Presidents Notes

I again thank emergency service personnel for their commitment and dedication in the wake of Cyclone Lam (Northern Territory) and Cyclone Marcia (Queensland). Without volunteer and professional assistance at these incidents, life in the affected areas would be substantially more difficult, and time to 'normality' would be greatly increased. On behalf of the membership, thank you to those members involved in the event and clean-up and all members' thoughts are with any member and family/friends that were directly or indirectly affected.

It is with great honour that I recently attended the Shooting Australia Awards presentation ceremony in Sydney this month, to be present when several awards were presented. All of the ACTA membership should be proud of the following achievements:

- Ms Catherine Skinner – Overall winner - Ladies "Shooter of the Year";
- Mr Greg Chan - Overall winner – "Coach of the Year";
- Mrs Elaine Forward – Finalist – "Administrator of the Year", and
- Mr Frank Auditore – Finalist – "Volunteer of the Year".

I congratulate all four of these members. I also congratulate Ms Emma Cox who belatedly received her silver medal from the International Shooting Sport Federation (ISSF) for her win at the Grand Prix last year in Granada, Spain. These medals were forwarded by the Federation to their countries for presentation at the appropriate time, Shooting Australia doing so at their presentation award ceremony. Congratulations again to each of you on behalf of all of the ACTA membership!

The ACTA has employed "Landers and Rogers", solicitors to undertake a review of the ACTA Constitution. I am not aware of when it was last reviewed however it is well overdue for such. This review will make recommendations to the Executive Committee as to the structure of the 'Board of Directors', bring the association constitution into the 21st Century and review all facets of the running of the organisation. As with any changes to the constitution, members will be given ample opportunity for consultation and any changes require ratification by the membership at an Annual General Meeting (AGM) or Special General Meeting (SGM) called for such. Please keep an eye on the Clay Target Shooting News (CTSN) for further information.

This CTSN will be released at around the same time as the ACTA DTL National Championships. I wish everyone the best of competition and success, and I hope that this year the weather is kinder to all attendees than in 2014. I look forward to renewing old friendships and acquaintances, meeting new friends and assisting the office where required in the conduct of the championships. The timing of

the championships (as previously discussed in the CTSN) has been looked at relative to the conduct of the 'double barrel' event. If you have any ideas for the improvement of the event or as to how the event was conducted, please contact the Chair of the Championships Committee, Mr Gary Hayden. Gary will be at the championships working as the "Tournament Director" and (as with all of the committee) looks forward to constructive advice.

There has been a change to the "International Shooting Committee" within the ACTA Executive - previously this sub-committee consisted of four Executive Committee members. After a submission by several members of the ACTA the committee has now been increased in size, to three Executive Committee members and three 'ISSF shooter representatives'. This committee has met, formulated a proposal to Shooting Australia and forwarded same to this organisation for its "high performance" committee to consider. I look forward to seeing positive outcomes for all concerned; this includes ACTA ISSF shooters, the ACTA and Shooting Australia.

Finally, I hope everyone that attends the New Zealand Nationals has a great time, great success and enjoys the hospitality that is always extended by our neighbours. I encourage all those that attend to accept this hospitality and extend an invitation to all there to attend our championships.

To those that are shooting in your local competition this month – good luck and to each of you success as well. Have a great time, enjoy the sport, camaraderie and friendship, because without this – why shoot? Remember, all shooting is good shooting!

Stay safe!

Allan Vilcins

Executive Officer's Report

By this time Club Secretaries will have received the 2014 Annual Report. The compilation of this publication relies heavily on staff in the National Office and typesetters Jim and Judy Shepherd of Ironbark Graphics. The timeline for getting all of the information and the Audited Reports is very tight. All contributors need to be very mindful of the timeframes to ensure we can have the report ready for sending out the required 21 days prior to the Annual General Meeting. To all of those people, thank you for a great job. We have met with the typesetters and printers over the past two weeks, we believe we will have some very important and exciting innovations to unveil in the near future.

The Annual General meeting is to be conducted at the Wagga RSL Club at 6.30 pm Sunday the 22nd of March. The meeting will feature

More great news from Cyprus in February with Adam Vella winning the Men's Trap title and Jack Wallace claiming the Junior Men's Trap gold! The Australian team won the Team Trap gold and Sam Bylsma finished fourth in Junior Men's trap. Congratulations also to Emma Cox on her individual bronze in Women's Trap at the 2015 Cyprus Grand Prix.

The grounds staff have been very busy since January with renovations on the Western Amenities block, new stall added to the ladies section whilst new doors and stalls were installed in both. This has increased the size of the ladies amenities substantially and renewed much of the deteriorated wooden panels and doors. The Club house amenities also received a clean-up and renovation with the roof now reinstated to its original condition and painted.

The Trap Championships will commence on Friday the 20th March and conclude on Saturday the 28th March. The opening ceremony will commence on Monday 30th at 10.00am with a very special guest to sing the National Anthem. The program will see Six National events as well as the much anticipated MacIntosh Teams. This year's events will feature a minimum prize pool of \$500.00 per grade. To be eligible you need to enter the pools for these National events. The Handicap event will have a starting pool of \$2000.00, the cost to enter is \$20.00 with the pools paying from 1st – 5th.

We then have another 16 days of events on the National Ground with the "Stone the Crows" festival and the "World Disc Bowls" Championships following straight on after the Trap Championships. These groups are another division of the "grey nomads" culture, providing entertainment, arts and crafts, this year featuring the Legendary Frank Ifield.

The Veterans games have also concluded with a strong field competing in very warm conditions at the National Ground.

Our National Academy squad experienced the Australian Institute of Sport in February with a camp conducted by National Coaching Director Suzy Balogh. At the same time we had representatives working with the Australian Institute of Sport and Shooting Australia on further developing pathways for talented shooters. My thanks to Greg Chan, Robert Fox and Garry Read for their valuable input. We will start to see the fruits of these new initiatives over the next few years. Being mindful at all times the structures need to be reflected at all levels of the Association. It is not easy getting to the top of your sporting discipline. The only job you start at the top, is digging a hole.

The Squire Reports from West Wyalong

West Wyalong Clay Target Club held the first shoot for the year over the long weekend in January.

With three squads shooting skeet in the morning and extra shooters arriving at lunch time to make up an extra squad for the afternoon down the line program there were 165 targets on offer for anyone who shot the full program. Good rain had fallen in the previous week and Graham Duncan had to take his ride on mower out to the grounds to clear the area around the skeet houses.

It was good to see Geoff Brettschneider back shooting skeet competitively and he fired the first shot to get the 2015 shooting program underway.

During the 50 Target Skeet Handicap the highlight was undoubtedly Graham Duncan shooting his first ever 25/25. Graham has shot skeet for a long time and eventually his persistence and occasional practice all came to fruition. Great stuff Graham!

The only other shooter to claim a possible on the day was Griffith visitor, Ray Hillam, although notable scores were also posted by Peter Rae and Allan Schirmer who scored 24/25 in a round.

In the three way shoot off to decide the winner after 50 targets, Graham Duncan proved just too good for fellow competitors Ray Hillam who was second and Peter Rae who claimed third place.

Steven Cooper claimed he had an excuse for his 37/50 as he had played a social games of cricket the day before with a can in his hand. He wanted to buy two Panadol from The Squire for ten bucks.

After the mandatory barbecue shooters were called to the traps for the beginning of the down the line program which was a 10 Target Eye Opener in tandem with 50 Target Points Score to be shot in two visits to the layouts.

Thirteen shooters cleaned the Eye Opener including locals, Graham Fairman, John Wason, Allan Schirmer, Graham Duncan, Luke Kirkby and Clive Foster, however there were no possibles in the 50 target event.

Clive Foster 145/150 claimed overall from Luke Kirkby 146/150 who won AA Grade. Making a long awaited return to the traps, Robert Lindsay 145/150 shot very well to finish second in AA Grade. Graham Fairman 145/150 was a clear winner in A Grade from Allan Schirmer 141/153 following a short shoot off with Adrian Hodges and Ray Hillam. Graham Duncan 141/150 was also a clear winner in B Grade taking first place ahead of Mick Munro 138/150. Steven Cooper 131/150 was starting to recover and won C Grade from 14 year old Emaline Munro who shot a creditable 130/150.

The very experienced AA Grade shooter, John Rourke had been telling everyone in the clubhouse how he had never won a handicap event. He promptly went out and won the 25 Target Handicap event after a short shoot off with a score of 29/29. (The Squire has to 'fess up here to all John's Western Australian trapshooting mates – he gives The Squire a box of stubbies each month to make sure he is mentioned in the CTSN!) Luke Kirkby 28/29 came in second with Robert Lindsay 26/27 making the most of his comeback to be third.

The numbers had dwindled a bit by the time it came around to the 20 Pair Double Rise event as some of the early shooters had seen a lot of targets during the day. Luke Kirkby showed his usual double rise form in shooting 40/40 and John Rourke was shooting well claiming second with 38/40 and Ray Hillam 37/40 was third.

A good shoot to begin the year and the West Wyalong Clay Target Club will continue to have plenty more interesting programs on the fourth Sunday of each month throughout the year.

NSWCTA Junior Development Camp

NATIONAL SHOOTING GROUND WAGGA WAGGA
JANUARY 24 – 25, 2015

Graeme Boyd instructing

Dave Coleman giving instructions

On the 24th and 25th January the NSW Clay Target Association held their first Junior Coaching Clinic for 2015 at the National Shooting Grounds in Wagga Wagga.

With great weather conditions over both days Wagga Wagga covered all the most important bases for a great weekend of learning.

In participation we had juniors from many regions of NSW, ranging from Bega, Cooma, Majura Park, Corowa, Leeton, Hay & Wagga Wagga.

Juniors were under the watchful eyes of Graeme Boyd & Dave Coleman, head coaches for Riverina Zone and Wagga Gun Club. All juniors were introduced to the pattern board to see where guns were pointing and type of shot pattern. Gun fit is of great importance after all.

On day 1 our juniors started arriving bright eyed and eager to learn. After a quick recharge of their batteries (food and drink) we were straight into it.

On this day our Coaches covered Trap and Skeet.

All juniors were videoed first thing just to use as a back reference, then our coaches went to work on feet position, gun fit, gun hold, head position, gun swing and lead etc.

After this our Juniors went back to the classroom for theory on mind set, goal setting, behaviour on the layouts, how you present yourself when you are at a shooting ground.

Then it was back to the range for Double Rise and Skeet.

All three disciplines showed our juniors that even just the smallest adjustments made can make a huge different in their shot and will increase their confidence.

On day 2 after an awesome breakfast of bacon and eggs we stepped into the disciplines of Sporting Clays and Trap, Dave Coleman ran a number of shooters through the basics of Sporting Clay Shooting with the main interest in the Exotic Targets (Rabbit, Springer, Battue & Middi).

With the Sporting Clays as the topic, we covered the line of target, reading the speed, judging leads, correct chokes etc.

Graeme had the elite of our camp back on the trap layouts seeing what was remembered from day 1.

All of the juniors in attendance showed great attitude and hopefully took away with them some great new skills for use in upcoming competition.

NSWCTA would like to thank the ACTA, Graeme Boyd & Dave Coleman our head coaches, Fred Rapley NSWCTA President, Don Power NSWCTA Vice

President & Janene Schiller NSWCTA Rules Supervisor, Koorinal Butchery for the supply of lunch and breakfast & Koorinal Hotel for our Saturday night meal, our NSW Juniors who attended the camp and we can't forget to thank all the parents who transported the juniors to this coaching camp and who continue to support their children in our wonderful sport each day.

SACTA 2015 State Trap Carnival

STATE SHOOTING PARK
FEBRUARY 6 – 8, 2015

Well, another year has come and gone and once again on the 2nd weekend of February 2015, the South Australian Clay Target Association held its annual State Carnival. From as early as Thursday morning the campers and caravans started to arrive and take up the best vantage points. The weather had been kind to South Australia in the 2 weeks leading up to the event with temperatures hovering around the mid 20's. However, it wasn't to be for the 3 days of shooting, with temperatures soaring up to the mid to high 30's.

The venue was the State Shooting Park at Buckland Park, Virginia and the grounds were absolutely immaculate thanks to the hard work of the new curator Johanna Brown in the weeks leading up to this weekend. Attendance came in at 192 and shooters from nearly every State came in to try their skill at claiming one of the many red State sashes on offer. Lurking around every corner and walking amongst us were some of the best shooters in Australia waiting to pounce and claim the available State titles. Most interstate visitors came in with their families for the events and this certainly made for a large crowd of onlookers and a great atmosphere at the grounds.

Early on Friday morning there was a scurry of activity from 6am while final checks were done on trap angles, distances and speeds. To this part, a quick word of thanks has to go to Bob Andrews and his team for overseeing the trap and target set-up's for the 3 days. With this all done, the first event was called at 9am sharp.

The program opened with the 25 pair Double Rise Championship with Sox Pilipasis showing how it is done with a perfect score of 50/50, taking out the Overall title. Close behind, AA Grade winner Aaron Zupanic came in at 68/70 after a shoot off with Steve Haberman who won 2nd with 67/70. A Grade 1st was Jim Moustos on 45/50 with 2nd going to Rob Jacka 44/50. B Grade winner was Ray Mack 43/50 and Vince Petraccaro got the 2nd prize with 42/50. In C Grade it was Charlie Noto that came out on top with a 37/50 and Paul Hender got the 2nd prize after shooting off with 41/60. The Veteran winner was Andrew Ataliotis 52/60, The Ladies went to Deserie Baynes 42/50 and the Junior went to Mitchell Iles 47/50.

Event 2 on Friday afternoon was the 50 target State Handicap. The temperature was starting to get right up there, but everyone kept their cool as the esky's of chilled water made their way onto the grounds for everyone's hydration. This event was placed down to 10th with 3 shooters coming in equal. These were: Andrew Bury, Tom Damin

Linda Andrews with DR winner Sox Pilipasis

and Victor Ferteklis all on 48/50. As the shoot off's wore down, 9th place went to Matt Stokes with 59/62, 8th place was Paul Hender 64/67, 7th was John Taarnby on 66/68, 6th was Vicki Stafford 49/51, 5th went to Adrian Mattschoss 50/52, 4th was Kym Firth on 53/55, 3rd place was Aaron Zupanic scoring 54/56, 2nd was John Hawker with a well shot 55/56 and taking out the Overall and 1st place was Sam Daou taking home the red State Sash and silver State badge. Best Junior went to Tom Jenkins with 47/50.

As the 1st day drew to a close, everyone headed out to some of the local hotels and eateries to escape the heat and for a well earned break to get refreshed for the start of the qualifying events on the Saturday morning.

The warm conditions continued and the first event to greet the shooters on Saturday morning was the 50 target State Single Barrel Championship. After a huge effort and with the breeze starting to pick up the targets, Peter Claridge held it together to pick up the title and the State sash and silver medallion with a really well shot 70/70. AA 1st was Steve Haberman 63/63, 2nd was Ted Stringer 62/63. A Grade 1st went to Adam Feder 48/50 with 2nd place going to junior Fred Wheaton in his first State Carnival after a shoot off 54/57. B Grade was won by Travis Taylor 48/50

SB winner Peter Claridge with Beretta's Greg Chan

and Troy Oakes picked up 2nd place with 55/60. C Grade winner was Rocco Spinella 44/50 and 2nd was Glenn Wilkinson 42/50. Veteran award went to Bob Andrews 52/54, Deserie Baynes took out the Ladies with 77/80 and Mitchell Iles won the Junior category with a perfect 50/50.

Most of the competitors got to have a small break here while the South Australian Zone teams came out to contest their titles. After all was said and done, the eventual winners were as follows: The winning Veteran team on 74/75 was from Central Zone, made up of Dennis Lymn, Max Pontifex and John Byrnes. Eastern Zone won the Juniors with a well shot 72/75. This team was Adam Feder, Tom Hetherington and Tom Jenkins. Highest scoring Ladies team with 72/75 and made up of Sue Byrnes, Tania Evans and Lil Franklin and was again the Central Zone, while the Open category (after a count back on points with central zone 124/125 364pts), the winners were the Western Zone 124/125 365pts. This team was Vince Bone, Andrew Bury, Kym Firth, Jason King, Ted Stringer and Peter Minhard. Well done to everyone that competed and congratulations to the winning zones.

The afternoon was upon us and the heat was nudging 38 degrees when the 50 target State Double Barrel Championship was called. Squads

DB C Grade winner
Claire Wheaton

started making their way out onto the lay-outs to see who were capable of concentrating for long enough over these 50 targets. There was a good head wind now and the targets were definitely starting to rise. When the shoot off's were finally done Tony Arvanitakis managed the Overall on 139/139 with AA Grade going to Michael Williams

DB OA winner Tony Arvanitakis

with 138/139 and 2nd was Michael Veenstra 135/136. A Grade went to Jeff Raper 61/61 after a shoot off with Sam Daou who got the 2nd prize with 60/61. Troy Oakes came through for the B Graders with a perfect 50/50 and 2nd went to Frank Caltagirone, only 1 target behind on 49/50. New junior shooter Claire Wheaton came out on top of C Grade picking up not only her first sash but a 'red State one'. Her score was 53/57 and Wally Clarke took 2nd with 54/57. Veteran went to Bob Andrews 61/61, Ladies was Deserie Baynes 54/55 and Junior winner was Travis Redman with a great 89/89.

This event was shot in conjunction with the South Australian 5 man Club Team Shoot, (5 members registered with the same SA club) and the winning team this year was the Port Augusta Gun Club. Also shot in conjunction with this event was the 5 man Black Crow team shoot. In its inaugural year, the winning team was Mount Gambier Gun Club. SACTA initiated the Black Crow Club in 2014 as an annual fundraiser for a worthy charity. In its first year, 11 South Australian Clay Target Clubs participated and raised \$1,450. SACTA would like to thank the club secretaries and shooters who contributed. The camaraderie and good humour demonstrated by the participants was well received by those involved and we hope this will continue and grow in the future. This year SACTA chose to donate all funds to 'Beyond Blue'.

When the shooting had finished for the day, everyone headed for the showers and to get changed for the presentation dinner. Awards and prizes were given out for the first 2 days of competition with all the major sponsors present to say a few words about themselves, their sponsorship and to congratulate the winners of their events. The Black Crow Club presented a cheque for the \$1,450 they had collected to Beyond Blue, who had a representative at our presentations on the night. During the dinner, Patron Judge Kelvin Prescott was called upon to say a few words about the award he was presenting. This year, the \$1,000 Junior Scholarship Recipient went to Tom Hetherington. SACTA President Bronte Evans presented both the Life Membership and the Presidential Medal on the night to recipient Brian Thomas. Bronte also called up Ray Mack to give a testimonial about the Hall of Fame Inductee Robert Dower. It was great to hear some of the history between these good

friends and certainly a worthy recipient with the achievements and accolades that were mentioned during Ray's introduction and Bob Dower's acceptance speech. Congratulations to everyone on the great night of awards.

Sunday arrived after a warm night where the temperature didn't dip much below 25 degrees. Everyone was getting anxious as the first shots of the day started to ring out over at the practice trap. At 8am every shooter that had won a State 'Overall' title in the preceding year, lined up for the prestigious Ray & Pat Mack Trophy shoot. Ray and Pat are now in their 27th year of hosting and presenting this great event where every shooter strives all year to try and win an Overall State title and secure a spot to compete and take home this much sought after trophy. The winner this year with a perfect score of 40/40 was Bob Andrews, a long time close friend of Ray and Pat Mack. The State Executive and shooters would like to extend their thanks to Ray and Pat for putting this on every year. Well done!

Ray & Pat Mack Trophy Winner Bob Andrews

The final qualifying event of the State Carnival was next on the program; the 50 target State Points Score Championship. This is the event that can make or break team selections. The winds had picked up by now to about 30kph and the targets were rising high very quickly so either shoot them quick or run the risk of the targets bouncing around in the air. When everything had gone quiet, the results came in as follows: Overall winner with a great 195/195 was Wayne Hawker. Coming in 1st for AA and just behind Wayne was Aaron Zupanic on 192/195 and in 2nd place for AA, Ross Walsh 183/186. A Grade 1st went to Tom Damin 146/150, and just 1 point behind was Tania Evans with a great score of 145/150. B Grade was won by Frank Caltagirone 145/150, and another up and coming junior Antonia Loizos got the 2nd prize with 148/156. C Grade was contested with a shoot off between 2 new juniors. Claire Wheaton, who has only been shooting for 6 months, came out victor on 142/153 and Zoe Hawker in her first official

**OA HG winner
Aaron Zupanic**

major shoot came in 2nd with a great 139/153. Watch out everyone in the upper grades as these 2 come flying through over the next 12 months. Great to see!!

There was a slight pause in shooting so that presentations for both the Ray and Pat Mack trophy, as well as for the State Points Score Championship were done so that the Postal Teams Matches could get under way to decide who would be going to Wagga to represent South Australia. The 2 day High Guns were also presented with Overall Open being taken by Aaron Zupanic 344/350, AA went to Mitchell Iles on 496/510, A Grade was won by Tom Damin with 325/350. B Grade went to Ryan Foster on 309/350 and C Grade was taken out by Glenn Wilkinson scoring 295/350. Overall Veterans High Gun went to the legendary Bob Andrews with a fantastic score of 332/350, Ladies was taken by non other than our own Deserie Baynes on a great score of 328/350 and Mitchell Iles came out in front of the Juniors with a very well scored 342/350. Congratulations to all of these winners who continually strive to get these achievements.

At this point we would like to sincerely thank all of our generous sponsors for supporting our State DTL Carnival this year. Every shooter knows that without their involvement, contribution and assistance, these events would not be possible. This year we take a bow to Greg from Beretta, Filippo at Perazzi, Sox from Kreighoff, Tim from Winchester, Tim at BronzeWing Ammunition, Nev from Falcon Cartridges, Martin from Columbo Shooting, Greg from Fisher Firearms, and Rob from Marsh Insurance. We would also like to thank Bob and Linda Andrews for their contribution of the silver 'State' badges. Thank you all so very much for helping to make our State event a success.

Finally, we appreciate and acknowledge the assistance of all the behind the scenes quiet achievers that gave of their time. Workers that were running around everywhere in the office, on the grounds and in the clubhouse and kitchen. All of these helpers also contributed to making sure that everything ran like clockwork. On a last note, thanks to all the shooters that participated and travelled to compete and helped make it a great weekend.

We hope to see you all again in 2016. Thank you all.

Junior Scholarship recipient Tom Hetherington

Cuzzo's Ramblings

APRIL
2015

The month between the 20th of January and the 20th of February is always a very busy time for ACTA shooters in all disciplines. For the ISSF people it usually encompasses their National Championships. For the Trap shooters it presents their first two State Carnivals, Tasmania and South Australia. And for the Skeeties it kicks off their year with the Victorian State Championships.

Times change

Although I have never been involved personally with any of the Olympic disciplines of shooting, I have always had a keen interest in them, as over the years many of my close friends have been serious competitors. Unlike today where the Olympic and Standard disciplines seem to be Worlds apart and there is very little cross participation, back in the 70s and 80s when I was starting to become competitive, that was not the case, particularly in Skeet. Most of the top ISU skeet shooters in the country were the same people I was shooting NSSA skeet against every Saturday afternoon at the Melbourne Gun Club. The likes of Ian Hale, Alex Crikis, John Summers, Graeme Boyd and John Woolley, just to name a few.

Alex Crikis & Graeme Boyd – 35 years ago they were two of the Big Guns in both Skeet disciplines

An Old Mate Resurfaces

And the situation in Trap shooting was very similar. At the Trap Nationals each year you would bump into nearly all the people who were doing all the winning in Trench shooting. The likes of Doug Smith, Jimmy Ellis, Terry Rumbel and Ken Lowry would all be adding Trap titles to their Olympic CVs. Although apparently unavoidable, I think it's a terrible shame that ISSF shooting has become so time and effort consuming that the average ACTA shooter who comes along to the Nationals or the various State shoots rarely ever

Graeme Ede – 30 years ago he was NZ Double Barrel Champion – his single barrel shooting looked pretty tidy in the Olympic Trap Final

have probably never even heard of Graeme Ede and that is a terrible shame as he is not only one of the nicest blokes I've ever met but also one of the greatest all round clay target shooters I've ever seen. So let me diverge for a minute and tell some Graeme Ede stories. I started attending the New Zealand Nationals in 1982 when the shoot was in Christchurch, as it is every second year. As Graeme lived nearby, for some unknown reason he decided to take me under his wing and look after me, which started a very close friendship that exists to this day. Consequently I got to see all the local sights and enjoyed many nights spotlighting all the local vermin to supplement our daily clay target activities. So when he won the New Zealand Single Rise (their equivalent of our National Double Barrel) in 1984 and I was enjoying his hospitality, we partied well into the night.

An Awkward Situation

Fast forward to 1986 and when Graeme picked me up from the airport that year, he was excited to tell me that I wouldn't need to arrange any shells as he had reloaded more than enough, using his own "special recipe" to keep us both going all week. Now as one of the first things I learnt about reloading was never shoot anyone else's reloads and never let anyone put your reloads in their gun, my main concern was how to phrase "thanks, but no thanks" without hurting his feelings. And my trepidations were only exacerbated after a guided tour of his reloading facility. In Australia at that time most people shot either Winchester or Eley factory shells in competition and reloaded those fired cases for practice with all the various components from either manufacturer exclusively to try to duplicate their original factory shell. Mixing components or using after-market components was looked upon as some sort of "dodgy" black art.

gets to meet or watch our current crop of elite ISSF shooters in action. Anyway I was most interested to read the results of our ISSF Nationals recently and find that my old mate Graeme Ede from New Zealand had managed to beat the legendary Michael Diamond in the final to win our National Trench Championship.

Great Times

Scary stuff

Graeme's reloading process could not have been further removed from this regimented recipe. I did not recognise any of the components and they all originated from unrelated sources. The cases were some straight wall brand that I did not recognise, the primers were made by a company in Finland called Vihtavuori which I couldn't even pronounce, the powder looked like nothing I'd ever seen and the can was labeled Vectan and proudly claimed to be of French origin. The wads were a home-made design by some local bloke with an injection moulding machine and the shot was not even in a plastic bottle. It was in a clear plastic sausage tied with wire at both ends. It was branded Aquilla and claimed to be made in Mexico. I nearly went into cardiac arrest!

Humble Pie can be Sweet

After an extremely diplomatic discussion on the complex anomalies of reloading we managed to arrive at a suitable compromise. I would shoot these "munition gems" the next day in practice and the pre-lims and then evaluate accordingly. I went to bed that night comfortable that this trial process would easily provide a clear direction for the week's ammunition requirements. And it did! But not in the way I expected. The minimal recoil, excellent patterning and tremendous hitting power that I encountered the next day had me admiring his reloading bench from a whole new perspective that evening and asking if he had adequate reserves of components in case we ran short during the week. After I won the Overall Trap & Skeet High Gun in a shoot off against Ken Lowry at the end of the week, he was polite enough not to say "I told you so" and simply responded with that eye twinkling grin for which he is also famous. I also made a mental note not to ever go to war with the French either, because them suckers definitely know how to make gunpowder.

A Helping Hand?

Up until 1987 although Graeme was universally acknowledged as one of New Zealand's best Trap shooters, his Skeet shooting prowess was "social" at best. However in the time that he had known me, he had seen me win the National Skeet Two-Man Teams Match several times in Australia but also seen my burning desire to duplicate this effort in New Zealand continually thwarted, unfortunately by my own hand on most occasions. So when I arrived in 1987 he had another surprise in store. He had been shooting Skeet practice regularly for several months and intended to help me get that particular monkey off my back. Unfortunately my own lack of ability ruined a great plan but to illustrate the extent of his shooting talent, he forced me to shoot a lot more targets in the shoot off than I normally would have, in order to win the Skeet event that year, after everyone else had retired to the parking lot. A great bloke and an underrated shooter if ever there was one!

Where Angels fear to tread

I did not attend either of the two State Trap Carnivals conducted during the writing period but

was interested to read and collate all the results as part of my job as Historian to allocate the Hall of Fame points and begin the preparation of this year's Doug Smith Medal chart. Discussions with Stylesy and Desiree respectively indicated that both shoots were well attended and ran smoothly. Last year two of our State Double Barrel events, including Tasmania went over 700 targets in the shoot off, renewing calls for rule changes to fix this "problem" as Double Barrel shooting has obviously become too easy.

Nick Lloyd – Tasmanian Double Barrel Champion. Even with a lot of "big guns" present he only had to shoot 99 to win. Do we really need to make it harder?

nuisance of himself by winning the Double Rise outright at both Carnivals. He must think he doesn't have enough Doug Smith Medals already!

Gil Farish – the VCTA's first Skeet Hall of Fame member

not have chosen a more worthy recipient than Gil Farish, whose Skeet shooting prowess I have admired over the past thirty plus years. The second was that although Melbourne used five grounds for the Carnival this year for the first time, they only had one equipped with voice release and the other four used conventional buttons. The point? As every squad progressed through that ground, the transition from button to voice release and back again was a non-event and everyone simply took it in their stride. I think we've finally come of age!

Can He Walk on Water?

And the third was undoubtedly the "Davo Show". David O'Sullivan picked up his new Kreighoff earlier that week, put the old Miroku

Keith Napier – Victorian Skeet Handicap winner – a great start to his career

other four events were taken out by different people. Laurie Durham skun the 28 with the only 50. A relatively new B grade shooter from Frankston, Keith Napier outlasted Mick Buttigieg to win the Handicap just short of 150. Shane Bennett won the Champion of Champions after a four way shoot off and Barry Moss skun the Doubles with the only 49.

Offers Taken Up

Last month I asked for expressions of interest in commissioning and donating suitable plaques for the historic recording of the Australian Record long run breaks in both Skeet Doubles and Skeet 20 Gauge once the timeline of these two records had been established. I'm pleased to announce that in the last couple of days since that journal has arrived in most people's letterboxes, both offers have been taken up. My old mate Glenn Clarke has offered to provide the 20 Gauge board and as one of our finest 20 gauge shooters over many years and a previous National 20 Gauge champion, I consider that to be most fitting. Then a quick phone call from our National President, Mr Allan Vilcins provided a sponsor for the Doubles record plaque as well. Thank you Allan and Peta.

February's Trivia Question

One of the greatest and most accomplished skeet shooters this country has ever seen is a little kiwi mate of mine by the name of Brian Thomson. He emigrated here from New Zealand in early 1981 intending to become a permanent resident and took up Australian citizenship soon after.

Brian Thomson – second highest Skeet Hall of Fame point total of all time – what more needs to be said?

out to pasture and proceeded to win five out of the nine Open Red Ribbons on offer over the weekend.

He won the 410, 20 Gauge, 12 Gauge, Overall High Gun and Postal Team High Gun. Before I became a spent force I used to be able to dish out a bit of stick at the State Carnival, but I don't think I ever punished 'em that severely. The

Brian's whole family are accomplished clay target shooters. His father Johnnie Thomson won the Australian National Points Score in 1964 by defeating the great Warren Charlton and I clearly remember his older brother Neil beating me to win the Australian National Skeet Championship in 2001. So it's no surprise that Brian soon started to make his mark on the skeet

scene at the Melbourne Gun Club. The list of achievements I detailed as clues last month only tell part of the story.

A Great Team Member

The first two ACTA teams sent to the World Skeet Championships were in 1984 and 1986 and Brian was a member of both those teams as well as several Australian ISU Skeet teams over the years. Melbourne Gun Club was the Mecca of Skeet shooting in Australia at that time and the exploits of their five-man club team were legendary. Brian quickly cemented his position as anchor man in that team for many years. His name appears in both the winners and runner-up lists of every event we conducted at the Skeet Nationals at that time and he still holds the record for the greatest number of National Skeet Runner-ups.

Never ever give up

Interestingly he had seven runner-ups before he ever broke through for his first win, after which his strike rate got a lot better as he eventually ended up with eleven National Skeet Championships and twelve Runner-ups. Talk about hard to keep a good man down! He attended every Skeet Nationals between 1983 and 1993 and made the All Australian Skeet Team ten times from the eleven starts. He is also the only other person whose ACTA Skeet Hall of Fame points count exceeds 400. Australia lost a great skeet shooter when he eventually decided to return to New Zealand at the end of 1993 for personal reasons. The first correct answer drawn was submitted by Adam Beechey from Bairnsdale in Victoria.

This Month's Trivia Question

In the April 2000 issue of the CTSN I wrote a complete column on detailing and correcting all my recent blunders. Fortunately this month will not take as long as I have not let as many build up before putting my hands up. Two months ago I listed Leigh Roberts' 20 Gauge record break as 425 when it was actually 438. Although I listed the correct figure last month I still owe Leigh an apology. Sorry mate. February was not a good month for me as in the same column I made an even bigger blunder. While talking about my old mate "Pud" Burgess I erroneously listed his initials as A. T. Burgess. Now his first name was definitely Arthur but his middle initial is not T. for Thomas.

A List of Legends

So to break two targets with one shot I've decided to make my apology and correction the subject of this month's trivia question. **What was the correct middle name of one of our greatest ever Trap Shooters?** As a footnote "Pud" is equal fifth with Warren Charlton on the all time winners list, each having won 13 National Trap Championships, behind Steve Atkins on 18, Newton Thomas on 20, Doug Smith on 21 and the mobile art gallery himself, Billy Iles with 28. E-mail your answers to cuzzo@a1.com.au before the 15th of April and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

Victorian State Skeet Carnival

MELBOURNE GUN CLUB

JANUARY 29 – 31, FEBRUARY 1, 2015

There were a few things that were noticed when the shooters started arriving on the 29th of January at Melbourne Gun Club for the commencement of the 2015 Victorian State Skeet Carnival. Firstly, the grounds, as always, were immaculately presented. Secondly, MGC had become home to a band of travelers, with tents and caravans littering the grounds housing skeet family from all over Australia. Thirdly, although summer was in full swing, the weather was less than favourable, with strong winds playing havoc with the targets and a chill in the air. Despite the gusty conditions though, 107 of the country's best shooters visited one of Victoria's premier gun clubs and were excited to get proceeding underway.

As you may recall, some 3 years ago, the Victorian State Carnival became a 4 day event for the first time, encompassing the 28 gauge and 410 State Titles. Another year for firsts, 2015 saw both of these titles include the Silver Victoria badge.

The first event, the Victorian State 28 Gauge Championship, was contested by 52 shooters. The conditions were hard, the heavy breeze made the targets unpredictable and this was

Laurie Durham 28 gauge

reflected in the scores. A brilliant possible shot by Laurie Durham was the only one posted, which saw him win his second overall state title.

Overall: Laurie Durham 50/50; 1st AA: Paul Johnston 49/50, 2nd AA: Steve Makris 55/58; 1st A: Aislin Jones 47/50, 2nd A: Jake Beveridge 54/58; 1st B: Gary McDonald 47/50, 2nd B: Andrew Beveridge 46/50; 1st C: Mike Stokes 38/50, 2nd C: Rick Beasley 41/55; Ladies: Aislin Jones 47/50, Veterans: Gary McDonald 47/50, Juniors: Aislin Jones 47/50.

Thursday's second event was the Victorian State .410 Championship. A hard enough gauge to shoot at the best of times, the wind certainly made this event challenging. 49 shooters competed in this event, and after the initial 50, Paul Johnston, Michael Buttigieg and David O'Sullivan were the leaders on 48/50. Michael was the first to bow out, dropping a low 2 single, whilst Paul went on low 2 in the pair. David stepped up and cleaned the station, making him the winner of the overall.

Dave O'Sullivan 410

Overall: David O'Sullivan 56/58, 1st AA: Paul Johnston 55/58, 2nd AA: Michael Buttigieg 53/56; 1st A: Wayne Read 46/50, 2nd A: Christian Lagos 44/50; 1st B: John Pethybridge 43/50, 2nd B: Andrew Beveridge 46/54; 1st C: Mike Stokes 37/50, 2nd C: Max Sammon 36/54; Ladies: Sarah

Dave O'Sullivan 20 gauge

Bennett 46/50, Veterans: Adrian Cousens 47/50, Juniors: Jake Beveridge 39/50.

Friday the 30th of January was a far better day for shooting. Whilst the air was still cool, there was less wind and 92 keen shooters competed in the first of the high gun events, the Victorian State 20 Gauge Championship. The better conditions emulated on the scoreboard, with four perfect scores posted from Shane O'Brien, Pedro Da Silva, David O'Sullivan and Tim Stockdale. A big congratulations goes to Tim for his first 50 break. The overall shoot off commenced, with Tim and Pedro both exiting in the first round. Shane and Dave both completed their first round, but in the second round, Shane missed a high 5, and Dave won his second state title for the carnival.

Overall: David O'Sullivan 88/88; 1st AA: Shane O'Brien 87/88, 2nd AA: Pedro Da Silva 60/61; 1st A: Frank Cooper 52/54, 2nd A: Wayne Read 50/52; 1st B: Tim Stockdale 50/50, 2nd B: Alison Harwood 49/50; 1st C: Matt Costa 49/52, 2nd C: Daniel Sachetta 48/52; Ladies: Alison Harwood 49/50, Veterans: Laurie Chelepy 49/50, Juniors: Jack Stockdale 48/50.

With the fantastic shooting of the 20 gauge concluded, the Victorian State Handicap was the next event to be competed. After 95 shooters shot the initial 50, 6 squads of

shooters remained in the event and the shoot off commenced. After the first round, we were down to 3 squads, and after the second round 2 squads of shooters remained. The third round of shoot offs lost another squad, and at the start of the fourth round, just 5 shooters remained: Jake Beveridge (A1), James Garretto (B3), Michael Buttigieg (AA0), Keith Napier (B3), and Mitchell Iles (B3). The first to go was Jake in fifth place. Mitchell was the next to go on station 5, and finished in fourth place. With 3 shooters remaining, all on wood, they completed station 7 and moved on to station 8. 3 high 8 targets were smashed, however low 8 proved an issue. Michael was the first to let his go, followed by James, which allowed Keith at his first ever state carnival, to shoot the low and win the overall. As Michael and James both dropped the same target, they continued the shoot off to determine the runner up, Michael eventually coming out on top 12 targets later.

Keith Napier HC

Overall: Keith Napier 142/148, 2nd: Michael Buttigieg 160/161, 3rd: James Garretto 154/161, 4th: Mitchell Iles 132/139, 5th: Jake Beveridge 123/126, Ladies: Alison Harwood 112/119, Veterans: Nancy Badewitz 61/72, Juniors: Mitchell Iles 132/139.

After the brilliant display of shooting shown on Friday, Saturday the 31st of January was

Dave O'Sullivan OA State Skeet

shaping up to be another cracker of a day. Again the wind was gusty and the temperature cool, but that did not stop 100 shooters from heading out for the Victorian State Skeet Championship. At the conclusion of the initial 100 targets, whilst no possibles were shot, 4 shooters had posted 99's – David O'Sullivan, Glenn Clarke, Steve Vaccaro and Danny Sajn. Heading out for the overall shoot off, it wasn't long before Danny let a high 4 keep flying in the first round, while Glenn snapped at a low 5 in the second, leaving just Dave and Steve to continue into the third round. On station 6, Steve dropped the low 6 in his pair, and David claimed his third overall for the weekend.

Overall: David O'Sullivan 167/168, 1st AA: Steve Vaccaro 166/168, 2nd AA: Glenn Clarke 137/139; 1st A: Jake Beveridge 98/100, 2nd A: Aislin Jones 97/100; 1st B: James Garretto 97/100, 2nd B: Jack Stockdale 96/100; 1st C: Ryan Miller 90/100, 2nd C: Max Sammon 89/100; Ladies: Aislin Jones 97/100, Veterans: Adrian Cousens 98/100, Juniors: Jake Beveridge 98/100.

With the 100 target event concluded, the postal teams were to be shot, and the shoulder to shoulder teams to be decided.

Open Postal Team: David O'Sullivan (High Gun), Michael Buttigieg, Ben Garraway, Danny Sajn, Leigh Roberts, Hayden Mountjoy, Adrian Cousens, Eddy Elder, Glenn Clarke, Steve Vaccaro, Jake Beveridge, Barry Moss, Laurie Durham, Malcolm Briggs & Aislin Jones.

Open Shoulder to Shoulder Team: David O'Sullivan, Danny Sajn,

Hayden Mountjoy, Glenn Clarke & Malcolm Briggs.

Ladies Postal Team: Aislin Jones, Jacqui Durham, Alison Harwood, Linda Watson, Leonie Johnston (High Gun) & Julie Freeman.

Ladies Shoulder to Shoulder Team: Aislin Jones, Jacqui Durham & Alison Harwood.

Junior Postal Team: Jake Beveridge (High Gun), Aislin Jones, Jack Stockdale, Max Sammon, Nick Johnstone & Adam Beechey.

Junior Shoulder to Shoulder Team: Aislin Jones, Jack Stockdale & Max Sammon.

Veterans Postal Team: Adrian Cousens, Clifford Chambers, Gerry Petruska., Bill Hine, Jim Turner & Robert Thorne (High Gun).

Veterans Shoulder to Shoulder Team: Adrian Cousens, Gerry Petruska & Clifford Chambers.

The open team High Gun was shot off between Dave O'Sullivan and Malcolm Briggs who both shot 50. Both shooters completed the first round clean, however in the second round Mal dropped low 3 and David continued his brilliant form with another win.

The veterans team High Gun was shot off between Adrian Cousens and Robert Thorne. In dwindling light conditions, it was Bob who came out on top with Adrian letting the low 2 in the pair fly.

Sunday the 1st of February dawned a muggy morning, a little rain first thing did nothing to help the steamy air but with little wind around conditions were ideal for skeet. The 50 target Champion of Champions was the first event of the day. The Champ of Champs is shot 25 targets 12 gauge and 25 targets 20 gauge, with all shoot offs to be shot in 20 gauge and doubles off stations 3, 4 and 5. 87 shooters competed in this event, with possibles posted by Shane Bennett, Hayden Mountjoy, Sox Pilapisdidis and Fab Francione. Both Sox and Fab were out on the first station, and Hayden shortly followed on station 4, Shane claiming the overall.

Overall: Shane Bennett 54/54; 1st AA: Hayden Mountjoy 53/54, 2nd AA: Fab Francione 51/52; 1st A: Greg Miller 49/50, 2nd A: Patrick Dury 55/58, 1st B: Andrew

The final event of the carnival was the Victorian State Doubles Championship. The tough conditions all weekend continued into the doubles, and whilst no possibles were posted, a brilliant 49 from Barry Moss saw him win outright his first state title.

Barry Moss Doubles

Overall: Barry Moss 49/50, 1st AA: Jake Beveridge 56/58, 2nd AA: David O'Sullivan 55/58; 1st A: Matthew Prentice 49/52, 2nd A: Trina Adams 48/52; 1st B: Clive Glasgow 46/50, 2nd B: Ben Gaskett 47/52; 1st C: Julie Freeman 41/50, 2nd C: Gabriel Lagos 33/50; Ladies: Trina Adams 47/50, Veterans: Adrian Cousens 47/54, Juniors: Jake Beveridge 48/50.

With all of the carnival events shot, the High Guns were all decided without the need for shoot offs.

The Overall High Gun was won by David O'Sullivan on 293/300. David topped off an amazing

Dave O'Sullivan OA HG

carnival with his 4th overall win for the weekend. A huge congratulations to Dave for his skill, poise and phenomenal shooting ability.

The AA Grade High Gun was won by Hayden Mountjoy on 292/300. As always, Hayden shot consistently well for the whole carnival and showed again that he is a fierce competitor.

by Jake Beveridge with 290/300. Jake displayed amazing ability all weekend, with a number of wins over the carnival and progressing into AA.

The B Grade High Gun was won by Andrew Beveridge on 281/300. It was a happy household at the Beveridge home after this weekend, with Andrew also having a breakout carnival and shooting to an extremely high standard.

The C Grade High Gun was won by Matt Costa on 272/300. Matt shot really well throughout all of the events and clearly showed his potential in the sport.

The Ladies High Gun was won by Sarah Bennett on 284/300. Sarah continues her impressive form, showing once again her obvious capability for skeet.

The Veterans High Gun was won by Adrian Cousens on 286/300. A true institute of our sport, Adrian continues to shoot to an extraordinarily high level.

The Junior High Gun was also won by Jake Beveridge on 290/300. Jake continues to improve in leaps and bounds, his wonderful attitude and skill are an inspiration to junior and open shooters alike.

With all the High Guns decided, that concluded the 2015 Victorian State Skeet Carnival.

I'm sure I speak for all of the participants when I send a massive thank you to the VCTA,

the Melbourne Gun Club and everyone who helped out over the weekend, particularly Paul Johnston, Laurie Durham, Leonie Johnston, Christine Durham and Steve Pellegrino who ensured the shoot ran smoothly from start to finish.

Thanks must also go to Cherilyn and Georgia for their wonderful work in the office, Darryl Johnson and Dallas Ball (MGC President and Vice President respectively) for their fabulous weekend's work, Stephanie Manley for her beautiful photos, Roger Esplin for keeping the grounds looking immaculate, Jim Turner for setting traps, all of the kitchen and bar staff, the trap boys and all of the referees and scorers.

Also a big thank you to the ASSA webmaster Ivan Spiller for updating the scores, and also anyone else who I may have forgotten.

And finally, a huge thank you to all of the shooters for coming to Melbourne Gun Club, especially all of the travelers for making this weekend another brilliant Victorian State Carnival.

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Peak Performance under Pressure

Pressure is difficult to define because we all experience it differently. No two individuals have the same emotional, cognitive or physiological reactions to pressure or

stress. In most cases, it is more about the way we think about the game, match or competition than the actual game, match or competition.

There are certain demands that we place on ourselves when we think about competition.

Firstly, the importance you place on the event is critical. If it is the Nationals and you are pinning your hopes on getting into the Australian team, then you will see the competition as more important, and your performance more critical than the monthly club shoot.

Secondly, the conditions under which the competition will occur. Is there strong wind, varying light, crowds, television cameras, rain, etc.

Next, the possibility of performing poorly and finally, the quality of the opposition.

How do we recognise the negative effects of pressure?

When we give thought to these demands, there are a range of short term psychological and physiological effects of the pressure.

Physiological symptoms include increased heart rate, shaking, increased perspiration, drowsiness, muscle tension, increased breathing, etc. These physical responses are akin to the responses that occur when you are suffering anxiety. Because they are like anxiety we react in the same way: we worry about the future, which in turn leads to self-doubt.

A psychological response is we are likely to miss cues that we would normally notice. Our ability to attend to all the factors that are necessary to shoot well is limited. Attention is directly linked to concentration. When we miss it is usually due to a lapse in concentration rather than an inability to shoot. As well as having limited attention, the focus of our attention moves to the product (score, trophies, team selection, etc) and away from the task at hand or the process of completing the task at hand. Also under pressure we lose track of time and things seem to be happening faster and as a result we are more likely to make mistakes or miss vital parts.

Under pressure thoughts about past performances become intrusive and we make negative judgements about our performance or worse still, about ourselves. Once we start worrying about the past it is easy for our mind to lose track of the present and start to dwell on the future. This leads to fear, apprehension and worry. As a result we lose confidence, and our anxious state further leads to self-doubt, which in turn makes our muscles tense and we lose the ability to move fluidly. When this happens we miss. Muscle tension upsets rhythm, balance and co-ordination. Muscle tension is a symptom of self-doubt. If our muscles are not fluid, then we cannot move with the ease and purpose we need when we shoot. This is important because shooting is a muscle memory sport.

Whilst it is easy to look at pressure as negative, some pressure is important to maintain, just enough, arousal to keep us focused on the task at hand.

How can we deal with pressure both in and out of competitions?

Firstly we need to determine the cause. We need to identify those situations that cause pressure, those extrinsic (outside you) and intrinsic (within you) stressors that contribute to pressure.

Secondly, describe the effects. Determine for yourself how the pressure is felt and experienced. Become aware of what is happening to you when you are under pressure. Ask yourself the following questions. How tense are your muscles? (physiological effects) How clear is your thinking? Can you still concentrate? (cognitive effects) Are you still confident? Are you scared? Are you nervous? (affective effects)

The next step is to decide on a goal. Describe how you would like to feel, think, and act in pressure situations. Ask yourself the question: "What do you want to do in those situations that you can't do now?"

Fourthly, implement a plan. Develop a plan to improve your performance under pressure. Make sure that the plan has an opportunity for you to practise under pressure. Commit to the plan. Make sure the plan includes some relaxation training and mental rehearsal, as these are integral skill for success.

Next, monitor your progress and evaluate your plan. Make sure you keep a journal so you when you are improving and which variable is responsible for the change.

Finally, remember all the important aspects of applied sports psychology. These aspects are:

- Breathe. (choking occurs when you forget to breathe)
- Trying fails. The more you try the more your muscles will tense up. If you are not happy with what you are doing, try differently. Do not just do the same thing over and over and expect to get a different result.
- Stay in the present. Forget the past performances, good and bad and do not worry about the future.
- Trust and let go.

Wangaratta Clay Target Club

Alison Harwood on target

Wangaratta clay target club member and enthusiastic skeet shooter, Alison Harwood, put in a top performance at the recent two day VCTA State Skeet Carnival held in Melbourne in late January this year. Competition was at a high standard as around 100 keen skeet shooters were all trying their best on both days.

Alison is a very regular competitor here at our local club over many years and travels to most of the major skeet events in the area. She has an immense amount of experience in both the technique of the sport and also a full understanding of the rules that apply to skeet shooting.

Alison Harwood

On Friday 31st January, Alison competed in the 20 gauge State Title and won gold in the ladies section and silver placing herself 2nd in B grade for the entire event. In addition she won gold again in the ladies for the 50 tgt. Handicap event and placed 6th overall. Another gold medal came her way with a terrific performance in the State Shoulder to Shoulder Team with a tally of 138/150.

Over the Friday and Saturday Alison qualified 3rd for the VCTA State Team, to cap off two days of consistent shooting at a very high standard

and skeet enthusiasts that have been closely associated with the club. Bill Attwood visits from his home in Melbourne each year to present the trophies and catch up with local members that he has known for decades. Bill has been involved in the sport of trap shooting in various capacities over many years and is well regarded for his contributions in many ways, particularly in regard to the encouragement of junior shooters to the sport.

Kevin Law, a past secretary of the club, passed away several years ago but his many contributions to the club are recognised each year with the holding of this event.

The first event held was the Bill Attwood Championship which resulted in a win for AA grader Leigh Roberts with a perfect score of 60/60 and 2nd place to David Jackel 59/60. Greg Miller shot 49/50 to claim A grade with Colin Finn following on 52/55. B grade was very nicely won by Mark McDonald 57/58 ahead of Phil Smith on 53/55. A score of 44/50 was all that was required for Aaron Stamp to win C grade with 2nd place to Reg Carmody 31/50. We should see more of Reg at future skeet shoots and his results will probably improve after he adjusts his gun chokes to give him a bit more pattern spread.

Gil Farish also shot a perfect tally of 50/50 to win AA and overall in the Kevin Law Mem. Skeet championship nudging Roberts into 2nd place on 74/75. Greg Miller again took the sash home for A grade dropping only one target with a result of 59/60 and Mark Rosenboom from Griffith took out 2nd with 58/60. Mark McDonald had another good result winning his second sash for the day in B grade 49/50 with Mario Marino on 55/58 taking 2nd. In a repeat of the first event, Aaron Stamp finished 1st in C grade with 42/50 and Reg Carmody in 2nd place on 35/50.

This year resulted once again in Leigh Roberts winning the overall Attwood / Law Skeet Championship, with a stunning performance of 103/104. David Jackel kept the pressure on Roberts throughout the day, however Leigh succeeded with a combination of skill and determination. Reg Petts took home the Veterans trophy with a result of 90/100.

Mixed bag at Echuca

ECHUCA CLAY TARGET CLUB
FEBRUARY, 2015

The February 2015 shoot at Echuca was certainly a mixture of disciplines, being Points Score, Double Rise, and Deauville Doubles, yet the program attracted an eight squad attendance to the Echuca Clay Target Club, which was excellent considering it was the Southern Eighty race weekend in Echuca. Reasonably good conditions for shooting, hot but not excessively so, enough breeze to keep the insects away, and bright sunlight to light up the clay targets, ensuring some good scores for the day's events.

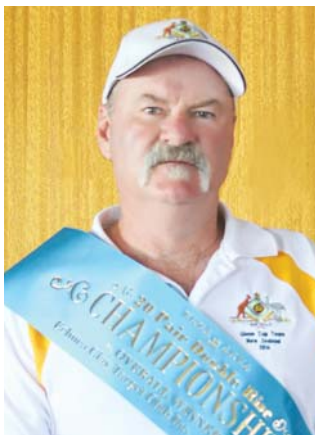

Event One was a 30 target Points Score Championship, and after a reasonably short shoot off, Echuca's Craig Fitzgerald, left everyone behind with his score of 114/114, making him the Overall Winner and the 1st in AA Grade, Bendigo's Tony Moroni, not far behind, having lost just one

point, and his 113/114 gave him 2nd placing in AA Grade. A grade 1st was Ian Gebhardt 92/93, and Ian Phillips having scored a 91/93 earned himself the 2nd in A grade trophy, both these shooters are Echuca members. B grade 1st went to Peter Gorrie 88/90, 2nd in B was Josh Knight 86/90. Carl O'Brien claimed 1st in C grade with an 83/90 score, and after a very short shoot off, Greg Cock shot a 96/103 score to put his name on the 2nd in C grade trophy.

Event Two, a 20 pair Double Rise Championship, and no one could match Echuca's Stephen Atkins 39/40 score, so he claimed the Overall Winners Sash and the 1st in

AA Grade trophy. Well shot Steve! Runner up on a 38/40 was Phil Grainger becoming the 2nd place getter in AA Grade, Gordon Fletcher shot a 37/40 earning himself the 1st in A grade placing, with L Trail 2nd on a 30/40 score. J Knight shot a 31/40 to claim 1st in B grade, and B Hayden came 2nd with a 26/40 result, C grade 1st after a ten pair shoot off became the property of Carl O'Brien scoring a 39/60, and Vin Moluso 2nd with a 33/60 score.

Finally, Event Three, the last event, a 20 Pair Deauville Doubles Championship, shot off the eighteen metre mark and although virtually everyone entered the event, most must have been thinking about being behind their usual meterage, as there was only one pair of shooters able to put their hands up to claim the pair of Overall Winners Sashes, and they

were Craig Scott and Warrick Kely, Both Echuca members, and very pleased they were the only 20/20 result. Steve Trail and Ian Phillips managed to drop only one pair, and their 19/20 result earned them 2nd placing in the event.

At presentations the ongoing Encouragement Award, consisting of

two packets of cartridges donated by Russell Felmingham, trading as Shepparton City Mowers, was awarded to Kyabram beginner, Jack Werner, congratulations Jack! Running smoothly all day meant an early finish to what had turned out to be a very good day of competition clay target shooting.

Kempsey Red Point 100

KEMPSEY CLAY TARGET CLUB

JANUARY 18, 2015

On a very hot day on the 18th January, 2015 members and visitors gathered under the various shade trees to away the commencement of the much anticipated Red Point 100.

The Red Point 100 is sponsored by Rick and Brad Hooper, Principals of Red Point Kempsey. The business is a supplier of top grade batteries and lubricants to all sectors of the automotive, boating and trucking industry. I would take this opportunity to thank Rick and Brad for their very generous support of the Kempsey Club.

The days events consisted of 50tg DB and 50tg PS as well as 15tg Double Rise with all events graded. The shoot commenced right on time as usual, however, due to the heat it took a lot of resolve to leave the cooling shade under the trees. The fact that the heat forced everyone to congregate in the shade made for a very social day. One of our lady shooters waiting her turn under the Jacaranda tree mentioned she had recently purchased a motor cycle. The upshot of that was, during the afternoon, much conversation centred on the joys and tribulations of motor bike riding.

The three musketeers from Coffs put paid to that myth that you can't have a good time and shoot well by producing some good scores. Romeo, using his new Perazzi, was particularly impressive shooting 50/50 in the DB and continuing his marksmanship in the shoot off. There was plenty of red ink on

OA winner Brad Hooper

the score board by the end of the Red Point 100. The sponsor of the shoot was also the Overall Winner with a 214/220, well done Brad and thanks again for the very generous sponsorship. Other winners were High Gun and 1st AA, Hank Macinnes 213/200, 1st A Romeo Spagnolo 266/280, 1st B Steve Hooper 189/200, 1st C Dick Piper 171/200.

A Grade winner Romeo Spagnolo

HG AA Grade winner Hank Macinnes

B Grade Winner Steve Hooper

DR winner Barry Dray

C Grade Winner Dick Piper

The last event of the day was 15pr Double Rise. 1st AA-Barry Dray 28/30, 1st A-Steve Saul 27/30, 1st B-Ben Tyson 25/30, 1st C- Dick Piper 21/30. It was pleasing to see that the prizes for the day were fairly evenly spread amongst the competing shooters.

As usual the shoot ran like clockwork thanks to Club President, Ted and Shoot Secretary, Jenny. The canteen ladies produced their usual excellent afternoon tea despite the hot conditions. That's it for now, see you at the next shoot.

JOHN GREEN

9/9/1932 – 28/1/2015

Members are advised of the passing of "ACTA Hall of Fame Member" & Life Member of Korumburra Gun Club – John Green

John in his ACTA Hall of fame inductee jacket

John was very much an outdoor man who loved hunting, fishing and shooting and enjoyed greatly the company of like minded people. During the 60's 70's & 80's he held the reputation, and rightly so, as being one of the ones to beat in Gippsland as he was a master of difficult shooting conditions – the more wind, the more he came to the top, and Gippsland always had plenty of wind.

John, as a youth first started shooting game for market, rabbits with .22 and ducks with a Liege "side x side" shotgun. In 1947 he went on his first duck hunting trip, he was allocated 2 pkts of Grand Prix No.4 and returned with 57 ducks.

John shot his first clay targets at the Leongatha Gun Club, when he and older brother Bill got an invitation to attend from the Gippsland gentry after they heard that the Green boys from Korumburra way could shoot a bit. Chuffed at the opportunity the boys accepted with great anticipation, however upon arrival John was dealt a blow when his Liege was considered unsafe for clay target shooting. Left with no alternative he borrowed brother Bill's Browning Auto for the 10 tgt match. When the shooting was done there were several 10/10 possibles; 2 belonged to Bill & John. With a sizeable prize pool up for grabs, the gentry decided to shoot off with the view of dividing once the boys had missed, however such plan failed to come to fruition when John tasted his first clay target success.

In the mid 60's John along with several others resurrected the Korumburra Gun Club. They started with a "Plus Trap" and one layout, and the clubhouse consisted of a canvas pulled over a 1 1/2" steel pipe frame, a trestle table and a biscuit tin for a cash box. From this humble beginning the Green families – John, Heather, Philip, Stephen, Jillian & Christopher and Bill, Roma & Malcolm, along with many others built the foundation upon which the club now stands upon with 3 DTL, 2 Ball Trap, 1 Skeet & 1 Tower layouts.

John served many years on the KGC committee in a number of

John the avid hunter

positions, including Delegate, Secretary, Secretary/Treasurer & President. He was a member of the steering committee that ultimately divided Victoria into 4 zones. He spent untold hours coaching and teaching school groups from all over South Gippsland – he could always be relied upon when it came to helping someone out; school kids, novices as well as seasoned campaigners.

John certainly enjoyed personal success at the highest level winning 1 State Title, 2 National Titles & 1 runner-up, a

National High Gun and 5 times Mackintosh Team Member. Gippsland conditions didn't provide opportunity for large breaks but he did on several occasions pass 200 & once passed 300. He was always good for a run from his handicap mark and a number of times shot 20pr DR from Hcp (23-24 yds/m). He never supported the introduction of narrow angles, common mark or graded shooting and clearly made his views well known on those matters. He loved local club shoots and the opportunity to share a whisky or two with his fellow shooters.

Whilst he enjoyed clay target shooting, John's shooting passion was in the field – ducks, quail, snipe, rabbits, foxes and deer. John was a go to point for farmers who had a fox problem, and aided with a pack of hunting terriers and brother Bill, nephew Malcolm and invited guests; fox problems were short lived. In his later deer hunting expeditions he, along with brother Norm, was assigned the tough job of maintaining the camp fire!!

Birds in flight were his greatest love of all shooting. Graduating from the Liege "side x side" to a Browning automatic & ultimately a Browning A grade (1/2 choke, 1 1/4oz loads) – John became a true opportunistic & conservation hunter, taking every opportunity that offered and always leaving enough in the paddock to warrant a return trip!!! The field is where he also achieved some of his most memorable breaks, 25 snipe single barrel, 300+ quail long run break, a pair of passing Blue Wing Shoveler at 50m and ducks unlimited, and always with his dog.

When not shooting, fishing or hunting John was a successful dairy farmer and is survived by wife Heather and children Philip (Tumut), Stephen (Welshpool), Jillian (New Zealand) & Christopher (Darwin). Much loved shooting Father in Law of Pat (Tumut), shooting Pa of Thomas (Brisbane) & Elizabeth (Canberra) and shooting Uncle of Malcolm (Korumburra) & David (Bairnsdale).

Southern Zone Ball Trap

BEGA GUN CLUB FEBRUARY 1, 2015

The first Sunday in February saw six squads of enthusiastic shooters at the Bega Gun Club's Tarraganda grounds for the running of the Southern Zone 50 target Ball Trap Championship. With weather conditions ideal and the grounds looking a picture all was set for a fantastic day. To round out the day, a second event consisting of 50 target Continental gave all a chance to warm up their hand/eye co-ordination prior to chasing the Ball Trap sashes and prizes.

Squads opened with the continental, shooting 25 targets on each stand to get to a result. In view of the numbers of shooters, A and AA Grade were combined with Phil Body taking the prize with a score of 49/50. Alf Niesar took second in A/AA with a score of 48/50. B Grade saw Keith Pearce and

Craig Field got back out for a very short two target shoot off, Keith winning 50/52 to Craig's 49/52. C Grade saw some good shooting with new member Simon Buckley scoring 45/50 to take first from Mick Diss on 43/50.

The feature event, the Ball Trap Championship was also shot in two visits to the trap. After the first round, some were confident and others were a little worried. Phil Craig, Phil Body and Alf Niesar were in the running for overall. At the end of proceedings, Phil and Alf were equal on 43/51. Phil graciously missed his first shoot off target, leaving Alf to collect the trophy by shooting his first extra for a score of 44/51. A/AA Grade went to Phil Craig with his score of 43/51 with Phil Body collecting 39/50 to take out second place. Robert Taylor shot 39/50 to take out B Grade, with Keith Pearce taking second spot with a score of 38/50. Both of these shooters have performed consistently over the past few shoots and should look forward to reaping the rewards. Simon Buckley made it two from two in C Grade when he shot 37/50 for first, with Col O'Brien as runner up with 33/50.

Alf Niesar made it a great day by taking the High Gun with a score of 91/100.

Michelle Craig kept on good terms with the treasurer by accepting a meat tray for the shoot raffle instead of the cash.

Next month sees the first round of the Fimac Engineering Handicap Shield as the feature event on the program. The two additional events on the program are 40T Double Barrel and 20 pair Double Rise. Practice as usual from 9.00 with competition beginning at 10.00.

The Club will be organising referee retraining very shortly. Anyone interested should contact Gail, Shane, Phil.

WANGARATTA CLAY TARGET CLUB

FEBRUARY 8, 2015

February Sporting Clays

Sunday 8th February reached a very hot 39 degrees but didn't dampen the enthusiasm and scores produced at the Wangaratta Clay Target Clubs 100 target 5 Stand Sporting Clays shoot. Considering the heat, some excellent scores were achieved by a good mix of both ACTA and Field & Game members on the day. One lady competitor was visiting from New Zealand and thoroughly enjoyed the first rate facilities at the club.

Once again, club secretary Brett Jory won the overall and AA grade trophy on 88/100. This result is even more impressive as Brett was feeling unwell on the day, his determination and skills carried him successfully through the event. Visiting Yarrowonga shooter Trevor Beach also put another top performance in finishing on 84/100 winning 2nd in A. Consistency once again paid off for Christian McGauran taking out A grade 75/100, ahead of Chris Kloppenborg on 69/100. Enthusiastic shooter, Reg Carmody had an excellent day by winning A grade with 77/100. Junior shooter, Rhys McGauran was 2nd on 58/100. Lady shooter, Angela Kloppenborg had a close win in C grade 58/100. One target behind was all rounder Brad Sparling taking out 2nd.

At the conclusion of the day, everyone relaxed inside the air conditioned club rooms for the presentation of trophies and a cool drink.

ACTA NEWS

MEMBERSHIPS RENEWALS

As at the 28th of February any member who has not renewed their membership will be classed as a lapsed member. This means the former member cannot shoot at any ACTA club until they re-join. By being a lapsed member this will mean their continuous service recommences from their re-joining date. As a lapsed member you will no longer be able to access the "mypage" area of the data base and our data base that is available to Club and State secretaries will show you as a lapsed member. Very shortly in line with our new Website it will only be able to be accessed by members with the same login as the data base. Non-members will only be able to access general information on the front page.

We now have a system in place where from 2016 individual members can pay their membership on line individually or the Club can renew the member online. The Club secretary can now process these memberships through the "Secure" database. We will be sending further details to Secretaries on how simple this is. The Secretary is required to login to "Secure" and go to their Club, select their Club member's area and click on the member renewing. It is that simple and allows the Club to have the ACTA component invoiced to the Club.

It is then a simple process to renew the member. This automatically places the members NEW LABEL in the next print run at the National Office. Members will then receive their renewal as fast as Australia Post can deliver. Currently we have secretaries sending in via hard copy with (depending on the size of the Club) up to 100 members at a time. By going through the new system this will alleviate the waiting and processing time with the National Office becoming the "Auditor" of these memberships whilst still sending labels to Clubs.

CAMPING ON THE NATIONAL GROUND

The number of powered sites on the grounds will continue to increase with draft plans including up to eight more powered sites, these sites will be specifically designed for larger caravans.

The camping and caravan sites have very specific rules for use, some of those listed below. Please note, if you camp on the ground in a non-powered site and run power from another site you and the person sharing will be asked to pack

up and leave the ground. Not only is this stealing it creates a public liability risk, something the ACTA is very conscious of. The insurance premiums we offer are at a low level because we are a safe sport and obey the rules. These rules are no different. As part of the requirement to have a guard on the ground at night they will be given the brief of policing this policy. Don't make it an unpleasant experience for yourself or others at the National ground.

SHOOTING ON ACTA AFFILIATED GROUNDS

The issue has again been raised with regard to shooters from other organisations using ACTA affiliated grounds. I will detail clearly where other organisations members sit in the scheme of things.

SSAA, Field and Game Australia and Field and Game Federation members are able to shoot "Sporting" at practice and in competition at ACTA Club, State and National Level. That is it. They cannot shoot any other discipline without being a member. If they enjoy your club and shooting our disciplines ask them to join.

I trust this clearly states the activities they can compete in without being an ACTA member.

There are no scenarios where this changes, should they wish to shoot other disciplines they need to become a member.

BE ON TIME EVERY TIME

There appears to be a culture of "close enough good enough" in areas of the ACTA. Below is a story of being late:

There was a story come out of Canada (Montreal) late last year, a lotto player in 2008 went in a venue to place his lotto on (it closes at 9.00pm) The first entry went in at 8.59 & 53 seconds the second went through at 9.00 & 7 seconds. His second entry, if on time would have netted him a one half share of first prize (over 13.5 million dollars) He went to court and blamed the "system" for not getting the second entry through. He lost the Lotto money he believed he was entitled to and his legal costs.

The moral of the story – there is only one set of Rules, don't leave it until the last minute, you may miss out.
