WHITEFLYER TARGETS

TO BE USED AT THIS YEAR'S
VIC & NSW STATE
TRAP CARNIVALS

Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to *White Flyer Targets*.

If you want to see your scores improve, ask your club to throw the world's best, *White Flyer Targets*. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. *White Flyer Targets* help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep *White Flyer Targets* consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

ACTA National Double Barrel Championship 2012 – 995/995

ACTA National Double Barrel Championship 2013 – 1038/1038

More and more clubs are switching to *White Flyer Targets* as their preferred target. Try them and see what all the talk is about and watch your scores improve.

National President's Notes

The effort of our members that were successful in Glasgow has been hailed a success by the administrators of the Games and the Australian International Shooting Limited (AISL). This success I am sure will further assist in funding our sport into the future to earn further success at other Games and events. Congratulations again to all twelve of our members that attended.

There is discussion however on the Commonwealth Games front that the disciplines of women's skeet and women's double trap may be removed due to the limited number of competing nations. I can assure members that I have already had a discussion with the President of Commonwealth Games Shooting expressing our association's desire to include these sports in the Games, and for no shooting disciplines to be removed. Further to this I have also lobbied AISL to speak on our members' behalf for these disciplines to continue. Members will be advised when further information comes available.

I have been asked by several members why I published in the CTSN an article regarding shooter infringements and the discussion regarding going to the police if members are aware of an illegal activity. The reason is that it is no longer acceptable for members to go to a club, zone, State or national executive member and 'download' about an illegal activity that they have become aware of. Then turn around and think to themselves, "I've done my bit – it's up to them now". Wrong. Taking the soft option is no longer acceptable and members are responsible for their own action or inaction. In some instances, by not taking immediate action which could have resulted in stopping an offence taking place, a person may also commit either a civil or criminal offence.

Same when a member believes on reasonable grounds that another member is suffering from a mental illness that may affect their ability to be in possession of a firearm(s). Mandatory reporting is now in place in all States and Territories for everyone that becomes aware of anyone that may cause danger to themselves or another with a firearm – the person MUST inform authorities of their belief and information and the last thing that anyone wants to see is someone hurt themselves or another.

The last is something that is going to affect all of us at some time. The ACTA has an aging population that participate in our sport. Some members have come to an age at which they may no longer be safe to be in possession of firearms on a clay target range. If a committee is of this belief it is better to take the person aside and/or place competition restrictions on them rather than have an accidental discharge, and have injury or worse occur to another competitor, spectator or official. A restriction on one shooter has occurred in one State and as a result everyone breathed a sigh of relief. I can hear the carpark discussion now – however it is something that needs to be brought into the open and members (and committees) shouldn't bury their heads in the sand. If one person is saved from injury (or worse) then this article is worth it.

As I have said numerous times before – everyone's a friend – until something goes wrong. That's when people dive for cover and unless you risk mitigate at all times you may be left out in the cold.

I hope everyone has had a great month competing or shooting!

Stay safe!

Allan Vilcins

Executive Officer's Report

On behalf of all members I wish to commend and congratulate all of our athletes selected for the Commonwealth Games in Glasgow. My information suggests the team as a group were very close and the support of each of those members was an important factor in the success of the Team.

To Laura Coles (Gold Medal Ladies Skeet), Laetisha Scanlan (Gold Medal, Ladies Trap) and Adam Vella (Gold Medal Men's Trap) our congratulations on your Gold medal success. It is one of those moments where we as members can celebrate the success of our members on the International stage. Many Club members who shoot purely for enjoyment can relate to those who have reached one of the pinnacles of the sport. We congratulate all of those "member bodies" including Pistol and Rifle who also had success on the ranges in Glasgow.

The National ISSF Championships will be conducted at the Newcastle Port Macquarie range in January 2015, so the focus of the ISSF community is now on selection for the Olympic team in Rio in 2016. Our athletes success at Commonwealth Games level is no guarantee of success in the future, however looking at all of the athletes who were selected to attend the Commonwealth Games and those who have represented at World Cups and other international events as well as those who were close to selection for the Commonwealth Games and those still coming through the system. The future looks bright for our sport at the 2016 Olympics.

Once again to our team, gold medallists and all involved, Congratulations.

The National Ground is being continually improved with engineers retained to provide a report on drainage required on the ground to channel water from the ground in low lying areas to the current drainage channels. The report is expected in time for works to commence in 2015. The ground will also have added three ball traps to facilitate ball trap competition as well as training facilities for ISSF on the National ground. These traps should be in by years end.

I can confirm that a Stakeholder Group will meet with NSW Firearms in Sydney on 17th September at the Sydney Police Centre. I will attend the meeting as the representative of the ACTA following an invitation from NSW Firearms. This meeting will provide feedback and recommendations to the branch whilst ultimately passing through to NSW Government Ministers. Having a voice in NSW is extremely important for the Association with the National Ground located in Wagga Wagga. We have in the past experienced some frustration at changes to legislation and clarification of legislation in what can be seen as very grey areas. The meeting will also allow first hand clarification of issues relevant to the industry, particularly in respect to ranges, licensing, arms fairs conditions etc. This will also give us a voice in relation to legislation on gun ownership and storage. Having a direct link will ensure our strong relationship with the NSW Firearms Branch will continue to develop for the betterment of the sport.

Overall NSW Skeet Carnival High Gun, Michael Buttigieg. Michael finished the Carnival shooting 342/350.

NSW State Skeet Carnival

AUGUST 2014

This year's tournament saw its return to the National/NSW State grounds in Wagga Wagga. Participation was up by 20% over last year with a total of a 109 entries making this one of the largest NSW Skeet State titles on record.

The tournament was again privileged by the presence of John Shima from the famed Bender Shima Shooting Clinic who generously provided his time to meet and greet the shooters and provide coaching tips over the 3 days of the tournament. Thank you to Wayne Peterson for arranging John's visit and John for his generous offer and I hope you all had an opportunity to catch up with him.

As is the case at this time of the year in Wagga we started our days a little on the cool side.

Friday saw the start of the small gauge events, David O'Sullivan took out the 20 gauge, Matt Fallon from New Zealand duplicated his win from last year in 28 gauge event and Shane Bennett finished the day by winning the 410 title. 14 year old junior Aislin Jones also started to stamp her dominance in the junior division taking all three events along with the ladies and A grade in the 28 gauge event.

Saturday saw a cool start to the Doubles with a frost on the ground. Ben Garraway won the event and was awarded the "Rooke Family Perpetual Trophy". The Handicapper went to Queensland Glenn Walker.

Sunday saw three 99's shoot off for the 100 target NSW State Title, Matt Fallon, Lawrence Rodden and Michael Buttigieg.

Michael Buttigieg from Victoria emerged the ultimate winner and concluded his successful tournament by also winning the tournament High Gun. Michael was also a member of both the two and three member winning teams.

Aislin Jones continued her display of dominance by winning the Junior State Title, Junior High Gun, Ladies High Gun and A Grade High Gun.

NSWCTA would like to thank all their sponsors and everyone who assisted at the carnival: particularly our Shoot Marshall Sue Pim, IT Professional Frank Audiore, State Secretary Kathleen Dawe, Handicapper Alison Harwood, and NSW Handicapper Janene Schiller. Unfortunately our State trap mechanic Fred Rapley was admitted to hospital with Pneumonia the day before the tournament started. Fred has now been released from hospital and is continuing to recover. I would like to also thank those who helped fill Fred's shoes during the tournament and the shooters for understanding the situation.

NSW Clay Target Association looks forward to seeing you all next year at the National shooting grounds in Wagga.

The following is a breakdown of competitors for the carnival: 109 shooters: 53 – NSW, 43 – VIC, 8 – QLD, 2 – WA, 2 – NT, 1 – New Zealand, (15 veterans, 13 ladies and 11 juniors)

The Squire reports from West Wyalong

The fourth Sunday in July could not have been better for the West Wyalong Clay Target Club to be holding the Central Zone Sporting Clays 100 Target Championship although some visitors had to travel through fog before seeing blue sky at West Wyalong.

An enthusiastic group made up of Pat Mulqueeny, Bruce Dent, Graham Duncan, Jason Anderson and Allan Schirmer had been out the previous week and spent time tidying up the grounds so that everything would be in readiness on the day.

They also set two interesting and challenging layouts which would test the experienced shooters but also give the less experienced shooter some encouragement.

The targets thrown and the layouts elicited quite a number of favourable remarks from visiting shooters.

Ron Spedding from Parkes had sent over his specialised "Springing teal" trap and as usual Laurie Redfern had his trap mounted in the back of his ute to throw an overhead target.

Graham Duncan and Jason also loaned traps which were on standby in case of a break down. Thanks guys.

Organisers were thrilled when six squads of visiting and local shooters were marshalled to cycle through the layouts.

As well as being a championship the Central Zone Sporting Clays team to compete at the New South Wales state titles in 2015 was to be chosen following the event.

As the scores came in and were posted on the board it was obvious that Peter Rae 24/25 and Peter Munro 23/25 were shooting very well although they were being hounded by a host of other competitors in the low 20's.

A shoot such as this requires excellent organisation and Clive Foster and Don Turner kept the office absolutely humming and shooters were prompt in scoring and refing making it a trouble free shoot.

Trying clay target shooting for the first time Jordan Hoskinson, from Kikoirra enjoyed his day and it was good to see Geoff and

Pat Brett Schneider have a chat to shooters around the grounds.

As usual, Angie Dent looked after the inner shooter at lunch and again for afternoon tea. Thanks Ang.

At a reasonably early hour Vice President, Jason Anderson called everyone to the club room to announce the results of the shoot.

The Central Zone Sporting Clays Champion for 2014 winning Overall and A Grade was Peter Rae 89/100. Peter Munro 87/100, one of several Wagga visitors shot well to

win AA Grade from Max Kavanagh 85/100. Robert Yeo 88/100 ran second to Peter Rae in A Grade. Young Emilene Munro 86/110 won a shoot off against fellow field and game shooter, and equally as young, Tom McGrath 83/110. Well shot! After a bit of a mix up in the C Grade results Garry Brill and John Rourke have been declared joint winners and Jason Anderson 59/100 was second. Rebecca Wilesmith 61/100 came over from Temora to win the Ladies' section while Bruce Irvine 78/100 was the Veteran winner.

Jason Anderson finished the presentation by thanking everyone and announcing the Central Zone Team as being Peter Rae, Mick Munro for the fourth consecutive year, and Laurie Redfern.

A big thank you to the Kingaroy Clay Target Club and its members for hosting the carnival, with everyone feeling the effects of their fine hospitality with a well-supplied kitchen and bar facilities. The traps were kept full and running with shoot marshals Mal Collins and Clayton Cusack doing a very efficient job.

Also a big thank you to the office staff Rod Woodrow and Julie Allan and Brenda Collins and Wendy Woodrow our extra helpers who kept the board up to date. Looking forward to next year's 2015 shoot at Roma.

Two Day Skeet Shoot

Our Skeet shoot, the weekend of 12th and 13th of July, saw the Broken Hill Gun Clubs Two Skeet Championships being held. There is only one word to describe the weather for the weekend, it was cold. We had 40 shooters compete over the weekend with 18 of them being locals which is great to see, more than we get to our normal monthly shoots. Again the visiting shooter looked after us by their attendance and we thank them all, they all braved the harsh conditions.

Over the years there has been a call, a request, for more targets for the weekend, which I can say this year was the case. I am glad to say, this year over the weekend we would shoot at 250 skeet targets, we made the doubles event a 100tgs, and we also had a mess around on the Tower and yes I am getting close to my 300tgs, maybe next year?

As you can see by the photo's we had around \$3000.00 worth of sashes and shells up for grabs, it was a great display of trophies & sashes, and it

1st B grade Nando Praino 47/50, 2nd John Lemmich 46/50, 1st C grade after a shoot off Luke Argiro 48/54, 2nd Neville Hill 44/51, Ladies Melanie Freeman 43/50, Juniors Jarred Nicholls 40/50.

*Back L-R: Jonathon Palmer, Ron Foster, David Lemmich, Nathan Campbell, Philip Obst, Clay Johnston.
Front Bruce Baker, Benn Baker, Luke Argiro, Kevin Mules*

Benn Baker loading up his and his father shells, won over the weekend

was going to be a good weekend, here are the results:

The first event was a 50 Pair (100tgs) Skeet Doubles event, the sashes for this event were sponsored by us, The Broken Hill Gun Club Inc: OA & 1st AA grade Benn Baker 95/100, 2nd Darryn Nichols 87/100, 1st A grade Kevin Mules 91/100, 2nd Bill Chapman 90/100, 1st B grade Clay Johnston 91/100, 2nd John Lemmich 88/100, 1st C grade Jon Palmer 83/100, 2nd Paul Daly 79/100, Ladies Melanie Jones 85/100, Vets Sim Neoh 85/100 and Juniors Jarred Nicholls 70/100.

The second event was a 50tgt normal skeet, sashes were sponsored again by Broken Hill Bottle & Recycling: OA & 1st AA grade after a short shot off Benn Baker.

58/58, 2nd Nathan Campbell 57/58, 1st A grade Philip Obst 47/50, 2nd Steve Zadow 46/50,

The third event, and the main event for the weekend on Sunday was the 100tgt West Darling Championship, the sashes for this event were sponsored by the Veteran shooters of our club and the sons of the late Ted Southern: OA Bruce Baker 99/100, 1st AA grade a short shot off Benn Baker 105/108, 2nd AA grade Nathan Campbell 102/106, 1st A grade Philip Obst 97/100, 2nd Steve Zadow 91/100, 1st B grade David Lemmich 99/104, 2nd Brian Hoare 96/102, 1st C grade Ron Foster 93/100, 2nd Jarred Nicholls 90/100, Ladies Melanie Freeman 93/100, Veterans Derek Wyllie 93/100.

This shoot was also the selection shoot for the Western Zone Skeet Team to shoot at the SA state carnival next year, and they are: From the top Clay Johnston, Brian Hoare, John Lemmich, Darryn Nicholls, Les Charles, Neville Hill, Reserves Barry Foley, Jarred Nicholls, & Craig Lawrence.

Now for the High Guns, Overall High, sash was sponsored by Brian Hoare Benn Baker 242/150, AA grade Nathan Campbell 234/242, A grade Bruce Baker 233/250, B grade Clay Johnston 229/250, C grade Jon Palmer 210/250.

Thanks must also go to all our valued sponsors and all the other helpers and workers over the weekend, and the ladies in the kitchen who kept us very well feed with some nice warm food all weekend, and who put on a great roast tea Saturday night well done.

VCTA North West Zone Coaching Day

Mildura Clay Target Club – July 12

In line with the VCTA State Coaching program the North West Zone conducted a coaching day in July at the Mildura Clay Target Club.

The Zone decided to run the coaching day in Mildura to give support to our far north-west section, as opposed to the normal central location for these days. Unfortunately the distance of Mildura from other Zone clubs affected the number of students who were able to attend.

Although disappointing that only juniors from the Mildura surrounds took part, the clinic proved very successful. The 13 juniors who attended all agreed that the coaching day was a great success and that they had gained a great deal of information from the coaches.

The Mildura Club would like to thank the VCTA State Coaching Director Gary Hayden who travelled from Noorat to assist on the day, Jim Shepherd (Level 3), Craig Kelly (NWZ Delegate), and Colin Dunn (NWZ President).

Mildura would also like to thank our members for their work in the preparation and for their assistance during the day.

Special thanks to Karen Barnes and Stacey Cullinan for catering.

Just a reminder – Mildura is hosting the North West Zone Carnival on Saturday October 4th and a NWZ Continental shoot on Sunday the 5th. For more information see page 53 of this issue.

We look forward to seeing you.

ACTA Data Base available in September

The much anticipated data base will be available mid-September. Go to our website and follow the link to the data base, login using your ACTA Number and use your Date of Birth as password. You should change your password for added security to something that suits you.

Individual members will then be able to access their personal page with their details on it. You can change your phone number, address, email etc without having to go back to your club secretary.

There will be a payment option as at the 1st November, you can tick the check box to confirm your details and immediately pay by credit card. Your payment will be processed directly to the ACTA. The National Office will then disburse all payments back to the Club, Zone and State (as applicable). You will be able to print a receipt showing your payment. Your grading card sticker will then be sent to you.

Each club secretary will be able to access the shooter's name, club and handicap of any ACTA member for shoot entry

purposes. The handicap section is still manual at this stage however, it has been developed to allow secretaries to enter handicap changes from events. Those scores in the future will be dealt with by the program updating grades as required. The shooter's book will be retained at this stage. The system has a "history", meaning each change is recorded on the system identifying who has made the change and date and time. Requests for changes through the ACTA will still be required through the club or State Secretary as is the current process.

State Secretaries will be able to see details of all state members. As with club secretaries they will only be able to access ACTA number, name, club & handicap.

The data base will be linked through the new website currently under construction. Until then you can only access it through going to the current ACTA website. As soon as the other website is available we will post a note to your personal page informing you of the development.

Swan Hill Classic 2014

Event One Swan Hill Classic 50 Target Handicap 1st Les Comensoli \$500 45/50, 2nd Michael Kadziela \$250 47/52, 3rd Charlie Burns \$150 49/58, 4th Mark Tyson \$100 48/58, 5th Carl Comensoli \$50 48/56

Sunday the 17th August saw the annual Swan Hill Classic with 37 shooters competing in difficult conditions. It was a cold windy Mallee day that got warm at times and then returned to cold with a strong lazy wind. We have had a lot of frosts lately with beautiful days following, however this was not the case on Sunday. The breeze made it a very challenging program. Of course the wind dropped as the second event finished.

Cohuna shooter Les Comensoli off 19 metres took out first place in the 50 target handicap event and won \$500 cash for his good shooting. Moulamein shooter, Wayne Upton once again proved hard to beat and won AA OA in the second event which was a 50 target points score championship with a score of 143/150. Well done to both.

Event Two Swan Hill Classic 50 Target Points Score Championship AA & OA Wayne Upton 143/150, AA 2nd Charlie Burns 140/150, AA 3rd Anthony Costa 139/150, A 1st Les Comensoli 139/150, A 2nd Michael Kadziela 139/153, A 3rd Sean Estcourt 138/153, B 1st Tony Hall 137/150, B 2nd Joseph Costa 124/150, 3rd Frank Massara 122/150, C 1st Luke Tyson 109/150, C 2nd Mark Tyson 105/150, 3rd Tony Siciliano 103/150.

It was especially pleasing for Luke Tyson who won C grade as it was his first win and first sash. Well done.

The Swan Hill Clay Target Club would like to thank the sponsors who made the extent of the trophies possible. Thanks to the Pickering Transport Group, Swan Hill Chemicals and Cutri Packaging.

COBAR SHOOTER WINS MAFEESH MEMORIAL HANDICAP TROPHY

With a field of 146 shooters, and deteriorating cold rainy conditions, Cobar C Grade shooter Thomas McBride managed to outshoot many experienced and talented competitors to win the coveted "Mafeesh Memorial Handicap Trophy", sponsored by the Singleton Family. Goes to show that 'dust kickers' can also be good 'mud runners'! Well done Thomas.

Thomas McBride – Mafeesh Handicap

The Mafeesh Handicap is event 6 on the three day Golden Clay & NSW Jnr Masters Championship programme hosted by Cobar Clay Target Club on 15th, 16th & 17th August. Attached to this event is the popular Calcutta which generates excitement and enthusiasm by spectators and shooters alike, which made it all the sweeter for McBride to win.

Included in the field of competitors was a strong contingent of junior shooters from Farrer Memorial Agricultural High School in Tamworth, all contesting the NSW Junior Masters Championship events.

The most successful of their team was Kai Barlow winning the Points Score event with 92/93 and the Double Barrel event with 197/198, and Brendon Watt winning the Single Barrel with 30/30 and also taking out the Champion of Champions with 149/150. Both these juniors are AA grade shooters and will be a force to be reckoned with in the near future. Competitors from Queensland, Victoria, South Australia and far reaches of NSW travelled for the weekend shooting, all enjoying the warm friendly hospitality for which Cobar Clay Target Club is renowned.

Friday night was chilly for the commencement of competition. Event 1 30T FWD 'Pybar' & 'Endeavor Mine' Night Points Score C'Ship results: O/A was Robert Thompson 171/171, 1st AA Grade Bryan Manns 168/171, 2nd Matt Schiller 144/147; 1st A Grade Geoff Mills 110/111, 2nd Ray Schiller 107/111; 1st B Grade Wes Leedham 89/90, 2nd Robert Alston 93/96; 1st C Grade Thomas McBride 84/90, 2nd Billy Porter 83/90.

The weather on Saturday could only be described as 'good for ducks' not usual for Cobar let me tell you. The rain continued all day, however competitors kitted up in wet weather gear and braved the conditions. The 'big lizzy' fire was a favourite drying spot to 'hang-out' all weekend.

Event 2, 30T FWD 'Cobar PowerHouse' Points Score C'Ship results: O/A Darryn Nicholls 132/132, 1st AA Grade Ben Haig 129/132, 2nd Chris Langridge 116/117; 1st A Grade Angelo Ponne 101/102, 2nd John Hayes 89/90; 1st B Grade John Lewis 102/105, 2nd Anthony Harwood 88/90, 1st C Grade Billy Porter 88/90, 2nd Phil Cleal 86/93. Jnr Encouragement Award went to James Staughton, C Grade.

Event 3 45T FWD 'Sandvik' Medley results: O/A Roger Duthie 75/75, 1st AA Grade Craig Fitzgerald 99/100, 2nd Kyle Walton 98/100; 1st A Grade James Body 73/75, 2nd Will Armstrong 72/75; 1st B Grade Darragh Newton 70/75, 2nd Robert Alston 68/75; 1st C Grade Brad Maxey 69/75, 2nd Billy Porter 67/75.

Event 4 30T FWD 'SH Shooting' Double Barrel C'Ship results: O/A Craig Fitzgerald 202/202, 1st AA Grade Casey Fletcher 201/202, 2nd Kai Barlow 197/198; 1st A Grade Tony Polack 99/100, 2nd Tristan Hunter 57/58; 1st B Grade David Pringle 60/61, 2nd Anthony Harwood

30/31; 1st C Grade Thomas McBride 56/57, 2nd Rhys McKay 55/57. Jnr Encouragement Award went to Tess Lloyd, B Grade.

Sunday dawned cold and bleak with intermittent rain showers. Event 5 30T FWD 'Peak Gold' Single Barrel C'Ship results: O/A Ashley Bolwell 66/66, 1st AA Grade Wayne Hawkins 65/66, 2nd Darryn Nicholls 60/61; 1st A Grade Grant (Hank) Pritchard 31/32, 2nd Cherie Hunter 36/38; 1st B Grade Robert Alston 29/30, 2nd Jim Wright 28/31; 1st C Grade Thomas McBride 27/30, 2nd Henry Blackman 30/34. Jnr Encouragement Award went to Trent Rathbone, C Grade.

Event 6 30T 'Lokaway' Marfeesh Handicap results: 1st Thomas McBride 43/43, 2nd James Body 42/43, 3rd Pete Minhard 41/42, 4th Glen Rathbone 40/41 and 5th Beau Brown 36/37.

Event 7 15PR FWD 'CSA Mine' Double Rise C'Ship results: O/A Craig Fitzgerald 39/40, 1st AA Grade Phil Grainger 37/40, 2nd Ross Collumb 57/60; 1st A Grade Robert Barden 28/30, 2nd Nick Tanner 63/70; 1st B Grade Robert Alston 25/30, 2nd Daniel Thistleton 24/30; 1st C Grade Thomas McBride 26/30, 2nd David Hunter 25/30.

Overall High Gun for the weekend was won by Craig Fitzgerald with 297/303. This was a fitting finale for Craig, as it was his tenth successive year in attendance at the Golden Clay event, and his third O/A Golden Clay.

High Gun Results: AA Grade, Matt Schiller 295/303; A Grade, Andrew Evans 263/285; B Grade, Robert Alston 258/285; C Grade, Billy Porter 255/285; Ladies, Kate Schiller 256/285; Veterans, Ray Welch 270/285; and Junior High Gun, Kai Barlow 272/285.

Craig Fitzgerald wins Golden Clay with club President Bryan Manns

The Cobar Clay Target Club would like to thank all the participants who travelled long distances to attend our 39th Golden Clay Championships, and all our sponsors. Next year marks the 40th Golden Clay and we look forward to a bigger and better weekend hopefully not a rainy one! Be on the lookout for those junior shooters, they will give the open category a run for their money!

WILLIAM SAUL MEMORIAL Kempsey CTC – 19th July

Unfortunately the normally warm and sunny north coast weather let us down for the William Saul Memorial Shoot. It proved to be a cold and windy day.

The shoot consisted of 100 targets Points Score off 15m. However the strong winds added an unintended element of continental to the shoot. Having said that though, all the shooters that I spoke to really enjoyed the conditions as it tested their concentration and shooting ability.

As we are acutely aware, when awaiting our turn to shoot, we are required to stand still, make no noise that might distract the person shooting. But, because of the difficult conditions and the way the targets were flying, members of the squad I was shooting in were unable to suppress laughter and comments from time to time. I realise the purists out there will be horrified to read this but from my point of view the good natured comments added to the day and contributed to a very relaxed, pleasant and fun day's shooting, and isn't that what it is all about.

The Saul family is to be congratulated and thanked for the contribution they make to produce such a successful shoot. Also as usual, our thanks must go to Ted, Robin and family for all the hard work they do to make the monthly Kempsey shoot run so smoothly. Our thanks to shooters who helped fill traps, set up and at the end of the day, pack up. Some of the workers were shooters from visiting clubs and we really appreciate your help.

We enjoyed the company of shooters from Cessnock, Port Macquarie, Coffs Harbour and Dorrigo as well as the pleasure of a grey nomad enjoying some quality time touring the North Coast.

Results:

Overall went to Steve Saul 274/300. A really outstanding result, considering the conditions, well done Steve. 1st AA Grade Clem Cunningham 272/300, 2nd Hank Macinnes 273/309. 1st A Grade, William Saul 247/300, 2nd Johnny Cunningham 251/306. 1st B Grade Steve Hooper 230/300, 2nd Alby Mitchell 226/300. 1st C Grade Liam Pollett 185/300, 2nd Kevin Aitken 178/300.

Don't forget to buy a ticket in the clock raffle, it will be drawn at the two day shoot in September.

Psychological Skills for Shooting

Michael Kruger-Davis

CONFIDENCE

I am currently involved in an Organisational Psychology coaching course for leaders and managers. I have recently started a new job that is a serious promotion on what I have been doing in the past. I no longer have a clinical role and I am now more focused on developing leaders in schools and developing teacher capacity to cope with learning difficulties, behavioural disorders, disabilities, etc.

The basics of sport psychology grew out of work in the organisation psychology field, so there is a logical extension from one area to the other. I have to give a presentation to the Southern Sports Academy next week and the focus will be on recognising and developing self-confidence.

Over the years of writing these articles, I have examined the idea of mental toughness, which is defined as the set of behaviours and beliefs about yourself, your work, your sport, and how you interact. I outlined seven characteristics of mental toughness; being competitive, confident, in control, committed, composed, courageous and consistent.

Within the workplace the characteristics of mental toughness are also important. In this article I want to revisit the concept of confidence.

So what is self-confidence? Patrick Cohn from Peakports defines self-confidence as how firmly you believe in your ability to execute a physical skill or perform a task. Confidence, according to Cohn, comes from a baseline assessment of past performances, training, and preparation. As your competency or skill mastery grows, your confidence becomes proportionally stronger, which is strengthened more with successful training and quality practice.

The following is a list of sources of self confidence. Rank the following from 1 to 10 (adding others if I have missed an important aspect of your own).

- Past successes in your sport
- An effective training program
- Immediate performance
- Positive comments from others
- Supportive people in your life
- Training or quality practice
- Quality coaching
- Optimistic coaching
- Belief in your physical talent
- Your own method or technique
- The quality of your equipment
- Level of your competition
- Warm up routine
- Comfort with the environment
- Mental preparation
- Performance review
- Mental game coaching
- Coping well under pressure
- Good teamwork
- Positive rapport with teammates
- Positive rapport with coach
- Trust in teammates
- Sports diet, hydration, etc
- Fitness level or conditioning
- Other sports you have played
- Weather
- Game plan or strategies

On a separate piece of paper, write down the top 5 sources of confidence that are under your control. Focus on what you can control to boost your confidence. Remember that what people say about your performance is not under your control.

Now that you are able to recognize the sources of confidence then it is also important to be able to recognize when confidence is dwindling. The biggest factor limiting confidence is self-doubt. I have written several articles over the years on self-doubt, and if readers need to revise, then go back over old issues or read "The Inner Game of Golf" by Tim Gallwey, which puts the whole idea of self doubt into perspective. Self-doubt is the opposite of self-confidence and it kills momentum, and stops athletes performing well because they are scared they will fail.

Self-doubt can be developed by a set of unhealthy and irrational beliefs about yourself and life in general. These beliefs include the following:

1. Strict expectations: "I can't make any mistakes if I want to win." What happens here is, is that you try too hard and tense up. You become less fluid and your inability to move and swing the way you should.
2. Negative self labels: "I'm a poor finisher." This focuses your mind on negative judgements about past performances and takes you away from the here and now.
3. Over-generalisations: "I don't do well on this course." Again you are focusing on the past and ignoring what you should be focusing on, which is the present.
4. Perfectionism: I need to be perfect. This is impossible and will lead to the following behaviours that will further undermine your self-confidence:
 - Setting unrealistic goals and strict expectations
 - Dwelling on shortcomings and failures
 - Worrying about past mistakes
 - Being too self-critical
 - Comparing yourself to others
 - Overanalyzing your performance
 - Viewing your performance as either good or bad
 - Measuring your self worth against your sporting success
 - Focusing on future gains instead of playing in the present.

Now that you can recognize the sources of self-confidence and you can identify those irrational beliefs that get in the way and produce self-doubt. There are five steps to seeing yourself as a winner:

Firstly, write down three positive self-labels that positively describe you in your sport, which you can truly believe.

Secondly, post these descriptions on your mirror, fridge, desktop, etc where you can see them every day.

Thirdly, Strive to identify and discard any negative labels that others have given you or that you have made up yourself. Write them on a piece of paper, crumple the paper, and throw it away with authority.

Next, When speaking to others about yourself or your abilities, use the positive self labels you have formulated with confidence. (Avoid deliberate outward displays of cockiness because people who lack confidence will view it as arrogance.)

Finally Goal: feel cocky on the inside while appearing humble on the outside.

By using the previous five steps, identifying the sources of your confidence and recognizing the negatives that get in the way, you will be on the way to being more self-confident which is an important aspect of mental toughness.

2014 Cowra Gold Cup

Day 2 – frost

This number of shooters competing is testament to the local club's commitment to provide top notch facilities coupled with an excellent program of events. The organisation and smooth running of this major shoot keeps drawing a large contingent of top clay target shooters.

Both days of competition started with a frost but developed into beautiful winter days allowing good scores to be posted.

The overall Gold Cup was taken out by Wayne Dunbar from Hay with the score of 399/405 from Charlie Sherry of Sydney scoring 398/405.

The shooters and their families enjoyed the weekend in Cowra, boosting the local economy whilst in town. Particularly enjoying a fine meal on Saturday night at the

Two Day Shooting Carnival

Bundaberg Clay Target Club held its Two Day Shooting Carnival on Sunday the 2nd & 3rd August, with 77 shooters vying for the Under & Over shotgun, Trophies cash & cartridges in cool and light windy conditions. An excellent roll up of Shooters traveled from Sunshine Coast, Gladstone, Rockhampton, Maryborough, Gympie, Central Burnett, Blackall, St James (Vic), Kingaroy, Caboolture, Woods Point (Vic), King Island Tasmania, Atherton, Mackay-Sarina and Bundaberg. It was pleasing to see a good roll up of our own shooters attend.

The shoot got under way with the first shot fired at around 9.15am in fairly cold South Westerly that had arrived overnight much to the shooters distaste. (Friday was hot and calm). The shoot progressed really well with a slight interruption and a small breakdown on Sunday but the shoot still finished reasonably early letting the traveling shooters get on the road before dark. The shoot produced good targets and no arguments. Good shoot was had by all.

SWAN HILL CLAY TARGET CLUB *Side by Side Challenge 2014*

On Sunday the 20th of July the Swan Hill Clay Target Club hosted its monthly shoot comprising of a 50 target side by side challenge made up of 25 double barrel and 25 points score targets. This was shot off 16 metres. At the same time we also conducted a competition for those shooters without side by sides. The second event on the program consisted of 25 points score targets. Twenty shooters battled it out on a lovely Mallee winters day.

Event One Side by Side Challenge: 1st P Akkermans 96/100, 2nd A Costa 95/100, 3rd T Wilkinson 91/108, 4th R McKinnon 84/108; Under & Over: 1st L Wooley 96/100, 2nd K Siciliano 89/100.

S X S Challenge: 2nd Anthony Costa, 3rd Trevor Wilkinson, 4th Ricky McKinnon, 1st Peter Akkermans & Stephen Bates

Event Two 25 Target Points Score: AA & OA W Upton 74/75, 2nd L Wooley 73/75, A 1st L Comensoli 72/75, 2nd C Comensoli 80/91, B 1st G Manuel 65/75, 2nd F Massara 60/75, C 1st M Cox 67/75, 2nd Tony Siciliano 48/75.

Congratulations to Peter Akkermans for shooting so well in the first event closely followed by Anthony Costa, well done. Also to L Wooley for the under and over event and Wayne Upton for the points score event.

Next year it is hoped that Swan Hill and Kerang will run a High Gun over the two side by side programs which are becoming increasingly popular.

Cuizzo's Ramblings

In my last couple of columns I have elaborated upon a number of the things that occurred at this year's Trap Nationals. These included the practical problems we have encountered with the Double Barrel shoot-off over the last few years. As I am deeply concerned that the National Executive may eventually come up with a solution that hindsight might not necessarily view as appropriate or astute (read Handicap Event), I offered my thoughts on what I thought was the best way to move forward with this pivotal event without destroying the historical integrity of it. This month I want to follow that up from other perspectives.

Crystal Ball

For a start I am not absolutely convinced that the "problem" is here to stay. Just because we have seen this event run to around a thousand targets for each of the last three years does not necessarily mean that this will now automatically become the norm. Admittedly we now have a handful of people who look as though they may be able to do this from time to time, but there is no guarantee that all the necessary pieces of the puzzle will continue to defy the odds and all fall into place at the same particular time and point in space. The fact that Murphy's Law has been thwarted thus far does not mean that the rubber band currently restraining it will continue to stretch forever.

Lessons from history

I'm sure that some famous ancient philosopher is credited with devising the correct answer to the age old question of "Why do we study history?" And that answer is "To try to prevent us from repeating our mistakes." The history of ACTA trapshooting is not exempt from this concept. Prior to 1974 the National Double Barrel had ticked along with an average annual winning score of somewhere around 200 and a record high of 370. However that year saw a unique clash of the Titans when the battle between Warren Charlton and Vin Ryan was not settled until 620 targets had been shot. This was possibly due to the fact that both men were by then firmly established as "top shots" and thus calm under pressure and that both had previously won this most prestigious event. Twice before in Warren's case.

Vin Ryan and Warren Charlton – Not just two absolute legends of our sport, but also two of the nicest blokes you'd ever want to meet

Timing is everything

Following this an outcry ensued that Double Barrel shooting had become too easy and the timing of this could not possibly have been worse. Australia had been allocated the World Moving Targets Championships in 1973 and so Olympic Trap shooting had recently become the flavour of the month. A vocal minority were already advocating the demise of Trap Shooting in its historically established form and converting it into a breeding ground for Olympic Trapshooting by merging the rules.

Where angels fear to tread

This eventually culminated in our rules going into a gradual downward spiral and gravitating towards ISSF standards, a travesty which was not corrected until relatively recent times. However the very next year, in 1975, Jimmy

Ellis only needed to shoot 74 targets to win the National Double Barrel. And even the median figure of 200 was not exceeded for another five years until 1980 when the infamous "malfunctioning factory shell" debacle involving Doug Smith and Russell Mark ended at 349. The moral of the story? Knee jerk reactions hardly ever shine under the light of hindsight!

Don't forget the weather

As the National Shoot Marshall, I have obviously had an excellent vantage point for scrutinising this shoot-off over the last few years. And I can assure you that each and every one of the eventual finalists has gotten away with some very scratchy seconds on each occasion. A few extremely minor dimensional shifts could have easily seen us wind up each of these events a long way earlier than we eventually did. And we haven't had a windy day thrown into the mix lately! It would only need some blustery conditions on qualifying day and we could easily get a situation where none of the "usual suspects" even make the cut and the winner could still have some handy loose change left out of his first case of shells.

A similar solution?

Skeet shoot-offs have run into similar problems in recent times and we have had to devise ways to attain more expedient outcomes in certain circumstances. However we have been fortunate in that common sense has prevailed and the implementation of format changes has not been regimentally mandated. A degree of flexibility has been allowed to not just the administrators but even to the competitors themselves who can initiate format changes. This can even occur mid round, by mutual consent if they believe that such changes are not only in everyone's best interests, but also do not detrimentally affect either the equity of that particular event or the historical integrity of the sport in general.

Don't forget equity

In this way we avoid the undesirable situation where a shoot-off containing two seasoned AA shooters and a B grader having a "day out" are forced to shoot doubles at 3, 4 & 5, which would effectively see the grade shooter "hung out to dry". I remain hopeful that any similar format changes that our sport's governing body may envisage for our premier event are implemented in a similarly common sense oriented and flexible manner so that our heritage incurs the least amount of damage in order to attain the required practical objectives. I have always said that the job of the Executive is to provide the Tournament Director and the Shoot Marshall with the necessary "tools" and then allow them to use those tools when and as they may be required for each individual situation on its merits.

In a scathing report that he wrote in the CTSN, then ACTA Executive Director Noel Southey understatedly described Russell Mark as "perplexed" as Doug Smith is delivered the bad news, effectively ending one of the greatest Double Barrel shoot-offs of all time

Depends how you look at it

Looking at it from a different perspective, is the "problem" really a problem? Personally I don't think so. Quite the opposite actually! Clearly at your local Gun Club on a Saturday afternoon an extended Double Barrel shoot-off can have numerous disadvantages, including the financial wellbeing of the club. Creative and expedient solutions are clearly appropriate here. But does the National Double Barrel really need to be finalised on day one before a second slab of bullets is torn open?

Free entertainment

Jimmy Ellis won the National Double Barrel twice. In 1970 local hero John Harris pushed him to a new record score of 370, but in 1975 he only needed to shoot 74 targets to win the event."

cards or go shopping or just plain "go away" and stop raining on our parade.

Nationals Badges

Most years a special badge is struck to commemorate each of the Trap and Skeet Nationals. Recently I was handballed a formidable mission. Locate one particular badge from bygone days. The Skeet Nationals were held in Perth in 1987 for the first time and that's the missing item. If anyone out there has one they can spare or can offer any helpful advice, I would be most appreciative. Please phone me on 0418-516395.

This Month's Trivia Question

Since Jimmy Ellis did it in 1975 only one other person has managed to win the National Double Barrel with a score of less than 100 and that was Larry Dimasi in 1982. Ironically the Runner-Up on both these occasions was the same person. However in between these two inauspicious performances, he also managed to win the event. Name this very famous and colourful character. E-mail your answers to cuzzo@a1.com.au before the 15th of October and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

What's the matter with the shoot-off spilling over to the second or even a third day? Provided Shoot Management has the necessary "tools" to precipitate a result before dark on the third day, I see it as a wonderful annual opportunity. A chance for the "Big Guns" to not only show how good they really are, but to also provide us with a fantastic spectacle in the process. And for those who disagree I say "Don't Look Ethel". Third Round of FIMA Handicap Shield BEGA GUN CLUB - AUGUST 2014

The third round of the Fimac Engineering Handicap Shield was the feature event of the August shoot at Bega Gun Club. Twenty-five hardy souls turned up on a beautiful, crisp, sunny morning, numbers being slightly down due to the two day event at Cowra, which a number of members traditionally attend.

The program opened with a 25 target Double Barrel event shot from a common mark. B Graders, Craig Field and Robert Taylor shot possible as did A Grader, John Siede. After

Fimac Shield sponsor, winner AA DB, 2nd AA PS Shane Platts

a brief shoot off, Craig took B Grade, 31/31 with Robert on 30/31, runner up. John Siede took A Grade, second went to Kevin Hurt with a score of 23/25. In AA grade, Fimac sponsor, Shane Platts shot 24/25 to win from Alf Niesar, 23/25. C grade saw places being decided by shoot-off with Mick Diss taking the winner's trophy 26/28 from Jeff Crowe on 25/28.

Fimac round 3 winner, 2nd 25T DB Robert Taylor

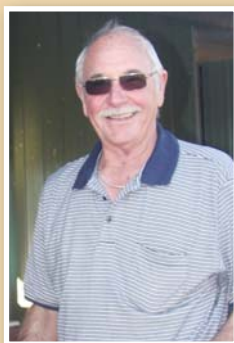

The main event, the Fimac Engineering Handicap Shield, round three, followed and again the scores were close. Robert Taylor and Kevin Hurt both shot possibles and then took a further eight targets before Robert was successful, winning the round with a 33/33 to Kevin's 32/33. New Club member and C grade shooter Gary Way took out third place with a score of 24/25.

The usual fantastic lunch was followed by the final event, a 50 target points score. Cooma shooter and regular visitor, Steve McIntyre, scored 144/150 to win AA Grade, with Shane Platts featuring again in second, with a score of 137/150. In A Grade, veteran, John Siede scored 140/150 to win from Gary Vickers on 136/150. Keith Pearce displayed a high level of skill to take the prize in B Grade 143/150. Bert Deacon collected second place with a total of 138/150. Once again, in C grade, Mick Diss and Jeff Crowe competed for the prize, with Jeff reversing the event one result, winning 126/150 to Mick's 125/150.

With President Phil in Cowra, Shane Platts and Alf Niesar did the honours, thanking all and presenting the prizes. Robert Taylor seemed very pleased to receive the shield for the Fimac and much applause was forthcoming when super oldie, John

CONDITIONS OF ENTRY

NATIONAL ISSF DISCIPLINE CHAMPIONSHIPS

1. Any shooter wanting to compete at the ISSF Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the relevant Club Secretary to enable scores shot to be recorded.
Note: A fee of \$20 will be charged for the issue of any duplicate handicap card.
3. The Tournament shall be conducted in accordance with the ISSF Official Statutes, Rules and Regulations (ISSF Rules) and where applicable, ACTA Shooting Rules (grading, teams etc). Targets to be shot in brackets of 25 for Olympic Trap and ISSF Skeet with squads of 6 shooters where possible. In Double Trap targets to be shot in brackets of 15 Pair (30 targets) with squads of 6 shooters where possible.
4. Pre Nominations to be received by close of business (**Eastern Summer Time**) Monday 5th January 2015. There is a maximum of 126 competitors for ISSF Trap. If pre nominations exceed this number a standby list of 20 will be created and used in case of withdrawals. If any vacancies exist in the program, it will be on a "first in" basis at an additional cost of \$10.00 per event to enter. Nominations at the championships close at 10.00am the day prior to the event if a vacancy exists. Nominations have been reduced, as there is no prize money awarded.
5. Shooters will be squadded as per the ISSF rules and any interpretation of this will be the responsibility of the Tournament Director. Once squadding for an event has been completed, a shooter shall not be entitled to a refund if they withdraw. Withdrawals after nominating and before squadding will be accepted in writing 48 hrs prior to the event.
6. Each shooter is to take enough cartridges to shoot the applicable round.
7. Shooters who fail to appear in time for their squad will be penalised by the **LOSS OF THREE TARGETS**.
8. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
9. All shooters must sign the score sheet after each round. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the score recorded on the sheet.
10. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee/score or line referee must fulfil their obligation to do so or have obtained the service of a suitable replacement that must be ready to take his place at the required time. In the event of the designated persons or their replacement not being ready to take their place at the required time, the person initially designated to fill the specific role may **INCUR A PENALTY AS PRESCRIBED UNDER ISSF RULES**.
11. Setting and adjusting of traps is the sole responsibility of Shoot Management. All shooters, coaches and team officials are prohibited from entering the trap pits after the jury has examined and approved the trap settings.
12. All appeals must be in writing together with a \$20 deposit and lodged with the Tournament Director. The \$20 is refundable if the appeal is upheld by the appointed jury.
13. When team selection is involved, shooters are eligible for section nominated. To be eligible for selection in any team, competitors must have competed in both Commonwealth and National Championships.
14. High Gun awards are determined for each section. To be eligible for the High Gun recognition, competitors must have competed in both programmed events for each respective High Gun. Gold Australia High Gun badges are only awarded when there are 20 or more competitors in a section.
15. Women shooters are eligible for their section only except Double Trap. Junior shooters are eligible for OA or their grade where applicable.
16. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
17. The ISSF Rules will be used to determine the OA placing in all events. ACTA rules will be used to determine grade placing where applicable.
18. Juniors to be under the age of 21 in the year of competition.
19. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
20. The standard of dress required for all competitors is that defined in the ISSF Rules (clothing).
21. **All competitors must comply with Firearms Licensing Laws of the state. (When held in W.A a shooter must obtain a permit to bring a firearm into that state).**

TUMUT CLAY TARGET CLUB Inc

Established 1949

Club located at TUMUT NSW - 6.2km along Wee Jasper Road past Airport & Brungle turnoff

“SNOWY MOUNTAINS TRAP CARNIVAL”

11th & 12th October 2014

Tumut is set amongst beautiful native forests, woodlands and NSW largest softwood plantations. The Snowy Mountains form a magnificent backdrop to the east. Spring is celebration time in Tumut; the river fishing season opens and there is often a little late season snow for sightseeing and playmaking. Nearby attractions – Yarrangobilly Caves, Adelong's Old Gold Mine, Batlow's Apple Orchards, Dog on the Tuckerbox at Gundagai, Talbingo's Blowering Dam, Tumbarumba Vineyards and mega shopping centre's Wagga Wagga and Canberra all make Tumut a springtime destination for shooters & partners. Come, participate, play and stay – enjoy Tumut in the spring.

Tumut's "Snowy Mountains Trap Carnival" is a must for all that take pleasure in shooting / fishing / fun. Utilizing the NSW State DTL Carnival as a warm up the weekend prior, the "Snowy Mountains Trap Carnival" with 22 sashes, 54 slabs shotshells and Gerber merchandise as prizes over 250 targets is a must attend shoot on every trap shooters Spring calendar. With Overall's as well as 1st, 2nd & 3rd in each grade for the Championships, 1st – 10th in the Handicap and High Guns Overall, All Grades & Sections – the opportunity to feature in the winner's circle is awesome. Our ladies are working on a 3 course dinner for Saturday night featuring local game and produce – this will truly round off a great weekend.

Tumut Clay Target Club – specializing in country hospitality – invites you to the 2014 Snowy Mountains Trap Carnival.

MATHOURA SHOOTS IN THE RAIN

Friday the 25th of July and the heavens opened and down came the rain, possibly putting off some shooters from attending the night shoot at the Mathoura Gun Club, but there were still ample competitors to make it a successful nights competition. Fairly uncomfortable for the shooters with quite heavy rain at times, but with a fire outside, the clubhouse heated, and plenty of hot food and drink available, there were very few complaints if any about the shoot.

The first event was a Night ten target Points Score Cash Divide, and two shooters managed a full 30/30 score, being Bill Simpson (Mathoura) and Euroa member Laurie Fitzpatrick, and they both shared the 1st place cash.

Event Two, a 25 target, Victorian North East Zone, Night, Points Score Championship, and without the need for a shoot off all places were decided, shot in the rain, Laurie Fitzpatrick's score of 71/75 was unmatched by any other shooter, earning him the Overall Winners Sash, and 1st place in A Grade. Well shot Laurie! B Grade 1st was won

by Bill Simpson on a score of 59/75, and Mathoura member Tom McClusky, having scored a 51/75, put out his hand for the 1st in C Grade trophy.

The last event was again a Victorian North East Zone Championship, a 15 pair, Night Double Rise, and by this time the rain was reasonably heavy and constant, so good scores were going to be impossible, but to their credit all shooters competed, and after it was shot, Les Comensoli a Cohuna member led the way with a 21/30 result, and that earned him the Overall Winners Sash, and the 1st place in A Grade trophy, and in these conditions, well shot Les! Bill Simpson again put his hand up for 1st in B Grade, having scored an 11/30 result, and local member Peter McClusky shot a very credible score of 18/30, and that earned him 1st place in C Grade.

A real pity about the weather, but at the presentations all shooters declared they had enjoyed the night's competition, and with the shoot running smoothly, even in the bad conditions, the presentations were finished at the early time of 10.30pm, giving travellers an easy drive home.

Woodhouse Wins First Tumut Championship

Wagga Wagga's Ben Woodhouse has been a regular competitor at Tumut Clay Target Club, the last three as a AA grader, but in all that time he has never been an overall winner. That was until the Tumut August shoot when he finally won through, taking the Double Barrel Championship after he defeated fellow club member Rob Yeo. Woodhouse & Yeo were the only shooters to return a perfect 50/50 in the qualifying round.

Woodhouse and Yeo along with Tumut secretary Phil Green were the best in the continental championship, all returning 49/50. The chance to make it two overall's on the same day for Woodhouse disappeared with Green outlasting the Wagga Wagga pair in the shoot off.

As part of Tumut's prize pool, there is always a trophy for the best unplaced Veteran, Lady & Junior if there are 3 or more competitors. August was no exception, with all sections in operation. First time Junior shooter Ben Lonergan took the Junior Trophy. Ben was recently introduced into clay target shooting as part of the Tumut Clubs "Come and Try Clay Target Shooting Day" – a great outcome for Ben and Tumut Club.

Seasoned Veteran Tom Sutton was the best of the unplaced Veterans on 84/100 after a number of his fellow veterans featured in the winner's circle during the afternoon. Junior Lady shooter Amy Smith of Boorowa topped the honours in the "best unplaced awards" at 88/100. Amy was especially pleased with her win in so much as beating fellow club veteran Tom Sutton – well done Amy, we're sure you will give Tom more hidings in the future.

Queensland ISSF Carnival

It was great to see unprecedented numbers across all the ISSF disciplines at our State carnival in July. Team members representing Queensland in Skeet and Trap, including Women's and Junior Trap teams, all shot qualifying scores to represent our State at the 2015 Nationals. Well done to all participants and thanks to the Brisbane Gun Club for hosting this event again this year.

Coaching

Coaching sessions across all four Zones continue to be extremely well attended with those held in recent months being no exception. 35 shooters arrived at Silkwood Clay Target Club over the weekend of 21st & 22nd June to pick up some DTL tips from our State coaching team of Richard Morrison, Daryl Stevens and Bill Allan. Well done to the Silkwood members for conducting this session and the coaches would like to thank Peter and Leanna Robson for their kind hospitality during their visit.

On 19th July the Gold Coast Clay Target Club also played host to 13 shooters interested in improving their skeet scores. State skeet coach Laurie Sceresini enlisted the help of respected veteran Neal Dimmick to assist both new and experienced shooters.

We thank all our coaches for their time and willingness to share their knowledge to assist other shooters and their services are greatly appreciated by all those attending coaching clinics.

Junior Achievements

There is a growing list of junior shooters getting our attention in the results of many major shoots throughout Queensland. Condamine's Steph Pile top scored in the Women's team at the State ISSF Carnival recently with Erin Stewart from Kingaroy also making 1st reserve. At our State Trap Carnival in May two of the four grade High Gun winners were also juniors with Melbourne's Mitchell Iles winning AA and Antony Ballarino from Port Denison taking A grade. At the same carnival Springsure's Tori Powell shot well to qualify for the Ladies postal team and Jackson Willmann from the Gold Coast not only made the State open team but also won the open team High Gun. More recently Jackson won overall High Gun from 158 other shooters at the GCCTC August Carnival. If you have stories of up and coming junior shooters from your club, please submit them to the QCTA so we can share the achievements of our future champions.

VCTA NEZ School Students Championships

It would have been impossible to order a better day weatherwise for the Victorian North East Zone, School Students Championships, held at the Echuca Clay Target Club on Thursday the 14th of August. A clear sunny sky, just the slightest hint of a breeze, and that allowed the 200 plus students to register some really excellent scores.

OA Winner, Laura Woolley

After all the students had shot at twenty targets, in single barrel mode, and without the need for a shoot off, Bendigo Senior Secondary College lass, Laura Woolley, had missed just one target, and as no other student could match that result, Laura's 19/20 made her the Overall winner on the day. Magnificent shooting Laura!

After several shoot offs, including all who had registered an 18/20 score, the final winners and placegetters were all organised. In the Senior Boys, the winner was Murray Parton, a Nathalia Secondary College Student, having

shot a 23/25. 2nd placing went to Kyabram P-12 student Connor Keck. Connor had to shoot a 27/30 to earn his 2nd place. 3rd in the Senior Boys was Braydon Oates of Bendigo South East College with a total score of 43/50.

The Senior Girls winner on the day was Emma McCulloch from Wanganui Park Secondary College Shepparton with 15/20, 2nd place Hayley McCulloch also from Wanganui Park with 14/20, and 3rd placing went to Emily McCluskey from Echuca College with 12/20.

The Junior Boys ended with Seymour College Student Braydon Baker taking 1st placing with a 26/30 result, Rhys McGauran from Galen College Wangaratta shot a 25/30 earning him the 2nd place honour,

Senior Girls: L-R Emily McCluskey, Emma McCulloch, Hayley McCulloch

Junior Girls: L-R Kiara Dean, Mishaila Cox, Matisse Appleby

and Michael Rizzeri from Notre Dame College Shepparton put his hand up for 3rd place with a score of 24/30.

Meshaila Cox who attends the Eaglehawk Secondary College shot a 21/30 and that score earned her the 1st placing in the Junior Girls, Matisse Appleby of the Catholic College in Bendigo collected 2nd place in the Junior Girls with an 18/30 score, and Echuca College's Kiara Dean picked up 3rd place with a 5/20 result.

Galen College Wangaratta was

Winning Zone Team, Galen College Wangaratta: L-R Bryan Green, Rhys McGauren, Brianna Grassi, Marcus Hines, Daniel Hines

Senior Boys: L-R: Connor Keck 2nd, Murray Parton 1st, Brayden Oates 3rd

the proud school taking out the Team category with an impressive 77/100 result. The team members were Bryan Green, Rhys McGauran, Brianna Grassi, Marcus Hines, and Daniel Hines. Congratulations Galen College!

be given, firstly to the Echuca CTC committee for the magnificent condition of the club's facilities and grounds, a thank you for the excellent student behaviour during their stay and also a thank you to the members of the North East Zone and members of the Echuca Clay Target Club who actually ran the shoot. Finally, a thank you to the many schools who participated.

SIDE BY SIDE MEDLEY

On Sunday the 13th July 2014 the Kerang Clay Target Club held its annual side by side shoot.

This annual event considered by some to be the premier event on the Kerang shooting calendar was contested by 35 shooters on a fine and sunny day. Shooters attended from far and wide including Hamilton, Mildura, Robinvale, Bendigo, Morwell, Harcourt, Traralgon, Westmere, Streatham, Lascelles, Moulamein, Swan Hill, and Cohuna. It was good to see a fine selection of side by side guns from yesteryear by makers such as James Purdey and Sons, WW Greener, William Powell, William Cashmore, Cogswell and Harrison, Army and Navy, Beretta, FN, Lucchini and Winchester.

The first event was the Side by Side Double Barrel Championship. Sponsored by Wayne Clapham Firearms and Repairs of Kerang. This 50 Target Double Barrel Championship saw no shooter shoot a possible score due to challenging conditions, however Trevor Ewert using his William Cashmore hammer gun only drop one target and took out the Cham-

pionship with 49/50, followed by Stephen Holdsworth using a Lucchini 2nd place with 49/52 after a shoot off with Peter Akkerman's with his trusty Beretta 3rd 48/52 with Wayne Upton using his newly obtained Winchester model 23 4th 46/50.

First place in the Under and Over section of the First Event was Michael Kadziela with Garry Cowling Second.

The second event was a 30 target Double Barrel Points Score Championship sponsored by Hibbert's Machinery Kerang. This event saw 4 shooters shoot the possible. Cameron Browne was both the overall and AA grade winner with 144/144 Stephen Holdsworth Second with 143/144. Michael Kadziela First in A grade with 114/117 Second Garry Cowling with 94/99. Daryl Ewert First in B grade with 89/90 Second Geoff Manuel 83/90. First in C grade was Glenn Wilkinson 87/90 Second was Wayne Clapham 76/90.

Ladies was won by Toni Hogg and the Veteran's by Geoff Manuel.

The Kerang Clay Target Club look forward to seeing all Side by Side Shooters back in July 2015 for our next annual side by side cham-

pionship event. Which will be in conjunction with the Swan Hill Clay Target Clubs annual side by side championship to be held on the following Sunday in July 2015.

Where a High Gun over the 2 side by side championships will be awarded.

Two Championships shot at Echuca

For their August shoot, the Echuca Clay Target Club held two large target number Championships, one a 20 pair Double Rise, the other a 100 target Points Score, and that total of 140 targets even on a cold miserable day that was threatening to rain, attracted seven full squads of shooters, making it a very successful shoot. The other attractions were excellent trophies, and numerous traps, to keep the shoot running smoothly, and finish at an early time in these winter time short days.

The 20 Pair Double Rise Championship was first on the agenda, and at the completion all places were decided without the need for any shoot off's, the Overall Winner was Echuca's, Craig Fitzgerald, who on this cold, windy, dull day, managed to let just two targets escape, a magnificent result on such a day, Craig also collected the 1st place in AA grade trophy with his 38/40 score. 2nd in AA grade was taken by another Echuca member, Patrick Callandro, who shot a 35/40 score. A grade 1st was Tony Plum 31/40, A 2nd Peter Sing 30/40, B grade 1st was won by the only B grade shooter present, Echuca's Andrew Callandro 28/40, C grade 1st Carl O'Brien 28/40, and C grade 2nd was Joshua Knight on a 25/40 result.

Craig Fitzgerald OA DR

Steve Traill OA PS

Next event was the big one, an 100 target Points Score Championship, and again two Echuca members taking out 1st and 2nd places in AA grade, Steve Traill shot an excellent score of 291/300 making him the Overall Winner, and also 1st in AA grade, and Rhys Eeles with his 287/300 result was not far behind the winner to become 2nd in AA grade, superb shooting by both of these shooters on such a shooter unfriendly day. Shane McCulloch scored a 275/300 to earn the 1st in A grade trophy, Darren Knight his 273 earning him 2nd in A grade, B grade 1st was A Callandro, C grade 1st was collected by C Repacholi on a 246/300 result, C grade 2nd was C O'Brien with a score of 244/300, both these C grade scores are very good considering the days conditions.

The last trophy to be presented was the encouragement award sponsored by Shepparton City Mowers, thanks to Russell Felmingham, and it was Emma McCulloch an Echuca member who received the packets of cartridges.

A well run shoot with a lot of very enthusiastic competitors, all performing well on the day, and even the presentations were all finished by the early time of 4.30pm, giving travellers the chance to arrive home at a respectable time.

WANGARATTA – SKEET AND DTL

Richard Sammon Wins Skeet Doubles

Foggy and cold conditions remained throughout the day at the July Skeet shoot at Wangaratta on Sunday 27 July. Some new faces turned up for the two events held which put pressure on our best local members to compete with.

The first event of a 50 T Championship was won by Benalla shooter and AA grader Gil Farish on 60/62 after a shoot off with A grade competitor Doug McKenzie finishing on 59/62. Richard Sammon took out 2nd place in AA with 56/59. Peter Finn, a very keen Shepparton skeet shooter shot 45/50 winning 2nd place in A grade. It was nice to see Alison Harwood win B grade 82/86 after a shoot off with local shooter Brad Sparling on 81/86. Alison enthusiastically follows the sport of skeet shooting and is a great and generous mentor to younger shooters taking on the sport. C grader Rick Palmer shot 56/59 winning C grade ahead of junior top shot Corey Wilkinson 47/50.

The club then held a 25 pair Skeet doubles event which resulted in Richard Sammon winning overall and first in AA grade with the unbeatable score of 47/50. David Jackel who was off form a little on the day took out 2nd place on 43/50. Again, Doug McKenzie from Melbourne won A grade hitting 45/50, displaying great technique and controlled follow through on all targets. Peter Finn again came in 2nd place behind Doug on 44/50. Peter's son Colin had a nice win in B grade shooting 46/50 ahead of Callum Palmer with another good result of 43/50. In a reverse scenario of the first event, Corey Wilkinson won C grade 41/50 just ahead of Rick Palmer on 40/50.

The overall High Gun winner over the two events was Richard Sammon 95/100 and best Junior shooter was Corey Wilkinson on 88/100.

DTL High Gun to Jason Wilson

Cloudy skies prevailed on Saturday 16 August for the monthly Down The Line shoot at Wangaratta. The three 30 target championship events on offer were well received by the enthusiastic group of local and visiting trap shooters on the day.

Event 1 was a Single Barrel Championship sponsored by Angelo & Wendy Grassi P/L. John Gemmill shot a clean result of 30/30 to win O/All and 1st in AA, with Jason Wilson taking 2nd on 38/39. Veteran trapshooter David Luelf dropped one target winning him A grade and Gordon Twamley, a real all rounder took 2nd place with 32/34. John Hutchison won B grade with a tally of 26/30 ahead of Ern Wemyss 21/30. C grader Bob Foster won a sash shooting 23/30 one target ahead of junior shooter Angus Beck 22/30.

The Points Score event was sponsored by Peter Antonello & family. This was nicely won by AA grade Terry Walls 114/115 with Jason Wilson just behind on 113/115. Tony Plum achieved a win in A grade 86/90 ahead of Phil Woods. Again, John Hutchison performed well to win B on 82/90 with Fred Bienvenu taking 2nd place. Lady top shot Kathleen Wilkins won C grade achieving 78/90 points and Tom McGrath in 2nd place with 72/90.

The final Championship for the day was a double barrel event and

SKEET: L-R: Doug McKenzie, Peter Finn, Gil Farish, Richard Sammon, Corey Wilkinson, Alison Harwood, Brad. Sparling, Colin Finn

resulted in High Gun winner Jason Wilson taking out O/All and AA grade after a shoot off with Max Gribben 129/129 and 128/129 respectively. David Luelf took home another sash in A grade 69/70 with Phil Woods in 2nd place on 46/47. Ern Wemyss won B grade with Fred Bienvenu in 2nd place. Fred's results have improved of late, which has been a real confidence booster for him. Tom McGrath shot 27/30 winning C grade and Bob Foster finished 2nd.

The High Gun trophies for the day were awarded to: O/All Jason Wilson 158/160, Veteran David Luelf 153/160, Junior Ben Antonello 146/150 and Ladies Tina White 135/160.

Our photo taken at the shoot is 15 year old Hayley McCulloch, visiting from Shepparton. Hayley's mother Leona and Hayley's twin sister Emma, both absent on the day, are also keen trap shooters. The family are all members of the Echuca Clay Target Club. Hayley's father, Shane, has been involved in the sport for over 20 years and with his wife Leona enthusiastically support their twins in their chosen sport. Hayley commenced shooting when she was 12 and earlier this month won 2nd place in the Single Barrel event at the Combined District Senior Schools shoot at Echuca. Her sister Emma also achieved great success at this large event by taking out 1st place with a result of 16/20.

More information on clay target shooting can be obtained by contacting Brian Reid ph 57217799.

ACTA NEWS

ACTA ACADEMY SELECTION

The ACTA Academy is a structured program for our elite junior shooters. The ultimate aim is to further develop these athletes in a range of areas so they may achieve at the pinnacle of their chosen discipline.

When selecting talented athletes for further development there are two ways of doing this; taking those athletes that have already risen to the top and identifying those athletes with potential to rise to the top. The ACTA Academy will select athletes in 2014 both ways through achieving automatic qualification from the National Championships and then for the remaining positions through application to the National Coaching Director.

The ACTA Academy will also have a Pathway for athletes striving to join the ACTA Academy in future years.

The ACTA Academy will be announced in October each year after all of the National Events have been completed. Each athlete will need to accept the ACTA Academy terms and conditions prior to announcement.

The ACTA Academy will consist of 12-15 athletes each year, these athletes need to meet their discipline World Championship requirements as a junior the following year – so that they may see out at least

one year as a junior e.g. in the year of competition (2015) be under 21 years hence <20 years 31st Dec 2014.

AUTOMATIC QUALIFICATION for the 2014/2015 ACTA Academy

For the 2014/2015 ACTA Academy squad automatic qualification is by being the athlete with the highest National High Gun Score from their chosen discipline and meeting the age and the grade prerequisites as outlined below.

APPLICATION for entry into the 2014/2015 ACTA Academy

If you believe you are one of Australia's elite or pre-elite juniors and would like to be a part of the ACTA Academy please fill in an application. Applications can be downloaded from the Coaching & Rules section of the ACTA Website.

The application asks for D.O.B, current grade, discipline of choice, results and scores from major championships and events, what coaching camps/clinics you have attended over the years. We also want to know what your goals are for the future and why you should be included in the ACTA Academy.

Applications close September 22nd 2014 and can be forwarded to coach@claytarget.com.au
