# The friendly target...

on the **Environment** and **Pocket!**

Developed after years of extensive research and testing White Flyer has added the **White Flyer Bio** to our product line. Realizing the sensitivity of the issues facing gun club and shooting ranges, it took over 15 years to develop a biodegradable target that would meet the needs of the 21st century. **This biodegradable target shares all the superior flight and breakability characteristics of the Standard White Flyer target and is available in all orange, orange dome, black and all white.** The **White Flyer Bio Targets** are held to the same strict performance requirements as our standard targets and function in both hand set and automatic traps. All White Flyer Bio Targets will biodegrade at least 95% within two years, depending on rainfall or contact with moisture into elements found in nature.

While most competitor's environmental targets come at a higher price, White Flyer offers these targets at significantly lower cost which makes it a win for your club and the environment. A safer alternative to targets made of "coal tar pitch" currently offered by some companies.

Try White Flyer Biodegradable targets, you will not be disappointed.

- NO COMPROMISE IN PERFORMANCE
- AMAZINGLY COMPETITIVE PRICE

## National President's Notes

**14144** – What is so special about this number?

*I must congratulate ACTA shooters that have attended competitions and championships overseas and have succeeded at the highest level.*

**James Willett** – 2014 UT Championships, Lonato, Italy  
– Bronze medal – Junior

**Mitch Iles** – 2014 World Helices (ZZ) – World  
Champion – Open and Junior

**Catherine Skinner** – ISSF World Championships, Granada – Bronze in Women's Trap

**Emma Cox** – ISSF World Championships, Granada – Silver in Women's Double Trap

**Jack Wallace** – ISSF World Championships, Granada – Silver in Junior Men's Trap

*These five representatives are true champions and join other great previous representatives of our sport. All of the ACTA membership and Executive Committee join me in congratulating them and all other competitors who attended these events. Details of some of their achievements are included in this CTSN.*

*I make mention as well of the recent retirement of Mr Russell Mark (OAM) an Olympic Gold and Silver medallist – as well as two World Championship titles, five World Cup titles and numerous other medals and championship wins! Russell has (and will continue to be) a great ambassador for our sport and I look forward to seeing his next achievement in life, that being whatever he puts his mind to. Russell has always made himself available to assist members, clubs, States and the ACTA whenever called on and the members and Executive wish Russell the best in his high performance shooting retirement and hope that he continues to be a regular on the tracks.*

*This month we have established the 'ACTA Members Site' on Facebook which was commenced and is administered by Queensland ACTA member, Angela Gordon. I thank Angela for setting this up and getting it started. The site is in its infancy, however it will be a valuable resource to members as long as it is used correctly in the asking and answering of questions. Please use Facebook to your benefit as it can only help the association grow. I will be answering questions posted by members and if I do not know the answer will find out and get back to the site as soon as practical. Members are reminded that I am always also available to answer questions on email at [president@claytarget.com.au](mailto:president@claytarget.com.au).*

*Last month I had the pleasure of attending the 2014 Commonwealth Carnival in Kingaroy, Queensland, which I am pleased to report was a resounding success. Over 140 competitors, fantastic weather and great trophies combined to make it a memorable event. Thanks must go to the Kingaroy Clay Target Club and the Queensland Police Gun Club that co-hosted the event. Special thanks must be extended to Garry Brown, Scott Prendergast, Brian Muirson, the legendary Wal Durre, and all helpers and volunteers whom couldn't do enough for the shooters that attended. On the Saturday evening I had the pleasure of addressing the crowd that were there on the direction of the ACTA and answered questions from members. It was enlightening as to the thoughts of individuals and several issues will be taken from that session to the Executive Committee with the views of those that attended. I thank everyone for making it an informative and successful information exchange.*

*With the introduction of the online membership renewal system and database, the ACTA is hosting a "Secretaries conference" to be held at the National Office in October. The first of this type of conference within the ACTA, it will bring together all State and Territory Secretaries - providing first hand training in the new online system which they can take back to their associations. Included will be an introduction to the office, systems, staff and grounds. Some of the Secretaries have been involved in the*

ACTA for many years however have never met or been formally introduced to the staff, nor have ever been to the National Ground. This training will be valuable to all clubs as State Secretaries can impart their knowledge of the new system as required in their State.

The Executive Committee several years ago met with sponsors and an initiative was put forward by a sponsor – 13,000 members in 2013, 14,000 members in 2014 and 15,000 members in 2015. This was a great suggestion that was listened to by the Executive Committee of the day that has been utilised to increase ACTA membership and

the future security of the association. And what is special about the number 14144? It is the number of ACTA members as at the time of writing this report (24/9/14). For member information, the previous year's membership numbers were 2011 – 12848, 2012 – 12769 and 2013 - 12988. This latest membership number is a great result for our sport and I thank previous and present members and Executive for achieving this great outcome.

I hope you have all had a great month and good luck in this month's competition.

Stay safe!

*Allan Vilcins*

## Executive Officer's Report

The 2015 ISSF Championships are to be conducted at the picturesque Newcastle - Lake Macquarie Clay Target Club in January. My apologies to the Club for inadvertently referring to it as "Newcastle Port Macquarie Clay Target Club".

I am sure everyone knows of the quality ISSF facilities and the history of the Newcastle Lake Macquarie Clay Target Club in hosting National Championships in the past. We are looking forward to working with the Club to present another quality ISSF Event. On the back of the Gold medal success of Laetisha Scanlan, Laura Coles and Adam Vella at the Commonwealth games and Jack Wallace (Silver), Catherine Skinner (Bronze) and Emma Cox (Silver) at the World Championships in Spain this National event should be closely contested as we approach the next Olympics in 2016 in Rio. The emergence of two young men, James Willett with his 3rd placing in the Junior World Universal Trench Championships and Mitchell Iles with his win in the Overall and Junior ZZ World Championships shows the calibre of young shooters within the ranks of the Association. I am sure these two young men will put themselves forward over the next qualifying period for future World Cup and possibly Olympic selection. They will not have it their own way with

many of the current National Champions back to defend their titles.

The ACTA National Office has been dealing with some major internet issues over the past month including UDP Flooding (see google for a full description). Sufficient to say the flooding caused our internet to virtually shut down, overloaded to a point where it could not function. Our IT consultants along with Telstra took nearly four weeks to get on top of the issue. This flooding caused our data usage to soar whilst reducing our capacity to use on line services. In turn this has delayed our data base and new website implementation for many reasons.

Given the new data base is web based through our website, it was imperative we find a solution before launching. We are confident we are now on top of the situation and the roll out is well underway. In the next magazine we will have screen shots to assist people where required, although following the instructions on the website provides a very easy to follow guide to access the data base. Once in the data base you will end up in "My Page" where your details reside, you will be able to change your details and pay your membership through this system as at the 1st of November.

# Reno Cangiano Memorial ISSF Trench Shoot

Newcastle-Lake Macquarie Clay Target Club

Reno was the Newcastle Lake Macquarie Clay Target Club President, Life member, ISSF Trench stalwart, Committee meeting voice of reason, and all round wonderfully encouraging gentleman that was so highly respected not only in his home club, but throughout the greater shooting community.

With the weather being fickle, it was heartening to see good numbers of shooters register for the Reno Cangiano Memorial ISSF trench 2 day program in July.

But before the program, a memorial plaque was unveiled in honour of Reno by Vice President Kevin Raymond and Reno's son, David Cangiano, followed by a minutes silence to remember what a privilege it was to know Reno.

Vice President Kevin Raymond (left) and David Cangiano (right), Reno's son unveil the plaque

And so it was out to the layouts with the weather pushing through in scuds from the strong southerly, good numbers of shooters braved the elements. With the scores in, it was encouraging to see the grades represented well, and people happy to come off and inside for a cuppa and chat. As is often the case in trench, given its challenge, the red pen for a possible was not required today. But some fine shooting by Teegan McCloy saw her leading the field with a 89/100, closely followed by Glenn Kable on 88/100 and Frank Minici with 86/100 setting the scene for who to watch out for tomorrow.

Michael Coles, Peter Boland, Cesar Diaz, Teegan McCloy, Kevin Raymond, Frank Minici

Day 2 and the weather improved slightly, but the targets didn't slow down to enjoy the sunshine! A few less people and we were into it again, with the scores showing just how easy it is in this discipline to go from thinking you really have it sorted out, to walking off at the end of a round wondering just what really happened then!!

The finals, where it really is a test of concentration, with a miss on the first, and you know there isn't a second barrel, putting a strain on the nerves. In the end, it was local favourite girl, Teegan McCloy coming away with the honours of overall, followed by regular visitor Frank Minici and a young

David Cangiano and Kevin Raymond with OA Winner Teegan McCloy

bloke to keep an eye on Michael Coles was third.

The club would like to thank local character Jack Cunningham for providing and locating the memorial stone, engraving craftsman Dick Chapman for providing the plaque and Fil Petriella from Perazzi Australia for the ceremonial cloth.

# 2014 ACTA National Sporting Clays Championships

**A**ugust 30th and 31st saw the ACTA and the Wagga Gun Club present the 2014 National Sporting Clays Championships at the ACTA National Complex in Wagga Wagga. Shot over four fields and using a total of 28 traps, it was a credit to the organisers and the small dedicated group of Wagga Gun Club members who gave freely of their time for several days leading up to the event and who managed to present a great range of targets for the maximum field of 120 shooters.

As part of this years Championships an Australian team was to be selected for a trip to the World Sporting Clays Championships in South Africa in 2015. Perhaps this had an impact on competitor numbers and for the first time in several years the field was not only filled by the close of pre-nominations there was also an extended reserve list of shooters who were unable to compete.

The Australian Team was decided over the entire weekend by taking the top five high gun scores. All members needed to be registered with the ACTA prior to the competition.

Vivaz targets were used throughout the Championships. Thank you to Winchester Australia for providing the much appreciated ongoing sponsorship including cartridges and a Browning U/O shotgun.

We should also mention, for their generosity, the Wagga Plaster Works for supplying without charge a cherry picker to elevate a couple of traps and the Wagga Field and Game for the loan of two sporting traps. A special thanks to Fred Rapley who acted as trap mechanic over the entire weekend and of course, thank you to Janenne and Kerry for the faultless running of the event office.

Competitors came from all over Australia including shooters from WA (3), SA (11), Qld (8), VIC (47) and NSW (49).

The weather conditions over the entire weekend were perfect, mild temperature with sunny skies and little to no wind. With all of these elements coming together we witnessed some impressive shooting.

## THE HAY GUN CLUB NEWS

### Have a cup of tea with Abbey-Jean

Abbey-Jean Doyle has been kept very busy lately raising money for the NSW Cancer Council. By having a cup of tea with Abbey-Jean and donating \$1.00 all monies are being donated the Cancer Council from the Hay Gun Club.

All the hard work has been done by herself, and she greatly appreciates all the support she has been given by the shooters and the Community of Hay. The Event is a registered NSW Cancer Council Activity.

So far \$370 has been raised for such a great cause.

Abby-Jean is the daughter of Brian and Dianne Doyle (Hay Gun Club) and sister of Dane Doyle, all Hay Club Members. Abby-Jean has just turned 12 herself and is the latest new member of the Club, ready to follow in her parents footsteps

The Hay Gun Club has been very busy with the erection of the new verandah over the front of the Club House and the cementing the floor in the Old Bark Hut BBQ area.

**TOWNSVILLE GUN CLUB**

**JULY 19 & 20 2014**

# **Centenary Shoot**

Townsville Gun Club has been operating continuously since 1914, including the period through both World Wars. The Club has moved many times over the last 100 years, finally settling at its current grounds at Killymoon Creek. The unique mountain back drop and the bush like atmosphere of the grounds supports eight Trap layouts. The grounds and facilities are a fantastic legacy provided by the clubs ancestral members.

This Centenary celebration programme was designed to give shooters a sense that this is not just a normal weekend event. More of everything, more prizes, two state titles and a lot more targets. The organisers and promoters set a programme that was very ambitious, with a full nomination consisting of 320 targets, shot over 7x layouts. The programme included a 50 target state night shoot.

This special event marks 100 years of shooting in Townsville and was also an occasion for past and present members to reunite, get together for a chat and catch up on memories and exchange past stories. All prompted while viewing the memorable photos of yesteryears on a TV slide show.

Guests started to arrive during the preceding week and a significant number of early travellers had moved in giving an indication of the potential numbers. The steady flow of vans and campers increased on Thursday to volumes on Friday and the place started to look like a state carnival.

The committee was starting to have concerns about the size of the programme particularly the night shoot, thinking it could go very late into the night or early hours of Sunday morning.

Shooters travelled from all over Queensland, NSW, Victoria, South Australia and some Tasmanians from Spring Bay who just happened to be in the area.

As always our northern district neighbour's from Normanton, Atherton, Cooktown, Silkwood, Port Denison, Charters Towers and Mackay supported us well.

More travelled from Queensland's Western, Central and Southern clubs, Cloncurry, Central Burnett, Gympie, Tambo, Bundaberg and even Tarawera had representatives on the grounds, in all 170 shooters came from 34 clubs across Eastern Australia.

A cold climatic change of weather hit North Queensland on that Saturday morning with a strong, cold wind blowing straight across the

grounds. Cold for North Queenslanders as it plummeted to 9 degrees with a forecast of lower temperatures on Sunday morning.

The opening ceremony and welcome was conducted by TGC president Wayne Read and the formal opening of the shoot by club Patron Mark Stoneman. The first shots for the day were fired by an honour guard salute with representatives from Silkwood, Burdekin, Mt Isa, the club Patron and a Townsville life member.

*The district representatives that performed the open salute: Peter Robertson Silkwood, Neil Sinclair Townsville & Mt Isa, Barry Edwards Townsville, Wayne Cislowski Burdekin & Ben Beazley*

Formalities over the shoot began: thanks to pre nominations the shoot marshals had the first 7 squads out and shooting just after 9.00am.

The first warm up event of 25 targets cash divide resulted in 34 shooters being in the money.

The second event: 50T Townsville Gun Club Championship resulted in two of the Burdekin's finest shooters, Ray Collinson and Joseph Rossato contesting the overall prize with a long shoot off on Saturday then finally deferring to complete on Sunday morning at 7.30am due to the requirement to keep the events moving.

Over the years the Burdekin Gun Club has produced many excellent shots including Newton Thomas when he was based in Home Hill during the building of the Burdekin Bridge project from 1948 to 1956.

Early on Sunday morning in the bitter cold the final outcome after 51 targets was Joseph Rossato overall with 206/206, 1st AA Ray Collinson 205/206, 2nd AA Joe Caruso 144/145 (Burdekin), 1st A Guiseppe Bonanno 116/117 (Burdekin), 2nd A Annette Vassalini 91/92 (Burdekin), 1st B Keith Green 56/57, 2nd B Ron Snell (Port Denison), 1st C John Kinninmonth 57/58 (Burdekin), 2nd C Mark Stella 48/50, Ladies Michelle Evangeline 56/57 (Tvl), Junior Antony Ballarino (Port Denison), Veteran Graham Rudd 78/79.

It was during this 50 target event on Saturday that one of the trap control boxes burnt out and put one trap out of action. The organisers quickly utilised the practice trap (a recent purchase from Glen Innes) and continued with the shooting. Now with one trap out of action the programme seemed to be overwhelming. TGC doesn't hold a spare trap control box and the nearest available unit was in Ingham at the Herbert River Gun Club 1.5 hours to our north. Maria Bosworth kindly offered to travel back home to get one of their clubs control boxes. An all-round trip of 3 hours and in doing so sacrificing her position in the Ladies High Gun. This is just one indication of the support that the Townsville Gun Club received from our neighbouring clubs thank you Maria and the Herbert River Gun Club.

Due to the delays and a long shoot off, it was at this time that the shoot marshals had to make a change to the order of events. For fairness to all shooters the premier event of the day, the 25 target Tom Comerford handicap, had to be shot next. They advised the office that due to the large

trees and shadows potentially being cast over the grounds later in the day and the disadvantage to the final squads, the handicap would be shot before the medley.

This prestigious and greatly anticipated event honouring one of Townsville's Gun Clubs finest all-round and longest serving members was finally underway. Any shooter would be proud to have his name on Tom's beautiful perpetual trophy that will last another 100 years; along with a good payout it brought out the best in many a fine shot.

Resulting in 10 shooters in the shoot off final results were \$1000 to Neville Sheehan 36/36 (Townsville), \$500 to Joe Davis 35/36 (Charters Towers), \$250 to Alan Bosworth 33/34 (Herbert River).

As the fourth event,

the 45T Medley sponsored by Fulton Hogan started, the shadows were getting very long stretching out over the trap houses making it very hard to see the emerging target. All 8 traps were now in operation but unfortunately the light faded quickly and the event was postponed to restart at 8.30 on Sunday morning. The organisers had to stop the shooting to allow the ladies in the kitchen to serve dinner and have everyone back out on the traps for the night shoot.

Fifth event: Queensland State Title 50T Night Shoot, sponsored by Betta Hire. The predicted cold snap was certainly moving in on the grounds. Once the sun went down it became very chilly and unpleasant dropping to 6 degrees. With only 4 lighting towers available the shoot marshal had to push 98 shooters through the four available layouts. Most of the grades were sorted out very quickly during the 50 target event except for seven AA graders on 50/50 and two C graders 44/50 involved in a shoot off that ran until 11.30pm.

Results were Overall: Ross Cannon 72/72, 1st AA Lance Broom 71/72, 2nd AA Peter Brandt 68/69, 1st A Maurie Costa 50/50, 2nd A Martin Smith 49/50, 1st B Tracey Harker 49/50, 2nd B Rob Draper 48/50, 1st C Mark Stella 56/63, 2nd C Kasie Muller 55/63, Lady Kristin Williams 48/50, Junior Antony Ballarino 49/50, Veteran Graeme Brain 49/50.

Day 2, Sunday 20th: After a good breakfast the pre-mentioned shoot off for the double barrel took place then straight into the second wave of the 45T Medley that had started the evening before. As the sun came up it warmed the grounds but it couldn't have been enough for some shooters, with only three possible scores shot, Greg Reeves, Colin Muller and Geoff Archer had to shoot off plus Ray Collinson and TGC President Wayne Read enjoyed a lengthy shoot off for AA.

Ross Cannon  
QLD Night Champion

Results: Overall Colin Muller 99/100, 1st AA Ray Collinson 149/150, 2nd AA Wayne Read 147/150, 1st A Geoff Archer 98/100, 2nd A Greg Reeves 97/100, 1st B Bob Pack 74/75, 2nd B Glen Reeves 73/75, 1st C Frank Scamello 71/75, 2nd C Bronwyn Wiseman 70/75. Lady Kristin Williams 73/75, Junior Antony Ballarino 73/75, Veteran Terry Marony 98/100.

It was now very clear to the organisers that the programme had to be reduced so Event six the 25T cash divide was incorporated into the first 25 targets of Event seven: 50T DB Points Score Championship sponsored by Winchester Australia. The AA and A grade shooters again dominated and the lower grades sorted themselves very quickly. No possibles scored but four shooters on 149/150, Dave Guy, Joe Caruso, Tony Caruso and the shoot marshal Bruce Murphy shot off for overall.

Results: Overall Tony Caruso (Burd) 206/207, 1st AA Joe Caruso (Burd) 205/207, 2nd AA Bruce Murphy (Tvl) 176/180, 1st A Dave Guy (Ch Towers) 160/162, 2nd A Tim Mitchell (Melb) 199/201, 1st B William

Event 6 was a 25 Target cash divide and 50 shooters received a payout.

Event 8: 50T Queensland DB Points Score Continental Championship. The programme had now caught up and we were into the last event, everything was progressing well and the inclusion of the 8th trap was becoming very noticeable. The TGC wishes to acknowledge the time Neil Sinclair put into getting this second hand trap up and running for the centenary shoot. This event finished with no shoot offs required.

Ron Gough  
QLD Champion

Results: Overall Ron Gough 149/150, 1st AA Joe Davis 148/150, 2nd AA Phillip Scalia 147/150, 1st A Lui Populin 141/150, 2nd A Jim Davis 140/150, 1st B Rob Draper 142/150, 2nd B Peter Robinson, 1st C Maria Bosworth 140/150, 2nd C Bronwyn Wiseman 138/150, Lady Diane Reeves 138/150, Junior Antony Ballarino 141/150, Veteran Graeme Brain 139/150.

Grade High Guns: Overall Bruce Murphy 464/475 (Townsville), AA Ray Collinson and Joseph Rossato 463/475 (Burdekin), A Lui Populin 454/475 (Burdekin), B William

Club Member Rhys Disher stayed at his post all weekend

Bosworth 440/475 (Herbert River), C Bronwyn Wisemann 439/475, Lady Kristin Williams 447/475 (Cooktown), Junior Antony Ballarino 456/475 (Port Denison), Veteran Terry Marony 446/475 (Gold Coast)

Bruce Murphy shoot extremely well considering he was the shoot marshal running the weekend, cooked breakfast each morning (famous deep fried eggs) supported the bar and was hobbled from shooting the night shoot.

These duties may have stopped him from featuring more on the podium but his consistent shooting paid off with his winning the overall High Gun, congratulations Bruce on two jobs (three? we don't really know about the eggs!) well done!

Special thanks must be extended to our sponsors: Fulton Hogan, Halls Firearms, Winchester Australia, Browning, David Vize, Bob Katter, G I Joe's, My Club My Scores, Betta Hire.

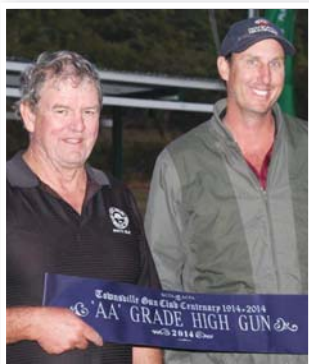

Thanks to our neighbouring clubs, without them these large events can't be staged, Charters Towers for the loan of 2 x Canterbury Traps, Burdekin for an extra voice release set and Herbert River Club, especially Maria Bosworth for volunteering to drive back to Ingham to get a spare Canterbury control box and the members from these clubs that helped out during the shoot. The office staff, the shoot marshals, the kitchen staff and all our Townsville Club committee and members that helped to put this fantastic celebration together.

TGC would also like to thank all the shooters that participated in the shoot, those who travelled great distances to be with us, to the shooters

for accepting graciously the challenges and changes that the TGC had to deal with during the weekend.

There were a lot of comments from shooters about the shoot, the fact that the club had been operating for a hundred years which coincided with the start of World War 1 and we were reminded of that War to end all Wars by our Club member Rhys Disher with his brilliant 1914 display.

Eddie Collins of Atherton, summed it up by commenting to the President: "Wayne we came here to shoot a lot of targets and we did exactly that"

# COACHING NEWS

Monthly I'll be keeping CTSN readers up to date with what is happening with ACTA coach accreditation and ACTA athlete coaching (both juniors and adults). I'll let you know what I've been up to, give you a run down on any camps or courses we have had and keep you up to date with any events coming up.

I've been on the job now part time for 4 months – mostly reviewing coaching manuals, updating other documentation, working on pathways for athletes and coaches, looking at the coaching system in each State, a bit of planning and a bit more planning – basically getting a handle on what needs doing and how best to do it. I've attended a few meetings, and presented at a few coaching accreditation days and been involved in a few coaching camps and clinics. Plans are to run some really productive athlete coaching camps and clinics for both juniors and adults, work with States and Zones in delivering coaching camps, work closely with ACTA Academy athletes and their personal coaches and generally get more coaches and assessors on the ground and the current ones reaccredited or upgraded. I really want coaches to know what opportunities there are for them and athletes (shooters) to know what opportunities they have too. I believe the better our coaches are the better and happier shooters we will produce and the more shooters we will retain.

The CTSN will be one portal for information from me along with the ACTA website coaching section which will present things in greater detail including calendars of when camps and accreditations are on and I also have a Facebook page (ACTA National Coaching Director) where I will update information about camps and clinics and accreditation days.

## COACH ACCREDITATION

We currently have 288 coaches accredited in the ACTA. I have already seen a 5% increase in Coaches and hope to work on a 20% increase by the end of 2015. If you are interested in becoming a coach or upgrading your skills please register your interest with your State Coaching Director or State Secretary.

## HIGHLIGHTS

The ACTA Academy Athlete automatic qualifications and selections to establish who the 2014/2015 juniors are soon to be finalised – I will proudly introduce these elite and pre-elite junior shooters to you in a future CTSN.

In Wagga Wagga on the 1st & 2nd of September I delivered our first ACTA only Competition Coach course for roughly 8 years. A special thank you to Jim Shepherd (Advanced Level Coach) for assessing the participants and helping out with the course, Gary Hayden, Vic Coaching Director and John Sleightholme, NSW Coaching Director for helping coordinate attendees. We had 8 new Competition coaches accredited and 3 current Competition coaches reassessed.

## FUTURE EVENTS

The next time you hear from me I will have done coach accreditations and coaching clinics in Tamworth and Alice Springs and been involved

Coaching Course participants

in a coaching clinic at the Mersey Gun club and attended the NSW ISSF junior coaching camp at Cecil Park.

The Shooting Australia ISSF Youth Nationals will have been held and the inaugural ACTA Academy Camp will have been held straight after.

*Take it one target at a time,  
Cheers Suzy Balogh  
ACTA National Coaching Director*

Russell Mark has decided it is time to retire from the international stage of shooting and will have attended his final world championship in Spain.

Russell commenced his remarkable shooting career at Sebastopol Gun Club in 1977, and competed at the international level for the first time in 1985.

Russell won a gold medal in Double Trap at the 1996 Olympic Games in Atlanta, and he won a silver medal at the 2000 Olympic Games in Sydney. He twice won the World Championship and was twice runner up. In 1991 he became the first Australian to win a Gold Medal at a World Cup. He was the first competitor on earth to win a gold medal at all four of the ISSF's major competitions.

In 2007 the ISSF named Russell Mark as one of their four greatest shotgun shooters of all time joining Kim Rhode, Susan Natrass and Luciano Giovanetti.

In 1997 he was awarded the Order of Australia Medal (OAM) for his services to sport and in 2009 the Australian Clay Target Association inducted him into their Hall of Fame.

Russell will be missed by many shooters around the World, but no doubt will keep in touch with the friends he has made during the decades he has been shooting.

Hopefully Russell will be around the shooting sport for sometime to come with coaching juniors, as he has mentioned in some of his statements of late, and also shooting competition at the local clubs.

The VCTA wishes Russell Mark OAM, the very best in the future in whatever he takes on.

# Annual 4 Day Shoot

The Darwin Clay Target Club held its Annual 4 Day Shoot for 2014 from Thursday 24th to Sunday 27th of July. The shoot was well attended with half of the 68 shooters in attendance travelling from interstate, some from as far away as Hobart. The conditions over the 4 days were almost perfect and were a welcome relief from the cold for those that travelled from down South. For anyone that hasn't been to Darwin in July it is the perfect time of year to visit with temperatures ranging from 22-32 degrees. It's usually only the wind that varies at this time of year.

Day 1 kicked off with the 100 Target Bob Dalglish Memorial Skeet sponsored by Micronised Minerals. Numbers were down a bit for the Skeet with most shooters not arriving in Darwin until late in the day but those that did take part were treated to a great day of shooting with almost no breeze on a bright sunny day. Despite the near perfect conditions there were no possibles scored however Nathan Vale gave it a good crack dropping only one target in each of the four rounds

by John King with 80/100.

The DCTC, through the voluntary efforts of its members and the generosity of several local businesses, recently installed 4 new light poles to light up its shooting grounds. This will enable members to shoot either DTL or Skeet at night with lighting to rival the best shooting grounds in Australia. So, with great excitement, Day 1 concluded with the 50 Target Double Barrel NT Night State Title sponsored by Wildman Land Management, the first event to be shot under the

new lights. Almost everyone agreed that the lighting was as good as anywhere so congratulations to those involved with the new installation, truly a job well done. Craig Patten was the eventual Overall Winner with a score of 69/69 after a shoot off that began with 5 shooters. Nicholas Ferteklis won AA Grade with 63/64 from Stuart Browning, 62/63. Marcus Karlsson took out the A Grade with 70/71 from Phil Scott on 69/71 and got bumped up to AA Grade in the process. John Ward

won B Grade with 47/50 while Greg Harrington was second after another shoot off finishing on 61/65. Wesley Dennison started his last weekend in C Grade with an impressive 49/50 to take the win from Fiona Atkins on 47/50. The Veterans was won by Robert Andrews with 65/66, while Fiona Atkins won the Ladies with 47/50. Jack Hayne also kicked off a good

weekend winning the Juniors on 45/50.

Day 2 arrived with much the same conditions as Day 1, a bright sunny day and not much breeze. Around mid-morning the breeze picked up a bit however making for a few tricky targets for the latter squads in the early events and for everyone in the afternoon event. The first event of the day was a 10 Target Single Barrel Eye Opener sponsored by Lime Hair.

There were 17 lucky shooters splitting the cash with perfect scores.

The second event for the day and Event 1 towards the High Gun Awards was the 50 Target Points Score sponsored by Fishing and Outdoor World. Nicholas Ferteklis came out on top with a near perfect 149/150 to claim the Overall prize. Rachel Fox won the shoot off to decide AA Grade on 160/162, with Victor Ferteklis second on 157/162. Peter Hendy, 152/156, claimed A Grade after another short shoot off with Keith Brown second on 151/156. In B Grade it was an impressive performance from one of our up and coming juniors, Jack Hayne. He continued his good work from the previous night shooting 139/150 to seal the win. Greg Harrington won the shoot off for second in B Grade with 142/156. Wesley Dennison also continued where he left off on Thursday night claiming first in C Grade with 140/150. Matt Brown was second with 131/150. Our Shoot Marshall for the weekend, Tony Bradshaw, won the Veterans with 144/150 while Natalie Pengelly won the Ladies with 129/150 and Daniel Luttig won the Junior prize shooting 126/150.

The final event for Day 2 and the second event towards the High Gun was the 75 Target (25DB, 25SB, 25PS) NT State Champion of Champions shot off 18 metres. The

Tim Atkins OA HG with George Barton from Beretta Australia

event was sponsored by Tropical Lifestyle Homes and won by George Barton with a great score of 123/125 in tricky conditions. Kosta Karpathios claimed the top prize in AA Grade with another great score of 122/125. Michael Veenstra was second after a shoot off with a score of 145/150. Gary Mills, 121/125, won A Grade with Paul Faustmann second on 118/125. Jim Milne won B Grade with 111/125 from Jack Hayne on 109/125. Wesley Dennison continued his winning ways in C Grade with a score of 117/125 while Matt Brown was second shooting 108/125. In the Veterans it was Robert Andrews taking the honours with a good score of 121/125. Rachel Fox was the top lady shooting 117/125 while Daniel Luttig won the Juniors with 95/125.

Day 3 got under way like the other two in near perfect conditions. We had a 10 Target Points Score Eye Opener to get us started. This event was sponsored by NVS Veterinary and we had 18 shooters splitting the cash with possibles.

The third event towards the High Gun was the 50 Target Single Barrel sponsored by In and Outboard Marine. There were no perfect scores but Marcus Karlsson came close shooting 49/50 to take the overall honours continuing his good form from Thursday night. Apparently the

Nathan Vale winner of the Bob Dalglish Memorial Skeet

to take out the Overall with 96/100. Phil Scott took out the AA Grade with 93/100 while Garry Jennings got a successful weekend off to a good start winning the A Grade with 83/100. Peter Hendy, 93/104, won B Grade from John Ward after a short shoot off and Tim Aktins used 3 different guns to take out the C Grade with 86/100. The Veterans was won

boost to AA Grade has done him no harm. Pat Coogan shot 65/67 to win AA Grade in a shoot off with Casey Spanner who finished on 64/67. Paul Bonusiak won A Grade shooting 47/50 and Phil Scott was second with 44/50. B Grade was decided via another shoot off and was won by Jim Milne, 46/53 from John Ward, 45/53. Wesley Dennison won C Grade with another good effort shooting 44/50. Another of our up and coming Juniors, Daniel Luttig, claimed second shooting 43/50. Robert Andrews had another win in the Veterans with a score of 46/50. Rachel Fox won the Ladies shooting 43/50 and Jack Hayne won the Juniors with 40/50.

Day 3 continued in the afternoon with the 50 Target Double Barrel Club Break Challenge sponsored by McDonalds. This year McDonalds sponsored the \$3000 cash bonus for anyone breaking our club Long Break Record of 282 in this event. We had 6 shooters with the possible to get the shoot off started. By the 66th target we were down to two shooters leaving George Barton and Gary Jennings to fight it out. Unfortunately the record remained intact for another year but no doubt both shooters had it in the back of their minds as they easily went past 150. George Barton was the eventual winner with 165/165. Gary Jennings claimed AA Grade, 164/165 from Eric Parletta, 62/63.

Paul Bonusiak won A Grade with a possible, 50/50. Elio Maria-nello won a shoot off for second in A Grade finishing on 66/67. Jack Hayne continued his good weekend winning B Grade after a short shoot off on 50/51 from John

Ward 49/51. Wesley Dennison also claimed another win taking out C Grade with 49/50. Fiona Atkins won her first ever shoot off to seal second place with 71/73. Dave Howe showed the "old boys" how to do it winning the Veterans in a shoot off on 83/84. Rachel Fox, 50/50, won the Ladies and Daniel Luttig won the Juniors, 48/50.

With the shooting finished for Day 3 it was time for a refreshing drink and a feed. It was also time for the Calcutta Auction with every shooter on sale. It was an entertaining night with a final tally of just over \$8000 in the prize pool for the last event of the weekend.

Day 4 started like the other 3, nice and sunny and not too hot although the light breeze made the Double Rise a little bit trickier than it already is. We got under way with a 15 Target Medley Eye Opener (5DB, 5SB, 5PS) sponsored by Frontier Carpets and Vinyl. There weren't so many possibles with only 12 this time around which may have been due to Saturday night's festivities.

Event 5 towards the High Gun was the 25 Pair Double Rise sponsored by Acacia Electrical. As mentioned the light breeze made for some interesting targets and this was evidenced with nobody scoring a possible. A 5 pair shoot off was required to decide the OA and AA winners with 3 shooters returning scores of 44/50. Gary Jennings came out on top with a score of 52/60. Tim Atkins took out AA Grade with 51/60 from Tony Papandonakis on 50/60. Shoot Marshall Tony Bradshaw won A Grade, 43/50 from Phil Scott, 42/50. John Ward was first in B Grade shooting 41/50 with

The next event, Event 6, was the 25 Target Handicap sponsored by Parap Family Dental. There were 9 shooters with a clean slate to get the shoot off underway. The shoot off for 1st, 2nd and 3rd didn't last

too long with Tim Atkins the victor shooting 31/31. 2nd place went to Gary Jennings, 30/31 and Gary Mills was 3rd with 28/29. Paul Faustmann and Nathan Vale contested a further shoot off to decide 4th and 5th. Paul took 4th on 41/42 while Nathan was 5th with 40/42.

The 7th and final event towards the High Gun was the 50 Target Double Barrel Calcutta sponsored by The Big Mower. This event was shot from graded metreage (C 15,

## Ironman Championship

A gruelling 60 target Ironman Championship event held at Echuca Clay Target Club on Sunday the 14th of September could not have been shot in better weather conditions, a clear sunny day of 22 degrees with virtually no wind at all was a recipe for good scores, and that was what ensued, with

Coleambally member, Peter Ledwidge, losing just two points out of a possible 80.

With a mixture of Ball Trap, Double Rise, Handicap, Single Barrel, Points, and Double Barrel shooting, Peter Ledwidge's unmatched 78/80 score made him the Overall Ironman Winner, also taking the 1st in A Grade trophy, magnificent shooting Peter! Echuca's, Casey Fletcher, lost just one point more, and his score of 77/80 earned him 1st place in AA Grade. Again, excellent shooting Casey!

Peter Ledwidge OA Ironman

The second event was a 20 target, Deauville Doubles Championship, and shooters were drawn to make up their pairs, and as luck would have it the winning shooters happened to be father and son. Echuca's Glen Rathbone and 12 year old son Trent shot their 20 pair of targets, as did several others, and then went on to shoot another 28 pair to claim the Overall Winner Sashes with their unbeaten 48/48 score. What a proud win for father and son. Congratulations Glen & Trent! The last pair to drop out of the shoot off were Bendigo's Adam Moroni, and Deniliquin's Rob Collicoat, and their 47/48 score earned them 2nd place overall.

Casey Fletcher AA Ironman

The final event was a 20 pair Double Rise Championship, and without the need for a shoot off, Echuca's, Craig Fitzgerald score of 38/40 was enough to earn him the Overall Winners Sash, and 1st place in AA Grade. Another Echuca member Rob Viney collected 2nd in AA Grade with a score of 36/40. A Grade 1st went to A Evans 37/40, A 2nd to G Rathbone 36/40, B 1st was P Watkins 26/40, C Grade 1st was claimed by Trent Rathbone 32/40, and 2nd place by Emily McCluskey 27/40.

Craig Fitzgerald OA DR

Other placing's in the Ironman Championship were, 2nd in AA Grade C Fitzgerald 76/80, 2nd in A Grade Mick Keirl 76/80, 1st in B Grade P Watkins 67/80, 1st in C Grade E McCluskey 65/80, 2nd in C Grade R Avery 59/80.

The very popular shoot attracted eight full squads of shooters who all enjoyed the magnificent condition of the Echuca club's grounds, and even though there were 120 targets to shoot, the smooth running of the day's events were such that even the presentations were all finished by the early time of 4.30pm.

## DARWIN CLAY TARGET CLUB Annual 4 Day Shoot

*Continued from Page 13*

B 16, A 17, AA 18) and we had 8 very happy purchasers from the Calcutta Auction the night before with each taking a cut of the pool. Nobody was happier than Jack Hayne's mum Michelle. Michelle bought Jack in Saturday night's auction for \$90 and got quite a good return on her investment.

Wesley Dennison, promoted overnight to B Grade (yes we finally got him!!!), was the Overall winner after a lengthy shoot off with Paul Faustmann. Wes shot 104/104 with Paul one back on 103/104, very nice shooting gents. AA Grade was won by Michael Veenstra, 97/98, with Eric Parletta second shooting 68/69. Paul Faustmann's shoot off score ensured a win in A Grade with Daniel Cox second on 81/82. B Grade was taken out by Jack Hayne, 50/50, from Jim Milne, 47/50. Daniel Luttig claimed C Grade with 50/53 from Matt Brown, 49/53. Tony Bradshaw was victorious in the Veterans with 54/55 and Natalie Pengelly won the Ladies with 49/55.

With the last of the events complete it was time to tally up the High Guns. It was getting late so thankfully we only needed one shoot off to finalise everything and that was in the AA Grade where Gary Jennings just pipped Kosta Karpathios. Tim Atkins took out top honours for the weekend winning the Overall High Gun award. The High Gun winners, scores and sponsors were:

O/A Tim Atkins 476/500 Baretta Australia, AA Gary Jennings 501/526 Humpty Doo Mangoes, A Tony Bradshaw 460/500 NAK Plumbing, B Jack Hayne, 446/500 Solar Hart, C Wesley Dennison 458/500 Jayro Helicopters,

Juniors Daniel Luttig 413/500 NAK Plumbing, Veterans Robert Andrews 469/500 Arnhem Irrigation, Ladies Rachel Fox 443/500 Scott Jones Excavator Hire.

Congratulations to all of the High Gun winners and congratulations to all of the individual event winners over the 4 days of competition. A massive thankyou to all of our awesome sponsors, your support of the Darwin Clay Target Club and this annual event is greatly appreciated and without it we would not be able to host an event of this type.

Thankyou to everyone that attended the shoot and thankyou to everyone that travelled to be with us for the weekend, especially those that travelled from interstate. We hope that you had a great weekend and also hope that you will be back next year. If you had a great time please spread the word when you get home as we would love to see even more of you here next year. Don't forget that July is a great time of year to be in Darwin so for all you Southerners that need a break from the winter chill please come and visit us. Why not stay an extra week and catch the Darwin Cup Carnival while you are here.

If you are ever in Darwin at any other time we hold practice every Wednesday afternoon from 5.00pm and we have a regular club competition shoot every second Sunday. To view our current program and to keep up to date with the latest news and events at the Darwin Clay Target Club visit our website [www.darwin-claytargetclub.com.au](http://www.darwin-claytargetclub.com.au) or "like" us on Facebook [www.facebook.com/DarwinClayTargetClub](http://www.facebook.com/DarwinClayTargetClub).

See you all next year!!!

# Psychological Skills for Shooting

Michael Kruger-Davis

## COACHING THE COACH

Last month I was invited by the National Coaching Director, Suzie Balogh to run a session for coaches on the psychological skills as a component of their coaching accreditation. As a teacher, I always tried to be well prepared, unfortunately, in this instance, things just didn't happen the way they should have, and I was unable to show any of the slides or videos and instead had to resort to a lecture session. So for the coaches benefit and everyone else reading this, I will go through some of the presentation, in this article.

**Goal setting:** This is probably the most important and the most poorly done section of coaching. Having a vision of what you want to achieve and goals to achieve that vision, will provide the foundations of success. However, the goals have to be SMART. Specific, Measurable, Achievable, Realistic and Time focused. If your goals fit into these categories, then you can set your goals to drive the motivation you need to reach the outcomes you want. It also allows you to gauge your performance against an external and measurable set of criteria. Goal setting is not just about achieving your 'best' but can also be used for minute and specific things such as a practise session, returning from injury or a coaching session. You may set a goal to improve one aspect of your shooting, or learn a new technique.

**Skills audit:** A coach should be able to assist the athlete in completing a skills audit. It is important that when we enter into a coaching program we (the athlete and the coach) have a clear idea of what the shooter can do well, what shooter needs to improve and what the shooter needs to learn. This skills audit needs to be generalised across physical, technical and mental skills. The following list is a guide only and individuals need to determine what their specific needs are.

Physical skills	Technical Skills	Mental skills
strength	stance	Goal setting
speed	Gun hold	concentration
stamina	Hold points	relaxation
Endurance	Where to look	attention
	Pre-shot routine	visualisation
		Mental rehearsal

### Motivation

Having a vision of what you want to achieve, the goals and specific skills to achieve that vision it is important to now look at your motivation. Motivation is the step of putting the individual components, skills, and knowledge together to achieve the outcome. When you have achieved your vision, change it and work towards something greater, or re-evaluate and set more achievable or realistic steps, and start the process again.

Vision	Goals	Skills	Plan	Evaluation
What you want to achieve	The steps to help you achieve your vision	The physical, technical and mental skills	How you will achieve your vision	How you will know you have achieved your vision or met your goals

It is here that the coach needs to stress to the shooter that what you are now doing is a process. This will also guide your motivation. To improve in your skills and abilities you need to be focused on the process and not the product. If you are process or task orientated you will grow, improve and see shooting as a sport you enjoy and are happy to do, regardless of the outcome. If you are product or ego orientated you will be focusing on what you can win, earn, or the prestige.

### Shooting in the past / present / future.

To perform well at any sport and especially shooting, it is essential you stay focused in the present. If you think of the past you will:

- think of past failures
- thinks of mistakes
- make judgements about previous performances
- make judgements about yourself based on past performances
- develop beliefs that you are a failure
- If you move your thinking to the future, ie winning the event, the high gun, how much money you will win, etc, you will
- develop anxieties about uncertainty
- develop fear about failing
- develop worries about letting yourself and other down
- lose focus of the task and the process
- worry about the outcome

To stay focused on the present and keep your thinking in the here and now,

- breathe and focus on your breathing
- focus on something happening to you at the moment
- focus on the process not the product

# World Universal Trench Championships

## LONATO, ITALY

A total of 10 individual shooters from Australia made the long haul with some support crew (parents, grandparents, coaches, friends, wives) to Lonato in Italy to compete in the 32nd FITASC World Championships in Universal Trench Shooting. Shooters to make the journey representing Field & Game Federation Australia (the Australian affiliate to FITASC) were: Jeff Tonna, Mitch Iles (with grandfather Bill), Craig Henwood, Taylah-Jane Turner, Kelly Coogan, Lachlan Holdsworth (with Mum Jenny & Dad Andrew), James Willett (with coach Graeme), Steve Trembath (with wife Megan) & Colin and Clint Kneebone.

We all took different routes to the event but all met up at the team hotel "Hotel City" in Desenzano. A nice clean tidy hotel which was comfortable enough for our stay (apart from one room having a shower that required a tight squeeze for its 2 occupants).

The event was being held at the "Trap Concaverde" range in Lonato. For those not familiar with the range it is regarded as one of the best in the world and known as the "home of shooting". Being close to all the major gun & ammunition manufacturers in Northern Italy it boasts 12 Trench layouts! All layouts are linked to the main computer in the control room where you can see live scores being shot on every range! It is quite spectacular with a 5 star restaurant and gun shop to match. All the major companies were on the grounds to service their products.

The range was open for Universal Trench practice from Monday to Friday and a few who turned up early enough took full advantage of this trying out all of the different ammunition that was on offer and of course valuable time getting accustomed to shooting into a huge dark green wall some 80m from the layout that is used to catch all of the lead shot. Not only is this a good idea for reclaiming the lead shot it also works as a great background and a sound buffer for neighbours. The range is open EVERY day of the year except Christmas Day.

Thursday night was an official team dinner for all to get together have a feed and a wine and get to know each other over a few laughs. A great night where we all

reluctantly left as the restaurant was closing.

Friday rolled along and the weather hadn't been the best during the week, low 20's and a bit breezy with a huge thunder storm and heavy rain on the Thursday night. Everyone was relatively happy with how they were shooting so we all got dressed in our team uniforms (proudly supplied by Shane Pinner) and awaited the opening ceremony to commence.

*Aussie Team at opening ceremony*

The opening ceremony was held at the range with a huge crowd in attendance to watch. This was the first time Australia had ever entered an official team to the event in its 32 year history and this was made mention of by the president of FITASC. We were all made very welcome. All 15 teams marched out one by one to the tune of their National Anthem and as it was in alphabetical order the Aussies were the first ones to march. A great time had by all and you could not wipe the smiles off

all team members faces especially the younger ones in the team. An early night was needed as competition would commence at 8am each day and finish at 7pm. Big days at the range as there were 504 entries!!

Saturday was comp day and the skies turned dark and cold and windy.

Heavy rain greeted the shooters and kept scores low for the first 3 rounds. The last round the sun broke thru which made the light very difficult for shooters shooting in the later squads with the shadows coming across. Day 1 scores were as follows James 95, Steve 94, Craig 91, Jeff 90, Lachlan 86, Mitch 85, Clint 84, Kelly 81, Col 77 & Taylah 74

*Control Room with electronic scoring at Lonato Range*

but James was the shining light in a shoot off for the silver medal in the Junior section and finishing a very credible 18th overall.

At 7:15pm they called James to the layout to shoot off with Dorian Oblet from France for the Silver & Bronze Medal. A full round of 25 Tgts to be shot at Double Barrel, if scores were tied they would continue on Single Barrel miss and

out. The French shooter started nervously missing his first target giving James a bit of a buffer but with the targets hard to see out of the hole this put the nerves back on James who missed his 3rd and 4th targets and another at target 7. To his credit James re-grouped and changed his timing to adapt to the tough light conditions and smoked the rest for a 22. Oblet from France felt the heat and missed 2 targets late to let James back in. All the Aussies were cheering James on some too nervous to look!!!

*Junior shooter Lachlan Holdsworth*

James not only was right up there with the Juniors he was actually sitting in the top 6 overall with Steve not far behind!!! A great effort on day 1. Early nights in bed were needed as the majority of us all had early squads in the morning.

Sunday dawned and the skies were a little kinder, a bit warmer and slightly overcast but much better conditions to shoot in. At the end of the 200 Tgts all Aussies shot well

A quick re-load of the pockets for more shells and on to single barrel sudden death!!! Now we

# 2014 FITASC World Helices (ZZ) Championships

The 23rd FITASC World Helices (ZZ's) Championships were held in Bologna, Italy on Saturday 6th & Sunday 7th of September, 2014 with the Grand Prix of Italy being held as a warm up event on Friday the 5th.

As these championships were only 2 weeks after the World Universal Trench Championships a small group of shooters in Bill Iles, Mitch Iles & Colin Kneebone stayed back to compete in them.

*Trophies on offer*

## World Universal Trench Championships LONATO, ITALY

*James Willett Bronze Medal & trophy*

were all biting our nails!! The French shooter had the upper hand shooting first and hit his first target as did James. Unfortunately for James he drew a straight bird on target 2 into the sun and missed it leaving him as the Bronze medal winner. An unbelievable achievement considering the amount of UT he and the rest of the squad have shot at!!

Full results for the Aussies were: James Willett 189/200 3rd in Juniors (18th overall), Mitch Iles 177/200 15th in Juniors, Lachlan Holdsworth 171/200 23rd in Juniors, Craig Henwood 185/200 51st overall, Steve Trembath 184/200 62nd overall, Jeff Tonna 180/200 101st overall, Clint Kneebone 159/200 355th overall, Kelly Coogan 168/200 9th in Ladies, Taylah-Jane Turner 152/200 24th in Ladies, Col Kneebone 148/200 35th in Veterans.

A great effort by everyone!

Presentations were then held and how great it was to have an Aussie on the podium with the Aussie flag flying high!! Well done James you truly deserve it and we are all proud of your efforts. All shooters represented their country with pride. The senior team finished a credible 7th only a few targets off the pace of a medal but not a bad effort for our first appearance. All shooters will be much better for the experience especially the Junior shooters.

That concluded the event and as some departed home for Australia others took advantage to see the sights of Italy for a couple of days while some stayed on to shoot other upcoming events. A great time was had by all and everyone got along so well which was a huge advantage as with no team manager as such all Aussies looked out for each other making it an enjoyable week.

Some big thank you's are needed to make this all happen; Perazzi Australia, Pinnars Refrigeration, Blair Signorotto, Corporate Shooting Stars, The Cupping Room, Clover Designs, Arms & Ammo, Nillumbik Cellars and Paul & Claire Watts.

Next years FITASC Universal Trench World Championships are to be held in Granada, Spain and we again plan to run a series to select a team. Dates to put in your diaries are: Cecil Park CTC (Feb 21 & 22), Melbourne GC (Apr 11 & 12) International GC (May 2 & 3) & Melbourne Gun Club (May 30 & 31). For more info follow us on facebook "Universal Trench Australia". We hope to see you at our shoots!

**Craig Henwood**

A few 12 Tgt "warm up" events were held which gave everyone a taste of what was to come. Young Mitch was the stand out right from the word go placing in all events he competed in. The top Italian ZZ Shooter actually asked to have his photo taken with Mitch. Everyone's scores improved each day and all were keen and ready for the main competition days.

Friday 5th of September was the first of the major competitions The Grand Prix of Italy. 20 Tgts shot at in the one day. The event was won by Roberto Prioetti of Italy with a score of 19/20 and a short shoot off. Of the Aussies Bill shot a 17 to be the top score to finish in 20th place in Open and 4th place in Super Veterans. Mitch shot 15 & Col 11. All shooters ready for the big one to be held on the Saturday and Sunday.

*Mitchell Iles*

225 shooters had entered the World Championship and weather over the 2 days was warm and Sunny. Shooting over 5 layouts in brackets of 10 (2 birds shot on layout one then move to the next layout and shoot 2 more and so on). As per FITASC Rules a maximum of 28gram loads are to be used no larger than size 6 shot. 20 Targets were to be shot each day to make 40 in total.

At the end of the 40 Tgts Mitch Iles was on top of the leader board with 3 others on a very good score of 38 out of 40 to be in a shoot off. The shoot off was ran the best of 10 targets. After one bracket Mitch Iles was declared the 2015 World Champion with a score of 38/40 + 9/10. A fantastic effort made even more remarkable that Mitch is only 15!! As such he also was crowned World Junior Champion!!!

It was hard to tell who had the bigger smile on their face, Mitch or proud grandfather Bill!!!! Not to be outdone Bill also had a good finish to record a 32/40 and finish 4th in Super Veterans just 1 target behind 3rd place. Great shooting Bill

Presentations were then held and the Aussie Flag was flown high as Mitch was on the highest step of the podium. A proud moment for all and a very deserving winner.

Congratulations Mitchell.

# NW Zone-VCTA/WINCHESTER School Students Championship – 2014

The 2014 North West Zone School Students competition was hosted by the Cohuna Clay Target Club on August 21st.

The weather conditions were perfect for the eighty-three students who contested the 20 target Single Barrel event, over two 10 target brackets. In total sixteen schools were represented and thirteen teams took part in the club team section.

After completion of the second round, Daniel Mills from Mildura Secondary College was declared the overall winner. Daniel was the only student to score the 20/20 possible and was presented with the Overall Winner's Sash by North West Zone President, Colin Dunn, unfortunately there were no Winchester representatives present.

The Senior Boys section was won by Ryan Neilson from St Arnaud shooting 18/20, Tom Bertalli (17/20) also from St Arnaud came in second and Josh Gowers from Red Cliffs finished in third place after a shoot-off, shooting 24/30.

The winner of the Senior Girls was won by Megan Barnes from Red Cliffs (15/20). Megan also took out this category in 2013. Second place went to Bethany Hayden from Trinity College (13/20) and Stephanie Peatling from Cohuna came third.

The Junior Boys section was won by Andrew Bottcher from Cohuna with

a score of 17/20. Jack Cullinan from Coomealla shot 16/20 to take second place and Bailey Hamilton from Red Cliffs placed third.

In the Junior Girls section, Madison Decker from St Arnaud, after a shoot-off, shot 18/30 to place first. Breanna Pearce from Red Cliffs came second with a score of 16/30 and Kadesha Tate from Cohuna came third.

The winning schools team for 2014 was Mildura, with a total score of 72/100. St Arnaud came in a close second with a single target difference, shooting 71/72. The Mildura team members were Timothy Box, Tim Chapman, Trent Gebhart, Michael Kadziela and Daniel Mills.

Winning School Team: Mildura

Daniel Mills

Thank you to the schools for their support, the students for their attendance, Zone members and parents for refereeing and scoring, Cohuna members for the preparation of the grounds and for their work in the kitchen. Keeping up the supply of food on the day is a daunting task. Above all, thank you to Winchester Australia, for their valued and on-going support of this event.

Senior Boys: Josh Gowers, Ryan Neilson & Tom Bertalli

Senior Girls: Bethany Hayden, Megan Barnes & Stephanie Peatling

Junior Girls: Kadesha Tate, Madison Decker & Breanna Pearce

Junior Boys: Bailey Hamilton, Andrew Bottcher & Jack Cullinan

310 Student making up 41 Teams competed from 26 Schools.

The Noorat Gun Club turned on what was probably the best weather ever seen for the championships, with sunny conditions and not a breath of wind.

The Shoot kicked off at 9.30 am, with students ready and waiting on their respective grounds. After 2 rounds of 10 targets we had 6 students on 19/20

A shoot off was required to decide placings. With an excellent display of shooting the defending champion James Hayden with 49/50 took out overall. A great achievement for James to win this event 2 years in a row, being the first to do so.

**O/ALL** – James Hayden (Terang College) 49/50

**Senior Boy** – 1st Thomas Pilgrim (Marion College) 48/50, 2nd Liam Headon (Ballarat

Grammar) 33/35, 3rd Brayden Perry (Brauer College) 27/30.

**Senior Girls** – 1st Tahlia Nagorka (Monivae College) 19/20, 2nd Amie Donald (Newcombe Sec College) 17/20, 3rd Tess Lloyd (Ballarat High) 20/25.

**Junior Boys** – 1st Sam Pilgrim (Marion College) 18/20, 2nd Thomas Justin (Mercy College) 21/25, 3rd Nathan McCosh (Brauer College) 20/25.

**Junior Girls** – 1st Sara Kosch (Hamilton College) 16/20, 2nd Ashlee Flintoft (Damascus College) 15/20, 3rd Delany Foster (Emmanuel College) 18/25.

**Winning Team** (from 41 teams entered)

Marion College from Ararat– Sam Pilgrim 18/20, Bailey Dignan 17/20, Ethan Kennedy 15/20, Thomas Pilgrim 19/20, Emily Harris 16/20. Total Score 85/100. Terang College came 2nd with 84/100 and the Geelong College ran home 3rd with 72/100.

*Winning Team Marion College. Ethan Kennedy, Emily Harris, Sam Pilgrim, Thomas Pilgrim, Bailey Dignan and Winchester representative Tim Steer*

The Zone would like to thank the Noorat Gun Club and its members who do a great job every year accommodating around 400 people. We would also like to thank the parents, teachers and other local shooters for their help with refereeing, scoring and filling traps, and a special thankyou to Winchester Australia for their ongoing support.

Most of all the students must be commended for their behaviour on the day, they were always ready and waiting to shoot and did all they could to help the shoot run smoothly.

*Senior Boys: Thomas Pilgrim, Liam Headon, Brayden Perry*

*Senior Girls: Tahlia Nagorka, Tess Lloyd, Amie Donald*

*Junior Girls: Ashlee Flintoft, Sara Kosch, Delany Foster*

*Junior Boys: Thomas Justin, Nathan McCosh, Sam Pilgrim*

One Saturday afternoon in 1982 I was sitting around the Melbourne Gun Club playing cards with some of the greatest Skeet shooters this country has ever seen. The likes of Ian "Chrome Dome" Hale, John "Bigfoot" Woolley, Johnnie "No Go" Summers, Graham "Gerry Gee" Guy and Alex "Tree Cat" Crikis, just to name a few. In those days almost everyone seemed to have a nickname and no-one seemed to have a lawyer. In fact your eminence in the sport seemed to be in some way linked to the degree to which your nickname was discriminatory and/or defamatory.

*Unquestionably the three greatest Skeet shooters in Australia in the early 1980s – Summers, Hale & Woolley*

## A Lifelong Connection

During the day our group was joined by a stranger who I found out later had recently relocated to Melbourne from inland NSW due to a change in his work situation. As he proved to be an amiable sort of bloke as well as a handy card player and a tidy Skeet shooter, we soon struck up an acquaintance. His name turned out to be Mark McInnes and as we both attended Melbourne Gun Club regularly I soon found out that we had a couple of things in common. A tremendous passion for Clay Target Shooting combined with an inordinate determination to succeed at it. These two qualities became the catalyst for our many in-depth discussions about the technicalities of our sport and the nucleus for a close friendship that continues to this day.

## Two Steps Forward . . .

It was a terrible shame that he later gravitated to the "Dark Side" and decided to specialize in Trap shooting. Much as I hate to admit it, I'm sure that this was another reflection of the trade-off involved in splitting the National Skeet Championship off the Trap Nationals around that time and making it the focus of a stand alone tournament. Although it provided serious Skeet shooters with "light at the end of the tunnel" and allowed Skeet shooting to progress and grow, rather than simply being a novelty event that you did on Saturday mornings before the real shooting started, it obviously had downsides that included greater segregation of the disciplines. A bit like winning an argument with your wife when you're clearly right. You know it's technically correct but you also know there will be repercussions further down the track.

*Mark McInnes – A great shooter and a good mate, but an exceptional visionary*

over twenty years, win his last major title, the State Points Score. After all the hubbub had died down Mark went over to extend his congratulations to this great man. What should have been a ten second exchange of pleasantries turned into a two hour marathon history lesson as Vin recounted a multitude of experiences from what many consider to be the Golden Era of the ACTA.

## Changing Times

I'm sure that encounter was not just a turning point in Mark's own shooting career but also a pivotal point in the historic aspect of the ACTA. From that point in time Mark actively sought out all the "good ol' boys" and absorbed and collated whatever gems from bygone days that they could offer. People like Allan Blease and Merv Whitelaw were never lonely when Mark was around and when his

*George Biggs – 1980 National Skeet Champion and our first historian*

old mate Kevin Constable gave him his vast collection of old ACTA magazines, Mark was like a dog with two tails. Later he aligned himself closely with George Biggs who was just starting to record our history officially on behalf of the ACTA. After George

passed away Mark took up that baton with gusto and turned George's early preliminary work into an exacting science.

## The Big Picture

Around that time everyone was talking about the promotion and development of our sport but I don't think anyone had a clear perception of how to go about it. Mark was the first person to see a connection between that concept and our history. I believe that his vision for a Hall of Fame and it's various offshoots like Grand Slam awards, the Doug Smith Medal and annual Long Break awards have achieved more in the promotional and development arena than all other attempts put together. The increase in the quantity and quality of Double Rise shooting in this country along with increased attendances at our State Carnivals are just two good examples of his far reaching ideas coming to fruition.

## Worthwhile Prizes

During his research Mark found out that back in the Live Bird days, shooting competitions for very large sums of money were prevalent, with some purses equaling the annual wages of many of the participants and/or spectators. Even after the demise of Live Birds and the evolution of Clay Target shooting to the stage where it was economically viable for working class people, there were still some "Big Money Shoots" conducted so that the needs of a wide spectrum of shooters were catered for. The so called "Car Shoots" were a good example of this, where handicap events with a sizeable entry fee and a motor car as a prize were very popular with shooters and spectators alike.

## Acute Amateurism

However the introduction of Olympic style shooting in this country in the early 1970s and the strict "amateur" status required of potential competitors at that time sent a shock wave through the entire ACTA from which we have never really recovered. The whole situation was a very grey area which initially hardly anyone seemed to really understand, but which nearly everyone tended to err on the conservative side of, often to the point of quite ridiculous. I remember a case where a novice shooter asked if winning \$5 in the sweeps of the local Double Barrel event would make him ineligible for selection to the Olympic Training Squad and no-one was prepared to give a definitive answer.

## A Veritable Treasure Trove

Reading through the various 1970 issues of the CTSN you will find numerous advertisements for Big Money Shoots. These included the Hay Gun Club's big Easter Shoot where they shot for a Holden Torana. The week before the Wagga Gun Club held a big event where they handed out seven shotguns including a C grade Browning for the winner. And you couldn't miss Illawarra's advertisement because they had a picture of the Ford Falcon

Sedan they were giving away as the major prize for their big shoot on the Queen's Birthday weekend in June. 1971 started out in the same vein with Big Money Shoots for guns, cars and cash advertised all over the country.

## The Crunch Comes

However rumours and rumblings were already afoot with Clubs and shooters alike all getting nervous. And then it all came to a grinding halt! The December issue of the CTSN contained an explanation of the IOC's Amateur Rules and, more importantly, a declaration form to be submitted with your 1972 Annual Subscription. Accepting prizes greater than \$10 in any event or \$40 in any week revoked your "amateur" status. Although the situation eventually sorted itself out, in the process it effectively put paid to any and all semblance of "professional" shooting in this country.

## Where To From Here?

From the discussions I have had with Mark over the years I believe he has always thought there was still a market for professional shooting within the ranks of ACTA members. Whether or not this is an area that the ACTA should "officially" revisit is still a matter of some conjecture and only time will tell. In the interim, Mark and a number of his friends, myself included, have decided to try to resurrect the concept of Big Money Shoots

within the framework of the ACTA. We intend to do this by forming a body which we hope the ACTA will accept as another Supporting Association, similar to the Australian Skeet Shooters Association. In this way we believe that another minority of the ACTA's members can have their own particular interests overseen and guided by a separate body that is made up of only those individuals who have a keen interest in and a good understanding of that particular area. See this space for future updates.

## September's Trivia Question

The National Double Barrel and the National Single Barrel have been won by the same person in the same year on four occasions but only by three people. That's because the great Doug Smith did it twice. First in 1967 and then again 21 years later in 1988. The first

to do it was Newton Thomas in 1959 and the other "culprit" was our first great Olympic Trench shooter, Jimmy Ellis from Canberra, who swept all before him in 1970. The first correct answer drawn was submitted by the 1997 National Points Score Champion, Mr Max Cubic from Collie in Western Australia.

## This Month's Trivia Question

While we're on the subject of National Points Score Champions, name the only person who has been runner-up in this most prestigious event no less than FOUR times and is still yet to win it. However don't bet against it happening some time soon because this likeable larrikin is one of the greatest Trap Shooters the ACTA has ever produced, as evidenced by the fact that his State Points Score is conducted at the second biggest event of the year

and he has won that title a record FIVE times! E-mail your answers to [cuzzo@a1.com.au](mailto:cuzzo@a1.com.au) before the 15th of November and the first correct one drawn will get a complimentary entry to one National Championship event of their choice during the next twelve months.

# Ball Trap Excitement at Bega Gun Club

Thanks to the great support and sponsorship from members, Gail and Alf Niesar, each year, Bega has a highlight event of 100 target ball trap. Shooters travelled from Goulburn, Tumut, Cooma and Mallacouta adding to the local contingent to make up a field of 29 enthusiastic participants. The sun shone all day and the targets flew very quickly.

The squads went out four times, attempting to shoot 25 targets in each round. Something unique for the day, was that no one actually shot a clean round of 25. At the end of the first round, Peter Ewart, Cooma, lead the field with a 24/25, closely followed by Phil Green (Tumut), veteran Doug Blevitt (Cooma) and sponsor, Alf on 23/25. After a further 25 targets, Peter maintained the lead on 47/50, with Phil on 46/50 in second, closely followed by Chris Davis on 45 and Alf and Ray Welch on 44.

Round three saw a slight change with Phil Green shooting 22 to lead with 68 from Peter and Alf on 66 and Chris Davis on 65. Just one point further back on 64, was Ray Welch. The closeness of scores meant that any of the leading group had the chance to lift the winner's sash.

Into the final round and Peter Ewart again missed one target for a 24/25. Phil Green shot another consistent 22/25 to place equal with Peter on 90/100 for the event. Unfortunately, due to the lateness of the finish and his need to get back to Cooma, Peter conceded the shoot off, leaving a very happy Phil with the overall winner's sash, a just reward for the trip over the mountains from Tumut.

The division winners in C Grade were first, Mick Diss, with Dick McInnes in second. This was Mick's second win in successive years in this event. No doubt the honourable handicapper has taken note.

In B Grade, 2014/15 President, Shane Platts kept a strong field at bay to win with a score of 83/100, one point ahead of James Body on 82/100. Peter Ewart collected the A grade sash with his 90/100, with the ever consistent Chris Davis taking out second with a score of 87/100.

Sponsors Alf and Gail congratulated the winners and all who attended, while President Shane thanked the many helpers who made the day a great success. Overall winner, Phil, had the pleasure of thanking our sponsors for their ongoing support, without which our sport would be much less rewarding.

## **CONDITIONS OF ENTRY**

### **NATIONAL ISSF DISCIPLINE CHAMPIONSHIPS**

1. Any shooter wanting to compete at the ISSF Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the relevant Club Secretary to enable scores shot to be recorded.  
**Note:** A fee of \$20 will be charged for the issue of any duplicate handicap card.
3. The Tournament shall be conducted in accordance with the ISSF Official Statutes, Rules and Regulations (ISSF Rules) and where applicable, ACTA Shooting Rules (grading, teams etc). Targets to be shot in brackets of 25 for Olympic Trap and ISSF Skeet with squads of 6 shooters where possible. In Double Trap targets to be shot in brackets of 15 Pair (30 targets) with squads of 6 shooters where possible.
4. Pre Nominations to be received by close of business (**Eastern Summer Time**) Monday 5th January 2015. There is a maximum of 126 competitors for ISSF Trap. If pre nominations exceed this number a standby list of 20 will be created and used in case of withdrawals. If any vacancies exist in the program, it will be on a "first in" basis at an additional cost of \$10.00 per event to enter. Nominations at the championships close at 10.00am the day prior to the event if a vacancy exists. Nominations have been reduced, as there is no prize money awarded.
5. Shooters will be squadded as per the ISSF rules and any interpretation of this will be the responsibility of the Tournament Director. Once squadding for an event has been completed, a shooter shall not be entitled to a refund if they withdraw. Withdrawals after nominating and before squadding will be accepted in writing 48 hrs prior to the event.
6. Each shooter is to take enough cartridges to shoot the applicable round.
7. Shooters who fail to appear in time for their squad will be penalised by the **LOSS OF THREE TARGETS**.
8. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
9. All shooters must sign the score sheet after each round. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the score recorded on the sheet.
10. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee/score or line referee must fulfil their obligation to do so or have obtained the service of a suitable replacement that must be ready to take his place at the required time. In the event of the designated persons or their replacement not being ready to take their place at the required time, the person initially designated to fill the specific role may **INCUR A PENALTY AS PRESCRIBED UNDER ISSF RULES**.
11. Setting and adjusting of traps is the sole responsibility of Shoot Management. All shooters, coaches and team officials are prohibited from entering the trap pits after the jury has examined and approved the trap settings.
12. All appeals must be in writing together with a \$20 deposit and lodged with the Tournament Director. The \$20 is refundable if the appeal is upheld by the appointed jury.
13. When team selection is involved, shooters are eligible for section nominated. To be eligible for selection in any team, competitors must have competed in both Commonwealth and National Championships.
14. High Gun awards are determined for each section. To be eligible for the High Gun recognition, competitors must have competed in both programmed events for each respective High Gun. Gold Australia High Gun badges are only awarded when there are 20 or more competitors in a section.
15. Women shooters are eligible for their section only except Double Trap. Junior shooters are eligible for OA or their grade where applicable.
16. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
17. The ISSF Rules will be used to determine the OA placing in all events. ACTA rules will be used to determine grade placing where applicable.
18. Juniors to be under the age of 21 in the year of competition.
19. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
20. The standard of dress required for all competitors is that defined in the ISSF Rules (clothing).
21. **All competitors must comply with Firearms Licensing Laws of the state. (When held in W.A. a shooter must obtain a permit to bring a firearm into that state).**

## Letter to the Editor

John Martin posted in Colac Gun Club John Martin 10:31pm Sep 16

G'Day one and all. Today I went to Spring street Melbourne, and hand submitted the Clubs, shooting Sports Facility's Program, grant application. For those few members who still maybe unaware, the club has been working on a grant application, for the upgrade and renewal of our shooting grounds. I would like to thank all those members, who have helped me put this application together. This application, took a considerable amount of time and effort to compile, and you are all to be congratulated, for your efforts. The process from here is this, the closing date for the grant is the 25th of September, an appointed board will then review all applications, and all applicants, will then be notified if they have been successful or not. I must stress however, that there will be many shooting organisations across Victoria, that have applied for this grant, and with a limited amount of funds available, we all cannot be successful, so don't be too disappointed if we do miss out. If this is indeed the case, be comforted that we did the best we could, and that is all anybody can expect. In closing, I wish to make this observation, about our members, and this application process. When I asked for help and guidance, I received it, when I asked for future commitment I got it, and this just reinforced what the Colac Gun Club is all about. We are more than just a gun club, we are a proud community organisation that supports each other as well as the community. Finally I wish to thank the following organisations, and authorities in giving their support to us, in this application. They are, the Australian Clay Target Association, Victorian Clay Target Association, The Department of Environment and Primary Industries, the Colac Recreation Reserve Committee of Management Inc, the Colac Otway Shire, as well as the many local business and trades people, that helped us quote and work through this project application.

Thank you one and all.

Your President E John Martin. View Post on Facebook

# VCTA South East Zone Teams

The Premier Teams Event round three was contested at Frankston Australian CTC on Sunday 1st June on a fine day. The grounds were in great shape despite the recent run of wet weather conditions.

One hundred and forty eight participants nomed for what is a social occasion as well as a highly contested competition. There were 23 teams and 3 junior teams in attendance, among which there were 11 Juniors and 10 Ladies.

Handicap Mick Rocca

OA DB Steve Trembath

Junior Team – Melbourne

Junior HG L-R: C J Murphy, B B Rowland, A M Iles

Winning team – Morwell L-R Chris Murphy, Todd Malone, Sharon Lennane, Bernie Stokes, Keith Calder

HG Damien Hutchins

Event one the Handicap saw six possibles and after nine shoot off targets there was a clear winner, Mick Rocca 34/34. It took a further six targets for Sharon Lennane to take 2nd 39/40 with Damien Hutchins 38/40 third. Paul Haslem 59/60 was the Back Marker and Jay Murphy 23/25 the Junior Front Marker.

The Team Morwell A had a very strong first half with 119/125 with Melbourne Red next best on 114. The Melbourne Juniors had a nice start with 49/50

The second event was 25 Target Double Barrel carded 47 possibles indicating that the targets must have been to the liking of most shooters. It took eighty shoot off targets to get down to the last Squad of four and then it was over very quickly, with Steve Trembath 135/135 taking O/A from Mitch Foon 134/135 1st AA and Dallas Ball 133/134 second, A J Zechner 126/127, A

Wilson 64/65, B C Moloney 34/35, D McGregor 30/31, C K Cloke 31/32, A Elliott 30/32.

The Beretta High Gun with the only 50/50 was Damien Hutchins. Ladies High Gun was Bonnie Rowland 48/50. Junior High Guns: A M Iles 48/50, B B Rowland 48/50, C J Murphy 47/50

Winning Team Morwell 238/250 with members C

Murphy, K Calder, B Stokes, S Lennane & T Malone. Winning Junior Team Melbourne 95/100 with members W Smithwick & B Rowland.

The progress total for the Teams sees Morwell on top with 721, Melbourne 718 and Frankston Australian 714. In the Juniors its Melbourne 289 from Wonthaggi 283 and Mowell 261.

Zone Secretary, Chris Carrol

## WILLIAM "BILL" CHAIN

Bill Chain has been a stalwart of Redcliffe Clay target Club since the old Kallangur Club split in the 80's and when a choice had to be made Caboolture or Redcliffe. Bill elected to go to Redcliffe. His financial support, his assistance and encouragement during some testing times for the Club is well known and appreciated.

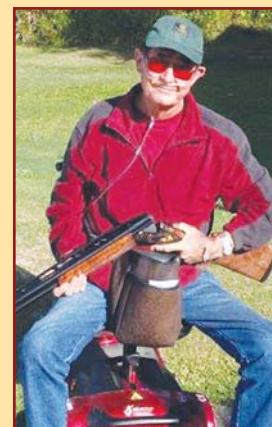

On September 21st Redcliffe will stage their Annual Shoot during which The William Chain 50tgt Points Challenge will be shot.

This Picture shows Bill in an Electric scooter complete with Oxygen bottle hookup all of which is due to his current medical condition. Both he and his wife Sharyn have been diagnosed with asbestosis. They were into house renos in the 60s and 70s during which they were exposed to asbestos (fibro). His prognosis is not at all flash as he struggles for every breath. This has not however deterred Bill from his shooting. He reckons quote "If I can breathe I can shoot" and his tenacity is astounding, an inspiration to us all!! . . . which gets me to my story.

Brisbane Club has a "jackpot" event as part of their Monthly Shoot and at a recent shoot Bills' number was drawn and his task was to shoot 15 targets from random meterage ie: from 11 to 23 metres and from the moment he trundled out on to trap #1 he held the crowds attention. One by one the targets were called for pausing many times to catch his breath and one by one they were shot. The crowd grew quieter until after 14 he was still clean, and when he called for and shot the 15th a cheer went up. For this epic feat Bill pocketed \$500.

What more can I add. A great shooting moment.

# **SA STATE ZZ CHAMPIONSHIP**

Mount Gambier Gun Club was a focal point on Saturday when it hosted the SA State ZZ Championships. Shooters came from Adelaide, various cities around Victoria, NSW and the Limestone Coast competed in the event, ensuring a high level of competition.

The ZZ targets are produced to simulate the flying patterns of live birds, and fly spasmodically, demanding of shooters both keen eyesight and quick reflexes.

Great concentration is required to showcase the shooters' marksmanship in order to win the championship and have a draw in the 5 sweep sections of the competition.

The windy conditions over the course of the day simply compounded the effort required for victory.

After four rounds were completed, David Demasi emerged the winner with 17/20 edging out both Nathan Cassells and Stephen Holdsworth on 16/20.

*Peter Davis congratulates OA winner David Demasi*

*Junior Daniel Demasi*

David also took out the High Gun Trophy 21/25 and won the prize pool for the day.

Frank Kentish won the Veterans section of the event and Daniel Demasi took out the Junior Trophy.

A State team consisting of Ken Atkin, Malcolm Whitehead, Darren Murrell, Stuart Bowd and John Taarnby returned good scores to represent SA in the National Titles to be held later this year.

## **Mount Bogong Clay Target Club RAY OAKLEY MEMORIAL**

Attending shooters enjoyed fine & sunny conditions for the inaugural Ray Oakley Memorial Handicap event held at Mt Bogong Clay Target Club on Sunday 7 September. Ray was a regular visiting shooter and supporter of the club from the early 80's through to the time of his passing in 2013, aged 83. Described as a knockabout bloke, Ray loved his clay shooting and fox hunting. He was remembered as very entertaining to shoot with and you always knew when he missed as the profanities usually flowed fast and furious!

Ray's wife Margaret and son Max, who also competed in the day's shooting, presented the trophy to the overall winner of the 30 Target Ray Oakley Memorial Handicap event to Rob Taylor 37/37 after a shoot off with Phil Matthews 36/37. Third place was awarded to Billy Roper 29/30.

Grade winners of the 30 Target Continental Points Score were: AA Bob Pigram 84/90, A Max Oakley 89/96, B Graham Schmidt 87/90. In C Grade John Baker 85/90 found his form also taking out the High Gun for the day with an impressive score of 124/130.

## Many clubs represented at two day shoot

The weekend for the Two Day Shoot at Port Macquarie Clay Target Club in July, was crisp and clear for each winter morning with the light breeze from the east keeping the temperatures down. On the Saturday we had our traps ready to throw targets, 10 squads ready to shoot, and shooters visiting from numerous clubs, local and interstate. All up, 18 clubs were represented; Sydney, Hermitdale, Taree Wingham, NSW, Walcha, Kempsey, Sebastopol, Griffith, Guyra, Upper Hunter, Newcastle, Grafton, Richmond River, Cecil Park, Goulburn, Cessnock, Gold Coast and Port Macquarie Clay Target Clubs.

It was wonderful to see so many clubs present and so many shooters who were catching up with friends they have made over the years. Our Two Day Shoot was another great chance to be with friends, make new friends, socialise and compete in our great sport of shooting. It was great to see shooters travelling, many who brought their caravans and family to enjoy a weekend away, visit Port's beaches and tourist spots, plus allowing shooters to do what they came to do shoot.

We went out for the first event, the 25 Target Double Barrel where we quickly moved the squads through the three traps. It was perfect visibility and the targets looked as big as dinner plates for many shooters. Those with slight imperfections in their shooting could easily see when they didn't quite break those lovely targets. However, I would have to say, there were not too many pick-ups after that event. Thank goodness that event was cash divide or we may have been shooting till lunch time.

The results for the 25 Target Double Barrel were: AA Grade: 1st Peter Boland, Gary Carlyon, Nick Xenos & Brett McKinnon 25/25. A Grade: 1st Kevin Bourke & John Burke 25/25, 3rd Shane Pinkerton, Richard Van Heythuysen, Vince Corcoran, Lesley Langer, Margaret Burke, Harold Batson & Robert Marko 23/25. B

Grade: 1st Bill Fletcher 24/25, 2nd Steve Hooper 23/25, 3rd Colin Crighton & Megan Wilkins 22/25. C Grade: 1st Ken McWhirter 24/25, 2nd Andrew McWhirter 22/25, 3rd Michael Carter 20/25.

The next event was the 25T Single Barrel which was shot with a gentle south easterly picking up to give the targets a little more lift when we were just about to pull the trigger. Nobody said shooting was easy, but we had been lulled in to a false sense of security with the perfect conditions for the first event. Quite a few shooters continued with their excellent form and ended up having to shoot off. I haven't included their shoot off scores as I would have to pull them out of thin air, but I do know they did shoot very well to eventually take the top prizes. I have their scores somewhere safe and they probably won't see the light of day until after I send this email to the ACTA.

The results for the 25 Target Single Barrel were: Overall: Steve Wallis 25/25. AA Grade: 1st Allan Ford 25/25, 2nd Peter Boland 24/25. A Grade: 1st Steve Pinkerton 23/25, 2nd Kevin Bourke 23/25, B Grade: 1st Rus Wesslink 24/25, 2nd Steve Hooper 23/25. C Grade: 1st Robert Bennett 20/25, 2nd Ken McWhirter 20/25.

The final event for Saturday was the 50 T DB. The breeze had picked up and was swirling in from the east, right across the traps. The scores were rather mixed, however, the better shooters seemed to

have very few problems breaking the targets early and not allowing them to be affected by the winds. Mugs like me I think were mesmerized by the sudden lifts and drops as targets created their own unique flight paths. Unfortunately, their paths did not always cross the spray of lead that was put out to break them. Many shooters commented on how important their role was in leaving a few birds out there to continue with the strong breeding program that is in operation at Port Macquarie. I knew there was a sound reason to miss the occasional bird or two.

The results for the 50T DB were: Overall: Brad Hooper 50/50. AA Grade: 1st Peter

HG Winners L-R John Lisle Vet HG, Andrew McWhirter C HG, Libby Clarke Ladies HG, Peter Boland OA, Gary Carlyon AA HG, Kevin Bourke A HG, Bill Fletcher B HG

We finished the Double Barrel shoot offs rather quickly and there were a couple of benefits to this. One being, those heading to the club for dinner could get there a little early and enjoy a quiet drink before the crowds arrived. Or so they thought. All reports indicated the food and company was very good and most had an early night ready to tackle the days shooting the following morning.

Sunday was a very different day indeed. The sun was shining and it seemed like a perfect winter's day when viewed from the protection or the office. How wrong we can be. The winds had picked up, the temperatures had cooled down and targets were dancing everywhere. It was as if everything was set as continental but you didn't always know when they would fly or when they stayed low. Gusts made reading conditions very challenging. But that's shooting.

We had a few shooters who couldn't return Sunday and a couple of new competitors to take their places. We were all having fun trying to break a lot of targets and not missing too many. A few words of disappointment could be heard in the distance along with some other choice phrases but we basically had to grin and bear it as we tried to improve our results and come out winners.

The results for the 30 T Handicap were: 1st Brad Hooper 29/30, 2nd Peter Boland 28/30, 3rd Barry Cameron 28/30, 4th Kevin Pearce 28/30, 5th Peter Brenton 27/30.

The second event of Sunday's program was the 30T Points Score and only Nick Xenos managed to shoot them clean with his 90/90. Everyone else seemed to pull a second barrel or two and their scores were not exactly perfect, even though they were excellent, considering the wind conditions.

Overall Nick Xenos 90/90, AA Grade 1st John Lisle 89/90, 2nd Gary Carlyon 89/90. A Grade 1st Peter Boland 88/90, 2nd Margaret Burke 88/90. B Grade 1st Peter Ryan 81/90, 2nd Ken Bainbrigg 80/90. C Grade 1st Andrew

McWhirter 75/90, 2nd Adam Hone 72/90.

Event 6 was the 30T Champion of Champions. Gary Carlyon was the only shooter to finish with a perfect score. I lost my bet in the office over the winner as Robert Clarke the recent OA winner in the New Zealand Titles was my pick but one second barrel put him out of a shoot off for overall and Gary was sitting pretty all out on his own at the top. Excellent shooting to take OA in rather challenging winds well done Gary.

The results were: Overall Gary Carlyon 50/50. AA Grade 1st Robert Clarke 49/50, 2nd Steve Saul 47/50. A Grade 1st Peter Boland 49/50, 2nd Kevin Pearce 47/50. B Grade 1st Bill Fletcher 43/50, 2nd Peter Ryan 42/50. C Grade 1st Andrew McWhirter 42/50, 2nd Adam Hone 37/50.

Libby and Robert Clarke put up an extra \$600 for a 3 person team to combine their scores from set events to gain the highest cumulative score. There was no cost to enter and you just had to find a couple of other people who wanted you in their team. As you can imagine there were plenty of teams entered, however, when Libby (Ladies HG winner) and Robert (equal AA HG result) had Peter Boland (OA HG winner) as their third member, we all knew where the \$600 was going to be very difficult to take away from this group. They all shot extremely well and deserve their winnings. We are hoping the Clarke's may decide to sponsor another team event next year, so you can think about your team for 2015 to mount a challenge on the defending trio.

With all events shot, the books written up, the scores tallied, and the afternoon tea ready,

Ray Abraham with Kerry Miller and Peter Brenton watching proceedings

the only thing left to do after such a great weekends shooting was to award the high guns for each grade.

Thank you to the committee and members, who worked to prepare the traps, the grounds and facilities prior to the shoot, along with all our sponsors who regularly support our shoots and visitors travelling from near and far. Finally listed below is the list of High Gun recipients who deserved their awards for shooting consistently all weekend. Well done.

The winners were: Overall Peter Boland 261/270. Grade High Guns: AA Grade High Gun Gary Carlyon 259/270, A Grade High Gun Kevin Bourke & Margaret Burke 234/270 Kevin won on a coin toss. B Grade High Gun Bill Fletcher 225/270. C Grade High Gun Andrew McWhirter 230/270. Ladies High Gun: Sponsored by Michael & Lesley Langer Libby Clarke 251/270. Veterans High Gun: John Lisle 253/270

After all the cheering had died down and words of thanks, the competitors started to head homewards. Many were talking next year and were planning how to improve for next year. Hope you will think about coming to PMCTC on the 1st Sunday of each month as we would love to see you. You're always welcome at Port Macquarie Clay Target Club.

See you round the traps.

## **Doug Lindsay Memorial**

A very pleasant winter's day of 19 degrees C and a gentle breeze greeted shooters when they arrived at the West Wyalong Clay Target Club for the Doug Lindsay Side by Side Memorial shoot held on the fourth Sunday in August.

Side by side shooting has some avid followers and as well as the local shooters, visitors from Forbes, Leeton and Wagga were in attendance.

There was a great array of side by side guns in evidence with several Greeners and Charlie Strike from Wagga with three very nice guns.

Gary Tabain must have grabbed his snake gun from behind the door on his way out as the rib on his gun was held together with electrical tape.

Graham Duncan and Allan Schirmer had been out the afternoon before and set a Sporting Clays range that they hope would be not too difficult for the side by side guns.

The 50 Target Sporting Clays event to start the program was well contested with Gary Tabain 39/40 taking AA Grade while Graham Duncan and Allan Schirmer shared A Grade on 40/50. Charlie Strike, after eventually deciding which gun to use won B Grade 39/50. There were no C Grade side by side shooters so Kate Turner and John Rourke 37/50 shared C grade with their under and over guns.

The self appointed bait layer, Bruce Dent even brought his apron to cook the barbecue. Apparently he does not like to walk around for the rest of the afternoon smelling like a burnt sausage. Anyway, he did a great job and with the help of Lydia, Sue and Kate made sure everyone was well looked after in the tucker department.

The afternoon Down the Line program began with 25 Targets Points Score in the lead up to the Doug Lindsay Memorial.

Gary Tabain and Allan Schirmer 71/75 shared AA Grade while Graham Fairman 71/75 claimed the A Grade payout. Graham Duncan 70/75 won B Grade and Sue Turner 66/75 used her under and over to be queen of the ladies' squad in C Grade.

To win the Doug Lindsay Memorial Side by Side is a coveted achievement so there was plenty of good humoured, but nevertheless very serious competition between shooters.

Julieann Stafford (nee Lindsay) was a very welcome visitor and took part in the event.

The sponsorship by the Lindsay family for the competition is greatly appreciated and the Squire reckons old Doug would be chuffed.

The event was to be shot in two rounds and there were no possibles in the first stanza but Gary Tabain, Allan Schirmer and Graham Fairman all posted 24/25 with a host of others snapping at their heels.

As the second wave went through it was "game on" and it was not settled until Gary Tabain in the third squad finished clean.

Gary, who has finished second in this event twice before was understandably very pleased to receive the Overall blue and white sash with his total of 49/50. Allan Schirmer 46/50 claimed AA Grade and Graham Fairman 45/50 and twice a previous winner won A Grade. Graham 46/50 has been using his old Greener quite a bit lately had all his practice come to fruition when he received the B Grade sash. It was really significant that Juliann Stafford used one of her father's old side by side guns to win C Grade.

In the under and over section of the event John Rourke and Don Turner 46/50 shared AA Grade with Kate Turner 46/50 winning B Grade and "Lydia the Gun" 37/50 won C Grade.

The overall High Gun for the day went to a very pleased Gary Tabain.

Vice President, Jason Anderson with the assistance of Juliann Stafford made the presentations.

Jason made a point of thanking all who had assisted during the day.

*Doug Lindsay Memorial S X S winners: L-R: Graham Fairman A Grade, Juliann Stafford C Grade, Gary Tabain OA and HG, Allan Schirmer AA Grade, Graham Duncan B Grade*

## **August Skeet**

There was a fifth Sunday in August and that was when the West Wyalong Clay Target Club scheduled a day to shoot skeet.

Although the weather was again really good only a handful of shooters arrived for what turned out to be a great day.

Due to the small numbers it was decided to shoot two fifty target handicap events to spread the prize money amongst the group.

A couple of shooters made their way over from Griffith, including "Ando" who brought a bagful of juicy mandarins to share around.

Pat Mulqueeny made his way in from Ungarie and claimed to have been at the Bog Eye Cup the day before although the Squire does not know what goes on at the Bog Eye Cup. From the way Pat looked the Bog Eye had obviously won!

Although it was decided to wait for a while to see if there were any latecomers no one else arrived so the first 50 target event got underway.

John Rourke showed how it was done in the first round and went on to shoot 49/50.

As the event was shot handicap Bruce Dent had the job of working out the shoot off and six shooters were called to decide the winner.

Unfortunately the Squire soon joined the clapping squad and as the shoot off continued he was joined by others until only John Rourke and a suffering Pat Mulqueeny remained to battle it out.

John Rourke 82/84 eventually prevailed over Pat Mulqueeny 73/84 second with Jason Anderson 51/58 claiming third spot.

After a leisurely lunch prepared by the hard working Angie Dent shooters were called for the second 50 target event during which a light breeze sometimes forced the high target to drop which unsettled some shooters.

A highlight of this event was Pat Mulqueeny and Ray Hillam shooting 25/25, a first for Pat. Ray Hillam shot his score under difficulty as when he lined up on the final station to shoot his 24th and 25th targets the button pusher pressed the high house button.

Ray being the gentleman that he is calmly looked at the button pusher turned back to the task and proceeded to call for his last two targets. Much to the relief of the said button pusher he busted both his targets thus ensuring his 25/25.

Sue Turner had sent in two beautiful cream sponges for afternoon tea and despite everyone saying how they should not be eating such food the sponges soon disappeared.

It took another prolonged shoot off to decide the winner with Pat Mulqueeny 88/87 gaining ascendancy over Jason Anderson 77/86 and no relation Graham "Ando" Anderson 49/50 in third.

Despite the lack of numbers it turned out to be a great day for all.

# Central Zone Trap Carnival Hosted by Orange Clay Target Club

When competitors from across the central west of NSW & beyond headed to Orange Clay Target Club on 31 August for the NSWCTA Central Zone Trap Carnival, they were welcomed with very pleasant weather conditions & could have thought that spring had already sprung. Thirteen squads of shooters took part & Orange CTC had everything running very smoothly. The aim of the day was not only to determine the titles on offer, but to select the representative teams that would compete in the Zone Teams event at the NSWCTA State Trap Carnival.

The program for the day consisted of 3 x 50 target events Double Barrel, Single Barrel & Points Score. The shoot offs for these events being held in reverse order at the completion of the program this allowed those that had not had their best day, to get on the road early & head home in the daylight.

Tricky light conditions made shooting on the day a little bit challenging at times, however Orange CTC had organised everything & presented competitors with their best opportunities to shoot well.

The first event to be finalised was the 50 tgt Points Score. The previously mentioned light changes contributed to there being no possibles in this event & those shooters with scores of 149/150 headed back out onto the tracks for the shoot off. This became a battle between Central Zone shooters Matt Patmore (West Wyalong CTC) & Matt Corkhill (Boorowa GC). Matt Patmore was the eventual winner & took home the title with a final score of 230/231.

The top score in the 50 tgt Single Barrel was 49/50 & once again, a strong field of competitors was sent back out to the shooting layouts to finalise this Championship. This shoot off also saw shooters from the Central Zone rise to the top, with Matt Schiller (Boorowa GC) taking out the title with a score of 98/99 from Grady Evans (Bathurst GC).

The 50 tgt Double Barrel, as usual, saw many shooters come in with scores of 50/50, resulting in a number of squads for the shoot off. Competitors were whittled down until the final two were left, visitors to the Central Zone, Fraser Roberts (Goulburn GC) & Darryl Reed (Tumut GC). As the fading light of the day came into effect, it was a battle to see who would win out & take home the honours. Fraser was able to hang on the longest & took the win with a final score of 148/148.

Clive Foster (West Wyalong CTC) had performed strongly throughout the qualifying events & ended up with a score of 248/250, the best score of the day, to earn the Overall High Gun.

Whilst the event shoot offs were taking place, the Central Zone Representative Teams were able to be finalised & invitations given to those that had qualified. Those shooters accepting positions are as follows:

Open Team Clive Foster, Dick Piotrowski (Orange CTC), Matt Corkhill, Matt Patmore & Matt Schiller.

Ladies Team Kate Schiller (Boorowa GC), Kate Turner (West Wyalong CTC) & Kay Hunt (Orange CTC).

Junior Team Billy Hunt (Orange CTC), Sam LaSpina (Orange CTC) & Nathan Burt (Boorowa GC).

Veteran Team Jeff Nash (Orange CTC), Peter Hayman (Bathurst GC) & Adrian Hodges (West Wyalong CTC)

Postal Team-Dick Piotrowski, Billy Hunt, Kate Schiller, Alan Hurford, Peter Taylor, Phil Sharp, Peter Haley, Matt Corkhill, Clint Woods, Clive Foster, Matt Patmore & Justin Smith.

Congratulations to each & every one of these shooters & good luck at the NSWCTA State Trap Carnival for those attending.

It would be remissible not to say a big THANK YOU to long term supporters of the NSWCTA Central Zone. Gunsmoke Bathurst & West Orange Motors VW who continue with their sponsorship of our Central Zone Team Uniforms. The generosity of these two businesses have allowed us to supply our Zone Team with shooting vests/shirts & caps over a number of years now & has much improved the look of our teams. Please remember them when looking to make your purchase.

# WANGARATTA SKEET, DTL, SPORTING CLAYS

## August – Top day for Skeet Wangaratta

The club conducted a 100 target skeet shoot under ideal conditions on Sunday 31 August. Both skeet grounds were set up early to suit the slight breeze on the day and as a result shooters enjoyed ideal targets throughout the championship event.

Amongst the local and visiting skeet shooters it was nice to see a good mix of veteran, lady and junior shooters line up for a great day of competition. The clay target facility in Wangaratta is well regarded by shooters from across the country. Recognised for our friendly and welcoming attitude, clear background and high standard of equipment used makes the club a first rate sporting complex for our local community.

David Jackel won O/All & AA on 99/100. David unfortunately dropped his 100th target after shooting consistently well during the event, Gil Farish from Benalla shot 96/100 with his 20 gauge U/O Miroku gun taking 2nd regular visitor from Shepparton, Peter Finn took out A grade with a result of 93/100, one target ahead of Dennis Savage 92/100. Peter's son Colin had a good day shooting 96/100 winning B grade ahead of Royce Wojtowycz 90/100. A score of 88/100 saw Peter Roper take out C in front of Reg Phefley from Mount Beauty 87/100.

## September – Perfect day for shooting clays

Once again our perfect Spring weather in the North East of Vic allowed shooters absolutely ideal conditions competing at the Wangaratta Clay Target Club's September DTL championship. The event attracted 9 squads of trap shooters, with the Continental trap again proving very popular.

James Willett shot a perfect result of 32/32 in the Continental championship winning overall. Justin Smith shot another good result of 31/32

L-R: Daryl Hunt & 'Irish' Jack McGauran

to win 2nd place in AA grade. A score of 29/30 by Andrew Evans won A grade ahead of Steven Murphy 38/40. Another nice result of 29/30 won a sash for B grader Shane McCulloch with Peter Green taking 2nd with 28/30. C grade results were Billy Hay in 1st with 27/30 ahead of Jim Old 23/30.

The Dick English Memorial handicap was expertly won by Daryl Hunt. Daryl is a back marker and produced a perfect score of 25/25 off 25 metres, using his Blaser F3 shotgun. Tony Plum from Benalla won 2nd on 34/35 and 3rd place to Brett Cowell 33/35.

The last event was a 50 tgt double barrel championship. Glenn Evans shot a perfect score of 62/62 winning overall, one target ahead of Daryl Hunt 61/62. Gordon Twamley dropped two targets winning A grade with Enio Cavedon in 2nd place. Peter Green won B with 50/53 with Ron Gulliver in 2nd place 49/53. C grade was again won by Billy Hay 47/50 ahead of Jim Old.

After the scores were added at the conclusion of the shoot, Daryl Hunt took out overall champ. Enio Cavedon won the veteran trophy and Noah Calandro took out the Junior High Gun award.

## September – Brett Jory wins 5 Stand Sporting Clay Championship

The Wangaratta Clay Target Club has been blessed with perfect weather for several of its most recent shoots and Sunday 14th September was no exception! As a result, visibility was perfect throughout the day and the orange fluoro targets stood out nicely against the blue sky and green paddock background.

A reasonably good number of 5 standers attended to take part in what is now a well established event here in Wangaratta. A nice mix of Field & Game and A.C.T.A members were evident on the day, which is great to see these two groups of members coming together to enjoy their chosen discipline.

Our club secretary Brett Jory shot splendidly all day, only dropping 8 of the more difficult targets out of a possible 100. Brett, Phil Andrews and others helped set up the traps positioning and angles early Sunday morning, which created a nice combination of straightforward and tricky targets presented during the event. Peter Hall was only one target behind Brett on 91/100 finishing 2nd in AA grade. A high score of 89/100 saw Alan Perryman win A grade, two targets ahead of Shepparton gun & ammo dealer Bill Eagle 87/100. Barry Ellis from Beechworth, a very regular shooter here at Wangaratta, took out B grade 67/100 with Trevor Bussell on 60/100 in 2nd place. C grader Steven LePoidevin shot 54/100 to win the meat tray and Ash Batey finished on 51/100 in 2nd place.

Best veteran on the day was Brian Hoyland 73/100 and top junior was Rhys McGauran.

# State Event Shot at Mathoura

Mathoura Gun Club held two events for their August 2014 shoot, a 10 target Single Barrel Cash Divide as a precursor to the main event, a 50 target, Victorian State Night Single Barrel Championship. Shooters chasing that State sash came from a wide area, including Coleambally, Beaufort, Morwell, Cohuna, and Echuca, and the weather could not have been kinder, with a mild calm night, and a clear sky, making for a good night of competition.

Cohuna member Trevor Dehne led the field in Event one, being the only shooter to down

Trevor Dehne 1st in C/D

all ten targets, and his score of 10/10 earned him all the 1st place cash, Glen and Andrew Evans from Coleambally, Stephen Pearson of Beaufort, and Andrew Brady a Morwell member, all dropped just one target and they all shared the 2nd place cash.

Event Two a 50 target Victorian State Night Single Barrel Championship, was masterfully won by Echuca member, Michael Keirl, Mick shot an impressive 46/50 score that no other shooter could match, and he became the Overall Winner, and also the 1st in A Grade

Michael Keirl OA State SB

placegetter the result of his excellent night shooting in this very difficult discipline. Beaufort member Stephen Pearson ended up with a 39/50 score, and that earned him the 1st in B Grade trophy, C Grade 1st was hotly contested between Emily McCluskey and Peter McCluskey, with Peter eventually downing one more target, giving him a 32/50 result and the 1st in C Grade trophy.

Stephen Pearson B 1st State SB

even in winter, shooters will travel to the Mathoura Club to engage in Clay Target Competition.

Murray Roberts

Peter McCluskey C 1st State SB

The shoot ran very smoothly all night to have even the presentations all finished a few minutes after 10.00pm, giving most travellers an early trip home, the committee is very pleased that

## 51ST INTERNATIONAL SHOOTING SPORT FEDERATION (ISSF) WORLD CHAMPIONSHIP, GRANADA, SPAIN

### Jack Wallace

17-year-old Lilydale High School student Jack Wallace (Yering, Vic) has won the silver medal for Australia in the Junior Men's Trap event at the International Shooting Sport Federation (ISSF) World Championship in Granada, Spain.

Wallace stormed through the qualification rounds spread over three days, recording the second highest score of 121/125 targets, and equaling the scores shot by experienced high profile Trap shooters Adam Vella (Keilor, Vic) and Michael Diamond (Fingal Bay, NSW), earlier in the day.

### Emma Cox

Education student Emma Cox (Mooroopna, Vic) has stormed through the final moments of her double trap event to finish with a very respectable silver medal at the International Shooting Sport Federation (ISSF) World Championship in Granada, Spain.

The 22-year-old La Trobe University student recorded strings of 24-22-26-25 to hit a total of 97 targets, forcing a sudden-death shoot-off against Great Britain's Rachel Parish to determine second and third

place. Emma shot first and hit both targets, proving too strong for Parish, who missed a target in her double.

Emma had gone into the fourth round in fifth place, two targets from the Bronze medal.

While more experienced shooters cracked under pressure in the final round, Cox dug deep and finished in equal second, displaying an amazing surge of confidence. Earlier this year, at the Glasgow Commonwealth Games, Parish had won the bronze medal in women's double trap, while Cox had finished in sixth place.

### Catherine Skinner

24-year-old chemical engineering student Catherine Skinner (East Melbourne, Vic) has claimed a bronze medal in Women's Trap at the 51st International Shooting Sport Federation (ISSF) World Championship in Granada, Spain.

Amidst a tightly contested quality field of 76 internationally acclaimed shooters, including World Champions and Olympic and Commonwealth title holders, Skinner held her nerve to shoot a strong 72/75 targets in the Qualification Round.

She then duelled with three other competitors who were on equal 72, in a nail-biting shoot-off for a spot in the six-person Semi Final, at which stage she shot-off again to edge out Italy's highly decorated Deborah Gelisio, qualifying for a well-earned spot in the bronze medal match.

Skinner proved too strong for Germany's Jana Beckmann, 31, winning the bronze by 13 to 10 targets

## EARLY NOTIFICATION

**Due to the 2015 Trap National Championships, the closing date for advertising and editorial in the MAY 2015 CTSN will close, without exceptions, on MARCH 10 2015**

## COACHING AT SILKWOOD CLAY TARGET CLUB

The Silkwood Clay Target Club would like to thank the coaches, Richard Morrison, Darryl Stevens and Bill Allen who spent two days coaching 30 of our members recently. The coaching clinic was awesome, the coaches, the weather and the knowledge members gained from one to one coaching. The results of the weekend were that many of the members moved up grades very quickly and we all had a terrific two days. We look forward to the coaches returning to Silkwood in the future.
