National President's Notes

Last week the ACTA held its annual planning meetings and Executive Committee meeting all of which were positive and beneficial. I thank each of the Executive Committee for their input and attendance.

The ACTA is now running to a business plan which is linked to the budget. The "business" of clay target has at this time an Executive of 14 members (plus the Chairperson) and of these 14 Executive members, several are Chairpersons – or Business Managers. This means they run the "business" of their portfolios. These portfolios and managers are:

- Administration and Finance – Robert Nugent (Qld)
- Coaching – Dave Howe (NT)
- Complex and Facilities – Don Johnson (NSW)
- Compliance and Governance – Cheryl Arnol (Tas)
- International Shooting – Elaine Forward (WA)
- National Championships – Gary Hayden (Vic)
- Promotions and Development – Garry Read (SA)
- Rules – Brian Muirson (Qld)

However, please do not contact these persons direct. Any enquiries are to be pursued through your Zone and State – who will contact the Executive Officer for a response from these managers. The reason is that in the past there have been several people doing the same job within the association. This has caused friction and also encouraged the "mum and dad" factor – if a person didn't get the response they wanted, they would go to someone else for the positive answer they were looking for. This caused issues for everyone concerned.

To further clarify, my position is the Chairperson of the ACTA – chairing Executive Committee meetings. How the Business Managers of each of the portfolios conduct their own business is entirely up to them, however they report five times per year to the Executive Committee (more if required) with the Executive requiring these managers to provide a comprehensive report and justify any actions taken, including that outside of agreed business. This is the same in any business. Makes sense!

Planning for 2015 and beyond has seen the association look at future direction relative to:

- constitutional changes;
- ground improvement at the national ground;
- club – zone and State marketing;
- club and State ground improvements;
- championship planning for the next five years, and
- rule improvements.

These are only some of the plans addressed which will now require implementation by the allocated committees. Each of the business managers will advise through the Clay Target Shooting News (CTSN) how implementation of each of their portfolios is progressing.

The Executive Committee also took into consideration shooter feedback as to how championships are conducted, national ground improvements and other ideas that have been provided by individual members.

Examples of these include returning to a previous format for the State "Shoulder to Shoulder" competition day, the double barrel event being conducted at the beginning of the carnival to allow time for the shoot off under daylight conditions and ground improvements including shade, seating, stands, layout tables and general surveying of the ground to improve levels and drainage. These are all to be implemented.

I can also advise that suggestions of limiting event entry to National Championships to AA and A Grade, and increasing common mark shooting distance were not implemented by the Executive Committee.

Some members have asked why shoot offs are not run at night to complete the event?

National President's Notes

Continued from page 1

Unfortunately as with many grounds, urban sprawl has caught up with the ground however we do not at this time receive too many complaints regarding noise. To risk manage this issue, the Executive Committee came to the decision that the only night that would incur shooting outside daylight hours is the 'family Deauville doubles' event. Risk mitigation is a major factor for any event or organisation and this issue is no different.

I would like to thank Mr Mark McInnes for his contribution to the ACTA over many years. Mark retired at the June meeting as an ACTA Historian due to personal reasons and everyone on the Executive, past and present, and all ACTA individual members thank Mark for his

commitment and dedication to ensuring the past of the association is archived for future reference.

At this time I also congratulate Mr Robert Nugent from Queensland on his election to Vice President, Mr Gary Hayden to Secretary and Mrs Cheryl Arnol to Treasurer. I look forward to a productive year with their support and that of the Executive Committee.

Finally - several major events are taking place in the coming months, including the Commonwealth Carnival in Kingaroy, Queensland, which has attracted over \$25,000 in sponsorship and prizes. If you get a chance to attend the club I recommend it – it is one of the friendliest in Australia and I hopefully will see you there!

Stay safe,

Allan Vilcins

Executive Officer's Report

The Executive Committee have completed their Annual meeting where the future plans for the Association are reviewed and enhanced.

In future editions of the CTSN an overview of each portfolio will commence, each sub-committee will provide the "nuts and bolts" of where they are heading, not only for next year but into the future.

The Executive decided on two crucial items, the first in relation to the introduction of the new web-site and data base. State Secretaries will be invited to attend a two day seminar at the National Office, firstly to be introduced to the Data base and its workings and for an overview of the capabilities before allowing the States to use the program to process new memberships. This will help us to ensure all is satisfactory before "going live". The time will also allow Secretaries to discuss with ACTA staff any ACTA items, policies or requirement that effect their role in the State. It will allow the ACTA office and State staff the opportunity to further understand each other's roles.

The other initiative will involve the ACTA hosting a meeting of Rules Supervisors from each State to discuss rules and refereeing. This will occur in 2015 prior to the Executive meeting and will allow rules supervisors and referees a direct line to the Rules committee with recommendations then being made to the Full Executive through that Committee. The ACTA will pay for half the cost of each Rules Supervisor from each State (allocated 2 per State)

National events have now been programmed for the next five Years by the Championships Committee with dates and events now finalised, thus allowing long term planning and trial leading into the World DTL Championships. The Complex and Facilities Committee have also commenced developing a long term plan that will address drainage, further trap installation and infrastructure projects to ensure the ground is a suitable venue in 2018 for the World DTL Championships.

A new initiative to encourage members to go on line and re-join the ACTA will commence later in the year. Members who join on line in October/November/December and complete the transaction including updating their information, will go in a random draw to be eligible for one of 60 free Memberships the following year (terms and conditions apply).

The current Junior promotion will continue in 2015 – 2016 with any Junior attending their first National Championship regardless of discipline given free nominations to those Championship events. Any Junior member attending who is not eligible for free nominations will be given a discount of \$10.00 per event (Championship events only). Those Juniors attending for the first Time must note this on their application. Applications for free attendance will not be accepted retrospectively.

Tim Catling Celebrates Diamond Jubilee in Shooting

Saturday May 10th saw a wonderful milestone achieved, and celebrated, in Katanning WA. Tim Catling celebrated his Diamond Jubilee in clay target shooting which marked 60 years of competitive shooting. Since 1954, Catling has been a formidable competitor, mainly in down the line shooting, but his achievements extend into skeet and field shooting. Catling has represented Australia in 14 Open Mackintosh teams (over five decades) and 5 Veteran Teams. He has claimed two nationals titles including the 1968 Points Score title which saw him shoot off with the great Newton Thomas to finish with the winning score of 459/459. Catling has won 32 state titles, and has made 64 WA State Teams. He won the Veteran's World Championship in New Zealand in 2002, and has also won 6 Veterans National Titles. Catling has won over 200 open titles in Australia and overseas, and his highest DTL break is 697.

Catling's achievements are not only on the layouts, but he has given a huge amount of time to the sport's growth behind the scenes. He has actively contributed as a member on committees at club, zone, state and national level. Catling was a foundation member of the ACTA Coaching Council and has remained a highly active Competition Coach (formerly Level 2). He received the 1999 Presidential Medal for his invaluable ongoing contribution to the sport.

Aside from all this, he is a good bloke and considered one of the sport's true gentlemen (with a strong competitive spirit).

Tim Catling and Ivan Halbert

shot-off for overall with Wagin's Jim West (AA) winning the event with 76/77 over Boyup Brook's Finn Staniforth-Smith (A) 75/77. Graded prizes were awarded as follows: 2nd AA Glen O'Brien and 3rd Nathan Blake. 2nd A Ross Eckersley and 3rd Pas Carbone. 1st B Chris Smith, 2nd Steve Sloan and 3rd Greg Ryan. 1st C Jim Hart, 2nd Eric Hoggard and 3rd Leonie Banks.

Tim Catling with David Fox

To commemorate his Diamond Jubilee in shooting, Catling organised a one day shoot which highlighted the changes witnessed in the sport from the 1950s to the modern day. The mornings program included 5 Double Barrel and 5 Single Barrel with black targets, wide angles and push button release; 5 Pair Double Rise where the right hand target had to be shot first and for a score of 1, both targets had to be hit; 5 Walk-Up which was again the wide angles and the black targets.

The afternoon's programme brought shooters back to the modern day with a 45 Target Medley with current angles, orange targets and voice release. As can be expected, the days programming brought about much reminiscing and many comments discussing the positives of both wide angles and black targets.

Sixty two shooters from seventeen different clubs in WA took part in the day, with many others celebrating the event on the sidelines. Kojonup's Richard Banks was the star in the 1950s event with an impressive 19/20. Hopetoun's Bernie Biddulph claimed second with 17/20. A shoot-off for third took place with both Denmark's Nathan Blake and Kojonup's Ian Watson finishing on 16/20, with Blake the eventual winner.

The modern day programme was awarded in grades. Two shooters

Richard Banks winner of the 1950s style event

Jim West and Boyup Brook's Finn Staniforth-Smith after their shoot-off

Medals were awarded to the overall winners in both events. These medals were made from USA Silver Dollars which were 130 years old. They were won by Catling in 1978 at Bob Taylor's Gun Club in Las Vegas. The particular day that Tim won these on was very hard shooting conditions, 46 degrees, windy and dusty. Catling won with a 96/100 SB.

The local branch of the RFDS provided catering for the day which was magnificent. This provided a fundraising opportunity for them, alongside a raffle and a sweepstake style shoot. They were shocked, and much appreciative to be presented with a cheque for \$2500 at the end of the event.

Tim Catling deemed his Diamond Jubilee Shoot a great success and all in attendance agreed. It was a fitting celebration for one of the sport's true legends.

WANGARATTA SPORTING CLAYS

TOP SHOT SEYMOUR WINS OVERALL

Perfect weather prevailed at the Wangaratta Clay Target Club on Sunday 8 June giving shooters optimum conditions to compete in the 5 Stand Sporting Clay Championship event. Again, the club provided a good mix of targets ranging from easier to difficult satisfying the shooters requirements at these events.

The Wangaratta club is very proud of its 5 Stand trap layout, spread out over two separate grounds. To have a sophisticated system like this in country Victoria speaks highly of the clubs committee and members. Countless hours have been contributed over many years by members in developing and maintaining this multi use facility, which is highly regarded by visiting competitors from around the country.

Sundays competition saw Marty Seymour win AA grade and overall with an excellent result of 87/100. Anyone who has competed in this discipline will know that shooting 87% of the targets is quite an achievement. Yarrawonga shooter Trevor Beach also had a good day and shot consistently to win 2nd place in this grade. Another top

L to R: Luke Bennett, Trevor Beach, Marty Seymour, Mark Reynolds, Luke Keam, Christian McGauran, David Whyte. Kneeling - Reg. Carmody, John Hutchison.

score of 84/100 was registered by A grader Mark Reynolds ahead of Christian McGauran taking 2nd with 79/100. Luke Keam won B grade with 65/100 only three targets ahead of junior Everton top shot Luke Bennett on 62/100. C grade was taken out by David Whyte 61/100 with 2nd place going to John Hutchison on 60/100. Best Veteran on the day was Reg Carmody.

BEGA GUN CLUB

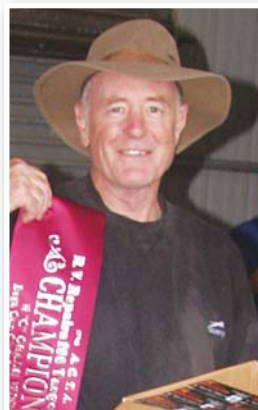

100 Target Continental

Mad dogs and Englishmen go out in the midday sun. Mad shooters just go out in the rain!! That's right, seventeen hardy souls attended the RV Repairs sponsored 100 Target Continental at the Bega Gun Club on Sunday last. Despite the continual showers, everyone who attended had a great time and some fantastic scores were achieved with High Gun, Chris Davis shooting the possible, 100/100 to take overall and six shooters scoring in excess of 90.

Each squad faced the targets twice, shooting fifty for round one and a further fifty for round two. At the end of the first round, Chris Davis and Ray Welch were level in AA Grade, each achieving 50/50. Dean Shipton was up 3 targets, 48/50, from his nearest rival in A Grade and John Walker was leading B grade with 45/50. In C grade Mick Diss was three up.

Dean Shipton added a further 46/50 to his first round, to take out A Grade with a score of 94/100. Runner up in A Grade was veteran, John Siede, with a total of 89/100.

The sash and ammo prizes for the day were graciously supplied by Pauline and Phil Body of RV Repairs, Eden, one of our major sponsors. The club is most appreciative of their ongoing support.

Skeet at Numurkah-Shepparton

On 15th of June, Numurkah-Shepparton Clay Target Club hosted its first skeet competition. Nineteen competitors from as far as Wangaratta, Bendigo and Yarrawonga attended on a nice, sunny day. However, the wind picked up during the day which made the targets vary in flight.

The first event of the day was a 25 target Graded Cash Divide. Brian Reid from Wangaratta and Peter Finn from Numurkah-Shepparton shared 1st in A grade on a score of 23/25. In B grade, Brad Sparling won with a score of 22/25, followed by Alison Harwood and Hamish McIntosh, both on 21/25. Steve Harbor shot an unbelievable score of 24/25 to win C grade, followed by another tie between Trevor Hicks and Jared Winters on 22/25.

The second event was a 50 target Club Championship, sponsored by Mark McDonald from Murray River Gunsmithing. Scores were very tight at the top but Brian Reid won overall with a score of 46/50. After a big shoot off, Colin Finn prevailed to win first in A grade, followed by his father, Peter, who came second. In B grade, Brad Sparling won with a great score of 44/50, followed by Alison Harwood on 42/50. Trevor Hicks won C grade with a score of 41/50, with John Fothergill coming second with a 38/50. Numurkah-Shepparton would like to thank everyone who attended and made it a great day.

V.C.T.A. South East Zone Premier Teams Event

Round 2 of the series was at Korumburra on Saturday 22 March, which was a mild overcast day with the promise of a shower that thankfully did not arrive. 124 shooters nomed for the two events which made up 19 Teams and 5 Junior Teams. The Open Teams have five members and the Juniors two, the Juniors may also shoot in the Clubs Open Team and a number are good enough to do just that.

SEZ Handicap winner
Keith Calder

Event one the Handicap, saw ten possibles and after a further ten shoot off targets, there were three, Keith Calder was first with 37/37 Wayne Parks second 36/37 and Craig Mitchell third with 35/36.

The Back Marker was Mark Bravin 32/33 with the Junior Front Marker James Stevens 23/25.

The A Team from Morwell lead the way with 119/125 from Frankston/Australian 118 and Melbourne 117. In the Juniors Melbourne had 48/50 and Wonthaggi 46 so that was close also.

In the Double Barrel nine squads

shot the 25 so once again the sweep were not flash. The first 30 targets in the shoot off reduced the numbers to 4 squads, a further 30 had the group down to 5 shooters, with the total now at 85. The eventual overall winner was Josh Spicer 139/139, 1st in AA Roger Esplin 138/139, 2nd Matt Dunkley 118/119. A D. Rhodes 97/98, L. Cazaley 93/94. B T. Eden 70 /71, G. Mollard 30/31. C J. Stevens 28/29, R. Ford 27/29.

MILDURA CLAY TARGET CLUB Easter Carnival 2014

What an amazing sight driving into the club Thursday night, caravans tents on both sides of the gate. Numbers were well up on past years, all our regulars and some new faces some that had not been to Mildura for quite some time. The weather was beautiful. Some of our visitors arrived early camped out and tried a little fishing. i am sure glad they shoot better than they fish (no fish).

With the working bees over, the grounds were looking in A1 condition. All our regular workers were at the working bees prior to Easter, Ralph, Ross, Carl, Michael, Norm, Tim, Spogi, Paul, just too name a few.

Our Thursday night welcome barbeque was on once again with about 75 people in attendance.

Once again ,Spogi with a little help from Tim Box & Darren Argiro, cooked a great feed for everyone.

CUNNAMULLA GUN CLUB

MAY 9, 10 & 11 2014

85th Anniversary

Wow what a roll up we had for the 85th Anniversary of the Cunnamulla Annual Shoot held on the Mothers Day weekend (May 9, 10 & 11) attracting 123 shooters from all over. With the first shooter arriving at 12.30pm on the 5th and the last one left around May 20th good use was made of the grounds for the weekend with a total of 60 campers counted. Of the 123 shooters we had several shooters who have been here multiple times, but one in particular puts in a great effort travelling from Dubbo to be with us, Len Bates has shot here for at least the last 30 years and at 89 it was great to have him on the lanes with us again. We also attracted several stall holders for the weekend, our shooters appreciate the chance to see what is available, so thanks to the Hunts', Woodward's, Justin Turner & Nick Chicalas for your efforts.

The weekend saw 33 possibles posted on the board a great result and made for some good shoot offs. We watched as 26 shooters took to the lanes to contest the shoot-off for the Double Barrel event, whittling down to John Reid and Mark Ticehurst with John the eventual winner posting a 192/192 to take the sash, congratulations to John some beautiful shooting, Mark also shooting his best break in this event.

John Reid

The State of Origin event (devised by past shooter Phil Doring) was again a great spectacle, with the teams hotly contesting not only the shoot but the barracking as well. The shooters and the crowd got very vocal in their encouragement and in heckling. The Qld team of, Aaron Marsh, Tony Fett, Jeff Ferrier, Geoff Moore, Ben Haig & Jamie Cameron came away with the win shooting a score of 426/450 with the Vic team of Mitch Iles, Bill Iles, Craig Mitchell, Darren Knight, Anthony Bradshaw & Glen Rankin shooting 414/450 and NSW team of Jason Owens, John Reid, Dallas Codrington, Jeff Nash, Colin Betts & Steve Walker shooting 410/450. A great result!! Queenslander!!

Geoff Moore

Jason Owens

Mitch Iles was the State of Origin High Gun winning the Leigh Knight Trophy shooting an 87/90 beautiful shooting yet again Mitch. That gives a tally of Qld 2, NSW 1, VIC 1. The Club would also like to thank Bill & Mitch for their donations back to our Club.

Continental Championship to Jason Hadson at Wangaratta

Twamley takes aim L-R: Geoff Walls, Daryl Hunt, Gordon Twamley and Bruce Henshall

Saturday 21 June saw wet conditions early on and then an overcast sky with occasional showers later in the day. Less than ideal clay target shooting weather didn't dampen the enthusiasm of the nine squads of competitors from turning up to shoot at the Wangaratta Clay Target Club.

The days event totalling 110 targets ran smoothly and finished at a reasonable time. Thanks go to the efficient office staff, shoot marshal and other club volunteers on the day. This is one of the reasons that the club is considered as one of the best regional clubs to participate at. The trophies of ammunition were appreciated by the winners, as this is something that any shooter can use at a later date.

The 10 tgt points score eye opener was divided between seven shooters. It was nice to see local shotgun enthusiast Fred Bienvenu shoot 30/30, as his form has been a little bit down of late.

The next event held was a 50 tgt points score championship. This was very ably won by Daryl Hunt with an almost perfect result of 149/150. Daryl and his Blaser gun have certainly performed well, winning many championship events over the last couple of years. Junior shooter Andrew Evans took out 2nd in AA on 145/150. David Luelf, visiting

from Mansfield won A grade 157/165 after a short shoot off with Les Comensoli 156/165. B grade competitor Steve Wozniak tallied 135/150 ahead of Sean Hourigan on 132/150 deciding 1st & 2nd in this grade. John Hutchison won't be in C grade a lot longer after shooting 144/150 to win ahead of Jo Ford 139/150.

The 50 tgt Continental Championships are always very popular with DTL shooters, the greater range of variation in target presentation makes this a challenging and enjoyable discipline. A perfect result of 56/56 was achieved by B grader Jason Hadson, winning the overall well done Jason, ahead of Sean Hourigan 46/50. AA grader Peter Wilkins only dropped one target to win this grade on 55/56, very closely followed by David Bienvenu 54/55, both excellent scores. As an aside I understand that David has been giving his brother Fred a few tips on the double rise discipline for future events. Tina White dropped only two targets 48/50 winning her the A grade sash, with Chris Figgins on 48/51 taking 2nd place. In a repeat of the points score event, John Hutchison again won C grade 48/50 and Jo Ford in 2nd with 47/50.

Overall High Gun for the day was won by Daryl Hunt 228/230. Best Junior was Andrew Evans 222/230 and Veteran High Gun was David Luelf 210/230. Ladies High Gun trophy went to Tina White 215/230.

Psychological Skills for Shooting

Michael Kruger-Davis

PEAK PERFORMANCE PSYCHOLOGICAL PROFILE

Sometimes we shoot well and sometimes we shoot not so well. Confidence can be like a roller coaster. When we are shooting well we are driven to shoot more because we are confident that we can win, and when we are not shooting well we suffer self-doubt and

often fail. Our lack of confidence means that we are likely to fail again.

Does peak performance have a psychological profile? What does the optimal psychological state for peak performance look like?

In 1977, Ken Ravizza, a sport psychologist from University of California, Fullerton published a study on the subjective experiences of athletes during their greatest moment in sport. According to Williams, (1993) he interviewed 20 male and female athletes from a variety of competitive levels from 12 different sports. Ravizza found that over than 80% of the athletes reported having the following perceptions.

1. *Loss of fear or no fear of failure.* The fear of failure is usually subconscious. We don't actually 'think' that we are scared of failure but at a subconscious level it is what develops self-doubt. Fear and the fear of failure occurs when we think about the future.
2. *Not thinking of performance.* I have written often that if we think about the product (the score, the prize, the title) we lose sight of the the process. When we evaluate our performance we move away from the here and now and think about the past. We then make judgements about our performance or about ourselves.
3. *Totally immersed in the activity.* Nothing else matters. All we are focusing on is the process of hitting the target. Athletes in this peak performance moment talk about time not existing, being totally absorbed in what we are: shooting the target.
4. *Narrow focus of attention.* When an athlete is in the moment and performing at a peak level, the athlete is able to ignore all the things that get in the road of winning. The athletes focus is narrowed so that the only thing being attended to is the target.
5. *Effortless performance.* In the peak performance moment performance appears effortless. Our eyes work well, our muscles move effortlessly, we are able to execute all the necessary technical skills involved with the sport. Our gun feels light, recoil doesn't exist and when we think about pull the trigger, the target has already broken. Nothing feels forced. There is no need to push or force anything because the flow is effortless.
6. *Feeling in complete control.* The athlete is unaware of any external stress, pressure or influence. The shooter has a feeling that he/she is in total control and nothing can interfere with his/her performance.
7. *Time and space orientation.* Normally we have appropriate orientation in time person and place. Within a peak performance moment there is a disorientation: time appears to have slowed down or even stopped. This slowing of time reduces the urgency and we can focus on the process and not worry about the score, prize or anything

specific. We feel larger than life and the targets appear like dinner plates.

8. *Universe is perceived as unified and integrated.* In this peak performance moment, it feels like 'all the planets are lined up.' Everything about our lives appears integrated and unified.
9. *Unique, temporary and involuntary experience.* The problem here, is that peak performance is temporary, involuntary and unique. Each peak performance, each moment in the zone, happens without us trying to force it. We know that it is temporary but we want it to go on forever. The experience is so great, that we keep trying to get back to the same feeling and way of acting.

These peak performance components are an artefact of mental toughness. That is, being confident, competent, composed, competitive and being in control.

Unfortunately, being in the ideal peak performance state cannot stay with us forever. It comes and goes because of our thinking, feeling and actions as well as how we cope with our stressors, and how resilient we are, that is how well we bounce back from defeat.

Treloar Clay Target Club Sunday 8 June 2014

It was a day for good shooting, sportsmanship and yarning. There is always a new challenge for clay target shooters attending the Treloar Club.

The magnificent BEO MAT trap provided an exciting challenge in the form of a Simulated Ball Trap event. This was inspired by President Noel who is always innovative and suggesting improvements for his beloved sport.

When Luke and Vern Scanlon visit, there is a highly competitive brotherly spirit which rubs off on all the shooters.

Good to see Treloar members Henry Phillip from Aberdare, David White from Scone and Hugh Faris (Narrabri Club) from Wee Waa prepared to travel long distances. Also Mark Iliffe (Tamworth) from Manilla received a warm welcome on his second visit to "Treloar" as did first time visitors Max Betts and his wife, Desary, from Brewarrina and Narromine.

Absent were Tamworth shooters John Sleightholme (competing at Darwin's Territory Carnival) and Treloar's Honorary Member, Peter Holmes, busy with renovations to his son's home. Sam Gall is unwell but hopefully will be back to shooting for the Kookaburra Classic in August.

Winners on the day were 1st Vern Scanlon, 2nd Luke Scanlon and 3rd Henry Phillip. Giving them a run for their money were Gordon Gilder, Cam McKellar, David, Hugh, Mark, and Max.

Finally we want to thank all shooters who travelled from far and wide to support our annual Queens Birthday Circuit Shoot and look forward to seeing you in 2015.

Mount Bogong's 40th Anniversary

The Sunday June 1 shoot marked 40 years of operation for the Mount Bogong Clay Target Club. The club's foundation meeting was held on 10 July 1973 with the inaugural shoot held at the club grounds on 9 June 1974. A group of 24 shooters joined in the festivities and we were pleased to have a number of our regular visiting shooters support us by attending from Wangaratta, Corowa and Albury Wodonga Clay Target Clubs.

Some accurate shooting was displayed despite the drizzly and overcast conditions with the 20 Target Single Barrel. Winners were AA John Wojcik 30/30, A Greg Rowe 18/20, B Jason Elkington 20/20, C Milton Gill 20/20.

After a break for a chin wag and a Barbie lunch the 20 Target Double Barrel event was held with Bob Leita 46/46 taking out AA after a hotly contested shoot off with Greg Pinner 45/46. There were possibilities all round from remaining grade winners: A Kevin Jones 20/20, B Jason Elkington 20/20, C Graham Schmidt 20/20. Some more sharp shooting was displayed with some great scores in the 20 Target Points Score with winners: AA John Wojcik 59/60, A Greg Rowe 64/64, B Bernard Evans 60/60, C Billy Roper 59/60.

High Gun AA John Wojcik, C Billy Roper, Club President Jim West, B Bernie Evans, OA Greg Rowe

Graded High Gun sashes were awarded for the day with the Overall sash going to a delighted Greg Rowe from Corowa Club with an impressive score of 106/110. Other High Gun grade winners were: AA John Wojcik 105/110, B Bernard Evans 104/110, C Billy Roper 99/110.

Congratulations to all winners and thanks to all shooters for coming along and helping us celebrate our 40th Anniversary. Thanks also to our June shoot sponsor Milton Gill from A&K Forklift Maintenance.

West Darling Championships

This year instead of starting off talking about the shooters results, and the "winners", the weather and how many shooter we got etc, I am going to start with some well needed thank you's. Thank you to the many people who keep coming back each year to our club, I have been doing the shoot marshals job for around 20 years now and each year I see the same old faces, which is really great to see, we must be doing something right, and most years some new faces as well. Thank you to our generous sponsors, who I will list shortly and everyone knows where we would be if we didn't have sponsors. Thank you to the hard working members of the Broken Hill Gun club who got the grounds looking great, just for this weekend, the people who organised a great display of trophies and sashes, and the tireless hard working "volunteers" in the kitchen who kept us extremely very well fed all weekend. Thank you to the very hard working people in the office, and to our "volunteer" trappers.

The Broken Hill Gun Club would like to thank the following major event sponsors: Martin & Shane

from the Bridgestone Service Centre, Andrew from the Broken Hill STIHL Centre, Malcom from Broken Hill Spot On Outdoors, Kevin from Shannon Electrics, Merv from Silver City Guns & Ammo, Tim from Winchester Australia.

All of the above resulted in another very good Two Day shoot for the Broken Hill Gun Club, the numbers were down on last year, with a total of 83 shooters, but I think that was too be expected, as last year's numbers will be hard to beat.

The weather was very kind to us all weekend, with perfect conditions for Trap shooting.

Now for some results, the First event was 30tgt Medley. This event was kindly sponsored by Broken Hill Bridgestone Service Centre. Overall – Darryn Nicholls 171/175, 1st AA – Thaine Browning 170/175, 2nd Michael Veenstra 99/100, 1st A grade – Tim Steer 74/75, 2nd Clay Johnston 69/75, 1st B grade – Chris Barnes 46/50, 2nd Michael Kadziela 45/50, 1st C grade – Nick Matrippolito 44/50, 2nd Rick Zupanic 42/50, Ladies Deserie Baynes 97/100, Veterans Robert Cook 74/75, Junior Megan Barnes 46/50, Novice Jnr Luke Tyson 31/50.

The second event Saturday was the 25tgt Points Score West Darling Championship, with another years great display of STIHL Petrol blowers and Wiper Snipers on

offer, supplied by the happy sash winner, Andrew McDougal of the Broken Hill STIHL Centre. Great sponsorship again Andrew well done. Overall – Des Mills 228/228, 1st AA– Aaron Zupanic 227/228, 2nd Andrew Bury 188/189 1st A grade – Megan Barnes 122/123, 2nd Tim Steer 75/78, 1st B grade Nicholas Matrippolito 71/75, 2nd Timothy Gageler 70/75, 1st C grade – Wayne Shaddock 73/75, 2nd Nick Matrippolito 67/75, Ladies Deserie Baynes 138/141, Veterans Gary Pike 73/75, Junior Travis Redman 73/75, Novice Jnr Luke Tyson 41/50.

The third event Saturday is the big one for the weekend, the 25tgt West Darling Double Barrel Championship. This event was sponsored by Broken Hill Spot On Outdoors, again great trophies. Overall after a very short shoot off, and the absence of the great Darryn Nicholls, actually I don't think Darryn made many of the shoot off's over the weekend, he must have been a bit tired after all the shooting he has done, was – Ross Walsh 119/119, 1st AA grade – Nathan Argiro 107/109, 2nd Steven Baynes 83/84, 1st A grade – Susanne Byrnes 84/85, 2nd Tarryn Shaddock 65/66, 1st B grade – Michael Kadziela 95/96, 2nd Chris Barnes 33/34, 1st C grade – Nick Matrippolito 27/28, 2nd Ilario Dimasi 26/28, Ladies Deserie Baynes 69/70, Veterans Robert Cook 53/54, Junior Jarred Nicholls 82/83, Novice Jnr Luke Tyson 18/25.

Saturday night was again very well patronised, with lots of people staying back for a great roast tea and the Calcutta draw. The pool for the Calcutta got to around \$2400.00, which would make the first event Sunday a very hotly contest Handicap event. This event was again sponsored by Kevin Taylor, Shannon Electrics, again a great display of WEBER-Q BBQ'S as trophies. 1st Martin Collumb 31/31, 2nd Ryan Crozier 30/31, 3rd Anthony Dipaolo 25/26, 4th Des Mills 36/37, 5th John Gemmill 35/37.

Echuca College Shoots Trap

A class of year nine, boy students, from the Echuca College, travelled out to the Echuca Clay Target Club on Friday the 30th of May to try their skills at the sport of clay target shooting. After an introduction lecture on the safe use and handling of firearms, and the correct way of sighting and handling to avoid recoil, and get results, the students were ready to move to the layouts to try their hand at shooting ten single barrel targets, with individual coaching supervision.

After all ten targets had been shot at, the end results were quite impressive, with all but one Student hitting some targets and quite a few hitting a large number targets. Three Students managed to only miss one target, and their score of 9/10 is quite impressive for relatively first time shooters, using single barrel only. And after a two target shoot off there was an Overall Winner, and that was Leroy Walsh, who after shooting both his shoot off targets ended on a score of 11/12. Well shot Leroy! Carl Scott scored a 10/12 giving him 2nd placing, and Jordan Sperling recorded 9/12 and that score gave him 3rd placing.

Echuca Clay Target Club members wish to thank the students, their teacher, David Pearson, and the Echuca College for taking an interest in the sport of clay target shooting.

35 Years Celebration for Clay Target Shooters on Norfolk Island

The Norfolk Island Championships is a 35 year long-time favourite for Clay Target shooters. 2015 will be a special celebration for the Norfolk Clay Target Association and volunteers who celebrate their milestone in hosting the international Norfolk shoot. The club expects to welcome back many repeat visitors for the special year and of course newcomers for a competitive shoot with the added bonus of a Summer holiday on Norfolk Island.

Australian and New Zealand shooters will have Norfolk Island in their sights as they make the annual pilgrimage 01-06 February 2015. Events include 50 Target Skeet, Double rise, Single Barrel, Ball Trap, Skeet Pairs, Ball Trap Pairs, High Gun, Ladies High Gun, International teams and more.

The Norfolk Island Clay Target Association hosts visitors atop Anson Bay, one of the most scenic spots on the island. With the local shoot being an established and popular event, held in the first week of February, it's no wonder clay shooters return to Norfolk Island year after year for a week of competitive shooting, socialising and a holiday rolled in one.

Sunday afternoon sees the week's activities commencing with nominations being taken for all vying for the much sort after ribbons and trophies up for grabs. The bar and clubhouse open for the welcome island style fish feast on Sunday evening giving everyone a chance to mix and mingle and warm up to a week of shooting!

The championships run throughout the week with the presentation dinner held on Friday night.

Family and friends are always welcome to tag along for a Norfolk Island holiday; the club invites all to attend the welcome fish fry, presentation dinner and social functions during the week. As the championships are held late summer it's the perfect time to visit and enjoy the beaches, deep sea fishing, snorkeling and all activities on offer. In fact it's not unusual for shooters to multi-task their holiday, to compete in the morning and go fishing in the afternoon!

Mixed Shoot at Echuca

The Queens Birthday weekend in June saw a very mixed array of disciplines shot at the Echuca Clay Target Club. A Skeet Championship, a Mixed Target Medley Championship and a Ball Trap graded cash divide, and that was enough to encourage five full squads to compete at Echuca on a long weekend that usually is quiet for shooting owing to families enjoying other activities.

Above: Skeet winner, Peter Finn

Right: Medley winner, Stephen Atkins

Sunday was a clear sunny day, good for shooting clay targets, but, a mild breeze that was so cold it almost felt like it was freezing, made it very uncomfortable for the shooters, and yet some good scores were recorded on the day.

A fifty target Skeet Championship was the first event, and Numurkah Shepparton club member, Peter Finn, managed to lose only one target. Peter's excellent, unmatched score of 49/50 gave him the Overall winner's sash, and also earned him the 1st place in A Grade trophy.

A sixty target Medley Championship was next on the agenda, consisting of Points Score, Continental Double Barrel, and Double Rise, and in this very difficult event one shooter managed to lose just four points out of one hundred. Echuca member, Stephen

Atkins, shot superbly to record a 96/100, taking out the Overall winner's sash, and the trophy for 1st in AA Grade. Well shot Steve! Another Echuca member lost just two points more, Glen Rathbone shot a 94/100 and that earned him the 2nd in AA grade placing.

Event Three was a 25 target, Ball Trap Graded Cash Divide. The shooters who won cash in this event were AA grade, S Atkins, S Trail, A grade, Tony Morony, Ron Spedding, Pat Calandro, G Rathbone, B grade, Jo Ford, G Palmer, C grade, C Keck, and Emily McClusky. Of these shooters Tony Moroni, a Bendigo member, shot a full score of 25/25, not an easy thing to do in this difficult discipline, and on such a cold windy winter day. Well shot Tony!

At the presentation, which finished at the early time of 4.00pm, Emily McCulloch was presented with cartridges donated by sponsors, Shepp City Garden Equipment, supplied as an incentive for junior shooters, and Russell Felmingham must be thanked for making this possible.

Further results: 50 Target Skeet, A grade 2nd Craig Scott 41/50, B grade 1st Geoff Irvine 44/50, 2nd John Pola 40/50, C grade 1st Paul McKendrick 39/50, 2nd Ron Spedding 41/54. 60 target Medley, A grade 1st Alan Cole, 2nd G Buckley, B grade, 1st Peter Finn, C grade 1st C Repacholi, 2nd E McClusky.

The Squire reports from West Wyalong

John Wason wins Commonwealth title

What a great day to go clay target shooting seemed to be the attitude of the six squads of shooters attending the West Wyalong Clay Target Club's May shoot.

There was quite a large group of visitors in attendance with almost two squads from Booroowa making the journey over for the day.

Ex-local, Brian Minos makes irregular trips back to his old stamping ground and it was good to see Brian catching up with his old colleagues.

Little wind and excellent light conditions meant that there would be high scores during the day and when fourteen shooters including locals, "Lydia the Gun", John Wason, Allan Schirmer, Clive Foster and Don Turner shot ten from ten in the Eye Opener a good day was assured.

Two important events were to be shot during the day, the first being the 50 Target Commonwealth Double Barrel Continental Championship which was to be shot in two stanzas.

Trap technician, Clive Foster had the traps operating particularly well with the low right and left hand swingers keeping shooters on their toes.

When the group gathered around the scoreboard dispersed, it could be seen that Steve Guest, Matt Patmore and John Wason all had their scores recorded in red which meant there had to be a shoot off to decide the winner.

L-R: John Wason, HG winner & Allan Collins, President

They went hard at it too, with John Wason holding his cool to shoot 114/114 and win the Commonwealth title, a great effort by a local club member Matt Patmore 113/114 was the AA Grade winner with Steve Guest 80/81 second in AA Grade, Ray Schiller and Alan Bound both shot 48/50 in A Grade and were also required to shoot off. Ray claimed first with "Bang Bang" Bounds relegated to the number two position.

Field and Game exponent, Mick Munro 46/50 from Beckom arrived to try out his new Fabarm gun and used it to great effect claiming B Grade from Ben Tredea 45/50, Helmut Rauchenberg 44/50 managed to outshoot "Lydia the Gun" 41/50 to win C Grade.

R-L: Graham Bolte DD winners, Stephen Guest, Allan Collins (President) & Garry Tabain

Angie Dent was doing a great job in the canteen and she co-opted her lesser half Bruce to start the barbie and despite some concerns at him being the Babbler for the day everyone survived.

The second feature event of the day was the 20 Pair Graham Bolte Deauville Doubles team event.

Some pretty classy shots amongst the group who shot the forty targets and were required to shoot off.

The twelve pairs of shooters were gradually moved back along the tracks and teams started to drop out, but Steve Guest and Gary Tabain, long term Deauville Double specialists ran out winners with 43/43 pair.

The hot side of Clive Foster and Matt Patmore gained second with their 42/43 pair.

President Dozer called the group to order to make the presentations and to thank all who assisted on the day, especially Sue "The Magic Lady" Turner and "Lydia the Gun" who ran the office so efficiently and Angie Dent and the lovely Jan Wyse for their assistance with catering on the day.

Muriel Porter

Muriel Porter passed away on 17th June 2014 after a brief illness. Wife of former President, George Ron Porter. She continued to keep her husband's name active in the clay target fraternity by initiating and presenting the Ron Porter Memorial Trophy for the Overall Trap Champion each year. She liked to keep in touch with friends she made through shooting and I am certain she will be sadly missed. Thanks Muriel for the stories and the phone calls that brought back so many great memories.

Trevor Marshall

Trevor Marshall passed away on the 6th May 2014 aged 66.

Trevor was a valued and respected member of the Bordertown Gun Club, and has been for many years.

He was a dedicated worker and has committed a tremendous amount to the club. He was an inspiration to all that had the privilege to meet him.

His many jobs included, 10 years as secretary, qualified coach, Firearms safety officer, running Friday night shoots, dealing with firearm inspections, coaching and running school shoots as well as working behind the scenes without complaint.

He always had a smile, a ready laugh and a joke or two, and that's the way we will remember Trevor.

Our sincere sympathy to his wife Jenny and family.

REGIONAL STUDENT COMPETITION

For the 7th year the DTL clay target shooting competition between schools across the region has been heralded a success. The competition was held at the Ararat Clay Target Club on 28th

April in wet and windy conditions

making the challenge of the sport extra difficult. A total of 59 shooters took part in the day – up from 34 last year. Students came from Beaufort College, Camperdown Mercy College, Stawell Secondary College, Terang Secondary College, Emmanuel College and Marian College.

All students conducted themselves in a safe, good sporting behaviour and enjoyed the day of competition despite the weather. Sam Pilgrim, Tom Pilgrim (Marian College) and Jessie Hoare (Terang College) shot extremely well hitting 19 out of 20 Targets. Sam Pilgrim's effort put him in first position in junior boys, with Cooper Reading (Stawell Secondary College) taking second place with a score of 18.

Tom Pilgrim and Jessie Hoare had a decider shoot off to establish the senior boys winner, with Jessie taking first place and Tom in second place.

The day was also well supported by a good contingent of female shooters that also competed very well. In the senior girls Luella Foster (Mercy Regional College) just edged out her rival Emily Harris (Marian College) with scores of 18 and 17 respectively.

In the junior girls Tyra Dowsett (Stawell Secondary College) was first with 11 and Delaney Foster (Mercy Regional College) came in second with 8.

1st place, Terang College Team J. Hoare, J. Hayden, I Fowler and J. Aitken

2nd place, Marian College Team

In the teams event Terang College with a score of 65/80 were first, the team members being J. Hoare, J. Hayden, I. Foster and J. Aitken. Marian College were second with a score of 63/80.

All students and parents would like to thank members of the Ararat Clay Target Club for hosting the day particularly Graeme Leslie, Gary Hargreaves, Ken Malcolm, Arthur Champneys, Andrew Pilgrim, Bill Harris and Maurice Perry. Also shooters from other clubs who helped on the day, Gary Grant, Peter Falkinder and Len Cook. Thanks to Giselle Allgood and Wendy Harris who helped in the canteen.

For most of the competitors this day is good training for the annual school zones competition held later in the year.

VCTA STATE GROUND

Dear VCTA Members,

It gives me great pleasure to announce that the settlement for the purchase of the Land at Echuca was completed on the 12th of June.

With us now owning our own State Ground this will consolidate the future of Clay Target Shooting within our State for generations to come.

Just over two and a half years ago we started on this project to purchase the sixty acres of land required to cover the Fallout Area and new Car Park to the existing Echuca CTC grounds, and I must admit at that time we had no idea of the work involved ahead of us to complete this project.

The reasons the State Executive selected Echuca as the site for our State ground were many, firstly the city is a strong draw card for families, with plenty of accommodation and plenty of family entertainment, it is within reasonable close proximity to the Melbourne Airport, and is an ideal location within our state to draw competitors from right across our nation, and also has an excellent climate.

Without the support of the Echuca CTC Members, this project would never have happened. The VCTA and Echuca CTC are now joint owners of the new Land Title. The Echuca members have given 50% of their Land and Infrastructure to the VCTA, the only way we could complete this sale was to have one title, hence the agreement incorporates the combination of Echuca CTC and the VCTA as the owners, we also thank Echuca CTC for their support of \$40,000 towards the purchase of this property.

Thank you to Peter Sing for all his work over this period and towards the completion of this sale, Peter has been one of the main instigators in these dealings and has helped me right from the beginning, without Peter, I can assure you all we would not be where we are today.

Leanne Schuyler, at Dawes & Vary Lawyers, thank you Leanne for your support and commitment to help complete the deal, and Neil Haydon for his Legal and Professional assistance with contracts, lease agreements and legal advice throughout these months, thank you Neil, also the ACTA Executive for their support in helping with financial assistance, and our four State Zones for their financial support and to all the individual members who also donated funds.

The VCTA Executive have agreed to the placing of an Honor Board within the ECHUCA CTC/VCTA club house to recognize Companies, Groups and Individuals who have donated Financial or In-kind donations toward this project.

**Yours in Shooting,
Malcolm Dyson,
State President**

Victorian Lady Shooters in Australian Commonwealth Games Team

Two Victorian ladies have been selected to represent Australia at the Commonwealth Games in Glasgow, they are Emma Cox and Gaye Shale.

EMMA COX

When contacted by the VCTA, Emma expressed her pride and gratitude in the following statement:

"To be representing Australia at the Commonwealth Games has been a goal of mine since I started clay target shooting at the age of 15. I never dreamed that this goal would come true so early in my shooting career, let alone next to some of Australia's best shooters. I'd like to thank everyone in all disciplines of our sport that have helped me along the way, particularly my friends from the ACTA. Without the friendly faces, the guidance and the encouragement that I have had from my fellow shooters, I don't believe I would have made this team.

I am truly blessed to be a member of such a fantastic group of sports men and women. Shooting isn't just a sport to me, nor is it just a hobby; it's a way of life, my passion. I don't regard shooters as just competitors or friends anymore, you are all my family. I am honoured to be wearing the green and gold and representing you. In saying this I hope that I can make you all proud and help carry on Australia's reputation as world class competitors both on the field and off."

GAYE SHALE

Gaye, in the following statement to the VCTA, could not conceal her delight in finally succeeding (at last) in her quest for Commonwealth Games selection. Truly, an inspiration to us all!

"Never ever give up" ... This is my motto!

It has been 9 years since I previously attempted to qualify for the Commonwealth Games in Women's Double Trap, it has been a long arduous journey getting here. My late husband was the person that first got me involved in shooting, he absolutely had a passion for shooting and believed I had the potential and talent to make the Australian team.

Unfortunately I didn't have a chance to pursue this dream as work, kids, family, and life take on another priority of their own. In 2001 I lost my husband in a tragic farm accident, my three children were all still toddlers, and I was left to run a farm and a bakery business.

It's not what happens to us that determines our lives, it is what we do about what happens that counts. I wanted to be a good role model for my kids, and wanted to instil and show them that no matter what happens, good things are possible, dreams do come true.

In 2002, while watching the Commonwealth Games, I decided I needed to pursue my goal to make the team. I started training and in 2003, I made my first Australian Team. In October 2005, I missed out on selection for the 2006 Commonwealth Games by one point. I thought this was my last opportunity to ever compete in Women's Double Trap as it was pulled from the Olympics and Commonwealth Games competition schedule until this year, when it was reinstated into the 2014 Commonwealth Games.

Over the years I have learnt how to turn frustrations into fascinations, as I am sure many of you shooters out there would understand. I have been lucky enough to get a second chance and in 2014, I have the honour of competing alongside Australia's best shooters in the Commonwealth Games. The support and impact the shooting community has had on my family over the years is incredible, and has shaped and impacted who we are today. I am grateful, humbled and very proud to be an Australian and to call myself a Clay Target shooter."

Club support for Team Members

"Werribee Victoria Clay Target Club are supporting the Commonwealth Games Team Members with discounted prices for practice.

This will continue up until the Team departs for Glasgow".

ACTA NEWS

Coming soon: Renewals, New Data Base, New Website

Firstly the new website: You will be able to read how to Join, and a number of aspects relating to Clay Target Shooting, however to access the main area Hall of Fame, Results, Championships etc. you will need to log in. Once you access this area, all of the Web will be available.

Memberships will be able to be paid by individual members straight through the data-base for 2015. You will login using your member number and password you will be able to change your password when you enter should you wish. You will select the Club you are a member of and the data base will automatically select your Zone, State and ACTA membership requirements as we have them listed.

You will need to confirm all of your details and agree to the terms and conditions. You will be directed to the "Pay Now" button to process your membership straight away, you will then be able to print a receipt.

Your sticker will be mailed in the same way it is now until we go fully automated with handicapping some time in the future.

Secretaries will be able to take payment at the Club the same as is currently available and batch them for payment with one instalment.

Memberships will need to be processed during the time frame (1st October – 31st December) should you renew after the due date you will be classed as lapsed and re-joined, such is the system we are working with.

Those wishing to Join a new club will have their details (once processed) sent directly to the Club they wish to join for their approval. Once the approval is given, the Club Secretary will send this with their membership renewals through the website or as they currently do.

If we do not have your Club information and access agreement and the information provided is incorrect the Club and members will be "Locked out" until such time as all of the information required is correct on the system.

The system should be up and running in July allowing us to better communicate and maintain contact with all members.
