Elections

During the executive meeting held recently, I was returned as ACTA National President. Thank you to all who have supported me during this process and to those that have sent congratulations since. I will certainly not be perfect but I will try to give you a 100% effort. On behalf of all members I wish to thank my predecessor, Mr. Allan Vilcins for the time and effort he put in during his term. The position, although honorary, comes with a great responsibility to all members. It is rarely easy to please everybody but I am sure Allan believed

he was always acting in the greater interest within the limitations under which we operate. Allan introduced quite a few processes and procedures to the governance of the ACTA and these will help guide us into the future.

Congratulations to Mr. Rob Fox for being re-elected as Vice President and to new Vice President, Mr. Mal Dyson. Other honorary officers include Mr. Alan Styles as Treasurer and Mr. Gary Hayden as Secretary. The executive officers column will explain the structure we have adopted for the next year in more detail, and also where we want to be in the future.

Those of you that know me will understand that I am very outcome driven and sometimes have been accused of skirting process or procedure. Whilst I won't apologise for this I will try to operate completely within the limitations that exist.

CTSN

Welcome all members to the second edition of the Clay Target Shooting News (CTSN) in its new format. The aim is to produce the same size magazine, generally 64 pages, but with better quality paper for photographs and advertising. The limitation has always been the weight restriction imposed on us by the postal category we need to fit into. Thanks to Jim Shepherd for the great work to get us to this stage.

Executive Meetings

Many decisions were made during the meetings but as the minutes are not yet approved I can't really comment on many of the complex matters. However some simple and clear decisions were made that I can report.

- Existing ACTA Uniform policy adopted for all ACTA events across all disciplines.
- The appointment of a second patron is under investigation.
- Adoption of a National Charity on an annual basis is under investigation.
- Proposed rules changes to be considered by a State Rules Supervisors meeting in the near future.
- Formation of a Board of 4 persons with power to co-opt 3 others to meet regularly. Board portfolios are of a management nature, eg finance, legal etc.
- Sub-committees reduced to 2 with portfolios that fit in either the sports conduct (eg: Rules, championships etc) or Sports enhancement spheres (eg: Coaching, promotion etc)
- Nationals in all disciplines to have \$10 added to nomination cost of each event to be used as proportionate grade prizemoney with one optional pool only of \$10 for High score.
- Join two, get one free membership offer abolished. (Only 1 was taken up last year)

In our acknowledgement of sponsors we inadvertently left "Hunts shooting supplies", sponsor of the Single Barrel Championship at the Trap Championships off our list. We apologise for this oversight in acknowledging one of our Major Sponsors

Hall of Fame

Development is continuing on the new website and the Hall of Fame is intended to have a very special area on this site.

Much of the work on researching old records etc was done by individuals and whilst we know who has received awards in the past, we are short of much of the general interest details, eg: when and where the scores were shot that were used to consider these awards. Many shooters will have received letters in an attempt to fill in these gaps. If you have received a letter and you have the information that can be used to add detail to the HoF section of the website please advise Sue in the office.

It is also important for shooters to understand that the office is not advised of many of the great shooting feats that take place annually. If you have shot a large break or qualified for a Grand Slam please let the office know the details so the award can be considered.

Grounds

Grounds and facilities matters which are now part of the Board portfolio has seen some works carried out recently. A detailed survey with heights taken at the base of all infrastructures on the shooting complex has been completed. This is to ensure that any further development has better drainage and flood proofing than currently exists.

Trap

Negotiations with our neighbour has resulted in permission being granted to remove the fence between traps 15 and 16. Another trap will now be installed on the fence line. Traps 15 and 16 were originally spaced to allow this to happen. It is planned that by 2018 we will be able to have 5 banks of 4 traps in operation for the World DTL and one practice trap.

Sporting

The Wagga club has just completed the conduct of the NSW State Sporting Carnival on the grounds. The club also conducts the ACTA Sporting Nationals on our behalf each year. The club has recently purchased another 7 Sporting traps. All the Sporting machines used for these events in the past have either been the property of Wagga club or borrowed from neighbouring clubs. The ACTA do not own any Sporting equipment in their own right. A big thanks to Wagga for continuing to host these major events and for purchasing more equipment to make these events even better. Look forward to the National Sporting at the end of August.

Skeet

Problems experienced with shooting being interrupted on layout one during the Skeet Nationals are under investigation. Arrangements with the adjoining Pistol Club that comprise part of our safety template are under review. I am confident we will have a resolution of this problem before the next Skeet Nationals.

ISSF

Many outstanding performances from our young shooters bodes well for the future. Below is a recent ACTA press release highlighting some of our young shooters performances.

Cyprus Grand Prix (5 – 15 February 2015). youngster Jack Wallace (Yering, VIC) claimed the Junior Men's Trap gold.

Current Junior World Record holder James Willett (Mulwala, NSW) will lead

Australia's junior squad in what will be his debut International Shooting Sport Federation (ISSF) Junior Cup, in Munich, Germany, from 26 June to 2 July.

Willett has been a stand-out performer in recent competitions, shooting scores that are unmatched in his peer group. Ever since the young farmer took up ISSF Double Trap shooting, he has consistently broken records, with his score of 142/150 targets at the March ISSF World Cup setting a new Junior World Record.

Willett's form continued over the weekend, where he claimed the Men's Double Trap title at the Australia Cup competition, hosted at the Brisbane

Executive Officer's Report

The National Executive meeting was conducted in June with a comprehensive review of the Association including where have we been, where are we going and how are we going to get there?

The results of this review were unanimously in favour of progressing the organisation to a Company Limited by Guarantee. This and other recommendations on the structure and the reasoning behind these decisions will be placed in the magazine and on the website over the coming months.

The Executive decided on installing a Board with two sub-committees with all executive members represented on these committees. This structure allows Executive members and States to have a direct line to the Board through these representatives. The decision allows a more direct Management-Executive reporting process.

The role of the Board and the Sub-Committees has a clear separation of responsibilities. The Board manages the Strategic Direction of the Association whilst the Executive Officer conducts the day to day business of the Association. The Executive Officer reports directly to the Board and the Board reports to the Executive Committee (including sub-committees). This structure will mirror the changes that will be recommended as part of the move to a Company Limited by Guarantee. This also fits within the recommended structure for National Sporting Organisations by the Australian Sports Commission.

The comparison paper provided by solicitors Landers and Rogers of "Association V Company" are on the ACTA website. The differences are clearly stated, however they are not significantly different.

The ACTA would still be governed by a Board elected by the members. The format would change, however it would be the Member "Clubs" who elect the Board. We would develop (in line with best practice) a skill set of professional expectations the nominees would be measured against in consultation with the Sports Commission. Clubs would still have a direct input to the Board through their individual States. This would cater for a mixture of Sport and Business expertise required to conduct the Association.

The board would be measured against performance as would the Executive Officer, at any time the Board may replace the Executive Officer if that person is not performing their roles in the prescribed manner as would the Board as individuals or entirely be able to be removed. This does not change by going to the Company Limited by guarantee.

The ACTA would also look at the Structure and reporting process. We acknowledge that individuals, Clubs and States should have access to the National body, Board and Executive officer. The Structure is still being developed to incorporate the National interests, however it is likely to mirror the interim structure.

Gun Club, the Clay Target venue for the 2018 Gold Coast Commonwealth Games.

Another junior making ripples on the Australian circuit is Lakes Entrance skeet shooter Aislin Jones. At just 14 years of age, the Victorian teenager is the youngest team member, making her debut international competition. Jones' performance has improved consistently, as was evident through her bronze medal victory at the weekend's Australia Cup.

On this positive note I wish you all well, and enjoy great and safe shooting.

Rule Decision

Recently I was approached by a member of my local club who had been interstate and had attended a number of shoots.

At a particular shoot, this shooter had suffered a malfunction. He was approached by the "referee" and the "referee" asked the shooter for his gun. The shooter said he began to explain that he believed that this was not the correct procedure but the "referee" insisted on taking the gun and test firing it.

The shooter asked me the correct procedure, and was he right in that he should have retained his gun.

Clearly, this "referee" was incorrect in his action.

In Guidelines for Referees – Trap #14 It clearly states "The Referee must not restore a target if the competitor opens his gun after a malfunction. In the case of a malfunction the Referee shall visually check the safety catch is not in the on position and that the action is closed. He will request the shooter to test fire the gun once only. Under no circumstances will the Referee attempt to test fire the gun."

In setting out the issue for this month's Decision, I have placed the word referee in inverted commas as it is my belief the referee in this instance has not been recredited as if he had, he would have been conversant with the current ruling.

I ask that all Referee Examiners run reaccreditation, or accreditation courses, in their particular areas. I am aware that some Referee Examiners are very active in doing this and that their courses are very well attended. I know that many believe there is no requirement or kudos in being a registered referee any more. This could not be further from the truth as an informed current referee is able to readily address any refereeing issue that any shoot – National, State or Local – may present.

Commonwealth Carnival at Echuca a great success

The last three days of May 2015 was allocated to the Victorian Clay Target Association to hold the 2015 Commonwealth Trap Carnival at the VCTA State ground in Echuca. With two events per day starting on average at 8.30am, the 145 shooters that attended could not have been much luckier weatherwise, with rain, wind, and freezing temperatures forecast for each day, and yet the rain and the wind held off until possibly the last hour of competition on Sunday afternoon. The cold could not be avoided, but with a fire outside, and plenty of warmth inside the clubhouse, really it was quite comfortable for the shooters.

Quite a number of shooters took advantage of the space for caravans in the new car park at the shooting ground, and all others had no trouble finding motel accommodation somewhere in Echuca or Moama, also an advantage in this heavy tourism area is the availability of top quality budget priced meals, making their stay very pleasurable. Running up to seven traps some of the time, the events ran through quite smoothly, the only exception was the Saturday evening with the shoot off for the Double Barrel Championship, and it kept going until light conditions stopped the shoot off.

Sponsored by Mialls Gun Shop, event one was a Commonwealth Double Rise Championship,

Craig Kelly

Fiona Dobbins

Tarryn Shaddock

Robert Viney

and Central Wimmera CTC member, Craig Kelly, on a score of 68/70 outlasted all others to become the Overall Winner of the event. Robert Viney, an Echuca CTC member with a score of 48/50 claimed the Veterans Title, Tyrendarra GC member, Fiona Dobbins, collected the Ladies Title on a 44/50, and Tarryn Shaddock after scoring a 47/50 picked up the Junior Title.

Event two, a 50 target Commonwealth Handicap, sponsored by Beretta Australia, was, after a very short shoot off, won by Noorat GC mem-

James Hayden

ber, James Hayden; James scored an excellent 53/55 for his 1st place win. Sarah Appleby, a Bendigo CTC shooter, only one target less, claimed the honour of 2nd placing 52/55, Trevor Tresize put his hand up for the third placing after shooting a 56/59, Werribee CTC member Patrick Guida scored a 54/57 result earning him

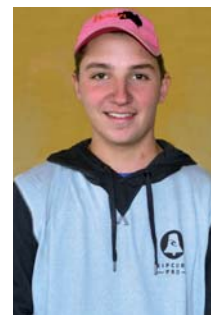

Sarah Appleby

Trevor Tresize

Patrick Guida

Mitchell Iles

Steven Chambers

the 4th place honours, and Melbourne Gun Club member Mitchell Iles claimed the 5th place trophy with his score of 53/56. Something not usually done in a Handicap event, the State elected to include, Junior, Ladies, and Veterans prizes, and the Ladies prize went to Bendigo CTC member Sarah Appleby 49/50, junior prize also to Sarah Appleby 49/50, and the Veterans to Mount Gambier GC member Steven Chambers 46/50. Sarah Appleby really amongst the winning places in this Handicap event.

Event Three, a 50 target, Commonwealth Single Barrel Championship, the major sponsor of this event was Falcon Ammunition, and it must be said that the VCTA is extremely grateful to all the sponsors, for their help, which always improves the popularity of these larger carnival type shoots. After only two shoot-off targets to find an Overall Winner, Michael Williams, a Central Wimmera CTC member became just that, with an unmatched score of 52/52. Congratulations Michael, well shot! Nepean CTC member William Woodward shot a 52/55 to earn himself the

sored by Spartan Global with many thanks from the State committee. Strangely, after shooting perfect scores, it only needed one target in the shoot off to determine the Overall Winner. Mitchell Iles after shooting a clean 153/153 score became the Overall Winner and also the Junior Champion in this event. Well shot Mitchell! His opponent Michael Bryan a Shoalhaven CTC member, used a second barrel in the one

target shoot off, and so his 152/153 score earned him the 1st place in AA grade. Commiserations Michael, still, very good shooting. Jeffrey Nash, an Orange CTC member shot a 145/150 score and that earned him the Veterans Title. Samantha Peck, a Goulburn CTC shooter, claimed the Ladies Title with a 145/150 result.

Event Six, the final event for the Carnival was a, 75 target, Commonwealth Champion of Champions Championship, this event being sponsored by Falcon

Veterans prize, Laura Woolley, a Bendigo member claimed the Ladies prize with a 47/50 result, and Mitchell Iles shot a 48/50 to secure the junior trophy for himself.

Event Four, the Commonwealth Double Barrel Championship, sponsored by PCM ENVIRO and usually

classed as the premier event at any carnival, with the shoot-off having to be stopped because reasonable light had disappeared, and with only two shooters remaining. Laura Woolley, shooting so well, dropping out after missing her 218th target. What an achievement for an 18 year old girl, being AA grade and shooting 217 targets in fierce competition before missing a target, that score, earning her 2nd place in AA grade! The Bendigo CTC must be very proud of Laura. Sunday morning saw a battle between Craig Kelly and Chris Salafia, a Leeton CTC member, that suddenly ended when Chris dropped his 251st target, Craig had shot his, and so became the Overall Winner of the Double Barrel Championship, with an excellent score of 251/251. Craig Kelly, another Overall Win for him, congratulations Craig! Chris Salafia settling for 1st place in

AA grade with his end score of 250/251. Robert Viney, again winning the Veterans Title, with a score of 50/50, Laura Woolley undisputedly the ladies champion 104/104, and Mitchell Iles, the Junior Winner, 109/109.

The 50 target, Commonwealth Points Score Championship was event five, and it was spon-

Terry Walls ended on a score of 148/150 and that put him ahead of all other contenders, making him the, Overall Winner of the Commonwealth Champion of Champion Championship. Excellent shooting, Terry Walls! Robert Viney, again in this Carnival, managed to win the Veterans Title, with a 122/125 score. Laura Woolley shot a 118/125 earning her another Ladies Title, and Mitchell Iles won another Junior Title with his excellent score of 123/125.

The Overall High Gun winner was Mitchell Iles, 465/475, the OA High Gun for AA Grade was Stephen Atkins (Echuca) 460/475, OA HG for

A very successful Commonwealth Trap Carnival held at Echuca, with an extremely lucky outcome weatherwise, as at the completion of the presentations down came the rain that had been forecast for the entire shoot, with wild wind, and in the Echuca area approximately 35 to 45 mm of rain in just a couple of hours. Lastly a vote of thanks to the members of the Echuca Clay Target Club who put in so much of their time to make the shooting grounds so presentable, and to Dot and her helpers for doing such a good job of feeding and watering all who attended. Also to the VCTA staff for running such a very smooth shoot.

ACTA Academy Camp

AUSTRALIAN INSTITUTE OF SPORT

FEBRUARY 13-15, 2015

ACTA Academy athletes in attendance at the Canberra International Clay Target Club

The ACTA Academy juniors (Kate Edwards, Gemma Dunn, Erin Stewart, Jackson Willmann, James Hayden, Jack Clerke, Lachlan Holdsworth, Antony Ballarino and Adam Shale) along with three ISSF Skeet shooters (Josh Bell, Jack Kerfoot, Dan Wear) from the Shooting Australia A4G program attended a training camp at the AIS (Australian Institute of Sport) 13th-15th February 2015.

The shooters stayed at the AIS, living as full scholarship athletes do – using the dining hall, training facilities, recovery facilities (plunge ice baths etc.), had a series of lectures from National experts (skill acquisition, sports psychology, nutrition, recovery and massage).

Team building activities after hours included attending a national women's basketball game, a Brumbies/Reds Rugby match both held at the AIS, hearing about training and dedication from two of Australia's elite gymnasts and playing dodgeball at the trampolining zone. Along with two full days of shooting and coaching at the Canberra International Clay Target Club.

Canberra International Clay Target Club was the training ground for the AIS scholarship holders in 2000 prior to the Sydney 2000 Olympics. Thank you to coaching assistance from Ken Jones, Dan Power and

Andrew Paddison. And thanks to Brent Murphy, Neil Goodwin, James Jonklaas and Steve Balogh for all your assistance and friendliness towards the juniors. The club looked great and the facilities were excellent for our purpose.

I have had some good feedback from parents and the athletes on the technical changes that were made to make movement to targets easier and more efficient and the chance of repetitive successful shots greater. The athletes gave great feedback on the pointers they picked up on

the mental side of the sport – how to get to the right level of competition arousal (the zone), how to stay there and what to do if your mind starts wandering and a target is missed then how to pull yourself back into the present to continue on. Block, randomized and variable training techniques were used with good success throughout the couple of days along with a couple of quite intense competition rounds.

These 12 juniors were responsible, respectful and hardworking and great representatives of the ACTA.

Take it one target at a time!

2015 UNIVERSAL TRENCH SERIES

Well what a series the 2015 Universal Trench Series was. We had a great increase in numbers due to the success of last year's series and our team at the World Championships in Italy with James Willett winning a Bronze Medal in the Junior section.

Round 1 kicked off in Sydney at the Cecil Park Clay Target Club proudly sponsored by Brant & Tania Woodward of Australian Sporting Arms and we had an amazing crowd of 43 shooters turn up in perfect conditions. Some high scores were recorded at this event and it was great to see a lot of new faces having a go at UT for the first time. At the end of the 2 days we had our first shoot off for Universal Trench with Steve Trembath, Charlton Vella & Craig Henwood all being tied on 192/200. It took 31 targets in the shoot off for Steve Trembath to come out on top: Overall Steve Trembath 192 + 25 + 6, AA Grade Craig Henwood 192 + 25 + 5, A Grade Charlton Vella 192 + 23, B Grade Jackson Willmann 180 + 23, Junior Brody Walters 185, Lady Anna Shedrina 180, Veteran Kevin Perkins 173.

Round 2 was held at Melbourne Gun Club and this event was sponsored by Winchester Australia. Again perfect conditions greeted the shooters and it was the 1997 Junior ISSF Trap World Champion in Nathan Cassells who came out firing with an equal Australian Record of 196/200 to have a very comfortable win by 6 targets to his nearest rival. Both Anna Shedrina and Brody Walters kept their dominance in the Ladies and Juniors events respectively. A good crowd of 40 shooters competed the weekend's event

Overall Nathan Cassells 196, AA Grade Split between Nathan McDonnell & Craig Henwood 190, A Grade Matej Kandus 184, B Grade Adam Shale 173, C Grade Charbel Asmar 163, Lady Anna Shedrina 172, Junior Brody Walters 181.

National Champions Craig Henwood OA, Amanda Holt Ladies, Mitch Iles Jnr & Eric Bullmore Veteran

Round 3 saw us at International Gun Club in South Australia and the weather gods for 2015 were on our side. 2 perfect days in Adelaide with NO WIND is unheard of but that's exactly what we got. A big thank you to International Gun Club for all of their efforts. The local power authority had planned works for Saturday shutting off power to the club. To help us get thru the club hired a generator to keep the show on the road. Thank you International Gun Club.

Again this event was sponsored by Australian Sporting Arms and we had 36 shooters enter with a good support of local and interstate shooters. Some big scores were recorded but it was Nathan Cassells again who came out on top with another 196/200 to win overall. Special mention must be made to Adelaide local Martin Collumb

Senior team Craig Henwood, Nathan Cassells & Steve Trembath

Junior team Jackson Willmann, Brody Walters & Adam Shale

who ran the last 100 targets straight!!! A fantastic effort. Anna Shedrina made it 3 from 3 for the ladies and Adam Shale took his first Junior prize. Eric Bullmore finally had a breakthrough in the Veterans, Overall Nathan Cassells, AA Grade Steve Trembath 193, A Grade Martin Collumb 190, B Grade Adam Shale 186, C Grade Tom Hetherington 173, Junior Adam Shale 186, Lady Anna Shedrina 180, Veteran Eric Bullmore 190.

The final round was the 2015 Perazzi Australia National Championship sponsored by Perazzi Australia. 43 shooters (including 10 juniors) entered the event and apart from some heavy

Laura Woolley, Bendigo Bank Sports Academy Athlete of the Year

Following an outstanding 12 months of competitive shooting, Laura Woolley was named the Bendigo Bank Academy of Sport's Athlete of the Year at a Gala Presentation Night in Bendigo in May.

Clay Target was added to the Academy's list of sports for the first time in July 2014 and students were identified from known ability as well as a number being selected at the VCTA North East Zone School Students shoot. Steve Atkins was appointed Coach and Glenn Woodhatch had the role of Consultant. All juniors selected for the course must be between 14 and under 18 years of age at the commencement.

Sports covered by the Academy are Tennis, Cycling, Volleyball, Baseball, Netball, Golf, Running and Water Skiing. There are 160 athletes in the full programmes plus 240 athletes from the Junior AFL Academy.

Some 11 students accepted entry into the programme with all but 1 completing the course.

The students attended a number of training sessions under Steve and they attended and competed at the VCTA State Carnival, with some travelling to Wagga for the Nationals. In addition to attending these sessions the students also attended sessions in social media, muscle skeletal screening, injury management, podiatry, public speaking, sports psychology, integrity in sport (covering both drugs and gambling) and diet and nutrition.

Laura's win over the full programme 160 athletes in the Academy of Sport is outstanding – well done Laura.

fog on Sunday morning that took a while to lift both days were great for shooting. As this was a compulsory event to count towards selections everyone was a little more nervous than normal and scores were down on previous events. A tight tussle was had right to the end with it being anyone's game. Team selections too were also very tight. A clean round in the last round saw Craig Henwood come out on top with 190/200. Overall Craig Henwood 190, AA Grade Todd Malone 188, 2nd AA Grade Steve Trembath 187, A Grade Matej Kandus 182, 2nd A Grade Brody Walters 181, B Grade Jackson Willmann 182, 2nd B Grade Lachlan Holdsworth 180, C Grade Jeff Fraser 170, 2nd C Grade Tom Hetherington 161, Lady Amanda Holt 167, Junior Mitchell Iles 183, Veteran Eric Bullmore 170.

Series High Guns, proudly sponsored by Spartan Global AA Grade Craig Henwood & Steve Trembath, A Grade Charlton Vella, B Grade Adam Shale, C Grade Tom Hetherington, Top Shot Award (best newcomer) sponsored by Top Shot Industries, Luke Cassar, Winner of the Perazzi MXS Raffle Shane Pinner.

Teams to travel to the World Championships for Granada in Spain: Senior Steve Trembath, Craig Henwood, Nathan Cassells, Junior Brody Walters, Adam Shale, Jackson Willmann, Ladies Amanda Holt, Anna Shedrina, Veteran Eric Bullmore.

Of course a series like this cannot run without a list of thank you's. Firstly to Paul & Claire Watts who donate their time and effort free of charge to do all of our administration, score sheets etc. This series could not run without you. Thank you to the 3 clubs who all held rounds throughout the year and supporting us. To all of our awesome sponsors for the year Perazzi Australia, Australian Sporting Arms, Winchester Australia, Corporate Shooting Stars, Collumbo Shooting, Kandus Glass & Splashbacks, Pinner's Refrigeration & Air Conditioning, Bronze Wing Australia, Blair Signorotto, Spartan Global, Armusa Ammunition, Top Shot Industries. A big thank you and we hope we can have your support again in 2016.

Thank you to all the shooters who turned up and to those who helped run all of our shoots. This is the series ran for the shooter by the shooter and we look forward to seeing you all again in 2016.

**BROKEN HILL GUN CLUB
MAY 9 & 10, 2015**

The many sash winners for the weekend in front of the iconic Broken Hill Gun Club honour boards. These two boards, the West Darling Championship board, and the Silver City Championship board date some 60 or 70 years, and show a list of names of the who's who in the sport of DTL in Australia. To get your name on these boards is a honour.

The Broken Hill Gun Club would to thank the following major event sponsors – Martin & Shane from the Bridgestone Service Centre, Andrew from the Broken Hill STIHL Centre, Malcom from Broken Hill Spot On Outdoors, Rick Gates of Gates Goats, Merv from Silver City Guns & Ammo, Tim from Winchester Australia and, a very big thank you to Top End Meats, who donated all the meat for the weekend, \$600.00 or \$700.00 worth.

All of the above resulted in another very good Two Day shoot for the Broken Hill Gun Club, the numbers were again down and probably the worst I have seen, we only had 72 shooters, but I think there is a lot of two day shoot around now, and the money sometime doesn't stretch far enough.

The weather was ok on Saturday, but Sunday proved challenging in the wind.

Now for some results, the First event was 30tgt Medley. This event was kindly sponsored by Broken Hill Bridgestone Service Centre. Overall Glenn Castellaro 98/100, 1st AA Max Medhurst 95/100, 2nd Ross Walsh 148/150, 1st A grade Paul

Jobson 73/75, 2nd Robert Cook 72/75, 1st B grade David Jones 71/75, 2nd Timothy Gageler 66/75, 1st C grade David Barker 46/50, 2nd Paul Hender 44/50, Ladies Deserie Baynes 121/100, Veterans Jeff Nash 46/50, Junior Jarred Nicholls 47/50, Novice Jnr Trent Rathbourne.

The second event Saturday was the 25tgt Points Score West Darling Championship, with another years great display of STIHL Petrol blowers and Wiper Snipers on offer, supplied by the happy sash winner, Andrew McDougal of the Broken Hill STIHL Centre. Great sponsorship again Andrew well done. Overall Darryn Nicholls 201/201, 1st AA Max Medhurst 200/201, 2nd Benjami Woodhouse 155/156, 1st A grade Robert Cook 86/87, 2nd Susanne Byrnes 74/75, 1st B grade Timothy Gageler 72/75, 2nd Murray Barker 86/93, 1st C grade Luke Tyson 66/75, 2nd Trent Rathbourne 65/75, Ladies Deserie Baynes 74/75, Veterans Jeff Nash 72/75, Junior Jarred Nicholls 74/75.

The third event Saturday is the big one for the weekend, the 25tgt West Darling Double Barrel Championship. This event was sponsored by Broken Hill Spot On Outdoors, again great trophies. Overall Thane Browning 247/247, 1st AA grade Glenn Castellaro 246/247, 2nd

Benjamin Woodhouse 146/147, 1st A grade John Byrnes 47/48, 2nd Paul Jobson 44/46, 1st B grade Peter Smith 25/25, 2nd Murray Barker 24/25, 1st C grade Trent Rathbourne, 2nd Kaylene Estcourt 23/25, Ladies Deserie Baynes 54/55, Veterans Jeff Nash 47/48, Junior Jarred Nicholls 25/25.

Saturday night was again very well patronised, with lots of people staying back for a great roast tea and the Calcutta draw. The pool for the Calcutta was \$2000.00, which would make the first event Sunday a very hotly contest Handicap event. This event was again sponsored by Rick Gates of Gates Goats, many thanks to Rick, well done. 1st Chris Lawrie 45/46, 2nd Martin Collumb 46/47, 3rd David Lemmich 45/47, 4th Jason Stone 45/47, 5th Andrew Estcourt 35/36.

The second event Sunday, was the Silver City Guns & Ammo 25tgt Points Score Gift, thanks again to old Merv from Silver City Guns and Ammo, well done. Overall Ross Collumb 164/165, 1st AA Darryn Nicholls 163/165, 2nd Glenn Castellaro 102/105, 1st A grade Bruce Gilby 74/75, 2nd Andrew Estcourt 73/75 1st B grade Timothy Gageler 74/75, 2nd Murray Barker 69/75, 1st C grade Graham Quinlan 68/75, 2nd Robert Thompson, Ladies

Deserie Baynes 72/75, Veterans Jeff Nash 73/75, Junior Jarred Nicholls.

The last event for the weekend, the 25tgt West Darling Single Barrel Championship. This event was sponsored by Winchester Australia, great support with a stack of shells on the table for prizes, thank you Tim Steer. Overall Robert Cook 37/34, 1st AA Deserie Baynes 36/27, 2nd Ross Collumb 35/37, 1st A Trevor Dehne 25/26, 2nd Garry Pike 24/25, 1st B Murray Barker 24/25, 2nd Mark Tyson 26/29, 1st C Paul Hender 22/25, Ladies Narelle Cook 23/25, Veterans Eric McCullough 22/25.

Now for the High Guns for the weekend. Overall High Gun Glenn Castellaro 297/301, AA Grade HG Darryn Nicholls 271/275, A Grade HG Robert Cook 261/275, B Grade HG Tim Gageler 260/275, C Grade HG Trent Rathbourne 264/275, Ladies HG Deserie Baynes 270/275, Veterans HG Robert Cook 261/275, Junior HG Jarred Nicholls 268/275 and Novice Junior HG Luke Tyson 168/275.

Yes, I will say it again, a very big thanks must also go to all helpers and workers over the weekend and especially to the generosity of all our valued sponsors well done, it was a fantastic weekend and I hope to see you back next year.

Bendigo "Honoured" on Queen's Birthday

Bendigo Clay Target Club was honoured on the Queens Birthday to have the presence of some 60 exceptional shooters for their annual event. With the best trophies on offer, the best sashes and certainly the lowest nominations for such rewards, it is hard to figure why shooters would go anywhere else on the day.

This year we moved from tradition and opted to conduct the major event of the day first. With 4 Puma .22 rifles for first, 4 Puma Stockman knives for second in each grade, the double barrel event went off without a hitch and all shooters were positive in their response to this concept.

One shooter even went as far as to say one of the positives of doing this in his mind, was the fact the better shooters were tiring themselves out in the shoot off.

With all squads in the clubhouse but one and only the one possible registered shooters were getting themselves ready for an early start to the following events, but 3 shooters in the last squad had different ideas

and each carded a 50. After only a further 29 targets, Leigh Fitzgerald was a proud owner of a new rifle. Sarah Appleby, a young lady with determination and a great future upstaged the more credentialed A Grade shooters to win A Grade. Ray Whyte and Marcus Sloane took out B and C grades respectively.

From Double Barrel we moved to the 30 Target Single Barrel Championship and 34/34 was the winning score of Trevor Dehne from Damian Appleby. Allan Cole shot a very creditable 29/30 to win A Grade, Junior, Josh Knight's score of 28/30 secured B Grade and new shooter, Leigh Andrews, was elated that his 25/30 was good enough to take the C Grade sash.

Lunch had hardly settled when we commenced the final event of the day, 30 targets Points Score. No possibles and a skinner to our Club Handicapper, Peter Beaman with his score of 88/90. 3 targets were needed to decide A Grade with Chris Penno finishing on 95/99 from retiring Club Treasurer, Rod Walton. Matisse Appleby was determined big sister was not going to have it all her own way around the dinner table that night and produced a great score of 84/90 to take B Grade honours. Val Dehne was ecstatic with her win in C Grade with a score of 73/90.

A shoot off was needed to decide the Overall High Gun and it was a "Beamin'" Beaman who secured this title on 209/220. Sarah Appleby

was rewarded for her great shooting during the day with the Ladies High Gun on 161/170. Junior High Gun was Andrew Evans with a score of 208/220 after a shoot off with Sarah. The Veterans High Gun went to a consistent Don Collihole shooting 151/170.

Bendigo Clay Target Club must thank their sponsors on the day – OSA, Plumbworx, PMCEnviro and Gillman's.

Thanks also to Marg and Darren for keeping us well fed. To our Handicapper Peter, for keeping everyone in their right grade and our Groundsman Akkers for keeping the traps full. We suggest you mark this shoot in your diary for 2016 – you won't find better.

Double Barrel winners: Leigh Fitzgerald, Sarah Appleby, Ray Whyte & Marcus Sloan
Points Score winners: Peter Beaman, Chris Penno, Matisse Appleby & Val Dehne

Single Barrel winners: Trevor Dehne, Allan Cole, Josh Knight & Leigh Andrews

Rain, Hail or Shine

DENMARK CLAY TARGET CLUB

While the north west of WA is battering down the hatches in preparation for cyclone Olwyn, rain and strong winds forecast all down the coast including the little town of Denmark. That hasn't stopped the team from Denmark Clay Target Club getting ready for their 2½ day shoot, rain hail or shine the event will go on.

This year is set to be somewhat special, The clubs logo and mascot a Blue Wren (AKA Cranky Bird) having had a sitting with an artist, this will be the first year that the overall High Gun will see the introduction of a hand crafted silver badge. A highly contested prize.

Even with the weather forecast being a little on the nasty side, Shooters and campers started rolling in from as early as Thursday. This is a testament to the support and strength of shooting in WA. Not to mention that various members of the club have opened their doors and offered beds for visiting shooters to stay, none more so than Deanne and Nathan Blake who at last count were expecting 11 guests. I say it again the support and strength of clay target shooting in WA is outstanding, congratulations to all.

As is custom in this great state the weekend begins on Friday afternoon, this time with a 50 target handicap proudly sponsored by the Denmark Members. The weather was slightly overcast with a breeze that could sometimes prove tricky but that didn't stop 30 shooters taking their respective marks to aim for the top spot. Ben Braun shooting from 19m claimed that honour with a 49/50. Des Neal from 19m shot off with David Walker 17m and that the order they finished. John Crock 19m was in 4th and after a 4 way shoot off Jimmy Sharpe on 19m finished 5th. Presentations done and dusted, the bar open it was time for dinner Did I mention dinner? Well I shouldn't, the less people that know about 100's, yes 100's of Blue Swimmer crabs that are being supplied and cooked fresh by Mr Jimmy Sharpe the better. These people know how to put on a show!

After a night of rain, with black skies and drizzling rain club president Jimmy Sharpe welcomed all and the shoot proper was underway. All eyes were

L-R: Josh Fleay, Neil Suckling, Neil Rundle, Sandra Moffatt & Terry Maloney

on the top prize, the Cranky Bird silver Badge.

An increase in numbers had 10 squads ready for the 75 target Medley proudly sponsored by Western Trap and Field. With plenty of red on the board and no perfect score. Joe Gilbert and Nathan Biddulph both on 124 went back to the layouts to sort it out. Nathan 149/150 claimed the overall leaving Joe 148/150 first in AA grade. Eric Maley 148/150 won 2nd from Neil Suckling 147/150 in a shoot off for the minor places. Jimmy Sharpe took out A grade with 146/150 in a shoot off with Mark Grant in 2nd on 140/150. Connor Baker in 3rd with 121/125. B Grader Gary McCormick got the top spot on 121/125, Thomas Lenkeit in 2nd 117/125 and Rob Appelton after a shoot off in 3rd 135/150. Jordan Crouch on 101/125 won C Grade, Nadene Smedley in 2nd with 93/125 and rounding out the grade was Andrew Knight on 86/125.

Proudly sponsored by Allscope, the 50 target Double Barrel was fought out in tough conditions with rain on and off any possible was well deserved. 11 possible's on the board, this would sort overall, AA and A grade. The rain started to fall, light fading and numbers dwindled. After 250 targets 4 remained. Sandra Moffatt, Neil Suckling, Josh Fleay and Neil Rundle all guaranteed a place. The first to fall was Sandra on 279/280 with 3rd in AA Grade, next to tumble was Josh Fleay on

341/342, 2nd in AA, leaving the two Neil's to fight it out. Neil Rundle proved to strong wining overall with a 370/370 and Neil Suckling first in AA with 369/370. John Crock grabbed 1st in A Grade 60/61, Mark Grant in 2nd with 59/60 and Wayne Kranny with 51/52 in 3rd. Wayne Drake-Brockman on 49/50 took out B Grade. Thomas Lenkit on 54/56 edged out Paula Price 53/56 to fill the minors. In C Grade Jordan Crouch and Nadene Smedley shot off for first, Jordan with a 51/57 won Nadene 50/57 in second. Greg Clarke 39/50 in third.

After a night of steady rain the clouds parted, the sun came out, it was going to be a great day for shooting. The breakfast crew were again putting on a feast to feed the hungry masses.

To kick off the day a 50 Target Points Score proudly sponsored by Kranno's contracting. The only red on the score board belonged to Josh Fleay 150/150 winning overall. First in AA went to Neil Rundle 149/150, Nathan Biddulph 148/150 in 2nd and Neil Suckling 147/150 rounding out the top three. Des Neal 143/150 grabbed top spot in A Grade, closely followed by Bernie Biddulph 142/150 and Garry McCormick 141/150 in 2nd and 3rd respectively. B Grade was won by Rob Appelton on 145/150, Wayne Drake-Brockman

RV Repairs at Bega

BEGA GUN CLUB

JUNE 7, 2015

No we didn't spend the shoot day repairing caravans, it's just that our program for the day was the Pauline and Phil Body sponsored RV Repairs 100 Target Continental Championship thirty five keen participants turned up for what proved to be a fantastic day. With visitors from Bowral, Cooma, Goulburn and Canberra, we managed to make them feel right at home with the mercury never hitting double figures.

The 100 Continental was shot in two visits to the traps and after the six squads had gone through for the first time, a number of competitors were well in the frame with AA Grader, David Crane shooting a possible. Chris Davis collected 29 targets and Shane Platts, Charlie Smith and Justin Smith were two down on 48.

Two A graders, Tony Gray and Robert Taylor also scored 48 to be well in the competition. B grade shooter, Peter Johnston shot 47/50 to lead his grade by three and be within striking distance of the overall leaders. In C Grade, Thomas Sheehy, having his first shot for a while scored 46/50 and demonstrated clearly that he will progress up the grades very

shortly. Three targets back on 43 was Tim Collins with Brian Moffitt on 42 holding third place.

Lunch was taken on the run thanks to the culinary skills of Tracy and Pauline whilst Gail kept the office running like clockwork as usual.

At the end of the second fifty targets, Justin Smith and Chris Davis took a further 29 targets, before Justin finally missed on. With Chris finishing off his next target, he was declared the 2015 winner with a score of 127/129. Both shooters are to be congratulated on an outstanding exhibition of target shooting. Justin, on 126/129 collected the AA Grade sash and ammo. With David Crane

taking out second place with a score of 97/100. David shot very well being clean at the beginning of the final 25. Class shooting!

In A Grade, Tony Gray continued his first round performance to finish with 94/100 for the sash and prize with Robert Taylor, maintaining his position to take second place with a score of 93/100. Peter Johnston continued his good form in the second round to take the B Grade prize with a score of 87/100. Second went to Stefan Secker with a score of 84/100. Tom Sheehy blitzed C Grade with a fine 48/50 in the second round for a total of 94/100 to win the C Grade sash with Tim Collins shooting 47/50 for a total of

90/100 in second place. Things are definitely looking promising for these two young shooters.

Bert Deacon decided he did not need the cash on offer for the shoot raffle and contented himself with the famous meat tray.

Presentations and thank you's completed the day with competitors thanking Phil and Pauline for their sponsorship, via their business, RV Repairs. The commitment of our many Club sponsors, to supporting our sport is indeed appreciated. Next month the club will offer three events, 20T Double Barrel, 50T Points Score and 15Pr Double Rise Practice as usual from 9.00 with competition to begin at 10.00am.

144/150 in 2nd and Thomas Lenkeit 140/150 in 3rd. Nadene Smedley 128/150 got the better of Jordan Crouch 113/150 in C Grade with John Southy 92/150 in 3rd.

The last and final event for the weekend a 25 Pair Double Rise proudly sponsored by the Blake Family. Again Josh Fleay with only perfect score 50/50 won the overall. Neil Rundle 64/70 edged out Eric Maley 63/70 in AA Grade Jason Bevridge on 45/50 in 3rd. Scott Messenger and Jim West split the pot on 42/50 with Bernie Biddulph 52/62 getting 3rd after a shoot off in A Grade. Wayne Drake-Brockman 48/60 got Paula Price 47/60 to win B Grade, Thomas Lenkeit consistent all weekend in 3rd. C

Grade went to Jordan Crouch 31/50 and Natalie Pitaro 28/50 in 2nd and Greg Clarke 26/50 in 3rd.

All events complete it was time to sort out the High Guns, only 3 points down Josh Fleay 372/375 will have the honour of the first ever Cranky Bird badge. AA went to Neil Rundle 364/375. Connor Baker 356/375 won A Grade. B Grade went to Wayne Drake-Brockman 344/375. Jordan Crouch on 289/375 won C Grade. Nathan Biddulph 361/375 won the Junior High Gun. Jimmy Sharpe 348/375 claimed Veterans and Jessica Price won the ladies High Gun.

Congratulations to Sandra Moffatt 306 (the highest by a lady in WA to the best of our knowledge) and Neil Rundle 453 on achieving their

biggest breaks. It just goes to show how good the targets are in Denmark.

What a weekend, fantastic food, the lunches and dinners put on by Cat and the kitchen team had the bravest of fit bits running for cover. To all those that cleaned, cooked and supplied we thank you. The various local clubs who volunteered, loaned and supplied traps, parts and labour thank you. The sponsors without your support it wouldn't happen, we are very grateful. Lastly all the shooters that travelled from near and far to be here. As I said at the start the strength of shooting in WA is outstanding. On behalf of the Denmark Clay Target Club and the Cranky Bird thank you one and all. We look forward to seeing you next year.

NOORAT CASH BONANZA

Well what a day for our Cash Bonanza! The weather gods played nice and the sun decided to show its face for yet another year. The wind was little to none and there was no excuse to shoot every target clean and take home part of the \$3500 cash up for grabs.

We ended up with 57 shooters for the day with many new faces & old faces that haven't been to the club in many years. Great to see people travel great distances to come shoot and support our club, we hope you enjoyed your visit and make it back again in the near future!

The Handicap shoot off was a big one to watch with little Matt Molan (15m) taking the win over Dean Ludeman (21m) and Mal Dyson (25m). Matt showed no hint of missing, turning every target to dust right out of the trap house, bright future ahead for this 12yr old!! The final two places for the handicap was decided with a shoot off with all the shooters that scored 24/25, all 12 of them. After 10 targets it was down to only Alan Pollock (23m) & Andrew Smith (25m) who both opted to split the 4th & 5th place, both taking home \$100 each.

The 25 target Points Score surprisingly only saw three people managing to shoot 75/75 and with that AA was split between Pat Guida & James Hayden. Mal Dyson who also shot exceptionally well won A grade with 75/75. Bernie Fleming shot 69/75 to win B grade while young Mackenzie Chambers shot 67/75 to win C grade.

The Double Barrel was finished before dark, not making the big scores as anticipated with Pat Guida and Sam Clifford opting to split the overall at 115/115 after Lynne Curtis missed. Mick Rocca, after a very long drive from the other side of Melbourne, made his trip worth the while, winning A grade with 38/38 over Bill Coates. B grade was won by veteran Ian Dickens on 30/30, beating James Blain on 29/30. C grade was taken out by young local Tom Justin, so close to nearly shooting a possible with a 24/25, beating Tim Mahony on 23/25.

Great shooting was displayed by Mal Dyson who managed to shoot the whole card clean, including 25/25 from 25m. Excellent shooting Mal!

A junior prize was donated by James Patterson for the best junior of the day and this was won by young Daniel Jehu who was only 6 points down for the day, he won himself a slab of Winchester shells, great shooting Daniel!

A big thank you to those that helped in any way today, whether that be refereeing, scoring, filling traps, packing up at the end of the day or getting squads organised, without help like that it becomes very hard to run the shoots, so thank you! Thank you to the ladies in the kitchen that worked tirelessly feeding all the hungry mouths and the hard workers in the office keeping the books under control.

Cuzzo's Ramblings

AUGUST
2015

They say every dark cloud has a silver lining and my attendance at this year's Skeet Nationals is definitive proof of that. Karien and I had originally planned to head off on our "winter holidays" straight after Phillip Island in early March and be somewhere in outback Western Australia en route to Darwin by the third week of May. But ongoing delays beyond our control have pushed our departure back by almost four months and forced us to reschedule that trip for next year and settle for an abbreviated journey up the east coast this year. The upsides of that disappointment were far reaching. For a start I got to attend one "extra" National Carnival that was never on the agenda until about a week prior to the event, and from there on the good times just continued to roll.

A Pleasant Surprise

The biggest surprise was my own personal shooting which exceeded my most optimistic expectations by several orders of magnitude. In 2009 I experienced a total retinal detachment and tear, that left my right eye with wrinkled peripheral vision and a jagged gap in the focal area. Early unsuccessful attempts to shoot with it provided the impetus to spend nearly three years learning to shoot off the right shoulder with the left eye via a remote sight extended off the muzzle. And without meaning to sound too egotistical, I was just beginning to really get the hang of that system and started to become genuinely competitive again. Unfortunately, after less than a year "back in the thick of it" and just before last year's Nationals, my left eye decided it was time to retire as well. However as someone once astutely said: "Putting up with the disadvantages of getting old sure beats the hell out of the alternative!"

Where There's a Will

Anyway after several months of crying in my milk produced the predictable result, I was eventually forced to "toughen up" and try to devise a method of shooting with my right eye again that is somewhat unconventional and creative but which minimizes my weaknesses and maximizes my strengths. Fortunately my "base" method is very technically correct and does not necessitate the sharp vision and reflex reactions that other more difficult methods require. However trying to shoot via peripheral vision and/or shooting where you think it should be has definite limitations. Therefore, my results during the week clearly reflected the fact that the disproportionate

degree of luck and/or influence of Divine intervention that have shadowed my entire career have definitely not deserted me. Thank you God!

A Dose of Realism

However any thoughts I may have had of returning to Trapshooting or taking up ISSF Skeet or any other activities that require good vision have now been permanently shelved. Realistically I think I've run my race as my new shooting system really only works over phonos, out of the wind and has no genuine potential to shoot doubles! Fortunately Skeet shooting has great social aspects and the numbers on playing cards are fairly large. Which is just as well because the Veterans now obviously have my measure, no matter how much I tried to falsify my birth certificate I don't think I could sneak into the juniors (where I still couldn't win) and although a sex change is a possibility, the Ladies are clearly too good for me anyway. Fishing is starting to look particularly attractive!

Seasonal Alternatives

Returning to the Shoot, the most visible aspect was the weather. Six of the eight competition days were absolutely pristine. Of the other two, one was a little breezy and the other a little showery but both still provided reasonably good shooting conditions. It's just a shame that it's so damn cold in the mornings and that it gets dark at five o'clock instead of nine o'clock as it used to be when we held the Shoot in late November and were close to the longest day of the year. The switch to May might have had some upsides, but it's proximity to the shortest day of the year and the subsequent loss of almost four hours of "shootable" daylight certainly isn't one of them. The nett result of this is that we now reach infrastructure saturation at around 160 shooters, rather than the 200 plus we could handle when we shot at the end of the year. There is still ongoing talk of building one or two more layouts to try to alleviate this problem so let's keep our fingers crossed.

Leaps and Bounds

The other glaringly obvious thing that emerged during the week was the dizzy heights that the standard of shooting in the various "divisions" has risen to. Not so long ago a solid A grade score would stand you in good stead in the Ladies, Juniors or Veterans sections. Forget that! Even a good AA score will now probably only get you into a shoot-off. During the four days of 100 target regular events and across the three major divisions, the lowest score that made the cut in any of the sections was a 97. And that only happened once and then only got you into a four way shoot-off. Of the other eleven instances,

seven required at least 98, three needed 99 and one even took a perfect score, when 16 year old Antony Ballarino became the first Junior in history to win the National Skeet Championship after triumphing in a four way shoot-off. Even the two small guns on Sunday provided no respite. The 28 gauge needed 49s across the board in the various divisions and even in the 410 you couldn't get a look in there under 48.

Antony Ballarino – Dominated the Juniors, finished third in the Open Overall High Gun and probably could have won the 2-man Team as well if he had chosen a better partner!"

Trial and Error

Over the past couple of years we've made several changes to the National Skeet program and although they have been improvements, I still don't think we have it right. Last year we brought the Opening Ceremony and Team Shoot day forward from the traditional Wednesday to nearer the start of the week. Now that everyone shoots the 20 gauge events, I think that was a "no-brainer", but failing to bring that day's 50 target event along with it probably lacked careful consideration. This year the move to make the two small guns official National Titles was both timely and popular. But the quantum leap to move the Opening Ceremony back another day was definitely too much too soon. It only provided a day that, along with several other problems, was always going to run out of time and this will only worsen as participation in these events inevitably increases.

User Friendly is Best

When we first started shooting 20 gauge events at the Nationals, we were careful to get these finished before the traditional program started, so that participation in these small gauge events was by inclination rather than forced necessity. Additionally their inclusion in the various High Guns and Team Shoots was postponed until almost all competitors had joined in for the same reason. Holding the Opening Ceremony and Team Shoots on Sunday morning this year was clearly not in harmony with our previously conservative approach. Plus being Sunday was another problem within itself. Having invited local dignitaries at the Opening Ceremony is clearly consistent with our ongoing efforts in public relations and our attempts to nullify the negative aura that previous governments have inflicted upon shooting sports. However I'm sure that most of these people would find it much easier and more palatable to give us an hour out of their work schedule on a week day than out of their golf game or fishing trip on Sunday morning.

A Good Start

I think that the 50 target All States Championship on Saturday afternoon was a good idea as the event is one of the oldest on the Nationals calendar. Thus it would be a pity to "can" it, as it has historic significance. Plus it caters to the die-hards who can't get enough shooting, while still leaving the day available as a "travel day" for those from far away, as is the Sunday at the other end of the Carnival. Also it's popular with the early arrivers who appreciate the opportunity for some extra competition practice. And you'd be surprised how many of those there are. We trundled into the National Ground on Thursday evening figuring we'd be there on our "Pat Malone", only to find that the camp ground was already half full.

Taking it Easy

Provided you reschedule the Opening Day, then I think that 2 x 50 target events on Sunday for the "little guns" is just right for the time being. Eventually we may need to go to 100 targets events for these, but let's cross that bridge when we get to it as it would mean either extending the carnival by a whole day or eliminating another event to compensate. As the only available candidate for the "chopping block" would be the Commonwealth day and that would be a "hard ask", leaving the sleeping dog alone is surely the most prudent course of action at this point in time.

Two first time events fittingly provided two first time winners in Laurie Durham and Peter Vella

And the Rest falls into Place

Monday? Team Shoots, Opening Ceremony and the Handicap. As it's only a 50 target event, the shoot-off would still start at the usual time, even with the late start. And although a lot more people will be in the shoot-off, by using all the layouts and some expedient resquadding, it should still get finished on time. And if it were to spill over to the next day, that's the best day for it to happen anyway. The shoot-off for the Champion of Champions does not have the potential to run late and there are no Team Shoots or eliminations thereof either on that day.

Retain the Status Quo

For the same reason I think we should keep this event and the Hall of Fame in synch and thus hold

our gala event on Tuesday evening. By default this moves the 20 gauge to Wednesday and the rest of the week can remain unchanged as it seems to be working well and if it ain't broke . . . ! Seems simple and logical but as I'm only a cats whisker away from my 50 year badge, I learnt long ago that chicken counting is fraught with danger in a game where our executive decisions are made by people whose expertise and participation lies in other areas.

"Glenn Clarke – Two more National Runner-Ups – Is he trying to break Thommo's record?"

Common Sense?

As Karien and I hope to finally head off on our way North by early July, I was browsing CTSNs for potential stop-overs where I could eat hot-dogs, play cards and maybe even have a shot to make up the numbers. Thus I was extremely disappointed to find that Broken Hill, Caboolture and Roma are all holding their annual Skeet Shoots on the same weekend. I'm sure that mine is not the only patronage that this will split. What's really needed in our sport is a 12 monthly rotating calendar on a website somewhere that lists EVERY reasonable size Skeet Shoot around the country at least a year in advance. This would not only assist shooters in planning their itineraries but would also help Gun Clubs try to schedule major events without avoidable date clashes. The ASSA website would certainly be one possible candidate for such a venture, so if you have any clout in that area, see what could be organised.

STOP PRESS. Leigh Roberts is starting an Annual Skeet Shoot at Bendigo on the first weekend of September. I'll be in Townsville by then but please support him if you can. Leigh can be contacted on 0437 190 050

June's Trivia Question

SAGC in conjunction with SACTA (after it was formed) conducted five very memorable National Carnivals in Adelaide between 1964 and 1983. The first two in 1964 and 1968 were Trap Nationals as the National Skeet event did not come into being until 1970. And the last one in 1983 reverted to being a Trap Nationals as this was the year of separation and the inaugural Skeet Nationals was conducted in Melbourne that year. The only other time the Nationals were held in South Australia was 1993 when the event moved up the road to SA International Gun Club so this also was strictly a Trap shoot. This by default leaves 1973 and 1978 as the only years that the National Skeet Championship was conducted in South Australia and the winner on both occasions was a young lad by the name of Ken Lowry.

A Tough Start

1973 turned into a bit of a marathon as Ken had to shoot 155 to beat a visiting hotshot from the US by the name of Gerry Williams. Ken was working for Winchester at the time, which obviously is an American based company and his US oriented boss suggested to Ken at one of the shell breaks that it might be politically diplomatic to allow the US visitor to win. Fortunately Ken's patriotism combined with a fair dose of killer instinct outweighed any such employment obligations and the battle continued unabated.

The Original Duracell Bunny

1978 was a bit easier when he only had to shoot 83 to beat the "hot favourite" Ian Hale. And just to show that he wasn't a one venue wonder, he also travelled to Perth in 1976 where he shot 111 to beat my old mate Gordon Wakefield to win the middle one of his unprecedented three National Skeet Championships. The first correct answer drawn was deduced by Kevin Mules with impeccable logic: "Not sure about 73 but I watched him win in 78 and if they're the same bloke it must be him". Good job Kev!

Adelaide 1978 and the two protagonists wait nervously for the epic battle to come. Ken thinking of a third title and Ian hoping for his first.

This Month's Trivia Question

While we're on the subject of great Trapshooters who can also turn their hand to Skeet shooting, let's pursue that line of thought. Since the advent of the Skeet Nationals in 1983 we have named the All Australian Skeet Team each year by selecting the highest scores in the Overall High Gun. Initially the team had fifteen members, but in 1992 this was reduced to ten and has remained so ever since. Of the 33 Teams thus selected so far, who are the only two members that also share the distinction of being inducted into the ACTA **Trapshooting** Hall of Fame? E-mail your answers to cuzzo@a1.com.au before the 15th of August and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

A Night of Tower Shooting at Mathoura

The May 2015 program at the Mathoura Gun Club was three events of Tower shooting, and that was attractive enough to cause four full squads of shooters to arrive to compete for the prizes. Two events of Double Barrel, and one of Single Barrel, with the main event being a Victorian North East Zone, Night, Double Barrel Tower Championship. Weather-wise it was good for target shooting, a clear starry sky and no wind whatsoever, but comfort wise it just became colder and colder as the night wore on. Fortunately with a fire outside and a heater inside the shooters had a chance to thaw out after competing. Shooters arrived from a fairly wide area including, Cohuna, Deniliquin, Numurkah/Shepparton, Euroa, Echuca, and Walmer.

Harry O'Connor
B 1st NEZ Tower

Thomas McCluskey
C 1st NEZ Tower

Graham Hall
OA NEZ Tower

The first Event was a 10 target Night Tower D/B Cash Divide, and Colin and Peter Finn (Num/Shepp), Tim Maher (Deni), Brayden Melotte (Walmer) all shot the full score of 10/10 and all collected a share of the 1st place cash.

Event Two was a 25 target, Victorian NEZ Night, Double Barrel Tower Championship. And after 25 targets two grades firsts were established, B Grade 1st was Harry (Snow) O'Connor (Mathoura) 23/25, Snow's B grade win is really an achievement when you consider that he is almost 89 years young, good shooting Snow! Congratulations! And C Grade 1st was taken by another Mathoura member, Thomas McCluskey, also scoring

a 23/25. AA/A grade needed a shoot off between four shooters, all managing to score a full 25/25 result. They were Colin and Peter Finn, Mick Keirl (Echuca), and Graham Hall (Walmer Gun Club), first target out beat Peter Finn, the sixth target beat Colin Finn, with Mick and Graham deciding to show off their Tower shooting skills and make a real battle for the Overall Sash. When the 38th shoot off target appeared Mick lost concentration and let it slip, Graham did no such thing, and so he became the Overall Winner and 1st in A Grade with a magnificent night shooting score of 63/63. Congratulations Graham Hall.

Lastly, Event three, a 15 target Single Barrel, Night, Tower Cash Divide, and Deniliquin's Tim Maher was the only shooter able to down all 15 targets in single barrel mode, and he collected all the 1st place cash. Colin Finn, Mick Keirl, Emily McClusky, (Mathoura), and Graham Hall all managed to score a 14/15 and that earned all four a share of the 2nd place cash. Apart from the seriously cold temperature, all the shooters stated that they enjoyed the night's competition, which did last fairly late in the night with presentations finishing at 11.30pm.

CONDITIONS OF ENTRY

NATIONAL SPORTING CLAYS CHAMPIONSHIPS

1. Any shooter wanting to compete at the Sporting Clays Nationals must be a registered member of the ACTA for the current financial year that the championships are being held or a member of another sporting association to which we grant reciprocal rights.
2. Proof of association membership must be shown. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded. Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
3. Squads of 5 shooters to shoot 100 targets in four rounds of 25.
4. The Organising Committee will decide the order of shooting.
5. Skeet or Trap targets will be thrown, as well as mini, midi, battue, rockett rabbit or flash or any other sporting clay target approved by the Association. Target type for any stand will be at the discretion of the shoot Marshal, but shall number five (5) in total.
6. Shooters will be squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director.
7. Each shooter is to take enough cartridges to shoot at 25 targets.
8. Shooters who fail to appear in time for their squad may be re-squadded towards the end of the event, but this is not guaranteed and non-participation is a possibility.
9. Should a shooter being late for his squad then elect to withdraw from the event he may not be eligible for any refund of nominations paid.
10. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
11. Any competitor will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfill their obligation to do so. Failure to either referee or score may incur a penalty of the LOSS OF ONE TARGET.
12. Shooters will be drawn from each day's last round squads to referee and score the first round of the following day, being ready to officiate at the advertised starting time. Shooters who fail to fulfil their responsibility may be penalised one target. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person.
13. Any unauthorised shooter interfering with or attempting to interfere with the trap may be penalised FIVE (5) TARGETS.
14. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
15. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
16. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any grade prize.
17. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
18. Nominations will be by pre-nomination, and only if nominations do not reach the maximum entry of 120 will nominations be taken on the day. Nomination if taken on the day of the event will incur a extra fee of \$10.00. Nominations will close daily at 10 .00am.
19. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
20. An acceptable standard of dress is required for all competitors, ACTA to adjudicate.
21. Reduced Nominations: These shall apply to juniors and second family members, they being wives and husbands entering into the same event whose nomination must be lodged at the same time as a family member paying full nomination fees. Shooters paying reduced noms are eligible for Open as well as section prizes.
- 22. All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Championships.**
23. Competitors to be eligible for A.C.T.A. team selection must be fully paid up members of the A.C.T.A. and Australian citizens prior to the competition.

95th Anniversary for Kempsey

On the 16th May 2015 a gaggle of like minded shooters arrived at the Kempsey range to contest the 95th Anniversary shoot. The weather was overcast with showers and shooting conditions were testing. However the shooters rose to the challenge. Considering the weather conditions there was a good turnout of shooters. There were shooters from Port Macquarie, Coffs Harbour and several who had made the trek down from Queensland; it was good to see you all.

OA winner Brad Hooper

The day's event consisted of 25T DB, 25T SB, 25T PS, 25T DB Cont and 30T Double Rise. They were all shot as one event.

High Gun for the day went to Brad Hooper and the Grade winners were AA 1st Steve Saul, 2nd Steve Whithead, A 1st Rob Marko, 2nd Karen Berry, B 1st Steve Hooper, 2nd Robert Nock, C 1st Barry Pharo, 2nd John O'Gorman.

Barry Pharo

The shoot was run in the usual efficient and diligent way by Ted and Jenny, and those wizards in the kitchen produced another home cooked scrumptious treat that would be a dietician's nightmare.

Several of the members helped with the traps and the packing up, thank you to all.

Just a quick mention about Ken McWhirter and Dennis Joel. Ken and Dennis have been unable to shoot for a few months because of injury or ill health, but usually they attend the range as spectators, that to me shows how dedicated to shooting they are. We wish you a full and speedy recovery and return to shooting.

That's it for this month, see you down the track.

Robert Nock

Queensland Police Clay Target Club

We would like to thank the Queensland Police Clay Target Club for their ongoing support of our State's junior shooters.

With the majority of their members based at the Kingaroy Clay Target Club, a portion of the proceeds of the Kingaroy annual trap carnival is donated back to juniors through the QPCTC. Each year juniors benefit from the

various initiatives offered by the QPCTC with donations of cash and ammunition awarded to juniors at club level throughout the year, and to those who represent in both Zone and State teams annually. The dedicated QPCTC perpetual trophy is a huge incentive for juniors to perform well at the State Trap Carnival each year.

This year a slab of ammunition was awarded to every Queensland junior who nominated for the State Trap Carnival in Townsville – in all a total of 19 slabs donated to juniors. Thank you to the Queensland Police Clay Target Club and all its members for this very generous gesture to Queensland junior shooters. Your contribution to junior development in Queensland is greatly appreciated by our young shooters, their families and QCTA members.

THE SQUIRE REPORTS FROM WEST WYALONG

As the year rolls on the pace seems to be hotting up as the West Wyalong Clay Target Club hosted three events during May. On the fourth Sunday there were three squads in attendance for the Down The Line Day.

Ten shooters including locals, Josh Player, Robbie Lindsay, Clive Foster, Graeme Fairman, Don Turner, Jason Anderson and John Wason shared a small amount of cash in the Ten Target Double Barrel Eye Opener.

The club welcomed new member, Josh Player who is obviously a very experienced shooter who won the High Gun at the end of the day.

The second event of the day was a 50 Target Double Barrel Championship and six shooters, Josh Player, Robbie Lindsay, Clive Foster, Paul Mitchell, Jarrod Schiller and Matt Schiller shot the perfect score and were called on to shoot off for Overall.

It did not take long before shooters began to drop out and eventually Clive Foster and Matt Schiller were left to decide the event and eventually after shooting 75/75 they very sensibly decided to split Overall and first in AA Grade to collect their winnings. Robbie Lindsay 70/71 was placed second in AA Grade. Jarrod Schiller 53/53 claimed A Grade from Paul Harris in second place. Frequent visitor, Allan Bound 45/50 claimed first in B Grade from Michael Fyfe 44/45. Michael has not been seen around the traps for a while and it was good to see him in attendance. Sue, "The Magic Lady" Turner, not only ran the office but was placed first in C Grade 45/50 ahead of Lydia "The Gun" 40/45.

Clive Foster and John Wason adjusted the traps for Double Rise and shortly afterwards the first squad was called for 20 Pair Double Rise.

Josh Player 37/40 displayed his skills to claim AA grade ahead of Matt Schiller 36/40. Jarrod Schiller 36/40 was enjoying his visit to West Wyalong and won A Grade ahead of Greg Harris 35/40. Michael Fyfe 27/40 won B Grade and Lydia "The Gun" 27/40 won C Grade.

There were quite a few expressions of surprise as Sue "The Magic Lady" with the assistance of the always helpful Janene Schiller, made the draw for the 20 Pair Deauville Doubles and a couple of hot combinations were drawn out of the hat.

It was the pairing of AA Graders Clive Foster and Robbie Lindsay who claimed first ahead of another hot pairing of Josh Player and John Wason.

Josh Player 97/100 was the Duncan's Chainsaw and Mower Centre High Gun. As there were five Sundays in May it was back to the West Wyalong Clay Target Club the following week for a double header.

When the "Blue Book" was being compiled in 2014 someone had the great idea to schedule 100 Targets Skeet on the same day West Wyalong hosted the Central Zone Trench shoot.

The idea proved very good making the day very successful for the club.

Attendance was down for the Trench event which would lead to the selection of the Central Zone Trench Team to compete at the New South Wales Championship.

The 100 Trench selection process is quite complicated with a separate final and the person who wins may not necessarily be the person who shot the most targets on the day. Apparently this process is for the TV, however, the Squire did not see any TV crews at the West Wyalong event.

Nevertheless, congratulations to Matt Schiller who is the Central Zone Trench Champion for 2015.

NSWCTA CZ ISSF 1st C Greg Harris, OA Matt Schiller, 1st A Grady Evans & 1st B Greg Buckley

Grady Evans claimed A Grade with Greg Buckley being first in B Grade and Greg Harris was the C Grade winner.

The team to represent Central Zone at the NSW Trench Carnival is; Grady Evans, Greg Buckley and Sean McCarthy.

Once again Sue "The Magic Lady" Turner was kept very busy making sure both the Trench and Skeet were under control and she again had the invaluable assistance of Janene Schiller who not only helped in the office but assisted Angie Dent cook the lunch.

Ann Fairman was also there and the ladies did a great job looking after the "inner" shooter.

Meanwhile at the skeet traps three squads were battling through two events; a 50 Target Skeet Handicap followed by 50 Target Skeet Graded event.

John Pope, Tank Stewart, Jason Anderson and John Rourke were called to finalise the 50 Target Handicap. These events often take some time to shoot off but when Bruce Dent put the "moz" on Tank Stewart who missed his first target, it needed only a further twelve targets to get a winner. John Rourke, with a somewhat suspect handicap, claimed first from Jason Anderson second and John Pope third.

In the 50 Target Graded Skeet, Ian Stewart still rattled after his earlier miss, managed to cobble together 47/50 to win A Grade. Allan Schirmer 47/50 won B Grade while Jason Anderson and Graham Fairman 41/50 shared C Grade.

May proved to be a very busy month for West Wyalong Clay Target Club, but with everyone working together and with the assistance and cooperation of visitors all seemed to enjoy themselves.

Atkins performs well at Echuca

Two of the Championship events at the Echuca Clay Target Club's May shoot, were decisively won by an Echuca Club member, Stephen Atkins.

Stephen only needed one shoot off target to score a 26/26, and that was enough to win the 25 target Single Barrel Championship, Bendigo's, Laura Woolley, dropping her first shoot off target, scoring a 25/26, and collecting the 2nd in AA grade prize. And event three that was a 50 target, Double Barrel Championship, Stephen only needed five shoot off targets to stake his claim again, as an Overall Winner and 1st placegetter in AA grade, with a winning score of 55/55. Well shot Steve, magnificent shooting! This time it was a shooter from Hay NSW, Brian Doyle taking 2nd place in AA grade with a 54/55 result.

Event Two, a 25 target Handicap, and this time it was a shooter from the

Lachlan McDonald
Encouragement Award

Allan Patten 1st HC

Numurkah/Shepparton Club, Alan Patten, the only one able to down all 25

targets and that ability to score a 25/25 earned Alan a handsome 1st place dividend of \$100.00 dollars. Echuca's, Glenn Viney ended on a 30/31 score giving him 2nd placing and \$70.00 in hand, another Echuca member, Ian Gebhardt, shot one less target, a 29/31 and that earned him the \$50.00 that was the cash dividend of 3rd place.

An Encouragement Award Sash, donated for the selected up and coming shooter on the day, was awarded to Euroa member, Lachlan McDonald, for his shooting endeavours. This award is supplied by Echuca member, Robert Viney and the committee thank him for his donation.

Scores could have been better overall, the reason they weren't was that although conditions seemed to be good for clay target shooting, the mass of fluffy greyish clouds were just the right shade to hide the fluoro targets in the sky, making it reasonably difficult for the shooters. The committee were very pleased that seven full squads of shooters arrived for the competition, and that is a good attendance for a cold wintry day.

Further results are as follows. SB Championship, A grade 1st Philip Woods 24/25, A 2nd Chris Figgins 21/25, B grade 1st Joshua Knight 22/25, B 2nd Rob Stackhouse 20/25, C grade 1st Natasha Collins 19/25, C 2nd Bruce Paust 18/25. DB Championship, A grade 1st Alan Patten 49/50, A 2nd Chris Figgins 45/50, B grade 1st Rob Stackhouse 79/86, B 2nd Joshua Knight 78/86, C grade 1st Carl O'Brien 48/50, C 2nd Valerie Dehne.

ACTA NEWS

SHOOTERS ARE REQUIRED TO PRODUCE THEIR HANDICAP CARD

All shooters and Clubs are reminded that it is a condition of competition that all members produce their membership to confirm their handicap and financial membership of the Association.

This rule is for **ALL MEMBERS, NO EXCEPTIONS**. AA Elite shooters may elect to not have scores entered, however are required to provide their handicap book. Failure to provide a book should result in the Club not taking the nomination of the person concerned. I hear already "but we know them". Under Conditions of Competition all members are to provide the Book.

If shooters do not produce their book to confirm they are members they are not allowed to shoot. If a person shoots without producing a book this could void the ACTA insurance of the Club. The Club would then be required to show they had indeed completed the "Due Diligence" required. If the club has not sought or been provided the necessary documentation (handicap book/license) the Club Directors could be liable for any legal action arising.

VICARIOUS LIABILITY

Depending on the circumstances, an organisation can be held responsible for the behaviour of its employees or agents. In **sporting clubs**, this extends to employees (paid or unpaid), players, coaches, volunteers and members. This is known as vicarious liability. Circumstances where vicarious liability may not apply are where a club or organisation has shown:

- All reasonable steps were taken to prevent the behaviour from happening in the first place
- Appropriate policies were in place for dealing with the behaviour when it occurred.

What does this mean for you?

- You **MUST** take reasonable steps to ensure that your club is free from discrimination and harassment or a person may make a claim against you.
- If you do not take reasonable steps then you may become personally liable for any damages.
- **If you do take reasonable steps then you cannot be found liable and are protected by the law.**

TRAP HALL OF FAME GRAND SLAM AWARD

Trapshooting Grand Slam awards are presented annually at the Trap Hall of Fame Dinner. The awards are in the form of a plaque and are given to those shooters who have satisfactorily proven their attainment of the award criteria since the last annual award ceremony.

AWARD CRITERIA

The qualifying criteria is to achieve a combination of all three individual elements of the award. The individual elements are:

15 Metres	25 Metres	Double Rise
400 Targets	50 Targets	50 Targets

GENERAL REQUIREMENTS

Membership – The recipient must be a registered ACTA member at the time of each individual break and at the receipt of the award.

Eligible Events – Each break can be achieved in any event conducted in Australia or internationally provided that the Shoot Program detailing the relevant event was advertised in advance in the National magazine of the governing body.

Event Rules – The break must be attained in events conducted under ACTA Trap Rules or rules considered by the ACTA to be a sufficiently close facsimile thereof.

Validity – To be considered eligible, each individual break must conform to the criteria of ACTA Rule 4.23 regardless of what country the break was achieved in.

Substantiation – The onus is on the individual to provide satisfactory evidence to the ACTA of each individual qualifying achievement and is not on the ACTA to disprove any claim made by an individual. Satisfactory evidence would normally be in writing and would include a copy of the Shoot Program and the Shoot results. If the Shoot results do not substantiate the claim, then a letter from the Shoot secretary detailing the break and enclosing a copy of the relevant score sheets would suffice.

Recording – The ACTA shall keep a register of those shooters who prove eligibility of each individual element of the Award criteria and then transpose those names into an Award register once all three elements are achieved.

Timeframe – The award is for lifetime achievements and only one will be presented.
