## 2016 GUN OF THE YEAR

### Krieghoff “Terra Australis”

At the IWA in Nuremberg, gunsmiths, engravers and stock makers exhibit their skills. Every year a different Krieghoff model is manufactured, showcasing the superior craftsmanship in the form of “Gun of the Year”.

AUSTRALIA – The world’s largest island, a continent in its own right – is home to an abundant range of beautiful and unique animals with many of them featured on this masterpiece.

The side plates host two of the country’s iconic landscapes, Ayers Rock (Uluru) and Sydney’s famous Opera House and Harbour Bridge.

The Golden Wattle, Australia’s national flower is depicted throughout and dominates the pierced top lever. The delicate details of over 20 animals, highlighted by splashes of enamel and white, rose, yellow gold accents have been beautifully captured by the world renowned engraving studio, Creative Art.

“Terra Australis” – the name given to this exquisite creation and worthy of the title – 2016 Krieghoff Gun of the Year!

# Vice President Reports

President Robert Nugent is travelling and has asked if I could write this month's report on his behalf.

There has been good feedback in regard to the move to a company limited by guarantee, the executive have been briefed on the information received and they are considering those recommendations as well as ensuring the requirements of the Association are met.

A draft should be available midyear with the suggested changes including registered shooters being able to attend the AGM and Clubs voting at the AGM, two of the most debated subjects. The Association continues to work with our legal representatives to ensure we are always compliant with our statutory obligations.

## National Championships

The Association will be monitoring the overall results of all National Championships in 2016 to gauge the success of a number of changes in the program. Finding a balance in prizemoney and overall cost is important, we believe we are very close to achieving that balance. The cost of sending World Teams is something we also need to consider. The World DTL in Ireland in July 2016 now features a Veteran and Super Veteran category, an additional three members to the previous World Teams.

## New Zealand CTA/Glenn Shield

The ISSF Junior Glenn Shield featuring the Calrossie/McKenzie trophy was shot in New Zealand in February with the Australian Team consisting of Adam and Sam Bylsma taking out the event. We wish to highlight the importance of the event and the co-operation of the NZCTA. The event was initiated to ensure Junior's had a reward for effort and encouragement to shoot ISSF discipline and foster the shooting relationship with the NZCTA. This year we had only two members of a three man team, with one member being a late withdrawal. New Zealand offered to change the rules slightly to allow the best two scores by Australian Juniors to be placed against the two best New Zealand scores to ensure the event went ahead. We appreciate the gesture of the New Zealand Association to ensure that the event continued.

We will as an Association, do everything possible to assist the event as does the NZCTA. The boys were provided with ammunition to shoot the NZ National event at no cost and enjoyed the hospitality provided over the course of the event. The boys represented the ACTA with pride and we congratulate them on their performance.

## National Executive Meeting

The annual meeting of the National Executive will be conducted

in June following on closely from the Skeet Championships. The meeting will look at the strategic plan, the constitution, business plan and budget as well as addressing the issues of the conduct of the sport. It is time for registered shooters, Clubs and States to meet at their respective levels to put forward agenda items to this meeting. These items should be directed through the appropriate channels to your State delegate. Now is the time to put forward any suggestions, changes or recommendations.

The process of dealing with these items: These items are then collated by the Executive Officer for inclusion on the sub-committee agenda for discussion. All agenda items should be placed on a briefing paper to assist the committees in making decisions based on written information that is clear and concise. There is an opportunity for the members of the Executive to read through the information provided and decide on the proposal put forward whilst also considering the ramifications and alternatives. At all times the Executive are looking at the big picture and deciding "Is this in the best interests of the sport and the Association".

Obviously the answer needs to be yes to progress the items with a recommendation to the full Executive meeting. At all times the Executive make decisions based on this criteria, as is their fiduciary requirement. This upcoming meeting is very important and significant for a number of reasons, the proposed Constitution will be discussed at length taking into account the information received at and following State meetings in relation to the Constitution. The consensus from the States is that clubs agree with the Association moving to a company limited by guarantee. This being the case we can progress the Constitution to a working document that all members can agree to. I am sure once the document is completed and agreed to then that is the last time the average member and club will look at the document. The Constitution is not something to be feared, it is the "rules" that we as an Association abide by.

The other important issue we currently have on the agenda will include progressing with the National Ground and preliminary planning for the World DTL in 2018.

The Worlds in 2018 will be an opportunity to showcase the Association and the strength of the sport in Australia. Our results on the world stage have always been very consistent, we have numerous world champions at all levels, with the "home ground" advantage it would be great to be on the top of the podium for all of the team events. With the depth of talent in all categories of the individual events we also expect to be at the top of the podium.

*Malcolm Dyson*

# Executive Officer's Report

The ACTA has been very active heading towards the World Championships in 2018. The National Ground has had drainage installed and progressed bids for funding with local State MP Darryl Maguire and Federal Member for Riverina, Michael McCormack. The result of these discussions will be followed up with separate submissions to the respective Governments for funding to bring the National Ground up to national and international standard. This would allow the ground to host international events including World DTL, Australia Cups and Grand Prix events on the international calendar.

Riverina Water County Council has recently agreed to a two-year sponsorship with the ACTA leading into the World Championships to allow the Association to irrigate the ground, thus ensuring a greater coverage of green grass around the site. This will also allow the Association to landscape the grounds into a more attractive venue not only for the sport but to attract "outside" income for the use of the ground and hopefully the new club house.

All of our current Trap sponsors have committed to the ACTA National Championships up to and including the 2018 Championships. These sponsors will be offered the first opportunity to sponsor at the World Championships in 2018. I meet with individual sponsors yearly where possible, although we talk often which gives both parties the opportunity to discuss innovative ideas and options that will be mutually beneficial. I wish to thank all of our sponsors for their professionalism and support of the Association. The ultimate winners are the shooters who are the recipients of all of the sponsorship product and money received in sponsorship.

The National Skeet Championships are on the horizon with nominations now being taken online through the ACTA website. As well as the National titles on offer there is also an ACTA Team to be selected to attend the World Skeet Championships in the US in October. The event has been growing substantially over the past few years and this is a credit to those long time Skeet attendees who contribute to the Nationals every year. A new skeet house has been built on the number one layout with the Wagga Pistol Club agreeing to close the range for the week of the Championships. This will allow the event to grow further into the future.

We have now started preliminary work on the World Championships with dates, times, venue, accommodation, travel options, all to be included on a brochure to be distributed in Ireland and added to the "World DTL 2018" page on the website. We are leaving nothing to chance as we prepare to host the event. The ground will boast 20 DTL Traps in 2017 allowing more participants for the Nationals and the World event.

Wagga City Council has agreed to partner the Association through Tourism Wagga Wagga. The staff of Tourism Wagga Wagga has met with National staff to plan the event which will be themed as a "multicultural" event.

*Tony Turner*

## Rule Interpretation

Earlier this month I was asked to give an answer to the following scenario.

**QUESTION:** A skeet shooter is on station 7 shooting doubles, he calls for the targets which are released and appear to be legal but then does not fire a shot at either target. He then admits to the Referee that he was lining up to shoot 7 high not 7 low.

There appears to be three options open to the Referee. One – does he accept that the shooter has refused the targets, not fired at either and restores both targets to be determined by a proof pair. Two – that the first target is lost and that a proof pair to be thrown to determine the result of the second target only or as a third choice, that both targets be declared lost.

Can you please let me know which Rule is relevant.

Incidentally the Referee made the decision to declare both targets lost.

### **ANSWER:**

Your second option is the correct one.

Had the shooter not admitted to being negligent in selecting the wrong target to shoot at, the Referee could have declared NO target and a proof pair be thrown to determine the result of both targets.

In this instance, because of the shooter's neglect, Rule 5.08(b) LOST target is the relevant rule.

### **5.08 LOST TARGET**

Lost target shall be called when:

(b) The competitor fails to shoot because his gun is unloaded, or because the safety was incorrectly set or jarred back, whether from his oversight or not, **or because of any other cause chargeable to his oversight or neglect (no target shall be allowed for the first target of any visit to a trap if a safety catch is engaged). Should this happen in doubles, the first target only should be declared lost and a proof pair shall be thrown to determine the result of the second shot only.** However, a shot shall be fired at each target in the proof pair.

The decision made by the Referee was incorrect.

## ACTA NEWS

### DISPUTE RESOLUTION

Dispute resolution is never far from topics discussed at any level of sport as we experience different opinions, likes and dislikes.

As I see it there are nearly always two scenarios. The dispute either revolves around the sport itself or the administering of events, generally those that occur at Club/Zone or State level.

Your response will be different depending on the circumstances.

The shooting rules should be used when a dispute arises during an event. This applies to all ACTA members.

For issues after the event has concluded your Constitution (and Natural Justice) should be your guide to solving issues.

When an issue arises it should be dealt with as quickly as possible, firstly by getting the parties concerned to sit down calmly for discussion. It may not be possible to have both parties in the same room, so the opportunity to hear both sides of the story separately should be offered by your committee.

The committee may then make a recommendation and ask both parties to attend and advise them of the decision.

The decision of the committee should take into account the seriousness of the offence. Should either party not be happy with the result they may appeal the decision. The club should then set up an independent tribunal to hear the appeal.

Importantly you should always be guided by your Constitution and Natural Justice. Everyone involved should have the expectation they will be able to be heard without bias.

Many issues can be sorted quickly and amicably with consultation and a calm approach.

Above all use the system to ensure you abide by your Constitution and the laws of Natural Justice.

# South Australian State Titles

STATE SHOOTING PARK

FEBRUARY 4TH, 2016

Thursday February 4 has arrived again and the State Shooting Park was already buzzing with the usual caravanners and campers arriving to take up a vantage point for the annual South Australian Clay Target Association State Carnival, before the games begin tomorrow. The weather gods were kind to us this year with mild to warm temperatures forecast as opposed to the 40 – temperature of the last 2 years.

Trade stands were being erected and filled with heaps of exciting stuff for everyone to go through. Members of the State Championships Committee were busy out there setting the angles, heights and distances on all the traps and then the shooters came through to have a day of practice on the various layouts that they'll be using during the Carnival. Shooters that hadn't seen each other for ages were seen all over the park having a good laugh, telling stories and catching up on the last 12 months. Even the office was a flurry of activity as we made sure everything was in readiness for tomorrow, especially that all the lollies were in their respective bowls for the staff!! As is always the case here at our State Shooting Park, venue caretaker & curator JoHanna Brown together with ICTC President Mario Pulverenti have spent an enormous amount of time behind the scenes preparing everything so that the competitors can come and have a great 3 days of competition without a worry in the world. Congratulations and well done again guys!

Attendances from nearly every State this year came in at a record 210 guns over the 3 days of competition, all vying to try their skill at claiming one of the many 'Red' State sashes that were on offer. Lurking around every corner and walking amongst us were some of the best shooters in Australia waiting to pounce and claim one of the available State titles. Most interstate visitors came in with their families for the events, and this certainly made for a large crowd of onlookers and a great ambience at the grounds.

Early on the Friday morning from 6am, the officials were running around in a flurry of activity while final checks were done on the layouts. To this part, a word of thanks has to go out to the Chair of the Championships Committee (Steve Baynes) and his committed team for overseeing trap set-ups over the 3 days. Even the office was prepared for the rush of shooters at the ticket window. With nominations and squadding on cue, right on 9am sharp, 169 competitors started to get called and filed their way out to the walks to contest the 25 pair State Double Rise Championship. Conditions were calm with only a light breeze and temperatures around the low to mid 20's. However, by the time the shoot-off's started, it was a bit blowier which made the targets a little tricky for the shooters. It was over fairly quickly and when

the final results came in, they looked like this: C Grade 1st went to Nicholas Barnes with 50/70, while 2nd was Zoe Hawker 49/70. B Grade winner was Glenn Wilkinson 39/50 and 2nd went to Wayne Shaddock 37/50. 'A' Grade was taken out by Alexis Preston 44/50 and 2nd was Peter Digiannantonio 51/60. AA Grade 1st went to Craig Kelly with a 47/50 and 2nd was Stewart Forbes 55/60. The 'Overall' was taken by Ross Walsh with a well shot 49/50, sadly missing only his very last target and this meant earning Ross a 'Black Crow' badge. Veteran winner was Robert Andrews 44/50, Ladies was Alexis Preston 44/50 and the Junior went to Mitchell Iles 45/50.

Squad sheets for the 50 target State Handicap were already out so everyone started getting kitted up and at 12.30 we started the rounds to get through 33 squads of shooters. Chilled water made its way out to the grounds to keep everyone hydrated. As everyone came off, they were 3 + 4 deep at the scoreboard to see what the damage was, and how they had fared up. Conditions started to change as we got a bit further into the day with the afternoon winds that prevail here

to contend with. Eventually, everything went quiet and the shoot-offs went to the grounds to decide the top 10 positions. The greatest thing to see was that the top 2 positions were being shot off by 2 juniors. The crowds gathered around the fences to watch for a result while these 2 guys went target for target. Final results for the State Handicap were like this: 10th place – Craig Kelly 46/52, 9th place – Jack McInnis 47/52, 8th – Sox Pilipiadis 51/56, 7th – Colin Dunn 53/58, 6th – Ashley Hawker – 54/58, 5th – Vince Petraccaro 47/51, 4th – Peter Quire 51/55, 3rd – Nicholas Barnes 52/55, 2nd (after a great shoot off) went to Will Smithwick with 60/63, and taking the 'Overall' as well as earning himself an extra 2 metres was Will Jenkins with 61/63. A great day with everything over by 6pm.

As the 1st day drew to a close, everyone headed out to some of the local hotels and eateries for a well earned break and to get refreshed for the start of the qualifying events on the Saturday morning.

Saturday morning started bright and early right on 8.30 and the first event to greet the 34 squads was the State Single Barrel Championship in near

perfect conditions. On the grounds, there was a heap of activity around the trade stands and everyone was enjoying the Carnival atmosphere and the warm sunshine. As the shooters came off, they were all hanging around the scoreboard to see if there were any 'red' scores. 6 competitors shot the perfect score and went to fight it out for the title. When all was said and done, C Grade 1st was Nicholas Barnes 46/50 and 2nd went to Will Jenkins 43/50. B Grade went to Frank Kentish on 44/50 and 2nd place Wayne Shaddock 43/50. 'A' grade was Kelvyn Prescott with a 48/50 and 2nd to Elio Marianello 74/50. AA winner was Mark Davis 57/58 and 2nd went to Justin Smith 53/54. The 'Overall' State Title was taken by Tarryn Shaddock after a shoot-off, scoring 58/58. Great effort! Veteran winner was Rito Borzillo 49/50, Ladies went to Lisa Hawker 47/50 and the Junior winner was Tarryn Shaddock 50/50.

Most of the competitors got to have a small break here while the South Australian Zone teams came out to contest their titles. The 25 target event was shot as a Double Barrel with a point's countback and the final count's look like this: Open winners were Central Zone with 124 targets shot out of 125 and 364/375 points. Team members were Robbie Clark, Dennis Lymn, Michael Veenstra, Jack Tapscott and Luke Higgins. The Veteran Team winners were also the Central Zone with 71/75 targets and 209/225 points. This team was made up of Rito Borzillo, Max Pontifex & Frank Caltagirone. The Junior winning team was Eastern Zone on 71/75 targets and 208/225 points. Team was Fred Wheaton, Claire Wheaton & Will Jenkins. Eastern also took out the Ladies with 71/75 targets and 204/225 points. Team was made up of Heather Ryan, Deb McPherson & Sue Crane. Well done to everyone that competed and congratulations to all the Zone winners.

Then, the battle was on for the State Double Barrel Championship. 208 competitors took to the walks to see who was capable of concentrating long enough and

how they would fair up in this 50 target event. There were murmurs that there was going to be a heap of 'red' scores on the board and some long shoot-offs but it wasn't to be. The conditions deteriorated during the afternoon with those head winds coming back and the targets rising rapidly. As the crowds watched from the fence line, everything was over reasonably quickly and there were no really high breaks to be had. C Grade 1st went to Nicholas Barnes 53/57, 2nd was Sean Coffey 53/57. B Grade was Wayne Shaddock 1st on 49/50 and Jack McInnis took 2nd 52/55. 'A' went to Anthony Caltagirone 70/71, with Beth Hayden taking 2nd 51/52. AA was taken by Steven Trembath 86/87, with Jordan King picking up the 2nd placing on 70/71. The Double Barrel 'Overall' State Title 'Red Sash' and State silver medallion went to Darryn Nicholls 87/87. Veteran winner was Rito Borzillo with a perfect score of 50/50; Junior went to Jarred Nicholls, on 52/52, and the Ladies winner was Beth Hayden, also on 50/50.

Shot in conjunction with the State Double Barrel event was the (SA 5) Club Team event (5 members registered with the same SA Club). Runner up for the event was Port Augusta on 240/250 and the outright winner claiming the honours was 'Elsewhere Clay Target Club' shooting 244/250 targets. Team members were: - Steve & Deserie Baynes, Martin & Ross Collumb and David Porter.

When the shooting had finished for the day, everyone headed for the showers and to get changed for the presentation dinner. Awards and prizes were given out for the first 2 days of competition with all the major sponsors present to say a few words about themselves, their sponsorship and to congratulate the winners of their events. Our Saturday night dinner was a cold buffet this year as we went through the official part of the night. After a few words from former SACTA President Bronte Evans, the 'Presidential' medal was presented to recipient (past) SACTA and ACTA President Allan Vilcins, for his many years of continued service, support, commitment and outstanding contribution to the sport of clay target shooting in South Australia. In the absence

of our Patron, Judge Kelvyn Prescott, past President Bronte Evans once again was called upon to say a few words about SACTA's annual Junior Scholarship award. This year the panel decided it would be Jack Tapscott receiving a \$1,000:00 contribution for the betterment of his shooting skills. Certificates of appreciation were presented to retired State Executive members Ted Stringer, David Jones & Frank Kentish for their years of service on the Board.

This year, our SACTA Hall of Fame inductee (over 2 disciplines) was Ray Kimber. Due to family commitments interstate, Ray was unable to be present and with Ray's consent we will present his Blazer and certificate during the March Skeet Carnival. Outgoing State President Bronte Evans welcomed incoming President Michael Veenstra and presented Michael with his President's medal to take over the reins of the Association here in South Australia. The State Executive and members wish Michael smooth roads ahead as he melds into this position. Deb McPherson was presented the State Secretary's medallion and officially welcomed as she takes over from long serving former State Secretary Deserie Baynes. Congratulations to everyone after a great night of awards. After all the formalities and dinner were over, a few stragglers settled in for a relaxing night with a few drinks before heading off.

Sunday morning arrived and everyone was getting anxious. With an 8am start 18 competitors that had won an Overall State Title during 2015, were invited to compete in the prestigious Ray and Pat Mack perpetual trophy shoot. Ray and Pat are now in their 28th year of hosting and presenting this great event where every shooter strives all year to win an Overall State title and secure a spot to compete and take home this much sought after trophy. A 30 target event consisting of 5 Double, 5 Single, 5 Points, 5 Handicap & 5 pair Double Rise, competition was strong and

at the end there was only 1 point in it with the winner being announced as Tony Arvanitakis on 39/40. The State Executive and shooters would like to extend their thanks to Ray and Pat Mack for putting this on every year. Well done!

Straight after the Trophy shoot, the final qualifying event was on the program. The 50 target State Points Score Championship got underway: this is the event that can make or break team selections. Once again, the event started in near perfect conditions with only a light breeze and temperatures hovering in the mid 20's. A record 210 shooters came through to compete this year which is a good indication that the sport is growing. Competitors were all nervous now to see where they stood amongst the rankings for the teams and High Guns as there was only 1 perfect score for this event. When all went quiet and the numbers were counted, these were the results for the Points Score: C Grade was again taken by Nicholas Barnes having a great weekend 149/150, 2nd went to Will Jenkins 144/150. B Grade was Brandon Del Giacco 1st 136/150 and 2nd was Vince Petraccaro 134/150. 'A' Grade winner was Sam Daou 148/152, with 2nd going to Tom Jenkins 147/152. Craig Bentley went 1st for AA Grade 184/186 to Justin Smith 181/186 for 2nd. Overall State title went to an emotional Wally Clarke who shot the only perfect score 150/150 in blustery conditions. Rito Borzillo took the Veterans 148/150, Ladies was Deserie Baynes 145/150 and the Junior was Jarred Nicholls 149/150.

There was a slight pause in shooting so

that presentations for both the Ray and Pat Mack trophy and the State Points Score Championship were done so that the Postal Teams matches could get under way to decide who would be going to Wagga to represent South Australia. The 3 day High Guns were also presented and the recipients were: Junior – Mitchell Iles 325/350, Ladies – Beth Hayden 333/366, Veteran – Rito Borzillo 328/350, C Grade – Nicholas Barnes 324/350, B Grade – Wayne Shaddock 303/350, A Grade – Beth Hayden 335/366, AA Grade – Craig Kelly 336/350, and the highest award of Open High Gun went to Sox Pilipasidis with a fantastic score of 337/350. Congratulations to all of these winners who continually strive to get these outstanding performances.

At this point we would like to sincerely thank all of our generous sponsors for supporting our State DTL Carnival this year. Every shooter knows that without their involvement, contribution and support, these events would not be possible. This year we take a bow to Sox from Kreighoff (Clay & Hunt), Greg from Beretta, Filippo from Perazzi, Tim from Winchester, Greg from Fisher Firearms, Deb & Len from BronzeWing Ammunition, Daniel & Graham from Falcon Cartridges, Martin from Collumbo Shooting and Rob from Marsh Insurance. We would also like to thank Bob and Linda Andrews for their contribution of the very sought after silver 'State' badges. Thank you all so very much for making our State event a success.

Finally, we appreciate and acknowledge the assistance of all the behind the scenes quiet achievers that gave of their time. Workers that were running around everywhere in the office, on the grounds and in the clubhouse and kitchen. All of these helpers also contributed to making sure that everything ran like clockwork. On a last note, thanks to all the shooters that participated and traveled to compete and helped make it a great weekend.

We hope to see you all again in 2017.

## Craig Kelly, Wimmera Sports Star of the Year

Wimmera shooter Craig Kelly has capped off a terrific 2015, winning the Wimmera Sports Star of the Year award.

Graig Kelly with Horsham Sports and Community Club's Elaine Breuer

He joins a host of high-profile athletes from the region who have previously claimed the award. Kelly described 2015 as a year he could not have anticipated.

"It was one out of the box," he said. "If someone had offered me half of what I had won at the start of the year, I would've taken it."

In March, Kelly took part in the National Trap Championships in Wagga Wagga, snaring one of five positions on the Australian team.

Fellow Wimmera shooter Wayne Hawker finished just one target shy of Kelly, earning the

honour of first emergency for the team.

The Australian Glenn Cup squad will travel to New Zealand as the two countries continue a growing trans-Tasman shooting relationship.

"It's a dream come true to have a chance to shoot in an Australian jacket," he said. "To make the Glenn Cup team was unexpected, but I'm very proud."

Kelly's achievements in 2015 make him the sixth Wimmera shooter to have worn the green and gold and he hopes the quality of shooters in the region can help raise the profile of the sport.

At the Award presentations Kelly said. "To sit here tonight and listen to those who were nominated – some great athletes and some great people it means the world to be recognised by the Horsham community."

While Kelly emerged with the main prize, he was beaming with pride at the

quality of sporting talent the Wimmera has produced.

"I watched a water skier get an award tonight, and I watched 17-year-old girls get awards for netball," he said.

"We've done very well with our sports in Horsham. I think we're doing very well to produce the champions we're producing."

Kelly said despite the quality of 2015, he hoped to continue his good form early in 2016. "I'd love to perform well in New Zealand and come home with the win for Australia," he said.

## Wayne Hawker to join Australian Team

In late news, the Wimmera will boast two of the five Australian shooting representatives at the Glenn Cup competition in New Zealand after Kaniva's Wayne Hawker received a last minute call-up. He will now join Craig Kelly at the event after another team member withdrew.

Wayne Hawker

After missing out on the team previously, Hawker said it was a great honour to finally reach one of his shooting goals.

"It's everyone's dream to get an Australian jacket," he said. "It's one of our main aims. I'm really looking forward to the competition."

Hawker said there would be nerves at the competition, but hoped he and his Australian teammates could emerge victorious.

"A win is always better than second place." Hawker's appearance in the Australian team means he can reduce the deficit he has to his wife, Lisa.

"Lisa's been an Australian representative twice so she's been two up on me, but now I've got one back," he said.

Hawker will join Kelly at the 2016 Nationals in Wagga Wagga at the start of April, where there is a trip being offered for the World Down the Line Championships in Ireland.

# 4th Annual Marconi Falcon 100

MARCONI CLAY TARGET CLUB

FEBRUARY 21, 2016

On Sunday 21st of February, Marconi Clay Target Club held its Annual Marconi Falcon 100 shoot, in conjunction with our Marconi 400 Teams Event. The shoot consisted of 22 full squads, 125 shooters. A very good turn up for a one day shoot. Nominations were opened by 8.30 am and all shooters were ready and anxious and had their eyes on the prizes. Weather was hot, 33 degrees slight front wind pushing all targets up. Cloudy and Sunny, very difficult to spot all targets coming out from every angle of the trap.

After a great day of shooting four possibles emerged at completion of the 100 targets, good shooting and some great scores. Congratulations to Nick Xenos, winner of the

Marconi Falcon 100 with a score of 103/103 after a short three target shoot off. Nick took out First Overall winning a Beretta

# 2016 Victorian ACTA

Fifty-two of Victoria's best sporting shooters braved a very hot day to compete in the 2016 State Championships. The day ran smoothly thanks to all who readily volunteered to referee and score, as well as those keeping traps operating. The administration staff languished for the better part of the day in the air-conditioned office, but did venture out to shoot when required.

Praise must go to the members who set up the 2 clay challenging grounds on Friday so that all was ready to go at 9am on shoot day. The vast majority of competitors heaped

praise on the targets that were offered and a number of 25/25's were recorded throughout the day. As the day moved on it was noticeable that shooters were slowing

down as the 38 degree heat took hold. The canteen staff ensured that there was a plentiful supply of cold drink and food for all.

The outstanding effort on the day was the brilliant 97/100 shot by Jack Gibbs. Jack was happy to receive the Silver Victoria Badge and the red Overall sash in the discipline that many believe is the most difficult to shoot. Not far behind on 95/100 was Robbie Hall, followed by "Dad" Peter and Reece Turner

on 92/100. After a shoot off, Peter joined Jack and Robbie as Victoria's very formidable State Shoulder to Shoulder Team.

A Grade resulted in a win for Maryborough's Jim Sawyer on 87/100 from consistent Bendigo shooter Shane Pannell on 84/100. Jim's win also earned him a promotion to the AA ranks. A score of 80/100 resulted in a win for Peter Finn in B Grade. Second placing went to Glen Pitcher on 75/100. Junior Bendigo shooter Lachlan Moran was ecstatic with his win in C Grade with a score of 85/120 over another junior in Nathan Stuchbree, only 2 targets behind.

Lyndall McNeill was placed first in ladies with a great 81/100. The veterans went to Bendigo member Bruce Billing on 77/100 and the winning junior was Maryborough's Rieley Fitzgibbon with a score of 68/100.

Results: O/A & AA: J. Gibbs 97/100, 2nd: R. Hall 95/100, 3rd: P. Hall 101/110.

A Grade: J. Sawyer 87/100, 2nd: S. Pannell 84/100, 3rd: P. Rhodes 82/100.

B Grade: P. Finn 80/100, 2nd: G. Pitcher 75/100.

C Grade: L. Moran 85/120, 2nd: N. Stuchbree 83/120, 3rd: P. Moran 62/100.

Veterans: B. Billing 77/100, Juniors: R. Fitzgibbon 68/100, Ladies: L. McNeill 81/100.

Victorian State Shoulder to Shoulder Team: J. Gibbs, R. Hall, P. Hall, Res: R. Turner.

# New South Wales Gun Club Anniversary

**FEBRUARY 2016**

Saturday the 13th started off as a foggy morning but by 9 am the sun was beaming and looking forward to a glorious 33 degrees, with the bacon and eggs flowing as well as our coffee van in full tilt, the grounds looked immaculate with hard work by our members and volunteers which was commented on all weekend, many thanks for the help guys.

## ACTA NEWS

ONLINE SHOOT RESULTS provided to the ACTA should not contain Sponsors names.

ARTICLES provided by Clubs for the CTSN may contain these details however, not the results.

The Club's name also does not have to be used for each event. For example: It is not "Wagga" handicap, just handicap.

The only naming acceptable in the shoot results are "Memorial" shoots including the person's name.

The results pages are becoming increasingly large due to these practices.

We appreciate that sponsors are important to your club, but they can be thanked via articles in the CTSN or through advertisements.

All articles for the magazine need to be current, they are all reviewed by the Editor who will determine their suitability and content.

No article will be published that relates to an event over three months old.

The Editor will decide, based on the currency and amount of articles received as to those published.

Thank you in advance for your co-operation.

# Cuzzo's Ramblings

MAY  
2016

On Wednesday the 17th of February 2016 a small band of dedicated Skeet shooters assembled at the Cecil Park Clay Target Club in Sydney to commemorate a significant milestone in the

career of one of the ACTA's most iconic Skeet shooters. That gentleman was Reg Clarke and the occasion was his ninetieth birthday. Strictly speaking his actual birthday fell on the Friday of

Still shooting well at 90

that week. But as Wednesday afternoon is the traditional timeslot for old die-hard Skeet shooters to gather at their local Club to socialise, reminisce and even shoot occasionally, the traditional mid week timing was retained.

## In Party Mode

From all reports a great day was had by all. The weather gods were kind and the only bump in the road for the whole day was when Reg showed that he is still human and actually missed a target for a change. His ongoing string of Wednesday afternoon 25s was temporarily interrupted by an errant High Two. However nothing could dampen the spirits of those present and both Reg and his wife Jean enjoyed a great day with good friends and I'm told the birthday cake didn't last long after it had been cut. Some time ago the ACTA asked me to try to amass some history on all the currently inducted Hall of Fame members. As Reg is widely acknowledged as the Godfather of ACTA Skeet shooting, I decided that this occasion was a suitable catalyst to get started on that project.

## Once Upon a Time

Reginald George Clarke was born in Granville NSW on the 19th of February 1926. He was the only son of Reginald (Snr) and Harriet Clarke, who later provided Reg with a little sister when they added a daughter Dawn to the family. Reg completed his Primary and Secondary education in the local area and then attended Sydney Technical College to study for a diploma in Civil Engineering. This eventually lead to him spending most of his working life at the NSW Public Works Department where he excelled in the area of design and development of waste water

Reg and Jean at Cecil Park

treatment plants, eventually retiring in 1984. He met the love of his life Jean when they were 18 and they will celebrate their 66th wedding anniversary this year.

## From Bikes to Guns

Although he did a little field shooting, his initial primary sporting interest was motor cycle racing, which he pursued very successfully for well over a decade. However in 1964, at the age of 38, he discovered the Royal Aero Gun Club at Bankstown, which effectively ended his bike racing career. Like most of us around that time he bought a "jackhammer" (A5 Browning auto) from the local gun shop and got stuck into Trap shooting. Unfortunately a freak accident some years before while performing car repairs had seriously damaged his right eye. So a change to the left shoulder and some very creative and artistic stock work over the years was the nett result. Once he started to travel around to other clubs he encountered the "Hawkesbury crew" who introduced him to Skeet shooting and the rest is history.

## Nothing Easy

Over the next fifty odd years he went on to

*The Hakesbury Crew – Maurie Quirk, Ted Patterson, Dick Hunt, Adrian Hayes and Reg Clarke*

become one of the most accomplished and respected Skeet shooters this country has ever produced. However none of this came easily. Unlike his bike racing, where he had a natural flair, Reg's shooting career was a testament to his determination to overcome a string of ongoing obstacles. First it was the awkward and uncomfortable transition to left handed and then to make matters worse a total lack of natural ability to hit a moving target became glaringly obvious. A popular expression around that time for shooters of limited skill related to their inability to "hit the broad side of a barn". Reg assured me that his only way to accomplish that task would have been to go inside the barn and shut all the doors and windows.

## Seesawing Fortunes

However after about eight years of constant practice, trial and error and dogged determination, he was starting to get the hang of it. So he decided to travel to Griffith in 1972 for the Nationals which included the third staging of the National Skeet Championship. Now we start a seesawing story of the good news and the bad news. First some bad news. Just prior to this event Reg had started to suffer from another unforeseen problem: Trigger Freeze. Then some good news. Reg hit every target in the event that he fired at. Then some more bad news. He only fired at 49 and could not get his finger to respond on the other one. Then some more good news. No-one else managed to break any more than 49 either. Then some more bad news, but only for the other people in the shoot-off. Reg managed to shoot almost two more rounds in the shoot-off without either a miss or another freeze and eventually sent Vince Petersen back to New Zealand with the runner-ups purse.

## Where to now?

However the shine of the Silver Australia Badge on his jacket was clouded by his inability to find a cure for an ever worsening freezing problem. After about a year of failed cures and frustration, Reg was on the brink of throwing in the towel and giving up shooting. But then a chance meeting with some visiting American shooters at the Nationals in 1973 introduced him to the concept of release triggers, which even in the US were still in their infancy. Although this eventually proved to be the magical cure, not just for Reg, but for so many others who followed in his wake, it was no easy fix.

## A Hard Road

What followed was a marathon effort involving a number of people including Reg's good friends, Dick Snow and Dick Hunt, who put in an enormous amount of time and effort. First they had to figure out how to actually build it, then how to make it safe, then how to make it reliable and then refine it until it was user friendly. And then to add insult to injury, once all this was accomplished they had to go through all the drama of getting it approved for use by the

ACTA. Fortunately they had a few influential people on side like Ernie Hawkins and Pud Burgess, as a lot of people (who obviously didn't freeze) were very negative towards the concept. Lesser men would have wilted under the strain!

### In the Beginning

Although we had obviously passed like ships in the night for several years prior, I did not really get to know Reg until 1979. Our first memorable encounter involved an Interstate Team Shoot at Geelong in 1979 and a very rude shock. So let me back up a couple of years and set the scene. State Skeet Carnivals did not start until the late 1970s, mainly because State Associations only began forming around that time. The first two Skeet Carnivals kicked off in October of 1977. The Victorian one was held at Wangaratta to provide the easiest access for NSW shooters and the NSW one was staged a week later at Wagga for the same reason. Although interstate rivalry amongst Skeet shooters, particularly between Victoria and NSW, had been building up for some time, these two Carnivals brought the matter not just to head, but to a fever pitch.

### Bob at his Best

Melbourne Gun Club was undoubtedly the strongest Skeet shooting club in Australia at that time. Additionally, nearly all of the most acclaimed Skeet shooters in the country lived close by and operated out of that venue. Names like Ken Lowry, Alex Crikis, Ian Hale and John Summers spring immediately to mind. This put the president of Melbourne Gun Club, Bob Buchan, never one to be shy anyway, in the enviable position of probably being able to back up most of the outlandish boasts he made in relation to his beloved Club and their Skeet shooting team. During that first Wangaratta Carnival he taunted the NSW shooters by claiming that Melbourne Gun Club could single handedly field no less than three teams, all of whom could defeat any team presented by NSW. Consequently several Teams Matches were vigorously contested at Wagga the following weekend.

### The Pendulum Swings

Unfortunately, on that first auspicious occasion the Melbourne Gun Club Team was unable to produce that particular rabbit out of the hat, much to the delight of the NSW contingent. However, the official Victorian Team did manage to defeat their NSW opponents on their home turf and this precipitated an interstate Team shooting rivalry that raged for many years and still lingers today. NSW undoubtedly gained the moral high ground the following year in 1978. First at Melbourne Gun Club, when their visiting team only failed by a single target over the entire program to match Victoria's score. Final result 958 to 959. And then more so a few weeks later, when the NSW Carnival was staged at Reg's home club of Hawkesbury and the Victorian contingent decided that discretion was probably the better part of valour and stayed safely at home.

### Out of Range?

This seemingly cowardly failure of Victoria to

present themselves for the dish of humble pie that NSW had on the menu for them is probably what incited "Reg and Co" to covertly plan a pre-emptive strike into Victoria for the following year, 1979. The Victorian Carnival was scheduled for Geelong that year. As this is still well within the Victorian heartland, but about as far from the NSW border as you can get, we obviously had good reason to be quite complacent. And when the NSW team arrived we saw no reason to question Billy Iles' summation when he dismissed them out of hand as "a motley looking bunch of old stiffs". And that was just one of a number of valuable lessons we learned the hard way that weekend: Never judge a book by its cover.

### A Strong Brigade

Unbeknown to us Reg had selected his "attack team" very carefully. With his 1972 National crown, his own credentials were obvious. But we definitely should not have underestimated his close friend Adrian Hayes, who had stolen our State Title away from us the previous year at Melbourne. And just to rub salt into the wound, he proceeded to repeat that performance again at Geelong, before travelling to Griffith two weeks later to win their NSW High Gun. Reg had also convinced Ray Melville, who went on to be National Skeet Champion in 1982, to make the long trip down from Tamworth. Plus they collected Barney Rooke from Wagga on the way through and he went on to be National Skeet Champion in 1987. And to round out the squad they picked up Graham Martin from Canberra on the way past as he was in top form at that time. To cut a long story short, the nett result was they gave us a fair old caning and rubbed our noses in it!

### Every Dark Cloud

The only upside to the whole ordeal was the long and close friendships I forged with Reg and most of the rest of his "motley bunch". On at least one occasion I enjoyed Reg and Jean's hospitality when a major Carnival was held at Hawkesbury. Ray Melville and I spent many happy afternoons shooting together on his private skeet range at Tamworth. Barney Rooke staged many great Skeet Shoots at Wagga over the years and we always looked forward to shooting together on the same squad. Unfortunately Adrian Hayes was sadly taken from us way too early, but I had the honour of sponsoring a memorial event for him at one of the early Skeet Nationals. And Graham Martin? Like a minority in our game he emulated that appropriately named night sky phenomenon, the shooting star. He glowed brightly but briefly and then disappeared before I got a chance to know him. In closing, we did square up the team shooting ledger with them a couple of years later in Griffith, but that's another story for another day.

### Like the Duracell Bunny

Over the next decade Reg stayed at the forefront of Skeet shooting wherever he went, adding a couple of NSW State Titles and a Commonwealth Skeet Championship to his resume. Plus at the first Skeet Nationals in 1983 he qualified for the

Australian Team that attended the World Skeet Championships in 1984. However the early to mid 1990s, when he was in his mid to late 60s was undoubtedly his "finest hour". He added a couple more National Skeet Championships in 1990 and 1995, both at

Townsville where the background is challenging. And between these he went to Wagga in 1993 and beat the great Brian Thomson in a shoot-off to win the National Skeet Doubles event.

### A Worker as Well

He served on the Committee of the Hawkesbury Gun Club over many years in various positions including the President. He was eventually awarded life membership which transferred to Cecil Park when urban sprawl eventually necessitated relocation to that venue.

During his career he was named on eight All Australian Teams and qualified for at least two Glenn Trophy teams against New Zealand.

Therefore it's no wonder that when the ACTA commenced a Skeet Shooting Hall of Fame in 2008, Reg was the obvious choice to be the inaugural inductee.

### February's Trivia Question

The "eminently accomplished" shooter who happily resides with no less than six Trapshooting Gold Australia Badges tucked away at home in his "trinkets box" is none other than my old mate and long time two-man team partner, William J Iles esquire. The first correct answer drawn was submitted by Murray Gruar from Koroit in Victoria.

### March's Trivia Question

Speaking of "eminently accomplished" shooters I think it's an absolute travesty of justice that a shooter of Doug Smith's unquestionable talent could have failed to win the Overall High Gun at the Trap Nationals and yet be runner at least five times in 1967, 1970, 1977, 1979 and 1986. And it could possibly be even more, as in the early days the runner-up in the High Gun was not always established. The first correct answer drawn was submitted by Ron Cugley from Yarrowonga in Victoria.

## *Perfect night for Handicap*

**MATHOURA GUN CLUB. FEBRUARY 26, 2016**

February, Friday the 26th 2016 was a perfect night for clay target shooting at the Mathoura Gun Club, after all the days of very hot weather Echuca/Moama had been dished out to date, 30 degrees and the gentlest of a cool breeze was very easy to contend with. As well it was almost moonless, with the black sky making the white targets under lights really stand out for the shooters.

The first event was a fifteen target Double Barrel Cash Divide, and it was an all Mathoura affair with local members, Rhys Glenn and Bill Simpson sharing all the cash having recorded a 14/15 score each.

The 2nd event was a ten target, Single Barrel Cash Divide, and Deniliquin's Bruce Cook matched Club President Peter McCluskey's score of 9/10, and beating all the other shooters they both shared all the Cash Divide.

The main event, a 25 target Handicap, with the back mark shooter being 22 metres and quite a few shooters off the front mark of 15 metres, and a relatively new local member, Rhys Glenn, surprised himself and all others by top scoring with a 22/25, and with that, having his first major win, Overall 1st in the Handicap. Well shot Rhys Glenn, congratulations. 2nd placing was another Mathoura member Thomas McCluskey with a well shot 20/25, and third placing after a shoot off between Bill Simpson and another local member George Bradley ended up being Bill Simpson after George managed to let one target go.

*Rhys Glenn OA 1st HC with President Peter McCluskey*

It was an extremely comfortable night for shooting, and with the whole shoot running smoothly, a reasonably early finish to what was a very enjoyable night of clay target shooting.

*Murray Roberts*

# CONDITIONS OF ENTRY – NATIONAL SKEET CHAMPIONSHIPS

1. Any shooter wanting to compete at the Skeet Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.  
**Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.**
3. Shooters will be Pre Squadded and any interpretation of this will be the responsibility of the Tournament Director.
4. Each shooter is to take enough cartridges to shoot at 50 targets/100 targets. A time limit of one minute will be imposed for the changeover for each 25 targets. Should the one-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** may be incurred.
5. For the National 28gauge Championship load size is limited to 21gr (3/4oz) maximum struck measure shot size not larger than no. 7. For the National .410bore Championship load size is limited to 14gr (1/2oz) maximum struck measure shot size not larger than no. 7"
6. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management.
7. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
8. All shooters should sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
9. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
10. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
11. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
12. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
13. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall choose in which team they will be selected. They cannot compete in both Open and Section teams.
14. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Women's, Junior's or Veterans section, however the overall winner cannot take any grade prize.
15. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
16. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of the card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
17. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final. The ACTA reserves the right to alter the program.
18. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
19. **All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Championships.**
20. Squads of 5/6 to shoot 50 targets in one visit only to the traps. Squads of 5/6 to shoot 100 targets in one or two visits to the traps or as designated by the Tournament Director.
21. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible for any refund.
22. Free junior nominations, open to any junior who has not competed in a national event of any discipline & only by pre-nomination. Claim for this concession must be made at time of nominating & will not be refunded retrospectively. Late nominations will not be eligible for this concession.
23. Shooters will be Pre-squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director. Withdrawing from an event needs to be done in writing or by ringing the National Office (02 6938 2121) & leaving a message PRIOR to the event. All refund requests will be dealt with on an individual basis.

# ZZ's introduced to Maryborough

A ZZ competition took place at Maryborough, Vic., with keen interest shown. This was the first time such an event had been held at the club. Unfortunately the heatwave did its best to keep the numbers down. 40-plus degrees doesn't appeal to too many.

Maryborough member, Nathan Cassells who won the National ZZ title in 2016, was the winner on the day, shooting 25/25, followed by Alan BeBend 24/25 and Kurt Watts 24/25.

Kurt, also a Maryborough member, shot exceptionally well for his 24/25, considering he had never shot ZZ's. After

attending practice the day before he couldn't wait for competition to get underway on Saturday.

The heat and low attendance didn't stop those competing from having a good day. With the re-vamped club house providing air-conditioned comfort, there was no need to worry about how hot it was outside.

The club wishes to thank the sponsors on the day for their generosity.

# Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

## Other games people play

Regular readers of these articles will have heard me mention Tim Gallwey. Tim was a successful sportsman at both tennis and golf. The Inner Game: it is important. His greatest claim to fame was his books, *The Inner Game of Golf* and *The Inner Game of Tennis*.

Gallwey argues that there are always two games going on: the outer game (the one you play on the field or on the trap layout) and the inner game (the one you play in your head).

Shooting, like all sports, involves these two games; the outer game and the inner game. The outer game involves the sport itself; shooting the target. The outer game involves physical fitness, well fitting gun, reliable ammunition, correct stance and gun hold and all of the variables that are outside the shooter. The inner game involves mental fitness and relies on each of us having trust in our own ability to do what is required. Inner game strategies involve concentration, mental rehearsal, awareness, attention, relaxation, goal setting, etc.

The problem with either trap or skeet shooting is that an error will usually cost you the game or the match. There are rarely, second chances. In tennis, you can be down forty - love and still win the game; one or two poor strokes in Golf doesn't put you out. However, depending on the day, 24/25 or 49/50 may not be good enough. If a person can do something as difficult and as complicated as shoot a small moving object 49 times out of 50, then the problem is not with their technique, equipment or ability. The problem is most likely involves the inner game. We miss because we doubt our own ability.

To understand the difference between the inner and outer games and the concept of self doubt and trust I strongly suggest you read *The Inner Game of Golf*. The book is old now but is still very current in the concepts and constructs it tries to explain. The arguments in the book allow us to make sense of what happens when something goes wrong and we miss.

In his next book, *The Inner Game of Tennis*, Gallwey explains the other games that people play on and off the court. I will change the examples from tennis to shooting to illustrate what he is saying. It must be remembered that much of this game playing comes from our subconscious motivation: it is not something we think about.

The first game is the Good Game. The general aim is excellence and the general motive is to prove oneself "Good". The first type of "Good" gamer is the one striving to be perfect. How good can I get? Can I reach the highest standard? If I can prove myself competent then I am worthy of the respect of myself and others. In this game there are external obstacles such as the never-closing gap between one's idea of perfection and one's apparent ability. There are also internal obstacles, which involve the internal self-criticism for not being as close to perfect as one would like. This can lead to discouragement, compulsively trying too hard, which can lead to a sense of inferiority. It will lead to a fear of not measuring up.

The second type of "Good" gamer is the one who is striving to be complete. Here 'god' is measured against the performance of others rather than a set standard. For this person it is not about how good he played but whether he won or lost. The general aim is to win, be the best and beat all others. The motivation comes from wanting to be the top of the heap and stems from the need for admiration and control. For this gamer the external obstacle is that there is always someone who can and will beat you. Internal obstacles include the mind's pre-occupation with comparing oneself with others. This will lead to thoughts of inferiority alternating with superiority. This will also lead to a fear of defeat.

The third type of "good" gamer is about how good do I look. Good is measured by how good I look. Style is important. This person has a strong desire for attention and praise. The external obstacles are that one can never look good enough. The internal obstacle is confusion about who he really is. The fear is about not pleasing everyone and the imagined loneliness that it will bring.

The second game is the Friends Game. The first type of 'Friend' gamer is one striving for status. Desire for friendship is prominent, but they must be the right friends. The second 'friend' gamer is in it for the companionship. The motive is a desire for friendships and acceptance.

The third game is the Health or Fun Game. The object is to play to maintain health, have fun or move to a higher level of consciousness.

The problem with the 'Good' Gamer is that we are more than what we are measuring ourselves against. Who said you should be measured by how you do things? Who said I should be measured at all? Human beings cannot be measured by performance or any other arbitrary measurement. Our worth is more than how we achieve or perform at a given moment on a given task. We must remember that my score does not define my identity, nor does it give me cause to consider myself as something more or less than I was before the match.

I have taken a brief portion of the Inner Game of Tennis to try and illustrate a point between the inner and outer games. If you only read two books this year then I suggest you read both the Inner Game of Golf and the Inner Game of Tennis. For more information about games, Eric Berne's book *The Games People Play* also offers some good insight.

The Members and Committee of Marconi Clay Target Club are deeply saddened by the loss of our long time serving member, friend and life member of Marconi Clay Target Club for over twenty five years. Johnny joined Marconi in the late 1960's as a Committee person, not long after he became Vice President.

Johnny was a distinctive person to his friends and members, very well known by his green dodge truck. He retired from our committee in 2013 due to illness. Johnny played a very big part in building his much loved Marconi Clay Target Club in every single way. His big passion was Duck Hunting, we spent many weekends away with him. His friendship will never be forgotten, a gentleman, a beloved father and husband to Ruth, son Steven, Michelle and family.

Glen Innes Clay Target Club held our annual two-day Sapphire shoot on Saturday and Sunday 6th and 7th February. Eighty-three shooters nominated from Ballandean, Brisbane, Coffs Harbour, Grafton, Guyra, Inverell, Mackay-Sarina, Moree, Mount Lindesay, Richmond River, Singleton, Sydney, Tamworth, Texas, Toowoomba, Upper Hunter, Walcha, Warwick and Yamba to shoot 225 targets over 6 events.

Saturday dawned windy, warm and overcast. The first event was the 25T Graded Cash Divide Double Barrel and the winners were: AA: Equal 1st Dennis Walsh, Peter Holmes, Ken McBean, Jason Carpenter, Matt Colley,

David Edmonds, Tammy Henshall, Nick Tanner, Geoff Baxter & Brad Henshall

Brad Henshall, John Reid, Kevin Bourke, Gregory Graham, Scott Smith & Ben Rumbel 25/25; A: Equal 1st Greg Brunson & Greg Burey 25/25; B: 1st Julie-Ann Sainsbury 25/25, equal 2nd Archie Fletcher, Sophie Sainsbury & Allan West 23/25; C: 1st Neale Smith 23/25, equal 2nd Lloyd Knowles & Russell Sainsbury 22/25.

The second event for the day was 50T Clay Targets Australia Medley Championship (25 targets double barrel and 25 targets single barrel). Only one shooter, Ben Rumbel, shot the possible for this event leaving six others dropping one target to shoot up to an extra 30 target to contest the places in each grade. The winners were: Overall: Ben Rumbel 50/50; AA Grade: 1st Tammy Henshall 69/70, 2nd Ken McBean 78/80, 3rd Paul Turner 78/80; A

Greg Burey, John Barker, Cameron Schoehfisch, Brenden Watt, Mick Watt, Brendan McBean, Ken McBean & Andrew Gordon

**Peter Holmes, Frank O'Neill, Michael Sullivan, Robert Reeves, Peter Brown & Graham Dawson**

Grade: 1st Greg Brunson 49/50, 2nd Mick Watt 55/60, 3rd David Mactaggart 72/80; B Grade: 1st Ralph Larkings 48/50, 2nd Nancy Davis 46/50, 3rd Sophie Sainsbury 44/50; C Grade: 1st Paul Reid 44/50, 2nd Neale Smith 40/50, 3rd Russell Sainsbury 38/50.

The final event for the day's competition was the 50T Global Clay Technologies Double Barrel Championship with 11 competitors shooting the possible and another 18 dropping only one target. The Overall winner after another 100 targets was Ken McBean 150/150; AA Grade: 1st John Reid 149/150, 2nd Geoff Jacobsen 90/91, 3rd Jason Carpenter 85/86; A Grade: 1st Greg Burey 61/62, 2nd Ian Burey 58/59, 3rd Cliff Overton 57/59; B Grade: 1st Sam Forrest 61/62, 2nd Ralph Larkings 49/51, 3rd John Clark 48/51; C Grade: 1st Neale Smith 47/50, 2nd Russell Sainsbury 46/50, 3rd Lloyd Knowles 45/50.

The last event for the day was the shoot off for the 2015 Mactaggart Family Golden Spoon between all the winners of the monthly High Guns for 2015. These shooters were Geoff Baxter (winner of High Gun for January, February, March, May, June and July), Robert Reeves (April), Dan Johnson (August), John Reid (September), and David Edmonds (November and December). They shot five targets each of double barrel, single barrel and points score off 18 metres. The overall winner was Dan Johnson with a score of 25/25.

Day two of competition began bright and sunny with a little cloud. Thankfully the wind was only slight.

Event 4 was the 25T Graded Cash Divide Double Barrel with 25 possibles being shot. Winners were: AA Grade: equal 1st Dennis Walsh, Mike Sullivan, Peter Holmes, Ken McBean, Cameron Schoenfish, Brenden Watt, Tony Turner, Jason Carpenter, Matthew Colley, Martin Smith, Brad Henshall, Tammy Henshall, John Reid, Kevin Bourke, Bill Fletcher, Rod Gardiner, Stephen Kilfoyle & Jeff Richardson 25/25; A Grade: equal 1st Barry Dray, Stuart Boyd-Law, Karen Berry, Greg Brunson & Greg Burey 25/25; B Grade: equal 1st Neale Smith & Mick Wilkins 25/25; C Grade: 1st Andrew Gordon 22/25, equal 2nd Lloyd Knowles, Paul Reid, Daryl McGuire & Russell Sainsbury 21/25.

The fifth event was the 50T Glen Innes Veterinary Hospital Double Barrel Sapphire Event with shooters vying for one of the nine sapphires up for grabs that saw a further 16 possibles shot. After 176 targets, two shooters, John Reid and Ben Rumbel remained. There were another 218 targets contested before we saw Ben Rumbel take victory. Results for the event were: Overall: Ben Rumbel 419/419; AA Grade: 1st John Reid 418/419, 2nd David Edmonds 226/227, Brenden Watt 124/125; A Grade: 1st Jamie Poole 69/70, 2nd John Clark 54/55, 3rd Ralph Larkings 93/94; B Grade: 1st Neale Smith 65/66, 2nd Sophie Sainsbury 57/58, 3rd John Smith 48/50; C Grade: 1st Russell Sainsbury 46/50, 2nd Jeffery Whitney 52/58, 3rd Lloyd Knowles 51/58.

The final event for the weekend was the 25T TSG Points Score Championship. Only four possibles were shot in this event. Fifteen targets, saw our Stuart Boyd-Law take out the event. Results for the event are: Overall: Stuart Boyd-Law 90/90; AA Grade: 1st John Reid 89/90, 2nd John Lisle

95/96, 3rd Brenden Watt 94/96; A Grade: 1st Greg Brunson 74/75, 2nd Gill Neziz 73/75, 3rd Barry Dray 75/78; B Grade: 1st Nancy Davis 72/75, Mick Wilkins 68/75, 3rd Neale Smith 67/75; C Grade: 1st Russell Sainsbury 68/75, 2nd Paul Reid 66/75, 3rd Lloyd Knowles 63/75.

**Kevin Bourke, Bill Fletcher, John Reid, Dale Ellis, Jamie Poole & John Lisle**

The Macansh Tin Tray was shot in conjunction with Event 6 with teams of six shooters from Inverell, Guyra and Glen Innes, with the top 5 scores to count. On calculating the scores saw Guyra retaining the Tray. Well done to all the team members involved.

The weekend concluded with the presentation of the Event and High Gun winners. The Overall High Gun winner was John Reid of Guyra with a score of 271/275. The other High Gun winners were AA Grade: Ben Rumbel (Guyra) 270/275; A Grade: Greg Brunson (Guyra) 268/275; B Grade: Ralph Larkings (Glen Innes) 255/275; C Grade: Neale Smith (Glen Innes) 252/275; Junior: Brenden Watt (Richmond River) 262/275; Ladies: Tammy Henshall (Guyra) 264/275 and Veteran: Geoff Jacobsen (Richmond River) 265/275.

The committee of the Glen Innes Clay Target Club would like to take the time to thank all it's helpers over the weekend who all did marvellous job. We would like to thank all of our travelling shooters without whom there would be no competition. A special thank you to Kae and all her helpers in the kitchen over the weekend and throughout the year. Thank you also to those in the office – Tracey Larkings, Helen Finch, Stuart Boyd-Law, Greg Burey, Martin Smith, Geoff Jacobsen, and Courtney Watts.

To our sponsors we would like to say how we truly appreciate your continued support of our club, which, along with the support of the shooters who attend our events, helps to make our shoots a success. A big thank you to the Mactaggart Family for their continued generous sponsorship throughout the year and for the annual Golden Spoon Trophy, and the Overall and Grade High Guns. # Wangaratta Clay Target Club

## Annual Bill Attwood–Kevin Law Memorial Skeet Championship

FEBRUARY, 2016

### Brian Reid 100/100 Wins Cup

The annual Bill Attwood – Kevin Law memorial skeet championship event was held on Sunday 28th February, with a good roll up of keen skeet shooters in attendance. The Wangaratta Clay Target Club is pleased to hold this significant championship on an annual basis and is one of the clubs major skeet shoots for the year. Bill Attwood, who has put an enormous amount of input into the skeet shooting scene for many decades, once again travelled up from his home in Melbourne to present the cup and trophies. The late Kevin Law,

also a top skeet shot, was heavily involved in administrative duties and always willing to help others was a good friend of Bill Attwood.

The day was fairly hot with a light breeze and some excellent scores were recorded in both events. The club flew White Flyer targets and the traps performed well, which resulted in consistent skeet targets presented to the competitors during the day. Unfortunately, no juniors were in attendance this year. Bill has put in many hours of skills advice to junior shooters over the years and is famous for his generosity to this younger group of participants.

AA grade skeet champion Leigh Roberts won the Bill Attwood 50 tgt championship this year, he shot 79/79 after a shoot off with Gil Farish in 2nd place on 78/79. Another nice score of 60/61 resulted in a win for A grader Mike Corbett using a 28 gauge gun, ahead of Peter Finn finishing on 48/50. Rob Holloway had a good day taking home the sash in B grade 48/50 and local club secretary Angelo Grassi was happy to win 2nd with 65/68. All rounder Trevor Bussell shot a tally of 45/50 winning C grade and John Baker shot 48/54 taking out 2nd place.

The next event was the 50 tgt Kevin Law memorial skeet championship. Club Vice President Brian Reid was successful winning overall and AA grade with a clean score of 50/50. Gil Farish again won 2nd in this grade on 76/77. Mike Corbett won his 2nd sash for the day in A grade, 49/50 placing club President Phil. Smith in 2nd place 48/50. B grade winner Will Holloway tallied a result of 55/58, one target ahead of brother Rob Holloway in 2nd with 54/58. The C grade trophy was taken home by John Baker 42/50 and Trevor Bussell won 2nd place.

The overall Attwood / Law High Gun cup was awarded to Brian Reid after shooting a clean 100/100. Brian was pleased to have been congratulated by David Jackel, a past winner of this prestigious cup. David was heard to ask for a loan of the excellent skeet training DVD that Reid uses, which may assist him also, in improving his already significant skills for next years event.

# Shooters sharpen their skills at Pre-Nationals shoot

**ECHUCA CLAY TARGET CLUB  
MARCH, 2016**

The Echuca Clay Target Club was extremely lucky that their March 2016 Pre National Shoot was blessed with cooler conditions than the almost 40 degree heat of the previous few days. Actually with about 31 degree's, a clear blue sky, and the gentlest of breezes it made for ideal comfortable shooting conditions. And with good trophies on offer the committee was very pleased to see a good roll up of nine full squads, making for some excellent competition on the day.

In fact the shoot is reasonably popular as a precursor to the Wagga National titles, having three championships of fifty targets each, and it attracted shooters from very long distances, including Mildura and further north, Melbourne, Wangaratta etc, and the committee really do appreciate the shooters efforts to attend what turned out to be a well run magnificent day of high competition clay target shooting.

Tash Collins 33/50. C grade 1st was P Mongano 37/50; C 2nd was April Thompson 33/50.

Event Two, a 50 target, Pre Nationals, Points Score Championship, and only one shooter able to post a full score of 150/150 and that was Echuca member Rob Viney. Rob put his hand out for the Overall

Event One, a 25 pair, Pre Nationals, Double Rise Championship, and Wangaratta member Daryl Hunt demonstrated how its done by dropping just one target in this difficult discipline, and his unmatched 49/50 earned him the Overall Winners Sash, and the 1st in AA Grade trophy. Good shooting Daryl, congratulations! Casey Fletcher just one target less and his 48/50 gave him 2nd place in AA Grade. A grade 1st was Beth Hayden 43/50, and 2nd in A was Grant Sing 42/50. B grade 1st was G Redman 35/50, and 2nd in B was

Winners Sash and the 1st in AA Grade trophy. Excellent shooting for a grandfather Rob! Rob had his photo taken with his grandson, nine year old Patterson Eeles who has put himself amongst the people entering the Worlds Greatest Shave fundraiser, and he wished everybody to know that they can contribute via the [www.worldsgreatestshave.com](http://www.worldsgreatestshave.com) site. Perhaps a photo of Patterson after he has lost his hair, Rob! AA Grade 2nd was Steve Atkins with a 167/168. A grade 1st was Beth Hayden 147/150, A 2nd Geoff Ervine 144/150. B grade 1st Tash Collins 142/150, B 2nd C Barnes 138/150. C grade 1st P Mangano 135/150, C 2nd N Wilson 131/150.

Event Three, a 50 target, Pre Nationals, Double Barrel Championship, and with two full squads of 50/50 result shooters they all agreed to start the shoot off on the twenty metre mark as with so many top shooters on hand the shoot off could have progressed into the early hours of the next day. After another 25 targets they moved back further and eventually to the 25 metre mark were it came down to Steve Atkins and Ward Wende of Bendigo. Finally Steve dropped a target and Ward made very sure he shot his, and it was all over with Ward Wende collecting the Overall Winners Sash and the 1st in AA Grade trophy with a score of 133/133. Congratulations

Ward, well shot! Steve settling for 2nd in AA grade with a 132/133 result. A grade 1st Beth Hayden 49/50, A 2nd Peter Sing 73/75. B grade 1st Tash Collins 53/57, B 2nd G Redman 52/57. C grade 1st P Mangano 48/50, C 2nd N Wilson 46/50.

A fairly new member of Echuca, Jack Squires, received the Rob Viney Encouragement Award Sash. Congratulations Jack!

An excellent day of competition for all participants, and the committee thank all for coming.

# Two Day Golden Cartridge draws the shooters

## ORANGE CLAY TARGET CLUB

126 shooters made their way to Orange NSW to attend the annual two day Golden Cartridge Carnival. I need to thank the many travellers this year, particularly those who camped on grounds and made the atmosphere great. I can't mention every club that had a member or 3 at our shoot, I can only thank every single person for supporting us.

To our valued sponsors – Hansen's Optometrists of Orange, Greg Coleman and OSA for sponsoring the HG, Michael and Kay Hunt from Hunt's Shooting Supplies, sponsors of the sectional HG's, thanks Michael and Kay, Darryl Weal from Gunsmoke Bathurst, sponsor of the Handicap and OA HG's – thanks Darryl. All our sponsors are greatly appreciated and your support has been ongoing for a number of years now. Thanks again.

Friday afternoon came around and already the caravan park was full, this year would have to be the largest attendance of campers the club has ever seen. All 6 traps were open for practice. A free BBQ was on offer for anyone camping.

Saturday kicked off with Event 1 – 25 TGT PS. 1st in C grade was Ged Nathan, 2nd Elle Bevan, 1st in B was Steve Cassar, 2nd Sam Laspina, 1st in A was Steve Schiller, 2nd "I cant shoot" Barry Heaslip, 1st in AA was, Dick Piotrowski, 2nd Charlie Sherry. Overall was Glenn Barton with a fantastic 114/114. Well shot Glenn, another beaut supporter of our club.

Event 2 was the 25 TGT SB. 1st in C grade was Mitch Collins, 2nd Nathan Miles, 1st in B was S Brydon, 2nd Tony Azzopardi, 1st in A was Gary Kennerson, 2nd Greg Smith, 1st in AA grade was Greg Coleman, 2nd

Matt Schiller. Overall was won by another great supporter of the club Glenn Castellaro

Event 3 – 50TGT DB. 1st in C grade was Mitch Collins (again), 2nd John Murphy, 1st in B Sam Laspina, 2nd Tony Azzopardi, 1st in A grade was Oli Rogers, 2nd "that was a fluke" Barry Heaslip, 1st in AA was Brett McAllister, 2nd Peter McDonald. Overall was Matty Patmore with a very solid 327/327. Well done Matty, and thanks for your continual support also.

Sunday – Event 4 – 45TGT Mixed

Targets. 1st C grade was the wife of local DR legend Peter Sullivan – Sandy Sullivan, 2nd Mark Lawford, 1st B grade was Kay Kennerson, 2nd Chris Kingham, 1st in A grade "Really- me again" Barry Heaslip, 2nd Ray Schiller, 1st in AA grade was Robert Thompson, 2nd Charlie Sherry. Overall winner was Glenn Castellaro 100/100.

Event 5 – 25TGT Handicap. 5th place Pete Sullivan 47/48, 4th place Steve Cassar 55/56, 3rd place Matt Patmore 56/57, 2nd place Glen Evans 61/63 and the winner – Gary Kennerson 62/63.

Well shot Gary to win this event and for the 2 days – Thanks also for your kind words during the presentation – some nice \$\$\$ to take home with you for the handicap victory.

Event 6 – 15 PR DR. 1st in C grade C P Harvey, 2nd Mark Lawford, 1st in B grade was S Brydon, 2nd Pete Johnson, 1st in A grade Ray Schiller, 2nd Tony Gray, 1st AA grade Glenn Castellaro, 2nd Mark Rogers. Overall – Wayne Dunbar 40/40. Well shot Wayne – some nice shooting.

Well that only leaves the High Guns – and they are: Juniors – Andrew Evans 272/280 (I had to double check that – what a score!!), Ladies – Kate Edwards 260/280, Veterans – Dick Piotrowski 265/280, C Grade – Mitch Collins 222/280, B Grade – A Azzopardi 257/280, A Grade – "I'm a machine" Barry Heaslip 266/280, AA Grade – Glenn Castellaro 275/280. Overall HG was Matt Schiller with an impressive 276/270.

A massive thanks to all our loyal sponsors, new travellers and our loyal travellers. We hope you had a great weekend and come back again next year.

As always – one last thing – Well done Coonamble on winning the Fire and Ice shield. I noticed a certain shooter representing Coonamble – after a quick chat I realised he couldn't spell, pronounce or even point his finger in the general direction of Coonamble? An Orange member also noticed a certain shooter representing Coonamble, after an investigation he was allowed to shoot for Coonamble as he apparently "stopped at a Servo there somewhere in the mid 70's" – I guess all is fair in love and war.

Good luck everyone and thanks for coming – Up the Rabbits

# First round of Fimac Shield

## BEGA GUN CLUB MARCH, 2016

March shoot at the Bega Gun Club saw the first round of the Fimac Engineering Handicap Shield, as the feature event on the program. Supporting events included a 40 target Double Barrel and 20 pair of Double Rise. Fine conditions enticed 29 shooters to participate. Sponsored by President, Shane Platts' business, Fimac Engineering, the Handicap Shield is shot over four rounds throughout the year and is a true test of a shooter's consistency.

Centre: Fimac HC Shield winner Robert Taylor

Right: AA Grade shooter Chris Rowland HG, winner DB,  
2nd DR

The day commenced with the forty target Double Barrel, allowing shooters

to warm up before the main event. AA Grade saw Chris Rowland and Charlie Smith finish with 40/40. The shoot off saw Chris winning 42/42 with Charlie second 41/42. Junior, James Body showed A Grade how, with a clean 40/40 and earned himself a move to AA Grade, with veteran, John Siede taking second on 38/40. B Grade went to Craig Field with a

score of 38/40, two targets clear of second place getter, Mark Evans. Simon Buckley won C Grade, shooting 39/40, whilst Ray McLeod took second with 38/40. Simon, having recently returned to the sport has graciously skipped B Grade and moved straight to A Grade. Well done!

The Fimac Handicap saw some

outstanding efforts in the initial round with Peter Johnston, Robert Taylor and David Dickson all shooting 24/25 from their respective handicaps. A further visit to the lanes saw Robert emerge as the round one Fimac winner with a score of 27/28 with David in second on 26/28 and Peter in third 24/28. With six other shooters only one target behind after the main round, it will be interesting to see how the winners deal with the pressure in round two.

Twenty pair of Double Rise finalised a great day. Alf Niesar scored 36/40 to win AA Grade from Chris Rowland, 34/40 and Mick Diss shot 31/40 to take A Grade from John Siede on 43/60. John and Robert Taylor carried on for a further 10 pair to decide the second place. B Grade saw Brian Moffitt collect 30/40 to take first from Craig Field on 29/40. In C Grade, George Toyne and Simon Buckley took an extra five pair to sort things out, with George winning 38/50 to Simon's 36/50

High Gun for the day went to Chris Rowland with a score of 94/105. Phil Craig happily took the meat tray instead of the cash in the shoot raffle, ensuring the treasurer was kept happy.

## The Squire reports from West Wyalong

For the first time in many years West Wyalong Clay Target Club hosted the Central Zone Skeet Carnival on the final Sunday in February.

West Wyalong Clay Target Club has a very good skeet set up but only one trap layout, however, the four squads had no trouble getting through the day despite some trouble with the button on the high house.

Shooters from Bathurst, Parkes, Griffith and Wagga Wagga plus a sprinkling of locals made up the numbers.

The Squire chasing red claw in the middle of Queensland received an early morning report from Graham Duncan that all looked set for a very successful day.

The Central Zone skeet representatives to shoot at the New South Wales State Titles later in the year was to be selected following the 50 Target Central Zone Championship.

It soon became obvious who the winner would be when Shane Bennett shot 25/25 in the first round, followed by his wife Sarah who was only one target down 24/25.

Shane went on to demolish the opposition in the second round to shoot another 25/25 to give him the Overall winner's sash.

Sarah Bennett 47/50 claimed AA grade while Derek Wyllie 46/50 was the winner in A Grade.

Winston Jones 48/50 shot well to win B Grade and Parkes shooter, Ron Spedding 47/50 easily won C Grade.

Their scores made choosing the Central Zone Skeet Team an easy task with team members being; Shane Bennett, Winston Jones and Sarah Bennett with Ron Spedding the reserve.

To complete a full day of skeet shooting a 50 Target Handicap was programmed and this event proved to be very popular as it gives all shooters a more equal chance.

Although not in the winner's circle, Shane Bennett completed his next two rounds with a score of 49/50 to stamp himself as the High Gun 99/100 on the day.

After a protracted shoot off, Griffith visitor Ray Hillam claimed first in the Handicap with Ron Spedding placing second.

Regular Wagga visitor, Charlie Strike claimed third while the only local shooter to have success during the day was Graham Duncan who was fourth.

Club President, Jason Anderson made the presentations and thanked everyone for their attendance and wished the Central Zone Team every success at the State Title in August.

# 60th DIAMOND JUBILEE – Cherry Tree Pool Field Championships

KATANNING CLAY TARGET CLUB

Despite the number of competitors being less than expected the 60th Anniversary Diamond Jubilee Cherry Tree Field Championships was hailed a huge success with favourable weather over both days an enjoyable bonus for shooters and spectators alike.

Seasoned clay target shooters along with new layout of targets by the local members despite the favourite picturesque targets across the river no longer permitted to be used.

President Laurie Hull thanked the late Con Kowald's family for the continued use of the land and facilities for the popular clay target event over the last 60 years and the great time that has been had by many locals and eastern states shooters during that time.

Thanks was expressed to many sponsors of the event, those who donated trophies, the ladies who catered and those who set up and cleared away after the event.

It was cut by a Kowald trio – Greg, Trevor, Ray.

Upon declaring the Sunday Championships event open Member for O'Connor MP Rick Wilson showed his skill by hitting the one and only clay target he was permitted.

The 2 day shoot is split with Saturday being graded AA,A,B,C with a possible a score of 100 targets these scores are not carried over to Sunday.

There are squads of 6 shooters shooting 2 rounds AM and PM totalling 100 targets. There are 14 stations placed over a 1.5 km course and they

*Owner of property where shoot is held Greg Kowald with Blue*

are identified by names such as The Log, Teal, Black Duck, Quail, Rabbit etc and a range of target colours are used.

Gary Marsh AA won the overall on Saturday 95/100, A grade – Barry Kowald 90/100, B grade – Ben Lamont 83/100, C grade – Chas Genovese 73/100.

Sunday is when the Cherry Tree Pool Field Championship are held and this is

the even that has been running for over 60 years only once has the possible ever been shot so is a very sought after event to win. The procedure is roughly the same as Saturday but with more Shooters taking part.

There is an area by where presentations are made and that is called the shoot off area Here the shoot offs take place for overall High Gun, Intermediate High Gun, Ladies, Juniors and

Vets, there also are grade winners and best AM and PM rounds.

The Major winners for 2015 were 1st Phil House 94/100, 2nd Mike Daden 92/100. Clegg Memorial Championship 1st Brett Hogg 88/100. 2nd Karl Sloan 86/100. Vets Mike Daden 92/100. David Knight 91/100. Ladies 1st Tracy Forward 71/100. 2nd Leone Banks 69/100.

Congratulations to above and other place winners.

# Terry Faulks Memorial

March 7 was a warm, humid and sunny day for 3 squads of shooters for the 3rd Memorial shoot held for long time member Terry Faulks. Terry passed away in April 2011 following a courageous battle. He & wife Judy were very supportive and proactive members of Tyagarah CTC Inc. from 1997 and Judy remains a member to this day.

50T Double Barrel was Terry's forte & the event was shot in 2 visits. AA Ray Turner led the way with 48/50. Brendan Watt & Russell Bourke returning 47/50. Everyone else coming in behind. Unfortunately, Judy was not able to stay all day so the presentation of sashes was made by Judy and daughter Kylie at lunchtime.

Following a nice BBQ lunch the 2nd event SB saw some good scores shot with Ray Turner hitting 23/25 and Lyndon Anderson 22/25. Both shooters being AA, the physiological effect was definitely present.

Third event of PS had, once again, Ray Turner leading the way with 74/75 and "A" shooter Ted Schneider 71/75.

Last event was the Club Mug. A 10T SB novelty event for the much sought after "Club Mug". Frequent visitor Ben Wild won with 9/11 after a shoot of with Lyndon Anderson.

Another great day of shooting at Tyagarah ending with smiles and fond memories of Terry.

*Shana Reichmann on behalf of Secretary, Joel Christie*

# Bunbury Blue Manna Carnival

**COLLIE CLAY TARGET CLUB**  
**MARCH 6 & 7, 2016**

The Two Day Carnival consisting of six Trap events held at the Collie Club Grounds 6th and 7th March and conducted with the co-operation of the Collie Club members to whom we express our appreciation for their assistance yet again, whilst we continue negotiating a new site to replace the Bunbury Grounds. Competition was keen and conditions were comfortable with cooler weather and calm conditions.

*Mike Daden Neville Hyder Mem,  
Koombana Cup & OA Medley*

*Greg Fleay OA DB*

The combination of Single, Double Barrel, Handicap and Continental events went smoothly over the two days and we sincerely thank all those who worked tirelessly behind the scenes to make the event run smoothly. After the welcome and safety address by Clayton Hyder he handed over to our Captain Don Wetherell to begin competition.

Event 1 was a cash divide 25T DB event that helped to tune up competitors and prizes were paid to 6th place in each grade which gave a share to 25

competitors encouraged participation by less experienced competitors. The Overall High Gun was closely contested.

The program concluded with the customary crab buffet where the refreshments, crabs, and conversation were freely shared, and the past two days competition reviewed in some detail. It was great to see competitors from other clubs supporting the event, and share in the prizes. We are forever grateful for the support of our Sponsors who include; Bohler Udderholm, Nexus Financial Services, Mrs Pat Hyder, Carlo Romeo Jewellers, and Roy and Margaret Meagher. As members we all acknowledge and welcome their assistance contributing to our sport.
