## K-80 PRO TRAP

There's a good reason why the K-80 Pro Trap is a shotgun legend. It's a combination of everything that makes that crucial difference in competitive shooting. The raised and adjustable floating rib, provides a significantly broader field of view. The adjustable stock allows individual fitment, merging shooter and shotgun into one. With a 10 year warranty and legendary reliability, it will still be wearing in when the others are worn out!

# President's Notes

## Member achievements

Congratulations to James Willett and Jack Wallace on their recent achievements in the ISSF disciplines. James Willett's win in the Double Trap at the World Cup final topped off a great year for him. Full report will feature in a future CTSN.

Congratulations also to our American Skeet Team who came home in second place in

the World 12 Gauge Teams event.

More on this is elsewhere in this CTSN.

## Members Firearms Insurance

The ACTA has now been able to negotiate an excellent Members Firearms and Accessories Insurance cover. This cover which takes effect from the 1st of November is funded within your membership fee. Full details are provided elsewhere within the magazine and the policy in full is available from the website along with all other member's insurance policies. Please check out all these covers that are provided for you, the member.

## Membership

The Executive have introduced a new membership category "Recreational Shooter" which replaces "Club Only". This new category allows the member to shoot Practice and Targets only at ALL ACTA clubs in all disciplines, at a discounted membership rate. The category comes with the full suite of insurance covers including Firearms and Accessories, Death, Personal Accident and Loss of Income. Clubs are encouraged to join members in this category if they only wish to shoot recreationally. This will provide total compliance with the current constitution and save the club holding its own public Liability Insurance cover. The discounted pricing and inclusion of the Firearms insurance makes this category more than competitive with those of other associations. It offers great value for the member saving them any costs associated with firearms insurance they may have, and providing excellent Firearm, Death, Accident and Loss of Income Insurance.

Every club will now be provided with a Constitution so all are aware of the mutual obligations that take effect upon affiliation. The document is also available on the website.

The ACTA are currently looking at other possibilities to add value to the membership.

## National Grounds

Improving weather conditions have finally allowed work to recommence on your grounds. Drainage work is now continuing and work has begun on an all-weather walkway behind layouts 1 to 11. This will be extended across the whole grounds as funds become available.

## Burdekin Club Re-opens

I recently attended the opening of the new Burdekin Clay Target Club. The club has been almost non-operational for approximately 15 years and it was great to see about 150 shooters in attendance. The committee are to be congratulated on the effort they have made, with five layouts and a great clubhouse and office facility. Take the time and make the effort to support these keen and enthusiastic workers.

## Consultations:

### SCA

Your Board is meeting with the Board of Sporting Clays Australia on the 4th of November in Melbourne. This is the first Board to Board meeting between the two associations and is seen as a positive step forward in having a closer relationship between the shotgun bodies.

### SSAA

Your Board is also meeting with the Board of the Sporting Shooters Association of Australia, tentatively in the last week of November.

Our intention with these meetings is to discuss matters of mutual interest amongst the bodies that shoot competition shotgun. We believe only good can come from these meetings.

### SA

Shooting Australia has now released the Suiko report and recommendations which you can find on the ACTA website. The timing of its release after Directors of SA met with your Board, where it was not a matter for discussion, was unfortunate. The report has raised many issues of great importance to the future of the ACTA and its members, and these will be discussed openly at a Whole of Sport Governance Forum following the SA AGM in Brisbane on the 12th of November. The interests of the ACTA and you its members will be in the forefront of our minds whilst providing input at this time.

## Senator Bridget McKenzie and Federal Sports Minister Sussan Ley

Your Executive officer and I were fortunate to be granted a 45 minute meeting with Senator McKenzie and Minister Ley in Canberra recently, and I thank them both for making time in their busy schedules for us. The meeting discussed various matters including:

- The Australian Sports Commission stance and refusal to consider recognition of the ACTA domestic discipline coaching courses, following a request via the proper channels through Shooting Australia for support also being refused.
- Winning Edge and the selection policies of Shooting Australia and the unacknowledged negative impact this is having on our domestic ISSF competition.
- The Suiko report and recommendations.

I believe we left those in attendance in no doubt as to the ACTA beliefs and those expressed by the membership. We will continue to pursue these matters.

## Constitution

State Associations now have the proposed constitution document for distribution to clubs. It is also on the ACTA website. Please take the time to read this carefully and do not hesitate to ring for an explanation of anything you may not fully understand. The proposal increases the pool from where Directors can come from, gives each state a vote on all positions, and gives clubs the opportunity to nominate directors. Clubs retain the right to vote on agenda matters and registered shooters have the right to speak at the AGM. All these inclusions were requested during the consultation period. Whilst not as every single member may like, the proposal certainly reflects the opinion and wishes of the majority and I commend it to you.

Continued next page

# Executive Officer's Report

There has been a great deal of discussion centred around the SUIKO "governance report" commissioned by Shooting Australia, the report is available on the ACTA website, it is a must read for individual members, Clubs and States to understand what Shooting Australia and the Australian Sports Commission are proposing.

The bottom line after all of the rhetoric is that Shooting Australia hope to get all National bodies that are currently affiliated with them to hand over all assets, money and control of their National body to Shooting Australia.

I don't believe the full Executive of the ACTA will accept the report and its recommendations. The ACTA is an affiliated body in its own right and the Executive will continue to make decisions in the best interests of the member States, Clubs and registered shooters. We do not see this governance review has provided any credible recommendations on governance that the ACTA cannot and are not already involved in.

**The ACTA announced this month the inclusion of Firearms Insurance** coverage as part of each licensed members membership package. The Insurance covers firearms up to the value of \$12,000 with the option of increasing that level to \$25,000 by paying an extra \$10.00 directly to the brokers. This coverage will allow firearms owners to obtain insurance at a realistic price.

**Club only becomes Recreation Member.** The National Executive re-classified the membership category from Club only to Recreation shooter in line with the constitution. The new category for members will have the added benefit of being able to shoot practice and targets only at ANY ACTA Affiliated Club.

The Association has had many highlights during the year 2016. The National Championships were the strongest in recent years, whilst our National Teams competed across the world, starting with the ISSF discipline.

The Olympic team recorded some great results with Catherine Skinner taking our only gold medal in the Ladies Trap, whilst James Willett now holds an Olympic record. James Willett also bought home two World Cup Double Trap events, one in Rio on the 9th April and one the Final on the 12th of October in Rome.

Jack Wallace took out the Junior World Cup for Trap. Other members of the teams missed out on medals at world cup events during the year on numerous occasions with shooters finishing between 4th & 6th.

The ACTA also entered the World DTL Championships in Ireland with a strong team of 17, for the first time a "super veteran" class was added to the touring party. The ACTA can be very proud of our new World Open DTL Champion Matt Schiller, this is Matt's second World Championship title having taken the Junior title in 2012. The 2016 Ladies World Champion Laura Woolley not only took out her category she also finished 2nd in the Junior category whilst popular Queenslander Daryl Stevens was the 2016 World ICTSF Veterans Champion. Our teams again excelled winning gold in the Ladies, Junior's and Veterans and took silver in the new Super Veterans class.

The Australian Skeet Team competed again in San Antonio Texas in the World Championships. Our results again show Australian shooting continues to be competitive with the rest of the world on any scale.

The team comprising Craig O'Neill shot 150/150 David O'Sullivan shot 149, Eddie Elder shot 149, Glenn Clarke shot 149 and Hayden Mountjoy shot 145. This amazing result put the Australian team at 742/750 and were runners up to the all powerful American team with a score of 744/750, an incredible result for the team.

The Glenn Cup (Trap) Team of Glen Castellaro, Dan Power, Matty Patmore, Craig Kelly and Wayne Hawker took the Glenn Cup by one target in New Zealand. Glen Castellaro presented the cup to National President Robert Nugent at the ACTA Nationals opening ceremony.

Universal Trench: ACTA shooters represented Sporting Clays Australia in the World Universal Trench finals in Morocco. Mitchell Iles continued his rise in the shooting world claiming the Universal trench Open and Junior World Championship in Morocco, whilst Anna Shedrina won the Ladies Universal Trench event. The Australian contingent also won the Juniors, Ladies and were runner up in the open teams events.

Congratulations to all of our National representatives in 2016.

*Tony Turner*

## President's Notes

Continued from page 2

### Volunteers

I would like to thank your Executive and Board members who have worked so tirelessly over the last year. Those in regular attendance at meetings give a great deal of their personal time, and I thank them for this. A special thanks to Tony and the staff for their contribution over the last year.

Lastly a special thanks to all the club, zone and state volunteer workers who keep the "shopfronts" of the ACTA operational.

May you all have a Merry Xmas and a great New Year.

*Robert Nugent*

**On behalf of the National Executive and Staff  
of the National Office I would like to extend  
our warmest best wishes for a Merry Christmas  
and a Safe and Happy New Year.**

**The National Office will be closed from  
Friday 23 December 2016 and  
Re-open on Tuesday 3 January 2017**

**Tony Turner, Executive Officer**

# ACTA Constitution–Part 6

In this issue we are just looking at the eligibility and skills required for Directors. We will look at the selection process in the next issue.

Section 13.3 of the proposed Constitution requires that a Director must be independent and must not hold an official position or be an employee of the Company or a Member State. In other words if a member elected as a registered Director holds any official position(s) within his or her state then they must resign such position(s) within 30 days. (Official position means a person who holds a position of President, Vice President, Secretary, Treasurer or equivalent of that member state. Also includes a person who has a financial interest in that body or organisation.) This is standard practice for a company limited by guarantee and is designed to avoid systemic conflict of interest.

While that is the basic requirement of the constitution, clubs and states will also be asked to consider the range of skills required at the national level when considering nominations of delegates. Directors should be elected primarily on their skills and ability to develop the sport strategically and the question should always be what do they bring to the organization? It is not a valid reason to nominate people because they are good blokes. The following includes the types of skills that clubs and states will be asked to consider in various combinations depending on the requirements of the time:

## Personal Skills and Knowledge

Organisational and financial management  
High level of Sports Knowledge

Strategic planning ability  
Finance accounting, investments  
Developing sources of revenue

## Life Skills

Knowledge of government process  
Employment status  
Knowledge of the law  
Marketing/PR/ Other Boards/committees  
Risk management knowledge  
Personnel management

## Personal Attributes

Networks  
Business experience, commercial experience  
Ethos in keeping with ACTA Vision

## Legal

Not be a undischarged bankrupt  
Not have been convicted of a criminal offence  
Obviously no one person could be expected to be across all the above skills but the board will be responsible for identifying gaps and advertising the specific skill sets required at a particular time.

## ACTA NEWS

The ACTA National Executive accepted a quote for Association Firearms Insurance for all eligible members on Friday 14th October 2016. This resulted in an increase of \$5.00 across all categories of membership except Juniors.

This insurance is now included with all other insurances offered by the Association for members.

# ACTA members have been asking about **Affordable, Quality**

The ACTA has accepted an Association insurance policy that will see eligible members (defined as the legal owner of a firearm) provided with **Firearms Insurance** for up to **\$12,000**.

For an additional **\$10.00** fee any eligible member will be able to increase the Insurance coverage to **\$25,000**.

This insurance represents a significant saving on insurance for firearms and accessories.

The ACTA has been looking for this type of insurance for some time. This will allow all eligible members to have insurance at a very low cost compared to what they may pay now.

Covering member's firearms, and/or associated equipment whilst in transit, stored in a locked vehicle in accordance with State Law and/or building and damaged or destroyed whilst in use anywhere in Australia and New Zealand and overseas coverage for 21 days per year.

## ● DEFINITIONS APPLYING TO THIS POLICY

Firearms & accessories means legal firearms owned by members of the named Association/Club, including any accessories or carrying cases.

Loss means loss or damage caused by or arising from a sudden and unforeseen accident including theft from a securely locked building or vehicle.

- Theft cover is conditional on firearms being securely stored in an approved gun safe when the firearm(s) are not in active use.
- No cover will be provided under this policy where the insured, or any other person or entity the equipment has been entrusted to, has breached any law relating to either the storage or use of the firearm(s.)

## Comments

This insurance is designed to protect each financial member up to \$12,000 with the option to increase this limit to \$25,000 for an additional \$10 payable by the member.

The policy has an excess of \$50 each for every claim and protects members anywhere in Australia 365 days of the year plus overseas for 21 days in any one year.

*The full policy document will be available on the ACTA website with all other insurance documents on the 1st of November 2016.*

**For an additional \$10.00 fee any eligible member will be able to increase the insurance coverage to \$25,000.**

**To take up this increased cover option you must call:  
MARSH ADVANTAGE INSURANCE PTY LTD**

## CONTACT:

firearm insurance. Now you have it!

# **Firearm Insurance**

- **\$12,000.00 cover FREE included with your membership**
- **\$10.00 extra lets you have a \$25,000.00 cover**
- **365 days of the year in Australia & New Zealand plus 21 days overseas in any one year**
- **Covers firearms & assessories**

- **Claim excess only \$50 per claim**
- **Claims to be lodged through the ACTA office**
- **Potentially saves on home & contents based firearm insurance**
- **Available only to ACTA members**

For policy details see ACTA News, p. 63

# 2016 Universal Trench World Championships

## MARRAKECH MOROCCO

*2016 Ladies World Champion Anna Shedrina*

From the 9th–11th of September 2016, the 34th World Universal Trench Championships were held in Marrakech, Morocco at the prestigious clay target club De Tir. After a hotly contested selection series in Australia, the Aussie team of 10 was finalised at the National Championships held by the Melbourne Gun Club in May.

The following shooters represented Australia: Senior Men Craig Henwood, Nathan Cassells, Charlton Vella. Ladies Anna Shedrina, Amanda Holt, Alexis Preston. Juniors Mitchell Iles, Jack Clerk, Lachlan Holdsworth, Veterans Eric Bullmore.

The Universal Trench selection process, which encompasses a first past the post selection policy, proved beneficial to competitors, who knew after their final shot if they had made the team. This gave those who had won a spot

*Proud flag bearer  
Amanda Holt*

*Mitchell Iles with UT organisers Craig Henwood & Jeff Tonna*

ample time to train and ready themselves for the World Championships. Each of the selected shooters received \$2375 towards their trip, as well as their entry and team fees paid for.

Everyone set off on the long and arduous journey to Morocco. The Aussie UT team members were also accompanied by Australian shooters Jeff Tonna, Bill Preston and Col Kneebone who also competed in the World Championships. As this is a FITASC event, there are no restrictions on the number of entries per country and any shooter that is a member of FITASC can nominate and compete.

Day one in Morocco saw extremely HOT conditions with temperatures soaring into the low 40's. By this stage everyone had settled into the hotel which left some time for exploring. The team headed off to the local mall up the road followed by a relaxing dip in the hotel pool. Lachlan and Jack were anxious to shoot as there were 2 days of unofficial practice and a day of official practice before the start of competition, so they ventured out to the range for a couple of rounds of practice. The searing heat soon curtailed their efforts though and they quickly returned to join the rest of the team in the pool.

Day Two promised to be a scorcher, and the forecast of 40+ was spot on as we headed out for most of the team's first taste of the Club De Tir Marrakech. The range boasts 5 layouts, all undercover, and a huge club house, with lounge sections, a bar and a kitchen area as well. We quickly staked a claim on a corner of the club house and there we remained for the entirety of the competition. After having a wander around and checking out

*Continued from page 8*

the club, the team sorted out their ammo and we ventured out for our first shot in Marrakech.

As there wasn't many shooting on this day we virtually had the ranges to ourselves and could pick which of the 4 active grounds we wanted to shoot on. The heat got the better of us toward the end of the day and we all ventured back to the hotel to cool off. The results from the days practice were promising, and hopes were high for competition.

After a well-earned swim the whole team went out for a special team dinner at the prestigious AZAR restaurant in Marrakech. We enjoyed some fantastic local cuisine and a floor show that consisted of 2 belly dancers and a live solo musician. It was a very significant night for one of our team members as we announced the Australian flag bearer for the opening ceremony the next day. Amanda Holt was chosen after her outstanding series this year. The decision was a popular one and Amanda was toasted for her selection. Congratulations Amanda!

Day 3 was official training which made it more difficult to pick which range we wanted to train on, but everyone got at least one or two rounds in and seemed happy with their performances before the opening ceremony. FITASC President Palincas greeted the Aussie team and expressed how happy they were to see such a large contingent of Australians competing. The Opening Ceremony was a beautiful display of local culture, followed by the marching countries which the Australian team lead, with the notable exception of the French team as their bus was late! We had all arrived at the club around 9am and it was fast approaching 7.30pm before the completion of the Opening Ceremony and the bus trip back to the hotel. Although the team was tired after an enjoyable day at the range, the prospect of the first day of competition loomed and it seemed everyone was feeling confident.

Day one of competition again saw hot weather and some extraordinarily high scores with Mitch setting a blistering pace shooting 75 straight to be joint leader. Jeff was close behind on 74/75 and Anna, Craig, Jack and Charlton all shot well to finish on 73/75. We were staggered throughout the waves which made for a very long day. Those who had started early took advantage of the early finish to return to the hotel while the others had to wait, getting back to the hotel at 7pm! This would reverse itself as the early shooters would become the late shooters the following day.

As was the trend, day two of competition was another sweltering day of blue skies and light winds. The ranges had beautiful green grass behind the ranges which meant visibility out of the trap was excellent. The competition was tight at the top with Mitch posting a 73/75, however missing his last target still put him into equal first on 148/150. Jeff ended day 2 on 147/150, Charlton and Nathan 146/150, and Jack, Lachlan, Anna and Craig 145/150. Amanda was sitting on 139 and Alexis on 137, which put the Ladies team very close to the lead with 50 targets to go and Anna only 2 targets behind the leading French woman. The Junior team were in a great position with a commanding lead of 10 targets and actually had a score that would have had them in the lead for the Senior team's event! Our Open Men's team were one target in front of the fancied French team. In the Veterans Eric was sitting on 137/150 which was a little off the pace as the Italian and French Veterans were shooting scores that put them in the top 10 overall shooters. At this point in the Championships Australia looked good to take home some bling from Morocco.

Day 3 provided a little relief from the heat with some cloud cover to make conditions tense. The pressure was on for both individual and team honours, as young 17 year old Mitch Iles posted an emphatic 25 first round! Anna also impressed with a solid 24 in her opening round, and both shooters were in the hunt for the title of World Champion! The Junior team continued their excellent shooting extending their lead on the rival Italian and French teams, and the Ladies team also posted a brilliant first round to take the top spot. The Senior men were also doing well, despite the French team all shooting perfect scores in the first round.

It all came down to this, the final round of the 34th World UT Championships. Mitchell was joint leader and knew a perfect round would see him at a minimum shoot off for Gold and Silver, whilst unbeknown to Anna the leading French lady Edwin Dinourd posted a 21 for 190/200 in her last round. Anna needed a 22 to tie or 23 to win. As she began her final round a group of very nervous Australian shooters were watching her every target. The first 5, then 10, then 15 all disappeared as Anna shot her way to 20 straight. At this point she needed to hit 3 out of the next 5 – which turned out to be not a problem as she smoked a perfect 25 straight to claim the 2016 Ladies World UT Championship! Anna's 193/200 saw her equal the score of last year's Ladies Champion Bianca Revello! Outstanding shooting Anna!

Attention quickly shifted to Mitchell as he was shooting his last round at the same time as Anna. Again a contingent of Aussie shooters watched nervously as target after target was reduced to soot. Mitch had run 24 straight with one target

# 2016 Universal Trench World Championships

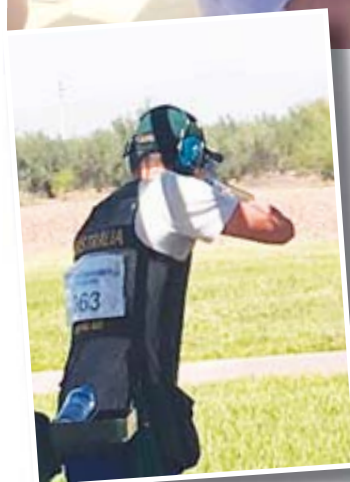

Continued from page 10

*Team gold for our talented junior team of Jack Clerke, Lachlan Holdsworth, Mitchell Iles*

to go. Unbeknownst to Mitch, the joint Italian leader had dropped a target in his last round to finish on 197/200 and if Mitch shot his last target he would be better than that score and finish on 198/200. Sensing the occasion Mitch mounted for his last target only to quickly drop his gun, as something didn't feel right.

*All Aussie shooters with prizes won at the Championships. Not a bad haul*

*World No 1 Mitchell Iles*

*A Nervous Mitch Iles prepares to call for the winning shot*

He remounted and called for the last target a sneaky right hander which disappeared in a cloud of black smoke!! Mitchell Iles 2016 World UT Champion!!! Mitchell's 198/200 was a target clear of the field and saw him win both the Junior and Open sections.

What an outstanding day for Australian competition shotgun

shooting! Mitchell Iles and Anna Shadrina World Champions! But that was not the end for Australia! The Junior team won gold from Italy, the Ladies team also won gold from Italy and the Men's Senior team secured Silver behind the dominant French team. Individually the Australians featured well with all 3 juniors finishing in the top 6 place getters: Mitch 198/200 in 1st place, Jack 192/200 in 5th and Lachlan 191/200 in 6th. The Ladies also individually placed well with Anna 193/200 in 1st place, Amanda 187/200 in 6th and Alexis 184/200 in 9th. The Seniors saw Mitch 198/200 take 1st, Jeff 196/200 in 6th place, Craig 195/200 in 8th, Charlton 194/200 in 15th and

Nathan 192/200 to finish 29th. Eric in the veterans finished on 181/200 in 21st place, Colin 164/200 for 26th, and Bill Preston ended on 177/200 115th overall.

What an incredible last day of competition! Whilst we had hoped for some success this was extraordinary! The presentations were a sight to behold with the Australian flag raised 5 times to cheers from the crowd. The "Aussie Aussie Aussie oi oi oi" chant was in full swing as we cele-

Morocco local tv interviews Lachlan & Alexis

brated our success. It was an unforgettable experience that the organisers Jeff Tonna and Craig Henwood are extremely proud to be involved with. All who ventured to Morocco for this World Championship would agree that the comradery and atmosphere of this trip was second to none. We are so proud of the results our Aussie UT team produced and also with the way they conducted themselves as Australian Representatives in Marrakech.

After the conclusion of the presentations we were all bussed off to a lovely restaurant for a Gala dinner put on by the FITASC Federation. This included a horse show, fireworks and was Spectacular!!!

We have had an amazing 3 years of Universal Trench which has seen the series grow and much success amongst our Australian competitors. A huge thank you must go to our sponsors who have been nothing short of amazing, getting on board from day one and continuing to support what we believe is an extraordinary series. Perazzi Australia have been pivotal in helping us to achieve the success that we have, as well as Winchester Australia, Spartan Global, Top Shot Industries, Corporate Shooting Stars, Kandas Glass, Bronzewing, Paul & Claire Watts, The Flying Pan Catering Co. Pinners Refrigeration & Air Conditioning, Andrew Brady, Arms & Ammo, and Bornaghi Australia who have also been outstanding. I would also like to give a special thank you to every single competitor that has attended the UT selection shoots over the last 3 years.

This concludes an amazing 2016 and we can now turn our focus onto next year's Championships in France. The first selection event will be held at Frankston Gun Club on the 4th and 5th of November. Hope to see you all there it could be you representing Australia in France next year!

Jeff Tonna

## SA Junior Championships > **Shotgun**

2-4 December 2016

**Enter Online for FREE**  
**By 5pm Wednesday 23 November 2016**  
**[www.shootingaustralia.org](http://www.shootingaustralia.org)**

Two age group categories  
12-16 years and 17-20 years

### Team Events

- > There must be at least two teams entered in each event for a team match.
- > Three athletes per team from either age group.
- > Teams can only be entered by a School, State Association or Club.
- > Team entries need to be sent to Shooting Australia by 30th November 2016 via email: [kerry@shootingaustralia.org](mailto:kerry@shootingaustralia.org)
- > Scores from individual events will go towards the teams match.

**If you or anyone you know is interested in gaining officiating knowledge and experience as a Referee or Scorer please contact the SA Office to register your interest to learn from 2016 RIO Olympic Shotgun Jury Member, Gleniss Lawrence.**

# Aussies shine at the World Skeet Championships

*Nothing beats turning into the National Gun Club at San Antonio, the Mecca of the Skeet world. Your heart races and the anticipation of nearly 2 weeks of Skeet competition with the best in the world is incredibly exciting. Over 860 competitors from all over the world converged at the 2016 World Championships making it a truly a global event in the Skeet world.*

From an Australian perspective we were very fortunate this year to send a 5 person Australian team to compete at these Championships. The team was Craig O'Neill, David O Sullivan, Eddie Elder, Hayden Mountjoy and Glenn Clarke. It's important to understand the back story is that to get a spot in the Australian Team to compete at World Championships is nearly a 2 year journey in its own right.

Skeet in Australia has grown in popularity in the last several years. Many initiatives have been introduced and have paid dividends in terms of huge increase of attendance at our State titles and Nationals, a consistent framework for team selection and a healthy pursuit of Hall of Fame points by many shooters.

In terms of team selection shooters must attend at least 2 State titles plus our National Championships (many shooters compete in more events but this is the minimum requirement). The best two scores from the 100 target State title events plus the score from the 450 targets at the Nationals a score out of 650 from which the team is selected. This process ensures that performance consistency is a key factor in sending a team overseas which is paramount.

Why is this so important you may ask? Any shooter who has sat on a plane for 20 or so hours and landed at the other side of the world in a different time

and temperature zone will know what a shock to the system that is. Coupled with limited local knowledge and potentially different processes and shooting conditions really need experience in order to not only cope but to perform at the highest level in these circumstances.

The Australians planned carefully to ensure they could familiarise themselves and get over the jet lag and most were in San Antonio early in the week preceding the World Championships. This gave plenty of time to get used to the heat and humidity and bright light conditions experienced in a Texas Summer. The NSSA did everything they could to make the international visitors welcome and our Australian flag was on display at the stadium field the entire two weeks of competition.

Registration for individuals and the team events commenced on the Wednesday and practice also started on the Wednesday and the Thursday before the Mini World competition started. One of the important shooting elements to practise was shooting doubles under lights at night which is something that we don't do here in Australia. On Thursday night the club was open till 10 pm to ensure shooters got practise shooting under lights on the top fields.

*Top of the Hill at the National Grounds San Antonio Texas*

*Australian Team at the Hall of Fame dinner*

*Mal Briggs Runner up Mini World 20 Gauge*

*Eddy Elder shooting Doubles under lights*

The preliminary event is the Mini World Championships which is run over three days 100 targets of each gauge + a doubles event on Friday. 500 targets in a weekend is a bit of a shock to the system but it really gets

*Aussie Team and USA Team*

*Australian skeet Team World Championships 2016*

the targets under your belt in preparation for the World Championships.

Some notable performances from the Mini World was Eddie Elder and Mal Briggs had 100 straights in the 28 gauge on Saturday and on Sunday the Australians started to shine with 100 straights in the 20 gauge event from Mal Briggs, Benn Baker, Glenn Clarke, Dave O Sullivan, Craig O'Neill.

Mal Briggs was able to shoot a full box of doubles after the event to grant him access to the stadium field with 5 others who made the cut. Mal proudly shot off under lights until it was down to him and multiple World Champion LP Giambrione and after a long shoot off Mal ended runner up in the 20 gauge Mini World. The crowd support from the Australians actively watching the shoot off in the stadium was amazing as the cheers were very loud in support for Mal.

Of special note 2016 was the inaugural Wayne Mayes World Championship event and one designed to promote team shooting. 100 targets is shot as per a COC event with 25 of each gauge starting with the 12 and ending with the 410. All competitors were randomly assigned a 3 person team via a computer with all grades represented via a handicap system. This made for exciting times as just like our handicap events in Australia it gave the lower graded shooters a chance to shoot with the big names for a real World championship. The prizes were to be awarded at the Hall of Fame dinner on the Monday evening. Of note the NSSA is really trying to increase the prevalence of team shooting and this event promotes small gauge and handicap and team shooting in the best possible way which is a fitting tribute to Wayne Mayes arguably the world's best ever skeet shooter and true all around sportsperson for our sport.

# Shooters ignore torrential rain at Tambo annual two day shoot

**TAMBO CLAY TARGET CLUB  
SEPTEMBER 17 & 18, 2016**

The Tambo Clay Target Club hosted their Annual Two Day shoot on the weekend of the 17th and 18th September 2016.

With weather forecasts predicting heavy rain, the club members were concerned about the number of shooters that would participate this year. The easy option would have been to call the event off, but instead members prepared for torrential rain by laying

*Dave, Tammy and Phil Picone crossing the flooded Barcoo River for Day Two*

pallets across the racetrack so that shooters could walk to and from events without sinking into the mud!

*Above: Tambo Clay Target Club members and supporters. Below: High Gun winners*

Saturday kicked off with lovely sunny weather in the morning and a total of 72 shooters registered for the two day program. It was clear that everyone was very enthusiastic to shoot whether it was raining or shining. Despite the windy conditions and cloudy weather in the afternoon, everyone participated and there were some stand-out shooters that shot exceptionally well.

The first event of the day was the 50T Double Barrel Championship and the Overall winner was Alex Dallas from the Blackall Club with a score of 129/129. Other results: AA Grade 1st Steve Baynes 128/129, 2nd Anthony Nugent 90/91, A Grade 1st Seamus Murphy 115/116 2nd Glen Reynolds 57/58, B Grade 1st Dan Griffin 47/50, 2nd: Sheridan James 46/50; C Grade 1st Charlie Gall 49/50, 2nd Judi Gordon 46/50.

The second event was the 30T Single Barrel Championship and the Overall winner was visiting NSW shooter Douglas Ferguson from the Warren Club with a score of 30/30. Other results: AA Grade 1st Alex Dallas 29/30, 2nd Max

OA HG winner Alex Dallas

Betts 37/38, A Grade 1st Dave Picone 35/36, 2nd Guy McPherson 34/36; B Grade 1st Imelda Shilcock 37/41, 2nd Sheridan James 36/41, C Grade 1st Susie Doyle 27/30, 2nd Charlie Gall 26/30.

The third event was the 30T DB Continental Championship and the Overall winner was Deserie Baynes from the Elsewhere Club in SA with a score of 65/65. Other results: AA Grade 1st Anthony Nugent 64/65, 2nd Max Betts 58/59, A Grade 1st Duncan Ferguson 34/35, 2nd Phil Picone 31/32, B Grade 1st Henry Miller 40/41, 2nd Craig Ingleton 39/41, C Grade 1st Matthew Baker 34/35, 2nd John Schneider 33/35.

The fourth event for Saturday was the 25T QCTA Central Zone Night Points Score Championship. Everyone was keen to get into it and 'get it done' as the storm clouds started brewing over the township of Tambo and threatened to start bucketing down rain at any moment. Luckily everyone competing in the night event remained dry and not long afterwards the rain came flooding in. Results were as follows: Overall Murray Allan 75/75, AA Grade 1st Anthony Nugent 74/75, 2nd Leon Dodd 68/75, A Grade 1st Seamus Murphy 151/153, 2nd Tom Mylrea 148/153, B Grade 1st Nicole Robertson 84/90, 2nd Henry Miller 83/90, C Grade 1st Dick Marriot 65/75, 2nd Andy Turnbull 64/75.

With a total of 30mm overnight, the Barcoo River had risen above the creek crossing and many shooters had to leave early on Sunday morning to ensure they got home. Fifty die-hard clay target enthusiasts remained to complete the second day of the program. The kids were ecstatic about this as it meant another day of frolicking in the mud! Luckily the weather was favourable enough for the remainder of the day.

The first event on Sunday was the 30T Points Score James Gall Memorial and the Overall winner was Alex Dallas from the Blackall Club with a score of 90/90. Other results AA Grade 1st Doug Ferguson 89/90, 2nd Leon Dodd 87/90, A Grade 1st Dave Picone 87/90, 2nd Phil Picone 88/93, B Grade 1st Gary Pascoe 81/90, 2nd Stephen Vale 80/90, C Grade 1st Charlie Gall 87/90, 2nd Clint Abel 85/90.

The final event of the program was the 30T DB Handicap event and the Overall winner was Sheridan James from the Gemfields Club with a score of 40/40. Other results 2nd: Dave Picone 39/40, 3rd Brad Cowley 30/31, 4th Seamus Murphy 29/31, 5th Mick Doyle 28/31.

High Gun winners for the weekend: Overall High Gun Alex Dallas 224/230, AA Grade High Gun Anthony Nugent 245/258, A Grade High Gun Dave Picone 221/230, B Grade High Gun Gary Pascoe 205/230, C Grade High Gun Charlie Gall 215/230, Ladies High Gun Deserie Baynes 218/230, Veteran High Gun Tom Jarvis 207/230, Junior High Gun Bryce Dodd 199/230.

The Tambo Clay Target Club would like to say a massive thank you to all of the shooters who made the weekend as great as it was, and for soldiering on through the crazy weather without any complaints. Also big thanks to all of the committee members and various helpers from other Clubs who ran another very successful event. Until next year.

## Aussies shine at the World Skeet Championships

*Continued from page 14*

On the Monday night after the Inaugural Wayne Mayes Event was the NSSA Hall of Fame night. It was a great experience with well over 250 people in attendance and to see the achievements of the 2016 Inductee Kevin Monteleone including a 750 straight in his career highlights was very humbling.

The Australian Team was invited to attend the Hall of Fame dinner and we were able to present a plaque from the ACTA to the NSSA Director John Haugh to commemorate the relationship between the two organisations.

The big day was the 12 gauge event where 150 targets were to be shot two visits of 75 targets during the day on different fields. The Teams event was also to be won or lost over this same 150 target event. The 9am start was tough as the sun is directly in your eyes on station one high house and we were all concerned. Luckily there was some early morning haze which surrounded the club and the sun was trying desperately to burn through it. Luckily our referee agreed to let us start shooting at 850 am and we all got off station one clean.

The two years of getting into the Australian team manifests itself as a result on this one day and the pressure to perform was intense. In skeet all of the learnings is that you must focus on the process of shooting each target one at a time and not worry about the overall or final outcome. This was the

opposite! As a competitor I found the most difficult thing was to not focus on the inevitable end score and to confine the thinking down to my best performance on each bird one by one. This was incredibly difficult as under this pressure cooker of a situation you can't help but think of the outcome.

At the end of this great day we had an amazing Team performance. Craig O'Neill shot 150/150 David O'Sullivan shot 149, Eddie Elder shot 149, Glenn Clarke shot 149 and Hayden Mountjoy shot 145. This amazing result put the Australian team at 742/750. We were fortunate enough with that score to come runner up to an American team with a score of 744/750 which was an incredible result for them.

There was an incredible sense of pride and support coming from the Australian Contingent and there were also some great shooting feats by many of the Australians traveling which are too numerous to mention. Our Australian presence was defiantly felt as the cheers every night coming from the stands where there always seemed to be an Australian shooting off for a place or a title. There were many memorable moments and great shooting by almost everyone who attended and Australian Skeet shooters are certainly evolving into a country to be reckoned with on the world stage.

To close we should thank everyone who travelled so far from Australia to make the World shoot truly memorable. We should also thank the ACTA for devoting so much time and effort into Skeet shooting in Australia and providing the funding and recognition for the team. With the depth and capability of our Australian Skeet shooters it feels evident as though we will soon be able to reward the Association with a World skeet championship to bring home to Australian soil.

Its only a matter of time!

# New South Wales Gun Club shoots for charity

SEPTEMBER 17, 2016

Saturday the 17th started off as a beautiful morning and at 9 am the sun was beaming and we were looking forward to a glorious 25 degrees. The grounds looked immaculate with hard work by our members and volunteers which was commented on all weekend, many thanks for the help guys. And adding to that the coffee van was set up and ready to go.

10am and the first shot was fired over the 5 layouts, after the 15 squads had shot we had 2 possibles in our first event the 30 tgt Medley Championship with Overall going to Ross Hibbert 100/100 great shooting, 1st AA was Arty Del-Ben 99/100, 2nd G Kable 74/74, A Grade 1st was G Roth 73/75 2nd Judith Czinker 72/75, B Grade 1st P Fiorenza 48/50 2nd I Nemcich 47/50 and C Grade B Suprain 46/50 with Valentina Muoio 2nd On 40/50.

Ross Hibbert Medley Champion

The second event was a 30 tgt Points Score Championship and with 3 possibles, Arty Del-Ben, Allison Hibbert and Libby Clarke, the shoot off was going to be interesting as 2 Ladies had shot the Possible, when the dust had settled the Overall Winner was Arty Del-Ben on 117/117, 1st in AA Grade was Ally Hibbert 114/117, 2nd was C Dinnell with 122/123 with 34/35, A Grade was Libby Clarke 93/96 2nd was G Roth 89/90, B Grade P Fiorenza 87/90 2nd was Lee Maytom 85/90, C grade was B Suprain 88/90 with Junior Angus Dinnell 78/90 coming 2nd.

Mark Drain DR Winner

Taylor Roth Sub Junior Winner

Steve Catabiano AA High Gun

George Roth A Grade High Gun

The 3rd Event was a 30 tgt Double Barrel and with only 19 possibles the end result was over very quickly Overall went to Arty Del-Ben with a 124/124, 1st AA Grade was G Coleman 102/103, 2nd AA was 007 Nick Xenos 97/98, A Grade was won Amy Maree Buys 123/124. Great shooting Amy to keep Arty honest, with P Romeo 2nd on 37/38, B Grade P Fiorenza 33/34 with J Holt 2nd on 29/30, C Grade was won by A Dinnell with 31/34 and Karen Buys coming 2nd with 30/34.

Sunday the 18th started off sunny and warm and did reach 25 degrees again stunning day for shooting, with the Australian Trapshooters Association Sponsoring the whole 3 events on this day to the tune of \$1000, many thanks.

With 30 tgt Single Barrel first up it was going to be an interesting day, only 1 possible was recorded and that was by Arty Del-Ben, 1st AA Grade was D Perri on 43/44 2nd went to C Sherry with 42/44, A Grade was A Mcrae with 29/33 with Amy Maree Buys 2nd on 28/33, B Grade was won by P Fiorenza on 31/34 with local member Ed Covey 2nd on 30/34, C grade was won by B Suprain on 25/31 with Lee Maytom on 24/31.

The 30 tgt Handicap was next and all eyes were on the \$500 First prize after 3 possible had been shot we decided to use Flash Targets in the Shoot Off which made for a spectacle and was liked by all, Overall winner was Arty Del-Ben from 25 metres 35/35, 2nd was Sam Samaha from 23 Metres 34/35

Right: Arte Del-Ben with Brent Suprain C Grade High Gun

Below: Peter Fiorenza B Grade High Gun

Arty Del-Ben OA Points, Double Barrel, Single Barrel, Handicap & High Gun

Nino Lougas Veterans High Gun

and third was Karen Buys from 17 metres 30/31, 4th was Steve Caltabiano from 23 Metres 37/38 and 5th was Ally Hibbert on 36/38. Best 25 metre Shooter was Arty Del-Ben.

Final event was the 15 pr Double Rise and Overall Winner was Mark Drain from Tamworth on 28/30 Great Shooting, 1st AA was Steve Caltabiano on 27/30 with M McInnes 2nd, A Grade was Libby Clarke on 26/30 with George Roth 2nd on 25/30 B Grade was young George Samaha with a fine 24/30 with Alex Bellato 2nd 23/30 C Grade was B Suprain on 26/30 with Lee Maytom 2nd on 19/30

Now for the High Guns, no shoot offs were required which was lucky as the conditions had deteriorated into wind and rain and the following had won their respective Titles: Sub Junior was Taylor Roth on 225/260, Junior was Ally Hibbert 236/260, Ladies was Amy Maree Buys on 239/260, Veterans was Nino Lougas on 239/260, C Grade was A Bellato on 236/260, B Grade was P Fiorenza 239/260, A Grade was George Roth 241/260, AA Grade was Steve Caltabiano 247/260, Overall High Gun was Arty Del-Ben on 255/260.

We would like to thank all the visitors for attending this shoot to all the travellers we thank you so much, to our Sponsors Casella Wines Bronzewing not only Great Ammunition but also the Laporte Targets were a treat to shoot, to Masters Hardware for a great deal on all our other Prizes, to the Australian Trapshooters Association, to anyone who helped referee and score when someone was needed, to our chief club manager for all the hard work in getting the grounds prepared and also stocking up on fine foods and drinks for the weekend. To Frank Auditore for his help in the office to Frank Cicala for his help running the scoreboard, bigger and better next year.

Joan Robertson, NSW Gun Club President

Arty Del-Ben with Ally Hibbert Junior High Gun

Amy Maree Buys Ladies High Gun

## Rule Clarification

**This month I would like to make clear the interpretation of a Skeet Safety Rule that appears to be being ignored by some skeet shooters.**

*Scenario: A skeet shooter is shooting on any skeet station from 1 through 7 and double loads to shoot at both single targets. This is solid standard practice and there is absolutely no safety issue involved. Similarly when a shooter breaks his gun after the first single target and loads one cartridge only to shoot the second single, there is no issue. The safety concern is when the shooter loads his firearm with 2 cartridges to shoot at the last single target on any station or when shooting the repeat target as the last single target on that station.*

*I have checked the NSSA Rules and the New Zealand CTA Rules and have found that they also carry a similar safety clause to the one in our own ACTA Rule book.*

*The Rule in question is ACTA Skeet Rule 5.11(i) which states:*

### 5.11 ROUND PROCEDURE

- (i) During the shooting of single targets a shooter may load 2 shells except at Station 8 high house, **or for the last single target on any station**, or unless prohibited by club rules.

*For reference, although it has no bearing on our Rules, you can also refer to NSSA Rule – Sect.III Shooting Procedure D7 and NZCTA Rule – 6.63 (Loading two shells) in their respective Rule books.*

*The safety issue that arises when a shooter fires at the last single target on a station while having both barrels loaded is this. The shot target, which is an incoming target on all stations except 5, 6, and 7, sometimes showers the shooters with clay fragments. The possibility of an accident occurring if the shooter was to involuntarily and inadvertently fire off the second barrel while moving to avoid clay fragments, cannot be condoned.*

*Shooters who have developed a habit of double loading for this last single target should desist from this practice. Shooters who persist should be warned of the safety breach and could then face possible disqualification from the event or suspension of membership on safety grounds.*

*See Rules – Safety 5.01(i)(j) and Management 8.15(a).*

Jim Shepherd  
ACTA National Rules Supervisor

*If you have any questions in relation to the interpretation of a rule in our Rule Book, please send your questions to the ACTA office and we will endeavour to provide answers in the CTSN*

SHOTSTOP  
AUSTRALIA

# ENVIRONMENTAL MANAGEMENT PLAN

Clay target shooting ranges are quite unique, in that they provide recreational and competition shooting activities within a specified template. The nature of the sport is like most other, it leaves behind waste, no different to a football ground or netball, they leave behind some form of pollution.

Shooting ranges play an important role in our society. The benefits of recreational pursuits and community facilities are well documented, and town planners and land developers now have a strong focus on developing a sense of community in our living environments. Australia is internationally renowned for its shooting performance over many years. Competitive sports likewise play a key role in community development, also providing health and wellbeing benefits.

Bagged shot ready for recycling

Like most community facilities, shooting ranges are not profit-making enterprises, and are generally run by volunteers who have limited time and resources available. A shooting range is not like a mine site or an industrial facility, that have expert teams to manage environmental issues, and who generate profit from

their activities. It is recommended every Club advise their local council of their business type, and description of activities, size of the ground and a copy of their range approval every two years stating their Club's position in relation to development.

Due to the community benefits such as those outlined above (to name a few), authorities generally agree that it is preferable for shooting to be sustainable in the long term. Concerns however arise in regards to how to manage the associated environmental issues in relatively unique financial and resourcing circumstances.

Whilst it may not be widely known, Australian policy broadly outlines that the entity causing the pollution, is also responsible for the impacts of pollution. This is consistent with the approach adopted in many developed countries worldwide.

One of the greatest threats to the sustainability of clay target ranges is ignoring the environmental issues. In such circumstances (ie. environmental issues not being suitably addressed) authorities take a view that the issues cannot be properly managed and take action accordingly.

In regards to environmental matters, the main focus for clay target clubs is that of lead management and target cleanup. Both of these can have significant impacts to human health and the environment, their management however can be relatively simple, and ultimately sustainable. Whilst the issue of clean-up is general the specifics of each club will be different and need to be assessed independently.

Regulations generally require social and economic factors to be taken into consideration when working towards environmental sustainability. Some regulations even outline target timeframes to do so (10 years is

# Bendigo – Maryborough 5 STAND SPORTING CHALLENGE

The 7th Bendigo – Maryborough Sporting Challenge has been won this year by the Bendigo Club, with Maryborough relinquishing the trophy after going into the second round with a substantial 9 point lead.

Teams of five shooters are chosen from each Club's top scorers on the day and the scores from both rounds are added together to find the winner. Team members in one round are not necessarily those in the second round. This makes it possible for more competitors to be involved. The 2016 event was shot over 75 targets at Maryborough and 100 targets at Bendigo. Winning team members in each round receive a team medal incorporating the team badge of the club conducting the round. This year the first round was held at Maryborough in August. Maryborough won the round with a combined score of 329/350. Team members were Col Macpherson, Jim Sawyer, Darren Watts, Phil Stowe and Bryan Rafferty. The Bendigo Team was made up of Craig Stephen, Rod

Four of the five Bendigo winning team members with the trophy: Craig Lanyon, John Lester, Rod Walton & Ross Dunstan

Walton, John Lester, Ross Dunstan and Sterl Wrigley shooting a total score of 320/350.

The return match at Bendigo was won convincingly by the home team, with Bendigo members Andrew Leech, Rod Walton, Craig Lanyon, John Lester and Ross Dunstan scoring 420/500. The Maryborough team, of Darren Watts, Craig Jennings, Jim Sawyer, Bryan Rafferty and Jim Shepherd shot well, but could only manage a 407/500.

Bendigo Treasurer Rod Walton congratulating Darren Watts on winning the Overall at the Bendigo round.

The total scores over both days resulted in a win for Bendigo. Maryborough who have only won this challenge once in the seven years of competition again took possession of the losers "You dug your own hole" shovel. The final team scores over both days were: Bendigo – 740/850, Maryborough – 736/850.

The difference of only 4 targets over 850 targets shows just how close the competition is.

The individual winner on the day after a shoot-off was Darren Watts with a score of 99/110.

Craig & Paul Mitchell

mentioned in Victoria's SEPP Land), and require authorities to help implement a process that is reasonable in the circumstances.

PCM Enviro and Ground Corp have taken the lead in working with Clubs, States and the ACTA in liaising with relevant authorities around Australia to help facilitate a reasonable process to sustainable environmental management of clay target ranges. This relies upon measures being implemented by each club to be effective.

The ACTA will continue to monitor developments as the National Ground has the same issues as every other club. To avoid potentially excessive actions by regulatory authorities, we recommend our member clubs contact PCM Enviro directly, to if necessary, initiate measures to ensure reasonable actions are being taken.

Grade winners Craig Jennings and Nathan Stuchbury

# “THE SHOOT”

## 2016 Geraldton Crayfish Carnival

Well finally we had three nice sunny days for our 3 day carnival. With a lot more advertising and constant updating of our Facebook page we were hoping for an increase in numbers this year. Well whatever we did, it worked well and our numbers were up nearly 50%. 151 shooters from all parts of Western Australia and the East Coast.

Overall a good result the first event of the weekend was a 25 Target Points Score sponsored by Hallinan Refrigeration and Kalbarri Hotel. This was won by Phil Grainger, from Victoria over Geraldton's very own Vince Oliveri with a score of 111/111.

Event 2 was 50 Double Barrel sponsored by The Liberal Team and MJB Marine. This was won by the current National High Gun winner and champion Pat Guida, after a good shoot off with Terry Hearn with a score of 176/176.

Saturday morning dawned and what a great day it was, although a little chilly early after everyone had been fed by Bert and his band of merry men (juniors) it was time to get The Shoot underway. At the start of the day the shooters gathered to pay their respects to Mick Watson with a

*Our lovely bar girl Michele chatting with two of our sponsors*

minutes silence. Mick, a club life member and past President, passed away earlier in the year, a big man with a big heart who will be greatly missed, and always remembered by his family and club members.

It was now time to start the 2016 Crayfish Carnival High Gun Events. The day started with a 10 target eye opener cash divide to wake everyone up. 14 AA graders, 6 A graders, 3 B graders and 2 C graders all took home a share of their grades pool.

Event 4 was 25 Target Points Score sponsored by Twin Disc and Energy Power Systems Australia. Once again this was won by Phil Grainger who was fast becoming a Points Score specialist. Phil beat former Geraldton shooter Jason Oliveri (sorry WAGC we still claim him as one of ours) with a score of 104/105.

Event 5 was 25 Target Single Barrel sponsored by Midwest Toyota and Spartan Global. This was won by Luke Smith from WAGC after a short and sweet shoot off against Geraldtons Vince Oliveri, with a score of 33/33.

**Event 4 winners**

**Event 5 winners**

Even though shooter numbers were well up on last year money was reasonably tight, but in saying that, Tiny kept everyone entertained, those who, remained, even though it became cold, had an enjoyable evening.

Once again we were greeted with nice sunny skies for Sunday's events.

Event 7, a 45 Target Medley sponsored by Echidna Park Sporting Clays, was won by Victorian youngster Cameron Browne

from WAGC shooter Giovanni Quaranta with a score of 85/85.

Event 8 was the 30 Target ACTA Crayfish Handicap sponsored by Ches Power Group and Canterbury Traps. It was great to see a B grade shooter take out the event as this is the handicap system working at its best. And with Mark Tyrone shooting the only possible, didn't have to test the nerves and participate in a shoot off.

Event 9 was the 30 Target Calcutta sponsored by The Squad. When all the scores came in there were 7 shooters with possibles. With this event having the Calcutta attached to it, it had more than just the shooters themselves interested, all the people/syndicates who purchased a shooter the night before, were looking on intently. It wasn't long before there were only two shooters left, Chris Chant and Jason Oliveri. And with Chris showing none of the nerves you might expect from a B grader held on to win the event.

The ladies winner in this event won a beautiful piece of jewellery donated by Latitude Gallery Geraldton and this was won by Paula Price.

**Event 6 winners**

Event 6 was 50 Target Double Barrel sponsored by Taylor Marine. Jason Oliveri continued on with his good shooting by winning this event against Geraldton's Tim Blakeney with a score of 114/114.

With the shooting done for the day and anyone who wished to stay for the Calcutta took their

vehicles home, and took advantage the Courtesy Bus provided by the Club. Shooters prepared for the meal the Calcutta and later, some music by the one and only Charlie Mezzatesta.

Once again we had Tiny Holly on hand to do the Calcutta auction on behalf of the club.

*Continued on page 24*

Once again it was proven that handicapped events can be won by anyone.

With that, all the events were done for the weekend, and it was time to get the sashes, prizes and sponsors ready for the presentations.

The Overall High Gun for the weekend went to Cameron Browne from Victoria with a score of 309/315 he took away a Berretta Shotgun sponsored by Berretta Australia and also the High Gun Badge, promising to return next year with his own squad.

The Graded High Guns were sponsored by Peter & Gail Lemmon and Spartan Global. AA Grade Gary Kelly, A Grade Rick Boschetti, B Grade Mark Tyron, C Grade Steve Nasso. Junior High Gun was sponsored by Alan & Shirley Hocking and that was won by William Freni-Lizzi. Ladies High Gun was sponsored by Jack & Laural Hartly was won by Jessica Price. Veterans High Gun was sponsored by BTEC Tim Blakeney and that was won by Phillip Mules from South Australia.

We then had a door prize of a \$1000 tool box which was open to all shooters who nominated for all High Gun events, sponsored by Atom Supplies Geraldton. This was won by Murray Kamo.

*All HG winners*

*Paula Price with a beautiful necklace from Latitude Gallery*

With that, another Crayfish Carnival was over, and the time came to enjoy the magnificent food proved by the club and prepared by the specialist cooks on the BBQs and our ladies. Firstly I would like to acknowledge all our wonderful sponsors for the weekend because without them we wouldn't be able to give away a prize pool in excess of \$25,000, of which \$22,500 is all cash. The wonderful ladies in the kitchen once again excelled in providing everyone with excellent food all weekend, it's a huge job that did not go unnoticed. To Doug for once again making the Seafood Chowder. To all the shooters who backed up all weekend, and were ready to shoot and ref, and score when they were required, thanks very much, as we all know when this happens and you are not waiting around, the whole day moves along quicker. I thank our club members who helped out in the lead up to the carnival, and over the weekend, without them an event of this size

can't happen. Much appreciated to the lovely Michele who ran the bar and looked after our clients, a big thank you from me, allowing me to help out in other areas. To those shooters who travelled from all parts of Western Australia, we all know it's a big state and it takes a lot of time and expense to travel, a big thank you to those shooters who travelled from interstate, whether it was just for the weekend, or part of a caravanning holiday. Thanks for coming without your attendance. The Shoot would not have been the success that it was.

For anyone that left a email address on your nom form we will be in touch during the year. Hopefully you all had a good time, we enjoyed looking after you. So until next year safe travels and good shooting and a big thank you from our club for coming, it was a great weekend.

*Justin Pirrottina,  
Geraldton Clay Target Club*

# NLMCTC Skeet Carnival Cliff Ferguson Memorial

NEWCASTLE LAKE MACQUARIE CLAY TARGET CLUB  
OCTOBER 15 & 16, 2016

One of the things that originally attracted me to this sport was the incredible camaraderie that exists between our members. This was particularly evident during Newcastle Lake Macquarie CTC's recent 2-day Skeet carnival, incorporating the 100T Cliff Ferguson Memorial Skeet Shoot, when 6 squads of dedicated individuals demonstrated their willingness to take part in an event to memorialise a former shooter. A few of those present suspected that Cliff was smiling down on us all and may have been pulling a few strings with the weather gods, as conditions could only be described as perfect on the Saturday for the Handicap, Doubles and Sub-gauge handicap events.

As usual, the conscientious band of NLMCTC volunteers were up early and busy setting up the layouts in preparation for the arrival of Shoot Marshall Ben Buhagiar. After some minor fine tuning of the traps, the first squads were away in the 50T Handicap event. This event is fiercely contested every month at Newcastle, as the winners gain entry to the annual Champion of Champions Final, held on the 3rd Saturday of January, and a friendly rivalry has developed between Newcastle and Cecil Park in recent months, adding to the overall spectacle. This month, it was Newcastle's turn to put forward a finalist with 1st, 2nd and 3rd places all going to Newcastle! 1st Travers Sargeant 79(+6)/85, 2nd Derek Wyllie 79(+4)/84, 3rd Robbie Van Hombracht 70(+8)/79, 4th Adam Buhagiar 75(+0)/76.

After the Handicap shoot-off, there was a pause for lunch. Once again, the amazing work of Lorraine Bannerman came to the fore. In the days and evenings leading up to all NLMCTC competition events, Lorraine prepares all manner of slices and sweet treats, as well as purchasing all of the ingredients and preparing all of the delicious meals available at the club. We are all truly grateful for her efforts.

In the early afternoon, the dreaded 50T Doubles Event commenced, scaring off a handful of our shooters. Those who remained were treated to some spectacular shooting in all grades with some excellent scores being posted.

1st AA Adam Buhagiar 48/50, 2nd AA Rod Nicholson 43/50, 1st A Paul Kouroupis 47/50, 2nd A Frank Searles 44/50, 1st B John Pethybridge 45/50, 2nd B David Muir 42/50, 1st C Matthew Knight 38/50, 2nd C Phil Pemberton 36/50.

The final event for the day was the annual 50T Sub-Gauge Handicap. This

event is always intended as some light-hearted fun at the end of the first day for those shooters crazy enough to enjoy shooting with half of the amount of Lead that any sensible person would ever dream of using. To add to the fun, a gauge handicap is applied to a shooter's existing handicap with 20ga receiving 0, 28ga receiving 1 and .410 receiving 3 per round. In theory a C5 shooter with a .410 could go into the final with as many as 16 shots up their sleeve, so it is a fantastic opportunity for the burglars to really push for a victory. Two squads stayed behind to enjoy the festivities late into the afternoon and it was quite a surprise to see

only 2 shooters make the final. 1st Frank Searles (28ga) 57(+4)/60, 2nd Ceri Aubrey (20ga) 51(+8)/60, 3rd John Cassin (20ga) 43/50.

Sunday morning saw a revitalised group emerge, all ready for the 100T Cliff Ferguson Memorial Shoot. Again, six squads of eager shooters were present, many having travelled considerable distances and it was particularly good to see several shooters who are better known for other disciplines coming along to take part.

Our Shoot Marshall soon had the squads out on the layouts taking care of their first 50 targets. Many of those present had been counting their blessings with regards to the weather in the first day-and-a-half of competition. Unfortunately, by lunchtime on the Sunday, that all changed as the wind picked up and targets became unpredictable. Many shooters faltered in the conditions but a handful of competitors dug deep and shot some excellent scores. 1st AA Adam Buhagiar 98/100, 2nd AA Paul Saliba 111/114, 1st A Paul Kouroupis 94/100, 2nd A Sam Agostino 93/100, 1st B Jack Cunningham 93/100, 2nd B John Pethybridge 101/111, 1st C Ceri Aubrey 94/108, 2nd C Robbie Van Hombracht 93/108.

Once again, Newcastle Lake Macquarie CTC was able to offer our winners a spectacular array of prizes, all supplied by our amazing sponsors Arms and Ammo in Beresfield [www.facebook.com/armsandammo](http://www.facebook.com/armsandammo) and BCF in Glendale. Without their support, our shoots would not be possible and all of our winners expressed their sincere thanks to both our sponsors.

The weekend concluded with the presentation of our 2 Day High Guns and

Travers Sargeant

## Preamble

ACTA National Presidents have traditionally awarded medals for outstanding achievement in coaching, administration, or contribution to, the sport of clay target shooting.

The following is a guideline for the assessment of individual nominations for the award of Presidential Medals outlining both the process and assessment criteria.

## Process

- A call will be made to all states and the territory by advertisement in the *Clay Target Shooting News* November and December of each year.
- The nominations to be forwarded to the Executive Officer by the closing date stipulated in the advertisement. The letters shall be marked "confidential" on the outside of the envelope and shall only be opened by the Executive Officer
- The Executive Officer will treat the nominations as confidential and shall only release them to the President.
- The President will request advice from the Board of Management on a confidential basis and will carefully consider such advice.
- Board members will keep all details of the nominations and any relevant discussions confidential.
- The President shall make the final decision on the award of the Presidential Medal(s).
- The formal announcement and presentation of the medal(s) will occur during the annual Hall of Honour dinner held during the trap national championships.

## Criteria

- Outstanding contribution to the sport from Club to National level
- Generally only one medal to be granted per year but the President may, if the situation is warranted, grant a maximum of two medals in a year.

## NOMINATIONS NOW OPEN FOR 2017 ACTA PRESIDENTIAL MEDAL

*SELECTION CRITERIA:* As above

*Nominations to be called for in CTSN*

*CTSN Issue Month:* November & December Annually

*Closing Date:* 31st December Annually

*Maximum Per Year:* Two (2)

*Minimum Per Year:* Nil (0)

## NOMINATION GUIDELINES

For a person or persons for their contribution to the development of the sport

# Record attendance for Chinchilla

## CHINCHILLA CLAY TARGET CLUB OCTOBER, 2016

The Chinchilla Clay Target Club held its 48th Annual Trap Carnival on the October long weekend with record numbers attending the shoot. We have made many improvements since last year's successful event with the addition of layout 5, all layouts now wheelchair friendly back to 18m. Power upgrades and additional outlets for campers and many other improvements at the club's grounds. The extra trap layout was needed to handle the record number of 157 shooters competing for over \$20,000 in prizes over the weekend. The big boost to numbers was due to the NSW State Titles being postponed. About 40 shooters travelled from interstate to compete and many will be back in the future. After many weeks of rain prior saw Friday morning arrive and perfect weather conditions and the grounds looked great. Shooting conditions over the weekend were nearly perfect before the rain returned on Monday morning as the last of the campers pulled out. The quality of the completion was extremely high and the results were reflected on the score board.

The first event, the RIE Services 30T Medley was won after a shoot off by Richard Morrison from Roma with a 183/183.

The next event was the Western Downes Regional Council 30T Single Barrel, won by Henry Sutton from NSW Gun Club with a 38/38.

Final event on Saturday was the Stayover by Austco 50T Double Barrel, the overall winner after a shoot off was Adam Bylsma from Bundaberg with a score of 210/210.

Saturday night saw the club host our second Boodles Concrete Family Deauville Doubles with 30 family teams competing for the cash prizes. The winners after a shoot off were Robert and Allan Pack from Roma with a 26/26.

An early start and great conditions again on Sunday morning for the Sunshine Coast Clay Target Club 50T Points Score event, local Condamine shooter Clayton Cusack shot the only perfect score with a 150/150 to take out the overall.

The Murphy Pipe & Civil 30 T \$3,000 Cash Handicap saw 8 shooters shoot a perfect score, after a shoot off Brendan Podlich of Brisbane was the overall winner with a 48/48 from Madam Paw Paw Julie Allan of Dalby missing her 48th target.

The final event was the Club Hotel 25T Continental with Danny Green of Warwick winning the Overall with a score of 63/63.

The Black Toyota Overall High Gun was Daryl Stevens with a 338/345. The Novus Auto Glass AA Grade High Gun was won after a 4 way shoot

**PS Champion Clayton Cusack with Sunshine Coast CTC Sponsor Scott Trafford & Warren Daniells**

**SB Champion Henry Sutton NSWGC with Mal Collins & Warren Daniells**

**Continental Champion Danny Green Warwick with Mal Collins**

**OA HG Daryl Stevens Toogoolawah with sponsor Moses Abraham**

**HC Winner Brendan Podlich Brisbane with President Mal Collins**

off by Geoff Moore with a 351/359. The Brandon & Associates A Grade High Gun was also shot off and was won by Cameron McConnell from Toompine with 345/359. The Surat Basin Real Estate B Grade High Gun was won by Graham Rudd from Bundaberg with a 329/345. The Dalby General Steel C Grade High Gun was won by local new shooter Crawford Fendley with a score of 323/345. Ladies High Gun was won by Stephanie Pile with a 337/345. Junior High Gun winner was Aiden Donaldson with a 331/345 and Veteran High Gun winner was Keith Simpson with a 332/345.

The weekend was a huge success and President Mal Collins thanks our valued sponsors for their support. The club has done many major improvements during the past year and a huge thank you again to our supporters and our hard working club members and their families for their support before and over the weekend. Planning is underway for the next two years annual carnivals, in 2018 the club will celebrate its 50th anniversary shoot.

# Tony Calandro Memorial

ECHUCA CLAY TARGET CLUB  
OCTOBER 9, 2016

Sunday the 9th of October was the normal monthly shoot day for the Echuca Clay Target Club, but this shoot also included a special event of a 50 target Double Barrel Championship shot off the eighteen metre mark, as a Memorial to Shepparton personality Tony Calandro. And because the original Shepparton Gun Club that Tony helped to set up has actually closed down, Tony's family asked the Echuca Clay Target Club to annually run a Memorial Shoot in their father's name, a shoot that Echuca was only too willing to supply, as Tony was so well liked and

known, throughout the shooting fraternity. As it turned out Andrew Calandro managed to successfully shoot well enough to claim A grade, 1st place sash, that will probably be well looked after with pride. Well shot Andrew, congratulations!

On a day that was pretty dull weather-wise, looking like it could rain, with a gusty bit of wind to move the targets around, it was certainly not ideal conditions for clay target shooting, but with all that included, Echuca's Drew Healey only dropped four targets in event one, a 25 pair Double Rise Championship, and as no other shooter out of a very good attendance was able to match his 46/50 score, he became the Overall winner and 1st in AA Grade of that event. The 2nd placing in AA Grade was Terry Walls a Yarrawonga member, and Terry shot a 45/50 for his placing.

Event Two, a 50 target Points Score Championship and it came down to Echuca's Rob Viney, and Terry Walls in a shoot off, with both of them dropping their first target, and then shooting at another six with Terry dropping his 7th target, which gave Rob Viney the Overall winners sash and 1st place in AA Grade with an end score of 168/171. Terry Walls collecting the 2nd placing in AA Grade with a score of 165/171.

Event Three, A 50 target, Tony Calandro Memorial, Double Barrel Championship, shot off the eighteen metre mark to increase the difficulty, and ending with a squad of possibles to shoot off for Overall. Finally coming down to Bendigo's, Laura Woolley, and Echuca's, Drew Healey. After a display of excellent shooting for all the onlookers to watch, Laura managed to miss her 105th target, and when Drew hit his 105th it was

Drew Healey OA DR & OA DB

Rob Viney OA PS

Charlie Cook Encouragement Award

Andrew Calandro 1st B DB

Laura Woolley 1st AA DB

all over, with Drew Healey taking out the Overall winners sash, and trophy, which was a .22 rimfire rifle complete with scope, on a perfect 105/105 score, Laura with a 104/105 score collecting the 1st place in AA Grade prize, being a case of shells. 2nd placing in AA Grade was Brian Doyle, a Cobar NSW member with an end score of 68/69.

Full scores are as follows: Event One, a 25 pair Double Rise. A grade 1st Craig Scott (Echuca) 44/50, 2nd Gordon Fletcher (Cohuna) 38/50, B Grade 1st Andrew Calandro (Echuca) 42/50, 2nd Trevor Harbor 34/50, C Grade 1st David Currie 40/50, 2nd Charles Cook 37/50.

Event Two, 50 tgt Points Score A Grade 1st Ian Phillips (Echuca) 137/150, 2nd Peter Sing (Echuca) 135/150, B Grade 1st Marc Large 143/150, 2nd Andrew Calandro (Echuca) 139/150, C Grade 1st David Currie 138/150, 2nd Charles Cook 127/150.

Event Three, 50 tgt Double Barrel, A Grade 1st Craig Scott 53/56, 2nd Peter Sing 52/56, B Grade 1st Andrew Calandro 47/50, 2nd Trevor Harbor 78/87, C Grade 1st David Currie 44/51, 2nd Nicholas Dean 43/51. An extra placing is the Rob Viney Encouragement Award sash, and the recipient was Wonthaggi member, Charlie Cook. Well done Charlie, and again we thank Rob Viney for his sponsorship of this category.

A well run shoot that ended prior to 5.00pm, giving shooters a daylight run home, all shooters well fed and watered thanks to the kitchen ladies, and most of the talk between all competitors was how good all the trophies were for the day's shoot.

Murray Roberts

## CLUB NEWS

**ROMA CLAY TARGET CLUB AGM:** The following Office Bearers have been elected, President: Byron Hewitt, Vice-President: Gareth Graham, Secretary: Veronika Forsythe, Treasurer: Wendy Taylor, Patron: OE Bob Bryant, Committee: Robert Nugent, John Cormack, Jack Moller, Andrew Whyte, Richard Morrison, Harry Donaldson, Geoff Bryant, Patrick Magee, Club Delegate: Robert Nugent.

# Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

## Choking again and again

As I write this the Murrumbidgee River has been flooding and I have had to evacuate my farm and house for the past six weeks. At a shoot last week a squad member was shooting well until the last round and then missed several targets. After the round she

said "I choked". This has prompted me to revise the concept of choking.

Choker. It is an ugly label that we don't like to hearing. When we miss a target in a shoot off or miss the last target in qualifying then we are either labelled a choker by others or we call ourselves a choker. So, what is choking and how can we avoid it?

Choking, according to Mack and Casstevens, in *Mind Gym*, is a normal human reaction, a physiological response to a perceived psychological threat. I have previously written that "fear is a mental response to a perceived danger or threat. It's a primitive response that allows us to fight or flee from a threat. The fight/flight response was necessary when as cavemen we wandered the jungle and had the threat of sabre-toothed tigers lurking behind every bush. We had to develop a system that allowed us to either stay and fight or get the hell out of there. The threats have now gone but as modern man we have retained the fight/flight response when the majority of our fears are not life threatening at all.

So what are we scared of when we are competing? As I have written previously, we are scared of our ability to carry out tasks that we have practised. This fear is manifested as self doubt and produces anxiety. This anxiety then tenses up our muscles and we are unable to carry out the tasks we need to do in order to be successful.

There is a third element to the fight/flight response and that is to freeze. Sometimes we are better off to just stop, and try and look inconspicuous, rather than to take flight or fight. For shooters freezing can have devastating effects. The obvious is that when we are in a fearful situation and we freeze, we are unable to pull the trigger. However, freezing on the trigger is only a

symptom of a bigger problem, which is losing fluidity in our muscles. Because we are scared, we develop self-doubt, this leads to our muscles tensing up and we lose the ability to move the way we should. The result is a poorly executed shot and in most cases a missed target. It must be remembered that all of this happens from our subconscious mind, so we are not actually thinking of it at the time. Being scared, tense and doubtful all lead to a state of anxiety.

Anxiety makes us feel uncomfortable and when we feel this way we become stressed. With stress there is a change in the way we are breathing and under this stress we become internally self-conscious instead of being externally task-conscious. So what do we need to do to perform under pressure? We need to breathe and focus. When we become anxious our breathing patterns change and without realising it we may even hold our breath. This has the effect of taking the focus away from what we are doing in the here and now- we lose sight of the present.

So if we are anxious, stressed and tense, how do we relax the muscles and clear the mind? By breathing; oxygen is energy. Oxygen also allows us to focus the process of what we are doing; which keeps us focused in the present. Staying in the present keeps our orientation of time in the right place: we can avoid thinking about the past (making judgments about past performances, other competitors, etc), and about the future (worrying about what might or might not happen). When we hold our breath, we are creating pressure and a nervous feeling. Athletes then choke because they become nervous about being nervous; worrying about being anxious.

Because the pattern of breathing affects the pattern of your performance, then when you are under stress, deep breathing will help bring your mind and body back to the present. This simple technique of focusing on your breathing and taking a couple of deep breaths will help learn to be comfortable with the uncomfortable.

Throughout our lives as competition shooters there are going to be times when we will feel uncomfortable, anxious, stressed, fearful and scared. To be able to help reduce these feelings and refocus on the task at hand we need to learn to breathe properly and learn to use breathing as part of the desensitisation process. In providing therapy for people suffering from anxiety and panic attacks, one successful method is systematic desensitisation. Basically this means teaching the client how to breathe and relax when they are in their normal life so that they can focus on their breathing and relaxation skills when they are stressed. Athletes should be doing the same thing. We should all be practising our breathing and relaxation when we are in the queue at the bank, post office or shopping centre. Rather than get angry or frustrated, we should use this valuable time to practise those skills that we will need when we are out on the tracks and we start to feel anxious or uncomfortable. When we can effectively focus on our breathing outside the competition we will be able to draw on the skill when needed in the competition when we are already starting to feel nervous.

According to Mack & Casstevens, choking is nothing more than paying attention to your own physiology when you should be focusing on the target. At those times when we all get anxious and nervous, we need to learn to be comfortable with being uncomfortable. Use your breathing to focus your energy and let your breathing centre your mind and body in the present where it needs to be.

I have put together all the articles that I have written for the CTSN (and some that have not yet been submitted) on CD. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

Michael Kruger-Davis is the Consulting Psychologist for the Southern Sports Academy in NSW and a member of Downside Clay Target Club and Wagga Field and Game.. He uses GB ammunition exclusively for all DTL events. Questions regarding psychological aspects of sport and shooting can be addressed to him at 144 Bassett Rd, Gillenbah 2700 or on 02 69 592802.

## PRELIMINARY NOTICE

**ACTA Trap Nationals**  
**25 March to 2 April 2017**

**ACTA Skeet Nationals**  
**20-27 May 2017**

**ACTA Sporting Nationals**  
**26-27 August 2017**

## FLOODING

The National Ground and most of the country has been swamped over the past six months with unprecedented rain.

The National Ground and the drainage system surrounding the ground has been almost submerged with water.

Earthworks on the ground to “shape” it to run water to drains was significantly curtailed over the winter period with staff and contractors unable to commence work on the ground. Although Wagga has experienced a great deal of rain, the big issue for the ACTA National Ground is the creeks that surround the ground. They feed into Marshalls Creek which is great for taking water away from the ground, but once the river rises to flood level the water “backs up” through the same system. With dams at capacity, water was released causing flooding everywhere downstream, including the National Ground. The ACTA is not in a position to change the outcome of flooding and no matter how many drains, culverts or drainage pits we install the water will not flow back to Marshalls Creek and the river until the height of the river drops below flood level. This we are happy to report has now happened and the rain has abated.

## HIGH TRAFFIC AREAS

The last few weeks has allowed the ground to dry and we are now full steam ahead shaping the ground, installing “high traffic” matting on the back of layouts 1 – 10 to enable the use of the carts for Shoot Marshalls without destroying the grass and digging holes when wet. The ACTA looked at options for this project including concrete paths, however the cost and prospect of dealing with the heat that the concrete would give off lead us to the high traffic matting. This matting is used in many areas including parks, golf courses and temporary carparks. The matting will be top dressed and planted with grass to maintain a cover of grass all year round. When the ground is at its busiest the grass may wear down to the matting however there will still be coverage through the matting system. This will eliminate dust and the track becoming muddy.

The next project will be installing two new DTL traps and completing the layouts with tracks back to 25 metres.

Due to the rescheduling of the NSW State Trap and Skeet Championships the work is being structured to have as little impact as possible. These changes have however cut into the available time to renovate various areas. We have unfortunately lost 5 months of work time in getting renovations done, we hope to make this up over the summer.

**THE ACTA EXECUTIVE RESERVES THE RIGHT TO ALTER THE PROGRAMME**

# NATIONAL ISSF DISCIPLINE CHAMPIONSHIPS

## CONDITIONS OF ENTRY

1. Any shooter wanting to compete at the ISSF Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the relevant Club Secretary to enable scores shot to be recorded.  
**Note:** A fee of \$20 will be charged for the issue of any duplicate handicap card.
3. The Tournament shall be conducted in accordance with the ISSF Official Statutes, Rules and Regulations (ISSF Rules) and where applicable, ACTA Shooting Rules (grading, teams etc). Targets to be shot in brackets of 25 for Olympic Trap and ISSF Skeet with squads of 6 shooters where possible. In Double Trap targets to be shot in brackets of **15 Pair (30 targets)** with squads of 6 shooters where possible.
4. Pre Nominations to be received by close of business (Eastern Summer Time) Monday 9th January 2017.
5. Shooters will be squadded as per the ISSF rules and any interpretation of this will be the responsibility of the Tournament Director: Once squadding for an event has been completed, a shooter shall not be entitled to a refund if they withdraw. Withdrawals after nominating and before squadding will be accepted in writing 48 hrs prior to the event. Written notification is required for any eligible refund to be processed and should be sent to [accounts@claytarget.com.au](mailto:accounts@claytarget.com.au) refunds will be processed within 30 days of the completion of the event and will incur an administration fee.
6. Each shooter is to take enough cartridges to shoot the applicable round.
7. Shooters who fail to appear in time for their squad will be penalised by the **LOSS OF THREE TARGETS.**
8. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
9. All shooters must sign the score sheet after each round. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the score recorded on the sheet.
10. Any competitor may be called upon to referee and/or score throughout the period of competition. The persons designated to referee/score or line referee must fulfil their obligation to do so or have obtained the service of a suitable replacement that must be ready to take his place at the required time. In the event of the designated persons or their replacement not being ready to take their place at the required time, the person initially designated to fill the specific role will **INCUR A PENALTY AS PRESCRIBED UNDER ISSF RULES.**
11. Setting and adjusting of traps is the sole responsibility of Shoot Management. All shooters, coaches and team officials are prohibited from entering the trap pits after the jury has examined and approved the trap settings.
12. All appeals must be in writing together with a \$20 deposit and lodged with the Tournament Director. The \$20 is refundable if the appeal is upheld by the appointed jury.
13. When team selection is involved, shooters are eligible for section nominated. To be eligible for selection in any team, competitors must have competed in both Commonwealth and National Championships.
14. High Gun awards are determined for each section. To be eligible for the High Gun recognition, competitors must have competed in both programmed events for each respective High Gun. Gold Australia High Gun badges are only awarded when there are 20 or more competitors in a section.
15. Junior male shooters are eligible for OA or their grade where applicable. Veteran male shooters are eligible for OA or their grade where applicable.
16. Pre-nominations will only be accepted online on the form provided at [www.claytarget.com.au](http://www.claytarget.com.au)
17. The ISSF Rules will be used to determine the OA placing in all events. ACTA rules will be used to determine grade placing where applicable.
18. Junior to be under the age of 21 prior to January 1st 2017. Veteran to be over the age of 55 prior to January 1st 2017.
19. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
20. The standard of dress required for all competitors is that defined in the ACTA Clothing Rules.
21. **All competitors must comply with Firearms Licensing Laws of the state. (When held in W.A a shooter must obtain a permit to bring a firearm into that state).**
22. Free junior nominations, open to any junior who has not competed in a national event of any discipline & only by pre-nomination. Claim for this concession must be made at time of nominating & will not be refunded retrospectively. Late nominations will not be eligible for this concession.

### FACTC CLOSURE OVER CHRISTMAS PERIOD

FACTC thanks its Members and Visiting Competitors  
for all the support in 2016. It has been a great year  
of competition and continuing improvements made to  
the Club. FACTC will be closed from 6pm Wednesday  
21st December (practice available on this day) and  
will resume for practice on Saturday 7 January 2017  
at 10am. *The first competition for 2017 will take  
place on Sunday 15 January.*

FACTC wishes everyone a safe and  
very Merry Christmas and we look forward to  
welcoming you all back in the New Year.

## Gympie Gold Rush

Gympie Gold Rush shoot for  
2016 was held on Saturday and  
Sunday 8th and 9th October. The  
weather was hot and dry and  
very windy on the Sunday.

Some excellent scores were recorded  
during the weekend resulting in shoot  
offs to finalise events. During the week-  
end, the SEZ Handicap was held. A  
new Junior shooter, Jaydon Gunn shot  
the only possible. Shoot offs decided  
the other four places.

The club would like to thank our spon-  
sors, Jockey Club Hotel, Ken Mills T  
oyota, Sunshine Mitre 10, Mick Harper,  
G & L Nuske, Rockshaw Earthmoving, D Rodger, Neales Meats, The  
Shedman, John Gunn, Richard Loughnan, Fishermans Hall, Grant  
Mason, Qld Police Clay Target Club and G Durre. The club would  
also like to thank Leanne and Brooke Nuske in the kitchen for keep-  
ing everyone fed, Katelyn Salafia, David Rodger, Phil Bundesen and  
Gordon Watson for doing the office and Curly Lewis in the bar and  
everyone else who helped load traps.

**Jaydon Gunn SEZ Winner  
& Junior HG**

**Sash Winners L-R:** Irvin Wynyard A HG, Jaydon Gunn SEZ HC & Junior HG,  
Graham Rudd B HG, Greg Matthews OA SB & AA HG, Glen Durre OA Med  
& Veteran HG, Frank Robinson OA Pts, Greg Podlich AA HG.  
**Kneeling:** Luke O'Connell C HG & Kelly Simpson Ladies HG

## Shooters head to Gemfields

With regular rain leading up to the 2 day and many hours spent on the mowers, in particular by Stephen Vale assisted by Brad Cowley, the grounds were looking the best they have in years. We hope the conditions continue so they can look good in May next year too.

*Event 1 50T Double Barrel Championship* sponsored by Tom Mylrea & Sheridan James, Stephen & Janene Vale. *Event 6, 30T Handicap Challenge (Alan Grimshaw Memorial).* First Dallas O'Keefe 42/42, 2nd Tracy Harker 41/42, 3rd Sheridan James 37/38, 4th Candy Cross 32/33, 5th Andrew Skinner 30/31.

High Guns Encouragement Award: Kacey Griffin 193/320, Junior Wyatt Vohland 295/320, Veteran Murray Sutherland 295/320, Ladies Leisa Tennent 301/320, C Grade Thomas Daniels 302/320, B Grade Clive Kirby 296/320, A Grade Tom Jarvis 302/320, AA Grade Garry Wright 311/320, Overall Bruce Powell 313/320. Congratulations to all winners.

Thank you to all our sponsors for your continued support. Thank you to Steve Miller also, for his help in the office, to Stewie and Hannah and their helpers for keeping everyone hydrated. To Janene, Lil, Marls, Tracey, Brad, Stephen and anyone else who assisted in the kitchen keeping everyone fed, thank you once again for the beautiful meals. To the trappers who every year do a great job of keeping the targets flying and the layouts tidy, and to everyone who showed support just by turning up and competing. Without you there would be no shoot.

We hope to see you all here in May 2017 when we host the Queensland State Titles.

**2017 QUEENSLAND  
STATE TRAP CARNIVAL**  
Gemfields Gun Club, 28th – 30th April 2017

# Double Barrel and Points Score for Bega

## BEGA GUN CLUB OCTOBER, 2016

Sunshine, twenty degree warmth and just enough breeze to make the targets wobble a little, greeted the six squads who turned up for the October shoot at Bega's Tarraganda grounds. Visitors from Cooma, Bombala, Warrnambool and Mudgee added to the crowd of enthusiasts.

Two events made up the program, a 50 target Double Barrel and a 50 target Points Score, both events being shot over two layouts. Club members had the pleasure of greeting our new Treasurer Tracey and Secretary Pauline to their first official shoot day.

Winner DB A Grade Simon Buckley

Buckley with a score of 47/50, with Dean Shipton taking out second place after another 21 targets. Mark Evans continued his consistent efforts over the past months to take out B Grade with a score of 46/50,

The 50T Double Barrel commenced proceedings and provided some interesting scores. AA Grade's Chris Rowland led the way with a fine 50/50 to take first from Charlie Smith on 49/50. A Grade went to Simon

B Grade winner DB & PS Mark Evans

C Grade DB & PS winner George Toyne

Chris Rowland DB, PS & HG AA Grade

Ray McLeod 2nd C Grade DB

Prize winners Dean Shipton 2nd A Grade & D/B, winner PS, Simon Buckley winner A DB, George Adamopoulos C RU PS & shoot raffle, Chris Rowland AA HG, DB & PS, Charlie Smith AA DB & PS R/U

with Warrnambool visitor, Gary Vickers using up an extra 7 targets to take second. George Toyne refreshed after his jaunt to Scotland, handled C Grade with a score of 43/50, one target up on Ray McLeod 42/50.

A short lunch break saw the barbecue do a roaring trade, followed by event two, the 50T Points Score. George Toyne showed the way in C grade with a score of 116/150 with George Adamopoulos in second place. George T has been noted by the handicapper. Another bloke who must be under the eye of the handicapper, Mark Evans, scored 129/150 to win B Grade, with Gary Vickers picking up second place 124/150. A Grade went to Dean Shipton with a score of 146/150, with Shane Platts on 139/150 taking out second place. The friendly rivalry in AA Grade continued, with Chris Rowland (147/159) getting the nod from Charlie Smith on 142/150.

Chris' efforts in both events made him a worthy High Gun winner with a total for the day of 197/200. Great shooting!

George Adamopoulos took his turn at caring for the treasurer, by accepting the meat tray instead of the \$500 on offer in the shoot raffle.

# Silkwood Clay Target Club Donate to Cancer Research

There would be very few people who have not been touched in some way by cancer. According to the Cancer Council, one person in Queensland alone, is diagnosed with cancer every 20 minutes. All of us know someone who is affected.

With this in mind, the Silkwood Clay Target Club decided early in the year to allocate one of its monthly shoots to charity. It was agreed that funds raised on the day would be donated to organisations whose focus is on supporting cancer sufferers and cancer research. The Cancer Council and the Prostate Cancer Foundation were to be the beneficiaries on the day.

And so, on Sunday 18th September, in perfect weather conditions, sixty-four shooters gathered at the Silkwood Clay Target Club to shoot a 100 target double barrel flash target event. Opting to use flash targets on the day proved to be an added incentive with many shooters attending to experience shooting flash targets for the first time.

The flash targets did not disappoint. It was a spectacular sight to sit back and watch the puffs of pink dust against the skyline across four layouts as the targets were hit. In some ways it was also a symbolic gesture, with the colour pink synonymous with the Breast Cancer Pink Ribbon Day.

At the end of the 100 target event (run over four visits to the traps) the following shooters were successful. Phil Whatley took out AA grade with 98/100 followed by Joe Rossato in second place with 97/100 and Daryl Grant third with 96/100. Four shooters in A grade all finished on 93/100 and after a shoot-off Simon Gilbert prevailed to take out first place, with Andrew Casella second and Peter Robertson third.

A score of 93/100 gave up-and-coming junior shooter Harvey Phillips first place in B grade and after a shoot-off, Robert Sapuppo took out second, with Peter Vit third. C grade was won outright by Michael Thurston with 88/100 with Ryan Price second and Daniel Goodwin third.

Club president Ennio Defend presenting representatives of the Cancer Council and Prostate Cancer Foundation with their cheques

A total of \$1,750 was raised and this was presented to representatives of both the Cancer Council and the Prostate Cancer Foundation by club president Ennio Defend.

Everyone in attendance agreed that it was a great day and one that should definitely become a permanent feature of the Silkwood Club's shooting calendar. The day was best summed up by visiting shooter Phil Whatley who is currently in remission from cancer; "Your club and members are to be congratulated for putting on such a wonderful shoot to raise money for cancer. As a person who lives his life 6 months at a time, I thank you for being so generous. God bless you all".

## Colbinabbin

Colbinabbin had a great shoot with 29 competitors. It was cool in the shade but nice when the sun came out.

Our first event of the day was a 10tgt PS that was won by Lee Fitzgerald (30/30) with Sarah Appleby (29/30) placing 2nd and Tash Collins 3rd (28/30).

Event 2 was the 25tgt DB. We had a shoot off for overall with C Grader David Currie claiming victory with 29/29. First in AA Grade was Charlie Burns on 25/26 with Lee Fitzgerald taking second place with 24/26. Sarah Appleby won A Grade with 28/29 and Peter Sing was second with 29/30. First place in B Grade went to Geoff Hogan with 20/25 and Riley was second with 19/25. Second place in C Grade went to Tash Collins on 21/25.

David Currie winner DB

Event 3 was a 20pr DR. Our overall winner and A Grade was Darren Knight with 32/40. Steven Traill won AA Grade with 37/50 with Lee Fitzgerald second on 36/50. Peter Sing was 2nd in A Grade with 29/40. B Grade was won by Eddie Mullane on 24/40 with Geoff Hogan second on 23/40. The winner of C Grade was Tash Collins with 26/40 and David Currie placed second with 25/40.

By Tash Collins Darren Knight winner DR

The last event of the day was the 20pr DD which was won by Steven Traill and Jonathan Holmes on 18/20. In second place were Peter Sing and Ian Gebhardt on 16/20.

Jonathan Holmes & Steve Traill 1st DD

# 2016 Alice Springs Open Champion of Champions

**ALICE SPRINGS CLAY TARGET CLUB**  
**OCTOBER 2ND, 2016**

## Eye Opener to the Alice Springs Masters Games

As a warm up to the Masters Games, Alice Springs Clay Target Club hosted a 75 target Champion of Champions off 18 m on Sunday 2nd October. Initially this event was instigated to keep early caravaners out of trouble but now it seems to be as an opportunity to give them a break from painting, raking, etc.

Weather was sort-of great (well, hello, it is Alice Springs in October) in a sort-of hot windy stormy fashion, and it was the perfect opportunity for club members to put down tools and dusters and just enjoy being clay target shooters for the day.

This was the third year running for this shield event and although originally started as an eye opener for the ASMG, it has now become a competition day in its own right, and we were delighted with such a great turn up.

Steve Whitehead was around in the campground, and he set to work restoring, repairing and regenerating our traps so that the day would run without hiccup.

Steve also offered to sponsor the shoot through Hunts Shooting Supplies with several slabs of Saga Ammunition.

So, with all at the ready we got underway at 1 pm, with 75 targets of double, single and points, all off 18m.

*Alice Open OA Winner Bill Harris*

Ex Alice Springsian Bill Harris went up on the shield as the winner with a 114/125. AA Grade went to Phil Desmond 111/125, A Grade to Merv Sweeney 112/125, B Grade to Rob Lay 110/125 and C Grade to Simon Dowling 96/125.

Following the day shoot, since we had to gird our loins to do it all again after the sun went down, we retired to the Broad Butt Barmaids Bar With No Beer for a well-earned soft drink to quench the dry throats and a dinner organised and created by our very own personal club chef Rudi Sebastiani.

The amount of times I have bragged about our club having plumbers, electricians and builders, but having your own chef takes the cake. Well, makes it as well.

Dusk saw preparations for our 50 target Night State Ball Trap (repeat Night Ball Trap) sponsored by Alice Springs B&S Home Timber and Hardware. And as soon as it was dark, what

*State Night B/T winner Steve Morris with Merv Sweeney*

seems like the best-and-most-expensive-lights-in-the-world, were fired up and it was on. Ball Trap, affectionately known as The Screaming Shadows, had started, and although these new flash-as lights could land an A380, they don't help a scrap when you are shooting at nothing, coming from nowhere, which happens to be travelling at the sound of light, landing in full, unscathed, at a spot unbeknownst to the shooter. Of course a State Sash is always coveted, but what a hoot. I'm not too sure what the low-gun score was (most probably 2), but for the majority of shooters it must be the most expensive way of shooting invented. Two shells for every target. And the language! And that was from the wives who couldn't believe their husbands could throw money away like that. The only sure thing about the whole event was the plaintiff call of the ref "loooooost target". Not exactly lost, since they were there for the taking the following day.

But the best can rise to the occasion and overall went to local club President, Steve Morris who took home the coveted sash and ammunition with a pretty amazing 44/50. A Grade was won by Graham Sweeney with a 42/50, B Grade Marlene Niland 37/50 and C Grade Laurie Poile 36/50. Steve was searched thoroughly by a still smiling office assistant, but no head torch was found on his person.

Then it was time to celebrate with that long awaited for beer.

If you need any information about the club check us out on Facebook, or [ntclaytarget.org.au](http://ntclaytarget.org.au)

*Cheers, Marlene*

*Alice Open B Grade winner Rob Lay with Club President Steve Morris & Steve Whitehead presenting prizes*

*Alice Open Winners Simon Dowling, Merv Sweeney, Phil Desmond, Bill Harris & Rob Lay*

# MANSFIELD Club Competition

The monthly Mansfield Clay Target Club shoot was held in fine but cloudy conditions with morning strong gusty wind which resulted in a challenge for the first two events of the day. 38 competitors were in the running supported by a contingency of spectators many of whom were junior member's parents, who all chipped in with scoring, refereeing and generally helping out to ensure a successful day. Co-ordinating the shoot and results Shawntie and Aileen ensured a smoothly run program. Shooters from local clubs including the frequent competitors from Alexandra, Euroa, St James and Wangaratta, along with some members from the Metro Melbourne clubs. The first two events were sponsored Phudley's Jewellery and Gifts.

The first of three programs being a 50 target Points Score. AA grade and

Prize winners Dean Shipton 2nd A Grade & D/B, winner PS, Simon Buckley winner A DB, George Adamopoulos C RU PS & shoot raffle, Chris Rowland AA HG, DB & PS, Charlie Smith AA DB & PS R/U

overall was Wangaratta shooter Allen Cooper with a score of 147, 2nd local Darren Clark, 141. A grade also from Wang was Jack Sandral his first event since progressing to A Grade, 140. 2nd Tony Plum, Benalla, 139. B grade was taken out by local shooters Shawnti Coolahan, 143 and Marty Mclachlan 135. 1st C grade was Mansfield's Denny Walker who took home his first sash with 130 over Ron Press of Woods Point, 121.

The second was a 25 target Single Barrel. Mansfield shooters' dominating this event. AA Darren Clark after a 25 target draw scored 33 out of 37 after a 12 shot shoot off over Tony Rohrlach, Euroa, 32. A Grade Jack Sandral, 30 out of 32 also resulting from a shoot off over Bob Glossop 29. B Grade 1st Marty Mclachlan 26, over Alexandra's Tom McGrath 23. C grade was shot off between two Mansfield locals. 1st Denny Walker who won his second prize for the day, 23 and 2nd was Patrick Griffith, 22.

The last event for the day was a 25 target Double Barrel cash divide sponsored by local businessman David Lueff. AA grade with 25 was Jack Clerke, Allen Cooper, Darren Clark and Allen Kidd. A 25, Jim Kelly. B 24, Marty Mclachlan, Tom McGrath and Lachlan Macdonald. C 24, Ron Press and Paolo Ferrari.

# Classifieds

## Rates and Conditions

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$12.00 — 0-60 words

\$24.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers:

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

- the person is a licensed firearm dealer, or
- the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

- the licence or permit number of the seller,
- the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

**WANTED:** For Private Collection Old Paper shot shells and 2 piece Shot Shells packets. Will pay up to \$500 for Trade Brand Packets. Powder Tins. Gun Shop Catalogues. Australian Clay Pigeon Shooting News before 1960. Live Birds Traps & Live Bird Memorabilia. Air Rifle packets & Tins. English Sporting Metallic Packets. Shooting memorabilia. Will pay good money. Pay top money for two Piece Packets. Ph Mick Ward on 03 5775 1652. Shooters Licence No. 437 647-40B

**WANTED:** Gun Club badges for collection, especially older badges. Will buy or swap, I have heaps of swaps in good condition. Also still looking for Club histories. Contact Murray Gruar email murray@koroitjoinery.com 0409 658 750 or 03 55 658 750

**FOR SALE:** Full set of 28" Krieghoff skeet barrels comprising: 1x 12 ga barrel (Tula choked) ser.no. 12139, 1 x 20ga barrel no.12139-2, 1x 28 ga barrel no.12139-3, 1 x 410 bore barrel no.12139-4. ## ACTA FIREARM INSURANCE POLICY

### INSURED[S]:

Various financial members of named affiliated associations and/or clubs.

### SCOPE OF COVER:

**Covering members Firearms, and/or associated equipment** whilst in transit, stored in a locked vehicle in accordance with State Law and/or building and damaged or destroyed whilst in use anywhere in Australia and New Zealand and overseas 21 days per year.

### GEOGRAPHICAL SCOPE:

Anywhere in Australia or 21 days a year anywhere in the world

### COMPENSATION BENEFITS:

Any one member \$12,000

**EXCESS:** \$50

### 1. DEFINITIONS APPLYING TO THIS POLICY

**Firearms & Accessories** means legal owned firearms owned by members of the named Association/Club including any accessories or carrying cases.

**Loss** means loss or damage caused by or arising from a sudden and unforeseen accident including theft from a securely locked building or vehicle.

- Theft cover is conditional on firearms being securely stored in an approved gun safe when the firearm(s) are not in active use.
- No cover will be provided under this policy where the insured, or any other person or entity the equipment has been entrusted to, has breached any law relating to either the storage or use of the firearm(s)

### 2. COVER UNDER THIS POLICY

- 2.1 We will pay for Loss of Property Insured anywhere in Australia and Worldwide for 21 days.

### 3. BASIS OF SETTLEMENT

- 3.1 We may at Our option repair or replace any lost or damaged Property, or pay the lesser of the amount of the loss or damage up to the market value.
- 3.2 We will not pay for the cost of any alterations, improvements or overhauls carried out on the occasion of repair or replacement resulting from a Loss.
- 3.3 Where the Loss is confined to part of the item, we

shall pay for the repair or replacement of that item plus the cost of any dismantling and reassembling necessary.

### 4. EXCLUSIONS (in addition to General Exclusions)

We will not pay for loss or damage directly or indirectly caused by:

- 4.1 Mechanical or electronic breakdown or derangement unless as a consequence of a Loss;
- 4.2 Cracking, scratching or breakage of glass or fragile items or surfaces unless as a consequence of Loss;
- 4.3 Loss or damage caused by rust or oxidation, mildew, mould, moths, vermin, insects, change of colour, or any process of heating, drying, cleaning, dyeing or alteration to the item;
- 4.4 The action of light or atmospheric conditions or gradually developing conditions, vibration, wear and tear or depreciation;
- 4.5 Dishonesty by You or others to whom the item of General Property may be delivered, entrusted, loaned or rented;
- 4.6 Action of the sea, tidal wave, high water or flood.
- 4.7 Theft without forcible and violent entry to locked premises or vehicles containing the Property.
- 4.8 We will not pay for loss or damage to equipment while in use.
- 4.9 We will not pay for consequential loss of any description.
- 4.10 We will not pay Your Excess.
- 4.11 Destruction, loss or damage arising from unexplained inventory shortages or disappearances resulting from clerical or accounting errors, or shortage in the supply or delivery of materials to or from You.
- 4.12 It is hereby agreed and declared that notwithstanding exclusion 4.8 above this policy will cover firearms for fire and theft from a club range whilst in use.

### Comments :

This insurance is designed to protect each eligible member up to \$12,000 with the option to increase this limit to \$25,000 for an additional \$10 payable by the member. The policy has an excess of \$50 each and every claim and protects members anywhere in Australia 365 days of the year plus overseas for 21 days in any one year.

# A Beretta is forever

## FREE SERVICING FOREVER

**Beretta Australia offers Forever Servicing to ensure that your Beretta shotgun's performance is nothing short of perfection for its lifetime of use with you.**

**Where to have your gun serviced:**

You can have your gun serviced at any event Beretta Australia attends with its servicing team. Please refer to the calendar on our website for the next servicing event near you.

**Who will service your gun:**

Our team includes Sergei Yauhleuski, former Australian Olympic Team Gunsmith.

**What the service includes:**

We will carry out routine servicing jobs such as tune-ups, tightening, timing etc.

Forever Servicing only applies to Beretta shotguns purchased through Beretta Australia authorised dealer network, so make sure you buy from one of our official stockists. Unsure if the Beretta you own or are looking to buy is covered? Send us your serial number and details and we will confirm for you.

And it's all free of charge. For full terms and conditions visit:
