President's Notes

This report is being written ten days prior to the Trap Nats. Pre-Noms have closed much higher than last year with over 500 nominations already accepted. This year we are selecting three teams in each category for entry into the 2018 ICTSF World DTL,

making 51 entries in total. The first team in each category will receive recognition as the official Australian Team. B & C Teams will be outfitted to a lesser extent but also suitably recognised. Whilst we feel as the Host Nation it is important to field the full number of teams able to be entered in the World DTL, we also wish to protect the privilege, esteem and respect which official Australian Teams command.

The Points event this year will be shot over 16 layouts in banks of 4 with alternating waves as is the process for the World DTL. This is being done to allow all present the opportunity to familiarise themselves with the way this system operates.

Sporting Clays Australia (SCA)

After many meetings and deliberations SCA have advised that they do not wish to enter into any arrangement with ACTA in respect of some form of mutual recognition of each other's members.

Their advice included the comment that "SCA currently allows ACTA members to participate at SCA club events for competition and practice under an open door policy as 'visitors' to SCA shotgun ranges. This open door policy will remain in place . . ."

This is the first formal advice received from another national shotgun body that they allow some recognition to ACTA members. We will now need to reconsider what opportunities there may be to consider changes to benefit our clubs within the framework of the constitution.

I thank SCA Management for the frank discussions we have had and look forward to working closely in the future on matters of mutual interest. SCA are an independent organisation with a great history and the ACTA fully respect their decision.

Vales

The vales of two very well-known members of the ACTA appear elsewhere in this magazine.

Mr. Bob Buchan and Mr. Tim Catling both influenced the direction of shooting in Australia over many years. Without covering the content of the Vales, I will say that both had great involvement and a love for the sport and we extend condolences to their respective families and friends.

International Clay Target Shooting Federation (ICTSF)

Nominations for the 4th ICTSF World English Sporting Championships opened at the start of February and 500 entries

were received in the first week. This event to be held at Kelmarsh Estate in England is shaping up to be the largest in ICTSF history. The Association wishes our team members success at the event. The Association will be doing all in its power to ensure that the DTL event in Australia in 2018 also breaks records.

Membership fees 2018

A Board recommendation to the Executive that 2018 membership fees not be increased has been accepted. This decision is part of a strategy to bring our membership fees closer to other shooting associations over time. The recreational membership at \$60 inclusive of firearms insurance represents excellent value and I urge clubs to offer this category to prospective members who only wish to shoot non-competitively. Some States have taken the initiative with this category by not levying the State fees thus further reducing the cost to the recreational shooter.

If ACTA clubs not currently abiding by the Constitution registered the 1000's of non-members with the ACTA the Association could even be in a position to reduce membership costs across its general membership. It is certainly not very fair on the fee paying ACTA member.

Rules meeting

Rules Supervisors from around the country will soon be meeting for the annual review of the rules. The ACTA is funding one representative from each State and a second is permitted funded by the State. Many submissions have been received from Rules Supervisors and these will be considered before recommendations being made to the Executive meeting in June.

Judicaries

From time to time the Association requires the service of suitably qualified persons to act as judiciary members. Recently we have struggled to fill these positions, often unnecessarily extending the time before matters can be heard. The Association would be pleased to hear from individuals that could be considered for inclusion in a pool of judiciary members from which we could draw on future occasions. If you have an interest in this field please contact the Executive Officer in the first instance.

Executive Officer's Report

2017 is off to a flying start with the highest level of membership renewals received in many years (since membership renewals opened in November 2016). The inclusion of firearms insurance has been extremely positive and popular. I am aware of a number of claims already with prompt and positive results. The inclusion of this with other insurance policies that cover members, clubs, volunteers and the general public is a service that is provided at a very low cost for those participating in the sport of Clay Target Shooting with the ACTA. The ACTA's ability to provide all of these insurances is based on the "Association" taking the policies on behalf of their members.

The ACTA has confirmed Public Liability coverage for all shooters on private property as part of our insurance cover, as with all of the insurance packages offered the activities on the property must comply with the law of the State including having permission to shoot on the property and the appropriate licence to do so.

The National Executive considered and accepted a proposal to change the way the ACTA collects fees. Commencing on the 1st November 2017 the ACTA will collect any Zone, State and National registration fees from clubs as part of the billing system currently in place.

The ACTA will provide the allocated funds collected to the Zone and State in line with the fees charged. This will allow Zones and States to account more easily for their income. Rather than receiving it from various sources it will all come from the ACTA with a report signifying the clubs/members it is for.

Work on the National Ground continues outside of the development of the ACTA clubhouse, the installation of the 16th trap on the ACTA Ground proper, we still have three additional practice traps on the neighbours land that will increase by the end of the year to four. This is just part of the preparation for the 2018 World DTL and also to secure the Ground to a level that will host the National Championships well into the future.

The National Executive now has the floor plan to the ACTA Clubhouse including the Hall of Fame that will feature in the entrance to the building. The floor plan along with the footing and slab engineering designs have been submitted to council along with an early works package to allow the slab to be laid after Easter. Consultants GHID are in control of the project that will deliver a fantastic practical showpiece for the ACTA.

We are currently researching the Hall of Fame area with a view of looking at the past, present and into the future needs of the Hall of Fame. The entrance/foyer and Hall of Fame area will be used to showcase the sport. This will be our opportunity to promote the Association as an internationally and nationally recognised sporting organisation. The entrance will be a focal point and spectacular celebration of the sport, something all our members will be able to appreciate.

The building will provide for National Events, State Events and where required other shooting events. The Executive now have a recommended program of National Events for 2019-2025 for consideration. These dates along with NSWCTA State Titles for Trap and Skeet will be blocked out so no bookings for the clubhouse will be taken during this time. The ACTA already has an agreement with the Stone the Crows Festival organisers for use of the ground until 2024.

This group of grey nomads numbers around 500 recreational vans including caravans and motor homes on the Ground every Easter.

These types of events and proposed functions and conventions will be a great supplement to the ACTA finances, thus enabling the Association to retain low membership cost whilst providing more tangible services and benefits to the members.

This significant investment by the NSW Government has doubled the asset base of the ACTA overnight. The investment is great support for the sport and firearms ownership. Not only providing the asset, but significantly increasing the opportunities to gain further financial advantage through the operation of the facility.

Just to put this in perspective the ACTA has submitted proposals in 2013-2014/2015-2016. We were unsuccessful with all of these applications, even the 2016 application that was not approved in May 2016. The grant was made available in December 2016 after further consultation and negotiations with Government officials.

Once again none of this would be possible without the full support of the member for Wagga Wagga Daryl Maguire and the NSW Government.

Double Barrel & Double Rise at Hopetoun

**Hopetoun Gun Club
March 5 2017**

Hopetoun Gun Club which is situated 3 kms north of Hopetoun on the Henty Highway has recently upgraded our two trap layouts. Two new back-lifting trap houses have been installed and we have acquired a Gemini Trap to enable double rise events to be run.

The March shoot featured, along with a 50 target double barrel, our first competition double rise shoot. Although visitors came from as far away as Maryborough and Mildura we still only managed a small attendance of some 18 shooters.

Event 1, the 50 target double barrel saw David Yetman from Patchewollock shoot the only possible, taking out AA/A grade. David Flavel (Jeparit) and Cameron Browne (Patchewollock) shared second. B grade went to local member Maurice Smith and John Webster placed second. C grade saw locals Nic Martin and Daven Pulham take first and second.

In Event 2, the 20 pair double rise, AA/A grade went to Cameron Browne 36/40, Jim Shepherd (Maryborough) ran second. Maurice Smith also won B grade in this event and Mark Tyson from Mildura came in second. As in Event 1, C grade first went to Nic Martin with Daven Pulham taking second.

Winners Nic Martin, Cameron Browne & Maurice Smith

37TH NORFOLK ISLAND 2017 Clay Target Championships

**Norfolk Island Clay Target Association
February 2017**

The view from the Norfolk Island Clay Target Association (NICTA) club has the potential to distract some shooters as it overlooks Anson Bay and the Norfolk Pine tree studded cliff edge of the western side of beautiful Norfolk Island. However the field of 73 competitors from Australia, New Zealand and Norfolk Island competing in the recent 37th International Clay Target Championships kept their eyes high to take a share in the medals.

NICTA would like to sincerely thank their valued sponsors for their support for this annual Norfolk Island Sporting Event as well as visiting shooters for their assistance during the week. The good news for New Zealand shooters is that a new airline will be taking over the weekly direct Auckland to Norfolk Island route so they'll be able to compete again in February 2018. Norfolk Island Airlines will begin their service in May 2017 when the Air New Zealand run ceases.

The feedback from the competitors this year was once again glowing. The Island's reputation as a safe, easily accessible and beautiful destination is matched by NICTA's one as very welcoming, well organised and hospitable hosts with a club house with amazing views! The 38th Norfolk Island International Clay Target Championships will be held from 5-8 February 2018.

WACTA State Skeet Carnival

West Australian Gun Club – Whiteman Park, Perth
February 17 – 19 2017

Hot long days with a very good attendance was how the WA State Skeet Carnival had been described, along with a friendly atmosphere that welcomed a good number of visitors from Victoria & New South Wales. This year the State Skeet Carnival included two new State Titles making the total number of State Sashes to be competed for to six. The new State Titles were for the 28 gauge & .410 gauges which had been in "trial" mode at previous years State Skeet Carnivals. Along with the additional State Titles, this year there was around \$8,500 in sponsorship which was heartedly sought by Jon Dyas and appreciated by the Skeet shooters. Advertising of the WA State Skeet Carnival had been intense with the use of the WACTA website, Facebook, Club fliers and through the WA Coaching Newsletters so plenty of marketing had been done on behalf of the sponsors and WACTA to encourage more members to participate in Skeet. It was unfortunate, that one of our Perpetual Trophy donors – Mr Tim Catling, passed away on the Thursday (16th February) just before the start of the Carnival, so all flags were at half-mast to recognise the passing.

As sponsorship of this calibre was a first for the Skeet, many & heartfelt thanks from the WACTA Executive & Carnival participants for this support of the WACTA State Skeet Carnival goes out to our Sponsors over the weekend (Falcon Ammunition, Laporte & Bronzewing, Miall's Gunshop & Briley Australia, Pine Hauliers plus Jon & Anita Dyas). Unfortunately two of our other Sponsors (Outdoor Sporting Agencies (OSA) & Miall's Gunshop/Briley Australia) trophies deliveries were affected by the substantial flooding and therefore not delivered prior to the Carnival. OSA prizes will be utilised at the State DTL Carnival in September and the Miall's/Briley trophy sponsorship for the Overall High Guns were mailed onto the Winners immediately, as they arrived the day after the Carnival. As with any Carnival, thanks must be to all our volunteers who assisted in running the State Skeet Carnival, including Mark Evans, Cathy & Murray Cornish, Vince & William Lizzi and WA Gun Club. Thanks also to the WACTA Executive members present who kept the targets loaded and layouts cleared plus shot, so that all the competitors could enjoy this phenomenal State

Carnival weekend. Along with the presence of our Eastern Seaboard visitors, some WA members who took the opportunity to bring their caravans on site and in doing so, created a "mini-community" for the weekend which at the end of the day produced much comradery and interaction.

As with the DTL State Carnival, the WACTA Coaching Division & Promotions Sub-Committee took the opportunity of the State Carnival to set up another Coaching Information stand about the direction of Coaching in WA, the upcoming Zone Club Coach courses plus the new initiative that WACTA has undertaken in providing merchandise to be on sale & available to members to purchase. Information was also available about WACTA's new agency target being Laporte, which was in use over the Carnival weekend with very good hitting results. Hitting of those targets produced a considerable number of clean score sheets showing 50/50's & incurring plenty of shoot-offs as shown in the details from the 1st day of competition to the last day.

State Titles shot and decided – 50t WACTA State 28 Gauge Skeet Title (sponsored by WACTA). Jon Dyas was on hand to do not only this presentation but all others over the Carnival weekend, so thank you Jon for both the support and presentations. Overall Winner was Michael Buttigieg (Vic) (93/93) from Jack Stockdale (Vic) 1st AA & juniors (90/91)

then Nigel Hughes (Qld) (49/50) & Shane Bennett (NSW) (48/50). This was just the first of many Red Sashes & State Titles that Michael was to acquire from the weekend. A Grade did not have shoot-offs with Phil House the clear winner (47/50) taking 1st place from Jon Dyas (46/50) & Mark Evans (43/50) in 3rd place. It seemed that shoot-offs carried over into B Grade as John Pethybridge (47/54) was victorious over Glen Davis (46/54) with Sim-Hee Neoh taking 3rd (42/50). In C Grade, stalwart Peter Iley (43/54) shot the targets better than Ian Watson (42/54) in their shoot-off with lady Pauline Scott (30/50) coming 3rd. Ladies Overall Winner was Lorraine Hughes (46/50) & Veterans Terry Marsden (46/50).

Second event for the day was the 50t WACTA State .410 State Skeet (sponsored by WACTA and Jon & Anita Dyas) & saw Nigel Hughes win this brand new State Title with a perfect 50/50 & no shoot-off, taking 1st in AA Grade as well. 2nd place in AA Grade went to Jack Stockdale (49/50) in front of Michael Buttigieg (50/52) after he survived a shoot-off for 3rd place. It seemed that A Grade was to have close to the same results as the 1st Event, but after a shoot-off, Phil House took 1st place (47/54) from Mark Evans (43/51) & Jon Dyas (37/50)

410g C Grade winners

in 3rd place. John Pethybridge (44/50) won the B Grade in the 1st event & carried on that success with this event plus the Veteran's over Gary Kelly (41/50) from David Knight taking 3rd (40/50). C Grade was once again won by Peter Iley (32/50), then Pauline Scott (26/50) from Ian Watson (24/50). Ladies Overall Winner was Lorraine Hughes (46/50) & Junior's Jack Stockdale (49/50) which was the beginning of results to come at completion of the weekend.

Well that completed the 1st day of the WA State Skeet Championships with 22 in attendance to shoot these newly acclaimed State Titles. Numbers were expected to increase over the rest of the weekend, but this was a very good start for the small gauges, which with time will grow.

Day 2 (Saturday 18th) arrived with the start of Events that qualified WA members for selection in the State Skeet Teams for Wagga in May and any consideration to the heat letting up was quickly dispelled as what little breeze there was, dropped. This in no way stopped the performance of the 50+ shooters present for the morning's event of 50t WACTA State 20 Gauge Skeet Title (sponsored by Pine Hauliers).

Jack Stockdale (74/74) started the day the same as Friday, shoot-off & all but instead of being 2nd to Michel Buttigieg became the Overall Winner of the event plus 1st AA Grade & Junior Winner. Michael (73/74) had to settle for 2nd AA Grade from Mark Corbett (57/58). There were three (3) perfect 50/50's for the event resulting in a shoot-off for the Overall. A Grade saw a three way shoot-off

to determine the Winners with Jon Dyas (50/51) taking 1st from Phil House (53/55) after a further battle with Mike Voke (52/55) for 2nd & 3rd. There was also a heated competition in B Grade with David Knight (60/65) eventually taking out 3rd place through a long shoot-off. 1st B was Simon McKay (48/50) with Luke Fisher (47/50) being 2nd. C Grade was the only grade that had clear results with Peter Iley (46/50)

Event 1 concluded and the time came for our 2nd Event of the day which was the 50t WACTA State Skeet Doubles (sponsored by WACTA & Falcon Ammunition) with all sponsorship on the table for all to see plus ready for presentation. Once again one of our visitors from the east was enjoying the shooting & in doing so, Shane Bennett (50/50) (NSW) took out the Skeet Doubles Championship with the only perfect score to be registered along with 1st AA Grade. However, once again there was a shoot-off

to determine 2nd & 3rd AA with Michael Buttigieg (55/56) being successful from Wayne Petersen (54/56). Shoot Marshall Mark Evans (48/50) won A Grade from Phil House (47/50) & new shooter on the block Ashley Weston (48/52) won 3rd after another shoot-off for the tournament. B Grade was again full of shoot-offs to determine all positions but Glen Davis (61/66) was victorious for 1st B followed by Murray Kamo (60/66) then junior William Freni-Lizzi (50/56) took 3rd. C Grade didn't want to be left out of the action & also had two positions acknowledged by shoot-off, being 2nd & 3rd. Murray Cornish (43/50) won C Grade outright from Russell Day (44/56)

into the night light. Therefore the next major event, being the 50t WACTA State Skeet Handicap State Title (sponsored by Falcon Ammunition) was kept moving along, even though it was done in two visits to the range of 12 pair & 13 pair. Backing up was called for by the Shoot Marshall plus referees & scorers.

As with all other events, this event was no newcomer to shoot-offs. Michael Buttigieg (112/112) took the State Skeet Handicap title with a perfect score from, Ray Wendt (109/112) then Glen Davis (95/98) in 3rd followed by Phil House (92/94) & Simon McKay (86/87) in 5th place.

65+ competitors, showing that Skeet shooting is back on the rise in WA. Due to the lengthy shoot-offs experienced over the last two days of competition, it was decided to incorporate the Zone Teams competition into the 1st 25 targets of the 100t WACTA State Skeet Title (sponsored by Laporte & Bronzewing) with the Tim Catling Perpetual for the Overall Winner & the Scotty Gibson Perpetual for the Junior Winner. At the start of the day a minute's silence was undertaken to recognise Tim's passing. The Overall Winner & 1st AA was Michael Buttigieg (100/100) from Marco Ponta (109/110) who shot off against Peter Vosper (108/110) for 2nd & 3rd respectively. Phil House (97/100) won A Grade outright but again shoot-offs awarded Ashley Weston (100/104) 2nd place from Mike Voke (98/103) in 3rd. The Laporte targets used throughout the weekend powdered up very nicely & in doing so, gave way to more shoot-offs in all the Grades. B Grade was won by Simon McKay (96/100) but the proverbial shoot-off applied to Glen Davis (102/108) from Graham Evans (100/107) & just so as they were not left out, C Grade had its shoot-off for 3rd. Colin Anderson (85/100) won C

then Ian Watson (42/56). Once again Mike Voke (49/50) won the Veterans with Lorraine Hughes (47/50) adding another Ladies sash to her collection, likewise with Jack Stockdale (56/58) taking Juniors.

Due to all of the shoot-offs throughout the day, time was starting to become very valuable to prevent shooting

No pressure, but it would be nice to have another Open Skeet Team win in 2017 with all the “young blood” present.

2017 VCTA State 5 Stand Sporting

Maryborough Gun Club
March 12 2017

Anthony Panetta VCTA SPORTING CLAYS CHAMPION

The Victorian Labor Day long weekend and the pressure of other nearby sporting shoots affected the number of competitors who arrived to shoot at this prestigious State event. In total only forty shooters nominated. It was disappointing for Maryborough club members who had put many hours into the preparation of the three sporting grounds.

After setting the targets on Saturday, with only a slight breeze from the east, it was incredible to see the difference made to the targets on Sunday when the wind became a quite strong westerly, pushing the targets away from the shooters. As the scores indicate the targets were challenging.

Thirty-five targets were shot over ground one, thirty on ground two and another thirty-five on ground three to make up the 100 target event.

The day was short and enjoyable with the air-conditioned club rooms and kitchen being popular places to beat the heat. The shoot started just after 10.00am and presentations were over by 3.00pm.

Grade winners: B – Lachlan Moran, A – Russell Hooper, AA Robert Hall, C Daniel Pollard

We thank the Maryborough ladies, Judy and Lynne for keeping food and plenty of drinks available to the competitors and thanks also to Belinda in the office.

The overall outright winner, shooting a respectable 83/100, was Anthony Panetta from the Melbourne Cricket CT Shooting Club. For his win Anthony received the VCTA State Red Sash a Victoria Silver badge and trophy.

Robert Hall from Bendigo won the AA grade (181/100), with Warwick Kelvey (Echuca CTC) coming second. Reece Turner also from the Melbourne Cricket CT Shooting Club won the VCTA Bronze medal.

First place in A grade went to Russell Hooper (Metropolitan) after the only shoot-off for the day. Russell won the VCTA Gold Medal and GB cartridges, shooting (89/114). Craig Scott (Echuca) came second taking Silver and third place, taking home the Bronze State Medal, was Glenn Philipson from Maryborough.

Look out Dad, here I come!

**New Zealand Nationals
March 2017**

When Terry Boucher suggested to his eldest son, Oliver, he might like to accompany him to the New Zealand Nationals, Ollie jumped at the chance – wouldn't any 13 year old?

Oliver had shot 2 registered competition shoots prior to boarding the plane to the Land of the Long White Cloud. Little did anyone know that he would return home just missing out on winning an Overall National title, even so, 2nd Overall is an outstanding performance.

In the very precise Triples Championship – 15 Double Barrel, 15 Points Score and 15 Single Barrel – Ollie was one of six shooters to record a possible, the only Australian to do so. The shoot off, consisting five targets of each discipline was decided after one round. Overall to a Kiwi with a possible, 2nd placing to Ollie, two points down.

Proud father Terry with a very happy Oliver

Ollie being carried aloft after his win by fellow Australians Pat Guida & Steve Atkins

Superb shooting and the Junior and C Grade titles came back to Australia. Not bad for your 3rd outing of competition.

One would imagine it may not be very many years before Ollie surpasses his father's two New Zealand High Guns and two Single Rise titles.

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Executive Function

The last three articles have addressed the personal, psychological and social benefits of participating in shooting and shooting sports. Most of the findings of the BASC report from England and other comments I made in the articles was made clear at the recent "Veterans Games" shoot Wagga Gun Club. A great number of shooters attended for five days to shoot three disciplines: sporting, skeet and trap. This shoot provided older and more experienced shooters to get together and compete for a medal in their age group. There were no guns, no big cheques or lavish prizes. So what was the attraction? It was the sense of belonging to a 'shooting family' where everyone has a shared interest and a common purpose. And it was the opportunity to shoot with mates and have fun, either on the traps or around the dinner table with a BBQ and a couple of drinks. This was my first experience at the games but I was told over and over again, "... this is the main shoot I must get to each year." I will definitely be back in 2018.

The focus of this article is Executive Function. What is it, I hear you ask? According to an online article by Joyce Cooper-Kahn and Laurie Dietzel, titled "What Is Executive Functioning?" the formal definition is:

The executive functions are a set of processes that all have to do with managing oneself and one's resources in order to achieve a goal. It is an umbrella term for the neurologically-based skills involving mental control and self-regulation.

Executive Functions skills include:

1. **Inhibition** – The ability to stop one's own behavior at the appropriate time, including stopping actions and thoughts. The flip side of inhibition is impulsivity; if you have weak ability to stop yourself from acting on your impulses, then you are "impulsive."
2. **Shift** – The ability to move freely from one situation to another and to think flexibly in order to respond appropriately to the situation.
3. **Emotional Control** – The ability to modulate emotional responses by bringing rational thought to bear on feelings.
4. **Initiation** – The ability to begin a task or activity and to independently generate ideas, responses, or problem-solving strategies.
5. **Working memory** – The capacity to hold information in mind for the purpose of completing a task.
6. **Planning/Organisation** – The ability to manage current and future-oriented task demands.
7. **Organisation of Materials** – The ability to impose order on work, play, and storage spaces.
8. **Self-Monitoring** – The ability to monitor one's own performance and to measure it against some standard of what is needed or expected.

The executive functions are a diverse, but related and overlapping, set of skills. They are located in the prefrontal cortex area of the brain. This is the area directly behind the forehead.

The reason I decided to write about this topic was that several events happened simultaneously.

Firstly, I was reading an editorial in the Sydney Morning Herald regarding concussion where it talked about the Rugby Leagues "Concussion Code" and the Mundine – Green Boxing match. Footballers and boxers are prone to mild traumatic brain injury because of the nature of the sports.

Secondly, I was sent this quote by Michael Elmes:

"A strong body makes the mind strong. As to the species of exercise, I advise the gun. While this gives a moderate exercise to the body, it gives boldness,

enterprise, and independence to the mind. Games played with the ball and others of that nature, are too violent for the body and stamp no character on the mind. Let your gun therefore be the constant companion of your walks."

This was written by Thomas Jefferson in letter to his 15 year old nephew Peter Carr in 1785. Jefferson obviously was aware 332 years ago and worried for his nephew.

Finally, in a clean up I came across a report of a child I had assessed, several years ago, who appeared to have executive dysfunction as a result of mild traumatic brain injury. He had been knocked out on the football field and when he regained consciousness, the coach sent him back onto the field. Several weeks latter it was noticed there were significant changes to his behaviour and learning. He was unable to regulate his behaviour, use self-restraint, plan, organise, set goals, focus or decide what was important. Continued knocks to the head can have long lasting detrimental effects. This is why there is now a concussion code for all football codes. The prefrontal cortex develops slowly. In males it is fully developed by about 25 years and a bit earlier in girls. This is why some adolescents have difficulty understanding the consequences of their actions or act in a risk taking and impulsive manner.

To follow on from the previous three articles, it can be argued that as well as the personal, psychological and social benefits of shooting, as a sport, it can be less harmful than contact sports. Also to be able to concentrate, focus, plan, set goals, regulate your behaviour and monitor your progress you need good executive function skills. Shooting allows you to practise these skills, and with practise they become more refined.

ACTA NEWS

The issue of non members has again been brought to the attention of the ACTA.

If a person cannot produce an ACTA handicap book it should raise a red flag at clubs. It is a requirement that shooters produce this card to verify a number of things:

1. That they are an ACTA member and that they are a currently financial
2. Verify their handicap and grade
3. Verify their membership category

It is not fair or equitable to ACTA members if non-members and those members in the recreational category of membership shoot competition. It is a member benefit to shoot competition and practice. If a non member or recreational member shoots, how do you handicap them? How do you know their age for categories, what happens if something goes wrong on the day? Who is responsible?

Corporate days, Media, Polly days etc are different, they are a legitimate way of promoting the Association and the sport as described in the Constitution.

We ask that clubs abide by the rules and ensure our members are provided with this level playing field. We also ask States to ensure their Clubs comply with the Constitution.

ROBERT "BOB" BUCHAN JANUARY 7 2017

The committee and the members of the Melbourne Gun Club were saddened to hear of the sudden passing of its Past President, Robert "Bob" Buchan who passed away on the 7th of January, 2017.

Bob was President for over 40 years starting out at the Croydon Club and eventually taking over the reins at the Lilydale Club after the two clubs amalgamated and became the Melbourne Gun Club. He was a driving force in making the Melbourne Gun Club the great club that it is today.

As well as being a Life Member of the club he was also a Life Member of the VCTA and the ACTA and was an outstanding ambassador for our sport at all levels. He was also influential in the formation of the Zones of Victoria.

He will be sadly missed by all.

TIM CATLING 19/4/1933 – 16/2/2017

The sport has lost one of its most respected contributors with the passing of Tim Catling.

Tim was born and bred in the Katanning area of WA. He moved away to boarding school at Perth's Hale School, but at the completion of his education he moved back to the family farm "Carramar". Tim was a respected farmer maintaining the same line of quality merinos throughout his farming career.

Whilst at Hale School, Tim excelled at all sports and played a great variety. He

was proud of the fact that throughout his life he had tried nearly all sports there were on offer, apart from surfing! However, Tim's main sporting passions proved to be golf and clay target shooting.

For the majority of his sporting life, Tim would spend half the year playing golf and the other half shooting. This tactic worked well for him as he represented his state and country in both sports.

Tim started shooting competitively in 1954. He celebrated his Diamond

Jubilee in shooting in 2014 and then continued to shoot up until late 2016. Throughout his 62 years of shooting, Tim was a formidable competitor, mainly in down the line shooting, but his achievements extend into skeet and field shooting. He represented Australia in 14 Open Mackintosh teams (over five decades) and 5 Veteran Teams. He has claimed two Nationals titles including the 1968 Points Score title which saw him shoot off with the great Newton Thomas to finish with the winning score of 459/459. Tim's second National Title was the 1984 Champion of Champions which he won with a score of 179/179. Tim won 32 state titles, and has made 64 WA State Teams. He won the Veteran's World Championship in New Zealand in 2002, and has also won 6 Veterans National Titles. He won nearly 300 open titles in Australia and overseas, and his highest DTL break is 697. He achieved all this only using two guns throughout his 62 years of shooting – his first gun was a Browning Auto and then he used a Winchester 101.

Tim's achievements are not only on the layouts, as he gave a huge amount of time to the sport's growth behind the scenes. He has actively contributed as a member on committees at club, zone, state and national level. Tim was a foundation member of the ACTA Coaching Council and remained a highly active Competition Coach (formerly Level 2). He received the 1999 Presidential Medal for his invaluable ongoing contribution to the sport. In 2006 he put together a booklet called 'A Guide to a Winning Mind' and it was filled with ideas to gain the mental edge in clay target shooting.

Tim had the wonderful attribute of being able to spot what improvements a shooter could make and then know exactly the right time to tell them. He coached a great number of shooters and was always willing to give a tip here or there. Many an afternoon was spent up at the Katanning Clay Target Club with Tim coaching, ably assisted by his black labrador of the time and always followed up by a cup of tea and a biscuit and a chat about anything and everything. Tim loved coaching and always wanted people to be able to shoot their best so they could gain as much enjoyment from the sport as he had. He often said that when people he coached had success, he enjoyed this almost as much as his own success.

He had an ability to chat to anyone and everyone about any topic, paired with a repertoire of jokes always delivered perfectly with a twinkle in his blue eyes. With the passing of Tim, the sport has lost a true gentleman. Deepest sympathy is extended to Doreen and family.

"Remember, the fun isn't shooting at targets, the fun is hitting them!"

Tournament No. 3 – ZZ Sydney Australia

DTL Tournament No 3 19th February 2017 was held at the Forest Clay Target Club. The day was fine with slight clouds. There were 44 competitors and the forecast predicted rain kept some shooters away. Three layouts were used on the day. Most competitors enjoyed the company and atmosphere.

100tgt D/Barrel 15mt + Final with Flash Targets from 18mt. Competitors shooting from 15 metres had to work hard as the patchy clouds in the 100tgt. After the 100 D/Barrel the top 6 shooters to qualify were Aron Jones on 100/100, Steve Caltabiano 99/100, Arty Delben 98/100, Joe Camilleri 98/100, John Crompton 97/100, Darrel Chin, Charlie Sherry, Brett Matthews and Jessy Ciappara with scores of 96/100 shot off to enter the 6th place in final, with Charlie Sherry coming out the winner and sixth finalist.

The final was shot in top weather. After the 25 Flash Tgts were shot the

Overall winner was Aaron Jones with a score 100/100+final 25/25, 2nd O/All Steve Caltabiano 99/100+final 25/25, 3rd O/All Arty Del Ben 98/100+final 25/25, 1st AA Charlie Sherry 96/100+final 25/25, 2nd AA John Crompton 97/100+Final 24/25, 1st A Bret Matthews 96/100, 2nd A Big Billy Baratto 94/100, 1st Adam McCarthy 94/100, 2nd B Tom Mihas 91/100, 1st C Nick Petrone, 87/100, 2nd C Greg Glasgow 86/100.

WAGIN SALTBUSSH CARNIVAL

Wagin Gun Club

The Wagin Gun Club's Saltbush Carnival is synonymous with flies, heat, sunburn and dust. Not this year. The weekend saw 185mm of rain fall in the town with the majority of this on the Friday. However, whilst this understandably stopped some shooters from attending a valiant bunch of 40 shooters shot over the weekend.

The first event of the carnival was the 25 Points Score Dohnboullet Koonac Cup which was won by Sam West with a 74/75. This is Sam's second time winning the event a feat which only Geoff Faulkes had achieved in the past.

The second event was the 25 Single Barrel Western Trap & Field Past Members Trophy which was won by Neil Suckling with 38/39. The final event of the Saturday was the 50DB Betterwear Welding Special with William Freni-Lizzi taking the win with 100/101. The wet, soggy but oh-so-brave shooters were treated to a magnificent lamb spit roast feast fit for 80, so seconds, thirds and fourths were heartily encouraged. Lizzy P made sure shooters hearts were warmed with their chosen beverages over the evening.

Sunday morning welcomed shooters with no rain but a cold breeze the weekend's temperatures never got above 18 degrees. A 10DB cash divide started the day with the attempts of warming people up this had mixed success. The main event for the day was the WA State Champion of Champions Title. Geraldton superstar Gary Kelly claimed the victory with 145/150 after shooting off with Narrogin's David "Cowboy" Whitting. Leanne Storer from the mighty Wagin Gun Club shot consistently to win the Ladies title with a 114/125. William Freni-Lizzi added another Junior State Title to his collection after shooting 111/125. in Jim West won the Veterans title with 119/125. The final event of the day was the Norring Park 25 Continental. Glenn O'Brien finished his carnival on a high by winning with 43/43. With the Champion of Champions and Continental scores

combined it was time to award the annual Phillip Becker Memorial Cup which went to David Whitting with 146/150 a decent score in trying conditions!

The Wagin Gun Club's unique event, the Woolgarre Top Gun, has been running since 2013. It sees the top six from the High Gun go out and shoot at a further 25 targets single barrel from 21m using flash targets. This score is then added to their High Gun score to award the top gun. The shooters that made the cut this year were Josh Fleay, Neil Suckling, Gary Kelly, Trevor Morris, Sam West and Giovanni Quaranta. Josh shot the event very impressively hitting 23/25 targets which added to his winning High Gun score saw him win the top gun too.

Overall High Gun went to Josh Fleay who overtook Sam West in the last event to claim victory. Fleay commented that last time he won the Wagin High Gun he was three points down, this year he won it 15 points down with 295/310. Ladies High Gun was won by Sandra Moffatt with 279/310. Veterans High Gun was awarded to Terry Marsden with 263/310. Overall Junior High Gun was won by William Freni-Lizzi with 283/310, Jordan Crouch second with 259/310 and third to Jacob Featherstone 228/310.

The Wagin Gun Club would like to thank all those that attended the carnival and those who sent forth apologies. May next year see the return of flies, heat and dust.

PARA TRAP IS BORN!

World Shooting Para Sport has announced that the first Para trap World Cup will be held in Lonato, Italy, between 15-16 September 2017.

The International Federation for shooting Para Sport also confirmed a shift in the naming from Para clay target shooting to Para trap. The change was made to align with and distinguish between the Olympic disciplines of trap, skeet and double trap.

The confirmation of the dates and location for the World Cup follows an announcement in December 2016 that the shotgun discipline will be officially taken under World Shooting Para Sport.

Several years of research and development was previously carried out by the Italian shooting federation FITAV, but is now being taken forward by a Para Trap Development Group.

The next stage is to hold the first World Cup as part of two year review of the technical and classification rules.

Tyler Anderson, World Shooting Para Sport Manager, said: We are really looking forward to heading to Lonato for this historic milestone in the development of Para trap. It is fitting that the first World Cup will be held in Italy, given that the country's National Federation, FITAV, have been instrumental in the discipline reaching this point. I am sure that we will see a good number of athletes and countries competing, supporting this event as we carry out further research and testing of the rules and classification system. In the coming months, World Shooting Para Sport will also be launching a bid

process for countries to host future Para trap World Cups.

So where did all this start from and where is it heading?

The 1st International Grand Prix for Disabled Trap Shooters, was held in Italy, in 2011. Australian shooter Mark Farrow (left arm amputee) attended the event. Around 30 participants from 5 countries.

The 2nd International Grand Prix for Disabled Trap Shooters was held at the same time as the ISSF World Cup Shotgun in Lonato Italy, from 1st to 8th May 2012. Once again Australian shooter Mark Farrow attended the event with 40 participants from 8 countries.

In 2013 the 3rd International Grand Prix for Disabled Trap Shooters was held in Todi, Italy. Again Mark Farrow attended the event with 39 participants from 10 countries.

The Italian Sport Shooting Federation (FITAV) ran these events to collect data by the way of video footage and photos. FITAV then submitted this data, as well as participant classifications for the event, to the International Paralympic Committee (IPC) in November 2013 for consideration for inclusion in the Paralympics. The events have had 15 countries represented and 100 competitors covering all types of disability. Australia only had one self-funded shooter at all three events.

In February 2014 the ISSF, FITAV and IPC met in Bonn, Germany where representatives discuss the feasibility of para-clay target shooting becoming an IPC Shooting recognised discipline.

**News release from

Also present at the meeting were representatives from IPC Shooting, who agreed that there will be a para-clay target exhibition event as part of the 2014 IPC Shooting World Championships in Suhl, Germany.

So the 4th International Grand Prix for Disabled Trap Shooters was held in Suhl, Germany as an exhibition at the IPC Shooting World Champion-

ships although Australia had a team participating in Pistol and Rifle no trap shooters attended.

The 5th International Grand Prix for Disabled Trap Shooters was held in Cologno Al Serio, Italy in 2015 with 70 participants from 14 countries no Australians

The Final (6th) International Grand Prix for Disabled Trap Shooters was held in Battuda, Italy in 2016 with 70 participants from 15 countries. Two Australian shooters, Mark Farrow and Scottie Brydon attended the event.

Scottie Brydon, first time overseas traveller, shooting from a wheelchair, qualified for the final and was placed 4th.

So where to now?

The first historic meeting in Germany, of Para Clay Target Development Committee, the commission charged by the International Paralympic Committee for the development of the Paralympic shooting, has officially recognised Para Trap for inclusion in the international calendar.

The international working group consists of Tyler Anderson (USA), World Para Shooting Sports Manager, Ghislaine Briez, IPC Shooting Chairperson, Wanda Jewell, IPC Shooting Deputy Chairperson, Jagdish Maharaj (IPC Shooting Head of Classification), and the team of experts Italian Francesco Fazi (sporting and technical Medical), Federica Alviti (sports and international classifier Medical), and Luca Minelli (assistant FITAV for the Paralympic field). During the meeting it was discussed important issues such as the criteria defining the functional classes, amendments to the technical regulations, training events to be implemented to create a base of consensus for shooting directors, coaches, classifiers, and Paralympic shooters, with regard to technical and material aspects, such as the fight against doping.

Technical regulations and classification will be made official in the coming weeks and available to the world community. The meeting also set guidelines for international participation in the event in this year's program: the World Cup 15-16 September in Lonato Italy.

Participation will be open to national federations with teams consisting of four competitors in each class.

Functional classes will be recognised:

SH4 class will be reserved for shooters competing in the sitting position in a wheelchair.

SH5 class will include athletes with impediment in the legs.

SH6 class reserved for athletes with obstruction of the upper limbs.

The event will be open to additional shooters, entered as MQS by their respective National Paralympic Committees and national shooting federations.

The hope is that Para Trap will enter the Paralympic by 2024 if not in Tokyo 2020.

Plans in Australia are still in the early stages. Shooting Australia is taking on the task of finding athletes and running events here and are currently searching for shooters to participate.

If you know of a shooter that might fit into these classes please contact Mark Farrow via email msfarrow@bigpond.net.au or mobile 0404 024 220.

ACCEPT THE CHALLENGE.

ALBANY Trap Carnival

**Albany Clay Target Club
January 2017**

The Albany Clay Target Club held its annual January Trap Carnival on the 27th, 28th and 29th of January. After a scorching 39 degree day on Australia Day Thursday, milder temperatures greeted the 53 shooters who lined up for the 75 Target Medley Cash Divide Event I on the Friday afternoon.

No possibles were recorded, the best being 123/125 shot by Glenn O'Brien. The Event 1 results were AA Grade 1st Glenn O'Brien 123/125, 2nd Chad Johnson 122/125, 3rd Matt Shipp 121/125. A Grade 1st Robin Bailey 114/125, 2nd Peter Appleton 112/125, 3rd Paul Baker 111/125. B Grade 1st Doug Berry 114/125, 2nd Grade Mike Voke 106/125, 3rd Alex Cheffings 105/125. C Grade 1st Stephen Nasso 114/125, 2nd Colin Scheer 107/125 and 3rd Wayne Drake-Brockman 106/125.

The Saturday weather turned it on for the main day of the shoot, with clear skies and a comfortable 25 degree maximum. 75 shooters started the first event of the day, a 50 Target Points Score. No possibles were recorded, and only Tim Blakeney shot the next best 149/150 to take out the event. Only one shoot off lasted for much time, with Josh Fleay taking 3rd in AA from Matthew Waite and Chad Johnson. Event 2 results were Overall Tim Blakeney 149/150, AA 1st Grade Gary Kelly 148/150, 2nd Neil Suckling 147/150, 3rd Josh Fleay 212/216. A Grade 1st Duncan Burnett 142/150, 2nd Clem Riley 140/150, 3rd Gary Scott 145/159. B Grade 1st Gary McCormick 142/150, 2nd Michael Mascio 139/150, 3rd Doug Berry 147/165. C Grade 1st Stephen Nasso

132/150, 2nd Eric Featherstone 130/150, 3rd Peter Hadida 130/153.

Event 3 was 30 Targets Single Barrel, which again yielded no possibles but this time 7 shooters on 29. Several shooters fell quickly in the shoot off, before Joe Gilbert shot 10 straight to take out the overall when both Matthew Waite and Terry Maloney dropped their 10th target. Matthew and Terry then carried on to determine AA Grade, with Matthew prevailing after Terry dropped his 25th target. Event results were Overall Joe Gilbert 39/40, AA Grade 1st Matthew Waite 53/55, 2nd Terry Maloney 52/55, 3rd Gary Kelly 36/38. A Grade 1st Gary Scott 32/34, 2nd Ken Gibson 31/34, 3rd Duncan Burnett 31/32. B Grade 1st Doug Berry 28/31, 2nd Ken Paterson 28/32, 3rd John Griffiths 27/32. C Grade 1st Wayne Drake-Brockman 27/30, 2nd Rocco Priolo 26/30, 3rd Adair Baker 25/30.

The main event for the day, the 50 Targets Double Barrel, had 78 shooters compete as the wind started to pick up. As a result, only 5 shooters put red chalk on the board and went to the Overall shoot off. The wind combined with the pressure of the shoot off meant that Josh Fleay was able to get the win ahead of William Freni-Lizzi after only 23 additional targets. The other shoot offs finished quickly,

Sunday got off to a cool and cloudy start with 79 shooters tackling the 30 Target Medley, with half a dozen managing to score the 50 possible. Shooting brackets of 15 targets in the shoot off, Neil Suckling kept a clean score sheet for 30 more targets to take the overall from Jon Dyas. Gary Kelly and William Freni-Lizzi also went to 30 targets shooting for 2nd and 3rd in AA, with Gary prevailing by 1 point. In the A Grade 2nd and 3rd shoot off, Terry Marsden and John Garland also went for 30 targets, with Terry keeping his score sheet clean to take 2nd ahead of John. In C grade, Rocco Priolo only dropped 1 point in 15 targets to stay ahead of Adair Baker to take 1st, with Adair only 1 point behind in 2nd. Event 5 results were Overall Neil Suckling 100/100, AA grade 1st Jon Dyas 97/100, 2nd Gary Kelly 99/100, 3rd William Freni-Lizzi 98/100. Sunday's main event was a 50 Targets Double Barrel which had 80 shooters entering. With the wind playing a few tricks, only 2 shooters scored the possible. 4 targets each were all that was required to determine the winner, with Matt Shipp taking the Overall ahead of Duncan Burnett who took out A Grade. to determine 1st, 2nd and 3rd. This shoot off went some distance, with Neil Suckling, William Freni-Lizzi, Glenn O'Brien and Travis Adams getting through an additional 25. After 25 more, only Glenn and Travis remained after William and Neil dropped out, Neil taking 3rd. Only 7 more targets each determined the winner in AA grade, with Travis keeping his nerve to win from Glenn. Terry Marsden took 2nd in A grade after a short shoot off with Clem Riley, and B grade was decided in 8 targets, with Danny Vrolyk taking 1st ahead of Jordan Crouch and Emilio Valenti. Event 6 results were Overall Matt Shipp 54/54, AA Grade 1st Travis Adams 106/107, 2nd Glenn O'Brien 105/107, 3rd Neil Suckling 94/96. A Grade 1st Duncan Burnett 53/54, 2nd Terry Marsden 52/54, 3rd Clem Riley 51/54. B Grade 1st Danny Vrolyk 55/58, 2nd Jordan Crouch 54/58, 3rd Emilio Valenti 52/56. C Grade 1st Stephen Nasso 48/50, 2nd Wayne Drake-Brockman 46/50, 3rd Adair Baker 43/50.

The final event was 25 Targets Points Score shot from 16 metres. Again, possibilities were few, with Robin Bailey and Tony Burnard shooting off for Overall. One target was all it took, with Robin pulling a second immediately, and Tony taking his with the first. The other shoot offs were brief, in AA Grade Neil Suckling shot 8 clean to take 1st from Travis Adams, with Glenn O'Brien taking 3rd. Sandra Moffatt and Terry Marsden shot for 2nd and 3rd in A Grade, with Sandra getting it done after 6 targets. B grade was won in 3 targets by Wayne Drake-Brockman over Rocco Priolo, and Stephen Nasso filled 3rd in C Grade ahead of Adair Baker. Event 7 results were Overall Tony Burnard 78/78, AA Grade 1st Neil Suckling 98/99, 2nd Travis Adams 97/99, 3rd Glenn O'Brien 89/93. A Grade 1st Robin Bailey 77/78, 2nd Sandra Moffatt 92/93, Terry Marsden 91/93. B Grade 1st Alex Cheffings 71/75, 2nd Mike Voke 66/75, 3rd John Griffiths 65/75. Bega Gun Club

Twenty-six hardy souls attended the Bega Gun Club's Sunday shoot with the highlight event being round one of the Fimac Engineering Handicap Shield. Grey clouds threatened to make things difficult, but except for a very slight shower, the day proceeded rain free.

39/40. A very brief shoot off saw Tony take the prize 40/41 to Shane's 39/41. Keith Pearce showed the way in B Grade with a score of 37/40, leaving Craig Field, John Walker and Mark Evans to fight out second, after they tied on 36/40. John "retired" early leaving Craig and Mark to continue the fight. Mark finally took the winnings with a score of 48/49. In C Grade,

Shooting started with the running of a 40 target double barrel that saw two possible scored in AA Grade. Charlie Smith and Phil Body returned to the fray for a further eighteen targets before Charlie emerged the winner 58/58 to Phil's 57/58.

A Grade went along similar lines with Tony Gray and Shane Platts finishing the main event tied on 39/40. In A grade, Ray Welch collected 36/40 to win from Chris Campbell on 33/40.

The second event was the Fimac Engineering Handicap Shield first round. Sponsored by President Shane Platts, the Shield is shot over four rounds throughout the year and is one of the Club's highly sort after trophies. Tony Gray, shooting off 20 metres and Allan Wilson, off 22m, shot 25/25 to lead the field, with a cluster of four shooters on 23/25. A further eight targets saw Tony take bragging rights for round one.

Third place went to John Gray after a nine target shoot off with John Seide,

Shane Platts and Keith Pearce.

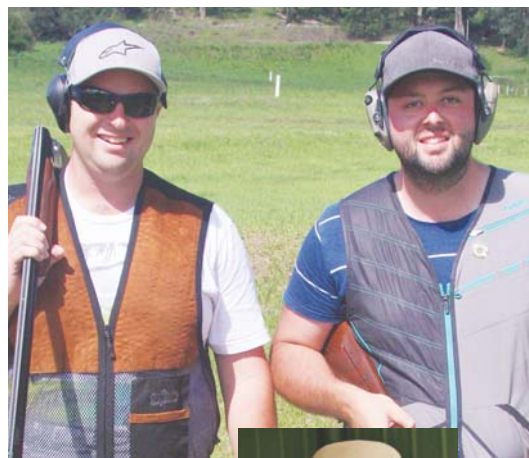

Club organisers always make March shoot a fun day and in keeping with tradition put in a 20 pair Double Rise to complete the day's activities. Charlie Smith showed the way for us lesser mortals shooting 38/40 on his way to winning AA Grade. Dean Shipton took second place with a nicely compiled 33/40. In A grade, Ray Welch shot 34/40 to win from James Body on 33/40. Craig Field did the job in B Grade, scoring 31/40 to win from Keith Pearce on 24/40. Ray McLeod carried the day in C Grade with a score of 26/40, a creditable performance. Brothers Chris and Ryan Campbell finished equal in the main round, with a score of 23/40 and returned for a further five pair. Chris picked up a further seven targets to win second place 30/50.

High Gun went to Charlie Smith 97/105, making it his sixth OA High Gun in his past six competitions. Very consistent shooting!

The Club shoot raffle was finally collected. C Grade shooter, Ray McLeod, shooting off 17m, creamed every target and collected the \$245.

Shooters battle the wind at Mathoura

**Mathoura Gun Club
February 2017**

February's Friday night club shoot at the Mathoura Gun Club Inc was positively not a good night for clay target shooting, and yet three full squads of shooters did their best to produce a reasonable score in the gutsy strong wind that persisted throughout the night. Apart from the wind that was blowing targets in all directions, the night was mild and clear giving the shooters nothing other than the wind to complain about. All that considered some scores were definitely reasonable.

The first event was a 15 target Double Barrel Cash Dividend, and three shooters were delighted to have shot all 15 targets and they received an equal share of the cash return. They were Kerang member, Les Comensoli, Mathoura member, George Bradley, and Euroa member, Paul McKendrick, all scoring 15/15 to be in first place.

Next on the agenda was the second event, a 10 target Single Barrel Cash Divide, and it being a fair bit tougher event in the wind, there was not one possible shot. George Bradley was leader of the pack shooting a 9/10 score which made him the winner of Event Two, with Neil Hunter (Melb Cricket Club CTC) and Mick Keirl, an Echuca member both shooting an 8/10 score, and both received a share of the 2nd place cash divide.

Event Three, a 25 target Handicap, and Paul McKendrick ended up on a

Paul McKendrick 1st HC

Thomas McCluskey 2nd HC

21/25, which really does not look like a winning score, but in the severe windy conditions, it was the best score shot, and so Paul proudly wore the Overall winners sash for his top score. Congratulations Paul on your good shooting! Thomas McCluskey on a 24/29 score claimed the 2nd place trophy after defeating Michael Rowan (Deniliquin) in a shoot off. Michael received the 3rd place trophy having scored a 23/29 result.

It was certainly an enjoyable night's shooting, with everything running smoothly and finishing at the early time of 10.30pm, giving the travellers an early night home.

Annual Open Shoot Over Three Days

Guyra Gun Club February 2017

Ninety-seven shooters ensured strong competition when the Guyra club hosted its annual open shoot, over the weekend of February 24, 25 and 26. Shooters travelled from around NSW and southern Qld to be part of this quality event.

Competition commenced on Friday night with the Northern Zone 25 Target Double Barrel. The event was won by Brad Henshall with 91/91, an impressive score under night conditions with floodlights and white targets.

Red Point 100

Kempsey Clay Target Club

Willy weather had predicted a hot day for the much anticipated Red Point 100 however, the weather gods sent us a reasonably cool and cloudy day which allowed for a pleasant days shooting. The Red Point 100 is fast becoming a tradition at the Kempsey Club and thanks goes to Brad Hooper, Principal of Red Point Kempsey who sponsors the shoot. So keep in mind, the local distributor of batteries, oils and filters with the knowledge, range and advice for auto, farm, transport, and industry needs, the place to go is Red Point at Kempsey.

Now to the shoot! Guns from along the North Coast and further inland arrived at the range eager to relieve Brad of the prizes that were on offer.

The shoot was conducted over 100 Tgts, 50 Tgts DB and 50 Tgts PS. Winners are listed here, but a full list of placegetters can be found in the competition results of the ACTA News.

Overall Winner was Kerry Miller 235/240. AA 1st Brad Hooper, 234/240, 2nd William Saul 231/240. I have included Williams second place here as he showed a maturity beyond his years when he defeated a much older AA Grader Kempsey competitor in an exciting shoot off. Well done

William, this will be good experience for Wagga. A Grade 1st Gil Neziz 190/200. B Grade 1st Ken Saunders 177/200. C Grade 1st John O'Gorman 174/200.

To finish the day a 15Pr DR event was held separate to the Red Point 100. This was a cash

divide event and once again all results can be found in the ACTA News Competition Results.

High Gun winner for the day was Brad Hooper.

It was good to see Ken Saunders back on the winner's podium. Ken like all of us is finding that Father Time is catching up. But with the help of his supportive wife Marilyn he is overcoming these obstacles.

Robyn and Ted Baker had the kitchen running smoothly and the grounds looking good, even though they were both on the sick list and should have been at home taking it easy. Jenny and Vicki kept the office running smoothly. Thank you to you all, and also to those that kept the traps full and carried out all the other jobs that need to be done to run an efficient shoot.

We had one very competitive and keen visitor regress from AA to A grade on the day (no names will be mentioned), however as in the past I have suggested that he take some coaching advice from his wife so that in future he may well stay in AA grade.

Romeo found himself in a very sticky situation, when Kerrie's chewing gum found its way all over Romeo's shirt. One has to wonder what Kerry was doing with Romeo's shirt in his mouth, maybe we won't go there. By the way Romeo, I noticed your name was missing from the prize list, perhaps Ross's better half could give you some coaching as well.

I look forward to seeing you at the next shoot.
