“ Ergonomic stock, extended field of view ”
and all of my experience. Now what’s
your excuse for missing the target?

Ralf Sommer,
Stock maker with
21 years of experience

K-80 PRO TRAP

There's a good reason why the K-80 Pro Trap is a shotgun legend. It's a combination of everything that makes that crucial difference in competitive shooting. The raised and adjustable floating rib, provides a significantly broader field of view. The adjustable stock allows individual fitment, merging shooter and shotgun into one. With a 10 year warranty and legendary reliability, it will still be wearing in when the others are worn out!

Presidents Notes

Recent consultations

ACTA have been represented at numerous meetings in the past month. Below is comment on some of them.

ACTA – NZCTA meeting

Representatives of both associations met in Christchurch recently. I extend our thanks to New Zealand for the invitation and the hospitality we received during our visit. The Glenn Cup and Glenn Trophy events were considered and are to be revamped with more emphasis being placed on them. The

actual scheduling of the competition has been a problem in Australia so a decision has been made to shoot the event with the Interstate Shoulder to Shoulder Teams match. This change will also include full uniforms, marching at the opening as a Team and attendance at Hall of Fame Dinners as invited guests. The New Zealand team will also be invited to lead the march past.

Representative Eligibility was discussed at length with NZ advising that some shooters had been representing differing countries at different events in the same year. We gave an undertaking to research the matter and will be responding to NZ at a later date. ISSF competitors have clear rules as to who they can represent and our own rules describe eligibility for our domestic events, but the two are not linked, something we will be considering.

A case of bad behaviour by a travelling Australian shooter in New Zealand was discussed at length and the two associations are now both looking at their disciplinary procedures to confirm reciprocal action.

Recent changes to the New Zealand handicap system has brought the New Zealand and Australian rules much closer together. Both countries will now provide a representative to be present when handicapping takes place of visiting overseas shooters at the respective nationals. This will help ensure fairness between the countries.

Firearms Working Policy Group

A second meeting of this group took place in Sydney. Officers from each state jurisdiction were again present and took a greater role than in the previous meeting where they had only been present as observers. During opening, the meeting chair again stressed that re-categorisation of firearms was not on the table. Statistics provided indicated that the illegal firearms market was estimated to be about 250,000. A recent amnesty in Queensland resulted in over 22,000 firearms being surrendered in just 3 months, so you would think this would be considered to be highly successful. However some states representatives had all sorts of reasons why amnesties are not part of the answer. Another meeting is scheduled in Melbourne on the 24th September and the ACTA have provided a written submission to this meeting addressing the matters we see as needless obstacles to the progress of our sport that provide no community benefit.

It must be remembered that these meetings began to consider the recommendations from the Martin Place Siege report and the only recommendation included in that report regarding licensed shooters and registered firearms was a very positively worded statement as follows:

"the commonwealth, states and territories should simplify the regulation of the legal firearms market"

Following this meeting a small group of which ACTA was not part, met directly with the Minister the Hon Michael Keenan MP. Our understanding is that despite previous reassurances to the contrary, at this meeting re-categorisation was clearly on the table. We are approaching the minister to be included in any ministerial representations in the future. We await further advice on this matter.

Senator Bridget McKenzie

Following the passing of the former Joint patron of your association Mr. Malcolm Fraser, we have been searching for a suitable replacement. We recently met with Senator Bridget McKenzie regarding the possibility of taking on this position and I am pleased to advise that the Senator has accepted. Senator McKenzie is a Victorian National Party Senator and was instrumental in forming the "Parliamentary friends of shooting" group within the federal parliament. This group, now over 60 strong, is playing a significant role in having recreational shooting recognised as a mainstream, responsible, safe and acceptable sport within the community, and especially amongst politicians.

Senator McKenzie is an avid recreational shooter herself, and is very proactive eg: hosting a clay target day in Canberra during November for politicians to come and try the sport. Your association in conjunction with the Senator and the Parliamentary friends of shooting group are currently planning a function at Parliament House to make some special presentations and to welcome the Senator as Joint Patron. www.bridgetmckenzie.com.au

Shooting Australia

Shooting Australia has hosted a meeting with attendees from SA, the ACTA board and Mr James Ceeley and Mr Andrew Pratley from the Australian Sports Commission and Institute of Sport.

Your board took the opportunity to advise SA of our concerns in many areas, and we have provided a report elsewhere in this magazine.

Alternative Grounds

The association is currently considering the purchase of another ground within 15 to 20 minutes of Wagga Wagga. We feel it is important to secure an alternative shooting ground in the area if we intend making large investments on the existing National Ground. ACTA currently has investments that are returning little in the cash market and it is thought that diversifying into property would also have benefits for this reason.

A suitable size block has been inspected but its easterly aspect did not suit our purposes. Investigations are continuing.

Good Health and Good Shooting.

Robert Nugent

**DECEMBER CTSN:
EARLY CLOSING DATE FOR
ADVERTISING IN THE DECEMBER CTSN
IS STRICTLY OCTOBER 16**

Executive Officer's Report

2016 is closing in fast. The Association has continued to make progress in the area of information and technology. From 2016 all registrations for National events will be done on line, of course we will have assistance for members who may find this difficult. However member security and credit card security are paramount and our system, which is certified to deal with all your private details.

The easiest option is to visit the ACTA website, fill in the form and enter your details and your credit card details. I am sure that most members use the computer to deal with everyday accounts and electronic banking, so this is just another extension of those processes.

We have met with IT partner APT to develop a scope of works for the next project, that of linking the Database and website to a scoring system with automated handicapping. At this stage all handicapping is done manually, however in the future we will introduce automated handicapping that will assist volunteers by freeing up their time that they would normally spend on regrading and writing up books. The system should be trialled in 2016 for full implementation by 2017. The system will be able to be used on-line and off-line so that clubs who may not have internet services at their club will be able to save the results and upload back to the ACTA when the internet is available.

We continue to work towards an automated system that will allow easy

access and communication with members for all services offered by the Association. We have recently introduced a "secretary" section to the website where club secretaries can access break badge request forms and other stationery required by the club to operate.

The National Ground has now recovered from a very wet winter and looks a treat. We are in the process of having a drainage plan drawn up to allow better drainage of water during heavy rain. We will not however manage to get the ground flood free because of its position in a flood zone. These new works will allow better and more stable access. The other major project on the ground is providing shelter over the ten grandstand areas. These will be installed before the end of 2015

The PA System will also be replaced to ensure extended coverage of the ground for major events. The system is well overdue for replacement with constant breakdowns simply because its age.

The Executive Committee has also supported the concept of a new clubhouse. At the moment we are in the process of having soil testing and preliminary sketches drawn of a number of building concepts of how the building may look and its position on the ground. This project will require funding and options are being investigated at the moment and will continue into the future. The Executive have agreed that the project will only go ahead if sufficient funding is sourced outside the ACTA.

Senator Bridget McKenzie has agreed to continue to support shooters in our ongoing quest to have legitimate firearms owners decriminalised. It appears at every opportunity we are demonised by the authorities and certainly when any enquiry is in progress. The Martin Place siege being the latest. We will continue to support all firearms and shooting organisations and seek recognition as the safest sport in Australia. The injuries at gun clubs are mainly confined to mowers and trap incidents, not from the sport itself. I see medi-cabs and ambulances leave sporting grounds every weekend yet no one seems to be concerned by the serious injuries sometimes incurred in those sports. With Senator McKenzie's efforts and our support, hopefully we can get our message out to the general community that we are the safest sport in Australia.

Tony Turner

Rule Interpretation

QUESTION

Dear Sir,

In a Double Barrel Event I recently had a shooter have a misfire in the 2nd barrel, the target had not been hit with the first shot. I was about to call "no target" on the second barrel and have the shooter shoot at the target again when he opened the gun and announced to me that "the cartridge has misfired". I then called the target LOST and was immediately informed by others in the squad that I had made an incorrect decision. Can you please tell me if I was correct.

ANSWER

The decision you made was correct.

Had the shooter advised you of the misfire and not opened the gun before you inspected it, you would have, as you indicated been correct in restoring the target, with the second barrel only to count. However, the moment the gun was broken without your authority, you had no option but to declare the target LOST.

Rule 1.08(c) LOST TARGET clearly defines this situation.

1.08(c) The competitor has an apparent malfunction and attempts to open the gun before the Referee examines it. The competitor must not turn around and must keep his gun pointed in the direction of the traphouse until the Referee has given his decision.....

Jim Shepherd
Rules Supervisor

If you have any questions in relation to the interpretation of a rule in our Rule Book, please send your questions to the ACTA office and we will endeavour to provide answers in the CTSN

The Shooters Friend

HOBART CLAY TARGET CLUB

AUGUST 26, 2015

On Wednesday the 26th August 2015, at the Hobart Clay Target Club, we had the privilege to welcome the "shooters friend" and National Party Senator for Victoria, Bridget McKenzie accompanied by Eric Hutchinson, Federal Member for Lyons.

Above L-R: Geoff Tarrant, Eric Tarrant, Geoff Elliott, Billy the Kid (front), Senator Bridget McKenzie, Geoff Lyden, Andrew Judd (front) & Pres Maurice Crow

The weather was perfect, blue sky and a beautiful sunny day. The shooters turned up in their droves (which is not unusual for a practice day), but I think it was more to meet the "Shooters Friend".

The reason for the guests' attendance at our club was to pass on information to us regarding a grant we are pursuing and to also have a shot

at clay targets at the oldest clay target club in Tasmania, 102 years.

The information we received was very helpful and certainly gave us a way forward as to the grant application and hopefully to a positive outcome. Bridget and Eric also gave us an insight into the National Firearm Agreement and what's happening with the Adler lever action shotgun debate.

Jnr Vice Pres Dave Williams with Senator Bridget McKenzie

Bridget did herself very proud and shot a respectable score and Eric certainly left on a high note. I did want them to shoot skeet but they begged us saying "we're only new to this and time is running out" well I ask you, what could be more important than shooting clays!

It was really great to have two distinguished guests such as these people at a small club like ours. We know we must be doing something right.

The club has three DTL layouts, one Ball trap, one Trench and three Skeet layouts. We are not a big club, but a good club and we shoot competition on the last Sunday of the month. The Senators had a great time and were suitably impressed.

There is a saying going round in the tourist industry "Tasmania, the go-to

Eric Hutchinson, Federal Member for Lyons

place" I think it should be "Hobart Clay Target Club, the place to have a go".

Everyone should have a friend and now we have.

Cheers, Dave Williams

Cobar 40th Annual Golden Clay Shoot NSW Junior Masters Championships

Cobar Clay Target Club held their 40th Annual Golden Clay Shoot and NSW Junior Masters Championships on weekend of 14th, 15th & 16th August. 150 nominations were received from various states, including Qld, Vic and SA.

Shooting conditions over the weekend were varied. Friday night was cold and slight breeze, Saturday overcast dull skies with a breeze and Sunday bright and sunny, but still a tricky breeze whistled across the range providing a challenge for the shooters, especially in the Double Rise event.

Our own club shooters held their own, and it was nice to see some of our newest shooters mixing it with experienced visitors.

Scottie Brydon showed the way in the local field for the first event of the weekend on Friday night taking a second in C Grade 30 tgt Night Points Score Championship with 80/90. Scottie not only is a new shooter, but also overcame the challenge of wheelchair shooting. Bryan Manns took out the Overall of same event with 90/90.

First event on Saturday was 30 tgt CSA Mine Points Score with new shooter Marc Anderson taking 1st place in C Grade 87/90. Rob Thompson took Overall with 243/243, after a long shoot off with frequent visitor Roger Duthie.

Second event was 45 tgt Medley, with Sam Nardi, another new shooter,

taking 2nd in C Grade 70/75, and Rob Thompson taking Overall with 124/125.

The final event for Saturday was the Sandvik 30 tgt Double Barrel Championship, with Sam Nardi once again lining up for 2nd in C Grade with 31/32.

Cobar Powerhouse 30 tgt Single Barrel C'ships on Sunday had Sam Nardi again in the finals taking 2nd in C Grade 31/35.

The main attraction on Sunday is the 30 tgt Marfeesh Handicap on which a Calcutta is run, and attracts a large spectator crowd. This year they were cheering on our local shooter, Michael McGuire. Michael shot a clear round, and was then

OA HG Robert Thompson

in the finals with 8 other shooters. He kept his cool, and eventually showed a clean pair of heels, winning the event with 57/57. Congratulations Michael.

The last event is the 15 pair Peak Gold Mine Double Rise C'ship. C Grade shooter, Matt Harland showed the way, taking first with 34/40. Jim Manns supported him taking 1st in A Grade with 28/30.

The major High Gun winners for the weekend were: Ladies Kate Edwards 273/285, Veterans Peter Fitzalan 271/285, Juniors Mitchell Iles 276/285, B Grade James Catterall 270/285, A Grade Beau Brown 270/285, AA Grade, Steve Haberman 303/311.

The Overall High Gun for the weekend went to Rob Thompson, 279/285. Congratulations to Rob, he has been chasing the title for some time now, and was a fitting win on the clubs 40th event, and a rewarding title for all the hard work and dedication to his sport.

Marfeesh HC winner Michael McGuire

2015 National Sporting Clays Championships

NATIONAL SHOOTING GROUND – WAGGA WAGGA AUGUST 29-30 2015

CONSECUTIVE HIGH GUN TITLES FOR MORTENSEN

The Wagga Gun Club hosted the 2015 National Sporting Clays Championships at the ACTA National Complex in Wagga Wagga over the last weekend in August. The program was shot over four fields using a total of 28 traps. Again, as in the past years it was a credit to the organisers and the small dedicated group of Wagga Gun Club members who gave freely of their time for several days leading up to the event and who managed to present a great range of targets for the maximum field of 120 shooters.

For some weeks leading up to the championships, Wagga Wagga had experienced almost constant rainfall and the ground in some parts was still covered by water. The rain held off over the weekend but without any breeze in the mornings, a heavy fog moved in. Despite this, the shoot started on time each day and ran smoothly. The backing up by squads was exceptional and both targets and traps performed well, with only minor disruptions.

Winchester Australia was the major sponsor for the Championships and we thank them for their

Don Power and Dave Coleman, possibly the busiest men on the ground

ongoing generous support. Winchester supplied shotshells for each event and a Browning U/O shotgun for the Overall winner of the National Sporting Clays Championship.

A special thanks to Don Power and Dave Coleman for running the shoot so efficiently over the entire weekend and of course, thank you to Janenne and Kerry for the faultless running of the event office.

Competitors came from all over Australia including shooters from WA (3), SA (10), Qld (8), VIC (46) and NSW (53).

Chris Milligan from Winchester Australia with Brian Mortensen holding the ACTA National Sporting Clays Championship Perpetual Trophy

ACTA 100 target Sporting Clays Championship:

Overall Winner: Brian Mortensen (Noorat Gun Club) 98/100. Brian received the ACTA green sash, cash prize and 1000 shotshells.

Brian Mortensen, Overall 100 target ACTA Sporting Clays Champion

Each grade winner received the ACTA Gold medal and a cash prize. Second and third placegetter each received respectively, ACTA Silver and Bronze medals. Gold medals and cash prizes were awarded to Ladies, Junior and Veteran winners.

1st AA Socs Pilipasidis 114/120 (MCCSC), 2nd David Jones 112/120 (Wagga GC), 3rd Anthony Panetta 102/110 (Melbourne GC), 1st A Craig McNeil 99/110 (Bendigo CTC), 2nd Brett Chambellant 98/110 (Gold Coast CTC), 3rd Peter Munro 89/100 (Wagga GC), 1st B Jesse Munro 86/100 (Wagga GC), 2nd Lewis McMullen 89/110 (Marconi CTC), 3rd John Rodden 85/110 (Pioneer CTC), 1st C Grant McMillan 85/100 (Griffith GC), 2nd Kevin Agius 81/100 (Werribee Vic CTC), 3rd George Roth 77/100 (Newcastle CTC), Junior Kyle Morrow 82/100 (Melbourne GC), Ladies Renae Birgan 89/100 (MCCSC), Veterans John Torresan 90/100 (Monarto CTC).

Commonwealth 100 target Sporting Clays Championship:

Overall Winner: Peter Tobin (Brisbane Gun Club) 105/110. Peter was presented with the ACTA royal blue sash cash prize and 1000 shotshells.

Grade winners each received the ACTA Gold medal and cash prize. Second and third placegetter each received the appropriate ACTA Silver and Bronze medals. Section winners received the ACTA Gold medal and a cash prize

1st AA Jeremy Kent 104/110 (Mt Gambier GC), 2nd Socs Pilipasidis 103/110, 3rd Daniel Johnson 102/110 (Noorat GC), 1st A Josh Mazurek 90/100 (Albury CTC), 2nd Ashley Matuch 89/100, 3rd Brett Chambellant 88/100, 1st B Jesse Munro 82/100, 2nd Jack Roth 79/100 (Newcastle CTC), 3rd Lyndall McNeil 78/100 (Bendigo CTC), 1st C Robert Alexander 80/100 (Bathurst GC),

Peter Tobin, Overall 100 target Commonwealth Sporting Clays Champion

2nd Mark McDonald 75/100 (Yarrawonga CTC), 3rd George Roth 72/100. Junior Emalene Munro 83/100 (West Wyalong CTC), Ladies Renae Birgan 92/100, Veterans John Torresan 90/100.

Three person Club Team winners – Traralgon FGA, Bill Zogagiannis, Brian Mortensen and Daniel Johnson

22nd ACTA National Sporting Clays Championship:

The Overall winner was Brian Mortensen, with a score of 200/210, one target better than in 2014. Brian received the ACTA National Sporting Clays Perpetual Trophy, ACTA royal blue sash, ACTA belt buckle, cash prize and the Browning U/O shotgun donated by Winchester Australia.

Taking home the Gold medal and cash prize for 1st in AA was Socs Pilipasidis 199/210, Jeremy Kent came 2nd with a score of 189/200, and Anthony Panetta on 198/210 came 3rd. 1st in A was Brett Chambellant 178/200, 2nd place went to Peter Munro 177/200 and 3rd place to Ashley Matuch 176/200. 1st in B grade was Jesse Munro 168/200, Warren Brown placed 2nd shooting 165/200 and 3rd place went to Shaun McGauran (Wangaratta) 163/200. Grant McMillan was 1st in C grade shooting 162/200, 2nd place Kevin Agius shot 151/200 and the 3rd placegetter was George Roth on 149/200. The Junior Gold medal winner was Kyle Morrow 161/200, Ladies Gold went to Renae Birgan 181/200 and the Veterans winner was John Torresan 180/200.

Winning scores were generally higher than in 2014, possibly due to the better weather.

3 Persons Team

This event is open to any team of three members from a single club. Clubs must be affiliated with

either the ACTA, SSAA, Field and Game Australia or the Field and Game Federation. This years winning team of Daniel Johnson, Brian Mortensen and Bill Zogagiannis, representing Traralgon FGA, shot a combined winning score of 554/600.

State Teams Match

Five teams competed for the National Sporting Clays Bruce Hall Perpetual Trophy, which was won this year by the Victorian team. Team members were Reece Turner, Craig McNeil and Jack Gibbs who finished with a total combined score of 529/600 beating the Queensland team of Aaron Knowles, Peter Tobin and Stephen Hoy by a single target.

Other State Teams to enter were: NSW – Andrew Bell, Bart Brighenti and Leo Pezzano 519/600, WA – Joe Pulio, Clayton Dennis and David Knight 496/600, SA – Dougal Simson, Gavin Dyson and Tim Widdison 518/600.

Additional photos from the Sporting Clays Nationals can be found on the ACTA website.

National Sporting Clays B Grade: Warren Brown 2nd, & Jesse Munro 1st

Annual 2 Day Carnival

DYSART GUN CLUB

AUGUST 1, 2015

The Dysart Gun Club held its annual carnival on the first weekend in August with 45 shooters nominating from all over the Central Highlands, Pioneer, Townsville, Silkwood and Tasmania to name a few. The weather and targets were perfect and this showed with the competition for the trophies tough.

A big thankyou to Kylie, Dianne, Rose, Loretta and Melissa for helping keep everyone fed for the weekend, Candy and Steve for doing an excellent job in the office, volunteers from other clubs and trappers for keeping everything ticking along.

The members of the Dysart Gun Club and competitors alike would like to thank our sponsors for their generosity, this contributed greatly to the success of the weekend. The sponsors are as follows Coal Augering Services, Isaac Regional Council, Stokes Mining, Polyweld, John Crooks Hardware, Australian Country Living City Centre Plaza Rockhampton, Tutt Bryant Hire and Dysart Lions club. Friday saw some of our sponsors come along for a shot which they all enjoyed then stay back for a few refreshments.

Competition began at 9.00am Saturday with the first event being a 25 target cash divide and the winners are as follows AA Grade Andrew Zarb, Trevor Curtis, Glen Reynolds, Henry Dunn, Mick Fuller, Rodney Woodrow and Peter Watts 25/25, A Grade Alex Skinner, Colin Beavis, Phil Ryder, Candy Cross 24/25, B Grade Nicholas Kimber 25/25, Alan Love, Mathew Newton 24/25, C Grade Sheridan James 23/25, Pio Bonato 21/25, Darren Sloan 20/25.

Event 2 was the 25 Target Single Barrel with the Overall winner being Glen Reynolds 32/32, AA Grade 1st Robert Cross 31/32, 2nd Lil Brandt 33/35 A Grade 1st Peter Poile 24/25, 2nd Angus McDonald 31/33, B Grade 1st Neil

Sinclair 34/35, 2nd Nick Kimber 33/35, C Grade Sheridan James 21/25, Ann Kimber 19/25.

Event 3 was the 50 Target Double Barrel with the overall winner after a great shoot off being Mick Fuller with a score of 163/163, AA Grade 1st Glen Reynolds 162/163, 2nd Brad Cowley 70/71, A Grade 1st Alan Powell 128/129, 2nd Alex Skinner 49/50, B Grade 1st Emile Death 48/51, 2nd Neil Sinclair 47/51, C Grade 1st Sheridan James 47/50, 2nd Roy Dunn 42/50.

Event 4 and the last one for the day was the 25 Target Continental and the overall winner was Andrew Barbour 54/54, AA Grade 1st Mick Fuller 53/54, 2nd Peter Watts 26/27, A Grade 1st Jim Storch 29/30, Angus McDonald 28/29, B Grade 1st Steve Millar 49/50, 2nd Matthew Newton 25/26, C Grade 1st Roy Dunn 25/27, 2nd Darren Sloan 24/27.

Shooting started on Sunday in perfect conditions with a 50 Target Points Score and the Overall winner was Henry Dunn 148/150 AA Grade 1st Andrew Barbour 183/186, 2nd Peter Watts 182/186, A Grade 1st Kim Williams 147/150, 2nd Jordan Byrne 146/150 B Grade 1st Matthew Newton 146/150, 2nd Emile Death 142/150, C Grade

1st Sheridan James 135/150, 2nd Roy Dunn 130/150.

Event 6 was the 25 Target Handicap and in 1st place from the Blackall club was Angus McDonald with a score of 54/54, 2nd Matthew Newton 53/54, 3rd Peter Poile 25/26, 4th Mick Fuller 44/45, 5th Peter Molle 52/54

High Guns for the weekend were Junior Nick Kimber 247/275, Ladies Vere Storch 260/275, Veterans Trevor Curtis 262/275, C Grade Sheridan James 244/275, B Grade Matthew Newton 264/275, A Grade Alan Powell 290/303, AA Grade Andrew Barbour 265/275, Overall Glen Reynolds 266/275.

Once again thanks to all shooters, sponsors and everyone in general for a great weekend and hope to see you return again next year.

Ron Traill Memorial Day

**ECHUCA CLAY TARGET CLUB
SEPTEMBER 13, 2015**

The Echuca Clay Target Club devoted the club's September shoot day to the memory of Ron Traill, who did so much, not only as President of the Echuca club for so many years, but for the Zone and the State, and he was even heavily involved in the National body, the Australian Clay Target Association. It would be a very difficult task to find someone else that had devoted so much of their time towards the sport as Ron. His passing was felt by so many, of course family members, but also people involved in the sport, club members everywhere, committee people, all knowing just how much Ron had devoted to the sport. People's memory of Ron Traill will be felt for a very long time. RIP Ron!

The Committee members of the Echuca club wish to make a very big thank you to Ron's family, for their contribution towards the shoot, making the trophies a big attraction for shooters to attend and compete amongst some very qualified people, but especially a big thank you for family just to attend, as shoots such as this would, and do, bring up a huge amount of memories.

A 75 target Ron Traill Medley Championship was the main event with Werribee member, Pat Guida, managing to shoot a full score of 125/125, and that magnificent score could not be matched by any other shooter, so Pat was the Overall winner. He also collected the first in AA Grade trophy.

Well shot Pat, congratulations! Lynne Curtis who only missed a shoot off for Overall by just one point put his hand up for the 2nd in AA Grade trophy having recorded a 124/125 score. Jo-Anne Boyer shot a very respectable 122/125 earning her the 1st in A Grade sash and trophy. Leigh Traill shooting very well on the day, shot a 121/125 score giving him 2nd place in A Grade.

The B Grade winner was Mick Rocca scoring a 117/125 to claim that honour, with

Mathoura member Emily McCluskey, taking 2nd in B Grade with a 117/125 result. Slap Commensoli, a Kerang member, shot a 106/125, earning her 1st place in C Grade, and Joseph Leedham a junior shooter from Horsham, collected 2nd in C Grade with a score of 97/125. The sashes for this shoot could possibly be collector items for the shooters as they all carried a photo of Ron Traill.

Pat Guida, OA winner of the Ron Traill Medley & OA DR

Event Two was a 20 Pair Double Rise Championship, and again Pat Guida, proving to all that his first possible definitely was not a fluke, by again shooting the full score of 40/40 and again putting his hand up for the Overall winner's sash and the 1st place in AA Grade Trophy. Pat, I am sure, would be very glad he decided to attend this Echuca shoot! Echuca's Casey Fletcher dropping just one target, and his 39/40 earned him 2nd in AA Grade. Leigh Traill, was amongst the prize winners again, with a 35/40 score and the 1st place in A Grade Trophy in his hand. Peter Watkins scored a 32/40 earning himself 2nd in A Grade. This time Emily McCluskey, not satisfied with a 2nd in the first event decided she wanted the Sash and the 1st place in B Grade trophy, and that is exactly what she claimed, having shot a 30/40 score.

Jo-Anne Boyer 1st A Medley

Craig Scott, Warwick Kely 1st DD, Steve Traill

Mick Rocca 1st B Medley

Slap Comensoli 1st C Medley, with the Traill boys, Leigh, Phillip & Steve

Goodshooting Emily, I think A Grade possibly not too far away! Mick Rocca shot a 27/40, and that gave him the 2nd in B Grade trophy. Slap Commensoli recorded a 27/40 and that earned the 1st place in C Grade trophy for her. Joseph Leedham scored 20/40 giving him 2nd C Grade.

Event Three, a 20 pair Deauville Doubles off the 20 metre mark. With quite a few possibles scored it took some time to thin the ranks a bit, moving back onto the 22 metre mark, and eventually onto the 24 metre mark. Then down to Stewart Forbes and Pat Guida, and Echuca pair, Craig Scott and Warwick Kelly, Stewart and Pat dropped their 35th pair and when Craig and Warwick shot their 35th pair it was all over. Congratulations to the Echuca shooters, Craig Scott and Warwick Kelly, winners with a perfect 35/35 Pair score. Stewart Forbes and Pat Guida, took 2nd place in this Deauville Doubles event with a score of 34/35.

Echuca Clay Target Club member Rob Viney for 2015 has supplied an Encouragement Award Sash at every shoot, for a beginner or an improving junior, and today he elected to choose Horsham member, Joseph Leedham. Congratulations Joseph!

With 155 targets to be shot, and a reasonably large number of shooters, it was good to have done all that before 4.00pm. It was a comprehensive test also for some of the new Mattarelli traps just installed at the Victorian State and Echuca Grounds, and they definitely got the thumbs up. With the recent very changeable weather, including very cold conditions, on Sunday the 13th of September there was virtually no wind, clear blue sky, and 26 degrees, almost summer-like conditions.

Murray Roberts

2015 Universal Trench World Championships

GRANADA SPAIN

TEAM AUSTRALIA

On the weekend of the 15th of August a large contingent of Aussies made their way to Granada, Spain to compete in the 33rd World Universal Trench Championships held at the Las Gabilas Shooting Range August 21-23.

Making the long trek was our senior team of Nathan Cassells, Steve Trembath & Craig Henwood, our ladies team of Anna Shedrina & Amanda Holt and our junior team of Adam Shale (with his sister Demi), Brody Walters (and mum Mikala) and Jackson Willmann (with parents Scott & Sonia and brother Bryce). Also travelling with the team were the following shooters competing as individuals: Ross Liersch, Marcus Cassells, Vinnie Mollica (with father Vince Snr) & Lachlan Holdsworth (with mum Jenny). This ensured a big crew and a large Australian presence felt at the championships.

Travel to Granada was reasonably smooth, although things were pretty slow in Madrid. Customs officials took their time and often gave us the wrong information, however despite the lack of urgency most of us made our way on time . . . apart from Adam Shale! After receiving the wrong information from officials, he missed his connecting flight and had to catch another plane the next day from Madrid to Granada.

Upon arrival, we checked into Hotel Carmen, our team hotel. It was clean and comfortable and had some amazing views, complete with a small pool and bar on the roof - both of which got plenty of use over our weeks stay! A bus complete with driver was hired for the whole Aussie team, and this came in very handy. The bus picked us up each morning from the hotel and returned us in the evening from the range.

The range at Granada is a fantastic example which houses 6 Universal Trench Layouts (5 are ISSF layouts and 1 is a purpose built UT layout), with an excellent background and great visibility - due to its location high up on a hill. Corsivia enviro clays were used throughout the competition, and these smoked up very nicely. Our crew took over a couple of tables under the verandah and set up camp with the Aussie flag flying proudly.

Days 1 & 2 of practice went well with everyone eager shoot, and to try out our ammunition. This had been organised free of charge for all official team members courtesy of Mr John Gilopidis from Spartan Global. John was kind enough to source Armusa ammunition for the team and after one day of practice everyone agreed that the "Gold Serial" shells were a wonderful load - nice and fast with low recoil, which were already producing some great scores. Our team also looked amazing in their K98 shooting vests supplied by Bronze Wing Ammunition and designed by Anna Shedrina. Thanks Anna!!

Wednesday night we held our official Aussie Dinner. A lovely restaurant was sought in 'La Botilleria' which was just a short walk of our hotel in a quiet back street. What a feast!!! On arrival we were greeted by the manager who

Right: Brody Walters carries the flag with pride in the opening ceremony

took us to the back room and told us we would be in his capable hands for the evening. Everyone was to choose their own main and he would bring out a "few" tapas plates as entrees. Amazing! After about the

8th plate even the biggest eaters of the team were yelling out "STOP!! No more!!!" The mains came out and from a table of 19 there was not one complaint about the food, service or price. A great night was had by all with plenty of laughs and great memories. Our flag bearer for the opening ceremony the following day was announced and awarded to the youngest team member in our crew; Brody Walters.

The opening ceremony was held on the Thursday night, and as the countries marched out in alphabetical order, this meant Australia was first. The organisers were keen for everything to run smoothly, so they spent a good 20 minutes with Brody (our flag bearer) and Jackson (who was to hold the Australia sign) to ensure they knew their duties of where to march to and where to stop as all of the other countries behind us would be following their lead. No pressure lads! Everything ran according to plan and the Aussie team dressed out in their uniforms supplied by Shane Pinner of Pinner's Refrigeration & Air Conditioning looked the part. Thanks Shane!!! We were also treated to some great Spanish singing and Flamenco dancing by a very young, talented singer with a strong, powerful voice who had the whole crowd enthralled. Some local foods and wine were then shared and we were back on the bus by 8:30pm for an early night in bed ready for competition the next day.

Everyone was up bright and early on Friday morning competition days were going to be a long, drawn out affair. 360 shooters had entered the event (the maximum allowed) and we had shooters in the first and last waves of competition. Competition started at 8:30am, so that saw us arriving each morning by 7:45am. As it was a 25 min drive to the range, usually we were leaving the hotel in darkness (first light was usually 7:30am) and returning to the hotel around 8:30pm. The days were very hot averaging about 36 degrees and very, very windy. Despite the gusty conditions the targets still flew reasonably true however there was always going to be the odd tricky bird to bring you undone!

Friday the 21st was Day 1 of Competition and saw some good scores by the Aussies in particular our junior team of Brody, Adam & Jackson who found

themselves in 2nd place in the teams event and only 1 target behind our senior team! Jackson shot a fantastic 73/75, Brody 68/75 & Adam 70/75. The senior team saw Craig on 73, Steve on 68 & Nathan on 71. In the ladies team, Amanda shot her first ever 25/25 in competition to be on 70 and Anna, battling a sore wrist ended on 68. The individual shooters also displayed some great shooting by Marcus, Ross & Vinnie to all be on 72, and Lachlan on 67. Marcus was unlucky shooting 24 straight in his first 2 rounds only to miss his 25th target both times. Everyone was fairly exhausted; a quick dinner and early night was on the cards as we had another big day coming up.

Saturday the 22nd was again an early start and a late finish. Conditions today were as per Friday, nice and calm in the morning with the wind becoming stronger as the day went on. At one stage the shoot was put on hold due to gusts being so intense. A "willy willy" went right through the shooting grounds causing all of the shade cloth on the verandah to be torn apart, as well as the green mats at the front of the trench lips (to aid target visibility) were all blown away. Anna Shedrina and Nathan Cassells were both unfortunate to be shooting when this occurred and each was unlucky to receive a target that was virtually unshootable. Despite the conditions, some more good scores came in, however all eyes were now on young Jackson Willmann who had stormed towards the top of the table in the juniors to be in outright 2nd position with only 2 rounds to go. Brody & Lachlan also had much better days, each shooting 71's. In the Opens, Vinnie and Steve both shot great 74's, Ross a 73 and Craig and Nathan both had bad rounds to record 69 & 70 respectively. Our junior team were still hanging on to equal 3rd place in the teams and our senior team was in 4th. Both of our girls also shot very well on day 2. Anna shot a nice 71/75 and Amanda continued her form shooting another 25 to end on 69. Both girls were positioned in the top 10 and a chance for a medal with a big last day.

Sunday the 23rd was the last day of competition and a few tired faces were starting to emerge for the final 50 targets. Jackson was up nice and early and a good round was needed to try and bridge the gap of the 1 target lead from the Spanish shooter Ricardo Labrador. A few pre round nerves were showing with the early morning sun being an issue for Jackson. This is where the Aussie team showed solidarity, and a mad run around began trying to organise some blinkers for his right side to try and eliminate this problem. Ross & Marcus worked frantically to try and build one out of an empty shell packet but were having trouble getting them to fit Jackson's glasses. It was Jackson's dad Scott who had the brains to walk over to the accessories stall and was given a handful free of charge . . . Crisis averted! Jackson then went on to punch a great 25 straight with only a couple of good second barrels. Labrador was also up to the task shooting a 25 as well to hold his 1 target lead into the last round. Jackson however was 3 targets clear of 3rd place!

For his last round, a large crowd had gathered to watch Jackson shoot. The local Spanish crowd all watched with interest to see how much pressure our boy could put on Labrador, who was in a later squad. The Aussie contingency was all watching and hoping (although mum Sonia spent most of the

Jackson Willmann with his silver medal and proud parents Scott & Sonia and brother Bryce

round with her eyes closed) that Jacko could do his best and finish on the podium. We all shot each target along with Jackson and after a shaky start; he came home strong to shoot a 23, finishing on 194/200. As he had a 3 target lead from 3rd place Jackson had assured himself a silver medal with this round. The wait was then on to see how Labrador from Spain would finish. A 22 and a shoot off would occur, a 21 would see Jackson crowned World Champion. The wind had again picked up but Labrador was cool under pressure and ran the last 50 to be the victor on a great 197/200, a fantastic effort from the Spanish shooter. 3rd place after a shoot off went to Aitor Carmona from Spain on 191 + 25 + 3.

This was such an amazing achievement from Jackson to win the silver medal. This wonderful effort was made even more special by not only having his Mum, Dad and younger brother there to witness it, but he also won using the Browning shotgun his recently deceased grandfather had given him. A very special moment and one I am sure the Willmann family will never forget.

The other juniors in the team also shot really well - Brody Walters shooting 183/200 to finishing in 15th place and Lachlan Holdsworth finished on 181/200 for 18th place. Adam Shale posted a respectable 174/200 to end in 22nd place. Overall, a stellar effort from the junior team, who just missed out on the bronze medal position to finish in 4th place.

All of the Aussie shooters and support crew in Granada

VCTA – WINCHESTER STATES SCHOOLPERSONS' CHAMPIONSHIP BENDIGO CLAY TARGET CLUB

2015 again saw an impressive number of students participating in the VCTA/Winchester Schoolpersons DTL competition in the 4 zones. The winners and placegetters travelled to Bendigo in search of a State title on September 7.

Bendigo grounds were in great condition, however a couple of showers and the wind made shooting challenging.

Winchester again sponsored the elimination events to the extent that those competing were able to attend at a very minimal cost. The final was fully sponsored by Winchester and for this the VCTA is most grateful.

For their part, the VCTA offers free nominations to the Overall and Division winners should they wish to attend the Victorian Trap Carnival. The free nominations include the Single Barrel, Points Score and Double Barrel events.

The VCTA State Handicapper, Ray Peatling representing the State President was on hand to oversee the event and he was ably assisted at the presentations by Brian Mortenson representing the sponsors.

For their part the students made 2 visits to the traps to shoot their 30 qualifying targets. At the end of the day there was only one shooter who managed to record a possible 30/30.

At the completion of qualification only 2 sections required shoot-offs, these being 1st and 2nd in the senior girls and 3rd place in the junior girls.

Senior Girls: Beth Hayden 2nd, Luella Foster 1st & Charlie Hudson-Czerniecki 3rd

Overall winner James Hayden with Winchester representative Brian Mortensen

James Hayden (Terang College) claimed the Overall with his 30/30. James also shot a 20/20 to qualify for the final at Noorat.

Luella Foster (Mercey Regional College) won the Senior Girls with 36/40 from Beth Hayden (Mildura Senior College) 35/40. 3rd place to Charlie Hudson-Czerniecki (West Bourne Grammar School) 25/30. The Junior Girls winner

Junior Girls: Bonnie Rowland 2nd, Em Marshall 1st & Alexis Preston 3rd

Senior Boys: James Aitken 1st, Bryan Green 2nd & Travis Redman 3rd

Junior Boys: Cooper Reading 2nd, Andrew Bottcher 1st & Mark du Rose 3rd

was Em Marshall (Gippsland Grammar) with great 27/30, 2nd Bonnie Rowland (Lilydale High School) 26/30 and Alexis Preston (Mackillop College) 29/35. Andrew Bottcher (Cohuna

Terang College: James Aitken, Bowen Kemp, Fergus Lock, James Hayden & Matt Molan

Secondary School) 27/30 saw him take out the Junior Boys. Cooper Reading (Stawell Secondary School) shot 25/30 for 2nd and Mark du Rose

parents and teachers who travelled with the students – thankyou. To those who refereed and scored on the day our grateful thanks.

(Flinders CC College) on 23/30 was 3rd.

A score of 125/150 from Terang College saw them win the team event. Team members were James Aitken, Bowen Kemp, Fergus Lock, James Hayden and Matt Molan.

Thanks must go to the hard working ladies in the kitchen at Bendigo who kept everyone well fed. To the

2015 Universal Trench World Championships GRANADA SPAIN

Continued from Page 15

Amanda and Anna in the ladies also had a great finish. Anna came home with a 48/50 on day 3, shot a PB of 186/200 and ended in 8th place. Amanda also shot a PB of 185 to finish in 10th position. For both girls to have a top 10 finish is a wonderful achievement and we were unlucky we didn't have a 3rd lady to field a team and bring home a possible team medal. (Hint hint ladies - what are you waiting for next year??) The ladies gold was won by the very popular Italian shooter Bianca Revello on an amazing score of 193/200. Silver was Beatrice Martinez from Spain on 191 & bronze to French shooter Aude Lacomte on 189.

In the open section Vinnie finished as our top Aussie with a 196/200 and finished in equal 14th position, Ross shot 194 to finish 26th, Steve a 191 to finish 58th, Craig a 188 to finish 101st, Nathan shot 187 to finish 120th, and Marcus a 182 to finish in 194th place.

The open winners required a 3 way shoot off on 198/200 for the medals between Jack Wilkinson of Great Britain, Mario Fuentes Lopez of Spain and his personal coach Alberto Fernandez also of Spain. After one additional round, all of the medals were sorted. Fuentes Lopez on top with 25, Fernandez silver with 24 and Wilkinson the Bronze with a 23. Our senior team finished the team's event in 5th place.

The awards ceremony was held, and it was awesome to see Jackson standing on the dais with his silver medal. This followed on from our great result with James Willett last year winning bronze in the junior section in Lonato. There was plenty of talk around the traps about how well our Aussie junior shooters are competing in UT with very little experience in the discipline . . . we have assured them next year we will be back chasing gold!

We would like to take this opportunity to thank everyone involved in not only sponsoring our Universal Trench Series but also those who helped sponsoring our team and helping with fundraisers etc. Everyone who travelled to Spain all had a great time. It was a fantastic team to be a part of and the experience gained by all shooters, particularly the juniors, is invaluable and we look forward to watching their shooting careers grow over the coming years.

Next year's Universal Trench series plans to be a big one and organisation is already underway. Please put these events in your shooting diaries – Cecil Park CTC February 13 & 14, Frankston Australia CTC March 12 & 13, International CTC – April 23 & 24, Melbourne Gun Club May 14 & 15

We look forward to seeing you all there!

ZZ Sydney Australia September Competition at Griffith Gun Club

Date: Friday 4th September 2015.

Venue: Griffith Gun Club, NSW.

Attendance: 36 shooters.

Weather: 20° sunshine, slight wind.

The ZZ competition was held Friday before the Griffith Gun Club Casella Wines annual 2 day DTL shoot.

Friday morning saw a beautiful clear day. Practice got underway around 9.30am and by 11.50am there were 36 names on the scoreboard, going for Sweep States, 8 x S/Sweeps, 28 x N/Sweeps. Most shooters who came for the ZZs stayed on for an interesting weekend of DTL. We had shooters come from near & far.

The fence was setup at 21m with the shooters mat set on 27m and the traps set to the weather conditions.

Only 24/25 birds: 1st Sweeps: (10/10) Competitors were in the Super Sweeps as well, Pat Guida in N/Sweeps & S/Sweeps, all on his own. 2nd Sweeps: (10/10) Cameron N/Sweeps, Pat Guida N/Sweeps & S/Sweeps, Andrew Leech N/Sweeps. 3rd Sweeps: (10/10) Dave Perri N/Sweeps & S/Sweeps, 4th Sweeps: (10/10) Dave Perri N/Sweeps & S/Sweeps. Leigh Stocks N/Sweeps.

O/A winners 24/25 + Normal & Super Sweep no shoot off, due to running out of time.

O/All 2 Winners Pat Guida & Dave Perri, both got the cash. Pat got the O/All ZZ Carnival Sash & Dave got the NSW State Sash.

Other shooters that shot well were Chaise 20/25, Cameron Browne 21/25, Dicko from Albury 21/25, Andrew Leech 22/25.

It was nice to see some of the old faithful ZZ Boys from Victoria, Colin Saxton & Lee Fitzgerald. Also nice to see Garb & Dicko from Albury, Justin & Amy Smith from Boorowa. Think Alf G might have let son Brandon shoot and he just watched.

Thank you to the Casella Family, Paul Batson, President (GGC) Steve Cunial, shoot, coordinator John Pope and the board of directors.

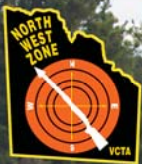

We would also like to thank Neale Guy with reffing & the setup of the course. I would like to thank all the volunteers, Colin Saxton, special thanks to the Bartolo Family for all their help in picking up birds & packing up.

Last year there was a lower number of shooters who turned than in previous years. Many new faces on the scene having fun & also competing, this year with very 36 competitors. All in all we had a good day of completion & fun.

All competitors that stayed for Wine Carnival should have been happy as the running of the shoot was fantastic & the atmosphere was good.

Next ZZ, Sunday 18th October, at Metro Clay Target Club Victoria for the ZZ National Titles.

Till next time, Vince

VCTA North West Zone Carnival

COHUNA CLAY TARGET CLUB

SEPTEMBER 12-13 2015

In perfect weather, with little wind and pleasant warm sunshine, the Cohuna Clay Target Club hosted this year's North West Zone Carnival on Saturday September 12. Three Zone titles were competed for, the North West Zone Double Barrel, Single Barrel and the Points Score Championships. Zone Team selection, Open, Junior, Ladies and Veterans for the shoulder to shoulder Teams event at the VCTA Carnival in November was also conducted over these three events.

Cohuna decided to also conduct a shoot on the Sunday which meant that the Zone Handicap could be incorporated into the second day. To this end some shooters camped on the grounds overnight and enjoyed the Cohuna hospitality which included a meal on the Saturday evening and a bacon and egg breakfast on Sunday morning.

Only 73 shooters participated on the Saturday with 54 turning up for Sunday. It was disappointing to see that some Zone clubs were not represented.

However with some of the top Zone shooters attending, competition was fierce and the double barrel saw 4 shooters still there after 200 targets.

The Corsiva Australian Trap targets thrown over the variety of clay target machines that Cohuna uses performed admirably and the Zone would like to thank the sponsor of the Carnival, Bruce Burns from GB/Corsiva for his generous and ongoing support for the North West Zone.

Day One – North West Zone Carnival

Twenty three shooters shot the possible in the first event on the program, the 25 target North West Zone Double Barrel. A lengthy shoot-off, which included a couple of A grade shooters who shot past the 200 target mark and earned themselves

an upgrade to AA followed. The eventual winner, taking overall and AA, was Central Wimmera President Craig Kelly, with a score of 237/237.

Second in AA was Chris Dalrymple on 236/237. In A grade Mark Walsh (236/237) from Central Wimmera took first place and Robert Jorgensen also from Central Wimmera came second. In B grade Dennis Hannigan from Boort came first with a score of 46/47, from Sean Estcourt of Cohuna. In C grade Cohuna shooter Toni Hogg came first with a score of 33/34 from Mark Large (Numurkah-Shepparton) second.

The second event, the 25 target North West Zone Single Barrel Championship was won in fine style by Roger Lehmann, from Warracknabeal with a score of 44/44. Roger also won this event in 2014 at Mildura, the only difference being, that with some nostalgia and a few tears, Roger during the year, has had to retire his trusty, very old Browning and shoot with his Kemen. Most shooters would be pleased to see the demise of the old Browning but now wish the same fate on the Kemen. Second place in AA went to Cohuna President and State Handicapper Ray Peatling who finished the shoot-off with 43/44. In A grade Russell Black (Warracknabeal) took out first place with a score of 33/34 and Mark Walsh (Central Wimmera) placed second. B grade first again went to Dennis

Hannigan who was having a great day out, shooting a score of 38/40 and Jamie Regan from Kyneton came second. In C grade Julie Hogan (Cohuna) with a score of 23/25 came first with Stephen Bottcher also from Cohuna taking second.

The final event was the 25 target North West Zone Points Score Championship. Overall and AA grade was won by Wayne Hawker (Jeparit), with a score of 177/177. Second in AA went to Chris Dalrymple. Allen Cole (Numurkah-Shepparton) won A grade, shooting 90/93 and Chris Jorgensen (Central Wimmera) placed second. Dennis Hannigan, continuing on his winning way won B grade 131/132 from Jeffrey Hogan (Cohuna). Joseph Leedham (Central Wimmera) placed first in C grade 71/75 and Phil Mangano (Swan Hill) came second. This event also saw prizes for Ladies, Juniors and Veterans. The Ladies went to Megan Barnes (Mildura) with a score of 74/75, the Junior to Beth Hayden also from Mildura on 72/75 and the Veterans to Fred Heinze from Nepean on 73/75.

After a long shoot-off the Overall High Gun was won by Roger (Legend) Lehmann with a very impressive score of 247/250. AA grade went to Wayne Hawker (246/250), A grade to Robert Jorgensen (123/125), B grade naturally went to Dennis Hannigan (123/125), who should very

Double Barrel winners: Mark Walsh, Craig Kelly & Dennis Hannigan

Single Barrel winners: Dennis Hannigan, Julie Hogan, Roger Lehmann & Russell Black

Points Score winners: Allen Cole, Wayne Hawker, Dennis Hannigan & Joseph Leedham

soon be gracing the A grade ranks, and C grade to Mark Large (110/125).

Megan Barnes won the the Ladies High Gun (119/125), Fred Heinze the Veterans (143/150) and the Junior High Gun went to Beth Hayden (115/125).

The North West Zone Open team is Craig Kelly, Wayne Hawker, Ray Peatling, Colin Dunn and Graham Broad. The North West Zone Ladies team consists of Megan Barnes, Julie Hogan and Toni Hogg. The Veterans team for the Zone is Gary Pike (Mildura), Jim Shepherd (Maryborough) and Leon Gibson (Callawadda Stawell). The Junior team is Beth Hayden, Tarryn Shaddock (Mildura) and Andrew Bottcher (Cohuna). Zone Team members will receive a Zone cap and polo shirt and \$50 towards their nominations to the VCTA State Carnival in November.

Thank you to all the Zone delegates, Zone members and helpers, particularly the Cohuna club members who worked tirelessly during the day keeping the traps full and running. Of note was the work done by Greg James on the computer, Zone Secretary Doug Harris and Roger Lehmann on the grading cards. Many shooters are still not ensuring that their cards are totalled and up-to-date, making hard work for the handicapper.

Jim Shepherd

Section Winners winners: Megan Barnes, Fred Heinze & Beth Hayden

Grade High Gun winners: Wayne Hawker, Roger Lehmann, Robert Jorgensen & Dennis Hannigan

Day Two – North West Zone Handicap & Cohuna 60 target Champion of Champions

Following on from the successful North West Zone Carnival, Cohuna held their monthly shoot on Sunday. A magnificent sunny day greeted 54 shooters, with shooting getting underway just after 10 O'clock. The first event a 10 target points score had the following shooters achieve a perfect 30/30 score. G Broad, C Dalrymple, C Langridge, M Barnes, P Woods, R Whyte, T Plum, R Black, C Easden, J Regan, I Larner and A Bottcher.

The second event a 25 Target Handicap saw the following shooters successful after a short shoot

off, 1st R Whyte, 2nd Carl Comensoli, 3rd A Plum, 4th J Regan, 5th C Dalrymple.

Event 3, a 60 target Champion of Champions event, realised the following results: Overall & 1st AA Grade G Broad 100/100, 2nd T Moroni 99/100, 1st A Grade C Comensoli 97/100, 2nd B Moroni 96/100, 1st B Grade J Regan 98/100, 2nd S Estcourt 92/100, 1st C Grade A Bottcher 96/100, 2nd G Quinlan 90/100. Veterans: F Heinze, Ladies: T Hogg and Juniors: A Bottcher. High Gun for day two was G Broad.

High Guns 2 days; AA Grade G Broad, A Grade C Comensoli, B Grade J Regan, C Grade A Bottcher, Ladies M Barnes, Vets F Heinze, Junior B Hayden.

Many shooters commented on the high standard of days being thrown, "when you hit them they were well and truly hit", the impeccable preparation of the grounds, and the better than very good service provided by the canteen staff.

Given the number of competitors on day two it just shows how popular two day shoots still are. The Cohuna Gun Club would like to thank all who helped not only on the second day, but also during the NWZ Carnival, without whose hard work and dedication the 2 days would not have been the success they were.

Thank you.

Brendan Moroni

Overall winner North West Zone Handicap R Whyte with Cohuna President Ray Peatling

Overall Cohuna Champion of Champions Graeme Broad

C Grade Champion of Champions Andrew Bottcher

A Grade High Gun, Carl Comensoli

B Grade High Gun, Jamie Regan

Cuzzo's Ramblings

NOVEMBER
2015

Back in my column in July I provided a detailed explanation of the Hall of Fame "Point System" and explained that each year now I collate a Points Chart for that particular calendar year for both Trap and Skeet. This not only documents our major champions each year, but in the process calculates our Annual Medal winners as they are generally the highest "Points Accumulators". As a natural extension of that project I am also busily trying to reconstruct these Annual Charts for

both disciplines "backwards". In this way I hope to eventually document every "Point Acquirer" right back to at least 1947, which is when our Association originally launched our monthly magazine. A by-product of this research will be the illustration of

Mal Briggs – the highest Skeet "points accumulator" in 2006 and therefore the last person to "miss out" on our Annual Medal

our dominant shooters at any point in time as our Annual Medal system, which now highlights them, only originated this century.

Not So Easy

Although in theory this originally seemed to be a fairly simple and straightforward (albeit very time consuming) exercise, practicality has proven it to be very different matter. Almost from the very beginning a number of unforeseen obstacles continued to surface and both thwart my progress and highlight my naivety. For a start I simply never envisaged a situation where State Carnivals or

major State Titles would be conducted without any prior advertisement in the CTSN. Then I failed to foresee the regular occurrence of neither the State Association or the host club listing the results in the CTSN by way of either a dedicated write-up or even inclusion in the results section. Subsequent investigation has unearthed the parody that in many cases both entities considered it to be the responsibility of the other.

Bumps in the Road

And then the final addition of insult to injury was the spectacular failure of what I originally considered to be a "Foolproof Plan B": Access to the records of the various State Associations. What I failed to foresee here was the fact that up until fairly recent times most States did not even consider such record keeping to be part of their responsibilities. Then a combination of a revolving door of voluntary labour with no fixed place of abode and no documented job description provided situations where even the raw material for construction of these records was lost, misplaced, damaged, intentionally recycled or in some cases even deliberately destroyed when changes of office bearers were not as amicable as they could have been.

Many Hands make Light Work

And we're not even talking about an ancient timeframe here as the whole State Association concept did not materialize until the late 1970s. To illustrate the relative currency of my frustrations, I recently burnt a lot of midnight oil trying to reconstruct a result sheet for the State Skeet Carnival in my own home precinct of Victoria for an event as recent as 2007. And similar results for a couple of other States around that time have proven to be nearly as difficult to access. For all these reasons, combined with the labour intensity of the overall project, I will begin running a series of "Help Wanted" styled advertisements in the CTSN under a banner of "History's Mysteries" and I will be most appreciative of whatever assistance I can unearth in this way. So if you have won any of these events or know of someone

that has or can even offer a lead or a suggestion, my e-mail address is always at the end of my column in the Trivia Question and I would be glad to hear from you.

Ask and you Shall Receive

Returning to my column in July, I included the Annual Results Chart for Trapshooting for last year as a way of illustrating the explanation of my record keeping system. That inclusion has prompted a lot of positive feedback from both disciplines. Most Trap shooters said they enjoyed the presentation of the results in this tabulated form and asked to see some more year's results and the Skeet shooters basically wanted to know if they could get the same thing for their discipline. With this in mind I have included last years Skeet Chart this month and will endeavour to publish more results for both disciplines from time to time as I finalise the various charts.

Across the Border

Now I want to change the subject. In March this year I opened the discussion on State Skeet Long Run Records and the history thereof. In May I published all the information I had for Victoria as it was the easiest one to do. This month I want to continue that quest with the next easiest one and that is NSW. Their Skeet Record is also fairly simple to reconstruct. It currently stands at 565 which was set at Tamworth in 2000 and that is still the National Record. Prior to this it was set in Wagga at the Skeet Nationals in 1986 at 501. As this was only 16 targets short of the National Record at that time I doubt if it was exceeded during the next 14 years, as I think there have only ever been three 500 Skeet breaks shot in this country anyway. The next earliest mark I'm aware of is exactly 250 set at Griffith in 1981 at the NSW Skeet Carnival. If anyone is aware of any breaks between 250 and 500 anywhere in NSW in the five years between November of 1981 and November of 1986, I'd love to hear from you too.

A Trench Shooter gets in on The Act

Prior to this I'm pretty sure that Jimmy Ellis held the NSW record for just over a year from October 1980 to November 1981. He did this with a break of 223 during the ACT Skeet Carnival, at the old Canberra-Queanbeyan Gun Club overlooking the racecourse. What made this effort so memorable was that it included the only perfect score shot on the Saturday night to win the Night Skeet Championship outright. And the lights were terrible! Discussion at the time indicated that this

2014	12 Gauge	Score	20 Gauge	Score	28 Gauge	Score	410 Bore	Score

Jimmy Ellis was a better Skeet shooter than most people realize. National Champion in 1979 & National Record holder the following year

of the NSW Skeet Record, please ring me on 0418-516395, write to me at PO Box 265 Bairnsdale 3875 or use the e-mail address that is always listed at the bottom of the Trivia Question.

Billy Stevens – Another great Skeet shooter whose Trapshooting exploits overshadowed the fact

down the exact date of that. And the second time was at the "Trap" Nationals, held at Brisbane in 1971, when a visiting New Zealand shooter by the name of Bruce Anderson re-established our National record at what was only the second National Skeet Championship event.

A Shooting Lesson

And he did this in fine style too. First he defeated the defending champion, the great Newton Thomas, who had won the inaugural event the previous year in Perth. And he did it with a score of 164 which was enough to reset our National record anyway. But then added insult to injury by shooting another 25 in the Glenn Trophy

could well have been the first 200 straight shot anywhere in NSW and that it probably broke the previous record of about 170 which may have been shot somewhere in the State by a gentleman named Maurie Quirk. If anyone can confirm that particular break and/or shed any light on any of the earlier history

Bruce Anderson came across the Tasman in 1971 and put on a Skeet shooting exhibition that took us five years to surpass. Seen here with Runner-Up Newton Thomas and Bob Buchan who was unlucky to run third with 140, as even today that score would win most years

Teams match, which, incidentally, New Zealand won for the sixth consecutive year. In doing so he increased his break and correspondingly our Australian Record to 189. So now is the time for all you Queensland shooters to come out of the woodwork and share whatever information you have with me to ascertain what your current State record is and also detail its history. In the coming months I intend to research all the other States as well, so please feel free to jump in early and contact me if you have any information whatsoever in these areas.

September's Trivia Question

The first lady to win an Open State Skeet Championship event was Maree Rooke from Wagga when she won the Queensland State Skeet Doubles event in 1990. And she did it against a

Maree Rooke – Obviously a chip off the old block as her father Barney was both a National Skeet Champion and a National Skeet Record holder

particularly strong field that year, as the Sunshine State's Skeet Carnival was used as a "warm up" for the first Skeet Nationals ever held in Queensland. Maree was clearly the dominant lady Skeet shooter of that era, so it was no surprise she went on to use the Townsville Gun Club as a backdrop for her fifth National Ladies High Gun later that week. The first correct answer drawn was

submitted by John Pethybridge from Yass in NSW.

This Month's Trivia Question

While we're on the subject of great lady shooters, who was the first lady to qualify for the OPEN Macintosh Team? E-mail your answers to cuzzo@a1.com.au before the 15th of November and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

NATIONAL ISSF DISCIPLINE CHAMPIONSHIPS CONDITIONS OF ENTRY

1. Any shooter wanting to compete at the ISSF Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the relevant Club Secretary to enable scores shot to be recorded.
Note: A fee of \$20 will be charged for the issue of any duplicate handicap card.
3. The Tournament shall be conducted in accordance with the ISSF Official Statutes, Rules and Regulations (ISSF Rules) and where applicable, ACTA Shooting Rules (grading, teams etc). Targets to be shot in brackets of 25 for Olympic Trap and ISSF Skeet with squads of 6 shooters where possible. In Double Trap targets to be shot in brackets of **15 Pair (30 targets)** with squads of 6 shooters where possible.
4. Pre Nominations to be received by close of business (**Eastern Summer Time**) Monday 11th January 2016. There is a maximum of 126 competitors for ISSF Trap. If pre nominations exceed this number a standby list of 20 will be created and used in case of withdrawals. If any vacancies exist in the program, it will be on a "first in" basis at an additional cost of \$10.00 per event to enter. Nominations at the championships close at 10.00am the day prior to the event if a vacancy exists.
5. Shooters will be squadded as per the ISSF rules and any interpretation of this will be the responsibility of the Tournament Director. *Once squadding for an event has been completed, a shooter shall not be entitled to a refund if they withdraw.* Withdrawals after nominating and before squadding will be accepted in writing 48 hrs prior to the event. Written notification is required for any eligible refund to be processed and should be sent to accounts@claytarget.com.au refunds will be processed within 30 days of the completion of the event and will incur an administration fee.
6. Each shooter is to take enough cartridges to shoot the applicable round.
7. Shooters who fail to appear in time for their squad will be penalised by the **LOSS OF THREE TARGETS**.
8. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
9. All shooters must sign the score sheet after each round. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the score recorded on the sheet.
10. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee/score or line referee must fulfil their obligation to do so or have obtained the service of a suitable replacement that must be ready to take his place at the required time. In the event of the designated persons or their replacement not being ready to take their place at the required time, the person initially designated to fill the specific role will **INCUR A PENALTY AS PRESCRIBED UNDER ISSF RULES**.
11. Setting and adjusting of traps is the sole responsibility of Shoot Management. All shooters, coaches and team officials are prohibited from entering the trap pits after the jury has examined and approved the trap settings.
12. All appeals must be in writing together with a \$20 deposit and lodged with the Tournament Director. The \$20 is refundable if the appeal is upheld by the appointed jury.
13. When team selection is involved, shooters are eligible for section nominated. To be eligible for selection in any team, competitors must have competed in both Commonwealth and National Championships.
14. High Gun awards are determined for each section. To be eligible for the High Gun recognition, competitors must have competed in both programmed events for each respective High Gun. Gold Australia High Gun badges are only awarded when there are 20 or more competitors in a section.
15. Junior male shooters are eligible for OA or their grade where applicable. Veteran male shooters are eligible for OA or their grade where applicable.
16. Pre-nominations will only be accepted online on the form provided at www.claytarget.com.au
17. The ISSF Rules will be used to determine the OA placing in all events. ACTA rules will be used to determine grade placing where applicable.
18. Junior to be under the age of 21 in the year of competition. Veteran to be over the age of 60 prior to January 1st 2016.
19. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
20. The standard of dress required for all competitors is that defined in the ISSF Rules (clothing).
21. **All competitors must comply with Firearms Licensing Laws of the state. (When held in W.A a shooter must obtain a permit to bring a firearm into that state).**
22. Free junior nominations, open to any junior who has not competed in a national event of any discipline & only by pre-nomination. Claim for this concession must be made at time of nominating & will not be refunded retrospectively. Late nominations will not be eligible for this concession.

THE ACTA EXECUTIVE RESERVES THE RIGHT TO ALTER THE PROGRAMME

American Skeet Shoot

BRISBANE GUN CLUB CLUB
JULY 3 - 4, 2015

On the 3rd, 4th and 5th of July, this year, Brisbane Gun Club again held their Zone 8, NSSA five by one hundred American Skeet shoot. It consisted of 100 targets each of Doubles, 12 gauge, 20 gauge, 28 gauge and .410 bore.

Weather conditions were perfect- blue, sunny skies prevailed.

We had five squads shoot this year; including three visitors from New Zealand. Our format allows for up to eight squads (40 shooters).

Although not running at capacity, we had great fun and formidable competition.

Winners for the weekend were: Doubles Matthew Fallon 96/100. Matthew is the current Australian and New Zealand Doubles Champion, having won both events at the recent National Titles.

12 gauge Glenn Walker 99/100. Glenn is part of the five person Australian Team travelling to New Zealand this year. He was also part of the Australian Team that went to the World Skeet Titles last year, victorious in the 12 gauge event.

20 gauge Raymond Mahony 97/100. Ray is a relatively new shooter. His dedication and perseverance have seen him improve rapidly. Ray is one of our sponsors for the shoot Australian Warranty Network.

28 gauge Matthew Fallon

99/100, .410 bore Matthew Fallon 97/100. Matt maintained his good form over the entire weekend, despite staying with us and eating my cooking, therefore it was no surprise to see him take Overall Honours of High All Around 487/500 (Doubles & Standard skeet) and High Overall 391/400 (Standard skeet).

Other Winners and notable efforts were: AA Grade Laurie Scresini 378/400 468/500, A Grade Nigel Highes 374/400 468/500, B Grade Richard Westlake 380/400 469/500, C Grade Raymond Mahony 364/400 443/500 (after a shoot off with Rick Ball), D Grade John Fordyce 346/400 429/500.

This year, our winners received beautiful engraved knives, each housed in a leather case. These knives were donated by On Target Sporting Arms, a Brisbane based gun shop that sponsors almost every shoot between here and Tasmania! (Well almost).

Please mark this shoot in your calendar for the first weekend of July next year. Yes, the ammunition is more expensive and you have to own gauge tubes, however the benefits and consequential enjoyment of your chosen sport far outweighs any financial outlay.

In English it is a stack of fun and really good for your shooting.

I look forward to seeing you around and about.

Paulette Walker

Happy shooters

*Far Top left: Matthew Fallon
Centre left: Glenn Walker
Bottom left: Ray Mahoney*

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

SPORT PSYCHOLOGY FOR DUMMIES

When computers were less common and we started to use them for word processing, accounting, desk top publishing and the like, we needed a way to understand the complexities and abilities of the machines

we were unfamiliar with. Most of us can remember the 'dummies' books; word processing for dummies, MYOB for dummies, Xcel for dummies and so on.

A recent search of the internet lead me to 'Sport psychology for dummies'. This book was published by Wiley in 2010 and was written by Leif H. Smith and Todd M. Hayes. The motto of the dummies books is making everything easier. A quick glance of the contents page of the book shows the book being divided into 6 sections. The first section, Getting the Winning Edge: Sport Psychology Fundamentals looks at what sport psychology is, how the mind works, goal setting, motivation and building confidence. The second section is called Your Mental Toolbox for Success and explores areas such as focus, imagery and self-talk. Section three looks at Sport Psychology in Action: Staying Competitive and looks at resilience, energy levels, winning habits and handling pressure.

The next three sections of the book look at team performance, coaching and ways you can use the skills to reduce stress, parent athletes and work practices. The book also comes with a Cheat Sheet. I have reproduced two areas of the Cheat Sheet here and regular readers will see similarities between what is in the cheat sheets and what I have written about over the years.

What does the cheat sheet say about improving your ability to focus.

Firstly, focus, attention and concentration are all interrelated. Secondly, the ability to focus and attend is a powerful tool to maintain a mental edge. The Sport Psychology for Dummies cheat sheet says you can improve your focus by following these tips:

- Know what you need to focus on. The clearer you are about what you want to focus on, the more likely you'll be to stay focused on the factors that contribute to your success.
- Focus on what you can control. You have control over yourself and your own actions and attitudes – nothing more. Keep your focus here. If you focus on outcomes (things you have no control over), you're creating unnecessary anxiety. Focus on the process and you increase the likelihood of positive results happening.
- Stay relaxed under pressure. When you're stressed and anxious, your focus drops. Find ways to stay calm in high-pressure situations, such as taking deep breaths, stretching muscles to loosen them, engaging in effective routines to keep your focus where it needs to be, or listening to music that keeps you centered.
- Use cue words. Cue words are simple words and phrases that remind you of your focus points. Repeating words and phrases such as relax, play hard, or quick feet will remind you to focus on what you need to do. If your mind is focused on your cue words, your body will follow.
- Develop effective routines. A routine is like a funnel – it channels your

focus and gets you ready to compete. Your routines help you maintain your focus on the right things and prevent many potential distractions from entering your mind. For example, listen to three or four songs on your iPod before games to get yourself ready, or eat a certain meal, arrive at the playing field in enough time to get prepared, or go through a specific type of warm-up.

- Use mental imagery. Practise seeing yourself perform exactly how you want to perform, focusing exactly as you want to focus. The more you train your mind to focus on the right things, the more it will respond.

The other area on the cheat sheet is developing confidence. Sports psychology can help athletes looking to improve their confidence. You may be the strongest, tallest, most powerful athlete on the field, court, or track, but if you aren't confident in your abilities, you'll have trouble reaching your goals.

- Realize that confidence fluctuates. Confidence for all athletes – even at the highest level – ebbs and flows. Confidence is not all-or-nothing. It's a state of mind that fluctuates, so don't beat yourself up when your confidence is lower. Just focus on improving, and your confidence will follow suit.
- Focus on yourself, not on others. Instead of thinking about how well your teammates or opponents are doing, think about your own performance and how you can improve. This is your athletic career, so you need to focus on what you need to do to improve as an athlete. And when you improve as an athlete, your confidence will increase.
- Focus on day-to-day success. When you have success every day in training – even the smallest of successes – your confidence rises. If your confidence rises a small amount each day, just think where you'll be in one month, six months, or a year!
- Concentrate on the process, not outcomes. When you focus on improving your performance – the process of improving – you become more confident because you're focusing on something you have control over. You can't control outcomes – you may play your best game ever and still lose. If you're focused on process, sure, you'll be disappointed when you lose, but your confidence will remain high, because you'll know you performed your best.
- Focus on what you're doing right. Learning from your mistakes is important, but you don't want to linger on them. If you spend too much time thinking about your mistakes, your confidence will wane. When you focus on what you're doing right and correct your errors, your confidence will rise.

As sport psychology books go, Sport Psychology for Dummies is a suitable and easy book to read and understand. For more specific understanding and strategies involved in sport psychology, Sporting Body, Sporting Mind by Connelly and Syer will give greater depth and breadth.

VCTA South East Zone Teams

ROUND 3

WERRIBEE VICTORIAN CLAY TARGET CLUB
JULY 12, 2015

At a very wet and cold Werribee Victorian C.T.C. on Sunday 12th July. 115 shooters braved the forecasted bad weather and they represented 18 Teams and 6 Junior Teams.

The venue looked great with an enormous amount of new work, with new trap houses, traps, as well as shooting lanes and surrounding areas.

Event one the Handicap saw four possibles, a very short shoot off followed. Daniel Cleary 26/26 was the winner and went from 24 to 25 metres, well done Daniel. Blair Caldwell was

The adverse weather conditions had a noted effect on the majority of the shooters, with the teams section posting much lower than average totals. Melbourne Blue and Mornington Red had 109/125 with Werribee one on 108. The Melbourne Juniors were in the lead with 46/50.

Event two the Double Barrel provided us with four squads of possibles for the shoot off. The conditions were still a long way from pleasant and forty targets into the shoot off there were four contenders left. Steve Trembath 84/84 was Overall, Daniel Cleary 83/84 first in AA Brenden Podlich 80/81 from Brisbane Gun Club was 2nd in AA. A B Davis 47/48, M Roase 45/46, B A Bird 24/25, S Cunningham 23/25, C T Armstrong 24/25, B Waldron 22/25.

The final scores in the Teams section saw a very close affair with Mornington Red 225/250 (Team members, L Cazaly, R O'Hagan, D MacGregor, P Gray & W Jenkins), Melbourne Blue 224 and Morwell A, Werribee 1 and Werribee 2 all on 222. The Junior winning Team was Melbourne 96/100 (J Clerke & W Smithwick).

The day's High Gun was Daniel Cleary who was really having a day out with the only 50/50. The Ladies High Gun was Michelle Boase 46/50.

Junior High Guns A J Clerke 49/50, B C Hudson-Czerniecki 44/50, C T Armstrong 48/50.

The Zone would like to recognise and thank Beretta Australia for their ongoing generous support of this popular and highly contested series.

The next round is at Morwell, with the Final on October 10th at Frankston Australian, the Zone Carnival.

*Chris Carrol,
Zone Secretary.*

Daniel Cleary HC HG

second 27/29 and Norm Quick 26/29 third. The Back Marker was Jack Clerke 30/33 with Thomas Armstrong 24/25 the Junior Front Marker.

FROM NATIONAL COACHING DIRECTOR

2015 Summer Universiade

GWANGJU KOREA

The University Games or “Universiade” is the second biggest event for multidiscipline sport after the Olympics, 21 sports, 170 + countries, 10,000 athletes, 37 competition venues and a monstrous Games Village housing 15,000 (accommodation was in 30 storey buildings with one lift - we all well and truly exceeded our 10,000 steps each day), dining hall seating 4,000 – it has more countries and athletes participating than the Commonwealth Games. The event is held every two years and commenced in 1949. Every other year there is a World University Shooting Championships held where only shooting is competed. To participate in a Universiade athletes need to be actively enrolled in University and be aged between 17-28. The Australian Team had 265 athletes and officials.

The Australian Team “UniRoos” is supported by the Australian Sports Commission, Shooting Australia and all the big National Olympic Sporting Organisations eg. Swimming Australia, Tennis Australia, Athletics Australia etc. The ACTA supports it by supplying the athletes and the coach/manager confirming its support of athlete and coach development.

To put the quality of this event a little more into perspective consider the USA's varsity programs and scholarships – the best athletes from all those varsity programmes get selected for these Games to represent the USA.

Personally having been to 2 Olympics, the level of competition may not be as high across the board but the scale of this massive event is almost comparative without the huge budget and sponsorship (though still pretty huge), and also without the level of intensity and the ‘at all costs’ attitude that the Olympics have – this event is the best experience an athlete, a coach or a manager could possibly gain in preparation for the life and team expectations of an Olympics outside the Olympics themselves – something that can't really be learnt from World Champs or World Cups.

Catherine Skinner after being awarded her individual bronze medal

Games shooting team Rifle, Pistol and of course SHOTGUN at the opening ceremony

So who went and how did we go this year June/July in Gwangju, Korea?

We had 4 shotgun athletes, 3 pistol athletes, 1 rifle athletes and a pistol coach and me who doubled up as shotgun coach, Team Leader and yep . . . rifle coach. We only had ISSF trap athletes competing in the shotgun for Australia and these varied vastly in their experience levels. Our most experienced athlete Catherine Skinner (studying at RMIT University) was selected as the overall UniRoos Team Captain and Flag bearer for the Opening Ceremony – it was a delight to see Catherine so proud and lit up walking in front of everyone waving the Australian Flag and the other shooters really appreciated that one of ours was chosen above all other sports to have this honour! Congratulations again Catherine.

Newcomer to ISSF Trap Indi Gladman (studying at Federation University) on her very first international trip or even chance to wear the green and gold; along with Gemma Dunn (Australian College of Physical Education) who having previously been to University Shooting World Champs and Junior World Cups and is currently a member of the ACTA Academy came through with

R-L: James Grice, Catherine Skinner, Gemma Dunn & Indi Gladman

the goods along with team mate and top qualifier Catherine Skinner to secure the bronze behind Italy and Russia but well in front of India, Slovakia and Turkey. Gemma finished 10th and Indi 21st.

Catherine had won silver in Shenzhen China in 2011 and Gold in Kazan, Russia in 2013. At these Gwangju Games Catherine posted a 70/75 to be equal top qualifier into the semi final. Unfortunately she was edged out of the Gold medal match by the Italian Shooters Stanco and Caporusio in an exciting semi to end up in the Bronze medal match against Russia's Krashenininnkiova. Catherine was victorious in her Bronze medal match.

James Grice (University of Western Sydney) was

Catherine Skinner Flagbearer for the UniRoos leading them into the stadium

our only male shotgun shooter. James had a mixed event of awesome rounds and a couple flat ones. After discussion with him the key thing he picked up from this competition was identifying the level of heightened arousal (heart rate/attention/intensity/focus) that he requires to perform at his best. After smoking 24 single barrels he came off to say "I've never felt that uncomfortably amped up before, not sure whether I like it but it worked" – something this level of competition can bring out.

I was fortunate enough to spend some time supporting Fred Woodhouse one of Australia's top rifle shooters. His final was truly crazy – after each shot the crowd seriously cheers and yells . . . if you haven't finished your shot you're then trying to squeeze it off whilst there are bellows, whoops and boos going on. The loud commentator also sums up the state of the final after every shot piling the pressure on, after every few shots 1 of the 8 finalists drop out. Fred was hoping for a top 20 finish but finished with a strong 5th place after two sudden death shoot offs . . . it was quite thrilling sitting behind him in the coaches chair absorbing in his performance and the overwhelming crowd. I've been told crowds are expected to be like this for Shotgun at the Rio Olympics!

The camaraderie, team work and thoughtfulness between our shotgun, rifle and pistol shooters was good. The highlight for the group outside of the village and competition was a visit to a Buddhist Temple where we learnt about and practiced meditation with one of the monks.

The next University World Shooting Championships are in Acapulco, Mexico in 2016 and the next Summer Universiade is in Taipei, Chinese Taipei in 2017.

Who are going to be our next UniRoos?

Take it one target at a time!
Suzy Balogh NCD

L-R: Catherine Skinner, Gemma Dunn and Indi Gladman Team Bronze

Echuca College Students on Target

Over two days in two weeks during September a total of 85 Students from the Echuca College, under the supervision from their teachers, Emily Bongiovanni, and David Pearson, visited the Echuca Clay Target club for coaching, and actual shooting in the sport of Clay Target Shooting.

The behaviour and attention of the Students was excellent as almost none had ever actually held a 12 gauge shotgun, let alone shot one before, and yet by listening to their coaches, and perseverance, almost all managed to score hits on their targets. Being very heavy firearms, and possibly the fear of recoil, did make some Students wary at the start, but after the recoil thing became unfounded scores became to improve dramatically.

OA Girl Emily Spence-Pollock with Ian Phillips

With two lots of ten targets to shoot at in single barrel format, single barrel primarily for safety reasons during coaching, competition was keen, and in teacher Emily Bongiovanni's year ten Students, the Overall Boy High Gun Award went to Kyiden Ellis who managed to record a very creditable score of 16/20. Nathan Vanzetts was not far behind with again a very good score of 15/20, earning him 2nd placing. Emily Spence-Pollock shot a 7/20 score earning her the Overall Girl High Gun certificate, and Sarah Hilet recorded 4/20 giving her the 2nd placing in the girl category.

Year nine Students under supervision from their teacher David Pearson also performed well although being younger, they unlike the year ten Students needed a shoot off to decide the actual winners, with Caleb Upton taking out the Overall Boy High Gun with a score of 11/22, and Connor Brown who also shot a ten score becoming the 2nd place boy. In the girls section Kiara Duncan, also a ten target scorer, became the Overall Girl High Gun Winner, and although there was no Overall High Gun Winner position, Kiara would have won that category with her excellent 11/21 score, congratulations Kiara! Lilli Kelly having scored a 5/20 was the 2nd placed girl.

OA Boy Kyiden Ellis

These scores from Student's, most who had never shot a gun before, and allowed only one shot per target, means that they really did listen to the volunteer's from the Echuca and the Mathoura Clubs, and that does inspire the coaches to keep up their good work. The Echuca Clay Target Club Committee members and Harry O'Connor from Mathoura are thanked for their help. Thanks must also go to the teachers and to the Echuca College for taking an interest in the sport of Clay Target Shooting.

Murray Roberts

Far Left: OA Boy Caleb Upton

The Squire reports from West Wyalong

Rain, wind and lots of it was the forecast from radio, television and the internet as West Wyalong Clay Target Club members feverishly made preparations for the day/night shoot to be held on the Saturday and Sunday of the fourth weekend in August.

On Saturday morning Graham Duncan and Graeme Fairman got stuck into setting up a seven trap course for the 50 Target Sporting Clays on the Sunday morning. Allan Schirmer also turned up to give a hand and luckily Clive Foster came along and was able to carry out some adjustment to the new simulated rabbit thrower to ensure it was working perfectly.

There was also quite a bit of urgency in setting up for the Down the Line shoot to be held during the Saturday afternoon and at night.

West Wyalong Clay Target Club only hold one night shoot each year and numbers for the shoot were disappointing.

Nevertheless Murray Roberts from Newcastle turned up for a shot. He had asked for directions to the club from someone in town and spent the next hour driving around in the Mallee somewhere out near the tip!

It was good to see Wayne and Narelle Ambrose back having a shot and it did not take either of them long to be back at their best.

The first event on the Saturday afternoon was a 10 Target Eye Opener event followed by 25 Targets Points Score Continental. Don Turner, Clive Foster and Wayne Ambrose shared the cash in the Eye Opener and Clive went on to take AA Grade in the 25 target event with a perfect score. Wayne Ambrose 67/75 was second in AA Grade and his better half, Narelle 70/75 won A Grade from Murray Roberts 63/75 who was using his side by side gun. Lydia "The Gun" 58/75 looking very pregnant was the winner in C Grade.

The lights were turned on and Graeme Fairman started up the barbecue as shooters waited for full dark before starting the night program.

Ann Fairman had prepared a large pot of pumpkin soup which had been heating all afternoon. Graeme stuck his finger in the soup and declared it was the perfect temperature so shooters were able to have a mug of soup with their sausages and rissoles.

After Gloria Duncan and the lovely Jan Wyse had made sure everyone was fed the night program commenced with the 25 Target Single Barrel event.

West Wyalong Clay Target Club has very good lights but lack of practice meant that Clive Foster won AA Grade with 23/25 and John Wason 22/25 in second place. Jason Anderson 19/25 won A Grade and Lydia "The Gun" claimed C Grade.

The final event for the evening was 25 Targets Double Barrel and once again Clive Foster 24/25 was in the winner's circle but had to share the win with John Wason. Jason Anderson 20/25 won A Grade from Narelle Ambrose 18/25 while Lydia "The Gun" again claimed C Grade.

Everything worked well during the evening and it gave shooters the opportunity to get their eye in for the following day.

It was up early on the Sunday to test the traps and get the fire buckets going and make sure all was working well for the 50 Target Sporting Clays to commence at 9.30am.

The weather predictions had not been good but four squads of shooters

Winners Doug Lindsay Mem: L-R Jason Anderson A, Mitchell Wiseman C, Stephen Guest OA, Gary Tabain AA & Mick Munro B

braved the conditions with quite a contingent from Leeton.

Seven traps had been arranged and most competitors agreed that there were no ridiculous targets and it was an enjoyable shoot.

There was a good selection of side by side shotguns being used with Charlie Strike bringing three over from Wagga and Gary Tabain had an old hammer Hollis that he had never previously fired.

The sporting program was trouble free although misty rain began to fall during the second round of targets.

Laurie Redfern 46/50 shot very well to win AA Grade in the event. Newly promoted, junior member, Emalene Munro borrowed a side by side gun and displayed her considerable skills to win A Grade with a score of 43/50.

Graeme Fairman 41/50 claimed B Grade and Forbes visitor, Ben Sweetland 37/50 won C Grade.

It stopped raining at lunch time and Graeme Fairman again manned the barbie with Jan Wyse and Gloria Duncan looking after the kitchen.

As usual Sue "The Magic Lady" Turner ran the office competently and husband Don was sporting a new West Wyalong Clay Target Club cap – apparently his old one had eventually fallen to pieces.

First up in the Down the Line program was a Ten Target Eye Opener and Michael Wiseman, Stephen Guest, Jason Anderson, Lydia "The Gun" and Clive Foster split the cash.

The main event the 50 Target Doug Lindsay Memorial Side by Side Championship was to follow. Gary Tabain with 25/25 in the first round was looking good but as the rain came down again Stephen Guest ran him down to be the Overall winner with 49/50. Gary with 46/50 won AA Grade with the old Hollis. Jason Anderson 54/58 won A Grade after a short shoot off with Graeme Fairman 53/58. Mick Munro 47/50, battling a bit with the unfamiliar down the line discipline, won B Grade with club stalwart Graham Duncan 46/50 second. Mitchell Wiseman 47/50 shot well to win C Grade from Emalene Munro 39/50.

Shooters were welcome to use their under and over configured shotguns in a separate event and Clive Foster 50/50 won AA Grade in this section. Don Turner 48/50 was second in AA Grade while Greg Harris 41/50 won B Grade.

Continued Page 57

Successful Junior Coaching Day

FRANKSTON AUSTRALIA CLAY-TARGET CLUB

The Juniors with the Coaches and Sponsors

On the 14th April, 39 very lucky Juniors participated in a Junior Coaching Day that was hosted by Frankston Australian Clay Target Club (FACTC). This day was offered to Juniors who are already competitive in the Sport and to encourage their progression. When Jane Vella, Club Secretary of FACTC began preparations for this day in November last year, she did not anticipate the event to be as big as it was! This Coaching Day was offered free of charge to Juniors and only due to the generosity of the sponsors and coaches to purely benefit the Juniors and the progression of the future of Clay Target Shooting.

Sixteen clubs were represented on the day from Ararat, Bairnsdale, Beaufort, Bendigo, Colac, Cooma, Euroa, Frankston, Korumburra, Melbourne, Metro, Mornington, Morwell Swan Hill, Werribee and Wonthaggi. It was also great to see a good mix of both male and female Juniors.

The calibre of Coaches that were available to the Juniors was like something never before offered on this scale! The number of Olympic, Commonwealth, State, National, World Championship and World Cup Medals amongst this group of some of Australia's best shooting talent is commendable. A big thank you to Adam Vella, Lauryn Mark, Renae Birgan, Michael Buttigieg, Laetisha Scanlan, Catherine Skinner, and Stephen Haberman for dedicating a day of their time to this event.

All Juniors were allocated a Coach and were able to shoot 100 targets in their chosen disciplines which included ISSF Skeet, ISSF Trap, Skeet and Trap. FACTC donated the White Flyer targets and the use of 7 grounds for the

day with Spartan Global generously donating all the ammunition. Greg Chan, former Australian International Shotgun Coach and current Australian Junior Team Coach dedicated his time to checking the gun fitment of each and every Junior complimented by the availability of pattern testing.

Juniors also received a jam packed showbag full of items from sponsors including Perazzi Australia, S H Shooting, Spika, Beretta Australia, the ACTA and VCTA and Krieghoff Australia. The support that the State Body (VCTA) showed to this event was admirable and covered catering costs for the day and the purchase of caps for all Juniors and Coaches. Angelo Thomas from Thomas by Design Photography donated his time to photographing the day and images were then sent out to all Juniors on USB's they had provided.

Each and every single Junior truly embraced the experience and were so grateful and thankful for the opportunity to be coached by the calibre of Australian shooters made available to them. The

day was not about promoting a specific brand or glorifying a specific club but instead about a group of very generous people dedicating their time to assisting in the finessing of the skills of these 39 Juniors who are undoubtedly the future of our sport.

The Squire reports from West Wyalong

Continued from Page 56

Scottie Brydon 49/50 is new to clay target shooting but he mastered his gun and his wheelchair to easily win C Grade with a very impressive score from Lydia "The Gun" 46/50.

The final event for the day was 25 Targets Points Score Side by Side and Stephen Guest 67/75 won AA Grade. Charlie Strike 73/75 shot a fine score to take out A Grade and Mick Munro was the B Grade winner. Mitchell Wiseman 65/75 claimed C Grade.

In the Under and Over 25 Target Points Score, Clive Foster 74/75 pulled one second barrel in winning AA Grade from Greg Harris 69/75 in A Grade and Lydia "The Gun" 60/75 in C Grade.

The highlight of the day for Lydia "The Gun" was winning promotion to B Grade – you would not want to get caught pinching the baby's bottle.

The Side by Side High Gun on the day was Stephen Guest with a score of 162/185.

Club President, Jason Anderson was careful to thank members of the Lindsay family for their sponsorship of the event in memory of their father Doug. Jason also thanked shooters for their cooperation during the day and the ladies who had worked so hard in the canteen.

Coaches and Sponsors L to R Michael Buttigieg, Gregory Chan, Adam Vella, Catherine Skinner, Stephen Haberman (Perazzi Australia), Dean Anderson (Spika), Renae Birgan (Krieghoff Australia), Donna Baeur Former MP for Carrum, Lauryn Mark, Laetisha Scanlan and Brent Waldron (Spartan Global)

Trap upgrade for VCTA Ground at Echuca

Barry Rogers taking the first shot over the new trap with Echuca members looking on

Echuca Clay Target Club was a hive of activity on Sunday the 23rd of August, as that was the day agreed by members of the Victorian Clay Target Association and the Echuca club to remove the eleven existing Gemini brand traps, and install the new Italian brand, Mattarelli traps. These traps were purchased with a grant from the Victorian State Government under the Shooting Sports Facilities, and monies supplied from the VCTA, with a total cost in excess of \$120,000.00.

The decision to replace the existing eleven traps, and install an additional layout, came after a run of several trap breakdowns at the Victorian Trap Carnival in recent years, and the choice of the Mattarelli brand was made because of their superb reliability performance.

The changeover endeavour was in reality a big job to attempt in one day and yet with an early start, and superb co-operation by all in attendance, all eleven Mattarelli traps were installed, all the Gemini traps removed and packed up by mid afternoon. Then a choice was made to elect somebody to have the first shot over the new traps, and that somebody was Echuca's oldest active member, Barry Rogers, congratulations Barry, well shot!

Since the sharing arrangement of the Victorian Clay Target Association, and the Echuca Clay Target Club, multiple improvements and installations have been taking place at Echuca, and that is entirely due to the very active volunteer base at Echuca, and those volunteers are most heartily thanked for their endeavours.

Murray Roberts

Installation of number 1 trap – taking out the old and installing the new

VCTA SWZ School Students Championships

NOORAT GUN CLUB AUGUST 27, 2015

Three hundred and forty eight shooters from 26 schools made this year's South West Zone School Students shoot the biggest one yet. With the day starting off slow due to very thick fog in the morning, competition was underway by 9.30am. The program consisted of a 20 target single barrel event, broken into two brackets of 10 targets, with shells donated by Winchester Australia for all students to use. Considering there was 70 squads of students, the use of four traps saw the day over and done with by 3.30pm which is really a true testament to the organisers, volunteers and punctuality of the students.

After the first round of 10 targets there was plenty of red stars across the board from all categories, but the pressure proved too much for many with only two shooters managing to come out at the end with a perfect 20/20. James Hayden & James Aitken, both from Terang College and members of The Noorat Gun Club, shot off for the overall title with James Hayden being victorious after only 5 targets, winning his 3rd South West Zone School Students Championship.

The full results were: Overall James Hayden (Terang College) 25/25, Senior Boys 1st James

James Hayden

Junior girls Mackenzie Chambers, Delaney Foster

Headon (Ballarat Grammar) 20/25, Junior Girls 1st Delaney Foster (Emmanuel College) 17/20, 2nd Mackenzie Chambers (Emmanuel College) 16/20, 3rd Nea Gordon (Baimbridge College) 14/20, Winning Team Terang College 84/100,

Aitken (Terang College) 23/25, 2nd Ethan Domney (Mercy College) 23/25, 3rd Fred Roper (Geelong Grammar) 22/25, Senior Girls 1st Sara Kosch (Hamilton & Alexandra College) 18/20, 2nd Luella Foster (Mercy College) 22/25, 3rd Mishay Chambers (Emmanuel College) 21/25, Junior Boys 1st Jack Sanders (Trinity College Colac) 18/20, 2nd Oliver Dinges (Monivae College) 22/25, 3rd Kynan

Senior boys James Aitken, Ethan Domney, Fred Roper

Junior boys Jack Sanders, Oliver Dinges, Kynan Headon

James Hayden 20/20, James Aitken 20/20, Bowen Kemp 18/20, Matt Molan 16/20, Fergus Lock 10/20.

Thank you to the Noorat Gun Club and its members who do a great job every year accommodating over 400 people on their grounds. Thank you to all the parents, teachers and other locals for their help refereeing, scoring, filling traps and any other jobs that contributed to the successful running of the day. A very special thank you to Winchester Australia for their ongoing support with this event.

The way the students conducted themselves throughout the day was impeccable and just goes to show how much respect the students have towards this event, the sport and firearm safety. It is great to see so many students having a go at this great sport and to see this event continually grow each year exceptional. Congratulations to all the students that competed and to those that managed to win in their sections, we look forward to seeing you again next year!

James Patterson

Wangaratta Clay Target Club

AUGUST SKEET

Jones tops the field

A magnificent sunny day welcomed a good number of skeet enthusiasts to the Wangaratta Clay Target Clubs August skeet shoot on Sunday 30th. The day ran very smoothly and everyone thoroughly enjoyed the friendly atmosphere that our club is famous for.

The club would like to thank Bob Pigram for maintaining the grounds and clubrooms in pristine conditions. Thanks also to Harry Memery for assisting with the early set up duties and Alison Harwood along with Jacqui Wemyss for their help in the canteen. The club also appreciates the very generous sponsorship received from Bruce Burns and Corsivia targets for providing the trophies on the day.

It was great to see A grader Trevor Jones win the overall title with a top result of 122/124. Trevor hasn't shot a lot of skeet recently, however he has an immense amount of experience and expertise in this discipline going back many years. Brian Reid also shot consistently during the day winning 2nd in A grade with a result of 120/123. AA grade competitor Mark Rosenboom from Griffith, whom is a very welcome and regular shooter here at Wangaratta, put in a top result of 121/124 ahead of Gil Farish on 96/100, winning Mark his grade. Nice to see Royce Wojtowycz returning to shoot at the Wangaratta range winning B grade on 96/100, ahead of Ross Winnell taking 2nd place with 82/100. Congratulations to Royce for winning his first 50 break badge. Local club member and keen skeet enthusiast Aaron Stamp, had a good result winning C grade with 90/100. Lady

shooter Jacqui Wemyss, another very welcome competitor that our club hasn't seen for a while, expertly shot 89/100 taking out 2nd place after a coin toss with Barry Ellis.

The event finished relatively early and again all shooters enjoyed another terrific day of skeet shooting at one of the best skeet layouts in regional Vic.

SEPTEMBER 5 STAND SPORTING

Pigram's Sporting Clays success

Perfect spring conditions welcomed competitors to the Wangaratta Clay Target Club on Saturday 5th September. After an absence due to equipment maintenance of 5 stand competition events for July

and August, the club was keen to welcome shooters back this month to enjoy a perfect day of this challenging discipline.

Club members including Gordon Twamley, Rob Glossop, Neil Plumridge, Ian Aurlaune, Trevor Jones and Stephen Tamme arrived early on the day and did a terrific job in setting up all the traps. Visiting shooters complimented the club on the excellent targets thrown and everything ran like clockwork throughout the day. The club is looking forward to holding similar days in October and November and will continue to offer shooters a wide variety of target angles to accommodate all skill levels. Thanks also to Bob Pigram in maintaining the grounds and club room in first class condition.

Terry Pigram took home the overall sash and B grade with an impressive result of 80/100, with Barry Ellis 2nd in B on 74/100. AA grader and recognised 5 stand expert shot, Davey Jones, was only one target behind with 79/100. Victor

Neil Plumridge, Alex Mikolajewicz, Gordon Twamley, Davey Jones, Barry Ellis, Victor Bowman, Kneeling Terry Pigram

L-R: Ross Winnell, Royce Wojtowycz, Mark Rosenboom, Brian Reid, Trevor Jones, Jacqui Wemyss & Gil Farish

Bowman wasn't over impressed with his result of 68/100, however it was sufficient to win him the A grade sash. Two targets behind on 66/100, placed Alex Mikolajewicz in 2nd place. Regular Wangaratta shooter and committee member Gordon Twamley took out C grade 67/100 and Neil Plumridge winning 2nd place on 64/100. An impressive result, considering both gentlemen had an early start with their efforts in the set up for the days event.

The club would like to advise that it will now be providing 5 stand sporting clay practice sessions each Wednesday and also on noncompetition Saturday's.

Please contact Brian Reid on 57217799 for more information on trap shooting at Wangaratta.

Classifieds

Rates and Conditions

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$12.00 — 0-60 words
\$24.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers:

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

- the person is a licensed firearm dealer, or
- the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

- the licence or permit number of the seller,
- the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

ACTA NEWS

Recently the Board of ACTA met with Members of the Shooting Australia Board, their CEO and also representatives from the Australian Institute of Sport (AIS) and Australian Sports Commission (ASC) were present. We took this opportunity to discuss concerns and queries we had on behalf of the ACTA and its members. Below are extracts from the meeting.

Facilities:

In the past SA has made recommendations and supported applications for facility development without discussions with the discipline member body. Shooting Australia advised they had been in contact with the Executive Officer and will continue to in order to ascertain the ACTA's stance and support of projects before providing support.

Legislation:

SA has begun to represent "target shooters" at various meetings in relation to legislation matters. ACTA believe this is not part of their charter, and their inclusion appears to have resulted in the exclusion of some of the member bodies of SA at these meetings. We see a basic conflict in that SA are almost totally government funded, and are thus unable to represent our members. SA only holds an interest in the Olympic disciplines and the majority of our membership do not compete in these disciplines. We have specific problems and want specific representation. Shooters everywhere talk of having one representative governing body and this has been discussed at Board level, but the Board currently believes that SA is not that body.

Selection policies:

ACTA debated for a more objective selection policy. We were advised that nothing would now change prior to the Olympic Games. All selection policies will be reviewed post games. It was acknowledged that one size may not fit all and that shotgun may need differing policies from the other disciplines. It was acknowledged that the Benchmark scores may be too high in some disciplines.

Whilst Shooting Australia is focussed on ISSF events, they explained that the newly created athlete pathway recognises that events such as DTL and American Skeet provide a great foundation for younger athletes to develop their skills. We talked about the success of our Juniors on the world stage and some of those juniors who have recently begun shooting ISSF events. We have agreed that we need to work together with funding provided by Shooting Australia to assist ISSF athletes in our National Development Squad.

Third Spot:

The ACTA received no agreement that the third spots should be used whenever possible. In our opinion no acceptable argument was provided why but SA seem adamant that it will not be regularly filled self-funded. SA believe that if competitors wish to travel overseas self-funded there is plenty of opportunity at Grand Prix events and the like. Perhaps if we got an acknowledgement that scores shot at some of these events would be considered the situation may be more acceptable. Until a review is done we have little choice but to accept this position.

Australian Coat of Arms.

Discussion centred on the question, what are truly representative Australian teams? The use of the Australian coat of Arms is strictly controlled yet there is at least one manufacturer of shooting vests totally ignoring the rules. The manufacturer will produce whatever you are willing to pay for and in our opinion this is cheapening the honour of being a true Australian representative.

SA and ACTA will work together to develop actions to stop this practice.

Training regimes.

It is visible to all in the ISSF scene that many of the elite squad members are not participating regularly. We sought an undertaking that the SA training regime in no way limits squad members attendance at "minor events" this was acknowledged, and we were advised that members are told to compete as regularly as possible. This being the case perhaps we need to ask ourselves why some of the younger shooters are not staying for club shoots?

Governance:

The meeting touched on governance and the new mandatory requirements of the Australian Sports Commission for bodies they fund, and the member bodies thereof. The ACTA has taken the position that whilst we are proceeding with a move to a company limited by guarantee as is the ASC recommended model we will not weaken our constitution to become subservient to SA. We see SA as a Government funded body charged with administering overseas representation in the Olympic disciplines, Nothing more, nothing less.

The rumour mill

Rumours abound so I will take this opportunity to put some to bed.

Question: The Court of Arbitration for Sport won't hear SA related matters

The court has no jurisdiction in matters other than Commonwealth and Olympic Games selection and then only on the basis of the criteria not being adhered to.

Question: There is no funding for the Oceania Game teams

There is funding for some of the Oceania Games teams members. There are 45 A team members and 45 B team members across all the disciplines, shotgun, rifle and pistol.

Question: SA and NZ shooting federation make deals about which teams they are sending to Oceania

When asked the CEO of SA stated that SA and the NZ federation do not make "deals" about which teams they are sending. The Oceania games and the attached Olympic quotas are very important to Australia and New Zealand and every effort is made by both countries to fill as many teams as possible. There are other countries not in Oceania that would love to see small attendances and thus the quotas removed.

Question: Are we the ACTA properly represented to SA

Your board and EO have clearly expressed the opinions of the ISSF lobby in Australia to SA. We have been clear, honest and strong in our presentation. At this stage SA still have the right to say no.

ACTA PRESIDENTIAL MEDAL POLICY

Preamble

ACTA national presidents have traditionally awarded medals for outstanding achievement in coaching, administration, or contribution to, the sport of clay target shooting.

The following is a guideline for the assessment of individual nominations for the award of presidential medals outlining both the process and assessment criteria.

Process

- A call will be made to all states and the territory by advertisement in the *Clay Target Shooting News* November and December of each year.
- The nominations to be forwarded to the Executive Officer by the closing date stipulated in the advertisement. The letters shall be marked "confidential" on the outside of the envelope and shall only be opened by the Executive Officer
- The Executive Officer will treat the nominations as confidential and shall only release them to the President.
- The President will request advice from the Board of Management on a confidential basis and will carefully consider such advice.
- Board members will keep all details of the nominations and any relevant discussions confidential.
- The President shall make the final decision on the award of the Presidential Medal(s).
- The formal announcement and presentation of the medal(s) will occur during the annual Hall of Honour dinner held during the trap national championships.

Criteria

- Outstanding contribution to the sport from Club to National level
- Generally only one medal to be granted per year but the President may, if the situation is warranted, grant a maximum of two medals in a year.

NOMINATIONS NOW OPEN FOR 2016 ACTA PRESIDENTIAL MEDAL

SELECTION CRITERIA: As above

Nominations to be called for in CTSN

CTSN Issue Month: November & December Annually

Closing Date: 31st December Annually

Maximum Per Year: Two (2)

Minimum Per Year: Nil (0)

NOMINATION GUIDELINES

For a person or persons for their contribution to the development of the sport

Mathoura Single Barrel and Tower

Four full squads shot at the Mathoura Gun Club on Friday night, 28th of August, and for a bitterly cold winter's night, that amounts to a good attendance. With an excellent fire burning outside, and a high output heater in the clubhouse, at least the competitors had somewhere to defrost after shooting, although the freezing temperature may have been a cause that, even with some very good shooters on hand, there was not one possible score recorded for the entire shoot.

Echuca's Mick Keirl, and Walmer's Graham Hall, were the two that managed to lose just one target in event one a, ten target Single Barrel Cash Divide, and their 9/10 score earned them a share of the 1st place cash. Echuca's Matt Forster, and Mathoura's Tom McCluskey, both shared the 2nd place pool of cash after recording an 8/10 result.

In event two, a 25 target, Night, Single Barrel Championship, Mick Keirl held off all others with a score of 22/25, and that earned him the Overall Winners Sash, and the 1st place in A grade trophy. Well shot Mick! Under lights, single barrel, and freezing cold! Mathoura member, Emily McCluskey shot a 17/25 score earning her the 1st place in B grade trophy. Another Mathoura member and Club president, Peter McCluskey, shot a very credible C grade score of 18/25, which secured the 1st in C Grade trophy for himself.

Finally, a 20 target Tower Double Barrel, and although no one could manage a full score there were four contenders in the shoot off for Overall, all having dropped just one target, all on a score of 19/20. Braydon Melotte (Walmer), Graham Hall (Walmer), Mick Keirl (Echuca), and Peter McCluskey (Mathoura). Peter managed to drop his 2nd target, Graham his 9th target, and Braydon and Mick went on to make it a battle. Finally Mick dropped his 22nd target and when Braydon shot his it was all over, with Braydon Melotte putting his hand up to claim the Overall Winner's honour, and the 1st in A grade trophy with a very respectable 41/42 winning score. Good shooting Braydon! B Grade 1st was claimed by Harry (Snow) O'Connor having scored a 13/20 result, and C grade 1st was collected by Peter McCluskey on a score of 19/20. Peter has been recording some good scores of late and I suspect the Handicapper is most likely looking hard at his scorecard.

A freezing cold night, a late presentation approx 11.30pm, and yet not really

Braydon Melotte
OA Tower

Emily McCluskey
B Grade SB

any complaints from the competitors, who had two fires to warm by, plenty of hot food and drink thanks to Donna McCluskey and her helpers, and plenty of stiff competition from all the other shooters, and the Committee of the Mathoura Gun Club really do thank all who arrived for having made the effort on such a cold winters night.

Murray Roberts
