National Firearms and Weapons Working Policy Group

The Association was invited to attend a meeting in Brisbane of this Working Policy Group on Thursday the 6th August. We were notified of the meeting by telephone the Friday before and of a time, venue and agenda in writing on the Tuesday before. I attended the meeting with EO Tony Turner. The agenda advised that the meeting was to consider the recommendations from the Martin Place Siege report.

The meeting was attended by the major industry representatives, Agforce, some of the major shooting associations and representatives from the Attorney Generals Department. There were also a large group of observers present from organisations such as Border Security, Customs, State Police Weapons branches etc. Having only received the agenda two days prior the Association had little time for consultation. We adopted the position that as the criminal involved in the Martin Place siege was unlicensed, the firearm unregistered and the coroner's report yet to released, that we would strongly oppose any recommendations that would affect licensed shooters negatively.

All invited groups expressed concern at the short notice and lack of agenda detail. The meeting spent little time on the Martin Place Siege review and moved quickly to one of the recommendations from the report: "The Commonwealth, States and Territories should simplify the regulation of the legal firearms market through an update of the technical elements of the National Firearms Agreement" We verbally raised the issues of:

Differing ages for minors in each state;

Non automatic recognition of interstate licenses;

Differing transport and storage requirements;

The issue of some states now reviewing their regulations as they apply to Cat C (Semi Auto) firearms retained under the "Grandfather" clause from 1996;

Difficulties involving overseas competitors importing Cat C firearms for major events conducted in Australia.

A major issue raised by industry was that of a linked database that could bring the benefits of easier interstate sales and point of sale approval to purchase firearms of a category already held etc.

Generally I can say that all input was positive for our sport and the legal ownership of firearms. The Association has now been invited to a second meeting in Sydney on the 26th of August to put our written submission and have further consultation on issues that may affect our sport.

ACTA Sporting National

Nominations for this event have closed with a full field for the second consecutive year, which is very pleasing. The Association will now consider ways to handle larger numbers at this growing event.

Nationals Prizemoney – DTL, Skeet, Sporting. 2016

Although a proposal I supported, the idea that prizemoney in the form of optional pools and cheaper nominations combined would increase entries has clearly proven itself wrong.

Following receipt of a proposal from the Sport Enhancement Committee chaired by Garry Read, a totally new cash prize format will now be introduced.

The Board is recommending to the Executive an increase of nominations of \$20 per event for these three Nationals in 2016, making nomination costs similar to 2010. The \$10 discount for juniors and the "First Nationals Free" for Junior's remains.

Previously when cash prizes were on all events they were calculated on actual attendance on the day, and the value of any sponsors prize would be deducted from the cash award given. The new format will allow advance advertising of the actual cash payouts that will be made for all placings and all Sponsors Prizes will be on top.

It is envisaged that the total prize value of the DTL Nat's will approach \$80,000 so make your bookings early. Prizes for the Skeet and Sporting will be based on the same system.

This is a big step for the Association to guarantee prize values, and we hope that we can increase numbers with this strategy.

Meeting New Zealand

Meetings between ACTA and the NZCTA will take place at the end of August. These meetings are conducted at about five year intervals. Agenda items include reciprocal disciplinary measures, The Glenn series of trophies matches, including the ISSF competition, and handicapping discrepancies between the two countries. Some may wonder if these meetings are worthwhile but I can say that many worthwhile outcomes have resulted from these meetings in the past. For example the plan to restart the World DTL that had not been shot since 1948 was hatched at one of these meetings and began with a letter to the English from our then EO Ian Hill, in the early 90's. The way we now score our point's event and almost identical rules for Skeet are also an outcome from these meetings. A full report will be in a forthcoming magazine.

New ISSF facility

It is pleasing to have received an invitation to the Inauguration of the upgrade to Majura Park's ISSF Facilities. The event has guest speakers of the highest calibre including the ACT Chief Minister Mr. Andrew Barr and Mr. Russell Mark OAM. It is great to see investment continuing in the ISSF area of our sport in what could only be described as a difficult time for these disciplines. Congratulations and Good Luck for the future to Joe Thaller and his members at Majura Park.

The lack of facilities for the Olympic Disciplines is a real problem throughout Australia and any new development should receive complete support from all quarters.

Ron Traill Memorial

A decision has been made that the ACTA Boardroom at the National Office will be renamed the "Ron Traill Room" in recognition of the years of unselfish dedication to the administration of our sport by Ron. It also recognises the close relationship Ron has had with ACTA staff and that he was their "go to man" for many years. The decision includes the proviso that this is named in perpetuity and if we ever move from that building, another suitable room will then host the name ongoing.

Good shooting and safe travels.

Robert Nugent

Executive Officer's Report

The Executive and the Board have put in some great work to ensure the matters of the Association are dealt with in a timely manner. The Board met on the 22nd of July with the Executive ratifying those meeting recommendations on the 14th August. A timely turnaround considering the EO was on leave for a week.

The new streamlined process will be the model we put forward to take the Association to a Company Limited by Guarantee. We meet again as a board on the 7th of September, this will be followed by a meeting with the AIS and Shooting Australia. The Board will also be meeting with Senator Bridget McKenzie at Parliament House on Tuesday the 8th September. The Senator heads up the Friends of Shooters committee in the Parliament and we are eager to garner her support of the Association.

The new website is now operational with a faster format and improved layout. In the near future many of the administration forms for break badges, ordering stationary etc will be in a secure site on the site, we will be setting up access for Secretaries and Presidents to access this area and complete the forms. Once completed they will be sent directly to the ACTA National office where they will be actioned.

The ACTA have secured the rights to shoot English Sporting and

Sportrap disciplines in Australia through the CPSA and our affiliation with the International Clay Target Shooting Federation. The new rules will be available on the Website following a review of rules by rules supervisors from each State. It is now for States and Clubs to register the events with State firearms authorities. The ACTA being in NSW we have done this through NSW Firearms. It is still a requirement for Clubs and the State Association to advise the Firearms branches in each State and for Clubs to have their ranges approved to shoot these events.

The ACTA has been involved and continues to provide submissions to the National firearms and weapons policy working group. This group is looking at reviewing and making recommendations on firearms following the Martin Place Siege in Sydney. We have had an active role in providing recommendations based on our membership requirements.

Our stance is and has been that we fully support taking illegal firearms off the streets however we will not support any additional requirements for licensed and registered shooters.

I again want to emphasise the importance of securing your firearm when not being used, particularly in transit. Firearms laws for safe storage of guns and ammunition are clear when in your home. They are not so clear when travelling. Lock your Gun in a safe locked gun case where possible and keep ammunition separated from your gun. Being overcautious is much easier to explain than being under prepared.

Rule Interpretation

QUESTION

Dear Sir,

Could you please clear up a rule for me. It relates to the allowance of a target to be shot at not to count at the start of an event (Rule 5a). Many times shooters insist they can have a target to shoot at "not to count" after they change events eg. Double Rise to Single Barrel, they insist it is a change of discipline. I cannot find any such rule in the ACTA Shooting Rules. I understand that if the event organisers declare that every body gets a "not to count" target before a new event there is no issue.

Could you please clear this up for me so that I am able to convey the correct information next time this issue arises?

ANSWER

The question of a free target at the start of the day's event is not an issue and is clearly covered under the Rule you mention.

Guideline no. 5 "Targets to be shown by Referees" :

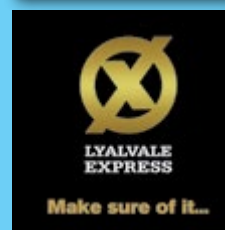

- (a) One target shot not-to-count shall be offered to each shooter, for his FIRST TARGET, OF A DAY.

Many shooters mistakenly believe that they have a right to shoot at a free target at the change of events as you mention, but this is clearly not set out in our Rules.

Individual clubs have the ability to offer a free target at the change of events, for example Double Barrel to Double Rise but it is the club's decision, not a shooters right.

Jim Shepherd
Rules Supervisor

If you have any questions in relation to the interpretation of a rule in our Rule Book, please send your questions to the ACTA office and we will endeavour to provide answers in the CTSN

BLACKWATER CLAY TARGET CLUB

JULY, 2015

Over the weekend shooters from Mackay, Townsville, Charters Towers, Rockhampton, Callide Dawson and Port Dennison travelled to Blackwater for the Queensland Clay Target Central Zone Skeet Carnival being hosted by the local Blackwater Clay Target Club. The weather was cloudy on Saturday and hot for July and some gusty winds and a whirly wind belted through but on Sunday we finally got some sunshine which made our targets easier to see and the day was very hot and humid for this time of year on 29. We are all wondering what happened to winter.

The sun disappeared behind clouds for most of the day on Saturday which made the changing light a huge factor in the scores. Sunday was kinder and the sun shone on the clays making it easier to see them in our background. The visitors enjoyed some good competition and the targets were good. The food was most enjoyable with many coming back for seconds thanks to our great helpers in the kitchen Larnie, Kylie, Heather and Jodi. The Pavlova was a big hit and Ant came back for seconds as well as several others.

The shooters all had a good time and a big thank you to all the volunteers who worked hard filling the hoppers and making sure everything ran smoothly. To all those refs and scorers who used the voice release on all layouts thank you as some were not familiar with them but found it makes it so much easier with no daggers looks on slow pulls to worry about or fast ones for that matter.

Antony Ballarino took out the Overall High Gun win this weekend. The team placings for the inter zone teams was Tony Long, Vere Storch, Chris Bourne, Jim Storch, Malcom Bell and Brett Graving. The weekend was a good success and the club would like to let all know that the next shoot will be held on the 23rd August and an open day will be held on the 30th August for anyone who would like to try the sport. The club has suffered with losing members with a downturn in the coal mining industry but a few new members have just joined so a membership drive in being conducted to try and boost participation. Thanks again to all who assisted in any way on the weekend and all those who travelled to the shoot.

FIMAC ENGINEERING Handicap Shield

BEGA GUN CLUB

ROUND 3

Bega Gun Club is one for all seasons and that's exactly what happened for the August monthly shoot. Round one had fog, round two had rain and the final effort for the day was shot in glorious sunshine.

Twenty-nine eager contestants turned up for the day with the main feature being round three of the Fimac Engineering Handicap Shield, sponsored by Shane Platts. The program was completed by a 25 target single barrel for openers and finished off with fifty targets of Continental, making up a varied challenge for all participants.

The 25T single barrel showed fog was not a disadvantage for some, with Alf Niesar shooting a clean 25/25 to win AA Grade. Shane Platts and Phil Body carried on for a further four targets before Phil missed to give Shane second place. James Body went one further than Dad by winning A Grade with a score of 23/25 and leaving Robert Taylor and Steve McIntyre to shoot off for second. Steve kindly missed his first target to leave second place to Robert. B Grade are a sociable mob and John Gray, Zip Summerell, Don Ubrihien and Keith Pearce took some time to sort out first and second. John Gray finally collected first with a score of 26/31, with Keith taking second 25/31. Tim Collins and Brian Moffitt shot an extra five targets to sort out C Grade, Brian winning with 26/30 and Tim on 25/30 taking second.

Event two was the third round of the Fimac with two A Graders and a B grader showing how it was done.

AA Grade winner SB, HG, Cont winner, Alf Niesar, presenting A Grade Cont winner, John Siede with his prize

R/U AA Grade SB, Fimac HC sponsor and Club President, Shane Platts looking pleased with himself

Kevin Hurt, A Grade shooting off 19, shot the possible 25/25 to win the third round. Don Ubrihien (B/20) and Robert Taylor (A/19) shot an extra six targets to sort out second and third, Don taking second with 30/31 from Robert's 29/31. These results will add further

interest to the final round in November, with a number of shooters still in contention for this year's honours.

Final event for the day was the 50T Continental. To celebrate the change, the sun came out and Alf Niesar set the standard once again by collecting 50/50 on his way to winning AA Grade. One target behind was the ever consistent Chris Davis on 49/50. John Siede, never far from the action,

shot 49/50 to win A Grade from another very consistent veteran in Doug Blewitt on 48/50. Don Ubrihien continued his good form for the day to win B Grade with a score of 48/50 with Mick Diss in second with a score of 44/50. In C Grade, George Toyne collected 44 targets to win from Simon Buckley who scored 42/50.

The shoot raffle went to Pauline Body who showed great judgement by sending son, James, instead of husband, Phil, out on her behalf. James duly shot the targets and Mum scored herself \$224. High Gun went to Alf Niesar with a total for the day of 95/100. Local rumour has it that President and Sponsor of the Fimac, Shane had a significant birthday on the Saturday before the shoot. Well done SP. Apologies for lack of report last month – was up in the very hot country.

Next month sees the 100T Ball Trap Championship, sponsored each year by Alf and Gail Niesar. It is hoped to get under way by 9.30am.

GUYRA COOL 100

GUYRA GUN CLUB JULY 26, 2015

Shooters were greeted with sunny skies and fresh breezes as they battled the 100 targets for the time honoured "Cool 100" at Guyra Gun Club on Sunday July 26. Seventy shooters travelled from the North-West, Hunter Valley and Southern Queensland to compete for cash and prizes.

The "Cool 100" was sponsored by Northern Star Conveyancing, a club supporter for some years. The earlier event on Sunday, the New England Winter Championship, and Saturday's events were sponsored by Kirk's IGA Guyra; Michael and Kay Hunt (Perrazi); Jetty Boating Coffs Harbour; Landmark Guyra; Grazag Guyra.

Craig Hayes displayed his consistency and took this year's "Cool 100" with an impressive score of 110/110. He and Nick Tanner were the only two shooters to post the 100/100 possible.

The Grade results are as follows: AA Grade 1st Brad Henshall 124/125; AA Grade 2nd Tony Rogers 123/125; A Grade 1st Nick Tanner 109/110; A Grade 2nd Morgan Bell 111/115; B Grade 1st Bud Sweeney 103/111; B Grade 2nd Ian Durkin 102/111; C Grade 1st Kaylene Estcourt 83/100 C Grade 2nd Russell Sainsbury 74/100.

The earlier event, the New England Winter Championship, was won by the in-form local shooter Nik McRae with the only 100/100 registered in the

event. John Reid won AA Grade with 99/100 and Craig Hayes shot 118/120 to take second in AA Grade. Bill Fletcher's score of 116/120 secured A Grade, with Ralph Larkings shooting 115/120 and taking second in A Grade. B Grade went to John Barker (107/120) and Alan West (106/120) took second. The C Grade winner was Kaylene Estcourt (83/100) and Russell Sainsbury shot 80/100 to secure second place.

Two events were conducted on Saturday 25 July. Results of the 25 Target Points Score are: AA Grade 1st Kevin Bourke 89/90; AA Grade 2nd Steve Wallis 86/90; A Grade 1st Ross Aston 72/75; A Grade 2nd Andrew Estcourt 71/75; B Grade 1st Chris Durkin 72/75; B Grade 2nd Ian Durkin 67/75; C Grade 1st Kaylene Estcourt 64/75; C Grade 2nd Paul Davidson 49/75.

The 25 Target Double Barrel was the second event on Saturday. The Grade results are as follows: AA Grade 1st Romeo Spagnolo 69/69; AA Grade 2nd Kevin Bourke 68/69; A Grade 1st Nick Tanner 25/25; A Grade 2nd Ross Aston 37/39; B Grade 1st Greg Brunson 39/40; B Grade 2nd John Smith 38/40; C Grade 1st Kaylene Estcourt 22/26; C Grade 2nd Paul Davidson 21/26.

The overall High Gun was won by Craig Hayes (198/200). The Grade High Gun winners are as follows: AA Grade John Reid 197/200; A Grade Nick Tanner 196/200; B Grade Bud Sweeney 199/220; C Grade Kaylene Estcourt 166/200; Lady Tammy Henshall 194/200; Veteran Geoff Baxter 190/200; Junior Callam Moffatt 169/200.

COWRA GUN CLUB

JULY, 2015

HG winners: A C Dykes, Vet R Piotrowski, B J Catterall, OAP Kenyon, C P Heuston, AA C Foster & Jnr N Burt

The 2015 Len Bird Cowra Gold Cup shoot conducted by Cowra Gun Club attracted 105 competitors from all around NSW.

This number of shooters competing is testament to the local club's commitment to provide top notch facilities coupled with an excellent program of events. The organisation and smooth running of this major shoot keeps drawing a large contingent of top clay target shooters.

Both days of competition provided varying weather conditions challenging competitors, but good scores were posted across all events.

The overall 2015 Len Bird Cowra Gold Cup was taken out by Peter Kenyon from Wagga with the score of 379/385 from Clive Foster of West Wyalong scoring 376/385.

The Telescope Tyres Cowra Single Barrel Championship was won by Arty Del-Ben of Sydney with 62/63. While the Cowra Services Club Double Barrel Championship was taken out by Nathan Burt from Boorowa with 184/184.

Sundays competition saw the Cowra Diesel Service Points Score Championship won by Clive Foster of West Wyalong with 150/150 and the Railway Hotel Cowra Double Barrel Championship went to John Crompton from Sydney shooting 148/148.

Local shooters to do well over the weekend included Aaron Jones taking AA grade in the Single Barrel, Col O'Leary A grade Single Barrel and Cliff Dykes winning overall A grade High Gun as well as taking out A grade in the Points Score championship.

Clarrie Retires

Maryborough Gun Club Life Member, Clarrie Alderson, has put away the club ride-on mower and decided, for health reasons, to spend a more leisurely life at home.

Clarrie, who's ACTA Membersip number is 127 has been around the club for quite a while. In his younger days Clarrie was considered "a shooter to be reckoned with" and for many years he held the club single barrel break record of 85/85.

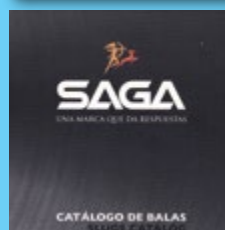

In recent years, since retiring from his farm, not only has he kept the Maryborough club grounds immaculate but Clarrie has actively run the so-called "Dads Army" shoot each week, which has been instrumental in keeping the club's finances healthy.

Recently after a spell in hospital, Clarrie decided that he would hand over the reigns, to a young 86 year old Bill Olsen, some ten years his senior. Bill now spends more time at the club than at home.

Pictured is Peter Tate, newly inducted Maryborough Life Member, presenting Clarrie with a small gift, a token of our respect.

Appropriately the gift included a small toy – a ride-on mower.

The club would like to thank Clarrie for his many years of service and wishes him well.

TWO DAY CARNIVAL

BUNDABERG CLAY TARGET CLUB AUGUST 1 & 2, 2015

Bundaberg Clay Target Club held its Two Day Shooting carnival on Sunday the 1st & 2nd August, with 86 shooters vying for the cash & cartridges in perfect conditions. An excellent roll up of shooters travelled from Sunshine Coast, Gladstone, Spring Bay (Tasmania), Maryborough, Gympie, Central Burnett, Callide Dawson, Barcaldine, Cressy (Tasmania), Melbourne, Wonthaggi (Vic), Roma, Caboolture, Springsure, Gold Coast, Tarawera, Rockhampton Richmond River (NSW) and Bundaberg. It was pleasing to see a good roll up of our own shooters attend.

The shoot got under way with the first shot fired at around 9.15am in perfect conditions much to the shooters delight. The shoot progressed really well with a no interruptions and a small breakdown on Sunday but the shoot still finished reasonable early letting the travelling shooters get on the road before dark. The shoot produced good targets and no arguments. Which is always a very good plus. Good shoot was had by all with nearly 50 possiblies shot for the weekend.

Event 1 25 target Cash Divide to get their eye in for the remainder of the shoot. With 20 25/25 shot and quite a lot of 24/25.

Event 2 25 target Double Barrel Handicap sponsored by Margaret and Graham Rudd was won by with David Stitt with the only 25/25 taking home the \$1,000.00, and after a shoot off Paul Rehbein taking out 2nd 52/53, 3rd

Dave Amos 51/53 and 4th Ian Johnson 37/39.

Event 3 50 target Double Barrel Championship sponsored by NIOA Trading. Bill Pavy was the victor taking out Overall after a shoot off with a score 174/174 and Bruce Powell relegated to AA Grade 1st 173/174 and David Stitt 1st in A Grade 77/78. B Grade 1st Graham Rudd 48/50 and lady shooter took out C Grade 1st Beth Zillman 48/50.

Skeet Championship to Rosenboom at Wangaratta

Mark Rosenboom from Griffith NSW was only one target down out of a total 100, at the July Skeet Championship held at Wangaratta Clay Target Club. He shot a perfect score of 50/50 under windy and very cold conditions winning overall and A grade in the first event. He then went on to shoot an impressive score of 49/50 taking out the doubles event. Under the conditions, this was an excellent performance and one that he should be very proud of.

Shepparton skeet enthusiast Peter Finn, was close on Mark's heels in the 50 target event coming in 2nd place in A grade with 49/50. Wangaratta shooter David Jackel also lost only one target winning AA grade and Gil Farish finished on 48/50 winning 2nd Brian Reid was re graded to A grade

after puffing up 48/50 targets in B grade, just ahead of Peter Roper from Mt Beauty 46/50. Nice to see a relative newcomer to skeet, Ben Mason take out C with a result of 36/50.

The second event was a 25 pair Skeet doubles, which always presents a challenge to the less experienced shooters. After Rosenboom had put in his winning top performance, Colin Finn won 2nd place in A grade with 45/50. David Jackel, an experienced and excellent doubles shooter finished by hitting 46/50 winning AA grade. Once again, Gil Farish was only one

target behind Jackel on 45/50 claiming 2nd. Nice to see B grader Peter Roper win the sash with a tally of 41/50 and Ben Mason again taking home

Narrabri Two Day Open

NARRABRI CLAY TARGET CLUB JULY 18 & 19, 2015

Narrabri Clay Target clubs annual two day open shoot was held on 18th & 19th July and was hailed a huge success with shooters travelling from Victoria, Queensland and all over NSW attending. The weather was cool to cold but couldn't deter from the keenness of the competitors.

Starting at 9am on Saturday the 1st event was the ITC National 30 Target Mixed, comprising of 10 target Double Barrel, 10 target Single Barrel and 10 target Points Score. Overall was won by Trevor Dehne from Cohuna Vic with the only possible. 1st AA Grade went to David Jackson from Narrabri after a shoot off, second went to another local Trevor Atkinson. 1st A Grade Brenton Kelly from Coonamble and 2nd to Cherie Hunter from Tamworth. 1st B Grade was won by Robert Alston and 2nd David O'Brien both from Warren after a shoot off. C Grade went to Valerie Dehne from Victoria from Josh Loughan after a shoot off.

The second event the Powerbeyond Hydraulics 30 Target Single Barrel went to Dean Thomson from Narrabri taking out overall with the only possible 30/30. 1st AA Grade went to John Harris after a shoot off with Troy Holman coming in 2nd. A Grade was won by Cherie Hunter from Nicholas Tanner, B Grade went to David O'Brien from promising junior Cassidy Hunter from Tamworth and C Grade was won by Josh Loughan from Valerie Dehne from Victoria.

The last event on Saturday afternoon was Adama Essentials 50 Target Double Barrel and Mark McInnes was welcomed back to Narrabri with a

win showing his old form with 175/175 from old stalwart Peter Fitzalan from Dubbo on 174/175 taking out 1st in AA Grade and 2nd went to Geoff Hunter from Tamworth 172/175. Brenton Kelly took out 1st A Grade from Nicholas Tanner 2nd. B Grade went to Tristan Hunter another promising junior from Tamworth 1st with David O'Brien 2nd. C Grade went to Jesse Kennedy-Gibbs from Russell Sainsbury coming in 2nd.

Another cold frosty morning saw everyone tackling the hard Delta Ag Narrabri 30 Target Points Score. Overall went to Brad Henshall from Tamworth shooting the only possible 90/90 with AA Grade 1st going to Glen Harvey from Coonamble after a lengthy shoot off with Troy Holman taking out 2nd. A Grade Cherie Hunter took out the grade with 1 point down from 2nd place getter Andrew Estcount. B Grade was won by Richard Marshall from Cessnock from Cassidy Hunter from Tamworth. C Grade went to Josh Loughan 1st from Archie Fletcher close behind.

The fifth event for the weekend was Tyeright & Narrabri Club Members 30 Target Handicap. Once again Brad Henshall from Tamworth takes out the event with 30/30 and Trevor Dehne from Victoria coming in 2nd followed by Graeme Leys from Narrabri 3rd with Graeme's son Ian taking out 4th and lovely young Sophie Sainsbury taking out the final prize.

The next and last event was the Ozefeeds 25 Pair Double Rise Championship saw Frank Robinson from Queensland taking out overall with 57/60 from AA Grade 1st Brad Henshall and 2nd was John Harris from Narrabri after a shoot off. -A Grade went to Doug Smith from 2nd place-

getter Bill Fletcher from Walcha after a shoot off. B Grade saw Robert Alston take out 1st from Ian Leys and C Grade went to Russel Sainsbury from Archie Fletcher 2nd

The Landmark, Peel Valley High Gun sashes were closely contested with Tamworth Hot shot Brad Henshall taking out overall with 289/300. John Harris from Narrabri won AA Grade after a shoot off with Geoff Hunter with 298/312. Young Brenton Kelly from Coonamble took out A Grade with 273/300. B Grade went to Cessnock shooter Richard Marshall with 263/300. C Grade was won by Archie Fletcher with a credible 260/300. The Ladies High Gun went to Cherie Hunter from Tamworth. The Juniors High Gun went to Geoff & Cherie's son Cassidy with 255/300 and the Veterans sash went to local Graham Baylis.

Congratulation goes to the Office Staff led by Cath Leys for a job well done. Also big thanks to the Kerrie & Janet in the Kitchen for keeping everyone will fed and President Barry for the brekkie barbie.

A big thanks go to our major sponsors namely Landmark, Peel Valley, Faber Tools, ITC National, Powerbeyond Hydraulics, Adama Essentials, Delta Ag Narrabri, Tyeright and Ozefeeds. Without their support it would be hard to survive.

Thanks to all members for their help and dedication.

Top shooting at Cloncurry

CLONCURRY GUN CLUB JUNE 27 & 28, 2015

Cloncurry Gun Club held its annual shoot on 27th and 28th June. 63 shooters came from far and wide to test themselves against the iconic Cloncurry conditions. The weekend's events were shared amongst shooters from all grades with not too many picking up more than a prize or two. Saturday night saw everyone enjoy the camp oven dinner, which must have been OK because the crowd was quiet for quite some time. They all came to life with the Calcutta auction taking place after dinner. With the auctioneering skills of Wayne Reeves and Robbie Cusack the end result was a pool of almost \$6000.00.

First place in the handicap went to local shooter Russell Woods with a score of 30/30, which saw his owners take away a very tidy sum. The next four shooters had to shoot off for the handicap event places, with the Calcutta money being shared.

There was a great array of prizes which would not have been possible without the greatly appreciated sponsors. As we all know, sponsors are what keep sporting clubs alive and many thanks must go to the following people. North West Stump Grinding, Central Hotel, Curley Cattle Transport, BOSS Shop, Niverak Smash Repairs, Lemmon's Store, YBD Constructions, OzECool, Carpentaria fuels, McAleese Resources, Cloncurry Tyres, Landmark Cloncurry, Brodie Hardware, Auszscot Civil, Qld Police Clay Target Club, KD Leahy, Fabbro Diesel, Kenny's Auto Electrics, Juturna Infrastructure, Snap On Tools, Gun Lawyers, Bullivants, Discovery Parks, Brodie & Co, Cloncurry Shire Council, XXXX, CUB, ALM, Coca Cola, Diageo, Flickys' Meat Supplies, Desert Ice, NQX, Porters Transport, ARB Townsville, Winchester, Hall's Firearms and Global Welding Supplies.

All the boys and girls from the Cloncurry Gun Club put on a great show for their visitors and worked very hard in all areas. Many thanks to the office, bar, kitchen and trap workers for their commitment on the weekend. The North Qld Clay Target Shooters began our pink and blue fundraiser with the sale of shirts, pens and pins on the weekend. The big push for the pink and blue day will be held on the weekend of the Northern Zone trap carnival held on the 29th and 30th August in Cloncurry.

A multi draw raffle is being held with tickets available now and throughout the weekend. Lots of other fundraising activities are planned to raise much needed funds for both the McGrath Foundation and Prostate Cancer Foundation.

North Qld Clay Target shooters are very proud to be supporting these initiatives and doing their bit to raise the profile of our sport on a national scale. The Cloncurry Gun Club will be accepting donations throughout the weekend and these will be passed on to the Northern Zone.

Many thanks once again to all shooters, sponsors and spectators for a great weekend. Hopefully we will see many of you return again next year.

NSW State Skeet Carnival

AUGUST 2015, WAGGA GUN CLUB

The tournament was again honoured by the presence of John Shima for a third consecutive year. John generously donated his time free of charge providing coaching tips over the 3 days of the tournament. John is a five-time World Champion, and has been teaching and conducting shooting clinics around the world for over 30 years. I hope you all had the opportunity to catch up with John. Hopefully John will be available again next year.

Wagga provided good weather, no rain no wind, albeit pretty cold in the mornings for the 3 day tournament.

Friday saw the start of the small gauge events, Nathan Campbell from the International Gun Club won the 20 gauge event with 72/72. The 28 gauge was won with the only 50 by Glenn Clarke from Melbourne Gun Club with this being the first of the two state titles that he won over the tournament. Shane Bennett from Bathurst Gun Club won the 410 state title for the second year in a row with a score of 55/56.

Saturday saw our competitor numbers rise from 72 on Friday to around 100 for a very foggy start to the Doubles event. David O'Sullivan emerged from the mist with the only possible in the event.

The weather cleared for the start of the Handicap where we were treated to a fine display of shooting from junior Max Sammon from Swan Hill and Hall of Fame member Leigh Roberts from Bendigo. Max won the event to take out his first

open state title adding this to his 410 junior state title from the previous day, Max also took out the B grade High Gun over the tournament.

Sunday presented us with coldest day of the tournament. Two shooters, David O'Sullivan and Glenn Clarke shot themselves into the shoot off with the only possibles for the day. Glenn won the 12 gauge 100 target state title making this his second title of the tournament.

Jack Stockdale won the junior title in this event and he also won the junior 410 title, 28 gauge title and the junior High Gun.

The overall High Gun was won by Shane Bennett on a score of 342/350. Shane is also captain of

the shoulder to shoulder state team for 2016, his wife Sarah took out second position in the state team, and I believe this is the first time a lady has made the NSW open team.

NSWCTA would like to thank their sponsor Eley and everyone who assisted at the carnival; this includes our Shoot Marshall Sue Pim, IT Professional Frank Auditore, Handicapper Alison Haywood, State Secretary Kathleen Dawe & State executives Janene Schiller, David O'Brien, Fred Rapley & Don Power who spent countless hours volunteering their time over the weekend.

NSW Clay Target Association looks forward to seeing you all next year at the National shooting grounds in Wagga. Full results follow.

Broken Hill Skeet Championships

BROKEN HILL GUN CLUB INC
JULY 11–12, 2015

Story by Evan Stephenson

The weekend of 11th and 12th of July was the Broken Hill Gun Club's Two Skeet Championships. Last year I made the following statement "there is only one word to describe the weather for the weekend, it was cold." This year there is a few more words that could be used to describe the conditions as the arctic front moved across Australia, cold, windy, gale force, dusty, raining, sleeting, close to snowing, etc. The conditions were bad, and I don't think I have ever shot in worse, even at the Wagga Nationals a very long time ago, when you had to stand in water on each station because the pads were below the grass, a car was bogged in the car park every day, and Wagga had sold out of gum boots and rain coats. Any way enough of trying to explain why I didn't shoot very well, some shooters did shoot some good score considering the conditions. We only had 29 shooters competing over the weekend which was down from 40 last year, but I reckon the forecasted weather may have had something to do with it. Again the visiting shooter looked after us by their

attendance and we thank them all, they all braved the harsh conditions.

As you can see by the photo's we had around \$3000.00 worth of sashes and shells up for grabs, it was a great display of trophies & sashes, thanks to the following sponsors – the Broken Hill Gun Club Inc, Broken Hill Bottle & Recycling, the Veteran shooters of our club and the sons of the late Ted Southern, Top end Meats, Brian Hoare & Rick Jones. Their support is greatly appreciated and we thank you all. Despite the very bad conditions it was going to be a good weekend, here are the results:

The first event was a 50 Pair (100tgts) Skeet Doubles event, OA & 1st AA grade Nathan Campbell 96/100, 2nd Ben Baker 94/100, 1st A grade David Lemmich 89/100, 2nd Evan Stephenson 86/100, 1st B grade John Lemmich 89/100, 2nd Nando Praino 88/100, 1st C grade David Barker 89/100, 2nd Jason Stone 81/100, Vets Robert Thorne 80/100 and Juniors Jarred Nicholls 72/100.

The second event was a 50tgt normal skeet, OA & 1st AA grade after a short shot off Nathan Campbell 78/80, 2nd Darryn Nicholls 77/100, 1st A grade David Lemmich 47/50, 2nd Josh Holmes 52/59, 1st B grade John Lemmich 47/50, 2nd Wayne Johnston 45/50, 1st C grade Jarred Nicholls 47/50, 2nd David Barker 50/55, Vets Wayne Channing 44/50, Juniors Jarred Doyle Yoannidis.

The third event, and the main event for the weekend on Sunday was the 100tgt West Darling Championship OA David Lemmich 98/100, 1st AA Nathan Campbell 97/100, 2nd AA grade Ben Baker 125/130, 1st A grade Evan Stephenson 94/100, 2nd Bruce Baker 91/100, 1st B grade Josh Holmes 95/100, 2nd Sim Neoh 90/100, 1st C grade Peter Smith 89/100, 2nd Wayne McAllister 88/100, Vets John Lemmich 90/100, Juniors Jarred Nicholls 86/100.

Now for the High Guns, Overall High, sash was sponsored by Brian Hoare Nathan Campbell 241/250, AA grade Darryn Nicholls 235/250, A grade Bruce Baker 218/250, B grade David Lemmich 234/250, C grade David Barker 220/250.

I wasn't going to, but it wouldn't be the same if there weren't any funny stories coming from the weekend. I saw on the weekend something that I thought I would never see, and that is trap shooters talking about and getting frustrated with skeet targets that they were missing, now no names will be mentioned, let's say they are two of the best DTL shooters in Australia. It was interesting to watch one of them get really excited about hitting low 5 for the first time on his last round of the weekend, and the other that was complaining over a beer after the shoot about how he hadn't hit a high 3 target all weekend, skeet is easy isn't it? Another one I heard

about, a certain junior shooters mother, was making a cake at the shoot, she wanted some icing sugar for the cake, so she asked her son, the son of a well known DTL shooter to go to the shop to get her some, so he did, he went and got the "ice and sugar" for her, now there is a moral to this one and it is always remember always use ear protection when shooting?

Thanks must also go to all our valued sponsors and all the other helpers and workers over the weekend, and the ladies in the kitchen who kept us very well feed with some nice warm food all weekend, and who put on a great roast tea Saturday night well done. The next Gun Club shoot is on this Sunday the 2nd of August and don't forget the AGM. Hope to see you all there.

Cuzzo's Ramblings

OCTOBER
2015

I shot at my first clay target when I was about nine years old. One Saturday afternoon a school mate and I rode our bikes out to the edge of town where the local Gun Club was located at the rear of an outlying Hotel, which was par for the course in those days. My friend's father and uncle owned the local Sports Store cum Gun Shop and were keen shotgunners. During a break for afternoon tea his father offered us a shot. In hindsight the gun was probably a fairly light field gun using very big cartridges. I don't remember if I hit the target but I doubt it. What I do remember is that it almost knocked me over and made my eyes water. My friend didn't fare much better. Then we rode home nursing our injuries and our pride. On all future Saturday afternoons we found other things to do.

Second Time Around

My next experience was about ten years later and I drove my car to the Gun Club, which by this time had relocated to the edge of the local aerodrome. My competitive results weren't much better but the extent of my enthusiasm was diametrically opposed to my previous experience. During the following week I traded my big bore target rifle in on a shotgun and commenced to haunt Gun Clubs on and off for the next forty odd years. Which leads me to where I'm headed this month. What sort of gun did I buy? A Belgian

For many years Browning donated a unique gun each year for the National High Gun winner. Sadly by 1988 their market share had dropped to the point where this was no longer viable. Fortunately Beretta then took up the opportunity

made Browning of course! At that time (the mid to late 60s) there were only two types of clay target shooters. Those who shot a Browning and those who wished they did. Just exactly how the Browning brand had come to almost totally dominate the market by this time I'm not exactly sure but they certainly had a vice grip on it.

The Pecking Order

The poor people (like me) shot a "jackhammer" which was a long-recoil five-shot automatic. Its

factory model designation was A5. It was popular and probably the best seller of all the models. There was another self loader available at that time. It was a short recoil design with no magazine, designed specifically for clay target shooting. For obvious reasons it was simply called the Two Shot Auto. Although very rare, I was fortunate enough to have a couple of them until Johnny Howard "recalled" them. The better off blue collar workers shot the entry level under/over blued gun with minimal engraving whose factory designation was A1, but which we simply called an A grade. It was probably the second best seller of all time. There was an A2, or B grade, whose frame was case hardened, instead of blued, but these guns were also very rare.

Continuing Right Along

The white collar workers shot the second tier guns: B1 and B2, more commonly but confusingly referred to in Australia as C and D grades. And the rich people shot guns from the third and fourth tier. Their factory designation was C1 to C3 and D1 to D5 but again in Australia we extended the alphabetical sequence and called the third tier E, F and G grades and the top tier H through L grades. The most popular were the F and the K as these had hunting scenes engraved on them. As the years rolled on and for a variety of different reasons Browning's market share eroded away to the point where today these guns are considered to be more of a collector's item and are rarely seen in competition circles. Which brings me to this month's focus. A local area friend and fellow club member, Simon Webster, recently acquired a very famous example of these fine guns and wrote a story about it which I am about to share with you. Enjoy!

A Couple of Legends

The name Fred Burns may not immediately be familiar to the modern day trap shooter, but during the late thirties through to the mid sixties he entrenched his name in ACTA history. Fred's shooting career included almost 300 championships including all of the major Australian titles at some point and the premier Champion of Cham-

Champion

pions title multiple times. In 1956 he and Newton Thomas were ruled out of competing for Australia at the Melbourne Olympics on the basis that they were not "amateurs". The very next week Fred beat the entire Olympic field in a gala live bird championship at the Melbourne Gun Club in Tottenham. An

incredible feat! Undoubtedly Fred Burns and Newton Thomas were the country's top two shooters and in a class of their own. They were almost royalty amongst not only the shooting fraternity but the sporting community as a whole.

A Tale of Two Barrels

Rather than a story about the man, this is a story about the famous Browning over and under that Fred Burns was presented with by FN Browning in 1955. I have always been fascinated by Browning over and unders from my first days of shooting. History has also been a passion of mine and as such a conversation transpired some 3 years ago that started a journey.

An Icon is Born

During the late 1940s a new gun emerged onto the live bird scene that started a whole new era for shotgunning in Australia. From the early days of the side by side and A5 self loader, the all new Browning FN over and under appeared. This gun in all its various grades was generically referred to by the factory as the Model B25. And from the early fifties through to the mid eighties it was "the king" on Australian shooting tracks. The Browning OU dominated the live bird scene and early clay pigeon events. Regularly entire squads of shooters were all shooting a Browning. And the Australian shooter whose name was synonymous with winning big titles and undoubtedly pioneering the Browning OU in Australia was Fred Burns.

Onwards and Upwards

From the late thirties through to the mid fifties, Fred had huge success firstly with his A5, then moving to a Browning A grade. In those years there were many agents in Australia for FN Browning. The most well known were Alcock and Pierce in Melbourne, Mick Smith in Sydney and Fullers in South Australia. In 1954, after having such great success with Browning shotguns, Fred Burns decided he wanted to own "the best Browning money could buy". He stretched himself financially and approached the agents in Melbourne for a quote. They spoke to the factory at Herstal in Belgium and a letter came back from the custom shop saying that they would be only too happy to supply Fred Burns with a high grade gun. But the gun would be their "Special Presentation" model and it would be supplied at no charge. This was in recognition for him putting their product on the shooting stage in Australia with his high profile wins.

Special Specifications

Fred selected his choice of engraving and specifications. Hand crafted from one end to the other the "Special" was 5 months in the making and arrived 9 months after ordering. Fred even had the gun sent via ship rather than air because he was afraid of losing the gun in a plane crash! The gun is of single trigger design with a blued action. Perfectly balanced the stock is fiddle back walnut with classic French walnut and black highlights. The hand engraving rivals fine oriental inlay work and includes the owners name in the 24 carat gold escutcheon reading A.F. Burns. The word "Special" is written in copperplate gold along the hand filed top rib. The sides of the receiver feature gold and copper rose bouquets on a

Fred Burns with his pride and joy

scalloped frame. It also has a gold pigeon on the top lever and hand beaten jack snipe in flight on the trigger guard. The trigger is also canted for the right hand shooter;

checkered and hard gold plated. With 30" barrels, extra long 3 piece schnabel forearm, choked full and full, this gun was a live bird specialist.

Constantly in the Limelight

The gun was well known amongst the shooters of the era and pictured in many famous shoot-offs and carnivals during the peak of his career. One such event that cannot be overlooked was the Australian National Championships conducted at the Australian Gun Club in East Burwood Victoria in March of 1958. All the greats were there, including Burns, Thomas, the great "Calrossie" and Paul and Sperry Marshall from Tasmania. At one point during the Carnival Sperry Marshall had to go head to head with Burns for a fourth placing in the Single Barrel event. Sounds quite low key, but what followed broke all records. Keep in mind that shooting 100 straight targets single barrel from 16 yards was virtually unheard of in those days. After a while these two great shooters decided to move back a yard every so often and ended up in the car park, shooting from beyond 27 yards with Burns finally taking it on the 134th target! This feat eclipsed all known records of the day.

"This famous picture was taken by official ACTA photographer Frank Johnson after the shoot off. As can be seen Fred has in hand "The Special" and Sperry, a mint A grade

But Wait – There's More

Most would have thought that such a feat would not have been equalled for a very long time. But later in the day the two giants of the sport, Newton Thomas and Fred Burns, went head the head for a placing in the Champion of Champions, which had been won earlier by Sperry Marshall. After several other shooters had fallen away, these two famous ICI sponsored shooters decided to put on a show for the crowd. After discussing the situation they both walked back to 27 yards,

where they shot to finality with Newton Thomas eventually prevailed on the 129th target! During this marathon exhibition their barrels got so hot at times they had to stop and dip them into a barrel of cold water. An amazing end to the carnival! These were undoubtedly the golden years.

The Twilight

While Fred managed Myers Gun Emporium during the 1960's, the gun was regularly featured in magazines and newspaper advertisements. "Shoot like Fred Burns" they read! As Fred's shooting career came to its twilight during the 1970's the "Special" became more and more rarely seen and eventually disappeared from Australian shooting tracks altogether. One of the greatest Browning shotguns ever and the first given to an Australian shooter by FN Browning simply faded away. Hearing about this legendary gun and Fred's incredible shooting career, I made it a mission to find the gun and bring it back into the light again. This gun's incredible story deserved to live on and be heard by the next generation.

The Resurrection

After a nearly 40 year hiatus the famous Browning Presentation Special returns to the shooting scene courtesy of its new custodian, Simon Webster"

With the invaluable help of many close friends that knew of my quest, an introduction to the Hill family of Shepparton finally eventuated. Fred's sudden passing in 1981 left his trusted lifelong companion and wife Molly assuming the responsibility of caring for the gun. For the next 30 years it was held securely under lock and key until daughter Dawn Hill (nee Burns) was then entrusted with its custody. The day recently came when I had the privileged opportunity of firing the "Special" for the first time in almost 40 years. A friend said to me "this is like playing Elvis Presley's guitar" and I replied "that's exactly what it feels like for me too"! A legend has returned and is no longer forgotten. Browning Special Presentation model, serial number 47150, circa 1955. Original owner: A.F Burns, an Australian shooting icon. ACTA Trapshooting Hall of Fame member 2004.

August's Trivia Question

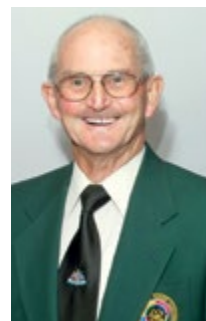

Of the 33 All Australian Skeet Teams selected at the Skeet Nationals since 1983 there are only two members that also share the distinction of being inducted into the ACTA Trapshooting Hall of Fame. The first one is a "walk up start" as my old mate and Two Man Team partner, Billy Iles is unquestionably one of the best "all round" shooters in ACTA history. Attending Skeet shoots only when Trap shoots are scarce, he has still managed to rack up four State Skeet titles and three Runner-ups at the Nationals. Sadly all three of those would have been wins if only I had stayed at home. However he also qualified for the All Australian Skeet Team five times in 1985, 1994, 1996, 1997 and 2000.

What mates are for

I'm sure he could have had more wins and made more Teams, but he was adamant he would only attend the Skeet Nationals if I was there, as his prime agenda was to "carry" me in the Two-Man Teams match and I missed half a dozen Skeet Nationals during this era. It's a shame that Bill never learnt to play euchre as that would have undoubtedly rounded off his Skeet shooting resume. And it's also a bit of a quandary as his late father "Joffa" was one of the sharpest card players that I ever had the pleasure of sitting around the table with. Obviously euchre is not a hereditary thing!

The Cream Always Rises

Anyway getting back to the question, the second one is the hard one and the realm of serious history buffs. Warren Charlton is one of the greatest ACTA Trapshooters of all time. In 1983 he was in the twilight of an illustrious career spanning two decades between 1960 and 1980 and as it was the first Skeet Nationals, I think he just came along for a look. However talent of that magnitude doesn't go on holidays and he proceeded to make the "elite list" that year in a discipline he rarely contested.

Bill and Warren – a couple of versatile legends

This Month's Trivia Question

Up until 1981 you could only win the Browning shotgun once. Subsequent wins invoked a "pass down" clause. Even the great Doug Smith once benefitted from this "share around" system. Between 1981 and 1987 four people won a second gun. Name any one of them. E-mail your answers to cuzzo@a1.com.au before the 15th of October and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

THE ACTA EXECUTIVE RESERVES THE RIGHT TO ALTER THE PROGRAMME

NATIONAL ISSF DISCIPLINE CHAMPIONSHIPS CONDITIONS OF ENTRY

1. Any shooter wanting to compete at the ISSF Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the relevant Club Secretary to enable scores shot to be recorded.
Note: A fee of \$20 will be charged for the issue of any duplicate handicap card.
3. The Tournament shall be conducted in accordance with the ISSF Official Statutes, Rules and Regulations (ISSF Rules) and where applicable, ACTA Shooting Rules (grading, teams etc). Targets to be shot in brackets of 25 for Olympic Trap and ISSF Skeet with squads of 6 shooters where possible. In Double Trap targets to be shot in brackets of **15 Pair (30 targets)** with squads of 6 shooters where possible.
4. Pre Nominations to be received by close of business (**Eastern Summer Time**) Monday 5th January 2015. There is a maximum of 126 competitors for ISSF Trap. If pre nominations exceed this number a standby list of 20 will be created and used in case of withdrawals. If any vacancies exist in the program, it will be on a "first in" basis at an additional cost of \$10.00 per event to enter. Nominations at the championships close at 10.00am the day prior to the event if a vacancy exists.
5. Shooters will be squadded as per the ISSF rules and any interpretation of this will be the responsibility of the Tournament Director. Once squadding for an event has been completed, a shooter shall not be entitled to a refund if they withdraw. Withdrawals after nominating and before squadding will be accepted in writing 48 hrs prior to the event.
6. Each shooter is to take enough cartridges to shoot the applicable round.
7. Shooters who fail to appear in time for their squad will be penalised by the **LOSS OF THREE TARGETS**.
8. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
9. All shooters must sign the score sheet after each round. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the score recorded on the sheet.
10. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee/score or line referee must fulfil their obligation to do so or have obtained the service of a suitable replacement that must be ready to take his place at the required time. In the event of the designated persons or their replacement not being ready to take their place at the required time, the person initially designated to fill the specific role may **INCUR A PENALTY AS PRESCRIBED UNDER ISSF RULES**.
11. Setting and adjusting of traps is the sole responsibility of Shoot Management. All shooters, coaches and team officials are prohibited from entering the trap pits after the jury has examined and approved the trap settings.
12. All appeals must be in writing together with a \$20 deposit and lodged with the Tournament Director. The \$20 is refundable if the appeal is upheld by the appointed jury.
13. When team selection is involved, shooters are eligible for section nominated. To be eligible for selection in any team, competitors must have competed in both Commonwealth and National Championships.
14. High Gun awards are determined for each section. To be eligible for the High Gun recognition, competitors must have competed in both programmed events for each respective High Gun. Gold Australia High Gun badges are only awarded when there are 20 or more competitors in a section.
15. Women shooters are eligible for their section only except Double Trap. Junior shooters are eligible for OA or their grade where applicable. Veteran shooters are eligible for OA for their grade where applicable.
16. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
17. The ISSF Rules will be used to determine the OA placing in all events. ACTA rules will be used to determine grade placing where applicable.
18. Juniors to be under the age of 21 in the year of competition. Veterans to be over the age of 60 prior to January 1st 2016.
19. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
20. The standard of dress required for all competitors is that defined in the ISSF Rules (clothing).
21. **All competitors must comply with Firearms Licensing Laws of the state. (When held in W.A a shooter must obtain a permit to bring a firearm into that state).**

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

The Psychology of Winning

Recently I was in Dubbo for a couple of days for work. Dubbo has a great second hand book shop and on the shelf I found *The Psychology of Winning: ten qualities of a total winner*. Just the title caught my eye so I started to thumb through the book to see

what the author, Dr Denis Waitley saw as the ten qualities of a total winner and could these ten qualities be applied to sport. The book was written a long time ago, 1979 but it still has relevance in today's world.

Waitley's list of the qualities for winning are:

Positive Self-Awareness. He argues that winners know who they are, what they believe in, what they are currently doing and what their goals are for the future. Self-aware winners have learned through insight, experience, feedback and judgement how to fulfil their potential.

Positive Self-esteem. Having a positive self-esteem is an important quality

of being a winner. Winners have developed strong beliefs about self-worth and self-confidence. The word esteem means to appreciate the value of. If we have positive self-esteem we appreciate the value of ourselves. To do this we need to cast off the value judgements we make about ourselves and our performance. These judgements are usually associated with us thinking of the past, past performances and past mistakes. Self-esteem can be easily affected by self-talk. If we are negative then it will have an impact on how we think about ourselves.

Positive Self-control. Self-control is often misunderstood as being able to perform under pressure. Self-control in this context is more about self-determination. That is, taking full responsibility for determining their actions in their own lives, meaning that individuals have the ability and freedom to make choices.

Positive Self-motivation. Motivation is the force that moves us to action and springs from the individual. Motivation can either be positive or negative. Most people who appear to be going nowhere often believe that that are not motivated. Unfortunately, they are very motivated: they are motivated to keep things as they are, when they need to be motivated to change.

Positive self-expectancy. Winners expect to win. They see life as a real game and not a gamble. They expect to achieve and win because of their desire to win. Their self-control gives them the skills to make it happen. And finally, they are prepared to win.

Positive Self-image. All winners develop and actively think about their positive self-image. Individuals often behave in accordance with their perception rather than the reality of the situation. If you see yourself as a winner it will be easier to win.

Positive Self-direction. Winners have goals and are achievement orientated. They have a vision for what they want to achieve and set goals to meet these outcomes. Their goals are SMART: Specific, Measurable, Achievable, Realistic and Time-framed. Goal setting can be used for all endeavours and can be useful when returning from an injury or recess.

Positive Self-Discipline. This is the ability to practise within. Self-discipline relies on visualisation strategies to allow the winner to see themselves achieving the results they want. The mind cannot tell the difference between what is real and what is imagined. So to win you need to practise seeing yourself win in your mind so that it can happen in real life. Visualisation, guided imagery, mental rehearsal and hypnosis are all ways to achieve positive self-discipline.

Positive self-dimension. Winners see themselves within the big picture. They see their sporting ability as part of their whole self. This means that they can cope with the ups and downs of the competition and their performances. Being resilient means that winners will turn up for the next competition even when they have experienced failure. Winners know they cannot win all the time, but more importantly they also know that they a loss every now again is not the end of the world.

Positive self-projection. Winners project themselves as winners throughout their whole life. They walk, talk, dress, look, listen and react like winners. Because winners see winning as important and because of the previous nine qualities, winners are happy to show the world that they believe in themselves and their ability.

To be a winner takes all these qualities and more. You must have the technical and physical skills to be able to perform in the first place. But these are ten good mental skills that will go towards developing mental toughness.

Swan Hill Classic

On Sunday the 16th of August the Swan Hill Clay Target Club Inc hosted its annual Swan Hill Classic. This year we had a 50 target Points Score Championship and a 50 target Handicap Championship. Twenty nine competitors battled it out under the changing Mallee sky. It was generally overcast but the sun did make several

appearances making for different light conditions and the breeze was very kind. Generally the conditions were good for shooting.

Once again the club wishes to thank some significant sponsors: The Pickering Transport Group, Cutri Packaging and Swan Hill Chemicals. Swan Hill Fishing and Shooting Supplies was also generous in our acquisition of trophies.

Club secretary Stephen Bates with OA HC Freddie Siciliano with a cheque for \$500

Congratulations to Mark Vistarini and Freddie Siciliano for their fine shooting. Freddie's effort deserves special mention as he shot off 21 metres.

50 Target Points Score Championship: AA & OA Mark Vistarini 145/150, 2nd Eric Yetman 159/165, 3rd Tarryn Shaddock 158/165, A 1st Gary Pike 139/150, 2nd Fred Siciliano & 3rd Les Comensoli, B 1st Joseph Costa 143/150, 2nd Justin Tassone 137/150 & 3rd Geoff Hogan 136/153, C 1st Pat Orlando 139/150, 2nd Luke Tyson 135/150 & Phillip Mangano 141/162.

50 Target Handicap 1st & OA \$500 Freddie Siciliano, 2nd \$250 Dallas Yetman, 3rd \$150 Tarryn Shaddock, 4th \$100 Luke Tyson, 5th \$50 Wayne Shaddock.

***Note:** Reduced Nominations shall apply to Juniors and 2nd family members, they being husband or wife who are entering into the same event whose nomination is lodged at the same time as a member paying full nomination fees. Shooters paying reduced nominations are eligible for overall, grade and section prizes. Competitors nominating at the Carnival may find themselves shooting late in the day and will then join in the squad rotation. You may nominate only once at the Carnival and must decide on that day which events you are shooting. Shooters will remain in their allocated squads for the duration of the Carnival. Squads will rotate daily. Optional Purse will be paid out 1st, 2nd, 3rd overall and will be divided 60%, 30%, 10%.

Shooters will be pre-squadded. Shooters wishing to nominate in the same squad with other shooters need to send all pre-nomination forms and payments together in the ONE envelope, or you will NOT be squadded together. At least one nomination form must carry the names of all shooters wishing to be squadded together.

ECHUCA CLAY TARGET CLUB AUGUST 13, 2015

Thursday the 13th of August saw 29 full squads of school students arrive at the Echuca Clay Target Club to compete in the Victorian North East Zone School Student elimination shoot. With four age and gender categories, a team and an Overall winner to be chosen to go on to the State final, it proved to be a big day for all. Student numbers were down a little on previous years, but Zone reclassification and much stricter rules about gun ownership etc, and of course, these tough economic times may be the reason. All that aside, there were certainly a lot of students in attendance, all vying for the opportunity to shoot well, and represent themselves and their schools at the Championship finals.

Fortunately, after the previous days' rain, the day was clear and calm enough, with just a few clouds moving around. It was very cold, but of course, it is wintertime. After an initial hiccup with the supply of cartridges, the shoot got underway, and with six traps working constantly, even with a late start, everything ran smoothly and the entire event finished only a little later than in previous years. This must be attributed to the much appreciated help from all the volunteers.

Firstly the Overall winner, who shot extremely well, as everyone was having trouble with the fluoro targets disappearing into the clouds, and that produced lower than normal scores on the day, but Connor Keck, from Kyabram P12 school and a member of the Echuca Clay Target Club, managed to record an 18/20 score which earned him the prestige of being the Overall Winner of the shoot. Well shot Connor as your score would have been hard to achieve shooting Single Barrel on such a cold day!

The Senior Girl category was won by Brianna Grassi (Galen Wangaratta) 11/20, 2nd Sarah Appleby (Catholic College Bendigo) 10/20, 3rd Lauren Bilney (Notre Dame Shepparton) 11/25.

The Senior Boy category was won by Bryan Green (Galen Wangaratta) 17/20, 2nd Sam Mangiameli (Notre Dame Shepparton) 21/25, 3rd Noah Calandro (Notre Dame Shepparton) 25/30.

The Junior Girl category was won by Meshaila Cox (Eaglehawk S.C.) 16/20, 2nd Matisse Appleby (Catholic College Bendigo) 15/20, 3rd Kadesha Tate (Crusoe College KF) 12/20.

The Junior Boy category was won by Thomas Bilney (Notre Dame Shepparton) 24/30, 2nd Patrick Hansford (Catholic College Bendigo) 23/30, 3rd Brayden Baker (Seymour College) 19/25.

The Team category was won by Students from the Galen College Wangaratta; they were Brianna Grassi, Bryan Green, Marcus Hines, Rhys McGauran, and Alex Wozniak. Their total winning score was 65/100, well shot boys and girls, congratulations on your success. The teachers and people from the Galen College who helped these Students to compete must be very proud. And finally, a very big thanks to all the organisers and helpers. To Winchester Australia, the women in the kitchen, office staff, parents, and especially to the members of the Echuca Clay Target Club who not only helped on the day, but also presented the grounds in such fine order.

MARYBOROUGH GUN CLUB

AUGUST 22, 2015

OFFICIAL OPENING OF NEW CLUB FACILITIES & TWO LIFE MEMBERSHIPS AWARDED

The official opening ceremony of the Maryborough Gun Club's new facilities delayed the start of the State Ball Trap by nearly one hour and the event, scheduled for an 11 am start did not get underway until 12 noon. In light of this, a decision was made after the completion of the second round, that the number of targets be reduced to 75.

OFFICIAL OPENING

The club grounds were immaculate and the weather perfect for the official opening of our new facilities by the Victorian Minister for Sport, Mr John Eren. The facilities include a new building which houses male and female toilets, showers and change rooms as well as catering for disabled and ambulant requirements, a complete new kitchen, new nominations office and new rear opening trap houses on the DTL layouts. These

improvements were only made possible by grant money secured from the Victorian Government, and the Central Goldfields Shire along with money put aside for this project by the club and by the dedicated club members, who contributed hundreds of hours of voluntary labour. The club would like to sincerely thank the Victorian Govern-

ment and our local Shire for their contribution. We wish to also thank Central Goldfields Shire Recreation Officer, Martin Mark, for his valuable advice and assistance.

The Minister commended the club members on their achievements in providing such quality facilities for the sport and for their community involvement. Mr Eren then assisted with the presentation of two new Maryborough Gun Club Life Memberships.

LIFE MEMBERSHIPS AWARDED

Jim Gaunt, Maryborough Club President, had the honour of announcing two new Life Members for the Maryborough Gun Club.

Jim said "Since the formation of the Maryborough & District Gun Club in 1962 only six Life Memberships have been awarded. Life Membership of any club is a great privilege and today, for their outstanding and meritorious service, two more members will be added to this list.

"Peter Tate, first joined the Maryborough & District Gun Club and the Australian Clay Target Association in 1976. He served as Club Treasurer in 1978 and 1979, became Club President in 1981 and again served as Treasurer in 2012, 2013 & 2014. It was during this period as Treasurer that Peter took on the responsibility of

Club President Jim Gaunt with Bruce Jennings, Victorian Minister for Sport John Eren, Peter Tate, Goldfields Shire Mayor Wendy McIvor & Councillor Helen Broad

applying for State Grant money to enable the club to upgrade its very old and run down facilities. Without Peter's determination and dedication to this task, the new improvements which include a new amenities block and a new club kitchen would never have been possible. Peter spent hours, in fact days and weeks, compiling reports and figures for the submission, which on its second year of presentation proved successful.

"Bruce Jennings, joined the Maryborough & District Gun Club and the Australian Clay Target Association in 1979. Bruce assumed the Club Presidency in 1984 and served again as President in 1985, has been a Committee Member since 2006 to the present day. After grant money became available, Bruce, being a self employed builder, was assigned the role of Project Manager. This was not an easy task, as he had to then juggle trades people and club members into a unified group to ensure that the work was carried out correctly and responsibly. At the expense of his own business commitments, Bruce has worked tirelessly over the last six months to ensure that the project was completed on time and on budget."

Minister Eren then presented the new Life Members with their certificates and then fired the opening shot of the State Ball Trap. Incidentally,

Victorian Minister for Sport John Eren addressing guests and shooters

he hit the target on his first attempt and was promptly offered the opportunity to join the club.

VCTA STATE BALL TRAP

The reduced 75 Target State Ball Trap Championship was won by St Arnaud shooter Ryan Neilson.

Club President Jim Gaunt with Ryan Neilson

State Ball Trap Grade winners – Riele Fitzgibbon C Grade, Mitchell Iles AA Grade & Bruce Jennings B Grade

State Ball Trap Silver Medal winners – James Hayden B Grade, Beth Hayden, C Grade & Colin Dunn AA Grade

Winning Zone Team Members – Allan Neilson, Stewart Forbes, Colin Dunn & David Bertalli

State Ball Trap Junior, Lady & Veteran winners – Mitchell Iles, Trish Carter & Jim Shepherd

Conducted over two layouts of challenging targets, Ryan shot an impressive score of 73/75 to win the Overall State Sash, Victorian State Silver Badge and A Grade VCTA Gold Medal. Ryan just managed to beat Mitchell Iles from the Melbourne Gun Club who shot 72/75 to win the AA Grade Sash and VCTA Gold Medal.

AA Grade Silver medal winner was Jack Collicoat from Deniliquin on 70/75. A Grade Silver went to Colin Dunn, NW Zone President and Callawadda Stawell member, who finished with a score of 70/75. In B Grade the first place winner was Maryborough's Bruce Jennings on a score of 67/75. Bruce also received a State Grade Sash and Gold Medal. James Hayden from the Noorat Gun Club won B Grade Silver. The C Grade Sash and Medal winner was Riele Fitzgibbon

(62/76), a Maryborough member and a junior showing a lot of potential. Second to Riele and receiving the Silver Medal was Beth Hayden from Mildura, who only two days before had taken out the Senior Girls Section at the North West Zone School Persons shoot at Kerang. The Ladies Gold medal went to Trish Carter from the Hamilton Clay Target Club, the Junior to Mitchell Iles and Jim Shepherd took out the Veterans.

The Victorian Zone Ball Trap Team event was won by the North West Zone with a score of 319/350 from the North East Zone on 317/350. The North West Zone Team Members were – David Bertalli (St Arnaud), Stewart Forbes (Maryborough), Alan Neilson (St Arnaud), Colin Dunn (Callawadda Stawell) and Rowan London (Castlemaine).

PERAZZI GOLDFIELDS BALL TRAP CLASSIC

This event is open to any ACTA registered club able to field a team of three shooters over the four rounds. The rounds are conducted at Castlemaine, St Arnaud, Bendigo and Maryborough.

Clubs may enter as many shooters as they wish, with the top three scores to count at any round. Each club conducting a round provides medals

NE Zone President Glenn Woodhatch accepting the Perazzi Classic Overall winner's trophy on behalf of Darren Hansford

for the winning team on that day and team and individual scores are tallied at the completion of the four rounds.

We would like to thank Fil Petriella and Steve Haberman of Perazzi Australia who have generously provided for the event – a perpetual trophy plate, overall winning team prizes and a Perazzi Gun Case for the individual High Gun winner.

The organising committee hopes that the number of competitors will grow as the event becomes better known on the shooting calendar. We take this opportunity to challenge other clubs to field teams and participate in this unique event.

Perazzi Classic Grade winners – Mitchell Iles AA, Ryan Neilson A, Beth Hayden C & Wayne Jenkins B Grade

This year's final was shot in conjunction with the State Ball Trap over the last 50 targets. The Overall winner for the final round was Ryan Neilson. The St Arnaud shooter was having a great day, also winning the State Ball Trap. Ryan's score for this event was 49/50. Placed second in A grade was ever-young John McVitty, Ryan's grandfather, who shot a great 47/50. AA grade went to Mitchell Iles 48/50 with Rowan Lendon from Castlemaine taking second place. The B grade winner was Wayne Jenkins from Warrnambool with a score of 46/51 and in second place was Maryborough's Bruce Jennings who was also shooting well and ended the day in A grade. In the reverse of the State Ball Trap, Beth Hayden came first in C grade and Rielea Fitzgibbon finished second.

The overall individual High Gun of the series was Darren Hansford from the Bendigo Clay Target

Club who finished with a fine score of 181/200. Darren received for his win the prized Perazzi Gun Case valued at \$400. Unfortunately Darren had to "go out" that evening and could not stay for presentations. Glenn Woodhatch kindly collected the prize on his behalf.

Winning team after the final round was the Bendigo Clay Target Club with a combined four round score of 547/600. This Team won for their club 3 slabs of shotshells and will have Bendigo inscribed on the perpetual Perazzi plate as the 2015 winners. This is the fourth time that Bendigo has won the teams event in the six years since its inception. The inaugural winners were Maryborough and the only other winners name on the Plate are St Arnaud and Frankston Australia. Members of the Bendigo Team for the final round were John Pay, Darren Hansford and Andrew Leech.

VCTA North West Zone Double Tower shot at Kerang

Overcast but a mild day greeted the 34 shooters that arrived at the Clay Target Club some from Bendigo, Castlemaine, Walmer, Swan Hill, Moulamein, Cohuna to which we had an enjoyable day.

First event was 25 Target North West Zone Double Tower Championship sponsored by Max Wilson Tyres. Overall and first in A Grade Braydon Melotte 39/39, second A grade Peter Akkermans 25/26, First in AA Ricky McKinnon 32/33, second in AA Graeme Hall 27/28, First in B grade Barry Bloodworth 23/25, second B grade Les Comensoli 24/27, First in C grade Stephen Bottcher 38/39, second in C grade Julie Hogan 30/31.

Event one winners: Brayden Melotte OA & A, Ricky McKinnon AA, Stephen Bottcher C & Barry Bloodworth B grade

Second event 50 Target Points Score Championship sponsored by Andy Andersons Industrial Services.

Overall and first in AA was Russell Barnes 141/151, second in AA Alan Wilkinson 139/150, First in A grade Les Comensoli 138/151, second in A grade Ricky McKinnon 134/150, First in B grade Geoffrey Hogan 126/150, second in B grade Braydon Melotte 121/150, First in C Grade Pat Orlando 130/150, second in C grade Andrew Bottcher 129/150. In this event it was pleasing to see the improvement in one of our juniors Kayla Ash who shot 19 out of 50 targets, well done. Thanks to everyone who helped out on the day.

Event two winners: Russell Barnes AA, Geoffrey Hogan B, Les Comensoli A & Pat Orlando C

The Squire reports from West Wyalong

Six squads of shooters was a pleasing result when the West Wyalong Clay Target Club hosted the Central Zone Sporting Clays 100 Target Championship on the last Sunday in July.

After taking delivery of a new trap to throw simulated rabbit targets or a looper target only days before, the race was one to have it mounted on a trailer before the shoot.

Graham Duncan and Graeme Fairman got to work and using their trade skills plus their extensive network across the community a bright orange trailer was taking shape with wheels from John Wason and a modified trailer hitch with the help of Troy Amarant and Mick Pursehouse. All in all a good little project with no difficulties encountered that half a dozen stabbies could not fix.

Despite a few teething difficulties with the remote, the trap operated flawlessly on the day causing some problems for the Wagga visitors who had not seen a looper target for some time.

Setting up two challenging layouts for the top shooters but also allowing less experienced shooters to have some success is difficult but Graeme Fairman, Jason Anderson, Graham Duncan, Bruce Dent and Allan Schirmer spent the Saturday afternoon making sure all was in readiness for the following day.

At 10am on Sunday it was overcast and quite cold but worse was to come as later in the day the wind played up with some targets and misty rain fell for a while during the third round.

The day was highly organised with Don Turner and Clive Foster working in the office with additional help from President, Jason Anderson. Thanks guys. Thanks also to the group of guys from Wagga who reffed, scored and operated the traps for the squad following them all day.

Doug Murray moved his heater into the clubhouse and Don Turner and "The Baitlayer" Bruce Dent soon had the barbie underway to feed the hungry crowd.

Ann Fairman and the lovely Jan Wyse worked hard to dispense the tucker but with the large numbers almost ran out of food but anyone who was still hungry could easily make up for it when afternoon tea came around.

There was some great shooting with Mick Munroe from Beckom and Robert Yeo from Wagga both shooting a round of 25/25 during the day and it was Mick and Robert who had to shoot off at the end of the day to decide the Overall winner.

The pressure was on with the light starting to fade but in the second round of shoot off targets, Mick Munroe missed the long incoming target to give victory to Robert Yeo 111/120 who is the 2015 Central Zone Sporting Clays Champion. Mick Munroe 110/120 was first in AA Grade with Wagga shooter, Ben Woodhouse 91/100 in second position. C Everett 88/100 was the winner in A Grade but popular shooters Peter Munro and Vic Bowman put on the performance of the day in the shoot off to decide second place. After a couple of rounds of doubles it did not take long for the word to spread and soon a crowd was being entertained as first one shooter then then the other gained ascendancy to have it all come back to square one which required them to start all over again. Eventually after six rounds Vic Bowman 129/180 claimed victory with loud applause from the appreciative spectators. Also from Wagga, Col Kneebone 89/100 claimed B grade from C Byron 88/100. Clint Kneebone 70/100 won C Grade from Jason Anderson 66/100.

Emalene Munroe 86/100 was the lady winner while Allan Schirmer 82/100 was the Veteran's winner.

L-R: CZ President John Wason, Robert Yeo CZ & WWCTC President Jason Anderson

L-R: CZ President John Wason with CZ SC Team Mick Munroe, Emalene Munroe & Allan Schirmer

President, Jason Anderson called on the newly elected President of Central Zone, John Wason to present the grey and maroon championship sash to Robert Yeo. Jason also announced the Central Zone Sporting Clays Team to represent the zone at the state titles next year as being Mick Munroe, his daughter, Emalene Munroe and Allan Schirmer. The reserve is Laurie Redfern.

It is a great achievement for Emalene to make the team as she is a junior shooter, who with her father's coaching is fast becoming one of the best female shooters in this area of the state.

To complete the day, President Jason thanked all those involved with the shoot for their assistance which proved to be a very successful day for West Wyalong Clay Target Club.

140 Targets Shot at Echuca

In total 140 targets was a fairly ambitious amount of targets to get through on a wintry August day, especially when eight squads of shooters arrived at the Echuca Clay Target Club to compete for the sashes and trophies, and yet even with 40 shooters competing, the shoot ran that smoothly that even the presentations were all over by the early time of 4.00pm.

Craig Kelly OA PS

Fortunately almost no wind, but a heavily overcast sky, and extremely cold temperature, and yet the main event, a 100 target Points Score Championship, with a possible top score of 300, was won by Craig Kelly, a Central Wimmera club member, who was obviously at the top of his form. He used just two second barrels to record a magnificent score of 298/300 that no other shooter could match, so that excellent performance earned Craig the Overall winner's sash, and the 1st in

AA Grade trophy. Russell Felmingham a Cosgrove member almost caught up with Craig recording a 296/300 score, which earned him 2nd placing in AA Grade.

Steve Traill OA DR

A 20 Pair Double Rise was shot as the first event, and Steve Traill (Echuca) and Rob Anderson had a real go to win, needing two shoot off sweeps to finalise the event. Steve Traill managed to edge out Rob, collecting the Overall winner, and the 1st place in AA Grade trophy, with an end score of 53/60, Rob taking the 2nd place in AA Grade trophy with a score of 51/60.

Full results for the shoot are as follows, 20 Pair Double Rise, A grade 1st Peter Watkins 34/60, A 2nd Colin Hood 51/70. No B Grade entries. C grade 1st Trent Rathbone 29/40, C 2nd Kaylene Estcourt 19/40. 100 target Points

Score Championship, A grade 1st Joshua Knight 283/300, A 2nd Colin Hood 272/300. No B Grade entries. C grade 1st Trent Rathbone 240/300, C 2nd Tash Collins 221/300.

The Encouragement Award went to Kaylene Estcourt.

An excellent day of competition, with some very good scores recorded, especially considering the fluoro targets some of the time were disappearing in the clouds.

The shoot finished at a time that gave all travellers ample daylight time to drive home.

Paul Pritchard Memorial Shoot

On an unusually cold and overcast day, the Kempsey clay target club held the much awaited Paul Pritchard Memorial shoot. It was good to see a host of visitors as well as local shooters at the range. We had shooters from Port Macquarie, Coffs Harbour and Mick and Megan from Queensland. Thanks for your attendance and we hope to see you back here in the future.

Peter Brenton

The shoot was divided into two parts, 50T PS, and 50 T DB. High Gun winner for the day was Hank McInnes 198/200. Winners of the 50T PS were Overall Hank McInnes 148/150, 1st AA Peter Brenton 144/150, 1st A Denis Joel 137/150, 1st B Bill Neil, 1st C Barry Pharo, Veteran Alan Schirmer 133/150, Ladies Lesley Langer 132/150.

Event two 50T DB. Overall Hank McInnes 63/63, 1st AA Robert Clarke 62/63, 1st A Denis Joel 50/52, 1st B Bill Neil 48/50, 1st C Steve Axford 43/50. Well done to all the winners and place getters and better luck next time to those shooters who did not win. A complete list of the winners and place getters has been submitted to the ACTA Magazine for publication in the shoot result section.

Leslie Langer

On behalf of the club I would like to take this opportunity to thank the Pritchard family for its support. They have been supporters of the club for many, many years and mere words do not convey how

much it is appreciated. I must also make mention of Denis Joel, he shot very well this weekend, all that practice and tinkering has certainly paid off. You have certainly set an example we all should follow.

Our President Ted did the hard yards and as usual the grounds looked a picture. With assistance of the ever diligent Shoot Secretary, Jenny and Vice President, Phil, Ted kept the shoot running smoothly during the afternoon. Thanks to all those, including the visitors who helped pack up at the end of the day. The ladies in the kitchen provided an excellent afternoon tea, enjoyed by all. It should be noted into your electronic diaries, the Kempsey Two day Shoot will be held on Saturday 19th and Sunday 20th September with 9.00am start. Everyone is welcome. Also on sale now are raffle tickets for a magnificent hand-made wooden clock, donated by Ken and Marilyn Saunders. The clock features a shooting theme. The raffle will be drawn at the September Two Day Shoot. Ken made and donated a clock for last year's shoot, and those who saw it will know the quality of his workmanship. It is certainly well worth the price of a ticket.

VCTA NWZ School Students Championships

KERANG GUN CLUB
AUGUST 20, 2015

The North West Zone School Students' Championships were held at the Kerang Gun Club in ideal weather – sunny and with very little wind to affect the targets.

Twelve schools were represented, with 81 competitors (don't let people tell you our sport is dying), here's proof that it is going well. The competition was shot as a 20 target single barrel event. Ammunition was supplied by Winchester Australia, which they have done for many years.

All placegetters in the four categories will represent the North West Zone at the State School Students final held at the Bendigo Clay Target Club in September. A report will feature in the following CTSN.

The Zone committee would like to thank Kerang Gun Club and members for the use of their well presented venue and their help in running the event. Also the Zone delegates for their support and the families and teachers of the competitors. It was a successful and well organised event.

Results:

O/A winner was Andrew Bottcher from Cohuna, shooting 24/25.

Senior Boys 1st Travis Redman (Mildura) 32/35, 2nd Jesse Slingo-Davis (Kerang) 31/35, 3rd Tim Box (Mildura) 27/30.

Senior Girls 1st Bethany Hayden (Mildura) 17/20, 2nd Megan Barnes (St.Josephs-Mildura) 16/20, 3rd Emily Jones (Barham) 20/25.

Junior Boys 1st Joel McDonald (Irymple) 17/20, 2nd Jeremy Pearson 20/25, 3rd Cooper Reading (Stawell) 18/25.

O/A Winner Andrew Bottcher with NWZ Zone President, Colin Dunne

Junior Girls 1st
Madison Decker
(St.Arnaud) 16/20,
2nd Zoe Hawker
(Kaniva) 11/20.

Junior girls

The winning school team was from Mildura with a combined score of 81/100. Members of the team were Tim Box, Travis Redman, Tim Chapman, Bethany Hayden and Trent Gebhart.

The North West Zone thanks Winchester for their ongoing support of school student championship shooting throughout Victoria.

It is to be hoped that more schools from the North West Zone will participate next year and make it an even bigger and stronger competition.

Mathoura hosts NEZ Night Double Barrel

Mathoura Gun Club had three events on offer on Friday the 24th of July, and one of those was a 25 target Victorian, North East Zone, Night Double Barrel Championship, the only problem on the night was the weather forecast predicted rain and cold wind, and unfortunately they were right, but still, three full squads of shooters braved the conditions to compete. The Mathoura Gun Club committee do thank them for their endurance. As it turned out it was also a special night, as Donna McCluskey, Emily McCluskey, and Dot Roberts, put on a very nice spread for all to enjoy, to celebrate Mathoura member, Harry (Snow) O'Connor's 89th Birthday, 89 years young and still competing successfully in clay target shooting, proving what a family orientated sport it is. Congratulations from everyone that attended, "Snow".

The first event was a ten target Double Barrel Cash Divide, and possibly because of the weather conditions not one possible was shot, but there were three shooters who shot a 9/10 score and they received \$10.00 each for their effort. They were Mick Keirl (Echuca), Sharon Lennane (Morwell), and Emily McCluskey (Mathoura). Raining and blowing, and under lights, a 9/10 certainly is not a poor score, well shot all!

Next was the North East Zone Championship, and again no shooter could manage to down all 25 targets, but Deniliquin's, Tim Maher, justified his AA Grade ranking by missing just one target, and his 24/25

score was unmatched by any other shooter, so he became the Overall Winner, and the 1st placegetter in AA, A, grade. Well shot Tim, congratulations! B Grade 1st place was well earned by Emily McCluskey after shooting an 18/25 score, and the C Grade 1st place went to another Mathoura member, Peter McCluskey, having shot an excellent 21/25 score.

Lastly a 15 target Points Score Cash Divide was on offer and again no one able to boast of a clean score, but Mathoura member, George Bradley, top scored with a 41/45, and that earned George all the 1st place cash. Mick Keirl, and Mathoura's, Tom McCluskey, both scored a 39/45, and that earned them an equal share of the 2nd place cash.

Throughout the night the weather certainly did not improve, getting worse if anything, you almost feel the shooters deserved a medal for competing under the conditions; the scores on the night were probably very good considering. At presentation, and eating cakes, buns, sweets etc, all the shooters were quite happy, and again the committee thank them for attending on a very ordinary night weatherwise.

Side by Side 50 Target Double Barrel Continental Championship

On Sunday the 12th of July the Kerang Clay Target held its annual side by side event. This annual event considered by some to be the premier event on the shooting calendar was contested by 25 shooters on a very blustery and wet conditions. Numbers were down on past years, however, it was good to see the selection of guns of yesteryear by makers such as Greener, William Powell, Cogswell and Harrison, Army and Navy, FN, Lucchini, Cashmore, and Winchester.

The first event was the Side by Side 50 Target Double Barrel Continental Championship.

L-R: Wayne Upton, Les Comensoli, Geoff Hogan & Pat Orlando

L-R: Rick McKinnon, Anthony Costa & Peter Akkermans

Sponsored by Wayne Clapham Firearms and Repairs this 50 Target event was shot in very challenging conditions, however, Rick McKinnon showed everyone that practice makes perfect and won the Championship with a score of 55 out of 57 from Garry Tabain with 54/57. Anthony Costa was third with 48/51 with the other side by side stalwart Peter Akkermans fourth with 47/50.

Results from the Under and Over shooters where first Craig McVitte 46/50 and second Kyle M Vitte 45/50.

The second event was a 30 target Double Barrel Continental Championship sponsored by Hibbet Machinery Kerang. The wind did not abate and the clouds got darker however this did not deter Moulamein's Wayne Upton. He won AA Grade and Overall second was Russell Barnes. A was taken out by Les Comensoli, second was Rick McKinnon, again using his trusty side by side. B Grade was won by Geoff Hogan, the winner of C Grade was Pat Orlando with Peter Lang second.

Kempsey in August

On a cool and somewhat cloudy day shooters from Port Macquarie, Coffs Harbour, Hungerford and Kempsey gathered at the Clay Target Range to contest the monthly shoot. The shoot was made up of 25t DB, 50t DB Handicap Club Championship and 25 Pair Double Rise. As usual, our President Ted had the grounds well groomed and the range set for the 12 noon start. The winners of the events are as follows, full results can be found in the competition results section of the magazine.

25t DB, AA 1st Gil Neziz, A 1st Margo Burke, B 1st Robert Nock, C 1st Neville Gibson.

50T HC 1st Steve Saul, 2nd Dick Piper, 3rd Steve McMahon. There was a shoot off for the minor placing in the Handicap event between Dick Piper, Steve McMahon, Brad Hooper and Margo Burke with Dick and Steve being victorious.

The last event was the 25PR Double rise, AA 1st Steve Saul, A 1st Steve McMahon, B 1st Lesley Langer, C 1st Neville Gibson. The Overall winner was Steve Saul, it was a good effort from Steve as he was suffering from the dreaded "lurgi."

There are a couple of members on the sick list, so we wish them a speedy recovery, and I would also just like to mention Ken McWhirter. It was good to see him back on the tracks and dusting quite a few of the days.

Jenny ran the office in her usual efficient style and ran it smoothly all day. The ladies in the kitchen managed to surpass themselves and the shooters were treated to a magnificent afternoon tea.

Don't forget to buy several tickets in the very stylish handmade clock to be raffled. The raffle will be drawn at our 2 day shoot in September. The Club members thank Ken and Marilyn Saunders for donating the clock to the Club.

Our Club will be conducting a 2 day open shoot, on the 19th and 20th September. Free camping is available and there will be a canteen operating over the weekend. Mum, bring dad and the kids and send them to the beach, and you have an enjoyable weekend shooting.

Port Denison Annual Two Days

PORT DENISON GUN CLUB JULY 25 & 26, 2015

The Port Denison Gun Club held our 2 Day Annual on the 25th & 26th July. Sixty two shooters took part in the competition travelling from Burdekin, Townsville, Ingham, Silkwood, Charters Towers, Pioneer, Mackay/Sarina, Singleton, Gladstone, Cessnock, Brisbane, Kingaroy & Darwin. We could not have asked for better weather sunny with a slight breeze. Surprising only two possibles were shot over the entire weekend. Ron cooked up some lovely fish on Friday night, Colin, Gavin, Bruce & Kerry prepared a hearty breakfast daily and Kerry, Grace & Kylie kept everyone fed with lunches and a beautiful roast dinner on Saturday night. Dean & Greg did a great job in the canteen, Cheryl and Dee kept everything running in the office while our fearless leader Bill made sure the weekend ran smoothly. A great weekend was had by all.

RENEWING A CLUB MEMBER

As the Club Secretary you can renew members and have the club billed for the ACTA component. Immediately the secretary processes a member the membership sticker is placed in a queue for printing. This will be processed in the next available print run and posted (one day). Your membership label is then delivered as fast as Australia Post can deliver. You can process these renewals as they come in and a bill will be provided at the end of the month, no more waiting for forms to fill before submitting therefore ensuring members have the membership renewals done expediently.

Login to your Club and go to your club members, select a member and go to the membership area and proceed to payment. Select the "Invoice Club" button and confirm. Move to the next member to renew, a very simple system that should enable fast processing of renewals.

Membership applications and renewals must contain all relevant information including date of birth. If not provided we cannot process your membership and it will be returned to your club.

PRESENTATION OF ADVERTISING COPY

Recently some club advertisements have been sent to the ACTA in the form of a "Print Ready PDF file" There are three important things to remember when presenting material in this format.

1. Make sure that you compose the advertisement to the

correct size. Many of the files we receive are made to an A4 format and need to be reduced in size. This means that the height and width reductions will be a different percentage and your image will look distorted. The correct page size for the Clay Target Shooting News is 267mm deep x 197mm wide. If you intend the image to fit within the column image area you should make that trim size 238mm deep x 178mm wide. If you intend the image to go to the page edge then you must add another 6mm to each side and top and bottom to allow for bleed.

2. Remember when selecting colours that you allow for the possibility of registration creep on the web press that we print on. The use of fine type or overprint colours may become unreadable as will colours that are similar.
3. Make sure that you output your final file as a PRINT QUALITY PDF.

The ACTA takes no responsibility for the quality of reproduction of material prepared and sent in as a print ready file.

Below are the correct sizes for advertising other than full pages:

1/8 page landscape – 52mm deep x 86.5 wide.

1/4 page portrait – 116.5mm deep x 86.5mm wide.

1/4 page landscape – 52mm deep x 178mm wide

1/2 page portrait – 238mm deep x 86.5mm wide
