# President's Notes

## Executive meeting

Your Executive has just completed two days of meetings at the National Office including elections. I have been returned as National President and Mal Dyson as Vice President. Gary Read remains Chair of the Sports Enhancement Committee and Colin Kneebone now chairs the Sports Expansion

Committee. Your Board remains unchanged consisting of myself, Mal Dyson, Rob Fox and Alan Styles with the power to co-opt with Executive approval of the nominee.

The Executive considered many changes to the Rules as recommended by the Rules Supervisors meeting in May. These will be the subject of separate advice to the members when changes have been collated and the minutes approved.

A sub-committee has been formed to oversee the development of the Hall of Fame area in the new building. More on this initiative below.

The Membership Sub-Committee provided a report basically unchanged from 2016. It is thought that with the introduction of the Recreational Membership class and Firearms Insurance and a decision having been made not to increase fees for 2018 that the value to shooters of membership has increased. A further initiative based around an App based Awards Card is also being finalised and will add extra value. Renewals at the end of May are approximately 180 less than last year and it is hoped that as value increases so will subscription numbers. We ask that all clubs offer the entire ACTA membership range to prospective members, as it has been pointed out that some are not doing so. It is an affiliation requirement of the ACTA that clubs do so.

Once the minutes are approved they will be up on the ACTA website.

## National Grounds

### Building

It is anticipated that the new building project on the ground will now commence on the 7th of August. Tenderers have been onsite inspecting the area and OHS inspections relative to the site have been completed. The Development application objection period closed with no negative submissions being received by council. The application is now before the Regional Planning Body, a requirement due to its size but early indications are that there have been no issues identified.

### Traps

Traps 17, 18 & 19 (western end) are being lifted and reset, with a new layout, number 20 being installed. These four layouts will then be equipped with complete handicap marks.

Four more shelters and stands have been purchased for between layouts 12-13, 13-14, 14-15 and 15-16. These will be installed shortly.

### Roadworks

The development includes a new entry beside the National Office, widening of the crossing at the gully and hard stand parking areas along the northern fence. These will be completed concurrently with the building project, funds permitting.

### Electrical

Although the existing supply can meet the needs of the new development onsite, a major upgrade to the supply transformer is being investigated to

allow further development of caravan powered sites and amenities. Shooters throughout Australia are seeing an increase in the number of shooters wishing to camp on-site and the National Ground is no exception.

## Easement

There has always been a portion of the National Ground, 30 metres wide along the length of the northern boundary, that was not available for purchase with the balance of the grounds. Council had retained this portion for the possible future use for siting of a small levy bank. More recent research and modelling following the last 2 floods has made the need for a levy bank to protect the industrial area less likely. Council has now leased the area to the ACTA for 25 years with the first right of refusal if it can be purchased following further flood reviews. It has been indicated that this could be as early as within 18 months.

## Safety

Those in control of clubs really need to be on top of safety rules on ACTA ranges. It is imperative that firearms are carried broken and that none are closed except on the firing line, at a pattern board or at an official dealer trade area with the trader present. Nobody wants to see an accident caused by disregard for the rules.

## Hall of Fame

The Hall of Fame has existed for many years without a home. The concept initiated by Mark McInnes many years ago always included a physical Hall of Fame where our champions and history would be proudly on display. The new building entry area has a wide high vaulted foyer area that is being dedicated to this purpose. A sub-committee comprising Mark McInnes, Bronte Evans, John Mack and Garry Read has been formed and charged with the responsibility of developing the concept and planning the outfitting of the ACTA Hall of Fame. I encourage any interested shooter to contact any of these committee members with ideas, memorabilia, pledges etc.

The Hall of Fame dinner during the 2018 Nationals will vary from previous years. There will be no Presidential Medal presentations, no Grand Slam and Masters awards and only the one inductee.

The night is to concentrate on recognising the achievements of our 7 Olympic Medal winners and also see the induction of Mark McInnes who was the original instigator of the ACTA Hall of Fame. These will be complimented with the announcement of the Doug Smith Medal and the 2017 Long Break awards.

## Firearms Insurance

I would encourage members to check out the cover you now have for your personal firearms, whether in storage, travelling, on the range or in the field. It is a truly excellent cover and it would be in everybody's interest to make their non-member friends aware of it. You will not get better value anywhere than the Recreational class of membership that includes the insurance cover for firearms.

## 2018 World DTL

Early planning for the World DTL to be conducted following next years Nationals has commenced. A meeting of the officials that run our Nationals each year has identified possible problems and offered solutions. The event scores will be included on all ACTA members handicap cards as both a grading measure and as a memento of attendance at the event and will be marked by a specific World DTL stamp.

# Executive Officer's Report

The evolution of sport has taken huge steps over the past twenty years with pay television now overtaking free to air television and offering enormous amounts for rights to show high profile sports plus extra commentary through many social media platforms.

So what are the best platforms for media within sport? Many sportspeople of note have twitter accounts, face-book and Instagram just to name a few. This gets the fans inside the athletes sporting world. The insights are fantastic, followers love to hear from the competitors, not only for news about the competitions but for their inner feelings, and this is where users need to be thoughtful. Once it's said (or written) you have to be able to stand by it.

Many mainstream sports are now closely aligning themselves with other "complimentary" sports. Netball and football have had a reliance on each other in country, regional and rural areas for some twenty years, this has now grown to a national trend. How do we attract the "other half" of the audience out there, the answer could be, invite them in?

Women's sport is growing enormously with a great deal of growth coming in non-traditional sports, ie male dominated sports such as the football codes (all of them) as well as sailing, motor sports to name a few, the list continues to grow. Not only have women broken into the mainstream sports competing in their own competition they regularly officiate at the highest level.

The ACTA and in particular our clay target shooting disciplines have for many years catered for juniors and ladies not only within the grading system we have, but specific categories for ladies (as well as juniors and vets). How do we get better mileage from these facts. It would be great to get a Television network to support our sport. Bowls have done this very

well with the National, not a huge spectator sport, very similar to our sport in many respects, specific area, specific timeframe, defined competition to get a winner. The sport then changed the way they do things for these events, shortened the event, set up a specific venue and added money. The event is conducted once per year, State teams and individual format. Two, three and four-person (mixed, men's, ladies). State colours and uniforms. They encourage emotional displays, colourful to say the least, however not offensive as this would not endear the sport to the audience. Sounds familiar!!!

Given the World DTL Championships are in Australia in 2018 this will be our opportunity to showcase our sport internationally which will create the exposure to help us float these ideas. Having Teams from around the world fully uniformed will provide a blueprint for a proposal to float. I can see a packed schedule of other sports on television as one of the standout drawbacks. When we hold the event/events would be critical. One of our biggest weaknesses is that in the scheme of sports this would be a very small market. On the flip side this could be a great marketing and promotion position. We would need to change how we do things for such an event. Flash targets would be a requirement to ensure the viewer gets good viewing of the targets exploding. The commentary of the event would also be critical, knowledge of the sport and what's going on inside the head of the competitors?

This concept is not new, we may even find a niche in the marketplace for such an event, there are other options outside "free to air" and "pay" television, there is live streaming and social media, although I believe mainstream media for watching sport is still the preferred method.

This is a concept that will need to be developed over the next six months if we are to progress this from of concept to a proposal. Whilst we are on a roll we need to continue with the momentum to push the sport to new frontiers and boundaries.

One of the greatest assets of the sport and the Association is the ability of Clubs, Zones, States and the National body to provide quality events at many levels. Everyone loves to compete, test your ability in competition and know when the pressure is on you can respond in a positive manner on the layout.

When it's all said and done at the end of the day, it is a sport, win lose or draw you get to sit down with your mates and fellow competitors and have a bite to eat a drink or two and enjoy the sport. The dissection of each event over a drink with mates is the most critical review.

The Association is being presented with a number of commercial opportunities that will shape the future of the organisation. The corporatisation of the Association has commenced with the new club house/convention centre opportunity whilst the level of corporate professionalism will need to match the growth and development over the next five to ten years.

## President's Notes

An opening function for the World DTL will take place in the new function centre on the grounds and all shooters, sponsors, officials and partners are welcome to attend. The ACTA will provide finger food whilst a full bar will be operational.

Nominations for both the Nationals and the World will open on the 1st July and will be limited. So get in early to guarantee your entry into what will be a fantastic event right here in your own country, on your own grounds. I know of no other members of the International Clay Target Shooting Federation that can do that ie: attend a World event on their own grounds, something as a member of the ACTA I believe you can be rightly proud of.

### Rio Oceania – thanks Bruce

We have received advice from Mr. Bruce Burns that he has sold his interest in his business, Rio Oceania. The Association would like to take this opportunity to thank Bruce for his support of not only the ACTA but also many States, Zones and Clubs throughout our sport. Bruce has had a long association with the shooting sports and I have had personal dealings with him on behalf of my club. My experience is that Bruce has always been a hard but fair and honest businessman to deal with and always does what he says he will do. You cannot ask for more than that. Bruce, We wish you all the best with your future endeavours.

At last a perfect weekend of weather greeted 120 shooters who came to claim some of the shells, cash, & guns on offer, but maybe a chance to take home that elusive Golden Fox Badge.

Saturday morning started out cool & frosty but turned into a beautiful day for the Better Frames and Trusses 30 Mixed Targets event with Chris Figgins from Yarrawonga Gun Club in Victoria taking out the event with 74/75. Second event on the program was the PRJ Accounting Solutions 30tg Single Barrel and was won by Matty Patmore from West Wyalong Gun Club with a score of 50/50.

*Nathan Burt D/B winner  
& Junior High Gun*

*Adam Norton P/S Winner*

The last event for Saturday was the 50tg Double Barrel sponsored by Rio Oceania & GB Shotshells, 20 slabs of ammo up for grabs on this one, eighteen shooters shot the possible to go into the shoot off, after the first 25 targets it was down to only 9. Sunday morning was rather cool for the start of the 30tg Macquarie Valley Services Points Score, only two perfect 90's shot off to decide a winner with

Dubbo's Adam Norton claiming O/A with 111/111 from Matty Patmore on 108/111.

The next event on Sunday was the 30tg Gunpro Handicap, only one lucky fellow managed to shoot the 30 targets, that being Stephen Schiller from Cobar Club and he received a Miroku shotgun for his effort. Nine shooters on 29 shot off to decide who would take home the Adler shotgun. John Koolbanis from Cecil Park claimed the Adler with 47/48, 3rd was Ben Machul from Dubbo collecting three slabs of ammo on 46/48, 4th was Garry Kennerson from Sydney on 43/45, 5th place went to Ray Schiller from Cobar with 38/40.

The final event on Sunday was Dubbo's "Turf The Lot" 20 pair of Double Rise, no possibles in this one but two 39 shot off to find a winner, Matty Patmore was O/A with 57/58, Anthony Bortolo winning AA on 53/58.

The winner of The Golden Fox H/G was Phil Grainger from Noorat club with a winning score of 281/290. AA went to Matty Patmore with 278/290, A grade required a shoot off between Gary Kennerson and Jack Forner from Cecil Park, resulting in Jack winning A grade with 291/316. B grade went to Louise Machul from Dubbo club on 256/290, C grade went to Finn Chetcuti from Forest G.C. on 253/290, the Veterans trophy went to Dave Caccioppoli from Tumut with 270/290, Kate Schiller collected the Ladies with 267/290, Juniors was Nathan Burt for the second year in a row with 264/290. Sundays winner was Matty Patmore with a score of 156/160.

All in all an excellent weekend of shooting was had by all, the Dubbo Gun

# QCTA Trap Coaching Clinic

## Bob Rogers Memorial Skeet

**Townsville Gun Club  
June 2017**

After being booked immediately after our last coaching clinic in 2013, Townsville played host to a QCTA DTL coaching clinic on Saturday 17th June.

Shooters travelled from as far away as Atherton and Cloncurry to attend the course with 25 people in attendance for the official coaching. A few more tagged along during the day, taking the opportunity to have their guns professionally fitted by Daryl Stevens. There was a good range of shooters in attendance with shooters from across all grades with different experience levels taking the opportunity to improve their shooting. Saturday started with a run across the tracks, some theory, gun fit and practical one on one coaching. The coaching concluded on Sunday with a Double Rise demonstration. A huge thanks must go to the QCTA for funding the clinic, Richard Morrison, Bill Allan and Daryl Stevens who travelled up to run the clinic and Peter Ballarino for housing the coaches.

On Sunday we hosted the 100t Bob Rogers Memorial Skeet. The event was sponsored by Glenn Reeves Electrical and L & H Electrical Whole-

salers – thank you for your support. The skeet got underway and worked in well with the completion of the coaching with many shooters coming across to give the skeet a go. 28 shooters lined up in windy conditions, with Cody Chapman and Pat Dury having to battle it out for overall after both shooting 98/100. Junior Cody Chapman came away with the goods after shooting 103/105. Cody will go a long way in our sport, just a few weeks ago he shot 99/100 in a 100t DTL event. Gold Coast member Pat Dury took out 1st in AA/A Grade with a 102/105. Steven Makris wasn't far behind with a 97/100 which earned him 2nd AA/A. B Grade was won by Jason Phillis with a 92/100, with Joe Davis taking 2nd Place with a 91/100. Charters Towers el-presidente Bill Davis took out first in C Grade with a 105/118 after defeating local Ben Beazley in a shoot off (104/118). The Junior prize was won by Steven Davis with a 74/100 and the Ladies by Kellie Rea with a 71/100.

The lucky door prize for a slab of shells was won by Wayne Benson.

It was good to see new faces on the skeet field with many people borrowing skeet guns to have a go.

A huge thanks must go to the people who attended the working bee on Saturday, Jason and Glenn in the office Max for doing the odd jobs and Sharon in the Kitchen.

This event is a good lead up event to the Northern Zone Skeet Carnival in August; we hope to see you there.

Gemfield Gun Club

April 28-30, 2017

Visitors to the Gemfields Gun Club for our State Trap Carnival this year were greeted with beautifully presented grounds and a whole range of improvements to the club house and facilities. It was easy to see the hard work and effort that had gone into the club by members and surrounding club

volunteers in the lead up to the carnival. The outdoor area to the front of the clubhouse had been extended, concreted and fitted with a new roof. Additional seating was provided for shooters and spectators to relax, enjoy the competition, first class meals and catching up with friends. They also turned on the fine weather for the weekend, making it one of our best trap carnivals ever.

OA DB Champ Ray Collinson with Brian Muirson

Geoff Bryant taking A grade, Thomas Daniels from Rockhampton in B grade and Toogoolawah's Kylie Chambers in C grade. Lil Brandt won the sash for best lady shooting 139/139, Roma's Brodie Hewitt was top junior with 135/136 and John Maxwell won the veteran's prize 189/189.

The QCTA was extremely pleased to welcome new sponsor this year Byron Hewitt from Madmac Toy Vault, Roma. Byron generously sponsored the State Double Rise Championship where the only possible was shot

OA DR winner Jackson Willmann with Byron Hewitt

The carnival opened with the 50T State Double Barrel Championship, generously sponsored by Hunt's Shooting Supplies. 260 shooters nominated for this event and 40 possibles were shot. Ray Collinson from the Burdekin club finished with a brilliant 325/325 outlasting Mitch Iles in the shoot off to win the Queensland silver badge, sash, trophy and cash prize. Other firsts in this event were

by Jackson Willmann from the Gold Coast who won the title, state silver badge, sash and prize. Great shooting also by Atherton's Shannon Paton who shot 49/50 to win AA, and Neil Berry 48/50 to win A grade. Greg Thompson from Rockhampton was 1st in B grade shooting 63/70 and Craig Bischoff from Eumamurrin shot 41/50 to win C grade. Jess

Harris won the ladies sash with 63/70, Brodie Hewitt best junior 55/60 and Tony Zandegiacomo from Caboolture was the top vet with 58/60.

Once again the Zone Shoulder to Shoulder Teams Match, contested under lights on the Friday night of the carnival was enjoyed by all. State Councillor Davo Back took this comp to a new level this year by introducing the team members to some strategically selected theme music, accompanied by his entertaining commentary. Not only did this expose some previously hidden entrepreneurial skills on his part but ensured the event was thoroughly enjoyed by both team members and spectators. It was great to highlight the Zone team shoot and it looks like Davo will have the job again next year.

The SE Zone won the open section with team members Timm Cleal, Shane Weeden, Daryl Stevens, Dan Johnson, Tim Williams and Mark Davis shooting 119/125 to win gold. The Western Zone blitzed both the ladies and junior sections: the ladies team of Jess Harris, Brenda Collins and Veronika Forsythe shot 70/75 and the juniors, Brodie Hewitt, Brayden McKee and Dylan Brunner shot 69/75. SE Zone veterans were victorious with team members Paul Hill, Graeme Lippert and Mike Swale winning their section with 69/75. Well done to all the team members.

Thank you to the Zones for making the effort to have team members presented at their best. Scores shot under lights were impressive across all the Zones and we believe this will continue to be a highlight event of our carnival.

Beretta Australia continued their generous sponsorship for the State Single Barrel Championship again this year with 258 nominated for the event. Pat Guida from Noorat won the title with the only possible, earning the State silver badge, sash and trophy along with the rifle. Shannon Paton was 1st in AA with 95/96, Christian Populin 1st in A grade with a huge 48/50, Jack Bischoff 1st in B grade shooting 46/50 and Stevie Ward from Mackay Sarina shot 44/50 to win C grade. Lil Brandt won the Ladies with 58/62, Brodie Hewitt was best junior 49/51 and Mike Swale shot 50/52 to win the veterans sash.

Event 4 on the program was the 50T State Handicap and it was great to see a new line up of winners for this event. Great shooting by Mick Howard from Callide Dawson who won the title, sash and cash prize with 73/74. Gold Coast's Terry Morony came in 2nd with 72/74, Craig Bischoff 3rd 75/76, Tony Robinson from Normanton 74/76 and Tony Bradshaw 5th 79/81. And if the scores don't make sense you can blame Mick and Terry who both dropped the same target in the shoot off.

HC winner Mick Howard with Terry Morony 2nd, Craig Bischoff 3rd & Tony Robinson 4th

The great weather continued through to Sunday with 258 shooters contesting the 50T State Points Score Championship generously sponsored this year by Winchester Australia. 6 possibles were shot in this event with Antony Ballarino from Port Denison taking out the title with an impressive 324/324. Ray Collinson kept Antony on his toes in the shoot off winning AA grade with 321/324, Cloncurry's Jamie Cameron was the top A grader with 152/153, Henry Miller from Rockhampton shot 145/150 to win B grade and Adam Reid from Toowoomba was 1st in C grade with 142/150. At this year's trap carnival the QCTA introduced a new award for juniors – the Queensland Junior Sportsmanship Award. Lauren Cross from the Gemfields club was the worthy inaugural recipient and her glowing recommendation included trapping, assisting in many capacities at all the clubs she visits, babysitting for shooters while they compete, and cleaning up after events. We were proud to present this award to Lauren, a very

Mitch won the Beretta shotgun, gold Queensland badge, sash and prizes along with his name on the RACQ GIO perpetual trophy. Well done Mitchell, a great win against some tough competition.

Of course we would not be able to conduct these events without the generosity of our wonderful sponsors and we thank them all for

their support of our State Trap Carnival. Sponsors this year were Beretta Australia, Winchester Australia, Hunt's Shooting Supplies, Madmac Toy Vault, Spika Gun Safes, Move & Groove, Customised Ear Protection Australia and Qld Police Clay Target Club. We would also like to thank John Sleightholme and Spika for their generosity this year, and Greg Chan and the Beretta Australia team for their service and assistance on the grounds at Gemfields.

Thank you also to the Queensland Police Clay Target Club for their ongoing support of Queensland junior shooters. Every junior who nominated for the carnival received a slab of ammunition thanks to the generosity of QPCTC and they continue to provide financial support to junior team members. Their assistance is much appreciated by young shooters and their families.

A massive effort was put into the carnival this year and it was pleasing to receive so many complimentary remarks about the grounds, the club and the event in general. The hard working Gemfields committee were ably assisted by a team of helpers that included club members and volunteers across the Central Zone. A fantastic effort by the grounds staff, trappers, bar staff and the wonderful kitchen workers who produced delicious meals all weekend.

The office workers did a terrific job and we are extremely grateful to Lil, Sheridan, Janene and Dan, as well as the scoreboard writers John Back,

# Rule Clarification – Percentage Calculation Procedure

## ACTA RECORD CARDS

We still seem to be having grading problems, with not all Club Handicappers understanding how to rework a 200 target bracket (100 targets in handicap) in the Grading card, especially in relation to either substituting or deleting scores within that bracket.

Below is a simple, though lengthy explanation of how to adjust a bracket of scores.

### 1. Make sure that the shooter has shot the full 200 targets

This may mean that with a larger event at the end of the 200 bracket or because of shoot-offs within the bracket the total could be over 200. This makes no difference to the percentage calculation.

### 2. Delete any scores that are not indicative of a shooter's ability (Rule 2.04h)

Whilst there is no set criteria or percentage for deciding what is or is not an indicative score, common sense should prevail. As an example: If a A grade shooter averaging 94 to 96 percent or 23 to 24 targets out of 25 were to shoot a score less than say 18/25, I would strike that score out. If there were no further corrections to be made to the card, that is score substitutions, then you would calculate the percentage

on the remaining targets within that bracket. Example: the A grade shooter's card shows a total of 185/200, but within this bracket you notice a score of 18/25. After deleting this score by placing a line through it, the calculation of percentage would then be made from the remaining targets 167/175 making the correct percentage of 95.4 percent.

Shooters should not rule out scores that they consider "non indicative". The 200 target bracket must be completed before any deletions are made and should not be done by the shooter. We recently sighted a card where there were more score deletions by a shooter on the page than there were scores remaining. To protect his higher grade he was deleting scores until he had 200 targets shot that gave him the correct percentage to remain in that grade. Once attaining a grade a shooter can simply nominate to remain in that grade.

### 3. You MUST transpose any scores (Rule 2.01h)

See Rule below which clearly sets out the procedure.

(h) It shall be the responsibility of a designated club official to enter individual event scores and progressively mark the shooter's card with his 15 metre results. After each 200 targets double barrel regrade the shooter if necessary. **Double Barrel scores will be transposed for any better scores from the other events column, ie Continental and Single Barrel.** If the 200 targets fall during an event or shoot-off, re-grading will not take place until the completion of that event. All targets to the end of that event and shoot-off targets are to be used in calculation of percentage, except the last target missed in any shoot-off will not be recorded. Once 200 or more targets have been shot at and recorded and after the substitution of any bad scores, the percentage shall be calculated. Regrading and re-handicapping shall not take effect until the end of a day's shooting.

Once you have substituted scores as above, the percentage is then calculated on the total number of targets remaining. This may mean that after 200 targets we substitute a 43/50 with a 25/25 then the percentage calculation would be made from the 175 remaining targets, not the original 200. If you take the scenario the other way and substitute, for example a 19/25 for a 49/50, then the percentage calculation is made out of 225 targets.

There is no longer a limit on what number of targets shot can be substituted with another score and therefore, under an extreme score substitution you may only end up with 100 targets to calculate from. There is also no limit to the number of substitutions you can apply within a bracket.

**Under no circumstances are shooters permitted to alter their own card in any way. Should your card require an alteration please have an authorised Handicapper address the issue.**

*If you have questions or need to have a Record card issue resolved, please contact your State Handicapper or State Rules Supervisor for clarification.*

*A list of State Handicappers and State Rules Supervisors is available on the ACTA website.*

Duncan Ferguson and the other Central Zone members who pitched in. Ronnie Forsythe, on loan from Roma, single-handedly took care of the handicap cards, a mammoth job. We would especially like to thank Lil Brandt for her efforts both in the office during the carnival and for the preparations beforehand. Not only did she keep everything running smoothly, she also shot brilliantly all weekend.

Thanks also to shoot marshals Brian Muirson, Tom Jarvis, Davo Back, Peter Brandt and Tom Mylrea whose hard work all weekend ensured an excellent event.

Thanks also to Mal Collins and Geoff Moore for their efforts with the raffle, Moti Alkoby for his generous giveaways and Rob Hunter for providing the photos. Of course we greatly appreciate the efforts of Robbie Cross and his hardworking team for presenting shooters and visitors with such an outstanding venue. The effort put into this event by the Gem-fields club was obvious to all who enjoyed the carnival and the great hospitality.

Congratulations to all the winners and thank you to the many competitors and visitors who travelled long distances to attend our State Trap Carnival.

We thank our sponsors and encourage shooters to support them whenever possible. Thank you to all those who assisted and contributed to the success of our carnival this year and we look forward to seeing you all in Townsville in 2018.

Steve Walker 246/260 who won the \$1000 voucher donated by Gunpro.

The Fire and Ice Challenge was contested again between Orange and Coonamble over the weekend's events. After the first day, Orange were leading and they thought they were going to take the prestigious shield home with them. Sneaking some Geraldton shooters into the side, assuring us it was just on the other side of Mount Canobolas. This didn't stop all of them choking on some flies and allowing Coonamble to emulate

to thank all of our sponsor as well as anyone that contributed and helped to make this weekend a success. The more support we receive the more shooters we have attracted, with numbers increasing from last year. All of the support made this a fantastic Open Shoot. Remember you have never been to the best until you have shot out west. Go the dogs.

# 39th Central Victorian Grand Prix

**Maryborough Gun Club  
June 2017**

Despite the weather bureau's prediction of rain the 39th Grand Prix got underway in fine, still conditions. Unfortunately numbers were slightly down on previous years but we still managed to achieve close to 100 competitors. The grade breakdown was, 42 AA grade, 27 A grade, 14 B grade and 15 C grade. The events ran through without incident or interruption, apart from the public address system at the start of the day. The Laporte traps, installed for last years Grand Prix performed perfectly as did the Corsivia Australian Trap targets. The program, including the shoot-offs finished quite early and shooters were able to get away before dark.

Many positive remarks were passed on to members. At presentations Maryborough President Garry Cassells welcomed all visitors and praised our generous sponsors who continue to support the Club and the Grand Prix. Special thanks was made to Bruce Burns from GB Corsivia, Guy Rehfish of Rehfish Shooting Ballarat, Maryborough Toyota represented by Manager Chris Keen and Sales Rep Stewart Forbes, Cramer's Mitre 10 Maryborough and Gillman Sashes.

There were many fine performances over the day, all acknowledged at the presentations. However, not diminishing the great win in the Grand Prix by Allan Cooper from Wangaratta, the accolades of the day must go to a young William (Bill) Woodward who shot the program clean winning both the first and third events and taking out the Overall High Gun and the Veteran's High Gun.

## Single Barrel

The overall winner of the first event, the GB/Corsivia sponsored Single Barrel was Bill Woodward

*Lee Berger & Bruce Burns of GB Corsivia with Bill Woodward, OA Single Barrel*

from Frankston Australian CTC with a score of 47/47. Bill held on to beat Thomas Armstrong (Werribee Victorian) who came 2nd in AA grade.

A grade was won outright by Alexandra member Kate Whyte on a score of 26/27 and Colin Saxton (Nurmurkah Shepparton) came 2nd after a short shoot-off. B grade went to Mark Tyson from

Mildura Clay Target Club, with a score of 25/26 and Robert Glossop (Wangaratta) took 2nd place. C grade 1st was Matthew Tallents (Beaufort) with 2nd place going to Paul Newton also from the Beaufort Gun Club.

## Central Victoria Grand Prix

The main event, the 30 target Central Victorian Grand Prix was won by Allan Cooper, registered with the Wangaratta CTC, after a shoot-off with a score of 138/138. For his overall win Allan took home the Miroku Model 70 Trap shotgun.

Ashley and each of the other 2nd place winners received a Puma Hunter JW1 5A .22 rifle and third in AA went to Lynne Curtis (Frankston Australian). Lynne and each of the other 3rd place getters received 500 GB Prius shotshells.

A grade 1st was Ray Whyte (Alexandra) with a score of 51/52 from Lachlan McDonald (Euroa) and taking out 3rd place was Greg Smith, one of our New South Wales visitors from Coonamble. B grade 1st went to Daniel Hawtin from Noorat Gun Club with a score of 39/40, Luke Tyson (Mildura) came second and Robert Glossop (Wangaratta) took home 3rd place. C grade 1st went

to John McFarlane from Frankston Australian with a score of 34/35 from Robert Fitzgerald (Colbinabbin) who placed 2nd and Paul Newton, Beaufort ran 3rd.

### Points Score

In the final event of the day, the GB/Corsivia sponsored Points Score Championship, Bill Woodward came home the winner after a short shoot-off. Bill's score of 111/111 gave him the Overall and AA grade 1st place. Second in AA grade was Chris Brown from the Werribee Victorian Club. In A grade, Gary Grant from Callawadda Stawell GC

In the Section High Guns, the Veteran's naturally went to Bill Woodward who could not stop smiling on 130/130, being the only full score for the day.

The Ladies to Laura Woolley from Bendigo, 126/130 and Junior to Thomas Armstrong shooting a 136/140.

Bill Sands, one of Maryborough's regular practice day shooters won the raffle with the wheel barrow part of the prize being donated this year by Bernie Crameri.

Craig McDougal, Frankston Australia CTC won the lucky door prize of 500 Prus shotshells donated by GB Corsivia.

To club members for their efforts before and during the day, to our ladies who worked tirelessly all day in the kitchen, to Lynne for cooking the bacon and egg rolls for breakfast, to Belinda who ran the office and to everyone who assisted in making the 39th Grand Prix such a great success, thank you. We hope to see you all next year at the 40th Grand Prix.

# 35th Anniversary for Monarto Clay Target Club

**Monarto Gun Club  
March 17-19 2017**

*What a sensational weekend we have just celebrated; even the weather was on our side. A trifle too hot at 35°C, but shooting conditions were classified by many as being 'great' and the scores shot certainly reflected it.*

With last-minute quarry dust being laid, rolled and watered down under our new extended shade area at the front of the club house on the morning of the commencement of our 3-day Anniversary shoot, all was in readiness for the visitors. The club house and grounds were a credit to committee and club members for the hard work put in during recent weeks.

Around a dozen caravans filled our camping area, and cars were parked in every available spot from Trap 1 through to the end of the Skeet grounds. They came from Geraldton WA, Darwin and Alice Springs in the NT and from Normanton Qld, along with those representing 10 Clubs from within South Australia, made up the 86 individual shooters who competed over the 3-day competition.

Deauville Doubles winners G. Kessegian and R. Smith

The first event started mid-afternoon on Friday with the Central Zone Deauville Doubles (own partners). Winners of the Zone sashes was the team of Ron Smith and Greg Kessegian who shot the perfect score of 20/20 over Barry Pobke and Tony Carlesso on 28/30 who took out second place after a shoot-off.

We had to wait for sundown before we could start the night shoot, so a tea of sausages, mashed spuds, peas and gravy followed by pavlova, fruit salad and cream kept everyone in the club house till it was dark enough outside to get the lights going.

Event 2 was the 50 tgt State Night Single Barrel Championship. Perfectly calm conditions for shooting, but the evening did bring with it a sudden chill. Gerald Hopgood and Greg Kessegian went out to do battle for the champions' sash after each one of them having come in with 46/50. Gerald won out, smashing his first target in the shoot off, only to find Greg miss his target and to stand there watching his target sail off into the night sky. AA and Overall went to Gerald Hopgood with his 47/51 over Greg Kessegian on 46/51.

A grade shooter Tony Carlesso on a 44/50 beat Terry Marsden on 41/50, B grade went to Neil Marsh on 43/50 over Peter Claridge with 39/50, and C grade was won by John Clark 36/50 over Peter Dunn on 30/50.

Saturday dawned after an all too short night for some of us, and the chilly morning soon gave way to the heat of the day; another maximum of 35°C.

Fifty-four competitors nominated for the day's events, the first one up being the 25 tgt Monarto Anniversary Handicap.

Tania Evans led the way with a perfect score of 25/25 from her 21-metre mark. Three shooters vied for 2nd, 3rd and 4th placings; John Hawker, Peter Hendy and Rob Clark all having shot 24/25. Robbie Clark finished 2nd with his 27/29 (25 metres), 3rd place went to Peter Hendy having shot 36/39 (20 metres) and 4th placing went to John Hawker on 29/31 (23 metres). The 5th and final placing saw 11 shooters heading out to shoot off, all having shot 23/25. Lee Kerr was the lucky shooter to outlast them all with his score of 35/37 (17 metres).

Tania Evans Anniversary HC

Event 4 for the weekend was the 25 tgt Single Barrel Championship. Seven possible scores for the event saw all heading off to shoot for the championship sash.

Greg Kessegian took out AA grade and Overall with his 40/40. Lynton Schubert took second place after shooting 39/40. A grade went to Ryan Foster on 29/29 over Greg Ferguson on 28/29, B grade was won by Neil Marsh on 25/25 with Ian Hopton taking second place on 24/25, and C grade was taken out by John Clark on 22/27 over Heather Glaser on 21/27.

Greg Kessegian SB CS

The final event for Day 2 was the 25 tgt Double Barrel Championship. Nine possible scores again were posted and off they went to shoot out the placings. Veteran shooter (R.) Bob Cook blew them all away with his score of 88/88 to win the Overall and AA grade trophy. Second place in AA grade went to Rob Clark on 87/88. NJ Dreyer took out A grade with his score of 53/53 over Greg Ferguson on 39/40. Barry Pobke won B grade with a 28/29 over Ray Leake on 31/33 and the C grade places went to Peter Dunn with a 30/32 over Heather Glaser on 29/32.

Presentation time was followed by some 50 people partaking of the delicious Webber roast of beef, lamb and baked potatoes accompanied by a wonderful array of salads. Several of our visitors helped out in the dessert department and was enjoyed by all present.

A great night of camaraderie was enjoyed and it was another late night for many of those camping on the grounds.

The small gully in front of the club house was seen to have a 'sleeping cloud' resting in it early on Sunday morning by some of the early risers, but it quickly burnt off and we found we were in for another perfect day for shooting.

Event 6 for the weekend saw 67 shooters line up. The 30 tgt Mixed Championship was shot in conjunction with the Clem Thomas Memorial with a perpetual trophy on offer for the winner.

Six perfect scores of 50/50 were posted on the score board at the end of the event. A shoot-off ensued and after a considerable time the Overall winner was decided by a toss of a coin between father and son shooters, Martin and Ross Collumb. Martin lost the toss leaving Ross to take out the Championship sash and trophy for AA grade. Their scores at the time of the coin toss was 90/90. A grade went to Ryan Foster who shot a 50/50 over NJ

Event 7, the final competition for the weekend, was the 50 tgt Points Score Championship. This event had more than a championship sash on the end of it. It was also a team shoot for the Graham & Ruth Michell trophy, and the winner of the event would have their name engraved on the Graham Michell Memorial perpetual trophy.

M. Veenstra wins 50 tgt PS

With two 149/150's on the board, three 148/150's and six sitting on 147/150 we had a few more shoot-offs to get through before the shoot ended.

Michael Veenstra took out Overall and AA grade over Martin Collumb on 181/183. Garry Read took the A grade honours on 149/150 over NJ Dreyer on 148/150, B grade went to

A happy Monarto No. 1 team took the honours on the Graham & Ruth Michell team trophy; team members being Rob Clark, Tim Dunn, Lisa Smith, Ryan Foster and Peter Hendy. 709/750.

Michael Veenstra's name will be engraved on the Graham Michell Memorial trophy.

The club house was again crammed for presentation time, a giant raffle being drawn while last minute details were being worked out.

Club President John Bretag thanked his many helpers; committee and club members for their assistance prior, and through the weekend. John, Ryan, to those who helped to fill in as trappers (due to many of our usuals being unavailable through unavoidable work commitments), to the referees and scorers, all helping to keep the shoot running smoothly. Special thanks to all of the kitchen helpers, Ruth and Peta (our own excellent mainstays for the whole weekend), to Jan, Bev, and to Ian (be careful; Ruth may keep you in the kitchen and you may miss out on doing your shooting). To my fellow office workers, Allan (Handicapper) and to State Handicapper Barry Pobke for his assistance with some of the shooters' cards; scoreboard writers and to everyone who helped at all over the weekend.

Special thanks to local farmers, Robert and Elizabeth Frahn, who cooked our delicious roast on Saturday night, I know those present appreciated your efforts.

A hearty thank you to all of our major sponsors: Grand Nissan, Vince Petracaro; Marsh Advantage Pty. Ltd. Rob Low; Burgess Paint 'n Panel, Brenton Burgess; McCue's Bakery, Rodney & Kerry McCue; Bridge Office National and Mount Compass Tavern.

If I have forgotten anyone, my humblest apologies, it certainly is not intentional; and no, I haven't forgotten Peter Hampel (couldn't attend as he was away working), but still managed to hand paint the club house floor a week before our shoot. Great work everybody!

# Pistone, Evans and Pay Championship winners at Bendigo

**Bendigo Clay Target Club  
Queens Birthday weekend, June 2017**

Some 70 shooters attended Bendigo's Annual Queens Birthday shoot. With all 5 DTL layouts operating and great Bendigo weather, the Club was able to finish all presentations early and allow people to travel home well before dark.

The club grounds looked superb thanks to the work of Allison, Brad and Darren. Between them the John Deere clocked up more hours in the week prior, than it had done in the previous 12 months.

Staying with the successful format of the past 2 years, the Double Barrel Championship was the first event on the programme. 4 shooters were able to card a 50 and so to the shoot off. A score of 123/123 secured the title for Rob Pistone.

The 30 target Single Barrel followed and it saw only 1 possible, Andrew Evans. Andrew had no issues with not having to face a shoot off. 5 shooters in AA had carded a 29 and after a short duel, Peter Beaman took 2nd with a score of 42/43.

The days final event was the 30 tgt Points Score

Double Barrel winners: Left: OA Robert Pistone.

A Gr Darryl Johnson

Below: Single Barrel winners: Left: Andrew Evans and sponsor Graham Beckworth

Points Score winners: OA John Pay, B Gr Peter Watkins, A Gr Darryl Johnson

and a full score eluded everyone. After only 3 targets into the shoot off John Pay emerged victorious.

A thoroughly enjoyable days shooting.

High Guns on the day went to John Pay (Open), Thomas Armstrong (Junior), Meshaila Cox (Ladies) and Allan Cooper (Veterans).

Our thanks must go to our very generous sponsors. OSA and Hartley's Hunting and Tackleworld, Graham Beckworth and Falcon (Australia) and PCM Enviro. Margaret and Darren kept all well fed, Brad saw that everyone was on their tracks ready to go. The Office staff kept the paperwork flowing and Peter even managed to smile on the completion of all shoot cards.

# Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

## Getting Older

I recently experienced my dream weekend.

I had to get my car serviced and I had letters from my doctor wanting to do a heart check and another letter from my

optometrist letting me know it was time for my regular visit. I looked at the calendar and the shoot book and noticed that the Wagga Comedy Festival and a two day sporting shoot was being held on the same weekend. By coincidence or a miracle I managed to book the car in for a service, a doctors appointment, an optometrist's appointment and tickets for the Doug Anthony Allstars for the Friday and Will Anderson's show on the Saturday night. Coupled with two hundred targets and two nights accommodation at The Lawson in Wagga and plenty for Barbara to do during the day, how could it get better? The weekend was great: good food, excellent accommodation, great shooting, perfect weather and two great shows that made me laugh so much that I had a headache.

Regular readers will recall that several months ago I wrote about the British Association of Shooting and Conservation (BASC) report that outlined the social, physical and personal wellbeing of shooting. I know that shooting gets me outside in the sun, wind and sometimes rain. It lets me mix with like-minded friends. It provides moderate level of physical activity. It provides me with a sense of challenge and achievement, and on a good day I might even learn something.

I have been shooting since 1981 and competing seriously since about 1997. Whilst I am happy with my performances, wins, personal bests, etc it is hard to ignore that I am no longer the age I was in 1981.

Firstly, the optometrist lamented with me that getting older was not much fun. Having to use glasses to see what I need to read is an artefact of getting old as the muscles in the eyes just do not work as well as they used to.

Secondly, the doctor prodded and poked me and asked questions that although I was answering truthfully, it became apparent to me that things probably do not work as well as they used to.

So armed with this terrible insight I decided to research what effect age has on athletic performance. An article from <http://www.thedoctorwillseeyounow.com/content/aging/art2075.html> written by Dr John Morley, looks at the physical changes caused by aging.

1. *The Heart.* Age brings a decrease in the maximum heart rate and an overall decline in the amount of blood the heart can pump and both of these things limit athletic performance.
2. *The Lungs.* According to the article aging leads to a decrease in the overall lung capacity and a decline in the ability of the lungs to move oxygen from the air into the bloodstream, which will affect strength and endurance.
3. *The Muscle.* As we age we lose both muscle mass and muscle

strength. According to Morley, Decline in muscle mass is known as sarcopenia. Most of the muscle lost from sarcopenia is what is known as Type IIa, or "fast-twitch," muscle fibres. Human muscles are classified as either Type I or Type II. Type I muscles are slow to contract and contribute to physical endurance; Type II muscles are faster to contract and are associated with strength and power. As we age, even though we can fight the loss of muscle mass with exercise, we will still be losing these Type II fibres at the same rate. What happens is that instead of developing new muscle fibres from exercise, as we did when we were younger, the remaining fibres merely increase in bulk. In addition, with age we also lose some of our ability to control the firing, or activation, of our muscles. This leads to loss of coordination and strength.

4. *The Nervous System.* There is decline in the flow of blood to the brain with aging, which is associated with reduced reaction time. Our sense of balance also deteriorates as we age.
5. *The Musculoskeletal System.* As we age we lose bone density and flexibility
6. *The Mind.* Morley didn't mention this but our mind can also be affected by aging. Concentration, attention and motivation can be affected by aging. Because we understand our abilities are changing and that we are not the shooter we used to be there will be an element of grief. We will be angry, depressed or sad and will try harder to make up for the perceived losses.

The information above outlines the clinical affects of aging, but aging is not all bad. Aging makes us elders rich with experience, knowledge and skills and whilst there will be a reduction of our abilities we have probably developed strategies to overcome some of these. For example, using a golf cart to get around the Field and Game course rather than walking. Being older often means we have more time and disposable income to actually shoot more. We probably have more friends and acquaintances because we know more people because we have been participating longer. As we age we learn to appreciate participating is just as important, if not more important than winning. This is why Masters competitions and veterans games are so popular. It is not that we don't want to win, quite the opposite, but we have worked out that the process of competing is just as important as the product.

As we get older, continued competition shooting, meditation, relaxation and keeping up the physical exercise will keep us fit and able to enjoy our shooting and life. We can never get younger but doesn't mean we have to surrender just because we are not as good as we used to be. It is great to see youngsters and juniors shooting, but the fact that we can still compete into our 60's, 70's and beyond is a real achievement.

# Fimac Shield Round 2 a great success

**Bega Gun Club  
May 2017**

*Bega Gun Club's feature event of the May shoot was the second round of the Fimac Engineering Handicap Shield and a good crowd of twenty-nine shooters attended. Visitors from South Australia, Bairnsdale and Orbost added to the mix on a clear and sunny day that for interest added a beautiful southerly to challenge the squads.*

The day's activities started with a 50 target points score shot across both traps. The wind proceeded to do its thing and definitely increased the challenge. C Grade went to Christel Feldmann with a very respectable 111/150, with Arne Aske taking sec-

ond with a score of 100/150. John Gray took the prize in B grade tallying 128/150. Keith Pearce kept the rest of B Grade at bay to take second with 123/150. With numbers down in AA, AA/A grade were the final group. Regular Orbost visitor, Chris Davis took out first place with 145/150 with Frank Bagnato from Bairnsdale second on 139/150.

The second event for the day was a 25T single barrel shot from 15m. In C Grade, the two Georges, played

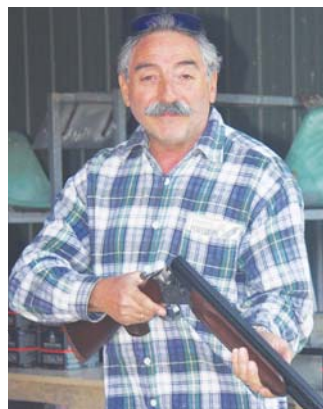

*John Gray 1st B Grade PS*

*Chris Davis HG 1st AA/A Grade PS & 2nd Fimac HC Shield*

*Frank Bagnato 2nd AA/A Grade PS & Club shoot raffle winner*

*George Toyne 1st SB C Grade & Club Groundsman extraordinaire*

the wind best, with George Toyne, 19/25, taking first from George Adamopoulos, on 17/25. Mark Evans led the field in B Grade, taking first with a score of 22/25. Bert Deacon, two targets back took second, 20/25. AA/A grade saw Alf Niesar 24/25 take first with Charlie Smith one target back, 23/25 taking second.

*Alf Niesar winner AA/A Grade SB*

*Sponsor Shane Platts with Fimac Engineering Shield winner C Grade PS winner Christel Feldmann*

*Robert Umback 3rd Fimac Engineering HC Shield*

With things running smoothly thanks to Tracy in the office and Pauline organising the food, lunch became a priority the usual fabulous barbecue.

After refreshments, the feature event of the day, the Fimac Engineering Handicap Shield round two began. After much walking back and

forwards and many calls to the wind to be kind, C grader Christel Feldmann emerged the outright winner of round two with a very creditable 22/25, two targets ahead of her nearest rival. Five gentlemen, Simon Buckley, Brian Moffitt, Chris Campbell, Brian Smith, Robert Umback and Chris Davis returned to the traps to decide the second and third placings. After the smoke had cleared Chris emerged in second place 26/31 and South Australian visitor, Robert Umback finished third with 25/31.

High Gun went to Chris Davis, 184/200 and Frank Bagnato made his trip from Bairnsdale very worthwhile by winning the shoot raffle of \$305.

Alf Niesar stepped up to thank our Fimac sponsor, it didn't seem right to ask our President, Shane to thank himself. One of our long standing sponsors, Shane contributes significantly to the club and members are very grateful for the support.

# WANGARATTA CLAY TARGET CLUB

## TRAP – HIGH GUN TO PHIL GRAINGER

*Perfect weather greeted all competitors to the monthly Down The Line championship held at Wangaratta on the 17th June. The grassed areas were perfectly groomed by two of the clubs very willing curators, Bruce Henshall and Bob Pigram.*

Approximately seven squads of competitors were at the club on the day with several shooters achieving excellent results through a combination of skills and concentration that the sport of clay target shooting requires.

The 10 target point score eye opener was shared by 4 shooters achieving the score of 30/30 points.

Event 2, a 50 target points score championship, resulted in local shooter Daryl Hunt winning AA grade and overall with a perfect tally of 150/150. Only one point behind in this grade was Phil. Grainger on 149/150. A grader Ray Gamble took out this grade with 146/150 followed closely by Paul Wilkinson on 145/150. Another local competitor and generous club sponsor (Winsec), Tony Ruvolo took a sash home in B grade 138/151 relegating Bernie Evans to 2nd place on 136/151. Don Hicks won C grade 128/150 and Ryan Wilkinson paced 2nd with 109/150.

The overall winner of the 50 target double barrel championship was nicely achieved by Phil. Grainger with a clean result of 78/78 with Gordon Twamley placed 2nd on 77/78. Paul Wilkinson dropped two days only winning A grade on 48/50 and Scott Glossop was just behind on 47/50. Consistent shotgun all rounder Bernie Evans this time won his grade on 50/53, placing Jess Goodall 2nd in B grade on 49/53. In a repeat of the points score event, Don Hinks again won C on 44/50 with Ryan Wilkinson finishing with 38/50.

The High Gun trophies were awarded to O/A Phil. Grainger 228/230, Veterans - Allan 'Sooper' Cooper 222/230 & Juniors to Jack Sandra 204/230.

Junior HG Winner Jack Sandra

Trap: L to R: Phil. Grainger, Daryl Hunt, Ray Gamble, Bernie Evans, Allan Cooper, Gordon Twamley, Scott Glossop, Dan Hinks. Kneeling: Tony Ruvolo, Paul Wilkinson, Ryan Wilkinson

This balancing act can be tricky at times to get right, however all shooters appeared very satisfied with the excellent range of flight angles chosen to suit all skill levels.

The weather conditions were ideal for target shooting and once again the club provided lots of tasty food catered for by Anita and her two daughters. The day ran smoothly and finished early, coupled with a nice relaxed, friendly atmosphere, made the days event very satisfying for all competitors.

Local sporting clays expert Brett Jory, took out the overall position with a top result of 92/100, nine targets ahead of 2nd place AA grade winner Max Kavanagh 83/100. A grader Brodie Seccull demolished 81/100 targets winning this grade, with Allan Seccull following on 70/100. Quiet achiever and very willing helper at the club shoots, Neil Plumridge earned himself an upgrade into A with a result of 71/100, placing Marc Connell 2nd in B grade 51/100. Junior top shot Ben Kuschert won't remain in C grade much longer winning his grade with an excellent tally of 71/100. Nice to see Barry Ellis using his lovely old Greener side by side and his vintage Merkel U/O taking 2nd place on 61/100.

The club will continue holding 5 stand competitions on the second Sunday of each month. We encourage all ACTA shooters to visit Wangaratta in the near future and enjoy a great day out by participating in this most exciting and skillful discipline.

## 5 STAND – JOY FOR JORY

*The June long weekend may have caused a drop in numbers at the Wangaratta Clay Target Club Sporting Clays event, however the quality of skill levels evident on the day demonstrated that some of the best shooters from the region were in action at the range.*

Both grounds were expertly set up early on the day with an ideal mix of difficult and easier targets on offer.

# West Darling Championships

**Broken Hill Gun Club  
May 2017  
By Evan Stephenson**

*The weekend of May 15th and 16th was the Broken Hill Gun Club's May Two day shoot, the West Darling Championships. We had another great role up with a total 89 shooters for the two days, and again it was great to see a lot of new faces and a lot of the old ones as well, they just keep coming back year after year, camping and having a great time. Now for some more "thank you's". I would like to thank the many helpers and workers on the day, and the many days leading up to this shoot, a lot of work goes into this weekend and without these workers, and the generosity of our many sponsors, the May Two Day Shoot just wouldn't be as good as it is.

A couple of things I took out of this shoot was first, not to stir up Darryn Nicholls prior to a big shoot, sorry Jarred, I asked him if there was a mistake with the High Gun Winners name from last years shoot, it read "J" Nicholls and not "D" Nicholls, all I got was a grunt as a reply, and the second was not to stir up a "B Grade Burglar" over the PA System prior to him going into the shoot off for the Single Barrel Overall, Yep Old can't see them Bill Hartney shot the lot 25/25, the only thing he did all weekend, and he then went onto cleaning them all up in the shoot off, and, yes he did have the last say at the presentations, well shot "OLD FELLA".

# The Squire reports from West Wyalong

L-R: Winners and place getters with Lyn Anderson: Jason Anderson OA, Adam Brigden 1st B, Luke Kirkby 1st AA, Ray Schiller 2nd A, Anthony Grey 2nd AA, Lyn Anderson, Alan Bound 2nd B, Nancy Kilmartin 1st C, Les Irvin Vet & Graeme Fairman 1st A

## Len Anderson Memorial Championship

*The May shoot at the West Wyalong Clay Target Club included the Len Anderson Memorial 50 Target Single Barrel Championship.*

Len Anderson was an inaugural member of the West Wyalong Clay Target Club whose favourite event was single barrel and each year since Len passed away his family have sponsored the event in his memory.

And in 2017 it was Club President and Len's son Jason Anderson who won the event. How good is that!

A beaming Lynn Anderson, surrounded by her family was on hand to see the result and to present the winner's medal to an equally proud Jason who had survived a shoot off against Luke Kirkby and Graeme Fairman – neither of whom are likely to give anything away!

A very popular win to a very popular club member.

The day began with a 10 Target Eye Opener and Robert Lindsay, Anthony Grey, Jason Anderson, Les Irvin and Gary Blattman all shot possibles.

The second event was 25 Targets Double Barrel Cash Divide and AA Grade Robert Lindsay, Anthony Grey and Jason Anderson all shot 25/25 to grab a share of the spoils.

In A Grade, Ray Schiller, Neville Block, Gary Blattman and Bruce Dent shot 23/25 to gain prize money.

The "Barellen Poacher", Alan Bound 24/25 won B Grade and Nancy Kilmartin 20/25 was the C Grade winner.

Then came the event everyone was waiting for and Jason Anderson 63/68 was the winner of the Len Anderson 50 Target Single Barrel Championship receiving a medallion and having his name inscribed on the perpetual shield.

Luke Kirkby 62/63 won AA Grade with Anthony Grey 44/50 in second place.

Graeme Fairman, who has won the event previously, shot 49/55 to win A Grade with Ray Schiller 41/50 placing second.

In B Grade A Brigden 38/50 received the medallion and Alan Bound 33/50 as runner up.

Nancy Kilmartin 33/50 was the winner in C Grade.

Also over from Barellan for the day, Les Irvin won the Veteran's section with a score of 44/50.

The final event to conclude the day was 25 Targets Handicap and Daniel Smith 23/25 was the winner from Les Irvin in second place and Robert Lindsay third.

To top off a great day, Jason Anderson was also the High Gun.

The West Wyalong Clay Target Club offers its congratulations to member Clive Foster who has won his way into the 2017 Australian Mackintosh Team at the National shoot held at Wagga Wagga in April.

Congratulations also to member Mick Munro who won AA Grade at the recent New South Wales State Sporting Clays titles and will be a member of New South Wales Team to shoot in the Australian Titles later in the year.

# Paul Pritchard Memorial at Kempsey

*As we headed down the road on our way to the Kempsey range for the Paul Pritchard Memorial shoot the windscreen wipers kept up a steady beat. I wondered why we were not sitting at home warm and dry, binging on Netflix. Then my wife sitting beside me decided to ring some of our shooting friends (aren't mobile phones wonderful). Sure enough they were headed for Kempsey to participate in the monthly shoot. One of the shooters, a farmer by trade, predicted that the rain would ease as the day progressed. Fortunately, his weather forecast was correct and as we arrived at the range the rain eased off and eventually stopped.*

The grounds were a little soggy underfoot and it remained overcast but the rain stayed away and conditions for shooting were not too bad. One of our members, who shall remain nameless,

complained to anyone who would listen about the poor light caused by the cloud cover. He then went on to win the 50Tgt DB Club Championship. No more comment here.

Even though the weather was a bit suspect we had shooters from the north coast as well as some locals. It was good to see Steve Wallis, a long-time supporter of the Kempsey club back again.

I would just like to take a moment here to thank the Pritchard family for their loyal contribution, it is much appreciated.

Now to the events. The first event was the Paul Pritchard Memorial 50tgt PS, Overall Steve Saul, 148/150. 1st AA John Cunningham 152/165. 1st A John Burke 149/162. 1st B Andrew McWhirter 135/150. 1st C Chris Wright 125/150. The second event was 50Tgt DB Club C'ship. Overall Steve Saul 50/50. 1st AA Margo Burke. 1st A Barry Dray 47/50. 1st B Andrew McWhirter 49/50. 1st C Chris Wright 46/50.

I would like to thank Ted, Michael Robert and

Denis for their work, especially Denis who was everywhere during the day overseeing the smooth operation of the shoot. Jenny and Vicki in the office and the ladies in the kitchen require a huge vote of thanks for their tireless and sometimes underappreciated work. Vicki might have to find her husband a job though! If he is going to come along to our shoot and just sit in the sun and not shoot perhaps the ladies in the kitchen could use him to wash the dishes.

I think it would be fair to say that despite the poor weather most of us had a good day but unfortunately there is always one who can find something to complain about. I sometimes think that some shooters do not realise that we are all volunteers, perhaps not used to running a profit-making business and are certainly not paid employees.

Do not forget that we are having our two-day open shoot on the 16th and 17th September. You all are welcome. Hopefully see you then.

# Bega Continental Championships

C Grade winner George Toyne  
with sponsor Phil Body of RV Repairs

B Grade winner  
Pete Johnston

A Grade winner  
Alf Niesar

AA Grade winner  
David Crane from Canberra

June is traditionally our Continental Open Championship shoot, with sashes and ammunition prizes supplied through the sponsorship of Phil and Pauline Body of RV Repairs, in Eden. Active club members, as well as shooters, their continued sponsorship is just another way of supporting the club's activities and ensuring quality prizes for competitors. Thirty-two eager participants turned up to the Tarraganda grounds with the weather gods smiling down, providing sunshine and perfect conditions for the day.

The Championship was shot over 100 targets,

brief re-play, Pete taking out the first prize with a score of 89/103 to Kevin's 88/103. A Grade saw Alf Niesar return to the winners' circle with a well compiled 95/100, three targets up on second place getter, Robert Taylor, 92/100. David Crane did the honours in AA Grade with a solid 95/100, with Ray Welch in second place on 94/100.

Overall Championship sash went to the consistent Chris Davis, who scored a very creditable 97/100, two targets up on his nearest rival.

Pauline Body drew the shoot raffle and sent son James out to shoot for her. Unfortunately he missed one, ensuring the treasurer remained happy and James collected the meat tray for his mum.

Visitors from Bairnsdale, Bombala, Cooma and Canberra added to the fields with six squads competing.

C Grade went to George Toyne with a score of 83/100, two targets ahead of Malcolm O'Brien on 81/100. In B Grade, Kevin Hurt and Pete Johnston returned to the traps for a

Club members also had the chance to congratulate member Bert Deacon for his win at the National Skeet Championships as part of the NSW Veterans team. A great result for Bert.

Finally, again a sincere thanks to Phil and Pauline for their sponsorship. Without our sponsors, our Club would find it hard to operate with the success it does.
