## OLYMPICS

What a great moment for Australia and the ACTA with Catherine Skinner winning the first RIO 2016 Gold for our country. Catherine, on behalf of the Association members please accept our heartfelt thanks and appreciation for your efforts and conduct. Also I would like to thank your family for the support they

have obviously shown you over many years. Congratulations also to James Willett for a great qualifying score, and the other team members for giving it their best shot. A full report and photographs will appear next month.

## WORLD DTL

I do not grace the front cover of the CTSN often but I must say I have never been so proud as International Clay Target Shooting Federation (ICTSF) and ACTA President to present the DTL World Championship Cup to Matt Schiller. Matt is a champion shot, the only ICTSF dual winner, and a great ambassador for our sport. The centre page photograph with his proud family says a lot about clay target shooting – A great family sport, a great competitor and a great result for the ACTA.

A full report and photographs are included in this magazine's centre pages.

There are also 1000's of photographs from the event on the ICTSF website – [ictsf.global](http://ictsf.global)

Some of the Australian contingent travelled on to the Grand in America and I have heard they may have had some success. We may be able to report on this in a later issue.

## EXECUTIVE MEETING

The full Executive met last week to consider the issues raised by Shooting Australia. A strategy has been developed and will unfold in coming weeks. I believe we have concentrated solely on the issues whilst involved with SA and we will continue to do so. I therefore expect SA to do the same and comments made recently by a SA Director of a personal nature will only inflame this situation further, and are highly unprofessional.

A sub-committee has been formed to look at the membership/participation issues. Three Executive members will be joined from representatives from NSW and Vic clubs where the problem is the greatest.

The issues are simple and revolve around the requirements of the current constitution that all are ACTA members whilst competing or shooting recreationally, the requirement to ensure all are ACTA members whilst competing to ensure proper grading and handicapping and thus equitable competition, and the mitigation of risk by not jeopardising the associations protection package.

This sub-committee needs to come up with a proposal for change that recognises all the above requirements. The full paying ACTA member is currently getting the rough end of the stick, with some clubs choosing

to ignore the above requirements and granting privileges to non-ACTA members that belong to ACTA registered shooters alone.

In accordance with the constitution, action is continuing against clubs that have been proven to be in breach of the constitution.

The Association is at great risk here, as why would anyone want to join the ACTA if they can get most of the benefits and the use of facilities that have been developed over decades by ACTA members for free?

## WORLD DTL 2018

At the ICTSF General Assembly in Ireland during the World DTL, the dates for this event were approved. Planning is now underway and dates and program and an indication of awards are already up on the ICTSF website – [ictsf.global](http://ictsf.global).

Australia has a great opportunity to host the best World DTL yet and we intend to take every step in order to ensure this. The General Assembly confirmed that up to three teams can be entered in each section of the event. Australia will now be filling all available team spots. A selection policy based on qualifying order over the DB, SB, Pts and Mackintosh will establish the order of the team members with any withdrawals being filled by the next shooter. This will mean that we will need to have extra Ladies, Juniors, Veterans, and Super Veterans shoot the Mackintosh teamscore to get an order for the top nine (three teams by three) and the reserves. The first teams will be outfitted under the existing Team policy and a decision will need to be made on outfitting of the second and third teams.

The biggest problem we envisage is that of having enough qualified referees. They are only required for the 3 days of the World. We are budgeting on 30 referees for the event and an allowance of \$300 per day per referee is being recommended. Referees will not be able to compete, and must be qualified. It is expected that distinctive apparel will also be provided. ACTA will be calling for expressions of interest at a later date. The quality of refereeing at a World event is extremely important and to be accepted would be real compliment to those engaged.

The Mackintosh rules have been further aligned with the World DTL with a Veterans age of 55 and a Super Veterans age of 65. Both ages are at the 1st of January in the year of competition. The final Mackintosh results for 2016 are now available on the ICTSF website.

The 2019 ICTSF World English Sporting has been allocated to the Irish Clay Pigeon Shooting Association. Their intention is to shoot the event in one of the magnificent castle grounds in regional Ireland. This event should be something special. This was on the back of a previous General Assembly decision to host the event for a number of consecutive rotas in the Northern hemisphere to build the numbers. The 2017 event is to be held in England, but dates and grounds are yet to be confirmed.

## HALL OF FAME

It has been brought to our attention that because of an oversight on our behalf on a couple of occasions the runner up in a National event

# Executive Officer's Report

The Olympics have been run and won (by some) including ACTA Mansfield CTC member Catherine Skinner. Congratulations Catherine. a fantastic result from a very dedicated and thoughtful person. I have been fortunate enough to talk with Catherine on numerous occasions at National events. Catherine is a very unassuming and quiet young lady with a great attitude towards her sport. Not only an Olympic Gold medallist in shooting, Catherine has completed a degree in Chemical Engineering. Undoubtedly another great role model for our sport.

A full report and acknowledgement of Catherine and the rest of the Olympic Team will be in the next edition of the CTSN.

It has been a very hectic two months since the National Executive meeting in June this year. There are an enormous amount of projects going on within the National Office. The ACTA has again raised the issue of recognition of the ACTA with the Australian Sports Commission including control of our own coaching accreditation specific to shotgun shooting, this was rejected by the Coaching and Officiating division of the ASC.

There are a number of people involved with resurrecting previous coaching manuals with the view of introducing a shotgun specific course through the ACTA for Level 1 and 2 coaches. Currently we have a generic program that does not really capture the essence of our sport. This we aim to rectify.

Following a full meeting of the Executive Committee a sub-committee

that attracts points towards the Hall of Fame has not been clearly established. Those involved in the known cases will be advised that the Hall of Fame points will be decided by shoot-off at the next National Titles.

Further, shooters need to be aware that any ties for Hall of Fame points will now be shot off on the day of the event unless otherwise announced.

### **GROUND DEVELOPMENT**

A business case study funded by the NSW government has almost been completed for the ongoing development of the grounds. The scope covers a multi-use Convention centre, Hall and Dining facilities, Hall of Fame, National offices, and 3 Olympic layouts with associated pathways carparks and landscaping. The ACTA have already committed \$1.2M to the expected cost of over \$6M.

The skeet houses which have tilted slightly will be releveled in coming weeks, after the Sporting Nationals, and extra work continues on trap layouts and fencing on the Western end of the ground.

It has been a very busy time and a lot of the unnecessary distractions that we currently have are making our jobs a lot harder. I urge all shooters and clubs to get behind your Association so we can work through these issues as a strong united body.

Until next month.

*Robert Nugent*

has been appointed to review ACTA membership including levels, benefits and associated issues in delivering a sustainable Association, at Club, Zone, State and National level. The recommendations of this committee will be then reviewed by the Executive Committee.

At the June meeting an updated set of referee examiners questions were viewed and discussed, ultimately being accepted at the meeting and now distributed to each State. These updated questions (and answers) are now in line with changes made to the rules. In the near future the Skeet and Sporting courses will also be updated.

National and VCTA Handicapper Ray Peatling and VCTA Secretary Judith Kent have put a great deal of work into producing a handicappers' training course. The course has been conducted in a number of centres in Victoria and in the near future with the co-operation of the VCTA the ACTA, will produce and distribute this program nationally. A great initiative from Ray Peatling, something we had discussed after the National Trap Championships this year. It is great to have proactive members who contribute meaningfully to the association. A huge thank you to Ray and Judith who found a void and decided they could help those thrust into a position of handicapper in their club with little or no experience. These courses should be available very shortly after the VCTA has "tested" the course content.

The position of National Rules Supervisors is now being considered by the Executive. The position will require the appointed person to oversee the rules of the sport including arranging and chairing the meeting of Rules Supervisors in 2017. The Executive sees this as another step forward in the professionalism of the sport. We have already seen some huge benefits come forward from the National Handicapper position with a course developed for new and existing handicappers.

A full economic and business case study commissioned with a grant from NSW Sport has now been prepared and lodged with the Minister for Trade, Tourism and Major event and Minister for Sport, Mr Stuart Ayres. This study is in support of the request for funding for the upgrade of the National ground including clubhouse, Hall of Fame, National offices, additional Olympic discipline facilities and infrastructure projects. We expect to hear in the near future on the result of the submission.

This is a very exciting time for the Association as having a facility of this magnitude will not only provide for shooting and shooters, it will be capable of holding external functions to increase the revenue stream of the Association and provide a much needed facility in Wagga Wagga.

# CONGRATULATIONS TO CATHERINE SKINNER

## *Olympic Gold Medal 2016 Rio Olympic Games*

Congratulations to Catherine Skinner on her magnificent performance at the Olympic Games in Rio, taking out the Ladies Trap event.

Catherine has reaped the reward for the dedication and sacrifices made in pursuing her career in shooting.

Catherine is a member of the Mansfield Clay Target Club in Victoria where her win has been widely celebrated.

"It still hasn't sunk in and it's here in my hand!" she said after the medal presentation, speaking through the broad smile that was splashed all over newspapers worldwide after her performance. "It's so surreal."

Catherine said she relied on her previous experience at an elite level to maintain the level of concentration required.

We will have a full wrap of the shotgun shooting at the Rio Olympics in the next CTSN.

# South Australian State Sporting Carnival

KINGSTON SE CLAY TARGET CLUB  
JULY 2, 2016

The Kingston SE Clay Target Club hosted the 2016 State Sporting Carnival at their grounds on Saturday July 2nd. Two fields were set up using a total of 10 traps. As is always the case, credit has to go out to the small dedicated group of organisers from both Kingston and the Mt. Gambier clubs, who give of their time before this event, to get the fields set up. This year was no exception with a magnificent range of targets set up to try even the best of shooters.

In the days leading up to the Carnival, Kingston had experienced some rainfall and everyone was hoping that it would hold off for the day. And, while the rain held off on the day, a few brisk showers did come through, although not serious enough to dampen anyone's spirits. Despite this, at 10.20am 34 Shooters (7 Squads) headed out to view the targets and see what they were up against.

Right on the 10.30am programmed start time, the first 2 squads headed out to test their skills. The traps performed well over the day and there was hardly any disruption to the ongoing movement

of the field. The rest of the squads backed up promptly all day and to that note, special thanks to shoot marshal Andrew Ryan for keeping everyone moving as well as Sue Crane in the office for running the shoot so efficiently over the day.

Former State President Bronte Evans was the major sponsor for the day and we would like to extend our thanks for his very generous contribution towards the amazing prizes and continued support toward this Carnival.

Competitors came from Mt. Gambier (15), ICTC (1), Kingston (8), LAGC (2), Pt Augusta (2), Wilkavatt (3) and Southern (3), and all of them keen to get themselves one of the State red sashes that were on offer. The 100 targets were broken down to 4 rounds of 25 targets and after each break, everyone was hovering around the boards to see how they were fairing up. Food over the day was great and everyone was excited about the 'crayfish' raffle

Each grade winner was very happy with their slab of ammunition for their prize, and the 'Overall' winner, 2 slabs of cartridges. Fantastic sponsorship.

Final scores for the day came in as follows: C

A very happy Gavin Dyson with the Holy Grail of the SA Sporting Carnival

L-R OA Gavin Dyson, AA Jamie Dunn, A Michael Raper, B Jeff Raper, C & Lad Liz Rymill & Vet Kevin Dyson

grade 1st was Liz Rymill (68), 2nd was Warren Lindner (63), and Heather Ryan 3rd with (62).

In B grade, 1st was Jeff Raper (74), 2nd was Nick Grundy (72), and Jeff Grove 3rd with (63). 'A' grade 1st was Michael Raper (76), 2nd was Kevin Dyson (74), and 3rd was Steve Zadow with (71). AA grade was taken by Jamie Dunn (111/130), 2nd went to Ken Atkin (94), and 3rd was Tim Widdison (85). Ladies sash went to Liz Rymill and Veteran to Kevin Dyson. The 'Overall' winner of the day was taken by Gavin Dyson (115/130). Extremely well shot.

Our State travelling team was chosen and will be heading up to Wagga in August. Overall, a great day for SA Sporting shooters. Thank you all for competing and we look forward to seeing you all again next year.

## NOMS CLOSE AT 9:00AM SHARP AT ALL EVENTS

## TEAM SELECTIONS:

Teams to be selected using a "reverse points" system. The top scorer/s at each event will be awarded ZERO points. All other competitors will be awarded 1 point for every target they are away from the winning score. The top 3 shooters with the lowest cumulative points recorded over any 3 events of the series will qualify for the team. Please note that a shooters worst performance at **ANY** event will be dropped and not counted towards team selection. All ties determined by Universal Trench shoot off rules. No events are compulsory to attend, just attend ANY 3 of the 4.

Funding will be on a semi funded basis to the TOP 3 shooters (irrespective of which category they have entered). Funding will be made up of all profits from the series and will be distributed evenly to the top 3 overall shooters. Distribution to be at organisers discretion.

Juniors, Ladies & Veterans teams may be selected providing sufficient entries recorded at all events. Should these teams be selected, some funding may be provided if available. Shooters under 18yo to be accompanied by a guardian when travelling to World Championships. All Team members will need to become members of Sporting Clays Australia (SCA) who are the Australian affiliate to FITASC to compete at the World Championships. You do not need to be a member of SCA to shoot the series. Visit [www.sportingclays.com.au](http://www.sportingclays.com.au).

**TOP SHOT AWARD:** Prize to the most improved shooter for 2017 (who is not awarded a funded position) based on scores shot compared from 2016 (best 3 from 4 events). Sponsored by Top Shot Industries.

**PINNERS - ELITE AWARD:** \$4000 cash to the first shooter to shoot 200/200 at any event in the series. The first shooter who BREAKS (not equals) the Australian Record of 196/200 will also receive \$1000 cash all courtesy of Pinners Refrigeration & Air Conditioning & Elite Shooting Supplies (split if more than one at same event).

# 63 YEARS OF SHOOTING

## MONARTO-ALEXANDRA CLAY TARGET CLUB JULY 17, 2016

On July 17th, in perfect weather conditions, 54 shooters joined us to celebrate the old Alexandra Clay Target Club's 63rd Birthday Shoot.

The first event on the day was the 25 target DB, Ian & Phillip Campbell Memorial team shoot. Taking out Overall and AA grade was Rob Clark who shot a 46/46 over Tim Dunn on 45/46. A grade placings went to Sue Byrnes on 25/25 over Richard Dean on 43/45. Peter Quire won B grade on a 24/25 over Bernie Greenshields 34/36 and C grade went to Di Loughhead on 22/25 over Rex Perry on 27/31.

The Campbell Shield was won by the Monarto No 1 team (five full Club teams vying for the shield), of Rob Clark, Tim Dunn, Paul Kelly, Ryan Foster and Allan Vilcins with their score of 121/125.

The second event on the programme was the 25 target DB Woodrow Shield team shoot. This time the results were reversed with Tim Dunn taking out Overall and AA grade with his score of 26/26 over Rob Clark on 25/26. A grade places went to Rito Borzillo on 31/32 over Richard Dean on 30/32. B grade was taken out by Barrie Arnott on 25/26 over Peter Quire on 24/26 and Rocco Spinella won C grade with his score of 22/26 over Greg Morgan on 21/26.

Monarto's No 1 team were again victorious, winning the Woodrow Shield with their score of 117/125. Tim Dunn, Rob Clark, Ryan Foster, Allan Vilcins and Paul Kelly.

The final event for the day was the 25 target SB Fleetwood Memorial. Overall winner of the sterling silver perpetual duck trophy was A grade shooter, Allan Vilcins shooting a score of 24/25 over Rito Borzillo on 26/29. AA grade winners were Tim Dunn on 34/37 over Martin Collumb on 33/37. B grade was taken out by Greg Ferguson who shot a 21/27 over Peter Quire on 20/27, and lastly Rocco Spinella again took the C grade trophy on 21/25 over Di Loughhead on 20/25.

The shoot was completed by 3.30pm and the clubhouse rang with chatting and laughter as the shooters waited for the presentations to begin. Seven Black Crow awards were handed out to shooters who had either missed their last target after shooting a clean round, or having missed their first target in a shoot off. Much laughter, by those not receiving them, was heard as these were given out.

The Junior trophy was won by Molly Bretag with

a 55/75, Ladies trophy was won by Lisa Smith 66/75, C Grade Forbes Perpetual trophy was won by Di Loughhead 62/75, Veteran trophy was won by Rito Borzillo 70/75.

Overall High Gun went to Tim Dunn 73/75 (this win would undoubtedly give his grandfather Kevin Burzacott much joy; Kevin was a Life Member and stalwart of the old Alexandra CTC before the club merged with Monarto).

Allan Vilcins was the lucky winner of the \$100.00 note on the Fleetwood Memorial event all competitors on that event eligible for the draw. Allan accepted it and then promptly donated the money back to the Club. Great gesture Allan.

Thanks to our sponsors on the day the Forbes Family for the sashes, John Fleetwood, and Alexander Dunn (Junior sash).

Accolades to our home Monarto Club members for running a well run shoot; Club 'Prez' John, shoot marshal Pete, trappers, handicapper, refs and scorers, all combining to keep the day flowing smoothly.

Ruth, (the Prez's wife), on seeing the influx of shooters, kept her cool and quickly sent off an order for more food for the canteen, dispatching one of the Patrons to pick up the order in Murray Bridge some 13 kilometres away. Thanks to all helpers on the day.

Possibly the highlight of the day was the presentation of three framed Government of South Australia, Premier's Certificates of Recognition for outstanding volunteer service. The awards were presented by ex-ACTA President Allan Vilcins to Ruth Michell, John Bretag and Ruth Bretag three very surprised recipients humbly accepted them from him.

No nasty hiccups at this shoot like those experienced back in March, now but a distant nightmare!

Thank you all for your company and patronage.

We have more great competitions coming up, so keep your eyes open for flyers and Facebook postings. Trusting we will see you again in the near future.

# Eastern Goldfields Two Day Trap Carnival

**EASTERN GOLDFIELDS CLAY TARGET CLUB  
JUNE 4 & 5, 2016**

On a fine, although at times testing June long weekend (4th-5th), 87 shooters competed at the 2016 Eastern Goldfield Clay Target Club's Annual Trap Carnival.

While this year we had the honour of hosting a special guest and ex-Olympian Russell Mark, many of the usual diehard trap shooters from around Western Australia had converged on our Kalgoorlie-Boulder based Club for the great prize money, food and importantly the camaraderie that is ever present in the Clay Target Sports here in WA. People travelled from all over WA with even a few interstate competitors attending the weekend, for which we are most appreciative. A massive thank you to all our contributing members and amazing sponsors who made the 2016 carnival such a great success. Although the weather didn't hold out for the entire weekend, with competitors experiencing showers and bitter cold mornings over the Saturday-Sunday meet, everyone made the most of it.

Friday before the main carnival saw Russell Mark offering pointers and coaching on the layouts to members and the early arrivals. After a great coaching session with Russell the pre-carnival 50 Double Barrel saw many an old hand incorporating some new stances, and hold- and look-points out on the traps. Although, this added insight didn't seem to reflect in the scores of some of the regulars to the WA two day Trap Carnival scene. The results are as follows: 1st in C grade Quinn Marsh 48/50, 2nd C Tristan Polmear 47/50, 3rd C Greg Smith 44/50, 1st in B grade Bernie Mazza 53/53, 2nd B Sharon Johnson 52/53, 3rd B Murray Cornish 44/50, 1st in A grade Des Neale 49/50, 2nd A Keith Roy 65/68, 3rd A Digby Boschetti 64/68, 1st in AA grade Russell Mark 80/81, 2nd AA Zac Baker 67/68, 3rd AA Chad Johnson 62/63. The Overall winner was David Whitting with an 81/81, a great shooting display and starting off a great weekend for the young gun.

pepping up the crowd, we had 13 squads ready to go. With a prompt shoot program introduction from our Club Captain, Royce Normington, the opening of the carnival was initiated by Erin Bond, of the Department of Sport & Recreation. Unfortunately, the weather was not as kind to competitors as the previous day. Nonetheless, the first event, a 30 Medley was under way on time with results: 1st in C grade Rosetta Biddulph 48/50, 2nd C Neil Edwards 47/50, 3rd C Courtney Littlewood 44/50, 1st in B grade Dino Fracaro 49/50, 2nd B Chris Moffatt 46/50, 3rd B Murray Cornish 45/50, 1st in A grade Graham Chittleborough 49/50, 2nd A Digby

continuing some great form was David Whitting with a 124/124.

The Sunday morning saw a more subdued crowd around the Club mostly huddled closely around a roaring fire pit as the weather had turned down the thermostat and some nursing a few headaches from the festivities the night before. After another great breakfast the refreshed squads ventured out for the fourth event of the carnival and first of the day, a 40 Mixed Targets. With a blistering display of shooting the results were: 1st in C grade Neil Edwards 51/60, 2nd C, Murray Kamo 49/60, 3rd C Rosetta Biddulph 51/72, 1st in B grade Quinn Marsh 64/72, 2nd B Peter Lemmon 63/72, 3rd B Murray Cornish 71/84, 1st in A grade Matthew De Paoli 70/72, 2nd A Digby Boschetti 57/60, 3rd A Bernie Biddulph 55/60, 1st in AA grade Michael Boschetti 59/60, 2nd AA Russell Mark 58/60, 3rd AA William Freni-Lizzi 79/84. The Overall winner and hitting the ground running for the day was David Whitting with a 71/72.

Following a quick cuppa and testing out some wet weather gear the fifth event, a 50 Single Barrel sponsored by All Excavator Hire was underway with results: 1st in C grade Murray Kamo 46/50, 2nd C Colin Scheer 43/53, 3rd C Nadene Smedley 42/53, 1st in B grade Sharon Johnson 46/50, 2nd B Paul Camerer

As the weather gave little reprieve and the hot beef & gravy rolls and soup had been exhausted over lunch, time had come for the final event of the carnival, a 25 Double Barrel sponsored by Esperance Earth Works. With fading light and the drizzle settling in the results were: 1st in C grade Nadene Smedley 26/26, 2nd C Neil Edwards 25/26, 3rd C Courtney

# Rockhampton recovers from cyclone damage for two day shoot

## ROCKHAMPTON CLAY TARGET CLUB JUNE, 2016

The first weekend in June saw the Rockhampton Clay Target Club host their Annual Two Day Shoot with ninety-five shooters in attendance. After having the Club and grounds damaged the previous year by Cyclone Marcia, the club was unable to hold any shoots due to safety and insurance issues. The Club lost all forms of power and with a grant from the RACQ Foundation underground power was put in. A considerable amount of work went into getting the grounds back to normal.

Due to the amount of damage an opportunity was there to upgrade the grounds to a standard for the forthcoming years. In brief forty semi tippers of vegetation and debris left the grounds, and with the help of a few contacts 5,000 cubic metres of fill came in over a few months to transform the car park and camping areas. It is still a work in progress but the grounds will be something for the future.

Our trap mechanic Bill DeBoer had spent weeks at the Club going through the traps and completely rebuilt one trap that had been submersed in water during the cyclone. A couple of technical issues arose over the weekend, however they were dealt with without too much interruption.

The office was well manned with Lil Brandt at the helm with her helpers and the trophy table was well stocked with trophies thanks to Lil's shopping skills.

The first event on Saturday was the 25 target Points Score Championship and the Overall winner was Brad Cowley from the Blackall Clay Target

Club with a score of 89/90. Other results were: 1st AA Grade Daryl Stevens 88/90; 2nd Lil Brandt 130/135. 1st A Grade Mick Howard 111/114; 2nd Tom Jarvis 108/114. 1st B Grade: Keallan Thompson 95/99; 2nd Tracey Harker 92/99. 1st C Grade Paul Farrell 71/75, 2nd Dan Griffin 66/75.

Event Two was the 25 target Double Barrel Championship and the Overall winner was Andrew Barbour from Mackay Sarina with a score of 60/60. Other results were as follows: 1st AA Grade Richard Wilde 53/54; 2nd Kurt Goody 50/51. 1st A Grade Vere Storch 59/60; 2nd Garry Wright 53/54. 1st B Grade: Donna Barletta 25/25; 2nd Tracey Harker 25/26. 1st C Grade Thomas Daniels 25/25, 2nd Sheryn Busted 29/31.

The final event of the day was the 15 pair Double Rise Championship and the Overall winner was Joe Taylor from the Blackall Clay Target Club with a score of 39/40. Other results were as follows: 1st AA Grade Andrew Barbour 38/40; 2nd Peter Watts 27/30. 1st A Grade Vere Storch 44/50; 2nd Garry Wright 43/50. 1st B Grade: Bill Tennent 24/30; 2nd Richard Holmes 30/40. 1st C Grade Lisa Tennent 24/30, 2nd Naomi Loch 22/30.

The kitchen is one area where a few dare not to go, however over the weekend members from outside Clubs decided to give our resident caterer Judi Gordon a hand. We are grateful that we have a team from within the Zone who gave up some of their shooting time. I would like to thank Janene and Stephen Vale, Agnes Doring, Sheridan James and Brad Cowley for their time and effort. There were a number of others who chipped in during the weekend and their efforts are also appreciated.

future shoots and some breaking out with spontaneous rival Club songs. After a number of drawn raffles and an art auction it was time for a complimentary dinner and our traditional pig on the spit and other roasted delights to enjoy for the competitors and their families.

In spite of the cold and rain the grounds were in great condition, thanks to all the efforts of our members, Matt & Murray. Thanks to the guys manning the office, Clint & Matt, and for running a smooth shoot with the help of our Club Captain, and Bernie Mazza for

keeping squad sheets and scores up to date over the weekend. Special thanks to the ladies keeping the handicapping books in order, absolutely great! Thanks to Frank Audiore for instruction on his ShootMaster spread sheet, which was fantastic during the carnival. Thanks to Wayne Marquand, Kingsley Smith, Shane O'Brien, and Royce and Mark Normington for keeping the traps filled and making adjustments when required over the carnival. A massive thanks to the Western Australia Gun Club for the lending of a trap, without which we would have struggled to run such a great carnival. Huge thanks to the kitchen staff, in particular, Kristy Marsh and her helpers, the food was absolutely awesome! Special thanks also to Wayne Marquand and Quinn Marsh for organising sponsors and to the rest of our members who sponsored various prizes and donated their time. Thanks to Bronzewing Australia and Freerange Supplies Kalgoorlie for donating merchandise and slabs of

ammo and also to all our sponsors. Thanks also to Club president Mark Normington and Club Secretary Courtney Littlewood who organised sashes and made a huge contribution to the overall success of the carnival. Finally, thank you to all the shooters who travelled from far and wide to attend and make the Eastern Goldfields Carnival the best it has been in recent times! Lastly, congratulations to David Whitting on a truly great performance over the weekend achieving Break Badges in 50, 75, 100 and 150 trap.

In conclusion, I'd like to invite and encourage shooters from all over Western Australia and interstate to travel out to Kalgoorlie for our 2017 two day Carnival, which I can assure everyone, will have bigger prizes, sashes, badges, great food and great camaraderie!! Looking forward to seeing you out here in Kalgoorlie.

# NSW State Deauville Doubles

## BEGA GUN CLUB

Bega shooters and their visitors faced a double challenge this month with the NSW State Championship Deauville Doubles and the third round of the Fimac Engineering Handicap Shield featuring in the three event program. Completing the trio was a club sponsored 40 target Points Score. Visitors attended from Cooma and Canberra to add to the field of twenty-nine eager participants.

The 40 target Points Score, shot from a common mark, opened the proceedings. AA Grade's Wayne Hawkins demonstrated why he shoots from a 25 handicap with a score of 118/120 to take the first prize with James Barron in second place on 111/120. Dean Shipton, ever consistent, took A Grade with a score of 109/120, two targets up on Simon Buckley on 107/120. B Grade provided a shoot off to sort out second place after Mark Evans rounded up 105/120 for first. Pete Johnston, Doug Blewitt and Zip Summerell attended the trap, with Doug taking out second. C Grade went to George Adamopoulos with a solid 100/120 from Roscoe Hartley on 87/123.

2nd A Grade PS Simon Buckley

B Grade PS Mark Evans

C PS George Adamopoulos

Six shooters scored 22/25 in the initial round and returned to the traps for the shoot off for places. After a further seven targets, John Siede, 29/32, was declared the winner. George Toyne and James Body faced another five targets before George was declared second and James third. With one round still to go a number of shooters are still in contention to take out this feature trophy.

For the first time, Bega hosted the NSW 20 pair State Championship Deauville Doubles. Much enthusiasm was displayed by all teams and some even shot some really good scores. There was a pause and celebrations when after about seven pairs, one team of B graders actually scored.

Round 3 Fimac Shield winner John Siede, 2nd George Toyne & 3rd James Body

2016 NSW Champions DD Phil & James Body

However, Phil and James Body had no problems with the format and scored an excellent 19/20 to take out the Championship for 2016. Second place went to another pair of consistent shooters in Peter Ewart and Geoff Mills who collected 17/20.

High Gun went to Wade Hawkins, 135/145, George Adamopoulos collected the meat tray for the shoot raffle. This leaves the raffle prize for next shoot at \$500.

Club Secretary Phil Body stood in for President Shane, thanking all competitors and workers who make the day successful.

# ACTA Constitution—Part 3

Just to recapitulate, in the first of these articles we looked at the “why” for change and the last one we looked at the governance issues involved. In this issue we intend to briefly discuss the objects of the board and then look into the accountability of the board, executive officer and staff.

## Objects

The objects of the proposed constitution will be almost the same as in the current constitution as they were just cut and pasted across. It was considered that these objects had served us well and captured all of the diverse issues the current executive need to deal with on occasion. Space considerations preclude listing all twenty-six here but one can easily access them on the ACTA website or just look at a hard copy of the current constitution.

The lawyers tweaked the first two objects to more strongly affirm the central role of the ACTA in the administration of clay target shooting in Australia:

- a) *Create a single uniform entity in Australia through and by which the Sport can be encouraged, conducted, promoted and administered;*
- b) *Adopt and exercise the Sporting Power as the national federation for the Sport in Australia and act as an Australian affiliated member of the International Sporting Authorities that govern the Sport in accordance with the Statutes and Regulations;*

The above effectively encapsulate the aspirations of a future board of directors. The other twenty-four objects are more definitive, cover all the known issues and tasks facing the current executive and have not been changed.

## Accountability of the Board of Directors

*Before we proceed I will deal with a matter of definitional semantics with respect to the terms “Board”, “Board of Directors” and “Directors”. In the previous article I referred to “the board” as that is the term in common use and is generally well understood. The constitution refers more often to “the Directors” as defined at 1.1, when all or some of the Directors act together in accordance with their powers and authority under this constitution. Nevertheless under section 13 it defines the Board as comprising of seven Registered Directors and up to two Appointed Directors. While there may be some arcane legal difference between the terms that I am unaware of, for the purposes of these articles please consider the terms “Directors” (plural only), “Board of Directors” and the “Board” as interchangeable. For clarity I will continue to use the term the Board.*

Will the new arrangements increase accountability? Before answering that it is instructive to look at the **current executive**. Executive members are elected by their respective state associations via processes which vary from state to state. Apart from exceptional circumstances under the constitution they may only be removed by their respective state or territory. There is no doubt that each executive member is accountable to his or her state but for what? The states only have jurisdiction over issues within their state and thus it can be argued that the current executive members can only be accountable to their state on state issues.

However when members serve the ACTA they are not there to represent their state’s interests but to manage the sport nationally. All their effort while serving on the executive must be toward the best interest of the ACTA which may or may not be in the best interests of their respective states. So given that clubs do not have the right to remove executive members at the AGM, who are members accountable to when serving in the national interest? It could be reasonably argued

that they are not accountable at all and, at the very least, that indicates a significant weakness within the current constitution. Thankfully it has not been a problem because our volunteer executive members take their job seriously, manage the sport responsibly and to the best of their abilities.

As you will remember from last month’s article, the Australian Sports Commission mandatory principles for sport governance contain specific requirements to ensure proper accountability at all levels. Under the proposed new arrangements the board will be responsible for developing procedures to ensure that the performance of the board, that of individual directors, the chair and the executive officer is formally assessed. The annual report presented to the AGM will include the usual reports on the year’s happenings and the finances but also the results of an independent audit of the performance of the board, individual directors and the chair. Club delegates at the AGM will then be able to make judgement on the performance of the board and individual directors.

At present, if the club delegates at an AGM were dissatisfied with the performance of the executive, while they no doubt would express their dissatisfaction forcefully, there is little they can do constitutionally. While five per cent of member states and member clubs can call a special general meeting under 16.2(f), such a meeting may only *make recommendations* to the executive committee.

However under the new arrangements, under 13.11(a) *the Company may in general meeting by ordinary resolution remove any Director prior to the expiration of the Director’s term of office*. As clubs vote at general meetings including the AGM, the Directors will be accountable to the clubs in a very real sense rather than the tokenism at present.

## Accountability of the executive officer and ACTA staff

Currently the executive committee has the responsibility for the recruitment, and performance review of the executive officer. In practice the executive usually delegates recruitment to a sub-committee and the performance management to the president. The EO takes direction from the decisions of the executive and the fundamental principle is that the EO is ultimately accountable to the executive committee. Under the new arrangements the board will assume these responsibilities so the management of the executive officer will not change apart from formal protocols being defined as such do not exist at present.

Similarly the recruitment and management of the ACTA office and grounds staff will remain the responsibility of the executive officer so they in turn will remain accountable to the executive officer.

Shooting appointments such as the national coaching director are currently undertaken by the executive committee and a future board would assume the responsibility.

## In conclusion

Despite the fact that clubs are the cornerstone of our sport, currently they have little or no role in the management of our sport at a national level. Under the new arrangements they will assume a far greater role. Clubs will not only be able to nominate delegates for possible election to the board (something they cannot do now) but also formally assess the performance of the board (also something they cannot do now). The new arrangements will thus ensure a more vibrant reporting regime and therefore responsive management of our sport.

Until next time. Good shooting!

# ACTA Constitution—Part 4

ACTA Constitution – Part 3 looked at objects and accountability and in Part 4 we will take a look at membership including individual, club and state. While there will be little change in the current relationship nevertheless it is worth exploring the issue because all members may not be aware of the various issues.

The basic issue that should be understood is that membership of any organisation of whatever kind and at whatever level is effectively a contract. Membership of a club, for example, enables a person to enjoy the benefits and the privilege of using the club's amenities and to be involved in the club's activities. However, like everything in life, there is no free lunch, as in return for the privilege of becoming a member a person is expected, amongst other things, to heed certain rules and behavioural standards. Today's sports administrators and athletes need to be aware of an extraordinarily wide and diverse range of ethical standards and of course shooting clubs have the added issue of gun safety which has implications far wider than that concerning clay target shooting.

So the basic premise of being an individual, club or state member of ACTA is that there exists a contract which must be complied with. This contract is contained in the Rules section 9 of the current constitution and 5.9(a) of the proposed constitution. Both are the same and the current one reads:

All classes of Members acknowledge and agree that:

- a) *these Rules constitute a contract between each of them and the Association and that they are bound by the Rules and the Regulations;*
- b) *they shall comply with and observe these Rules and the Regulations and any determination, resolution or policy which may be made or passed by the Executive Committee or any duly authorised committee or other entity with delegated authority;*
- c) *by submitting to these Rules and the Regulations they are subject to the jurisdiction of the Association;*
- d) *these Rules are made in the pursuit of a common object, namely the mutual and collective benefit of the Association, the Members and clay target shooting;*
- e) *the Rules and Regulations are necessary and reasonable for promoting the objects of the Association and particularly the advancement and protection of clay target shooting as a sport; and*
- f) *they are entitled to all benefits, advantages, privileges and services of the Association membership.*

The only changes in the new constitution will be the opening words: *Members acknowledge and agree that* and also the word *Association* has been replaced by *Company*. The bottom line is that there will be no change to the current contractual requirements for members of the ACTA.

Unfortunately an unrelated issue has recently tended to overshadow the debate on constitutional change that being in regard to non-ACTA members utilising ACTA registered club facilities. It is inappropriate to enter into that debate within this forum as that issue concerns insurance, liability and other matters which have nothing to do with constitutional change. To avoid confusion, members are politely requested to keep the respective debates separate.

Individual shooter membership will not be affected by the adoption of the proposed constitution. Reasonable questions from an individual

member's perspective may include why change and what is in it for me? The benefit to individual members will be in a more proactive and effective national administration of the sport resulting in increased membership, increased government and sponsor support leading to more clay target shooting opportunities as well as the satisfaction of belonging to a dynamic national organisation.

As stated in the first article, consequent to member concerns, the requirements have been simplified from the old constitution to remove many of the direct specific requirements of the ACTA for clubs and states in relation to reporting and intervention. The critical section of the proposed constitution is 5.3(c) which now reads:

(c) *Each Member State will:*

- i. *have objects that align with those of the Company as stated in clause 2 and do all that is reasonably necessary to enable the Objects to be achieved, having regard to legislation applicable to that Member State;*
- ii. *at all times act for and on behalf of the interests of the Company, the Members and the Sport;*
- iii. *be bound by this Constitution and the By-Laws and the Statutes and Regulations;*
- iv. *maintain and update the Company's database of clubs, officials and members registered with it as required and in accordance with the By-Laws; and*
- v. *advise the Company as soon as practicable of any serious administrative, operational or financial difficulties, assist the Company in investigating those issues and cooperate with the Company in addressing those issues in whatever manner.*

Section 5.3(d) which deals with state constitutions and section 5.5 dealing with the membership of clubs also have been simplified. Space considerations preclude their inclusion here. However the important point is that the intent is unchanged from the current constitution. In reality the only area where the new constitution will affect states and clubs is in the selection of delegates to the Board.

## Conclusion

The administration of states and zones, operation of clubs and the activities of individual members will not be affected by the new arrangements which are entirely concerned with the re-organisation of the national governing body. The only change will be the process of selection of delegates to the board which will be covered in a later article.

Until next time. Good shooting!

# Six events for Bundaberg Two Day Carnival

**BUNDABERG CLAY TARGET CLUB    AUGUST 6 & 7, 2016**

Bundaberg Clay Target Club held its Two Day Shooting Carnival on Sunday the 6th and 7th August, with 91 shooters vying for the cash & cartridges in cool and light breeze conditions on Saturday and cold, windy and some drizzly rain Sunday. An excellent roll up of shooters traveled from Sunshine Coast, Gladstone, Rockhampton, Maryborough, Gympie, Central Burnett, Richmond River, Caboolture, Wonthaggi (Vic), Callide Dawson, Cobar, Roma, Gold Coast, Orange, Mersey, Condamine, Brisbane, Mornington, Kingaroy, Leeton, Yarrowonga and Bundaberg. It was pleasing to see a good roll up of our own shooters attend. The shoot progressed really well with a little or no interruption or breakdowns. It is always good to finish the shoot reasonably early letting the traveling shooters get on the road before dark. A good shoot was had by all.

Event 1: 25 target Cash Divide only produced 17 possibles and six 24/25 not a lot for 91 shooters.

*Renton Shaxson 1st Handicap*

Event 2: 25 target Double Barrel Handicap sponsored by CI Industries, The Money Edge, Gin Gin & Dry and Gin Gin Guns & Ammo 1st Renton Shaxson after a short shoot off took home the \$1,000.00, 2nd Adam Bylsma 31/33, 3rd Paul Rehbein 30/32 and 4th Graham Barker 28/30.

Event 3: 50T Double Barrel Championship was sponsored by the Sunshine Coast Clay Target Club to the tune of \$2,000.00. Overall was Chris Salafia 92/92, AA Grade 1st Kurt Goody 91/92, A Grade 1st Michael Howard 50/50, B Grade 1st Andrew Fisher 48/50 and C Grade Brent Chambers 46/50. Ladies Kaye Rehbein 48/50, Veteran was won by John Gemmill 49/50 and Junior Brodie Charteris 49/50.

# Letter to the Editor

The Editor  
ACTA News  
August 18th, 2016

Dear Sir

First of all let me congratulate Catherine Skinner on her marvellous achievement at the recent Rio Olympics. Also great results from Laetisha Scanlan, James Willett and Keith Ferguson who all made a top ten finish. On this topic I am somewhat bemused why Shooting Australia are trying to wrestle control of the ISSF disciplines within Australia. These four competitors are all our very own Australian Clay Target Association members and have been raised in a system that we have nurtured. I did note that our Pistol and Rifle Team had no top 10 finishes and had only one competitor in each of their events make a placing in the top half of the results. I am unsure how they feel Shooting Australia are preparing their athletes based on these results?

I am aware that Shooting Australia want to control the ISSF disciplines within Australia as evident by their recent communication directly to our State Associations. This is nothing more than a "divide and conquer" tactic designed to fracture our sport. I am also led to believe that they may now have contacted some ACTA affiliated clubs on the basis of conducting future ISSF competitions outside of the guidance of our own Association.

For these reasons I would ask that all clubs and competitors unite against this tactic. We need to fight as one if we are to succeed and keep control of our sport and its future.

It is my belief the ACTA is the right body to control the ISSF disciplines within Australia. The time is right for us to take back control of our sport.

United we stand, divided we fall.

# The Squire reports from West Wyalong

WEST WYALONG CLAY TARGET CLUB JULY, 2016

## Skeet

West Wyalong Clay Target Club had two 50 Target Skeet events for their scheduled shoot on the fourth Sunday in July and as there was a fifth Sunday in the month the club also hosted the 100 Target Central Zone Sporting Clay Championship.

L-R: Graham Duncan winner Graded Event, Winston Jones HC 1st, Steve Tipping C, Ray Hillam A & HG, Jason Anderson HC 3rd, Tom McGrath HC 2nd. Front: Illey

There were three squads of shooters for the skeet and the club is very pleased to welcome two new members, Jason McGrath and his son, Tom. Tom is a junior shooter who is currently making his mark in the field and game ranks and from his performance in his first try at skeet he obviously has a lot of potential in other disciplines as well.

Nigel Pettit had his first try at skeet and although he found it a bit unusual he shot 18/25 in his third round.

While mentioning club achievements, Club President, Jason Anderson recently received his 50 and 75 Down the Line continuous Break Badges.

The first 50 skeet targets were to be shot in grades whilst the 50 targets after lunch were to be shot under handicap conditions.

Graham Duncan 24/25 showed the way in the first round of the graded event and then followed it up with 25/25 in his second round to be a clear overall winner as well as winning B Grade.

Ray Hillam 45/50, over from Griffith for the day, was first in A Grade while Wagga visitor, Steve Tipping 41/50 was the C Grade winner.

After a warm up around the fire bucket and a steak sandwich shooters returned to the layout for the 50 Target Handicap event.

Ray Hillam shot another 45/50, Jason Anderson

41/50, Bathurst visitor, Winston Jones and Tom McGrath both 46/50 and were all required to shoot off to decide the winner and place getters.

Winston Jones handled the conditions well winning the handicap with 62/62.

Young Tom McGrath was second with 59/62 and Jason Anderson third.

At the presentation Club President, Jason Anderson thanked all who assisted during the day, particularly Clive Foster and John Wason who kept everything on track and fitted a combustion heater in the clubhouse during the day. Jason also thanked Angie and Bruce Dent for their work in the canteen and cooking of the barbecue.

Ray Hillam 90/100 was the High Gun on the day.

## Central Zone Sporting Clays

After all the cold, windy and wet weather the fifth Sunday in July was a pleasant day and five squads of shooters arrived for the 100 Target Central Zone Sporting Clays Championship at the West Wyalong Clay Target Club.

There was a carload of shooters from Dubbo led by Denis Coaker and John Sidoti and there is always a group of lively blokes from Wagga who come across to support the event. Thanks fellas.

Bruce Dent, Allan Schirmer and Jason Anderson

arrived to set up two layouts with the help of Clive Foster and John Wason on the Saturday afternoon. Clive and John helped on both days even though sporting clays is not the shooting discipline they prefer. A great help and really appreciated.

Peter Munro SC Champion

L-R: Allan Schirmer Vet, Lydia The Gun C, Ben Woodhouse AA, Peter Munro OA, Tom McGrath B, Emalene Munro A, Chris Everett 2nd AA, Doug Murray 2nd C

There was a bit of trouble as Bruce Dent wrestled with the simulated rabbit on the Sunday morning, however, overall the ten traps operated very well all day. Most shooters thought the range set up was quite good with an interesting variety of targets which tested all ability levels.

Shooters were very helpful as the squads backed up, scored and refereed throughout the day.

Peter Munro, from Wagga certainly found the targets to his liking winning Overall with a score of 94/100.

A short break was held for lunch with Iley a great help to Lydia "The Gun" as she cooked the barbecue.

As the scores came in it was obvious another Wagga shooter was going very well, with Ben

Woodhouse 86/100 top scoring in AA Grade. Chris Everett 85/100, over from Dubbo for the day, was second in AA Grade. Junior State Sporting Clays Champion, Emalene Munro 83/100 was first in A Grade ahead of John Sidoti 81/100. Tom McGrath in his first try at Sporting Clays scored 77/100 to win B Grade ahead of his old man, Jason McGrath 73/100. Lydia "The Gun" had to shoot off against Doug Murray to sort out C Grade. Lydia proved too good, winning the grade while Allan Schirmer took out the Veterans' section.

The Central Zone Team to shoot at the

New South Wales Sporting Clays Championship was chosen, the team being; Mick Munro, Emalene Munro and Laurie Redfern.

President, Jason Anderson made the presentations to winners and placegetters following afternoon tea and thanked everyone for their attendance and assistance during the day.

L-R: Emalene Munro, Mick Munro & Laurie Redfern

# Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

## Concentration revisited

"I just wasn't concentrating . . .", "My mind must have been somewhere else . . ." Comments like these, and others that indicate that the shooter was not concentrating, are often heard around the traps in an effort for the shooter to make sense of the fact that a

target was missed. Shooting 49/50 or 74/75 is not an indication that you are a bad shot but it is a clear indication that there was a lapse of concentration.

Concentration is THE most important skill for both the inner and outer games. According to Gallwey (1979), nothing of excellence is achieved without it. Syer and Connolly (1984), add that concentration is a state of being that all sports people recognise as a prerequisite to good performance and involves an unwavering awareness of a specific subject to the momentary exclusion of other subjects. Champion American Trap shooter, Phil Kiner (1997) claims that concentration is not a thing that you do but rather, is a result of other things you have done or are doing.

Concentration is one mental skills that will help quieten the mind. What are the steps in concentration; Gallwey (1979) sees them as discipline, interest, absorption and oneness. The first step, discipline, is to make an effort to switch your attention from wherever it is and place it where you want it to be. Discipline is the ability to provide a focus for your attention on something specific, here and now, away from the interferences of past, future, should, shouldn't, and what might have been. Kiner sees this as staying in the present; you cannot change the past, and the only way you can affect the future, in the manner you wish, is to stay in the present and focus on the project at hand - which is to break THIS target. The second step to concentration is interest. Concentration reaches a deeper level when the mind becomes interested in its focus. Gallwey, states that interest is easier to establish and maintain if the object of our attention is moving. It is necessary to watch the ball in both golf and tennis; however in tennis the ball is moving and therefore it is easier to attend to. In trap and skeet shooting, the focus of our attention is also moving. Gallwey takes this notion a step further and says in tennis says that the player should focus on the seams of the ball not just the ball itself. This heightens the interest level and maintains concentration. In trap and skeet shooting; the focus could be the spinning, or the ridges or dimples of the target. The next step in concentration is absorption; and involves a deepening of interest to a point where you begin to lose yourself in what you are attending to. When you're absorbed in what you are doing, you are hard to distract; the noises at the back of the layout, your opponent ejecting shells towards you, trap breakdowns, etc, all mean nothing. In this state we experience an intensified contact with reality; things just seem to happen effortlessly and the targets appear to be as big as dinner plates. The final step is oneness; and involves an optimal state of mind where concentration is relaxed and awareness and perception is heightened, trust in yourself is elevated, there is an absence of self doubt, and there is a strong and undivided will.

Awareness skills increase our ability to focus our minds non-judgementally in the present moment, on details relevant to our purpose. Most shooters are aware at some time or another of their mind not being focussed on the target at the time they call for it. If we are thinking about achieving a break of 100 or 200, or thinking about shoot-off, the sash, high gun, etc. then we are allowing our mind to move into the future. If we concentrate on a target we may have missed, or our performance in the previous event, or the thought that "I don't like right hand swingers from lane five" then we are shooting in the past. Both scenarios limit our ability to remain focussed in the present and both

situations limit our ability to do what we need to do; which is to hit this target.

Whilst concentration skills are important to achieving our best, what can we do on a day to day, competition by competition basis to improve our skills. Firstly, individual shooters need to discover where their attention is really drawn to when they are shooting and why it wants to go there. This is an important step because it will allow you to eventually break from long-held, outdated patterns of thought or behaviour. You will need to become closely familiar with parts of your performance which are within your control and distanced from distractions or worries which stem from things that are beyond your control.

To change these patterns, shooters can:

- **Build and practise a stronger pattern;** this can involve adopting rituals that can be used during warm-ups, and by practising a number of task orientated procedures to use if distractions threaten once the event has started.
- **Strengthen the attraction of the object or action on which you want to focus:** for example, looking to see the target spinning, or focusing on the outer edge, etc.
- **Deliberately paying attention to the distraction:** This means treating it as if it has a life of its own, giving it space, discovering its needs and eventually making a contract to deal with it later. For example; shooters often complain about counting where they are up to. Kiner, argues that counting is not important; acknowledge that you know where you are up to, but do not treat it as a big deal. When you are shooting well, accept and acknowledge the fact and then focus your energy to staying in the present and break the next target by watching it.
- **Make friends with the distraction:** Either practise in an environment where the distractions are present, or find a way to view them positively. If you don't like a particular target from a particular lane, hope that you will get that one, then you will be more focussed and when you hit it, it will appear a greater achievement.
- **Dialogue with the distraction:** Imagine you can talk to the distraction and ask it what message it brings you, what it is that you are ignoring that is important.
- **Removing focus from emotional distractions to physical and mental patterns:** The one thing that we all do in the here and now all the time is breathe. If you need to refocus, by concentrating on your breathing you will return to the here and now.

Concentration is integral to excellence in sport. Whether we are talking about international or Olympic standard, state level or club participant on a weekend who is trying to win or just improve. Whilst it is important that you concentrate on each and every target, this does not mean that you have to attend or concentrate for the whole round; on the contrary, you only need to attend to your target when it is your turn to shoot. Rather than concentrating to practise your shooting, we should be shooting to practise our concentration.

The ability to concentrate can be affected by a range of things that are happening to you at any one moment: grief, work stress, personal stress, health problems and even eye strain. We should all practice concentrating on a specific thing (breathing is a good example) and when we notice that our concentration has lapsed bring our focus back to what we are concentrating on.

# NATIONAL ISSF DISCIPLINE CHAMPIONSHIPS

## CONDITIONS OF ENTRY

1. Any shooter wanting to compete at the ISSF Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the relevant Club Secretary to enable scores shot to be recorded.  
**Note:** A fee of \$20 will be charged for the issue of any duplicate handicap card.
3. The Tournament shall be conducted in accordance with the ISSF Official Statutes, Rules and Regulations (ISSF Rules) and where applicable, ACTA Shooting Rules (grading, teams etc). Targets to be shot in brackets of 25 for Olympic Trap and ISSF Skeet with squads of 6 shooters where possible. In Double Trap targets to be shot in brackets of **15 Pair (30 targets)** with squads of 6 shooters where possible.
4. Pre Nominations to be received by close of business (Eastern Summer Time) Monday 9th January 2017.
5. Shooters will be squadded as per the ISSF rules and any interpretation of this will be the responsibility of the Tournament Director: Once squadding for an event has been completed, a shooter shall not be entitled to a refund if they withdraw. Withdrawals after nominating and before squadding will be accepted in writing 48 hrs prior to the event. Written notification is required for any eligible refund to be processed and should be sent to [accounts@claytarget.com.au](mailto:accounts@claytarget.com.au) refunds will be processed within 30 days of the completion of the event and will incur an administration fee.
6. Each shooter is to take enough cartridges to shoot the applicable round.
7. Shooters who fail to appear in time for their squad will be penalised by the **LOSS OF THREE TARGETS.**
8. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
9. All shooters must sign the score sheet after each round. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the score recorded on the sheet.
10. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee/score or line referee must fulfil their obligation to do so or have obtained the service of a suitable replacement that must be ready to take his place at the required time. In the event of the designated persons or their replacement not being ready to take their place at the required time, the person initially designated to fill the specific role will **INCUR A PENALTY AS PRESCRIBED UNDER ISSF RULES.**
11. Setting and adjusting of traps is the sole responsibility of Shoot Management. All shooters, coaches and team officials are prohibited from entering the trap pits after the jury has examined and approved the trap settings.
12. All appeals must be in writing together with a \$20 deposit and lodged with the Tournament Director. The \$20 is refundable if the appeal is upheld by the appointed jury.
13. When team selection is involved, shooters are eligible for section nominated. To be eligible for selection in any team, competitors must have competed in both Commonwealth and National Championships.
14. High Gun awards are determined for each section. To be eligible for the High Gun recognition, competitors must have competed in both programmed events for each respective High Gun. Gold Australia High Gun badges are only awarded when there are 20 or more competitors in a section.
15. Junior male shooters are eligible for OA or their grade where applicable. Veteran male shooters are eligible for OA or their grade where applicable.
16. Pre-nominations will only be accepted online on the form provided at [www.claytarget.com.au](http://www.claytarget.com.au)
17. The ISSF Rules will be used to determine the OA placing in all events. ACTA rules will be used to determine grade placing where applicable.
18. Junior to be under the age of 21 prior to January 1st 2017. Veteran to be over the age of 55 prior to January 1st 2017.
19. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
20. The standard of dress required for all competitors is that defined in the ACTA Clothing Rules.
21. **All competitors must comply with Firearms Licensing Laws of the state. (When held in W.A a shooter must obtain a permit to bring a firearm into that state).**
22. Free junior nominations, open to any junior who has not competed in a national event of any discipline & only by pre-nomination. Claim for this concession must be made at time of nominating & will not be refunded retrospectively. Late nominations will not be eligible for this concession.

## BEGA GUN CLUB, JULY 3, 2016

Following the wash out of June shoot, the Bega Gun Club held the RV Repairs Continental 100 Target Championship on Sunday July 3rd. Sponsored by Phil and Pauline Body of RV Repairs, Eden, this shoot is a feature event on the Bega Gun Club's calendar and it was fantastic to see twenty-nine shooters turn up for a crack at the prizes. A glorious day greeted all with sunshine and clear skies making for great shooting conditions.

With shooters divided up into five squads, each group faced the targets for the first half of the competition. When the smoke had cleared, George Toyne and Roscoe Hartley were chasing C Grade honours, with three shooters, Mark Evans, Tim Collins and John Walker tied in B Grade. In A Grade, senior member, John Siede was leading the way from the closely following Shane Platts, Mick Diss and Simon Buckley. Junior, James Body, sponsor, Phil Body and Charlie Smith were showing up as likely winners in AA Grade.

Cont Champion & event sponsor, Phil Body

AA winner James Body

A short stop for the usual magnificent lunch, saw the squads return for the final efforts. George Toyne consolidated his lead from round one to take C Grade with a score of 77/100, with Roscoe Hartley shooting 70/100 for second place. In B grade, Mark Evans maintained his consistency to take the winner's sash, with a fine score of 90/100, three targets ahead of John Walker on 87/100.

In A Grade, a shoot off between John Seide and Shane Platts was needed, after they both scored 92/100 in the main event. After a further thirteen targets, Shane took the prize with a score of 105/113 and John collected the runner-up.

AA Grade went to James Body 100/109 with Charlie Smith collecting second with a score of 99/109. Overall winner and Champion for 2016 went to our sponsor and Club Secretary, Phil Body. Phil shot confidently all day and finished with a score of 97/100. Vice Pres Alf Niesar did the honours presenting Phil with his sash and ammo prize.

Club members congratulated Junior, James Body on his selection in the State Junior squad. We are confident we will hear more of this outstanding young member of our club.

Our shoot raffle of \$500 survived three attempts from Christel Feldmann, Roscoe Hartley and Charlie Smith, each taking home a meat tray. The prize will now be available for next month's shoot.

B winner Mark Evans

# 12TH ICTSF WORLD DTL CHAMPIONSHIPS 2016

**ESKER SHOOTING GROUNDS – Esker, Banagher, Co Offaly, Ireland.**

The 12th World DTL titles were conducted at the Esker shooting ground in Offaly, Ireland from the 22nd-24th July. As usual the hospitality of the home country was fantastic with all Australian competitors speaking highly of their time in the Emerald Isle. The history and beauty of Ireland is cause enough to visit, the people add another level of hospitality rarely surpassed in any other country.

The event was conducted under cloudy conditions whilst the temperature was variable over the duration of the event. The layouts at the venue were very different to those in Australia so it was a new experience for many. Once the competitors settled in it was easy to see they would be more than competitive.

After Day one many Australians were in a good position near the top of their category and in the open event. Australian Junior and Ladies competitor

Laura Woolley shot a great 299 points along with Dan Power to be the best of the Australian scores. South Australian President Michael Veenstra, evergreen Steve Atkins and former World Junior

# 12TH ICTSF WORLD DTL CHAMPIONSHIPS 2016

1. Australian Junior Team, 1st – Thomas Armstrong, James Hayden & John Duryea
2. Matt Schiller, World Open DTL Champion
3. Australian Ladies Team, 1st – Laura Woolley, Emma Cox & Tracey Barton
4. Australian Super Veterans Team, 2nd – Robert Viney, Fred Heinze & Angelo Paoone
5. Laura Woolley, World Ladies DTL Champion
6. Australian Veterans Team, 1st – Gary Hayden, Allan Pollock & Daryl Stevens
7. The Schiller family – Kate, Stephen, Matt & Janene
8. Birr Castle in the Birr township, County Offaly
9. Daryl Stevens, World Veterans DTL Champion
10. Michael Veenstra, World AA Grade DTL Champion

Champions Matt Schiller headed up a strong Australian challenge.

Day two saw Matt Schiller score the perfect 300 to put himself right amongst the frontrunners whilst Veteran member of the team Daryl Stevens shot a 299 to put himself in the frame for a win. Laura Woolley shot another 299 to be right up there in the Overall, Ladies and Junior category, a great effort for a young lady on her first tour.

The Teams were decided at the end of day two with the Ladies team of Laura Woolley, Emma Cox and Tracey Barton taking the World Ladies Team event with a score of 1186/1200. The girls were very excited with the win, having formed a formidable team from the outset.

The Junior Team also came through to take the title shooting 1181/1200. The team consisted of John Duryea, James Hayden and Thomas Armstrong.

Rounding out the team success was the Veterans Team, made up of Allan Pollock, Gary Hayden and Daryl Stevens. The team scored 1177/1200 to take the event by a solitary point.

The Super Veterans Team of Fred Heinze, Rob Viney, Angelo Paonne, made an impact in this first time division by finishing second behind the English Team.

Day three, with 50 targets to go it was a very close contest in most of the categories and the open event. Michael Veenstra missed a place in the final three overall falling one short after the final 50. Michael although disappointed not to make the final three in the open event was ecstatic to take the AA event with 894/900.

Laura Woolley continued her great form of the previous two days eventually winning the Ladies World Championship title with a score of 889/900 by two points from compatriot Tracey Barton on 887/900. Laura also finished second in the Junior event, another great result. Word has it that Laura had to purchase another suitcase to bring home the trophies.

Popular stock maker Daryl Stevens dominated the Veterans category with a superb 893/900 winning by 9 points in a commanding display. Daryl was the mainstay of the Veteran's Championship winning team where he collected his second gold medal.

And the winner: MATT SCHILLER. Matt shot extremely well over the three days including 150 in the last bracket of 50 targets to take the win with a one point advantage over Phil Morgan from Wales who was a further point in front of Peter Dennis from France. Matt's win is even more historic being the first Junior in the history of the ICTSF to win a World Junior Title (in 2012) and back it up with the senior title.

CONGRATULATIONS MATT. The only down side was that some National members experienced great difficulty getting home through Dubai after a major plane crash shut down the airport, with some delayed for days.

# Dawson wins Cool 100

## GUYRA GUN CLUB JULY 30 & 31, 2016

Guyra's Graham Dawson is the Cool 100 Champion for 2016, after a successful open shoot at Guyra Gun Club. Dawson shot 264/264 to win the event. Four shooters recorded the 100/100 possible when the gunsmoke had cleared, and settled in for a shoot off that ended after the sun had set. Ralph Larkings (Glen Innes), Clyde Mitchell (Moree), Tony Ryder (Grafton) and Graham Dawson all shot impressively to record the only possibles, out of about 85 shooters who contested the event.

The two day shoot began on Saturday 30 July with the 25 Target Winter Handicap. A five-man shoot off saw Terry Rumbel victorious with 52/52, followed by Graham Dawson (51/52), Jeff Richardson (30/31), John Lisle (29/30) and Mick Watt (25/26) filling fifth place.

Robyn Jackson & Jeff Richardson

Event Two was the 25 Pair New England Double Rise Championship. Brad Henshall won overall with an inspired 50/50. The Grade results are as follows: AA Grade 1st Nick Tanner 48/50; AA Grade 2nd Ben Rumbel 54/60; A Grade 1st Gerald McInnes 53/60; A Grade 2nd Sam Ulrick 68/80; B Grade 1st Andrew Estcourt 42/50; B Grade 2nd Nancy Davis 38/50; C Grade 1st Kerry Young 47/60; C grade 2nd Kaylene Estcourt 44/60.

The third event, the 50 Target New England Winter Championship, (25 Targets Double Barrel, 25 Targets Points Score), was held on Sunday morning. Brad Henshall's impeccable 200/200 won the overall prize after shooting off with John Lisle. The Grade results are as follows: AA Grade 1st Craig Hayes 117/120; AA Grade 2nd Ben Rumbel 128/129; A Grade 1st John Lisle 199/200; A Grade 2nd Brendon Watt 99/100; B Grade 1st Blake Schwartz 95/100; B Grade 2nd Joe Marshall 118/120; C Grade 1st Ian Schwartz 102/120; C grade 2nd Robyn Jackson 101/120.

Event Four was the "Cool 100", (sponsored by Northern Star Conveyancing), one hundred double barrel targets shot over four traps of 25 targets.

The Grade results read as follows: Overall Graham Dawson 264/264. AA Grade 1st Tony Ryder 263/264; AA Grade 2nd Clyde Mitchell 218/219; A Grade 1st Ralph Larkings 122/123; A Grade 2nd Morgan Bell 99/100; B Grade 1st Blake Schwartz 99/100; B Grade 2nd Andrew Estcourt 97/100; C Grade 1st Kayleen Estcourt 89/100; C grade 2nd Ian Schwartz 89/102.

Craig Hayes and Brad Henshall participated in a shoot off to determine the overall High Gun. Craig Hayes (256/257) prevailed with Henshall winning the AA grade High Gun on 255/257. The other High Gun winners were: A Grade John Lisle 198/200; B Grade Blake Schwartz 194/200; C Grade Ian Schwartz 177/206; Junior Brendon Watt 196/200; Lady Tammy Henshall 197/200; Veteran Terry Rumbel 190/200 (sponsored by Kirk's IGA).

Cool 100 & HG winners: Back L-R: John Lisle, Brad Henshall, Tammy Henshall, Kayleen Estcourt, Tony Ryder. Front L-R: Graham Dawson, Craig Hayes, Blake Schwartz, Ian Schwartz, Ralph Larkings, Terry Rumbel

## Keen competition on a bad weather day

ECHUCA CLAY TARGET CLUB JULY 10, 2016

Sunday the 10th of July was as bad a day as you could get for clay target shooting, but a good roll up of shooters arrived at the Echuca Clay Target Club to do battle for the Sashes and Trophies on offer. With a gusty wind blowing targets around, and intermittent rain complete with a very cold temperature it was certainly not ideal conditions, and yet some very good scores were recorded, proving the quality of the shooters on the day was quite high.

The first Event was a 40 target Medley, and Bendigo's Laura Woolley could not be caught in the shoot off, finally outshooting Matt Appleby, and ending on an 86/88 score to claim the Overall Winners Sash and 1st place in AA Grade. Well shot Laura! Matt having to settle for 2nd in AA Grade, with an 85/88 result. A Grade 1st was Alex Gobbo (Echuca) 71/74, A 2nd Trevor Dehne 56/60, B 1st Fabian Gobbo 38/60, C 1st Neil Ham 47/60, and finally C Grade 2nd was Valerie Dehne 45/60.

Event Two, a 30 target Points Score Championship, and local member Geoff Ervine held off all others to score a 100/102 result, earning him the Overall Winners Sash, and 1st place in A Grade. Well done Geoff! Trevor Dehne shot a 99/102 score earning him 2nd place in A Grade, 1st place in AA Grade was Emma Cox, with 2nd in AA going to Steve Atkins 87/90. B 1st Fabian Gobbo 50/90, and Valerie Dehne shot an excellent score of 74/90 to collect the C Grade 1st trophy, 2nd in C Grade was Neil Ham 67/90.

Finally Event Three, a 30 target Handicap, and after a very short shoot off Trevor Dehne claimed first place with a score of 34/36, Emma Cox shot one less to claim 2nd place with a 33/36 result. Matt Appleby scored a 28/31 earning him the 3rd place trophy. After enduring the poor weather conditions, all shooters felt it was a good day of competition, and a bonus was an early finish with the entire shoot running very smoothly all day.

# VCTA South East Zone School Championship

FRANKSTON AUSTRALIAN CTC

AUGUST 4

The School Persons Championships was conducted at the Frankston Australian C.T.C. on Thursday 4th August and was a clear but very cool day.

With attendance down on the last few years 150 students presented for this annual event and they had arrived from thirty-seven different schools from Sale to Werribee.

The contest was 20 targets single barrel, shot in two brackets of 10.

There were three scores of ten in the first round and then five in the second round and all different shooters, so there were no possibles. With scores of nineteen the Overall was a contest between Thomas Armstrong (Staughton Coll.) and Will Smithwick (Lilydale High). After the second bracket of five shoot off targets Thomas was the winner with 28/30. Will, 27/30, was awarded first in the Senior and Aaron Barling (Gippsland Grammar) 26/30 third.

Alexis Preston and Charlie Hudson-Czerniecric shot off for the Senior Girls with Charlie (Wyndham Central Coll) 21/25 first and Alexis (McKillop Coll) 19/25 second. The decider for third was between Bianna Aldred, Sarah Incani and Rylee Barling was won by Rylee (Gippsland Grammar) 20/25 after she was the only one to shoot all five shoot off targets.

The Junior Boys section was shot off with the qualifying score of seventeen, Jayson Marriott (The Peninsula School) and Marc Durose (Flinders Coll). Marc shot the five shoot off targets to win 22/25 and collect first, Jayson was second 21/25. For the third position there was a contest between Accaco Mota (McKillop Coll) and Carl Freiberg (Padua Coll) and this was won by Accaco 20/25 with a clean sweep of the shoot off targets.

The Junior Girls section was taken out by clear winner, Georga Pistone (Hoppers Crossing Sec Coll) 14/20. Michalla Kinaid (Lilydale High) was second, then there was a real battle for third with Mya Mollica (Ave Maria Coll) and

Dakoda Suckling (Wonthaggi Sec Coll) shooting at four round of five before Dakoda was declared the winner.

The winning Team was Lilydale High 71/100 with the Members J Clerke, W Smithwick, P Luttgens, M Laukart & C. Werner.

All shooters who placed first, second and third in each section and all the winning team members now proceed to the State Final in Bendigo and we wish them all the best of luck for that event.

The Zone Council wish to thank sponsors Winchester, Gillman International & the VCTA. and Frankston Australian C.T.C. for the very well presented venue as well as all the targets on the day.

# MATHOURA GUN CLUB

## State and Zone Tower

JUNE 24, 2016

After all the rain that came down locally throughout the week it was most fortunate that Friday the 24th of June became fine and clear as the day progressed. The previous shoot at the Mathoura Gun Club had to be called off just prior to the main event, as light rain that had been falling turned into almost a torrential downpour. That main event, a 25 target North East Zone, Double Barrel Night Tower Championship was shifted to the June shoot making it an all tower shoot.

That in itself, being an all tower shoot may have kept some shooters away that preferred standard down the line events, but even though it was a fiercely cold night three full squads of competitors made the effort to attend, and the Mathoura committee thank them for their attendance, as three full squads does make for good competition.

The first event was a 10 target Night Points Score Tower Cash Divide, and Peter Finn (Num/Shepp) and Mark Vistarini (Cohuna) both registered a full 30/30 score and both shared the 1st place money. Colin Finn (Num/Shepp) and April Thompson (Echuca) shot a 28/30 score and they shared the 2nd place cash.

Event Two, the 25 target Double Barrel North East Zone Night Tower Championship, and after a shoot off which included Mark Vistarini, Mick Keirl (Echuca), also Peter Finn (Num/Shepp), with Mark holding out to claim the Overall Winners Sash and 1st place in A Grade with a mighty 51/51 score. Mick Keirl dropped his 51st target, and Peter Finn dropping his 41st target. Harry O'Connor was 1st in B Grade 13/25, and local member, Thomas McCluskey, shot a 22/25 to secure the C Grade 1st place.

The last event, a 30 target Victorian State Night Points Score Tower Championship, also needed a shoot off to decide the winner and that was between

Mick Keirl  
OA State Tower

April Thompson  
C 1st State Tower

Zone Tower – Mark Vistarini OA, Snow O'Connor B 1st, Thomas McCluskey C 1st

Mick Keirl and Colin Finn. Mick took his score to 109/111 and when Colin could not match it Mick became the Overall Winner, also taking the 1st place in A Grade Trophy. Again H O'Connor collected the B Grade Trophy, with a 64/90 result, and April Thompson shot a 72/90 score earning her the C Grade 1st Trophy.

An extremely cold night. But with a big fire burning outside, and a heater in the club house, competitors were kept warm, and the evening was a total success.

## All Double Barrel Events

JULY 22, 2016

Friday the 22nd of July saw another cold and wet winter's night, with a gusty wind thrown in for good measure, and yet four full squads of shooters turned up at the Mathoura Gun Club to compete in the three events on offer. Even with a good roll-up of shooters the tough conditions kept overall scores down. Echuca's, April Thompson, was the only competitor able to put a full score together for the entire shoot, shooting a 10/10 in the 1st event, and earning herself a \$30.00 cash prize for her excellent shooting. Congratulations April!

April Thompson,  
only full score 1st event

The first event which was a ten target Double Barrel Cash Divide saw four other shooters all losing just one target and their 9/10 score won them a share of the 2nd place cash. They were Bruce Cook, and Michael Rowan, both Deniliquin members, Clayton Easden (Num/Shepp) and Darryl Keirl.

Event Two, a 15 target Points Score Cash Divide, and Bruce Cook shot a 42/45 score to earn him the 1st place cash, Mathoura's Peter McCluskey recorded a 40/45 receiving 2nd place cash, and Deniliquin's Tim Maher ended with a 38/45 score giving him the 3rd place cash.

Event Three a 25 target, Victorian North East Zone, Night, Double Barrel Championship, and Michael Rowan after a two target shoot off with Tim Maher, won the Overall Winners Sash, and 1st place in B Grade with an end score of 26/27.

Well shot Michael! Tim Maher collected the 1st place in A Grade trophy, with a score of 25/27. Mathoura's Thomas McCluskey shot a 23/25 earning him the 1st place in C Grade trophy.

The actual shoot ran very smoothly all night except for a main trap spring breaking during event one, but for the 30 odd minutes it took for Peter McCluskey to repair, the weather took a turn for the worse and teamed with rain for that period of time, so possibly no one would have shot during that downpour anyway. Thank you Peter for your expertise at welding! The shoot ended at a respectable time and all who attended really enjoyed the night's shoot.

# Silkwood Coaching Clinic

*"The illiterate of the 21st century will not be those who cannot read and write, but those who cannot learn, unlearn and relearn"*

– Alvin Toffler

And that was the case on the weekend of the 18th and 19th of June when the Silkwood Clay Target Club hosted a two day coaching clinic. QCTA coaches Richard Morrison, Bill Allan and stockmaker/coach Daryl Stevens worked with 43 shooters assisting them to learn proper techniques, unlearn bad habits acquired, and relearn what many had forgotten over time.

Day 1 focused on DTL with the coaching program run in four distinct phases. Phase 1 began with shooters on the layouts shooting a batch of 10 targets with all three coaches closely scrutinising each shooter and making a mental note of areas that required correction or further development.

Once this was completed for all participants, Phase 2 began. This involved a lecture and discussion in the club house on numerous topics including stance, head position, gun hold, vision and much, much more.

Armed with much of the theory and having viewed practical demonstrations by the coaches, participants then progressed to Phase 3 – gun fit. Here, stock maker Daryl Stevens worked his magic with each shooter individually, adjusting each gun to suit. With an array of stock parts including wedges, spacers and recoil pads, and the ever reliable duct tape, each gun was adjusted and tested on the pattern board. For some it was simply a tweak here and there, whilst for a few it was the daunting task of watching the drop saw take to their stock. Regardless of the process, the result for all was the same; a better fitting gun.

With gun fit completed, shooters then moved to Phase 4, the final stage of the coaching program. This involved 1:1 coaching with either Richard or Bill on the layouts. Both coaches worked with each individual shooter providing

feedback, coaching tips and corrections. This continued until the coaches were satisfied that progress was being made and that the shooter was consistently breaking targets.

Shooters were then released to continue their practice independently. As they say, "practice makes perfect", but only when it is based on sound technique. And that is what this coaching program gave shooters; sound and successful techniques to base their practice on.

Day 2 of the coaching program focused on the art of shooting double rise. It began with a briefing where the finer points of shooting double rise were discussed and demonstrated. This was then followed by a session on the layouts shooting pairs of targets and all three coaches providing advice on the run. It was amazing to see how a few simple strategies made a world of difference to many of the participating shooters.

To sum up, it was an outstanding coaching weekend that made such a difference to so many of our shooters, particularly our young and less experienced shooters. The QCTA is to be commended for this initiative and Richard Morrison, Bill Allan and Daryl Stevens are to be congratulated for volunteering their time to give something back to the sport they are so passionate about.

Would we have them back? If the smile on the faces of our club members are anything to go by – you bet! Absolutely! Three champion blokes, two great days.

# Caboolture Skeet Carnival

## CABOOLTURE CLAY TARGET CLUB

JULY 9 & 10, 2016

Near perfect shooting conditions greeted the 40 or so shooters for the CCTC carnival for 2016. The visitors from Western Australia, New South Wales and Victoria joined the Queensland shooters for a very enjoyable weekend with warm temperatures, sunshine and clear blue skies. Nigel Hughes, Rick Ball and Mathew Rhue spent many hours over the last few weeks ensuring the traps were in tip top condition and were throwing near perfect targets. Radar guns were used to double check the targets were perfect and the red pen was at the ready.

With a prompt 8.30am start and all of the CCTC staff wearing their new design club T shirts we were ready to begin.

Shooter 1, squad 1 being Shane Bennett was the first person to put the red on the board with a perfect 50/50 quickly followed by Laurie Rodden with another perfect score with which he was very pleased as he only decided to shoot the event at the last minute. After a total of 17 perfect rounds of 25 the results were as follows: AA equal 1st Shane Bennett & Laurie Rodden 50/50, A equal 1st Rodney Kneipp & Paulette Walker 48/50, B equal 1st Adam Corless & Marie Carmody 47/50, C 1st Peter Dow 48/50, 2nd Joanne Lincoln 40/50.

Event 2 commenced with the same perfect conditions and saw another 14 perfect rounds shot with Wayne Petersen, Nigel Hughes and Laurie Sceresini shooting off after their 50/50 to see Wayne Petersen, at this first trip to Caboolture Clay Target Club from NSW, triumph after 4 pairs. Overall Wayne Petersen 58/58, AA 1st Nigel Hughes 57/58, 2nd Laurie Sceresini

51/52, A 1st Paulette Walker 49/50, 2nd Kel Madsen 47/50, B 1st Adam Corless 49/54, 2nd Tracey Ashton 48/54, C 1st Peter Harris 41/50, 2nd Peter Dow 40/50.

After a fabulous lunch with a wide variety of choices prepared by Dean Helwig, we commenced the 25 target super handicap. There was again much discussion over choice of gauge for this 25 target event which sees each shooter with additional 'lives' according to their choice of sub gauge. 17 shooters made it through to the first shoot off round with three continuing to a second round which saw Roy Shelvey, using his 12g, and becoming the winner of his first ever sash. Well done Roy! Overall Roy Shelvey (12g) 61/62, 2nd Craig O'Niell (20g) 61/63, 3rd Jeff Holmes (12g) 57/62, 4th Paulette Walker (28g) 40/44, 5th Nigel Hughes (28g) 45/49.

That concluded the end of day 1 with the leader board showing Nigel Hughes in the lead with 124/125 closely followed by Laurie Rodden on 123/125 and a number of others only 1 or 2 targets behind him.

Sunday saw another perfect QLD winter day with warming sunshine, clear blue skies and no breeze made sure the red pen would be required again today.

The 100 target event for the annual champion got underway promptly with Nick Aird and Lorraine Hughes shooting the first 50/50's. However, the second visit to the traps saw Sarah Bennett and Wayne Petersen shooting off for overall with their scores of 99. Whichever way the result went it was going to be another win for NSW! Sarah continued her usual great shooting form at CCTC to win the overall sash and prize money with a score of 103/104. A shoot off for 2nd place in AA resulted in the top three places being given to NSW shooters (we will give them the wrong date for the event next year . . .). Overall Sarah Bennett 103/104, AA 1st Wayne Petersen 101/104, Shane Bennett 106/108, A 1st Paulette Walker 98/100, 2nd Rodney Kneipp 95/100, B 1st Colin Parker 91/100, 2nd Tracey Ashton 91/100, C 1st Peter Harris 85/100, 2nd Peter Dow 81/100.

As always it comes down to the doubles. Nigel was keeping his lead but only 3 or 4 targets separated the top 5 or 6 competitors who had their eye on the overall High Gun. With the great conditions it was going to be a close run thing.

The clear blue skies and great targets and some great shooting saw 3 perfect rounds of 50/50 from Laurie Rodden, Mal Briggs and Craig O'Neill. Following a great shoot off, Laurie Rodden evened up the Queensland tally by winning with a score 66/66. Overall Laurie Rodden 66/66, AA 1st Mal Briggs 65/66, 2nd Craig O'Neill 55/56, A 1st Rodney Kneipp

Wayne Petersen OA HG

Team T Shirts

2 man team

47/50, 2nd Ray Mahony 45/50, B 1st Adam Corless 46/50, 2nd Tahnee Davenport 45/50, C 1st Peter Dow 41/50, 2nd Peter Harris 36/50.

Only the veteran High Gun needed to be shot off with Jeff Holmes completing his shoot off bracket against Kel Madsen to again be another 'first time sash winner'.

The hotly contested 2 man team scores

were totalled. Despite insisting on a recount, the team of Sarah Bennett and Lorraine Hughes finished second to their respective partners, Shane and Nigel, by one target on 534/550.

The 3 man club trophy was won last year by Melbourne Gun Club and this year it was brought back to Qld with the victors being Gold Coast Clay Target Club team of Tracey Ashton, Dean Baird and Ray Mahony.

The skeet trivia quiz with the lolly jar tie break question was popular again this year although there was believed to have been some good humoured cheating not helped by Tahnee Davenport and Jacki Richards heartily reducing the lolly jar count. The eventual winner was Rodney Kneipp who won back his nomination fee for the weekend as well as the remaining contents of the lolly jar.

Lolly jar thieves

And so the two day carnival ended with an extremely happy Wayne Petersen of NSW taking away the overall High Gun, sash and cash prize. This is the 3rd consecutive year that the High Gun has been won by someone from NSW (unlike State of Origin).

Laurie Rodden finished 1 target behind to take AA Grade High Gun with the outstanding performance from Paulette Walker seeing her take A Grade High Gun and be relegated to AA.

All High Gun winners received a print from local talented artist and shooter Colin Parker. O/All Wayne Petersen 271/275, AA Laurie Rodden 270/275, A Paulette Walker 263/275, B Adam Corless 250/275, C Peter Dow 231/275, Ladies Lorraine Hughes 267/275, Veteran Jeff Holmes 251/289.

With thanks to our sponsors of Glenn Walker On Target Sporting Arms, Mark Fanning of MAF Building, Nigel Hughes of Qld Safety Fence Hire the cash prizes were significant and Colin Parker for his artwork donations.

Heartfelt thanks go out to everyone who helped make the weekend such a success with special thanks for Jacki Richards for running the office so efficiently and for Mathew Rhue and Rick Ball for all their work prior to make sure the traps and targets were perfect. It was great to hear the laughter around the layouts and to see the shoot running so efficiently with people to their layouts in good time and no refereeing issues. You are all a credit to the skeet shooting community!

We look forward to seeing you all again next year.

# 2016 Victorian Clubs ISSF Trench Series

KEMPSEY CLAY TARGET CLUB

Article: Jane Vella FACTC Secretary

**Saturday 22 July saw the conclusion of the 2016 Victorian Clubs ISSF Trench Series with Round 3 held at Melbourne Gun Club. 6 full squads attended the last round where the Series High Guns were still yet to be determined, with the best two scores out of the three Rounds being used to determine High Guns.**

Some top shooting, and the highest scores of the Series, saw Milad Nasr and Penny Smith finish on 95/100 (a personal best) and taking out AA and A grade respectively in Round 3. Mark Boyce won B grade with 82/100 and Elias Dagher C grade with 80/100. Kate Puhar shot an impressive 25 in her first round of the day claiming Ladies with 81/100 and Mitch Iles finished with a 90/100 taking out Juniors. Craig Henwood (AA) and Nathan Cassells (AA) both finished on 91/100 and Jeffrey Tonna (A) and Charlton Vella (A) on 90/100.

To add to the friendly competition, everyone was invited to take a guess at what infamous Nidal Asmar would shoot in his final round of the Series. Consideration was given to Nidal shooting a 69 in Round 1 at Frankston (the day 14 people finished ahead of him out of a field of 24, including 5 Ladies and Juniors) and a 78 in Round 2 at Werribee. Rumour had it that he had found his form and was ready to rumble! The only thing rumbling on Saturday were the clouds with Nidal finishing on 78, his 19 in the first round immediately eliminated his prediction of shooting a 95 in Round 3. The lowest two guesses for the day were 79 and 77 so unfortunately no one guessed correctly but it added to the fun spirit of the day. Thanks to Nidal for being such a good sport throughout the Series and helping add some good old fashioned fun.

Consistent shooting from Craig Henwood saw him take out the AA Series High Gun with 181 (one target ahead of Brett Dunstan), shooting scores of 90 (Round 2) and 91 (Round 3). Penny Smith stood out the entire Series improving each Round with an 80 in Round 1, 90 in Round 2 (equal highest score of the Round with Craig Henwood) and then finishing with a 95 in Round 3. Penny took out the A grade High Gun, but had there been an Overall Series High Gun, she would have won this by an impressive 4 targets! Elias Dagher started the Series in B grade with a 79 and combined with his 80 in Round 3, gave him the B grade High Gun with a 159/200 and just one target ahead of Mark Boyce. Gavin Jayasekera won the C grade High Gun with 150/200 and Emma Cox the Ladies High Gun with 171/200. Mitchell Iles won the Juniors High Gun with 179/200 after shooting 89 in Round 2 and 90 in Round 3.

This Series attracted 51 shooters including 19 C graders, 7 Ladies and 7 Juniors. With a competition format that was not favouring those highly skilled in ISSF Trench, and only recording off the gun scores with no finals, it encouraged all abilities to have a go whilst having some fun in the process. Frankston, Werribee and Melbourne need to be commended on working together for the benefit of the sport and for executing such a successful and well attended Series. A total of \$3,118 was paid out in cash prize money (\$1696 in Round prizes and \$1422 in High Guns) which is a fantastic commitment from the three Clubs for a non-sponsored Series. Thank you to Bornaghi Australia and Ross Hibbert for donating 5 slabs of Bornaghi Summa ammunition to Ladies and Juniors as part of their beating Nidal in Round 1, and to Brett Dunstan for donating his AA win in Round 1 to the Ladies and Juniors High Gun cash pool. And of course a big thank you to the Shooters for supporting the Series! Looking forward to its return early in 2017!

# Southern Zone Trap Carnival

**MARCONI CLAY TARGET CLUB**  
**APRIL 30 & MAY 1, 2016**

Southern Zone President  
Fred Rapley

Marconi Clay Target Club was a hive of activity with one hundred and sixteen shooters attending the 2016 Southern Zone Trap Carnival which made for two days of great shooting. Weather was a little overcast with light winds, at times hard to spot the targets, but overall a fantastic weekend, the weather Gods were kind to us. After months of preparation, we can't thank Marconi Clay Target Clubs Committee enough for their hard work and dedication for making this shoot possible for all to enjoy, it ran like clockwork. Day one kicked off with 50 Target Double Barrel event followed by 50 Target Single Barrel.

**50 Target Double Barrel** Overall winner Con Plessas 121/121, 1st AA Grade David Perri 120/121, 2nd AA Grade Phillip Body 111/112, 1st A Grade Louis Galea 68/68, 2nd A Grade Trina Watchorn 67/68, 1st B Grade Brett Matthews 49/50, 2nd B Grade Peter Savell 53/55, 1st C Grade Victor Marinos 48/50, 2nd C Grade Mark Welsh 47/50, Veterans Tony Alvaro 72/72, Ladies Alison Hibbert 51/52, Juniors Amy Smith 49/50.

Congratulations to all the winners with some fantastic scores on the board.

We would like to thank all the shooters that attended, also the shooters who travelled far and wide to join us and support this shoot, it's very important for clay target shooting, big thanks again to Marconi Committee, Office Staff, Sharon, Pam, Leanne and Frank Audiore with his great Shoot Program. Fulvia, Michela, Mary and Paolo in the kitchen who fed everyone over the two days. Peter Phillpott, Marconi's President, Master Shoot Marshall, a fine job as always. Sharon and Angelo for organising this two day shoot. Our Trapper Chris, thanks for keeping the Traps full and our shooters happy.

Congratulations to all the raffle winners, especially Brett Matthews on winning the lucky door prize and taking home a .22 rifle & scope.

Lastly thanks to the Southern Zone for allowing us to host this fantastic Trap Carnival.

## Classifieds

### Rates and Conditions

# Swan Hill Side by Side Challenge

Long time readers of the CTSN will be familiar with our Side by Side challenge. This is just one event of the July program, however, it is a favourite of an ever increasing number of shooters. This year Swan Hill and Kerang had a High Gun over the two Sunday shoots and it culminated in Ricky McKinnon winning it with his bespoke double. Initially we used to shoot 20 targets in this challenge, however, as this became increasingly popular it grew to 25 and then 50 targets.

This year's event was sponsored by Think Water Swan Hill and Spika and we thank them for their support.

Shooters travelled from the surrounding clubs of Cohuna, Kerang, Patchewollock and Moulamein as well as Castlemaine and Bendigo and Mooroopna. Also this year three very enthusiastic double shooters travelled down from Leeton. What a great effort. They also shot very well too.

Conditions were fantastic for this time of the year, as close to perfect as it could possibly get, 16 degrees & sunny spring weather.

As usual the devotees of the double gun battled it out for the honour of taking out the overall High Gun or one of the four places on the day. It was great to see one shooter come second, absolutely smashing targets with his seldom used Italian hammer gun. Barrel lengths ranged from 28 to 32 inches and many targets were shot not far from the trap house. Some shooters also had a competition with their under and overs not quite at home with a gun that shoots the way their eyes look. This was also very competitive.

We also had three shooters shoot a possible 30 points in the 10 target eye opener and the last event a 25 target Points Score Championship saw two possibles of 75 points. It was a great fun day and some good shooting as well. It was good to see Geoff Manuel out and about and he did a great job refereeing and scoring on the first layout. Congratulations to our new President Pat Orlando, a great way to start his tenure.

**RESULTS:** Event 1 10 tgt Points Score Eye Opener: Paul Salafia, Garry Tabani & Wayne Upton all shot the possible 30 points.

Event 2 Think Water Swan Hill 50 tgt Double Barrel Side by Side (off 16m): 1st Anthony Costa 46, 2nd Paul Salafia 45+1, 3rd Russell Barnes 45, 4th Robin Algie 44+5, U/O shooters 1st Wayne Upton 48, 2nd Mark Vistarini 46.

S x S & DB Sash winners

PS Sash winners

Event 3 Spika 25 tgt Points Score (out of 75): AA & OA Cameron Browne 75 + 9, 2nd Chris Dalrymple 75 + 8, A 1st Fred Siciliano 70, 2nd Robin Algie 68, B 1st Garry Baddeley 68, 2nd Pat Orlando 65, C 1st Kaylene Estcourt 57, 2nd Michael Orlando 54.

The Overall winner of the Kerang/Swan Hill side by side challenge was Ricky McKinnon with 88/100.

# William Saul Memorial

## KEMPSEY CLAY TARGET CLUB

William Saul Snr was a keen and respected shooter at the Kempsey Club and added to that he was also Graded AA. His family are still active participants at the club and throughout the community. His grandchildren Emily and William Jnr are both excellent shots and are carrying on their grandfather's proud tradition. Unfortunately, William's son Steve needs a bit more time to show his full potential but I am sure with a bit of coaching from young William and Emily he will eventually get there. The club greatly appreciates the support from the Saul family.

Winner William Saul Memorial  
Kerry Miller

297/300, 1st AA Steve Saul 293/300, 2nd Denis Joel 292/300, 1st A Steve Wallis 305/327, 2nd Margaret Burke 302/327, 1st B Megan Wilkins 279/300, 2nd Abby McMahon 271/300, 1st C Ted Baker

On an overcast, cool Macleay Valley day shooters from around the area arrived at the Kempsey range eager to participate in the days shoot. As for being eager to participate, all but me that is, I was at home suffering from a nuisance head cold so this report is coming to you second hand. A report was sent to me that Denis Joel shot a clean round 100/100 after shooting 99/100 at the last Kempsey shoot. That was good shooting Denis however; I will have to verify the results with the official shoot secretary. Let's hope it doesn't take as long as the results of the federal election.

The William Saul Memorial Shoot was shot as one event 100tg PS. The overall winner was Kerry Miller

1st AA Steve Saul, 1st C President Ted Baker with William Saul

232/300, 2nd Michael Carter 227/300.

High Gun winner was that old outlaw Kerry Miller 297/300. Even though he is getting a bit long in the tooth the old fella isn't a bad shot. The Coffs Boys were in attendance but the day did not seem to suit them. It was unusual not to have at least one of them in the winner's circle although Barry was competing against Margo, so he was at a disadvantage from the start. Port was represented and thanks to Michael Carter and Steve Wallis they could hold their heads high. Steve Wallis and Margaret Burke were in a shoot of for A Grade. I personally would have preferred Steve to have been called out on a plumbing job but he wasn't so them's the breaks. If you look at the scores you will notice the number of women shooting and shooting well. Abby McMahon because of study commitments does not get to shoot as much as she would like but when she does she usually shoots good scores.

Abby McMahon  
2nd B Grade

It is great to see and we should be encouraging more women and juniors to participate in our sport. Our shoot secretary, Jenny, ran the office with her usual efficiency but we need to encourage her to pull on the shooting jacket again and give us blokes a run for our money. As well as running the outdoor part of the shoot our President Ted won his grade so I am sure he had a good day. The kitchen was at its usual best, and I would like to thank Kerry for sending me home several pieces of her delicious caramel pie.

Don't forget our Two Day shoot in September, although by the time you read this it will probably be over.

*All the Best. The Old Fella*

## ZZ Sydney Australia Trap

9th July 2016 at New South Wales Gun Club.

Sponsored by ZZ Sydney Australia.

There were patchy clouds all day. The ZZ Sydney Australia Trap Tournament No 4 consisted of 100 targets Double Barrel 15 metres + Final with Flash Targets from 18 metres. There were 27 competitors.

Two layouts were used on the day. Most competitors have never seen Flash Targets and it was spectacular to watch the final. Competitors shooting from 18 metres had to work hard as the weather became a bit rough.

By the way this is Aaron Jones' third DTL Tournament out of three, what a great effort and he has been shooting consistently for the past two years. Most competitors would like the event put on when Aaron wasn't there as they might have a better chance. This also was a special day for Louis Galea, he celebrated his 100 minus 33 years on the day.

After the 100 Double Barrel the top 6 shooters to qualify were Aaron Jones 100/100, Arty Del-Ben 99/100, Steven Caltabiano 99/100, Ceaser Diaz 99/100, Joe Camilleri on 98/100 and Louis Galea 97/100.

The final was shot under overcast conditions. After the 25 Flash Targets were shot the final overall winner was Aaron Jones with a score of 100/100 + Final 25/25. 2nd O/All Arty Del-Ben 99/100 + Final 25/25, 3rd O/All Steven

Caltabiano 99/100 + Final 23/25, 1st AA Joe Camilleri 98/100 + Final 24/25, 2nd AA Louis Galea 97/100 + Final 24/25, 1st A Jean Moussalem 97/100, 2nd A Ernie Boccanfuso 96/100 + 3, 1st B Tom Mihos 89/100, 2nd B Aaron Persson 85/100, 1st C Jeffrey Persson 85/100, 2nd William Pegler 81/100.

I would like to thank the following – Joan President & NSW Gun Club Board, Shoot Marshall Arty Del-Ben for making it a good day.

For the next DTL Tournament shoot, look on Facebook, Website or CTSN News.

## CTSN Delivery and Content

The production of the ACTA magazine is a complex task commencing in the National Office. Checking the contents of all submitted material including results, reports, photos and of course advertising by the ACTA office staff is just the first part of the process. Collation of all these elements for inclusion in the CTSN pages is another major time consuming factor in compiling the magazine. Once collated, this material is then sent to the typesetter who has to arrange and compose the magazine into a printable file. The typesetter reviews the amount of material supplied and establishes the layout design that will ensure the correct page extent for the printer and then composes the magazine for proofing. The proofs are then sent back to the National Office for another checking process to ensure all stories and advertisements are included and are correct to copy.

The proofed file is then sent to a number of further proof readers to ensure we have a professional end product.

Once approved for printing the print files are sent to the printer, the print date by this time has already been established to meet our expected mailing date and scheduled in for printing on set days. If we cannot get the finished files to the printer on time and it misses its print run we have to wait (usually a number of days) to have it printed.

**Deadline:** The copy deadlines set for each operation are extremely important, as the process is reliant on our staff, who also need to fit in their regular office duties and which allow a reasonable amount of time for the typesetter and printer to process their parts in the production of the magazine. Whilst there is a deadline set for copy there is nothing wrong with getting the information into the ACTA Office as soon as possible, don't leave it until the last minute. Murphy's Law applies when under pressure to meet deadlines. Anything that can go wrong usually does.

Once printed the CTSN is sent to a Mailing House along with the latest database printout of who is to receive the magazine. It is bagged and labelled and mailed to our members. This process is also scheduled into a time slot with the mailing house for a specific day (if late we are again rescheduled). This can add up to a week to the length of time in getting the magazine out.

It is then off to Australia Post for delivery. The process from the Printer to Australia Post can take up to 10 days. All going well, the mail-out is smooth and Australia Post commence delivery. We do have occasions where a member phones in having not received their magazine. There are a number of areas where something can go amiss from the mailing house to you but Australia Post delivery is the most likely. Should you not receive your magazine please contact the National Office where we will verify your address in our database. Once we check that our records are correct and that the same correct information was given to the mailing house we will then send you a copy of the magazine from the National Office.

As you can see this is a relatively complicated process, if you don't receive your magazine please just give us a call and we will sort it for you.

## Content for the CTSN

All content for the magazine should be thoroughly checked by the person lodging it with the National Office to ensure the correct process is followed:

For Clubs, the process is to send a story via a word document with photo's attached to the email, not embedded in the document.

If you are placing an advertisement you may embed photo's to show how you want an advertisement to look however you still need to attach the photo's to the email. PLEASE DO NOT SEND PDF files unless you are sure that they are sized correctly to the CTSN document size and are of print ready quality.

When placing an advertisement, take notice of the events being advertised. If you are entering a "hybrid" then it should be referred to as a "Medley" including for example: single barrel, skeet, double rise, 5 stand sporting etc. So called "Novelty" events, which could include competition conditions, shooting disciplines or targets that are outside the ACTA Rules and that may possibly be outside the Safety Template of your club, will neither be condoned or advertised.

The ACTA will not advertise that a Club would welcome "Non-ACTA Members" in any advertising to any event.

## Officials – voluntary and paid

I have become aware through member Clubs and States of misinformation in relation to the position of Secretaries and Presidents in particular, within our structures.

To assist I wish to put simply the roles of Secretary and President and how they work.

The President of the Club is the "Chair" of the committee and leads the Club through engaging the committee in meaningful discussion about the affairs of the Club. The President sets the agenda and guides debate also ensuring procedures are followed in relation to committee meetings. Many Clubs have sub-committee's to attend to specific roles within the club, all reporting back to the full committee. Mostly, depending on individual constitutions the President may be a voting member of the committee.

The position of Secretary at Clubs does not mean the Secretary makes all the decisions for the Club, this is not the case. The decision making process is handled by the Committee, in most instances this person is part of the process however, and is charged with carrying out the decisions of the committee.

Within the zone the roles are very similar however relating to the Zone and their requirements. Again Presidents may or may not have voting rights depending on the constitution.

States are slightly different, I believe all States have a President who is a non-voting member. They conduct (chair) meetings, they deal directly with the Secretary as the conduit between the full committee and the secretary. It is impossible for the Secretary to deal with individual committee members in relation to the business of the organisation. Most

# ACTA NEWS

States have secretaries who are paid a small honorarium or in some cases are employed by the State. The Secretary in most cases does not have any voting rights and does not make decisions on policy. Their role is to carry out the decisions of the committee similar to the Club and Zone Secretary.

At National Level the President leads the Association through the same process as a club, they conduct (chair) meetings, and they deal directly with and oversee the work of the Executive Officer. The President is a non-voting leader, their role is to ensure there is equal debate on issues that may not be unanimous. The President and the Executive Officer at times are required to make decisions on matters that arise in the everyday course of business conducted by the ACTA. At all times

the President and the EO are bound to work within the confines of the policies and the constitution of the ACTA.

Club, Zone and State Secretaries and the National EO do not formulate the rules or the policies, they administer the policies and decisions of the committee. In the day to day running of any of these levels of administration people make decisions in the best interests of the sport within the confines of the policies approved by the executive or committee.

These officials should be dealt with in a professional manner at all times taking into account they act in a position to assist the sport. All correspondence including letters and phone calls should be courteous and based on fact.

## Echuca Shoots 150 Targets

Sunday the 14th of August saw the Echuca Clay Target Club program run just two events for the day, but that included a total of 150 targets of competition. Event one was a 25 pair Double Rise Championship and two was a 100 target, Points Score Championship. Fortunately the weather was excellent, mild with virtually no wind, overcast with occasional bursts of sunshine, also with a big number of targets these shoots can sometimes drag on, time wise, but with the whole program running smoothly all day, even the presentations were all over a little after 3.00pm.

Event One the 25 target Double Rise Championship was soundly won by Echuca's, Craig Fitzgerald, with an end score of 46/50, Craig collected the Overall Win-

**Craig Fitzgerald OA DR**

ners sash and the 1st in AA Grade trophy. 2nd in AA Grade was another Echuca shooter Glen Viney with a score of 44/50. A Grade 1st was Andrew Estcourt 38/50, A 2nd Stephen Harbor 35/50, B Grade 1st was Frank Balcombe 29/50, C Grade 1st Neil Ham 35/50, and C 2nd was Kaylene Estcourt 32/50.

Event Two, a 100 target, Points Score Championship which gives

**George Bradley A 1st PS**

**Trevor Lindberg 1st B grade PS and Encouragement Award**

a possible score of 300 points, shot in four waves of 25 targets it really did keep everyone busy, shooters and officials alike. And as it turned out Numurkah/ Shepparton member, Brad Harbor, shooting magnificently only lost three points out of 300 and that score of 297/300 earned him the Overall Winners sash, and the 1st in AA Grade trophy. Wonderful shooting Brad Harbor! AA Grade 2nd place went to Echuca's Steve Trill 295/300, A Grade 1st was collected by Mathoura shooter George Bradley 283/300, A 2nd Andrew Estcourt 273/300, B Grade 1st went to Trevor Lindberg 261/300 a recent Echuca member coming up through the grades, and he was also selected as the recipient of the Rob Viney, Encouragement Award sash, many thanks to Rob Viney for his ongoing support of the lower grades! B Grade 2nd was Frank Balcombe 260/300. C Grade 1st was won by Cohuna member Kaylene Estcourt 281/300, and finally C Grade 2nd was Neil Ham 223/300.

A really excellent day of competition, good targets, good trophies, finishing at 3.15pm, allowing all who travelled an easy run home in daylight. All shooters were thanked for their attendance.
