President's Notes

STOP PRESS: Correspondence from Shooting Australia

On Friday the 24th of June the ACTA received disturbing correspondence from the Shooting Australia EO, Damien Marangon which was copied to the Executive. This correspondence came without warning, and was a shock to myself, the Executive Officer and the Executive. Almost immediately,

similar correspondence from Shooting Australia was sent to State bodies and copied widely, sometimes to persons no longer in the positions indicated. The correspondence was critical of me personally, and where I have led the ACTA in the relationship with Shooting Australia.

ACTA have tried to get Shooting Australia to understand the differences in our sport compared to that of the other member bodies of Shooting Australia. ACTA have tried to explain the negative impact on attendances in the ISSF disciplines that Shooting Australia selection policies have had on our Sport. ACTA have tried to explain that the qualifying scores are too high. ACTA have tried to explain that the Shooting Australia conducted Australia Cup series was extremely detrimental to our State events, and added great expense to both shooters and official's involvement in the sport.

We recently requested support from Shooting Australia to approach the Australian Sports Commission to allow us to take over the administration of our domestic disciplines coaching scheme. This was because most of our members shoot the domestic disciplines, re-accreditation under Shooting Australia's umbrella had taken over 8 months and after having control of the coaching scheme for 8 years there is still no level 3 (Elite) coaches course to reaccredit our existing level 3 coaches against. This request was not supported by Shooting Australia.

The decision by Shooting Australia to go direct to our Member State bodies breaches protocols that have been in place since Shooting Australia's (AISL) formation. This is clearly divisive and not in the interests of our sport, and an attempt to start disruption from within. They have clearly misread the feeling in our sport and the dissatisfaction with Shooting Australia generally within our wider membership. Some states have already responded to Shooting Australia with replies that should leave no doubt in their minds that we stand united on the issues that are raised above.

The Board of Shooting Australia have been in possession of a consultant's report for some months now that they commissioned. All member bodies of Shooting Australia were part of this, with input from all levels. ACTA was totally transparent in its involvement in the survey. Now, for whatever reason, Shooting Australia has chosen not to provide the outcomes of this survey to the member bodies. We now suspect this report is self-serving.

Attacking my leadership, I will accept as all are entitled to their opinions, but I will not accept that ACTA are in some way subservient to Shooting Australia. Shooting Australia's actions in this matter are not in the spirit of our membership of this body and it now appears they wish to control the shooting sports totally.

The ACTA Board has previously discussed whether, as many shooters often comment, we should all be under one body, and specifically whether we could see Shooting Australia as that body. The unanimous conclusion was that Shooting Australia was setup to control International ISSF competition alone and as long as it was government funded there was an obvious and clear compromise of its loyalties and intentions.

Perhaps we need to look at another body for this purpose.

The Australian Clay Target Association will take whatever action it sees as necessary to ensure our independence and regain more control over our sport.

World Cup Success

Congratulations to Emma Cox for her Gold medal win at the San Marino ISSF World Cup. Emma was also the highest qualifier at the DTL Nats with a 749/750 and is leading the Ladies Team to the ICTSF World DTL in Ireland. Although not selected for the Olympics, Emma continues to shine at the highest level and no doubt will feature prominently in the ISSF disciplines in the future.

James Willett has also made another ISSF final finishing in 4th place.

Executive Meetings

Your Executive has just completed 2 days of meetings. I thank the members of the Executive for generously making themselves available, some for as long as 5 days to attend these meetings.

At the time of going to print, the minutes are yet to be ratified so I cannot comment much on decisions that were made.

Shooting Australia (SA) submissions

The Association made a decision to request input from interested parties regarding a possible future ISSF selection policy for the ACTA to support during the forthcoming SA review. Sometime after, SA called for submissions direct from interested parties. I would like to thank those that put together submissions for the ACTA to consider. These are being used to compile an ACTA submission to SA and this will be published at a later date. I can say that the submission will include the key common points made in almost all submissions being:

Transparency, objectivity, a balance between recognition for the event score and the finals result and lowering or possible removal of qualifying scores.

Shooting Australia and the ACTA all aspire to have podium success at major international events. The ACTA has to balance any selection policy against any detrimental effect on membership and attendances. Shooting Australia do not have these concerns and are driven as a government funded body to aspire to podium success alone, as required by the Australian Sports Commission.

Grounds

Progress is continuing slowly on the National Grounds with the wet winter playing havoc with partly finished earthworks. Work has been regularly stopped for a fortnight at a time whilst the grounds dry up enough to use machinery. An all-weather walkway behind the layouts is now awaiting installation but with continuing rainfall, a timeframe is hard to set.

National DTL and World DTL 2018

These events will be conducted back to back, over 20 traps. Dates for the Nationals and the World are as follows:

Nationals Sunday 18th March 2018 to Friday the 23rd March 2018.

Mackintosh Teams and World DTL opening and reception Saturday 24th March 2018. (The ICTSF General Assembly and Technical meeting will also be on this day)

World DTL Sunday 25th March 2018 to Tuesday 27th March 2018.

Australian teams for this event will be selected at the 2017 Trap Nationals.

Constitution Review

The Executive have reviewed the amended constitution (version 5) and it would be fair to say there is currently a great deal of difference in opinions around the table. Another draft has been agreed to for reviewing by our lawyers after which, it should go out to the states for further input and discussion. We must remember during this process that nobody will get 100% of what they believe is the best options included in what is eventually presented to the 2017 AGM for adoption.

The current document keeps the existing objects and powers, leaves clubs with the same voting rights they have now and states with the same voting rights they have now. Basically every level of memberships rights are retained as is. This appears the only way a document may be accepted.

Until next month

Robert Nugent

Executive Officer's Report

Incorporation

I am going to revisit the issue of governance following revelations of some clubs seriously breaching the ACTA constitution and the implications that this has for members and the Executive of Clubs.

The reality is that under the Incorporations Act, Clubs and by virtue the Executives of those clubs are charged with the responsibility to act in a professional manner, at all times ensuring they abide by their constitution. They are required to attend meetings, ensure accurate minutes are kept and that finances are accounted for. They are required under the Incorporations Act to ensure that they are insured, this includes Directors and Officers insurance. Directors and Officers Insurance however does not cover negligence. Failing the due diligence test could leave clubs open to legal action.

The reason the ACTA is so diligent about reminding clubs about these issues is just that, we (the ACTA) need to be vigilant, that is our responsibility, to ensure Clubs, Zones and States are aware of their obligations. We are all linked through the system of governance that exists. All States and Clubs, ultimately through affiliation are required to adhere to the ACTA constitution, where there is conflict the ACTA constitution takes precedence.

Ground pollution

There are some significant issues relating to pollution on grounds that we have been made aware of. The responsibility for cleaning up your shooting template remains with the Club. We are meeting with

consultants to try to develop a "basic" plan to assist Clubs in ensuring their Club remains compliant. However the "duty of care" remains with the owners/lessee's of the Grounds.

I appeal to all Executive Members and members of Club to ensure you are compliant, the cost of compliance is not expensive, the cost of non-compliance is very expensive.

National Executive Meeting

The National Executive meeting was held over the 17th and 18th June, whilst not being able to advise of decisions made at this stage (Minutes will be on the website once approved) I can advise that the Strategic plan was updated and the proposed constitution was discussed at length with a number of changes made. This document will be updated and sent back to the Executive for approval before being released to the States firstly to review and then to Clubs. The timeframe for this process to be completed is September 2016.

National Clubhouse and Office

We continue to seek funding for the new Clubhouse / National office to be built on the National Ground. The Association has had meetings with the NSW State government and continue to make representations to Ministers and Local Members. The Federal Government round four facilities grants opens later in the year. We will then be in a position to seek further funding to assist in bringing the National Ground and facilities up to international standard.

Tony Turner

Expression of Interest: Marketing and Promotions

Expressions of interest are sought from suitably qualified persons with expertise in the area of Marketing and Promotions to join the Board of the Australia Clay Target Association.

The person would be required to attend Board meetings (approximately 4 per year) to provide guidance through the adoption of a marketing and promotions plan.

The ACTA is planning to become active in the area and has commenced preliminary discussion for the development of a plan with research already being conducted.

The appointment would be for a 12 month period concluding on or about the 17th June 2017.

Expressions of interest should be emailed to the
Executive Officer at: execofficer@claytarget.com.au
and close Friday the 19th August at 5.00pm EST

Expression of Interest: National Rules Supervisor

Expressions of interest are being sought for the honorary position of National Rules Supervisor.

The person would oversee all aspects of Rules including the Rules Supervisors meeting conducted every two years.

This would include preparation of the Agenda preparation of proposed changes and editing of the Rule book when required.

The successful candidate would need to be a current Rules Supervisor with superior experience.

The successful candidate would also be the reference point for State Rules Supervisors.

Expressions of interest should be emailed to the
Executive Officer at: execofficer@claytarget.com.au
and close Friday the 19th August at 5.00pm EST

Ladies Skeet Long Run Broken After 25 Years

A great achievement took place at Melbourne Gun Club on the 1st of May 2016 during the annual two day MGC "Bonanza" Skeet shoot. The "Bonanza" is a tournament used by many skeet shooters as a warm up shoot for the Skeet Nationals and the attendance is always littered by high calibre shooters.

In the "Blue Ribbon" event the "Calcutta" which is shot first on Sunday morning Sarah Bennett was one of several shooters to shoot the possible in the event.

As the shoot offs started the rain started to pour and the wind started to howl as a cold front swept through the club. The shoot off dwindled down to Sarah Bennett and Multiple National Champion Michael Buttigieg going shot for shot, station by station round after round until a long way into the 4th box finally a low six was left to go on its merry way.

After the shoot off ended it was the realisation that Sarah had broken the Ladies long run National Record of 176 set by Maree Rooke in 1991.

Sarah had shot a 190 Break!

Ladies skeet shooting has enjoyed an enormous growth in the last several years and the competition and quality of these competitors is second to none. At our recent Skeet nationals we had 25 lady competitors with is now 15% of the overall attendance.

Maree Schuster (Rooke)

But it wasn't always like that and we have Lady competitors such as Maree Schuster (Rooke) to thank for that as she was an early pioneer in ladies skeet shooting. Maree has won over thirty titles as Australian Women's Skeet Champion and holds the previous women's skeet break records of 104, 140 and the now past record of 176 straight shot in 1991.

In 1986 Maree was the first woman in the history of the sport to make the Open State & National Skeet Teams - qualifying in number one position for the State of NSW. Maree attained AA grade status in skeet shooting, the first female to achieve this feat.

Sarah Bennett and Maree Schuster (Rooke) at the 2016 Skeet Hall of Fame presentations

In 1991 she competed at the ISU Australian Nationals winner of the women's events and qualifying for the national training squad – open and women's. Maree was in the skeet team for the Oceanic Games where she won gold in the women's event and shot the only skeet qualifying score for the women's team.

At the Australian ISU Grand Prix she was placed 4th followed by the World Championships where she was placed 19th in the individual's women's event.

Maree's Long run record had stood unbroken for 25 years.

Maree was so happy to hear of Sarah's achievement that she attended this year's Skeet Hall of Fame night to personally present the Ladies National Record Plaque to Sarah. In passing the baton to Sarah, Maree also recounted how hard it was to succeed as a lady in the early days and how proud she was of today's skeet community where the sport is flourishing and the ladies competition is so strong.

To top it off at the end of the Skeet Nationals, Daniel Spatz from Krieghoff Germany and Renae Birgan from Clay and Hunt awarded Sarah a plaque recognising her achievement.

Sarah Bennett being awarded a plaque of recognition by Krieghoff

From all skeet shooters in Australia we applaud and commend your achievement Sarah. Well done!

32ND GOLDEN FOX OPEN

DUBBO GUN CLUB JUNE 4 & 5, 2016

Golden Fox Badge

Dubbo Gun Club held their 32nd Golden Fox Open on the 4th & 5th June under very wet weather conditions, with three out of the last four being wet, maybe the God's will smile on us next year. Numbers were similar to the previous year with 74 shooters travelling from near and far for a chance to obtain that elusive Golden Fox Badge.

Shooting started on Saturday with the Better Frames and Trusses 30 Mixed Targets event with Nathan Burt from Boorowa club taking out the event with 49/50.

Second event on the program was the Canterbury traps 30 target Single Barrel and was won by Nick Xenos with the only possible.

The final event for Saturday was the 50 target Double Barrel sponsored by PRJ Accounting Solutions. Only five shooters made the shoot off list. Bill Weber from Cecil Park G/C claimed O/A with 76/76 from Nick on 75/76.

Sunday morning was rather cool with misty rain hanging around for the start of the 30 target Rio Oceania Points Score. Five perfect 90's shot off to decide a winner with Dubbo's Peter Jones claiming O/A with 108/108 from Jason Peters on 105/108.

Handicap winner, Nathan Burt

The next event on Sunday was the 30 target Gunpro Handicap. The rain was holding off by this time but shooters couldn't manage to shoot a possible under the windy conditions. Seven shooters on 29 shot off to decide who would take home the Miroku shotgun. Nathan Burt was the lucky young fellow to win the gun with a score of 50/51, Peter Fitzalan of Dubbo 2nd on 49/51, 3rd was Aaron Jones also from Boorowa on 38/40, 4th place went to Blake Dunn from Cobar with 35/37 and Martin Bourke from Dubbo's Gunpro on 37/39 rounding up 5th place. Martin generously donating the slab of shell to one of the junior shooters.

The final event on Sunday was the Dubbo "Turf The Lot" 20 Pair of Double Rise. Martin Bourke outshot the opposition with an impressive 39/40.

Above: High Guns, C Gr Adam Norton, B Gr Scott Tucker, A Gr Shane Pinkerton, AA Gr Ben Machul

Right: Overall High Gun Nick Xenos

There was only one shoot off required to decide the High Gun and AA winner. Nick Xenos & Ben Machul shot off to decide the winner of the Golden Fox High Gun. Nick came out the winner with a final score of 305/318. AA went to Ben with 304/318, A grade went to Shane Pinkerton from Cessnock with

254/290, B grade went to Scott Tucker from Dubbo club on 246/290 and C grade went to Adam Norton, also from Dubbo on 248/290. The Veterans winner was Dave Caccioppoli with 269/290, Amy Smith from Boorowa collected the Ladies with 263/290 and juniors was Nathan Burt with 273/290.

All in all a wet weekend of shooting was had by all, the Dubbo Gun Club would like to thank all our sponsors, the shooters who travelled, the committee who all put in a great effort before and during the shoot, Janene in the office, the "Foxy Ladies" in the kitchen to make it a great weekend. See shoot results for all event winners.

VCTA South East Zone Team Series

ROUND TWO – FRANKSTON AUSTRALIAN CTC APRIL 17, 2016

Sunday 17th April was the second round of the Teams event, hosted by Frankston Australian C.T.C. 130 shooters were attracted to the contest, making up twenty three teams and five Junior teams. A clear sky and very sunny conditions saw event one, the handicap under way at 9.30 with four traps in operation.

It took until squad fifteen to see the first of the three possibles, it was Troy Loveridge and he was the eventual winner with 32/32. Second was Steve Trembath 31/32 and third James Strangis 29/30. Todd Malone 26/27 was the Back Marker and Sebastian Piscioneri collected the Junior front marker 24/25.

The team scores at this point favoured the Werribee Teals with 116/125 and Morwell 112 next. Both the Werribee Junior teams look in good position with 46/50 and 45/50 respectfully.

The 25 target Double Barrel was next with 26 possibles. The five squads had dropped to three after the total was fifty, this then dropped to two squads when the total was seventy five. As they turned at the hundred there were five shooters left in the contest, Paul Mota 123/123 won Overall, Thomas Armstrong 122/123 1st in AA, Steve Trembath 111/112 AA 2nd, A C Street 85/86, 2nd I Eslin 58/59, B J Marriott 27/28, 2nd G Strangis 24/25, C S Piscioneri 30/31, 2nd J Depetro 29/31.

There were two who shot the 50/50 to challenge for the High Gun, James Strangis and Steve Trembath with James the victor after the shoot off with 78/78. Netting him the very nice collection of Beretta shooting accessories.

Ladies High M Boase 46/50, Junior High Guns, A Grade T Armstrong, B Grade C Freiberg 46/50 and C Grade S Piscioneri 48/50.

Werribee Teals won the Teams section with the members I Urch, J Moustas, P Arbacci, J Strangis & R Pistone, with a total of 238/250, Morwell next with

Winning Team Werribee

Handicap winner Troy Loveridge

Werribee Junior Team T Armstrong & C Hudson-Czeinecki

233. Werribee Juniors also had a win with T Armstrong and C Hudson-Czeinecki combining well with a score of 92/100.

The day worked well with the weather not a factor, the grounds in great shape and the targets looking good, just some had a little more difficulty than others.

Beretta's ongoing sponsorship of the High Gun prize is appreciated by the Zone and all its shooters.

Fimac Shield Round Two

BEGA GUN CLUB

The report sheet for the shoot at Bega Gun Club said windy, and boy was that an apt description of the conditions. The sun shone, the clouds flew and the wind it did blow! Twenty-one shooters turned up for the second round of the Fimac Engineering Handicap Shield, all eager to gain points towards the final result in November. The remainder of the program consisted of 40 target Points Score and 20 pair Deauville Doubles shot off 22 metres.

The 40 target Points Score opened proceedings with targets shot across both layouts. Rosscoe Hartley scored 98/120 to take C Grade with George Toyne in second place with 92/120. In B Grade, Mark Evans was successful with a score of 110/120 to pip second placer, Brian Moffitt by four points.

A Grade winner PS Tony Gray

Chris Rowland 2nd AA PS & High Gun

B Grade PS winner Mark Evans

Brian Smith 2nd DD & raffle winner

A Grade went to Tony Gray who scored 112/120, with Simon Buckley second on 103/120.

Event two was the second round of the Fimac and to add further to handicaps, the wind began to gust. A

Grade, Simon Buckley dropped only one target for 24/25 off 19metres, with B Grader John Walker collecting 23/25 for second off 17m. C Grader, George Toyne, shooting from 15m took third with a score of 22/26 after he and Mark Evans (17m) had a one target shoot off, both having finished on 21. After two rounds, Robert Taylor, Peter Johnston and Simon Buckley would be amongst the leading group for 2016. Still two rounds to go and in this game, as we know, anything can happen.

The 20 pair Deauville Doubles and the wind really provided some fun for the final event. Many had trouble standing up, let alone trying to hit targets from 22 metres back. Not an event that we shoot at Bega very often as was clearly demonstrated by the scores. George Toyne and Mick Diss did the honours with a masterful 11 pair well it looked very masterful to the rest of us. Dad, Brian Smith, took son, Charlie under control and between them they collected 10 pair for second place. The rest of us are still working out what happened. Dut, great fun was had by all!!

High Gun for the day went to Chris Rowland after a shoot-off with Charlie

Smith. Brian Smith started the shoot raffle, \$496.00 worth in fine form but took pity on the treasurer on the fourth target. Once again . . . the meat tray.

Congratulations to Junior shooter, James Body on his making the Southern Zone trap team. James will now compete in October at Wagga against all other NSW Zone teams.

Emmalene is Top Gun

West Wyalong Clay Target Club has a New South Wales Champion in Emmalene Munro who won the Ladies and Juniors sections of the New South Wales Sporting Clay Championships held at the National Shooting Grounds 18 June.

Emmalene and her father, Mick are regular shooters at the West Wyalong Club and they are also accomplished Field and Games shooters who come from Barmen.

Emmalene began her shooting career when she was able to obtain her shooter's licence about five years ago and under the expert tutelage of her father has progressed to become a very strong competitor in her chosen sport.

An unpretentious and likeable young lady, Emmalene also went on to win the Junior and Ladies sections, the two day Overall Ladies High Gun and be second in open A Grade in the 100 Target Lawson Classic Sporting Clays event held the following day.

What a great effort – members of the West Wyalong Clay Target Club are very proud of Emmalene's achievements. Who knows – Olympics 2020!

The Squire

The Squire reports from West Wyalong

CENTRAL ZONE TRENCH WEST WYALONG CLAY TARGET CLUB May, 2016

The month of May proved to be very busy for the West Wyalong Clay Target Club when they hosted their normal monthly shoot on the fourth Sunday and the 100 Target Central Zone Trench Championship shoot on the fifth Sunday of the month.

It was a beautiful autumn morning on the Sunday of the monthly shoot with a light wind as two squads of shooters began the 50 Target Trench event. Local shooters were using this event as a warm up in preparation for the Central Zone event the following weekend.

Working bees during the previous weeks plus a fall of rain had the layout looking good with a tinge of green evident.

In the morning sunlight the very fast trench targets can be hard to see and shooters have to be on their mettle to shoot a competitive score.

Jason Anderson has not shot a lot of trench but he showed the way in the first visit to the layout shooting 22/25, however, Jason could not maintain this effort but shot 17/25 in his second visit but still gave him first place and considerable confidence for the following week. Greg Harris has been a regular visitor to the club and he shot 19/25 and 18/25 to place second in the event. Don Turner shot consistently to post two 18/25's to be placed third.

Graeme Fairman got the barbecue underway and more shooters arrived for the afternoon Trap program.

Clive Foster and Kate Turner did their usual great job in the office and Angie Dent did her very efficient job in the canteen with the assistance of Ann Fairman. Janene Schiller also helped out in the office later in the afternoon to make sure all the results were collated on the computer.

The afternoon program began with a combined 10 Target Eye Opener and the first round of the 50 Target Double Barrel Championship. In the Eye Opener Jason Anderson, Luke Ellison, John Wason, Don Turner, Clive Foster, Steve Schiller, Allan Schirmer, Neville Block and Craig McVittie all shot 10/10.

It was also pleasing to see that out of the five squads there was one full squad of C Grade shooters which is very encouraging for the sport. It is hoped they received encouragement from their day.

At the end of 50 targets, Jason Anderson, Luke Ellison, Steve Schiller, Matt Schiller, Craig Vittie and Dozer Collins were required to shoot off to decide the Overall winner.

Dozer Collins has not shot for a couple of years but proceeded to shoot 9/10 in the Eye Opener and then followed up with a 50/50 in the Championship. You are a legend Dozer! Matt Schiller 100/100 outshot the others to be the Overall winner with Luke Ellison 99/100 first in AA Grade from Steve Schiller 78/79 who was third. Neville Block, Ray Schiller and Greg Harris shot for first and second in A Grade with Neville 56/57 gaining the honours from Greg Harris 55/57. In B Grade Allan Schirmer 47/50 won from Barellan shooter Allan Bound 45/50. Daniel Smith 47/50, who will not be in C Grade for much longer, won the grade from Adam Brigden 37/50. Narelle Ambrose and Kate Turner had to shoot off for the Ladies and Narelle won out shooting 55/59.

Afternoon tea was served before the 20 Pair Double Rise event was called. Luke Ellison 36/40 won AA Grade with Clive Foster and Matt Schiller 35/40 sharing second place. Ray Schiller 34/40 was not far behind in winning A Grade and Alan Schirmer was the B Grade winner.

Daniel Smith 35/40 shot very well to easily win C Grade.

John Wason, Central Zone Trench Championship winner with Club President Jason Anderson

The final event of the day was 20 Pair Deauville Doubles with drawn partners. Narelle Ambrose always seems to shoot this event very well and when she drew Matt Schiller as her partner the result was a forgone conclusion.

Narelle and Matt shot the lot leaving Don Turner and Steve Schiller to pick up the crumbs.

Luke Ellison 96/100 had a good day being the High Gun.

Central Zone Trench

This year in an attempt to attract more shooters negotiations were carried out with Griffith Clay Target Club to hold a two day trench shoot with Griffith Club shooting on the Saturday.

It proved to be a good move as Griffith attracted 6 squads and West Wyalong had twenty four shooters in attendance for the 100 Target Central Zone Trench Championship with High Gun to be scored across the two days.

The weather both days was fine and cool with conditions ideal for shooting good scores. Trench is a difficult shooting discipline and with limited opportunities to shoot the event most shooters were happy with their scores on the day.

The Central Zone Championship was shot over 100 targets with the six

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Mindsets

There is currently a revolution in education. Teachers, coaches and educators are looking at new and novel ways of explaining the way children learn and how they should be taught. Part of this revolution involves changing both the mindsets of the teachers and coaches and the mindsets of the learners.

A **mindset** is defined as a set of assumptions, methods, or notations held by one or more people or groups of people that is so established that it creates a powerful incentive within these people or groups to continue to adopt or accept prior behaviors and choices, according to Wikipedia.

Stanford University Professor of Psychology, Carol Dweck talks about two different mindsets, the fixed mindset and the growth mindset. There can also be a mixed mindset where there are features of both while the individual is growing and changing thinking patterns. This happens to all of us and we should not assume that we are locked into being one or the other.

The Fixed Mindset

Having a fixed mindset means that a person believes that his or her skills and abilities are set and cannot be changed. A fixed mindset leads to an emotional player who is constantly comparing himself or herself to others. This creates a rigid and fearful athlete who is limiting his or her potential. People with a fixed mindset generally believe:

- Skills are something that a person is born with
- Challenges are something to avoid

- Challenges can reveal a lack of skill in an area
- Perseverance will not help
- Effort is unnecessary
- If a person has to put effort in, it must be because he or she is not good enough
- Feedback should be taken personally
- When failure happens, it must be the fault of others

The Growth Mindset

A growth mindset means that a person believes that his or her skills and abilities are things that can be developed and improved. Someone with a growth mindset is able to share in the successes of others and win or lose with class. This way of thinking leads to a hard-working, calm, more open-minded athlete who is coachable and able to reach his or her fullest potential.

People with a growth mindset believe:

- Skills come from hard work
- Skills can always be improved
- Challenges should be embraced
- A challenge is a chance to test one's self
- Effort is the most important trait
- Effort is the basis for mastery
- Feedback is something that you can learn from
- Feedback helps you make a better product and identify areas in which to improve
- Setbacks are a learning moment
- Setbacks are viewed as a wake-up call

How Fixed vs. Growth Mindsets Relate to Coaching

It is the responsibility of the coach, to assist each player, develop a growth mindset. Athletes with a growth mindset are able to grow, learn, and achieve more than those with fixed mindsets. For those shooters who have a coach you need to look at the following page and determine where you think your coach sits.

For those who do not have a coach or who adopt that role for yourself, have a look at the sheet and see where you sit yourself. Do you have to change your mindset when it comes to what you think your abilities and talents are.

North East Zone Single Barrel

MATHOURA GUN CLUB
APRIL 22, 2016

Friday the 22nd of April was not a pleasant night weatherwise to conduct a clay target shoot, and yet shooters arrived at the Mathoura Gun Club to do battle for the two Championships and two other competitions. Night shooting under lights is always more difficult than day shooting, and then throw in a gusty freezing cold breeze for good measure.

It is no surprise that no one shot a possible in the first event, which was a ten target, Single Barrel Cash Divide, but Michael Rowan, a Denilquin member, also Peter McCluskey, and Emily McCluskey, both Mathoura members, all managed an eight out of ten, and they all collected a first place share of the Cash Divide for their effort.

Event Two, a 25 target, Victorian North East Zone, Night, Single Barrel Championship, and once again no full score, but Echuca's Mick Keirl managed an excellent 22/25 result, and that score earned Mick the overall winners sash and the 1st place trophy for AA/A Grade. Well shot Mick Keirl! Denilquin's Michael Rowan scored a 16/25, and that was good enough to earn him

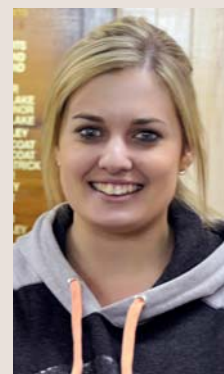

Mick Keirl OA NEZ SB

the 1st place in B Grade Trophy. Thomas McCluskey a Mathoura member scored an 18/25, and for that he claimed the 1st in C Grade Trophy.

Event Three, a 15 pair Night, Double Rise Championship, and a shooter that was not put off by the weather conditions, Mick Keirl, managing to down 22 of the 30 targets, and as no one else could match that score, Mick Keirl, again became an Overall winner, with his 22/30 result. Congratulations again Mick! Emily McCluskey shot an impressive 18/30 earning her the 1st place trophy in B Grade, and Cub President, Peter McCluskey, outshot his son Thomas in a shoot off, to claim the 1st in C Grade Trophy with a reasonably good score of 25/40, proving that youth does not always prevail over age.

The last Event, a Ten target, Double Barrel, Night Tower Cash Divide, and Thomas and Peter McCluskey shared all the 1st place Cash Divide, both scoring an excellent 9/10 score. A fairly ordinary night weatherwise for the competitors, and yet they did say they enjoyed the shoot.

Measuring your own mindset

Individuals with a **fixed** mindset believe that their abilities are simply an inborn trait and cannot be improved. In contrast, individuals with a **growth** mindset believe that they can develop their skills and abilities over time.

Consider each aspect of mindsets below and rate yourself from 1 (very fixed mindset) to 10 (very growth mindset) in each aspect to reflect where you think you normally are along the continuum.

Aspects	<div style="display: flex; justify-content: space-between; align-items: center;"> Fixed Mixed Growth </div>									
	1	2	3	4	5	6	7	8	9	10
Taking on challenges	You don't really take on challenges on your own. You feel that challenges are to be avoided.			You might take on challenges when you have some previous experience with success in a related challenge.			You look forward to the next challenge and have long range plans for new challenges.			
Learning from mistakes	You see mistakes as failures, as proof that the task is beyond your reach. You may hide mistakes or lie about them.			You may accept mistakes as temporary setbacks, but lack strategies to apply what you learned from the mistakes in order to succeed.			You see mistakes as temporary setbacks, something to be overcome. You reflect about what you learned and apply that learning when revisiting the task.			
Accepting feedback and criticism	You may feel threatened by feedback and may avoid it all together.			You may be motivated by feedback if it is not overly critical or threatening. Who is giving the feedback, the level of difficulty of the task, or their personal feelings might all be factors in your motivation.			You invite and are motivated by feedback and criticism. You apply new strategies as a result of feedback. You think of feedback as being a supportive element in the learning process.			
Practise and applying strategies	You do not practise and avoid practising when you can. You do not have any strategies for accomplishing learning goals or tasks, or you apply ineffective strategies.			You practise, but a big setback can make you want to quit. You are more willing to practise things you are 'good at.' You are open to being given a strategy to meet a challenge, but you rarely apply your own strategies unless it is something you are already 'good at'.			You enjoy the process of practising and see it as part of the process of getting good at something. You may create your own practise or study plans. You fluidly use many strategies, think of some of your own strategies, and ask others about their strategies.			
Perseverance	You have little persistence on learning goals and tasks. You give up at the first sign of struggle.			You may persevere with prompting and support. Unless you are provided strategies for overcoming obstacles, you will stop or give up.			You 'stick with it' and have stamina for learning tasks. You keep working confidently until the task is complete.			
Asking questions	You do not ask questions or do not know which questions to ask, but you can usually say you don't 'get it' if asked.			You might ask questions about a portion of the task that you feel you can do. If you perceive it to be out of your ability, you probably won't ask questions.			You ask specific questions, ask questions about your own thinking, and challenge assumptions, tasks and the teacher or the source of knowledge.			
Taking risks	You do not take risks, and if something is too hard you turn in blank work or copied work, if anything at all. You are not engaged in the process/task.			You will take risks if the task is already familiar to you. If not, you will resort to copying or turning in partially completed work.			You begin tasks confidently, risk making errors, and openly share the work you produce.

shooters who had the highest scores required to shoot further targets under a complicated system of scoring to decide the winner.

There was plenty of help to run the event and except for a small "glitch" with the trap air compressor everything functioned very smoothly.

At the end of two long days of shooting local shooter John Wason 11/16 won the Central Zone Trench Championship sash. Don Turner 80/100 was first in A Grade ahead of Michael Reed 77/100. Laurie Redfern 65/100, will have a go at any shooting discipline, and would not have been disappointed in taking out B grade. Greg Harris 85/100 was also trying out his skills at trench winning C Grade from the surprise packet

of the weekend Craig Ceely.

Craig is an experienced down the line shooter but obviously his skills in trench have not been previously identified as he was the Overall Two Day High Gun with an excellent score of 145/175.

The Central Zone Team to shoot in the New South Wales Championships later in the year was also chosen and congratulations to, Greg Harris, John Wason and Don Turner on their selection.

BROKEN HILL GUN CLUB

MAY 15 & 16, 2016

The many Sash and Trophy winners for the weekend, along with our very generous sponsors

The weekend of May 15th and 16th was the Broken Hill Gun Club's May Two day shoot, the West Darling Championships. Now I may have said this before, that I have been doing the shoot marshals job at this shoot for nearly 30 years, and I reckon this year's shoot was up there with the best one I have ever seen.

We had a great role up with a total 90 shooters, coming from 34 different gun clubs to compete over the two days, a lot of new faces to me and a lot of the old ones that we have been blessed with over many years, a great role up considering the numbers were well down last year, and the weather, well, what can I say, it was perfect, shorts and a tee shirt weather, never seen that before at this shoot. I may even have to rethink my thoughts on global warming.

Trophies, well, again a fantastic display of sashes and trophies, which I think also helped to attract the good numbers, and a very big thanks must go to our extremely valuable and generous sponsors, without them we couldn't do what we do.

Throw into the weekend, some funny stories which will come latter, some long time reunions, 5 ACTA Hall of Fame shooters in attendance, some keen junior/younger shooters, some great shooting by some local shooters, a very full camping ground, great food and a well stocked bar, it was a great weekend.

The first event Saturday was a 30 tgt Champion of Champions. This event was sponsored by Riverina Hunting & Fishing. Thanks to Glenn Castellato for his fantastic support of our club over many years, he supplied a great range of trophies, OA Glenn Rathbone 99/100, 1st AA grade Darryn Nicholls 98/100, 2nd AA grade Thaine Browning 97/100, 1st A grade Tim Steer 97/100, 2nd A grade Allan Jones 73/75, 1st B grade Andrew Estcourt 47/50, 2nd B grade William Bennett 48/50, 1st C grade Ben Bennett 48/50, 2nd C grade Trent Rathbone 47/50, Ladies Beth Hayden 48/50, Vets Phil Mules & Lyn Curtis 49/50 and Junior Jack Cullinan 48/50.

The second event Saturday was the 25 tgt West Darling Points Score Championship. This event showcased a magnificent display of orange Stihl sashes, along with a Stihl chainsaw, line trimmers and blower vac's as trophies, thanks to the great sponsorship from Stihl Shop Broken Hill's, Andrew McDougall and the very generous support of Stihl Australia's Matthew Gladwin, OA John Lemmich 105/105, 1st AA grade Glenn Rath-

bone 101/102, 2nd AA grade John Caskey 98/99, 1st A grade Peter Ewart 102/105, 2nd A grade Allen Cole 78/81, 1st B grade Andrew Escourt 72/75, 2nd B grade Dennis Buym 71/75, 1st C grade Ben Bennett 74/75, 2nd C grade Christie Ann Wheeler 69/75, Ladies Megan Barnes 72/75, Vet's Phil Mules & Robert Cook 72/75 and Juniors Jack Cullinan 72/75.

The third event Saturday was the 25 tgt West Darling Double Barrel Championship. This event for another year was sponsored by Spot on Outdoors Broken Hill, and many thanks must go to Malcolm for his generous support, OA Darryn Nicholls 196/196, 1st AA grade Martin Collumb 195/196, 2nd AA grade Barry Wimshurst 191/192, 1st A grade James Ewart 99/100, 2nd A grade Phil Mules 80/81, 1st B grade Andrew Estcourt 37/38, 2nd B grade William Bennett 36/38, 1st C grade Ben Bennett 52/53, 2nd C grade Cameron Browne 32/33, Ladies Deserie Baynes 132/133, Vet's Lyn Curtis 118/119 and Junior Jack Cullinan 27/28.

The fourth event for the weekend, the first event Sunday morning was the 25 tgt West Darling Handicap. It was the Calcutta event and with \$3700 in the pool, the most I have seen at this shoot, it was going to be hotly contested. Some tired people started of Sunday morning

after a great Saturday night dinner and Calcutta draw. This event was very generously sponsored by Silver City Driver Training, thanks to Wayne and Sarah Johnston, 1st Neil Haydon 35/35, 2nd Cameron Browne 34/35, 3rd David Lemmich 31/32, 4th Siegfried Drawing 30/31 and 5th Les Kadziela 27/28.

The fifth event was a 25tgt Points Score Gift, again another longtime sponsor of our club, this event was sponsored by Silver City Guns & Ammo, many thanks to Merv Peetz, OA Cameron Browne 123/123, 1st AA grade Beth Hayden 120/123, 2nd AA grade Thaine Browning 108/111, 1st A grade Allan Jones 74/75, 2nd A grade Mathew Wilson 79/81, 1st B grade Andrew Estcourt 77/81, 2nd B grade Ben Bennett 74/81, 1st C grade Trent Rathbone 71/75, 2nd C grade Kaylene Estcourt 66/75, Ladies Deserie Baynes 80/81, Vet's John Lemmich 95/96 and Juniors Jack Cullinan 74/75.

The last event for the weekend, event six, the Silver City Single Barrel Championship, sponsored again by Winchester Australia, thanks to Tim Steer. Tim and especially Winchester who have been supporting this club for as long as I can remember, it's great to see. OA Darryn Nicholls 61/61, 1st AA grade Jarred Nicholls 60/61, 2nd AA grade Cameron Browne 50/51, 1st A grade Max Pontifex 32/33, 2nd A

grade Allen Cole 31/33, 1st B grade Ben Bennett 23/25, 2nd B grade Gary Baddeley 23/26, 1st C grade Robert Thompson 22/25, 2nd C grade Christie Ann Wheeler 25/29, Ladies Deserie Baynes 23/25, Vet's John Caskey 46/48 and Junior Jack Cullinan 24/25.

Now for the High Guns for the weekend, sponsored by Berretta Australia, another great supporter of our club, thank you Berretta Australia, Overall High Gun Jarred Nicholls 271/275, AA grade High Gun Darryn Nicholls 270/275, A grade High Gun Allan Jones, B grade High Gun Andrew Estcourt 257/275, C grade High Gun Ben Bennett 265/275, Ladies High Gun Deserie Baynes 262/275, Veterans High Gun John Lemmich 265/275 and the Junior High Gun went to Jack Cullinan 266/275.

Now for some more "thank you's". I would to thank the many helpers and workers on the day, and the many days leading up to this shoot, a lot of work goes into this weekend and without these workers, and the generosity of our many sponsors, the May Two Day Shoot just wouldn't be as good as it is.

And the funny stories from the weekend. Everyone knows there is normally some that come out of a shoot of this type. Well I think these ones may not really be stories but perhaps a sign of things to come, a changing of the guard maybe?

Now everyone knows that I mention no names, but let's say they involve some of the 5 Hall of Fame shooters. I'm not saying it has anything to do with age, you can all make your own mind up.

The first one I witnessed was an Olympian who disqualified himself from a shoot off after he used an I-1/8oz shell, that found its way into his shooting jacket, very good sportsmanship, yes, or was he getting tired? Another one, a veteran Hall of Famer, took 300km to remember the names of his children in the car on the way to the shoot, old timers?, maybe, and perhaps I reckon the best of all, and I don't know why he told me this, a World Champion, after getting beaten by his son for the Overall High Gun went to optometrist on the Monday, to get his eyes checked, is he getting close to 50?

96th Anniversary Shoot

KEMPSEY CLAY TARGET CLUB

MAY 21, 2016

On the 21st May, 2016 the Kempsey Club held their 96th Anniversary Shoot. It seems remarkable that a sporting club of any description would exist in the area for 96 years. Considering the external pressures placed on shooting clubs during the past 20 years it is even more amazing that a shooting club could not only survive but continue to provide excellent facilities and lively competition for the members.

The present club on the Armidale Rd, has been there for the past 45 years. Previous to that it was located on the Airport Road. When the club moved to their present location two traps were donated to the club, one from the Neil family and one from the Baker family. Descendants of both families are still active in the Club.

And now, to the shoot. The weather was the usual perfect Macleay Valley day, sunny with some cloud and a slight breeze perfect for those "gun" shooters amongst us.

The top "Gun" was Steve Saul with a 165/170. I should point out here that there was only one event on the day, consisting of 25DB, 25SB, 25PS, 25Cont and 10DR. The other winners were AA Brad Hooper 161/170, A Rob Marko 162/170, B Ross Duck 153/170 and C Josh Scott 114/170. Full results can be found in the competition result section of the CTSN.

It was good to welcome shooters from other clubs, Port Macquarie, Coffs Harbour and members of the

NSW Gun Club and also, Gary Carlyon from Gunnedah.

The usual compliments were being made by the hungry shooters about the excellent cuisine being offered by the good ladies in the kitchen, thank you ladies.

Ted and Jenny ran the shoot with the professional expertise we have come to expect. Ted was assisted with the traps by some of the shooters as well as one little nipper whom were pretty enthusiastic. I am sure I speak for all when I say we all had a really good day shooting, but to top it off it, was a very social day as well. Thanks to every one for helping to make it a perfect days outing.

Brrrrr what a day! Sunday, June 19 was cold and breezy and definitely are challenge to most shooters. Whilst it was mild early on, the temperature dropped mid-way through the day and the breeze picked up. We had 18 shooters attend, some of whom travelled from away. Special shout out to Joe Borg from Robinvale who made a special effort to spend his 50th birthday with us, happy birthday Joe.

CONDITIONS OF ENTRY WACTA STATE TRAP CARNIVAL

GENERAL

1. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the State Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
2. Shooters will be NOT be pre squadded at WACTA run State Carnivals. Pre nominations are for the sole purpose of competitor numbers and monetary advantage to the competitors. Competitors providing 24hrs notice of inability to attend will be provided a full refund.
3. A strict Nomination cutoff time will be imposed at each WACTA run State Carnival. These times will be advertised prior to each Carnival.
4. Each shooter is to take enough cartridges to shoot at 50 targets. A time limit of two minutes will be imposed for the changeover for each 25 targets. Should the two-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** will be incurred.
5. Shooters who fail to be at their squad on time will be required to shoot at the practice trap at a time suitable to management.
6. Should a shooter being late for his squad then elect to withdraw from the event, he will not be eligible for any refund of nominations paid.
7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooter's signature will be credited with the lowest score recorded.
8. Any competitor will be called upon to referee and/or score throughout the period of competition. The persons designated to referee and score must fulfill their obligation to do so. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
9. Shooters will be drawn from each day's last round squads to referee and score the first round of the following day, and must be ready to officiate at the advertised starting time. Shooters who fail to fulfill their responsibility will be penalized one target. While replacement referee and scorers are permissible, if the replacement fails to fulfill their responsibility, the penalty of a LOSS OF ONE TARGET shall be made against the officially designated person.
10. Any unauthorized shooter interfering with or attempting to interfere with the trap will be penalized **FIVE (5) TARGETS**.
11. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
12. All disputes and deposits (\$20) must be lodged with the Shoot Marshal or Tournament Director, who shall arrange a hearing with the appointed jury.
13. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall choose in which team they will be selected. They cannot compete in both Open and Section teams.
14. Any eligible competitor paying full nominations is entitled to receive awards in the Open Section.
15. A minimum of three persons must compete in any Grade or Section, including High Gun, before sashes, medals trophies and/or cash are awarded, irrespective of nominations paid.
16. Nominations will close at the Shoot Marshal or Tournament Director's Discretion.
17. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the WACTA Executive Committee or the Tournament Director, whose decision shall be final.
18. An acceptable standard of dress is required for all competitors, the Shoot Marshal or Tournament Director to adjudicate.
- 19.
20. Squads of five to shoot 50 targets in brackets of 25, one visit only to the traps. Squads of five to shoot 100 targets in brackets of 50, two visits to the traps.
21. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program, including the number of targets shot, will not make the shooter eligible for any refund.
22. Shooters should be aware that any photographs taken by the WACTA "official" photographer may be submitted and displayed on the WACTA website. If shooters DO NOT want photographs of themselves or their minors on the WACTA website they are to inform the office before the end of the last day of events.

Swan Hill hosts schools' winter sports

SWAN HILL CLAY TARGET CLUB

MAY 17, 2016

This year our local schools' winter sports competition was hosted by Swan Hill Clay Target Club. The two local schools Swan Hill College and MacKillop College were in attendance as well as shooters from Kerang Technical High School and Cohuna Secondary College.

Thirty four students participated on what was a great Mallee day. The day

Winners on the day

was made possible with the support of NIOA and Swan Hill Fishing and Shooting. We were very grateful for the sponsorship.

The conditions were excellent and the students were very keen. Some students had never used a shotgun before and others were seasoned campaigners. With the help of parents, teachers and club members the day ran smoothly and safely. There were quite a few shoot offs. The first shoot off lasted for 20 targets between the best senior and junior boy, for the Overall winner's sash. Two other shoot offs were also required to determine places in senior and junior boys. It was also great to see some girls participating on the day and we hope more can be encouraged to have a go. In the past we have had some excellent female shooters from the district and it would be good to see this again.

Results: Overall winner Lachlan Dunn SHC, Senior girls 1st Abby Cummins MacKillop, 2nd Kim Archard MacKillop, Senior boys 1st Jesse Davis-Slingo KTHS, 2nd Charlie Mertz SHC, 3rd Hayden Noles SHC, Junior girls 1st Jana Stemmer MacKillop, Junior boys 1st Andrew Bottcher CSC, 2nd Lachlan Leach SHC, 3rd Angus Dunn SHC.

Winning team Swan Hill College Lachlan Dunn, Angus Dunn, Lachlan Hilton, Sam Monk and Charlie Mertz.

Three Events at May Shoot

COLBINABBIN CLAY TARGET CLUB

MAY 22, 2016

We had 29 shooters on Sunday 22nd May visit Colbinabbin CTC. It was a nice sunny day with the wind blowing.

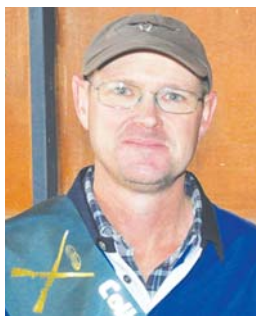

The first event was the 20pr D/R which was won OA and AA by Phillip Granger with Steven Traill taking 2nd place. A grade was won by Peter Sing and Colin Repacholi took 2nd. The winner of B grade was Thomas Bilney with Eddie Mullane only one point behind to take 2nd place. David Currie won C grade and Robbie Fitzgerald claimed 2nd place.

The next event was 25 tgt PS. Charlie Burns took OA and AA with 73/75 and Don Milojevic placed 2nd with 72/75. A grade saw Colin Repacholi take

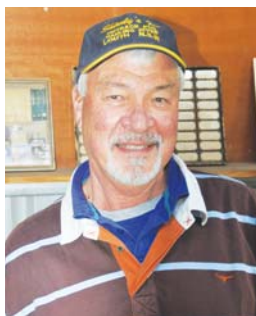

1st place with Peter Sing 2nd. B grade was won by Ricky Bilney and Peter Gorrie claimed 2nd place. Young Robbie Fitzgerald won C grade with a score of 64/75 and David Currie placed 2nd with 54/75.

The final event was the 25 tgt D/B. Fred Heinze won OA and AA after a shoot off with Daniel Dempsey who placed 2nd. First place in A grade Alex Gobbo and Geoff Ervin placed 2nd. B grade had 6 competitors shoot off for 1st and 2nd with Thomas Bilney claiming first place with 27/29 and Tash Collins 2nd with 26/29. David Currie was the winner of C grade with 19/25 and Robbie claimed 2nd place after a shoot off.

June Shoooot at Echuca

Sunday June 12 saw five full squads of shooters arrive at the Echuca clay Target Club, to compete in the three events on offer for the day. Weatherwise, certainly it is winter, and that means cooler temperatures, but it was a clear sunny day with virtually no wind at all which is what all clay target shooters want to be able to post good scores. Unusually there were no B Grade shooters amongst the competitors, so there were no B Grade scores amongst the results.

Steve Atkins, SB Overall

Event one was a 25 target Single Barrel Championship, which Club President, Steve Atkins won after a very short three target shoot off with Brad Woolley. Steve collected the Overall winner's sash and the first in AA Grade trophy with a score of 28/28, Brad having to settle for 2nd in AA Grade with an end result of 27/28. A Grade 1st was Alex Gobbo (Echuca) 24/25, A 2nd Peter Sing (Echuca) 23/25. C Grade 1st Bruce Papst 21/25, C 2nd David Currie 20/25.

Event Two a 25 target Handicap and the only shooter able to shoot all 25 targets was Echuca's Alex Gobbo, well shot Alex, congratulations on receiving your \$70.00

Alex Gobbo, Handicap

1st place dividend! 2nd placing was another Echuca member, Rob Viney, after a shoot off ending on 41/43, with Peter Sing running third making it an all Echuca club affair. Peter's score was a 40/43.

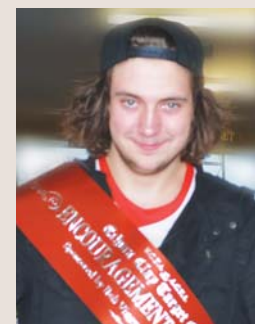

The third and last event was a, 50 target Double Barrel Championship, and the Overall winner's position was up for grabs between Steve Atkins, and Echuca's Casey Fletcher, both having shot all fifty targets clean, and ended with Casey taking the honours. Casey Fletcher, became the Overall Winner, and also collected the 1st place in AA Grade, 50/50. Steve Atkins collecting the 2nd place trophy in AA Grade, again 50/50. A Grade 1st was Peter Sing 49/50, A 2nd was Alex Gobbo 49/50. C Grade 1st was P Burtchill 60/64, C 2nd B Papst 59/64.

The Rob Viney, Encouragement Award Sash, went to a new shooter, Blake Watson. Congratulations Blake, keep it up.

According to the shooters that were asked a very enjoyable shoot, run well, good trophies, and ending at a respectable early time allowing any travellers plenty of daylight for the trip home.
