President's Notes

CONSTITUTIONAL REVIEW

The ACTA Board has again reviewed the latest draft of the proposed constitution. This is a long and painstaking process and the document will now go to the Executive and then should be in the hands of the state associations by the time this goes to print. Of course the proposal

cannot ever be totally acceptable to all, but contains the requests of the majority of states collected during the consultation process. Regular explanatory articles have been provided in the CTSN to keep members informed of the way the new constitution works.

Please take the time to read these and future articles so you can make an informed decision.

MEMBERSHIP

Registered shooter numbers have risen to over 14250 as at the end of September. The Sub-committee looking at membership issues has provided an interim report to the Board. There are many and varied problems out there and once again it will be impossible to completely please everybody. It is now too late to instigate any major changes for the new registration year. However the Board is recommending to the Executive that the category "Club Only" be immediately replaced with a new category to be known as "Recreational" This term aligns the category with the term as used in Object 1 of the Associations constitution. It is proposed that "Recreational " members will be able to shoot practice and targets-only in all disciplines at ALL ACTA clubs, not only the club through which they register as was the case with "Club Only" The "Recreational " category will retain the "Club only" discounted pricing.

In good faith, action against clubs in breach of the constitution is currently in limbo whilst these matters are under further consideration.

NATIONAL GROUNDS

Continual rain and flooding over large areas of NSW and Victoria has resulted in NSWCTA deciding to postpone both its Trap and Skeet Carnivals. The grounds have received continual rainfall since April and earthworks associated with the drainage project have been unable to be completed. Rain events of this nature, although rare are a fact of life and nothing could have been done to stop these postponements. We hope shooters will support the postponed events on their new dates.

The only work that has been able to be completed on the grounds in recent months is the releveling and underpinning of the skeet towers.

The State Government funded Business Case Study on the proposed major construction project at the National Grounds has been completed and is now with the NSW Government for consideration.

ICTSF

The 4th ICTSF World English Sporting Championship is being held at Kelmars Estate, Northamptonshire England from the 13th to the 16th July 2017. This will be the largest event ever conducted under the ICTSF banner and ACTA are sending a fully-funded Open Team. The Board is recommending to the Executive that for the first time in the Sporting Discipline we also enter a partially supported Ladies Team. More details of the event are available at ICTSF.Global under the events tab.

SHOOTING AUSTRALIA

The ACTA Board has met with the President and a Director of Shooting Australia. The meeting could only be described as a very frank and open discussion. It has become clear that some of their perceived issues between ACTA and SA were due to a lack of communication and some misinformation. ACTA intend to continue to try and influence SA selection policies which are currently under review. We will also continue to explore other ways of influencing the selection policies, and recognition of our own coaching accreditation. The association will be represented in Brisbane next month when SA is hosting its AGM, a Whole of Sport Governance Forum and a release of the Suiko Consulting survey and recommendations. It has been advised that at this stage the Australia Cups conducted by SA will be discontinued and more emphasis will be placed on existing ACTA events. This is one positive outcome for ACTA members.

UNIVERSAL TRENCH

ACTA members continue to excel overseas. Mitchell Iles won both the Open and Junior World Championships in the UT discipline recently in Morocco. Anna Shadrina won the Ladies World Championship at the same event. The Universal trench discipline is not an ACTA event but we are fortunate that Sporting Clays Australia have generously allowed ACTA members to compete in this discipline domestically. Thanks must also go to the organisers of the selection events. Well done all.

CONSULTATIONS

I have attended meetings in Tamworth and Melbourne regarding the membership issues. I have also met again with a representative from SSAA, and your Board will be attending a meeting with the Board of Sporting Clays Australia in early November. We are also working on getting affordable pricing on members firearms insurance and expect to make an announcement on this shortly.

Until Next Month.

Robert Nugent

Executive Officer's Report

The ongoing rain across Australia is a welcome relief for farmers in most instances, there are however many who have been inundated with water following the abnormal rain. There are also many clubs who have been affected by rain over the past three to four months.

The underpinning of the skeet towers on the National ground was finished in early September during a fine break in the weather which has seen consistent rain since May this year. The ground drainage is now installed, however we have not been able to shape the ground because of the water issue. Much of the underground infrastructure has now been completed and we now need fine weather to progress the work to completion.

Our submission for funding to build a new Clubhouse and National office complex on the National ground was presented to the NSW Minister for Sport on Tuesday the 13th of September. If granted, the ACTA will commence building as soon as possible to ensure we get the project completed in a timely manner. The building will consist of an auditorium to seat 450 people banquet style and approximately 800 conference style. A coffee shop, bar and PA system as well as a fully functional commercial kitchen will be included in the plan along with a very large verandah. With the building being on the ground this will open up the opportunity to extend the facility to include practice on the National ground during work hours. The building will house the ACTA Hall of Fame and ultimately will provide an additional income stream that will enable the Association to invest in further development and promotion of the sport.

The VCTA and the NTCTA have also received grants in 2016 to upgrade facilities, it appears the tide is turning for recognition of the Sport at government level. There is a grant program for Regional Infrastructure based on a dollar for dollar basis available through the Federal Government, round four should open soon, see your local Federal Member for details.

In the past two months we have sought to introduce a shotgun specific Coaching program only to have it denied by Shooting Australia, so therefore not endorsed by the Sports Commission. We will continue to develop and introduce the program in the near future as a non-accredited course until we can have it accredited. There are numerous avenues open to the ACTA and the Executive believe this is vital to the continued growth of the sport. We will present the re-written course previously used by the ACTA along with the structure and pathway for coaches, development and referees. Our commitment to accountability in ensuring the integrity of all

of "training and development" programs is paramount in getting endorsement and support.

The revamped Level 3 or "Elite Course" will be a priority, as will the reaccreditation process, at this stage there seems to be confusion as to how to re-accredit. We will be reintroducing a card system where coaches attain points for ongoing coaching and coach updating (such as assisting at Zone, State and National coaching days and courses.) The courses and assessment will be based more on the ability to deliver quality coaching than talk about it. In my coaching experience I have seen many coaches who can talk the talk, however when it comes to teaching skills and basic techniques, skills to identify faults and correct them are found wanting. The courses will be competency based, not literacy based.

Rule Clarification

Earlier this month I was asked to give an answer to the following incident. I was not in attendance, but this is how it was reported to me.

INCIDENT: A club decides to use flash targets as a feature in a shoot-off. All goes well until a target is shot at, no visible piece is broken away from the target but there is some dust, either from the target or from the flash powder inside. The referee makes a decision to credit the target as a hit, perhaps being influenced by an ISSF rule which states: – ISSF Rule 9.13.4 "Where flash (powder filled) targets are used, a target must also be declared as HIT when there is visible emergence of powder after a shot is fired".

QUESTION: Did the Referee give the correct adjudication?

ANSWER:

First and foremost we must remember that we are not shooting ACTA Trap under ISSF Rules. There is no provision in our Rules for flash targets but I compliment the Club for attempting to make the shoot-off more spectacular. The only reference to flash targets in the ACTA Rule Book is to targets which may be included in our Sporting disciplines – Rules 9.04(a) and 20.02.

The rules which must be applied to ACTA Trap competitions are below:

1.05 DUSTED TARGETS

A "dusted target" is one from which dust is detached by the competitor's shot, but which shows no visible piece broken from it. A dusted target is not a broken target and is a "lost target".

and

1.08 LOST TARGET

(g) A target is dusted.

On this occasion the Referee made the wrong decision.

C Grade shooter shows how at Mathoura

Friday night the 23rd of September at the Mathoura Gun Club was a perfect night weatherwise for clay target shooting, mild temperature, calm, and yet shooting numbers were down slightly, possibly because the preliminary final for AFL football was on the TV. Still, enough shooters for good competition, strangely though not one B grade shooter arrived to compete. It was an evening of all Continental discipline events, and as a complete surprise to all, April Thompson, an Echuca member, and a C Grade shooter, without the need for a shoot off, won the Overall Winners Sash in the main event, a 25 target, Night, Double Barrel Continental Championship, with an excellent score of 23/25. Congratulations April Thompson, possibly your first Overall sash!

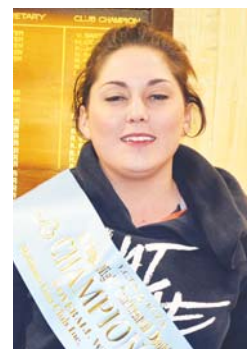

Event one, a ten target Single Barrel, Night, Continental Cash Divide, and one possible score of 10/10 was produced by Mathoura's George Bradley and he put his hand out for all the 1st place cash. Club president Peter McCluskey shot an 8/10 earning him all the 2nd place cash.

Event two, was a 15 target, Night, Points Score Cash Divide, and Mick Keirl, an Echuca member, shot a 41/45 score to claim all the 1st place cash, 2nd placing went to Peter McCluskey having scored a 38/45 to claim his cash. The Continental discipline when shot under lights is extremely difficult, so these scores that were recorded are really quite good.

Lastly, Event three, a 25 target, Double Barrel, Night, Continental Championship, and with April Thompson collecting the Overall Winners Sash, and 1st place in C Grade trophy, there is only one other winner, and that was George Bradley who shot a 21/25 score to secure the 1st in A/AA Grade trophy. The shoot ran smoothly all night, and at the conclusion, Donna McCluskey, who knew that Mick Keirl's daughter, Lhydia, would be present, baked and presented a birthday cake complete with eight candles for Lhydia's eighth birthday, a very nice gesture Donna.

With shooters arriving from Echuca, Deniliquin, Euroa, and of course Mathoura, competition was keen, and all shooters did say that they thoroughly enjoyed the nights shoot.

ACTA Constitution—Part 5

Last issue we looked at state and individual membership under the proposed new constitution. In this article we would like to take a closer look at the central role of the clubs.

Clubs are the basis of our organisation – without clubs we would not have a sport. Without clubs there would no zone, state or national associations. Without clubs shooters would not be able to legally shoot at licensed grounds. Clubs establish the facilities whereby shooters can compete legally and it is primarily within clubs that the essential *esprit de corps* so essential to any successful sport is developed. Recruitment of new shooters and the vast proportion of developing individual shooter talents occur at club level. Therefore clubs are the essential building blocks of the Australian Clay Target Association and it is not just proper but it is essential that they play a more central role in the direction and development of the sport.

As indicated in the previous month's article, clubs under the new arrangements will have a central and controlling role in the national direction of our sport.

Last month we mentioned that the privilege of membership requires entering a contract and this is the case for club membership of the ACTA. At the risk of repeating ourselves the contract will read:

Members acknowledge and agree that:

- a) *these Rules constitute a contract between each of them and the Company and that they are bound by the Rules and the Regulations;*
- b) *they shall comply with and observe these Rules and the Regulations and any determination, resolution or policy which may be made or passed by the Board or any duly authorised committee or other entity with delegated authority;*
- c) *by submitting to these Rules and the Regulations they are subject to the jurisdiction of the Company;*
- d) *these Rules are made in the pursuit of a common object, namely the mutual and collective benefit of the Company, the Members and clay target shooting;*
- e) *the Rules and Regulations are necessary and reasonable for promoting the objects of the Company and particularly the advancement and protection of clay target shooting as a sport; and*
- f) *they are entitled to all benefits, advantages, privileges and services of the Company membership.*

This is no different to the current contractual requirements on clubs registered with the ACTA so effectively there will be no change for club membership of the ACTA. So what changes if any are there for clubs in the proposed new arrangements? As far as their day to day operations are concerned, the simple answer is none.

A club is a social, legal, and often fiercely independent entity. The Australian constitution works because it is a federation of independently governing states. Currently the national executive represents a federation of state bodies but in our sport the most independent and most important bodies are our clubs all 274 of them. State and zone associations exist because of the independence of clubs so it is a democratic anachronism for the clubs not to play a central role in the national governance of our sport. Under the new constitution Clubs will be able to nominate suitable candidates (candidates need to be financial members of the ACTA but cannot be President, Vice President or Treasurer of the State Association) directly to their State (up to 4 candidates); should the number exceed four the State will determine the most suitable four candidates. The Member States will then select from those nominated from each State. This ensures each State is represented at Board level.

Clubs will be able to focus more closely on the performance of the national board, so will there be a correspondingly greater focus on the governance of clubs. Clubs will under the new constitution be able to remove non performing Board members, something they cannot do currently. These days sports administrators have to be aware of a mind boggling array of issues over and above those of the simple conduct of the sport. It is far better that the pressure comes from within the sport rather from unfriendly outsiders. Shooting sports, saddled as they are with negative community views on gun ownership, need to be always one step ahead of trends otherwise they risk being sidelined and ultimately extinguished.

CONCLUSION

The current constitution seems to undervalue the essential role that clubs play. By directly nominating members to the Board Clubs have an increased role in providing the level of expertise required to run the National Body.

Until next time

Good shooting!

Conditions tricky at Swan Hill

After weeks of rain, and the threat of more, we were a little nervous about what the day would bring, and it wasn't looking good for a while with a shower overnight and more in the morning. But the rain cleared and the grounds were solid under foot so the shoot began. Before long the wind picked up and had some fun with the clays, but that didn't deter the keen shooters, some from as far away as Bendigo. 23 shooters in total, mostly regulars but few new to our club also.

A huge thanks to those who arrived early and helped with set up, and thanks to Dwayne and Matt who put their hands up to learn the office procedures only to be thrown in at the deep end. Thankfully all went well.

Event 1 10tgt P/S E/O: James Absalom & Andrew Estcourt shot the possible 30 points for equal 1st Les Comensoli & Alan Wilkinson 2nd on 29 points.

Event 2 25tgt P/S: AA & OA Alan Wilkinson 74/75, Anthony Costa 68/75, A Les Comensoli 70/75, Graeme Young 69/75, B David Oates 66/75 + 3 (after shoot off), Riley Cox 66/75 +2, C Ivan Dower 70/75, Neil Ham 60/75.

Event 3 50tgt D/B: AA & OA Anthony Costa 49/50, Alan Wilkinson 47/50, A Les Comensoli 45/50 + 7 (after shoot off), James Absalom 45/50 + 6, B Pat Orlando 48/50, David Oates 47/50, Dwayne Howard 37/50, Neil Ham 36/50.

What Goes Up

...should be Environmentally Sound

With an ever-growing awareness of new environmental issues, club managers today must be prepared to address emerging regulation while maintaining shooter expectations. Spartan Global understands that sustainability need not mean a sacrifice of performance or economy—both of which are going to be key to your club's long-term success.

Spartan Global's eco-friendly line of clay targets was engineered to respond to the newest EPA guidelines for reducing the overall levels of PAHs (polyacrylic aromatic hydrocarbons) in club soils. Spartan Global targets are destined to be a crucial ally in the compliance challenge that will not disappoint your customers or your bottom line.

Well another great weekend came and went. A big thank you must go to all of our sponsors namely the Booker Family, Farmer Johns, Chris Windham Daniel Morgan, Winchester and Bob and Linda Andrews. Also to Mark and Daniel who mowed the grounds (just in time before the big rains) Michael and his trainee and new treasurer Robin in the office, and especially Tony and Averiel and their band of helpers in the kitchen. They certainly kept everyone well fed and satisfied. To NJ and Doug who provided and cooked the pig on the spit which kept everyone's mouth-watering till tea time. This brought back memories for some, when the club used to have this, many years ago. To our shoot marshalls, especially Jeff, who kept everyone on the ball for when they needed to go and shoot. A big thank you must go to all of our visitors and shooters who made the shoot a successful weekend. We could not have done it without you.

NATIONAL COACHING DIRECTOR

2016 ACTA Academy

It's been 6 months since the ACTA Academy's first camp so what have they done, what have they achieved and where are they heading?

2015 Academy Results

This is the second year of the ACTA Academy last year saw athletes such as James Hayden (2016 Junior World DTL Team Gold Medal), Adam Bylsma (2016 Junior ISSF Trap World Cup Team Gold Medal), Kate Schiller (2016 DTL British Open Ladies Champion) Antony Ballarino (Australian Open Skeet Title, nominated for the 2016 Adrian Cousens Medal) and Jackson Willmann (nominated for the 2016 DTL Doug Smith Medal).

The ACTA Academy has two specific training camps for just them throughout the year, the first was at Cecil Park in February the next is planned for the AIS in Canberra. The athletes also attend the National Discipline Camps ISSF / DTL / Skeet. They keep in contact with the ACTA Head Coach throughout the year and have guest coaches at the camps. They are encouraged to have their own personal coaches or mentors.

A couple of new things to the program this year have been the introduction of individual sports psychologists for the athletes and

the opportunity to travel to NZ for the Oceania DTL Championships.

Feedback has been good on the periodic sports psychology sessions helping with mental focus and shot routine. And the opportunity to travel and compete overseas for the

first time has been very valuable and rewarding and a little eye opening when it came to international border control and customs.

During the camps the athletes are introduced to goal setting, shot routine, planning their year, training methods, tactics, reconnaissance, gun fit, mental rehearsal and of course lots of technical skills.

The ACTA Academy takes very talented shooters and helps develop them ahead of their years.

Talent and hard work has paid off with some outstanding performances. Lachlan Holdsworth has qualified for the ISSF Junior World

Cup in Azerbaijan, Laura Woolley is now Ladies DTL World Champion, Nathan Burt, Cooper Mooney and Jack Cullinan won many individual medals and are the Open DTL Oceania Champions. Jack Stockdale and Antony Ballarino had fabulous 2016 Skeet Nationals as did Nathan Burt, Thomas Pilgrim and Jack Cullinan at the DTL Nationals.

This years ACTA academy has lots more to achieve, review and learn in the next 6 months.

Applications for 2017 will be open in November 2016.

Take it one target at a time!

2016 National Sporting Clays Championships

NATIONAL SHOOTING GROUND – WAGGA WAGGA AUGUST 28-29 2016

The Wagga Gun Club hosted the 2016 National Sporting Clays Championships at the ACTA National Complex in Wagga Wagga over the 27th & 28th August. The program was shot over four fields using a total of 28 traps. As in the past years it was a credit to the organisers and the small dedicated group of Wagga Gun Club members who gave freely of their time leading up to the event and who managed to present an even better range of targets than previous years.

Shooter numbers were slightly down on the 2015 full field. Although the weather held off over the weekend, Wagga Wagga had experienced very wet conditions leading up to the Championships and the ground works which have not yet been finished because of the large amounts of rain experienced, meant that areas off and around the layouts were quite muddy. However despite this, the Nationals went off without a hitch, ran on time each day and were enjoyed by all.

Winchester Australia was the major sponsor for the Championships and we thank them for their ongoing generous support. Winchester supplied shotshells for each event and a Browning U/O shotgun for the Overall winner of the National Sporting Clays Championship.

A special thanks to Dave Coleman for running the shoot so efficiently over the entire weekend and of course, thank you to Janenne, Frank and Kerry for the faultless running of the event office.

Competitors came from all over Australia including shooters from WA (4), SA (12), Qld (9), VIC (33) and NSW (49). There were 43 AA grade shooters, 35 A grade, 16 B grade and 11 shooters shot in C grade.

Ball Trap Championships

BEGA GUN CLUB

SEPTEMBER, 2016

Club Vice President, Alf Niesar, loves Ball Trap. So much so, that for the past few years, he and wife and fantastic treasurer, Gail, have sponsored a 100 target Ball Trap Championship event for the Club. Sunday turned on some fabulous weather for our September shoot and eighteen hardy souls turned up to tackle the fast moving clays.

Shot in four groups of 25, after round one, super veteran, John Seide led the field and B Grade with a score of 24/25, with Cooma regular, Steve McIntyre 23/25 heading the A grade field and second overall. Simon Buckley tallied up 21/25 to lead C Grade from Michael Diss and Brian Moffitt, both on 18/25.

At the halfway mark, Steve McIntyre had gained a one point lead 45/50 over John Seide 43, and Simon Buckley 42. Second in A Grade were Charlie Smith and Alf Niesar both with 38/50. Keith Pearce held down second in B Grade with a score of 42/50, whilst Mick Diss held second on C Grade with 36/50.

Round three saw Steve McIntyre maintain a one target lead, closely followed by John Seide and Simon Buckley for overall. In the grades, Zip Summerell was tied in second place in B Grade with Craig Bishop. Second in C Grade was Michael Diss and Charlie Smith still held second in A Grade. With so many close scores, the final round was going to be vital.

The overall winner after round four had to be decided by a shoot off between Simon Buckley

and Steve McIntyre, after both finished with a score of 85/100. A brief shoot off of four targets saw Simon emerge the winner, 89/104. Steve settled for A Grade title with a score of 85/100 with Charlie Smith taking second on 81/100. B Grade went to veteran John Seide, with Keith Pearce taking second spot after a two target shoot off with Zip Summerell, 88/102. C Grade went to Mick Diss with a score of 69/100 from Roscoe Hartley, 65/100.

The shoot raffle \$500 or a meat tray was won by Alf Niesar who graciously accepted the meat tray and left the money for next month. As this was the final year of Alf and Gail's sponsorship, the Club members would like to express their

sincere thanks for their support, over and above their usual club contribution. Sponsorship is essential to the Club and their support has been greatly appreciated.

Team members in qualifying order are: Anthony Panetta 185/200, Jamie Dunn 183/200, John Younger 181/200, Socrates Pilipasisdis 190/210 and Robert Hall 189/210.

Our ACTA Olympic Shooters –

The articles on these pages contain the personal views of some of our Olympic members who attended the RIO games.

Whilst all members of the Team were given an opportunity to write and provide pictures we understand many have continued to travel and have a holiday and some have kept on competing. We may have more stories and photos in the next magazine when those other members return.

The insight provided by these four members highlights what a huge achievement this was and how they personally felt at the time.

Thank you to all of our Team.

Catherine Skinner

Women's Olympic Trap, Gold

When I started shooting, I was frequently asked if I would one day shoot for Australia at an Olympic games. My answer was always a confident yes, despite that I still had to shoot my first possible.

I knew that it was a distant goal, one that would require hundreds of targets, a few good days in between many ordinary ones, and a few bad days.

So, to be standing in the Olympic village in the green and gold was a moment of "wow, I'm actually here". This community of athletes all with their own stories and experiences, but a common ground where each of us had a burning passion for our sport, and an understanding of the sacrifices each of us had made to be there. It didn't matter what sport you were from, you were an Olympic athlete.

I didn't fully realise the extent of this until after my event. From the moment I shot the final target, I was launched into interview after interview, and somewhere in this whirlwind I was awarded my medal and whisked back to the village. I returned to a room full of athletes that had been waiting for me, to give me a standing ovation. Days later they would show me their personal videos of the finals, where the room had been packed, and they were all instant experts, despite not even knowing what my event was called.

That was my Olympic moment.

Keith Ferguson

Men's Skeet 10th place

"Wow we have arrived!" someone yelled on the bus as we pulled up to the athletes village.

"Quick lets get our bags up to our room and go to the food hall!" Paul said, which unlike the shooting

range, didn't impress us much in the end (lucky they had maccas). The shooting range WAS impressive, remarkably like SISC so I felt pretty comfortable. I was fortunate to meet some great, like-minded people, watch some inspiring athletes, and have some memorable times. Being an Olympian has taught me to work hard, to dedicate myself and commit to something that I really wanted, with no excuses.

I gave it everything for Australia, and for myself, in Rio but just fell short. I have no regrets or excuses but just love and thanks to my family and friends for there support.

Aislin Jones

17th place Women's Skeet

Walking out into the Maracana stadium for the opening ceremony of the 2016 Rio Olympics is a moment that I will never forget. Just seeing the crowd go crazy for the Australian Olympic Team and watching Anna Meares carry the flag for Australia only a few steps in front of me made it an incredible moment. I knew I had plenty of family and friends back home watching it on channel 7, so I made sure that I waved heaps and you couldn't wipe the smile off my face.

This beginning set the tone for the next two weeks. So much happened in that fortnight it would be hard to pick a favourite part of the games experience. Some of the highlights would have to be; the opening ceremony, watching my teammate and friend Catherine Skinner win gold, competing for Australia, staying in the Olympic village with all of the other athletes, witnessing Chloe Esposito win the women's modern pentathlon and taking part in the closing ceremony. All of these things made for an incredible Olympic Games.

Other than all the big moments, there were lots of little things that happened that just made the trip even better. I went up to see the Christ the Redeemer statue at night. Even eating in the massive dining hall with the best athletes from all around the globe was amazing.

I learnt so much about myself and I aim to be doing it all again in another four years in Tokyo.

Men's Double Trap 5th place, equal first qualifier, Olympic record holder

The Rio Olympic Games was a once in a lifetime experience and I was grateful of the opportunity to represent Australia at the most prestigious sporting event in the world for our sport. I began my Olympic trip with two weeks of training in America to acclimatise and get over jet lag.

I was fortunate enough to spend 8 days in Texas training with the USA Olympic shotgun team to best prepare myself heading into the Olympics. I then spent 5 days in Tucson training there before flying into Rio on the 1st of August.

Once I arrived in Rio it was amazing to see the Olympic village along with the other 10,000 athletes walking around. I was part of the group of athletes to march in the Opening ceremony on the night of the 5th which is something that I will never forget as I walked out into the stadium as a team with the other Australian athletes. It was like nothing I have ever experienced before.

Leading up to my event we had limited training available but I spent most days out at the range either training or cheering the other shooters on, and being able to see Catherine win was great. On the 10th it was competition day for me and I was very happy with my result of 140/150 in qualification, unfortunately 26/30 in the semi-final wasn't enough to get me into the medal matches but I come away with 5th place.

Rob Thompson takes back-to-back Golden Clay Championship at Cobar

OA and HG Winners Cobar Golden Clay 2016

At the 41st Annual Golden Clay & NSW Junior Masters Championship shoot in August 2016, Rob Thompson won the coveted Overall Golden Clay Championship back-to-back which has never been achieved in the events 41 years of competition. Congratulations to Rob, he has been a sterling competitor both at home, regionally, nationally, and more recently internationally, having arrived back in Australia on Wednesday to compete at his home town venue two days later.

The Overall Golden Clay Trophy, sponsored by Peak Gold Mines, this year for the first time was a 9ct solid gold miniature clay. The sponsorship of gold for this trophy is particularly appropriate by Peak Gold Mines and reflects the Peak's continued support to sporting organisations and community events in Cobar. Greg Bowkett, General Manager of Peak Gold Mines, was on hand to present the "Golden Clay" trophy to Rob whose score was 303/311.

The 41st annual event attracted a smaller crowd than usual, however it was plain to see that Cobar Club is renowned for its hospitality. The sport of clay target shooting encourages family involvement which was evident with many families seen during the weekend either as spectators or participants. Families from away, including the Turner family were seen with Arthur, Aaron and Jarrod

keen contestants, the boys pushing Arthur all the way, and Leanne in the kitchen. Similarly, the Schiller family threw themselves into the spirit,

with Steve, Matt, Kate and Steve's father Ray, all keen shooters, and not to be left out were Janene in the Office and Betty literally running around in the kitchen – sterling effort Betty Ex locals, the Yates families, and Jenkins family, attended with Trish & Lorraine donning aprons to keep up their tradition. Several other father/son/daughter/mother combo's attended on the weekend, all travelling long distances for the event. A big thank you to Sonya also, who travelled from Hamilton (Victoria)

with her family, and spent the entire weekend in the office, your help was much valued and appreciated.

All hands were on deck in the kitchen keeping everyone watered and fed over the weekend, with some mouth-watering, belly filling, hot meals for the cold nights and days. An excellent assortment of home cooked meals for Dinner on Saturday night and scrumptious desserts were eagerly consumed by all, whilst the Calcutta auction simultaneously created extra excitement.

Friday night was commencement of the weekend carnival, with the NSW State Night Single Barrel Championship, sponsored by Sandvik Mining & Construction, being contested in inclement weather of rain and cold winds. However, 53 shooters braved the conditions with the following competitors being successful. 1st C Grade, Tracey Boon 40/50, with Blake Dunne 39/50 2nd. 1st B Grade Greg Brush 43/50, and 2nd Matt Tingate 48/58. 1st A Grade Beau Brown 46/50, 2nd Ross Morris 44/51. 1st AA Grade Ashley Bolwell 48/50, 2nd Patrick Guida 53/57. Overall winner of NSW State Night Single Barrel Championship was Robert Anderson 49/50.

Shooters on Target at Townsville

TOWNSVILLE GUN CLUB JULY 16 & 17, 2016

The Townsville Gun Club hosted its Annual Shoot over the 16th and 17th of July 2016. With much needed rain falling in the week leading up to the shoot and the weather forecast looking even more and more dismal, shooter numbers were down with 99 shooters taking part in the weekend's events. 2016 Perazzi Classic Final

TRAP SPORTING SKEET GAME

**MARYBOROUGH GUN CLUB
AUGUST 27, 2016**

This event is open to any ACTA registered club able to field a team of three shooters over the four rounds. The rounds are conducted at Castlemaine, St Arnaud, Bendigo and Maryborough.

Clubs may enter as many shooters as they wish, with the top three scores to count at any round. Each club conducting a round provides medals for the winning team on that day and team and individual scores are tallied at the completion of the four rounds. The final round is always shot at Maryborough over two layouts. We would like to thank Fil Petriella of Perazzi Australia who have generously provided for the event – a perpetual trophy plate, overall winning team prize and prize for the individual High Gun winner.

The organising committee hopes that the number of competitors will grow as the event becomes better known on the shooting calendar. We again take this opportunity to challenge other clubs to field teams and participate in this unique event.

This year's final was shot as part of a 75 target Ball Trap day. The last 50 targets being the Perazzi Classic.

The first event, a 25 target Ball Trap warm-up

2017 ACTA ACADEMY APPLICATIONS NOW OPEN!!

The ACTA Junior Coaching Program fosters junior development through involvement with Club coaching clinics, Zone, State and National coaching camps and coach development and accreditation.

The ACTA Academy is a key component of the ACTA Junior Coaching Program.

The ACTA Academy is aimed at providing a structured program for approximately 10 – 15 elite juniors to enhance their shooting skills, educate them in various aspects of being an elite athlete and provide 1 on 1 coaching, monitoring and mentoring so that they can be well on their way to achieving their goals. There will also be funding provided for targeted camps and competitions.

2016 has been an excellent year for the ACTA Academy not only with the camps but also with the Athletes results and development.

When selecting talented athletes for further development there are two ways of doing this; taking those athletes that have already risen to the top and the other is identifying those athletes with the potential to rise to the top. The ACTA Academy will select athletes both ways through achieving automatic qualification from the National Championships and then for the remaining positions through application to the National Coaching Director and recommendation by State Coaching Directors.

The ACTA Academy will be announced on 20th December 2016, after all of the National Events have been completed. Each athlete will need to accept the ACTA Academy terms and conditions prior to announcement.

The ACTA Academy will consist of 10 – 15 athletes each year, these athletes need to meet their discipline World Championship requirements as a junior the following year – so that they may see out at least one year as a junior e.g. ISSF Disciplines less than 21 in 2017 for other disciplines under 22 in 2017.

Please head to the ACTA website to download the application and to find further information

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Do you need to be more Confident?

I have recently retired from my rather demanding and high pressured day job. This means I am more relaxed and have more time to shoot. Recently I attended the new Yass Gun Club while I was evacuated from my farm due to the Murrumbidgee River flooding.

At the shoot I met up with an old friend who asked about confidence and how can he be more confident. His question got me thinking and during the drive home I tried to come to terms with just what confidence is.

Confidence is an abstract construct. By that I mean it is not something that is concrete, you cannot pick it up for example or go the supermarket and buy some confidence. The more I thought about it the more the confidence as a thing became an integral part of how we see ourselves and interact with the outside world. It is tied closely to the values and attitudes we hold. It is also integral to mental toughness. Over the years of writing these articles, I have examined the idea of mental toughness, which is defined as the set of behaviours and beliefs about yourself, your work, your sport, and how you interact. I outlined seven characteristics of mental toughness; being competitive, confident, in control, committed, composed, courageous and consistent.

Being confident means that you never fall victim to self-defeating thoughts; to be confident you need a can do attitude, a belief that you can handle anything that comes along.

So what is self-confidence? Patrick Cohn from PeakSports defines self-confidence as how firmly you believe in your ability to execute a physical skill or perform a task. Confidence, according to Cohn, comes from a baseline assessment of past performances, training, and preparation. As your competency or skill mastery grows, your confidence becomes proportionally stronger, which is strengthened more with successful training and quality practice.

The following is a list of sources of self confidence. Rank the following from 1 to 10 (adding others if I have missed an important aspect of your own)

- | | |
|----------------------------------|-----------------------------------|
| • Past successes in your sport | • Mental preparation |
| • An effective training program | • Performance review |
| • Immediate performance | • Mental game coaching |
| • Positive comments from others | • Coping well under pressure |
| • Supportive people in your life | • Good teamwork |
| • Training or quality practice | • Positive rapport with teammates |
| • Quality coaching | • Positive rapport with coach |
| • Optimistic coaching | • Trust in teammates |
| • Belief in your physical talent | • Sports diet, hydration, etc |
| • Your own method or technique | • Fitness level or conditioning |
| • The quality of your equipment | • Other sports you have played |
| • Level of your competition | • Weather |
| • Warm up routine | • Game plan or strategies |
| • Comfort with the environment | |

On a separate piece of paper, write down the top 5 sources of confidence that are under your control. Focus on what you can control to boost your confidence. Remember that what people say about your performance is not under your control.

Now that you are able to recognize the sources of confidence then it is also important to be able to recognize when confidence is dwindling. The biggest factor limiting confidence is self-doubt. I have written several articles over the years on self-doubt, and if readers need to revise, then go back over old issues or read "The Inner Game of Golf" by Tim Gallwey, which puts the whole idea of self doubt into perspective. Self-doubt is the opposite of self-confidence and it kills momentum, and stops athletes performing well because they are scared they will fail.

Self-doubt can be developed by a set of unhealthy and irrational beliefs about yourself and life in general. These beliefs include the following:

1. Strict expectations: "I can't make any mistakes if I want to win." What happens here is, is that you try to hard and tense up. You become less fluid and your unable to move and swing the way you should.
2. Negative self labels: "I'm a poor finisher." This focuses you mind on negative judgements about past performances and takes you away from the here and now.
3. Over-generalisations: "I don't do well on this course." Again you are focusing on the past and ignoring what you should be focusing on, which is the present.
4. Perfectionism: I need to be perfect. This is impossible and will lead to the following behaviours that will further undermine your self-confidence:
 - Setting unrealistic goals and strict expectations
 - Dwelling on shortcomings and failures
 - Worrying about past mistakes
 - Being too self-critical
 - Comparing yourself to others
 - Over-analyzing your performance
 - Viewing your performance as either good or bad
 - Measuring your self worth against your sporting success
 - Focusing on future gains instead of playing in the present.

Now that you can recognize the sources of self-confidence and you can identify those irrational beliefs that get in the way and produce self-doubt.

There are five steps to seeing yourself as a winner:

Firstly, write down three positive self-labels that positively describe you in your sport, which you can truly believe.

Secondly, post these descriptions on your mirror, fridge, desktop, etc where you can see them every day.

Thirdly, Strive to identify and discard any negative labels that others have given you or that you have made up yourself. Write them on a piece of paper, crumple the paper, and throw it away with authority.

Next, when speaking to others about yourself or your abilities, use the positive self labels you have formulated with confidence. (Avoid deliberate outward displays of cockiness because people who lack confidence will view it as arrogance.)

Finally Goal: feel cocky on the inside while appearing humble on the inside.

By using the previous five steps, identifying the sources of your confidence and recognizing the negatives that get in the way, you will be on the way to being more self-confident and more mentally tough.

2016 Oceania DTL Championships

PUKEKOHE, NEW ZEALAND

The DTL Oceania Shooting Championships were held at Auckland Metropolitan Clay Target Club, New Zealand in April this year. The ACTA sends development athletes to these events every 4 years (Kayla Grassi, Emma Cox and John Duryea went previously). Six athletes were selected from their scores at the 2015 DTL Nationals.

Nathan Burt, Cooper Mooney and Jack Cullinan comprised the official Australian DTL Oceania Team representing Australia as open shooters. Laura Woolley, Thomas Pilgrim and Tanya Skinner were also selected as individual athletes in the open section. All athletes being juniors were also eligible for the junior category. 11 countries attended Fiji, New Caledonia, Norfolk Island, New Zealand, Papua New Guinea, Samoa, Tahiti, Tonga, Vanuatu and Niue.

There were 3 events Double Barrel (known by the Kiwi's as Single Rise), Single Barrel and Points Score. There were open and junior categories and open teams.

DB L-R: Christian Stephen NZ Silver, Nathan Burt Australia Gold, David Turner NZL Bronze

Event 1 Double Barrel (Single Rise)

There were no possibles shot but 10 people shot 99/100 including Australia's Laura Woolley, Cooper Mooney, Nathan Burt and Jack Cullinan. After a long shoot off Nathan Burt was the overall winner. At this stage we thought we would have 3 shooters on the podium however to give all Oceania Countries an

opportunity on the podium only 1 shooter from each country may medal in each category hence Gold went to Nathan Burt AUS, Silver Christian Stephen FJI and Bronze David Turner NZ. Cooper Mooney AUS won Gold in Juniors, with Franco Cafferelli from Samoa Silver and Kent Nicholl NZ Bronze. Australia winning Team Gold.

Event 2. Single Barrel

Glenn Kable FJI Gold 99/100, Nathan Burt AUS Silver 97/100 and Stuart Sutherland NZ Bronze 96/100. Jack Cullinan 93/100 winning Silver in the

juniors, NZ Kent Nicholl Gold and Bronze going to Norfolk Islander Branker South. Team Australia winning gold, Fiji Silver and New Caledonia Bronze. The New Caledonian shooters were excellent shots with a strong background in Universal Trench and Ball Trap due to their links with France.

Event 3. Points Score

Gold to Cooper Mooney 296/300, Christian Stephen FJI Silver and Stuart Sutherland NZ Bronze both 295/300 then shoot off. Gold in Juniors went to NZ Kent Nicholl, Nathan Burt AUS silver and Norfolk Island's Branker South Bronze. Team Australia again won gold.

2016 Australian Oceania Team L-R: Nathan Burt, Jack Cullinan & Cooper Mooney

High Guns

Overall High Gun Gold went to Fiji's Christian Stephen, Silver to Nathan Burt AUS, Bronze to NZL's Stuart Sutherland. Junior High Gun was won by Cooper Mooney. Laura Woolley and Jack Cullinan were only just out of the medals and would have been on the podium several times if multiple medals were allowed.

The most prized award at the Oceania DTL Championships is the overall team High Gun, our Australian Team of Jack Cullinan, Nathan Burt and Cooper Mooney were undefeated and came away with this coveted medal which is now found at the ACTA National Office.

The Australian Team had an embarrassment of riches and for all six junior shooters competing against the best National 3 Man DTL open teams from each country they should be very proud of their performances.

For all 6 of the athletes this was their first trip overseas with firearms and for some like Cooper, Laura and Nathan their very first trip overseas. We worked well as a team and supported each other and even managed a trip to Port Waikato Beach to see the black sand of west coast New Zealand.

The trip achieved its goal of giving athletes experience in competing as a team and travelling overseas. As for the Oceania event it was a success with many countries and competitors in attendance.

Take it one target at a time!

Ron Fenton

28/10/1934 – 18/07/2016

The Members and friends of the Mackay-Sarina Clay Target Club paid their last respects to their past President and Life Member with his passing after a short illness. Ron began his shooting as a young lad in the Central West of New South Wales, before moving to Queensland in the early sixties where he began shooting at the Mackay Club.

He then moved to the Eton-Mackay club and then finished his shooting at the Mackay-Sarina Club. Where he was President for some 15 plus years where his tireless work was appreciated by all members.

Rest in Peace Ron Fenton.

Two days at Kempsey

KEMPSEY CLAY TARGET CLUB
SEPTEMBER 17 & 18, 2016

On the 17th and 18th September 2016 the Kempsey Clay Target Club held their two day annual shoot. Whilst the numbers were down on last year it was pleasing to see a number of lady and junior shooters take the field. It was also good to be able to welcome back shooters from last year who travelled from the South, North and West of the state to compete.

As usual our President, with his small band of helpers, had the grounds in tip top condition and the traps tuned up and working to perfection. It may be of interest to know that our President has been a member of the Kempsey Clay Target Club for 58 years, 2 years longer than he has been married. He has been President for the past 13 years and before that held various positions within the Club. To be married to his charming wife and the club for that many years has to be a record and something to be very proud of. However, as they say behind every successful man there is a very strong woman. Well done Robyn and Ted.

Now back to the shoot, the weather was fine, sunny without wind on Saturday but came over a little cloudy late in the afternoon. Generally a good shooting day! Things deteriorated on Sunday though, the day was cloudy with intermittent showers, just enough to make you keep your wet weather gear on. Seven events were shot over the weekend with the Overall High Gun winner being Kevin Thompson 367/375. The Overall Grade winners were AA William Saul 360/375. I notice dad's name has not appeared on the winners lists William, maybe you will have to give him some coaching. A Romeo Spagnolo 342/375, B Kevin Aiken 349/375. A grade is just around the corner Kevin, keep up the good work. C Clayton Smith 322/375. Ladies Abby McMahon 349/375. Junior Campbell Tyson 321/375. I have to wonder here, who was that gentleman of Italian parentage who was getting up close and personal with one of our lady shooters. Perhaps he was just whispering shooting tips into her 'shell like'. Whatever it was, it worked because she went on to win Ladies High Gun.

Abby McMahon Ladies HG

The first event was 25t PS CD, there were too many winners to list here and full results of all the events can be found in the competition result section of the CTSN. The second event was 25t DB H'cap sponsored by Thurgood Haulage P/L. 1st Campbell Tyson 25/25, 2nd Abby McMahon 38/39, 2nd Clayton Smith 37/38, 4th Kerry Miller 30/31, 5th Kevin Aiken 24/26. There was a really hard fought shoot off between Abby and Clayton. Abby won the day but they can both hold their heads high as it was a good effort. Poor old broken down ex bikie Kerry Miller struggled into 4th place. I am afraid the old saying 'rooster today feather duster tomorrow' seems to apply here.

Hank Macinnes OA D/B

Overall in the third event, a 50t DB Championship sponsored by DGI Trading, was Hank Macinnes 137/137. AA 1st John Lisle 136/137, 2nd William Saul 121/122. A Dennis Comelli 57/58, 2nd Margo Burke 48/50. B 1st Kevin Aiken 49/51, 2nd Phil Ryder 52/54. C Clayton Smith 46/50, 2nd Robyn Jackson 45/50. This event provided a good shoot off between Hank Macinnes, John Lisle and William Saul. Also Robyn Jackson, the way you are shooting perhaps a few shooting tips to Ross may not go astray at this point in time.

The fourth event was a 25t DB Cont CD. This event was scheduled for Sunday, but seeing time permitted and everyone was in agreement, it was shot on Saturday. That way it allowed the travellers to get away a bit earlier on Sunday. As it was cash divide and there were so many winners I have not listed them here but they will be found in the Competition Results of the CTSN.

Robyn the shoot off queen

The fifth event was shot on Sunday. The day was overcast and wet, quite a contrast to Saturday. The event, a 50t PS Championship sponsored by Barnett's Bakery was won by Kevin Thompson 148/150. 1st AA William Saul 145/150, 2nd and runner up again, Kerry Miller 144/150. A Barry Dray 141/150, 2nd Margo Burke 137/150. B 1st Kevin Aiken 143/150, 2nd Abby McMahon 137/150. C 1st Campbell Tyson 130/150, 2nd Robyn Jackson 150/177. Robyn Jackson figured in another intense shoot off against Clayton Smith. Won't be long before Robyn is competing against Ross in A Grade! I think it is time we swabbed Barry Dray. He has been complaining of sore shoulders and several other ailments but when the pressure is on he seems to rise to the challenge.

Between the events on Sunday fashions on the field were judged. This year we had several entrants. Last year's winner Robert Nock put in a strong showing in his fluoro rain gear. Brainy Smurf came from nowhere and caught the judges' attention however the most consistent entrant who set a high standard over the two days was Abby McMahon. The shooting attire she pioneered over the weekend is sure to catch on and be sought after by male and female shooters everywhere on the range or in the bush. A packet of used shotgun shells signed by the Secretary of the club is on its way!

Brainy Smurf

Event Six was a 30t Medley sponsored by Kempsey Stock and Land, Inox and Rio Oceania. Overall winner was Mark Davis 74/75. AA 1st Kevin Thompson 98/100, 2nd (runner up again) Kerry Miller 96/100. A 1st Dennis Comelli 46/50, 2nd Barry Dray 45/50, B Abby McMahon 46/50, 2nd Kevin Aiken 45/50. C Clayton Smith 43/50, 2nd Campbell Tyson 37/50. Congratulations go to Clayton Smith's break of Grade C to B and Abby McMahon from B to A. Also congratulations to Dennis Comelli achieving a break of 50.

When the prizes were being handed out I noticed imitation clays, carved out of wood, being presented to the winners. Ted Baker makes them on his wood lathe and they are exact imitations of clay targets. They would be something well worth winning, so thanks for making them and donating them to the club Ted. Also I must make mention of our generous sponsors Barnett's Bakery, Kempsey Stock and Land, DGI Trading, Mavin Truck Centre, Thurgood Haulage, Inox, Ted & Robyn Baker, Rio Oceania and Karen Berry. We must also thank the ladies in the kitchen led by their team leader, Robyn. As usual they put on a magnificent spread. Jenny our long suffering and very patient Shoot Secretary. Without her there would be no shoot, so words cannot truly express our appreciation. Thank You Jenny!! Jenny did have an assistant to help her, Vicki Miller, and even though Vicki is not a member of the club whenever she is at the club she does whatever she can to help out, Thank You Vicki! That also applies to other visitors to our club, especially those from up North whether it is a monthly shoot or a two day shoot they always swing in and do what they can to help. Thank you to the 'splinter group'. That's about it, thanks to all those who came to our shoot and remember you are more than welcome at our monthly shoot held the 3rd Saturday of the month, noon start, and hopefully we will see you next year.

VCTA North West Zone Carnival

CENTRAL WIMMERA CLAY TARGET CLUB

SEPTEMBER 10-11 2016

This year the North West Zone Carnival was held at the Central Wimmera Clay Target Club, Horsham. Although the weather conditions leading up to the shoot had been very wet the shooting layouts looked in great condition and the impending rain held off all day.

Eighty-one shooters participated in the four event program, which was more than last year but it was very disappointing to see that some Zone Clubs were not represented by a single shooter. The Carnival saw 37 shooters compete in AA grade, 23 in A, 10 in B and 11 in C grade. We had 13 Veterans, 6 Ladies, 3 Lady Juniors and 8 Juniors.

One of the highlights of the day was to see our Zone juniors shoot so well. Fourteen year old Riele Fitzgibbon (Maryborough) shot over 130 straight in the Double Barrel to be placed second overall, Andrew Bottcher from Cohuna won the Handicap, Beth Hayden (Mildura) took out the Ladies High Gun and Tarryn Shaddock after a great late-in-the-day shoot-off won the Junior High Gun from Riele shooting an impressive 196/210 over the program.

The Corsivia Australian Trap targets thrown performed admirably and the Zone would like to thank the sponsor of the Carnival, Bruce Burns from GB/Corsivia for his generous and ongoing support for the North West Zone.

Four squads of shooters shot the possible in the first event on the program, the 25 target North West Zone Double Barrel. A lengthy shoot-off followed, nowhere near last years 200 plus, but at 133/133, veteran Fred Heinze from Nepean CTC became the winner, taking overall and AA, second place went to Riele Fitzgibbon who put together his first 100 plus target break.

In A grade Chris Jorgensen (52/53) from Central

Double Barrel winners: Chris Jorgensen, Fred Heinze, Wayne Shaddock & Ian Heard

National Handicapper & Carnival Shoot Marshal Ray Peatling with Zone President and Overall High Gun winner Colin Dunn and Zone Secretary Doug Harris

Wimmera took first place and Mitchell Wooding from Kerang came second. In B grade Wayne Shaddock from Mildura came first with a score of 69/70, from Geoff Hogan of Cohuna. In C grade Central Wimmera shooter Ian Heard came first with a score of 25/25 from Zoe Hawker from the Jeparit GC, another of our Zone Juniors shooting well.

The second event, the 25 target North West Zone Single Barrel Championship was won by Cameron Browne, from the Patchewollock club after a shoot-off. There were no possibles in this event with 24/25's shooting off. The winning score shot by Cameron was 55/56. Second place in AA went to Andrew Smith from Noorat who finished the shoot-off with 54/56. In A grade Andrew Estcourt (Cohuna CTC) took out first place with a score of 24/25 and Lisa Hawker, soon to be known as Zoe's mother, placed second. B grade first went to Dennis Hannigan (Boort) 21/25 and Harry Clark from Hamilton came second. In C

grade Luke Tyson, yet another Zone Junior from Mildura, came first with a score of 22/25 and Ian Heard ran into second place.

The third event was the 25 target North West Zone Points Score Championship. Overall and A grade was won by Andrew

Ataliotis (Mildura), after a shoot-off with a score of 135/135. Second in A went to Chris Jorgensen. John Rowe (Frankston Australian CTC) won AA grade, shooting 134/135 and Colin Dunn (Callawadda/Stawell CTC) placed second. Geoff Hogan won B grade 70/75 from Wayne Shaddock. Ian Heard placed first in C grade 87/90 and Luke Tyson came second.

The Zone Handicap, the final event of the day, saw Junior shooter Andrew Bottcher win the money after a short shoot-off. Andrew from Cohuna won with a score of 29/29 from Ted Bond (Mildura) who came second. Third place went to Harry Clark, fourth to Chris Dalrymple and fifth to Andrew Smith.

The Overall High Gun, the most prestigious award of the day, went to hard working Zone President Colin Dunn, with a very impressive score of 146/150. AA grade went to Cameron Browne (145/150), A grade to Chris Jorgensen (143/150), B grade went to Geoff Hogan (131/150), and C grade to Ian Heard (143/150).

Single Barrel winners: Andrew Estcourt, Cameron Browne, Luke Tyson & Dennis Harrigan

Points Score winners: Andrew Ataliotis, Geoff Hogan, Ian Heard & John Rowe

Section High Gun winners: Veteran Fred Heinze, Ladies Beth Hayden & Junior Tarryn Shaddock

Zone Junior Beth Hayden from Mildura won the the Ladies High Gun with an impressive 141/150, Fred Heinze the Veterans (141/150) and the Junior High Gun went to Tarryn Shaddock (196/210).

The North West Zone Open Team to compete in the shoulder-to-shoulder Teams event at the Victorian Clay Target Assoc. State Carnival, State Shooting Ground, Echuca are: Cameron Browne, Colin Dunn, Chris Jorgensen, Ray Peatling and Noel Shaddock. The North West

Zone Ladies Team consists of Lisa Hawker, Zoe Hawker and Kaylene Estcourt. The Veterans Team for the Zone is Ian Heard, Andrew Atalotis and David Flavel. The Junior Team is Beth Hayden, Tarryn Shaddock and Riele Fitzgibbon. North West Zone Team members will receive a Zone cap and polo shirt and \$50 towards their nominations to the VCTA State Carnival in November.

Thank you to all the Zone members and helpers, particularly the Central Wimmera club members

High Gun Grade winners: Ian Heard C grade, Andrew Smith & Cameron Browne who saved a shoot-off and shared the AA Grade, Geoff Hogan B grade & Chris Jorgensen A Grade

who worked tirelessly during the day keeping the traps full and running and to the ladies in the canteen for their special effort in preparing the BBQ lunch. Of note was the great work done by Greg James on the computer, Zone Secretary Doug Harris in the office and Roger (Legend) Lehmann on the grading cards and of course our Shoot Marshal, (National Handicapper) Ray Peatling and Zone President Colin Dunn who coped with the stressful workload at the top but still managed the Overall High Gun.

Local Shooter wins 2016 Len Bird Cowra Gold Cup

The 2016 Len Bird Cowra Gold Cup was taken out by local shooter Tony O'Leary with an outstanding score of 371/375 over the two days of competition. Tony was shooting against a class field of 112 competitors from all around NSW and interstate.

The number of shooters competing is testament to the local club's commitment to providing top notch facilities coupled with an excellent program of events. The organisation and smooth running of this major shoot keeps drawing a large contingent of top clay target shooters.

Tony O'Leary

Both days of competition provided varying weather conditions challenging competitors, but good scores were posted across all events.

The Telescope Tyres Cowra cash divide was shared equally amongst all the grades AA, A, B & C. The Hunt's Shooting Supplies Single Barrel Championship was won by David Crane with the only possible 50/50 while the Cowra Services Club Double Barrel Championship was taken out by Clive Foster from West Wyalong with 125/125.

Sunday's competition saw the Cowra Diesel Service Points Score Championship which was won by Aaron Jones of Sydney with 153/153 and the Railway Hotel Cowra Double Barrel Championship went to Tracy Barton from Boorowa GC shooting 223/223.

The office staff and the ladies in the kitchen again excelled in processing everyone's needs in an efficient and orderly manner as did all our volunteers before, during and after the event.

The shooters and their families enjoyed the weekend in Cowra, boosting the local economy whilst in town, and particularly enjoyed a fine meal on

Saturday night at the Railway Hotel one of our major sponsors.

This major event on the clay target shooting calendar would not be possible without the support of the following businesses and the Club would like to once again thank you all.

Ashley O'Leary

Telescope Tyres Cowra, NC Bellamy Pty Ltd, Cowra Holiday Park, Cowra Diesel Service, Railway Hotel, Superb Jewellery, Cowra Shire Council, Hunt's Shooting Supplies, Keith Philpott Funeral Directors, Clay Target Australia, Cowra Bowling Club, Cowra Bus Service, Cowra Machinery Centre, Cowra Crest Motel, Cowra Motor Inn, Cowra Services Club, Cowra Toyota, Geoff Amos Transport, Marks Pumps, Elders Insurance Young, Helloworld Cowra, JJ Dresser & Co, Beecher Wool Services and Riverside Refrigerated Transport.

VCTA NWZ School Students Championships

COHUNA CLAY TARGET CLUB AUGUST 18, 2016

The North West Zone School Students' Championships were held at the Kerang Gun Club in ideal weather – sunny and with very little wind to effect the targets.

Ten schools were represented but only 53 students competed. The competition was shot as a 20 target single barrel event. Ammunition was supplied by Winchester Australia, as they have done for many years.

All placegetters in the four categories will represent the North West Zone at the State School Students final held at the Bendigo Clay Target Club in September.

The Zone committee would like to thank the Cohuna Clay Target Club and members for the use of their well presented venue and their help in running the event. Thank you also to the Zone club delegates for their support and to the families and teachers of the competitors. It was a successful and well organised event.

Medley with Ball Trap at Echuca

The September shoot at Echuca Clay Target Club included a 75 target Medley, which included 25 targets of Ball Trap to increase the difficulty level, and it did just that, with a good roll up of six full squads of shooters not one could manage a full score in this event. Echuca member Craig Fitzgerald did go close, with an end score of 73/75, and as no one could match or beat that score of just two targets lost, Craig Fitzgerald became the Overall winner of the 75 target Medley Championship, also claiming the 1st in AA Grade placing. The 2nd placegetter in that event Terry Walls almost caught Craig, losing just one more target, and his score of 72/75 really was still excellent shooting on a heavily overcast day that made target visibility difficult.

Steve Atkins, D/R

Event Two, a 20 pair Double Rise Championship, and Club President, Steve Atkins, proved his mastery of Double Rise by just losing one target on a dull very ordinary day for clay target shooting. Steve's score of 39/40 earned him the overall winners sash, and 1st place in AA grade. Well shot Steve! And a lass that just proved how good a trap shooter she is in the country of Ireland, Bendigo's, Laura Woolley, shot an excellent 36/40 score in this event, earning her the 2nd placing in AA Grade.

Event Three, was a 20 pair Deauville Doubles Championship, shot off the 18 metre handicap mark, and there were several possibles shot, so a shoot off was

required, and after a while it was decided to begin moving the shooters back, as it appeared they were never going to miss a target, and then there was just three pairs of shooters remaining and they were at the 25 metre mark. Finally the duo of Numurkah/Shepparton shooters, Steve Harbor, and John Fothergill, were the last pair still clean on a very

credible 41/41, and they put their hands out to receive the pair of overall winner's sashes. Echuca shooters Glen Viney and Steve Atkins score of 40/41 gave them 2nd placing in this event.

Kiara Dean a fairly new Echuca member became the recipient of the, Rob Viney Encouragement Award, for this shoot and she was delighted to receive her sash. The club wishes to thank Rob for his ongoing sponsorship for beginner shooters.

Other results are as follows, 25 target Medley, A grade 1st Steve Harbor 68/75, A 2nd Andrew Escort 76/90. B grade 1st Trevor Lindberg 59/75, B 2nd Gavin Keir 56/75. C grade 1st Kiara Dean 56/75, C grade 2nd Jasmine Martin 48/75. 20 Pair Double Rise A grade 1st Peter Sing 32/40, A 2nd Steve Harbor 30/40. B grade 1st Geoff Hogan 34/40. B 2nd Kaylene Escort 28/40. C grade 1st Jasmine Martin 23/40, C 2nd Kiara Dean 21/40.

A good day of clay target shooting, with plenty of competitors, weatherwise very dull, but thankfully calm, and although threatening rain it did not happen, also finishing at a respectable time of 5.00pm.

Single Barrel Night Shooting – Mathoura

Friday night the 26th of August saw shooters from a fairly wide area converge on the Mathoura Gun Club to do battle for the cash and trophies on offer for the winners in three events, mainly single barrel; single barrel shooting does increase the difficulty of scoring especially when shot under lights. Weatherwise ideal conditions except for the temperature, which could only be described as very cold.

The first event was a ten target, Single Barrel Cash Divide, and just one shooter could manage to down all ten targets, and he was Club President, Peter McCluskey scoring 10/10 and collecting all the first place cash. Well shot Peter! 8/10 was the scores next shot by Mick Keir (Echuca), Jason Smith, Tom McCluskey (Mathoura), and Tim Maher (Deniliquin), and they all received a share of the 2nd place cash.

Event Two, a 20 target Points Score Cash Divide, and this time it was Peter's son, Thomas McCluskey's time to shine, leading all others with a 51/60 result to receive all the 1st place cash. 2nd place with a 49/60 score

was Echuca's April Thompson, collecting the 2nd place cash, and Tim Maher after shooting a 48/60 score picked up the third place cash.

The third event was a 25 target, Night Single Barrel Championship, and after sharing in the first two events, Deniliquin's Tim Maher, missing just two targets in this difficult night event, collected the Overall Winners Sash, and also the 1st place trophy in A/VAA Grade the result of his 23/25 score. Good shooting Tim!

Peter McCluskey who has been shooting well of late managed a 21/25 earning him the 1st place in C Grade Trophy. Unusually there was no B Grade shooter present so that position was not won.

The Squire reports from West Wyalong

WEST WYALONG CLAY TARGET CLUB AUGUST, 2016

In August each year members of the West Wyalong Clay Target Club go to their gun safes and get out their old side by side shot, clean it and oil it in readiness for the Doug Lindsay Memorial side by side day with the main event being a 50 target championship.

The day begins at 9:30am with 50 targets side by side Sporting Clays.

A good range of interesting guns was in use by the four squads of shooters with firearms ranging in value from a few dollars to others worth thousands and from the modern era to days of old. Gary Tabain from Leeton showed up with a respectable looking gun for a change, with no sign of insulation tape being used to hold it together – he claimed to have paid the exorbitant amount of \$300 for the gun.

Graham Duncan had mowed the grounds during the week and with all the rain we have been having the ground looked very good.

Jason Anderson and Allan Schirmer spent the Saturday afternoon setting up a seven trap Sporting Clays layout which shooters agreed was a challenging but sensible set up for side by side guns.

Organisers were very pleased with the attendance of four squads and due to the relaxed atmosphere the program got a little bit behind but time was able to be made up later in the day with the shoot finishing well before dark.

A high incoming target proved to be very difficult to see early in the morning but as the sun moved around during the day it became much easier to hit.

In the combined AA and A Grades, Laurie Redfern 43/50 using a modern side by side Browning was the winner while in B and C Grades Doug Murray also using a modern Browning side by side and Jason Anderson with his old BSA side by side both shot 36/50 to be joint winners. Lydia "The Gun" won the over and under section of the event.

Bruce "The Baitlayer" took over the barbie and with help from Lydia and others soon had the shooters fed and preparing for the afternoon program.

More shooters continued to arrive and by the time participants were called for the 10 Target Double Barrel Eye Opener followed by the first stanza of the Doug Lindsay Memorial Side by Side there were six squads in attendance.

Charlie Strike set the scene with what was to follow when he and J Taylor, Robbie Lindsay, John Wason, Peter Phillpott, Gary Tabain, Luke Kirkby and Neville Block all shot 10/10 in the Eye Opener.

In the first round of the Doug Lindsay Memorial it was Charlie Strike who carried on his good form to shoot 25/25 and give himself the lead in the event.

In the second round of the Doug Lindsay Memorial Charlie only dropped one target to score 49/50 and take out Overall in this prestigious event. Leeton visitor, Stephen Guest 46/50 won AA Grade and Scottie Brydon 47/50, using a borrowed side by side won A Grade and Steve Cassar the Marconi Clun visit clinched B Grade. In a three way toss Digger Ellison 45/50 was the Veteran champion.

The final event of the day was 25 Targets Points Score and Wayne Ambrose using his Greener side by side won AA Grade with his score of 67/75. Laurie Redfern 67/75 won A Grade and Charlie Strike completed his day winning C Grade 72/75. In the over and under section Luke Ellison showed his class

L-R: Steve Cassar B Doug Lindsay Mem, Doug Murray B&C Grades S/C, Robert Lindsay Sponsor, Charlie Strike OA Doug Lindsay Mem & HG, Laurie Redfern AA&A S/C, Digger Ellison Vet, Jason Anderson President.
Front: Scottie Brydon A Doug Lindsay Memorial

by scoring the possible, 75/75 to take out AA Grade. Peter Phillpott 65/75 won A Grade with Michael Fyfe 72/75 being the B Grade winner.

Charlie Strike was the Side by Side High Gun.

Robert Lindsay had competed during the day and as the sponsor of the event in his father's memory he assisted President Jason Anderson with the presentation of sashes to complete another successful Doug Lindsay Memorial shoot.

NEWCASTLE LAKE MACQUARIE, JULY 23, 2016

On Saturday the 23rd July we held our first (hopefully many more to come) Ladies Day in a number of years.

The general aim of the day was to show the ladies that there are different disciplines in which many other ladies compete. The day also tried to introduce the ladies to these disciplines whilst gaining confidence and breaking the mindset that it's a men's only sport. Everyone shot at least 5 targets of everything, including ISSF Trench! (See pictures). We hope everyone took many positive techniques away from the day, gained friendships and most of all enjoyed themselves.

Everyone walked away from the day with a box of Eley Amber Pink cartridges for which we thank Brad Webb from Nioa and a pink Ridgeline cap thanks to Arms and Ammo (AAA) and Ridgeline Australia.

We would like to thank Teegan McCloy and Ross McLean our guest coaches, for volunteering their time. Also a big many thanks to Renae, Jason, Michael and Lachlan Jenkins on the many hours of hard work behind the scenes preparing, cooking and button pushing that went into making this day the great success it was.

Mary Carr, Lisa Lewis & Candace Sargeant

We look forward to seeing these ladies, and welcome any visiting ACTA Ladies to our first Ladies Only Competition in February 2017. We will be holding a series of competitions during 2017 across a variety of disciplines. See our website and follow us on Facebook.

National Rules Supervisor Appointed

The ACTA is pleased to announce that the position of National Rules Supervisor has been filled by former long serving VCTA Rules Supervisor, Jim Shepherd. Jim was appointed to the position following a national advertising campaign.

State Rules Supervisors now have a resource to send through queries and recommendations for rules changes.

Jim will be responsible for arranging and co-ordinating the National Rules meeting being conducted every two years, with the next for 2017.

The ACTA welcomes Jim to the position of National Rules Supervisor and we are confident this appointment will serve the ACTA well. His knowledge of the rules will ensure we have consistency across the ACTA.

With the appointment of Ray Peatling as the National Handicapper earlier in the year the ACTA now has these two very important official positions locked in. The third appointment, that of Suzy Balogh in the position of National Coaching Director in 2014, now sees the ACTA with a structure to accommodate all aspects of the sport including coaching, rules, handicapping and development of the sport.
