National President's Notes

I watched with interest the recent review of Swimming Australia after the last Summer Olympics. Australia was a feared nation in this sport winning more than its fair share (per population) medals at World, Commonwealth and Olympic Games. Since the 80's and 90's there has been a steady decline in the number won with the last Olympic Games producing only one gold medal. This is far different to the 'golden' days of swimming.

The appointment of a new Executive Officer, High Performance Manager and Mr John Bertrand (America's Cup winning skipper) to lead the review identified many areas requiring improvement. The main outcomes of the review identified the requirement for a new

High Performance (HP) model, the exit of athletes that systemically hinder training and performance (as per the 'Stilnox' issue at the last Olympics involving swimmers) and the requirement to set higher benchmarks for athletes to aspire to.

No longer are the days in swimming that, 'close enough is good enough'. The Australian Sports Commission identified that funding to the sport is aligned with required outcomes and no funding is to be spent on athletes or areas that do not meet benchmark criteria or have a genuine chance to produce the required ultimate outcome – gold medals.

The Swimming Australia review has many similarities to that which has been undertaken by the Australian International Shooting Limited, (AISL). A new HP Manager has been contracted, the selection criteria has been reviewed and the "Board" of AISL is presently working towards meeting the Australian Sports Commission (governments) targets.

I was asked recently why I was of the belief that there is still a PQS for ISSF shooting? In simple terms, call it what you like – there is still a benchmark score. However I have been advised that if a member reaches this score and wins the event at the nominated events, AISL will send that shooter to a World Cup.

Clay Target members that fulfil the required criteria for selection into squads are also invited to contract to AISL to perform in approximately five different areas, that include training, performance, availability etc. Gone are the days of the 1980's where the Manager selected people to go away on teams, there was ample money and 'first past the post' was the norm. Times have changed and not only in our sport.

I recently had the pleasure in attending in New Zealand for the World International Shooting Federation Clay Target DTL Championships. Whilst there, the Executive Officer, Robert Nugent (ICTSF Vice President) and I attended the International Clay Target Shooting Federation (ICTSF) Annual General Meeting and technical meeting. At the AGM I advised the Federation that the "core business" of the ACTA is Skeet, DTL, 5-Stand sporting clays and ISSF, and that 'walk through' sporting clays is not part of our core business. As such it was my belief that the ACTA had insufficient time to adequately prepare to host the 2015 World Sporting Championships. As a result of this submission the ACTA declined the 2015 event however was allocated the 2019 World Sporting Championships. This will provide the ACTA with sufficient 'lead time' to ensure a world class event, coming off the back of the 2018 World DTL Championships which we are still conducting.

Whilst at the AGM I was tasked – along with the England and New Zealand to produce a "Procedures Manual" for use by the ICTSF – which will include many different areas for consideration - however will provide consistency for future hosts (and shooters). At present there is confusion as to which rules are used for different events in different countries. This will also ensure competitors know what rules will be used for the setting of targets, standards required, etc.

I am also completing with England a "host agreement" – an administrative contract that identifies the responsibilities between the host country and the ICTSF. This will assist the ACTA at the 2018 and 2019 World Championships ensuring the administrative and financial responsibility that is required.

The Executive Officer and I also attended the Annual General Meeting (by invitation) of the Oceania Federation, as observers. This has assisted the ACTA in forging important relationships with other countries in our area when discussions commence for 2018 and beyond.

We also met independently with New Zealand, England and Ireland to discuss the future of the ICTSF and the progression of our sport within each country, eg how we can assist each into the future. The meeting with New Zealand included future discussions with a view to formulating administrative arrangements between our two countries to ensure administrative consistency, something which requires formalisation to ensure smooth transmission for our shooters attending in New Zealand, and vice versa.

Tony Turner, the Executive Officer is now also the "Secretariat" or Secretary of the ICTSF – this is a role that is shared by the countries with it now being Australia's turn. Tony was tied up for numerous hours in the handover and has had to get up to speed quickly – something he has taken on as a voluntary role to his own employment with the ACTA. I wish Tony well.

Continued on page 2

Whilst at the World DTL Championships I also undertook the role of Team Manager with meetings precluding my attendance at all times. It was an interesting role, one which I have undertaken for large teams attending international events (World Police & Fire Games – 120 members and Australasian Games – 150 members) but not for a smaller team of 14 members. I did identify beforehand that there is no position description written in the ACTA for the Team Manager position and as such have now commenced writing one. Recommendation to the National Executive Committee will include that the Team Manager is a dedicated person who does not attend any other duties whilst away and should be available in cases of emergency. As athletes attending are required to be competent relative to the possession of firearms (at time with accompanying responsible persons re juniors) it is believed that they are competent to ensure attendance when required at nominated events, dress

or demeanour when appropriate. Cases of emergency will be defined and are to include medical treatment, hospitalisation, lost firearms, travel restrictions, accommodation crisis, major catastrophe (earthquake) etc. How this position is to be funded as a 'dedicated' position is to be discussed within the Executive however is important insurance should the worst happen.

The members of the Australian Team in New Zealand performed exceptionally and individual results will be published elsewhere. The membership of the ACTA should be proud that the Glenn Cup Team came home with the trophy and for the World DTL Championships; all four teams (open, juniors, veterans and ladies) came home with a silver medal. Congratulations to all members of the teams on behalf of the ACTA Executive and membership. The next World DTL Championships are to be held in Ireland in 2016. Start practicing!

Executive Officer's Report

By the time you are reading this CTSN the Trap Nationals will be in full swing, running from April 4th – 13th.

I would like to take the opportunity to congratulate our two new world Trap Champions in John Maxwell (Veterans) and James Willett (Juniors). These two men, at different stages in their shooting lives produced outstanding performances to take their titles. Both of the gentlemen are just that, gentlemen. I have had the pleasure of speaking with both during the Championships and afterwards and both could not have been any more giving of their time to the Association. Deserved winners who represented the ACTA with pride and professionalism.

I would also like to congratulate the World Trap Team on their collective performances in New Zealand, taking the Silver Medals in the Open, Ladies, Veterans and Junior sections. The teams again represented the ACTA with a level of professionalism that would make our members proud. One member of the team even shot the shoot-off in his "Dress Uniform" the first time I have seen the best dressed man on the ground win a shoot-off. And in his own words, that was the best 25 I've shot for the week!!

The team presented themselves for the presentation in their full dress uniform, something instigated from within the team and something they should all be proud of.

Congratulations to the large contingent of Australians who represented the ACTA at the Waikato Gun Club for the New Zealand and World Championships, Mitchell Iles again came away with results that belie his age, taking all before him in a number of events, a bright future for such a young man.

Congratulations to the New Zealand CTA on a great event, a bit like ducks on the pond (serene on the top but paddling madly below). Secretary, Adrienne Sears, presented the calm face of the organisation whilst there was a great deal of activity on the ground that was well organised and seamless to the competitors. The World Championships is a fantastic event and we learnt quite a deal in preparation for our turn in 2018.

Don't forget the ACTA AGM on Sunday, April 6th at 7.00 pm, to be held at the Wagga RSL Club. Representatives of clubs and States are able to attend and support the Association that works for them. The Association had a financially successful year with many targets achieved through specific sub-committees.

The Association, for the first time, have produced a fitting Annual Report, something that can be used to enhance our reputation with sponsors, government, international organisations and other National sporting organisations. Thank you to Jim Shepherd for his expert advice and knowledge in producing this report. Without Jim's assistance it would cost the Association an enormous amount to produce, reproduce and update many of your publications.

The next Championship event, the National Skeet Championships, commences on May 18th running through to the 24th May. The ACTA National ground will host the event with entries starting to roll in. Work has commenced to ensure the ground and facilities are in top condition, with requests for rain postponed until after the event.

ICTSF MEETINGS

President Allan Vilcins and delegate Robert Nugent and EO Tony Turner attended meetings of the International Clay Target Shooting Federation (ICTSF) who are responsible for the allocation of the Championships and the conduct of the event. We attended the Annual Meeting in Hamilton, New Zealand, on Saturday morning, 8th, and the technical meeting on Sunday morning, 9th March. We then also attended a meeting of the ISSF Oceania group on Sunday afternoon, 9th March.

At the Annual meeting Australia agreed to take the responsibility for the provision of secretarial services to the ICTSF. It is another selfless contribution by both Mr Vilcins and Mr Nugent who were both attending the worlds as shooters to take time out as administrators of the Association to attend those meetings. The ICTSF pay for one delegate from each National, so as both Mr Nugent and Mr Vilcins were already going we are able to claim one return airfare and expenses, therefore costing us for one person to attend.

Frank Auditore also attended at the request of the Executive Committee, Frank's innovation and constant support has the Association in a great position to conduct the World DTL in 2018. Frank has already made numerous changes to his program to cater specifically for the requirements of the World event. These decisions to send people to these events are allowing the ACTA to stay on top of World happening's and providing the opportunity to compete at International level.

I was disappointed to hear unjustified criticism of our administrators, I understand our Executive and Staff of the ACTA are under constant scrutiny, however I will say I have never worked with an executive or Staff member who does not wholeheartedly believe they are making decisions in the best interests of the Association.

Perhaps members with issues to discuss or questions to ask seek out an Executive member and ask to speak to them in a professional manner and environment. A right time and place would be a good start. If it is approached in the appropriate manner maybe we can get meaningful conversations and discussion that will assist the sport. Remember these people are volunteers doing a job for you, the members. Registered shooters through their member Clubs and States select these delegates, so afford them the respect they deserve and above all talk to them.

DATA BASE – WEB SITE DEVELOPMENT

I have received a number of enquires relating to the new data base, much of that enquiry relating to access for secretaries of Clubs, States and of course individual members. We are still in the process of building the data base and how it works within the web site, all of the details on how it works and of course access issues are being programmed in to meet the needs of the National Office and all of our clubs and States. This will include reports that can be generated by those organisations:

Reports on members including being able to identify the demographic by age, sex, shooting preference etc. Each person's file will contain their name, address, email, phone, referee and or coaching qualifications, National events attended and many other reports that will enable us to make informed decisions in relation to moving the Association forward.

Each member will be given a login and password to access their own personal data. As an individual you will be able to re-join your club

through the system. All new applications for membership will be directed to the Club Secretary for Club approval prior to the Secretary lodging the forms. This can all be done remotely or through the current system.

Once we have this up to a workable standard we will seek a small section of clubs and States to trial the system, noting any issues that need to be modified or changed. We are confident the system will be up and running smoothly in time for renewals for 2015.

We reiterate, the ACTA is not taking any option away from Clubs, States or individuals, these are additional options.

In addition to the implementation of these initiatives we are also in the near future integrating the shoot results page into the system so clubs can run the shoot through a scoring system and then "send" the results through to the ACTA National Office and also have handicap processing automatically processed. This will occur in the first two years of the implementation and development of the program.

There will be a "Phone app" also available for those tech savvy shooters so they have instant access to their own information and also to generic information on the site. Members will only be able to access their own records through the login & password system. Club Secretaries will be only able to access details from their Club. State Secretaries will be able to access information from their State. All member Clubs and States will be able to access certain information to conduct shoots. When a member nominates their shoot details will appear. ACTA number, Name, Club, (in the future handicap). Should the person not be financial, the system will "red flag" the person and their details will not appear.

With regard to those shooting three times the system will allow these people to be entered as "potential" members. They will be allocated a number, when the person shoots at a club they will give details as currently required. Upon entering that number to register the potential member it will show how many times and where the person has shot. Once they have reached three times the system will identify them as "being required to join" this will be accessible at every club.

There will be a help system attached and a "help desk" to assist everyone during the implementation. It will contain a user guide that may be printed as well.

The system is one of the best I have seen, particularly in the area of ease of use. The system is based on the KIS theory KEEP IT SIMPLE. I look forward to updating everyone on the progress and implementation over the next few months.

MULTI PURPOSE FACILITY, THE NATIONAL GROUND

We have just finished negotiating the hire of the ground for two festivals to be conducted in Wagga Wagga. The first is at Easter, the Stone the Crows festival. This is a like minded group targeting the grey nomad community. It will commence Wednesday the 16th through to Monday the 22nd April. This will be followed later in the year by the World Disc Bowls Championships on the ground from the 22nd of October.

Using the ground for other activities should increase our opportunities for funding by putting us in the "Multi Purpose" category. Hiring the venue will bring some "new money" into the Association, something we need to continue to foster. It also opens up to those people attending, the sport of Clay Target shooting.

13th Veterans Games

There was nothing unlucky about the running of the 13th Australian Veterans Games organised by Wagga Gun Club on the National Grounds between March 4th and 8th inclusive, which was one of the most successful & enjoyable in the history of the event.

The Veterans Games followed their usual annual format with 75 targets 5 Stand Sporting being held on day 1, March 4th, 75 targets Skeet on Day 2, 75 targets Double Barrel DTL on Day 3, 75 targets Points Score on Day 4 and 75 targets Champion of Champions on Day 5.

Over the 5 days, 100 competitors from far North Queensland, NSW and Victoria competed in a very enjoyable combination of events and with the unique relaxed and friendly atmosphere for which the Veterans Games has become famous.

Competitors were split into age groups, being 45 to 55, 56 to 60, 61 to 65, 66 to 70, 71 to 75 and 76 plus and the only complaint that I heard was a request by the older shooters to add a category for the 76 to 80 age group and then make the upper group 81 plus. That will be looked at in detail for next year's event.

As usual, the Veterans Games resulted in excellent scores across all events and age groups with the winners being as set out below.

If you fit in with these age groups we hope that you will attend next year for this excellent 5 days of competition and we suggest that you speak with someone who attended this year who can brief you on the how much fun was had by all.

VCTA South East Zone Premier Teams Event

The first round of the year was held at the Morwell Gun Club. The Club had been completely surrounded by the fire that had devastated the area for many kls in all directions. The short mowed grass area and the timely help of the magnificent water bombers saved every asset. As we arrived for the 9 am start and all during the day the sky was filled with smoke and the mop-up work by the fire fighters went on as well, causing the shoot to be stopped at stages for them to continue their work.

The Club and its members must be congratulated on the massive amount of work put in to get the venue ready with the area not accessible for the days before the shoot.

One hundred and thirty one shooters nominated and this provided nineteen teams, one of the Morwell teams was an all Ladies contingent there were also four Junior teams.

Event one was 25 tgt Handicap and there were 16 possibles as well as 30 who had dropped just one, so the combination of no wind and a sky filled with smoke was not too much of a problem to the 30% of those present. The three clean squads worked their way down to just three shooters Len Quirk, Josh Spicer and Mark Bravin and as it turned out

that was the finishing order, with Len 77/77 Josh 76/77 and Mark 56/57. The Back Marker was Tony Bradshaw 49/50 with Trish Morgan 30/33 the Junior Front Marker.

In the Teams section, Frankston/Australian had a great start with 120/125, Werribee/Victorian 118/125, Melbourne Blue 117/125 and Nepean Red 115/125. In the Juniors Teams it was very close also with Melbourne# 2 on 49/50 and Melbourne#1 & Wonthaggi both on 48/50.

Event two the Double Barrel saw a staggering sixty seven shooters card a possible, over 50% of the competitors, the targets really were very good. After the first thirty targets of the shoot off, the original twelve squads had dropped to five and after the next thirty it was down to two squads. Andrew Brady won the Overall with 118/118, Neil Cook was first in AA 117/118 and Bernie Stokes second in AA with 112/113, A grade A Wilson 86/87, G Satori 77/78, B L Quirk 73/74, T Eden 43/45, C T Morgan 39/40, D McGregor 34/35.

Frankston/Australian #1 came home with only one target down in the D/B for a very good score of 244/250. There were five teams who also came home just one target down in event two, this really is some competition. The winning team members P Mills, L Curtis, J Kalaboukas, M Bravin & D Hutchins.

The Juniors were not to be left out of the close finishes with Melbourne and Wonthaggi shooting 49/50 to draw and then shoot off with the combination of J Clerke and J Zechner taking the prize.

The day's High Gun a prestigious array of goods sponsored by Beretta Australia and after an unprecedented twelve shot the card, it was Sharon Lennane 77/78, Sharon also won the Ladies High Gun 50/50, Junior High Guns went to A Grade W Smithwick 59/60, B Grade T Eden 49/50 and C Grade J Stevens 48/50.

Once again the Zone wishes to thank very much our Major Sponsor Beretta Australia for their much appreciated ongoing support.

36th Skeet Carnival

Tamworth Clay Target Club held its 36th Annual Skeet Carnival on 14th 15th and 16th March in generally good weather conditions except for some wind gusts which kept the scores a bit down but culminated in a severe storm at the start of the last event with a blackout necessitating an end to the carnival after the penultimate Event 5.

Some 30+ shooters attended on the first day Friday to compete in a 50 target 20 gauge championship followed by a 25 pair doubles championship.

Saturday morning saw 54 shooters nominate for the next four events over the Saturday and Sunday with three championships and a handicap all 50 targets to be shot.

Due to the severe storm and power failure the shoot was declared after the second last event and High Gun ties had to be decided by whatever means acceptable to the contenders.

It was great to see some new shooters attend the carnival for the first time and of course so many of our regular supporters from Bathurst, Brisbane, Bundaberg, Caboolture, Cecil Park, Cooma, Gold Coast, Inverell, Newcastle, Taree and Toowoomba as well as our local club shooters.

A very satisfying aspect of the carnival was the attendance of a young Junior, Sam Smith from Brisbane who was only one target down from the High Gun Score with 147/150 over the three High Gun events.

Another fairly new shooter to the sport, Ben Buhagiar's son Adam was only three targets off the High Gun with 145/150 to take the B Grade High Gun and Tracey Ashton got ahead of her constant rivals Paulette Walker, Sarah Bennett and Lorraine Hughes to win the Lady's High Gun, also with 145/150.

The A Grade High Gun ended up with two Veterans on the same score with the tie breaker, whatever it was, going to Kel Madsen for the grade and Tamworth's Rod Taylor the Veteran.

The much sought after Geoffrey Walters

The Northern Zone Skeet Team selection had to be limited to 50 targets with Rod Taylor, John Cassin, Craig Hayes, Rod Nicholson and Derek Wyllie the top five qualifiers.

The carnival was kept running smoothly by Shoot Marshall Ben Buhagiar and shooters were extremely well catered for by Karen, Judy, Sandra, Melissa, Anne and Wendy in the kitchen.

Pauline Walters, Nick Aird & Peter Vella

Memorial High Gun was a tie between Peter Vella and Nick Aird who have both been previous winners of this coveted trophy which was presented by Geoff's widow Pauline.

Apparently it was decided that they would split the High Gun cash trophy and the club will add both names to the memorial trophy.

The carnival also included the Northern Zone NSWCTA Skeet Championship with first time shooter to Tamworth, Doug Alcock from Cooma the Overall

Rod Taylor & Ben Buhagiar

Stew Bowden, John Sleightholme and Chris Durkin did a great job with the handicap cards and had them ready in good time for the travelling shooters to head for home.

The traps were well serviced and loaded with White Flyer targets which were a great improvement on last year with shooters very appreciative of the quality of targets thrown.

Shooters competed for cash trophies this year thanks to the generous sponsorship of John Guberina of G Brothers Mercedes Benz at Mona Vale, Colin Sim of CPC Auto Components, Weatherall Engineering and Ken Brady's Bob Jane T-Marts Tamworth.

By all accounts, shooters enjoyed the shoot and that is very pleasing to the skeet committee who continually strive to maintain and improve what has become one of the main events on the skeet shooting calendar.

Appreciation from Rodney Woodrow "Shotgun Coach of the Year"

On the 1st of March 2014, Brett Brown (QCTA State resident) my wife (Wendy and I attended the AISL awards night at Sydney and I was awarded the "Shotgun Coach of the Year".

I struggle in receiving an award such as this when I regard it as an honour and privilege to be asked to serve others in any form.

To me, this award is so much about others rather than myself, and I would therefore like space in our magazine to convey my thanks.

I thank the ACTA for their support and frankness when trying to solve coaching matters within our state and for recommending my name to AISL from so many other worthy nominations.

I also wish to thank the QCTA for the privilege and "free rein" to serve the state as Coaching Co-ordinator and DTL Specific coach and their nomination of me for this award. I also thank my state coaching team of the last three years of Daryl Stevens and Richard Morrison in DTL, Jar Smaniotto in Trench and Laurie Sceresini in Skeet as well as Holly Wood, for all her support on the QCTA website.

The Western zone in Queensland has supported me over all the 23 years from start to finish and their support has been my foundation to work from.

No matter how much anyone wishes to coach, if you don't have people that want your advice, then nothing can happen. Obviously there have been so many people that I have had the honour of trying to enhance their shooting capability and I thank them for the opportunity, as learning is a two way path.

I also wish to point out, that we all need a hand, and I am indebted to Kevin Wright from Ballarat for his knowledge, coaching and mentoring, ever since I first met him in 1998 as he kept my enthusiasm up when at times I felt close to being burnt out.

Lastly, no one can be involved for as long as I have without the support of their family. Our children did a lot of the property chores while I was away, as did my wife, Wendy. Also, as quality control officer, she made sure when I was reviewing my coaching presentations, that I had done everything morally and ethically correct. Numerous lectures on how to treat people with respect, dignity and without being intimidating, especially ladies and children, even if I wasn't at fault, have made me so aware of how we need to conduct ourselves in the public arena.

That said, political correctness, catering to egos and group hugs are three of my weaker points and she made sure they were kept in check.

In closing, I thank all of you, for the honour of the award and I believe that as a coach, our role is to help people to succeed at sport, but more importantly, to understand what it means to win at life.

Then our sport will be so much more enjoyable.

Rodney Woodrow.

Tony Calandro Memorial Shoot

Sunday the 9th of March 2014 saw eleven squads of shooters arrive at the Echuca Clay Target Club to compete in the Tony Calandro Memorial Shoot. Tony Calandro, a Shepparton based man, was always heavily involved in clay target shooting, primarily at the now, gone, Shepparton Clay Target club, he was always a generous supporter of numerous shoots, and would certainly be responsible for getting not only his own family, but also most of his relations, involved in the sport. He will always be sadly missed by all, especially his family, who have started this annual Memorial shoot, and have very generously donated the total prize collection with a value in excess of \$3,500.00, making it a very attractive shoot for the many competitors who attend. The committee of the Echuca Clay Target Club thank the Calandro family for their involvement in this shoot, and assure them that because of his popularity, virtually all who attended would have known Tony, or would certainly have heard of him.

A big thank you to Echuca member Conrad Robb, who has been responsible for getting the Echuca grounds to such a magnificent condition for this shoot, and also to the ladies, Dorothy and Heather, and their helpers, who fed and watered this large crowd, and who put on such a handsome and delicious afternoon tea for all who attended, thank you! Shooting conditions certainly could not have been improved, with creamy white crop stubble as a background for the black targets, and not a breath of wind, also a clear sunny sky, warm but not hot temperature, all a recipe for good scores, and that is exactly what was produced.

Russell Felmingham OA PS

then waited for the last man standing, Ray Peatling, to shoot his, but Ray had run out of puff and managed to miss his, then Laura put her hand in the air to claim the Overall Winners Sash with an unbeaten 136/136 score. "Magnificent shooting Laura", well done! Laura also won the Junior High Gun Sash, and as well claimed a grade win in the Single Barrel Championship.

Laura Wooley OA DB grade, 1st SB Junior HG

Connor Keck B grade 1st SB

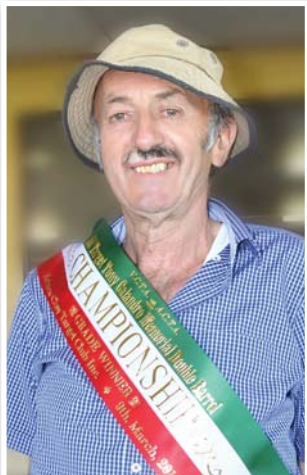

An Echuca member claimed the Overall Winners Sash in event two, the 50 target, Tony Calandro Memorial Single Barrel Championship. Steve Trail was the only competitor able to down all fifty targets in this difficult discipline, so having recorded a clean score of 50/50 Steve won the Overall Winners Sash, and also the 1st in AA grade trophy.

Steve Traill OA SB

Glen Viney A grade 1st PS

Enzo Calandro with son Anthony's Sash 1st in C DB

Joanne Boyer Ladies High Gun

Jeff Hogg B grade 1st PS

Beth Hayden C grade 1st PS and SB

Event One the 50 target, Tony Calandro Memorial, Points Score Championship, and Cosgrove member, Russell Felmingham shot a clean score of 150/150, and as no other shooter could match his perfect score, he claimed the Overall Winners Sash, and the 1st in AA grade trophy.

The Calandro family members featured in two of the events, the Single Barrel eluding them, certainly Enzo Calandro (father of Anthony, who won C Grade 1st in the Double Barrel, and had to leave early for work) was very proud, and had his photo taken with his son's Sash on. Andrew Calandro won 1st in B Grade in the same event. And A Calandro made a 2nd in C Grade in the Points Score Championship.

Bendigo member, Tony Moroni, shot an unbeatable 247/250 over the program and as no other shooter could match that score, Tony claimed ownership of the Overall High Gun Sash and trophy, magnificent shooting Tony, only three points lost out of 250. The Veterans High Gun Sash was won by Don Milojevic with a score of 243/250. The Ladies High Gun Sash went to Colbinabbin member, Joanne Boyer, who also recorded a 243/250 score. Laura Wooley claimed the Junior High Gun Sash.

Full scores are as follows: Points Score: OA & AA 1st R Felmingham 150/150, AA 2nd T Moroni 149/150, A 1st G Viney 149/150, A 2nd J Boyer 146/150, B 1st J Hogg 149/153, B 2nd C Keck 146/153, C 1st B Hayden 131/150, C 2nd A Calandro 125/150. Single Barrel: OA & AA S Traill 50/50, AA 2nd T Moroni 68/69, A 1st L Wooley 50/51, A 2nd C Hood 49/51, B 1st Connor Keck 52/55, B 2nd Peter Watkins 51/55, C 1st Beth Hayden 44/50, C 2nd Riley Johnson 33/50. Double Barrel: OA & A Laura Wooley 136/136, A 2nd Travis Redman 59/60, AA 1st Ray Peatling 135/136, AA 2nd Rob Ross 113/114, B 1st Andrew Calandro 76/77, B 2nd Vince Vevandro 50/51, C 1st Anthony Calandro 48/50, C 2nd Kayleen Escourt 41/50.

A perfect day of clay target shooting, perfect weather, perfect targets, a smooth running shoot ending at a very reasonable time considering the fairly large numbers, a tasty and plentiful free afternoon tea for everyone, a big number of sashes (no ribbons) and a huge quantity of trophies. A clay target shooter's dream.

Seaside Carnival

One hundred and thirty-three shooters from the Northern Territory, South Australia, Tasmania and Victoria, representing thirty-one individual clubs, arrived to compete for the \$14,000 worth of shells, cash and trophies on offer.

Club members had worked hard leading up to the event, finalising the fifth DTL layout just two weeks prior and having the rest of the grounds in pristine condition. All was set for a great carnival. This year competitors and their family members took the advantage of camping on the grounds and by mid-Friday afternoon the camping area was reaching capacity.

To start the weekend off the first event was a 30 target Twilight Points Score Championship sponsored by two local companies, Norton Ford Dealership and Richardson Marine. Ninety three shooters nominated for this event and at the completion of qualifying rounds we had only six possibles. After a short shoot off local member Ben Wines won the

sponsored by Falcon Cartridges and we thank Neil and Graham for their continued support of our club. With twenty-three possibles on the board a

long shoot off looked on the cards. After 105 shoot off targets Ashley Bolwell from the Central Wimmera Club took out the championship, giving Ash a back-to-back winner for this event 134/134. AA first went to Kyle Booth from the Hobart Gun Club scoring 133/134, second Wayne Hawker 112/113, A first Ethan Domney 67/68, second Neville Harris 40/41, B Lachie Wilde 25/25, second Phillip Watts 24/24 and C grade again went to Jack Holdsworth 30/32, second Tim Kosch 29/32, Veterans Gary Pike 25/25, Ladies Lisa Hawker 25/25 Juniors Kyle Booth 68/68.

Saturday morning, Event 3, the GB Corsivia 25 Target Points Score Championship, and our thanks to Bruce and his company for his continued support. In excellent conditions and with twenty squads shooting this event we had seven perfect scores and fifteen shooters on one point down. Craig Kelly from the Central Wimmera club took out the championship with the score of 153/153. Fellow State Executive member, Ray Peatling, was first in AA scoring 150/153, second Col Widows from the Morwell Club 120/123. A first Fiona Dobbins 74/75, second

This Seaside Carnival was a huge success, these events would not be successful if it was not for all the work put in by members and members' families. Firstly I would like to thank the Chambers family for all their work and support from Friday to last thing Sunday, Isaiah Harris in his first year as club shoot marshal did an excellent job, to Greg James for his assistance on the computer, to my Secretary Gerard Hose for all his hours getting the grounds ready and work in the office with Ben, Wayne and Murray. Out on the grounds Les, Marcus and Gary, thank you also, and finally to Helen for all her work in the kitchen and Christine, Mary, Camille and Helen Kelly for assisting her. Thank you all.

Golden Cartridge 2 Day Shoot

Well another Golden Cartridge has come and gone and what a 2 day shoot the Orange Club had with Club Break records falling everywhere. The Club would personally like to thank our wonderful sponsors, Beretta Australia, Perazzi Australia, Gunsmoke of Bathurst, Michael and Kay Hunt and Hanson's Optometrists of Orange.

Before we start with the event winner's I feel I should congratulate the new club record holders, they are: Glen Castellaro with a new long break club record of 617, and Glenn Barton with a new club double barrel record of 499/499. Arty Del Ben needs special mention also with a 608 long break which would have been the new Club record sadly for Arty, Glen showed up. Well shot anyway Arty.

We had shooters from all parts of the State and a special mention to those Sydney shooters who made a special effort to come to Orange and support the club. A special mention to the large number of Cobar and Coonamble shooters that turned up also. Unfortunately for the Coonamble lads they were left licking their wounds after going off a little prematurely and failing miserably in their quest to win the inaugural Fire and Ice shield I have informed the boys I believe there is a nasal spray they can all take next visit.

Thanks everyone for turning up to a great shoot, I have no doubt you all enjoyed the wonderful food put on by our canteen ladies and the cold beverages supplied most evenings. The club puts a huge effort in to get you all away at a decent time on Sunday afternoon, last but not least, thanks to our ever popular shoot marshal Johnny Lawrence from Canowindra, every year you do this for us mate and we really appreciate it.

See you all next year.

20th Australasian-Pacific Grand Prix

Australia's longest running Olympic Discipline clay target shooting event, the Australasian-Pacific Grand Prix, was conducted for the 20th time at the Brisbane Gun Club, on 14th 15th and 16th February 2014. As is generally the case, the club grounds were well presented, despite the recent heat and dry conditions, and the club's overall appearance and ambience were improved by the presentation of the grounds and clubhouse, and the colour-

ful addition of the various state and national flags.

First conducted in 1995, the Australasian-Pacific Grand Prix competition was originally designed to allow shooters from throughout Australia to compete under international conditions amongst shooters from visiting countries. This has certainly been the case on each occasion the event has been conducted, and although we have had only a sprinkling of international competitors in recent times, this year we once again welcomed the 40 strong Japanese contingent representing the Japan Top Gun

Club to again fulfil that role.

As recent times have seen a marked decrease in the numbers of Australia shooters competing in the ISSF Skeet discipline, a decision was made, with the QCTA's approval, to make a change this year and conduct an Australian Skeet competition in conjunction with the Olympic Trap event. This proved reasonably successful in that four squads of skeet shooters participated during the weekend, which was considerably more that would have been the case if the ISSF Skeet events were conducted.

included a 100 target Olympic Trap 'Skins' Badge Match and a 150 target Grand Prix in Olympic Trap and this year for the first time, a 100 target 'Skins' Badge match and a 100 target Grand Prix event in Australian Skeet.

In keeping with the usual competition program, the weekend's proceedings kicked off with the conducting of the Olympic Trap 'Skins' Badge match which has become extremely popular with all in attendance over many years. The established procedures were once again in place and shooters were again divided into two groups AA and A Grades combined and B and C grades com-

combined, with \$10 of each shooter's nomination fee pooled for each of the four rounds of the event. The established rules are that the highest score in the group wins the prize money for that round, and if two or three shooters have the same score in the round, the prize money is shared.

If however, four or more shooters shoot the equal highest score, the prize money is held over and 'jackpots' to the next round.

At the commencement of the day on Friday, conditions were still and the targets were set without any wind, however it appeared that the heat and hazy conditions would make for a testing day for all ready to enjoy the weekend's proceedings.

The first of the five squads entered for the Olympic Trap 'Skins' event kicked off the morning with a leisurely 10.00a.m. start, and it was obvious as usual that the competition for the 'Skins' prize

money throughout the day would be hotly contested. In the AA/A group, Dan Johnson of Warwick, Kevin Perkins of Maryborough and Brisbane member Fernando Cilli, all recorded 23/25 to share the \$110 'skins' in the round. The B/C group was claimed with 21/25 by local member Franco Di Bartolmeo who pocketed the \$160, the first of a number of cash envelopes he would be receiving over the weekend.

Round two, and the conditions were still quite hazy, making it difficult for all concerned. The AA/A group on this occasion was shared by Mark Boyce from Frankston and Brisbane committee member Peter Tobin with 23/25. Peter is best known for his success, winning the 2013 ACTA Sporting Clays National Championship. The B/C section this time around was won by relative new comer, Terry Day of Brisbane, who carded 21/25 to take the money.

At the completion of round three, two AA/A shooters, Frank Minici of Cecil Park and Warwick's Dan Johnson had the top score of 24/25 in the group while Jason Hamill, also from Warwick won the B/C section with 21/25.

The final round of the day again saw Frank Minici in the money, recording 24/25 to skin the group. The B/C section went to David Menck, who pocketed the \$160 with 21/25.

100 target 'Skins' Badge Match: AA Grade Frank Minici (Cecil Park) 92/100, A Grade Justin Hitchins (Hobart) 86/100, B Grade Franco Di Bartolmeo 80/100, C Grade Greg Mitchell (Toogoolawah) 76/100, Junior Sam Bylsma 81/100, Veteran Kevin Perkins (Maryborough) 83/100.

While the local members and

visitors were involved in the 'Skins' competition, our guests from the Japan Top Gun Club arrived and immediately got down to task of some serious practice. The Winchester sponsored group from Japan, have now been coming to the Australasian-Pacific Grand Prix on a regular basis for over 15 years. We always appreciate the company of the Japanese shooters, and although there is often a language problem, the group always fit well into the conducting of the weekend's competition.

Saturday morning, and once again the targets were set in still conditions. However, the forecasters were proved right later in the day when the breeze got up and flattened out the low right hand targets. Again, the hazy light made it tough and the fluctuating conditions of the previous few days looked as though they would continue throughout the weekend.

This year, the weekend's proceedings would include the 150 target Australasian-Pacific Grand Prix competition in Olympic Trap and also two events in Australian Skeet a 100 target 'Skins' Badge Match on Saturday and a 100 target Australasian-Pacific "Grand Prix" event on Sunday. As very little standard discipline skeet is shot in Japan, the 200 targets over the weekend would be great experience for the eight Japanese Skeet shooters in attendance.

Day one of the skeet saw the Japanese shooters joined by a number of locals, headed by Brisbane Gun Club Vice-President Glenn Walker and his wife Paulette, who jointly did a great job organising the weekend's proceedings. In all 4 squads participated in the day's event.

100 target Skeet Badge Match: AA Grade Glenn Walker 96/100, A Grade Vaughan McInnes 97/100, B Grade Robin Yates 84/100, C Grade Cameron Spence 76/100, Lady Paulette Walker 95/100, Veteran Yotaro Myoshi 95/100.

The first day of the 150 target Olympic Trap Australasian-Pacific Grand Prix also saw a 'Skins' competition held in conjunction, with the field now expanded to 10 squads with the inclusion of the Japanese visitors. Again, the competition for the spoils was fierce, and it has been said on a number of occasions that during the 'skins' competition you really find out who your friends are.

'Skins' throughout the day were evenly distributed with Fernando Cilli (2), Mark Boyce (2), Kevin Perkins, Greg Newey, Michael Cilli and Dan Johnson receiving money from the AA/A section while Rohanna Abberton, Peter DiGiannantonio, Keiichi Naramoto, Franco Di Bartolomeo (2), Alex Smith, Hiroka Iida and Col Gursky all shared in the B/C pools.

At the conclusion of the first day of the Olympic Trap event, with only 50 targets and a final to be

shot on Sunday, Dan Johnson (88/100) was one target ahead of father and son combination Fernando and Michael Cilli, while a number of others including Peter Tobin, Kevin Perkins and Mark Boyce were all hovering on 85/100.

Michael Cilli and Dan Johnson started well on Sunday recording 45/50 for their final rounds and finishing at the top of the leaders board with 133 and 132 respectively. Next into the 25 target single barrel final was Peter Tobin along with Fernando Cilli, Alex Smith and Shane Smith making it five out of the top six shooters from Brisbane Gun Club.

After 25 targets single barrel with the qualifying score not carried forward to the final, Peter Tobin added to his recent successes scoring 21/25 to take the overall winners spoils from Shane Smith of Brisbane second, and Dan Johnson, third.

In the Australasian-Pacific Grand Prix Skeet competition, the scores were also close in many areas with often only a target separating medal winners.

100 target Australasian-Pacific Grand Prix Skeet: Overall 1st Glenn Walker Brisbane 99/100, AA Grade 1st Paulette Walker Brisbane 97/100, 2nd John Rodden Brisbane 93/100, 3rd Akihiro Yoneyama Japan TG 88/100, A Grade 1st Vaughan McInnes Brisbane 96/100, 2nd Kasuyasu Shimomoto Japan TG 91/100, 3rd Yotaro Myoshi Japan TG 90/100, B Grade 1st Robin Yates Brisbane 87/100, 2nd Makoto Kino Japan TG 84/100, 3rd Takao Nishi Japan TG 83/100, C Grade 1st Cameron Spence Brisbane 95/100, 2nd Scott Muskett Brisbane 85/100, 3rd Jackie Richards Brisbane 80/100, Lady 1st Paulette Walker Brisbane 97/100, 2nd Jackie Richards Brisbane 80/100, Veteran 1st Yotaro Myoshi Japan TG 90/100, 2nd Kishin Hanzawa Japan TG 65/100.

In all, nearly 80 shooters took part in the competition over the weekend, a good result considering that the National ISSF Carnival was held in Perth only a matter of weeks earlier and many shooters would not be in a position to attend after such a short period.

Again, Brisbane Gun Club would like to further acknowledge the great support received from Winchester Australia and in particular the personal support of Greg Mitchell. The attendance of the 40 competitors from Japan always guarantees our competition to be a success and without the support from the Japan Top Gun members our Grand Prix competition would not enjoy the ongoing success that it does. The many members and supporters of Brisbane Gun Club including Paul Vit, Darby Munro, Klint Hope, Shane Smith, Rohanna Abberton, Glenn and Paulette Walker, Kevin Perkins, Mason Jardine, Greg Newey, Bob McNamara and others contribute enormously to the successful running of the weekend's proceedings as do the contributions made by the Italian fraternity and the 'Gentleman's Club' members.

As time passes, so also do some of our long-time supporters, and it is sad that this year we acknowledge the recent passing of the foundation President of the Brisbane Gun Club's Grand Prix committee, Dan Moffit. We must also acknowledge the passing of Reno Cangiano who attended our first Grand Prix in 1995 and supported us almost every year since then.

We all look forward to the conducting of the 21st Australasian-Pacific Grand Prix in 2015.

A fairly quiet month for me, shooting wise. The first weekend we were still on holidays. The second was Bairnsdale Gun Club's monthly shoot day. Once upon a time we shot Skeet practice all afternoon. However the Skeet field has now become so popular that we spent most of the day playing cards and waiting our turn. The third weekend was my annual pilgrimage to Phillip Island for the Historic Motor Race Meeting. This year we shared a house with a couple of old Bathurst Legends, Murray Carter and Johnny French. Frenchie used to be Dick Johnson's co-driver and so he always has some great stories to tell. And the last weekend we stuck pretty close to the TV, barracking for Daniel Ricciardo at the F1 Grand Prix. I didn't go to the track this year as Porsche leased the area where I normally supervise Shannon's exotic car display.

New Zealand Trap Nationals

Although it was a quiet month for me, it certainly wasn't for some of my mates. A few days after the NZ Nationals finished, I downloaded the results into my Doug Smith Medal file and promptly did a double take. Of the seven National Championships on offer, Australians won six of them and just to rub salt into the wound, the other one went back to England. The only major event won by the host country was the Handicap. And the Championship runner-up spots didn't fare much better either, with Aussies taking five out of the seven of those as well. We certainly cornered the market on Hall of Fame points but next year we may have a lot more trouble clearing Customs and Immigration!

Juniors on the rampage

Plus as well as the year of the "West Island"

it will also go down as the year of the juniors. Obviously no-one was surprised to find that Darryn Nicholls had won the High Gun, but when a young bloke from Corowa named James Willett won both the Double Barrel and the Double Rise, that was pretty spectacular. Then, not to be outdone, young Mitchell Iles went out and won the last three events of the program on the trot, including the National Single Barrel and the National Points Score. When I spoke to Bill a few days later, he told me that Mitch had shot 370 first barrels straight in the process of pulling this off. I guess that's one young bloke I won't need to give any more pep-talks to, as the frog now seems to have a pretty good grip on that bird!

Speaking of young boys

When I was a little boy entertainment was way more limited than it is today. No iPads, no computers, no internet, no smart phones, no DVDs; there wasn't even any TV. Television didn't come to Australia till 1956, just in time for the Melbourne Olympics. And as a single parent blue collar family we couldn't afford one for a long time after that anyway. So our home entertainment was via radio programs and comic strips in the newspapers. Of the latter, my two favourites were "The Phantom"

and "Mandrake the Magician". So when my old mate Kevin Weatherall from Tamworth phoned me recently to tell me he had happened upon a very enlightening episode of Mandrake in a January 1954 edition of the Australian Woman's Weekly magazine and that Mandrake apparently was a Skeet shooter, I was interested enough to ask him to send it on to me.

Mandrake the magician

Upon receiving it, I was initially only personally interested due to the nostalgic connection between my childhood and my later sporting interests. However upon closer examination I noticed a very interesting and yet obscure historical point, which is why I decided to share it in my column this month. During my time working for NSSA in San Antonio as Chief Instructor (their version of National Coaching Director) I was fortunate enough to have the time and opportunity to research the history of Skeet shooting fairly extensively. In fact the prelude to the Instruction Manual that I wrote for them was an expanded version of that topic.

From humble origins

Skeet shooting evolved on a small farm in rural Massachusetts around 1920. And by the time it began to take hold across North America a few years later, many of the early glitches had already been resolved. For instance the full circle had already been reduced to a half circle and the radius of that circle had been reduced from 25 yards back to 20 yards. However the target flight was still directly over Stations eight and seven, which was a carry over from its full circle origins. This was not amended until the sports escalating popularity necessitated gun clubs building multiple layouts.

A work in progress

Immediately the impracticality of building them as isolated entities with a twenty yard buffer between them to prevent numerous problems including targets and fragments landing in the middle of adjoining fields was realised. To solve all theses problems and allow the shared house adjoining field system that we enjoy today, the target crossing point was moved six yards out from station eight. However this required all the shooting points to be relocated from their original positions on a half circle with a twenty yard radius, to new positions on a semi circle with a twenty one yard radius.

The good news

Skeet shooters of the modern era would immediately appreciate the enormity of the infrastructure problems this should have created. The three feet square concrete pads on stations two through six would have to be broken up and new ones surveyed, excavated, boxed and poured on every layout across the country.

Not so! And this is the very point highlighted by our old mate Mandrake. Shooting stations designated by one yard square concrete pads are a far more modern development. Back then the various shooting positions were called Posts or Stands, not Stations. Once the field was surveyed a small wooden post about three feet high was driven into the ground at each post and the shooters simply stood behind each post to shoot.

Gentlemen, take your positions

For convenience an edged wooden tray about a foot square was usually affixed to the top of each post. This was a particularly handy addition as photos of Skeet shooting competitions from this era will indicate. Shorts, tee-shirts, sneakers and baseball caps were conspicuous by their absence, as were vests and pouches. People in general and clay target shooters in particular tended to dress a lot more formally for recreational activities in those days. So when it was your turn to shoot and you walked up to the Stand in your suit, collar and tie, complete with polished shoes and felt hat, the tray was the perfect place to put your box of shells while you shot your targets. And so it was the post and tray from bygone days as depicted with Mandrake in this nostalgic time capsule that led us down memory lane to a golden era when even Hollywood film stars took time out to become World Skeet Champions.

Still in the dark

Somewhat embarrassingly my own home State of Victoria is still the one with the most recent gaps in my State Skeet Champions file. Back in my January column I thanked all those people who had assisted me with various results from the two "mystery" years of 2005 and 2007. At that time I was only missing the Doubles

winner from 2005 and the 20ga winner from 2007. Following that Chris Rockliff was kind enough to phone and advise me that the 2005 Doubles ribbon happily resides in his trophy cabinet on the "Apple Isle". Along with his NINETEEN other State Skeet ribbons I might add! However the 20 Gauge winner from 2007 still continues to elude me, so I think it's time I threw out a challenge and turned this enigma into a Holy Crusade. And here it is! If anyone can tell me who won the Victorian 20 Gauge Skeet Championship in 2007 before this year's Skeet Nationals, I will supply them with all the shells they can shoot in both the qualification and the shoot-off in the 2014 National Skeet Handicap. And I promise not to start sooking until the shoot-off passes 200.

March's Trivia Question

I would have thought that somewhere around ten or a dozen consecutive appearances in the State Skeet Postal Team would have been about as many as anyone could rack up, before one of those two infamous laws (Murphy's and Averages) caught up with you. Sooner or later, no matter how much shooting ability you had, a birthday or a wedding or an accident or an illness or any one of a bunch of other similar diversions would intervene and bring such a run to an end. As an example, Laurie Chelepy, who is one of the most dedicated Skeet Shooters I know, once told me that he would have had twenty four consecutive attendances in the Queensland State Skeet Team if his daughter Tracey's twenty first birthday party hadn't dug a divot out of the middle of that fairway.

Enter the Guinness Book

Thus I figured that around fifteen would be pushing the edge of the envelope and anything beyond twenty pretty much impossible. So you can imagine my astonishment when I

was reading the write up from the 2008 South Australian Skeet Carnival and found that Ray Kimber's failure to make the Open State Postal Team that year ended a run of thirty eight consecutive appearances. Thirty Eight! That's every single year since 1970! I've known Ray Kimber for a very long time. I knew he was a lovely bloke and a great shot. What I didn't know was that he must also be related to Mandrake the Magician! Great job Ray, I am very impressed! The variety of answers received this month indicates that most people simply made an educated guess. Therefore the first "good guess" drawn was submitted by Glenn Clarke from Beaconsfield in Victoria.

Ray Kimber, 1971
Champion of Champions

North East Zone Handicap shot at Mathoura

Friday night on the 28th of February and what greeted the shooters when they arrived at the Mathoura Gun Club was wind and more wind. Virtually everyone agreed it was going to be very difficult to put a good score together, but all the competitors were keen to try. Fortunately the wind was not as strong or gusty at the start of the shoot but progressively grew stronger as the night wore on, so the first event had three shooters with a full score of 15/15. Event one was a 15 target Double Barrel Night Cash Divide, and Mark Visterini (Cohuna), Tim Maher (Deniliquin), and Craig Scott (Echuca) all shared the cash return.

Event Two, a ten target Night Handicap Cash Divide, and by now it was becoming more difficult to chase the weaving targets. Local member, Peter McCluskey, managed to lose just one of the targets and he collected the 1st place cash with a 9/10 score. Craig Scott and Tom McCluskey (Mathoura) both scored an 8/10 and shared the 2nd place cash.

Event Three was a 25 target, Victorian North East Zone, Night Handicap and one of Mathoura's newer members, Carl Scott, blitzed the field by losing just one target, easily claiming the 1st place trophy, and the sash,

Carl Scott 1st HC

P McCluskey 2nd HC

Tom McCluskey 3rd HC

with his excellent score of 24/25. In fact the Handicap turned out to be an all Mathoura member affair, with Peter McCluskey shooting a 22/25 score earning him the 2nd place trophy, and Tom McCluskey collecting 3rd place having shot a 21/25. Thomas earned his 3rd placing after winning a short shoot off with Echuca member Mick Keirl.

A good night of clay target shooting, even with the wind, and with the shoot running smoothly the presentations were all over by approximately 10.30 pm, giving all who travelled a reasonably early night.

Psychological Skills for Shooting

Michael Kruger-Davis

PERSONALITY TRAITS

A large part of my regular, nine to five job, involves training provisionally registered psychologists in core competencies to meet the requirements of the psychologists registration board. One of the core competencies is the area of personality theories and personality assessment. Because the last article explored Type A personality as a

factor involved with stress and stress management, it seemed a natural follow-on would be examining personality more fully.

We all know what personality is. We often define people by using the word: "He has a great personality." "She has no personality at all" Personality is something that we recognise in ourselves and other people: but what is it really?

Personality is defined 'as the sum total of all typical ways of acting, feeling, and thinking that makes a person different from all others.' In the 1950's, psychologists researched personality and by examining individuals and therefore it was argued that, "an individual's personality, is his unique pattern of traits." Therefore to understand this definition means we have to define and understand what a trait is. A trait is 'any distinguishable, relatively enduring way in which one individual differs from others.'

Defining personality can be hard to understand, but basically three factors need to be considered:

1. Individuals are unique.
2. Individuals behave differently in different situations.
3. Although individuals are unique and behave inconsistently across situations, there is considerable commonality in human behaviour.

Therefore, two theoretical approaches to looking at personality either by type theory (people can be sorted into categories) or trait theory (people differ based on stable attributes, called traits).

When a psychologist examines or assesses personality, what are they looking for? If the psychologist is using a trait theory type test then they will be examining the client's responses to questions that group together to make the following domains:

Neuroticism, Extraversion, Openness, Agreeableness and Conscientiousness.

These domains can then be broken down further to individual facets, for example.

Neuroticism (the unhappy person), may identify facets such as anxiety,

anger/hostility, depression, self-consciousness, impulsiveness and vulnerability. It is easy to recognise that these facets will lead to unhappiness.

Extraversion (the happy person), may identify facets such as warmth, gregariousness, assertiveness, activity, excitement-seeking and positive emotions.

Openness (the Intellectual), may identify the following facets: fantasy, aesthetics, feelings, actions, ideas and values.

Agreeableness (the nice person), may identify with facets such as trust, straight-forwardness, altruism, compliance, modesty and tender-mindedness.

Conscientiousness (the high achiever), may identify with facets such as competence, order, dutifulness, achievement-striving and self-discipline.

Each of these domains lists a range of facet that can be used to define personality traits of individuals. But it must be remembered, and realised, that we can experience and demonstrate a number of these different traits. This means rather than being described as 'neurotic', we may have some of the neurotic facets, some of the openness facets, agreeableness facets and so on. It is the combination of these traits that make up our individual personality and defines who we are.

Like all psychological constructs there are also other ways to describe personality other than either type or traits. The article on Ego outlined a basic psychoanalytic approach and there were several breakaway approaches to Freud's theory. These can be attributed to Jung, Adler, Horney, Erikson for example.

Bandura argued that Social Learning Theory was responsible for the sum total of all ways one acts, thinks and feels. He stated that people play an active role in selecting behaviour. That thinking (cognition) is important in personality. That personality is learned behaviour and that behaviour influences future learning experiences.

Behaviouralists, such as Skinner argued against the idea of traits, suggesting that behaviour was determined by situations: that is, people behave in ways to suit their situations. One situation can influence people in different ways.

Finally, the Humanists such as Rogers and Maslow argued that there is an innate internal force pushing for growth: self-concept in Roger's model and self-actualisation in Maslow's model.

In recent years there has been a significant increase in awareness of mental health issues and disorders in the society. Most people can recognise depression, bi-polar, anxiety and obsessive-compulsive disorder. There is even a better understanding in the community of thought disorders such as schizophrenia and other psychotic illnesses. These mental illnesses have lots of press and there is always some awareness raising happening in the community somewhere. Personality disorders on the other hand

The main purpose of the different personality theories is to underpin the therapeutic interventions for dealing with personality disorders. A personality disorder is an enduring pattern of inner experience and behaviour that deviates markedly from the expectations of the individual's culture, is pervasive and inflexible, has an onset in adolescence or early adulthood, is stable over time, and leads to distress and impairment.

In the next article I will examine personality disorders and how they differ from mental disorders.

I have put together all the articles that I have written for the CTSN (and some that have not yet been submitted) on CD. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

CONDITIONS OF ENTRY – National Skeet Championships

1. Any shooter wanting to compete at the Skeet Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
3. Shooters will be Pre Squadded and any interpretation of this will be the responsibility of the Tournament Director.
4. Each shooter is to take enough cartridges to shoot at 50 targets/100 targets. A time limit of one minute will be imposed for the changeover for each 25 targets. Should the one-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** may be incurred.
5. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management
6. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
7. All shooters should sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
8. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
9. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
10. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
11. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
12. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall choose in which team they will be selected. They cannot compete in both Open and Section teams.
13. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any grade prize.
14. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
15. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of the card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
16. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final. The ACTA reserves the right to alter the program.
17. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
18. **All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Championships.**
19. Squads of 5/6 to shoot 50 targets in one visit only to the traps. Squads of 5/6 to shoot 100 targets in one or two visits to the traps or as designated by the Tournament Director.
20. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible for any refund.

The friendly target...

on the **Environment** and **Pocket!**

Developed after years of extensive research and testing White Flyer has added the **White Flyer Bio** to our product line. Realizing the sensitivity of the issues facing gun club and shooting ranges, it took over 15 years to develop a biodegradable target that would meet the needs of the 21st century. **This biodegradable target shares all the superior flight and breakability characteristics of the Standard White Flyer target and is available in all orange, orange dome, black and all white.** The **White Flyer Bio Targets** are held to the same strict performance requirements as our standard targets and function in both hand set and automatic traps. All White Flyer Bio Targets will biodegrade at least 95% within two years, depending on rainfall or contact with moisture into elements found in nature.

While most competitor's environmental targets come at a higher price, White Flyer offers these targets at significantly lower cost which makes it a win for your club and the environment. A safer alternative to targets made of "coal tar pitch" currently offered by some companies.

Try White Flyer Biodegradable targets, you will not be disappointed.

- NO COMPROMISE IN PERFORMANCE
- AMAZINGLY COMPETITIVE PRICE
- VISUAL WHITE DUST EFFECT WHEN SHOT IN MID AIR

The Proof is in the Pattern

Introducing the Expanded Spartan Range:

Spartan Extra 28 gram	1300 ft/s	5% Antimony
Spartan Super 28 gram	1200 ft/s	3% Antimony
Spartan Sport 28 gram	1250 ft/s	3% Antimony
Spartan Extra 24 gram	1350 ft/s	5% Antimony

Detailed technical specs and bold claims prove nothing. At the end of the day, it is the pattern that really matters. The pattern is what brings home the top score and the pattern is what you'll remember.

At Spartan, we have a singular focus of delivering only the most reliable and consistent patterns in the game.

Produced by one of Europe's most prestigious boutique loaders, a family-run business for over 50 years, our new range is the culmination of the very best components, carefully selected by our factory, ensuring consistent and optimum performance. The unique wad which ensures perfect sealing, coupled with an 8-star crimp minimizes recoil and produces perfect patterns.

Want proof? Add Spartan to your pattern for success.

Our proprietary wad seal rings deliver tighter tolerances and a more effective use of expansion gases, shot after shot.

Dudley Pigram Memorial at Mount Bogong CTC

A group of 27 shooters enjoyed fine and sunny conditions at the Mt Bogong shoot on March 2 and we were pleased to have visiting shooters attend from Wangaratta, Corowa and Albury Wodonga Clay Target Clubs.

The feature event for the day was the 25 Target D Pigram Memorial Handicap. This event is

Phil Matthews HC winner with President Jim West

held in memory of Dudley Pigram, a gentleman, hunter & shooter, for his continuous dedication to Mount Bogong Clay Target Club. Dudley was a foundation member and President of the club from 1976 to 1994 and was honoured with a Life Membership in 1989. His contribution to shooting will long be remembered by those who had the pleasure of knowing him.

After a shoot off our visitors cleaned up the prizes with the winner of the event being Phil Matthews (Albury Wodonga) 32/32, 2nd Gordon Twamley (Wangaratta) 31/32 and 3rd Mark Baker 28/32 (Wangaratta).

The 15 Target Walk Back Championship sponsored by Elks Hunting & Fishing was won by Mt Bogong C Grade shooter Billy Roper 15/15 after a shoot-off with AA shooter Phil Matthews. Other Grade winners were AA Grade Phil Matthews 15/15, A Grade Reg Pheley 24/24, B Grade Peter Roper 22/22.

Billy Roper 20/20 had a great days shooting also winning C Grade in the 20 Target Double Barrel event. Other Grade winners in this event were AA Grade John Wojcik 40/40, A Grade Greg Rowe 36/36, B Grade Darrel Taylor 20/20. Winner of the High Gun with an excellent score of 89/90 was Phil Matthews.

Congratulations to all winners, thanks to all shooters for coming along and making it a great day's shooting and thank you to all of our sponsors.

Billy Roper Walk Back winner

CESSNOCK CLAY TARGET CLUB AIM TO HELP A SPECIAL LITTLE MAN

Chase was born with a rare genetic condition called Phelan McDermid Syndrome. It affects less than 50 people in Australia and less than 900 cases worldwide. It is a deletion or mutation of the 22nd chromosome. This has affected Chase in every aspect of his life. Since birth he has constantly had trouble learning new skills and remembering old ones. This is due to the syndrome impacting on his gene linked to learning and memory causing him to have Global Development Delay. Sadly, this means that Chase may never learn to talk, use cutlery or even the toilet. He will be heavily dependent on the care and support of others his entire life. In his short life so far, Chase has already experienced many medical issues related to this condition, such as a complete heart block, asthma and breathing difficulties, trouble regulating his body temperature and severely decreased muscle tone.

Our aim is to help Chase and his family. As this is a recently discov-

ered syndrome, there is little information available with regard to treatment, specific strategies and supports available for families. There is however a foundation based in America that runs conferences relating to this condition once every two years. These conferences feature both educational talks and 'round table' sessions including Basic Research, Emerging Communication, Adult/Older Child Transition and Wills, Trusts and Guardianship and much more. Attending this conference would not only assist with planning for Chase's future, but would also allow his family to make lifelong connections with other families affected by Phelan McDermid Syndrome, vastly increasing their support network.

The next conference is in Orlando, Florida in July 2014 and Cessnock Clay Target Club is holding a Fundraising Shoot on the 24th of May to try and help Chase and his family attend this important conference. So come along and have a shot for a great cause and enjoy a great day. The Singing Chef will be making a comeback cooking a sumptuous spit roast lunch and we'll be throwing White Flyers which everyone just loves to crunch! A special thanks to Allan Jones for his efforts supplying and gathering sponsorship for the day and if you would like more information Allan can be contacted on 0412 832 565. The program can be found in this month's CTSN and this shoot will replace our May Monthly Program.

Two events at Cosgrove on Labour Day

A hot day topping 36 degrees greeted only 26 shooters whom contested the hot conditions at the Cosgrove Gun Club for the Pre-National Shoot held on the Victorian Labour Day long weekend. The day began early for some, as the kitchen was supported by the Dookie/Cosgrove Hospital Ancillary who put on a great feed for all those attending and a splendid social day was enjoyed by all whom attended.

Event one was a 50 target Points Score Championship which saw Russell Felmingham shoot the only possible winning overall closely followed by Arthur Crawford on 149/150, A grade went to Paul McKendrick from Euroa with 140/150 followed by Jim Kelly from St James on

L-R: C grade Colin Repacholi, OA points & HG Russell Felmingham, OA DB Keith Calder, A grade Points & DB Paul McKendrick

139/150, B grade was won by Jake Murphy from Mansfield on 143/150 and second was Peter Watkins on 140/150, C grade was taken out by Colin Repacholi.

Event 2 was a 50 target Double Barrel Championship which saw Paul McKendrick, Keith Calder, John Pay, Lee Fitzgerald and Russell Felmingham all shooting possibles and with the warm conditions Russell and John were quick to go, Lee pushed along to target 24 in the shoot off and that left Keith and Paul to continue on trap two. The final results was Keith Calder outstaying everyone on 50/50 + 38 to take Overall & AA, second in AA was Lee Fitzgerald on 50/50 + 24, A grade went Paul McKendrick from Euroa with 50/50 + 37 followed by Max Gribben on 48/50, B grade saw Jake Murphy from Mansfield and Mick Ilickson from Cosgrove both on 49/50, the shoot off continued till Mick let one land and let Jake win with 49/50 + 20, C grade was taken out by Colin Repacholi.

Jake Murray B grade winner Points and D/B

Some personal milestones saw Master Jake Murphy obtain his 50 Break Badge and Paul McKendrick obtain his 50, 75 and 100 Break Badges. Well done guys.

The Overall High Gun was won by Russell Felmingham with some excellent shooting 200/200.

The day finished early with presentations over by 4.00pm to let those whom travelled get away.

Many thanks to the Dookie/Cosgrove Hospital Ancillary for a splendid feed as this March and May Shoots are fund raisers supporting a local committee that also supports the District.

Thank you to all the shooters that attended and helped out during the day, and a special thank you to Gavin Gall for getting the grounds ready, they looked great.

Next shoot Sunday May 25th, the Vin Ryan Memorial High Gun.

VALE

FRANK BOMBARA

It is with much sadness that the Geraldton Clay Target club announces the recent passing of Frank Bombara.

Frank was a member of the Geraldton club for over 50 years and was a life member of the club. Frank loved clay target shooting especially skeet shooting. He just loved the sound of the gun and the smell of gunpowder. His home loads were renowned.

Frank's first love of course was his family and was always beaming at the kids Christmas party when he would have all the "grandies" there.

Frank was a devoted club man and even after he reached an age where he could not shoot he came out every Sunday afternoon to catch up with everyone and have a cup of tea.

We all miss Frank and think of him fondly as a true gentleman who loved his family and his sport.

JACK SAVAGE

The Orange Clay Target Club would like to notify members and friends of the passing of a great member Mr Jack Savage. Jack was a thorough gentleman who began his career in clay target shooting at the age of 93. One of Jack's proudest moments was to recently shoot 24 in a handicap event and beat his good mate John Murphy in the shoot off. I'm not sure of how many 95 year olds there are out there still shooting 20 plus targets, but Jack was one!

Farewell old mate, the Orange Club is stronger for having you around.

NSW Mixed Targets Championship

Small country clubs seldom get the chance to host State Championship matches, so for Tumut it was a very special occasion indeed when we were successful in our bid to stage an event such as the 2014 New South Wales State Mixed Targets Championship, said Club President Mr John Maxwell in his welcoming address to shooters on Sunday 9 March.

During his address Mr Maxwell welcomed into the club a new sponsor, J&A Geotech Testing Pty Ltd, a Canberra based business and in welcoming them aboard he also thanked the Tumut Business Community and Shooting Industry Partners for their

continued support. Sponsorship is a vital part of our ongoing success at all levels: club, zone, state, national and international.

A number of veterans had found their way to Tumut following the close of the Veterans Games at Wagga Wagga the day prior, and certainly buoyed our numbers many thanks, we certainly hope to see you all back again in 2015.

Clubs from as far west as Narrandera, east as Bega, Albury to the south and Sydney to the north and many in between were all represented as their members vied for the coveted "State Red Sash" and "State Badge" that go with the State

session and then got into serious business at 11am with the conducting of the 60 target points score event. Several good scores were posted but at 179/180 the event was taken by Narrandera's Craig Ceely one point ahead of Boorowa pair Damien Burt and Matt Corkhill and Phil Wales (Yass).

Weather conditions were superb, warm and sunny and just enough breeze to keep the flies away, ideal for good scores and with the points score complete all eyes turned to the State Mixed Targets Championship consisting of 40 targets.

The Match was contested in two halves; the first half being the 10 targets double barrel and 10 single barrel and at the halfway mark 22 shooters had scores that were good enough to keep them in the running.

The next half was the most difficult part, points score and double rise, the section where potentially good scores are won and lost. Home ground certainly proved to the advantage of Tumut pair Phil Green (Club Secretary) and John Maxwell (Club President) as they completed the second half without miss and obtained perfect qualifying rounds

of 60/60, 2 targets clear of their nearest rivals John Blain (Narrandera), Bill Hulm (Junee) and Phil Wales (Yass) all on 58/60.

In a relatively short shoot off it was Green that emerged victorious at +12/12, Maxwell having missed his second double rise target finishing on +11/12.

Full results listing, see club report. Five shooters were upgraded during the day's program, a testament to good targets and great conditions.

Tumut Clay Target Club holds competitions monthly and has a two day shooting carnival in October.

Overall High Gun Award for the most consistent shooter of the day went to Phil Wales (Yass) with a very fine score of 236/240, 9 competitors scored 230 or more. All prizes were presented by sponsor representative, Mr Justin Smith of J&A Geotech Testing Pty Ltd.

Throughout the day shooters wives and families were keep well fed and watered by our little band of kitchen helpers and supported by a number of visiting ladies that all chipped in again many thanks for the assistance here.

NE Zone Junior Coaching Clinic

"NE Zone will be conducting a junior coaching clinic on Sat 31st of May at 9.00 at Echuca Clay Target Club.

Please make bookings with Steve Atkins via email - aztecdental@hotmail.com"

SW Zone Referees Accreditation Night

The SW Zone conducted a very successful refereess accreditation night on Friday March 20.

Sam Clifford, SW Zone Referee Examiner, had encouraged a group of local shooters to attend and State Rules Supervisors, Jim Shepherd and Glenn Woodhatch travelled to the Noorat Gun Club to assist Sam on the Night.

The group included many younger shooters and others shooters including Mal Dyson, State President travelled from Warrnambool to be part of the evening. All who attended commented on how much they had gained from the night. The SW Zone now has a raft of newly accredited referees. Congratulations to all who gained their referee badges.

Three Victorian Juniors excel

At the NZCTA DTL Championships, **Mitchell Iles** finished with the following impressive results:

1. 1st Junior - New Zealand Championship, 24/25
2. Overall High Gun and 1st Junior - New Zealand Single Barrel Championship, 150/150
3. Overall High Gun - Kilwell Trophy Match
4. Overall High Gun and 1st Junior - New Zealand Points Score Championship, 150/150
5. 1st Junior - New Zealand Championships High Guns, 430

A fantastic achievement at such a young age! Well done Mitchell!

Shooting Skeet competition for just over a year **Aislin Jones** shot her amazing 100/100 at Melbourne Gun Club on the 1st of March. Shooting with her father Aislin was overall Skeet winner for the day. Aislin is being coached by Lauryn Mark. Watching her shoot, one can see the techniques that Lauryn has shown Aislin. Well shot Aislin.

Jack Wallace is one of the juniors who has been shooting very well in the Olympic Trap discipline. He has won several Junior medals but winning Gold at the Australia Cup in Adelaide recently was a great achievement, Josh Collard won Silver. Congratulations Jack!

Zelko Bacami Memorial Shoot

The Frankston Australian Clay Target Club held a memorial shoot on Sunday 6 April for one of our members who lost his battle with cancer last year. Frankston dedicated the day to raising funds for the Cancer Council of Victoria!. A portion of all nominations will be donated together with some proceeds from the canteen, donations, a big raffle etc and then at the end of the days events we had a balloon release to remember those who have lost their lives to cancer and to those who are currently being treated. A really great cause. I am sure we all know someone who has succumbed to the terrible disease.

We would like to take the opportunity to congratulate the Club on their initiative.

Kerang Shoots Points Score and Double Rise in March

Sunny and warm conditions greeted those shooters that attended the Kerang Clay Target Club on Sunday the 9th March 2014. As well as our local shooters, competitors attended from South Australia, Mildura, Bendigo, Castlemaine, Moulamein and Cohuna. The program for the day consisted of two events. Event 1: 50 Target Double Barrel Points Score Championship sponsored by Lake Charm Foreshore Caravan Park & Event 2: 20 Pair Double Rise Championship sponsored by Cumco Gypsum Kerang.

Overall High Gun for the day sponsored by Mathers Transports Kerang and Barham was won by Mark Davis 185/190.

Kerang Clay Target Club would like to take the opportunity to thank all of the sponsors for their support as without good sponsors these events

are not possible. Likewise we would like to send a big thank you to all those who assisted to make this shoot run so well.

The Kerang Clay Target Club would like to congratulate Mick Hastie on winning his first Championship and Sash when he won the C grade 50 Target Double Barrel Points Score Championship well done Mick you've broken the ice.

The Squire reports from West Wyalong

It was a great day to shoot clay targets when the West Wyalong Clay Target Club held their 100 Target Sporting Clays shoot on the fourth Sunday in February.

The weather was fine and warm and the targets were good for the four squads of shooters who took the opportunity to enjoy their sport.

Graham Duncan, Graham Fairman and Allan Schirmer worked hard the Saturday prior to the shoot setting up two layouts that they hoped would encourage the less experienced shooters but challenge the A Grade hot shots.

A group of shooters from Wagga Wagga made the trip over for the day and it was good to see "Ando" from Griffith at the club again.

It was a shame the shoot clashed with a state selection shoot at Majura Park and a major shoot at Marconi Club in Sydney which took some of the regular shooters away.

The "Magic Lady", Sue Turner sent her hubby Don along to run the office and he did a great job in her absence collecting the nominations and allocating squads.

Squads moved through the layouts smoothly and Laurie Redfern, Col Kneebone and Graeme "Ando" Anderson were on fire each shooting a round of 24/25 while Stephen Peek, Graham Fairman, Mitch

Kneebone and Allan Schirmer shot rounds of 23/25 during the day.

All the traps performed flawlessly although there were problems with a couple of batteries which were quickly changed and the events continued normally.

Special thanks to Laurie Redfern, Graham Duncan and John Wason who loaned the club their personal traps which were put to good use and threw perfect targets throughout the day.

With the relatively small number of shooters the day finished quite early and President, Dozer Collins called the group to order for the presentation of cartridges to the winners.

Laurie Redfern 91/100 took out Overall although pushed by Graeme Anderson all day before he had a brain explosion in the last round dropping six targets, Allan Schirmer 88/100 was the A grade winner. Colin Kneebone and son Mitch 87/100 had to shoot off for B Grade and there were no prisoners taken as Colin defeated his son to be declared the grade winner. C grade was won by another Wagga shooter, Gary Brill who shot 74/100.

President Dozer thanked all those who helped so unselfishly to make the day a success and competitors were soon on their way with plenty of time before the 'roos started to appear on the roadside.

Successful Two Days at Springsure

On the 8th and 9th of February the Springsure Gun Club held its Annual Two-day event with all eyes on the weather and the definite changes throughout the weekend. With wind and heat on Saturday and Showers on Sunday, there was definitely an era of challenges for some.

With over 70 shooters attending from clubs as far away as Brisbane and our 4th trap now operational the program of 7 events over the weekend went smoothly and all who attended had an enjoyable time.

Event One was a 30 Target Medley Cash Divide with the Overall Winner being Viv Moore with a score of 50/50. Other results were as follows: 1st AA Grade Viv Moore 50/50, 2nd AA Grade Lance Broom 49/50, Richard Woolcock 49/50, and Murray Allan 49/50; 1st A Grade Scott Becker 49/50, 2nd A Grade Don Berrie 48/50, 1st B Grade Dallas Meek 48/50, 2nd B Grade Tori Powell 47/50, 1st C Grade Tony Whitehead 45/50, 2nd C Grade Bevan Pukullas 43/50.

Event Two was the 30 Target Continental with the Overall Winner going to Alex Dallas with a score of 38/38 after the shoot off. Other results included: 1st AA Grade Viv Moore 37/38, 2nd AA Grade Murray Allan 32/33, 1st A Grade Ray Copping 36/36, 2nd A Grade Peter Purkis 35/36, 1st B Grade Tori Powell 29/30, 2nd B Grade Dallas Meek 28/30, 1st C Grade David Loch 28/30, 2nd C Grade Tony Whitehead 26/30.

Event Three was the 50 Target Double Barrel Event with Bruce Powell winning Overall after a 150 clay shoot-off against Danny Allen, who received 1st AA Grade with 189/190. Other results for this event were as follows: 2nd AA Grade Murray Allan 57/59, 1st A Grade Scott Becker 54/54, 2nd A Grade Don Berrie 56/59, 1st B Grade Trent Schutt 50/55, 2nd B Grade Dallas Meek 49/55, 1st C Grade Tony Whitehead 46/50 and 2nd C Grade Craig Richards 47/55 after a shoot off with Jayd Powell on 46/55.

Event Four, and the last for Saturday before our magnificent Pig On The Spit and Roast Dinner, was the 30 Target Single Barrel. This event was

taken out by Geoff Moore with a score of 31/32. Other results were as follows: 1st AA Grade Danny Moore 30/32, 2nd AA Grade Bruce Powell 34/35, 1st A Grade Ross Kajewski 27/30, 2nd A Grade Ray Copping 32/36, 1st B Grade Trent Schutt 27/30, 2nd B Grade Andrew Loch 26/30, 1st C Grade David Loch 27/30, 2nd C Grade Drew Rolfe 30/37.

Sunday started with some showers to contend with but all shooters seemed not to mind. The first event for Sunday was the Ladies Bracelet 30 Target Points Score Event, with Rodney Woodrow taking Overall with 101/102. Other results were as follows: 1st AA Grade Alex Dallas 100/102, 2nd AA Grade Angus Macdonald 93/102, 1st A Grade Scott Becker 89/90, 2nd A Grade Dave Scully 84/90, 1st B Grade Dallas Meek 89/90, 2nd B Grade Trent Schutt 86/90, 1st C Grade Bronwyn Wiseman 82/90, 2nd C Grade Tony Whitehead 77/90.

Event Six for the weekend was the 30 Target Cash Divide Handicap with \$2000 to be shared between winners. The winners were

as follows: 1st Scott Becker, 2nd Martin Hoolihan, 3rd Zarah Powell, 4th Bronwyn Wiseman, and 5th Murray Allan.

The last event for the weekend was 15 Pair Double Rise with Bruce Powell taking Overall after another shoot off, this time with Travis Moore. Other results were as follows: 2nd AA Grade Richard Woolcock 26/30, 1st A Grade Doug Tyson 24/30, 2nd A Grade Dave Scully 24/30, 1st B Grade Herb Tyson 20/30, 2nd B Grade Trent Schutt 18/30, 1st C Grade David Loch 24/30, 2nd C Grade Bevan Pukullas 22/30.

The High Gun Winners for the weekend were: OA HG: Alex Dallas 312/328, AA Grade HG: Murray Allan 308/328, A Grade HG: Scott Becker 291/310, B Grade HG: Dallas Meek 271/310, C Grade HG: Tony Whitehead 262/310, Junior HG: Tori Powell 263/310, Ladies HG: Viv Moore 282/310 and Veteran HG: Fay Mills 270/310.

We also took the opportunity to hold a Raffle for Zarah Powell to help with her expenses to the Worlds with the Ladies Team and would like to thank everyone who bought tickets and made donations. We would like to also congratulate Zarah on her success.

Lastly, a special thanks to all the shooters who attended and helped out and the sponsors for making the weekend possible. A great weekend had by all.

Wagin Saltbush Carnival

The Wagin Gun Club held their annual Saltbush Carnival over February 7th– 9th. This is usually quite a hot time of the year for Wagin with temperatures approaching 40 degrees not uncommon. The weather gods smiled down upon the Wagin Gun Club this year by having temperatures in the high 20s across all three days. However, the odd sneaky wind crept up at random times which caught many shooters off guard.

The club routinely hold a 50 double barrel event on the Friday afternoon to cater for those who have managed a day off work or for those retirees who can amble on to Wagin as they please. This year saw 48 shooters nominate for the 50 DB Green-line Starter. Several possibles were shot which led to an amazingly short shoot-off. Keith Roy, from the Hopetoun Clay Target Club, won the event (and his first sash) by shooting 62/62.

Saturday saw 84 shooters nominate for the day's events, which commenced with the 25 Points Score Koonac Cup. Only two possibles were shot with Narrogin's Neil Suckling and Three Spring's Simon McKay in the shoot-off. This too was a magnificently short affair, with McKay the winner on 81/81. He now joins the list of Koonac Cup winners which also includes, amongst others, Josh Fleay, David Fox and Geoff Faulkes.

Wagin President Sam West congratulates Simon McKay winner of the 2014 Koonac Cup

The next event got underway quickly which was the Dohnbouillet 25 Single Barrel Past Members Trophy. This year the trophy was again held in honour of Trevor 'Scratch' Booth who was a great character of the club. This event also only had two shooters shoot the possible, followed by another target-saving shoot-off. Mike Daden won the event with a score of 28/28 over Roy Meagher.

Winner of the Phillip Becker Cup, Jason Oliveri, with Wagin GC President Sam West. Jason also won the Ch/Ch NAB Top Gun and the OA HG

Mike now joins the list of past winners of this event with more WA greats such as David Fox, Neill McWhirter, Gary Kelly and Geoff Faulkes.

The final event of the Saturday programme was the 50 Double Barrel Better Wear Welding Special. As is the case with many double barrel events, there was plenty of red chalk on the board. After many shooters falling away between the 100–150 target mark, it was left up to Neil Suckling, Luke Fisher, Jason Oliveri and Mike Daden to shoot off. Neil ended up the eventual winner with 207/207 over Katanning's Luke Fisher. Hopetoun Clay Target Club junior, Nathan Biddulph, continued his great form of late to win A grade with 130/131. This saw him reggraded to AA grade (where he belongs!).

Shooters were treated to a complimentary meal of spit-roast lamb and salads for the evening meal. This provided an opportunity for many shooters to partake in some beverages and come up with completely rubbish excuses as to why they missed targets!

Sunday's programme commenced with a 10 Points Score cash

Greenline Ag rep Travis Hamersley congratulating Murray Pederick on his C grade win in the 50DB

Bob Boyd hitting a flash target in the NAB Top Gun shoot-off

divide event. Not too many shooters were able to get their act together so early on a Sunday and thus this only saw a few shooters share in the prize pool.

The main event of the Sunday was the 75 Target Wagin District Champion of Champions which was sponsored by the Businesses of Wagin. Jason Oliveri continued his state-team worthy form and won this with the only possible of 125/125. Esperance's Terry Maloney and Katanning's Anthony Kowald were both one shy of the possible and shot a good shoot-off which saw Maloney come 1st in AA grade with 174/175. Another effort of note in this event was one of the host club's newest members, Liz Pederick. She shot 115/125 to take out C grade, which included a 72/75 in the points score section.

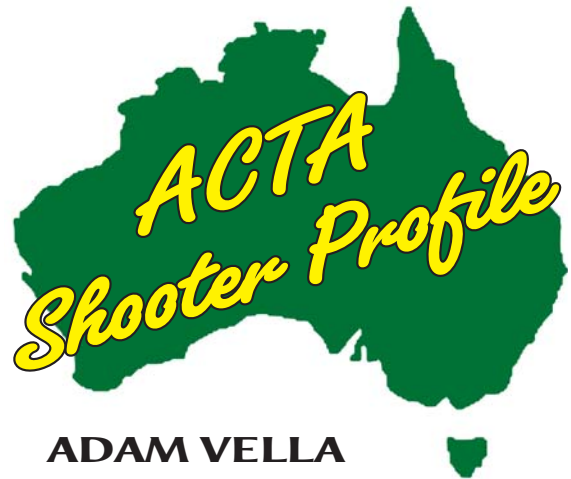

The last event of the day saw the traps change to continental for a 25 target cash divide. Many possibles were shot this time, and thus the prize envelopes were more full of coins, than notes.

The scores from the Champion of Champions and the continental were combined to give the winner of the coveted Phillip Becker Memorial Cup. The club has been contesting this trophy for many years initially it was a 100 DB event, but has been changed to the DB/SB/Pts/Continental format more recently. Jason Oliveri and Terry Maloney both finished with 149/150, with Oliveri winning the shoot-off.

A recent initiative of the Wagin Gun Club has been the NAB Top Gun award. This sees the top 6 shooters as per the High Gun shooting a further 25 targets single barrel from 21 metres. This score is then added to their High Gun score to determine the winner. Flash targets are used, and an air horn is used to call a loss (to simulate the old style ISSF finals). This is a great spectacle to watch at the end of a good carnival. This year saw Jason Oliveri, Neil Suckling, Terry Maloney, Simon McKay, James Hamilton and Bob Boyd contest the event. Oliveri managed to maintain his lead by shooting a 20 in the final, and this resulted in him being awarded the 2014 NAB Top Gun sash and cash.

With all the shooting over and done with and a nice amount of daylight left, it was time for presentations. Jason Oliveri was awarded for a fantastic weekend of shooting by winning the Claremont Firearms Overall High Gun with a score of 326/330. Deanne Blake won the Ladies High Gun with 309/330. Mike Daden won the Veterans High Gun on 319/330. Fraser Prowse won the Junior High Gun, sponsored by Tim Catling and Winchester, after a great shoot-off with Nathan Biddulph. KEMPSEY CLAY TARGET CLUB

February – High Gun to Steve Wallis

It was raining steadily as we drove towards Kempsey on Saturday the 15 February 2014. Yours truly was having doubts about continuing on to the shoot. As my hairline has receded and what's left of my hair has turned grey the enthusiasm for shooting in the rain has waned. However the better half insisted that as we were over half way to the range we may as well continue on.

As it turned out she was right, as usual. The rain cleared and although the day remained overcast, it turned into quite a pleasant day. Those shooters that braved the morning rain were treated to 100 targets without the annoyance of wind moving the targets around, as there was barely a breath of wind throughout the afternoon.

The events for the day consisted of, 25T D/B, cash divide, 50T S/B, Club Championship, and 25T D/B, H'Cap Cash prize. The High Gun winner was Steve Wallis from Port Macquarie club, and it was good to see Steve back shooting again at Kempsey. The winners of each event were as follows; Event 1 AA Grade Laurie Doyle, A Grade Romeo Spagnolo, B Grade Bill Neil, C Grade Alby Mitchell.

Event 2 AA Grade Steve Wallis, A Grade Romeo Spagnolo, B Grade Bill Neil, C Grade Alby Mitchell.

Event 3 1st Denis Joel. Full results can be perused in the competition results section NSW of the magazine.

Mention must once again be made of those tireless volunteers who give their time and energy to ensure the shoot runs smoothly. So, thanks again to Jenny in the office, Robin and her team of ladies who ensure Kempsey shooters and visitors partake in the best afternoon tea on the north coast and also to the Shooters who fill the traps and carry out the 100 and 1 other tasks around the range. A magnificent handmade wooden clock has been donated to the club by Ken and Marilyn Saunders, the theme of the clock is shotgun shooting. The time settings on the clock are shown as the metal end of a shotgun shell and the pendulum weight is a hand carved miniature shoot gun. It is more than a piece of furniture it is a work of art, and would be a talking point when displayed in any home. The clock is to be raffled and tickets will be on sale until the Kempsey 2 day shoot in September, when the raffle will be drawn. Do yourself a favour and support your club by purchasing lots of tickets. The more you buy the better your chances of winning.

March – Kerry Miller wins again

On a beautiful autumn day, with a temperature of around 26c and a slight breeze, Kerry Miller gave those present at the Kempsey Clay Target Club a demonstration on how to shoot clay targets. As well as winning High Gun he also shot the program clean.

Kerry has been heading in that direction for some time. However, an eye infection caused him some difficulties some months ago. Kerry overcame the set back and put on superb display of cool, calm shooting, even on the last event. When the pressure was on he went about the task in a methodical manner and shot the round clean to give him a clean round for the day. Good onya mate! Mention must be made of Kerry's coach, manager and mentor, who through the good times and the bad, has always been there to encourage him, giving him her advice and support.

Other shooters on the day shot very well and a full list of scores can be found in the competition results of the magazine. Congratulations go to Denis Joel who was re-graded to A grade. Well done Denis.

The main event of the day was the 20Pr Deauville Doubles Club Championship. It proved to be an interesting event, with some really good scores being shot. Two 20/20 scores were recorded by the teams of Kerry Miller/Billy Griffiths and Rebecca Ryder/Phil Ryder, resulting in a shoot off. It is of interest to note that Rebecca had never shot the event before, however with her dad Phil they went on to win the shoot

off thereby becoming the Club Deauville Doubles Champions. The rest of the program was cash divide. The events were:

DB 15m cash divide: AA Kerry Miller, Peter Brenton. A Grade Julian Booth, John Burke, B Grade Ken Saunders, Marg Burke, Denis Joel, Ben Tyson, C Grade Michael Carter.

Points Score 15m cash divide: AA Grade Kerry Miller, A Grade Fred Higgins, John Burke, B Grade Denis Joel, Bill Neil, C Grade Col Crighton.

Double Barrel Continental: AA Grade Kerry Miller, Peter Brenton, A Grade Julian Booth, Phil Ryder, B Grade Marg Burke, Denis Joel, Bill Neil, C Grade Col Crighton.

It was good to have Robert back shooting again after his eye surgery, everything went well, and it is only a matter of time before he is back in the winner's circle.

As usual the club grounds were a picture and thanks must go to our grounds man and president Ted. The usual mouth watering afternoon tea was presented by the talented ladies in the kitchen and Jenny carried out the office duties with her usual efficiency. Thank you to them although, thank you is hardly enough to express our gratitude for these hard working volunteers, for without them the club would not operate. Don't forget to buy raffle tickets in the magnificent cloak, hand-made, and kindly donated to the club by Ken and Marilyn Saunders. The raffle is to be drawn at the clubs 2 day shoot 20th and 21st Sept 2014.

Marconi Falcon 100 Marconi 400 Teams Event

139 Shooters attended the 2nd Annual Marconi Falcon 100 shoot with perfect weather, despite the wind picking up in the afternoon, it was just enough to keep everyone on their toes and concentrating hard.

Nominations kicked off at 8.30am and competition was in full swing by 10.00am, in a very short time the car park was full, we welcomed a lot of shooters from many clubs in the NSW state, everyone was excited about participating in the 100 target DB and drew lots of shooters for the 400 Teams Event.

There were six shooters who shot the possible, a perfect score of 100/100, well done boys! The shoot off began, to decide an Overall winner and 2nd Overall winner between Barry Skinner, Tony Arvanitakis, Luke Cassar, Matt Patmore, Con Plessas and Greg Coleman.

Above: Peter Phillpott, Tony Arvanitakis
OA Winner & Joe Camilleri
Left: Matt Patmore 2nd OA

Tony Arvanitakis was the Overall winner with 266/266 picking up a Beretta 686 Trap Gun, 750 Falcon Shells, Sash and his name on our honour board, great shooting Tony, congratulations!, 2nd Overall went to Matt Patmore with a score of 265/266 also picking up a Beretta 686 Trap Gun and 250 Falcon Shells, good shooting Matt and also a huge congratulations.

Jessy Ciappara Junior Winner with Joe Camilleri

John Hirsch, Greg Coleman, Theo Lionatos & Con Plessas

Supplies Cowra, Michael and Kay Hunt, thank you for your sponsorship.

It was great to see so many new shooters having a go. It was also great to see so many junior shooters and a fantastic score of 99/100 shot by Jessy Ciappara, well done Jessy! Carter Mathews only one behind on 98/100, good shooting Carter!

Marconi 400 Teams events: 1st Place went to: NSW 1: Theo Lionatos, Greg Coleman, Con Plessas, John Hirsch 395/400, 2nd Place went to: NSW 2: Tony Arvanitakis, Arty Del-Ben, Glenn Kable, John Maxwell 393/400. Congratulations to the team winners.

Teams consist of 4 shooters with prize money being split 60/40 for 1st and 2nd place. Thank you Arty Del-Ben for taking care of our Teams event.

A huge thanks goes to Con Plessas and his cooking skills! Those lambs on the spit were cooked to perfection. Thanks for looking after everyone's tummies! Con managed to shoot the possible whilst attending to his lambs, that's multiskilling at its finest. Manuel Gomes, Dino Barros, Jerry Barros, Armando Nunes and the rest of the boys helping with the BBQ duties, thank you very much boys.

Peter Phillpott our Club President and Shoot Marshall, thanks for a very well ran shoot, ran on schedule and without a hitch. Thanks also to Marconi's committee for their hard work and dedication. A big thanks to Angelo Piazza and Sharon Phillpott for countless hours of hard work to put this shoot together.

To everyone in the kitchen, Fulvia, Michela, Paolo and Mary, thank you for your hard work throughout the day, the smorgasboard was divine. Layla and Marleine Yarak, the homemade salads were amazing, thank you!

Pam, Sharon, Frank Auditore and young Holly in the office, it was a very long day and your hard work is very much appreciated, a job well done!

Our Trappers Maurice and Brad a huge thanks for keeping the traps full, you sure covered some miles.

Marconi CTC would like to again thank our Sponsors: Neil Bakker 'Falcon Cartridges', Dino Barros 'ABC Texture Coatings', Michael and Kay Hunt 'Hunts Shooting Supplies Cowra', Tony Abela 'Horsley Park Gun Shop' thank you for your support.

In conclusion it was overall a wonderful day. Congratulations to all the winners and winning teams and we thank all the competitors and visitors who came to support our shoot. 2015 will be bigger and better, until then good shooting!

Welcome to "The Back Page", I hope you enjoy this month's articles and invite you to call me to discuss our history, records, personalities or other points of interest.

From The Past:

The two best trap shooters in Australia in the mid 1950's, Newton Thomas and Fred Burns were not allowed to represent Australia in the 1956 Melbourne Olympics because they were deemed to be professionals.

This caused such an upset in the sport that the ACTA decided not to support the Olympic disciplines for the next 16 years. It wasn't until the World Championships were held in Australia in 1972 that the ACTA decided to embrace the Olympic disciplines.

The downside of embracing the Olympic disciplines was that the ACTA had to discontinue its promotion of so called professional events. In the 1950's the ACTA introduced handicap shooting which was to be our professional discipline and in the 1950's and 1960's big money handicap events were held throughout Australia.

In the years since, the Olympic disciplines have had the amateur restrictions removed and subsequently there are no longer any restrictions on our association holding professional events.

For The Record:

The biggest Trap breaks ever shot by Australians are as follows:

1000 Break – 15 metres:

Russell Mark, Bill Iles, Michael Diamond

100 Break – Double Rise:

Bill Iles, Graeme Boyd, Russell Mark, Steve Haberman, Mark McInnes Ross Walsh, Craig Fitzgerald

100 Break – 25 metres:

Bob Mules, Barry Kable, David Fox, Tom Turner, Gerard Hose

Did You Know:

The most difficult feat in trapshooting in this country is to win all six (6) major National events or State events in your home state. In fact this feat has only been accomplished twice in our history. Warren Charlton has accomplished the feat at National level and Craig Bentley has achieved the feat in South Australia.

In My Opinion:

In my opinion we should leave our handicap rules alone, no changes should be allowed to the present system, our handicap rules were constantly changed in the years prior to 2000 and as a result this discipline nearly died.

Since 2000 the popularity of handicap shooting

has slowly risen with shooters now striving to reach the 25 metre mark rather than striving to move in to the lowest metreage marks that they could. Any changes to the system will interfere with the balance that the existing system has and will lead to a need for more changes in the future.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$12.00 — 0-60 words

\$24.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or

(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a

firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,

(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.
