The friendly target...

on the **Environment** and **Pocket!**

Developed after years of extensive research and testing White Flyer has added the **White Flyer Bio** to our product line. Realizing the sensitivity of the issues facing gun club and shooting ranges, it took over 15 years to develop a biodegradable target that would meet the needs of the 21st century. **This biodegradable target shares all the superior flight and breakability characteristics of the Standard White Flyer target and is available in all orange, orange dome, black and all white.** The **White Flyer Bio Targets** are held to the same strict performance requirements as our standard targets and function in both hand set and automatic traps. All White Flyer Bio Targets will biodegrade at least 95% within two years, depending on rainfall or contact with moisture into elements found in nature.

While most competitor's environmental targets come at a higher price, White Flyer offers these targets at significantly lower cost which makes it a win for your club and the environment. A safer alternative to targets made of "coal tar pitch" currently offered by some companies.

Try White Flyer Biodegradable targets, you will not be disappointed.

National President's Notes

"They will rise highest who strive for the highest place."

At the time of writing this report, the Commonwealth Games is taking place in Glasgow. Prior to competition commencing I contacted both Michael Diamond and Russell Mark to pass on the best wishes of all of the association members and Executive Committee.

We had ACTA members competing in each of the clay target events and I am proud to report to the ACTA membership the following incredible performances that everyone should be proud of:

Laura Coles (women's skeet) – **GOLD**

Laetisha Scanlan (women's trap) – **GOLD**

Adam Vella (men's trap) – **GOLD**

Including:

Lauryn Mark – 6th (women's skeet)

Paul Adams 6th and **Keith Ferguson** – 11th (men's skeet)

Catherine Skinner – 5th (women's trap)

Emma Cox 6th and **Gaye Shale** 7th – (women's double trap)

Tom Turner 6th and **Russell Mark** 10th – (men's double trap)

Michael Diamond 4th – (men's trap)

The accomplishment of all of the clay target shooters at these Championships has been nothing but spectacular. No placing lower than 11th and nine in the top six!

Congratulations to each and every one of you!

I would also like to thank each athlete's family, friends, supporters, coaches and everyone who assisted or inspired them in this journey.

A new trap shooting association for "professional" shooters is currently being looked at by several shooters. It has also been reported to me that I have allegedly stated, "our National President is offering a lifetime ban to anyone from the ACTA who I associated with the group or attends their shoots".

Nothing could be further from the truth. If anyone wishes to commence, be involved with or become a member of any shooting organisation, that is their right. Dependent on how it unfolds, I too may become a member – as I am of several other shooting organisations, associations and clubs.

I can further advise that the ACTA Executive Committee has to this time not determined any stance for or against this issue. That will be determined at a later time and conveyed to ALL members.

Again, the rumour mill within the ACTA attempts to undermine the work of individuals that are trying to progress the sport and drive wedges between associations. Time for those members to move on if they are that interested in destroying the sport we all love.

Allan Vilcins

Executive Officer's Report

The National 5 Stand Sporting Championships are being conducted on the 30th/31st August at the National Ground. This year will see the selection of the National team to compete in the World Sporting Championships in South Africa in 2015. At this stage we have not been advised of the details however we will pass them on as soon as they are available. The Wagga GC is hosting the event for the ACTA with former National Coach David Coleman heading up the Organising Committee. David has assured me a very exciting program is in store for the event.

There have been numerous developments in all ACTA Committee portfolios, some have been detailed in the ACTA NEWS on the back page of the magazine.

We are on track to achieve the target of 15,000 members by 2015 with the number of members for 2014 already surpassing 2013. The new initiatives proposed by the Promotions Committee will hopefully further drive the membership push in 2015. Many clubs have conducted school events, field days and promotional days, come and try days as well as our involvement in conjunction with the Marconi Clay Target Club at the Shot Show. If you have a special event/promotion your club is conducting we would like to know about it. This will assist other clubs when planning events as well as highlighting in our magazine and online the positives surrounding the sport.

The ISSF National Championships will be conducted at the Newcastle Lake Macquarie Club from the 19th to the 24th January. Following on from the Commonwealth Games this year,

the new year will bring more opportunities for shooters to enhance their reputations and vie for Australian selection for World Cup, World Championship and Invitational events in 2015.

The Australian Commonwealth Championships have received a welcome revamp commencing in 2015 with six events of 50 targets with substantial prize-money. The event will be \$100.00 to enter, have no grades or sections, however will pay 1st, 2nd, 3rd, 4th & 5th in each event with sashes, medals and prize-money for each event.

The development of the National Ground will continue with the 2018 World DTL looming large in the background. We will be addressing the drainage, shade covers for seating including scorers' stands as well as maintenance of the amenities blocks and the installation of ball traps on the ground. The ball traps are a joint decision of the Coaching Committee and the Grounds Committee to allow practice for ISSF as well as conducting ball trap competitions. The Association is also in the process of registering with the Australian Sports Foundation in the Sports Incentive Program which will go towards raising money to develop a new clubhouse/office/traders complex on the ground.

The Executive have further developed the Business Plan incorporating all of these decisions to cater for the future expansion and development of the Association.

The minutes of the meeting are now available on the ACTA website.

Commonwealth Games Shotgun Team

By the time you read this the Commonwealth Games will be over and the results known, but on behalf of the Executive, Management, and members, the Australian Clay Target Association would like to congratulate our Commonwealth Games shooting team, in particular the shotgun team on their selection.

The team has been selected from the very best our sport has to offer and looks to be a very balanced team of experienced and up and coming shooters.

These shooters will no doubt represent the Association and Australia with great pride and passion.

We look forward with anticipation to watching them compete and wish them all the best.

Queensland Clay Target Association STATE TRAP CARNIVAL

Gemfields Gun Club 2nd, 3rd & 4th May 2014

From the calls and enquiries received in the lead up to the State Trap Carnival we knew the shoot would be well attended but it was still a surprise to see so many shooters camped out at the Gemfields Gun Club. The first thing that strikes you is how orderly the grounds are with such ample space for trade sites and campers. For a club with only a relatively small membership visitors could be easily deceived into thinking Gemfields had a thousand members, the grounds were presented so beautifully with new layouts and excellent facilities, a real credit to the club and much appreciated by the shooters.

Without the Labor Day public holiday falling in May, the carnival began for the first time on Friday and extended over the weekend. This didn't seem to deter the many competitors who travelled from all over the country and more than 280 shooters nominated to contest the State championship events.

In usual sunny style the carnival opened with the 50T State Double Barrel Championship, sponsored once again by the Gold Coast Clay Target Club. 276 shooters contested the event and 64 possibles were shot, confirming the quality of the traps and targets. After an epic shoot off the Queensland silver badge, sash, trophy and cash prize went to Mitchell Iles from Victoria with a well earned 387/387. Mitch was also the recipient of the Ossie & Doug Smith silver medal, the last time this medal will be presented. Congratulations on a great effort Mitchell! Keeping the shoot off alive was Chinchilla shooter Dan Collins who finished with 386/387 to take 1st in AA, followed by Kevin Thompson 2nd in AA on 251/252 and Steve Haberman 3rd 241/242. Antony Ballarino from Port Denison was 1st in A grade with 143/143, Gold Coast's Garry

Gordon 2nd with 142/143 and 3rd went to Merv Phillips from Roma with 126/127. The ladies collected in B and C grade with Tori Powell from Springsure 1st in B with 71/71 and Clermont's Naomi Holmes 1st in C with a perfect 50/50. Lil Brandt won the Ladies sash shooting 76/76, top junior was Antony Ballarino with 184/185 while Adam Bylsma won the junior trophy 138/139 and Mitchell Iles won the Qld Police CTC sponsored prize as highest scoring junior for the event. Keith Simpson from Toowoomba took home the DB Veterans sash with 90/90.

The 25 Pair State Double Rise Championship was contested in the afternoon and was generously sponsored by QCTA Central Zone. 272 shooters competed with no possibles being recorded for

Geoff Fett took the Veteran's sash as well as 2nd in A grade on 71/80 while Jeff Nash won the Veteran's trophy 70/80.

Saturday morning was scheduled for the Zone shoulder-to-shoulder teams' events and participants rolled up bright and early to represent their respective Zones. The Western Zone proved too strong in the open section with winning team members Clayton Cusack, Ian Andrews, Jeremy Teece, Stephanie Mills, David Robb and Mike Stewart coming in only one target down on 124/125 for first place. Competition was close however with all minor places having to be decided on count back, all teams shooting 123/125. South East Zone finished 2nd, Central Zone 3rd and Northern Zone in 4th place.

The successful Central Zone team of Zarah Powell, Lil Brandt

and Leanie Hinsbey took first place in the Ladies section with a combined score of 71/75. Northern Zone ladies came in 2nd, Western Zone 3rd and South East Zone in 4th place. The Junior section was won by the South East Zone with team members Adam Bylsma, Jackson Willmann and David Musumeci winning with 72/75. The Central Zone juniors were 2nd and Western Zone 3rd. Great shooting by the Northern Zone Veterans Dave Guy, Noel Maltby and Bob Pack who took their team to victory with an impressive 74/75, with South East Zone in 2nd place, Western Zone 3rd and Central Zone 4th. It was great to see the teams events shared between all four Zones this year and thank you to the Zones for submitting teams for this event.

the event. Just one target down though, Steve Haberman from Echuca won the state silver badge, sash and prize with an impressive 49/50. 1st place getters were Patrick Guida from Werribee in AA with 67/70, Cooktown's Kristin Williams in A grade with 46/50, Noel Maltby from Port Denison in B grade shooting 43/50 and Paul Norris from Blackwater who won C grade with 40/50. The Ladies sash was awarded to Kristin with Lil Brandt taking the trophy on 51/60, Mitchell Iles won the Junior sash and prize, as well as the Qld Police junior trophy shooting 45/50, and Cunnamulla's

Beretta Australia came to the party yet again with their sponsorship for the State Single Barrel Championship and Greg Chan loaded the trophy table with new Beretta products. 274 shooters contested this event and 3 earned red on the score board. Top honours went to Port Denison junior Antony Ballarino who won the Tikka T3 rifle, State silver badge, sash and trophy presented by Greg. Antony's winning score was 51/51 as fellow possible contenders Mike Swale and Alex Dallas generously contributed to the Paw Paw Club after the shoot off! Mike finished with 61/62 to take 1st place in AA with Alex shooting 62/62 for 2nd, and Mitchell Iles was 3rd in AA with 68/69. Roma's Rob Rosenberger was 1st in A grade on 48/50 followed by Peter Brandt 55/58 and Dean Maltby 54/58, 2nd & 3rd in A respectively. Kay Hunt from Orange shot a very healthy 50/54 to finish 1st in B grade, followed by Martin Smith 2nd on 49/54 and Judy Gordon 3rd with 45/50. C Grade champ was Cory Selmanovic from Callide Dawson shooting 49/56 with Roma's Tony Allen 2nd 48/56 and Henry Dunn 3rd 44/50. Jessica Robb from Tarawera was in great form shooting 49/50 to collect the Ladies sash while Keith Simpson

from Toowoomba featured again taking the Veteran's with 51/54. Antony won the Qld Police CTC prize as top scoring junior for the event with Mitchell Iles winning the sash with 68/69 and Gold Coaster Jackson Willmann taking home the Junior trophy shooting 47/50.

Event 4 on the program was the 50T State Handicap, again sponsored by Mike Swale, Queensland State Solar. 270 shooters nominated for this event with 5 of them talented enough to shoot the possible. It was terrific to see Roma shooter Gareth Graham outlast in the shoot off from 15m to win Mike's cash, the Qld silver badge and sash, especially as it was Gareth's first competition! Kevin Thompson won 2nd place honours with 60/61, fellow Roman Merv Phillips 3rd 69/71, Sean Dolan from Mackay Sarina 4th shooting 68/71 and Tony Rogers from Ballandean in 5th place with 50/51. Great shooting also by David Musumeci who shot 49/50 to win the Qld Police CTC junior prize.

The beautiful weather continued through to Sunday when 276 shooters competed for the 50T State Points Score Championship. We thank Nioa Trading

slab, and Jackson Willmann won the junior prize with 192/195 after a shoot off.

The Paw Paw Club is a well known Queensland institution based on a system of fining shooters for missing strategic targets. Infringements are collected throughout the year with 100% of contributions paid to charities. Each year the Paw Paw Club Team Challenge is run in conjunction with the State Points event. After a long drought the Gold Coast club was successful this year with the significant assistance of compulsory C grader Andrew Rickert from Toowoomba. Other winning team members were Mike Swale, Gavin Langridge, Jackson Willmann, George Barton and Chris Druery. The winning team elects a charity to which proceeds from this year's team nominations will be paid and for 2014 the funds will go to Bravehearts, an organisation to protect children from abuse.

The all important teams events rounded out the carnival, well done to all shooters who participated and qualified for the State teams. Junior Postal: Antony Ballarino, Jackson Willmann, Adam Bylsma, David Musumeci, Tori Powell and Cooper Rodden. their continued support. The carnival winner for 2014 was Kevin Thompson from NSW Gun Club who took out the top honours with a score of 342/350. Kevin won the Beretta shotgun, gold Queensland badge, sash and prizes along with his name on the RACQ GIO perpetual trophy. Congratulations Kevin, a terrific win against some very determined competition and it was great that you travelled such a distance to attend our shoot.

We would not be able to conduct these events without the generosity of our wonderful sponsors and we thank them all for their continued support of our State Trap Carnival. We would also like to thank Greg Chan and the Beretta Australia team for their presence on the grounds at Gemfields this year and for their service and assistance to shooters. In addition to Beretta we thank the QCTA Central Zone, Gold Coast Clay Target Club, Nioa Trading & Federal Ammunition, Queensland State Solar and the Queensland Police Clay Target Club for their sponsorship of this carnival. QPCTC also continues to provide financial support to junior team members and many junior shooters benefit from the generous initiatives offered by the club.

Robbie Cross and his hard working team at Gemfields Gun Club ensured all visitors were extremely well catered for and the meals provided around the clock by the kitchen staff were second to none. Thanks also to the grounds staff, trappers, bar staff and all the members and helpers who made shooters feel so welcome.

The office workers ran a seamless

operation and we are extremely grateful to Lil Brandt, Helen Warlock and their team of recruits for a faultless effort. Thanks also to Allan and David, the scoreboard writers, handicapper Don Berrie and everyone who assisted the office team. A huge thank you to Central Zone president and head honcho Shoot Marshal Brian Muirson and his sidekicks Tom Jarvis and David Back who kept the carnival running like clockwork.

We also appreciated the assistance of Ronnie Forsythe who made sure the trophies were available for the winners, and to Gold Coasters Scott Willmann and Terry Morony who carted goods and prizes with them and assisted with the presentation table. A very special thank you to Tori Powell who did a wonderful job taking photos for us and had the difficult task of herding people into position for their team shots. Great job Tori and thank you for providing the photo disc after the event.

Congratulations to all the winners and thank you to the many competitors and visitors who travelled long distances to attend our State Trap Carnival. To all those who assisted and contributed to the success of our carnival this year your efforts are very much appreciated. We look forward to seeing you all in Townsville next year.

32ND ANNIVERSARY

The Monarto Clay Target Club celebrated its 32nd Anniversary with a full weekend of competition and 59 shooters from Darwin, to as far south as Mount Gambier, vied for the six Anniversary sashes on offer.

Club and Committee members as usual had the grounds in tip-top condition and for once we had perfect weather for the complete weekend, temperature ranging around 30°C, with nary a breath of a breeze. Surely we could expect to have a good weekend of shooting.

Day 1 Saturday 29th March

Event 1 25 tgt Monarto Anniversary Handicap

This event was fiercely contested from the shooters various handicap marks. Hayden Bowman won the event shooting a score of 27/27. Second place went to Sue Byrnes on 26/27, third placing went to Len DeCandia having shot a 25/26, fourth place went to Barry Arnott on 24/25 and the fifth and final placing was fought out between Dianne Loughhead and Ian Hopton, Dianne openly admitting she was praying for Ian to miss a target and he finally did. Dianne taking out fifth place by shooting a score of 54/56.

Event 2 25 tgt Monarto Single Barrel Championship

Hayden Bowman, winner of the Handicap, congratulated by Club President John Bretag

B grade went to Ian Hopton who shot 24/25 over Len DeCandia on 27/30 and C grade was won by Troy Oakes 20/25 over Trevor Smart on 19/25.

Event 3 25 tgt Monarto Points Score Championship

Three shooters, one from each of the grades of AA, A and B shot off for Overall after each had come in with a perfect score of 75/75. Rob Clark took out Overall and AA grade with a score of 90/90 over Martin Collumb on 73/75. A grade was won by Ron Batson on 75/75 over Deb McPherson on 73/75; B grade went to Len DeCandia on 75/75 over Kevin Polst on 70/75 and C grade went again to Troy Oakes on 67/75 over Trevor Smart on 55/75.

Event 4 Monarto 30 Mixed Target Championship (10 D/B, 10 S/B, 10 P/S)

This mixed target event, shot in conjunction with the Clem Thomas Memorial trophy since 1986, was this year taken out by Mount Gambier shooter Gavin Height. Gavin, Rob Clark and Fred Keen had posted perfect scores of 50/50 and shot off for the Overall place. Overall and A grade was taken out by Gavin Height with his score of 75/75 over Fred Keen on 61/62; AA grade went to Rob Clark on 50/50 over Michael Veenstra on 49/50; B grade

High Gun and Grade winners L-R: Len DeCandia, Troy Oakes, Gavin Height, Rob Clark and Ron Batson

Special thanks to the following for their continual and generous support through sponsorship to our Club. Without their support we would not be able to present the much sought after trophies/sashes that we provide to the winners at our Anniversary Shoots:

Brenton Burgess of Burgess Paint And Panel, Wayne Jackson of Jackson 4 x 4 Accessories, Darren Rowe of Rowe Aluminium, C. & K. Skudds of Mount Compass Tavern, Rodney McCue of McCue's Bakery, S. TenTye of Camping World Murray Bridge, Rob Low of Marsh Pty. Ltd, Peter and Jackie Hendy, Ruth Michell.

Other thanks must go to our hard working Committee members under the watchful guide of Club President John Bretag; our trap maintenance crew, trappers, referees and scorers who all backed up to help make the weekend such a success. Special thanks to Peter Hendy for his mighty efforts when choosing and buying the trophies it's a big and thankless job. Thanks also to those working on the inside of the Club house; to Ruth and her kitchen helpers keeping everyone fed from breakfast onwards, to Les (our Patron now in his 80's) who still comes along and helps with washing dishes, to those who kindly donated goodies towards our raffle table, to our raffle ticket sellers who shmooz into the shooters' ears getting them to part with some more of their money and lastly to the office staff who kept the wheels of the weekend's competition turning. Thanks to those who camped on the grounds and helped partake in Saturday evening's pooled tea with us. It was in all a great weekend and here's hoping we have as much success in 2015.

36th Central Victorian GB/Corsivia Grand Prix

Strong cold winds, rain and hail welcomed some of Australia's top clay target shooters to the Maryborough Club. Undeterred by the conditions 132 shooters arrived to compete, many bringing their families with them, to witness this prestigious event.

Fire drums were strategically placed around the grounds to keep the chills at bay, the warm clubrooms were packed and the ladies in the canteen were run off their feet supplying hot food.

Despite the tough conditions, qualifying scores were up 50% on previous years. A glance at the scoreboard attested that the new Corsivia petroleum pitch target, introduced for the first time to Australia, was a winner. Competitors were unanimous in their praise that saw a staggering 52 possibles (nearly 40 per cent shot 30/30) qualify for the shoot-off to decide the 2014 Grand Prix Champion.

Overall Single Barrel winner Wayne Hawker

National Champion and previous winner, Steve Haberman (Echuca) took the \$1000 cash from multiple National Champion and past Grand Prix winner, Roger Duthie (Hamilton) with Tony Moroni (Bendigo) third.

Victorian Coalition Government supports sporting shooters

Shooting clubs from around Victoria can upgrade their facilities thanks to a million dollar fund created by the Victorian Coalition Government.

Speaking in Bendigo, Deputy Premier Peter Ryan and Minister for Sport and Recreation Damian Drum said the Shooting Sports Facilities Program would give shooting clubs the opportunity to apply for funding to upgrade their facilities, increasing participation and building the sport.

"Outdoor sports such as shooting are a vital part of the social fabric and these grants will encourage more people to get more active in an environment that promotes safe and responsible firearms ownership," Mr Ryan said.

"This fund will help clubs secure tenure at sites and host high level events across the different shooting disciplines, attracting shooters from across Victoria and beyond. This will bring social and economic benefits to the relevant communities.

"Minor projects will be able to receive up to \$100,000 from the fund, with the government offering \$2 for every \$1 put in by the club itself or another contributor, for example a local council, either by contributing direct funding or as in-kind support."

Mr Drum said the Shooting Sports Facilities Program would assist shooting clubs and associations to increase participation and help participants from grass roots to the elite level.

"The Coalition Government continues to work with local councils, clubs and communities to create a connected, active, healthy and safe Victoria through sport," Mr Drum said.

Victorians have a proud history of producing Commonwealth and Olympic Games medallists in shooting sports.

More than 20,000 Victorians participate in competitive shooting events each year.

"We're helping sports including shooting to develop better facilities, host big events and give more people the opportunity to be participants, coaches, and volunteers," Mr Drum said.

A report recently released by the Coalition Government showed expenditure by Victorian shooters and hunters has now grown to \$439 million a year, much of it in regional Victoria.

Expenditure on range improvements is vital so that shooters can practise and refine their gun handling skills and new shooters can be introduced to the sport in a safe, controlled manner.

An advisory committee, chaired by Mr David Hawker AO, will be established to assess project applications and provide specialist advice on the sport's specific and strategic needs. Details of the Program will be finalised following the establishment of the advisory committee.

Psychological Skills for Shooting

Michael Kruger-Davis

PRACTISE VERSUS COMPETITION

Most of us shoot well in practise. We can shoot long breaks, we smoke the targets and the whole process of shooting feels effortless. We often feel like we are in the zone.

Why then do we choke when we get into a competition? Missing targets that you have shot thousands of times before is due to self-

doubt. When self-doubt sets in, you tighten or freeze up, this means that your muscles are not able to move as fluidly as they should, and as a result you miss the target.

The reasons why a shooter fails in competitions could be due to following:

- You take things cautiously due to a subconscious fear of failure. Sometimes if you have shot well in the first 25, you subconsciously try to protect the score that you think you have. As a result you become too careful and you miss. You cannot win unless you are prepared to lose.
- Fear of disappointing a parent or coach and as a result you play it safe. Playing it safe means that you are unable to deal with anything that is out of the ordinary.
- You want to win too badly and you can't stand losing. Placing too much importance on winning means that you are product or outcome focused rather than process focused. This means that you are moving your thinking into the future: when you do this, your brain gives subconscious messages that turn into worries and fears. This leads to self-doubt and again your muscles tense up and you miss.
- You doubt your abilities, and distrust your skills when it is essential to blindly rely on your abilities.
- Self-doubt leads to losing your confidence. This too leads to self-doubt.
- You expect to perform perfectly and you become frustrated when you cannot.
- Worry too much about your competitors. You feel intimidated by the level of competition
- You become too analytical about your performance. This will lead to making judgements about your ability and /or your performance the next time you compete.

Whilst these are some of the reasons why we fail, our brain then uses ego defence mechanisms such as intellectualising, or rationalising to limit the anxiety, embarrassment or shame.

1. We may blame our faulty technique. There may have been a range of reasons why we missed that may have nothing to do without technique. Blaming your technique and making hasty adjustments will only lead to you missing more targets.
2. We often blame the weather, the light, the clouds, the wind, the targets.
3. We often blame our equipment. The gun, the stock, our ammunition or the targets. Some shooters are search for the perfect gun: the one doesn't miss. If the gun fits then it should hit the target if the shooters technical skills are adequate. We miss because of self-doubt or lack of mental toughness. These things are inside us: in our head, they are a part of our thinking.
4. We often blames others for our inability. We blame our parents, coaches, partners, etc for putting us under too much pressure.

5. We blame others. The referee, other shooters, someone in the background.

From the above two lists there are a number of things that get in our way, but it ourselves and more specifically our brain that sabotages our ability to move from perfect in practice to dismal in the competition. We need to understand and accept that we get in our own way.

What can we do to take what we do in practise to the competition?

- Trust your physical skills. Make sure you are competent in what you are doing.
- Trust your ability and let go of the value judgements and worries. Let the competition happen. Have confidence in your ability.
- Stay focused in the here and now. Let go of how well you are performing and avoid over analysing targets you have missed. Focus on one shot at a time. Ignore past mistakes and avoid worrying about the future.
- Keep your performance simple. Focus on the process. Stay composed and relaxed.
- Commit to winning and don't worry about what it looks like. Avoid chasing the perfect performance.

Coffs Harbour July Trap Shoot

Clear conditions made for good scores with 16 possibles being shot during the afternoon shoot, a shoot off was necessary to decide the double barrel championship between Bob Stanlan and Geoff Slattery.

Bob winning on the 30th target, Geoff was regraded to AA, as I am sure so will Bob at his next shoot.

AA grade also needed a shoot off which also went for 30 targets between Craig Norman, Kerry Miller, Tony Bellamy and Phil Nelson, with Kerry the winner.

President Craig with HG Bob Stanlan

Overall winner was Bob Stanlan, AA grade went to Kerry Miller, A grade John Bourke, B grade Geoff Slattery & C grade Daniel Fry. Daniel is a new member who won't be in C grade for long.

It's great for the club to have 6 shooters in the top grade AA.

Last Year for Willmott/Green Family Shield

Following the demise of Willmott Forest's operations in Bombala, Phil and Pat Green took over the sponsorship of the Willmott Handicap Shield, a prize competed for by Bega, Bombala (now in recession), Cooma and Bermagui clubs. Teams from each locality shot twice a year for the pleasure of displaying the shield. This being the last year of the event, all were eager to get their hands on the shield for the final time.

The shield, a 25T points score and a 50T double barrel, made up the program for the July shoot. In spite of the coolish, windy weather, twenty-four shooters turned out for the day.

The opening event of 25T points score saw President, Phil Body use one second barrel for a score of 74/75 and first in AA/A grade. Regular Cooma visitor, Steve McIntyre took second with a score of 72/75. Robert Taylor and John Gray shared the prizes in B Grade,

Robert winning 69/75 to John's 67/75. C Grade went to Michael Diss with a score of 59/75 from Alex Wedutenko on 60/78.

The feature event, the Willmott/Green Family Shield Handicap, saw the Bega1 team of Shane Platts, John Walker, Ray Welch, Alf Niesar and John Siede take the prize with a combined score of 107/125. In the individual section, George Adamopoulos shot 23/25 to take first. Six shooters, Phil Body, Alf Niesar, John Walker, Robert Taylor, Mick Diss and Doug Blewitt all on 22/25, proceeded to a shoot-off for second and third. After a further nine targets, John Walker took second 31/34 with Alf Niesar 30/34 in third.

The final effort was the 50T double barrel. AA shooters, Ray Welch and Steve McIntyre both shot 50/50, with Ray taking the prize 59/59 to Steve's 58/59. Craig Field struck form in B Grade to win with a clean 50/50. John Gray and John Walker sort-ed out second with a further six targets, before John G generously missed one to leave John W in second place 53/56. Michael Diss continued his good form for the day, winning C Grade with a score of 45/50.

Gary Way celebrated his first Bega shoot, taking second 42/50.

The High Gun went to Phil Body with a score of 145/150 for the day. John Walker was again kind to the treasurer, happily accepting the meat tray instead of the cash on offer, after missing a couple of targets.

CABOOLTURE CLAY TARGET CLUB

TWO DAY CARNIVAL

Anyone who has run a shoot, particularly a carnival, will know how much hard work and effort it requires but the satisfaction of running a successful shoot, where everyone enjoys themselves is fortunately sufficient enough reward to ensure that these carnivals continue to happen in all states. The success of the CCTC Two Day Carnival is attributed to the volunteer help of so many people both prior to and during the event. Almost all shooters, including every junior, without exception offered their help at some point during the weekend ranging from filling traps, helping in the office, cooking, washing up and extra refereeing rounds where required – what a fabulous sport we are so lucky to be involved in.

The CCTC 2014 Carnival far exceeded expectations with capacity attendance for 300 targets and perfect conditions resulting in such high scores that two people shot their first ever 200 straight, one person set the new 2014 12g long run record at 323 and 3 people tied for High Gun on 296/300.

Friday saw a few competitors arrive to gain advantage by having a few practice rounds before start of the competition the following morning. The brave campers, Laurie & Marie, set up their camp site despite the warnings of an overnight frost.

By close of business Friday, all the traps had been checked, cleaned and were filled, tables and benches put in place on the layouts, trophies set up and the previous years' winners shown on the notice board. Just enough time for a good night's sleep before the serious business of having fun starts.

Saturday morning dawned to a crisp 7 or 8 degrees but within a couple of hours the temperatures were heading to the mid 20's with clear blue skies and perfect shooting conditions.

The music was playing – “Another One Bites the Dust” of course. Laurie and Marie Rodden were witnessed dancing outside their tent but we were not quick enough to get them on video. A queue soon formed

Lining up for station 7

at the nominations window and it was great to see friends, new and old, and those people who had travelled a long way to shoot the event and 3 shooters at their first ever skeet competition. Nominations were submitted for individual events, inter club teams and the hotly contested 2-person team.

The first three squads were on the layouts and shooting by 9.15am along with volunteer referees so we were off to a good start. The first event was a 50

target cash divide and the 50's soon started to roll in with Shane Bennett providing the first use of the red pen on the score board.

Event 1 50 target cash divide: AA equal 1st 50/50 Glenn Walker,

Lorraine Hughes, Craig O'Neill, Shane Bennett. A equal 1st 50/50 Neil Dimmick, Jaco Pieterse. B 1st 49/50 Allan Denton, B 2nd 47/50 Colin Parker. C 1st 47/50 Rick Nutt, C 2nd 46/50 Jackie Richards.

Event 2 is the 100 Target Annual CCTC Skeet Champion shot in two visits of 50 targets. A complaint was received in the office that a small white cloud had been sighted on the horizon but it turned out to be a false alarm and was simply a smudge on the person's sunglasses! More red pen was soon required and a thrilled Jaco Pieterse announced his first 100 straight and backed it up with the second 50 to make it 150 straight! Rick Nutt and Adam Corless both shot their first 25s straight too. The result was 3 x 100 straights from Harry Bader, Thomas Rhue and Jaco Pieterse. A shoot-off followed and after 5 stations of doubles, Harry emerged the Overall Winner with Thomas Rhue taking AA 1st and Jaco taking A 1st.

Event 2 100 Target Champion: Overall 110/110 Harry Bader. AA 1st 109/110 Thomas Rhue, AA 2nd 99/100 Lorraine Hughes. A 1st 100/100 Jaco Pieterse, A 2nd 97/100 George Petrou. B 1st 98/100 Theo Pieterse, B 2nd 92/100 Pat Plumridge. C 1st 90/100 Jackie Richards, C 2nd 87/100 Rick Nutt.

At the end of day one, the remains of an amazing 8000 targets littered the layouts and only Jaco Pieterse could claim no whole targets belonging to him as he was the leader on 150/150 but with a few people on his tail at 149/150 he had to keep a careful eye over his shoulder!

Some quick stats at the end of day showed that 54 x 25 straights had been shot out of a total 276 rounds that means that 1 in 5 rounds shot was a possible! Testament indeed to the targets and conditions. There was a total of 46 shooters in attendance including 6 ladies and 4 juniors great to see.

Special thanks for Peter Lynch and Barry McDonald for being “Chefs of The Day” on Saturday and providing a fabulous lunch followed by fresh strawberries and cream! Thank you also to Claire Smith for the very welcome supply of mouth-watering cakes.

Sunday morning and more perfect Qld weather saw a handful of extra shooters arrive to replace the 3 or 4 that could only shoot on the Saturday. A couple of squads were re-organised and we were off to a prompt start with first shots being fired at 8.30am for another 50 target

Marie Carmody happy with her scores

cash divide. The red pen was soon in use again with 8 people shooting the 50 straight including Harry Bader who had lost his prescription shooting glasses believing Glenn Walker should have known where they were . . .

Event 3 50 target cash divide: AA equal 1st 50/50 Lorraine Hughes, Harry Bader, Nigel Hughes, Craig O'Neill, Dave Dundon, Laurie Rodden, Sarah Bennett. A 1st 50/50 Paulette Walker, A equal 2nd 49/50 Frank Cooper, Neil Dimmick. B equal 1st 49/50 Bob

Robinson, Pat Plumridge. C 1st 47/50 Adam Corless, C equal 2nd 46/50 Jackie Richards, Rick Ball, Rick Nutt.

A fabulous and very popular lunch was cooked by Mathew Rhue with hot pork and gravy rolls that is the fastest I have ever seen a lunch disappear and I think he has earned himself a job for next year too!

Event 4 and the strategy starts to come into play with the much loved super handicap. Although this is technically a standard 12g handicap event, shooters have the option of shooting with a smaller gauge to gain additional 'lives'. However, only the 'shot' score counts towards High Gun places. One person was brave enough to nominate to shoot the 410g but we saw a larger number of shooters than usual shoot the 28g – which interestingly saw them all through to the shoot offs.

Great shooting conditions and perfect targets saw over half the field of shooters reach the first round of shoot-off. The standard of shooting was so high that we saw 8 rounds of shoot-offs in total. With two shooters about to reach their 200 straight and one person getting close to the 2014 record we were rapidly running out of day light hours and a very stressed shoot marshal (Lorraine) was cracking the whip and furiously re-organising squads and ushering non shoot-off shooters to the vacant layouts to start their 50 target doubles.

Special mentions go to Nick Aird who shot the whole event with 28g to finish on 248/250. Marie Carmody who shot almost 4 full rounds of shoot-off finishing on a score of 134/143. Jackie Richards in her first ever handicap shoot off, shooting 155/166.

With the handicap shoot off continuing between Harry Bader (AA) shooting 20g, Nick Aird (AA) shooting 28g, Thomas Rhue (AA), Craig O'Neill (AA), Theo Pieterse (B) all shooting 20g and light now starting to fade the doubles commenced with Shane Bennett providing the only red on the board with a perfect 50/50 to take out the overall prize. The spectators continued to be entertained by the long shoot off, helped by Claire Smith handing out lots of lollies and the children were watching a film in the club house

The handicap shoot off was still taking place at the time the last squads were about to start their doubles with very little daylight left (seeing the target emerge from the low house was now all but impossible without wearing night vision goggles). As the Australian 2014 long break had been broken, the final 4 AA grade shooters decided to finalise the event in conjunction with the doubles event with the final results as follows

Event 4 50 target handicap: 1st 249/250 Thomas Rhue, 2nd 248/250 Craig O'Neill, 3rd 248/250 Harry Bader, 4th 248/250 Nick Aird, 5th 167/175 Theo Pieterse.

How the last squads of doubles managed to shoot such good scores in that light amazes me but the final doubles result was as follows:

Event 5 50 target doubles: Overall 50/50 Shane Bennett, AA 1st equal 49/50 Lorraine Hughes, Sam Smith, Sarah Bennett & Craig O'Neill. A 1st 45/50 Vaughan McInnis, A 2nd 41/50 Barry McDonald. B 1st 48/50 Marie Carmody, B 2nd equal 43/50 Bob Robinson, Pat Plumridge. C 1st 45/50 Ray Mahoney, C 2nd 42/50 Adam Corless.

It was fabulous to see such huge scores being shot but the downside was the loss of daylight meaning that doubles grade placings could not be shot off and nor could the overall high gun place which was agreed to be

Shane Bennett OA Doubles winner

Jackie Richards C Grade HG

shared between Craig O'Neill, Harry Bader and Lorraine Hughes. It was no surprise to see Jaco Pieterse win A grade High Gun and regrade to AA. A great weekend for the Pieterse's with Theo winning B grade High Gun. Jackie Richards, a new and upcoming lady shooter was thrilled to win her first carnival High Gun with C grade on 265/300 (definitely one to watch!)

Worthy ladies winner was Sarah Bennett winning the Coffee Club sponsored prize which would probably be very welcome on their long drive home. Kel Madsen made it a back to back veterans win and Thomas Rhue won the junior High Gun on a very credible 294/300. Other notable mentions were Thomas Rhue's long run of 225 (light stopped play), Nigel Hughes with a 219 long run both of which now add to their Grand Slam.

The overall and graded High Gun prizes all received a unique brazier/hot box look out for some of those proudly burning at next year's nationals.

Overall High Guns: Overall equal 296/300 Lorraine Hughes, Craig O'Neil, Harry Bader, A 293/300 Jaco Pieterse, B 280/300 Theo Pieterse, C 265/300 Jackie Richards, Ladies 285/300 Sarah Bennett, Veteran 278/300 Kel Madsen, Junior 294/300 Thomas Rhue.

The two person team was a hotly contested event with Nigel Hughes and Shane Bennett determined to make it their 4th win in a row. However, an equally determined Craig O'Neill and Lorraine Hughes were the winners on 592/600.

The 3 person club team was very strategically played with a 3 person C grade team being played by Brisbane Gun club as handicap allowances are added to the team scores to encourage the inclusive of lower grades in the teams. The Frank Cooper trophy left Caboolture Clay Target Club for the first time with worthy Brisbane Gun Club winners of Jackie Richards, Adam Corless and Rick Nutt.

The prize giving was completed with the much loved 'walk up table' sponsored by both Barry McDonald and Peter Lynch where all shooters present at prize giving were invited to the prize table to choose their multiple prizes in the order in which they shot however there was some concern when Harry Bader chose an axe! With the prize-giving now complete, shooters said their good-byes and stumbled through the dark Queensland sky to find their cars and head home feeling tired but happy and looking forward to returning next year.

So "what makes a good skeet competition?"

Well surely it is a combination of things: perfect targets of course, perfect conditions help, organisation, preparation and generous sponsors are also important and if you have all of these then you would hope that everyone shoots well and that indeed seems to be the case at this carnival.

Out of a massive 17,000 targets shot over the two days a staggering 136 perfect rounds (excluding doubles) were shot and this was across all grades, ages and sexes and if it wasn't for the failing light there could well of been even more! So let's say "Roll on 2015" and let's set if we can break some more records!

In my last column I elaborated upon a number of the things that had occurred at this year's Trap Nationals. However one of the issues I did not address was the large number of records that were broken this year and the fact that this situation largely flew under the radar. This was almost certainly because the one "Big Record" that was on everyone's mind remained intact and this tended to overshadow and camouflage the fact that there were probably more records broken this year than at any previous Nationals. Another contributing factor was that most of the record breaking was done after the "Big One" got away and by this time most people had taken their eye off the ball.

A slow start

The week started out fairly quietly. The Pre-Nationals did not provide any spectacular results and day one with the Opening Ceremony and the State Team Shoots ran smoothly and well but again did not provide anything earth shattering. Day two and the Grand Australian Handicap ran similarly. Twelve possibles provided an interesting shoot-off that saw my old mate Sox Pilipasisidis put in a tremendous effort to shoot 110 targets from 25 metres before eventually succumbing to the inevitable and taking the last spot on the dais. Edward Hutchins ended up winning with 115 from 16 metres and I'm sure he was happy that he did not have to break Jason Jolly's 20 year old record of 170.

Warming up

Wayde Hawkins, a worthy winner of the Champion of Champions

Day three and the Champion of Champions was another very enjoyable day that did not require us to erase any entries in the record books. Nine possibles saw Wayde Hawkins eventually win when Glenn Kable let one land. However things were starting to warm up because Wayde's winning score of 250 would have been a new

record if Darryn Nicholls had not been forced to shoot 325 by James Willett the previous year. Going into day four, the record for the National Double Rise was somewhat complicated by recent changes in the number of qualifying targets.

Changing times

Prior to 2007 this event had been qualified over 50 targets for more than forty years. Although nine separate people had managed to break all 50 during that time, no two people had ever done it in the same year and so only one of those people had ever been forced to shoot off, but that's another story for another day. Starting in 2008 the event changed to 100 targets. During that first year of the expanded format, in absolutely atrocious conditions, the great Stephen James Atkins proved that if push came to shove he could actually walk on water. On that day he laid down a benchmark score of 99 and won the event outright by four whole targets. Which is another record within itself! This year Brian Doyle, Darryn Nicholls and Clayton Cusack all tried hard to steal "The Rat's" thunder, but eventually could only equal him.

Reverting Back

And here's an interesting afterthought. Last year the Trap Nationals were held in Perth. This is due to an agreement to have an "away year" every five years which rotates between Roma and Perth. Personal perspective: I think it's a great idea! However, due to the limitations imposed by the availability of only ten traps at Whiteman Park, the National Double Rise reverted back to a 50 target event, just for that one year. This in itself provided a rare opportunity for some old records to be revisited and they certainly were. Initially the old "no multiple 50s" record was shattered when no less than four people recorded perfect scores. This in turn provided a springboard to attack the old "most targets shot at by the winner" mark under that format, which was held by Gavin Searle from New Zealand who broke 83 of the 90 targets that Tommy Turner forced him to shoot back in 2004. This record is now owned by Darryn Nicholls who broke all bar one of the 110 targets that Colin Waghorn forced him to shoot at.

Day 5 – The big question

Three years ago Tony "A" had to shoot 900 to win the National Double Barrel. Two years ago Glen Hayden had to add another 95 to that score before he gained the title. Last year the "four minute mile" of Trapshooting was finally broken when four separate shooters passed the magic 1000 mark. Surprisingly, after only another thirty odd targets, they all collapsed like a house of cards and within the space of only four targets, three of them missed leaving Darryn Nicholls all alone on 1038. Leading up to this year's Carnival the question everyone pondered was: Could it be done again? Was 1000 repeatable?

Put up or shut up

For a number of reasons, including a change in the target supplier, many people thought that

it probably wasn't. I must admit that I had my doubts and would have bet against it. Anyway this obviously created tremendous interest and speculation leading up to the event. And enormous pressure on the last four shooters who walked back out onto the shoot-off field on 975 at 9.30pm on Saturday night. As the results show, all four made the grade, exceeding 1000 broken targets before we reached the 10pm curfew and had to turn the lights out and go home. I'm sure that Tommy Turner was devastated to miss the very last (1025th) target that night, but hopefully his admission into the "magic thousand club" along with some very nice "fringe benefits" that came with it this year, helped ease the pain.

Matty Stokes, The Great Rat & Tommy Turner
Three more entrants to the "NDB 1000+ Club"
AND NOW THERE ARE SEVEN!

House of cards revisited

When the shoot-off resumed the following day, with Darryn Nicholls' record score of 1038 from last year only half a box of shells away, his chances of retaining that record looked precarious at best. I'm sure no-one was prepared for the domino effect that played out over the next few minutes. When Matty Stokes failed to put a pellet on his third one it hushed the crowd, but when Steve Atkins cut loose with an unsuccessful second another three targets later, the crowd looked like a UFO had just landed. However, although the much anticipated fourth consecutive breaking of the record score had withered on the vine, Darryn Nicholls was all smiles. He had not only won our premier event two years running, but in the process had eclipsed Steve Atkins' previous record of 1776 consecutive hits in this event and bumped it up to 2069 and counting, because unless he misses his first target next year he will continue adding to that record.

Records tumble

However, as I said earlier, this was actually the turning point where record breaking started in earnest. The next day Mark Crimmins' record National Single Barrel score of 164 in Roma in 2009 fell to Darryn Nicholls when he ran out of opposition at 216. Just a small increase of two whole boxes plus change! And the following day it was Darryn's turn to "run out of ability" and have to pull a second on his 241st target in the Points Score, thus allowing Bruce Powell to win the event with 723 points, which eclipsed John

Dureya's previous best effort of 624 points from two years ago.

National High Gun Record

For many years the National High Gun Record was held by Billy Iles on seven points down (468/475), which he set in Wagga in 1984. Glenn Castellaro gave it a fair old crack in 2000 but was only able to equal it with another 468. Johnnie Sleightholme had a red hot go in 2012 and although he was also only able to equal seven points down, it was a very commendable effort because it included an extra 25 pair of Double Rise and thus a final tally of 518/525. Enter Darryn Nicholls! In 2011 he gave a hint of things to come when he won the relatively new "100 target" format with a very respectable nine points down (716/725) thereby equaling Neil McWhirter's great effort in 2005.

So much for Seven

However when Perth's aforementioned 10 trap layouts restricted us to the traditional 50 target format last year, Darryn saw this as a golden opportunity, which he seized with both hands and proceeded to decimate the old record with a breathtaking TWO points down for a total of 473/475. And the really scary part is that the next best score was five points down, more than twice that deficit! This year, after winning the NZ National Trap High Gun as a warm-up, he took up where he left off and blitzed the rest of the field over the expanded format with THREE points down for a total of 722/725. Next best

was seven points down, again more than twice the deficit.

Is it a bird ... or a plane?

No, it's just Darryn Nicholls without a red cape! Prior to this year, only three people have ever won both the National Double Barrel and the National Single Barrel in the same year. And they were three of the greatest Trapshooters this country has ever produced (see below). Now you can add Darryn Nicholls to that list. And for basically the same reason! Plus, up until very recent times, qualifying for the Macintosh Team on zero points down was a very rare occurrence. It only happened about once every ten years. Recently, for a number of reasons it has become much more prevalent, but this year, due to the expanded program format, it was a considerably more difficult proposition and only one person managed to accomplish it. No points

Darryn Nicholls – it would be quicker to list what he didn't win or do!

for guessing who it was. The capeless crusader from Broken Hill of course!

National Long Break

In 1992 at the Tamworth Gun Club, during their annual Trap Carnival, Russell Mark established a new National Long Break record of 1177 targets straight. It was a momentous effort and as that mark (pun intended) has stood for 22 years, people were starting to wonder if it would ever be broken. Wonder no more! Mrs Nicholls' little boy added almost another 400 targets to that total during the week. Starting off with the last round and a half from the Champion of Champions, plus 216 in the Single Barrel and 241 in the Points Score, added to all but the last half dozen of 1031 in the Double Barrel and another round and a half in the Macintosh Team Shoot before he finally let one land, he amassed a grand total of 1553 consecutive hits. If he ever takes up Skeet shooting, I'm moving to Coffs Harbour to play Lawn Bowls with Ken Lowry!

This Month's Trivia Question

Name the three previous shooters referred to above that hold the distinction of winning both the National Double Barrel and the National Single Barrel in the same year. E-mail your answer to cuzzo@a1.com.au before the 15th of September and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

Camel Hill Training Day

Camel Hill training day started for some of us on the day before, Friday. Setting up camp and telling tall stories around the fire.

Dinner was created at Killers Kitchen and served in Camel Hills Great Hall.

Thanks goes to Killer the Cook along with his assistant, Killer's Brother.

Almost got it with the wad

Frank laying down the law

Col MacDonald assisting with the day's coaching

The evening was quiet but got a little louder after a few lemonades and a lot of laughter.

The new juniors new found talent of whistle calling a fox ended after 4 short hours 20 metres away though they did learn what they could do with their whistle.

Training day was Saturday. The weather was clear and so was some of our heads.

After breakfast, courtesy of Killer and Killer's brother, Frank Seve started the day off with safety instructions to new and old shooters alike. I think this was appreciated by all. If we make a mistake it can have a devastating result and not many 2nd chances.

Peter Holmes was keen to start his training soon after, which was noticeable to all when he started his lesson holding a large cane. There were a few murmurs of where he could put his cane but thankfully it was to be used to indicate gun holds.

Peter's training included gun holds, eye holds, gun fit and concentration. One on one or with a group was all no problem to Peter and any questions got the same amount of attention.

50TH GOLDEN ANNIVERSARY

On the weekend of 24th and 25th May 2014 the Hobart Gun Club in Tasmania conducted a 50th Golden Anniversary Shoot. Although the club has been in existence for approximately 112 years, it was the last 50 years situated at Shene Road Mangalore that the club was celebrating.

The Mayor of the Southern Midlands Council, Tony Bisdee, was invited to open the competition by firing the first shot of the weekend. Tony had not fired a gun for some considerable time and was a little rusty as to what to do. After a five minute coaching course by Stuart Browning, Tony was hitting the targets like a good AA grade shooter, well almost!

Approximately \$3000 worth of prizes were there for the taking including cartridges, wine, boxes of fishing lures, knives and gun cleaning products. Eighty two shooters tried their hardest to get their hands on some of the goodies. As we all know, sponsorship is an integral part of the success of most clubs, as are the shooters. Thank you to the sponsors and the shooters.

The weather conditions for the weekend were excellent for clay target shooting, no wind, blue sky, 16 degrees and fierce competition. There wasn't really an excuse for poor scores, except the usual suspects – wrong coloured targets (didn't know you were using PINK targets) etc etc etc. Same stuff, different day.

The stand out shooters for the weekend were AA Kyle Booth and Steve Geeves C grade, this was Steve's second competition shoot, so now he is well and truly hooked.

Scores are as follows: Saturday 24th May 100 target Double Barrel: OA Kyle Booth 100/100, AA Thaine Browning 98/100, A Geoff Lynden 96/100, B Chris Lucas 96/100, C Steve Geeves 89/100

Sunday 25th May 50 targets points score: OA: Steve Glover 177/180, AA Kyle Booth 176/180, A Paul Matters 141/150, B David Reynolds 137/150, C Steve Geeves 140/150.

50 targets continental points score: OA Kyle

President Maurice Crow & shoot organiser Dave Williams

President Maurice Crow & chef Jeannie Clayton

Booth 140/150, AA Steve Glover 146/150, A Gary Drew 140/150, B Chris Lucas 138/150, C George Drew 123/150.

Total scores for the two days were: OA Kyle Booth 396/400, AA Steve Glover 389/400, A Gary Drew 372/400, B Chris Lucas 364/400, C Steve Geeves 350/400.

The Hobart Gun Club has approximately 100 members and run practice every Wednesday afternoon. DTL, Ball Trap and Skeet. We also run corporate days throughout the year which are very successful and Friday

shots for business men. Both days are very much enjoyed by all and comments made indicate that the club is going from strength to strength.

Thanks very much to the committee members for their help and organisation. The whole weekend went like clockwork. Congratulations to the winners and a big thank you to the shooters. I think all shooters are winners.

Head on the gun eye on the target.

Camel Hill Training Day

Continued from page 21

Frank on the trap lanes explaining how to exercise safe gun control

Most if not all gained a little from the day, with new shooters improvements were more noticeable.

It was refreshing to see finally that training was also offered to mature shooters as well. In our sport the majority of shooters start in their 30's and 40's when they can finally afford to shoot and no longer have to take the kids to footy, but without help they leave from frustration from never getting any better. This is a step towards growing our numbers by helping

them to improve. Stayers are the ones that contribute.

Finally, thanks to Peter, thanks to Camel Hill and thanks

to all who attended and made it a friendly and informative training day. New or old, we could all use a little help.

Conditions Tough at Cloncurry Annual 2 Days

Cloncurry Gun Club held its annual shoot on the weekend of 28th and 29th June. 67 shooters from all over the state and as far south as Brewarrina NSW were met with blustery cold winds on Saturday morning. They seemed to get colder and more annoying as the day went on, which made shooting conditions quite a challenge. Competition was very close all weekend with not one person winning more than one overall.

The lead up to the weekend saw a massive two days of work to get the shower block up and running. The first working bee was to strip out the shower block, thanks go to our members, Darryl Tyrrell, Nathan Morgan, the Muller family and Jim Molloy. In an amazing effort, Dusty from YBD Constructions and Dane Swalling from Cloncurry Plumbing (along with some Gun Club members), managed to refurbish the entire shower block! Special thanks to these guys for not only their time and effort, but for donating all labour required for the job! It is people like these that have real community spirit, and enable the club to continue to grow and prosper.

Malcolm Rankin from Kingaroy was the quiet achiever on the weekend, by taking out both the 1st place in AA in the points event on Saturday, as well as the overall High Gun for the week end. Saturday night dinner managed to keep everyone quiet for about an hour or so. The camp oven roasts must have been enjoyable, thanks to Al and Bob. The job was made a little easier thanks to Al who returned to Cloncurry for the weekend, and subsequently ended up in the kitchen and working all weekend. Thanks to Dusty, Alan Abdy, Russell and Gary for their cooking and carving skills over the course of the weekend. Thanks also to Paulie, Cookie and Nathan for manning the bar the whole weekend. Dianne and Marilyn as well for the office and keeping it all running smoothly. Thanks also to Mick Richards, our ever present shooting marshal.

President Jim Molloy presenting the OA HG to Malcolm Rankin

After dinner the crowd again came to life for the Calcutta auction. There was a bit of tussling among bidders, which saw some shooters selling for quite a hefty price. The pool was a healthy \$6500 with Barry Storch from Normanton taking out the handicap event with the only possible shot, which put a smile on the faces of McKinlay shooting family the Muller's, who bought Barry the

night before. Four shooters shared the rest of the pool with a score of 29/30.

Sunday was a much more pleasant day, not so cold and windy. All Sunday events went through without a hitch, with prizes once again being distributed throughout the shooters in all grades. By Sunday's end, all shooters and spectators seemed to have enjoyed themselves and were pleased with how the weekend went.

Shoots like this would not be possible without valued sponsors, which allows small clubs to present the quality of prizes to shooters. This year saw the greatest number of sponsors ever to come on board and support the Cloncurry Gun Club. The club would like to thank them wholeheartedly: Curley Cattle Transport, Central Hotel, Brodie Hardware, Lemmons Store, Landmark Cloncurry, BOSS shop, Gun Lawyers, North West Stump Grinding,

Cloncurry Tyres, Niverak Smash Repairs, Brodie & Co (sponsored junior prizes for each event), Carpentaria Fuels, OzeCool, Auscott Civil, YBD Constructions, Juturna Infrastructure, Europcar, Bullivants, Isadraulics, Jason & Vicki Tuttle, QPCTC (junior high gun sponsors), SMH Equipment, Guy Hicks (Snap on tools), Carmichael Builders, McAleese Resources, Desert Ice, NQX freight systems, Porters Transport, Halls Firearms, Haymans Electrical, Winchester, Flickys Meat Supplies, Primary Welders, Coke, XXXX, CUB, ALM, Diageo, Global Welding. Special thanks to Cloncurry Shire Council for their ongoing support of the club.

Central Zone Skeet Championship at Bathurst

On a day where it was more suited to watching Polar Bears play, the 50 Target Willy Ciosmak Trophy and Central Zone Skeet Championship was held.

Wayne Peterson with Heath Dobson

Rounds of 48/50 from Shane Bennett and Heath Dobson sent them to a shoot-off for the Trophy. Shane missed a high one leaving Heath to get a chip out of his target to secure the Trophy for the second time.

For the fifty target Zone Championship, Shane and Sarah Bennett with Wayne Peterson all finished on 48/50. The shoot-off resulted in a win for Wayne Peterson.

Heath Dobson with Willy Ciosmak's wife Astrid and Granddaughter Judy

The Central Zone Team for the State Championship was selected from the overall score of the day with Shane and Sarah Bennett and Peter Vella to represent the Zone.

MATHOURA HOSTS STATE EVENT

Friday night, June 27th, was as cold a night as you could get with strong icy wind and the threat of rain, although gladly that did not eventuate. All that did not stop five full squads of shooters arriving at the Mathoura Gun Club to battle it out for first place honours in the 50 target, Victorian State Night Continental Double Barrel Championship. Competitors came from a large area, including Coleambally, Bendigo, Euroa, Echuca, and Deniliquin, and although it was a bitterly cold night, a large fire burning outside, and a fire warming the clubhouse, coupled with hot food and drink available from the kitchen, thanks to Donna McClusky, it was reasonably comfortable for the shooters.

Tony Moroni and Andrew Evans

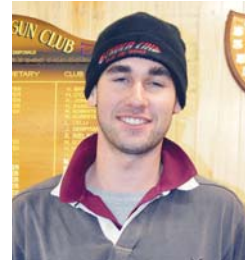

The first event was a ten target, Night, D/B Continental Cash Divide, and two shooters managed to down all ten, being Bendigo's Tony Moroni, and Coleambally member Andrew Evans, both sharing the 1st place cash pool. Adam Moroni (Bendigo), George Bradley (Mathoura), and John Berryman also a Mathoura member, all scored a 9/10 result, and all shared the 2nd place cash.

Shooting Continental discipline under lights, in a strong icy wind is a very difficult thing, and those scores really are excellent.

The main event was next, shot in two visits of 25 targets, and until the last squad shot, Tony Moroni's 47/50 looked unbeatable, and then Mathoura's "John Berryman" produced a magic unmatched 49/50. Dropping just one target under such conditions really is good shooting, and congrat-

ulations must go to John on being the Overall winner, and 1st in A Grade, in the Victorian State Night Continental Double Barrel Championship. B Grade 1st was claimed by Cohuna member Aaron Lyons who recorded a 41/50 result, and C Grade 1st had to be decided with a shoot off between father and son, Peter and Thomas McClusky, both Mathoura members, and both having shot a 34/50 score, and after just two targets, youth prevailed, with Peter dropping one of the two targets, Thomas after downing both put up his hand to claim 1st place in C Grade, with an end score of 36/52.

A real winter's night, yet a good roll up of shooters who seemingly all enjoyed the evenings competition, and they must be thanked for venturing out in winter to make the shoot a success.

Wintery Shoot at Echuca

Echuca Clay Target Club's July shoot left no competitor in doubt whether it was winter or not, starting off with a severe frost, then, although the sun did shine, the temperature all day was very low, the only thing that did contribute to clay target shooting was the lack of any strong wind. Still all that did not deter seven full squads of shooters arriving to make the shoot quite successful.

Event One was a 25 target Continental Points Score Cash Divide, and although no shooter could manage a perfect score, Laura Wooley and Steve Atkins managed to lose just one point and their score of 74/75 earned them both a share of 1st place cash in AA grade, Rob Viney and Rhys Eeles both scored a 72/75 and that gave them a share of the 2nd place cash in AA grade. A grade 1st went to Craig Scott 72/75, A 2nd to Ian Phillips 70/75. B grade 1st was David Long 66/75, B 2nd to Justin Forbes 60/75. C grade 1st was collected by Meshaila Cox 68/75, C 2nd was shared between Trent Rathbone and Richard Avery, both having scored a 52/75.

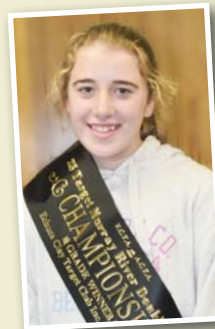

Glen Viney
1st HC

Event Two, a 25 target Handicap, and Echuca member Glen Viney put his hand out for the 1st place trophy, which was a handsome \$100.00 cash, Steve Atkins collected the 2nd place reward, and Bendigo member, Meshaila Cox, having a wonderful day out for an newish

C Grader, put her hand up for 3rd place in the Handicap.

Event Three, was a 25 target Double Barrel Championship, and after eliminating all but two of the shooters that had shot a possible, Echuca's Rhys Eeles and Stephen Atkins, having reached a hundred targets shot, and not looking the slightest bit like missing a target, decided to flip a coin for the Overall Winners Sash. Rhys won the toss and became the Overall Winner, and equal 1st in AA Grade with his 100/100 score, Steve also 1st in AA Grade on the same result. A grade 1st was Glen Viney 54/55, A 2nd Mick Keirl 30/31, B grade 1st Justin Forbes 26/27, B 2nd David Long 24/25, and C grade 1st was Meshaila Cox with a 19/25 result.

Certainly a bitterly cold day, but with a big fire outside, a heated clubhouse, and plenty of hot food and drink available from Dot and Helen in the kitchen, it resulted in a very enjoyable shoot for all that attended, made all the better by running so smoothly all day that even the presentations were all over by 5.00pm.

Terry Brind

18/6/1946 - 20/6/2014

It is with great regret we inform all shooters of the loss of Terry Brind after a long fight with cancer. Terry passed on the 20th June 2014. He was a valued member of our club at CAMEL HILL. This club began more out of mateship than just shooting as Terry was one of the ORIGINAL pack of rats that began the club.

Terry being a "wise man" after a few beers named the club "Camel Hill" and in doing so received his new nickname "Moose" due to the bloody size of his "honker" but being part of the "rat pack" leaves you with great responsibilities and evil doings.

One of the evil things we did to "Moose" and "Skinny" his mate was we caught a 6-8 foot goanna and put it in the long tool box on the back of my ute and then drove to the local pub. When we arrived "Moose" and "Skinny" asked where we had been. "Oh we found an old box on the side of the road with coins in it" I replied. "Coins!" they both exclaimed thinking something for nothing here. "Where is it?" they asked! In the box on the back of the ute" I said. Out they strutted like Burke and Wills opened the lid and out jumped the goanna with attitude of a thousand angry Russians, the only time I have seen "Moose" and "Skinny" running backwards connected like lovers swearing and praying at the same time.

Like all Rats may you be in Heaven before the devil knows you're dead. Terry leaves behind a loving family and a large army of friends. God bless you Moose. "Gone but never forgotten"

Frank Henry James

21/10/1926 - 30/06/2014

Frank held the position of President of the Kerang Clay Target Club for a total of 46 years and was a continuous member of the Australian Clay Target Association for over 60 years.

After joining the A.C.T.A he began to compete in the sport of clay target shooting and it soon became a major part of his shooting life.

Over the years he travelled extensively to other states to participate in the sport he loved.

He attended his first A.C.T.A National Championships in 1967 and up to the time his eyesight began to deteriorate he rarely missed attending and competing. In later years he still liked to attend to catch up with old friends.

Frank got much pleasure in coaching, particularly young beginners, and was actively involved in the school persons shoot at Kerang for many years. He was a Level 2 Coach and Firearms Instructor/Examiner, and a Shoot Marshall and referee at numerous National Championships between 1972 and 1988.

He participated, together with brother Alf, as part of Police team on several occasions, and was a regular participant in the Veteran Games at Wagga Wagga and also in Field and Game.

The highlight of his shooting career was being the recipient of the

"A.C.T.A 1996 Presidential Medal" for outstanding contribution to the sport of clay target shooting from club to national level.

Franks final visit to his beloved Kerang Clay Target Club took place prior to his funeral, where he received a very fitting salute from over 20 past and present members of the club. During this final tribute, fittingly a pair of prime Black Ducks flew over the number one trap and the assembled members.

Frank Henry James was a true to life bush larrikan with a very quick wit whom always had a good joke or a yarn to tell and he was always there to assist with excellent advice and or a willing hand which will be very much missed around the Kerang Clay Target Club.

Frank Henry James was laid to rest in the Kerang Lawn Cemetery, he will be sadly missed by his family and Phyllis.

Muriel Porter

Passed away on 17 June 2014 aged 86 years

It is with sadness that we advise the passing of Muriel after her health deteriorated over the last twelve months. Mum became involved in clay target shooting when Dad (Past ACTA President, Ron Porter) took up the sport at the Brisbane Gun Club in 1962.

She was one of a small band of ladies who worked tirelessly at the club providing meals and serving in the kitchen and was granted honorary life membership of the Club in 1977.

When Dad was endeavouring to form the QCTA, Mum travelled all over the State for meetings and assisted with the design of the QCTA badge. She attended shoots in all States throughout Australia as well as New Zealand and the United States.

She attended shoots as a social outing but never fired a shot. She attended the Nationals on more than 30 occasions mostly with Dad and later to present his memorial cup. She kept in contact with many shooting friends and was still writing to some up until her passing.

She is survived by her four children, five grandchildren and four great grandchildren.

GRAFTON CLAY TARGET CLUB

JUNE OPEN CLASSIC

Grafton Clay Target Club received outstanding support for their two day annual June Open Classic held over the June long weekend. Some shooters from as far away as Brisbane, the Tablelands, Inverell, Taree and close by local clubs and all places in between began arriving up to two days early.

The Saturday morning dawned nice and brisk and shooters were greeted with delicious hot toasted sandwiches which gave them the encouragement and strength for the shooting ahead.

With the grounds in outstanding order and the traps recently overhauled shooters expected (and got) two days of excellent shooting with fine weather and only a slight southerly wind which whilst being brisk did not affect the throwing what could only be described as excellent clays.

First event opened with a 25 target Double Barrel cash divide and no less than fifteen shooters shot a perfect 25/25. This showed there was going to be some keen competition during the first day.

Then all was set for the main event for the day - the 75 target Crispin Cabinetmakers Grafton City Medley mixed targets. The high quality shooting was maintained with plenty of red on the board throughout the events but at the end of shooting one person was conspicuous with all red figures. Yes 'the big fella from Inverell' namely Matt Colley was the only one to shoot every target (125/125) to be the one to take out the Overall sash and cash. It still took a deal of shoot offs to settle on the grade winners and placing.

At the completion of the Saturday events Matt was to be the only shooter on a perfect score for the day.

Sunday dawned a typical brisk Grafton morning but with a very adequate breakfast available shooters felt they were well prepared for the day of shooting.

First event for this day was the 25 target Shoppingworld Butchery Points Score and with no Overall to be decided the main interest was in the shoot off for AA grade and how 'the big fella from Inverell' would get on. Peter Brenton from Port Macquarie tried his fortune but succumbed and Matt Colley was declared the winner in this grade.

Then came the main event for Sunday the 50 target Clarence Valley Timbers Jacaranda City Classic Double Barrel. No less than eleven shooters came in with a perfect score and as they all settled in for the shoot off all eyes were on 'the big fella from Inverell'. Eventually Matt prevailed and took out the Overall in the coveted event with a perfect score of 132/132 to take home another sash.

An indication of the quality of this shoot off can be gauged by the fact that six shooters were able to gain their Break Badges ranging from 50 to 250 during the finalising of this shoot off.

As everyone settled down after the excitement there was only one more event to complete the program - a 25 target Continental cash divide.

Incredibly 'the big fella from Inverell' came out and dropped his first target in this event. Typically Matt shrugged his shoulders and was heard to say "that's shooting" and went on to shoot the other 24 targets.

Grade High Gun winners from Inverell (L to R). A Grade Tony Turner, Overall Matt Colley, B Grade Kelvyn Darby, C Grade Sue Turner

Well done to the Grafton Clay Target Club Members and their Sponsors for putting on a textbook two days of shooting. Of course this can't be achieved without the cooperation of Club Members and other visiting shooters who help out where ever they can. Finally a big 'thank you' to our sponsors Clarence Valley Council, Grafton Shoppingworld Butchery, Crispin Cabinetmakers and Clarence Valley Timbers for their continued assistance to the Club.

Blackwater Two Day Shoot

A very good weekend of shooting was enjoyed by all. The targets were good and competitive shooters were showing their skills in breaking clays under cloudy at times skies with changing light conditions and very warm temperatures for this time of the year.

There were a number of shoot offs to determine winners and some very high scores recorded. Peter Watts this year won the Handicap event with a perfect 25/25 and gained another metre handicap so will now shoot off 23 metres. Quite a few shooters were only one target behind and husband and wife team Candy and Robbie Cross had to battle out second and third place for the money. Candy came out on top of this shoot-off. The Double Rise event was won by one of our own members with a great result of 28/30 for Lionel Selke to claim the overall.

Peter Watts, Handicap winner, OA HG

Alex Dallas
OA Coalfields 100

The main event on the program is the 100 target Coalfields 100 Championship which was won by Alex Dallas 99/100 and only 1 target in front of four shooters on 98/100. This was the 31st year of this event being shot and has been very hotly contested over the years. It was the first 100 target event in our area and has been a very hard event to win. The weather was nice to us on Sunday with clear blue skies and no changing light to deal with.

The visiting shooters were catered for by our members in the kitchen producing some outstanding dishes as usual. We have a fantastic kitchen now after Community Grants via the C.H.R.C. council helped us to replace the former facilities after the floods in 2010/11 for

which we are very grateful and are the envy of our neighbouring clubs. We have received two grants since the floods and have replaced our former kitchen, which the white ants made a meal of where we couldn't see them, to all stainless steel. That will give them toothache should they try that again. And the last grant enabled us to purchase a new gas stove, stainless steel two door very large refrigerator and freezer and a new convection large microwave. We are all happy now in the kitchen.

Over the last few years we have put in a lot of upgrades including shower and toilet amenities plus our own power. Recently the shooting complex which comprises five clubs on the site was fortunate to now own the land on which we reside. Our landowner transferred the 100 acres to the complex and met all the costs involved. As per his instructions the clay target club members and a couple from other clubs on site fenced off the land and now we have a permanent ground. We share the complex with the Pistol Club, S.S.A.A. Archers club and a Rifle Club.

The clubs concerned are so appreciative of this huge and generous event and it is a fantastic outcome for our sport. There is no other site around our area which we could have relocated all the clubs to if we had to all move after the property was sold.

A big thanks to our sponsors, helpers and shooters and families for the fantastic weekend. Our next shoot will be on the 22nd of June commencing at 9am and all are welcome.

WANGARATTA – SKEET, DTL, SPORTING CLAYS

Skeet – Jackel wins under difficult conditions

Sunday 29 June was an unfriendly weather day for clay target shooting at Wangaratta. Cold, overcast, breezy and sometimes wet weather made for uncomfortable conditions, however local skeet shooter David Jackel overcame all to win the championship event with the commendable tally of 105/109. David was very closely followed by visiting Griffith shooter and B grader Ray Hillam after a shoot off, with Ray tallying 104/109.

Mark McDonald from Murray River Gunsmithing performed consistently during the day with his Krieghoff gun taking out A grade with 94/100. Local enthusiast Phil Smith put in a nice performance taking 2nd place on 92/100. Lady shooter Trina Adams, a top simulated field shooter, won 2nd in B grade with a score of 92/100. Andrew Menegazzo shot a terrific score of 95/100 winning C grade, ahead of Aaron Stamp on 83/100 in 2nd.

Thanks go to the Griffith Clay Target Club for their generous donation of Yellow Tail wine to our local club, which was given out to the competitors at the conclusion of the day's event.

L-R Andrew Menegazzo, Mark Rosenboom, Ray Hillam, Aaron Stamp, David Jackel, Lachlan McDonald, Phil Smith, Mark McDonald

Sporting Clays – Hall wins against Seymour

After a frosty morning, the sun came out with a perfectly blue sky making for ideal shooting conditions at Wangaratta on Sunday 13 July. After miserable weather prior to the day, everyone enjoyed the conditions for the 100 target 5 stand sporting clays competition set up over two grounds.

Using the recently repaired 'rabbit' target machine added to the great

L-R: Trevor Bussell, Marton Holmes, Stephen Tamme, Max Gribben & Davey Jones

variety of targets presented during the day. Sporting clay shooters love a challenge and the club feels confident that this was provided by Brett Jory and his band of willing helpers. By setting up the various traps to test the skill levels of both novice and experienced competitors alike all helped in making the championship a real success.

AA graders Peter Hall, Marty Seymour and A grade Nick Mazurek all shot excellent scores of 92/100 each. To make things a bit more challenging for these top guns, the club adjusted both the speed and direction of the traps for the shoot off. After the 25 target shot off Hall took the overall title with a tally of 21/25 defeating Seymour and Mazurek. Marty Seymour won 2nd place in AA and Nick Mazurek won the sash for A grade.

Junior all rounder Davey Jones also had a good day with a nice result of 82/100 taking 2nd in A grade. Paul Reynolds, a very keen Field & Game shooter won B grade 72/100 ahead of another top junior shooter Rhys McGauran on 62/100. C grade winner was John Hutchison 59/100 with Max Gribben from Benalla in 2nd place 56/100.

DTL – Hunt consistent as usual

The Wangaratta Clay Target club conducted a Down The Line championship shoot on Saturday 19th July. Perfect weather conditions remained all day and some excellent scores were achieved as a result. Despite some broken targets being released on ground three, the day ran smoothly. After some repairs to the trap this week, all will be ready to once again present shooters with the excellent consistency of targets that the club is recognised for.

The 50 tgt points score championship was won outright by local AA grade member Daryl Hunt 146/150, followed by Peter Cavedon on 141/150. Gordon Twamley, a very keen follower of the sport, shot a nice tally of 145/151 to win A grade, defeating Enio Cavedon on 142/50. B grade winner Neville Bussell put in a score of 134/150 in front of all rounder John Hutchison 128/150. Top lady shot Kath Wilkins won the sash in C grade on 126/150, with junior shooter Alex Wozniak in 2nd on 115/150.

Peter Cavedon (foreground) prepares to shoot

The last event was a 25 pair Double Rise Championship, which really sorted out the field. Again Daryl Hunt was too hard to topple winning overall on 39/50, again in front of Peter Cavedon on 35/50. A grader Alan Cole shot a nice result of 37/50 ahead of Gordon Twamley 35/50, sorting out this grade. John Hutchison finished with 31/50 to win B grade and Jacqui Wemyss from Corowa placed 2nd on 27/50. Another keen lady shooter Jessica Goodall won C grade with 26/50 ahead of Alex Wozniak on 26/60.

The High Gun trophies went to Overall Champ. Daryl Hunt 215/230, Veterans to Enio Cavedon 203/230, Juniors to Logan Wemyss 200/230 and ladies was taken out by Jacqui Wemyss 181/230.

It was good to see several junior and lady shooters at today's event. Great sunny day!

The Squire reports from West Wyalong

Central Zone Mixed Target Championship

John Wason was a bit shorthanded when he organised a working bee on the Saturday prior to the West Wyalong Clay Target Club's shoot featuring the Central Zone Mixed Target Championship on the fourth Sunday in June.

Nevertheless, John Wason had been doing his homework constructing steps to improve the entry to the trap houses and a prototype referee/scorer stand. Well done John.

The weather was typical winter and the shoot start was postponed until the fog cleared to some extent, but it continued to come and go until lunch time.

Young Iley Anderson and Allan Schirmer appointed themselves as "keepers of the fire bucket" and kept everyone feeling toasty all day.

At 10.30am gunshots sounded eerily through the mist indicating the 25 Target Cash Divide Double Barrel was underway.

When all the squads had completed the 25 targets, Allan Schirmer, Clive Foster and Matt Schiller all shot 25/25 to share the dividends in AA Grade.

Matt Schiller is an Australian representative shooter who's Mum, Janene Schiller is the Central Zone President.

The West Wyalong Clay Target Club was pleased to have Janene in attendance and she helped out during the day.

Matt Schiller's grandfather, Ray Schiller won A Grade 25/25 while Jason Anderson 23/25 was the B Grade winner. "Lydia the Gun" Ambachtsheer 20/25 won C Grade.

The second event was a 75 Target Champion of Champions event comprising 25 targets double barrel, 25 targets single barrel and 25 targets points score.

Local shooter, Clive Foster, stamped his class on this event without dropping a point becoming Overall winner with a very creditable 125/125.

Matt Schiller 122/125 won AA Grade and Richard Fryer 118/125 was the A Grade winner. Jason Anderson 106/127 claimed first in B Grade with

Lydia Ambachtsheer winning C Grade. Bruce Dent who made his way into town through the fog from Lake Cowal shot 118/125 to win the Veterans' section.

Angie Dent again co-opted Bruce to the barbecue duties and there was a short break for lunch which allowed James Turner to get on top of the handicapping in the office.

In a day when plenty of targets were on offer, the final event of the day was the 40 Target Central Zone Mixed Target Championship.

This event comprised 10 single,

CZ MT winners Lydia Ambachtsheer, Jason Anderson, Matt Schiller, John Wason & Graham Fairman. Bottom row Iley Anderson

Ch/Ch winners Jason Anderson, Lydia Ambachtsheer, Richard Fryer, Matt Schiller, Clive Foster & Bruce Dent. Bottom row Iley Anderson

10 double barrel, 10 Points Score and 5 pair of double rise targets.

Matt Schiller and local shooter, John Wason both shot 59/60 and were required to take part in a complicated shoot off process which saw Matt Schiller emerge as the Central Zone Mixed Target Champion with a score of 83/84. John Wason 82/84 won AA Grade and Graham Fairman 70/72 who has not shot a lot lately because of work commitments, took out A Grade.

Both Jason Anderson 55/60 and "Lydia the Gun" Ambachtsheer 50/60 maintained their form to win B and C Grades respectively.

Many clays were thrown, the sun shone eventually and as usual there was a lovely lunch and afternoon tea served and a big thank you to all those who so willingly assisted during the day.

100 Target Skeet

When there is a fifth Sunday in a month there is always something on at the West Wyalong Clay Target Club and in June it was 100 targets skeet spread over two events.

The weather was atrocious with scuds of wind driven rain blasting across the skeet layout all day.

The organisers were worried that nobody would turn up but three squads of hardy individuals arrived to punish themselves John Rourke even travelled over from Young.

HG winner Clive Foster with Vice President Jason Anderson

CZ President Janene Schiller with winner CZ MT Matt Schiller

The grounds looked neat after being mown and whipper snipped the day before by Graham Duncan and Allan Schirmer and although the targets were not set until Sunday morning the wind played havoc creating feral targets all day.

The first event was 50 Targets Skeet and Laurie Redfern from Forbes handled the conditions well to post a score of 47/50 to win Overall.

John Rourke 46/50 won A grade while Allan Schirmer 44/50 won B grade. Bruce Dent and Graham Duncan shared C Grade although Graham may have won after the toss of a coin. Emalene Munroe 35/50 showed good form to win the Ladies section.

Angie Dent helped by Sue and Kate Turner looked after the canteen and there were any number of helpers to keep the fire buckets going.

Sue Turner, using the container as an office did a great job organising the squads and she also spent a large part of the day in a big hat and Drizabone scoring. Great stuff "Magic Lady".

After lunch it was time for the 50 Target Skeet Handicap and Patrick Mulqueeny 69/72, from Ungarie was the winner after a shoot off with Laurie Redfern who was placed second. Jason Anderson, using a

borrowed skeet gun shot really well to place third overall. Once again, young Emalene Munroe from Beckom won the Ladies' section.

West Wyalong Clay Target Club would like to thank everyone who turned up and helped throughout the day.

Shooters may have been wet and miserable but they had a good time – silly aren't they!

60th Birthday for Old Alexandra Clay Target Club MONARTO-ALEXANDRA CLAY TARGET CLUB INC.

Nigh on perfect were the weather conditions for the 60th birthday shoot of the old Alexandra Clay Target club held at the Monarto Shooting Complex on 17th November 2013. According to Jim, the weather was "Sunny; winds variable". Thanks for your input.

The Monarto Clay Target Club each year has upheld the Alexandra Club's birthday events as they were all important with shields to be shot for and won; shields with a lot of history behind them, the Woodrow Shield (58 years), the Bill Quinn Shield (36 years) and the Campbell Shield (26 years).

Shooting on the same weekend as Port Augusta's 2-day birthday shoot, we thought that numbers of competitors could have been slightly down, but we were delighted to find that 56 shooters came to celebrate with us at our club.

The first event for the day, the Bill Quinn 25 tgt Skeet Shield was won overall by Dino Oliviero (who probably should have been at home in bed as he had a bad case of the flu) yet he still shot a 33/33. A grade was taken out by John Holder on 22/25, B grade and overall by Dino Oliviero on 33/33 over Colin Jacobs on 32/33 and C grade was won by a happy Troy Oakes on 23/25 over Rodney Schubert on 30/33.

The 3-man team from International Gun Club won the Bill Quinn Shield by shooting a score of 69/75. Team members were Dino Oliviero, Rito Borzillo and Vince Petraccaro.

Event 2, a 10 tgt D/B E/O only saw ten possible scores on the board.

The 25 tgt Ian & Phillip Campbell Memorial Shield event 3 on the programme was won by AA grade club member Rob Clark who shot a score of 36/36. AA grade placings were Rob Clark 25/25, D. Lymn 25/25, A grade went to Dennis Halikiopoulos on 26/28 over Peter Marshall on 25/28, B grade places went to Robert Umback 25/25 over John Fleetwood on 26/27 and C grade placings went to Jim Forbes 23/27 over Trevor Smart on 22/27.

The 5-man team from Monarto-Alexandra won the Campbell Shield shot a 117/125. Members of the team were R. Clark, P. Hendy, R. Perry, R. Foster and B. Pobke.

Event 4 saw the 25 tgt D/B Woodrow Shield being contested. Dennis Lymn who shot 35/35 was the Overall winner on this event. Other placings were: AA grade, Dennis Lymn 35/35, second placing to Rob Clark 29/30, A grade was won by Rodney Schubert on 25/25 over Sue

Byrnes on 27/28, B grade to Ryan Foster on 37/38 over Vince Petraccaro on 36/38 and C grade places went to Troy Oakes who shot a 25/28 over Jim Forbes on 24/28.

The 58 year old Woodrow Shield was won by the team from Monarto-Alexandra with their score of 118/125. Team members were Rob Clark, Peter Hendy, Rex Perry, Ryan Foster and Barry Pobke. It is pleasing to see some of our newer club members shooting really well and getting their names engraved on such prestigious shields as those shot for at the club. Well done fellas!

The final event on the programme was event 5, the 25 tgt S/B Fleetwood Memorial. The happy winner of the beautiful silver duck trophy was Rito Borzillo who took out Overall and AA grade with his score of 25/25. Second placing in AA grade went to Dennis Lymn on 23/25. A grade places went to Rodney Schubert 23/25 over John Holder on 21/25, B grade was won by Ryan Foster 24/25 over Frank Caltagirone 21/25 and C grade places went to Troy Oakes on 20/25 over Jim Forbes on 18/25.

The Forbes Perpetual Trophy given to the C grade High Gun of the day was this year very capably won by Troy Oakes.

Overall High Gun was won by club member Rob Clark who shot 93/100.

Presentation time saw the club-house packed as usual with Club President John Bretag ably in charge.

Thanks all round were given to all the workers, trap fillers, referees, scorers, canteen workers (Ruth B, Molly B and Les – the legend) and staff in the office (Ruth M and stand in handicapper for the day, Peter Hendy) and to Peter Hendy for his excellent choices in the purchasing of our trophies. A job well done, Pete. A special thank you to John for keeping the shoot running so smoothly.

A special thank you was also given for those supporting the club with their donations for the day: Bruce Burns of Rio Oceania Pty. Ltd., Jim Forbes and Family for all the sashes, Peter Shepherd and Michael Adams.

All in all it was a great day, except for a couple of petty hiccups that we could have done without.

We hope to see you all here again for the 31st Anniversary shoot of the Monarto Clay Target Club in March 2014.

ACTA NEWS

CHAMPIONSHIPS INITIATIVES

All Championships in 2015 will provide a continuation of free nominations for Juniors who attend their first National event. Any Junior who has not attended a National event (in any discipline) will be entitled to enter the Nationals of their choice. The offer covers individual National events, not Pre-Nationals or Deauville Doubles events. **JUNIORS MUST TICK THE BOX ON THE NOMINATION FORM INDICATING THEY ARE AT THEIR FIRST NATIONALS. DO NOT SEND MONEY. NO RETROSPECTIVE APPLICATION FOR A REFUND WILL BE CONSIDERED. ALL OTHER JUNIORS ENTERING WILL RECEIVE A DISCOUNT OF \$10.00 PER NATIONAL EVENT (not Pre-Nationals or Deauville Doubles events)**

The Skeet Nationals now have two new National events, 28 Gauge and 410 gauge were awarded National status at the Executive meeting in June.

SHOOT-OFFS, CONTINUATION OF EVENTS

Where more than one squad participates in a shoot-off, they may commence shooting together on different traps providing management deems that situation equitable.

The shoot offs will continue under the event format until a winner has been determined or at the discretion of the Tournament Director a different format is required to finalise the event. Where necessary, shoot offs will be conducted until a winner has been determined or until such time as the Tournament Director decides. In such a case the competition will recommence where it left off on the following day.

WOMEN'S DOUBLE TRAP

The ISSF Nationals will continue to conduct women's double trap events at the 2015 National Championships. The events are no longer in the Olympic Games however, are included in the 2014 Commonwealth Games. The events future will depend on the number of nominations for the events

POOLS

The Executive approved a scheme for Graded pools at the National Trap Championships. Each Grade in all National events will start with \$500.00 in the pool. **That is \$500 for each grade in each event. To be eligible to win the pool, individuals must enter the pool.** The pool entry will be \$10.00 per event for the Graded pools. This would provide a pool of at least \$510.00 per grade in each event at the National Trap Championships (Pre-Nationals and Deauville events excluded). This ensures the placegetters receive cash for their wins as long as they enter the pools.

Overall pool on the Handicap to have a starting pool of \$2000, this pool is \$20 to enter, this pool to pay out 1 -5

40% 25% 15% 12.5% 7.5%

Nominations are now open for the 2014 A.C.T.A. Presidential Medal

Nominations for this prestigious award are now open and should be forwarded to the Executive Officer no later than October 31, 2014. Nominations received will be placed before the Board for their consideration and decision.

The nomination should address in detail the outstanding contribution of the nominee to the sport from Club to National level. Supporting documentation from the persons Club, Zone and State should detail their contribution at that level.

No correspondence will be entered into regarding any nomination received.

Overall pool on the other events is \$20 to enter no starting amount. Graded High score pool is \$10 to enter no starting amount.

FIELD SHOOTING

The Executive Committee amended the wording relating to SSAA, F&G, FGF participating in "Field events". The wording previously stated these organisation members could only shoot "5 Stand Sporting". This has now been amended to "Sporting" thus allowing these members to shoot "walk through" or novelty sporting events. This still does not allow them to shoot Trap, Skeet or ISSF.

MILITARY STYLED SHOTGUNS

A new rule was introduced under 4.08 (d), 8.08 (d) and 11.02 (h). "The use and carriage of military style shotguns are prohibited on ACTA grounds at all times". The new rule takes immediate effect.

CLAY TARGET SHOOTING NEWS

If you read and access the Clay Target Shooting News on line you can opt out of having the magazine delivered to your address. In this environment this would save on paper therefore contributing to protecting the fragile environment. This would also stop you having to deal with a publication you don't need. The CTSN is available on line in a timely manner, mostly before your normal postal delivery. Just call the National Office, or drop an email to ctsn@claytarget.com.au and we will cancel your delivery. You can open the magazine and save it on your hard drive or Tablet, so you can still accumulate all of the magazines, or you can go to our website where we have them all available for you to read and download.

HAT THROWING

The ACTA Executive discussed a new event, that of hat throwing, a habit in the USA. The executive have ruled hat throwing is not to be conducted at any ACTA events. The practice was in contravention of Rule 501 regarding safety and as such is not to be conducted at any ACTA event.

MEMBERSHIP

Any member who re-joins through the new WEBSITE linked to our database will be eligible to go into a draw for FREE membership the following year. To re-join you will need to confirm all of your details are correct and add an email address if there is not one already in the data-base, go to the pay section and complete the transaction. 20 Winners per Month (October - December) will receive a membership equal to the category they are currently registered for the following year.
