyed, which was provided by Coonamble Cellars. To make sure everyone was home safe a courtesy bus was provided to take all guests back to their destination which was kindly donated by NRC Buses.

AA Grade: Peter Boland 316/325, A Grade: Robert Verrall 313/325, B Grade: Jon Russell 298/325, C Grade: Tristan Hunter 289/325.

Overall High Gun sponsored by GB Corsivia was awarded to Matt Colley who shot consistently top scores to achieve 317/325. Well done Matt.

The shoot concluded at a reasonably early time for travellers to get on their way home as early as possible. The Wingham Country Women Association packed up at the end of proceedings still trying to ply everyone with even more food. They too headed home for a well earned rest. They had worked tirelessly all weekend providing great food for the competitors. Thank you to the CWA ladies, and we will see you next year.

The main three trappers, David Berry, Ron Marsden and David Sutherland, cleaned up the traps, closed them all up for another shoot next month. They did a brilliant job keeping the traps full for a smooth competition. Thank you gentlemen

The committee of Daryl Pasfield, Terry Duck, Gary Brown, as well as other club members did an exceptional job running yet another Flying Fox Carnival at Taree Wingham Clay Target Club. Well done. I'm trust everyone will be back next year and hopefully they will tell their friends what a great weekend it was.

Looking forward to being at future shoots and catching up with one and all. Have fun and keep smashing those targets

Lesley Langer

The weekend came to an end it was an early finish to allow travellers to have a safe trip home. The Coonamble Clay Target Club would like to say thank you to all the shooters because for a small club to have these travellers, helped make it a successful weekend. We would also like to say thank you to a Major Sponsor and their continue support, Geronimo. The other big sponsors were Ross Chandler, Hieken IGA, Graincorp, Coonamble Auto Trim, Halcroft & Bennett, DE & AJ Murray, Gunpro, Caltex, NuFarm, HJ & Wiatkowski, Coonamble Concrete and Coonamble Cellars. Without the sponsorship the annual shoot would not be possible so thank you for your support.

BEGA RV REPAIRS CONTINENTAL 100

June is always a great shoot at Bega Gun Club and this year continued the tradition. RV Repairs, Eden, the business of club President Phil and Pauline Body, graciously sponsor the 100 Target RV Repairs Continental event, providing sashes and ammo prizes for all grades.

The weather was fine but windy with a few clouds to liven up the view and add a little more challenge to the program. 31 shooters from around the district turned up to provide six squads. The program was shot in two halves of 50 targets with 25 on each layout.

Round one saw some excellent shooting, especially with the wind helping targets dodge and weave at the most inappropriate moments. Charlie Smith set the standard with a 49/50, with Stuart Bennett, James Barron, Peter Ewart, Ray Welch and James Ewart, all one behind, on 48. In the grades, Dick McInnes lead C grade, James Barron, B Grade, Peter Ewart, A and Charlie Smith AA.

After the usual fabulous barbecue lunch, round two commenced with a lot of shooters in contention for the prizes. The wind continued to assist

in a variety of ways, not all good. After another fifty targets, Charlie Smith and Peter Ewart took to the trap for a further nine targets, before Charlie emerged victorious with a score of 106/109 to take the overall championship sash. Peter's performance gave him the prize in A Grade with a score of 105/109. Runner up in A grade was Peter's son, James, with a total of 96/100. In AA Grade, Stuart Bennett and Ray Welch also returned to the trap after both finished with 96/100. Stuart managed to collect 102/106 to take the prize from Ray on 101/106. James Barron showed great form in B Grade to win with a score of 96/100 with Mario Magrin collecting second with a score of 86/100. In C Grade, Dick McInnes, continues to shoot with great consistency, taking the sash with a score of 88/100 from Adam Campbell on 84/100. Great to see Adam back shooting, along with his Dad, Lindsay.

Once again, despite three shooters having a go, the shoot raffle remains intact and growing. Thanks to Phil Craig, George Toyne and Mario Magrin for being happy with the meat tray instead of the cash. The treasurer is always very pleased with such generosity

The Club again thanks Phil and Pauline for their ongoing support of our club and sport.

Cuzzo's Ramblings

This writing period included the Skeet Nationals, then a couple of weeks travelling to Alice Springs for the NT State Trap/Skeet Shoot and then another week travelling to Darwin for our winter holidays.

Sub Gauge Championships

The Pre Nationals were held on Sunday May 19th and comprised three events. The first two were the ACTA 28 gauge and 410 bore Championships and the last was the All States Skeet Championship. The most frequently asked questions that day were: 1. Why aren't the 28 and 410 National Titles? 2. When are they likely to be? And then 3. When will they be included in the Overall High Gun?

As these are pretty much the same questions that were posed when we first started to shoot the 20 gauge, I think the answers will also be very similar. In order they are: 1. Because not enough people shoot these events yet to make National Championships meaningful and relevant. 2. When a clear majority of the attendees at the Nationals participate. Probably at least two thirds, which would be about 100 as we currently get about 150 entrants. And 3. When at least 90% of the total entrants shoot these events.

Pre Nationals

This year the numbers in the two small gauge events were about the same as last year. Twelve squads, which is about 60 shooters. The All States 12 gauge event expanded out to sixteen squads or about 80 entrants. Shoot-offs for all three events were conducted as doubles at three, four and five in order to make sure they were finalised before dark as well as to gradually introduce this shoot-off format to

Pre-National winners

the rank and file shooters. As shooter numbers increase and shooting performances improve, the necessity for doubles shoot-offs will correspondingly increase. Bairnsdale Gun Club members got off to a great start by winning all three Pre-national events.

Skeet Nationals

Monday saw the shooting start in earnest with the Champion of champions. We all held our breath as Lorraine Hughes tried to become the first lady to win an overall National Championship, but sadly it was not to be on this occasion. With Lorraine's unquestionable talent I'm sure it is only a matter of time. What made Tuesday memorable was a "Kiwi" giving us a 20 gauge shooting lesson for the second year running. Well done Dave DaSilva and Kelvin Gutsell.

Black Wednesday

Unfortunately Wednesday is memorable for all the wrong reasons. My inability to shoot in low light conditions singlehandedly decimated Victoria's attempt to win the State Teams Match. I was lucky not to be strung up from the flagpole! The Handicap shoot-off was unable to be finished before dark which was the catalyst for a review of the program schedule which would move the Opening Ceremony to the start of the week. Still needs some fine tuning but basically a good idea.

Shooters BBQ

The Shooter's BBQ that evening was enjoyed by all and I would like to thank Leanne and Arthur Turner on behalf of all the shooters for their dedication and generosity. After we lost Dave and Jo from the Quinty Pub as our caterers, most of us doubted that their efforts could ever be matched. We needn't have worried!

Shooters Meeting

The Shooter's Meeting only exposed one area of concern. Target colour and quality and I'm sure our National President and our new EO will get on top of this for us. Thank you Robert Nugent for continuing to provide us with this invaluable opportunity to interface directly with our controlling body. And while I'm on the subject, to our new EO, Tony Turner, I say "welcome home"!

Entertainment

Now, a cryptic clue to this month's trivia question. At the conclusion of the Shooter's Meeting most of the people in attendance were blissfully unaware of the fact that an absolutely unique and totally unprecedented entertainment spectacle was about to be provided, or of what actually lay in store for them. And this was only exacerbated when a warning was issued for women, children, the elderly and anyone with a weak heart to seriously consider vacating the premises.

Nobody moved! Even though I had a rough idea of what was to come, I was absolutely speechless. It reminded me of Jack Nicholson's "Bucket List" as it is a long time since I have

laughed until I cried. To paraphrase Winston Churchill: "Never in the annals of Australian Skeet shooting history has so much amusement been bestowed upon so many by so few." See below.

Singles and Teams

Thursday and Friday saw the two main 12 gauge singles events with their associated Team shoots and selection processes and then it was off to the gala event of the week, the Hall of Fame dinner. I always enjoy this function but more so this year because both the Inductee and the "Brownlow Medalist" were two great mates and dear friends. Laurie Chelepy and I have been doing battle for thirty years and it was Laurie's vision that culminated in the AA Elite concept that is such a "giant leap" forward for the integrity of our sport. And David O'Sullivan? If I had ever had

The Good, the Bad & the Ugly –
you choose

a son, this is what I would have hoped for! Thank you John for always unselfishly sharing him with me.

Doubles Day

Saturday is always "put up or shut up" day and this year was no exception. Although my own personal shooting was less than spectacular, my team mates did a "Clint Eastwood" and "made my day." The Club Five Man Team event has been contested since 1983 and although most winning clubs have successfully defended their victory, only NSWGC had ever managed to do it consecutively with the same team members. Until this year that is! Bairnsdale Gun Club is now poised for the first ever three-peat. Stop us if you can!

Bairnsdale Skeet Team

Mixed Pairs Team

And then it got better. Although I have won the Mixed Pairs event on three previous occasions with two different partners, my chances of making it "four and three" looked pretty grim on Saturday morning as Rusty's wife and I were a fair way off the pace. However Lauren Mark reinstalled my faith in the "Bird and the Frog" theory (never, ever, ever give up) when she went out and shot a magnificent 97 to win the Ladies section, shoot-off for a place on the dais and singlehandedly drag our team back from the grave. Never forget the first rule of Team Shooting. You don't have to be a great shot, you just have to be very astute when choosing your team mates! And finally Michael Buttigieg vindicated my television interview prediction by winning the Overall High Gun. What a great week!

"The hat says it all"

NT State Carnival

Then it was off to Alice Springs for the Northern Territory Trap and Skeet Carnival. During the four days the weather progressed from not bad to magnificent. Several key moments are memorable. One was the grin on Barry Moss when he won the Paul Weis Memorial Skeet Championship. Another was the changing fortunes of my old mate and current Doug Smith medalist, Socrates "Sox" Pilipasidis.

Zero to Hero

From the fear in his eyes when he went out to shoot off the Points Score against a pregnant lady, to the despair when she cleaned his clock and then to the elation when he redeemed himself by winning the Overall High Gun, thus completing his "State Set." Fortunately the damage to his ego was softened considerably when the same pregnant lady cleaned everyone else's clock as well, when she also won the State Single Barrel. Well done Rachel Fox! After Viv Moore's massive effort at the Queensland Trap Carnival, surely this will go down as the year of the fairer sex.

Sox Pilipasidis

Vale – Wayne Mayes and Cyndi Bender

I close this month with a very heavy heart. The greatest Skeet Shooter the World has ever seen finally succumbed to the accidental injuries he suffered in March and passed away on Monday the 10th of June. I could write forever about this truly great man who took me into both his home and his heart. Instead however I will refer you to the August and November 2002 issues of the CTSN where I barely scratched the surface of extolling the virtues and accomplishments of a man best described by the number plates on his car: AMAYESN. I was not surprised when he moved to Texas. They already had the biggest of everything else so they needed Wayne's heart to complete the set. Eventually someone

Wayne Mayes

may emulate his shooting achievements but the World will never see his equal!

And just when I thought things could not get any worse, the following day we received the devastating news that Todd Bender's beloved wife Cyndi had also passed away. I was there the night in Atlanta at her father's house when they met and Todd later told me "Forget my

shooting achievements, she is the best thing that ever happened to me." So sorry T! The only bright note is the cherished memory that I will take to the grave: For three glorious years the squad-sheet every weekend read Mayes, Bender, Cousens . . . Amen.

June's Trivia Question

During the 1960s and 70s Browning shotguns pretty much dominated our sport and probably "clean swept" the Nationals several times. Since then market share has been much more evenly spread and my old mate Ken Lowry and I recently discussed the fact that this feat would probably never be emulated. Remember the old adage, never say never, because the last occasion where each of the eight Overall "Silver Australia Badges" on offer at the Trap Nationals were won by shooters using guns that were all made by the same manufacturer was this year, 2013. Against the odds Beretta managed to win every major event this year in Perth. *Ben Fatto Beretta!*

This Month's Trivia Question

They say variety is the spice of life, so this month let's change the format of the question. Examine the picture below and tell me what exactly is amusing all these people. E-mail your answer to cuzzo@a1.com.au and the first correct one received will get a complimentary entry to one National Championship event of your choice in 2014.

Melbourne Gun Club Skeet Bonanza

On the weekend of May 4th and 5th 2013, Melbourne Gun Club once again hosted their annual skeet shoot, the 2 Day Skeet Bonanza. Shooters from all over Australia turned up to compete in one of the premier skeet events in the country. With the Skeet Nationals coming up in mid May, the

Melbourne Gun Club Skeet Bonanza has become a "must attend" for many shooters as an awesome lead up to the skeet calendars' biggest event. With the grounds looking amazing as always and great company around, everyone was abuzz with anticipation of the two days' great shooting ahead.

Saturday the 4th of May dawned quite chilly and with a threat of rain, but the wind held off and conditions for shooting were quite good. The first event of the weekend was a 50 target trophy, and the bar was set high early with possibles posted by Laurie Durham, Michael Buttigieg, Glenn Clarke, Benn Baker, Fab Francione, Leigh Roberts and Bill Hine. As there were no overalls in these events, B grade was comfortably taken by Bill Hine, while the other 50's all shot off for AA grade. The shoot off was doubles from stations 3, 4, and 5, with Fab, Laurie, Glenn and Benn dropping early. Leigh was next to go, and Michael Buttigieg was deemed the winner. Shoot off's were also required for A grade, where Pedro Da Silva came out victorious, and C grade which saw Jake Beveridge take the win.

Event 1
Michael Buttigieg

AA: 1st Michael Buttigieg 70/70, AA: 2nd Leigh Roberts 69/70; A: 1st Pedro Da Silva 57/58, A 2nd: Kate Light 56/58; B: 1st Bill Hine 50/50, B 2nd Bob Thorne 51/52; C: 1st Jake Beveridge 47/54, C 2nd Nancy Badewitz 45/54.

With the first event concluded, and many shooters already buying Calcutta tickets and talking tactics for their purchases later that evening, event 2 was under way. Another 50 target trophy, the class of the morning's event continued into the afternoon with red ink going on the board for Benn Baker, Leigh Roberts, Michael Buttigieg, Mal Briggs, Colin Finn and Dennis Savage. Colin Finn took A grade unopposed, as did Dennis Savage in B grade, while the other possibles required a shoot off for AA. Leigh and Mal were first to go, and Michael continued his winning streak when Benn let one go on station 3. C grade went to Sam Arcuri with no shoot off required.

AA: 1st Michael Buttigieg 60/60, AA 2nd Benn Baker 59/60; A: 1st Colin Finn 50/50; A: 2nd Peter Finn 55/56; B: 1st Dennis Savage 50/50; B: 2nd John O'Sullivan 47/50; C: 1st Sam Arcuri 44/50, 2nd Nancy Badewitz 41/50.

Once all of the events for the Saturday were concluded, all of the shooters were treated

High Gun winners

to an amazing feast and sat in anticipation for the Calcutta draw and auction to begin! After a final last minute rush for tickets, the drawing began, and soon all of the shooters had an "owner", and some lucky drawers had a brand new embroidered towel, care of

Stephanie Manley. A quick break for drinks and dessert, and the auction was under way. The bidding was fast and furious until every shooter and grade had been sold. After a long day with great company, everyone was happy to head home and hope that they had made a lucky purchase.

Event 2 Colin Finn

Sunday the 5th was again a very cold day that threatened rain. The wind had also picked up and was making for some interesting targets! The first event was the 50 target Calcutta, and while everyone was hoping to shoot well themselves, they were also wishing their purchases the best of luck! At the end

of the 50 targets, a rarity had occurred, and no shoot off's were required to decide the winners of the grade. Barry Moss took AA grade with the only 50 (making Sam Arcuri and Michael Buttigieg very pleased), and Danny Sajn did the same in A grade (The Durham family couldn't have been happier). Linda Watson picked up B grade with a lovely 49 (The Johnstons had big smiles on their faces), and Jake Beveridge took C grade with a 44 (His dad Andrew was very proud of his son and his purchase!). AA: 1st Barry Moss 50/50, Steve Vaccaro 61/62; A: 1st Danny Sajn 50/50, 2nd Christian

Lagos 53/54; B: 1st Linda Watson 49/50, 2nd Dennis Savage 60/62; C: 1st Jake Beveridge 44/50, 2nd: Sam Arcuri 45/54.

The final event for the weekend was the 50 target doubles. As is customary at most skeet events, the wind hit its peak for the shoot, and some tough targets were presented to the shooters. This wasn't enough to curb the class though, and possibles were posted by Michael Buttigieg and Ben Garraway, so a shoot off was required for AA. The shoot off was short and sweet, and saw Ben Garraway claiming the win. A grade was won outright by Peter Finn with a stellar 49, Linda Watson continued her form from the earlier event taking B grade with a 45, and C grade was won by Sam Arcuri with a 38. AA: 1st Ben Garraway 54/54, 2nd Michael Buttigieg 53/54; A: 1st Peter Finn 49/50, A 2nd Bruce Baker 49/54; B: 1st Linda Watson 45/50, 2nd Dennis Savage 43/50, C: 1st Sam Arcuri 38/50, 2nd Greg Miller 37/50.

At the conclusion of all the events, the only thing left to decide was the High Guns.

The Overall High Gun went unopposed to Michael Buttigieg on the amazing score of 199/200. The best score ever posted at this event, Michael showed awesome skill all weekend and continues to show that he is a

OA High Gun Michael Buttigieg

true champion in Australian Skeet shooting.

The AA grade High Gun went to Mal Briggs with a score of 197/200. As always, Mal was very consistent throughout the shoot and shot extremely well under pressure.

The A grade High Gun went to Danny Sajin on 186/200. Danny's shooting continues to

improve and he put in a very solid effort over the whole weekend.

The B grade High Gun went to Dennis Savage with a score of 187/200. It's great to see Dennis well and back on the skeet field showing that he is still a fierce contender.

AA grade High Gun Mal Briggs

A grade High Gun Danny Sajin

B grade High Gun Dennis Savage

C grade High Gun Sam Arcuri

The C grade High Gun was won by Sam Arcuri on 167/200. Sam is new to skeet shooting and clearly showed his potential at this event.

The Ladies High Gun went to Lorraine Hughes on 191/200. As always, Lorraine had a fabulous shoot and continues to show her ability in the sport.

The Junior High Gun was won by Eddy Elder with a score of 187/200. Eddy's recent great form continued into this event where he proved that his is a name we'll all be hearing for a long time.

The Veteran's High Gun went to Robert Albon on 185/200. Robert is a consistent performer who once again showed a few of the younger shooters how to play!

With the High Guns decided, the Melbourne Gun Club Skeet Bonanza had come to an end.

Firstly, I would like to send a huge congratulations to all of the High Gun winners, and everyone else who won over the weekend.

A massive thank you must go to the Melbourne Gun Club and everyone who helped out, particularly Paul Johnston, Laurie Durham, Leonie Johnston and Roger Esplin for once again putting on a fantastic shoot. Thank you must also go to Christine Durham, who ran the scoreboard, Sheralyn and Georgia for their tireless work in the office, the ASSA webmaster Ivan Spiller for keeping our webpage up to date with

programs and reports, Stephanie Manley for her wonderful photos and towels, the trappers, all the kitchen staff and everyone who worked behind the bar.

Thanks also to all of the people who helped with putting on the feast Saturday night, particularly Leonie Johnston, Christine Durham, Stephanie Manley, Tania Farish, Selina Briggs, Carmel Pearson, Tina White and Jacqui Wemyss for their salads, serving skills and the big clean up after. Also to Jim Turner and Frank Santoro for the delicious meat they cooked.

Without the help of Tayla Johnston, who spent Saturday selling raffle tickets, Trevor O'Connell for printing the tickets, Mal Briggs for organising the new Calcutta board, Paul Johnston and Judy Lafferty the Calcutta could not have been such a success so a big thank you to them and anyone else who helped out.

As always, a massive thank you must go to the sponsors; Brendan Pearson, Mal Briggs, Justin Hayden, Fab Francione, Ben Garraway, Paul and Leonie Johnston, The Durham Family, The Elder Family, The Lagos Family, Bill Hine, Barry Moss and Technology Core Pty. Ltd. The extra sponsorship that has been put into this event is just amazing for not only the Bonanza but for skeet shooting in general, and it's really fantastic to see so many people getting behind their sport.

Psychological Skills for Shooting

Michael Kruger-Davis

WHEN I MISS, IS IT SELF DOUBT?

Over the next two months I will be in Europe, so I have reworked the original article that was written and published in September 1999. The main reason for this is that I am aware that there are lots of shooters and readers out there who were not members of the ACTA or shooting in 1999.

So for those newer shooters and as a form of

revision for those who were around in 1999, here is the first article that was published.

The scene is any competition.

You are shooting well. You are clean.

Whilst you are waiting to shoot you start to hear instructions, in your head, on what to do next, thinking about the outcome of the next shot, adding up your score, working out how many targets are left, thinking of what you might win, etc. With these thoughts dominating your mind; you miss.

You regain your composure and after a few more targets you start thinking about the target you missed and it's possible, if you're not careful, you'll miss again.

Shooting, like all sports, involves two games: the outer game and the inner game. The outer game involves the sport itself: shooting the target. The outer game involves physical fitness, well fitting gun, reliable ammunition, correct stance and gun hold and all of the variables that are outside the shooter. The inner game involves mental fitness and requires the shooter to trust in his or her own ability to do what is required. Inner game strategies involve concentration, mental rehearsal, awareness, attention, relaxation, goal setting, etc.

The problem with either trap or skeet shooting is that an error will usually cost you the game or the match. There are rarely, second chances. In tennis, you can be down forty - love and still win the game; one or two poor strokes in Golf doesn't put you out. However, depending on the day, 24/25 or 49/50 may not be good enough. If a person can do something as difficult and as complicated as shoot a small moving object 49 times out of 50, then the problem is not with their technique, equipment or ability. The problem is most likely involves the inner game. We miss because we doubt our own ability.

To understand self doubt it is necessary to look at how the brain functions. Basically and for the purposes of this discussion, the brain is divided into two halves: the right side and the left side. These different sides play an important role in our ability to shoot, play golf, tennis, etc. The right side of the brain is responsible for muscle movement and co-ordination. In shooting this involves seeing the target, identifying it, tracking it, moving the body, holding the gun correctly, pulling the trigger and following through. The right side of the brain does and can continue to do these functions effortlessly and continuously. All that is required is that the muscles need to be relaxed.

The left side of the brain however, houses our language, analytical and judgmental skills. The left side also believes that our right side is incapable of doing what is necessary and therefore provides it with a barrage of instructions and "coaching tips" so that it can do it properly. In his book, *The Inner Game of Golf*, Tim Gallwey identifies these two sides of the brain as ego states and calls them Self 1 for the left side and self 2

for the right side of the brain. Gallwey found that when he was involved in a competition he would have to continually listen to a range of self-instructional thoughts. On closer analysis of these thoughts he determined that it was self 1 doing the talking, it thought he knew how to play and was supervising self 2, the one who had to hit the ball or hit the clay target in respect to shooting. Self 1 did not only give self 2 instructions but criticised self 2 for past errors, warned self 2 about probable future ones, and harangued him whenever he makes a mistake. These instructions and judgments lead to an increase in tension, which in turn tightens the muscles; the result, is that we are no longer fluid or relaxed and therefore we cannot perform to our potential.

To summarise self 1 - the talking, thought producing self - is a lousy boss when it comes to control the body's muscle system. When self 2 - the body itself - is allowed control, the quality of performance, the level of enjoyment and the rate of learning are all improved. Self 2 is the total human organism, the natural entity. Self 1 does not have a physical existence; it is a phenomenon of mental self-interference who can and does interfere with our ability to perform.

For the brain to function closer to its potential the interference needs to be minimised. This means that the basic premise of the inner game is; Performance = Self 2 (potential) minus Self 1 (interference). The object of inner game is to limit the interference of self 1 and trust in self 2 to perform and achieve.

Inner game techniques involve applying mental training skills that enable the shooter to maintain concentration, optimise performance and achieve results. These skills are not just the province of elite sportspeople; they can be learnt, so we can increase our performance, enjoyment and fun involved in competition.

Every time we compete, we make judgments as to our performance. When we are winning, we enjoy the handshakes, pats on the back and as a result we see ourselves, and our performance, as good. However, when we lose a competition or miss a shot, it is just as easy for us to judge what we did as bad. This value judgment of our performance has wide reaching implications. For example, for a right handed shooter, missing a hard right hand swinger from lane five. It is possible that self 1 will say something like: "... you missed again, you always miss those right hand swingers, you're really no good at these." If left unchecked and you miss that shot again, self 1 will increase the criticisms and begin to make it personal; for example, "... you missed it again. You're just no good at all." We now see ourselves as the problem not just the fact that for some reason or other we missed that target.

The first step to inner game success is to **let go** of the judgments. It is important that we see our performance as simply that: how we performed today. We must let go of the need to base our self-image/esteem on what we have achieved or what we think others will think about us as a result of our performance.

The second step is to **trust** self 2's ability and to stop trying. When we give ourselves the instruction to try harder, what we are really doing is tensing and tightening our muscles. In short: trying fails. Once we can let go of our judgments and trust in self 2 we can go onto to quieting the mind.

In subsequent articles, I will look at concentration, mental rehearsal, visualisation, etc as techniques that can be used to quieten the mind and limit the interference of self 1.

Letter to the Editor

I read with great relief the "Rule Amendments, interpretations and proposed changes" as laid out on Page 6 of the October 2012 CTSN. In particular I found the proposed changes were finally being printed out for ALL shooters, in particular the lower grades, to read and give serious thought to. I fully support these proposed changes as detailed by Mr Traill, Chairman of the National Rules Committee, and therefore was anticipating a positive result from a majority of the States & Territories.

Unfortunately, that was not to be, and only a couple of States agreed with the Proposed Rule Changes.

My message to all the other States and Territories who saw fit to reject Mr Traill's proposed changes is quite Clear, Concise and To the Point!

This situation has to be addressed, and NOT swept under the carpet by people in positions of power/authority who are still thinking in a manner consistent with the "living in the past" attitudes of 1913 or even 1813. This current year is, for those who may not be aware of it is, 2013!

The real factors behind these proposed changes put forward by Mr Traill are extremely obvious, even to the "Village Idiot", yet State Associations just don't get it. These proposed changes are even explained in the last paragraph situated in the bottom right hand corner of Page 6 of the October 2012 CTSN.

However, there is one factor that affects ALL of us, and it is

quite simply put – it's called AGING – or is that getting older?

For all those members of the various State/Territory Associations you should try and remember one thing.

As we get older, we get slower in both our physical and mental reaction times, our eyesight degenerates and of our course we also become slower in our physical movements, which in turn can, but not always, result in one being "puffed out" or "tired" much sooner.

The end result of all this is that many, but not all, shooters simply cannot shoot the scores they might have done some 20, 30, 40 or even 50 years ago, and therefore, as a result, are no longer competitive in their grade, and are most likely over handicapped to buggery. I know, as I am one of many thousands in that very situation.

Finally, there is one very important reason for rapid reconsideration by the various States/Territories.

We need to keep more members than we are at this point in time!

There is no real incentive for the average novice to improve themselves, and unless they are really talented, with plenty of cash or access to plenty of cash. They will just shoot for the fun of it, and when the fun disappears, so will they, especially when they see that they have to climb from 87% up to 94%, just to go up a grade.

Added to this, and in part, is the fact that Club's suffer when shooters simply don't enter events because they know they are NOT competitive, and can't/won't be handicapped/graded fairly based on their ability.

I look forward to reading feedback on this matter in future issues of the CTSN.

BROKEN HILL GUN CLUB

MAY 11th & 12th 2013

West Darling Championships

By Evan Stephenson

Well, what a difference from last year to this year, with only just over 50 shooters last year, the worst year that I have ever seen in my 20 odd years of doing the shoot marshals job, to over 100 shooters this year, 106 shooters to be exact. The Broken Hill Gun Clubs May Two Day Shoot, the West Darling Championships was a huge success this year. It was back on the mother's day weekend, the 11th & 12th of May. With an excellent display of trophies and sashes up for grabs, thanks to some great work by Darryn organising the trophies, and the fantastic support from our valued sponsors, not to mention the magnificent food prepared by our hard working kitchen people and a well stocked bar fridge, the weekend was going to be a good one.

We advertised free nominations for Junior shooters to try and boost our numbers, and what can I say, just have a look at the photo, we had 17 or 18 Junior's turn up, what a fantastic effort. I have never seen this many Juniors to a shoot of this size, and remember people, with every Junior shooter that turns up there is a parent or two that has to come along as well. So we did all right out of this, and so did some of the Juniors, some walking away with grade wins and STIHL Petrol Blowers others shooting 50/50 break badges in the single barrel, shooting off alongside the likes of Nicholls, Walsh and Anderson. Well done to the Juniors, well done to the parents for bringing them and well done to the club for looking after Junior shooting. It was just great to see so many people there late on Friday night after I knocked off from work and got out to the club, they had been there all day practicing which again is great to see, and a heap of campers filled the Gun Club grounds.

The weather was good, it was shorts weather,

High Gun winners

fine on Saturday and then a few drops of rain late on Sunday, but all weekend there was a slight breeze from behind the shooters which I think may have kept the shot off's down to a manageable amount of shooters, which made my job a hell of a lot easier, considering we had to get through 46 possibles for the Double Barrel on Saturday.

Now for some results, the First event was a 25tgt Champion of Champions. This event was kindly sponsored by Glenn Castellaro, and with five "17HMR Rifles" up for grabs it was just the start of our trophy line up for the weekend. Overall R Yeo 75/75, 1st AA C Dunn 74/75, 2nd C Lawrie 72/75, 1st A grade E McCullough 74/75, 2nd P Sing 73/75, 1st B grade J Absalom 47/50, 2nd I Esplin 46/75, 1st C grade G Redman 47/50, 2nd C Johnston 67/75, Ladies N Cook 48/50 Veterans G Pike 74/75, Junior Billy Baynes 48/50, Novice Jnr T Cullinan 65/75.

Good Junior shooter numbers

The second event Saturday was a 25tgt Points Score Championship, with a great display of STIHL Petrol blowers and Wiper Snipers on offer, supplied by a new and very keen member to our club, Andrew McDougal of the Broken Hill STIHL Centre. Great sponsorship Andrew well done. Overall G Evans 135/135, 1st AA C Anderson 123/126, 1st A grade E McCullough 98/99, 2nd S McCarthy 74/75, 1st B grade M Leaford 96/99, 2nd D Mills 80/81, 1st C grade J Cullinan 70/75, 2nd S Dobbins 70/75, Ladies D Baynes 73/75, Veterans D Cutting 73/75, Junior A Evans 74/75, Novice Jnr J Cullinan 73/75.

The third event Saturday is the big one for the weekend, the Double Barrel Championship, 25tgt. Nathan McDonald sponsored this event with ".22 Rifles", Scopes and Mounts, again great trophies thank you Nathan. This was the event I was worried about, worried about running out of time. We had 46 possibles shot, which was good shooting considering the targets on all traps were taking a dive just at the top of their flight, caused by the slight tail breeze. Overall after a fairly short shoot off by Darryn & Ross's standard, was Darryn 195/195, 1st AA grade R Walsh 194/195, 1st A grade D Ball 180/181, 2nd G Buckley 130/131, 1st B grade M Bunyan 37/38, 2nd A Evans 32/33, 1st C grade C Remmert 50/51, 2nd C Johnston 45/46, Ladies D Baynes 54/55, Veterans P Mules 119/120, Junior J Nicholls 52/53, Novice Jnr K Cullinan 24/25.

Saturday night was really well patronised, with lots of people staying back for a great roast tea and the Calcutta draw. The pool for the Calcutta got to around \$1900.00, which would make the first event Sunday a very hotly contest Handicap event. As you can see by the photo of all the people watching the Handicap shoot off. They were treated to a great display of shooting, to watch Darryn shoot the 50 off the back mark 25 mtrs, it was just something special. This event was sponsored by Kevin Taylor, Shannon Electrics, again a great display of WEBER-Q BBQ'S as trophies. 1st D Nicholls 54/54, 2nd M Collumb 53/54, 3rd S McCarthy 40/41, 4th G Rathbone 33/34, 5th S Peatling 30/31.

The second event Sunday, another 25tgt Points

Score Championship, and more “.22 Rifles” it just keeps getting better and better. These guns were supplied by old Merv from Silver City Guns and Ammo, well done Merv great trophies. Overall D Nicholls 153/153, 1st AA grade T Browning 150/153, 2nd R Walsh 86/87, 1st A grade G Height 84/87, 2nd J Palmer 77/78, 1st B grade I Esplin 73/75, 2nd N Wehrmann 72/75, 1st C grade G Redman 73/75, 2nd A Barnden 70/75, Ladies D Baynes 73/75, Veterans J Caskey 72/75, Junior Billy Baynes 74/75, Novice Jnr C Cullinan 68/75.

The last event for the weekend, the 25tgt Single Barrel Championship. This event was sponsored by Winchester Australia, great support with a stack of shells on the table for prizes, thank you Tim Steer, and it was another good shoot off in the light rain which would decide this event. Overall R Anderson 90/92,

1st AA grade R Walsh 89/90, 2nd D Nicholls 72/73, 1st A grade, P Hocking 29/29, 2nd J Heley 28/29, 1st B grade D Mill 24/25, 2nd S Drewing 42/44, 1st C grade J Gowers 77/78, 2nd C Cullinan 23/25, Ladies D Baynes 24/25, Veterans G Pike 29/30, Junior T Redman 34/37, Novice Jnr K Cullinan 21/25.

Crowd watching the Handicap shoot off

Now for the High Guns for the weekend. Sponsored by Beretta with a “TIKKA 223 Rifle” for the Overall and Beretta Shooting Accessories for the grade High Gun winners, again thanks to Beretta well done. Overall High Gun D Nicholls 273/275, AA grade High Gun R Peatling 271/275, A grade High Gun G Height 291/307. The B grade High Gun, we stuffed up, we had computer troubles all weekend and a wrong score was put into the system, so to make amens we will pay out two lots of trophies, sorry for the stuff up I Esplin & D Mills 256/275, Ladies High Gun D Baynes 266/275, Veterans High Gun P Mules 262/275 and the Junior High Gun Billy Baynes 262/275.

A very big thanks must go to all the helpers and workers over the weekend, especially the generosity of our valued sponsors, well done. A fantastic weekend. Hope to see you next year.

Cosgrove Gun Club Annual Shoot

A fine autumn's day greeted 32 Shooters at the Cosgrove Gun Club on the 26th of May for the annual shoot. With a Rifle, Scope, Accessories and Ten Slabs of Shells up for grabs these great prizes were hotly contested.

The day began early for some as the kitchen was again supported by the Dookie/Cosgrove Hospital Ancillary who put on a great feed for all those attending and a splendid social day was enjoyed by all.

Event one was a 30 target Double Barrel Championship which saw 3 shooters emerge with perfect scores, it took a further 41 targets to separate them and to have Steve

Gean from Melbourne to win the Overall sash and take A grade on 71/71, followed by Michael Hutchins on 34/35 to take 2nd in A grade, Domingo Diaz pushed Steve along and took out 1st in AA grade on 70/71, followed by Brad Rodger on 51/52, B grade was won by Andrew Calandro on 29/30 followed by Peter Watkins on 39/41 and C grade was won by Colin Repacholi on 25/30 with Jim Old on 23/30 in second place.

Event 2 was a 30 target Handicap and with a Marlin .17 HMR Rifle, Scope and Accessories from Trellies Hunting & Fishing up for grabs this was the event everyone had come for. At the completion of the event Trevor Harbor from Numurkah/Shepparton was the only 30/30 off 17 metres and the rest battled for the minor placings. Second place went to Andrew

Calandro from Echuca on 40/42 off 18 metres over Brian Harrison for third on 39/42 of 21 metres, fourth place went to Jim Kelly from St James on 37/39 and Domingo Diaz took out the Back marker (23 to 25 metres).

Above: Handicap winner Trevor Harbor

Left: High Gun winner Andrew Calandro

Double Barrel winner Steve Gean

The Vin Ryan Memorial Overall High Gun sash was well contested and after a shoot off between Andrew Calandro and Trevor Harbor the sash was presented by Club President Gavin Gall to the winner Andrew Calandro on a score of 70/72.

The traps ran well all day without fault and let the shoot finish at a good time with presentations finishing about 4.00pm, many thanks to all those whom helped on the day.

Adjustability, Speed & Precision

The new Kolar Max Lite Sporting Clay features an adjustable ramp taper rib manufactured from T6-6061 aluminum. The rib's lower mass allows you to get the lighter barrels on the target more quickly for a faster shot.

Tailored for Consistency

The Max Lite Sporting Clay stock configurations are designed to better facilitate a heads up shooting position. All stocks are fitted with a standard six-way adjustable comb. A L/W heel adjuster is optional. The forend is a traditional Euro design, and both the stock and forend are cut from high quality English walnut.

Maximum Pattern Efficiency & Low Recoil

BALL TRAP AT ECHUCA

Five events were on offer at the Echuca Clay Target Club's June 2013 shoot, the first of which was a 25 target Ball Trap Graded Cash. Echuca shooters dominated this event, with the only three full scores shot in the difficult discipline being achieved by Echuca members, Rob Viney, Glen Rathbone, and Steve Traill, all scoring 25/25, and all sharing the bulk of the cash return.

A full five squads of competitors arrived on Sunday the 9th of June in what could only be described as perfect winter shooting conditions, a mild 18 degrees temperature, virtually no wind, and clear sunny skies, making for a very pleasant day for all competitors.

The 2nd event was a 40 target Mixed Target Championship, and again, even though this too is a difficult discipline, an Echuca member, Warrick Kely, managed to shoot a perfect score of 60/60 to claim ownership of the Overall Winners Sash, and also the 1st in AA Grade trophy, well shot Warrick! Steve Atkins pushed hard but managed to drop two points, giving him the 2nd in AA grade prize, scoring a 58/60. Club secretary Peter Sing also shot well, scoring the same as Steve, and his 58/60 earned him 1st in A grade.

Event Three was a 25 target Graded Cash Trophy, and the cash was distributed to these shooters, AA grade 1st Pat Calandro, 2nd G Rathbone. A Grade 1st Geoff Ervin, 2nd Ian Gebhardt. B grade 1st Noah Calandro, 2nd John Pola. C grade 1st Emily McClusky, all cash winners were Echuca members except Emily, who is a Mathoura member.

The Echuca Club Mug winner after a reasonably lengthy shoot off was Stephen Atkins, who received a healthy \$80.00 for his Overall win.

Event Five, was a 50 target Skeet Championship, and this time it was a shooter from the Central Wimmera Clay Target Club that claimed Overall Honours, Craig Kelly, picked up the Overall Winners Sash and the 1st in C grade trophy. S Atkins 1st in AA Grade, and P Sing 1st in B Grade. Unfortunately a wintry June day does not last very long, but all shooters did manage to finish shooting before the light ran out, which was a good achievement for a 150 target shoot.

Full scores for Event Two: A grade 2nd Geoff Ervin 57/60, B grade 1st Noah Calandro 54/60, B 2nd C Wood 51/60, C grade 1st Barry Rogers 46/60, C 2nd Emily McClusky 30/60.

ROSS GEORGE BEER

3rd September 1947 - 4th March 2013

Ross George Beer passed away quickly on the night of the 4th March 2013. He is survived by his wife Judy, daughter Yasmine, son-in-law Gavin, grandson Hunter and step-son Damien.

Ross was a long serving member of the New South Wales Gun Club, where over a period of almost 30 years he held at different times, the positions of Senior and Junior Vice President, Club Captain Director, Shoot Marshall, Firearms Safety Officer, Trophy purchaser, Club Photographer, Licensee and like the other members of the Board at that time, worked behind the Bar or on the BBQ or where ever else he was required.

Ross joined the Club's Board in the '70's at a time when the Club was facing financial difficulties; membership had declined to less than 50 members. The Club inability to deal with the NSW Labour Government's new legislation dealing with Lead and Noise Pollution didn't assist with its viability to continue, it only further encumbered the Club's ability to survive.

Ross did not for a moment shirk away from his duty as a member and as an officer of the Club. He rose to meet the challenge with his fellow directors of bringing the Club back. He worked tirelessly with his fellow directors in making the Club what it is today.

Ross was an AA grade Trap shooter, who represented the Club as a member of the New South Wales Gun Club Team. He won the Club's Champion of Champions competition and as testimony his name is permanently on the Club's honour board. He also competed as a skeet, field

and game and 5 stand shooter very successfully. Apart from shotgun shooting, Ross was also a successful competition rifle shooter.

Ross in his private life was a successful business man, being the Rolex Agent for NSW for most of his working life and to most of us, he was Mr Rolex.

Ross enjoyed fishing, sailing and hunting when away from the Club. In recent years he found time to travel abroad, and enjoyed cruising with his wife Judy.

He will be missed by those who held him close to their hearts and by his mates from the New South Wales Gun Club.

Alex Comino,
Past President NSW Gun Club Ltd.

GARRY ROMMELL

6th June 2013

The Hunter Valley clay target shooting fraternity was saddened by the loss of Garry Rommell on 6th June 2013 when he lost his battle with cancer. Garry was 57 years old.

Garry was a member of the Cessnock Clay Target Club for 35 years. He was the club handicapper for the past few years and would always be found in the office "doing the cards" and looking out of the window to see how the shooters were doing on No. 2 trap. An avid shooter Garry travelled to many clubs in NSW and was well known and respected, he was always ready to give advice to novice (and experienced) shooters.

McInnes Thrives in Fimac Second Round

BEGA GUN CLUB

Dick McInnes thrived in the conditions at the Bega Gun Club, on Sunday, to take out the second round of the Fimac Engineering Shield. Shooting off fifteen metres, Dick collected 23 of the twenty-five targets on offer, showing all how to handle the somewhat changeable breeze. Cooma visitor, Steve McIntyre and Neville Teale took another ten targets to decide second and third, Neville coming out ahead 31/35 to Steve's 30/35. After two rounds, there are still a number of shooters in contention, so consistency over the final two rounds will be needed by all. Shield sponsor, Shane Platts, is in the mix to collect his own trophy.

Round 2 Fimac Shield winner, Dick McInnes receives his prize from sponsor Shane Platts

Numbers were down on our usual attendance due to a clash between our shoot and a major event at Canberra, however the twenty-one

who turned up had a great day of shooting. Bega turned on some cool, windy weather to add to the challenge.

The day opened with a 25 target double barrel event. Not satisfied with 25 targets, Stuart Bennett and Phil Craig shot an additional fifteen to decide the winner in AA Grade, Stuart winning with a perfect 40/40 to Phil's 39/40. Not to be outdone, A graders Neville Teale and Steve McIntyre used an extra four targets, before Neville collected the trophy 28/29 to Steve's 27/29. B Grade was much more civilised with John Seide taking the prize 24/25 to John Walker's 23/25. Michael Diss shot 23/25 to win C Grade with Geoff Beht taking second 25/29 after a shoot off with Dick McInnes.

The second event for the day was a fifty target double barrel points score. Four shooters went to the line for seconds to decide the winner and runner up, Phil Craig departed first, with Stuart Bennett following nine targets later. Finally, Alf Niesar settled for a second on target twenty-six leaving Ray Welch a worthy winner with a score of 216/228. In A Grade, Shane Platts scored 139/150 to win from Steve McIntyre on 137/150. B Grade saw Craig Field collect with a score of 125/150, one target better than runner-up John Walker on 124/150. Mick Diss picked up his second win for the day in C Grade, winning 118/150. Brian Moffitt had

George Toyne on target with Dick McInnes and Phil Rumph ready to go

to shoot an extra target to take second place from Dick McInnes, 113/153. A nice barbecue lunch allowed everyone to offer great encouragement to Dick McInnes as he tried to win the shoot raffle.

C Grader George Toyne

The shoot involves five targets shot in the sequence of a double, single, double, single and a final double. Dick cleaned the first four up with consummate ease and then left the last on in one piece. Still the meat tray would certainly been a nice compensation. High Gun for the day went to Phil Craig after a short shoot off with Stuart Bennett.

The club is extremely grateful to the local businesses who play a major role in sponsoring our programs. Sponsorship greatly reduces the club's running costs, enabling other aspects of the sport to be supported in the form of improved facilities and support for our junior shooters.

Nearly \$25K of prizes, good weather and great competition brought 125 competitors as far as 750km for the Easter Weekend shoot in Hay. Organisers feared lower numbers due to the closeness of the following Perth Nationals but were pleasantly surprised with the turn-out.

To get a taste for the weekend Friday night kicked-off with 65 shooters for the Gargaro Farming & Fraser Dwyer Electrical \$1000 Cup. With daylight-savings still in effect the competition under lights was contested late into the evening with James Willett from Corowa taking home the \$500 cash first prize.

Event 1 Saturday morning was a 30 target medley of double-barrel, single-barrel and Points Score. Numerous shoot-off rounds

ultimately labelled Robert Thompson from Cobar the overall winner from Noorat's Phil Grainger. Among the prize-getters was sole local member Matthew Bunyan who began his winning streak to take home five major prizes for the weekend.

30 targets of single barrel was the

second competition with a substantial shoot-off naming Robert Yeo from Wagga Wagga best for the contest. A single target shoot-off was all that local sub-junior Will Barnes needed to top B grade who impressively only dropped one target for the event.

Perhaps the most anticipated event of the weekend, Event 3, the 30 target inaugural

Abby Headon Memorial Trophy was again contested under lights well into the evening. Target visibility may have been challenging as the number of possible contenders in the shoot-off was down to 40, less than a third of the field. Congratulations to junior Mitchell Iles from Melbourne

who outlasted all others by breaking well over 300 targets and claiming the \$400 cash prize and DeWalt Impact Drill valued at near \$700.

Sunday morning began with Event 4, the 30 target Points Score and nearly one-hundred targets to label the overall winner. Darryn Nicholls from Broken Hill shot 92 targets single-barrel

to triumph over Cobar's Arthur Turner who pulled a second. Local Matthew Bunyan dropped no targets and only one point for the

Glen Rathbone succeeded in winning the most prestigious Event 5, the 30 target handicap. He is pictured with Hay Gun Club's President Brian Doyle being awarded with a Blaser shotgun valued at \$8000, sponsored by Mialls Gun Shop of Frankston Melbourne. The shoot-off was substantial for a handicap event with all five place-getters deserving congratulations. Glen's son Trent's eyes lit-up during the presentation as he eagerly but perhaps

Special mentions to upcoming sub-junior Andrew Evans from Coleambally and veteran Peter Fitzalan from Dubbo who each needed considerable boot space to take home their myriad of prizes. Andrew and Peter won their sections in four of the weekend's six events and were also entitled to section High Gun privileges.

Hay once again prevailed over Cobar in the Cobar-Hay Shield. Better luck next time - remember "the champion team will always beat a team of champions".

Recent expansion of powered camping sites and upgrades to the lanes on traps 3 and 4 contributed to a successful weekend of shooting at the thirty-two thousand clay targets thrown. The Hay Gun Club Committee extends a warm thank-you to

Mathoura Shoots Zone Championship

May 24 2013, and four full squads of shooters arrived at the Mathoura Gun Club to contest the mixed events on offer, including a 25 target, Victorian North East Zone, Night Points Score Championship. The weather was good for target shooting being clear and calm, but for the shooters comfort it was rather cold, making the fires very attractive during times of non shooting.

Club President Roger Kerslake was the only competitor able to bring in a full 30/30 score in Event One, a 10 tgt Points Score Cash Divide, and that gave him all the first place cash. John Berryman another Mathoura member, dropped just one point, and his 29/30 earned him the 2nd place cash. Deniliquin member, Tim Maher, lost three points, with his 27/30 giving him the 3rd place cash dividend.

Event Two, the main event, was the Zone Points Score, and without the need for any shoot off's, the

Overall Winners Sash, and the 1st place in A Grade trophy, were both claimed by Mathoura member, Mick Keirl. Mick ended up with a 70/75 result and although not a full score, it was still enough to keep all other shooters at bay, well shot Mick! Cohuna member Les Comensoli put his hand up for 1st in B Grade with a result of 63/75. Another Mathoura member claimed 1st in C Grade, and he was Peter McClusky, Peter shot a 62/75 to earn his trophy.

Event Three, a 15 target Double Barrel Cash Divide, and Tim Maher and John Berryman both recorded a full score of 15/15, and they both shared the 1st place cash. Echuca member Drew Healey dropped just one target, and his 14/15 score earned him all the 2nd place cash.

An enjoyable evenings shoot, running smoothly throughout the night, and without the need for any shoot off's, ending up reasonably early, giving the travellers an early trip home.

The Squire reports from West Wyalong

Any day is a great day to shoot skeet but there was none better than at the West Wyalong Clay Target Club on the last Sunday in May.

Never sure who is going to turn up, it was very pleasing for the organisers to see visitors from Lithgow, Albury and Parkes (Digger and Luke Ellison love their skeet) in attendance. In addition, West Wyalong Clay Target Club was very pleased to welcome a new member, Rob Davey who is obviously a very dedicated skeet shooter.

Three squads faced the layout and some pretty handy scores were being posted.

Lithgow visitor and AA skeet shooter, Ian Stewart, claimed a 23/25 and Junior shooter, James Turner, who has just started skeet shooting shot 24/25 as did Allan Schirmer in the second round. Sue Turner, having her first attempt at skeet shot both targets from station four and was ecstatic she finished in double figures which is a great first effort.

Everyone was nice and relaxed and at the end of the 50 targets, Ian Stewart 45/50 won AA Grade and Allan Schirmer also 45/50 won A Grade, Albury visitor, Alan Green 41/50 won B Grade with James Turner 43/45 winning C grade.

With a number of the locals burning diesel trying to get their crops in, numbers were down for the Down the Line program in the afternoon which was to feature the Graham Bolte Memorial 20 Pair Deauville Doubles Championship.

First event for the afternoon following Master Chef Graham Fairman's efforts on the barbecue was 25 Targets Double Barrel Cash Divide.

Popular visitor, Luke Ellison, locals James Turner and Luke Kirkby shared AA Grade after scoring the maximum, Narelle Ambrose and Allan Schirmer shot the only possibles in A Grade while Sue Turner 20/25 was the C grade winner.

Squads were rearranged for the 25 Target Points Score Cash Divide and once again Luke Ellison, along with Luke Kirkby 75/75 showed their form to collect the AA Grade cash, Graham Fairman, Graham

Duncan and Allan Schirmer all on 72/75 shared A Grade and Sue Turner 62/75, enjoying her day, but starting to bruise a little was the C Grade winner.

Club members were pleased that Jan Bolte was able to attend the afternoon shoot and she was naturally very interested in the outcome of the Graham Bolte Memorial 20 Pair Deauville Doubles Championship.

Jan Bolte with winners of the Graham Bolte Memorial 20 Pair DD Championship Luke Kirkby & Dozer Collins

There was some jockeying for partners in the lead up to the event and it was pretty obvious the combination of Luke Kirkby and Dozer Collins would take some tossing. At the end of the preliminaries there were four pairs called for the shoot off, including husband and wife, Wayne and Narelle Ambrose and father and son, Digger and Luke Ellison. As the shoot off continued the participants were moved back a metre at a time until they were on the 25 metre mark. As expected Luke Kirkby and Dozer Collins were the winners after shooting about another 18 pairs of targets.

At the presentation, Jan Bolte presented medallions to the worthy winners.

President, Dozer Collins brought the day to a close as darkness set in thanking everyone who had assisted throughout the shoot making the day the usual West Wyalong success.

Winter Sports School Shooting at Swan Hill

For many years the schools in Cohuna, Kerang and Swan Hill have as part of their Winter Sport Competition Clay Target Shooting. This year this competition was hosted

by the Swan Hill Clay Target Club on Tuesday the 21st of May. Conditions were good. It was a bit overcast early but it remained a calm and warm day. Last year we had a big role up but it was eclipsed by this year. Sixty one shooters participated, making it the biggest field we have ever had.

Results: Junior Boys: 1st and OA Tom Jenkinson Cohuna 15/20, 2nd Angus Stephens Cohuna 20/30, 3rd Ben Gillingham Kerang 19/30. Senior Boys: 1st Nick Sheperd Kerang 14/20, 2nd Lachlan Champion Kerang 13/20, 3rd Steven Cameron McKillop College 12/20. Junior Girls: 1st Mikayla Reid Cohuna 7/20.

Senior Girls: 1st Stephanie Peatling Cohuna 14/20, 2nd Rebekah Bavage McKillop College 9/20.

The winning team was from Kerang with a score of 46/60. The members were J Burge, T Schmidt, N Sheperd and L Champion.

I would like to thank all those teachers, parents and grandparents and club members who supported the day.

Surat Annual Two Day Shoot

A big weekend was had by all who attended the Surat Annual Shoot. The weather near perfect as well as targets, food and entertainment.

Bakaroma Points Score was hotly contested with Gavin Langridge winning with a 177/177. Next was Wards Transport Single Barrel winner Scott Moore on a skinner 25/25. The last event of the day was Double Barrel with local Brett Johnstone claiming victory 115/115. Day two saw Cross Roads Tyre Service 50 Target Continental Points Score event winner Clayton Cusack taking the overall with 150/150. Cleaver Firearms Handicap was won by Sam Moore 25/25, and Six Mile Building Double Rise was won by Gavin Langridge with a 28/30.

Overall High Gun was won by Clayton Cusack 347/355 who has been extremely competitive for the last few years to take home that elusive Coola Can Beer Fridge. Well done Clayton! AA Grade went to another deserving winner Rod Woodrow 337/355. Locals Jeff Ferrier took home A Grade 329/355, and Brett Johnstone 322/355. C Grade winner for a second year was won Tabatha Schultz from Moree, 289/355 who is certainly making a collection of garden chairs made and powder coated by Roma Powder Coaters who sponsor the Grade High Guns.

Condamine Shooter Greg Kocho won Veterans High Gun 318/355, and

Sash winners at Surat

Roma Shooter Daniel Andrews won Junior High Gun 329/355, Ladies Viv Moore 321/355.

A huge thank you to office staff Rod Woodrow and Julie Allan, and the kitchen ladies Fay, Barb, Margaret, Elaine.

Surat Clay Target Club would like to thank their ongoing and new sponsors for their kind assistance this year. A big welcome and thank you to Cross Road Tyres, Bourke, Aaron and Tracy who have got behind us with their sponsorship. Also thank you to CRC Electrical, Six Mile Building, Wards Transport, Roma Powder Coaters, Bakaroma, Cleaver Firearms, Guns N Ammo.

Auto Trench

Shooters also gave the newly installed Auto Trench Machine a good work out over the weekend with everyone agreeing it was a great asset to have at the club. A coaching clinic will be held August 17th, 2013 incorporating the Auto Trench Machine. If anyone is interested please give us a call as there are limited spots available.

President's Challenge at Tyagarah

Standing around after a great day shooting in February, the conversation turned to making the clubs April shoot more challenging and exciting. President Ray came up with 100T SB Cont. and call it, "The Presidents Challenge". We all looked at each other & said "why not!"

The clubs' monthly shoot being rained out in March those up for the challenge were itching to bust some clays. The weather leading up to Sunday 7th April was still not playing the game right but the faithful gathered to take up the challenge. Confronted with a gorgeous sunny autumn morning only 10 of the brave were squared for the 11 o'clock start.

The event was shot in 4 visits, but after the first round, it was very obvious it was going to be a long, hard day at the office. AA Ted Schneider was the only one to break 20, with everyone behind him scoring in the teens. Second round was a bit better with AA visitor Nathan Power returning a 25/25, with AA Ray Turner a creditable 23/25. Third round saw a couple of others getting their act together. AA shooters Ted Schneider (24/25), Ray Turner (25/25) and Nathan Power (23/25) kept their grade ticking over while A shooter, Kevin O'Brien posted 23/25.

Fourth & final round saw most dragging their feet to the layout with mutterings of "why are we doing this? The pain over with, the three AA shooters all returned scores over 20. Gold and silver medals were presented to the grade winners.

It was decided, that even though it was a tough day, it will be an annual event.

SXS MEMORIAL

A cloudy, cold day greeted members & visitors on the 1st Sunday in May. Being rained out in March, the 30T SXS Jim

Ferrett Memorial was incorporated in the clubs May programme.

The day started with 25T SB (just to make sure everyone was awake). Followed by 25T DB. Some good scores being posted, those who had SXS shotguns – and those who borrowed – lined up for the 30T event. Being the final year this event is being run, there was keen rivalry to be winners and have their names engraved on the shield.

Finishing the day with 25T Continental the presentation done, picture taken, most were happy to head home following another great day of shooting and friendship.
