Presidents Notes

This will be my last report as the President of the Australian Clay Target Association as I will retire from the position and the Executive Committee at the June meeting this year. I advised the Executive Committee last November of my intention to resign to allow for a succession plan to occur within the committee, rather than wait until the meeting to advise members.

I have to say that the positive outcomes of the past years being on the Executive Committee completely outweigh the negative spin that can be attributed by

some. I have seen several Presidents come and go and thank those past Presidents that have assisted me in any way.

The past years have seen numerous changes in the way the association operates. One however is still a 'bugbear' to me. Back in 2007, I flagged that the composition of the Executive Committee, or "Board", should be a 'Company Limited by Guarantee'. As a Federated organisation representing members in six States and two Territories the appropriate business model is not an Incorporated Association. This was reaffirmed at the November 2014 meeting of the Executive Committee, by the Australian Sports Commission. To go to this model however requires constitutional change and as I have previously reported, the Executive Committee has undertaken with 'Landers and Rogers' (the ACTA solicitors) a review of the constitution. My belief is that the appropriate business model is a "Board of Directors", being a President, Vice President, with further Board Members having the expertise of finance, marketing, sponsorship, events, government and governance. These persons do not necessarily need to come out of the clay target environment – the appropriate persons are those that have the necessary skillset; however there would be an advantage to also knowing the 'sport'. Elections should take place annually for four of the positions – the President being elected for a two year term, on the opposite year to the Vice President and can take place through the Electoral Commission or another auditable organisation. Presently a member is defined as a "member club" however this could be changed to "individuals" utilising constitutional change.

However, I leave this to the next Executive Committee to look at undertaking this challenge if they see it as appropriate. This will however require the current Executive Committee to relinquish their positions and the majority of the ACTA to endorse change at an AGM.

Over the last two years as President I am pleased that the ACTA has, with the hard work of the Executive Officer and staff, implemented a new 'on-line' database which will progress our organisation well into the 21st Century. Soon there will be released a new web-site which will further take the 'look and feel' of the association forward. The work

undertaken by the 'office' includes many hundreds of hours to get this initiative started, upon which there will be numerous benefits in many years to come for all of the ACTA.

The budget during the last two years has been attached to the ACTA business plan that has progressed financial accountability within the organisation. The last two years has ensured that the organisation you are a member of has the financial reserves to progress the organisation when and if required.

There has been years of discussion as to whether Wagga Wagga is the appropriate place for the National Ground – whether it should be in a capital city, or, in fact does the ACTA even need a National Ground? I am not going to debate the merit for or against the National Ground – that will be 'carpark' discussion for many years to come. I do however know that the Executive Committee of the time has ensured the financial security of the organisation, with the ACTA now having over \$5 million in net assets. This is due to the hard work and diligence of all Executive Committees, including the present committee to ensure this success.

The Executive Committee has also ensured that all relevant policies and procedures are in place for the organisation to ensure the safety of all member clubs and individuals. At a recent meeting a statement was made, "Why do we need all these policies? It was easier years ago". Absolutely it was. However, "A world without rules is chaos". An organisation without policy leaves itself open to litigation and action from persons that either, wish to injure a member, financially or otherwise – or injure the club or association. As I have always said, "We are all friends – until something goes wrong." It is when something goes wrong, that people 'duck and dive for cover', and when it is vitally important that those inconvenient policies are in place!

I would like to thank the members of the "International Shooting Committee" of the ACTA. There were initially four members, being Elaine Forward (Chair), Robert Fox, Dave Howe and Terry Marsden. The Executive Committee then, late last year dissolved the committee and introduced a six person committee with three of these EC members and three 'shooter representatives'. I can say that all of these persons have the association at heart and I hope that resolutions to the ISSF shooting issues are sorted in the near future.

I am not criticising any of the Executive Committee when I say the following – as all are volunteers, give hours of their own time and are subject to scrutiny at all levels! "I am not a proponent of the current 'sub-committee' system." It has its flaws, as Executive Committee members are placed onto committees whether or not they have an interest or skillset to accomplish the required objectives. As a result this places the Executive Officer under further stress. The more appropriate model is to have the "Board" (as previously discussed), co-opt personnel with the required skillset onto committees to achieve desired outcomes. Again, depending on the issue, these do not need to be clay target shooters; however there are numerous people within our organisation that would jump at the chance to assist.

I would like to thank the Executive Committee members that I have worked with and have assisted me over the past years as well as Tony Turner, the Executive Officer, Maureen Ryan, Sue Vesperman, Judy Ferry, Jenny Robinson and David Jocelyn. Two others I would like to

Executive Officer's Report

The 2015 Trap Nationals provided many highlights with Darryn Nicholls again the yardstick of the sport. Glen Castellaro took out the High Gun with results that indicated the consistency of his shooting for the week. Numbers at the event were down on the previous two years with a variety of reasons behind this year's trend.

The Nationals were conducted for the first time in many years outside of the regular Southern states School holidays, they also coincided with Duck opening in Victoria as well as a change in the program. All of these events will be closely examined by the Championships committee in June.

The 2016 event is scheduled after the Easter break which coincides with School holidays on the Eastern seaboard. The weather was unseasonably hot as well with temperatures in the low 30's on the first three days before some welcome rain cooled the temperatures and settled the dust for the last three days. The sponsors of the event again ensured the event was well supported and the winners went away with substantial prizes to go with their National medals, sashes and perpetual trophies.

The ACTA Academy program and Coaching accreditation is gathering momentum. Shooting Australia committed to the ACTA ISSF Academy program by providing \$25k in funding for ISSF coaching and training for 2015. Coaching Director Suzy Balogh is now an important member in the selection of athletes to Shooting Australia identified squads. Suzy is also working with States to support their Coaching Courses and Junior

development as well as shooting Australia at the elite level. Suzy will represent the ACTA at Shooting Australia Coaching meetings with the "Advanced" (old level3) course to be rolled out during the second half of the year. Suzy will also be travelling with Shooting Australia Teams as part of our co-operation with Shooting Australia.

The development of the Shootmaster scoring system has been ramped up with Frank Auditore further developing the scoreboard to provide live scoring updates through our website. We will be trialling this during the National Skeet Championships. This system once activated will be "interactive" with members able to go in and change the page format and sort by name, grade, Club etc to see the information they require. Congratulations Frank, another great innovation taking the ACTA forward. For the first time in the near future members will be able to logon to the website and see live updates of scores as they happen.

This is the forerunner to developing the automated handicapping system allowing all results to be automatically entered against a person's record making handicapping a much simpler role. We will commence this component of the upgrade in the second half of the year.

Skeet Championships:

The 2015 National skeet Championships will be shot with White flyer Fluro for the 2015 Championships. The banded targets ordered are not available due to an industrial dispute in the USA.

thank are Judy and Jim Shepherd who have assisted the ACTA greatly in the publication of the CTSN, final report and other documents and by the time this article is printed I am hoping that the new 'look and feel' of the CTSN – being full colour and on gloss paper. There are also co-opted members to committees, these including Mr Peter Haley from New South Wales on the "Complex and Facilities" committee and Mr Neil Haydon on the "Compliance and Governance" committee. To all of these people, thank you.

Finally, my reasons for retiring are due to constant family pressures that have occurred in the past 12 months as well as a belief that a committee member should not stay on for too long a period – ten years I believe is maximum, however there are others that have the stamina and attribute to participate longer.

I have loved every minute of being on the Executive Committee – even those times when there has been heated discussion, when dark clouds loom and there being the countless hours typing reports and other! However, there is always a solution to every problem, an opening in the clouds, and always an ever faithful wife – who flicks the "off switch" on the computer and pours a glass of champagne and opens a beer! I thank my wife, Peta Ann for her support along the whole journey and who has made my 'ACTA life' far easier because of that support. I also thank all of my family who have endured me being absent at different times, but understand why.

To all of the members, you are part of a very special association. I look forward to seeing you on the tracks!

Stay safe!

Allan Vileins

MARCH 21 – 28, 2015

Commencing in stark contrast to 2014, the weather was very warm with the first four days being over 30 degrees. There were over 2800 entries for the week of National events, with even more including the Pre-Nationals and the Family Deauville Doubles.

The opening State Shoulder to Shoulder events were conducted with New South Wales – Cooper Mooney, Andrew Evans, Brody Walters – taking the honours in the Juniors with 222/225.

The Ladies event was won by Victoria with the team of Renae Birgin, Amanda Holt and Laura Woolley compiling 217/225 to win from Queensland and Tasmania.

The Open State Teams event was won for the second year running by the Western Australian team. This year's team consisted of Josh Fleay, Tony Burnard, Greg Fleay, Lars Bager & Alan Featherstone, with 372/375.

The official opening commenced with the piper leading in all teams representing their States with pride. Patron Kay Hull gave a brief overview of former Patron Mr. Malcolm Fraser who passed away on the 20th March 2015. Kay told of Mr Fraser's many passions and strengths as the 22nd Prime Minister

Mackintosh Junior member from 2014 and talented singer Jason Owen performed the National Anthem signalling the start of official proceedings. The 2012 X factor runner-up, Jason, gave up his time two weeks after launching his album Life Is A Highway. Not only a talented sportsman but also a talented singer and gentleman.

ACTA President Allan Vilcins welcomed all shooters and dignitaries to the Championships and to the National Ground.

The best dressed team, Queensland, was announced by Kay Hull with National President Allan Vilcins presenting the SACTA Perpetual Trophy donated by South Australian Clay Target Association. Kay also awarded each team member with a ACTA Gold medal.

2015 ACTA TRAP NATIONALS ACKNOWLEDGEMENTS

The ACTA would like to thank all of our sponsors: Casella Wines for their continued support of the Overall High Guns along with, Beretta for the Handicap and Double Barrel events. Mackintosh Major sponsor Perazzi, Champion of Champions sponsors Winchester, National Deauville Doubles sponsors Australian Sporting Arms, The Lawson Motel sponsors of the Family Deauville Doubles, Australian/New Zealand points sponsor PCMEnviro and Double Rise sponsor Miall's Gun Shop/ Blaser Australia. The support of these valuable sponsors is very much appreciated by the ACTA and the shooters.

Many thanks to all the ACTA office staff – not only were they at the National event, they were also continuing to run the National Office.

Thanks also to Fred Rapley and Gary Hayden (Tournament Director) who were out at 6.00am every morning setting traps and ensuring everything on the ground was in readiness for the start of each day, Fred was also the last to leave and closed up the compound at 6.00pm. David Jocelyn was also in early every day and left late after loading for the next day. The Trappers as always were on hand to ensure the event was conducted smoothly with minimal disruption by filling the traps. Jim Shepherd not only worked the office with the ACTA staff and Glenn Woodhatch, he was also the photographer providing the pictorial diary which is so important to the shooters, magazine and the history of the Association.

Leanne and Arthur Turner catered for the shooters and others in attendance, again a very long day, being there to provide breakfast options and the shooters' BBQ on Sunday. The Wagga Gun Club provided the bar for the week, which was well patronised from late afternoon through to presentations.

To Frank Auditore, who handled the squadding and scoring, a big thank you. Once again we saw the benefits of Frank's computer program and Frank in running the program. The Championships would not have run in such a professional manner without the input and foresight of Frank. He spent many days leading into the event, assisting the ACTA in setting up the pre-squadding. His Shootmaster program was able to supply

squad and shoot time details that made shooters aware of when and where they were shooting. Frank has already commenced development of livestreaming of results for computers and handheld devices. We will be trialling this at the Skeet Nationals and to have it ready for use at next year's Trap Nationals.

The handicappers, Ray and Anne Peatling and Mal and Helen Dyson, ensured that books were up to date prior to the events. Entering scores during the week, including re-grading and ensuring participants had their books available when they wished to leave.

Thank you to Lynne Blake who gave her time freely to post scores on the whiteboards.

Once again we had the services of Daryl Stevens and Joe Camilleri with their stock making and repair services.

Ian McGeogh was also in attendance to look after problems with guns during the week. Ian's experience enabled shooters to get back on the track with their own gun more often than not.

A huge thank you to Shoot Marshal, Sue Pim and assistant Janene Schiller for their great work at the Championships. Their efficient running of the events resulted in most events being finished early to allow presentations at a reasonable hour.

I previously mentioned the ACTA staff for their work in the events office. Their efforts with nominations and Hall of Fame Dinner were greatly appreciated. To all of the National Executive members who attended the Championships and in particular those who assisted with presentations and the conduct of the event.

Finally, thank you to the traders who provided their services at the event. It was great to see a carnival atmosphere and friendly people.

The ACTA National Executive appreciate every contribution right through to the scorers and referees who gave up their time as volunteers to ensure a successful Trap Nationals.

The Squire Reports from West Wyalong

March was a busy month for the West Wyalong Clay Target Club with two important shoots falling on the fourth and fifth weekends of the month.

The shoot scheduled for the normal shoot weekend was the Len Anderson Memorial Shoot in memory of an inaugural member of the West Wyalong Clay Target Club.

Visitors from far and wide were in attendance and numbers were further bolstered by a backwash of quality shooters from the shoot off day at the Nationals attending giving a total of six squads.

It proved to be a fine clear day but a gusty wind from the north east caused a problem, particularly with the skeet targets.

The 50 Target Skeet event saw Rob Yeo and Broken Hill visitor, Ross Walsh, share AA Grade with a score of 48 /50. Regular Griffith visitor, and very keen skeet shooter, Ray Hillam 48/50 won A Grade while Allan Schirmer was the B Grade winner. Graham Duncan shot 46/50 to win C Grade.

It was great to see the Anderson family at the shoot and they assisted Angie Dent in the canteen while the ever reliable "Bait Layer", Bruce Dent and his helper, Graeme Fairman looked after the barbecue arrangements while Sue "The Magic Lady" Turner and her

daughter Kate, kept the office running like clockwork.

There were two down the line preliminary events prior to the Len Anderson Memorial and locals,

Don Turner, Allan Schirmer, Bruce Dent, Graeme Fairman, Rob Lindsay, John Wason, Graham Duncan and Lydia "The Gun" were some of the eighteen shooters who shot all targets in the 10 Target Eye opener.

The 25 Target Double Barrel Cash Divide saw AA Grade shooters Rob Yeo, Ben Woodhouse, Aaron Jones, Craig McVittie, Steve Morris, Anthony Gray, Rob Lindsay and John Wason all shoot 25/25 to gain a cut in the AA Grade purse.

The wind had built up a bit and as the first stanza of the Len Anderson Memorial 50 Target Single Barrel was completed there was very little red on the scoreboard.

Following the second visit to the traps of the Len Anderson Memorial it was Robert Yeo who was the only shooter to clean the event with a 50/50 to be the Overall winner. Ross Walsh 51/53 won a short shoot off to claim AA Grade and Graeme Fairman 45/50 was the A Grade winner. Les Irvin 44/50 won B Grade and Lydia "The Gun" 42/50 was the C Grade winner.

Lyn Anderson & Rob Yeo OA winner

The final event of the day was a 25 Target Handicap which was won by Wagga shooter, Craig Field with 25/25. Second was Ben Woodhouse 35/36 from Ray Hillam 34/36.

High Gun on the day was Rob Yeo 118/120.

It was totally appropriate that the son of Len Anderson, now West Wyalong Clay Target Club President, Jason should assist his mother Lyn, with the presentation of prizes for the Memorial event.

Unexpected numbers, good organisation and good targets all added up to a good shoot.

Riding for Disabled Charity Day at Cowra

Cowra Gun Club Inc. hosted a successful charity shoot on Sunday March 29 to raise awareness and funds for Cowra Riding for the Disabled and all profits from the day went directly to this small but wonderful organisation.

One of the young RDA participants

As many people would be aware, the RDA groups do fantastic work in helping those with special needs experience horse riding, and in the process, bring huge smiles to many faces. The children gain confidence and a sense of achievement and also a special bond with the horses and their owners. The Cowra Gun Club would like to acknowledge this wonderful group of people and the work they do within the community, much of it on a voluntary basis.

The shoot kicked off at 10am with a 50 target Double Barrel event which was eventually won by Justin Smith 94/94 after a shoot off with

junior competitor, William Freni-Lizzi. This was followed by a 50 target Points Score event with the overall winner being David Crane on 154/156. 40 competitors from near and far attended and a friendly day was had by all. Overall High Gun winner was David Crane who finished with a worthy 198/200.

33rd Anniversary Shoot

MONARTO
CLAY TARGET CLUB
MARCH 13, 14, 15, 2015

Monarto Clay Target Club has once again held a very successful program for its Anniversary Shoot. The Club and grounds, in pristine shape following the final working bee by Committee and club members, was already a hive of activity with vans and tents scattered through the camping area, when I arrived on Friday afternoon for the start of the 3-day competition.

As a trial, the Club had decided to extend our shoot by one day so we could incorporate the following event; "The Comment" Wally May Memorial which was to be shot in form of a

Photograph of the late Wally May and his microphone, and the perpetual trophy

40 pair Deauville Doubles (own partners). Wally was an avid shooter, an all round sportsman and radio/television sports commentator (SAFL and VFL); he had joined our club some years ago as a social member and quickly became a regular. A perpetual trophy in the form of a microphone on a stand seemed a fitting memorial to his memory.

The weather forecast predicted for the weekend was cool nights with days in the high 20°C's. This time we were not let down, though at 3.30am Saturday morning, a sudden shower of unexpected rain had a club member scrambling about in the dark, shutting the open trap houses and moving boxes of clays – thanks Pete.

Ninety five shooters from clubs all over the State came to shoot our seven event program: Port Augusta, Mid North, Lower North, Elsewhere, International, South Australian, Southern, Lake Albert, Wilkawatt, Bordertown and Kingston. Friday's attendance was 41, Saturday saw 56 and on Sunday we had 78 competitors. The cars kept on rolling into the Club grounds and a momentary panic of "Will we have enough food to feed

them all" rippled through the voluntary canteen workers.

Event 1 Friday 13th March 20 pair Monarto Double Rise Championship saw AA grade shooter Steve Zadow of Kingston win with his score of 35/40, second place going to Adrian Mattschoss 41/45. A grade went to Veteran shooter Richard Dean 34/40 over Sue Crane on 33/40. Troy Oakes won B grade with a 30/40 over Rob Umback on 26/40 and C grade was taken out by Evan Gunby shooting a 25/40, beating Rob Frocione on 21/40.

Steve Zadow wins the D/R CS pictured with Club President

Barbecued sausages, mashed spuds, peas 'n gravy, followed by cheesecake, filled the hungry shooters but there was a mad dash to cook extra, for the numbers of shooters was growing every minute, all wanting to shoot for the Wally May Memorial. Following a perfect autumn sunset, this event took place under lights in the form of a night shoot.

Event 2 "The Comment" Wally May Memorial 40 pair Deauville Doubles (own partners) saw the paired team of Bob Cook and Adrian Mattschoss take out the sashes with their winning score of 41/45, shot from the 18m mark. Peter Hendy and Rodney Schubert took second place after a short shoot-off on 40/41 and third placing went to Daniel Morgan and Fred Wheaton with their 35/40.

D/D champions, Bob Cook & Adrian Mattschoss

A cool start to Saturday did not dampen the competitor's spirits. The cloud quickly burnt off, and a warm, sunny day of 30°C followed.

Event 3 25 tgt Monarto Anniversary Handicap saw Bob Cook take out the event. Still on a high

after being part of the winning DD team from the night before, he shot a score of 38/38 from his 20m mark. Second place went to Robert Jacka on 37/38; third place to Rob Clark on 34/35, 4th placing to Peter Claridge on 33/35 and the final placing went to Amel Nordin on 27/28.

Single Barrel Championship. This championship went to AA grade shooter Noel West. He shot the only possible of 25/25 over Rito Borzillo on 24/25. Deb McPherson took out A grade by shooting 24/25 over Rodney Schubert on 27/30. B grade went to Greg Ferguson on 22/25 over Rex Perry on 20/25 and C grade was won by Aemel Nordin on 23/25 over Derek Hagger who shot 22/25.

B grade on 29/30 over Club President John Bretag on 28/30 and Rob Frocione on 23/25 took out C grade over Derek Hagger 22/25.

Local farmers, Robert and Liz Frahn, joined us for the afternoon and cooked up a most delicious meal of roast beef, garlic studded lamb and baked potatoes. Club members provided accompanying salads and the meal was topped off with fruit salad and ice cream. The club house and verandah was packed with the diners who stayed quite late, reminiscing on times past.

Sunday dawned with an overcast sky; most of the clouds later disappeared, and the weather thankfully remaining fine and warm.

The first event up on Sunday morning was event 6 – the Monarto 30 Mixed Target Championship. Following a shoot off B grade shooter Spiros Halikiopoulos was the Overall winner shooting an 80/80. Second place in B grade went to Luigi Ciaramellano on 48/50. AA grade winner was

Eric Parletta on 79/80 over Matthew Stokes on 69/70. A grade places went to Jeff Raper on 49/50 over Anthony Carlesso on 47/50 and the C grade winner was Derek Hagger 42/50 over Evan Gunby on 41/50. This event is shot in conjunction with the Clem Thomas Memorial so Spiros's name will be added onto the 30 year old perpetual trophy.

Last, but certainly not least, came our big event for the weekend. Much was riding on this event, including two team shoots where Clubs would be vying for both the Graham & Ruth Michell Team trophy and the out-of-circulation-too-long 'Dontlingatoolonga' trophy (the red-back spider toilet seat trophy shot for by the three Clubs of Monarto, Lake Albert and Wilkawatt). The winner of the event would also join an elite group of names already on the Graham Michell Memorial trophy, so a lot was at stake on this event.

Vince Petraccaro of Grand Nissan, Morphet Vale was our major sponsor for the weekend and we gratefully acknowledge his sponsorship on this event. Thanks Vince.

Event 7, the 50 tgt Grand Nissan Points Score Championship was the final event on the program.

Being a 'Team shoot' as well, the added pressure of teams shooting shoulder-to-shoulder, added to the excitement. Monarto fielded 4 teams, International two, Lake Albert two, Wilkawatt one and Southern, one team. There was no favouritism shown, the squads drawn out in order of shooting by Lake Albert President, Len DeCandia. Off they went to do battle.

Home Club A-grade shooter Ryan Foster was the overall winner of this event shooting a very creditable score of 149/150.

Ryan Foster wins the major event, GRAND NISSAN PS

Well done Ryan. Other places in A grade went to Kelynn Prescott 144/150 and 3rd place to Peter Claridge on 139/150. Peter Rundle on 147/150 took out first place in AA grade over Chris Pulford on 146/150 and Noel West on 146/150. Robert Umback won B grade shooting a 134/150 over Luigi Ciaramellano and Colin Jacobson 131/150. C grade was won by Derek Hagger on 131/150 over Aemel Nordin on 130/150 and R Frocione on 125/150.

Smiles all round as the team scores were announced. Monarto No 1 team were victorious shooting a combined score of 704/750; team members being Noel West 146/150, Allan Vilcins 140/150, Peter Claridge 139/150, Rob Clark

143/150 and Paul Kelly 136/150. This meant that our Club had regained the Dontlingatoolonga trophy from Wilkawatt Gun Club, and had also regained the G & R. Michell trophy from the International Clay Target Club. Ryan Foster now has his name engraved on the Graham Michell Memorial trophy.

Club President, John, kept the crowded Club house entertained with the drawing of the extensive array of raffle prizes while the final High Guns were being worked out in the office. Liz Frahn, co-cooker of the delicious roasts on Saturday night, took out the major prize of a 10 litre Jim Beam keg. Lucky Liz!

Overall High Gun for the weekend went to Matthew Stokes (Port Augusta) on 266/275. A grade High Gun: Ryan Foster (Monarto-Alexandra) 253/275, B grade High Gun: Robert Umback (Southern) 244/275, C grade High Gun: Derek Hagger (Monarto-Alexandra) 236/275, Veteran High Gun: Bob Cook (SAGC) 246/275, Ladies High Gun: Deb McPherson (Lake Albert) 251/275,

A shoot as big as this one does not come about without a lot of hard work from the Club's Committee and its members. Many thanks to my fellow Club members for all the hard work leading up to our major shoot of the year (even the local Council got in on the act by grading the last stretch of dirt road into the Club).

Heart-felt thanks must also go to our major sponsor Vince Petraccaro and Grand Nissan, Morphett Vale, for your willingness to support our Club on this occasion.

Many thanks also go to our other sponsors in: BP Eastside Bait & Tackle, Burgess Paint & Panel,

Thank you to the referees and scorers for keeping the shoot

running smoothly so we were able to finish before 4 each afternoon.

We suffered no major glitches or catastrophes over the weekend (though possibly a bit of bruising after a couple of falls), and when John's finger suffered a 'bite' from his gun, the gaping-wound was quickly attended to by ex-nurse Bev, who professionally cleaned and bound it up. John was re-squadded to shoot in a later squad. The trauma must have woken him up, for he came in with a score of 24/25.

What a fabulous weekend. We took a gamble by adding the Friday events to our program and it certainly paid off. Next year we look forward to an even bigger and better shoot.

Lastly I thank all of the visitors, the campers in caravans and tents, who all helped to make this a very special event. Thanks for your company, and here's hoping we get to see you all at our 34th Anniversary shoot next year.

Cuzzo's Ramblings

**JUNE
2015**

Although the second half of this writing period during April was fairly quiet shooting wise, the first half during March definitely wasn't. For the Trap shooters it included their two premier events of the year, the New Zealand and Australian Trap Nationals. For the Skeet shooters it included three of my favourite events each year. The South Australian Skeet Carnival, Tamworth's annual two-day shoot and finishing a lot closer to home with the Bairnsdale 400 Skeet Shoot.

SA Skeet Carnival

Although the South Australian Skeet Carnival has always been one of my favourites and over the years I have enjoyed many great trips to Adelaide, I have unfortunately not been able to attend any of them lately. During my last "retirement period" I inherited a job at Phillip Island which sadly always falls on the same weekend. Up until last year and for as long as I can remember, this event was always conducted at the old SA Gun Club, which was also the venue for five very memorable Trap Nationals between 1964 and 1983, when the event eventually outgrew the facilities. And it wasn't caused by an inability to conduct the Skeet event, as 1983 was the inaugural year of separation. Like several other traditional venues, a steady increase in attendance simply meant that even if the layouts could be "stretched" to accommodate the shooting, basic infrastructure items like toilets, parking and the clubhouse finally burst at the seams.

"Haydo" Cuts Loose

Although the move just up the road from SAGC to SA International last year alleviated some of the facility and infrastructure shortcomings, three layouts still proved barely adequate to get the job done and it's hoped that another Skeet field can be added before next year's Carnival. Notwithstanding the problems of running

Nathan Campbell

and saved the day for

out of daylight, I'm told that it was a great weekend, especially for Hayden Mountjoy. He showed that he is now definitely one of the "forces to be reckoned with" by winning the support event (where Pedro DaSilva pushed him to 163), the Doubles and the Overall High Gun, thus adding another 20 points to his Hall of Fame tally. Other winners were

Mal Briggs in the 20 Gauge, Barry Moss in the Handicap (off scratch) and local shooter, Nathan Campbell who prevented a Victorian whitewash by proving too strong in the main 12 Gauge event and posting the sole 100 to win outright.

New England Skeet

Tamworth Gun Club's Annual Skeet Shoot has been one of the feature events on the Skeet calendar for longer than I can remember. I started attending it in the late 70s and can't remember a bad one. Their Gun Club held the National Record in both Trap and Skeet for many years and they conducted numerous State Carnivals prior to Wagga becoming the State Ground. During my tenure in the US, one of their stalwart members passed away and his memory was honoured by establishing a perpetual Skeet Carnival High Gun board. Upon my return I couldn't get up there fast enough to try to get my name on such a prestigious memento. This year Sarah Bennett made history by becoming the first lady to put her name on the Geoff Walters Memorial board and in doing so dragged her husband out of obscurity and into the limelight by also making them the first husband and wife combo to have achieved this great feat. Go girl!

**Sarah Bennett adds

NZ Trap Nationals

During the 1980s the New Zealand Nationals was very high on my priority list. Great program, great targets, great people. Unfortunately my last visit was 1997. Our Tasman cousins had not yet split their Trap and Skeet Nationals and I was there to help contest the Glenn Trophy. The years may have passed, but the fond memories are still strong. This year Australia's usual strong representation dropped off sharply, probably

**Frazer Roberts –
New Zealand Single
Barrel Champion**

because of the close proximity of our own Nationals due to a date shift. Instead of winning about half the events our reduced contingent only managed one overall win courtesy of Frazer Roberts who won the Single Barrel.

All Wasn't Lost

However, we did OK in the High Gun sections with Mitch Iles winning the

Juniors and his grandfather cleaning up the Super Veterans and Glenn Kable's Overall High Gun win for Fiji certainly falls into the "grey area" category. Hopefully next year the status quo will be reinstated and our presence will return to eminence. Sadly the same date shift also prevented many Kiwis from coming over to play with us about a week later. This would partially explain why attendance in our Macintosh events dropped over 10% but clashing with duck opening and splitting up the events probably also played a part.

Australian Trap Nationals

I missed our premier Trap Shoot this year for the first time in ages but was interested to read the results. In my column in September last year I reported that Darryn Nicholls had eclipsed Steve Atkins' record of 1776 for the greatest number of consecutive hits ever in the National Double Barrel event and was now 2069 not out. By winning the event again this year for an unprecedented third consecutive time he has now progressed to 2685 not out and who knows what he'll do with that next year. Then he joined an elite band by winning the Grand Australian Handicap

from 25 metres and finally rounded the week off with a third Silver Australia Badge by winning the Macintosh High Gun. I for one have now joined the converts and firmly believe that if Mrs Nicholls little boy tried walking on water, his socks would remain dry!

Bairnsdale 400 Skeet Shoot

We continued the two and a half day format this year which allowed us to accommodate four squads, rather than the original three. However there's already talk of building another layout and at that rate maybe we can hold the Nationals there one year. Rough weather scared us on Friday but Saturday and Sunday were perfect. A number of good breaks were recorded with "Butterguts" again topping the list with 75. David O'Sullivan's frustration of two separate breaks ending two targets short on 73 was somewhat alleviated when he won the Overall High Gun easily with 295/300 from Danny Sajn who shot well all weekend to fill the runner-up spot. Doreen made sure the tucker was second to none and we're planning next year's event already.

April's Trivia Question

Arthur Melvyn Burgess was born in Cobarr on the 16th of March 1937, lived there his entire life and sadly passed away there on the 13th of July 2013 aged 76. He was the youngest of five children and the only son of Arthur (Snr) and Mary Burgess. Having the same name as his father was a fairly common practice in those days and this is probably the reason he was always known as Melvyn (or Mel) until gaining the nickname "Pud". His father was a leading businessman in the town

and Pud followed in his footsteps running a variety of businesses including the cordial factory, milk-bar, picture theatre and the supermarket. At various times he was also a wool merchant, butcher, gun dealer and in later years did some cardboard recycling, probably in support

of St Vinnies, about whose activities he was always passionate. The love of his life was his best mate's older sister and he married Darlee **Lex** Manns in 1959 and they had four children. Although he played football, tennis and later golf, his favourite pastime by far was Trapshooting, in which he went on to become a living legend.

A Chip off the Old Block

Both his father and grandfather were noted shotgun exponents so it's no wonder Pud carried on the family tradition. His first major win was the NSW Double Rise in 1952 at the age of 15 and he went on to win ten more State titles over the years. But the Nationals were his forte! I don't know when he started attending but his first podium was in 1959 when he was runner-up in the Double Barrel to the great Newton Thomas. His first win was the Champion of champions in 1966 and for the next 25 years he was constantly in the thick of the action, eventually winning his last

National Title, the Single Barrel in New Zealand in 1991. During this time he amassed a total of 13 National Championships and 10 Runner-ups which is the fifth biggest collection in history behind only Newton Thomas on 30, Doug Smith on 34 and Steve Atkins with 36 who is trying hard to wear down "Big Bad Bill" who heads the list with 40.

Multi Skilled

Impressive as this is, it's not the first thing that comes to mind when most of us old people think of Pud Burgess. That distinction goes to Team Shooting and for several good reasons. He won the NSW Team High Gun at least four times, maybe more, but that's just a side issue. He will be forever revered as the "godfather" of the Australian Mackintosh International Postal Team. And not just because his 27 appearances between 1953 and 1994 is the second highest in history behind Doug Smith with two more, or because he is the only person to ever win both the Overall and Mackintosh High Guns in the same year on two consecutive occasions in 1967 and 1968,

Melvyn Burgess and his four sisters. Wasn't he just the cutest little feller?

Pud and Lex on the day of the biggest win of his life

but because for many years he single handedly organised this supremely prestigious event as well as starring in it. Back then there were no computers and no matter how hard the Office tried to work it out manually, they always managed to forget someone or include a Kiwi or some other such oversight.

Enter the Cavalry

After watching this debacle unfold annually for several years, Pud decided to come to the rescue. He arrived at the Nationals one year with a large chalk board. Rumour had it that this was a left-over from his father's SP bookmaking business but the validity of that suggestion was never established and it now falls into the category of Urban Myth. Anyway Pud advised the Office that he could establish the Team for them as he knew everyone that "mattered" and vice versa and the rest is history. Beginning that year and for many years afterwards it became a ritual to report to Pud as soon as you finished shooting the National Points Score event. On that day Pud would always shoot on the first wave and then set up his board in a prominent place which for the rest of that day became the focal point and social gathering area of the entire Carnival.

Pud with a different chalkboard, this one showing his win in the 1976 National Trench Championship 193/200. Note his entry as M Burgess

The Draw Card

Making the Mackintosh Team has always been a major incentive for shooters to come to the Nationals. Half the overall winners will usually come out of the top dozen or so shooters in the country and most of the rest, other than the Handicap, probably out of the top fifty. But anyone in the top couple of hundred has at least an outside chance of "making the Team", which is why traditionally attendance rises appreciably on Double Barrel day which, until this year, has always been the start of three consecutive days of qualifying. Back then the cut-off point for selection into the Team was usually around seven or eight points down. Occasionally it may have been as low as four or five and in bad weather perhaps break into double figures but the general rule was to aim for seven or better if you hoped to get a guernsey.

Famous For a While

In those days you squadded on a daily basis and thus had some control over when you shot. Many of the top shooters liked to shoot late to decrease the waiting time until the shoot-off. This only served to increase the intrigue and add to

the entertainment as Pud would usually start the columns on his board at around fifteen points down and then rub out the higher columns as the lower ones filled, usually with a flurry as the last flight came in. Thus if you were not one of the "big guns" you could elect to shoot early, hope to get lucky and finish eleven or twelve points down and then stand around the "social circle" admiring your name "on the board" and accepting congratulation for the better part of the day until inevitably, at the eleventh hour, you missed the cut.

A Visionary as Well

For many people this was the high point of their week and more than enough to ensure their return the following year. And as Pud was a very astute character I'm absolutely sure he understood this clearly and thus fostered it, thereby becoming one of the pioneers of the concept of promotion and development, with which we still struggle today. Aside from his unquestionable shooting ability, Pud is universally renowned as one of the most likeable, hospitable, helpful and humble shooters of all time. If the dictionary was looking for the epitome of a true gentleman, they needn't look any further than Mel Burgess. Rest in peace my old mate! Returning to the question, the first correct answer drawn was submitted ironically by Robert "Garry" Scott of Eleebana in NSW.

A M Burgess – His shooting achievements are only a small part of why I refer to him as "The great Pud Burgess"

Almost the Demise

Since the start of this year the number of answers I have received to the Monthly Trivia Question has dropped off noticeably. After a while I decided that the concept must have run its race, was no longer of interest and I was seriously contemplating discontinuing it. However, last month an answer arrived fairly late that fortunately showed several earlier previous unsuccessful attempts to send it and close examination showed these to have been sent to cuzzo@a1 . . . rather than cuzzo@a1 . . . which I almost dismissed as an isolated example of dyslexia. Fortunately my inquisitive nature caused me to follow it up and sure enough the magazine's typeface was changed in January to a version that uses a single identical stroke for both characters and thus the confusion. I apologise to everyone that has been inconvenienced by this and I will endeavour to be more vigilant with my proofreading in future.

This Month's Trivia Question

Who is the only shooter to have won the National Skeet Championship whenever the event was conducted in South Australia? E-mail your answers to cuzzo@a1.com.au before the 15th of June and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

90 YEAR OLD PHIL JOHNCOCK

Lifetime member of Lake Albert Gun Club, Meningie SA

Phil Johncock

Born in 1925, this guy has been shooting for nearly 70 years, and probably, since before most of us were born. Some say he came out of the womb, smiling with a shotgun in one hand and a rifle in the other. He has so many sashes and trophies that they not only adorn the entrance to his home and the walls of his office, but they also spill out of his workshop.

Just out of school, he became the local school bus driver and there he met his dedicated wife Enid who to this day, after being married over 60 years, still walk hand in hand and are always together at the clubs around this area 3 or 4 weekends a month.

As Phil and Enid grew up and started a family, recreation on the weekends provided much family fun. It involved Phil's favourite interest – target shooting. Both natural talent and skill mixed with sheer determination has seen him rise within the sport and receive much recognition.

As he grew up through his teens, he was always known to be tinkering and inventing and he still does to this day, gun-smithing in his workshop at 90 years of age, playing with shotguns and always trying to come up with ideas to better improve his scores. He has put back into the sport over the years in many ways with nothing ever being too hard if it meant helping a fellow shooter. He is a well respected coach, and rightfully so teaching, training and coaching juniors and adult shooters alike. Phil has just recently brought 2 new juniors up into the higher grades and is currently working with a new junior shooter. He especially enjoys the company of his lady students, guiding them with a winning edge and these ladies have been affectionately tagged 'Phil's Harem'. He is always up for a chat and keen to provide valuable advice.

Phil has an impressive list of achievements that include but are not limited to holding many State titles and Championships in various disciplines of rifle shooting as well as DTL, Field and Game and Sporting. He regularly travelled interstate in his heyday making Zone and State teams. Phil often reminisces about the past, where he was and who he was shooting off against as the visitors to his home point at huge trophies sitting in cabinets around the home, forever a testament to his abilities. Phil still travels to

Walking the parade of honour

club shoots 2–3 times a month and is still quite competitive putting up very respectable scores in his 'A' grade, and just loves being amongst all his friends.

To celebrate Phil's remarkable milestone with him at our last Club shoot, we asked Phil to open our shoot, taking the first shot for the day. In his honour we asked 21 shooters to line up at the mark, some of these people being fellow shooters for 30 or 40 years. Lake Albert Life Member Keith Appelkamp called for a target and the 21 shooters fired at the target simultaneously to give Phil a 21 gun salute before the day's event began.

There was more to come for Phil at the halfway mark of the day. Everyone competing that day paused to form 2 parallel lines leading to the doors of the clubhouse. With guns cracked open, they were raised overhead forming an arch and a guard of honour for Phil and his wife Enid to walk through. In the Clubhouse, Phil was presented with his birthday cake and everyone sang 'Happy Birthday'.

More recently as age has taken its toll on his dominant eye, Phil spent weeks creating and mastering a system for himself so that he could still shoot competitively off his right shoulder using his left eye. He is known all around the traps for his excessively long 2nd shots vaporising targets when they're only a foot or two off the ground and the crowd erupts every time they see this happen and wonder if they could ever do the same.

An absolute gem in the eastern zone of South Australia. Thank you for all you've done and continue to do for this sport.

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Why Use Mental Rehearsal

Last month's article looked at "How I can learn Mental Rehearsal". In this article I want to look at why you should learn and use mental rehearsal.

Current research into education gets teachers and educators to examine the 'why' question first. When we look at why, we can understand how our goals are directly related to the vision of what we are trying to achieve. We can then evaluate the outcomes against what we were trying to achieve. So, last month's article was more of the 'how'. After you have read the reasons for why you should be mentally rehearsing, you will be able to revisit the last article and start doing it straight away.

Mental rehearsal is defined by John Syer and Christopher Connolly, *Sporting Body, Sporting Mind: an Athlete's Guide to Mental Training*, as the process of imagining yourself performing a specific movement or skill.

According to Graham Winter and Cathy Martin, *A Practical Guide for Sport Psychology*, mental rehearsal is a strategy that involves imagery to help solve problems and to develop automatic and confident performances. Whilst it can be used with team sports, it is in individual sports, such as archery, shooting, diving, gymnastics, etc, where a competitor's performance is a lot more controllable and therefore predictable, where it has the greatest application. Mental rehearsal focuses on the accurate and composed execution of skills.

Mental rehearsal allows athletes to actively plan and evaluate their performance at training and in competition. It gives you an opportunity to examine your weaknesses and plan ways to improve on them. Mental rehearsal, according to Winter and Martin;

- Reinforces and strengthens existing skills
- Speeds up the learning of new skills and concepts "problem skills"
- Improves mind-body reflexes
- Increases self awareness and awareness of important clues
- Improves concentration and confidence
- Decreases anxiety

Mental rehearsal is not just wishful thinking: it must be used in combination with other training and competition strategies, such as goal setting, visualization, relaxation, etc.

How can mental rehearsal be incorporated in to training sessions?

1. Establishing your goals: decide what you are going to work on in a particular training session. Your goals should be more than just the skills you are working on, but also the mental and emotional aspects, such as concentration.
2. Creating the scene: closing your eyes and taking a couple of deep breaths, let your muscles go loose and relaxed. Winter and Martin continue by stating that you should create in your mind the sequence you want to perfect. You need to be as vivid as you possibly can be and in as much detail as you can: you should hear, see, feel, smell, touch and even taste the situation you are trying to create. Be aware of the physical surroundings: what the layout looks like, the background, weather, etc.
3. Automatic mental rehearsal. You should now be visualizing at normal

speed, seeing and feeling yourself performing the skill or technique smoothly and accurately. Do this over and over until it feels comfortable.

4. Reviewing your skills. After the training session it is important to evaluate how the session went, especially asking did you practise the skills you had planned, and what improvements can you make for the next session.

Mental rehearsal can also be used during the competition. Winter and Martin outline the following;

Spend about five minutes relaxing, letting your muscles go loose and your mind go calm. Begin by creating the scene in which you will be competing as vividly and in as much detail as you can. Picture in your mind . . . what you are wearing . . . who else is there with you . . . feel the atmosphere around you . . . sense the excitement.

Go over the performance in your mind, mentally rehearse your goals/strategies/particular skills or techniques. The mind can't tell the difference between what is real and what is imagined, so it can be convinced through visualization and mental rehearsal that you have already done the shot. Therefore there is no need to feel anxious or fearful, and because there is no self-doubt it will be easy to hit the target.

Use The Black Box Technique (subject of previous articles) to deal with distractions before and during the competition. Visualise yourself handling all situations in a calm, focused, confident and composed way. Remember that composure, confidence, calmness, etc, are components of being mentally tough.

What are the important points to remember for effective mental rehearsal.

- Always make your mental rehearsals as real and as vivid as possible, so your mind and body will respond most effectively to the rehearsals.
- Except when initially going over a new skill or technique, always do your rehearsals at normal speed.
- Spend at least 15 minutes four or five times per week to practise mental rehearsal because they need to be practiced to get them right also.
- Mental rehearsal is not a thinking exercise. Imagine as much as possible to recreate a realistic impression in your mind.

Whilst mental rehearsal can be effectively used for all shooting disciplines, it is most useful for skeet and sporting, because the path of the target is known to the shooter before the target is called for. Therefore during competitions shooters can and should mentally rehearse themselves shooting the target as they position themselves on the pad. Because in their mind they have already shot the target, they can keep the self-talk down and limit self-doubt. Because your mind already believes that the target has been shot, then it should let you perform the task (for real) with ease and no fear. It is important once the shot has been fired and the target has been hit to again rehearse in your mind what you have just successfully done, (that is, relive that shot again in your mind), before you walk off the mark. This will reinforce success.

Mental rehearsal should be an important part of your mental skills program. It is very useful in helping the learning of a new skill or technique and it is also useful when recovering from an injury or after a long lapse in competition. It is also an important tool for limiting anxiety and improving concentration and focus.

Open Shoot and Northern Zone Carnival

HOSTED BY GUYRA GUN CLUB

Sash winners: Back L-R: Ben Rumbel, John Reid, Nick Tanner, Libby Clarke and Brad Henshall; Front L to R: Geoff Baxter, Callan Moffatt, Nik McRae, Tony Ryder, Greg Brunson & Brenden Watt

The well maintained Guyra grounds were the venue for the two-day February Open Shoot and Northern Zone Carnival on Feb 28 and March 1. Ninety-three shooters travelled from northern NSW and southern Queensland to compete in five challenging events.

The club was supported by five major sponsors and several other sponsors, who contributed significantly to the success of the shoot. The major sponsors were: Gramarc Liquid Waste; North West Plant Hire Tamworth; Ducats Armidale and Guyra; The Hiscox Family; Kim Nealon and Lockaway Safes. Meadows & Sckaf Memorial and the Brisbane Gun Club Revival

BRISBANE GUN CLUB

MARCH 21, 22, 2015

Justin Hitchens OA HG

The Brisbane Gun Club experienced an extraordinary renaissance on the weekend of 21 and 22 March with a strong roll-up of 80 shooters per day from 14 clubs, including long distance visitors from Hobart and Port Moresby.

The two-day event was first and foremost a memorial shoot and mark of respect for much loved shooting identities George Sckaf, Tom Meadows and Thelma Meadows, but the enormous regard for these legends was not the only presence at the ground. It was as if they were there in spirit, helping to orchestrate a concerted effort by the BGC committee and members to revive the club's spirit.

Many visitors and locals remarked on a new atmosphere and a palpable lift in morale, a point demonstrated by the fact that virtually everyone remained at the club late on Sunday for the presentations.

Unfortunately the weather was not so kind with frequent heavy showers drenching proceedings but at the risk of overdoing a well-worn cliché, the weather could not dampen the enthusiasm for the shoot.

Event 1 on Saturday was a 30 target Double

Barrel cash divide with nine shooters taking the possible.

Event 2 30 Target Medley David Rodger 75/75.

Event 3 50 Target Double Barrel George Sckaf Memorial Trophy Mark Davis 204/204.

Event 4 30 Target Continental Justin Hitchens 116/116.

Event 5 50 Target Points Score Meadows Memorial Trophy John McLennan 150/150.

Event 6 30 Target Handicap Travis Telfer 55/55.

Overall High Gun Justin Hitchens 337/340, Graded High Guns AA Tony Rogers 336/340, A Nolan Head 328/340, B Edward Gallagher 323/340, C Pasquale Bartilomo 308/340, Veterans John McLennan 330/240, Ladies Kelly Simpson 320/340, Juniors Pieter Pretorius 306/340.

There could not have been a more fitting occasion to launch BGC's revival. The club is harnessing its greatest asset, its members, to develop a strategy of growth for the years ahead. Part of that process is to develop a master plan for the site and develop a staged timetable for construction of new facilities including a new clubhouse.

BGC will host the clay target events of the 2018 Commonwealth Games and will use that shot in the arm to connect more broadly with the untapped potential of the large South East Queensland population base.

Brisbane Gun Club is unique in that it's only minutes from a vibrant metropolitan CBD and international airport, only an hour from the Gold Coast and an integral part of the most comprehensive sports shooting complex in Australia.

In the months and years ahead, the club expects a marked increase in participation and membership, but our greatest objective is to have BGC universally known as Australia's friendliest gun club.

Brisbane Gun Club would like to again thank their valued sponsors – On Target Sporting Arms, Dibcorp, Peter Freeleagus, Bendigo Bank, Spartan Global White Flyer Targets, Qld Police Clay Target Club, Ashgrove Chiropractic Clinic & Attitude Design.

West Wyalong Remembers Warren Brettschneider

The West Wyalong Clay Target Club always hosts a shoot on the fifth Sunday of the month and in March the club held the Warren Brett-schneider 100 target Trophy shoot.

Geoff and Pat Brett-schneider had donated a very handsome glass trophy in memory of their son Warren who was a member of the West Wyalong Clay Target Club.

There were high hopes for a good group of shooters for the event but unfortunately this did not eventuate with only three squads attending, mainly made up of local competitors.

The ground and traps were all in readiness for an early start and Graham Duncan had organised for the shoot to be run at the skeet layout rather than the clubhouse some distance away. This included the urn and coffee/tea making facilities.

Club Secretary, Sue "Magic Lady" Turner decided to help Graham by carrying a box of cups to the tea making table. However, Sue spotted a pair of beady eyes staring at her from behind a mug in the corner of the box. "Eek! A Mouse!" The box crashed to the ground and husband Don rushed to his good wife's assistance, soon to be joined by daughter Kate, as well.

Emalene from Beekom ambled over to give advice, while rather feeble and tentative attempts were being made to remove the rodent. Eventually the mouse got sick of the whole process and amid considerable squealing leapt from the box and made a break for the mallee. Big mistake – CLOMP! went Emalene's Blunnie and the offending beast was unceremoniously picked up by the tail and hurled 20 metres into the bush.

When the enthralled spectators had stopped laughing the 50 Target Skeet Handicap could get underway.

Graham Duncan has been shooting the skeet discipline very well lately using his sporter gun and he was able to survive the protracted shoot off to win the event with a total of 82/88. Mick Munro handled the conditions very well and finished in second place ahead of Jason Anderson who claimed third.

There was a break for lunch before the first squad was called to shoot the 50 Target Graded event.

Once again Mick Munro asserted himself taking B Grade with a score of 47/50. Bruce Dent, who has been a bit out of sorts with his shooting lately won C Grade with his 45/50 while Graham Duncan and Alan Bound shared second in C Grade. Geoff Brettschneider was on hand to present the trophy for the High Gun to Mick Munro who won with a score of 94/100.

Success for Coonamble Golden Grain

COONAMBLE CLAY TARGET CLUB

APRIL 11 & 12, 2015

The Coonamble Annual Golden Grain shoot held on the 11th and 12th of April had record numbers of over 90 shooters on both days, due to the country hospitality, weather, food (complimentary yellow belly and yabbies a big hit) and White Flyer targets. There were many shooters from QLD, NSW and VIC from as far as Cunnamulla to Wangarratta, Sydney, Bathurst, Orange, Cessnock and our surrounding Western Zone. The shooters spoke highly of the clubs general improvements to the grounds, adding another layout with all Canterbury traps, sails for shade and overall progression as a club.

The first event was 25 Target Double Barrel Cash Divide with 26 shooters sharing the prize money.

The second event was 30 Target Chandler Contracting Mixed Targets in C Grade 2nd was Dean Murray (Warren) 41/50, 1st David Waters (Scone) 45/50, B Grade 2nd Jon Russell (Murrumbidgee) 44/50, 1st Richard Marshall (Singleton) 45/50, A Grade 2nd Mark Meers (Coonamble) 47/50, 1st Waylon Bright (Coonamble) 48/50, After a lengthy shoot off of 5 shooters who shot 49/50 in AA Grade, Paul Turner (Cessnock) came 2nd, 1st was Col Betts (Brewarrina) and John Wason (West Wyalong) received overall.

The third event for the day was 50 Target Geronimo Double Barrel with 18 shooters shooting 50 competing for the overall honours. The results are as follows, C Grade 2nd David Waters (Scone) 50/55, 1st Dean Murray (Warren) 51/55, B Grade 2nd Chris Kingham (Orange) 48/51, 1st Winston Jones (Orange) 49/50, A Grade 2nd Brenton Kelly (Coonamble) 86/87, 1st John Wild (Warren) 89/90, AA Grade 2nd Mark Rogers (Mudgee) 83/84, 1st Peter Holmes (Tamworth) 84/85 and Overall Winner was Paul Turner (Cessnock) 90/90.

After the shoot NRC buses kindly donated their time and transport. They collected all the

shooters from the Clay Target Club and motels in town to the Coonamble Golf Club for drinks and a lovely meal. Jos from Brewarrina and Grant Spencer from Orange entertained us for the night, thanks boys it was enjoyed by all.

Sunday was another bright and sunny day that greeted shooters for the 25 Target Points Score Cash Divide. With a few sore heads the next day and a few Orange boys cowering from the sun, only 10 shooters split the prize money.

During the 2 day shoot there was an inter club challenge between Orange and Coonamble called the 'Fire and Ice Challenge'. After being accused of holding the bus up, making their night longer, and the Orange Team Leader losing his way (there is an organisation to help with that) Coonamble took empathy towards Orange and bowed down graciously. Congratulations to Orange for the shield, their support and numbers. We would also like to thank Cessnock and Warren for the number of shooters that attended.

The High Guns for the 2 days were Juniors Ollie Rogers (Mudgee) 250/285, Ladies Stephanie Mills (Cunnamulla) 254/285, Veterans Peter Holmes (Tamworth) 271/285, C Grade Dean Murray (Warren) 252/285, B Grade Winston Jones (Forest Reef) 254/285, A Grade Waylon Bright (Coonamble) 272/285. A shoot off for Overall High Gun was required with Robert Hosking and Glenn Harvey who both finished with a score of 277/285. Robert Hosking (Dubbo) taking honours with Overall and Glenn Harvey taking AA.

Coonamble Clay Target Club would like to thank all of their sponsors and shooters who made it an enjoyable two day shoot. The support from everyone including our helpers made this a very successful event for our club. Hope to see you all next year for another enjoyable weekend.

Victorian NEZ Night Points Score

MATHOURA GUN CLUB MARCH 27, 2015

The March 2015 shoot at the Mathoura Gun Club was well attended, with four full squads of shooters from a very wide area arriving to compete against each other, mainly for the Overall Sash of the Victorian North East Zone, Night, Points Score Championship. Weatherwise it could not have been much better, a clear night with no wind at all, possibly a little cool later in the night.

Event One was a ten target Continental Cash Divide and Numurkah/Shepparton member John Fothergill was the only full score of 10/10, and that gave John all the 1st place cash. Six others all came in with a 9/10 score and they all shared the 2nd place cash, they were Mathew Forster, Tanya Fothergill, Paul McKendrick, Bruce Cook, Tim Maher and local member Tom McCluskey.

Event Two, a 15 target Points Score Cash Divide, and this time a young Mathoura member led the way, scoring a 43/45 to be the only 1st placegetter, and he was Carl Scott. Two others scored one less point, a 42/45, and they were Alan Patten (Num/Shepp), and Deniliquin's Tim Maher, both sharing the 2nd place cash.

Next was the main event, a 25 target, Victorian North East Zone, Night, Points Score Championship, and this time Deniliquin shooter, Tim Maher, really outperformed all others using just one second barrel shot, out of 25, to score a magnificent and unmatched 74/75. That score earned Tim the Overall Winners Sash, and the 1st place in A

Grade Trophy. Well shot Tim! The B Grade 1st was claimed by Alan Patten having shot a 59/75 score, and the C Grade 1st trophy was claimed by a new Mathoura member, April Thompson, April shot an excellent 62/75 score to claim her win. Good shooting April, especially under lights.

The shoot ran smoothly all night, and without the need for any shoot offs for the entire program, even with the splendid attendance of so many competitors, the shoot and even the presentations were all over by the very respectable time of 10.30pm.

Kempsey Clay Target Club

It was quite a mild day on April 19th for the Kempsey monthly shoot. The temperature was 22 degrees with a mild breeze. Our AGM was held before the shoot but I will not go into full details of the meeting, except to say Ted Baker was elected President, Jenny Baker- Shoot Secretary and Margaret Burke Administrative Secretary. The club is in a sound financial position and plans are underway to extend the club house, carry out some OH&S work and improve the amenities block.

The shoot consisted of 3 events, 25Tgt DB, 75 target Champion of Champions and 50Tgt Points Score. Results for the 25 target DB AA 1st Kerry Miller 25/25, 2nd Tony Ryder and Peter Brenton 24/25. High Gun for the day was Steve Saul 288/300. Well done Steve, that art work on your gun has really paid off.

It was good to have Gary Bartlett and his wife visiting us again and look forward to seeing them in the future. I would also like to welcome the couple who made the long journey from Queensland to participate in the shoot as well as the Port Macquarie, Coffs Harbour, Taree and Grafton shooters. Barry from Grafton has been shooting such good and consistent scores that before long he will be going from A. grade to AA Grade. We will be watching out for you Barry.

We had a couple of walking wounded, Ken McWhirter and Dennis Joel. Even though they could not shoot, they came along to enjoy the afternoon, we wish them a speedy recovery and hope they will be back on their shooting marks ASAP. The shoot was run in the usual professional way by Ted and Jenny, and members assisted by keeping the traps full, well done and thank you. The canteen ladies put on their usual magnificent afternoon tea, thank you ladies. I think all agreed it was a great afternoon and we are looking forward to the next shoot.

37th Skeet Carnival

TAMWORTH CLAY TARGET CLUB

MARCH 13, 14, 15, 2015

Tamworth Clay Target Club held its 37th Annual Skeet Carnival on 13th, 14th and 15th in generally good weather conditions without the storm like last year which caused an end to the carnival before the last event.

Some 30+ shooters attended on the first day, Friday, to compete in a 50 target 20 gauge championship followed by a 25 pair doubles championship.

Saturday morning saw 53 shooters nominate for the next four events over the Saturday and Sunday with three championships and a handicap (all 50 targets) to be shot.

It was great to see some new shooters attend the carnival for the first time, including Jeremy Clarke (176/200) from Lismore who was only two targets short of the C Grade High Gun, and of course so many of our regular supporters from Bathurst, Brisbane, Bundaberg, Cecil Park, Cooma, Gold Coast, Newcastle, Hermidale, Narrabri, Mackay, Townsville, Lismore, Rockhampton and Toowoomba as well as our local club shooters.

The much sought after Geoffrey Walters Memorial High Gun was won by Sarah Bennett (202/208) from Bathurst club, after prevailing in a shoot-off with Adam Buhagiar (AA Grade) and being the first lady shooter to win the trophy which was presented by Geoff's widow Pauline.

Pauline Walters and Sarah Bennett

Tracey Ashton (186/200) backed up from last year to win the Lady's High Gun for the second year in a row and local shooter Clinton Weatherall (190/200) shot really well for the weekend to take the B Grade High Gun as did club stalwart John Cassin (50/50) who overalled the CPC Auto Components championship.

Last Year's Junior High Gun Winner, Sam Smith (191/200) from Brisbane looked like a good

Jeremy Clarke

contender for the A Grade High Gun going into the last event, but couldn't get around Colin Sim (193/200) and took the Graham Wilson Memorial Junior High Gun for the second consecutive year.

The Northern Zone Skeet Team was selected over the 100 targets on Sunday with Jack Cunningham, John Cassin, Clinton Weatherall, Rod Nicholson, Dave Michie and Rod Taylor the top six qualifiers.

The carnival was kept running smoothly by Shoot Marshall Ben Buhagiar and shooters were well catered for by Janelle Tongue and the Loomberah Ladies in the new kitchen.

Joe Marshall and Digby Richards did a great job with the handicap cards and had them ready in good time for the travelling shooters to head for home.

The traps were well serviced and kept loaded with White Flyer targets by four excellent trappers from Farrer Memorial Agricultural High School.

Shooters competed for cash trophies again this year thanks to the generous sponsorship of John Guberina of G Brothers Mercedes Benz at Mona Vale, Colin Sim of CPC Auto Components and local sponsors Weatherall Engineering, Ken Brady's Bob Jane T-Marts – Tamworth and the Wilson Family.

By all accounts, shooters enjoyed the shoot and that is very pleasing to the skeet committee who continually strive to maintain and improve what has become one of the main events on the skeet shooting calendar.

Full results have been forwarded to the results section of the CTSN.

Ball Trap Shoot at Echuca

The April shoot at the Echuca Clay Target Club was really a novelty shoot as all three events were cash divides, and yet five full squads were attracted enough by the program to attend, also the superb weather may have also influenced some to try out their shooting prowess. A clear blue sky, 24 degrees, with a very gentle southerly breeze made for very comfortable shooting conditions.

Event One, a 25 target, Ball Trap graded Cash Divide, and Steve Atkins took out AA grade 1st place cash, with Steve Traill coming 2nd in AA grade, Glen Rathbone came 1st in A, with 2nd place cash shared between Warrick Kely, and Noah Callandro. B grade 1st was Peter Watkins and Craig Scott, with C grade 1st collected by J Knight, and 2nd place in C grade cash going to Emily McCluskey.

Next Event on the program was a 50 target, Points Score Graded Cash Divide, and Bendigo member, Tony Moroni, demonstrated to all how to shoot a points score, by using just

one second barrel, and scoring a magnificent 149/150 score, that earned Tony all the 1st place cash in AA grade, 2nd in AA was Glen Rathbone, A grade 1st was Geoff Palmer, and P Woods came 2nd. B grade 1st was collected by J Knight, and again, Emily McCluskey, picking up the 2nd place cash, C grade 1st was T Collins, with April Thompson taking out 2nd place cash in C grade.

Event Three was a 25 target Handicap, and by

this time of day the gentle breeze had developed into a fairly windy southerly, making the handicap shooting reasonably difficult for back mark shooters, and yet Echuca member, Warrick Kely, shooting off the 25 metre mark, had no difficulty shooting all 25 targets, and because he was the only shooter that did shoot all targets he claimed all the 1st place cash. Well shot Warrick! Sharing the 2nd place cash was P Watkins and G Rathbone. 3rd place cash was shared three ways with S Traill, T Collins, and T Rathbone.

An Echuca member, Robert Viney, has generously decided to donate an "Encouragement award" in the form of a Sash, to a deserving shooter for each monthly shoot for the year, and at this shoot the recipient was Colbinabbin member, Tash Collins, and Tash was quiet excited as it was her first ever Sash won. Congratulations Tash!

A smoothly running shoot all day, and without the need for any shoot off's, finishing, even the presentations, by the early time of 4.15pm, giving all who attended an early start home.

Max Feldtmann Memorial

COSGROVE GUN CLUB

Max Feldtmann was a Founding Member, Life Member and Past President who held the position for over 25 years, a true gentleman in all aspects of life and well respected competitor as he travelled throughout Victoria and NSW quite often with Vin Ryan, the Cosgrove members along with his wife Una and family were quite pleased with the turn out and calibre of shooter that came to contest the events.

A warm to hot day topping 29 degrees greeted 65 shooters who contested the Max Feldtmann Memorial Shoot at the Cosgrove Gun Club held on the Victorian Labour Day long weekend. The day began early for some, as the kitchen was supported once again by the Dookie/Cosgrove Hospital Ancillary who put on a great feed for

Ch/Ch OA Daryl Hunt and Una Feldtmann

all those attending and a splendid social day was enjoyed by all whom attended.

Event One was a 30 target Champion of Champions which saw 7 shooters score the possible 50/50. It took a further three rounds to find an Overall Winner in Daryl Hunt from Wangaratta on 125/125 and receive a Puma .22 rifle and scope, Russell Felmingham who donated the rifle was the one to push Daryl along and won AA Grade on 124/125 and John Pay came second on 99/100, A Grade had Matthew Appelby and Les Comensoli both on 49/50 shooting off with Matthew succeeding on 72/75 and Les one behind, B grade saw Luigi Rech on 98/100 and Bob Foster on 49/50, C Grade was won by Mark Large on 47/50 and Jim Old on 46/50 to receive second place. Thank you to Stewart Gillman Internationale for

HC OA Pat Guida and Una Feldtmann

donating the Overall and Grade sashes for this event.

Event Two was the 30 target Handicap and with a Miroku Shoot Gun up for grabs, the pressure was on. Eight competitors weathered the pressure and shot true, Pat Guida showed us how it's done, blitzing a final score 66/66 off 25 metres to win, Toni Hogg kept Pat honest taking out second and winning a John Deere Lawn Mower donated by Haeusler's of Shepparton, Pat Calandro came third on 62/63 winning an Echo Brush Cutter donated by Shepp City Garden Equipment of Shepparton and fourth went to Tony Castaldo on 49/50.

Event 3 was a 30 target Double Barrel Championship which saw 5 squads shoot the possible, the shoot off continued till 8 shooters where left and at dusk the shooting was stopped for presentations of the first two events and the lights were turned on. After another round the field remaining was, Craig Asquith, Lee Fitzgerald, Tony Rohrlach, Nick Kirley, Pat Guida and Darren Saunders, but it was Nick who shined, shooting 142/142 to take Overall Sash

HG Nick Kirley and Una Feldtmann

and the Cash Prize, followed by Lee on 141/142 and Craig on 140/141, A grade was won by Geoff Walls on a credible 106/107 and Jim Kelly on 52/53, B Grade was won by Peter Gorrie on 29/30 +17 over Slap Comensoli on 29/30 +16, C Grade was won by Toni Hogg on 30/30 +14 over Jo-Anne Ford on 29/30.

Many thanks to the Dookie/Cosgrove Hospital Ancillary for a splendid feed as these events are fund raisers supporting a local community and district.

Thank-you to our Sponsor's and all the shooters that attended and helped out during the day, and a special thank you to all the Members that worked tirelessly throughout the day and lead up to the event.

Record attendance for Golden Cartridge Carnival

ORANGE CLAY TARGET CLUB

A record number of 163 shooters made their way to Orange NSW to attend the annual two day Golden Cartridge Carnival, and what a shoot it was. The Orange club were excited to see so many shooters attend and are proud to see the Golden Cartridge weekend going from strength to strength each year something must be going right, and from a club's perspective it's great to see the hard work pay off! I need to thank the many travellers this year, particularly from Marconi and NSW Gun Clubs, Coonamble Gun Club, and the big effort from Michael and Greg from W.A. I can't mention every club that had a member or three at our shoot, I can only thank every single person for supporting us.

To our magnificent sponsors Hansen's Optometrists of Orange, every year you come on board and we value your support immensely. To Greg Coleman and OSA for sponsoring the H/G, thanks Greg, we never have to ask, every year you turn up and give us support, we appreciate it. Michael and Kay Hunt from Hunt's Shooting Supplies, sponsors of the sectional High Guns, thanks Michael and Kay, your contribution is greatly appreciated and has also been ongoing for a number of years now. To Beretta Australia and Horsley Park Gun Shop, we needed your help this year to make this shoot a success and you didn't let us down. And last but not least – Darryl Weal from Gunsmoke Bathurst, sponsors of the Handicap – thanks Darryl, we don't need to ask for your support, we don't automatically expect it either, however, you generously always put your hand in your pocket and sponsor this club, this shoot and throughout the year. Thanks again.

Friday afternoon came around and already the caravan park was full. All six traps were open for practice and practice they did for hours, anyone would think the competition was going to be hot. A free BBQ was on offer for anyone camping over that night and a light beverage was in order.

Saturday kicked off with Event 1 – 25 TGT P/S. 1st in C grade was Alison Hibbert, 2nd Douglas Ferguson, 1st in B was Tony Dolbel, 2nd Kay Hunt, 1st in A was Peter Hayman, 2nd David Player, 1st in AA was Wayne Dunbar, 2nd Joe Camilleri. Overall was Grady Evans from Bathurst with a fantastic 168/168. Can I say looking through the scores young Alison's names pop's up quite a bit – who is this young girl one might think? – well, it's the daughter of no other than the famous Agro/Rosco/Iceman Hibbert. Ross appears to have a battle on his hands in years to come to keep this girl at bay. Well shot during the weekend Ali, great to see a father and daughter team getting about the traps, camping in swags and shooting the odd fox.

Event 2 was the 25 target S/B. 1st in C grade was Robbie Newton of Bourke, 2nd Mitchell Collins, 1st in B was Jason Peters, 2nd Jarod Schiller, 1st in A was Kevin Hatch, 2nd Richard Hosie, 1st in AA grade was Tony A, 2nd Alan Hurford. Overall was won by a great club supporter in Charlie Sherry. Charlie attends many Orange shoots during the year (and years) and it was great to see him take out an O/A event – well done Charlie, you're the S/B champion and a champion bloke to go with it.

Club President with OA PS winner, Grady Evans from Bathurst

OA SB winner Charlie Sherry

Event 3 – 50 target D/B. 1st in C grade was Alison Hibbert, 2nd Ben Tranter, 1st in B Jarod Schiller, 2nd Chris Kingham, 1st in grade was Peter Hayman, 2nd Mark Meers, 1st in AA was Glen Castellaro, 2nd David Crane. Overall was Arty Del Ben (split O/A with Glen) with a fine unbeaten 225. Arty's another wonderful supporter of the club. Does that mean technically you have been runner up 2 years in a row Arty? – next year!

Sunday – Event 4 – 45 target Mixed Targets. 1st C grade was once again was Alison Hibbert, 2nd Douglas Ferguson, 1st B grade was Lauren Love, 2nd Kay Hunt, 1st in A grade Manuel Gomes, 2nd John Lewis, 1st in AA grade was Tony A, 2nd Arty Del Ben (split). Overall winner was Robert Thompson from Cobar with 99/100. Well done Robbie – you need to work on that call mate.

Event 5 – 25 target Handicap. The best shoot-off all weekend in my opinion. The club tried to get the next wave out to start the following event (in order to get everyone home on time), but nobody was moving from this shoot-off. 5th place Peter McDonald 64/65, 4th place Chris Collins 66/67, 3rd place Karen Berry 67/68, 2nd place William Brain 87/88 and the winner – Ben Tranter 88/88. What an effort for a C Grader to walk, and walk, and walk and not get overawed by the occasion. Well done Ben, nice \$\$\$\$\$\$ too!! Steve Caltabiano is your new best friend I believe!!

Event 6 – 15pair D/R. 1st in C grade Ellen Bevan, 2nd Douglas Ferguson, 1st in B grade was Jarrod Barraclough, 2nd Lauren Love, 1st in A grade Waylon Bright, 2nd David Player, 1st AA grade Glenn Barton, 2nd Frazer Roberts. Overall – Glen Castellaro 60/60.

Well that only leaves the High Guns – and they were: Juniors – Nathan Burt, Ladies – Wendy Barton, Veterans – Ray Welch, C Grade – Douglas Ferguson, B Grade – Lauren Love, A Grade – Manuel Gomes, AA Grade – Peter McDonald. Overall for the 4th time and 2nd year in a row was Glen Castellaro – 278/280.

A massive thanks to all our loyal sponsors, our new travellers and our loyal travellers. Looking around the carpark I saw travelling families such as the Bartons, the Hibberts and the Schillers and many many more and we understand the cost involved in going to a 2 day shoot with a family, all we hope is you have a great weekend and come back again next year.

Oh yeah – one last thing – bad luck Coonamble – (smiley face) – the best club over the weekend really did win.

Good luck everyone and thank for coming – Up the Rabbits.

Wangaratta Clay Target Club

Fabulous Fab wins Overall Skeet

Absolutely perfect weather welcomed a good turn up of regular and visiting skeet shooters at the Wangaratta clubs March Skeet shoot, Sunday 29th. Another terrific day of skeet shooting was enjoyed at our clubs first rate facilities. Some top scores were shot during the day and everyone went home happy with the excellent targets and hospitality which the club is well recognised for.

L-R: Brian Reid, Mark McDonald & son Lachlan, Andrew Menegazzo, Phil Smith, Fab Francione, Peter Finn & David Jackel

O/All & AA top skeet marksman Fab Francione dropped only one target during the event, producing a score of 99/100. One target behind, local skeet shooting legend, David Jackel finished with 98/100 winning 2nd place. Numurkah-Shepparton club member Peter Finn had a nice win in A grade on 96/100 placing Mark McDonald in 2nd place on 94/102. Club treasurer Phil Smith went up a grade on the day after a result of 98/100 winning B grade, with Brian Reid two targets behind in 2nd place. Reid has been a student of the internationally famous USA coach Todd Bender and his results have improved markedly after his tuition by Bender. C grade was won by Andrew Menegazzo shooting 94/100 with Brett Ford on 90/100 taking 2nd. Special mention to Mark McDonald's young son Lachlan, who helped out in various functions in the kitchen and office. A future champion for certain!

Davey Jones defeats Top Field in Sporting Clays

Some top scores were recorded at the Wangaratta Clay Target Club April 5 100 target Stand championship shoot held on Sunday 12th. The range of targets were set to suit all capability levels and many positive comments were made during the day by visiting competitors about the excellent targets thrown.

It can be a challenge for the trap setters to arrive at a happy compromise to satisfy both experienced and newcomers alike. However, this was achieved on the day by keeping shooters of all experience levels satisfied with the wide range of targets thrown.

Davey Jones, from Myrrehe, scored a brilliant result of 93/100 winning A grade and overall champion on the day, with Liam Whyte in 2nd place in A grade on 83/100. AA grader Nicholas Mazurek won his grade after a short shoot off with a result of 97/110, defeating Ben Woodhouse 95/110. Local junior shooter Rhys McGauran had a great day winning B grade with a tally of 83/100 ahead of Barry Ellis on 82/100. It was nice to see Allan Sinclair put in a splendid performance smashing 75/100 targets winning C grade placing Benalla shooter Max Gribben in 2nd on 70/100. Allan earned himself a grade change for his top performance. Victor Bowman took out the veterans prize with a score of 81/100 and Max Sammon won the Juniors trophy shooting 61/100.

State Continental shot at Castlemaine

On Saturday the 11th of April the Castlemaine Clay Target Club hosted the 50 Target Single Barrel Continental Victorian State Title. 44 shooters from all four corners of the State descended on Castlemaine to try to win one of the more difficult events on the down the line calendar.

In recent weeks the club has spent thousands of dollars and many hours of volunteer work from the members to upgrade the layouts and spectator areas. To the credit of the club a lot of shooters who traveled from afar didn't recognise the place.

The day greeted us with clear blue skies and next to no wind. At the end of competition Bendigo's Darren Knight won Overall and AA Grade with 52/54, Castlemaine's Ron Greenwood won A Grade on 48/51, B Grade went to Denis Hannigan of Boort and C Grade was won by Anna Wojciechowski from Beaufort on 44/50.

40th Anniversary Shoot

CASTLEMAINE
CLAY TARGET CLUB
MARCH 14, 2015

All the days winners

The Castlemaine Clay Target Club celebrated its 40th Anniversary Shoot on Saturday the 14th March. The club was formed in October 1974 and shot its first events at Happy Valley until they moved to the current location in Colliers Road in March 1975.

This current locations history as a shooting range dates back to 1890. Originally the Castlemaine Live Bird Club, then the Castlemaine Gun Club, The Moonlight Flat Gun Club and now the Castlemaine Clay Target Club.

Today's members would like to thank all the past Presidents, Vice Presidents, Secretaries and Members for all the foundation work they laid so we have what we have today.

We would also like to thank our sponsors on the day, The Langridge Family, Guns + Ammo Jimboomba Queensland, Bronze-wing Ammunition & Don KR Castlemaine. Without the sponsors we would have not

Life Members Jimmy Lendon & Dot Langridge

Above: Silent Rise OA & Gary Salvaggio with Bill Harris
Left: Continental OA Rowen Lendon with Craig Oates

been able to put up \$6,000 in Sashes and Prizes.

We would also like to thank IGA Castlemaine and Cake Walk Bendigo for the amazing cakes they made for the event. Also to Jasmine's Mobile Wood Fire Pizza who came along and kept us all feed.

The First event was the 25 Target Double Barrel Continental Championship and the Overall Winner/AA Grade was Castlemaine's Rowan Lendon with 60/60. The next event shot was the Graham Langridge Memorial 25 Target Silent Rise Championship, Overall Winner/A Grade, Castlemaine's Gary Salvaggio on 137/137. The final event was the 25 Target Points Score Championship, the Overall Winner/A Grade went to Joanne Boyer from Colbinabbin on 93/93.

Shepparton ZZ's

March 8, 2015 – weather was cloudy and there were 14 competitors with 8 for the normal sweep and 6 on super sweeps.

First of all I would like to thank Jeff Mortys (President) for all his help & Tony Connally, Rex Piastrri with the scoreboard, Bobby & son Jess Sith setting up & cleaning up.

Numbers were down due to many reasons, the Monday public holiday was part & who knows the rest but we need to take the ups & downs, that's life, all is good.

Nice to see Garb & Dicko from Wodonga support the shoot and also the old ZZ shooters having a go like Grame Ludbrook & David Hall.

As far as the shooting went it was hard day to shoot as light was not good for seeing the birds.

There were no 25s shot. Joe shot extremely well on the day with a 23x25, next best was Lee with a 21x25. Goes to show it was not easy to have top scores.

I think it was nice to see Joe win on the day as he puts a lot of time into ZZ shooting in Victoria.

The results were: 1st Sweep 10x10 Joe Mailo, 2nd Sweep 10x10 Joe Mailo, 3rd Sweep 10x10 Lee Fitzgerald & Vinnie, 4th Sweep 9x10 Vince Gatt, Lee Fitzgerald & Vinnie. O/All 23x25 Joe Mailo, 2nd Lee Fitzgerald 21x25, Veteran Don Mailo 19x25, Junior Jess Lambevski.

I would also like to thank all the competitors & helpers, thanks for a good day.

NOORAT GUN CLUB

Since clashing with Nationals our monthly shoot for March was moved to Sunday the 29th, to allow shooters who attended the national carnival to make it to our shoot. We ended up with 7 squads which is a great turn out considering a lot of shooters were probably in need of a well earned break following the 8 day carnival! The weather was turned on for the day with limited wind and perfect sunshine allowing some good scores to be shot and plenty of possibles.

First up was the 25tgt Molan & Sons Double Barrel, with plenty of shooters managing to shoot the possible, the field was quickly thinned down to only 3 shooters by 55 targets with Daniel Demasi, Gary Hayden and Andrew Smith the only ones left after 30 targets. After deciding to split the winnings,

Sash winners

Andrew and Gary shot the points to decide who took home the sash. Both shooters shot all 25 targets so it would be decided in the Handicap with both of them off 25m. Andrew was the eventual winner only dropping one target off the back marker, whilst Gary dropped two. Steve Holliday ended up taking out A grade, Daniel Demasi, who gave the AAs a run for their money, won B grade, while Delaney Foster took out C grade with an impressive 24/25.

Second event for the day was the 25tgt Points Score. With the wind starting to pick up a little, it seemed to upset the scores with only three possibles being shot. Matt Hayden beat out Mick Williams and Tim Kosch in a tight shoot off to take the win with 93/93. A Grade saw Steve Holliday have another win over Steve Eppingstall to win with a 72/75, B grades Bernie Fleming managed to take the win with a 72/75 even though he was clean until his final target, and Wayne Justin won C grade with a very respectable 71/75.

Third event, the 20tgt Handicap saw a lot of shooters lift their game, though there was only 2 possibles there was 8 shooters fighting for 3rd place ranging from 15m back to 25m. Australian ISSF team shooter Penny Smith managed to do herself a metre with shooting 21/21 from 21m to beat club president Mark Aitken who unfortunately missed his first target in the shoot off. 3rd place went to junior Sara Kosch off 15m after 19 targets in a long shoot off.

Last event was a quick 10pr Double Rise cash divide to finish off the day. Gary Hayden managed to take out AA grade with 18/20 but it was A grades Steve Holliday that managed to shoot the most with an impressive 19/20. Shaun Edwards and Bernie Fleming shot themselves 15/20 to take B grade while Tom Justin and Sara Kosch also shot 15/20 to take the cash in C grade.

A big thank you to Chris at Molan & Sons for the sponsorship of the amazing sashes in the Double Barrel, the ladies in the canteen, those in the office, and to those that helped ref, score and fill traps as well as those dedicated few that stay late after the shooting is finished and help pack up the grounds, pick up targets in the paddock and clean up the grounds. See you next month!

ACTA NEWS

MEMBERSHIP

It was brought to the attention of the Executive Committee that some clubs were under the misconception their "Club only" members did not need to be members of the Zone, State and ACTA. This is in fact incorrect. ALL PERSONS WHO ARE SHOOTING MEMBERS OF ANY ACTA AFFILIATED CLUB SHOOTING ACTA DISCIPLINES NEED TO BE ACTA MEMBERS

No matter the level of membership, club only, junior, veteran, ladies, partner, full or concession, new start, you must be a member of the Zone, State and ACTA. If your club has members who are not

financial members of the ACTA and fit into this category they should be immediately required to sign up and pay membership. These actions would void insurance policies of the ACTA on your grounds and at other clubs if they are not financial members of all categories of membership. The only persons not required to be members are those from other Shooting organisations F&G, SSAA etc who shoot Sporting, either practice or competition at the Club under the reciprocal rights agreement.

If a shooter shoots Trap / Skeet or Trench they are required to be a Club, Zone, State & ACTA member.

Cecil Park CTC Easter Shoot

The Annual Easter Monday Trap Carnival was held at the Cecil Park CTC. Overcast skies greeted us in the morning with the threat of rain. After all the nominations were taken, we had 17 squads eager to do battle on five layouts.

The first event was a 30 target Points Score Championship which was proudly sponsored by Bronzwing Shells. Many thanks to Bronzwing for their support. O/A winner was Glenn Kable 177/177, AA 1st Charlie Sherry 159/162, AA 2nd Tony Arvanitakis 116/117, A 1st Mohammed Kheir 90/90, A 2nd Joe Camilleri 92/93, B 1st Jon Russell 90/90, B 2nd Peter Larcombe 89/90, C 1st William Gammell 90/93, C 2nd Thomas Brand 89/93.

Event two was a 30 target Single Barrel Championship and O/A went to David Perri 43/43, AA 1st Dino Barros 33/34, AA 2nd Glenn Kable 32/33, A 1st Youssef Yarak 30/30, A 2nd Romano Bacci 39/40, B 1st Peter Larcombe 30/31, B 2nd James Catterall 29/31, C 1st Jack Forner 28/33, C 2nd Josephine May 27/33.

Unfortunately towards the end of event 2 the prediction of rain became a reality and some shooters called it a day and went home, it's a pity they didn't wait it out as the storm only lasted for around 20 minutes or so.

The third and final event was a 50 target Double Barrel Championship shot off 16 metres. The eventual winner, in not such great conditions and under lights after a wonderful shoot off was Youssef Yarak with a score of 152/152, AA 1st David Perri 151/152, AA 2nd Glenn Kable 137/138, A 1st

Teddy Axiak 53/54, A 2nd Libby Clarke 50/51, B 1st James Catterall 62/62, B 2nd Jon Russell 61/62, C 1st Thomas Brand 52/53, C 2nd William Gammell 51/53.

Section winners were Overall High Gun Glenn Kable 170/170, AA High Gun Tony Arvanitakis 169/170, A grade High Gun Teddy Axiak 167/170, B grade High Gun Peter Larcombe 166/170, C grade High Gun Thomas Brand 160/170, Veterans High Gun Nitros Lougas 166/170, Ladies High

Gun, Libby Clarke 162/170, Junior High Gun Jessy Ciappara 165/170.

Congratulations to all the winners and in particular to Glenn Kable who shot the programme clean.

Again thanks to Bronzwing for the sponsorship. A massive thank you to the ladies in the office, Maria, Grace and Sophia, great job ladies. Thanks to Kevin and Moi serving up arguably the best food of any gun club.

To Vince Gatt for the work in getting the layouts prepared for this shoot and all the helpers that were involved, thank you all.

It's really good to see this particular shoot gaining popularity as was evident by the fact that we had five more squads than the previous year.

For my part, as a Skeet shooter I really enjoyed the challenge of being involved in a Trap Carnival.

*Regards and good shooting to all
