## K-80 PRO TRAP

There's a good reason why the K-80 Pro Trap is a shotgun legend. It's a combination of everything that makes that crucial difference in competitive shooting. The raised and adjustable floating rib, provides a significantly broader field of view. The adjustable stock allows individual fitment, merging shooter and shotgun into one. With a 10 year warranty and legendary reliability, it will still be wearing in when the others are worn out!

## Presidents Notes

This CTSN contains the full financial accounts of the ACTA for 2015. This report takes up a great deal of space so I will make my report brief.

#### Constitution

The Executive has made a decision to extend the consultation period for the consideration of a new constitution by 12 months. This decision is based on input from consultative meetings held throughout the country to date and the

closing date for Notice of Motions being upon us.

One state chose not to host a consultative meeting; some welcomed all to attend and others limited the attendance to their Executive. In hindsight the Association in its own right may need to host these meetings in eachState inviting all clubs to attend.

The general feeling seems to be that most want the Association to

move to a Company Limited by Guarantee, with an independently elected board but are not happy with some of the powers granted to the ACTA in the draft document.

I urge all to read both the old and the draft constitutions, as an unbiased reading will show that the powers remain as is. The other contentious issue is that the votes at an AGM would be in the hands of the States as opposed to the clubs.

These matters will all be re-considered prior to further consultations.

#### Trap Nationals

The ACTA welcomes as many shooters as possible to attend the DTL Nationals at Wagga Wagga from the 2nd April. The revised program with \$80,000 in cash and prizes plus sponsors trophies will hopefully attract larger numbers.

A similar format has also been instigated for the Skeet Nationals in May.

Robert Nugent

The ACTA National Championships are unique and many sports are starting to follow. The ACTA National Championships have always produced winners in categories, Open, Ladies, Veterans, Juniors, Sub-Junior, as well as grades.

I note that the A-League and Big Bash Cricket now have the Ladies and Open events on the same day, thus providing further entertainment for spectators. Tennis has a similar format although none of these sports have the range of categories as clay target shooting. This can only be a positive for the sport. All our events from club, zone, state and national level have all categories catered for.

This must make the ACTA sport of clay target shooting the leader in relation to meeting all of the recommended guidelines for sports to be "inclusive" of all areas of the community. The sport provides access for disabled with grades and categories to facilitate their participation. It caters for the young through to those with experience we may never acquire. This is certainly an area where clubs should be promoting the benefits of this inclusive sport to the broader community. There are many positives of being involved in clubs, many are the lifeblood of their smaller communities.

#### Trap Nationals at Wagga Wagga 2016

Juniors: NSW Firearms have confirmed their application of the law in relation to Juniors being in possession of guns and ammunition. The term "Direct supervision" applies in the following manner "within a distance where immediate intervention" can occur. This currently applies to all juniors regardless of the permit and how long they have had a permit. At this stage, this is the law and it is something all juniors and their parents need to be aware of in NSW and when visiting.

It is timely with the Nationals in Wagga again in 2016 to remind everyone of the safe storage of your guns, not only for safety reasons, it is also a valuable piece of sporting equipment. We collectively need to ensure that we protect the sport and our ownership rights. The cost of compliance is very little compared to the cost of non-compliance, not only from a financial perspective but from a sport and ownership perspective as well.

We look forward to welcoming everyone to the Trap Nationals for a packed program of events. Oh and by the way, we are picking a full Australian Team to travel to Ireland for the World Trap Championships 21st – 23rd July. That is Open, Ladies Junior, Veteran (over 55), Super Veteran (over 65).

## Rule Interpretation

#### Doubles Shooting and the differences between TRAP, SKEET & SPORTING

## Did you realise that all three disciplines have different rules for doubles shooting and scoring?

TRAP – When shooting double rise, Rule 1.14 (b) states that: A competitor must shoot at a complete pair of targets on every occasion, each target broken by the competitor's shot shall score one point. Two shots must not be fired at either target.

In essence this means that in the case of a malfunction, of either target being broken, a refusal or a baulk on either target a proof pair must be thrown to determine the result of both targets.

SKEET – If shooting either doubles within a skeet round or a skeet doubles event, two targets are released simultaneously from both low and high trap houses. As in trap double rise both targets are scored separately as a hit or miss but the difference arises when for any reason the first target is legal and shot at and the second one is not shot at. In this situation the second target is declared a "no target" and a proof pair is thrown to determine the result of the second shot only. The first target of the double if whole and fired at must be counted as the score, whether hit or missed. Both targets in the proof doubles must be fired at. Rule 5.07 and 5.08 sets out how deal with either "no targets" or "lost" targets in doubles shooting.

SPORTING - Doubles in sporting can be either "simultaneous" or "on report" pairs. Both types of doubles are shot at and scored differently to either trap or skeet. In report doubles, where the second target is released immediately the first target is shot at, the score of the first target is counted as a hit or miss. If the second target for any legal reason is not fired at, a proof pair will then be thrown to determine the result of the second taget only. The shooter must shoot at the first target and then move to the second. One of the major differences in sporting is that a shooter may elect to shoot both barrels initially at a single target in the double, with the score of the second target to be declared lost. When shooting simultaneous doubles in sporting, as in trap both targets must be whole to be a legal pair and if either target is broken or illegal and not fired at a proof pair must be thrown to determine the result of both targets. Again a shooter has the option of shooting both barrels at either target with the result of the second target to be lost. In sporting doubles, both targets hit with a single shot will declared as one-one. See Rules 9.07 and 9.08.

Good to know when shooting all three disciplines.

Jim Shepherd, Rules Supervisor

If you have any questions in relation to the interpretation of a rule in our Rule Book, please send your questions to the ACTA office and we will endeavour to provide answers in the CTSN

## Burdekin Clay Target Club to re-open after last shot fired in 2002

The club which officially began in 1934 moved to a permanent home on Old Clare Road in 1949 and operated successfully there for over fifty years. However an issue arose with the club's safety zone encroaching on the neighbouring farm. The club was unable to negotiate an agreement with the landholder and the final competition to be held at the ground was in March 2002.

The committee undertook an extensive search for a new ground and inspected many sites none of which proved suitable. In 2011 club president Glen Rea began negotiations with the local rifle club to sub-lease an area on their lease. After a long drawn out process in which both the rifle club and the local council were very supportive, all the boxes were ticked and an agreement was signed in May 2015.

July saw earthworks begin on site. In the months since thanks to the hard work of Joe Caruso, Wayne Cislowski, Tony Caruso, Joseph Rossato and many other members, the earthworks to level the areas for each trap and the clubhouse were completed, a small clubhouse and a temporary amenities facility have been constructed, water tanks installed, a shipping container for storage purchased, a small office building is being refurbished, four traphouses constructed and lanes are currently being built. The club has received outstanding support from many local businesses with free use of equipment and the donation of time for many tasks already completed. The club was also successful in obtaining a grant from the Community Benefit Fund for the purchase of new traps and two Canterbury traps are currently on order.

During the many years the club was in recess membership remained strong with approximately forty current members on the books. This has already begun to increase with the prospect of the club becoming active again. Club members have also enjoyed outstanding success winning several national and state titles and making many representative teams which is not bad for a club without a ground. In fact Joseph Rossato and Joe Caruso are both members of this years state shoulder to shoulder team.

At the time of writing an official date for our first competition has not been finalised. There are still many tasks to be completed but there is a palpable air of excitement in the club and surrounding clubs at the prospect of the Burdekin hosting competitions once again.

# 2016 Victorian State Skeet Carnival

#### FRANKSTON AUSTRALIAN CLAY TARGET CLUB

JANUARY 28 - 31, 2016

With 115 pre-nominations received from shooters representing every state in Australia, and the first time the Victorian State Skeet Carnival would be shot over six grounds, the foundation for a successful four days of skeet shooting had been set.

After a warm start on Day One and a reduced field for the Gauges, interstaters quickly realised Melbourne's weather of four seasons in one hour. Thunder, lightning and heavy rain stopped competition for forty-five minutes. With a close eye on the weather radar, competition got back underway with clearing and cooler conditions.

With 6 shooters clean in the 28 Gauge, Lorraine Hughes was right on the tail of Michael Buttigieg as the last two remaining in the shoot off. Lorraine unfortunately missed her 66th target in the shoot off giving her a win in AA and Ladies (115/116) and Michael claiming

Overall with 118/118. Laurie Durham missed his 39th target in the shoot off giving him 2nd in AA (88/89). Laurie Chelepy also making the Overall shoot off, missed his 8th target and gave him a win in Veterans (57/58). Antony Ballarino, after a shoot off with Jack Stockdale, won Juniors with 54/58 and was the start of what would become a very successful Carnival for him. Sam Arcuri won A grade outright with 47/50 and Greg Miller claimed success in a shoot off with Mark McDonald and Wayne Read for 2nd in A Grade (55/59). Andrew Beveridge won B Grade with 48/50 and Timothy Stockdale 2nd in B Grade after defeating John Pethybridge in a shoot off (48/54). Outright place getters in C Grade with a win to lack Bird (45/50) and 2nd to Ron Peno (44/50).

No possibles in the .410 Bore, gave Junior Antony Ballarino the outright win for Overall as well as the Juniors Title with 49/50. Mark Rosenboom and Michael Buttigieg went into a shoot off for 1st and 2nd in AA and with Mark missing his first target out (48/51), Michael claimed 1st with 49/51. Outright 1st and 2nd in A Grade with Paul Kouroupis 46/50 and Pat Dury 44/50.

with Ron successful with 40/54 and Peter in 2nd place with 39/54. Lorraine Hughes proved that she was warming up for a successful carnival with a win in the Ladies (46/50).

Day Two and competition started getting serious with the next five events all counting towards the prestigious High Gun. 7 entered the shoot off, with a combination of AA, A, B and Lady shooters, after shooting the 20 Gauge event clean. Again Lorraine Hughes hung in tight but missing her 33rd target placed her in 2nd in AA and a win in the Ladies. It was then down to Richard Sammon, Timothy Stockdale and David O'Sullivan to determine Overall, Richard Sammon missed his 40th target and resulted in a win in AA (89/90) with Timothy Stockdale missing his 48th and placing him in 1st in B Grade. David O'Sullivan took out Overall with 98/98. Christian Lagos, missing his 8th target in the Overall shoot off, took out 1st in A Grade (57/58) and after a shoot off with Paul Kouroupis and Thomas Laber. Sam Arcuri took out 2nd with 57/58. Paul went on to win Veterans with 49/50. Reg Petts beat Simon Hewitt and Leonie Johnston in a shoot off to claim 2nd in B Grade (56/58), Jack Bird had an outright win for 1st in C Grade with 46/50 and 2nd going to Ron Peno (42/50). and Jack Stockdale shot off for the Junior Title with Antony winning (80/83).

The 50 Target Handicap event saw 47 shooters finish with 50/50 and a long shoot off ahead. Carrying the remaining 8 in the shoot off over until Sunday, there was finally a result! Leigh Roberts taking 1st place with a whopping 162/162, 2nd went to lack Bird with 161/162, 3rd and Veterans Adrian Cousens (157/158), 4th David O'Sullivan (154/155) and 5th Naidos Markou with 153/154 and 1 target to spare! Sarah Bennet was up there in the shoot off but missed her 63rd target landing her the Ladies Title with 112/113. And an outright Juniors win to Antony Ballarino with 49/50. Day Three was the 100 Target 12

Day Three was the 100 larget 12 Gauge and the Victorian Teams events. Six shooters shot the 100 and this gave Mark McDonald a one-way ticket from A to AA for the events on Day Four. Although missing his 35th target in the shoot off, Mark still managed to take 1st in A Grade finishing on 134/135. with 285/300 and Antony Ballarino the Junior High Gun with 289/300.

The Victorian State Skeet Carnival is over for another year and WOW what a Carnival it was. The grounds looked spectacular, the events ran smoothly and the buzz and atmosphere in the clubrooms and around the grounds proved what a close knit group the Skeet community is.

With over \$12,000 offered in cash prize money and without sponsorship, the Frankston Australian Clay Target Club definitely left its mark on this event. To the Club Committee and the effort contributed to the Carnival, the Skeet Community is thankful. Thank you to all who supported this event from the Shoot Marshall, Ground Staff, Handicapper, Office Staff, Kitchen Staff and most importantly the Shooters. We look forward to the next Vic t-orian State Skeet Carnival at Melbourne Gun Club 26-29 January 2017.

## Bruce Mayo 50 years membership and increasing FEBRUARY 14, 2016

#### TUMUT CLAY TARGET CLUB

The message was loud and clear at Tumut Clay Target Club on Sunday 14th February and it was all about love and passion but not the red rose's type. It was all about how Bruce Mayo had just clocked up 50 years continuous and active service to Tumut Clay Target Club and the ACTA and still has more to offer.

Such was the stature of the occasion, competition came to a halt and fellow shooters, family and friends gathered for unbeknown to Bruce the Club had been planning the occasion for some time and had arranged representatives of all four levels of shooting administration to make a short presentation.

Matt Gorman Tumut Club President commenced proceedings by talking about Bruce's welcoming and advisory nature, Matt explained to everyone that Bruce was one of the first members he met when he came to one of the Clubs "come and try clay target shooting days". Matt made special mention of the fact that Bruce always makes the best of every situation no matter how dire it may seem at the time. He is often first to be at the club on shoot days and along with fellow veteran member Vern Rees, together they keep the

club extremely well groomed and have recently in addition to mowing the lawns also started mowing the apron upon which unbroken targets land. Bruce is the member that every club and organisation wants, reliable dependable and available he said.

Colin Kneebone then followed representing the Riverina Zone and New South Wales Clay Target Association. Colin focussed on changes that Bruce has seen over the 50 years. At his first shoot in 1966 nominations were paid in pounds shillings and pence. The move from almost entirely handicap style events to the introduction of graded competitions and dominance of common mark shooting. The narrowing of target angles, the lessening of distances and reduction of load weights from 1<sup>1</sup>/<sub>4</sub> oz to 28g also featured in what Colin had to say. The topical issue of

administration also came to mention as Colin referred to the introduction of Zones as part of the hierarchy of control and the current debate about the association becoming a Company limited by guarantee.

The final speaker was Don Power, NSW representative on the national peak shooting body the Australian Clay Target Association. Don, an association member for more than 40 years himself has known Bruce all that time and was quick to mention how in his early days Bruce would gather up a carload of Tumut members and drive all around the Riverina in support of the other clubs, often early to arrive but not always so early to leave. Don also made special reference to Bruce's willingness to chip in and lend a hand, working as a referee, shoot marshal or any other task that needs doing, Bruce has never been one to sit back and watch - when there is something that needs to be done he gets on and does it, he said.

Don read to the audience a letter on behalf of

The overall High Gun was proudly sponsored by Steve Chambers and the winner was Roger Duthie with an excellent score of marksmanship 249/250.

The graded High Gun Awards were convincingly won by: Dougal Simson 245/250 AA, Joseph Patterson 237/250 A, Gerald Bourchier 231/250 B, Ricki Kelly 188/250 C, Robert Andrews 246/250 Veterans, Heather Ryan 238/250 Ladies, Jourdain Patterson 234/250 Juniors.

The two day shoot was very successful with 66 shooters winning prizes in the \$17,000 prize pool and are again looking forward to returning next year.

The Mount Gambier Gun Club again thanks all the sponsors especially Bendigo Bank, Pick Avenue Deli & Bakery, South West Freight, Corsivia GB, Zema Wines, Trident Tyre Centre and Steve Chambers for their generous and ongoing support to make our Supershoot a most successful and entertaining event.

ACTA National President before presenting Bruce with his 50 years ACTA membership badge.

Overwhelmed by the occasion Bruce kept words to a minimum in making a response which left opportunity for his wife to enlighten us all as to how Bruce came by the ownership of his first shotgun – a great story indeed.

In closing Club Secretary, Phil Green made a floral presentation to Bruce's wife Peggy in recognition of her years of service to the Club. Peggy like so many shooters wife's has done the Club thing said Phil. For many years Peggy assisted in the club kitchen, making sandwiches and serving afternoon teas before taking up other weekend interests, and if the truth was to be known Peggy is probably responsible for the setting of the culinary standard at Tumut – something which anyone who has visited Tumut Clay Target Club can attest too.

And like many shooting families, it wasn't only Bruce and Peggy that have made a contribution, all the children contributed over the years, the boys starting as trappers on "plus traps" then moving to "Damo's" before the Club purchased "White Flyers" and ultimately self-loading "Gemini's" around 30 years ago and the girls helping in the kitchen and run shoots. They were all there, Bruce, Peggy and the family when the clubhouse arrived on site many years ago and recently Bruce has been in attendance of the working bees that has seen the successful construction and installation of Tumut's third shooting layout.

It has been a great family effort and we thank them all for their truly significant absolute and magnificent support of our Club and Association and again we congratulate Bruce Mayo on such a distinguished achievement - 50 years of continuous and active membership said Phil as he closed out the presentation.

# Warrnambool

#### WARRNAMBOOL CLAY TARGET CLUB - FEBRUARY 12TH, 13TH & 14TH

Warrnambool Clay Target Club Committee were extremely pleased to see one hundred and seventy shooters arrive to compete for the \$18,000 worth of trophies, cash and shells on offer. With perfect weather conditions forecast for the weekend, the powered sites all taken, the camping area full and the grounds in pristine presentation, all was set for a great carnival.

The carnival success was due to the hard work put in by members. Commencing in December with a watering program resulted in all five layouts looking green and lush, traps and voice release fully serviced which resulted in an almost problem free weekend. The canteen was extremely busy preparing meals which also included a roast meal on the Saturday night, office and ground staff kept the program moving smoothly. To hold a three day carnival you need sponsors. Warmambool Clay Target Club Committee and members would like to thank the following major sponsors for supporting this event – Williams Glass & Glazing, Warmambool Cheese and Butter Factory, Turlands Plumbing, Graham Beckworth Falcon Cartridges, Bruce Burns GB Corsivia, Cassigns, Carters Transports, Richardson Marine, Holts Gun Shop, Warmambool Toyota, Warrnambool City Council, Gillman Sashes and Beretta Australia.

## Good support for night shooting Kerang Clay Target Club February 12, 2016

L-R: Stephen Ash, Daniel Cox, Barry Bloodworth, Colin Finn HG, Slap Comensoli, Mark Vistarini & our oldest member Ivan Dower holding our youngest member Jaxon Comensoli

Friday night, Feb. 2nd, was one of those nights that comes along once in a blue moon for clay target shooting, warm dark night and not a breath of wind. So it set the tone for a good nights shooting for our five squads of competitors. Plenty of locals and some from Bendigo and Numurkah-Shepparton.

The first event was a 30 Target Double Barrel Championship sponsored by Kerang Mechanical Repairs. Five competitors shot the possible 30/30, so after a shoot off Mark Vistarini AA 58/58, second AA Wayne Upton 57/58 first in A Colin Finn 46/47 second Les Comensoli 37/38, first in B Slap Comensoli 28/30 second Peter Finn 27/30, first in C Ivan Dower 29/30 second Tyler Schmidt 29/31 after short shoot off for second. Second event was the 30 Target Double Barrel Tower sponsored by Jaxon Comensoli this was the event the Numurkah-Shepparton boys travelled for. Again five shooters shot the possible 30/30. Another reasonable shoot off and Mark Vistarini took AA 45/45 second Colin Finn 44/45, first in A Daniel Cox 41/42 second Roy Greenwood 30/30, first in B Barry Bloodworth 33/34 second Les Comensoli 29/30, first in C Stephen Ash 30/32 second Michael Schmidt 29/30.

The High Gun for the night sponsored by Nioa, after another shoot off between Mark Vistarini and Colin Finn, it was Colin who came out the Victor. Mark Vistarini also won the Spud's Handicap event for the night 10/10 off 20 metres, making the trip worthwhile. A big thanks to everyone who helped out on the night to make it so enjoyable. Club members hope to see many shooters returning for our shoots in 2016.

# Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

#### Still freezing on the trigger

In the last article, I wrote about jet lag. Even though I was 32 hours travelling across I3 time zones, the problem was not as pronounced this time. Following on from the research I had done previ-

ously we had booked tickets that meant when we left Sao Paulo, we it was the equivalent of night time in Sydney, so we slept for at least 8 hours on the plane. This meant that when we arrived at Abu Dhabi we had had some rest and all we needed to do was to stay awake until we got to Sydney at about 7.30pm the next night. Arriving back in Sydney at this time meant we could have some tea and go to bed at 10.00pm and we slept through to 8.00am the next morning and went straight out into the day to get the sunshine (melatonin) and we then stayed awake until the night and slept when we should have. The jet lag still hit us but it wasn't as bad as last time.

When I eventually arrived home there was message on my phone from a shooting friend who described he was having trouble freezing on the trigger. To help this shooter, I have lent him a program to relax and maybe the following article that appeared in 2006 might also offer some assistance.

This problem of freezing on the trigger is worldwide and it can affect any of us at some time or another. In the September/October 2005 issue of "Gunshot" the Official Journal of the New Zealand Clay Target Association, there was a reprinted article from Pull! Magazine called Trigger Defrost and looked at three theories and approaches behind freezing on the trigger.

The first theory involves Self-Hypnosis. The article quotes Steve Mycoe a sports psychologist who believes that trigger freeze is a common problem based in the emotional right side of the brain and is a fear response. He continues by saying that "there are several varieties of trigger freeze all of which are unconscious in nature. Some experience random freeze that seems to have no real pattern, some only freeze on the second barrel of a shot and some people are completely disabled from shooting altogether." He believes that in the case of trigger freeze, an unconscious anchor has been set up, and fires automatically the freezing response behaviour, when a particular stimulus occurs during or prior to shooting. He believes the way to address the problem is to consider the physical differences and the arousal levels or states that the shooter accesses both when the trigger freeze occurs and when it doesn't. There will be a marked difference between the two. The next step is to use similar strategies that are successful with dealing with phobias. Using a form of systematic desensitisation that allows the shooter to reduce the fear by focusing learning to relax and then using it visualised situations and then in real situations.

The second approach mentioned in the article involves Life Coaching. Life coaching is a cognitive behavioural approach that examines a person's thoughts and how they affect their behaviours. Basically, irrational thoughts and beliefs lead to behaviours which have negative outcomes. According to Life Coach Paul Toms (featured in the article) "trigger freeze can be attributed to self-sabotage. Self-doubt is the underlying cause." I have stated often that the only reason we miss is because of self-doubt. The shooter subconsciously believes he or she cannot hit the target or that he/she doesn't deserve to win. Tom's continues," therefore to serve this limiting belief they carry out an act of self sabotage; in this case freezing on the trigger and failing to hit the target. This then proves to themselves that their belief in their sense of failure was correct.

The final approach deals with distracting the brain at the time when it would be focusing on freezing on the trigger. This method was included by a reader of Pull! Magazine who is referred to only as T. Poskett. Thinking trigger freeze was due to recoil, Poskett made several changes to guns, stocks, ammunition, etc in an effort to reduce recoil but this didn't reduce the incidence of trigger freeze. He suggests the following method:

"On entering the shooting station adopt the shooting position (with an empty gun) and take a few practise swings along the targets imaginary flight path, but with the index fingers of both hands pointing along the gun parallel with the barrels: one down the forend and one down the side of the action. When composed and ready for your shot, load the gun as normal and call for the target. Again use the method with both index fingers used as pointers. This means the normal trigger finger is used to point-out line and lead and the second finger of the shooting hand is used on the trigger to take the shot. At first this will tend to feel awkward but it can be practised at home until it becomes second nature." What is happening now is that subconsciously the brain is thinking about something else and you can get on to shoot the target. This is like quietening the mind so that you can focus, a bit like humming so that you cannot hear the instructions and self-talk going on in your head. Another way of distracting the brain, is to examine the weight of the trigger pulls. On good guns, Perazzis, Kemens, Krieghoffs and Berettas the trigger weights can be very light. If the weights are increased the brain has to make a conscious effort to pull the trigger. This appears counterintuitive because it makes sense to think that a lighter trigger would be easier to release. This is not the case because the problem is in the brain not the finger pulling the trigger.

Often when I am asked the question of trigger freeze, I ask what the shooter is fearful or scared of. Nearly all the time they reply that they are not scared at all. This maybe the case on a conscious level but on a subconscious level, the truth is they are scared of missing the target, scared of losing, etc. The motivation for the way we do things predominately comes from our subconscious. Because we are not consciously thinking of it, it is difficult, if not impossible, to put our subconscious motivation into words. This is really complicated stuff and it is just another example of how our brain gets in the way of us achieving our goals. If you are interested in the topic of conscious and subconscious motivation, it would be good to go back and read "The Inner Game of Golf" by Tim Gallwey.

I would be interested in knowing if the above methods works, so if you have a problem with freezing give them a try, and let me know the outcome. Using a combination of all three methods should help in elimination freezing on the trigger.

## Southern 80 weekend shoot

#### Echuca Clay Target Club February 14, 2016

The February 2016 shoot at the Echuca Clay Target Club was held on the main race day of the Southern Eighty speedboat race, a real family outing day, and that virtually ensured that there would not be a big rollup of competitors for the shoot. With thousands of spectators (families) at the race, it was probably lucky that Echuca attracted four full squads for the February shoot.

It was a pity that there was a low attendance as it was an absolutely perfect day for clay target shooting, being 30 degrees warm, the gentlest of breezes, and the black targets showing up magnificently in the sky, and that also was an indicator that scores were going to be impressive.

Event one, was a 30 target, Graded Points Score Championship, and Neil Hunter was the shooter that demonstrated how easy it is by scoring a perfect 90/90 result, earning him the Overall Winners Sash, and the 1st place in A Grade Trophy. Well shot Neil! Echuca's lan Gebhardt collected 2nd in A Grade, having shot just one point less. 89/90. AA Grade 1st was taken out by another Echuca member Craig Scott having ended up with a 92/93 score. AA 2nd was Bendigo's Ward Wende on a 89/93 result. B Grade 1st was Mathoura's Emily McCluskey 79/90. C Grade 1st was Greg Cock 85/99, C Grade 2nd was Echuca's Barry Rogers 84/99.

Event two. A 25 Pair Double Rise Graded Championship, and after a five pair shoot off, the Overall Winner, was Echuca's Stephen Atkins, with a 56/60 result. Steve also collected the 1st in AA Grade trophy. Dropping out of the shoot

Steve Atkins OA DR

off having lost another target, was Echuca's Craig Fitzgerald, taking out the 2nd in AA Grade trophy with a very credible 55/60 score. Ist place in A Grade was Peter Sing (Echuca) 39/50, 2nd in A Grade was lan Gebhardt 35/50. B Grade Ist was Emily McCluskey 36/50. C Grade Ist was Greg Cock 33/50, and C 2nd was Echuca's, April Thompson 31/50.

Event three, was a 20 pair Deauville Doubles, and with two pair of shooters having shot the possible off

#### Below: PS grade 1sts C Scott, 1 Gebhardt & Greg Cock

lan Phillips & Ward Wende 1st DD

the eighteen metre mark a shoot off was required, and at the 27th pair it was decided, with Ward Wende, and teamate, Echuca's lan Phillips, winning the event with a perfect 27/27 score. Running 2nd in the event was W Humphries and Ian Gebhardt with a 26/27 result.

The Rob Viney, Encouragement Award Sash, was earned by a new Echuca shooter, Alanah Sing, congratulations Alanah that sash will probably be the first of many more to come. And with a smaller number of shooters than normal the shoot ended at the very early time of 4pm, allowing competitors a leisurely drive home after a very enjoyable February shoot.

# VCTA North West Zone Night Points Score

Even with the threat of rain, we had a good turnout. Thirtyone competitors arrived at the Kerang Club on Friday night to contest the two events.

Event One was a 50 Target Double Barrel sponsored by Nev Murray Excavations. First and overall in AA after a shoot off Chris Dalrymple 56/56, second AA Cameron Brown 55/56, First in A grade Les Comensoli 48/50, second Stan Kerr 47/50, First in B grade Jamie Regan 49/52 second Cass Comensoli 47/50, First in C grade Mitchell Wooding 44/50, second Ivan Dower 56/63 after a shoot off against young gun Riley Cox. However Riley won the Juniors 43/50, Ladies Cass Comensoli, and Veterans Stan Kerr 47/50.

After the first event the rain began to fall but not deterred, we all soldiered on except one fellow from Wakool who we won`t name.

Event Two 25 Target North West Zone Night Points Score Championship sponsored by Steans Plumbing Kerang. AA grade we had

Cameron Brown AA, Mitchell Wooding C, Cass Comensoli B and Jim Absalom A

Chris Dalrymple AA, Mitchell Wooding C, Jamie Regan B and Les Comensoli A, holding his grandson and our youngest member Jaxon

Mark Vistarini and Cameron Brown on equal points 70/75, like gentlemen they decided to split the spoils either that or have a shoot off in the rain. First in A grade Jim Absalom 62/75, second Les Comensoli 60/75, First in B grade Cass Comensoli 67/75, second Jamie Regan 64/75 First in C grade Mitchell Wooding 71/75, second Phillip Waite 61/75. I would like to take this opportunity to thank everyone who helped out on the night especially the ladies in the kitchen and our sponsors.

# Richmond River busy in January

### Members of the Richmond River Gun Club put all that ham, plum pudding and Christmas/New Year stuff behind them and got back to business in earnest during lanuary.

A strong contingent of our members made their presence felt at Coffs Harbour and the Gold Coast two day shoots and Junior Brendan Watt tasted success yet again at the Hillbilly 100 at Tamworth.

In some of the hottest, humid conditions experienced, shooters continued to turn up to:-

Night Trap 8th January, 2016 Twenty two competitors for a 75 target medley (25DB, 25SB in daylight and 25 PS under lights). We were pleased to have Robert and Libby Clarke with us who were travelling to the Gold Coast.

Lyster Hart won AA with 123/125 dropping one target only in the SB stage and pulling a second in the points. Libby Clarke was the only shooter who

Bruce Copper C grade SC & B grade Night Trap

Phil Westbury DB Champion

Richard Vary 2nd in B grade DTL

managed to score the possible 25/25 in the single barrel stage despite the poor light that prevailed at the time taking out A Grade with 115/125.

B Grade went to Bruce Copper who is enjoying a patch of form at the moment with a total of 112/125. Andrew Gordon was successful in C grade with 95/125.

On Saturday 16th Skeet shooters either stayed in the air conditioning or went to the beach when only one squad of diehards turned up in really oppressive heat conditions. Competition was abandoned and a practice session held instead.

Hopefully all the skeeters will turn up on 20th February but if Ted Schneider and leremy Clarke repeat the practice scores they shot the rest of us will only be making up the number.

Monthly DTL 24th January saw an attendance of 36 shooters on a sultry day with a moderate south-west wind and changing light conditions. Full results have been submitted for inclusion in the results section of CTSN.

The event of the day was the club's 50T DB championship. Phil Westbury won the event with a score of 64/64 from Luke Barnes who let his 14th shoot off target land. A number of 49's in A Grade resulted in a shoot off leading to Keith Connor taking the spoils from Mick Watt. Richard Vary made a return to shooting after a lengthy absence, his score of 48/50 in the DB good enough to run second to Mt Lindesay club's Stephen Ward who had posted a 49.

Andrew Gordon and Mike Perkins continued their arch rivalry in C grade and on this day Andrew got some revenge in the four events. The rest of our C graders, all new shooters, will be pleased when Andrew and Mike both progress to B grade which is not far aware now.

Another exceptionally hot day did not

deter 37 members and visitors from turning up to English Sporting on Sunday 31st January. Maybe it was the promise of New England Hot Pot, above and underground chicken casserole, peach pie and ice cream that brought them out of their air conditioning but maybe it was the desire to again tackle the crazy crow, rabid rabbit, loe the goose and the black duck that eluded them in November's sporting event.

"Brucesters field" (targets set by Geoff Bruce with an evil grin on his face) was considerably more difficult than "Jezzas field" in November and that was reflected in the scores

Member Adrian Scarrabelotti went to a lot of trouble to obtain a cherry picker for us for the day which allowed us to present a high driven target that was difficult enough as a double barrel but when it became a trailing pair in the second 50, points began to bleed from most shooters.

B Grade sporter Greg Mengel (most people know Greg as a AA DTL shooter) walked away with the fat end of the prize winning overall and his Grade with a fine 81/100

While the full results should be available in the results pages elsewhere in CTSN, the performances of Bruce Copper and Phil Consalvo who filled first and second places in C grade are surely noteworthy. Both are the kind of members every club wants to have. They turn up at almost every event

Greg Mengel SC HG

Phil Consalvo C grade R/U SC

including shoots in every discipline, working bees and meetings.

With two new traps about to be delivered a rabbit/chondel and a battue our next sporting day to be held on 31st May is likely to be bigger and better still. Who knows, another sportsman's lunch may even be on the cards. If the weather lets our fishermen get active there could even be some seafood about.

Watch our facebook page for details.

# Interstate shooters attend annual Skeet shoot

## Albury Wodonga Clay Target Club January 23 & 24, 2016

# The Albury Wodonga annual 2 day skeet shoot was held on 23rd and 24th January with shooters rolling in from WA, SA, QLD, ACT, VIC, and NSW, with a total of 71 shooters attending.

The camping ground was chock a block on Friday evening and the rain was tumbling down which was a blessing after our recent heat wave.

The shoot kicked off on Saturday morning to a slightly overcast sky but fine and warm with a lower temperature than the forecast 32C.

First up was the 25 pair of skeet doubles, with Shane O'Brien shooting brilliantly to post the only 50/50 to take out AA and overall and Junior Jack Stockdale shooting a great 49/50 to take second in AA, Max Oakley was the victor in A grade with 48/50 from Will Holloway on 48/52, B grade went to Mark McDonald with 51/54, and Clive Glasgow was runner up in B on 50/54, Norm Cottee took out C grade with 41/50 with Reece Bockman taking second in C with 38/50. Veterans went to Tony Annecchini 63/70,

Ladies Jacqui Durham 47/50, and Juniors Callum Palmer 43/50.

The second event on the program was the Elks Hunting and Fishing 50 target skeet championship with five shooters posting possibles, Hayden Mountjoy, Laurie Chelepy, Adam Buhagiar, Eddy Elder along with Junior and B grader Callum Palmer, Eddy was first to drop out followed by Callum dropping a low 3, next out was Laurie missing his low in the double on station 6, leaving Adam a Hayden to battle it out for first & second, both shot a clean 25 and proceeded into their second 25 with Hayden eventually missing his low 4 leaving Adam as the overall & AA Winner with a fine 87/87.

A Grade was won by Doug Alcock on 52/54 with Mike Corbett second in A with 51/54, 1st in B was Jnr Callum Palmer with his excellent 50/50 and Tim Stockdale taking 2nd in "B' with a fine 49/50. Ron Peno took out 'C' grade with 44/50 and 2nd went to Charlie Kathopoplous with 42/50

Veteran was Laurie Chelepy 67/68, Ladies Sarah Bennett 72/74, Junior Jack Stockdale 49/50.

Following the presentation all in attendance were treated to a beautiful meal of beef, lamb, pork, turkey and chicken with a huge variety of salads.

Thanks to President Gerry Lafferty for cooking the meat and to Sharron and Norma along with their helpers for preparing all the food as well as a big thank you to them also for their tireless work over the two days in the canteen catering for all the shooters and their families.

Following dinner it was time for the Calcutta draw and then the big auction of shooters. Thanks to Paul Johnston once again for conducting the auction and

to Jacqui Durham for writing up the board and Judy Lafferty for recording all the transactions. A Total of \$5180.00 was raised from the auction to go into the pool to be distributed among the four grades.

The highlight of the evening was the presentation to our former treasurer Judy Lafferty for 22 years of service to the Albury Wodonga Clay Target Club. We thank you Judy for all those years of hard work, we will miss you, but you deserve the rest, enjoy it.

Sunday morning was perfect for the Ian McGeoch 100 tgt skeet Championship with the shoot getting underway promptly at 9 am, at the completion of the first 50 there was quite a few red 50s on the board but at the end of the day there was only 3 red 100s. So Adam Buhagiar, Malcolm Briggs & Michael Buttigieg lined up on layout two for the shoot off.

Adam was first up and promptly creamed both singles but unfortunately missed his high in the doubles leaving Mal and Mick to fight it out for 1 and 2 in AA. They both cleaned the first 25 and looked on track to do the same on the second box, both clean stepping on to station 8 Mal promptly dispatched his high then Mick stepped up and did the same only two to go and Mal stepped of 8 with another clean 25, Michaels turn and he stepped on 8 called for his target unbelievable missing his 24th. Overall and AA Malcolm Briggs 150/150, AA Grade Michael Buttigieg 148/149, A 1st Max Oakley 99/100, A 2nd Greg Miller 97/100, B 1st Mark McDonald 99/100, B 2nd Gerry Lafferty 97/100, C 1st Norm Cottee 92/100, 2nd Ron Peno 88/100, Veterans Paul Kouroupis 130/134, Ladies Lorraine Hughes 99/100, Juniors Jack Stockdale 94/100.

Aalcolm Briggs OA 100T C'ship Eddy Elder 2 Day OA HG

Eddy Elder took out the Overall High Gun shooting a superb 198/200 (his score last year was 199/200 only dropping one target in the doubles).

Overall High Gun Eddy Elder 198/200, AA High Gun Mal Briggs 197/200, A High Gun Max Oakley 194/200, B Mark McDonald 193/200, C Norm Cottee 172/200, Veterans Laurie Chelepy 199/214, Ladies Lorraine Hughes 192/200, Juniors Jack Stockdale 192/200.

All those in attendance appreciated having our fourth skeet layout in operation enabling the shoot to finish in good time. This extra layout would not have been finished in time for this shoot without enormous effort put in over many hours by our long serving committee man and new treasurer Bryan Bockman. The rest of the committee bucked in and helped from time to time but Bryan was the driving force, many thanks Bocky from all of us.

We are very grateful to our major sponsors who help us out every year, Elks Hunting & Fishing, Ian McGeoch Gunsmith and Pinners Refrigeration and thanks also to David Hanckel for his contribution, thank you for your generous sponsorship it is greatly appreciated.

# Trying Conditions for Kempsey's Single Barrel Championship

On a hot and extremely humid day, a group of hardy shooters gathered at the Kempsey clay target range to compete in the day's 100 target shoot. The day's events were made up of 25 target Double Barrel, 25 target Points Score and the main event 50 target Single Barrel Championship.

As usual, shooters from surrounding clubs were represented. Port Macquarie, Coffs Harbour and we welcomed Chris Durkin and his wife from Tamworth, also Rob Marko from down south. Thanks for your support.

As I mentioned above, the humidity was extremely high and I wondered whether it would affect shot or target flight. However, there did not appear to be any noticeable difference in the scores from previous shoots and the clays appeared to fly with their same arrogant disdain of shot.

Because of the unusual humid conditions

# Lake Albert Gun Club Ball Trap Grand Prix

On January 2nd, the first official shooting day of the 2016 South Australian calendar, and after many months of planning, Lake Albert Gun Club, at Meningie, held Series I of the 'Ball Trap Grand Prix'.

In some of the most unkind conditions, nearly 7 squads of competitors still showed up to contest this event. Targets were being blown to high heaven and dropping like rocks by the strongest wind gusts we have seen at the club for years. Shooters patience was tested as the targets danced around in the sky, but a select few knew exactly how to tackle them in the unrelenting winds.

After the 75 targets were shot, there were 2 equal scores which had to be shot off to decide the Overall winner of Series I. When all had gone quiet, the scores reflected the conditions and the results were as follows: I st in C Grade went to Deb McPherson with 49/75 and 2nd to Peter Hampel 48/75. B Grade I st was taken by Damien O'Beirne 62/75, while 2nd was Steve Zadow 61/75. AA Grade went to Robbie Clark with 66/75 and A' Grade was tied at 68/75 between Aaron Zupanic and Martin Collumb who went out to fight it off in gale force winds. After only 2 targets, Martin got a shocker of a bouncing target which finished the shootoff and made Aaron Zupanic the Grand Prix Series I Overall winner to come back for the Final in November.

Those that know Aaron, know that he will be back to try to win another Overall in the Series.

This new Championship works like this: On 6 dedicated Ball Trap days {no DTL} over the 2016 calendar year, competitors are invited to join us at the Club for a 75 target qualifying event. Series 1 {already shot on January 2nd}, Series 2-6 will be during March - August and Series 6 + the Final will be on November 5th.

The idea of the exercise is to win the 'Overall' for more than I Series. There

Grade winners L-R: Damien O'Beirne, Martin Collumb, Aaron Zupanic Series I OA winner, Peter Hampel & Deb McPherson

can only be a maximum of 6 finalists. Each time you win, you, in essence, eliminate another competitor from the final. (win 2 Series and there can only be 5 finalists, win it 3 times and there can only be 4 etc.).

The 'Overall' from each of the Series will be invited back to shoot off in a further 25 target Ball Trap Points Score Final, immediately after Series 6 on November 5th. To take the honours, they must also be the winner of the Final, and for this effort, the winner will receive the Golden Sash as the Title Holder, a generous prize {to be announced}, a trophy to take home for I year and their name will go on to the perpetual Honour Board. Only I name will be added per year as a testament to the tenacity and skill of the winner.

There has been a lot of interest created with this Grand Prix Series and it was great to see a lot of high end shooters taking to the walks in anticipation of that illusive win.

We are hoping that Series 2 on March 5th will bring much calmer shooting conditions for the people who come to compete. We will keep you posted. Good luck everyone.

#### ALBANY CLAY TARGET CLUB JANUARY, 2016

Mother Nature threw just about everything it could at Southern WA in January, from devastating bush fires to extreme rain, but that didn't stop the team at Albany Clay Target Club from putting on a cracker Trap Carnival to kick of 2016.

As is normal in the West the caravans started rolling in as early as Tuesday, all pitching in to make sure things around the grounds were set and ready to go. With the addition of a 4th layout thanks to some local government funding all was set.

Saturday morning was slightly overcast, but none the less was going to be a great day for shooting. Club president Kevin Jones welcomed the 80+ shooters and handed things over to the Honourable Rick Mazza to officially open the event.

Event I was a 30 target Single Barrel, after a brief shoot off for overall Josh Fleay on 35/36 proved too strong for Deanne Blake 34/36. Travis Adams 34/36 won AA Grade from Nathan Biddulph 33/36 and Wayne Kuser took third 44/47. A Grade went to Deanne Blake 34/36 with Siobhan Blake 27/31, making it a family affair at the top of the podium. Vic Irving 27/31 in third. Kevin Jones 29/30 won B Grade from Chis Chant 29/30 and Jordan Crouch 28/34 grabbed third. Eddie Wear 25/30 was on the top step in C Grade and a shoot off Leonie Banks 28/34 edged out Liz Pederick 27/34 for second and third.

Josh Fleay OA winner & winner of 3 events & 4 sashes for the weekend

Event 2 a 50 target Points Score was set to be the one to separate the field and again losh Fleay proved too strong with 148/150 giving him the uncontested High Gun. Paul Pitaro 147/150 won AA Grade with Des Neal 164/168 and Nathan Blake | 63/168 shooting off to fill the last two places. A Grade was claimed by young Jarrod Sharpe 147/150, Dave Palmer 145/150 in second and Robin Bailey 143/150 in third. On fire in B Grade Danny Vrolyk 147/150 got the top spot Emilio Valenti 139/150 and Rodney Barron 143/150 in second and third. The ladies showed the men up in C Grade with Helen Freeman 128/150 winning form Leonie Banks 127/150 and Eddie Wear 125/150 in third.

Event 3 the 50 target Double Barrel was set to see some of the top guns still shooting while

the rest of the field was enjoying a beverage or two. What started as a 2 squad shoot off quickly end up to a group of 5. The eventual winner, and some said he was is too old, Mr Jim West on 203/203 proving those doubters wrong. Terry Malone 202/203 had to settle for the win in AA Grade, Berrnie Biddulph 144/150 in second and with a hand shake Josh Fleay and Traivs Adams split third. Ben Braun 64/65 won A Grade from Mike Voke 78/79 and Jarrod Sharpe 77/79. Again the ladies were too hot in C Grade with Liz Pederick 44/53 just getting the best of Nadene Smedley 43/53 leaving Eddie Wear 40/50 in third.

Done dusted for day one, glasses full and the presentations out of the way it was time for what has become the event that all are keen for, dinner and

William Freni-Lizzi DB Winner & Albany President Kevin Jones

again Cat and her team in the kitchen put a spread fit for royalty. Those desserts left a few looking slightly rounder than when they arrived.

Day 2, again a little cloud cover but set to be a great day. The Albany team were cranking out a full breakfast to the standard of a 5 star hotel. There is one thing for sure you will never go hungry at this shoot.

Event 4 was a quick 10 target cash divide to shake off the ill effects of the night before.

Event 5 a 30 Target Double Barrel, the shoot off didn't make it as far as the previous days double barrel but this time the overall High Gun went to the youngest shooter, William Freni-Lizzi 86/86. Alan Featherstone 84/85 won the AA Grade from Des Neal 72/73 and Terry Malone 67/68. Jarrad Sharpe 85/86 who narrowly missed the High Gun won A Grade from Ken Parsons 43/44 and Gage Karger 33/34. David Levingston 23/33 took out B Grader with Rocco Priolo 29/30 in second and Kevin Jones 28/30 in third. In C Grade Ross Smith 28/30 got one back for the men but only just with Nadene Smedley 27/30, with Jay Waterhouse 25/37 getting third after a shoot off.

Event 6 30 mixed targets, Josh Fleay 75/75 won his 3rd High Gun for the weekend. Berrine Biddulph 73/75 winning AA Grade. Jim West 98/100 shot off with Jessica Price 97/100 for second and third. A Grade was won by Jarrod Sharpe 74/75 who keeping the pressure on the top of the field. Doug Berry 72/75 in second with Siobhan Blake 71/75 in third. Chris Moffatt 49/50 cliamed B Grade from Chris Chant 46/50 and Dennis Cardwell 45/50 in third. Jay Waterhouse 45/50 claimed his first victory winning C Grade from Helen Freeman 44/50 and Ross Smith 40/50 was third.

Event 7 a 30 target points score shot from 18m, this is where High Guns are won and lost. Alan Featherstone 89/90 did enough to win the overall High Gun leaving AA Grade to Matt Shipp 88/90 from Paul Pitaro 87/90 and Garry Smith 89/93. Siobhan Blake 88/90 won A Grade from Mauri Urguhart 83/90 and Michael Simunovich 82/90. Ivan Halbert 77/90 won B Grade, with Gary McCormick 75/90 and Jordon Crouch 74/90 second and third.

Continued from page 58

Eddie Wear 75/90 took top honours in C Grade from John Griffiths 68/90 and Shane Vincent 64/90.

It was nearly safe to say when you win 3 out 6 event High Guns you're in the hot seat for the Overall High Gun and Josh Fleay 416/430 was, but it came down to wire with Paul Pitaro 411/430 winning AA Grade and Mauri Urguhart 411/430 winning A Grade only 4 points behind. Danny Vrolyk 380/430 won B Grade and Eddie Wear 345/430 won C Grade. Siobhan Blake 396/430 won the Ladies High Gun, Geoff Parkes 407/430 won the veterans and also only just 4 points behind our winner Jarrod Sharpe 411/430 won the juniors.

Again the Albany Clay Target Club put on an event to remember. A big thank you to all the sponsors, trappers, handicapers and other volunteer's. The kitchen team again you guys excelled. A big thanks to the one and only lo in the office you keep this event ticking. Lastly to all the shooters and their wives who turn up and make this a great event. We thank you all. Happy shooting and we will see you around the traps again soon.

## ROY SHEPHERD Member No. 6422

Anyone who has been around clay target shooting in northern NSW and southern Queensland between 1960 and 2013 will more than likely have ran into Roy D. Shepherd who joined Richmond River Gun Club in 1958.

It is with sincere regret that we announce that our stalwart and life member Roy passed away on Monday 8th February, 2016, aged 87.

Roy had a world of knowledge about shotguns and shot gunning and was always willing to pass on that knowledge to anyone he could help. Having attained top level off his right shoulder, Roy lost his right eye in a workshop accident many years ago so made the transition to being a left hand shooter and achieved the top level again.

He assisted the Norfolk Island Clay Target Association in its infancy and travelled there for many years.

Despite failing health and eyesight he continued to shoot in club competitions until 2013 and although he is no longer with us, his photograph and story on the wall of our club house will ensure his contribution to this club and to the sport generally will never be forgotten.

## ARTHUR WALKER 26.7.47-6.2.16 Member No. 83740

It is with much regret that I inform you all of the loss of friend and fellow member, Arthur Walker, who lost his battle with an aggressive cancer on Saturday morning.

Arthur was only a member for about three years having wandered through the gate of Richmond River Gun Club one day and announced that he had just retired and wanted something to do that was more

exciting than lawn bowls.

He achieved A grade in his short time involvement with the sport.

He loved travelling to shoots with his caravan and visited places including Roma, Cunnamulla, Surat, Ballandean, Gold Coast, Redcliffe, Caboolture, Coffs Harbour, Glen Innes, Inverell, Moree, Wandoan, Goondiwindi as well as our local clubs Yamba and Grafton.

He had lived a full and interesting life which included playing Ice Hockey, Speed Skating for NSW and in fact was selected for an Olympic team which was cancelled although in Arthurs words, the selection criteria at the time was being able to get time off work and pay your own way. He was a pilot, an abalone diver, a farmer and a successful building contractor. He loved fishing particularly with his two sons and for the last three years loved clay target shooting until his health failed him.

Arthur is survived by his widow Maxine and two grown sons Trevor and Ben and their families.

He was my good friend and I for one, will miss him a lot.

# Flying Continental at Bega

## Bega Gun Club February 2016

Continental and ball trap had targets flying everywhere, at the Bega Gun Club's February shoot, setting the scene for some interesting results for the thirty-two enthusiasts who attended. Visitors came from as far as Goulburn. A glorious sunny day with a hint of a breeze made conditions perfect.

The day's program consisted of 50 targets Continental followed by 50 target ball trap. The Continental opened proceedings, shot in two lots of 25 and utilising both traps. In AA Grade, Alf Niesar almost cleaned them all, winning with a score of 49/50, with Chris Rowland one target behind in second. James Body took A Grade with the only clean score of the day, 50/50, whilst veteran, John Siede shot 47/50 for second. B Grade went to Keith Pearce with a fine score of

47/50, with John Walker collecting 43/50 for second place. C Grade was won by Mark Evans, who shot a score of 46/50 to hold out Simon Buckley by one target.

Bega Club does not shoot a lot of ball trap and this was evident in the scores. Behind it, over it, too late were comments regularly muttered as the unbroken clays nestled into the soft grass. However as all keen

worked at the task! A Grade went to Club Secretary, Phil Body on a score of 45/50 with Alf Niesar scoring 43/50 for second place. Chris Rowland took B Grade with the best effort for the day of 46/50, one target clear of Tony Gray on 45/50.

C Grade provided the only shoot-off of the day when Simon Buckley and Mark Evans tied in the main event. Ever sociable, they both missed the first extra and cleaned up their seconds. The third cleared the air when Mark graciously missed, leaving Simon to pick up a low lefthander to take the prize.

Chris Rowland picked up the

meat tray for High Gun with a tidy total of 94/100 whilst President, Shane Platts, ever mindful of the budget, left the Club with its 300+ and settled for the meat tray in the shoot raffle.

# - 9th, 10th and 11th February 1996 -

We all know the work that goes into getting ready for a State Carnival, and this year was no exception. Phone calls from interstate visitors planning to make the trek led us to believe we were in for a good weekend - weather all week leading up to the carnival just perfect.

Well the proverbial ... "hit the fan", and what a shocker of a day Friday turned out to be. I think the remnants of the tropical cyclone that had wended its way down across Western Australia causing a giant low, combined with a cold front coming across the Great Australian Bight gave us what turned out to be one of the coldest and windiest February days on record (I believe Victoria even had snow on this day). What a day to have Handicap and Double Rise!

Some 98 shooters took on the elements and, although some very sad scores were posted, some competitors still managed to smile, and no one's smile could better the one fixed on Pino Marmorale's face - he won the handicap with a score of 47/50. What a happy man. Adrian Medhurst came in second with 45/50, and Ian Watkins was third with 44/50. Back markers went to Bill Eagle and John Lawrence with 42/50.

The second event on Friday was the 25 pair State Double Rise Championship, and this was taken out by Max Medhurst with a score of 43/50. Max said later at presentation time that he had told his son to take out the Handicap and he (Max) would go for the Double Rise, and they very nearly did it maybe next year!

Presentation of the Mack Family Perpetual Trophy to Dino Oliviero (far left) by Ray and Pat Mack while Graham Michell (S.A.C.T.A. President) looks on.

To those brave souls who camped on the grounds in either tents or caravans, I commiserate with you, for after having spent the night in a caravan kindly loaned to us by Pam and Ron Smith, and being buffeted by the winds all night, I was less than ready for an 8.30am start to the day's shooting.

Weather - slightly less miserable than it was yesterday, the wind having eased slightly, but the forecast is for better weather on Sunday.

First event for the day was the inter-Zone team event, a 25 target Pointscore, Central Zone once again taking out the Curtis Memorial Shield with team members Dino Oliviero, Peter Hendy, Peter Quire, John Byrnes, Phil Mules and Kevin Polst. Central Zone Ladies won their section with Sue Byrnes, Lisa Smith and Sissy Thompson, and Eastern Zone took out the Junior section with Adrian Medhurst, Hugh Cameron and Andrew Beelitz. Lastly the Eastern Zone also took out the Veterans section with Phil Johncock, Keith Mules and Ron Burton in their team.

The 60 target Champion of Champions event was the first major event for the day, and the overall winner here was Dino Oliviero who shot a 125/125.

S.A. Open Team: (back row, left to right) — C. Bentley, P. Hendy, A. Rohrlach, P. Hall, C. Smith, J. Byrnes, J. Finis, M. Medhurst; (kneeling) — D. Oliviero, R. Andrews, R. Dower, D. Lymn, P. Green. (Absent — F. Agostino, R. Walsh)

John Richichi, shooting 130/130, took out the 50 target State Double Barrel Championship along with the Winchester Perpetual Cup which is shot for on this event each year. In conjunction with this event is the South Australian Club Team of the Year trophy, and this year the International Gun Club's team of Peter Marcoionni, Peter Hall, Frank Agostino, Dino Oliviero and John Richichi took out this award, shooting a score of 241/250. Lisa Smith, who shot a 49/50, took out the Winchester Junior Cup for S.A. Schoolboys/girls.

Missing out on the usual Saturday night "eat out" with our local crowd saw just a few of us dining out at the Stoneyfell Winery with the Korean Olympic Shooting Team, who just happened to be in Adelaide for three weeks preparing for the Olympic Games later on in the year. Dot Trindall (Australian Ladies Double Trap Team member), down from Brisbane to train along with the Korean Ladies Double Trap team, joined us at the dinner and a most enjoyable evening was had by those who were in attendance.

Sunday - weather fine, and it kept improving all day. An

# SPORTING CLAY CHAMPIONSHIP

### Seccull Succeeds at Wangaratta

# A very warm and fine day greeted 30 shooters who visited the Wangaratta Clay Target Club on Sunday 14 February to take part in the monthly 5 stand, 100 target championship.

Several new members from the Field & Game Assocn joined up on the day, all adding to a wider pool of shooters with different skill levels enjoying the top rate facilities here at the Wangaratta complex.

The traps all functioned well during the day and the targets were excellently set by a small group of local members, dedicated to the sporting clay discipline, early in the morning. The club appreciates the efforts of their willing band of volunteers in all three disciplines whom do lots of behind the scenes work on a regular basis. Without this group of special people working harmoniously together, the club would not function.

An unbeatable tally of 92/100 resulted in A grade shooter Brodie Seccull, winning the overall title on the day. Regular and super keen competitor Alex Mikolajewicz won 2nd in A grade on 86/100, another great score. AA grader Brett Jory shot a superb result of 90/100 winning A, followed by Mark Reynolds on 85/100. B grade was expertly won by Terry Pigram 84/100 and

2nd place to Ian Auranaune on 82/100. Nice to see lady top shot Angela Kloppenborg put in a winning score of 80/100 giving her the C grade sash and 2nd place to Adrian Connell 71/100.

Wangaratta is now shooting 5 stand competitions the second Sunday of each month and holds practice sessions each Wednesday and Saturday's excepting the third Saturday of each month.

### Grainger Top Shot

AA grader Phil Grainger put in a terrific display of his excellent shooting skills at Wangaratta Clay Target Clubs February Championship events on Saturday 20th. Phil went home with an armful of trophies after winning both events and the overall High Gun. Scoring 149/150 in the 50 target points score and a clean 135/135 in the 50 target double barrel c/ship after a shoot off against AA grader John Wojcik 137/138.

Other results for the day in the points score were 2nd place in AA to John Wojcik 148/150, and the A grade sash was nicely won by Gordon Twamley 143/150 ahead of Greg Rowe 140/150. Veteran shooter Jim Kelly took out 1st in B grade 154/165, placing Neville Bussell in 2nd on 151/165. Junior

up and coming top performer Jack Sandral achieved 132/150 winning C grade and lady shooter Jessica Goodall won 2nd place 125/150.

The 50 tgt double barrel saw Euroa allrounder John King remaining in control in A grade, with a perfect result of 52/52, one target ahead of John Vardanega 51/52. Local shooter and club sponsor Tony Ruvolo – Winsec, performed well in B grade with a score of 48/50, leaving Graham Coyle, our hard working ground curator in 2nd place 50/53. Michael Rowan took out C grade on 49/50 and Jack Sandral 44/50 in 2nd.

The clubs March DTL shoot has been cancelled due to duck opening on the same day. The High Guns were awarded to Phil Grainger overall, Bob Leita Veteran & Jack Sandral Junior.

# VCTA North East Zone Tower Points Score at Mathoura

A Victorian North East Zone, Night, Tower Points Score Championship was the main event for the January 2016 shoot at the Mathoura Gun Club Inc, and fortunately although there were storm clouds everywhere and rain was forecast, it did

hold off until after the shoot. If you are looking up in the sky for tower targets, especially in the night, rain is definitely not an asset. And although it was extremely humid and warm, because there was no wind at all, it really was a good night for clay target shooting, and there was a reasonably good roll up of competitors

to take advantage of the situation. Shooters came from a fairly wide area to compete, including Numurkah/ Shepparton, Echuca, Cohuna, Deniliquin and Walmer.

Event One was a 15 target Trap Night Points Score Cash Divide and although not one shooter managed a full score of 45, Echuca's Mick Keirl managed to lose

just three points, and that score of 42/45 earned him all the 1st place cash. Cohuna club member Geoff Hogan shot a 40/45 score earning him all the

Right: Geoff Hogan C Grade Tower 1st

2nd place cash, and third place went to Num/Shepp member, Colin Finn, who recorded a  $39/45\ \text{result.}$ 

The second Event was a 10 target Night Tower Points Score Cash Divide, and this time there were two shooters that shot a full score of 30/30 and they were Deniliquin's Bruce Cook, and Cohuna's Geoff Hogan, congratulations Bruce and Geoff, and you two shared all the cash divide.

Finally, the last event, a 25 target Victorian North East Zone, Night, Tower Points Score Championship. And without

Score Championship. And without the need of any shoot off's all grades were finalised, the Overall Winner and 1st in A Grade was Num/Shepp member Peter Finn, having shot a perfect score of 75/75, well shot Peter Finn, congratulations! B Grade 1st placegetter was Cohuna's Julie Hogan, Julie scored a 64/75 for her win, and the C Grade 1st placing was awarded to Cohuna's, Geoff Hogan having recorded a massive score for a C Grade shooter of 72/75. Well shot Geoff, B grade not far away by the looks of it?

Unfortunately because two tower events take a lot longer than two DTL

events, the night progressed on, but having run smoothly all night the eleven pm finish was fairly respectable, and there certainly was not one shooter complaining of the late finish, all having enjoyed the shoot.

# The Squire reports from West Wyalong

The first shots for 2016 were fired on the fourth Sunday in January at the West Wyalong Clay Target Club on quite a pleasant summer's day. There was a slight breeze affecting some targets but it was beneficial in keeping the flies away.

There were three squads in attendance with new shooter Ben Sweetland coming over for the day and Mr and Mrs Fairman's boy, Ben was down from Dubbo.

Craig McVittie often comes across from Canberra for the day and John Rourke announced this shoot was to be his swansong as he was returning to Western Australia. Club members wish him well in his return to the land of the sand gropers.

Bruce Dent turned up with his Christmas present to himself, a nice looking Perazzi although he was heard to complain during the day that he was having trouble working out the second barrel.

As there was no morning program, Graeme Fairman had the barbecue going for early arrivals and Ann Fairman and Angie Dent looked after the kitchen.

The day began with a 10 Target Eye Opener and as the breeze was picking up only three shooters; Craig McVittie, Clive Foster and Graeme Fairman were able to score the maximum 10/10.

Event two was a 50 Target Points Score Championship shot in two vis-

its to the trap. Craig McVittie made his trip from Canberra worthwhile being the Overall winner with a score of 146/150. AA Grade shooter Ben Fairman, 173/183 survived a shoot off with Clive Foster to claim his grade and Ben's old man, Graeme Fairman made it a double for the Fairman's taking out A Grade. Scottie Brydon 135/150 was the B Grade winner and Ben Sweetland 119/150 won C Grade.

Graham Duncan is very difficult to beat in handicap events and it proved to be the case on this occasion when he shot the only 25/25 to win the 25 Target Handicap event. Ben Fairman 23/25 was second and John Rourke 23/25 lost the toss and came third.

It did not take long for experienced trap mechanic, Clive Foster to set the trap up for double rise and after a typical delicious West Wyalong Clay Target Club afternoon tea squads were called for 20 Pair Double Rise.

Clive Foster 38/40 showed his formidable skills in the event winning from Graeme Fairman 28/30 in A Grade and Scottie Brydon 31/40 in C Grade.

Clive Foster was also named as High Gun for the day with his score of 190/125.

Shooters stayed around for a while having a drink afterwards and it was noticeable that Craig McVittie helped the local boys pack up much appreciated.
