President's Notes

Trap Nationals

The 2017 DTL Nationals are almost upon us and nominations are now open. The 2017 event will see the guaranteed prizemoney continued. A feature will be the selection of the World DTL teams to compete at the 2018 ICTSF World DTL Championships to be conducted in Wagga

Wagga immediately after the 2018 Nationals. Three teams will be selected in each of the Open, Ladies, Junior, Veteran and Super Veteran categories as allowable under the ICTSF World DTL rules. This means there will be fifty-one individual spots available in total. I would encourage you all to come and try to make these teams. Following a great reception last year the Two Lucky draws of \$500 cash each night following presentation will continue.

National Ground

The interest received following the media announcement of the NSW government grant of \$5.5 million dollars has been immense. The Tourism and Development based grant will be used to construct a clubhouse and conference facility on your grounds. The facility will provide much needed catering and lounge facilities and also contain the ACTA Hall of Fame. Groups are already trying to make bookings for conferences and events in the facility, and caterers have already expressed an interest in operating from the venue. The ACTA is confident that the venue will be a money earner for the Association and that benefits will flow onto the wider membership following its completion.

It is however important that we remember that the National Shooting Ground is for the use of shooters in the first instance and that this ancillary development must not interfere with the grounds original intended use.

ISSF Nationals

A very successful ISSF Nationals has just finished at the West Australian Gun Club (WAGC). High scores were recorded with many benchmark scores being shot. National Championships were won by Aislin Jones, Teegan McCloy, James Willett, Keith Ferguson, Laetisha Scanlan, and Todd Malone. National High Guns were won by Aislin Jones, Trish Carter, James Willett, Paul Adams, Laetisha Scanlan and Mitchell Iles. Our congratulations go to these accomplished shooters.

Shooting Australia was represented at the event by their new High Performance Manager Adam Sachs and their Shotgun Coach, Adam Vella. We are sure the standard and depth of competition impressed them both. I would like to thank the ISSF judges, ACTA staff, members of WAGC and the West Australian Clay Target

Association who all strived so hard to make this event the success it was.

Unfortunately a procedural decision resulted in some controversy. The resultant fallout marred the event unnecessarily and affected the presentations negatively. We believe presentations are an opportunity for winners to be recognised and are not a forum for outlining your personal displeasure.

Sporting Clays Australia

Continuing talks between members of both the SCA and ACTA boards has resulted in a proposed agreement about to be circularised to both bodies for consideration. I am not at liberty to disclose the contents as yet, but we believe it to be a sensible and beneficial arrangement for both bodies and their members.

Insurance

Questions have been raised about whether members have Public Liability Cover if in the field on private property. This is due to some landowners requesting this before allowing entry. The broker has confirmed that financial members are covered for Public Liability whilst legally in the field.

Questions have also been raised regarding the Firearms insurance. The most common are which firearms are insured and where are they insured. The broker has advised that any firearm registered to you is insured up to the policy limit of \$12,000 or \$25,000 if the higher limit has been chosen. They have also advised that firearms are insured anywhere in Australia and for 21 days overseas providing the use or storage at the time of the incident is legal.

To date we have not found any shortcomings in these policies and believe them to be excellent cover and value for members.

Legislation

It is interesting to look at the commonalities between the Martin Place Siege and the tragic incident in Melbourne recently. No licensed shooter, no registered firearm, already known to police and out on bail. The Martin Place siege review concentrated on possible changes to licensed shooters rights. This time the review will have to concentrate on the real problems of bail process and mental health issues as there was no firearm involved. Perhaps a shifting of valuable resources from concentrating on the legal firearm owner and sportsmen into the area of known offenders and the bail process would now be in order?

Constitution

The proposed constitution is nearing the day when it will be considered by the membership. If it succeeds it will be a great step forward. Clubs, for the first time ever, will have the opportunity to put forward prospective Directors for consideration. Currently only the 270 or so club delegates can be considered for the positions of National Delegate but the proposed constitution widens this to any registered shooter, making it over 14,000 to choose from. With all States voting on all nominees, the outcome should see those with the greatest skills at the helm of the Association.

I encourage you all to look at the benefits and support the Notice.

Executive Officer's Report

There has been a great deal of positive comment regarding the overall medium to long term plans of the Association. If the Association is to drive the sport forward it is imperative the members understand the needs to grow the Association to be able to support clay target shooting into the future.

The Executive has worked and debated the important issues that affect and potentially hamper the development of the sport. It is commonly asked why the ACTA does not have development staff? Why does the ACTA not provide grants to clubs & States? The answers to these questions are explained in the following paragraphs.

The ACTA must be financially viable for the future generations of members. The Association is embarking into commercial operations that will support the Association in its plan to develop the sport. The \$5.5m grant from the NSW Government will provide the ACTA with a commercial income that will ensure the ACTA has money to spend without putting the Association at risk.

This Grant is just that, a grant, the Association is not required to return or payback this money. That means the ACTA will have a 5.5 million dollar function centre and a National facility to be proud of for the cost to the ACTA contribution of 1.2m dollars.

The NSW Government worked with the ACTA over the past four months to confirm the final grant terms and requirements. As late as May 2016 we were told for the fourth time the funding would not be granted. The persistence of local member Daryl Maguire and a professional submission provided by consultants GHD resulted in the grant being reconsidered and eventually accepted with an increase in the funding provided to ensure it also met the requirements of the NSW governments future vision.

With forward bookings already received, the income (3 confirmed events) will nett the ACTA more than we would receive in interest for our contribution. We have already received interest from many organisations and businesses for functions and to consider further commercial opportunities.

The foresight of the Executive to pursue this development is to be applauded, supported and encouraged. The economic benefits to the Association will be enormous. This opportunity will only happen once, so we need to capitalise and make this work for the future of the ACTA and our members.

We have a huge opportunity to promote the sport nationally and internationally in the next 18 months. The support of all ACTA members and shooters is paramount in making this work. I look forward to reporting more on the development in future reports.

The 2018 World Championships are not far away and the planning has commenced to ensure we present a professional event to showcase the ACTA. Whilst it is over 12 months away the selection of our teams in March 2017 puts the World Championships at the forefront of people's minds. The opportunity to represent the Association at a home world event should ensure a large attendance. Whilst the selection of the shooting teams will look after themselves by way of qualification we are working on the administration of the event. We believe the number of shooters will be around the 800 mark.

By 2018 we will have 20 traps in the ground hence catering for this number is well within our capabilities. However it will require a concerted effort by all to ensure we get through the program.

Depending on numbers the points score event can be shot over five banks of four traps with shooters shooting their 100 targets per day over two hours. This format is typical of the World Championships format and works very well. The World DTL is conducted over three days with 100 target points on day one and day two and 50 target points on day three after which the top 50 plus ties will contest the final 50 target points. Teams are finalised at the conclusion of day two.

The ACTA will be seeking qualified referees for the event. The Rules Supervisors meeting in May will have this item on the agenda and we will take recommendations from this meeting as to how we recruit these officials.

The ACTA executive agreed to have Ray Mack produce and provide the World DTL Championships merchandise. Ray has already commenced designing the selection of shirts caps etc. We will be putting these on the ICTSF and ACTA sites later in the year so people can pre-order their requirements.

The ACTA has a great deal to accomplish in many areas in the next 18 months. The future for the sport continues to look positive.

Mansfield 2016 High Gun Awards

**Mansfield Clay Target Club
December 2016**

The annual Mansfield Clay Target Club Christmas Shoot was held on Sunday in perfect conditions with warm weather and light wind with a field of 38 competitors resulting in a 7 squad competition. Shooters came from far and wide including Alexandra, Benalla, Euroa, Wangaratta, Melbourne, and Woods Point.

The day's events were not about record book shooting, but more about getting together to celebrate the end of the shooting calendar for 2016 and having a great fun day. The festivities included the serious business of recognising achievements for the annual overall High Gun at the conclusion of our last shoot for the year, and a special presentation of a life membership.

In keeping with Christmas shoot tradition a mixed bag of unorthodox competitions was conducted with the normal competitive nature of trap shooting taking second stage to having a fun day. An overriding rule applied to the 4 event card with all shooters only able to be awarded a prize for one first, second or third ensuring an even spread of prizes and festive cheer.

The first event was a twenty target double barrel silent rise with targets thrown without the normal process of a shooter calling for a target, quite challenging. The second was 20 targets, walk forward/walk back, starting with a first shot at 16 metres decreasing per shot down to the 11 metre mark and then one shot per metre back to the 25 metre handicap line.

This was followed by a Christmas lunch with all the usual trimmings enjoyed by competitors, spectators, family, friends and helpers. After lunch the third competition was a two target presentation with one target thrown from the trap house forward of the shooters and the second from the tower behind the layout, as ten pair. This was both challenging and great fun with scores ranging from near perfect to 'better luck next time'.

The last game for the day a 20 target 'reverse' points score could be approached tactically or just shoot as normal and see how it pans out. Reverse points score was scored 1 for a first barrel 2 for a second barrel and three for hitting a chip of the target partly broken by the first shot. Shoot-

L-R Denny Walker Jnr HG, David Luelf Open HG & Patrick Griffith most improved shooter

ers normally attempt to dust the target on the first shot, however under reverse scoring leaving no chips to take a second shot robbed the shooter of a chance to shoot the partly broken target for the maximum three points per clay. Lots of fun and some amazing shooting.

As usual all shooters were supported by family members who participated by scoring, refereeing and generally helping out to ensure a successful day. All who attended contributed to the festivities by bringing along something to munch on, or a raffle prize. At the end of the day everyone left with something. Recipients of first and second places received a Christmas ham and third place getters a Christmas cake. Co-ordinating the shoot and results Shawnti and Aileen ensured a smoothly run program. The day's competition was sponsored by Mansfield Clay Target Club with the main raffle prize of a silver pocket watch generously provided by Phudley's Jewellery and Gifts.

The overall yearly 2016 High Gun trophies were awarded to David Luelf as overall winner in the open category. Club secretary Shawnti Coolahan was overall ladies High Gun, Patrick Griffiths 2016 Junior High Gun and most improved shooter over all categories was junior shooter Denny Walker. Denny's efforts were commended with an inscription on the perpetual trophy plus 250 shells sponsored by Ken and Anne Skinner.

Concluding the awards for the year, in recognition of her recent Olympic achievement Catherine Skinner was awarded life membership. While accepting her presentation Catherine graciously expressed her gratitude and fondness for her originating home club.

Thank you to Casella Wines for their continued sponsorship of the High Gun trophies.

Special congratulations to Glen Castellarlo on another State High Gun, excellent shooting Glen.

Well, another successful NSW State Carnival has been held at Wagga, although not our usual weekend time frame. 2017 will see improved grounds at Wagga and hopefully our shooting program will be more impressive with sponsors and cash prizes for all to win.

I would personally like to thank Sue Pim and all those who assisted me on my first attempt at Tournament Director and look forward to catching up around the traps.

Kim Nealon,
NSW Trap Tournament Director.

Richmond River Gun Club
November 2016

The Richmond River Gun Club Lismore N.S.W wishes everyone a safe, and happy new year. The year will slip by very, very quickly and before long we will be starting to remember what happened in January 2017. The last six months have been very busy at the Richmond River Club. August saw a new committee elected, and with this a smooth transition.

In November the club held for the third time the State Mixed Titles, with great success. Many thanks to visiting shooters. It is very well known that at this particular time in the Northern Rivers it can be very, very hot. Some of us with good memories don't have to think that far back to remember one particular Two day shoot held in November, after the May two day shoot was flooded.

Anyway back to 2016, a large group of competitors fronted for the Saturday afternoon shoot, and continued onto

Dave Edmonds, Overall winner

State Mixed Titles

Sundays events. This was the day of the Stated Mixed Titles, and with nine squads or so present it was Guyra's Dave Edmonds who won the State Mixed Titles. Congratulations to Dave. It was hotly contested and after a long shoot off of 90 targets to decide the winner, it was Dave from Guyra who took out overall winner shooting 95/96. Nathan Gordon shot 93/96, well done Nathan.

High Gun for the weekend was Guyra's Brad Henshall 321/330. Ladies High Gun was Tammy Henshall 302/330.

The club wishes to thank everyone who attended and supported the club and shoot. Richmond River Gun Club wishes everyone the best success for 2017 and lots of happy, competitive shooting.

A reminder that our annual two day shoot is on the 27th and 28th of May.

8th Dog Trap Creek Classic

*Callawadda/Stawell Clay Target Club
January 2017*

Callawadda/Stawell CTC held their 8th Dog Trap Creek Classic Championships on Saturday 21st January 2017. The summer weather was kind, being 27 degrees and with only a light breeze.

We had competitors from as far away as Geraldton W.A. and from surrounding Clubs.

The Club had support from Westway Nursery & Garden Centre, and Bronzewing Ammunition, to whom the Club is thankful for their valued sponsorship.

Congratulations to 'Slap' Comensoli, a junior lady shooter who achieved her first 50 break badge and went on to win B Grade in the second event, and also the Ladies High Gun.

Competition was of a high standard with the chance of winning \$500.00 cash if you shot the days program without a miss. It came down to the last 25 tgt Points Score with Wayne Hawker still in with a strong chance of taking out the cash. However the pressure got to him and he dropped out (thank goodness!! said the committee).

The Dog Trap Creek Classic is made up of two 50 target events. Event one consists of 25 target points score and 25 target double barrel and the second event is the reverse, 25 target double and then 25 target points score.

In the first event Wayne Hawker from the Jeparit Club took out the overall with a perfect 100/100, being the only competitor to shoot the possible.

AA grade went to Thomas Pilgrim from the Callawadda/Stawell Club

Wayne Hawker Overall Event 1

with a score of 137/140 followed by Club Secretary Colin Dunn who placed 2nd.

A grade was won by Len Cook from Beaufort with a score of 97/100 and Glenn Wilkinson from the Hopetoun Club took 2nd place.

Denis Hannigan, Boort Club, was 1st in B grade with a 110/120. 2nd Ron Hounsel, Central Wimmera.

In C grade Luke Tyson from Mildura came in 1st with a 88/100 and Jeffrey Wilkie from St Arnaud came 2nd.

The second event was won by Maryborough's Bruce Jennings after an impressive shoot-off scoring

157/160, from Colin Dunn. The A grade winner was Lindsay Torney after a toss of the coin win from fellow St Arnaud shooter Paul Chipperfield.

B grade first went to Slap Comensoli from Kerang shooting a 93/100, relegating Clint Dudman from the Noorat Gun Club to 2nd.

Bill Carnes, Beaufort, won C grade 91/100, from Jeffrey Wilke.

Colin Dunn with Bruce Jennings Overall Event 2 & Greg James Callawadda/Stawell President

The Overall High Gun went to Wayne Hawker (196/200), AA High Gun to Thomas Pilgrim (234/240), A grade was taken out by Lindsay Torney (193/200), B grade went to Clint Dudman (215/240) and C grade to Jeffrey Wilke (176/200).

Len Cook was the Veteran High Gun winner with a score

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Personal Value of Shooting *continued*

Last month, I explored the connection between shooting and wellbeing as reported from the British Association of

Shooting and Conservation (BASC) *The Personal Value of Shooting: The social, physical and personal wellbeing contribution of shooting* and outlined the five basic components of wellbeing: connection, activity, observation, learning and giving.

To recap the key findings from the survey were:

1. Shooting makes an important contribution to health and wellbeing among people of all ages, backgrounds and abilities.
2. Shooting can help to get more adults active through sport and physical activity, reduce social isolation and promote personal wellbeing whilst encouraging people to engage with the natural environment.
3. Allowing for variations according to discipline, shooting and its associated activities are moderate to high intensity physical activities.

In the 2015 Australian Psychological Society Wellbeing Survey the following key facts were noted. The top five causes of stress in Australia over the past five years are:

- personal finances – 49 per cent;
- family issues – 45 per cent;
- personal health – 44 per cent;
- trying to maintain a healthy lifestyle – 40 per cent; and
- issues with the health of others close to us – 38 per cent.

I imagine that this finding would not be all that different from the main causes of stress in the UK, USA or Europe. When asked how do you manage stress the five most popular ways of managing stress in Australia over the five years are:

- watching television/ movies – 85 per cent;
- focusing on the positives – 81 per cent;
- spending time with friends and/ or family – 81 per cent;
- listening to music – 80 per cent; and
- reading – 75 per cent.

It is interesting to note here that Australians stress over trying to maintain a healthy lifestyle but exercise or sport is not listed in the most popular ways of managing stress.

So what were the outcomes of the British Association of Shooting and Conservation (BASC) *The Personal Value of Shooting: The social, physical and personal wellbeing contribution of shooting* report.

The top 3 reasons for taking part in shooting:

Engagement

95% said shooting is important for their personal wellbeing

Time outdoors

91% said they would spend less time outdoors if they could not shoot

Relaxation

84% said shooting is important for physical wellbeing

88% said shooting gives them moderate to high-intensity exercise

77% said their social life would suffer without shooting and the average the number of friends made through shooting is about 20

The top 5 areas people said would be negatively affected if they could no longer take part in shooting were:

- Enjoyment of life 86%
- Engagement with the natural environment 84%
- Happiness 78%
- Opportunity for relaxation 77%
- Engagement in sport 72%

These are powerful statistics because they show that shooting is integral to being physically fit, exercising, spending time outdoors, relaxing and being connected with others who share similar interests. This will lead to positive wellbeing. With so much negative press about shooting lately we should be armed with data that can put shooting in a positive light and show that as an activity or a sport it has a significant personal benefit for those who shoot.

Rule Note

ACTA RECORD CARDS

While most Club Secretaries and Handicappers seem to be very efficient in requesting Record Cards for entry, entering scores and totalling up brackets for grading, there is still a very small minority of shooters who seem to go out of their way to make life difficult for our generally overworked, usually volunteers, club office workers.

Please try to assist by pleasantly presenting your card on shoot day and please also ensure that your entered scores are correct and totalled.

I remind all ACTA shooters that the presentation of your Record Card is compulsory at shoots, AA Elite included. Not only does it identify you easily from the ACTA data base on Club computers, but it proves that you are a legitimate financial member and establishes your handicap and grade.

All ACTA disciplines, Trap, Skeet, Sporting and ISSF, have provision made for recording scores in the Record Card and I would like to compliment the UT shooters who have made an effort to record their scores by renaming one of the other discipline pages for their needs.

Although UT is a FITASC discipline it is generally shot on ACTA grounds. To this end we will make pages available in the next printing of the Grading Card for UT scores.

Of particular note is the lack of scores being entered into the ISSF sections by some clubs and I reiterate that ALL SCORES, regardless of what authority the event is run under need to be entered to establish appropriate grades.

RULES SUPERVISORS' MEETING

In May this year the State Rules Supervisors will hold their biennial meeting to discuss rules and other issues that may be brought forward.

If any member wishes to place a subject on the agenda paper for discussion, then I encourage you to contact, through your Club, a State Rules Supervisor. You should clearly set out, in submission form, your thoughts on rules or other issues that you feel may improve or assist the ACTA.

A list of State Rules Supervisors is available on the ACTA website.

Betty and Bob Wearne Memorial

**Port Macquarie Clay Target Club
November 2016**

This shoot was on 6th November 2016 just a year and one week since Betty had passed away. Lesley & Michael Langer sponsored this shoot to remember and celebrate the lives of Lesley's parents who supported her in her shooting up and down the Mid North Coast. The day was perfect; the sun was shining and only a gentle breeze to move the targets around occasionally. The grounds had been well prepared by Dick Piper, one of our Life Members and Andrew McWhirter had the traps all set for the shoot. A number of shooters who I am proud to call my friends arrived from other clubs, travelled to support this shoot. They came from Cessnock, Kempsey Guyra, Kempsey, Taree Wingham and Sydney Gun Clubs. A few travellers had to turn around as the highway got blocked at a number of places due to the savage bushfires both north and south of Port Macquarie. I felt honoured and know my parents would have been very proud to have seen such a fine turnout for their shoot.

The shoot was shot as 25T DB, 25T SB, 25T PS, 25T Cont and 15PR DR, shot as one event. The lead chopped and changed through each event. After the first event, Terry Dawson, Brad Hooper and Steve Saul were the

only three possible 25/25 in the double barrel, and then in the Single Barrel, Romeo Spagnolo and Steve Saul got a 23/25, while Brad went one

better with his 24/25. The breeze had picked up by the Points Score, of course, which really started to sort the chaff out from the wheat. (In the Ladies case, the cream from the milk). Steve Saul's and Gary Pascoe's 72/75 were the best with Barry Dray, Lesley Langer, Brad Hooper and John Burke on 70/75. The field was spreading out as expected after any Points Score event. Continental was shot well by Steve Saul, Margaret Burke and Andrew McWhirter with 24/25, however the rest of the field dwindled behind. It all came down to the Double Rise. Gill Neze 26/30 was the best but closely behind were Steve Saul, Dick

Piper and Brad Hooper with their 25/30.

By the end of the five events the totals were tallied to find only one shoot off was required between Margaret Burke and Lesley Langer. We went through two rounds of the five disciplines to find we were even so we started on double barrel points score continental. That sorted us out with Margo taking out the Ladies HG. I would have liked to take back home the matching sapphire earrings and necklace as I loved the gift very much when I bought it. Fortunately so did Margo.

The day ended with the presentation and

afternoon tea. The winners' sashes were delayed (to be posted when they arrive), as our sash provider was unable to supply due to a fire which I am sure many clubs are aware. Our local Port Trophy Shop in Belbowrie Street rushed through medallions with ribbons for the winners on the Friday afternoon when we found out the sashes were not coming. This community support was greatly appreciated. These medallions were well received by the High Gun Winners along with their cash prizes mounted in frames, which no doubt have been raided since the shoot.

The winners were as follow: O/A High Gun Steve Saul, AA Grade High Gun 1st Brad Hooper, 2nd William Saul, 3rd Ross Aston, A Grade High Gun 1st John Burke, 2nd Romeo Spagnolo, 3rd Robert Nock, B Grade High Gun 1st Gary Pascoe, 2nd Karen Berry, 3rd Terry Dawson, C Grade High Gun 1st Robyn Jackson, 2nd Dave Miente, Veterans' High Gun Barry Dray, Ladies' High Gun Margaret Burke, Juniors' High Gun Clayton Smith

VCTA South East Zone 2016 DTL Carnival

**Melbourne Club
October 2016**

Melbourne Gun Club was the venue for the Carnival and the Club had done an outstanding job with the grounds considering the amount of rain in recent times.

With 145 shooters nominated for the Handicap, the day started on time with a slight breeze and clear skies over the seven layouts. This event saw five possibles shot and after a ten target shoot off Brett Davis was the winner 35/35, Rob Pistone second 34/35, and Scott Houston third. The back marker was Pat Guida 26/27 with the junior front marker Luca Grapiglia 28/32.

Brett Davis HC winner

The Carnival is the final round of the team's series for the year and after the Handicap the team from Werribee Victorian "Black Ducks" had 115/125 from Morwell A on 114/125. In the juniors it was also Werribee Victorian in front with 47/50 from Nepean on 45/50.

Event two the Double Barrel saw 34 possibles shot via a 10 target

The Squire reports from West Wyalong

West Wyalong Clay Target Club October 2016

The West Wyalong Clay Target Club could not have picked a better day for their Christmas shoot the final shoot for 2016 following a very successful year. There was not a cloud in the sky, it was a good day for fly spray, sunscreen and a big hat.

Falling in the middle of harvest, numbers for the Christmas shoot are usually down but organisers were very pleased to welcome five squads of shooters with special mention of a car load of competitors from Griffith over for the day.

The afternoon began with a 10 Target Eye Opener and the Turners made a great start to the day with Kate, James and father, Don all scoring possibles. Others successful in the event were; Adrian Hodges, Clive Foster, Greg Harris, Ray Hillam, Shane Rinaldo, Brandon Gugliemino and Narelle Ambrose.

Although it was a Christmas Shoot it was all pretty serious as there were hams, each weighing five kilograms for the winners of the High Gun in each grade.

The 25 Target Double Barrel event got proceedings underway and saw Luke Kirkby, James Turner, Craig McVittie and Jason Anderson all shoot 25/25 in AA Grade, while in A Grade Neville Block, Greg Harris, Allan Schirmer, Narelle Anderson and Don Turner all scored possibles. Adrian Depaoli also shot 25/25 to win B Grade and Alfonso Toscan 24/25 was the C Grade winner.

In the 25 Target Single Barrel event, Luke Kirkby and Jason Anderson both shot 24/25 in AA Grade and Graeme Fairman was the best of the A Graders with 24/25. Ray Hillam 23/25 won B Grade while Nigel Pettit 21/25 hung on to win C Grade.

By this time afternoon tea was ready to be served and Jan Wyse produced some cold fruit slices which quickly disappeared.

Gloria Duncan, Ann Fairman and Sue Turner did a great job and everyone was more than satisfied with their repast.

Now, back to the pointy end for it was in the 25 Target Points Score where hams would be won or lost and there were quite a few shooters in each grade well in the running to win.

Craig McVittie 75/75 excelled himself to win AA Grade and the struggle for supremacy in A Grade continued with Brandon Gugliemino, Allan Schirmer and Adrian Hodges all shooting 73/75. Graham Duncan 70/75 was the B Grade winner and Alfonso Toscan 71/75 won C Grade.

While the 20 Pair Drawn Deauville Doubles was taking place, Clive Foster, Kate and James Turner worked hard in the office finalising the day's scores. A job well done.

Christmas cheer was being dispensed as Club President, Jason Anderson took the opportunity to wish all present a Merry Christmas and Happy New Year and hoped that he would see all the participants at West Wyalong shoots in 2017.

Jason also announced the various winners, who would receive Christmas hams and the place getters who would receive chooks.

The Overall High Gun on the day was Craig McVittie 132/135, in AA Grade Luke Kirkby 131/135 took home a ham while Clive Foster 128/135 and third placed Jason Andersom 127/135 received the chooks.

Winner of the ham in A Grade was Allan Schirmer 128/135 with Adrian

L-R: Luke Kirkby AA, Craig McVittie OA, Ray Hillam B, Alfonso Toscan C, Allan Schirmer A

Hodges 127/135 second and Brandon Gugliemino 126/135 taking home chooks. Ray Hillam 122/135 was the B Grade High Gun with Adrian Depaoli 121/135 and Shane Rinaldo 117/125 being the placegetters. In C Grade Alfonso Toscan 123/135 was the ham winner with Nigel Pettit 118/135 and Sue Turner 116/135 winning the chooks.

West Wyalong Clay Target Club finished their year with a well attended and enjoyable Christmas party and dinner at Toppo Tavern later in December.

Great Roll Up for Tarraganda 100

**Bega Gun Club
January 2017**

Nine enthusiastic squads formed up at Bega Gun Club on New Year's Day for the Tarraganda 100 Championship. Visitors from interstate and across NSW added to the locals and provided a great atmosphere for the event. Tarraganda 100 is shot across four disciplines, double barrel, single barrel, points score and continental with squads facing twenty-five targets of each type, in two visits to the layout.

At the end of the first round, junior, James Body led the overall with a clean sheet in both double and single barrel. A number of shooters had gathered a 25 in one or other of the disciplines keeping the pressure on in all grades. At the conclusion of the points score, many were shaking their heads and reflecting on the Christmas cheer of the previous week. James however, continued to demonstrate his skills to finish the day with a combined score of 147/150 and the Overall sash and ammo. A great effort by a consistent young shooter.

Steve McIntyre, Veteran winner

In AA Grade, Ray Collins and Matthew Harris went back to the traps to decide first and second after both finished on 145/150. Eight targets later, Ray took the honours, 153/158 to Matthew's 152/158. Alan Wilson shot well to win the first prize in A Grade, with a score of 146/150, 7 points up on second placegetter, Melissa Crane, 139/150.

Craig Field continued his form from the Christmas shoot to take out B Grade with a score of 141/150, with Kevin Hurt, 136/150, taking second. Christel Feldmann showed the way in C Grade, scoring 127/150 for first place, with Dale Hurt scoring 117/150 for second.

The veterans sash and ammo went to regular Cooma visitor, Steve McIntyre who shot 139/150 to hold off John Siede and Michael Diss. John and Mick then went out for a further eight targets to settle second place, with John getting the trophy.

The shoot raffle finally went off with President Shane Platts cleaning up on behalf of his better half, Tracy. Rumour has it that he was going to be allowed to cook the meat tray as his share of the spoils.

Presentations and thank you's finalised what was a fantastic start to the Bega Gun Club's 2017 season.

NATIONAL TRAP CHAMPIONSHIPS CONDITIONS OF ENTRY

1. Any shooter wanting to compete at the Trap Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. **If a vacancy exists in any events at the Championships a person must nominate for all events they wish to shoot at the nomination window in one visit. To be eligible to shoot in any event the nomination must be received before 10.00am on the day of the event.**
3. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
4. Squads of up to 6 to shoot 50 targets/75 targets/100 targets in brackets of 25 targets or pairs, one or two visits only to the traps. National Handicap event to be 5 (five) person squads, 5 (five) targets per lane.
5. **Shooters will be Pre-squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director. Withdrawing from an event needs to be done in writing or by ringing the National Office (02 6938 2121) & leaving a message PRIOR to the event. All refund requests will be dealt with on an individual basis.**
6. Each shooter is to take enough cartridges to shoot at 50 targets/75 targets/50 pairs. A time limit of two minutes will be imposed for the changeover for each 25 targets or pairs. Should the two-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** may be incurred.
7. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management
8. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
9. All shooters should sign the score sheet after each 25 targets/pairs. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
10. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
11. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
12. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
13. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
14. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
15. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall chose in which team they will be selected. They cannot compete in both Open and Section teams.
16. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any grade prize.
17. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
18. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
19. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
20. **All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Trap Championships.**
21. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible to any refund.
22. Squadding details will be available on the ACTA website, ten (10) days prior to the event. If an email address is provided on your nomination form, you will receive notification via email.
23. Free junior nominations, open to any junior who has not competed in a national event of any discipline & only by pre-nomination. Claim for this concession must be made at time of nominating & will not be refunded retrospectively. Late nominations will not be eligible for this concession.

Concept Designs – ACTA National Clubhouse/Function Centre

The design process of the new National clubhouse/function centre commenced with drawings that were submitted as part of the Business case study for funding to the NSW State Government in September 2016. The drawings on these pages represent the overall concept of the development. The actual building may look different on completion however the concepts and business case study showing the viability of the project were well received by the Government. Further plans are currently being developed in line with the ACTA and NSW Government requirements. We will release these final plans once approved.

Tim Maher Club Champion at Mathoura

Four full squads of shooters arrived at the Mathoura Gun Club Inc for the annual Christmas shoot which also includes the sash for the Club Champion of the Year. This winner must be a member of the Mathoura Gun Club. Four squads of shooters is quite good for this time of year, and those that did arrive for the competition were met with excellent shooting conditions, mild with almost no wind.

Event One, a ten target Single Barrel Cash Divide, and local member George Bradley managed to miss just one target and his score of 9/10 earned him all the first place cash. Mick Keirl and Tim Maher were tied hav-

Club Champion Tim Maher with President Peter McCluskey

ing to shoot off, with Mick Keirl (Echuca) collecting 2nd place cash with an end score of 15/17, and Tim Maher settling for third after recording a 14/17 result. Next on the agenda was an evening meal for all, then after that was all over it was time for Event Two, which was a ten target Night Points Score Cash Divide. And again George Bradley having shot the winning score of 30/30, which no other shooter could match, means he collected all the first place cash. Nick Dean (Echuca) shot a 28/30 score and that earned him all the 2nd place cash. Mick Keirl shot one less point and his 27/30 earned him all

the third place cash.

Event Three was a ten target Night Double Barrel Cash Divide and this time it was Mick Keirl who shot the only possible score, and his 10/10 result earned him all the first place cash.

After a four target shoot off Laurie Fitzpatrick (Euroa) took out all the 2nd place cash with a score of 13/14, and Mathoura member, Rhys Glenn collected the 3rd place cash with an end score of 12/14.

The final and fourth event was a 25 target Night Double Barrel Club Championship and the Overall Winner and Mathoura Gun Club's 2016 Club Champion was again an only possible score of 25/25 shot by Tim Maher. Congratulations Club Champion, Tim Maher, well shot! Tim also collected the A/AA Grade 1st trophy. Bill Simpson a Mathoura member shot a 16/25 score earning him the 1st in B Grade 1st Trophy. C Grade 1st place was won by Tom McCluskey after a shoot off with his father Peter, Tom won over his father with a 22/26 score, Peter managed one less at 21/26.

The main raffle that has been running for a few months, being a handsome redgum coffee table, donated by Doug Russell, was won by Madeline McCluskey, with a ticket bought by family member Emily McCluskey. The 2nd raffle, a Christmas hamper, was won by Craig McCluskey. A very good night for clay target shooting, and if you listened to the shooters, one shoot that was very much appreciated by all who attended.

Australia Day at Bendigo

**Bendigo Clay Target Club
January 2017**

Once again perfect weather conditions presented the 122 competitors with a great day's 2017 Bendigo Clay Target Club Australia Day shoot. Beautifully prepared grounds combined with Bendigo's 5 finely tuned DTL traps, the club room facilities and canteen made for a very enjoyable competition.

A sterling effort by the days shoot marshals Allison and Brad Woolley and Daniel Cox made the day run without issues. Tony Morris and others worked tireless keeping the traps loaded ensuring everything was kept running on time. There were many favourable comments from the

Bill Eagle – GFD Guns, Wayne Pilkington from OSA, Jarrod Fletcher (DB Overall winner with his prize, a Miroku Mk10 shotgun) & Glenn Woodhatch Bendigo CTC Secretary

competitors on the excellent trophies and prize's for each event, with shooters fortunate enough to be presented with a firearm for their efforts being especially impressed.

Our thanks once again to our sponsors for their fantastic support . OSA and GFD Guns and Ammo Kyabram, John Pay, Go Pest Bendigo and Bruce Burns – GB Corsiva. Without their assistance our shoot would not be the success it is.

After a relatively short shoot off Jarrod Fletcher with a score of 99/99 was

Tough Conditions for January Shoot

Maryborough Gun Club January 2017

Although shooter numbers were typically low for Maryborough's January shoot, those members and guests who did brave the very hot conditions enjoyed the atmosphere around the ground and the competition of the 4 event program. The fully air conditioned clubrooms were a popular place to be when not shooting.

Club President Garry Cassells with overall winner of the Skeet event, Murray Schaper

The Skeet event which started at 10am only managed to attract 3 squads and Murray Schaper from the Sebastopol Club managed to take out the overall after a very short shoot-off.

After a short break for lunch, event 2, a 10 target points score eye opener got underway with only

Skeet grade winners: Rieleigh Fitzgibbon & Bryan Rafferty

four shooters managing the full score. Bryan Rafferty, John Dohnt, our Geraldton Western Australian visitor, Peter Tate and Travis Gull.

Event 2, a 30 target double barrel championship saw Sebastopol shooter Travis Gull take out the overall with Garry Cassells, who has only recently taken over the presidency from Bruce Jennings, running second in AA.

A grade went to regular visitor Les Comensoli from Kerang with Bryan Rafferty taking second place. Kadesha (Slap) Comensoli won B grade with Bill Carnes from the Beaufort Club running second. C grade went to Ethan Tebble also from Beaufort and local shooter Matthew Ratts took out second place.

For the final event, a continental double barrel trophy, Rieleigh Fitzgibbon won AA with Ward Wende from Bendigo second. The A grade winner was Madison Decker with Bryan Rafferty second. Matthew Johnson won B grade with

Travis Gull, overall DB winner

second place going to Bill Carnes and in C grade, Ethan Tebble came first and Matthew Ratts second.

It was with great interest and admiration that we saw well known shooter Neil Cracknell return to competition shooting after an illness which left him out of the sport for "three years, three months and three days". Neil has persisted in mastering his handicap with a desire to return to clay target shooting being his set goal. He has managed to master a one hand gun hold. Well done Neil.

Pan Pacific Masters Games

Gold Coast Clay Target Club
November 2016

Although it only comes around every second year the Pan Pacific Masters Games, this year sponsored by Jupiter's Casino, is one of the most enjoyable events on our calendar. With 3 disciplines and 6 events over the three days of competition, we not only look forward to the shooting but also to the great company. Many of the Masters crowd have been repeat visitors to our club for 10 years or more so we always know we will be in for a great weekend.

Caravans begin rolling in a week before the competition with shooters getting some practise in or opting to shoot our Wednesday night trap comp, while others come early to catch up with mates. This year we had competitors from 5 States including one from as far afield as New Guinea. The weather has always been extremely kind to us for this event and this year was no exception with perfect sunny days each day of competition, although the mercury rose a little too high for some during the sporting clays events.

As registrations are accepted and processed by the Pan Pacific Masters administration we try to keep our event nomination fees as low as possible, giving shooters the opportunity to try other disciplines and to take advantage of the three full days of competition. This adds to the fun of the event and provides for a relaxed, casual atmosphere throughout the competition.

Mike Swale & Chris Larsen AA Grade Skeet

Medals were awarded for 1st, 2nd & 3rd across the 4 usual grades and also across 7 age divisions from 30 to 70+ years of age. This year thanks to the support of the Games and Qld Dept of Sport & Recreation we were also able to include medal categories for the best Ladies in each event, 3 person teams where a minimum of 2 shooters from one club could invite a 'ring-in' to make up their team, and Ironman & Ironwoman categories for

have everything ship-shape for the visitors. Our discipline captains were also kept on their toes with 2 x 50T events each day so thank you to Kent Mansfield for skeet, Wayno Perry for trap and Kev Seeney for setting up the sporting. Shoot marshals Mike and Wayno ensured there wasn't too much napping between events, and Mark and Terry kept everyone well fed and hydrated, with the help of The Coffee Man and a few dozen Zooper Doopers.

A big thanks to Tony, Nat and the bar staff for looking after our guests at the well-patronised watering hole, and a huge shout out to Shane Weeden, not only for his help in the office each day but for designing a scoring program especially for this event. Thanks to all who helped to make the shoot so successful.

It wouldn't be the Pan Pac Masters without the appearance of our adopted members from the Shoalhaven Clay Target Club so a big thank you to the Cook-Hamilton-Willetts for making the journey to the Gold Coast again this

Harry Nolan Memorial shoot supporting the Cancer Foundation

**The Forest Clay Target Club
November 2016**

On Saturday the 19th and Sunday the 20th of November 2016, The Forest Clay Target Club held their annual Harry Nolan Memorial shoot, which this year attracted some 8 squads of shooters from various clubs around NSW and some visitors from Queensland. The weather held its own, whilst overcast it remained warm with quite good light, Saturday started with the Prostate Cancer charity shoot, whilst Sunday saw the main event with the Harry Nolan Memorial shoot in full swing by 10.15am.

With 8 squads over 3 traps the day was always going to run smooth, this year we decided to take on the State and National and shoot 50 targets in one visit, even so red scores where a little hard to come by. There was some outstanding shooting and it again turned out a great social event with shooters coming together to support a great charity event.

The Tapscotts take out 2016 Champions Awards at Lower North

Lower North Gun Club celebrated a fantastic year of shooting on Sunday 18th December with a fun and festive Christmas shoot. Competitors travelled from clubs across SA including Mallala, Southern, Barmera, Mt Gambier and South Australian Gun Club (SAGC). Competitors shot a fun program of three events to test their shooting talents.

Winner of the HC Greg Tapscott

The first event was the 25 target Xmas Handicap sponsored by Lower North Gun Club with Christmas goodie gift baskets. Greg Tapscott won 1st place 28/30, 2nd Ben Holmes 27/30, 3rd Barry Duncan 23/25, 4th Trevor Shaddock 23/25 and 5th Angus Tapscott 22/25.

The second event proved to be quite a challenge with the 50 target Reverse Points Score generously sponsored once again by Loretta Aikins who donated a turkey, ham, and a chook with kitchen appliances to accompany them. The aim of this game is to hit the target with your second barrel!! Shooters get 2 points if they hit the target with the first barrel but get 3 points if they hit it with their second barrel and if they clean miss they lose 3

points! First place was won by Darren Inge with 103. In second place was Tom Damin on 102 and third place was taken by Bob Cook on 100.

Shooters took a break at midday to enjoy a free Christmas lunch feast. A ham was donated by Rob Damin, chickens were donated by the Tapscott Family and the canteen ladies provided a beautiful array of salads and desserts to celebrate a great year! A few shooters needed a short nap after eating too much for lunch!

Lower North Gun Club December 2016

The final event for the day was the 25 target mixed metre where 5 targets are shot at 11, 15, 18, 22 and 25 metres to make it increasingly more difficult. This event was sponsored by the President Barry Duncan and the Vice President Max Pontifex who donated bags of Charlesworth nuts and chocolates. First in AA Grade was Angus Tapscott 25/25 who just pipped Adrian Mattschoss in 2nd 24/25 and 3rd was Ziggy Drewing 23/25. First in A Grade was Greg Tapscott after a shoot-off 29/31,

Susan Trindall Ladies Winner

Casella Wines and Laporte targets for getting right behind this shoot and helping the club out! A big thumbs up to Gemini traps for again working faultlessly throughout the day, as they always do and to Arthur Welsh for keeping them in top order.

On behalf of The Forest CTC we would like to thank all those people who helped make this shoot possible, thanking again our sponsors on the day, and especially The Haynes Family, Harry Nolan was Pat Haynes's, our Vice President's Grandfather and a founding member of the club in its current location.

Thanks to all the shooters, without you this would not happen, as special message for Johnny Crompton, who is currently recovering from throat cancer surgery, but still managed to send his best wishes from his hospital bed through Gary Kennerson, mate we all wish you a speedy recovery and we look forward to see you back shooting with all of us this year.

First in C Grade was a new promising junior shooter from Barmera, Ki Shaddock, who tried to show up his grandfather with a score of 27/33, 2nd Ben Holmes 26/33 and 3rd Michael Schuman 20/25.

Junior High Gun was won by new junior Ki Shaddock with a score of 138. Veterans High Gun was won by Bob Cook with a score of 140 and Overall High Gun was won by Tom Damin with an unbeatable score of 145.

To wrap up the end of another great year of shooting, the Junior Club

OA HG winner Tom Damin

Champion Award, generously sponsored every year by Robert & Linda Andrews of Mundulla, went to Jack Tapscott with a score of 7/11. Robert & Linda sponsor every junior High Gun throughout the year with packets of shells and the Junior Club Champion with two slabs of shells which are much appreciated by junior shooters.

The Aggregate Club Champion award sponsored by John and Sue Byrnes went to Angus Tapscott with a score of 120 points for outstanding shooting over 2016. John & Sue presented a beautiful trophy to keep, plus Angus gets his name on the wood perpetual plaque hand-crafted by John.

Congratulations to all winners and thank you to shooters who have supported Lower North Gun Club in 2016 and to club members for their continued commitment to run a successful club. See you all in 2017!

Classifieds

Rates and Conditions

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$12.00 — 0-60 words

\$24.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers:

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

- the person is a licensed firearm dealer, or
- the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the

sale of a firearm that is arranged by or through a licensed firearms dealer.

- the licence or permit number of the seller,
- the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

ACTA NEWS

HOW DOES THE ACTA OPERATE?

The ACTA structure is as follows. The ACTA Executive has delegated power to a Board to make recommendations to the full Executive on matters raised through the reporting systems in place. Board and Executive members can bring agenda items to the Board at any time, through providing briefing papers clearly setting out the items they wish to raise. These items make up the agenda for meetings conducted on a regular basis and at times when urgent business is received at short notice. State Associations can also bring matters to the Board through their State meetings and through their delegates to the National Executive or to the Executive Officer.

Once the board has met on the agenda items they make recommendations to the full Executive for approval by the full Executive. This process takes quite a deal of time, to not only be decided but acted on.

The decisions of the Executive once approved are documented in minutes then placed on the ACTA website. The ACTA National office staff do not make these decisions, the full Executive make these decisions and the staff carry out the decisions of the Executive.

If a registered shooter is looking to have an issue addressed in relation to the sport there is a process to follow. All Club matters should be directed to the Club in the first instance. Most will be resolved at the Club in line with your constitution.

For National matters, they should be addressed in writing to your Club. The Club may be able to address many of the questions you have, should the Club not be able to resolve your issue they can then forward or place on the Zone agenda for discussion and determination, should this not resolve the issue then it should be referred by the Zone to the State Association. The State, if not able to resolve the issue or be able to deal with the issue under their own constitution should send the item via their State delegates to the National Office to be placed on the national agenda.

Whilst on the protocols for contact with the National Body it is important to remember the role of the National Rules Supervisor & the National Handicapper. These volunteers give their time to work with the National body to assist in their specific areas.

The first action to be taken when you have a rule or handicapping issue is to talk to your Club. The Club may wish to refer this to the Zone for clarification or to the State Handicapper or State Rules Supervisors, these people can probably sort out your concerns.

If the concerns cannot be adequately addressed by the State Rules Supervisor and/or Handicapper Zones can then contact the relevant National official. Where possible it is important to put these concerns in writing detailing the facts of your concerns. A written request is so much easier to deal with as the issues and resolution are then in writing so there is no ambiguity.

As with any rule book or handicapping system where they exist in any sport there will be grey areas. All enquiries or disputes will be

adjudicated at all times by the National office holders based on the written rules in each case.
