**"REWARD"**

**SPARTAN GLOBAL and  
WHITE FLYER TARGETS**  
are offering a  
**\$10,000 CASH REWARD**  
for any shooter (or shooters)  
who shoot over 1000 break  
in the DB event at this  
years Nationals.

# Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

ACTA National Double Barrel Championship 2012 – 995/995

ACTA National Double Barrel Championship 2013 – 1038/1038

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

*I have the pleasure in preparing and delivering this report to the Australian Clay Target Association Incorporated (ACTA) members on behalf of the Executive Committee. This is my first report as President and I report for the period 1 January to 31 December 2013.*

*The ACTA had a slight increase in membership during the year, however is actively researching initiatives to promote the association and attract new shooters. Membership is not the only area though that the committee is looking into. It has been identified that there are numerous juniors that haven't attended a National Championship, therefore another initiative that the Executive Committee*

*has initiated is free nominations for any junior attending any ACTA National Championship for the first time. This will hopefully encourage more junior competition and increase attendance in competition.*

*The association is in a sound financial position as indicated in the attached audit report. However, it takes finances to implement any new project, initiative or equipment. This year I am tasking the Executive Committee to review several ideas that have been proposed by members to increase financial resources for the association, including grants, sponsorship, fees, levies and other identified income streams. No association can increase its exposure without the financial dedication of members. I look forward to presenting the Executive Committee's review in the near future.*

*This last year saw me taking over the Chair from Mr Robert Nugent. I thank Robert for his dedication to the sport and for the work he continues to do as an Executive Committee member and the Vice President of the International Clay Target Shooting Federation (ICTSF). Robert and the Executive Committee are committed to presenting to the membership a successful World Sporting Clays Championship in 2015 and the World DTL Championships in 2018. Work is underway on both of these events and requires member attendance at both to ensure their success. Please keep an eye on the Clay Target Shooting News (CTSN) for the future promotion of these.*

*I also thank Mr Jim Shepherd (Victoria) for his work in preparation of not only this newly formatted report in which this report is included but also for his work on the new rule book. Jim undertakes this work voluntarily and all of the membership thank him immensely for this. I also thank anyone that may have assisted Jim with these.*

*I had the recent pleasure in attending several State carnivals and the ISSF carnival in Perth. All of these events were extremely successful and well conducted.*

*I congratulate the committees, organisers, volunteers and members for making these a success – not only for their State, but also for the competitors that attended.*

*Recently I reported in the CTSN issues that have arisen with social media, including "Facebook", and at the time of writing this report there are still several unresolved incidents that are being investigated. I know that this medium is a fantastic resource however it can be the undoing of members, not only at present but many years in the future. I again caution everyone about the use of social media to vent frustration, confusion or anger. Once posted, it is there forever. Please remember!*

*There are numerous persons that need to be thanked. These include the Executive Officer, office and ground staff. Since being elected to this position I have a new understanding of the work that is undertaken and the extra work each employee undertakes that they are not remunerated for. Thank you.*

*I also thank the Executive Committee of the ACTA of which each State and Territory provides two members to undertake numerous roles and positions. These roles are*

*Continued on page 2*

voluntary and I thank all of the Executive Committee for their enduring patience and commitment to the association. During the year several members left the Executive Committee, these being Mr George Pinner retiring as a delegate from Tasmania, being replaced by Mr Kim Hibble, Mr Geoff Moore was replaced by Mr Robert Nugent as the Queensland delegate in June and Mr Bronte Evans was elected as a South Australian delegate, replacing myself. I thank each of the retiring delegates for the work they undertook and I look forward to working with each of the new delegates in the future.

There were several club members that passed away during the year. To the families and friends of all of these persons, I, the membership and the Executive Committee extend our deepest sympathies.

Congratulations are extended to Mr Kelyyn Prescott who has been elected to the Board of the Australian International Shooting Limited (AISL) replacing Mr Russell Mark OAM. Kelyyn is elected to represent all shooting sports; not only clay target and I, on behalf of the membership wish Kelyyn the best for the future.

I also thank Russell for his work on the AISL Board on behalf of all members. Other members that represent the ACTA in AISL are Mrs Elaine Forward OAM – Western Australia – in the “High Performance” (HP) committee and Mr David Howe – Northern Territory – in the coaching committee. Presently the Executive Committee is working at a replacement for Mr Tom Turner as an athlete’s representative to AISL. I thank each of these for their work and commitment.

Finally I again thank the Executive Committee, Management Committee and Committee Chairpersons for their support and commitment. I also thank Mr Rob Fox, Vice President of the association for his support since my election to the position.

*Allan Vilcins*

## **Executive Officer's Report**

The Australian Clay Target Association lost a great servant to the sport last month in Ron Traill. Ron's tribute is in the magazine however on a personal note I wish to express my condolences to his family, his friends and colleagues. Ron was a man of integrity, honesty, fairness, and above all a willingness to get things done. He will be sadly missed in the National Office, at National, State, Zone and Club level and in the sport of Clay Target Shooting generally.

It is a very busy time with the ISSF Championships having been completed in Perth. The Auditors have been at the National Office and given unequivocal support of our staff on the way the finances and accounts are dealt with. The Annual report is now being prepared for the Annual General Meeting on Sunday the 6th April 2014. This meeting is prior to the first day's competition of the National Trap Championships for 2014. The Annual report will be sent to members at the beginning of March in line with constitutional requirements, this will include the financials and Agenda for the meeting.

The committee overseeing the World Sporting Championships have met with clubs expressing an interest in hosting the event in 2015. A decision on where and when they will be held will be provided in next month's magazine.

APT Solutions Australasia has commenced building the ACTA new data base and website, with a great deal of information required from our current data base and specific requirements required for future development. The implementation of this customer management system will in the future streamline new memberships and renewals. Of course there will be areas to work through to ensure we are getting the best results for all involved from Clubs through Zones to State and National level.

*Tony Turner*

## RONALD HOWARD CHARLES TRAILL

### Thank You

On behalf of Ron's family I would like to thank members of the National Executive, the Victorian Executive and the many shooters who attended Ron's funeral. I was greatly moved by the Guard of Honour for Ron, the beautiful flowers, the many cards received, and the distances travelled by so many to attend.

The love and respect shown to Ron by so many was greatly appreciated.

He is "forever in our hearts".

## Australasian Pacific Grand Prix and David Menck

Our sport relies on  
volunteers, all of whom  
deserve our gratitude,  
but the efforts of some  
go above and beyond.

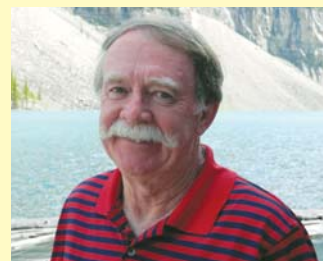

For 20 years, David Menck has run the annual Australasian Pacific Grand Prix in Brisbane. It is arguably the most enduring independent international ISSF tournament in Australia with a large contingent of competitors from Japan attending every year.

Prior to the Sydney 2000 Olympic Games, the Grand Prix was an international event of world significance attracting Olympic standard competitors from the United States, United Kingdom, New Zealand and many other nations. One of the highest scoring ISSF Trap finals of all time was shot at the Grand Prix.

This remarkable event has endured because of David Menck's panache, attention to detail and his extraordinary ability to create a tournament with a unique carnival atmosphere.

A huge thanks also to Winchester for their equally important and enduring support.

## Independent audit report to the members of Australian Clay Target Association Inc.

### Report on the Concise Financial Report

We have audited the accompanying concise financial report of Australian Clay Target Association Inc., which comprises the statement of financial position as at 31 December 2013, the income statement, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by the executive and supervisory boards.

#### *Committees' Responsibility for the Financial Report*

The committees of the Association are responsible for the preparation of the concise financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Associations Incorporation Reform Act 2012 and for such internal control as the committees determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

We have audited the accompanying financial report of Australian Clay Target Association Inc., which comprises the statement of financial position as at 31 December 2013, the income statement, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and management's assertion statement.

#### *Management's Responsibility for the Financial Report*

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and Associations Incorporation Reform Act 2012, and for such internal control as management determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committees, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Opinion*

In our opinion the concise financial report of Australian Clay Target Association Inc. is in accordance with the Associations Incorporation Reform Act 2012, including:

- (a) giving a true and fair view of the Association's financial position as at 31 December 2013 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards and the Associations Incorporation Reform Act 2012.

In our opinion, the concise financial report presents fairly, in all material respects, the financial position of Australian Clay Target Association Inc. as at 31 December 2013, and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and Associations Incorporation Reform Act 2012.

# ACTA NEWS

## ACTA MEMBERSHIP

Our constitution states that anyone shooting on an ACTA ground must be a member. That is, if they do not join prior to the 1st of January each year they are not members. This includes ACTA members not renewing their membership on time and continuing to shoot this puts other members at risk.

A non-member shooting "targets only" is introducing a new person to the sport and the club, however this is limited to 3 visits to an ACTA ground, this person could cost your club and officials a great deal if this is outside the guidelines. They DO NOT have insurance cover after shooting three times, or shooting a discipline other than those they are entitled to. Reciprocal membership only allows those people affiliated with F&G, FGFA, SSAA to shoot in 5 stand competition or 5 stand practice.

Members pay membership fees to be a part of the Club, to enjoy the benefits the Club has built up over many years of volunteer work and some Government grants to assist the Club grow. Those wishing to shoot at the club and enjoy its layouts, club and amenities should also contribute to the Club by being a member. This is how clubs survive, through the support of members.

## SUZY BALOGH- NATIONAL COACHING DIRECTOR

The Australian Clay Target Association announces the appointment of three times Olympian, and gold medallist at the Athens 2004 Games, Suzy Balogh to the position of national coaching director. Suzy will commence with the Association in March 2014 and work with States to implement a national coaching and development strategy. Balogh's national and international experience will be the catalyst required to drive the development and coaching pathway.

A major component of Balogh's appointment is to increase the numbers and level of coaches in Australia. In 2014 an ACTA academy is set to be introduced to cater for the best young shooters identified in the four disciplines of the Australian Clay Target Association. This program will focus on Junior's reaching National level and progressing though to International level. Bridging the gap from national to international is an area Balogh has had a great deal of experience in. This will assist those wishing to represent Australia in Trap, Skeet, 5 Stand Sporting and ISSF Shooting.

### **Suzy Balogh Profile:**

*Events: Women's Trap and Women's Double Trap.*

Three times Olympian, with a gold medal at the Athens 2004 Games.

Balogh won a bronze medal at the 2002 Manchester Commonwealth Games and a gold in the 2006 Melbourne Commonwealth Games. She is currently preparing to gain selection into a third Commonwealth Games in Glasgow

Four times gold medallist at the Oceania Continental Championship (Trap - Sydney 1999, Trap - Auckland 2003, Double Trap - Brisbane 2005, Trap - Sydney 2007).

Silver Medallist at the Oceania Continental Championship (Double Trap - Auckland 2001).

Bronze Medallist at the Oceania Continental Championship (Double Trap - Sydney 1999, Trap - Brisbane 2005).

*Balogh has competed in:*

3 Olympic Games, twelve World Championships, four World Cup Finals, 29 World Cups, nine Oceania Continental Championships and Two Commonwealth Games.

## DATA-BASE

The building of the ACTA data-base and website is well underway with a request going out to clubs for critical information in relation to membership costs. The cost structures of clubs will be built in to allow making payment of fees easily calculated. The system will have club, zone, state and national fees. It will calculate and report on those areas of membership and distribution requirements, this will allow the ACTA to deposit funds directly to each organisations bank accounts.

The system will allow online membership renewals and joining. Instead of a cumbersome paper trail. All of this will be able to be done on line, by individuals and or by club secretaries as it is currently. The system will allow online entry to national championships and provide receipts for all transactions making joining, renewing and entry easy through the one online system. This will also allow for new memberships to be allocated to the nominated club for approval before being able to proceed.

We have detailed information on members and this new data base will allow us to collect further information such as national events, national awards, state events and awards. It will allow us to identify coaches and referees including re-accreditation and renewal details and will ensure we are able to capture much critical information that we currently do not have, particularly on the history of shooters and events.

The system is anticipated to be operational from the end of April 2014.

## RULE REMINDERS

Continuing on with our Rule Reminders:

This month we look at Rule 4.10(j)

All competitors are required to dress in an appropriate manner with the wearing of singlets and thongs/scuffs or bare feet prohibited. Shoes must have a restraining strap or full support at the heel. This applies when competing and when they are to be presented with any prize or trophy.

Although most shooters and club officials are aware of the need for safety in their approach to footwear, sometimes we still hear of shooters being allowed by clubs to shoot in thongs, scuffs or bare feet. Club management should note that in the event of one of these people being involved in an accident, insurance cover will be an issue.

As to the other part of the rule relating to singlets, clubs are reminded that this rule is in place to ensure that our dress standards appropriately reflect the character and dignity of our sport.

Shooters should also note that the wearing of inappropriate footwear and the wearing of singlets also applies at presentations.

# ACTA 2014 ISSF NATIONAL CHAMPIONSHIPS

## Western Australian Gun Club

### 20 – 24th JANUARY

#### Some interesting facts about this year's competition:

Craig Trembath wins both the National and Commonwealth Double Trap events, add to this brother Steve wins the National Trap Championship (two brothers three events, has any family combination done better at a National ISSF Championship? not that we can find)

Gay Shale wins the Women's double trap Commonwealth, National and High Guns title, an outstanding achievement.

The Victorian Trap Team won their State event for the 19th Time, The Victorian ladies Interstate Trap Team also won the State teams match.

#### MONDAY 20TH JANUARY 2014

The first event the ISSF Commonwealth Double Trap Championship was conducted under very hot conditions with a strong and gusty wind. A new shoot-off process was in place with those finishing in the top 6 starting from scratch in the first final with the top two shooting the Gold and Silver medal match whilst third and fourth shot for the Bronze. It was a strong field of 21 shooters with the WAGC ground proving very challenging in the conditions. Craig Trembath went on to win the event by 2 targets in the Gold

medal shoot-off defeating International competitor Alessandro Chianese for Italy. Craig finished with 124 in the competition 27 in the final and 26 in the Gold medal Final. Alessandro shot 127 27 in the final and 26 to take the Silver. The preliminary competition was shot with 75 targets on the first day and 50 on the second followed by the finals. Russell Mark although finishing above both Gold and Silver medalists in the preliminary competition took out Bronze in the Final. The winners were presented with their trophies by ACTA president Allan Vilcins.

#### ISSF Commonwealth Women's Double Trap Championship

The Commonwealth Women's Double trap was added to the 2014 program due to the event being re-introduced to the Commonwealth games this year. The

Laura Coles

WAGC member Laura Coles shot a 69/75 in the 75 target preliminary and 26 in the final to take Gold from Zita Dettori with 69/75 and 22 in the Final. Lauren Mark finished in third position with at total 65/75 and 26 in the Final.

#### MONDAY 20TH & TUESDAY 21ST JANUARY 2014 ISSF Commonwealth Skeet Championship

The first 75 targets were shot in the men's event on Monday followed by the next 50 and final on Tuesday. The Tuesday event did not see any change in the weather with extremely tough conditions for the small field of twelve competitors. The pleasing aspect of this event was the high level of the competitors and a number of very promising juniors.

Keith Ferguson took the Gold medal with a score of 119/125 16 in the final and 16 in the Gold medal Final. James Bolding with 114 /125 shot 15 in the final to go to the Gold medal shoot-off where he shot 14 to take Silver. Leader after the preliminaries, Paul Adams 122/125 and 14 in the final shot 15 in the shoot-off to take the Bronze.

Gaye Shale

Teegan McCloy, Gaye Shale & Suzy Balogh

event attracted a small but very competitive field. The conditions were very trying with the 60 pair event conducted over one day.

The event was won by Gaye Shale with a 93/100 to finish two ahead of Tegan McCloy 91/120 whilst Suzy Balogh took the Bronze with 89/120

#### ISSF Commonwealth Womens Skeet Championship

The ladies skeet event had a disappointing entry of 4 competitors, however this was one of the most fiercely contested events on the ISSF calendar. The event consisted of 75 targets plus Final. Local

#### ISSF Commonwealth Trap Championship

Whilst this event commenced on Thursday the Final 50 and final was conducted on Friday, although conditions were extreme again on Thursday Friday saw an early change of weather with some cooler temperatures early and lighter winds.

Youngster Jack Wallace from the

Jack Wallace

Melbourne Gun Club managed a 119/125 along with Frankston champion Adam Vella to lead the preliminary rounds, a great effort for a young man in the sport. Adam went on to take the event with 13 in the final followed by 12 in the Gold medal shoot-off, he then needed to shoot another two targets before finally breaking clear of the irrepressible Vince Mollica (Jnr) from the Alice Springs GC. Vince shot 116 12+12+1. Tom Turner from Cessnock produced another solid effort in shooting 116 11+12 to take the Bronze.

# ALBURY WODONGA CLAY TARGET CLUB JANUARY 25th & 26th 2014

## Two days of Skeet – Australia Day weekend

The annual Albury Wodonga CTC Australia day weekend shoot was held on the 25th and 26th January and fortunately the shooting gods were on our side after the heat wave conditions of the previous two weeks, we had a pleasant 28C on Saturday with a cool breeze which lead to some shooters commenting that it was a bit too cool followed by a slightly warmer 30C on Sunday, we could not have ordered better conditions.

The club wishes to express it's great appreciation to Colin Elkington and his son's Jason and Justin at Elk's Hunting and Fishing and Ian McGeoch of Ian McGeoch Gunsmith for their extremely generous sponsorship of the two day event, both Colin and Ian have supported the club for many years so any shooters who are in the Albury Wodonga area or who may be travelling through please support these Business's as they are great supporters of our sport.

Sharon Bockman and her mum Norma did a magnificent job in the kitchen keeping extremely busy looking after the shooters over the two days, a job well done ladies.

The beautiful roast dinner on

Saturday night was cooked to perfection by President Gerry with his wife and club treasurer Judy preparing the great salads and sweets to complement Gerry's good work with the lamb and venison. Speaking of the lamb, we are very grateful to Diana Cox for again donating the beautifully presented dressed lamb. Diana has been doing this for us for a number of years. Thanks also to Bernie Evans for once again supplying the venison.

Following dinner the Calcutta Auction got under way with Paul Johnson acting as Auctioneer for Ian McGeoch who was unable to attend. Thank you Johnno. Bidding for the sixty plus shooters on the board was brisk with Johnno extracting the maximum from each of the eager bidders. After all shooters were sold the total on the board for distribution to the winners of the four grades was \$3,495 to which the club added \$105 to make it a round \$3600.00 and a \$900.00 pay out for each grade.

The club thanks all shooters for their attendance especially the ones that travelled long distances including Townsville, Gladstone, Dubbo, Sydney, Melbourne, South Australia Bombala, Cooma, Griffith, Wangaratta, Wagga, Corowa, Canberra, Lakes Entrance,

Bairnsdale and Shepparton. A big thank you to Judy in the office and to Bob Leita and Ross Carter for their assistance. Also thanks to Jacqui Durham for writing up the Calcutta board.

### Saturday Event One 25 Pair Skeet Doubles

Beautiful cool conditions greeted the sixty shooters that entered for the 25 pr of doubles to start proceedings for the weekend. With a stiff breeze blowing into the faces of the shooters causing the targets to move around a bit it was a very good effort for three shooters to card 49/50 each.

The shoot off commenced with Shane Bennett, Max Oakley and Leigh Roberts taking to the tracks, Leigh was the first to miss then Max missed his second target from station four with Shane then creaming his pair, 1st AA Shane Bennett 57/58, 2nd AA Leigh Roberts 50/52, 1st A Max Oakley 56/58, 2nd A Clive Glasgow 45/50

In B grade it was Greg Miller outright first with 46/50 leaving Bruce Baker and John Pethybridge to shoot off for second with 45 each, they both cleaned station three then Bruce shot his high but missed low four and was ready to concede and walk off when John unfortunately missed the pair to

leave the elated Bruce to claim second in B grade.

The C graders showed a lot of the higher grades how to do it with David Jones carding an excellent 47/50 and up and coming junior Callum Palmer running second in C with 46/50.

Ladies Winner Jacqui Durham 45/50, Junior Callum Palmer 46/50, Veteran Laurie Chelepy 47/50.

### Saturday – Event Two 50 Target Skeet Championship

Shane Bennett, Peter Vella and Max Oakley all shot 50/50 and then shot a further 25 each before Shane missed his high one in the second round and then Max missed his high 4 to leave Peter Overall and AA winner with a score of 87/87. Shane second in 75/76 and Max winning A grade with 86/87 2nd in A was Pedro De Silver with 49/50. 1st in B grade went to Greg Miller with a fine 49/50 leaving Doug Alcock and Steve Marcon each with 48/50 to go into the shoot off for second B grade, with Steve the eventual winner after Doug missed his high 2. C grade was won by David Jones with 47/50 and second went to skeet stalwart from Bombala Don Badewitz 46/50. Ladies went to Jacqui Durham with 54/56 Vets Tony Anecchini with 50/52 Junior Davey Jones with 46/50. ➡

## HOWARD DURBRIDGE

Warrnambool Clay Target Committee and Members were saddened with the passing of Life Member Howard in late October. Margaret, Howard's wife also passed away a few days prior to Howard, our deepest sympathy to the Durbridge Family.

Howard joined the Warrnambool Gun Club in the 1950's, he held the position of President for two terms 1960/61 and 1967/68, and had countless year's as a committee member.

Reaching the grand age of Ninety-four years, up until around twelve

months prior to his death he still attended an occasional club event and had a shot, his biggest disappointment he always spoke about was being a AA grade competitor and going back to C grade, age does catch up with us but Howard would never take a trophy off a Junior or a beginner.

Howard and Margaret, Rest in Peace together.

**Malcolm Dyson,  
President Warrnambool CTC**

## RONALD HOWARD CHARLES TRAILL

The ACTA and all who knew Ron Traill are deeply saddened by his passing.

Ron was the quintessential "Gentleman" who has always looked to help others.

Ron was the voice of reason and very much a traditionalist within the sport, he had a very dry sense of humour and was a great person to be around.

His contribution to the ACTA through his involvement in Rules, Championships and the Management Committees was

enormous, the energy he brought forward was amazing.

Ron was always on hand first thing in the morning at Nationals, setting targets and ensuring all was in order. He was also last to leave at night, always ensuring everyone else had completed their day's work and assisting where required.

Ron made significant contributions to the ACTA that will continue to benefit the sport into the future. The ACTA has lost a loyal and much loved supporter of the Association and the sport. We, as administrators and shooters, have lost a valued friend.

**Tony Turner,  
On behalf of ACTA Executive & Office**

Victorian Clay Target State Executives and members offer our deepest sympathy to Glenis and her family on the loss of Ron.

A fellow State Executive member, Ron lost his battle against cancer on the 3rd of February 2014.

Ron's love of his sport, Clay Target Shooting, was not only in competition but also in administration. His State and National commitment to our sport was second to no one.

Ron held the positions of ACTA Vice President, VCTA State President, President of the North East Zone of the VCTA, and Echuca CTC President, two of these positions which he still held until the end.

Ron's commitment and dedication not only to our State, the ACTA and Clubs and Members across Australia will be sadly missed.

Ron, may you rest in Peace,

**Malcolm Dyson,  
VCTA State President**

The committee and members of the Echuca Clay Target Club Inc wish to convey to all their deep sadness on the passing of Ron Traill, a past long term President of the club, a President of the Victorian North East Zone committee, a friend, a mate, a man that would instantly put his hand up if there was a job that needed to be done, a man that was a pleasure to work with, whether repairing a trap, or running a shoot or a school shoot clinic.

Ron was popular because he had the ability to listen to whoever was speaking to him, he would give an answer to any question, and whether it was in favour or contrary, it would still make the person happy because they knew that Ron had actually listened to their statement. The people from the Echuca club and the Zone will, I am sure, take a very long time to get over their sorrow of the loss of a very good man, Rest in peace, Ron Traill.

**Murray Roberts, Echuca Clay Target Club  
Committee, VCTA North East Zone**

### Sunday 26th Event 3 100 Target Championship

Slightly warmer conditions for Sunday greeted the 13 squads who fronted for the 100 Target Championship sponsored by Elks Hunting and Fishing, at the completion of the 100 tgts it was a surprise that there were no possibles recorded, Eddy Elder, Paul Johnson, Leigh Roberts, Greg Miller, and Adrian Cousens all carded 99's to go into the shoot off. Greg the only B grader among the AA's was first to drop one, followed by Adrian who dropped his high 3 (a good effort as he had been crook all weekend) Paul was next out letting his low 5

land in one piece. Eddy and Leigh made it to station eight and to every one's surprise Eddy dropped his 25th allowing Leigh to step up and clean his round and take out O/A and AA with 124/125. Eddy was second on 123/125.

A Grade was fought out between Todd Pickering and Colin Finn with 98's, they cleaned station 1 and confidently stepped onto station 2, where they both dropped low 2 in the doubles, after both shooting their repeat then continued to station 4 where Colin dropped his low 4 after Todd had shot his high and low. Todd scored 109/113 to take 1st in A grade

Colin second in A' with 108/113. B grade went to Greg Miller on 102/104 with Stephen Craig taking second in B grade with a very fine 97/100.

C Grade went to committee member Frank Plas with a great 93/100 and second in C went to another novice and Junior Callum Palmer with 92/100 we will see a lot more of this talented youngster join the winners' podium in the future.

Veterans for the 100 targets was Adrian Cousens 99/100, Ladies Sarah Bennett 96/100, Junior Davey Jones 94/100.

The overall High Guns for the weekend which netted \$900.00 for each of their 4 Calcutta buyers AA High Gun Leigh Roberts 197/200, A High Gun Max Oakley 195/200, B High Gun Greg Miller 194/200, C High Gun David Jones 184/200, Veteran High Gun Adrian Cousens 195/200, Ladies High Gun Sarah Bennett 201/214, Junior High Gun Callum Palmer 180/200

Thanks to all shooters for your attendance hope to see you all again next year, and for those who couldn't make it this year do yourself a favour and put it in your shoot diary for next year.

**Reg.**

Well the shooting year is off and running again with a vengeance. During this writing period we've had both the Tasmanian Trap Carnival and Albury's Annual Skeet Shoot on the Australia Day weekend, followed by the Victorian Skeet Carnival and the South Australian Trap Carnival on the following two weekends. By the last weekend I was well and truly ready for some quiet sight-seeing around the City of Churches.

### Hidden Treasures

One of the highlights of this was a request by an old "petrol head" mate of mine to check out a classic Porsche 911 that lay hidden in the Adelaide hills and that he was interested in buying. As they say "a hell of a job but someone had to do it". And what a little gem it turned out to be. I'll be most surprised if those SA number plates are not exchanged for some Victorian ones real soon, so look out for it parked at a Skeet Shoot somewhere in the near future. I won't mention any names but a quick review of the National 20 Gauge Skeet Champions list would be a good start.

*Amazing what you find at the bottom of the garden*

*Steve Haberman  
- Tasmanian DB  
Champion*

### Tasmanian Trap Carnival

Although I didn't get to Launceston again this year due to the above mentioned date clash, it didn't surprise me when I heard they'd had another great shoot. If you're looking for somewhere climatically pleasant to shoot in the middle of sum-

mer, it doesn't get much better than Tas Gun Club. Throw in a great background and the good targets they're famous for and it's no wonder that both Steve Haberman and Mitchell Iles managed to shoot over 800 in their quest to win the Double Barrel. When I spoke to Steve a couple of weeks later he was still grinning and not the least because that win now puts him within 10 points of getting a seat in the "waiting room" of the Trapshooting Hall of Fame.

### Life wasn't meant to be easy

Mitchell on the other hand was a little down beat. Even I had to admit that this was somewhat justified as I'm pretty sure that he now holds the World Record for amassing the most Open State Title Runner-ups without ever accumulating a single Hall of Fame point. Especially after he added yet another one in Adelaide, when he was runner-up in the Handicap. Which incidentally he did the hard way by defeating a bunch of other 49s after only one 50 had been posted. And off 25 metres mind you! That made two in the last three weeks for a grand total of EIGHT in the last three years.

### The Bird and the Frog

I managed to cheer him up a little by reminding him that although he had lost that Double Barrel shoot-off in Tasmania, he had carried enough targets into the event to currently hold the 15 metres Long Run for 2014 at 806. I also assured him that I had collected enough Silver Medals at the World Skeet Shoot to tile my bathroom before I eventually broke through for a win. At times as frustrating as this, it's imperative to visualise that famous cartoon of the frog trying to strangle the bird that has him three parts swallowed and focus on the sub-

liminal message contained therein. Never, ever, ever give up!

### Albury Skeet Shoot

The Albury-Wodonga Gun Club's Annual Two-Day Skeet Shoot has become one of the most anticipated non-State shoots of the year. Much like the two in April and October that Wagga Gun Club used to hold years ago during the Barney Rooke era or the legendary Tamworth shoot where getting your name on the Geoff Walters Memorial High Gun Board is second only to winning Tattsлото. Although as hot as usual, the twin-city winds took a break this year which made for some good shooting. I was humbled when the Durhams paid good money for me in the Calcutta on Saturday night, but gutted when even my best efforts failed to produce a dividend on their investment the next day. Maybe next year

they would be well advised to put a lot more money into promising juniors and far less into old has-beens. A shame that Ian McGeoch was tied up and couldn't get out over the weekend. Although missing in person, his presence on the trophy table as usual did not go unnoticed. Thanks Ian.

### Victorian Skeet Carnival

A credit to Lynne Curtis and his Skeet Committee. They said they would raise the bar this year and they delivered in spades. Any time 98% of the people go home happy, you've performed a miracle! Michael Buttigieg put in a tremendous effort both prior to and during the Carnival, unfortunately to the detriment of his own performance. Welcome to the frustrating and thankless world of administration Mick, job well done. The fact that we had to do some creative and innovative things in order to get finished each day was simply a byproduct (albeit welcome) of the rising attendances we have continued to enjoy at our premier annual event over the past few years. Consequently both venues have now pledged to expand their facilities by at least one more layout prior to hosting the event next. The highlight of the weekend was undoubtedly the four way shoot-off for the Overall High Gun, which quickly dwindled to two, but then became a clash of the Titans between David O'Sullivan and Hayden Mountjoy, which was ultimately won by the latter. Well done Haydo!

### A wonderful thing

A bit of a shame that a couple of our more prominent shooters made some hasty and ill-conceived decisions on the last day that slightly dampened an otherwise fantastic Carnival. My inclination to comment on them was ambushed by that astute biblical one-liner "let he who is without sin cast the first stone". Unfortunately my own personal timeline is liberally strewn with the debris of such inappropriate actions. Like many people I have a bulging portfolio of actions that a chance to do over would improve immensely. Several I would even cut my left hand off to be able to turn the clock back on. Consequently I'm sure that hindsight will prove to be a much more

*Some days I know how he feels*

constructive critic than anything my smart mouth could produce.

## SA State Trap Shoot

Another great carnival. International Gun Club is an excellent venue. It's centrally located, it has an equitably constant background and being situated on the fringe of the capital city, accommodation and travel connections aren't a problem. The State Association again was well prepared. They had organised Steve Whitehead to come in and "smarten up" all the traps the week before the shoot. They flew Frank "the guru" Auditore over to run their computers. And having a State Secretary who is also a "top shot" and thus has a balanced view of administration is a real asset. All these things combined to make my job a breeze. Darryn Nicholls set about showing who's who in South Australia right from the outset, which just gives even more credit to "the pride of Gippsland", Andrew Brady. Anyone who can go over and push Mrs Nicholls little boy off the top spot on the High Gun dais in his own backyard definitely impresses the hell out of me. Well done Andrew!

*Andrew Brady – SA Trap High Gun*

## SA Skeet History

As our Associations Historian, I try to never let a chance to kill two birds with one stone go by. Prior to this years Adelaide trip, my South Australian Skeet champions database was full of more holes than a torn fly-wire door. Fortunately Desiree is sympathetic to my cause and allowed me access to the "backroom" of the State Office during the course of the weekend. Under all the dust and cobwebs was pure gold! The good news is I now have a full set of State Skeet results for the last 22 years, back to and including 1992. The bad news is that all records prior to that date were unfortunately destroyed during a less than smooth administrative transition around that time. Bottom line? If anyone can assist me with any SA State Skeet results earlier than 1992, please contact me at your earliest convenience. You can reach me at PO Box 265, Bairsdale Vic 3875 or on 0418-516395 or at [cuzzo@a1.com.au](mailto:cuzzo@a1.com.au)

## Vale – Ron Traill

It was sad enough when we lost one of our greatest ever Trapshooters back in December when Doug Smith passed away, but now we have also lost a man who I believe was probably the greatest and most dedicated administrator our sport has ever seen. The fact that Ron Traill was president of his beloved Echuca Gun Club, president of his Zone, president of his State and vice-President of our National Association for who knows how many years, doesn't even scratch the surface of his enormous commitment to our sport. At various times he was chairman of our Rules Committee, chairman of our Championships Committee and Tournament Director of most of our Major Shoots.

Most other people who tried to carry even half that workload would have burnt out like a magnesium flare and just as quickly. But not Ronnie! He just went on and on and on. He made the Duracell bunny look like a tardy pink slacker. For countless years the standard procedure for any difficult or complicated question within the ACTA was simple. Ring Ronnie, he'll know! The true measure of this man's greatness will only increase with time, when the multitude of roles he filled become gaping holes in our everyday existence. The longer I knew him, the greater I respected him and the more I loved him. I've lost a workmate, a friend and a mentor. If my application for membership to the Ultimate Gun Club is approved, I'll be in great shape because the President will be a mate of mine.

## February's Trivia Question

Was Kate Schiller the first lady to win the Ladies Macintosh High Gun with a perfect 300x300? No she wasn't. It had been done once before. But not by Desiree as nearly everyone who submitted an answer suggested. Desiree was an excellent guess though because she has won the Ladies Macintosh High Gun four times and even won the Open High Gun once, but unfortunately never with 300. It was actually Helen Overton and she did it back in 2008. And it was no "flash in the pan" as Helen had already had a great Nationals. She had pretty much dominated the Ladies Section by winning the High Gun and the Single Barrel, being second in the Double Rise and the Points Score and finishing third in the Double Barrel.

*Helen Overton*

## Something in the water

The first correct answer drawn was submitted by Wendy Barton, which should come as no surprise really, as Wendy is the undisputed "Queen" of the Ladies Macintosh Team having won the High Gun herself a record FIVE times. Unfortunately Wendy didn't feature much in that year's results as she was battling some health issues, but like the true champion she is, she bounced back the next year in Roma, winning both High Guns and the Champion of Champions along the way. Anyway she needn't have worried in 2008 as the kids flew the family Macintosh flag for her. Her daughter Tracey was equal top qualifier with Helen and then pushed her all the way to the wire with a great 299x300. And her son Glenn dominated the Juniors, by being top qualifier and then winning the High Gun with a 298. It must be something in the water down there around the Tumut area.

## This Month's Trivia Question

While we're on the subject of great lady shooters, here's another one. Quite some years ago one of our very well known shooters went to the Nationals to try to defend his National Double Barrel title from the year before. Although he was unsuccessful, his daughter managed to fly the family flag by winning the Ladies Section that day. Name this great father/daughter combo. E-mail your answer to [cuzzo@a1.com.au](mailto:cuzzo@a1.com.au) before the 15th of April and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

## TYPE A PERSONALITY

Stress is usually described as an excess of demands over resources and most of think that the pressures that cause stress are external: that is, they come from the outside. These outside pressures or stressors can be divided into different groups: physical, environmental, cultural and social. The internal stressors, those from within are

harder to quantify as they come from our beliefs, attitudes and expectations about the world and ourselves, our habits, behaviour and our personality.

A couple of months ago, I touched on the concept of personality in the article on ego. This month I want to go further and look at personality type as a cause of stress.

We are all affected by life events: the positive, neutral and negative things that happen to us, our family and friends and the society in general. It is how we view these events that will determine if they become stressors. If we see the things that happen to us as threats then we will become scared, fearful, worry and stress over what we might think will happen. If we see the event as something that is neutral, that is, has no importance to us, or impact on our lives, we will be likely to ignore it and move on to the next thing in our lives. Some events we might see as opportunities. These events are the ones we learn from and will have a positive impact on our lives.

Some people are stress prone. Researchers have divided people into type A and type B behaviour patterns. The researchers, American cardiologists, Friedman and Roseman, hypothesised in the 1950's that type A behaviour people are more likely to experience various illnesses, such as heart attacks as a result of their stereotyped behaviours.

To determine if their patients were type A they asked the following questions.

- Do you feel rushed?
- Do you walk fast?
- Are you competitive?
- Are you impatient?
- Do you go all out?
- Do you have no or only few interests outside work?
- Do you hide your feelings?
- Do you talk fast?
- Do you try to do more than one thing at a time?
- Are you hard driving?
- Do you anticipate others (e.g interrupt, finish sentences, etc)?
- Are you empathic in speech?
- Do you want recognition from others?
- Do you eat quickly?
- Are you ambitious?
- Do you look ahead to the next task?

I have deliberately left out the scoring criteria, because I do not want readers diagnosing themselves as type A behaviour pattern. Some of the things listed we will all do from time to time and make up normal behaviour.

There is nothing wrong about being a type A personality. It usually

means you are a high achiever, driven, competitive, focused, etc. These are all favourable characteristics: it only becomes problematic when you are no longer able to care for yourself and the behaviours have a negative impact on your health, your relationships and your ability to work.

## What are the features of type A behaviour people?

Firstly, they feel they under the pressure all of time. Having to rush, working to deadline after deadline, trying to hurry others along, doing more than one thing at a time, etc.

Habitually working long hours, rushing to meet deadlines, will mean that we become tired, sluggish, lethargic, irritable and we will not be able to concentrate. We will then make mistakes, lose motivation, and become less productive. Now I know that I am describing what will happen to us at work but the same effects will occur when we are at play. Our performance on the golf course, shooting range, etc will also be affected. We will often blame the targets, the gun, the weather, when we should be looking inwards and examining if it has something to do with our life style.

Secondly, type A people are typically egocentric. They focus on their own needs. They have little time for other people and have no patience if things are not going their way. Righteousness is a big factor in their thinking and that although they are quick to apportion blame or criticise, they are wounded when it happens to them. They have an inability to see their own shortcomings and they will often ignore others or the environment because they are preoccupied with themselves.

The next factor is competitiveness. They are happy when they are locked into a battle over something and they are driven to win as this is seen as a hallmark of success. In sport competition is a good thing, but in the workplace, the family or the social group, it can lead to bullying and focusing on the individual rather than the issue. This can lead to a power struggle or a power imbalance where the type A individual loses sight of their goals and beating the other person becomes the goal.

The fourth factor is ambition. Ambition in it's own right is not a bad thing but it can be negative if relaxing (an effective way of reducing stress) is seen as unproductive and doing nothing makes you feel guilty. Ambition has the ability to make us lose sight of the things and the people around us. We neglect our family and friends. Because you are focused on the future (meeting your goals) you lose sight of what is important: the present.

The final factor is self-worth. If your self-worth is dependent upon success, that is, you have an irrational belief that you are only worthwhile when I win, then you will be setting yourself up for failure because you cannot win all the time or forever. Type A people will have a distorted 'locus of control'. That is, they will accept the credit when things are going well and they are winning, but will not accept that their loss might be their fault. They will externalise the loss and blame whatever (or whoever) they can think of to avoid accepting responsibility for their own actions.

There is a problem with trying to categorise people into one camp or another. At anyone time those of us who are type A will behave more like type B (relaxed and easy going) and those of us who are type B will behave in a way that resembles a type A behaviour pattern. What we must remember is that we all deal with stressors differently and it is whether we see them as an opportunity or a threat that makes the difference.

## *Fabulous February Shoot*

With two events on offer, magnificent sunshine and a field of 39 shooters, Bega Gun Club's February program got off to a fabulous start. The organisers had the place looking a picture and the day added the finishing touches. Visitors came from Malla-coota, Canberra, Cooma and Tumut as well as the usual strong contingent from Bermagui.

Event one saw the seven squads front up to a 50 target double barrel off a common mark, with 25 targets on the top layout and the second 25 on the bottom. Four shooters, all AA Grade, shot the possible, ensuring that the first shoot off would be an interesting one. In A grade, John Siede and James Body

*New junior shooters Holly and Grace Gschwend*

for 48/50 and second. James Mann, with a score of 47/50 won C Grade from promising junior shooter, Grace Gschwend on 46/50.

The AA Grade shoot off, between Ray Welch, Alf Niesar, Chris Davis and Phil Green saw Ray depart after ten targets to be followed by Phil after 16. Alf and Chris settled down to some serious clay breaking until at 48 extras, Alf missed one leaving Chris victor, 98/98. A great display of consistent shooting from both.

Lunch was followed by the second offering for the day, a 50 target points score. Once again Chris Davis showed the way in AA Grade, handling the increased winds with ease to score 147/150, one point ahead of Phil Green, 146/150. Shane Platts handled the change in conditions best to take out A Grade with a score of 145/150, closely followed by Geoff Mills on 144/150. Much hilarity and congratulations were enjoyed, when, after 18 years of trying, John Walker finally shot 25 targets in a row, pulling one second in the first half. The shock must have had an effect on the rest of B grade as John survived the second half to win B Grade with a score of

138/150, from Keith Pearce on 133/150. John Gray graced the winners circle in C Grade with a score of 137/150 from runner up James Mann on 130/150.

The shoot raffle, worth \$169 was won by Chris Rowland who had the pleasure

*HG & Winner AA Grade DB & PS Chris Davis*

of shooting it from 25 metres and for the second month, Chris Davis collected the High Gun award with a total score of 197/200 for the day. Great shooting!

Presentation followed with President Phil thanking everyone in attendance, with special mention to Gail in the office and Pauline and Lynne in the food department.

Next month sees the first round of the Fimac Engineering Handicap Shield for 2014. Once again the Club is thankful for the ongoing support of Shane Platts and his business. The program will consist of 20T DB, 25T SB, 25T Fimac Shield HCP, and 15PR Double Rise. Practice as usual from 9.00 with competition beginning at 10.00.

*A Grade DB winner John Siede receives his prize from Alf Niesar*

had a short tussle to sort out the winner, after they both shot 49/50 in the main round. John finally won with a score of 50/51 with James taking second. Craig Field took the trophy with 49/50 after he and John Walker both had 24/25 in the first half. Craig cleaned the lot in the second half with John dropping one

## CONDITIONS OF ENTRY – National Skeet Championships

1. Any shooter wanting to compete at the Skeet Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.  
*Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.*
3. Shooters will be Pre Squadded and any interpretation of this will be the responsibility of the Tournament Director.
4. Each shooter is to take enough cartridges to shoot at 50 targets/100 targets. A time limit of one minute will be imposed for the changeover for each 25 targets. Should the one-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** may be incurred.
5. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management
6. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
7. All shooters should sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
8. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
9. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
10. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
11. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
12. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall choose in which team they will be selected. They cannot compete in both Open and Section teams.
13. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any grade prize.
14. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
15. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of the card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
16. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final. The ACTA reserves the right to alter the program.
17. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
18. **All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Championships.**
19. Squads of 5/6 to shoot 50 targets in one visit only to the traps. Squads of 5/6 to shoot 100 targets in one or two visits to the traps or as designated by the Tournament Director.
20. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible for any refund.

## K-80 PRO TRAP

There's a good reason why the K-80 Pro Trap is a shotgun legend. It's a combination of everything that makes that crucial difference in competitive shooting. The raised and adjustable floating rib, provides a significantly broader field of view. The adjustable stock allows individual fitment, merging shooter and shotgun into one. With a 10 year warranty and legendary reliability, it will still be wearing in when the others are worn out!

## **VCTA/Echuca State Ground at Echuca**

For the information of Victorian Members, we have now signed the Sale contracts and paid the deposit for the purchase of the land surrounding the Echuca CTC grounds. We expect the Land title to be issued within the next few days.

On receiving the Title, we then need the new water license between the land owner and GM Water to be finalised; hopefully this will all be completed in the next couple of weeks, and settlement for the land will be completed prior to Easter.

*Malcolm Dyson, President VCTA*

## **VCTA Coaching**

As a lead up to the National Junior Training Squad, States must have in place a Zone and State Coaching regime. Initially each Victorian Zone will need to host 2 junior coaching days to enable juniors to progress to State and National level. Only juniors who have attended Zone clinics will be eligible to apply for State training camp selection.

The South West Zone have determined that they will run a Junior Coaching Day on Sunday May 4th at Noorat Gun Club, starting at 10.00 am. All registered juniors are welcome. Lunch and ammo will be supplied.

A second day will be held on Sunday June 1st, again at the Noorat Gun Club starting at 10 am. This coaching day is for all registered shooters, men, women and juniors. Shooters to supply their own ammunition, canteen available.

The South East Zone will run a Junior Coaching day on the 3rd May at the Frankston Gun Club starting at 10 am.

For more information contact:

## **Penny Smith wins at Qatar Open**

Victorian youngster Penny Smith has started off her international year on an excellent high by winning the Junior Women's Trap title at the 2014 Qatar Open.

Despite very windy conditions, 18-year-old Smith held her composure amidst an international quality field, and stormed to the lead to clinch the gold medal on 64/75 targets.

A rising junior with the Rio Games in her sights, this gold medal win puts Smith in a strong position in what is an important year to gain world-class experience.

Smith's triumph follows on from victories at the 2013 Oceania Continental Championship in Sydney, where Smith won the silver medal in the Junior Women's Trap event. She bettered that with a gold medal in the Junior Girl's Trap event at the 2013 Australian International Shooting Limited (AISL) Youth Nationals

## Sapphire Shoot Great Success

February 1 and 2 saw the running of the annual Sapphire Open Shoot held at the Glen Innes Clay Target Club.

A fantastic showing of 89 competitors from Ballandean, Boggabri/Gunnedah, Brisbane, Caboolture, Coffs Harbour, Gold Coast, Grafton, Guyra, Inverell, Kempsey, Narrabri, Newcastle Lake Macquarie, Pioneer, Port Macquarie, Richmond River, Tamworth, Toowoomba, Treloar, Upper Hunter Gun Club, Walcha, Warwick, and Yamba gathered for the official opening words from our local State Member of Northern Tablelands, Mr Adam Marshall. After the short but entertaining speech Adam spent time with some of the shooters which was much appreciated "Thank you Adam".

The first days events got underway in far from perfect conditions, it seems the wind had taken the place of the much needed rain.

Event 1 25T DB 25T Graded Cash Divide Double Barrel AA Grade 1st John Reid, Stephen Saul, Brad Hooper, Paul Wright, David Edmonds, Jeff Richardson, Aaron Knowles 25/25, A Grade 1st Romeo Spagnolo, Nik McRae, Greg Burey 25/25, B Grade 1st Will Cameron, Lachlan Schoenfisch 25/25, 2nd Courtney Watt, C Grade 1st John Barker, Allan West 24/25, 2nd Therese Nealon 23/25.

Once again we were entertained by a shoot off to decide our winners and place getters.

At the end of the days events the shoot off for the 2013 Mactaggart Family Golden Spoon (5 Double Barrel, 5 Single Barrel, 5 Points Score off 18 metres) was contested between David Edmonds, John Reid, Geoff Baxter, Dan Johnson, Brad Henshall and Dale Ellis and after a few early departures, it was Brad Henshall and veteran shooter Geoff Baxter left to battle it out. They matched each other target for target until on target number 30, Brad let one get away leaving Geoff the victor and a very much deserved win to a true gentleman of the sport.

Day two dawned almost the same as the previous day minus the wind and it was great to see a few more scores in the red.

The presentation concluded the weekend's events with High Gun winners as follows: Overall High Gun Aaron Knowles 268/275, AA Grade Jeff Richardson 267/275, A Grade Nik McRae 265/275, B Grade Ross Aston 255/275, C Grade Grahame Armour 249/275, Ladies High Gun: Fay Mills 263/263, Junior High Gun: Nick Tanner

257/285, Veteran High Gun: Barry Dray 273/285.

The Ladies and Veterans High Guns were hotly contested and therefore going to a shoot off.

The Macansh Tin Tray was contested by teams from Inverell, Guyra and Glen Innes Clubs on the last event of the weekend. Teams are made up of six shooters with the top 5 scores to count. Guyra Clay Target Club won this event again this year.

The committee of the Glen Innes Clay Target Club would like to take the time to thank all it's helpers over the weekend who all did a marvellous job, and thank you to all the travelling shooters. A special thank you to Kae, Loma and their helpers in the kitchen over the weekend and throughout the year. Thank you also to those in the office, Neil, Tracey, Helen, Paul, Owen, Stuart and Mellissa and our trap boys, Scott and Trent for doing a wonderful job.

To our sponsors we would like to say how we truly appreciate your continued support of our club, which, along with the support of the shooters who attend our events, helps to make our shoots a success. A big thank you to the Mactaggart Family for their continued generous sponsorship throughout the year and for the annual Golden Spoon Trophy, and the Overall and Grade High Guns. Our other sponsors are Glen Innes Veterinary Hospital, Sapphire City Firearms, Klingner's Honey, Clay Targets Australia, Yahna Angus Stud, Glen Innes Home Hardware, Leading Appliances, Attenborough Fertilizers, Notley Wool Store, Glen Haven Motor Inn, Chris Kent A.A McLeod, NAP Firearms, Ridgeline, GB, Nitecore, Torches, Elders and Bruce Family Butchery.

# Tom Turner Memorial Shoot

The committee and members of the Cessnock Gun Club toiled hard for the last couple of weeks in November to present the shooting grounds in excellent condition for the annual Tom Turner Memorial shoot on the 24th and 25th November, a fact not missed by the numerous shooters who camped at the grounds.

The program was scheduled to start early in anticipation of a large field and strong competition so the committee were at work early checking the traps and ensuring everything was ready to go. An early morning fog reduced visibility but the sun soon burnt that off and 150 shooters were squadded and went to test their skill.

The first event was 25 target Points Score Championship sponsored by KC Tools. As the

shoot off sheets were being prepared for the 12 shooters with possibilities the heavens opened and visibility was reduced to about zero so a small rain delay was called. The shooters donned their wet weather gear and the shoot off got underway in steady rain. Under the miss and out format the field was soon reduced to two before Glenn Arnol pulled a second to leave it to Kevin Thompson to break his target with the first barrel and take the overall prize with 141/141.

The second event 25 target Single Barrel Championship sponsored by Peter O'Neill Jewellery and Adina Watches saw 10 shooters walk in from the steady rain with possibilities. The shoot off took much longer than expected under the conditions with Reno Cangiano missing his 29th shoot off target to allow Luke Cassar to take the overall trophy.

The rain kept tumbling down so the last event that was scheduled as 50 targets was

reluctantly reduced to 25 targets Double Barrel. 48 rain sodden shooters scored possibilities so they were squadded and sent out into the rain to decide the overall winner of the Nioa Championship. 156 targets later Robert Clarke let one escape to allow John Crompton to claim the sash.

In failing light and steady rain the last of the days shooting commenced. The Ridge-line Challenge where everyone who nominated for the two days of competition went into the draw to be selected by grade plus ladies, juniors and veterans to shoot for a range of prizes from handicap marks. The overall winner was Elton Chetcuti.

The shooting done for the day it was time to relax, retell the excuses and catch up with old mates while enjoying the magnificent seafood meal by Sarah Turner and her team.

Now that everyone had full bellies it was time for the Calcutta. Auctioneer Craig (don't give up your day job) did his best to extract the maximum dollars from the crowd and a tidy pot was accrued to be decided by Sunday's handicap.

Sunday morning dawned bright and sunny, too bright for some who relaxed too much with old mates but we won't go there. Mainey had the BBQ going to prepare breakfast and the shooters started to roll in to check the squad they had been assigned for the main event of the day. With breakfast out of the way the first five of the twenty five squads

Ladies HG,  
Libby Clarke

Nicholas Snow

Travis Edwards

Frank Zilliotto

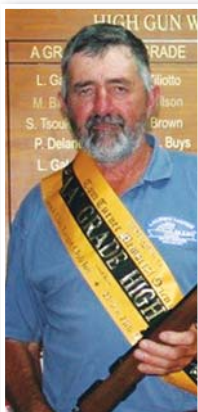

Scott Anshaw with his new Miroku Shotgun and  
Club President Darren Watson

Luke Cassar with his new Miroku and some of the Turner Family

made their way to the traps to start the 30 target Points Score Championship sponsored by Arms & Ammo. The nine shooters with possibilities were squadded and the shoot off got underway. Twenty four targets later Rick Hosie let one slip by to let Dave Porteus take the sash for overall.

*John Lisle*

The next event was the big one, the Ces Barnard Memorial Handicap with a Miroku O/U plus numerous rifles sitting in the prize pool. Conditions were perfect but possibilities were few and far between. After the 150 shooters had tried their best there were only six possibilities. The squad sheet was drawn up and the shooters faced the "sudden death" shoot off. The nerves started to play a part and after a dozen shoot off targets there were only three left. David Spence let his twenty fourth target go leaving John Maxwell and Scott Anshaw to battle it out for the Miroku. John Maxwell from 25 metres missed his 30th shoot off target to give the trophy to Scott Anshaw.

The last event, the one that would decide the High Guns for the weekend, the 30 target Champion of Champions from 18 metres got under way. There was no overall trophy for this event and the results are attached with Alan Jones achieving the highest score.

The office staff then went into overdrive to determine the High Gun winners. They all sorted themselves out except for the AA grade which required a lengthy shoot off before Luke Cassar emerged victorious over John Lisle to take the Overall Tom Turner Memorial Trophy.

The presentation then proceeded with some very happy recipients of the many trophies and some emotional presenters remembering their loved ones. The individual events results are in the results section but the High Guns were as follows: Ladies (Sponsored by the Munro Family) Libby Clarke, Veterans Alan Jones, Juniors Travis Edwards. Grade High Guns sponsored by the Turner family C grade Nicholas Snow, B grade Frank Zilliotto, A grade Reno Cangiano, AA grade John Lisle & OA Luke Cassar.

The presentation over the shooters started to make their way back to their homes in the northern and southern states of Northern Territory, Queensland and Victoria plus the NSW towns of Narrabri, Walcha, Sydney, Taree, Newcastle, Canowindra, Cobar, Coonamble, Orange, Junee, Brewarrina, Bourke, Tamworth, Singleton and many others.

*See you next year.*

## John Medcalf Memorial Tom Knowles Handicap GOOLMA JANUARY 26

A nice sunny day of 34c was enjoyed by 28 shooters in all, although the windy conditions were a little challenging. Goolma club members were joined by shooters from Dubbo, Mendooran, Cessnock, Singleton, Scone, Narrabri, Cobar, Hermitdale and Cunnamulla. In typical Goolma style, the day was relaxed and friendly with a few laughs thrown in for good measure. Lunch was well catered for with some of the best steak going. The major raffle was drawn on the day, with 1st prize, a 40 litre Engel fridge, going to Frank Dutton of Wellington, and second prize going to Trent Hughes of Dubbo.

## Ball Trap, Points Score, Double Rise

*Ron Traill send-off shoot*

On the weekend of the Echuca Southern Eighty Ski Race held in February it surprised the committee of the Echuca Clay Target Club that a reasonably good attendance of five full squads turned up to compete. The race usually attracts families away from any other sporting events that clash with the race. As it turned out, even with the shooters that travelled, it turned out to be an all Echuca club affair, with Geoff Viney taking out the Overall wins in event one, the 25 target Ball Trap Championship, and also event two, a 25 target Continental Points Score Championship. And Steve Atkins collected the Overall Sash for event three, a 25 pair Double Rise Championship, both shooters are Echuca members.

Geoff dropped just one target in the very difficult Ball Trap Championship, scoring an unmatched 24/25, and also dropped just one point in the Continental Points Score, again no need for a shoot off as no other shooter matched his 74/75 score. Steve shot an impressive 46/50 score in the Double Rise Championship and with no other shooter able to match that score there was no need for a shoot off again. Although these scores are not full numbers, they were very impressive on a day of high gusty winds, coupled with a high temperature that was not only uncomfortable for the competitors, but gave them little idea were the wind was going to blow the next target to.

*S Atkins and G Viney*

After the finish of event two, all competitors were asked to gather at the traps with their guns, to not only reflect on the passing of the clubs past President of many years, Ron Traill, (a very involved member of the Clay Target sports, a worker and good friend of most), and for everyone to fire their guns in unison as a tribute to Ron! Please rest in peace Ron. Ron's family also attended the shoot, possibly I think, knowing that their father would want them to continue to enjoy the sport of Clay Target Shooting that he had devoted so much of his time to.

The shoot ran very smoothly and even the presentations were all over by 4.30pm.

**Full results:** Event one Ball Trap OA and A grade 1st G Viney 24/25, AA 1st S Atkins 23/25, B 1st P Watkins 23/25, C 1st B Rogers 11/25. # WANGARATTA 5 STAND SPORTING CLAYS

**Hot & Windy conditions no deterrent for Hall**  
Uncomfortably hot and gusty wind didn't stop acclaimed 5 Stand Sporting Clays champion Peter Hall putting on a top display of marksmanship at Wangaratta on Sunday 9 February. Hall dropped only seven targets out of the 100 target event to claim overall champion on the day. A splendid performance under very difficult conditions that must rate as one of the best displays of shotgunning skills seen locally and probably anywhere else for this challenging discipline.

Peter's son Robert was only two targets behind to win 2nd in AA grade with a score of 91/100. A tremendous result for both father and son and a result of many hours of practice honing their considerable skills and abilities with using a shotgun.

Visiting shooter Alan Perryman shot another good score of 82/100 winning A grade, one target ahead of Christian McGauran on 81/100.

Veteran clay target enthusiast and regular local shooter Reg Carmody easily took out B grade with 77/100 and Colin Repacholi won 2nd place on 68/100. C grade was won by Trevor Bussell with a result of 67/100, only one target in front of junior shooter Rhys McGauran at 66/100. Best veteran for the day was Neil McIntosh shooting 69/100.

L-R: Colin Repacholi, Trevor Bussell, Peter Hall, Robert Hall, Alan Perryman, Christian McGauran, Rhys McGauran, Kneeling: Reg Carmody

## *The Squire reports from West Wyalong*

**At the starting time of 10am prospects for the 50 Target Skeet event held at the West Wyalong Clay Target Club on the last Sunday in January did not look too good as there were only about three shooters to make up the first squad.**

Others must have taken another look at their thermometers and decided the day was not going to be too hot because by a quarter to eleven there were three full squads of shooters boosted by three blokes from Leitchville in Victoria who came to have a shot.

The local down the line brigade also all joined in all working together for the benefit of the club.

That the targets were good as proven by Graeme "Ando" Anderson from Griffith who shot 48/50 but who missed his repeat target in the first round and his 24th target in the second round.

He did not cry but no one would have blamed him if he had done so, he took it well as all good sportspeople do.

Ando easily won B grade. Don Turner, found his skeet gun and had a shot taking out A grade 35/50. Bruce Dent took time off from catching yabbies in Lake Cowal to come to town and win C grade 44/50 from Graham Duncan who finished second 41/50.

Graham Duncan then got the barbie going and as extra shooters rolled

up for the afternoon down the line program they were able to take part in the repast being served up

There were no possibles in the 50 Target Points Score event as both Matt Patmore and Clive Foster pulled a second barrel to score 149/150 and share Overall and first in AA Grade. Narelle Ambrose 145/150 won A Grade and Kate Turner 128/150 was the C grade winner.

Luke Kirkby 25/25 won the 25 Target Handicap outright in a fine exhibition of shooting from the 25 metre mark. Bruce Dent, Wayne Ambrose and Allan Schirmer 24/25 had to shoot off for second and third with Bruce winning the relatively short competition 33/35 from third placed Allan 32/35.

The final event of the day was 20 Pair Double Rise and after Clive Foster set the trap on layout one, Matt Patmore showed his skill by winning AA Grade one target down on 39/40. Clive Foster 36/40 was second in AA grade and Anthony Gray 30/40 was the A grade winner.

Jodie Gannon 24/40 tried hard all day and was rewarded with a win in C Grade.

As usual, the success of any shoot depends on people to set up and load traps, referee and score, help in the kitchen and clear up afterwards and West Wyalong Clay Target Club has these sort of people in spades!

Welcome to "The Back Page", I hope you enjoy this month's articles and invite you to call me to discuss our history, records, personalities or other points of interest.

### From The Past:

The greatest trap shoot off that has ever occurred took place in Hamilton, New Zealand in March 1994 between two Australians. The two best Australian trap shooters of the last 30 years clashed in an epic battle which took three days of shooting off to settle.

In the end it was Bill Iles who triumphed when he defeated Michael Diamond after Michael missed his 1727th target and in doing so he established a world record that is never likely to be broken.

It was the greatest shoot off in trap shooting history anywhere in the world, never before or since has a shoot off reached such epic proportions.

The shoot off made news throughout the

world and of course the two shooters involved have gone on to become "legends" of our sport, since that time Michael has gone on to win 6 Olympic Trap world championships and Bill established himself as the most successful shooter in Australian trap-shooting history.

### For The Record:

Since the inception of the "Mackintosh" teams event, trap shooters have strived to achieve the best possible scores for their country, Australia has had many outstanding performances in this event but none better than the following:

#### Most Mackintosh

Teams:	Doug Smith (Qld) 29
20 Teams	
or more:	Doug Smith (Qld), Pud Burgess (NSW), Newton Thomas (Vic), Sperry Marshall (Tas), Roger Duthie (Vic)

#### Most Team

High Guns:	Newton Thomas (Vic) 7
Most 300's:	Pud Burgess (NSW) 5

### Did You Know:

Our trap shooting rules originated in the USA. When Ligowski invented the clay target and trap shooters started to shoot clays instead of live targets a new set of rules had to be developed for competition to take place. Over a period of 20 years the basic rules of trap shooting were developed in the USA and by 1900 they had spread from the USA to England.

The English essentially adopted the same rules but decided to stick with their double barrel shotguns rather than switch to single

barrel as they had done in the USA. The English rules then spread to Australia in the early 1900's and were adopted by the Gun Clubs Association for the early clay target competitions.

When the ACPTSA was formed in 1936 they also adopted the English rules and subsequently double barrel shooting was entrenched in Australia. Most of the fundamentals of the original trap shooting rules still exist today with the major differences between rules of the various associations occurring in disciplines, administration, grading and handicapping.

The rules pertaining to layout dimensions, trap dimensions and target flight are still essentially the same as they were prior to 1900. The original rules included target distance of 50 yards and a target height of 9 feet at 10 yards. The original layout rules included 5 lanes which were to be 3 yards apart at 16 yards.

### In My Opinion:

In my opinion clubs should include all five disciplines in their open shoot programmes. That is, Handicap, Double Barrel, Single Barrel, Points Score and Double Rise. It's the variety of disciplines that ensures that the programmes are not boring and that the shoots are not dominated by any one shooter.

I also believe that by having handicap included in every programme we are giving the novice or lower grade shooters the opportunity to win an overall prize, this opportunity is not provided for in common mark shooting.

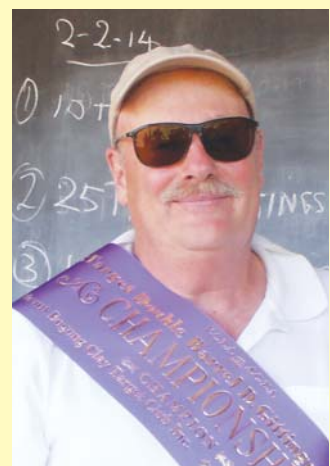

## Dave Gittings Memorial Championship

### MT BOGONG CLAY TARGET CLUB – 2 FEBRUARY 2014

A group of 20 keen shooters braved the 40 degree heat to attend the Mt Bogong shoot in February. The feature event for the day was the 25 Target Double Barrel Dave Gittings Memorial Championship. Whilst a member of Albury Club, Dave was a regular shooter at Mt Bogong and a strong supporter of the club. Described as a true gentlemen and a good bloke, Dave loved his shooting and was always happy to give shooting tips and advice and in particular enjoyed coaching junior shooters. Overall winner of the Championship was AA grade shooter Bob Leita 58/58. In the shoot off with Bob was B grade winner Darrel Taylor 57/58 who shot well to achieve his 50 Break Badge. Other winners were A grade Gary Evans 38/39 and C grade Jason Hadson 24/25.

Results for the 15 Target Handicap were 1st Enio Cavedon

19/19, 2nd Jason Hadson 18/19, 3rd John Wojcik 16/19. Some great scores across all grades were achieved in the 30 Target Medley with grade winners being AA grade John Wojcik 49/50, A grade Gary Evans 50/50, B grade Peter Roper 49/50, C grade Graham Schmidt 49/50. High Gun winner for the day was John Wojcik 97/120. Congratulations to all winners and also to our junior shooter Fred Roper for his promotion to B Grade.

# ***Ernie Wills Memorial***

**L-R: Ashley Bell, Jason Owen, Nigel Clark, David O'Brien, Ashley Burrell, Nathan Power, Kel Wills, Mark Ticehurst, Bruce Cosgrove, Peter Firth & Max Betts**

**At the Warren Gun Club (WGC) on Saturday 8th February, 40 shooters contested the Ernie Wills Memorial shoot followed by the Western Zone Night Double Rise Championship.**

Shooters travelled from Nyngan, Brewarrina, Dubbo, Trangie, Tottenham, Cumborah, Sydney and Warren.

The main event of the day was the Double Barrel Championship. \$1000 of cash prizes were up for grabs for this one event.

12 shooters, shot 30/30 to make it to the shoot off, which was eventually won by Nathan Power (Cumborah) after shooting 139/139 from local shooter Jason Owen 138/139. Nathan walked away with \$200 and sash for winning the event, with grade winners each receiving \$150 and grade runner ups \$50.

Other grade winners in the event were: AA

Grade winner Jason Owen (Narromine – WGC) 138/139, AA Grade runner up Steven Walker (Arnhem) 115/116, A Grade winner Bruce Cosgrove (Warren) 100/101, A Grade runner up Peter Firth (Coonamble) 29/30, B Grade winner David O'Brien (Quambone) 52/53, B Grade runner up Michael Vallett (Coonamble) 37/38, C Grade winner Ashley Burrell (Dubbo) 29/30, C Grade runner up Ashley Bell (Warren) 27/31.

The overall event for the day was the Ernie Wills Memorial Cup. The event was closely contested with 7 shooters all within a couple of shots for the win.

Double Barrel Champion Nathan Power with strong shooting all day 134/135, won the coveted Ernie Wills memorial Cup. Nathan thanked the Wills family for their continued support of the event, which has now been going for 18 years. Kel Wills, sister of the late Scott 'Ernie' Wills – thanked all shooters and supporters of the Warren Gun Club, who turn up each year and ensure this day is a great day for all. Kel extended that the 20 year anniversary shoot, to be held in 2016 will be a 'huge' event.

Other High Gun winners: AA Grade Max Betts (Brewarrina) & Mark Ticehurst (Warren) 133/135, A Grade Bruce Cosgrove (Warren) 132/135, B Grade David O'Brien (Warren) 131/135, C Grade Ashley Burrell (Dubbo) 126/135.

Following the days shooting, the Warren Gun Club was host to

the Western Zone Double Rise Championship. 21 shooters stayed on to contest this event, which was won in fantastic fashion by Jason Owen (WGC) shooting 38/40 targets.

Grade Winners: AA Grade Nathan Power (WGC), A Grade Bruce Cosgrove (WGC), B Grade Nathan Soulsby (WGC), C Grade Douglas Ferguson (WGC).

Around 50 people enjoyed dinner and refreshments following the shoot.

Next month is our major shoot the Golden Ibis Trophy and Denis Hunt Memorial Cup. It will be held the weekend of the 8th and 9th March. It is anticipated that there will be in excess of 80 shooters at this event, travelling from across NSW, VIC and QLD. We welcome visitors and spectators to come and visit the Warren Gun Club over this weekend.
