## RECREATIONAL MEMBERSHIP

Following requests from clubs, the new category of Recreational has been created to allow shooters to recreationally shoot in our sport at a non-competitive club level at a greatly reduced rate. The category includes Firearms cover so it represents good value and is more than competitive with other

associations offerings. The category does not allow any competition at a Club, Zone or State level and it is hoped that States and Zones will act in the spirit of this new category and not charge any fees as this would totally defeat the purpose of its introduction. The Executive strongly suggest that States and Zones adopt this stance, without the ACTA having to consider enacting a bye-law for this purpose.

I believe VCTA have already taken the initiative with this and I commend their action.

## CONSULTATIONS:

### Sporting Clays Australia (SCA)

Your Board met with the board of SCA recently. The ACTA and SCA are continuing to discuss issues of common interest. Further discussion will also consider a common coaching scheme. When finalised this could be a great step forward for clubs of both Associations.

### Sporting Shooters Association of Australia (SSAA)

Three of Your Board members attended a Board meeting of SSAA National to discuss matters of mutual interest. ACTA have now been invited to put forward a proposal to bring the two Associations closer together in the spheres of participation and coaching. Talks will be ongoing.

## BOARD AND EXECUTIVE

Your Board and Executive members have had some robust discussions recently and of course we cannot all agree all of the time. The proposals that are put forward, such as the Constitution, are formed from majority decisions of the Executive. The Association has spent a great deal of time and money to get what we believe is an acceptable and workable proposal for clubs to consider at the next AGM. I would like to thank Executive members and especially Board members for the time they have devoted to this in the last 18 months.

## SHOOTING AUSTRALIA (SA)

The Executive have tried to have input on many issues with SA and have had little success. The only place it now appears that we have a guaranteed input is on the election of Directors at the SA Annual General Meeting. A Whole of Sport Governance forum was conducted after the meeting. Some of the other member bodies had not discussed the Suiko report and recommendations at Board level prior to coming to the forum. General feeling from ACTA members present is that it will be a long time before the member bodies agree to disband, at both State and National level and hand all assets to Shooting Australia which was the major thrust of the review.

## NATIONAL GROUNDS

The all-weather walking track has now been completed from layout 1 down to layout 11. This should provide a much better walking surface once the grass grows through the underlying support mesh. Plans are to continue the track further as funds permit.

We have been in continual contact with various NSW Government officers regarding the funding application for further Grounds Development. To date all responses have been favourable and we are hoping for a positive outcome shortly. We cannot speak highly enough of local member Daryl Maguire who has persistently promoted this application to the highest levels of the NSW Government. We thank Daryl for his efforts to date on our behalf.

## MEMBERSHIP

The Association had an increase in membership numbers during 2016. The year closed with 14359 members up by 418 from the previous number of 13941. This is a pleasing increase and is in conflict with all the negativity that has been expressed recently. The biggest concern is that the annual turnover of members is around 20%. If clubs could concentrate on keeping these members, even more growth would result. We hope that members can see the purpose and benefits of belonging to a dedicated competition shotgun shooting association.

Your Executive is now continually looking for ways to add value to the membership, and any suggestions should be raised with your State for National consideration.

Until next month.

*Robert Nugent*

# Executive Officer's Report

## Big things to come? Hopefully yes

The announcement by his Royal Highness Prince Harry that the 2018 Invictus Games are being conducted in Australia (Sydney as the host city) is another example of the esteem the Australian sporting community is held. Our ability to provide a professional presentation of these sporting events says a great deal about our volunteers.

## About the event

Founded by Prince Harry, the Invictus Games uses the power of sport to inspire recovery, support rehabilitation and generate a wider understanding and respect for wounded, injured and sick servicemen and women and the families that play such an important supporting role. It is the only international adaptive sporting event for wounded, injured and ill active duty and veteran service members.

## Quote from the Prince below

"We had three key criteria. First, it had to be an iconic city somewhere known the world over.

Second, it needed to be a city with a proud military heritage, which would welcome competitors from all over the world with open arms.

And finally, we wanted to go somewhere where they are absolutely sports mad and would really get behind our competitors. It was an easy decision really the 2018 Invictus Games are coming to Sydney."

The ACTA will submit a proposal through the Invictus games committee to conduct a clay target event at the National Ground during the games. Given nine countries are ICTSF affiliated Countries plus the USA it is our intention to shoot a points score Trap event, the same as the World Trap event.

The Wagga Business Chamber, Wagga City Council, Kapooka Army base and the RAAF base have all indicated they support the proposal by member for Wagga Wagga Daryl Maguire. Daryl has been a great supporter of the National Body since being elected, whilst also being the long-time Patron of the NSWCTA. Being able to secure this event would also enhance our sport and the chance of being granted funding to develop the ground.

There will be a meeting of these bodies with the Invictus Games committee in February to formulate a submission. We look forward to a positive meeting and future announcement.

## Constitution

The newly revised and updated constitution and by-laws were circulated to Clubs through State bodies in November, the constitution has now had refinements made taking on board the feedback received. As members would be aware, the Constitution is the Association rule book and as such needs to be updated on a regular basis to ensure the rules and regulations meet governance standards. A review in dot point form is in this magazine. If you have any questions regarding the document, available online under the "news" section of the website please contact the National Office or a State delegate to the ACTA.

## Environmental Issues

In response to a number of environmental and health and safety issues the ACTA Executive have agreed to implement to the following recommendations on the National Ground and also strongly advise clubs and states to adopt the same the policies.

- All trappers are to have gloves and wear safety glasses, any person handling targets should wear gloves.
- The ACTA has engaged PCM Enviro to further develop the current environmental management plan for the National Ground. PCM Enviro completed lead clean up in 2014 so the adoption of a new plan should see similar work carried out in 2017.

## Rules Supervisor's Meeting

The National body will conduct a State Rules Supervisors meeting on Friday the 12th of May. The meeting will be conducted in Melbourne with each State invited to send their two Rules Supervisors.

The ACTA will pay for the attendance of one with the State incurring the cost of the second. Further information requesting agenda items will be sent to State Secretaries in early 2017.

## Rule Clarification

After speaking to National Handicapper Ray Peatling we thought it would be appropriate to write a small article on Handicap adjustments in both Trap and Skeet. It appears there is some mis-interpretation around inward movement in Trap relating to handicaps tied to grades and with the correct formula adjustment in handicap target allowances tied to grades in Skeet.

### TRAP

This problem is easiest to explain by proposing a scenario.

Scenario: A shooter who is in A grade with a handicap of 19 metres shoots well from common mark and is moved to AA. His handicap is automatically adjusted to 21 metres. Consequently this shooter wins a handicap event and receives an additional metre. He is now on 22 metres. Over time and after shooting 300 handicap targets he returns to 21 metres and consequently after 600 common mark targets returns to A grade.

The problem seems to occur in interpreting where his handicap should be after he returns to A grade. It has been suggested that after the 300 handicap targets were shot he has somehow cancelled out the

meterage that he won (that is earned meterage) and is now able to be re-handicapped to 19 metres on his return to A grade.

This is incorrect, the word "cancelled" does not appear in our rules in relation to handicapping. The only way back to a lesser handicap after "earning" a meterage status is 1 metre at a time each 300 targets. Keeping in mind the minimum handicaps for each grade.

### SKEET

There seems to be some confusion relating to when a shooters handicap can be increased or decreased. Skeet handicaps are tied to grades [see handicap formula Rule 6.02(g)] The problem of interpretation only occurs in B and C grade as the handicap target allowance In AA and A grade is 0 and 1 respectively. In B and C grades the handicap target allowance can be either 2 or 3 for B grade and 4 or 5 for C grade.

Although a shooter will be upgraded after 200 targets and handicap adjustment made accordingly, a downgrade can only occur after 3 consecutive brackets totalling 600 targets. This means that shooters in B or C grades can only move from 3 to 2 in B grade or 5 to 4 in C grade after 600 targets have been shot.

# ACTA Constitution—Part 7

This issue we wish to detail the proposed process for the election of directors to the board.

Currently national executive members are elected through, in some jurisdictions, a rather tortuous process of being elected as club delegate, then zone delegate then onto the state executive. Effectively those eligible for election hold three jobs *before* taking on the job of national executive member. As the election of delegates to the national executive is controlled by the state associations, it is inevitable that national executive members are influenced by state considerations making it less easy to concentrate on national issues as required by legislation. It is a credit to current and previous executives that members try very hard to override these conflicts in the interests of the sport nationally. Nevertheless it is hard to deny that there is a systemic conflict of interest and there is no doubt that some executive members have in the past paid a heavy price for subordinating state agendas in favour of the national interest.

The difficulty always comes down to the necessity to balance both the necessity of representation and also independent stewardship. As an aside, let's consider how these systemic conflicts are catered for in our national government. The Commonwealth Government of Australia is bicameral being comprised of two bodies: the House of Representatives whose job is to run the country independent of the states, and the Senate which is the States' house and whose job is to review legislation. Well that's the theory - let's not get side-tracked on how it actually works! The issue of relevance to the ACTA is that the conflicting necessities of independent governance and state representation must be catered for within the one body. Therefore any selection system of board members will be a compromise between total independence and total representation. Like all compromises the proposed model is not perfect and will not please everyone but in our opinion it will pass the "suck test" i.e. it will work. If it doesn't work there is no reason it couldn't be changed further down the track if need be.

To briefly reiterate from the first article in this series, the proposed board will consist of seven directors being representatives from the six States and the Northern Territory. Directors will be elected for two years as is the case now. In the first year after the adoption of the new constitution three member states will have a registered shooting member nominated by clubs within that state and elected by all member states. In the second year four member states will go through the same process and so on through the ensuing years.

Despite the lengthy detail in the proposed new constitution (section 13.4), the actual process will be somewhat simpler than now with a focus on getting people with the right skills elected. The process will occur in four consecutive stages:

1. At least 100 days prior to the AGM the Executive Officer will issue an invitation to all clubs within the State that has a relevant vacancy to nominate delegates for possible election to the board. Along with that invitation will be included a list of the necessary qualifications and job descriptions for the positions falling vacant that clubs will be requested to consider when making their nominations.
2. At least 90 days prior to the AGM clubs will then forward their nominations to their respective state executive who will consider the nominations on their merit and at last 60 days prior to the AGM forward a maximum of four to the ACTA office.
3. The ACTA office will then forward the nominations from the states

to a pre-selected, independent nominations committee which *in its absolute discretion and acting in good faith, consider each nomination and may choose to endorse, recommend or comment on each nomination as it sees fit* (13.4(f)). In effect rate each nomination against the previously published skill sets. The committee will forward these comments to the ACTA office not less than 30 days prior to the AGM. The committee's comments will be provided to the member states no less than fourteen days prior to the AGM. It is important to note that all nominees will remain eligible for election.

4. At the AGM, State and Territory representatives (most likely the presidents or their nominee) will consider the nominations and the published ratings and then vote by ballot on the election of each state director for which a vacancy exists in turn.

An argument has been raised to the effect that clubs should vote on the election of board members. While this sounds more democratic but will it in practice? The vast majority of clubs are in NSW, Victoria and Qld. As the constitution will require that the board of directors will consist of one member from each state and territory there is no danger of board members coming entirely from the big states. However one issue is how many clubs will actually bother to vote remembering that the voting procedure will be a little complicated. In the first year they may be required to select the best candidate from four lots of four. It is likely that many clubs will decide it is too hard or simply won't care and not vote. This would not be good for the sport.

It is also suggested that clubs electing board members is proportional representation bit is it if the vote of the smallest country club has the same weight as the largest club in the city? When one objectively considers the issue it is difficult to find any process which is perfect. We consider that having the state representatives voting on all nominees is the closest to not only a fair system but, equally importantly, one which will work without the uncertainties outlined above.

A final point is that the states and territories are a legislated and known quantity with clear boundaries, a situation which is not likely to change any time soon. Clubs on the other hand can dissolve or affiliate with another organisation, be shut down or from year to year may or not choose to be part of the process, so there is no constant situation in place to ensure consistency of input on the directors' positions. With the state delegates voting on the final selection of directors it will be the same process year after year.

Please remember that the clubs, as well as nominating potential delegates, will have a constitutionally guaranteed formal role in the assessment of the board both collectively and individually. These are privileges that clubs currently do not enjoy.

## Conclusion

As stated above the proposed selection process is a compromise between the demands of ensuring an independent, skilled board against that of member representation. In our opinion and also that of our legal advisors this is a workable compromise which ensures that both objectives are being realised in a way that is both fair and workable.

Until next time  
Good shooting!

# Queensland State Skeet Carnival

**Toowoomba Clay Target Club  
September 2016**

*The many hours of hard work put in by the Toowoomba club members to prepare the grounds for the Qld Skeet Carnival certainly paid off with the grounds looking perfect. Campers had arrived early to take in some practice and to shoot the Multigauge championships and by the time the carnival was ready to go 79 shooters were nominated.*

The Multigauge Championships opened with the 50T 20 gauge event and Laurie Durham came out on top of the shoot off with 56/56 to win the overall sash. Jaco Pieterse was 1st in AA with 57/58, Jacob Rhue was 1st in A with 57/60, Tahnee Davenport won B grade shooting 48/50 and Phil Keller was 1st in C shooting 46/50.

First place winners of the 28 gauge event were Jack Stockdale 60/62 to take AA, Pat Plumridge in A grade with an impressive 49/50, John Pethybridge the B grade winner shooting 48/50 and Cody Chapman shooting a brilliant 46/50 to finish 1st in C. Overall winner for the 28 gauge was Adrian Cousens who shot a perfect 56/56 to win the sash.

Shane Bennett eclipsed the competition in the 410 event to win overall with 54/58, one more in the shoot off over Antony Ballarino who shot 53/58 to win AA grade. Rodney Kneipp won A grade with 47/52, Adam Corless took out B grade with 48/50 and Phil Keller was consistent in C grade to win with 43/50.

To round out the Multigauge events on the second day of competition Antony Ballarino was once again victorious winning the overall sash

in the 12 gauge event with a perfect 76/76. Great shooting by Lorraine Hughes saw her win AA after a shoot off with 100/102, and Rodney Kneipp won A grade with 51/52. Roma's Veronika Forsythe was 1st in B shooting 53/54 and fellow club mate Max Johnstone won C grade with 50/54.

Antony Ballarino from Port Denison won the overall multigauge title with an outstanding 197/200 paving the way for a great weekend's shooting. Thanks to all who supported the Multigauge championships and well done to all the winners.

The first event of the State carnival was the 50T State Skeet Handicap with shooters from all zones, sections and three states included in the shoot off with 29 possibles recorded. Veronika Forsythe proved to be strong enough to outlast the

*Queensland State HC Champ Veronika Forsythe with National President Robert Nugent*

competition shooting an impressive 127/131 to win the state title, sash and silver badge. The Gold Coast's Marie Carmody came in a close 2nd on 124/131, Shane Bennett from Bathurst 3rd with 117/118, a huge effort from

Jordyn Chapman from Charters Towers on 107/118 for 4th, and Caboolture's Nigel Hughes coming in 5th place shooting 109/110. An entertaining shoot off, well done to all.

The 100T championship and second qualification event for the teams was contested by 87 shooters. Once again in form Antony Ballarino rose to the occasion shooting a brilliant 185/185 to win the overall title, badge and championship sash. Mark Fanning from Brisbane did his best to

push Antony all the way taking 1st in AA with 184/185, and Richard Brownson from Charters Towers won 1st in A grade with a very healthy 98/100. Adam Corless won the B grade prize shooting a huge 97/100 and Roma's Jack Moller took out C grade with 94/100. Well done to Ladies winners Lorraine Hughes, top score to win the sash with 100/100 and Ladies prize winner Sarah Bennett shooting 99/100.

Jack Stockdale from Korumburra was the best junior shooting 98/100 and Adrian Cousens from Bairnsdale won the veterans with 98/100.

Event 3 was the 50T 20 Gauge Championship and we again thank

all those who loaned guns, chokes, barrels and ammunition to allow other shooters to compete in this event. 8 possibles were recorded from the 79 shooters nominating for this event. Overall after a three-way shoot off was Gold Coaster Laurie Rodden who shot 96/97 to take the honours which included the sash, cash prize and state silver badge. Laurie was just a little tickled to win his first state title event with his hard work paying off. Adrian Cousens was 1st in AA with 95/97 and John Fordyce took out 1st in A grade with 78/79. Local club workers won the B and C grade 1st prizes with Rob

20G State Champion Laurie Rodden

Drews shooting 47/50 and Robbie Smith on 48/52 respectively. Lorraine Hughes won the Ladies sash with an impressive 50/50, Jacob Rhue was the best junior on 49/50 and Adrian Cousens and George Petrou won the Veterans prizes.

The weather tried (unsuccessfully) to dampen the spirits of the competitors as we finished with the State Doubles Championship in which 79 shooters competed. Antony Ballarino posted the only possible adding another sash to his stash with 50/50. Craig O'Neill was first in AA with 73/74 just one ahead of fellow Cabooltian Matt Rhue who shot 72/74 to take 2nd. Aidan Donaldson impressed the competition to win 1st in A grade with 48/50, Rob Drews was 1st in B grade with 48/50 and Chris Stumkat shot 45/50 to win C grade. An impressive late charge by the local skeeties. Lorraine Hughes was the best lady shooting 49/50, Jack Stockdale won the junior prize on 47/50 with the junior sash going to Aidan, and Adrian Cousens won the vets with 45/50.

Well done to team members Jaco Pieterse, Adam Corless, Mark Fanning, Lorraine Hughes, Nigel Hughes and Glenn Walker. The South Easterns also won the Ladies team division with Paulette Walker, Jacki Richards and Marie Carmody winning with 68/75. The Western Zone were victorious in the junior section, well done to team members Max Johnstone, Brodie Hewitt and Eli Rohrlach with a great score of 64/75. The

South East Zone veterans posted a massive score of 74/75 from winning team members Neal Dimmick, Mike Swale and Kel Madsen. We thank Kel for his very moving and sincere words in memory of our friend Neal Dimmick, sadly missed by all who knew him and his many

friends in the skeet and clay target shooting community.

Well done to all shooters who earned a place in the Queensland Postal Teams at this event, our team being more hotly contested every year. Open Team: Mark Fanning, Glen Graham, Nigel Hughes, Antony Ballarino, Lorraine Hughes, Craig O'Neill, Laurie Rodden, Steve Makris, Nick Aird, Rob Drews, Adam Corless, Matt Rhue, Glenn Walker, Cooper Rodden and Mike Swale. 1st reserve Tony Long. Congratulations to all our state team members and good luck in Wagga in 2017.

Team High Guns winners: Open Lorraine Hughes 89/89, Ladies Tahnee Davenport 29/29, Junior Aidan Donaldson 28/29, Veterans Mike Swale 25/25. The Queensland Skeet Champion sash and perpetual trophy was awarded to Mark Fanning with an amazing score of 206/208, great shooting Mark. Grade High Gun winners: AA Shane Bennett 286/290, A Richard Brownson 238/250, B Rob Drews 240/250, C Jack Moller 221/250.

The High All Around, a combination of Multigauge and Carnival scores, was again generously sponsored by Pat Dury who donates the black

and white sash and a specially struck belt buckle to the winner. This year Antony Ballarino took the honours with an incredible score of 445/450. Although this was Antony's first state carnival out of juniors he certainly proved his worth as an open competitor beating the High All Around record by an impressive 7 targets. The 2 Person Team was won by the lethal combination of team mates Craig O'Neill and Eddy Elder shooting 492/504, the first time we have seen a shoot off for this prize. Section High Gun winners: Ladies Lorraine Hughes 246/250, Junior Jack Stockdale 242/250, Veterans Adrian Cousens 242/250.

The sash, gold Queensland badge, prize and perpetual trophy for Over-

all High Gun for the Carnival went to Antony Ballarino with a very hard to beat 248/250 just 2 targets down for the entire weekend. Congratulations Antony, a very consistent performance throughout the weekend and a well deserved win.

We would sincerely like to thank Phil Keller and his committee and team at the Toowoomba Clay Target Club for the many hours of hard work invested to prepare for this carnival. The effort could be seen in the beautiful grounds and we thank them for their friendly hospitality throughout the carnival weekend. The office, kitchen, bar and ground staff also worked tirelessly to cater for everyone and we are always grateful to Margie Denton and her team in the kitchen. A very big thank you to our volunteer shoot marshal Laurie Chelepy who went above and beyond while struggling with illness, and his 'fill in staff' Adrian Cousens and Mike Swale who stepped in to help at a moment's notice. Also to all those club members, volunteers and shooters who helped out in any way through often trying weather conditions, we couldn't have conducted the shoot without you.

The QCTA would sincerely like to

thank Glenn & Paulette Walker from On Target Sporting Arms for their generous support of this event, it is very much appreciated. Thank you also to Sharra Wagner who provided the photos for this report.

We would also like to thank all the shooters who travelled so far to compete at this event, especially those from interstate. It was a pleasure to see so many come to attend our carnival which has grown each year thanks to your support. Congratulations to all the winners and team members, and we look forward to seeing you at Roma in 2017.

# 119 Shooters at Two Day Carnival

*Ballandean Clay Target Club  
October 2016*

**Ballandean Clay Target Club held their annual 2 day carnival on October 15th & 16th. Some 119 shooters from across Queensland & New South Wales, and from as far afield as Melbourne to the south and Darwin to the north made their way to Ballandean for a weekend of fierce competition, State Pride, and the popular Wilshire & Co 1000. Conditions proved a little challenging at times over the weekend but this did not hamper the enthusiasm of those attending, with plenty of laughs had by all over the weekend.**

Ballandean members felt particularly honoured to have World Champions Mitch Iles and Daryl Stevens competing over the weekend and the club was thrilled to be given the opportunity to promote the sport in the local community by hosting these elite clay target shooters.

*Grade Meterage Joseph McNally with sponsor Todd Wilshire & Ballandean President George Costanzo*

Serious youngster Joseph McNally proved too hot to handle for some of the more seasoned shooters taking out the Wilshire & Co 1000, going home \$1000 richer and even managing somewhat of a smile.

# WACTA State Trap Carnival

Western Australia Gun Club – Whiteman Park – Perth  
September 2016

Western Australia had a long weekend over the 24th – 26th September 2016 and as usual, this weekend was identified as the State Association's premier DTL Carnival, involving 5 State Titles (Handicap, Double Rise, Single Barrel, Double Barrel Points ending with Double Barrel). On the Friday prior to the Carnival, WA Gun Club held some competitions as "warm up" events for the weekend's activities to follow. There were visitors from all over Australia, some

who have been a part of the WA State DTL Carnival for many years plus new shooters vying to put their name on any one of the State Title trophies on offer. The weather held out over the weekend, even though the dark clouds threatened at times to dampen the Carnival.

Many thanks for support of the Carnival go out to our Sponsors over the weekend (Western Trap & Field, Spartan Global, Beretta Australia, Perazzi Australia & Winchester Australia). Other thanks must be to all our volunteers who assisted in running the DTL Carnival, including Martin Smith (MyClubMyScore) and WA Gun Club. Once again as always, thanks to the Trappers who kept the targets loaded and layouts cleared so that all the competitors could enjoy the State Carnival weekend. There were a great number of members who took the opportunity to bring their caravans on site and in doing so, created a "mini-community" for the weekend which at the end of the day produced much camaraderie and interaction.

The WACTA Coaching Division took the opportunity of the State Carnival to set up a coaching information stand about the direction of coaching in WA, including the full coaching program proposal for all to read plus dates about potential coaching clinics whereby funding has been sought through DSR in WA & possible Zone Club Coach courses. There were plenty of back issues of the Coaching Newsletters & some coaching tips for members to take away with them to read at a later date. The newly approved modelling for the WACTA operations was on display as well for all to see & ask questions about. It identifies sub-committees for each area of WACTA operations & every Executive Member is assigned to a specific sub-committee, thereby making every Executive Member responsible in making WACTA advance into the future under the new guidelines by DSR, the Associations Act & ASC.

Day 1 (Saturday 24th) saw two State Titles shot and decided – 25pr State Double Rise Championship (sponsored by Western Trap & Field). Paul Pitaro (WTF) was on hand to do the presentations to the winners of the event, so thank you Paul for the support and presentations. Overall & Ned Harris Perpetual Winner was Steve Haberman (Vic) (49/50) with the Perpetual presented by Elliott Harris. 1st AA – Patrick Guida (47/50) from Matthew Stokes (64/70) after a shoot off with Nathan Biddulph (48/60). AA Grade was not alone in the shoot-offs with

Cameron Ewart (42/50) taking 1st place in A Grade from Rod Appleton (49/50) shooting off against Bernie Biddulph (48/60). It seemed that "shoot-offs" were to be the flavour of the competition as B Grade was also hotly contested and Luke Kealley (56/70) victorious over Peter Appleton (54/70) and Murray Cornish (47/60). In C Grade, a lady

(Liz Pederick 45/60) took on the men in another "shoot-off" but registered 2nd place behind Neil Edwards (43/60) & in front of Rob Pond (38/50). Ladies Overall Winner was Amanda Finn (42/50), Junior was William Freni-Lizzi (43/50) & Veterans Des Neale (45/50).

2nd Event of the day was the 50t State Handicap (sponsored by Spartan Global) & saw places paid out to 10 places with Robin Bailey being on hand to present the Overall Winner with the Robin Bailey State Handicap Perpetual Trophy. 1st place went to Terry Maloney (57/57) after "shoot-off" from Phil House (56/57) followed by Steve Haberman (49/50). It was then that every other further placing was decided on by "shoot-offs". 4th Trevor Morris (54/56), 5th Rod Appleton (53/56), 6th David Whitting

HC Open OA Winner

(53/56), 7th Gary Smith (52/56), 8th Elliott Harris (49/52), 9th Luke Kealley (57/60) after a lengthy "shoot-off" against 10th placing Andrew Smith (53/57).

The day was completed with the Zone Trap Teams competitions between all the Zones that make up WACTA. It was as usual, a very sought after Title of being the 2016 WACTA Zone Team Champions & this year it went to Zone 7 (Northern Zone) consisting

Below: HC Place Winners

of the Paraburdoo, Newman & Nickol Bay Clubs. The Team members were Gerry Maginness, Alan Featherstone, Nick Haynes, Steve Mundy & Ben Welham with Gerry, Alan & Nick shooting "possibles" and the team score being 122/125. Congratulations Zone 7 on excellent scores & shooting but watch out next year, all the other Zones will be fighting harder than ever.

After a night of good friendship with fellow shooting mates & a good night's sleep, Day 2 of the three day Carnival continued. Sunday was the day for the Single Barrel & the Double Barrel State Title Championships. 1st Event for the day was the 50t WACTA Single Barrel sponsored by Beretta Australia with the Roy Holtfreter Perpetual on the table ready for presentation. Overall winner was Patrick Guida (66/66) after a "shoot-off with Steve Haberman 65/66). Haby took out 1st AA from Alan Featherstone (55/56) & Elliott Harris (54/56), but once again it appeared that through all of the Grades there were to be "shoot-offs" to determine positions as A Grade was won by Andrew Smith (47/50)

SB OA Winner

from Clem Riley (56/60) shooting off against the "evergreen" Robin Bailey (55/60). Victorian visitor & lady, Megan Trembath (48/40) took out B Grade from Richard Campbell (48/52) & James Sharpe (47/52). C Grade was also hotly chased after with Nadine Smedley (49/57) win over another lady shooter – Ros Biddulph (48/57) from Rob Pond (44/56). Well done all round Ladies, excellent efforts. Ladies Overall winner was Sandra Cables (54/56), Junior William Freni-Lizzi (50/50) & Veteran Graeme Turner (47/50). Congratulations all on the wins & thank you Beretta Australia for your support plus sponsor-

ship of this great event.

Once the State Single Barrel & all "shoot-offs" were completed the next major event took place, being the 50t State Double Barrel State Title. This was sponsored by Perazzi Australia & Andrew Smedley did the presentation of both the prizes plus the Winchester State Double Barrel Perpetual Trophy & the South West Gun Club Perpetual. A young junior Royce Normington, who many years ago won the Roy Alexander (Himself) & Sons Junior Champion trophy, stepped up as an adult & won the 2016 State Double Barrel Championship with a 231/231 from the in form Victorian shooter Steve Haberman (230/231). Haby once again headlined the AA Grade from David Fox (202/203) & Alan Featherstone (164/165) but it was A Grade that had a definite 1st with no "shoot-off" being Ian Watson (50/50) from Laurie Olivieri (102/103) vying against Sandra Cables (101/103). Luke Kealley (50/51) once again wrapped up B Grade with a bow from Finn Staniforth-Smith (59/51) & Richard Campbell (54/56) all through "shoot-offs" once again. Rob Pond (49/50) was having a great weekend so far this win adding to the tally from a much improving lady Ros Biddulph (48/52) & Todd Bell (47/52). Alan Hocking won the Overall Veterans, Ladies to Jessica Price & William Freni-Lizzi added the Shane Williams Junior Perpetual to his growing glory box of Titles plus sashes.

Presentation was made by John Eddy on behalf of the Alexander family to the recipients of the Roy Alexander (Himself) & Sons State Junior Double Barrel Champion. John mentioned to all present that an icon within both Clay Target shooting & the firearm industry had started the Trophy in support of bringing more Juniors into the sport & rewarding them separately for their

efforts. Many of the Juniors who have won the trophy have gone onto winning State Championships & have their names engraved on the Perpetual trophies. He also acknowledged the loss of a 2nd icon, being Ian Alexander at the start of September. However the most important item, was the awarding of the Perpetual Trophy to William Freni-Lizzi from Digby Boschetti (2nd) & Oscar Eveans (3rd). Thank you to Roy Alexander (Himself) & Sons for the continued support of both WA Juniors & the sport of Clay Target shooting.

Well that completed Day 2 (Sunday) with social drinks, talking & laughter around the Club house until all decided to depart to have another night of sleep in preparation for Mondays "Blue Ribbon" event being the 2016 50t State Double Barrel Points Championship. Winchester Australia sponsored this event & the Overall Winner was Matt Stokes (174/174). It was fitting that Matt should win on the last as he had pushed hard to try & win the 1st Event of the Carnival on Saturday. Matt ultimately hit more targets from AA Grade shooters Gary Kelly (269/270), 2nd AA Patrick Guida & 3rd AA Jason Olivieri (241/243). During the A Grade shooting a young Junior shooter – Digby Boschetti (145/150) was beaten by Duncan Burnett (149/150) & the ultimate A Grade winner of Robin Bailey (174/174). This definitely was a case of the "young & the old" trying to outdo one another. As with the other State Titles over the weekend, it was good to see another lady come to the fore, Tracy Forward (144/150) came 2nd to Peter Appleton (145/150) but in front of James Sharpe (143/150) & then in C Grade it was a

clear cut decision all the way with no "shoot-offs" Rob Pond (137/150), 2nd Neil Edwards (135/150) & 3rd Eric Featherstone (131/150). Ladies Overall Winner was ex WA shooter, Michelle Boase (146/150), Veteran to Des Neale (148/150) & Junior was once again William Freni-Lizzi (148/150). Again, we can only thank our sponsor Winchester Australia for their support of the sport & the Western Australian Clay Target Association (WACTA).

The top people in each category who qualified over the three State Titles (Single Barrel, Double Barrel & Double Barrel Points) then went out to the layouts & proceeded to shoot the ACTA Postal Team scores for competition against

all other states. The Open (15) were Jason Oliveri, Phil House, Gary Kelly, William Freni-Lizzi, Terry Hearn, Elliott Harris, Giovanni Quaranta, Luke Smith, David Fox, Neil Suckling, Luis Ricardo, Alan Featherstone, Mark Evans, Joe Gilbert & Keith Roy. Phil House was "High Gun" of the Team & was presented with

to the layouts for their Postal Team shoot with Des Neale, Robin Bailey, Allan Hocking, Garry Scott, John Eddy & Graeme Parsons all making the Team, whereby Des Neale was High Gun of the Veterans Team. As for the Juniors, we only had 3 but that didn't mean that the talent was reduced in any way with Digby Boschetti, Oscar Evans & Joel Curtis representing WA in the Posta Team. Digby Boschetti "High Gunned" the Team & was presented with the WA Coaching Council Perpetual Trophy for his outstanding effort. All the very best to all the Members who made the State Postal Teams & will make the State Representative Teams that travel to Wagga for the DTL Nationals (24th March – 1st April 2017). No pressure, but it would be nice to have the Open Team win in 2017.

As tradition holds in WA, the oldest Club in WA has a replica wooden cartridge named after it & is presented every year to a Club Team consisting of 5 people that shoot the Single Barrel, Double Barrel & Double Barrel Points to achieve a result. This year the "Katanning Bullet" was presented to WA Gun Club (1203) & its Team members being Luke Smith, Trevor Morris, Jason Oliveri, Santo Tassone & Giovanni Quaranta. These Team members have now their names linked with some of the finest clay target shooters of the State that are present on the "Katanning Bullet".

Immediately after the "Katanning Bullet" presentation was the "Pine Hauliers Junior Postal High Gun" initiative that started some 10 years ago by Greg Coverley, the then owner with his family, of the business Pine Hauliers from Collie. The Postal High Gun" initiative is one whereby the results of a Junior attending as many of the disciplines shot in

The Ladies team consisted of Jessica Price, Sandra Moffatt, Deanne Blake, Amanda Finn, Tracy Forward & Sharon Johnson with High Gun being Jessica Price & being awarded the Michelle Alexander State Ladies Trap Team Perpetual trophy. There was no shortage of talent when the Veterans took

This year it was between Oscar Evans & William Freni-Lizzi. William won by having shot all the DTL disciplines plus ISSF & was presented by Jon Dyas on behalf of Pine Hauliers, the 2016 Pine Hauliers Postal High Gun trophy. Congratulations William & thank you to Greg Coverley through Pine Hauliers for the support now & past as we are unsure if this will continue into the future as Greg has since sold Pine Hauliers.

Each of the Grades were presented with High Guns being AA Patrick Guida, A Robin Bailey, B Luke Kealley & C Rob Pond. The overall Ladies High Gun was Jessica Price, Junior was William Freni-Lizzi & Veterans being Des Neale but the man who took the highest honour of Carnival

# Spring Fling & 50th Anniversary Shoot

November 2016*

**The Glen Innes Clay Target Club's Annual Spring Fling incorporating our 50th Anniversary Shoot on Saturday 5th November. It was a warm fine day, however quite windy, just to test the competitions skills.**

The Club would like to thank all those who helped out behind the scenes at the working bee, and on the day. Also thank you to those that helped in the office and kitchen.

Following our July monthly shoot, we held a 50th Anniversary Reunion Dinner. Many past members attended to reminisce the history of the Club. Plenty of old photos and memorabilia and a slide show were on display, bringing back many memories of bygone days. They were Don Hall (founding President 1966, 1967, 1973 and Patron), Jack Alt (founding Treasurer 1966), Don Macansh (President 1968–72), Harvey Young (Publicity Officer 1968–1973), David Robertson-Cuninghame (only member to have been a member for the 50 years) and Bob Coldham.

The Club was originally known as the New England Clay Target Club and held its first shoots at the Dundee Sports Grounds until Bob and David Weir offered the Club an area on their Yarraford property on the Ranges Valley Road. In 1983 the club's name was changed to the Glen Innes Clay Target Club. In 1991 the property was sold but the club was allowed to continue to use the grounds. In 2001 the Club moved "lock, stock and barrel" to its current location at the Stonehenge Recreation Grounds. The new grounds were opened in February 2002.

Over the years the Club has been represented at regional, state and national level notably by Andrew Futter (deceased), Monte Klingner (deceased), Noel Campion, Craig Bloxsome, Allan Kempton, David Robertson-Cuninghame, Bruce Hunter and Ralph Larkings. Andrew Futter volunteered at the 2000

Olympic Games in Sydney and served as the Zone Delegate to the State Association.

President, Ralph Larkings welcomed everybody. Don Hall, Raelene Watson and Paul Wright all reminisced on their times with the club. Greg Burey bought along a bottle of port that was available for purchase from our 25 year celebrations in 1991. David Robertson-Cuninghame was given the privilege of opening the well-brewed bottle which was then shared around.

Our next major shoot will be our Sapphire Shoot on 4th and 5th February 2017.

# Western Australia State ISSF Carnival

Western Australia Gun Club – Whiteman Park – Perth  
October 2016

*At last, all the coaching and competition was to be into full practice with the annual State ISSF Championships being held at WA Gun Club over the 7th–9th October 2016. The targets & grounds were ready thanks to the tireless work of Kayden Halliday plus many others from WA Gun Club, so all that had to happen was for every person who had ever shot ISSF Trap, Double Trap & Skeet to turn up and compete.*

Over the year there had been two in depth Coaching sessions plus the six Qualifiers, from which the State Travelling Teams would be selected as the WA Representative Teams for the 2017 ISSF Nationals being held in Perth from 16th – 21st January 2017. There has been an increase in interest over the past year for the ISSF disciplines, especially in the female & junior areas. Therefore, through the ISSF Delegates (Mike Foley & Simon Vogel) we specifically marketed the coaching so that the females & juniors were given “one on one” on a Saturday of the Coaching Clinics and this then allowed for everyone else on the Sundays. Thanks to both Mike Foley, Linton Tuckey & Simon Vogel for their persistence in getting the Coaching Clinics activated using Murray Alexander OAM (Advanced Coach – Ex Olympic Coach) & Christine Alexander (Competition Coach) to provide the intricacies of ISSF shooting to all of those that attended. Thanks also to Anthony Snooke & Elliott Harris plus the CMT Clay Target Club for hosting the Clinics.

Friday 7th October saw the 2016 State ISSF Double Trap competition be undertaken with 15 shooters present to fight for both the State Title and be part of the WA Representative Team for the 2017 ISSF Nationals. Chris Ewen (Narrogin) went into the Gold Medal shoot-off against Anthony Snooke, having scored a 121/150 before the Final & Medal Matches took place. The Final saw Andrew Brady, Nick Haynes, Chris Ewen, Joe Puglia, Daniel Matokovic & Anthony Snooke shoot-off for the Medal Matches.

In the end, Chris not only had the top score but also the Gold Medal & WA State ISSF Double Trap Title in his grasp, not bad for a “first timer” at the discipline. Andrew Brady & Nick Haynes shot off for Bronze Medal. The team, who received the WA State Badges from the competition conducted over the day, were Chris Ewen (Ngn), Marc La Vertu (WAGC), Anthony Snooke (CMT), Nick Haynes (Paraburdoo), Daniel Matokovic (WAGC) & Joe Puglia (WAGC). However the members who qualified through attendance at the State Qualifiers & State Title for the WA State Travelling Team for the 2017 ISSF Nationals are Anthony Snooke, Marc La Vertu & Chris Ewen with Nick Haynes plus Daniel Matokovic as Reserves. Thanks Andrew for attending from the eastern states, it was good to have some external competition to make the WA boys work harder for the Title.

Now it was time for the WA ISSF State Trap & Skeet Titles to be conducted over the Saturday & Sunday. Throughout the competition on Saturday, some very heavy rain fell that made the competition go under cover for a while, especially in the Skeet & the sky was very black from time to time over the day. The ISSF Trap saw three Ladies, two Juniors & 20+ Open competitors with five Veterans a part of the competition. In the ISSF Skeet there were five Open & 2 Ladies with Rich Sammon (Vic) in attendance to give the Skeet boys some competition.

Saturday saw the Ladies completion in both ISSF Trap & Skeet concluded over 75 targets

ISSF State Ladies Skeet

then Finals & Medal Matches. Unfortunately due to numbers, no Final was held in Skeet with only the Medal Match which saw Laura Coles (10/16) win from Chris Alexander (8/16). In the ISSF Trap, Tracy Forward (Gold) won from Nadine Smedley (Silver) with Carly Smith winning the Bronze. The “Badged Team” was Tracy, Carly & Nadine with all three being the State Travelling Team for the 2017 ISSF Nationals. In the Ladies ISSF Skeet, there was no Travelling Team.

& Double Trap will be Des Neale & Joe Puglia.

Meanwhile over at the ISSF Skeet, the men were making sure that their targets counted towards the end goal – the WEA State ISSF Title. In amongst the competitors was a new ISSF Skeet shooter, Paul Lawler, learning & watching intently the techniques of the other competitors present. Rich Sammon was leading throughout the entire competition, but both Glenn Coles & Frank Verona were pushing him at times. Glenn & Rich shot off for the Gold Medal match whilst Paul & Malcolm Waltman shot off for the Bronze, with Paul being successful in getting the Bronze. The “Badged” Team consisted of Glenn Coles, Paul Lawler, Frank Verona & Malcolm Waltman. There is no State ISSF Skeet Team qualified for the 2017 ISSF Nationals.

At the presentations, there was a traditional presentation of the “Harris Interclub Perpetual Shield”. This used to be between just the two ISSF Clubs, being CMT Clay Target Club & WA Gun Club. However, as time has gone on & more members from other Clubs have participated in ISSF, it was decided that it should be opened up to all Clubs attending, if they could form a “three man team”.

This year, it gave Elliott Harris (son of John Harris) pleasure to present the

Shield to Chris Ewen, Simon Vogel & David Whitting from Narrogin Clay Target Club. Congratulations guys & very well won.

The State Coaching Director (Chris Alexander) was asked at the presentations to talk about Coaching directly related to the ISSF & WA. She acknowledged that in working with the ISSF Delegate (Simon Vogel), a pre-Nationals Coaching Clinic for 3rd & 4th December at CMT, a preliminary 2017 ISSF Coaching & Competitions Calendar has been introduced showing Interstate ISSF Carnival dates plus International ISSF Open Championships that all can attend & Coaching Clinics scheduled for 2017 that have been agreed to by both WA Gun Club & CMT. With identification of the International Open's, it means that ISSF members from WA can enter the completion as individuals & not have to be in the Australian

# 38th Anniversary for Lake Albert

Lake Albert Gun Club  
October 2016

*Well, another year has come and gone, and once again on the long weekend of October 1st & 2nd, the Lake Albert Gun Club on the Coorong at Meningie in South Australia hosted another successful Anniversary shoot.*

This year was a little special for the club in that it was not only Lake Albert's 38th Anniversary of having 2 day shoots on its Birthday, but also 30 years at its current location, 40 years since the club was re-formed after a short recess, as well as the town of Meningie celebrating its 150th Anniversary. For a club that was established in 1948 and coming up to 70 years soon, it has seen its fair share of changes and continues to strive forward and to grow.

The week leading up to our weekend was certainly not kind to us with the weather conditions

being nothing short of horrendous. All over the News on TV there were floods everywhere from torrential 1 in 50-year rain events, cyclonic winds uprooting everything in their path and State wide power blackout's.

A few brave caravanners still showed up on the Friday, but the afternoon practice was called off due to the insane wind. Still, 25 people made it out on the Friday night to our traditional evening dinner at the Cheese Factory at Meningie, all concerned of what the weekend was going to hold for us.

Then, as if someone waved a magic wand, when we woke up on Saturday morning, everything had passed and it was a calm clear day. There was the early morning scurry of activity as traps were set for speeds, angles and heights for the day. Competitors slowly started pouring in but

the weather conditions had taken their toll as we were 3-4 squads down on last year.

Nevertheless, we all went out for a practice in beautiful calm conditions and then everyone was called for a quick briefing before the games began. Competitors were all eyeing off the 13 sashes that were on offer and selecting the ones they were going to win! Then the first event got under way.

The 50 target Double Barrel was hosted by LAGC club member Rhys Fisher from Yarli Pastoral. The final results looked like this: C grade 1st went to Trevor Smart and 2nd to Kevin Redford. B grade was won by Greg Ferguson, and only one point behind was Molly Bretag in 2nd. 'A' grade winner was Rito Borzillo, with 2nd place going to John Bretag. Finally, AA 1st place went to Robbie Clark, 2nd was Phil Mules and the 'Overall' was taken by Martin Collumb with a 90/90. Great shooting Martin!!

Second event of the day was a 25 target Points Score and was kindly sponsored by LAGC Life Members Phil & Enid Johncock who have been contributing to this club for generations. Once again, in near perfect conditions, the winners of the event were: Lil Franklin took 1st in C grade and Trevor Smart 2nd B Grade was won by Barry Sims with Vince Petraccaro picking up 2nd place. 'A' grade went to Ryan Foster who shot a perfect 75/75 and only 1 point behind was Darren Beyer in 2nd place. Robbie Clark took the 'Overall' as well as 1st in AA grade 87/87 with Tim Dunn coming in just 1 point behind on 86/87 for 2nd place.

The last event of the day was the Appellkamp Brothers 25 target Single Barrel. This event was also hotly contested in all grades with Trevor Smart once again scoring 1st place in C grade over Malcolm Jurgs 2nd. B grade winner was Greg Ferguson and in 2nd came Vince Petraccaro. 'A' grade was taken by Noel Johncock with

Team. This will only help WA members with their skill & competition level when attending future Nationals. All in all, if we can retain & get more interest in ISSF through these initiatives, then our sport will be a much better place to enjoy our leisure time.

Over a competition weekend, there are always people who should be thanked for their tireless efforts or support, so this is for all of those people. First of all, thanks must go to Paul Pitaro (WTF & Nobel Sports agent) for having sponsored the entire State ISSF Carnival with Nobel Sports ammunition thank you Paul, it made the ISSF competition

equal to all the other State Titles. Then thanks must be registered to Andrew & Nadine Smedley plus Vince Lizzi for the unrelenting office work & photography, Nadine & Tracy Forward for the catering and everybody

else who helped out at any time throughout the 3 day ISSF State Titles to make it a very enjoyable & worthwhile event to attend.

The only other thing to be said is to all the ISSF Members, whether they are part of the State Teams or individuals, all the very best in whichever competition you undertake at the 2017 ISSF Nationals in Perth. Everyone come along, shoot well & as always, do the State proud.

This Single Barrel event is always shot in conjunction with LAGC Life Members Keith & Sandie Appelcamp shoulder to shoulder team shoot. Taking the honours, the medallions and having their names on the perpetual shield this year was Lake Albert's own No. 1 team made up of D. McPherson, R. Fischer, H. Jurgs, D. Beyer & N. Johncock combined score of 111/125. Great work guys to bring the shield back home for another year!!

When all had gone quiet, everyone made it in to the clubhouse for presentations. The Day 1 High Gun were awarded to their rightful recipients being Phil Mules for Veteran, Sue Byrnes for Ladies, Molly Bretag Junior, and Robbie Clark took the Overall Open winning the Silver Medallion with an amazing 148/150. LAGC Foundation member Richard (Dick) Ayres came in to tell a few stories on the past years of the club over a few drinks and a few laughs. It was interesting to hear the amazing history from one of the greats of this sport. Very informative and entertaining. Thank you Dick. A good number of participants stayed on for a magnificent dinner thanks to the generous contribution from Sandie and Keith who slaved tirelessly in the days before to get all their home made goodies ready, including the desserts.

On the 2nd day we woke to some breezes, but it was still a nice day compared to what we had seen leading up to the weekend. After practice, we got straight into the first event which was a 50tgt. Points Score hosted by Bill Brown from Coorong Apiaries, making the absolute 'best' honey in the area. Our eventual winners saw Kevin Redford take C grade with Trevor Smart featuring once again and picking up a 2nd placing. B grade winner was Greg Ferguson with Barry Sims just behind in 2nd. 'A' grade 1st was Darren Beyer followed very closely by NJ Dreyer with 2nd. Martin

from outside our club, that give of their time to make sure the events and days ran without a hitch in the office, on the grounds and in the kitchen. Also to the generous donators toward the dinners, afternoon tea's and raffle's. Thank you all so very much for your help and assistance. On a last note, thank you to all the shooters that participated and travelled to compete and helped to make it a fun, successful and entertaining weekend. We hope you had a great time at our club and we hope to see you all again in 2017.

## 38th Anniversary for Lake Albert

*Continued from page 23*

Collumb took the Overall + AA grade 1st, and Tim Dunn was 2nd only 2 points behind. With only 1 event to go, the usual jostling for positions at the scoreboard was taking place to see what had to be done and if anyone's chances were still recoverable, or if they were a train wreck!!

We all headed out to the traps for the one last opportunity to pick up a placing on the last event of the day which was hosted by Swan Farm Machinery. The 50tgt Double barrel event winners were: Kevin Redford 1st and Trevor Smart 2nd in C grade. These 2 guys had had a great weekend. Barry Sims won B grade, followed closely by Richard Wheaton. Rod Aherns took out 'A' grade over Darren Beyer, and Hamish Jurgs got the sash for Overall & AA grade, just 1 point over Robbie Clark in 2nd. This last event is also shot in conjunction with the Meningie Hotel shoulder to shoulder 5 person team shoot. This year the winning club was Monarto with a combined score of 243/250 and made up of R Clark, T Dunn, P Mules, R Foster & M Collumb. Great effort guys.

With the shoot off's done and all the scores tallied, it was time to have a well-earned break and call up our High Guns for Day 2. These were: Molly Bretag Junior, Deb McPherson Ladies, Peter Rundle Veterans & Martin Collumb got the Silver Medallion for the Overall High Gun with a magnificent 195/200.

At this point it was time to have our Auction. Craig Pulford kindly donated a \$140.00 New York skateboard. Opening bid was \$150.00 and Martin Collumb took on the Auctioneer. After a fierce battle towards the end between 2 contenders, the new proud owner became Darren Beyer.

The final formality was to recognise the achievements of the highest scoring participants in both the grades and the categories. Sashes for these high achievers were sponsored by Swan Brothers of Meningie, and the trophies/prizes were sponsored by John, Ruth & Molly Bretag.

Our Junior Encouragement award this year went to our newest LAGC lady junior Leah Ferguson who is out there doing her best and achieving some personal goals, milestones & PB's. This year our Overall 2day recipients' were: Junior Molly Bretag 284/350, Veteran Phil Mules 331/350, Ladies Deb McPherson 299/350, C grade Kevin Redford 298/350, B grade Barry Sims 312/350, A grade Darren Beyer 331/350. The 2-day Overall Open High Gun is always kindly sponsored by Judy Appelpkamp, and this year the Sash, prize and honour went to Martin Collumb with 340 out of a possible 350 points. Congratulations and well done Martin.

No sooner had we finished the presentations, we started hearing that dreaded rain on the roof. It was back, and it didn't let up again for a few more days. It did, at least, let us get through the 2 days with calm clear conditions.

This weekend we saw a lot of red scores on the board over the 2 days. We also saw numerous grade changes upwards and would like to offer our congratulations to all those that made a move forward in your career. Finally, thank you to all the behind the scenes quiet achievers from both within and

# Alice Springs Masters Games

## 30 Years on 1986–2016

October 2016

### One Hundred Shades of Grey Shooting for Gold

*The Alice Springs Masters Games (ASMG aka Masters) officially started for us in October 2015 when registrations opened and we were informed that all places were full within 12 days. And of course, there was no way of putting the genie back in the bottle, so once again we were full steam ahead to prepare for shooting mates, pals, buddies, friends and chums from previous years along with a few new faces girding their loins to take their place in the biennial competition held in Alice Springs.*

As you would have seen in last month's magazine, we offer an eye opener on the weekend prior to the Masters and this competition warms the pot and gives us a clear indication of what's coming. Once the caravaners start to roll in, any trepidation about running a large competition dissipates because they really are the front line of helpers and support workers.

Thursday 6th October was our official practice day and it passed in a hilarious haze of kisses, hugs, reminders, reminiscing, remembering, introductions and a bit of shooting.

Friday started early with 50 target skeet which I seem to recall was won by Glenn O'Brien with a nifty 48/40 followed by 25 target Continental Points Score which went to Glenn O'Brien again (but only after a shoot-off with Graham Sweeney and Danny Hill who also shot 74/75).

Competition over and before we could start on presentations, Housekeeping notes were the order of the day. And first thing on the Agenda. Don't pinch the Flags. Enough said.

We were very happy indeed to have Robert Fox

1986 Masters. Front cover photograph of the CTSN News, December 1986

(V/P ACTA) attend the competition and shooters were pleased to have access to an executive member.

The Lost Target Bar was renamed the Crow's Nest Bar, honouring both Ayers Rock shooter Rod LeStrange and local man Jim Niland who are the only two competitors to have lasted the test of time and competed in all the ASMG competitions. We didn't actually mean for Rod to pull his bus up outside the bar and stay for the duration.

Rod might have been important on the day, but that didn't mean he got out of work and he had spent the day as Shoot Marshall getting shooters lined up and ready and showing Tim Grace also from the Rock how to keep things on a roll. Shoot Marshall Boss and Shoot Marshall interne sporting donated Bronze Wing hats adorned with a large shiny black crow so that competitors would take them seriously.

18 new shooters making their Masters debut were introduced and presented with 2014 Backpacks to feel not-so-new. A name badge advertising their newness and they were huddled off the stage to make way for the introduction of 20 wood ducks who were presented with their one-off fur winter hats for snow shooting. I guess I should have explained that they weren't expected to wear them in the Alice's 38 degrees. Anyway, they didn't really need introducing because within a couple of days they were easily recognised as not only wearing fur hats,

Daryl Somers and the Ambassadors with medal winners

but appearing to be barnacles attached to raffle books.

The wood ducks run a daily raffle (akin to financial force feeding) and they once again donated a hefty sum to the club on the final day. This money has in the past purchased the club 3 new club guns and the competitors can rest assured that their "donations" look like buying us a new trap which they will be shooting over in two years. This is something we don't take for granted, and the good heartedness of the ducks and the competitors assists us mightily.

This year the ducks presented us with a new Miroku club DTL gun choked for skeet as well with all the bells and whistles from the proceeds of the 2014 raffles. Many thanks to Angelo from A & W Grassi for assisting with this as well.

*The Wood Duck team from Woods Point*

Next up was the introduction of the Master of Masters. Glenn Norris from last Masters had to pull out so the way was clear for long term supporter Barry Sweeney from Guyra who has been waiting patiently for the honour. Only he couldn't come this year. Woodsy from Wood Point is on the wait list as second in line, and in third place was Johnno just waiting to get his hands on the key to the bar, but the overall oldest shooter was Dave Rosenhain, who incidentally was the first wood duck to come to the Masters in 1992. So we can assume that this biennial migration is all down to his fault. The Master of Masters is venerated at the club, as is the due of an elder shooting statesman. All his expenses are covered by the club or anyone unfortunate enough to be standing next to him at the bar for the duration of the shoot. They usually give a speech of thanks, proud of the honour and then usually say they eat and drink little, but our profit margins show this is not the case!

We can't have a Master of Masters without a run-around lackey and chair getter-er, and hence next up was the Masters Apprentice. None other than fellow Wood Duck, the youngest shooter Trevor Ewert a first timer from Glengarry in Victoria. What an introduction to the Masters, run off your feet, catering to every whim.

Saturday morning was filled with the 50 target Double Barrel and we ended up with some great

scores with overall going to Tennant Creek man Keven Stout with 81/81. This was after working the crowd for the morning doing the rounds wearing his Termite Hat as Shoot Marshall – no free ride at this club. It was a short day since we all needed to be still fresh enough to march in the opening ceremony parade. And march we did, with pretty much most of the 80 competitors lining up to show a force of strength. A great advertisement for the popularity of clay target shooting. The parade starts in the town mall and ends up at Anzac Oval, and we were led in by a rightly-so proud Rod LeStrange, one of only two shooters to have competed in all games. Rod was welcomed onto the grounds with the following tribute from the MC

Rod aka "the Crow" from Ayers Rock Gun Club has competed in all of the Alice Springs Masters Games and is only 1 of 2 shooters who have done so, the other being local Jim Niland. Rod has been shooting for 33 years, all of those at The Rock and has been President of that club for the past 20 years. He is a top grade shooter who has represented the Northern Territory in team events at the Australian Nationals. Rod is a dedicated coach and has been an inspiration to many of the members at his local club. He has always been a competitive shooter, but says he is now more passionate about having fun with shooting and helping others enjoy the sport.

Such an example to the sport of clay target shooting and then all went well, until video evidence emerged of the Crow doing the samba-rumba-poomba-hokeypokey-fall down dance at the opening ceremony concert. The video was of course confiscated (after everyone at the club had seen it). Not that we were embarrassed by one of our longest serving competitors and all-important flag-bearer, but our club knows a money making opportunity when we see it and this will be a YouTube extravaganza. Out with the "what happens on camp stays on camp" rubbish.

In fairness to the revellers, we started a bit later on Sunday, but still some shooters materialised with both dubious appearance and whiff to have a go at 25 target Single Barrel and 30 target Mixed (Double, Single, Points). With well decked out tartan millinery attire, the Shoot Marshall McGregors kept things rolling along well enough for Brendan Jones to swoop in with 28/29 in the Single Barrel and then Danny Hill with 50/50 in the Mixed. Trevor Newman's 123/125 wasn't bad either.

Presentations went off without a hitch with non-other than Daryl Somers officiating, but couldn't be finalised without recognition of Bull's bravery. Since we are a caring Club and therefore support all our visitors as much as possible, when we heard of Bull's nocturnal massage habits, after accidentally booking into a massage parlour not quite renowned for therapeutic massage, we had a small gift for his wife to while away the lonely hours on the road in case he had picked up some bad habits.

Peter Brister was overheard on a particularly windy and dusty day "and then the target came out and went Woof, accompanied by appropriate descriptive arm movements. And then the next target came out and went Woof. Must be an SA thing because our targets generally just go up, down or out. Anyway, just to support a crow eater we gave him a small gift to accompany his Woof.

with club chef-extraordinaire Rudi Sebastiani to provide a scrumptious Italian meal. We did take the liberty of telling Johnno it was especially for his birthday, but I think he was much more interested in his gift of a "piece of . . .". Oh well, it doesn't really matter now.

Monday and sombreroed Mexicans from Ararat Gary Hargreaves and Bill Harris took over the baton as Shoot Marshalls for our 25 target Handicap followed by various attempts to shoot targets in 25 target Sporting Clays. Ian Findlay was our only 25/25 and Tony Carlesso took out the Sporting Clays with a well shot 34/40

The Broad Butt Barmaid Challenge Event was held over the ACTA Handicap event. This trophy challenge was made up of teams drawn from a hat. As it turned out, team scores ended up all very similar, so we had achieved our goal of teams with mixed grades. Our winning team was Peter Brister, Neil Paton, Johnno Johnson, Ian Findlay and Des Lawler. All names now engraved on our trophy and the boys sporting new Broad Butt Barmaid Challenge pink winner's hats.

Ball Trap wasn't included in our program, but since we are pretty chuffed with our flash new layout, we set up the Ball Trap for visitors to experience some screaming shadows fun. Well, we didn't set up, this responsibility was handed over to the Gropers who ably stepped up to the plate

and took over. Since Sporting takes a fair bit of man power to organise, this took the pressure off club members, so thanks to all of you. I wasn't there much, but I'm guessing the top score might have been 9/25 or something similar.

We were very honoured indeed to have Dawn Fraser come out to the club to be our final day presenter and she got into the swing of things straight away and enjoyed the joviality of the presentations.

The Broad Butt Barmaid Sash to David Frazer for helping the Barmaids by mixing his own drinks, while Frosty's Lost Target Bar Award had to go to Tanya Evans for complaining about too many drinks and cocktails, looking for sympathy and then whipping up a storm in the next event with a great score. Sympathy gone.

And then the Poor Bastard Award. I think everyone who has a heart has been at a shoot at some time and heard a heart rendering story "dropped his 100th target", "left the safety on in a shootoff", "hit the trap house" and then uttered a hushed "the poor bastard". The Masters don't do hushed, so when Paul Dixon, who had been shooting well and going from strength to strength came out with a where-did-that-come-from 9/25, he had no competition for the sash. Although he took it with pride announcing it was his first ever sash.

*Dawn talking up clay target shooters*

The Pigs Might Fly Award simply had to go to Rod LeStrange for thinking he had the moves at the Masters Games Opening Cere-

mony. Signing our Flying Pig statue is a bit like a Star on the Walk of Fame, and Rod's on there, out and proud. He almost won it for being snake catcher exceptional. He shouts out from the men's toilets "there's a snake in here". After being told to simply put it away, we realised he really did see a snake. The less said the better.

Our King Dick sash (known in some circles as High Gun) went to Glenn O'Brien with 277/300 and our King Duck was won by Trevor Newman skinning in with a 276/300. It's always just that one target hey Trevor?

When a small country club hosts a large 4 days competition, there are always so many out-of-townners who help in so many ways. We all know that club members are encouraged to pull their weight, but when the helpers aren't club members, or some even non-shooters, the thanks are extra special and genuine.

Frosty the Barman who worked Bar up to Bar down for all 4 days, lending a sympathetic ear, well not really, just ask Tania.

Thank you from the club and anyone who ate at the club to amazing Anne, Sue, Maureen and Pam from Rogues Corner, along with Carol who all toiled away laughing and skiting. Just so very appreciated.

A special thankyou to Tania Evans who is a member of the Alice Springs Club in all ways but officially. Behind the bar, serving food, just being there.

What about the great job our batch of shoot marshalls did; Rod, Tim, Keven, Linda, Mac, Gary and Bill, keeping squads on time. Hopefully the job was made a little easier by the fact that Steve Whitehead had spent hours on our traps and serviced every single one of them, so no delays there.

And Mel, what would we do without her. Not a shooter, not a member, just a delightful (and knowledgeable) worker, pounding away on the computer in the office.

Results are only minimally included in this report because winning is not a priority at this shoot. Hoping everyone else shoots well is the priority along with just enjoying each other's company. If you are interested they are listed on the Alice Springs Masters Games site.

Quick messages of get-well-quick in time for 2018 go out to George, Shippy and Tommy.

And a forward planning thankyou to Johnno and Pauline for their special and generous donation to get us started on a new fund-raising venture.

And there you have it most of what went on at the Alice Springs Clay Target Club over the Masters weekend. If you think you have the bottle to join in with some pretty hard-core good-timers, the next Masters Games is scheduled for October 2018 and enquiries may be directed to Merv Sweeney on 0439 847 933 or pumba827@gmail.com

# Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

## Skills Audit

Like many shooters, I read Clay shooting magazines from the UK and the USA.

What is interesting in these magazines is they often talk about the clay shooting season because it is too cold, wet and unpleasant to shoot in full winter.

In the temperate areas of Australia, we do not have an off-season, because the weather, daylight and conditions mean that we can shoot all year round. That means there is no break from one year to the next. This means that there is little time to take stock of what we have achieved this year and what we want to achieve next year.

As this article is being published in January it seemed a good idea to look at where our skills may be and what improvements may be needed.

In the past at mental skills workshops, I have talked about doing a skills audit to work out what you are good at and what you need practise in and what you might need to learn or relearn. I have broken this skills audit into three components: physical skills, technical skills and mental skills.

PHYSICAL SKILLS	TECHNICAL SKILLS	MENTAL SKILLS
core strength	<i>Specific skills for trap</i>	Goal setting
stamina	Dealing with difficult targets	concentration
endurance	Shooting double rise	relaxation
Resistance training	<i>Specific skills for skeet</i>	attention
Cross training	Dealing with difficult and problem targets	visualisation
	<i>Specific skills for sporting</i>	Mental rehearsal
	mastering springers	Mental pre shot routine
	mastering crossers	
	mastering loopers	
	mastering battues	
	Pre shot routine	

Physical training can involve anything from walking, jogging, swimming and or cycling. Physical training with help from a life coach or physio will help deal with those problem muscle groups and get you back on track faster. You need to have a definite plan and if possible a buddy to work out with. This is essential as a motivator and keeps you committed because you will not want to let your buddy down. Secondly keep the sessions time limited as this will mean that you will not feel resentful about the opportunity cost of doing the exercises. Yoga, Pilates and Tai Chi are also great ways to boost physical skills and so too is getting rid of destructive behaviours such as smoking, drugs, steroid use and sugar.

Technical skills coaching should involve a coach to guide your technique. You will need to develop a plan with your coach to focus on problem areas such as difficult targets or dealing with problems such as distractions, weather, etc. Plans are all well and good but there must be a commitment to completing the plan.

Mental skills training focus needs to be ongoing and continue throughout the physical, technical training sessions and in the competition itself. For most sports, and any shooting discipline is no exception, the mental focus needs to be at least 90% mental while the physical aspect is only 10%. Now it is impossible to spend 90% of the time on mental training as it would be boring but in ten minutes of visualisation you can shoot 100 targets and shoot them all and shoot them well. Mental skills training is not just imagining you are shooting targets. It also involves relaxation, breathing, goal setting, concentration, mental rehearsal, etc.

In the past I would have stopped here but there is another skill that needs to be added; Competition skills.

PHYSICAL SKILLS	TECHNICAL SKILLS	MENTAL SKILLS	COMPETITION SKILLS
Being fit and healthy	Being confident and competent	Being mentally attuned during competition	Dealing with anxiety
			Arousal level
			Control
			Competence
			Confidence
			Focus
			Pre shot routine
			Post shot routine

Competition skills are the outcomes you develop around how you want to compete now and in the future. Competition skills are very important for B and C grade shooters who want to improve and move up the grades. It is very easy to feel overwhelmed or embarrassed about entering and competing in big competitions such as state carnivals or Nationals. These events and the experience you gain from competing in them will help you be a better shot back at your local club.

So as you read this in January, give some thought as to what you want to achieve in the next year and whether you have the skills set to help you achieve these goals.

I have put together all the articles that I have written for the CTSN (and some that have not yet been submitted) on CD. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

# Bordertown's Birthday

*Bordertown Gun Club  
October 2016*

The weather on the morning of the first day did not look promising with a cold southerly wind and a brief shower early. However a great roll up of 56 shooters from as far afield as Ballarat, Beaufort, Kerang, Hopetoun, Jeparit, Horsham, Mildura, Mallala, Adelaide, Monarto, Wilkawatt, Lake Albert, Kingston, Naracoorte and Mt Gambier.

The first event, 50 Target State Continental Points Score Championship made for some very challenging shooting with the strong frontal wind pushing the high targets higher and higher very quickly!

Only three shooters managed scores over 140 out of a possible 150!

Mathoura Gun Club October 2016

*The October shoot at the Mathoura Gun Club could not have been held in better weather conditions for the competitors, being mild and calm for the entire shoot. It was a very good roll up with shooters from a wide area, being Kyneton, Euroa, Castlemaine, Numurkah/Shepparton, Kerang, Echuca, Deniliquin, Cohuna, and of course Mathoura. It was just as well that shooters were available for an early start as it looked like being a fairly late finish, and yet with the shoot running smoothly all evening, it was not really late at all.*

A 15 target Double Barrel Trap Cash Divide was the opening event, and yet even with plenty of very good shooters in attendance, just one competitor was able to shoot the only winning score of 14/15. Kerang member Les Comensoli was that shooter and he collected all the first place cash for his effort. April Thompson and Nick Dean (Echuca), Scott Eddy and Tom McCluskey both Mathoura members, Laurie Fitzpatrick (Euroa), and Michael Rowan (Deniliquin), all shot just one target less, and their 13/15 score earned them all a share of the 2nd place cash.

Event Two, a ten target, Single Barrel Tower Cash Divide, and again

not one possible shot so a 9/10 score was the winning number for Peter Finn (Shepp/Numurkah), Laurie Fitzpatrick, Harry O'Connor (Mathoura), and Nick Dean, and they all collected a share of the total cash prize.

Event Three was the main event, being a 25 target, Victorian, North East Zone, Night, Single Barrel Tower Championship, and it was Castlemaine's, Ricky McKinnon's, turn to win with an unmatched 23/25 score, and he collected the Overall Winners Sash, and the 1st place in A/AA Grade Trophy. Good shooting under lights Ricky, congratulations! B Grade 1st went to Kerang's Geoff Hogan, having survived a brief shoot off, and ending with a winning score of 23/28. Mathoura's own, Thomas McCluskey, shot a 20/25, and that score earned him the 1st Place in C Grade Trophy.

A very competitive shoot that ran smoothly all evening and it was well attended, and with Donna McCluskey keeping everyone well fed and watered, it would have had to have been enjoyed by all who attended.

# Annual Two Day Shoot

*Callide Dawson Clay Target Club  
September 2016*

*The Callide Dawson Clay Target Club held its annual two day DTL shoot on the 3rd & 4th September 2016. A roll up of forty eight keen shooters ensured good competition with all grades well represented. Shooters travelled from Gladstone, Bundaberg, Hamilton (Vic), Maryborough, Mackay Sarina, Springsure and Rockhampton clubs, many repeat visitors from previous years along with some new faces joining the fun.*

The weekend's shooting commenced with practice on Friday afternoon, Saturday dawned quite mild with ideal shooting conditions promised for the weekend.

Gary Wright set the pace early with a 50/50 in the medley, Bruce Powell shot a solid 30/30 in the single barrel event to win overall. The 30 target double barrel won by Bruce Powell as well after a brief shoot off. This year saw four juniors nominate, in Bradley Graving, Preston Amos, Glenn Streeter and Travis Streeter, these four young men have a bright future in front of them all collecting prizes over the weekend.

Sunday dawned another fine day for shooting, shooters and families were treated to hot breakfast cooked by Brett and Brad Graving. Tami and the catering volunteers kept everyone well fed over the weekend. Shooting re-commenced with competitors facing the 50 target points event, perfect scores did not eventuate. Bruce Powell won overall. Callide Dawson shooters cleaned up in the handicap with all 5 places going to club members.

Scott Becker took out first place with a very credible 29/30 from 21 metres. Goose came in a close second on 29/31, Brett Graving, Rob Walters and Col Burnett securing a spot after a short shoot off. High Gun awards were Ladies Donna Barletta, Veteran Neil Berry, Junior Glenn Streeter, C Grade Goose Onekawa, B Grade Peter deGit, A Grade Ron Holden, AA Grade Ken Busted and Overall High Gun Bruce Powell. For full results

see November edition of CTSN.

Good weather and targets, fine catering & refreshments, not forgetting the office team and all other volunteers working tirelessly in the background to keep the weekend flowing. Trap machines delivered very consistent

targets, coupled with a great line up of prizes from generous sponsors such as ThinkWater, Lee Crane Hire, Callide Manufacturing, Biloela Tools & Bearings and many others coupled with a good roll up of competitors resulted in a great weekend enjoyed by all. Thanks also to the Barletta's and Wrights who organised the mini Calcutta, this added to the anticipation and enjoyment of the shoot.

The club wishes to acknowledge the generosity of all sponsors and supporters, the dedication of members and families, visitors, all who contributed in many and varied ways to make the shoot the enjoyable success it was, bring on 2017 which will mark 40 years of shooting on the current grounds.

# Inaugural Ladies Day

Swan Hill Clay Target Club  
October 2016

*A fantastic bunch of ladies who thoroughly enjoyed the day*

*Jacinta takes aim*

**Swan Hill Clay Target Club held it's first Annual Ladies Day on 30th of October 2016. It was a fantastic day with 14 ladies in all, all beginners, all excited.**

The idea initially came about after I had attended a similar day at the Donald Field and Game the last two years running. When our Club was asked by the VCTA to hold a ladies day in an effort to promote the sport to women, it only added fuel to the desire to run such an event.

Our club decided to run our event as a beginners day and not a competition day. The idea was to introduce women to the shotgun gently before introducing them to clay target shooting in general. We organised local, female orientated businesses to sponsor our event, by donating prizes, for ladies who attended to win, as a lucky door idea. We ordered platters of nibbles and cold drinks to keep the ladies refreshed during the day and we began the day at 1 pm. In hindsight, we could have started earlier and not been so rushed towards the end.

We had managed to organise 3 female instructors to assist with the teaching of the beginners. Two local club members, Kat & Bec, and one from the Donald Field and Game, Sarah who organises the ladies day there. Sarah was pretty nervous about attending our ladies day as she herself had never shot down the line, only ever Field and Game but after reassuring her that shooting a clay is shooting a clay she was fine and she proved to be worth her weight in gold. Our instructors were pre warned to be very vigilant about the safety of all in attendance as most of these women have never even been exposed to a firearm let alone shot a shotgun. They were very aware of the reactions that the ladies may face during the day including nerves, fear and excitement with a slight chance of tears and/or vomit.

The ladies began arriving, very excited, just prior to start time. Some in pairs, some in car loads and some braved it on their own. One lady had even travelled 3 hours from near Ballarat, convincing a couple of local friends to join her. Once they all got together, they mingled and mix well and the general excitement built.

The afternoon began with a quick 10 minute presentation and safety demonstration. The ladies were split up into small groups and the first group was asked to head out to the first layout but it became evident that excitement was too strong as they all headed out to sit and watch. Each lady took a turn receiving instruction on shotgun operation and safety, stance, position, footing and aim before they were given two single barrel shots. The trap had been set to release clays straight and slow. After the initial two shots, we changed shooter to give each a break to calm the nerves, then they had 3 further shots all single barrel. By some stroke of luck the very first lady with her very first shot smashed her first clay. The crowd applauded loudly! Once the first group was done the second group was called up from the gathered crowd and they were given the same one on one demonstration and instruction to shoot 5 single barrel shots at targets. After the final group had run through the single barrel targets, the first group were called again

*Jade & Carla posing with their sashes*

this time to shoot double barrel. They each had 5 double barrel shots at 5 targets. We continued to witness quite a few ladies hitting the target and the excitement continued to grow amongst the crowd.

Once all shooters had been through their 5 targets, we returned inside for a refreshment and a chat. After that we headed out to the second ground where we had a standard competition ground setup with speakers and an oscillating target and each shooter took a position on the layout to simulate a competition shoot with instructors again assisting each shooter in turn. Each shooter was offered two shots at each target before moving on to the next path when it was their turn. Every shooter passed through the ground before the crowd headed back inside for a wrap up.

Part of the day's proceedings was to have each lady photographed in a special Ladies Day sash made for the day and we also had a group photo as well. Ladies were offered a celebratory glass of bubbly to celebrate their achievements. Every shooter that attended the day was entered into a lucky door prize with over 15 prizes on offer some participants were lucky enough to pick up 2 prizes. At the conclusion of the prize draw the crowd was addressed again, thanking them for their attendance and providing them with the information they need to continue to pursue this sport, firearms licence, firearms purchases, Club information etc. Surprisingly enough, despite a long 4 hour session and very trying conditions with wind picking up and reaching excessive speed that would test the skills of any seasoned shooter, the ladies we're still excited enough to have lots of questions and hang around for a chat afterwards.

As an organiser, it was such a thrill to be part of this day and I'm so proud of what we achieved, we meet some fantastic ladies. After such a successful day I'm confident that we will run this event again next year perhaps having both a beginner course (like this year) and an introduction to competition course but I'm also confident that we will triple our numbers next year with the ladies saying they will return and the most people they could bring with them, we also had quite a few people that had said they would have liked to have attended had the date not clashed with something else.

## HOW DOES THE ACTA OPERATE?

The ACTA structure is as follows. The ACTA executive has delegated power to a Board to make recommendations to the full executive on matters raised through the reporting systems in place. Board and Executive members can bring agenda items to the Board at any time, through providing briefing papers clearly setting out the items they wish to raise. These items make up the agenda for meetings conducted on a regular basis and at times when urgent business is received at short notice. State Associations can also bring matters to the Board through their State meetings and through their delegates to the National Executive or to the Executive Officer.

Once the board has met on the agenda items they make recommendations to the full executive for approval by the full Executive. This process takes quite an amount of time, not only for items to be considered but acted on.

The decisions of the Executive once approved are documented in minutes then placed on the ACTA website. The ACTA National office staff do not make these decisions, the full Executive make these decisions and the staff carry out the decisions of the Executive.

If a registered shooter is looking to have an issue addressed in relation to the sport there is a process to go through. Matters should be directed to the Club in the first instance. Mostly they will be resolved at the Club level in line with your constitution.

For National matters, they should be addressed in writing to your club. The Club may be able to address many of the questions you have, should the club not be able to resolve your issue they can then forward or place issues on the Zone agenda for discussion and determination. Should this not resolve the issue then it should be referred by the Zone to the State Association. The State, if not able to resolve the issue or be able to deal with the issue under their own constitution should then send the item through their State delegates to the National Office to be placed on the agenda.

Whilst on the protocols for contact with the National Body, it is important to remember the role of the National Rules Supervisor & the National Handicapper. These volunteers give their time to work with the National body to assist in their specific areas.

The first action to be taken when you have a rules or handicapping issue is to talk to your club. The club may wish to refer this to the Zone for clarification or to the State Handicapper or State Rules Supervisor, these people can probably sort out your concerns.

If the concerns cannot then be adequately addressed by the State Rules Supervisor and or Handicapper they can then contact the relevant National Official. Where possible it is important to put these concerns in writing detailing the facts of your concerns. A written request is so much easier to deal with, as the issues and resolution are then in writing with no ambiguity.

As with any rule book or handicapping system where they exist in any sport there will be grey areas. All enquiries or disputes will be adjudicated at all times by the National office holders based on the written rules in each case.

## MEMBERSHIP RENEWALS

2017 Member renewals including Club and State affiliations are due and payable by the 30th of December 2016. The ACTA welcomes back current members to a new year whilst those joining for the first time will also be welcomed via the Clay Target Shooting News.
