President's Notes

It gives me great pleasure on behalf of the Executive, as the President of the Australian Clay Target Association (ACTA) to report on the Association affairs for the 12 month period ending the 31st December 2016.

MEMBERSHIP

Membership for the period has increased from 13941 to 14359.

Almost 3000 new members were signed up during the period showing the sport has attraction. However, until the drift away, which continues at about 20% per annum, is stopped it will remain impossible to grow the membership significantly. The continuing problem of Clubs that do not ensure that all their shooting members are registered with the ACTA as required by the Constitution, is also negatively effecting growth in membership and the continual risk of exposure to uninsured legal claims continues. All Clubs have now been provided with a copy of the current ACTA Constitution and officially advised that it is a clear breach of the ACTA constitution to retain shooting members that are not registered with the ACTA. The introduction of the new discounted class of membership known as Recreational was at the request of Clubs for a cheaper membership option that allowed practice at any Club and it would be great if Clubs can get on board and promote this membership type to non-competition shooters. This class of membership also provides the new Firearms Insurance within its cost and so is really exceptional value.

INSURANCE

The Executive has insured the Association, its member Clubs, and registered shooters as comprehensively and economically as possible. The brokerage firm Pollards continue to source our insurance from underwriters the Australis Group – Lloyds of London. The Protection Package provides cover for Liability, Accident, Death, Loss of Income and Travel Insurance. Details are available on the website.

During the period the Association also negotiated a new cover for registered shooters firearms. This covers firearms registered to the member to the value of \$12,000 (which can be increased to \$25,000 by an extra payment of \$10). The cover applies anywhere within Australia and 21 days per annum overseas. This cover was brokered by Marsh Insurance and details are on the website.

FINANCIAL

The Association once again traded well during the year showing a profit of \$250,805 down from \$378,937 in 2015. The difference is mostly from post Olympic promotion, legal and re-structuring expenses, computer and software updates and costs associated with the successful application for a \$5.5 million dollar grant were also significant. It is envisaged that the grant will allow the construction of a first class clubhouse with catering and convention facilities on the National Ground. This development will be used extensively during our main events, and be available to the public as a source of income to the Association to help relieve pressure on membership fees ongoing.

Payments of the Council Loan to purchase the Ground have all been met when due and the Ground is well on the way to being owned outright. Profits have also allowed a secured loan of \$40,000 to be made available to the Wangaratta Club to help with a test case on environmental issues. Reports from consultants used by Wangaratta will be available to ACTA for future use.

The Victorian Environment Protection Agency has been looking at clubs closely in Victoria and the VCTA has been very pro-active in meeting with them looking for solutions. There is every possibility that in some cases the only solution may be range closure.

GROUND DEVELOPMENT

Reasonable profits have again allowed continual development at the National Ground, including continuation of major drainage work and the installation of an all-weather track along layouts 1 to 11. Two new Ball Trap layouts have been installed and all skeet houses re-levelled using an injection process. A tenth skeet layout was completed prior to the skeet nationals.

WEAPONS LICENSING

The ACTA arms fair permit application has come under much closer scrutiny following an incident at the NSW State Trap Carnival on the National Grounds.

More stringent security conditions have been imposed and these will need proper administration and compliance by all parties to ensure our sponsors can continue to display at our National events.

NATIONAL CHAMPIONSHIPS

During the period, National Championships were conducted in all disciplines.

The ISSF Nationals were hosted by the Brisbane Club and our thanks go to them for the effort they put into the facility prior and during the event. Venues of this size in the ISSF disciplines require a lot of maintenance and therefore expense to remain operational. Total entries over the eight main events were 293, an increase of 13 over the previous event. Thanks must go to the volunteer ISSF accredited officials without whom these types of events could not be hosted.

The National Trap Championships were conducted at the National Ground. The attendance over the six main events was 2737 as opposed to 2560 in 2015. The Association will continue with the traditional program this year, and with guaranteed cash prizes as well as sponsors prizes being paid to the winners, we look forward to an increased attendance in 2017, where World DTL teams will be selected.

The National Skeet Championships were conducted at the National Ground with entries of 901 over the eight main events against 923 last year. This was again almost a full field.

The National Sporting Clays Championships were conducted at the National Ground with entries of 206 in total over the two events being down 17 shooters on the previous event. This event is conducted by the Wagga GC on behalf of the ACTA and I thank them for its preparation and conduct.

ADMINISTRATION

The National Office was very stable over the period with no staff changes. Our thanks go to Executive officer Tony Turner, and staff members Maureen, Sue, Judy, Jenny, and Dave for the effort they have made during the period. Fred Rapley has continued to maintain the trap machinery as required and we thank Fred for that also. A special thank you to Tony for the efforts he made and assistance he gave us in securing the NSW Government grant, a first for the ACTA.

EXECUTIVE CHANGES

Mr Geoff Moore-Qld and Mr Don Power-NSW and Mr Kim Hibble-Tas left the Executive during the year. The Qld position remained vacant at the end of the period, the NSW position was filled by Mr. Colin Kneebone and the Tasmanian position was filled by Mrs Fiona Atkins. I extend the Association's thanks to those retiring members and welcome their replacements. The Executive have again supported the election of a Board being Mr. Robert Nugent (Chairman) Vice Presidents Mr. Rob Fox and Mr. Mal Dyson, Treasurer Mr Alan Styles, and Mr. Bronte Evans. During the period the Board co-opted Mr Glenn Kable for legal expertise. The Board allows efficient conduct of business with Board recommendations sent to the Executive for voting by email on a regular basis.

MEDIA

The CTSN continues as one of our largest cost areas, and its future is under constant review. Electronic media is playing an ever increasing role in society

and will no doubt overtake the print media long term. I remind members that all back copies are available on the website for viewing, downloading and research projects. Our thanks to Jim and Judy Shepherd for their efforts in this area.

WEBSITE/FACEBOOK

The Association now has a large presence in the electronic media area. The ACTA website is a valuable resource for members and clubs alike. The ability for members and club secretaries to renew online is of great benefit. The Facebook post only page also allows the ACTA to keep in contact with members quickly and economically.

Unfortunately there is also a huge down side to the advent of Facebook, Twitter etc. Negative comment, often uninformed, does untold damage to the sports image.

AFFILIATIONS

Shooting Australia (SA)

SA has continued to part fund a coaching position within ACTA to fill the gap between the High Performance coaches and our coaches ie: the position of our Coaching Director. Suzy Balogh fills this position and it continues to be a beneficial arrangement for ACTA. This will continue into the future. Suzy has also represented the ACTA at forums with SA and presented our case well. We thank Suzy for this and thank SA for the ongoing funding.

The new selection processes adopted by SA has provided some improvement with a sliding scale of benchmark scores over the quadrennial being adopted. The lowering of scores in the early part of the program is appropriate.

The Whole of Sport Governance review and the release of the Suiko report clarified the long term ambitions of Shooting Australia. The future will be challenging with the intent of SA to cannibalise its own member bodies being in total conflict with the Aims and Objects of the constitution of the ACTA and we believe the interests of its members.

Other issues raised with SA included their growing involvement in facilities, legislation and domestic events. These areas of SA's new approach to their role in shooting remain of concern to the ACTA and discussions with SA regarding these issues will continue.

International Clay Target Shooting Federation (ICTSF)

This body of which I am currently President met at the World DTL in Ireland in July. I was re-elected as President until the conclusion of the World DTL in Wagga Wagga in 2018. Changes to By-Laws sees the introduction of a Super Veterans class at all ICTSF events at age 65 on the 1st of January in the year of the competition and the lowering of the Veterans age to 55. The Mackintosh Postal Rules were also amended to align with the World DTL Rules. Following an absence of almost two years French Polynesia has once again become financial and they have paid all outstanding dues.

The Australian contingent to the ICTSF World DTL put in a first class performance and Matt Schiller came home as the Open World Champion. Congratulations Matt. The team members were once again exemplary in behaviour, dress and attitude and on behalf of all Association members I pass on a huge thanks.

The ICTSF is conducting the World English Sporting at Kelmash Estate in England in July and the ACTA will be represented by an Open Team at the event.

COACHING

The Association will again review the current coaching arrangements during 2017. An approach to both SA and the Australian Sports Commission (ASC) to bring our domestic discipline coaching accreditation back under our control was refused. We also discussed this matter with the former Federal Sports Minister Susan Ley and we will leave no stone unturned to pursue the outcome we need. Many States have excellent programs in place and a large body of willing coaches travelling large distances to make our sport more satisfying to our members.

I congratulate these volunteers on their efforts.

The Academy programs run under the eye of Suzy Balogh continue to prosper with good attendances and performances.

SPONSORS

Association sponsors have again provided exceptional support. Support was received during the period from Casella Wines, Beretta Australia, Perazzi Australia, Winchester Australia, Clay and Hunt, Bang on Target, Hunts Shooting Supplies, Lawson Motel, Mialls Gunshop, Outdoor Sporting Agencies and PCM Enviro. The Association thanks these sponsors and looks forward to their ongoing support.

CONSULTATIONS

The Association has met with the other shotgun discipline representative bodies on more than one occasion. These meetings have all been instigated by the ACTA. The Association is trying to get National level agreement between all shotgun associations on the membership and participation issues. Ongoing we hope to be able to provide a workable solution to the problem without jeopardising the finances of any Association and improving the participation level at ACTA clubs.

CONSTITUTIONAL CHANGE

The Executive in June 2015 voted to support a change of registration from an Incorporated Association to a Company Limited by Guarantee. The ACTA has spent a great deal of time in consultation with the Association lawyers to provide a document that complies with the law and meets the Association's needs. The proposal which was to be put to the 2016 AGM has laid on the table for another year with more input received and amendments made at the request of various stakeholders. It is intended to put the motion to the 2017 AGM for consideration by the members. There is a great deal of mis-information out there and I encourage all to go to the ACTA website and review the proposal.

OLYMPICS RIO 2016

Catherine Skinner's win in the ladies Trap event at the RIO Olympics has again shone the spotlight on our sport in a favourable way. Firearm owners throughout the country benefit when a shooter excels on the Olympic stage. The publicity of a gold medal win by a female Australian shooter cannot be over emphasised. The Association members congratulate Catherine on this great achievement and wish the younger members now coming into training squads all the best for their future.

The ACTA publicised this win with a newspaper advertisement in the three major daily newspapers and with a large billboard type road sign on display in Melbourne for a month. This last promotion was also supported by Beretta Australia and the SSAA and we thank them for this.

FUTURE

Looking forward, the Association retains a firm financial base to work from, its assets and members are properly protected with adequate insurance, and we have a fairly stable membership. We are successful on the World stage. We are however continually threatened by the Anti-Gun lobby, possible oppressive legislation and poor press following any firearm related incident. The need to be a united organisation has never been stronger and I encourage stakeholders to work with your association to make it stronger.

We continue to have a lot of passionate and energetic people in the Association at all levels, but unfortunately only a few are able to be at the helm at any one time. If we can all work together I am confident the ACTA will have a great future.

I take this opportunity to thank our staff, my fellow Executive members, Board members, and Committee Chairpersons for the support, time and effort they have given so freely during the period. A special thanks to my two Vice- Presidents, Rob Fox and Mal Dyson.

In closing I would like to thank the thousands of volunteers without whom the efforts of your Executive would be futile, that is the volunteers at Club, Zone and State level. I am sure they would also appreciate your personal thanks as well.

Robert Nugent

Executive Officer's Report

A phone call during the writing of this report prompted me to start again.

I wish to clarify some of the misconception regarding the ACTA proposed constitution. The new constitution would not change the way Clubs, Zones, States or the ACTA operate their business or the sport, nor their responsibilities under their incorporation. The major change is the election of Directors of the Association and the accountability of these Directors. As a company limited by guarantee the directors and the EO are held to higher level of accountability by regulatory authorities, something that should please the everyday registered shooters as well as Clubs and States.

There appears to be concern over some current clauses in the constitution, yet in the past fifteen years no notices of motion have been received to change any of the rules.

When considering whether to adopt the constitution please take into account the facts, read and understand the constitution as this is the rules the Association abides by.

There is no truth in the statement bandied about that ACTA clubs cannot affiliate with another shooting organisation. That is simply not true. There is

nowhere in the present or proposed constitution where this statement is made.

The constitution is for MEMBERS to abide by. THE ACTA CONSTITUTION does not apply to non-members. Either way the constitution (proposed or existing) still requires those who shoot at ACTA affiliated clubs to be ACTA members. If your club is dual affiliated and has shoots conducted by another organisation sharing the ground then it is that organisations constitution that has jurisdiction for those events. ACTA events however are conducted under the ACTA constitution and rules. Affiliated Clubs agreed to this by renewing their affiliation for 2017.

The ACTA Board have been negotiating with other shooting organisations and any "agreements" that can be negotiated to improve relationships and access will be a benefit to all shooters, however the ACTA is the driver of these negotiations and must retain control of the Association for the future benefit of all MEMBERS.

2017 Australasian-Pacific Grand Prix

Brisbane Gun Club
February 2017

The weekend of 17th to 19th February once again heralded the conducting of an event recognised as Australia's premier International Olympic Discipline Trap shooting competition, the Australasian-Pacific "Grand Prix" at Brisbane Gun Club.

The 2017 conducting of the competition was the 23rd holding of the event which has been held at Brisbane Gun Club since 1994 after the ACTA changed the date of the conducting of the Olympic Discipline National titles to a date in November. The Brisbane Gun Club Olympic Discipline fraternity immediately identified that there was an opening for a major competition around this time of the year, and under the guidance of then President Dan Moffitt and convenor David Menck, the Australasian-Pacific "Grand Prix" was born. A decision was made by the ACTA some years later to revert to a date in January for the holding of the Nationals, a decision which many still regard as an unsuitable time. The Australasian-Pacific "Grand Prix" however, continues to flourish and attract shooters from throughout the country and the region.

Once again this year, the "Grand Prix" proved to be a great success with over 90 Olympic Trap shooters and Skeet shooters from throughout Queensland, New South Wales, Victoria, Tasmania, Northern Territory, Japan, Papua-New Guinea and Fiji in attendance over the duration of the competition.

The program for this year's competition was once again unchanged with Friday to see the conducting of the popular 'Skins' Badge Match and the main event in Olympic Trap – the Australian-Pacific "Grand Prix" of 150 targets to be conducted over the weekend. The 200 target Skeet "Grand Prix" would also be conducted over the weekend in conjunction.

A healthy field of 8 squads of Olympic Trap shooters lined up on Friday morning for the start of the weekend's proceedings the 100 target 'Skins' Badge Match. As always, the 'Skins' events are hotly contested with all competitors, who are grouped into three grades (AA/A combined and B and C grades separate) focused on securing a share of the spoils on offer. This year's 'Skins' equated to \$100 for each round in AA/A, \$160 per round in B grade and a very healthy \$210 per round in C grade.

The first round of the day saw Glenn Kable of NSWGC make his intentions clear for the weekend by carding a perfect 25/25 to take the lead and secure the skin for the grade. B grade saw a group of shooters (Brendan Podlich, Tim Williams, Yugong Shi and Michael Cilli) all return 23s to create a jackpot for the next round while C grade went to David Menck with 24/25.

Glenn Kable continued on his winning way for the next round carding 24/25 to share AA/A with Justin Hitchens from Hobart. B grade was shared by Brendan Podlich and Franco Di Bartolomeo with 23s, and C grade was shared by Brisbane members Terry Day and Weitao Zhang both with 23/25.

Once again, Glenn Kable was in the money in round three scoring another

24/25 to claim the grade spoils on his own. The B grade money on this occasion was won by Tim Williams of Brisbane while C grade was shared by Steven Grasic and Papua-New Guinean shooter Kanawi Wanma.

The final day of the 'Skins' Badge Match saw Danny Wanma of Papua-New Guinea take the spoils with 24/25. Mark Boyce for Frankston Australian Gun Club skinned B Grade with a great 25/25 while the C grade money was shared by Brisbane's Steven Grasic and Kanawi Wanma of PNG.

Overall scores for the Badge Match saw Glenn Kable (NSWGC) take Overall and AA grade with 95/100. A grade went to Sam Byslma of Bundaberg with 91/100 while B Grade went to Brendan Podlich on 89/100 and Steven Grasic claimed C Grade with 86/100.

During the conducting of the 'Skins' Badge Match, we saw the arrival of our visitors representing the Japanese Top Gun Club who would spend the entire day acclimatising and practising for the competition over the weekend. This is the 21st occasion on which the Japan Top Gun Club have attended the "Grand Prix" securing it as a major event each year on their shooting calendar.

On what was expected to be another hot day in Brisbane, Saturday morning saw the inclusion of our 28 Japan Top Gun visitors into the competition for the commencement of the proceedings for the 23rd Australian-Pacific "Grand Prix". With the inclusion of the Japanese and a few others, the field now numbered 13 full squads of Olympic Trap shooters and another 2 squads of Skeet shooters who would be shooting a 200 target event over the weekend, to be shot 100 targets each day.

Whilst not well supported, the Skeet competition got under way on Saturday morning with good scores being recorded by many shooters in the field. Brisbane members Glen Graham, Dave Dundon and Rick Nutt all carded 24s for the first round while Japan visitors Kenji Watanabe and Nobuhiro Ishihara were adjusting to the hot weather but still managed to record 23/25 each.

As the day continued, Glen Graham, Dave Dundon and Kenji Watanabe all improved on their first round score carding clean 25/25 during the first 100 targets. Dave Dundon and Glen Graham finished the first day tied on 97/100 followed by Kenji Watanabe and Rick Nutt both on 92/100.

Day two of the Skeet saw good shooting by Glen Graham who recorded 3 clean 25s for 100 straight and a final round 24/25 to end the event on 196/200. Local stalwart Dave Dundon shot a 97/100 for the day coming in two shots behind Glen Graham on 194/200. Kenji Watanabe finished on 184/200, followed by Clive Glasgow of Townsville on 181/200, Nobuhiro Ishihara 173/200 and Koshiyasu Koyama 161/200.

Special mention must also be made of the assistance of Judith Kent and Jacki Richards who helped with the running of the Skeet competition over the weekend.

tinged to be a hot, sunny day with early visibility making a few of the left hand targets testing. Despite all of this, the field got under way on time with good scores being recorded by quite a few shooters. Glenn Kable maintained

his good form by starting with a 25/25 while Sam Bylsma of Bundaberg and Justin Hitchens of Hobart were one target behind on 24/25. Brisbane member Shane Smith along with Adam Bylsma (Bundaberg) and Mark Boyce (Frankston) all recorded 23/25.

As the day progressed towards the end of the first 100 targets, half a dozen shooters were standing out as the ones to beat at the end of the competition. Kable had relinquished the lead to Sam Bylsma who recorded 96/100 for the day. Justin Hitchens and Glenn Kable were next best on 91, followed by Shane Smith on 91/100, Mark Boyce 89/100, Mark Fanning 89/100 and Adam Bylsma still in amongst it on 88/100.

With 50 targets to go on day two, Sam Bylsma had a good break on the field but with a new format elimination final to be conducted the championship was still up for grabs.

Day two saw quite a few shooters making their move, no more than National

Dear A.C.T.A. members,

You may be aware of the challenges our business has faced these past few months.

The fire at a neighbouring factory and resulting damage to our own premises has weighed heavily on our family. We have been unable to enter the building to organise repairs or prepare for relocation until now.

As you can imagine, it has been a major challenge for us to dismantle, relocate and rebuild our business; but like the shooters who brave all weather conditions to win their prizes, we are committed to our work and will continue to supply unique, world-leading sash and ribbon presentation articles, just as we have done for the past 45 years.

We are pleased to announce that we are now back up and running at our new location: **18 Kurrle Road Sunbury, 3429**. Our current contact number is 0401 432 224. As of writing our landline & fax aren't connected as yet but our email address is still the same. Please note our new postal address: PO Box 977 Sunbury 3429.

We also have a new Facebook page at www.facebook.com/GillmansSashes and will constantly update everyone on the page as to keep you informed. We'd be grateful if you would like, follow and share our posts to help us spread the word as we rebuild and move our business forward.

Thank you for your patience and support during this difficult time.

Sincerely,
Stewart, Wendy, David Gillman & staff.

2017 Australasian-Pacific Grand Prix

Continued from page 19

Vet medallists Kevin Perkins & Roger Pitt

Veteran Champion and two times Australasian-Pacific "Grand Prix" Champion Kevin Perkins for Bundaberg club. Perky carded two 24s for the day to finish on 130/150 which might just be enough to make the final.

Consistence however proved to be the important factor on day two. Glenn Kable finished with 46/50, Sam Bylsma 45/50, Justin Hitchens, Mark Boyce and Adam Bylsma all on 44/50 and Shane Smith holding on with 43/50 to secure a position in the final.

After the completion of the 150 targets, Sam Bylsma was first into the final with 141/200 followed by Glenn Kable (137/150), Justin Hitchens (135/150), Mark Boyce (133/150), Shane Smith (133/150) and Adam Bylsma making it into 6th position on 132/150.

After 150 targets the conducting of the finals was to commence. The first final was the traditional 25 target single barrel for the best six shooters of The Top Gun Club contingent. These shooters would compete for Gold, Silver and Bronze medals with the winner to receive the perpetual International High Gun trophy sponsored by David and Cathie Menck.

Following the conducting of the Japan Top Gun final, the final was then conducted to determine the overall winner and placings for this year's "Grand Prix".

This year's final saw Brisbane's first conducting of the new format ISSF

Adam Bylsma, Sam Bylsma & Justin Hitchens with Clive Pugh

Elimination final which was held before a good spectator audience and was carried out with precision and without any problems. The final was well received by all competitors and those in attendance.

The final could not possibly have been more exciting. Mark Boyce of Frankston was the first shooter to be eliminated after 25 targets followed by Shane Smith at the 30 target mark, Glenn Kable (after 35 targets) and Justin Hitchens after 40 targets, leaving the Bylsma brothers Sam and Adam to battle it out for the Gold and Silver medals.

With 10 targets still left to go to determine the overall winner, Adam Bylsma had opened up a one target lead over big brother Sam, leading 37/40 to 36/40. Both shooters commenced their final 10 targets badly missing their first target out. From there it was target-for-target with both of the brothers centering the final 9 targets to give Adam the championship 46/50 to 45/50.

Following the presentation of trophies and medals, there was only one remaining task to be done during the presentation ceremony – the distributing of the 'Skins' monies won during the "Grand Prix" event. This year the 'Skins' saw over \$6,000 returned to shooters during the three days of the carnival. In the "Grand Prix" event, the 'Skins' were AA/A \$160 per round, B Grade \$210 per round and C Grade \$390 per round of 25 targets.

Winners of 'Skins' were – Round 1 AA/A Glenn Kable, B Shaun Ezzy & Mark Boyce, C Yoshiro Tsujikawa & Mark Fanning. Round 2 AA/A Justin Hitchens, B Brendan Podlich, C Takashi Itoh, Round 3 AA/A Sam Bylsma, B Brendan Podlich, C Mark Fanning. Round 4 AA/A Shane Smith, Glenn Kable & Sam Bylsma, B Franco Di Bartolomeo & Brendan Podlich, C Shigeto Aoki. Round 5 AA/A Jackpot, B Jackpot, C Kelly Simpson. Round 6 AA/A Kevin Perkins & Sam Bylsma, B Steve Whitehead & Jessica Harris, C Scott Brydon.

At the conclusion of the weekend's proceedings, it was agreed by all that the Australasian-Pacific "Grand Prix" was an outstanding success. During the presentations the club had the pleasure of the company of the General Manager of Winchester, Clive Pugh, as well as that of Alan Smith in his role as a member of the board of Shooting Australia.

Once again, it goes without saying that the Australasian-Pacific "Grand Prix"

Cathie Menck with Japan HG winner Tatsuo Nasu

Japanese Top Gun medallists

would not continue to enjoy the success that it has without the continued support of Winchester Australia and the Japanese Top Gun Club. To both of these organisations, the club would like to record a special thank you.

The club would also like to acknowledge the assistance given by so many individuals over the weekend and in particular, that of Judith Kent who travelled from Melbourne to assist during the competition. Again, the efforts of the numerous club members who are always on hand to give support must also be acknowledged.

The Japan Top Gun Club have once again committed to returning in 2018 as have the contingent from Papua-New Guinea who are becoming regular and popular competitors in Brisbane.

The success of the 2018 Australasian-Pacific "Grand Prix" is already assured. It will be held at Brisbane Gun Club on 16th, 17th and 18th February, 2018 in what will be one of the biggest years ever at Brisbane Gun Club. Mark the date on your calendar!

Hotshot Handicap

**Taree Wingham Clay Target Club
October 2017**

2017 kicked off in a new and exciting direction for the Taree Wingham Clay Target Club by hosting the inaugural Hotshot Handicap event consisting of two 50t Handicap events with the Hotshot winner being the highest combined score for the day. With temperatures rising rapidly the shooters were confident the competition would be as hot as the weather. Eager shooters began practice to get their eye in from their set handicap marks. It was mutually agreed with all shooters to shoot the events in 25t brackets due to the heat which gave shooters a slight reprieve between rounds.

Event 1 commenced with Clayton Smith (17m) crunching targets early before a loss of concentration saw him miss 2 targets in a row before picking up again to post 23/25. Smith's early lead was matched by the final squad shooters Gill Neziz (23m) and Phil Baker (24m) also posting 23/25. With the second bracket of the first event concluding it was Allan Mudford (15m) & Megan Wilkins (17m) setting the bar high with an event total of 46/50. Neziz & Baker felt the pressure but both shooters rose to the occasion and shot the second bracket clean to score an event total of 48/50. The resulting shoot-off for the final positions would be decided in 2 targets. Mudford missed his first target out with Wilkins taking out 3rd place. The shoot-off for 1st & 2nd would similarly be a short one with Neziz missing a hard right hand target and Baker breaking his and earning a metre in the process. With the win Phil Baker maxed out his handicap on 25m. Congratulations.

Alan Mudford, Phil Baker and Gill Neziz

Event 2 commenced in 41c heat with shooters reluctant to move out of the shade until the very last minute. Megan Wilkins again shot the first bracket confidently posting 24/25 from 17m with Colin Crighton (15m) matching the score to take a 1 target lead over Allan Mudford with 23/25. The second bracket saw both Wilkins and Crighton post 20/25 which left the door open for Mudford and the consistent Neziz to sweep in and take out 1st & 2nd respectively with 46/50 & 45/50. Mudford was thrilled with the win and earning a metre. Wilkins & Crighton were joined by Bill Fletcher (20m) for the 3rd place shoot-off which Crighton would claim after 12 shoot-off targets.

The inaugural "Handicap Hotshot" would go to Gill Neziz who proved consistency is key to winning with 93/100 in very hot and sticky conditions. Congratulations to all the winners

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Social Benefits of Sport

I have had some interesting positive feedback regarding the article on the personal value of shooting. Even though, as participants, we know the individual value of why we shoot or play sport, it is something that we give little

thought to: unless we are arguing why we should be going to a shoot rather than mowing the lawn.

As shooters and sportspeople we need to be ever vigilant that there are many in the community that would like to see an end to firearm sports and firearm ownership. As I have written previously, if we can show that shooting has a personal, social and economic benefit we are able to argue rationally for the continuation of our sport.

When I was researching this topic, both the Western Australian and New South Wales Departments of Sport and Recreation identified 30 benefits of sport and recreation to the community. I have listed these benefits but have also rearranged them into three categories: local community, individual and wider communities. Remember that the components of personal, physical and mental well-being are connecting, being active, taking notice, learning and giving.

Taking part in sport has the following benefits for the local community.

1. Brings people together, providing opportunities for social interaction.
2. Provides a vehicle for inclusion, drawing together people of different races, religions and cultures.
3. Sport and recreation clubs can be the hub of community life, especially in the regions.
4. Creates opportunities for, and promotes, volunteering.
5. Binds families and communities through shared experiences.
6. Helps shape our national character and pride.
7. Creates employment opportunities.
8. Promotes a healthy, active lifestyle.
9. Provides a sense of belonging.
10. Fosters community pride.
11. Galvanises communities in times of need.

In the car park at a recent shoot, there was considerable discussion about volunteering and that most of the work in setting up the shoots, running then and packing up often falls to a few, while the majority that take part in the shoot rarely help. This was not directed at visitors but at club members. This will become a bigger problem if people do not step up to the plate as the older shooters retire from the sport.

Sport for the individual is not just about being strong, fit and healthier. There are also other benefits such as increasing self-worth, concentration, leadership, learning and for adolescents keeping them focus away from risk taking, offending and anti-social behaviour.

12. Provides work/life balance.
13. Contributes to higher levels of self-esteem and self-worth.
14. Empowers, inspires and motivates individuals.
15. Keeps kids away from the TV or computer screen!
16. Kids who participate learn better and are more likely to enjoy school.
17. Improves mental health.
18. Creates positive alternatives to youth offending, antisocial behaviour and crime.
19. Develops life skills and leadership abilities.

20. Tones and strengthens the body.
21. Contributes to lifelong learning.
22. Great opportunities for networking.
23. Reduces obesity.
24. Can help to prevent cardiovascular disease, diabetes and some cancers.

Finally, the following group of benefits contribute to making the society as a whole a better place.

25. Eases pressure on the health system.
26. Contributes to social capital.
27. Healthy workers are more productive and take less sick days.
28. Reduces pollution – promotes use of active modes of transport like walking and cycling.
29. Helps to sustain the environment through protecting open space and natural areas.
30. Economic growth through business investment, employment, major events and tourism.

The following is taken directly from the NSW Department of Sport and Recreation webpage and sums up the social benefits of sport. "The department prides itself on developing programs and projects in partnership with the community that promote a series of benefits beyond the traditional aspirations of improved health and wellbeing. It's our belief that sport and recreation can be a vehicle for positive social change.

Sport and recreation helps to bind families through shared experiences and shared achievements. Through participation, sport helps address anti-social behaviour and can support education. Sport and recreation contributes to economic growth through business investment and employment, and helps sustain the environment through protecting open space and natural areas. It also promotes the use of active modes of transport, such as cycling and walking."

TIM CATLING 1933–2017

The members of the Katanning Clay Target Club are deeply saddened by the loss of Tim.

Tim was a Life Member and an esteemed member for over 60 years holding many committee positions.

He contributed greatly to the early development of the Club and the Cherry Tree Pool Field Shoot

Tim was also a Life Member of WACTA and was involved at the National level of ACTA.

He was instrumental in the development of the coaching system that we now enjoy and passed on his knowledge to new and experienced shooters.

His ability and love of the sport was to be admired. His achievements are second to none.

He was Club Champion and WACTA State Team's representative and Australian team member on many occasions. He held shooting records that stood for many years.

The Katanning Club was extremely fortunate to have Tim as a member and he will be sadly missed around the traps. He was a gentleman and true icon of our sport.

Our condolences to Doreen, Nola, Chrissie, Jodie and families.

Rest in peace Tim.

BARRY PYKE 29/11/1931–21/11/2016

Alexandra Gun Club (Vic) is mourning the passing of long-serving secretary and life member, Barry Pyke. A larger than life character Barry was well known around the North East Zone area & won quite a number of events over the years.

Barry joined the ACTA in the early 1970's when Alexandra Gun Club moved to Hall Street and was a driving force in the operation

of the club ever since. Barry served a term as president of the club and then took over the job of secretary in 1994 (22 years ago), a position he held until only recently when ill-health necessitated him stepping down. Barry had also served as secretary for the North East Zone in the past.

Barry travelled regularly to all the surrounding clubs (Euroa, Mansfield, St James, Echuca and Melbourne). He regularly attended the Nationals at Wagga Wagga and State Titles at Echuca over recent years and enjoyed catching up with old friends. Barry was always generous with his time and had been involved in the local school shooting education program since the 1970's. In recent years a Perpetual Shield in recognition and appreciation of Barry's contribution to the Club and shooting in general, had been shot for by the club each November, Barry managed to make it down to the club for the presentation of the shield this year, the last visit he made.

In his early days Barry was also an outstanding bike rider, winning an Australian championship in Darwin, and also competed regularly at the Melbourne velodrome. Barry's trade was building before he married Loraine and become a dairy farmer. He was jokingly referred to by club members as the richest dairy farmer on the Crystal Creek (the only one!). His response was he was also the poorest.

Barry was deeply involved in the local community through C.F.A. (former Whanregarwen Captain, former Victoria Rural Fire Brigade Association State Delegate), NE Zone Alexandra Gun Club delegate for many years, Golf Club (former president), National Party (local branch secretary) and several dairy farmer groups before he left dairying and moved into cherry growing ("For my retirement", he said)

Barry also loved fishing and field shooting. Duck opening was always a camping week-end on "Willow Bank" and his 2 daughters were informed very early that they could get married on any week-end except Duck Opening. Mondays were usually duck hunting days during the season with a daylight start in the fog on the Whanregarwen Flats. Barry was also a member of the Mount Sugarloaf Hunt Club, a fox-hunting group using Jack Russell Terriers, and spent many an enjoyable day during the winter months hunting the elusive pests. Barry also loved rabbit shooting. For years he had a curly haired retriever named "Hank" who was great valve pushing rabbits out of braken and tussocks. The only problem was that no matter who shot the rabbit, Hank would always take it back to Barry, so he was often left carrying someone else's rabbits.

Barry was an individual who squeezed as many hours into each day as he possibly could. He enjoyed life, he enjoyed talking to people, and he has been a wonderful friend and wonderful ambassador for the Alexandra Gun Club. His passing has been a huge loss for the club and he will be greatly missed by all who knew him.

Targets fly at Bega

Bega Gun Club February 2017

Sunday, 5th of February saw twenty-two hardy souls attend the Bega Gun Club's ground at Tarraganda for the February shoot. Two events were on offer, fifty target continental and fifty target ball trap. To remind everyone that it was still summer, the mercury soared almost as well as the targets. Numbers were down a little due to clashing with other events but all attending had a fantastic time.

Shooters faced the 50T continental first, with some very respectable efforts seeing Phil Body and Robert

Craig Field winner B Grade Cont & 2nd B Grade B/T

Phil Body winner AA/A Cont, A Grade B/T & Shoot HG

Taylor returning to the traps for a short shoot off for AA/A Grade after both finished with 47/50. Phil pulled off the win with a final score of 52/55 to Robert's 51/55. B Grade saw Craig Field clean up the first 25 and then proceed through to target 45 before dropping two in a row, to win the prize with 48/50. In a repeat of AA/A grade, Peter Johnston and Tony Gray sorted out second place with Pete scoring 54/55 to collect. The gentlemen of C Grade were much more efficient with George Adamopoulos scoring 43/50 to win from fellow veteran Arne Aske on 39/50.

Bega does not shoot a lot of ball trap, but it always creates much fun and laughter when we do. The second event, 50T Ball Trap saw Phil Body catch up with 45 of the

Shane Platts first B Grade B/T

Simon Buckley winner C Grade B/T

George Adamopoulos winner C Grade Cont

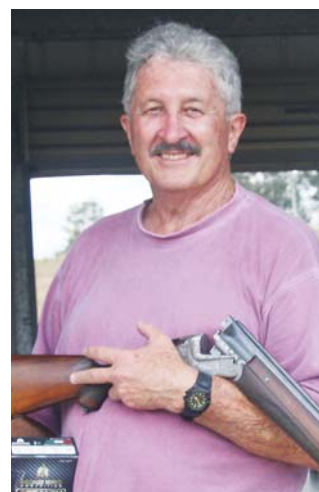

Alf Niesar 2nd A Grade B/T

fast fliers to take out A Grade, with Alf Niesar second on 31/50. B Grade saw Shane Platts shoot the second best score of the event to win 41/50, whilst Craig Field and Keith Pearce shot off for second. Craig finally emerged to take the prize. C Grade went to Simon Buckley, who collected 38/50 to win from John Walker, who caught 33 of the slower ones for second.

High Gun went to Phil Body with a total of 92/100 and the ever generous Peter Johnston missed out on the cash on the shoot raffle and settled instead for the meat tray. The raffle now increases in value for the March shoot.

Following the presentations, President Shane thanked all for their attendance and support in running

John Walker 2nd C Grade B/T

the day and wished everyone a safe journey home.

The Squire Reports from West Wyalong

West Wyalong Clay Target Club January 2017

The fourth Sunday of January was the first shoot of the year for the West Wyalong Clay Target Club and as always at this time of year numbers were down.

The day started with a 10 Target Double Barrel Eye Opener and Graeme Fairman, Don Turner, daughter Kate and Narelle Ambrose all scored the maximum.

The second event on the program saw Don Turner, who has been a bit disappointed with himself lately, turn the tables and take Overall with a score of 145/150 in the 50 Target Points Score event. Smiles all round for the Turners. In AA Grade Rob Lindsay 144/150 was the winner one point ahead of Wayne Ambrose, Luke Kirkby and Graeme Fairman all 143/150. Narelle Ambrose 139/150 was also one ahead of Bruce Dent 138/150 to win A grade and Craig Ridley shot a 117/150 to win C Grade.

The final event of the day was 20 Pair Double Rise and Luke Kirkby always seems to win this event shooting 35/40 to win AA Grade. Rob Lindsay 33/40 was second in AA Grade while Don Turner 32/40 was the A Grade winner ahead of Narelle Ambrose 30/40. Craig Ridley 26/40 had a good day winning C Grade

In the absence of some of the usual helpers, others at the club stepped up and thanks to the Turners, who as a family, do a great job and contribute a lot to West Wyalong Clay Target Club.

Only Mad Dogs and Skeet Shooters go out in the Midday Sun and such was the case on the fifth Sunday of January when West Wyalong Clay Target Club held a 100 target skeet day.

Graham Duncan and Allan Schirmer were out whipper snipping and preparing the traps the day prior to the shoot and with a predicted high of 42 degrees Celsius they did not consider that anyone would turn up for the shoot.

Well, skeet shooters are sillier than that, as first Allan McKenzie from Queensland via Orange arrived early, followed by Ray Hillam from Griffith, Stephen Smith and Denis Coaker from Narromine and John Rourke ex-member of the club now from Western Australia.

Max Kavanagh brought shooters from Wagga over, but Max was running a bit late unfortunately he had to stop and talk to some people in Barmedman who were wearing these funny little blue peaked caps!

Eventually there were three squads which was very pleasing considering the conditions.

Special thanks to Clive Foster and Graeme Fairman who did not shoot but kept everything super organised during the day.

Unfortunately there was a breakdown during the 50 Target Skeet Graded event. The Squire, with his hammer, got pushed aside apparently it was an electrical problem. Clive Foster, Graham Duncan and Graeme Fairman eventually got it sorted out by bringing power in from a different source.

This held the program up for a while but Graeme Fairman still managed to get a barbecue cooked and Laurie Redfern supplied a water melon which he cut up and it was soon demolished. Good one Laurie.

Perhaps it was the heat or the light breeze which put shooters off, but scores were well down on what would normally be expected.

Ray Hillam 42/50 won A grade while Allan Schirmer, Graham Duncan and Mick Munro 43/50 shared B Grade. Pat Mulqueeny 42/50 made the trip in from Ungarie and won C Grade.

The afternoon 50 Target Skeet Handicap saw some improved shooting with Max Kavanagh shooting 24 in both rounds and Graham Duncan shooting 24/25 in his last visit to the traps.

It was quite a protracted shoot off to decide the winner in the Handicap and Mick Munro scored the only 25/25 for the day in the first round of the shoot off.

To finalise the event and get everyone out of the heat it was decided to shoot doubles to complete the shoot off and Pat Mulqueeny dug in to take out the event from Max Kavanagh with Mick Munro in third place.

At the end of the day everyone appreciated a quiet sit down under the air conditioner with a couple of cool drinks as the presentation to winners and placegetters was made by Clive Foster.

Max Kavanagh had some consolation as he was the High Gun for the day.

Ray Hillam A, Mick Munro equal B, Max Kavanagh HG, Pat Mulqueeny 1st HC, Allan Schirmer & Graham Duncan equal B

Nick Xenos wins Gold Sovereign S x S shoot

**New South Wales Gun Club
November 2016**

The 11th NSWGC Gold Sovereign side x side shoot, held on the 19th November 2016 at Terrey Hills was won by multi-disciplined shooter Nick Xenos with an excellent score of 91/100 and now the proud owner of a treasured gold sovereign. Close on his heels with a competitive score of 90/100 was Frank Searles from the Cessnock Club. Nick, a long time member of the NSWGC was also the best NSWGC shot on the day and will have his name placed on the Club's honour board.

A fine display of SxS guns were displayed in the clubhouse from 8.30am. A Frederick Beesley, side lock ejector, side x side recently purchased by Mark Walsh won the best most original gun. It was a lovely example of a side by side manufactured by the famous London gunmaker established in 1879 and still involved in the trade to this day. Andrew Shacklock's beautifully Ian Mc Geoch restored Leech & Sons won the best restored side by side. Leech was a small boutique maker from Chelmsford in the UK who manufactured fine quality guns in the late 1800's and early 1900's. Our thanks to Frank Searles and Phil Pemberton, legendary in their knowledge of SxS's who judged the guns.

The 50 sporting targets, set up by NSWGC director and aircraft technician Don Jessop again proved challenging with a great variety of targets. Frank Searles shot a 46/50 while south coast shooter Phil Craig a respectable 43/50 and Bobby Duncan a 44/50. The layouts ran from the east side to the west side of the beautifully prepared grounds.

50 DTL targets followed the sporting. Firstly 25 tgts off 15m DTL and lastly 25 Tgts off 18 m continental. Nick Xenos shot a brilliant 48/50, Andrew Shacklock a 46/50, Phil Craig and Peter Boland a 45/50 and John Michell, Frank Searles, Bob Warren and Hugh McMaster all shot 44/50.

At the end of the day Frank Searles won AA with a 90/100, Bobby Duncan second 87/100 and third Peter Boland with 84/100. Phil Craig won A grade

Hugh McMaster, Nick Xenos & Andrew Shacklock

with 88/100, second was Andrew Shacklock with 87/100 and third Bobby Clifton with an 81/100. John Michell won B grade with a credible 81/100, Hugh McMaster second with 77/100 and third Jim Holt with 69/100. C grade was won by Jan Waples with 49/100 and Michelle Craig won the ladies prize with 45.

Our sincere thanks to all our generous sponsors who help make our successful shoots. John Dickie and Tony Abela from the Horsley Park Gun Shop, Graham Jamieson from Young Guns and Ammo, (has the largest inventory side x sides in the bush), Spurring Pty Ltd, Andrew Shacklock, John Newton and Peter Romeo from NSWGC. Thanks again.

Regrettably no sashes were available on the day due to a massive fire next door to the Stewart Gillman Internationale factory, makers of sashes, in Melbourne a week or so before the shoot. We are delighted to have heard from Wendy Gillman that they have relocated to a new factory, re tooled and are now back in production. We wish them well. Sashes will be posted to the winners of the 2016 Gold Sovereign shortly.

Yorkshire Trophy

**New South Wales Gun Club
November 2016**

Andrew Garvie is the Inaugural Bob Ellison Yorkshire Trophy at NSWGC 26/11/16.

Andrew Garvie, following a tense 10 target shoot off with Andrew Bell, won the "Bob Ellison Yorkshire Trophy" at the NSWGC shooting a fine score of 93/100. He now has his name emblazoned on the famous trophy and joins the list of many of Australia's greatest clay target shooters over the past 33 years to win the trophy.

The NSWGC has now become the legal custodian of the "Bob Ellison Yorkshire Trophy" following the 2016 Annual General Meeting of the NSWGC held at Terrey Hills on the 15th October 2016. Bob has very generously donated the "Yorkshire Trophy" to the Club. The trophy is now to be known as the Bob Ellison Yorkshire Trophy. It is without doubt one of the most beautiful of all the trophies in the Australian Shooting community. No other trophy carries with it names of so many of Australia's great clay target shooters.

Bob has had a long association with NSWGC first becoming a member in 1982. Shortly thereafter he became a Director and Board Member of the Club for 9 years, including rolls of Secretary, Shoot Captain and editor of the NSWGC newsletter for 6 years.

Don Jessop, Andrew Garvie & Andrew Gancewicz directors of NSWGC

In 1988 he initiated the successful amalgamation of the 57 strong membership of the Wyong Gun Club with the NSWGC. He also served as a director of the NSW Firearms Safety and Training Council for 12 years. Very few have devoted as much time and effort for the benefit of the shooting community as Bob has done.

It seemed fitting that Bob should be nominated as a candidate for Life membership of the NSWGC at the 2016 AGM last October. Hugh McMaster and

Yorkshire Trophy

Continued from previous page

President Joan Robertson proposed and seconded his candidature which was put to the meeting. The members voted unanimously to support the election of Robert Beaumont Ellison to Life Membership of the Club.

By way of history, the Yorkshire Trophy was a creation of Bob's aunt and uncle in England in the 1930's to celebrate the imminent commencement of the shooting season. Look closely at the trophy and notice the lid handle is in fact a miniature clay target trap. Etched into the silver work are game scenes, shooting scenes and images representing DTL, Skeet, Trench and Sporting Clays. All of which represent clay target disciplines shot by shooters prior to the opening of the shooting season.

Each year the NSWGC will conduct two competition shoots for the "Bob Ellison Yorkshire Trophy". The first competition will be shot in August and will include 3 clay target disciplines using only 1 gun. DTL, Skeet and Trench. A true test of multi- disciplined shooting!

The second competition will be a 100 target Sporting event to be shot in November of each year. We look forward to seeing Andrew Garvie defend his title!

The 2016 "Bob Ellison Yorkshire Trophy" competition shot at NSWGC in November was well supported with about 15 squads of competitors. Several layouts were set up across the NSWGC grounds, the 100 target event being shot with 3 visits, 33, 33 and 34 targets per visit.

Andrew Bell lost in a shoot off with O/A winner Andrew Garvie to win AA grade with a 93/100, Doug Rose second with a 92. Don Jessop won A grade with 91 and Brett Cummings second with 88. James Paris won B grade with 86 and Glen Blizzard second with 80. C grade winner Ivan Nemcich shot a 68 and Anthony Abbot second with a 67.

The NSWGC looks forward to the 2017 shooting year and hope to see the Bob Ellison Yorkshire Trophy events again well supported.

ACTA members have been asking about firearm insurance. Now you have it!

Affordable, Quality Firearm Insurance

The ACTA has accepted an Association insurance policy that will see eligible members (defined as the legal owner of a firearm) provided with **Firearms Insurance** for up to **\$12,000**. For an additional **\$10.00** fee any eligible member will be able to increase the insurance coverage to **\$25,000**.

This insurance represents a significant saving on insurance for firearms and accessories. The ACTA has been looking for this type of insurance for some time. This will allow all eligible members to have insurance at a very low cost compared to what they may pay now. Covering member's firearms, and/or associated equipment whilst in transit, stored in a locked vehicle in accordance with State Law and/or building and damaged or destroyed whilst in use anywhere in Australia and New Zealand and overseas coverage for 21 days per year.

DEFINITIONS APPLYING TO THIS POLICY

Firearms & accessories means legal firearms owned by members of the named Association/Club, including any accessories or carrying cases.

Loss means loss or damage caused by or arising from a sudden and unforeseen accident including theft from a securely locked building or vehicle.

- Theft cover is conditional on firearms being securely stored in an approved gun safe when the firearm(s) are not in active use.
- No cover will be provided under this policy where the insured, or any other person or entity the equipment has been entrusted to, has breached any law relating to either the storage or use of the firearm(s).

Comments

This insurance is designed to protect each financial member up to \$12,000 with the option to increase this limit to \$25,000 for an additional \$10 payable by the member.

The policy has an excess of \$50 each for every claim and protects members anywhere in Australia 365 days of the year plus overseas for 21 days in any one year.

The full policy document will be available on the ACTA website with all other insurance documents on the 1st of November 2016.

For an additional **\$10.00** fee any eligible member will be able to increase the insurance coverage to **\$25,000**.
