President's Notes

Past President, Mr Jim Scott

Sadly I have to inform the membership that I have been advised of the passing of Life Registered Shooter and former National President Mr Jim Scott. Jim held the position of National President from 1988 – 1991.

On behalf of the membership I express our condolences to Jim's family and friends.

National Ground

Work has finally begun on the ACTA multi-purpose Conference Centre. Wagga Wagga based construction firm, Pascoe Constructions has been awarded the contract to deliver this 6.7 million dollar project by the 1st of March 2018. The development includes a conference centre that can seat 1200 persons or host 650 for dinner, bar, cafeteria, commercial kitchen, viewing deck that spans almost 2 layouts and the ACTA Hall of Fame. Other

ancillary items included in the project are a new entrance to the National Grounds, sealed car-parking, widening of the bridge and landscaping.

It has been a difficult task to manage the design and tender process and select a contractor able to deliver the project within the budgeted figure and within the tight timeframe. We feel confident that this is now achievable. This is a very exciting time for your Association with the NSW Sports Minister Stuart Ayers inspecting the site accompanied by Local member Daryl Maguire last Tuesday. This was reported widely in television, radio and print medians.

Indications are that NSW Premier, Gladys Berejiklian will also be inspecting the developments progress at the end of October.

Another application for funding has now been completed and is ready for lodgement when the next round of Federal Sports grants opens. This application refers to Olympic Discipline facilities that if successful will almost complete the National Ground development.

ACTA Hall of Fame

A Sub-committee of Bronte Evans, Mark McInnes, John Mack and Gary Read has been formed to develop the Hall of Fame concept. They have met once and their recommendations to date are under consideration. To give the Hall of Fame the prestige it deserves it is being sited in and along the main entry and foyer area of the Conference Centre. The actual fitout of this area is not covered within the NSW Government grant and so the Association would welcome any offers of financial support towards this specific purpose from interested individuals or the trade. Whether the area is completed in time for the opening may well be dependent upon support from outside the ACTA.

Sportspass

The Association is now pleased to be able to introduce a free loyalty type card to its members. The card in electronic format will provide financial benefits to members at various outlets Australia wide. The electronic format which is App based allows access to the cards benefits without yet another plastic card in the users wallet. Negotiations have also provided the opportunity to provide the card to all International visitors at the World DTL event next year. The ACTA Sportspass program

goes live on the 1st of November so please ensure your renewal contains your current email address which is required to activate your personal card. Full details appear elsewhere in this magazine.

Insurance

The Association has now called for expressions of interest for the brokering of our insurance products. This is done every three years to ensure we have the best deal in the market for our Registered Shooters, Club and States etc. The Registered shooters personal firearms cover will be retained providing \$12,000 of cover within the membership cost and an extra \$13,000 available by the payment direct to the broker of \$10. Larger amounts are available by negotiation direct with the broker. This is excellent value for Members and I would encourage those of you with firearms insurance attached to your household or other policies to review them and reap the financial savings provided to you by the ACTA policy. Anecdotally it could be that the savings on a household policy could be more than your total membership cost. I would like to hear from anybody that has achieved significant savings, or had a claim paid by the insurer.

2018 Membership Cost

The Executive have already decided that 2018 fees will remain at the current level. This decision was made as part of a strategy to closer align our membership costs with other Associations over time.

2018 Major events – World DTL.

Nominations for next years Trap Nationals and the World DTL are now open and filling quickly.

If you are a casual shooter and rarely if ever attend the Nationals, I would encourage you to attend next year. The World DTL is a fantastic event and only comes to Australia once every 10 to 12 years. Your new building will be open for use and inspection and a larger selection of traders than usual are expected to be in attendance.

Board and Executive Meetings

By the time this goes to print your Board will have met again in Wagga Wagga, during the ACTA Sporting Nationals and reviewed next year's budget. The proposed budget and other Board recommendations will be on the agenda for a full Executive meeting in late October or early November. The decision of the Executive to continue with a small Board sub-committee meeting in person regularly and then recommending to the Executive is in the best interests of the governance of the ACTA. It allows regular face to face meetings of the Board to deal with all sorts of matters in a timely manner, but still under the oversight of your full Executive. Recommendations are made to the Executive either electronically if urgent, or by being placed on the agenda of Executive meetings if time permits. The regularity of these meetings would not be economically possible if the full Executive had to meet this often.

Clay Targets

There has been a fair bit of activity within the industry lately with a local manufacturer having ceased production at the moment, and another importer adding another brand to their product list. We will be watching pricing carefully as it is believed the local manufacturers pricing may well have put a ceiling in the market price.

Executive Officer's Report

The weather is warming up and with that there are a number of State events coming up of great importance. State selection for the Nationals in 2018 provides a platform to the World DTL event, with this event to be conducted immediately following the Nationals in 2018. Nominations to date show great support for both events. It gets people thinking, why do we not have more large scale National events? This will open a can of worms, however rational debate is always healthy.

The for and against ideas can be discussed and debated by registered shooters, Clubs, Zones and States. The National Executive would consider any submissions and work with those to review the sporting operations and calendar.

Discussion points:

- The ACTA (Clubs, States etc) are seen as being the best at conducting competition events amongst all shooting organisations. We as a whole do it well. This would be an extension.
- Could this mean a number of events requiring qualification to be selected for a "final".
- What would attract high quality shooters to bigger events.

President's Notes

Major prize shoots

Some may see this as pushing my own barrow because this relates to the Roma club of which I am a member, but I do not see any other way to explain this but in this column. Up until the mid 70's quite a few ACTA clubs hosted shoots with cars as prizes. Our involvement at that time with the ISU (now the ISSF) and rules around prize value for supposedly amateur Olympic sport saw these shoots discontinued. However all that has now changed. You can now see Tiger Woods and Serena Williams competing at the Olympics.

I have considered for years how we could again shoot for cars and yet keep nominations affordable to most shooters and also ensure the club does not lose. Recently I had a coffee and conversation with former ACTA Historian Mark McInnes where Mark mentioned there were no really successful sports that did not have a professional side. Personally I think Mark is correct and to lift the image and profile of this sport we need to lift the prize value. The Roma Club has now bitten the bullet and is committed to hosting a three year series of car shoots. We believe we have a format that will work. The first event in early March 2018 will see competition for a Mitsubishi 4x4 twin cab and a Lucky Door prize for a small Mitsubishi Car. The format will be advertised shortly but I can tell you that there will be 6 events over 3 days. Nominations will be \$300 full or \$240 discounted, pre-noms will open on the 1st November and both cars will leave the grounds in the hands of new owners at the completion of the event. If this format works it could easily be adopted by any club having enough facilities to handle the numbers. How good would it be to have numerous car shoots conducted annually throughout Australia again?

Until next month.

Robert Nugent

- Bigger events brings more profile, media exposure for the sport.
- Could this be a selection process for international events.
- Traders in firearms and ammunition would benefit with increased events and popularity of the sport in the long term.
- Clubs have limited opportunities to conduct events, any more days may take from their calendar.
- Sponsors would be required and this too may take away from Club sponsorship.
- Travel is an issue to get to these events.
- It is only catering for the elite or those with time and money to travel.
- This would require more volunteer hours when conducting these events.
- What are a Clubs thoughts on shooting within their Zone, State and Nationally.
- Is this an area that the National body should be further encroaching on (outside established National events).
- Do we need more events.
- Do we need less events and more competitors.
- Are we overtaxing volunteers.
- Can we reduce the workload for volunteers.

As I have previously stated there are some big opportunities that will present themselves leading into and following the ACTA Nationals and the World DTL in March 2018. There is also another small event following these two events, the Commonwealth Games where our super elite ISSF competitors will look to take out Gold. Some great results were achieved at the last Olympic Games where Catherine Skinner took Gold and James Willett came away with an Olympic record.

Since then shotgun shooting icon Adam Vella was appointed as National Shot Gun Coach with Shooting Australia. Adam has had an immediate impact, highlighted by international success at World Cup events over the past eighteen months.

Shooting looks good in the short and long term, we now need to capitalise.

Membership 2018

The National Executive agreed that the ACTA would change the process for registration of members in 2018 in relation to finance.

The ACTA will, as from the 1st of November (2018 membership year), bill Clubs for the full component of the membership, that is, the Zone (where applicable), State and National fees. Once a Club registers a member they will be invoiced the full amount (less their club fee). This currently occurs with payments through the "mypage" system. The ACTA will then process payments to the Zone and State saving the Club from this administrative duty.

It is extremely important that all member details are confirmed when processing membership, email addresses are required to allow members to access Sportspass.

Zones & States will still be collecting their fees for the 2017 membership year.

Caboolture Annual Skeet Carnival

Caboolture Clay Target Club July 2017

This is the first time that Caboolture Clay Target Club (CCTC) has hosted this event and the hard work and efforts of a great team in putting together a combined NSSA 500 as well as the Caboolture Clay Target Clubs annual Skeet Carnival were rewarded with some outstanding shooting and great compliments being passed on the success of the event.

The NSSA segment of the carnival was shot over 2½ days beginning with 100 doubles and 100 20 gauge on the Thursday followed by 100 of both 28 gauge and the .410 on the Friday.

Saturday brought the final 100 target event namely the 12 gauge, this was combined with the 12g event of the two day competition

Back to the Thursday morning which started bright and sunny and the warm temperatures were very welcome for the interstate and New Zealand visitors. With the NSSA events filled to capacity, all shooters were advised in advance of their shooting times and squad positions so the first event, 100 target doubles, started promptly at 8.30am.

NSW shooters started their domination of the four days with Shane Bennett of NSW emerging the overall doubles champion with a score of 98/100. Shane then followed this up with a 99/100 in the 20g event after a shoot off with Paulette Walker who was thrilled with her score of 99 and hopes this will help raise her NSSA classification.

The weather wasn't quite so kind on day two with showers predicted for the day. However the disappointment of the weather was soon over-

Nigel Hughes & Shane Bennett, 2 Man Team winners

come with the smell of hot roast being cooked for Mathew Rhue's famous hot pork and gravy rolls which were served at lunch time.

The rain didn't dampen Wayne Petersen's shooting ability however when he took the overall 28g championship with a fabulous 99/100. Mal Briggs followed this with a 96/100 in the .410 event to take that championship title.

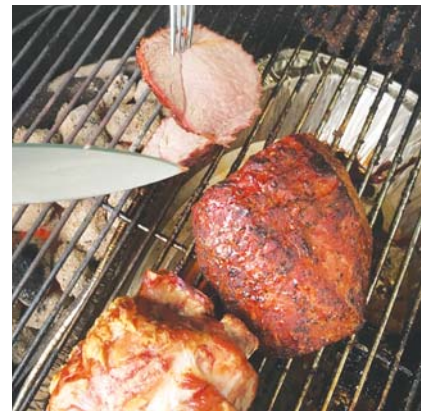

Saturday's weather was back to the bright and sunny Queensland weather with clear blue skies, temperatures close to mid 20's and not a breeze to be felt. It looked like some good scores were about to be shot in the 12g event and the commencement of the 2017 CCTC Skeet Carnival. Jaco Pieterse in squad one was the first person to post a 100 straight and this was quickly followed by another 100 from Wayne Petersen. Finally a Queensland win with Jaco Pieterse winning the shoot off and the first of the carnival sashes. However, an equally big smile was on the face of John Pethybridge shooting a 50 straight in the first half of the event to finish on 95/100.

The combined 12g event saw the end of the NSSA 500 with New South Wales taking out both the NSSA HOA and HAA titles.

Saturday afternoon concluded with the ever popular Super Handicap event and much discussion about which gauge to use. The great conditions saw over half the entries get through to the first round of shoot offs including B Grade Tahnee Davenport shooting her first ever 50 straight and Tracey Ashton being reggraded to AA Grade.

Round after round was completed with Shane Bennett, Mal Briggs, Allan McKenzie, Tahnee Davenport and Rodney Kneipp being the last five shooters. Shane Bennett (12g) emerged the eventual winner from Mal Briggs (28g) with a final score of 168/168. Great shooting!

Glenn Walker
OA 50 target winner

The great targets and fabulous conditions meant that Saturdays scoreboard saw five shooters with a score of 149/150 going into the final day and a few others close behind on 148.

The 50 target event saw yet more perfect scores shot and seven shooters headed out for a doubles shoot off with Glenn Walker and Mal Briggs battling out the final stations for Glenn to emerge the eventual winner with a score of 66/66.

It always comes down to the doubles. Shane Bennett, Wayne Petersen, Lorraine Hughes and Mal Briggs were all on 199/200 going into the last event. Shane and Wayne's determination and friendly rivalry saw them both

post the top score of 49/50 to see them into both a shoot off for the doubles as well as a High Gun shoot off. The doubles shoot offs were completed with Shane emerging the winner.

The hotly contested two person team scores were being monitored closely and it was great to see a shoot off between the teams of Shane Bennett and Nigel Hughes against Wayne Petersen and Sarah Bennett. There was some friendly sledging as the teams lined up on station three and Nigel and Shane were the winners for the fourth time in five years.

The crowd gathered at the fence line to watch Shane and Wayne battle it out for a shot at the ultimate High Gun prize with Wayne really wanting to make it a back to back win for him. Three brackets of High Gun sequence were

able but Shane and Wayne would certainly have had a minimal net cost of their very successful trips.

The final presentation was for the popular skeet quiz winner to win back their nominations and the tie break jar full of lollies. A young Lea-Anne Walker showed considerable interest in the lolly jar and spent a lot of time considering how many were in there, she must have told her dad because Glenn proceeded to win back the cost of his nominations and give Lea-Anne the lolly jar – she should be enjoying that for some time to come.

Our thanks as usual to our sponsors whose significant contributions helped to make this such a successful shoot. Australian Warranty Networks, Qld Safety Fence Hire and a new sponsor this year in Asset Training (Australia).

National Trap Championships / World DTL 2018

Entry details of the 2018 Nationals and World DTL

1. The National Trap Championships will have a maximum 684 competitors
2. The Worlds DTL Championships are open to 800 shooters
3. Entries to the 2018 Trap National and the World DTL are by pre-nomination only, opening on the ACTA website and the ICTSF Website from July 2017.
4. Nominations for both will close on the 31st of January or when number have reached their maximum. A standby list will then be created.
5. The cost of entry to the World DTL Championships points score event will be \$350.00
6. Prizes for the World DTL will be published in full in October, the guaranteed first prize overall will be \$10,000.00
7. **Deauville Double events** will be by nomination at the event

World DTL Referees

The ACTA is seeking 30 suitably qualified referees/scorers for 20 layouts (these referees will rotate, 6 referee/scorers per bank of 4 traps).

The ACTA will make an honorarium payment of \$300.00 per day per referee/scorer.

The ACTA is taking expressions of interest at execofficer@claytarget.com.au.

Referees will be contacted and advised of the ACTA's decision on their expression of interest by October 2017.

Firearms Storage

Due to the nature and volume of the 2018 National Championships and the World DTL Championships it is necessary to have two full time attendants for the Vault.

This facility will be available from Friday the 16th March through to Tuesday the 27th of March. All guns will need to have been removed from the Vault on Tuesday at the completion of the World Championships.

Cost of storage: The cost of storage for the National Trap and World DTL is a total flat fee of \$20.00 per gun for the Nationals and World events.

Ministerial Inspection for ACTA Function Centre

NSW Sports Minister Stuart Ayres was recently in Wagga Wagga to cast his eyes over the finalised plans for the \$7 million Australian Clay Target Association headquarters

With the NSW State Government funding up to \$5.5 million for the project some 6 six months ago, initial ground preparation has finally begun. The ACTA will contribute the other \$1.5 million to complete the costs.

Mr Ayres said the facility, which will host the ACTA 2018 National Championships and 2018 World DTL Shooting Championships in March, would add "another string to the bow" of Wagga's revered sporting reputation and provide the city's shooting scene with a shot in the arm.

"You always want the best athletes in the country choosing to come and shoot here in Wagga," he said.

"Wagga continues to deliver athletes who wear the green and gold and I'd love to see more people coming through this Association."

Above: Daryl Maguire MP Member for Wagga Wagga, Sports Minister Stuart Ayres MP, ACTA President Robert Nugent and ACTA Executive Officer Tony Turner standing on the site of the new building

Left: Tony Turner, Stuart Ayres, Daryl Maguire scrutinising the site plans

The centre is expected to attract more than just shooters to the city.

"This is the type of facility I think will attract other sports to Wagga too," Mr Ayres said.

"Maybe not straight to this facility, but there's the incentive of hosting their official events in this conference centre."

NATIONAL FIREARMS AMNESTY

National Firearms Amnesty update: over 12,500 firearms handed-in so far.

In the first month of the National Firearms Amnesty, more than 12,500 firearms were surrendered across Australia – that's an average of 400 firearms handed in every day.

There are now over 12,500 fewer firearms in our communities that are at risk of ending up in the wrong hands.

There's plenty of time left for people to continue to take advantage of the Amnesty, which runs until 30 September 2017.

Rare items of historical significance have been handed in, including

heirlooms from WWI, WWII and the Vietnam War. A Queensland police service rifle dating back to 1874 was also handed in in the ACT.

The Amnesty allows anyone with an unwanted and unregistered firearm or firearm-related items to legally dispose of or register them at approved drop-off points in each state and territory.

There is no cost involved with handing in or surrendering a firearm, and no personal details are required.

Outside the current amnesty period, anyone caught with an unregistered firearm could face a fine of up to \$280,000, up to 14 years in jail, and a criminal record.

Information about individual state and territory requirements, including how and where to surrender firearms, can be found at the Firearms Amnesty website or by calling 1800 909 826.

Firearms handed in to 31 July 2017:

Jurisdiction	Unregistered firearms received
New South Wales	4,961 (6,400 *)
Queensland	3,500
Victoria	751
South Australia	687
Australian Capital Territory	159
Western Australia	301

2018 NATIONAL TRAP CHAMPIONSHIPS

CONDITIONS OF ENTRY

1. Any shooter wanting to compete at the Trap Nationals must be a registered member of the ACTA or recognised organisation for the current financial year that the championships are being held.
2. **Squadding is by Pre-Nomination Only. The close date for nominations is the 31st January 2018.**
3. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
4. Every shooter is to provide their current and previous Record Card when requested by the State or National Handicapper at State and National Championships.
5. Squads of up to 6 to shoot 50 targets/75 targets/100 targets in brackets of 25 targets or pairs, one or two visits only to the traps. National Handicap event to be 5 (five) person squads, 5 (five) targets per lane.
6. **Shooters will be Pre-squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director.**
7. Each shooter is to take enough cartridges to shoot at 50 targets/75 targets/50 pairs. A time limit of two minutes will be imposed for the changeover for each 25 targets or pairs. Should the two-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** may be incurred.
8. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management
9. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
10. All shooters should sign the score sheet after each 25 targets/pairs. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
11. **All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so.** While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
12. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
13. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
14. Optional sweep prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
15. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall chose in which team they will be selected. They cannot compete in both Open and Section teams.
16. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any grade prize.
17. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
18. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
19. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
20. **All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Trap Championships.**
21. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible to any refund.
22. Squadding details will be available on the ACTA website, ten (10) days prior to the event. If an email address is provided on your nomination form, you will receive notification via email.
23. Free junior nominations, open to any junior who has not competed in a national event of any discipline & only by pre-nomination. Claim for this concession must be made at time of nominating & will not be refunded retrospectively. Late nominations will not be eligible for this concession.
24. The setting of targets will be conducted by the Tournament Director and the trap mechanic prior to the start of the event daily. No further adjustments will be made to traps without the authorization from the Tournament Director or the Shoot Marshal.
25. Shooters must have at least 200 targets recorded on their Record Card to establishing a grade prior to entering State and National Championships.

ACTA New Function Centre

The convention centre has a great look and the practicalities of the venue are showcased here in these artist impressions, the venue will spaciouly fit 650 people at round tables with up to 1200 in a conference setting. The main auditorium is adjacent to the bar and coffee shop with service available to both areas.

The bar and café area will service the shooting community at National events with the building having several configurations to ensure the facility is fully utilised. The bar/coffee shop/extended social area will cater for the Nationals whilst at the same time having an area to set up for functions such as the Hall of Fame.

The function centre auditorium is able to be divided up into four sections providing a variety of options for the Association.

The entry section will house the ACTA Hall of Fame and trophy cabinets, the administration will have two offices and a communications room. The foyer will allow a spacious entry into the venue with a striking welcome through the architecturally designed ceiling and decor.

The fitout of the function centre will be similar to the drawings as designed by the architects.

QCTA 5 Stand Sporting Carnival

Pioneer Clay Target Club
June 24 & 25 2017

The collaborative effort between the QCTA, Qld Govt Department of Sport & Recreation, Top Shot Industries and the Pioneer Clay Target Club produced one the most enjoyable and smoothly run events in the inaugural Queensland 5-Stand Sporting Carnival. Partners and organisers showed enthusiasm for this special initiative project in its developmental stages which made it a pleasure to bring the carnival to fruition.

As the first sporting carnival to be run by the State Association rather than as a club event, we appreciated Pioneer Clay Target Club putting their hand up as host venue and their grounds proved to be a perfect location for the four 5-stand layouts. As many of their members are already dedicated sporting shooters their knowledge, assistance and range of equipment all proved to be assets to this event and they provided the welcome hospitality. With one of our main aims being to attract shooters of other disciplines to this event, we scheduled a free coaching session on the Friday for all shooters who wished to participate. We really appreciated the efforts of Paul, Noel and Daniel Lillis and Mick Wenzel who generously donated their time and expertise to help those who were new to sporting. It was pleasing to see the shooters queuing up for a few tips and the coaches were able to offer a variety of sporting targets on one of the dedicated coaching layouts.

Also on the Friday the Pioneer club ran a side by side novelty event which provided a great opportunity to warm up prior to the carnival, and a practice layout was opened at the conclusion of the coaching.

Major sponsor Dean Crouch from Top Shot Industries had hit the ground running arriving three days prior to the event with a trailer load of MEC traps. An experienced course designer, Dean ensured the four layouts were completely different, but with a variety of targets that would challenge the experienced AA shooters while not demoralising the newcomers. Shooters were also

OA winner of the Top Shot Championship Peter Tobin with sponsor Dean Crouch

treated to the full range and colour of targets, which added to the interest of the layouts.

The first event was the 100T Top Shot 5-Stand Championship and it was great to see 5 junior and 7 lady shooters amongst the nominations for this event. Overall High Gun was won by Gold Coast champ Peter Tobin shooting an impressive 95/100. AA grade placings were decided in a shoot off with Daniel Lillis winning on 114/125, Paul Lillis 2nd with 113/125 and Pioneer's Alex Towns shooting 91/100. Winners in the grades were Glen Johnson 1st in A 87/100, Allan McKenzie 1st in B 85/100 and Ben Beazley from Townsville 1st in C 78/100. Debbie Young won Ladies 83/100, Cody Chapman from Charters

Towers was best Junior with 76/100 and Bruce Duncan from Albury Wodonga won Veterans shooting 80/100.

The club turned on a great night on Saturday night with a delicious pig-on-the-spit roast dinner with all the trimmings, and a talented local musician to provide the entertainment.

Every club should have a Philippa Cary; not only is she taking noms, serving behind the bar and shooting the comp, she then cooks dinner for us complete with delicious dessert. Home cooking is always appreciated by travelling shooters and Pip and the club members did a great job. We were told there may have been an anonymous attempt at pole dancing later in the night, but of course what happens at Pioneer stays at Pioneer!

The beautiful sunshine and perfect conditions continued into Sunday when we contested the 100T QCTA State 5-Stand Classic. Keeping up his great form Alex Towns won Overall High Gun in this event with 129/135 after a lengthy shoot off with Gold Coast's Paul Lillis 1st in AA with 128/135. 1st in A grade was Dean Crouch 108/125, 1st in B was Allan McKenzie 80/100 and 1st in C Troy King from Pioneer with 99/125. First in the sections were Debbie Young Ladies 81/100, Cody Chapman Junior 77/100 and Bruce Duncan Veterans 87/100.

Three shooters shot the possible over the weekend, although 7 clean rounds were recorded: one by Phil Scalia and an incredible 3 each from Alex Towns and Paul Lillis, terrific shooting!

Novice prizes were awarded at this event for shooters who had never previously shot sporting and did not have an entry for this discipline in their handicap card. High Guns across the 4 layouts for the novice category were Ray Meaney layout 1 37/50, Irvine Wynyard layout 2 34/50, Geoff Moore layout 3 33/50 and John Fordyce layout 4 35/50. These were great scores on some difficult targets posted by shooters new to 5-Stand sporting. The Novice High Gun sash was won by Ray Meaney from Dysart with an excellent score of 132/200.

Grade High Guns for the carnival were Paul Lillis AA grade 211/225, Dean Crouch A grade 191/225, Allan McKenzie B grade 165/200 and Troy King C grade 154/200. Section High Gun winners were Debbie Young Ladies 164/200, Cody Chapman Juniors 153/200 and

Junior Encouragement winner William Cox, Novice HG Ray Meaney

Junior HG winner Cody Chapman
Veteran HG Bruce Duncan

Grade High Gun Winners

Bruce Duncan Veterans 167/200. The Junior Encouragement award went to William Cox from Pioneer, some great shooting across difficult targets all weekend.

Overall High Gun for the event and the inaugural Qld State 5-Stand Champion for 2017 was Peter Tobin from the Gold Coast shooting a brilliant 212/225. Peter is one of Queensland's most consistent sporting competitors and is a regular State team captain.

While Queensland sends an open sporting team to compete at the Nationals each year, we were very pleased to select teams in every category at this inaugural shoot and hope that the section teams will soon be contested at the Nationals in the near future. The 2017 State Sporting Teams are: Open, Paul Lillis, Peter Tobin & Alex Towns. Ladies, Debbie Young, Zoe Zawora & Viv Moore. Juniors, Cody Chapman, Harrison Lillis & Alex Scalia. Veterans, Mike Swale, Dave Williams & Ron Black. Congratulations to all team members and good luck to the open team who will compete at the 2018 Sporting Nationals.

While organising and setting up

sporting carnivals is a big job at the best of times we would like to thank those who assisted in the lead up to this event. Qld Govt Department of Sport & Recreation introduced this initiative to encourage State Associations to conduct new carnivals in regional Queensland areas and QCTA was very pleased to qualify under this incentive. We thank Sport & Rec for their ongoing support.

Due to the logistics of taking sufficient sporting traps and associated equipment to Mackay to

State OA Sporting Champion Peter Tobin & QCTA President Geoff Moore

State Open Team Paul Lillis Peter Tobin & Alex Towns

run a 200T 5-Stand Carnival it would simply not have been possible without the input and effort of Dean Crouch from Top Shot Industries who supported and promoted our event from day one. Dean was ably assisted by fellow Redcliffe member Grant Paviour who didn't stop all weekend and his familiarity with the system made him invaluable. The ease of use of the Longrange-MEC system and the single button operation meant that all shooters could easily operate the layouts, giving us sufficient refs and scorers to keep the shoot moving, even with four separate layouts. Sporting shooters familiar with setting up or competing in a 200 target competition over two days will know just how unusual it is to reach the end of the weekend without a single trap breakdown or problem, which is a credit to Dean and his traps.

There was noticeable support from the Northern Zone clubs and we would like to thank those that took the trouble to travel to this event, especially the junior members who had not shot sporting previously. Well done to Cody Chapman, Harrison Lillis, Alex Scalia, William Bosworth and William Cox. Not only did you post some terrific scores but you have done your clubs proud. As usual when Ben Beazley from Townsville attends any event at any club he can be seen filling traps, carrying targets or cleaning up, so thank you Ben for your help.

Once again thank you to the coaches who travelled from the Gold Coast to do their best to recruit more shooters into sporting, a great contribution to this discipline and we received a lot of positive feedback from trap shooters who would have struggled without their time and assistance. QCTA State President Geoff Moore and State Councillor Mike Swale also assisted prior to the event and were happy to pitch in to get the layouts operational by Friday, and thanks also to Viv Moore for her help in the shoot office.

QCTA President Geoff Moore with coaches Daniel & Paul Lillis

To the Pioneer Clay Target Club, well what a great venue for a 5-Stand event. We had water, bushland, trees and green meadows providing beautiful backdrops for the layouts which added to the fantastic presentation of targets and Dean's intelligent course design. In preparation for the event we would like to thank John Rodden, Rob and Pip Cary for the many hours spent in discussion, organisation and construction for the carnival. Pioneer members Dennis, Bevan, John, Jason and all those who helped under president Bryan McMillan's watchful eye, thank you for your help and support of this event, and of course for your wonderful hospitality.

Thanks also to the QCTA who were prepared to support this initiative and to introduce 5-Stand sporting as a State event. Congratulations to all the winners and team members and to every shooter who came along to support the carnival, you made it a really enjoyable weekend. We look forward to seeing

Great support from Northern Zoners lining up here for some coaching

BATHURST PRESIDENT CALLS IT A DAY

The reign of long serving club president of Bathurst Clay Target Club, Les Aberley, concluded at the club's AGM last week when he declined to accept nomination as President. Les has been club president since 27th November 1981.

Les's outstanding length of service started in 1978 and Les was quickly recognised as a capable and aggressive competitor reaching Trap AA 22m and Skeet A grade with a handicap of 1. Les represented his Club, Zone and State in Skeet more times than most of his competitors would care to remember.

In 1998 Les oversaw the club's relocation to its present location on Mount Panorama, Bathurst.

As Club Coach we all appreciate his ability to coach, from time to time we all have rough

spots in our shooting, we always call on Les to sort out the problem and if we don't ask his advice and he can see a problem he will come up to you and say "come out and have that target over again and try this".

Les's service to clay target shooting extends beyond just the club level. He served as Central Zone delegate, Central Zone Vice President, Central Zone Coach, Delegate to the NSW Clay Target Association, Executive at the NSW Clay Target Association, Tournament Director and Shoot Marshall for the Skeet State Championships.

Les has also been awarded Life Membership to Bathurst Clay Target Club and is 1 of the only 14 people ever awarded Life Membership to the NSW Clay Target Association.

During the past few years Les has concentrated on club administration and project management on items such as clubs extensions and improvements. He almost never misses a shoot or practice day, knows all club members by first name and takes pleasure in congratulating successful competitors at presentations.

Perhaps the most memorable of Les's quotes would be: "Well I figure that you are awarded a certain number of possibles in Skeet (25/25) the day you are born, too bad I used up most of mine in practice".

Les continues his involvement in the club on the committee and as club coach.

500 reasons to make the Qld Junior State Team

Caboolture Clay Target Club July 2017

Some years ago the committee of Caboolture Clay Target launched an initiative to help to support and promote junior competitors.

It was agreed that a fund was to be set up solely for the support of any junior club member who qualified for a State or National team place during any one year.

This year the club is delighted to announce that our Junior club member Jacob Rhue from Dayborough qualified to represent Queensland at the National Skeet Championships held earlier this year in Wagga Wagga.

Jacob was one of only 3 juniors within the State of Queensland who performed well enough to qualify for one of these 3 prestigious spots.

At the National championship Jacob scored an excellent 24 out of the possible 25 targets, which helped to secure the winning score for his team and his State.

He then went on to shoot a perfect score of 50 out of 50 in the Trans-Tasman championship, a truly magnificent performance.

Jacob receiving his cheque for \$500 from Captain Nigel Hughes

Jacob follows in the footsteps of his older brother Thomas who is a previous qualifier and has represented QLD on a number of

occasions, it seems that their outstanding shooting ability runs in the family.

ACTA members have been asking about firearm insurance. Now you have it!

Affordable, Quality Firearm Insurance

The ACTA has accepted an Association insurance policy that will see eligible members (defined as the legal owner of a firearm) provided with **Firearms Insurance** for up to **\$12,000**. For an additional **\$10.00** fee any eligible member will be able to increase the Insurance coverage to **\$25,000**.

This insurance represents a significant saving on insurance for firearms and accessories. The ACTA has been looking for this type of insurance for some time. This will allow all eligible members to have insurance at a very low cost compared to what they may pay now. Covering member's firearms, and/or associated equipment whilst in transit, stored in a locked vehicle in accordance with State Law and/or building and damaged or destroyed whilst in use anywhere in Australia and New Zealand and overseas coverage for 21 days per year.

DEFINITIONS APPLYING TO THIS POLICY

Firearms & accessories means legal firearms owned by members of the named Association/Club, including any accessories or carrying cases.

Loss means loss or damage caused by or arising from a sudden and unforeseen accident including theft from a securely locked building or vehicle.

- Theft cover is conditional on firearms being securely stored in an approved gun safe when the firearm(s) are not in active use.
- No cover will be provided under this policy where the insured, or any other person or entity the equipment has been entrusted to, has breached any law relating to either the storage or use of the firearm(s).

Comments

This insurance is designed to protect each financial member up to \$12,000 with the option to increase this limit to \$25,000 for an additional \$10 payable by the member.

The policy has an excess of \$50 each for every claim and protects members anywhere in Australia 365 days of the year plus overseas for 21 days in any one year.

The full policy document will be available on the ACTA website with all other insurance documents on the 1st of November 2016.

For an additional \$10.00 fee any eligible member will be able to increase the insurance coverage to \$25,000.

Port Macquarie shoot over two days

Port Macquarie Clay Target Club July 2017

The weekend for the two day shoot at Port Macquarie Clay Target Club in July, was crisp and clear each morning. On the Saturday we had shooters visiting from numerous clubs. All up, 9 clubs were represented; Sydney, Nyngan, Taree Wingham, Walcha, Kempsey, Guyra, Cessnock, and Port Macquarie Clay Target Clubs. It was great to catch up with fellow shooters and enjoy a beautiful sunny weekend competing together.

We went out for the first event, the 25 target Double Barrel. It was perfect visibility and the targets looked as big as dinner plates though the slight easterly breeze fooled a few shooters occasionally. The good shooters handled those targets easily. Thank goodness that event was cash divide or we may have been shooting till lunch time.

Results for the 25 target Double Barrel, were AA Grade 1st Margo Burke, 2nd Peter Boland, A Grade 1st Ross Aston, 2nd Gary Tabain, B Grade 1st Daniel Thistleton, 2nd Andrew McWhirter, C Grade 1st Doug Thistleton, 2nd Anna Malone (this was Anna's first competition event & placing).

The next event was the 25 target Single Barrel which was shot with a gentle south easterly picking up to give the targets a little more lift when we were just about to pull the trigger. Shooting was getting a little harder, as we had been lulled in to a false sense of security with the almost perfect conditions for the first event. The big positive to come from this event which pleased me, was that only one cartridge was wasted on those darn targets that got away.

Results for the 25 target Single Barrel were AA Grade 1st Peter Boland, 2nd Margo Burke, A Grade 1st Ross Aston, 2nd Peter Fiorenza, B Grade 1st Clayton Smith, 2nd Terry Dawson, C Grade 1st Doug Thistleton, 2nd Anna Malone.

The final event on Saturday was the 50 target Double Barrel. Visibility was still crystal clear but the southerly was now in full effect and the targets were clearly dancing beautifully around in the sky dodging our lead a little too often. Margo Burke and Peter Boland had a shoot off for Overall, which was short and sweet and Peter took out OA. B Grade was a three way shoot off between Andrew McWhirter, John O'Gorman and myself. I just outlasted John but Andrew took out the spoils and first in B Grade. He shot very well shooting very quickly to avoid his targets dancing around. Some shooters were a little disappointed with their results but everyone did their best in challenging conditions. New shooters Anna Malone and Doug Thistleton in C Grade were doing very well fighting it out for 1st or 2nd in each event.

Results for the 50 target Double Barrel were Overall Peter Boland, AA Grade 1st Margo Burke, 2nd Romeo Spagnolo, A Grade 1st Garry Tabain, 2nd Peter Fiorenza, B Grade 1st Andrew McWhirter, 2nd Lesley Langer, C Grade 1st Doug Thistleton, 2nd Anna Malone.

On Sunday we had a few shooters who couldn't return and a couple of new competitors to take their places. We were all having fun trying to break a lot of targets and not missing too many. A few words of disappointment could be heard in the distance along with some other comments that surely must have been gloating to friends. Our first event in rather good conditions was 30 target Handicap. The AA Graders who were all back past 21m went quiet after they shot. Those in the grades below and of course in the 15 to 19 metres category were going to be sorting out the

Ross Aston A Grade HG

places for the Handicap. My 27/30 felt comfortable for a very short time. Andrew McWhirter following on from Saturdays form only dropped one target. He had set the score to beat with his 29/30. Richard Van Heythuysen recorded a 28/30 which pushed me down a little further on the ladder.

Third place was look-

ing secure until Liam Pollett shot his first shoot in 8 months and equaled my 27/30. Yeah! I was in a shoot off again. I was seeing the targets perfectly and feeling confident in the shoot off, right up until I failed to watch the target and missed it perfectly. Liam was successful and took out 3rd place in the Handicap. I was beginning to dislike shoot offs this weekend. Well shot boys, you deserved your success.

Results for the 30 target Handicap the were 1st Andrew McWhirter 82/90, 2nd Richard Van Heythuysen, 3rd Liam Pollett.

The second event on the Sunday was the 30 target Points Score. Peter Boland's wife, Karen, handed over their son for Peter to mind while she shot and had some fun. Peter had shot in the previous wave and was in the lead for AA Grade. Clayton Smith and Lesley Langer scores were equal to be leading B Grade right up until Andrew McWhirter in the final squad, ruined Clayton and Lesley's party by shooting all 29 targets single barrel, and only dropping the one target. I was in another damn shoot off for 2nd in B Grade which didn't go my way once again. Next time maybe; but well shot Clayton.

The results of the 30 Target Points Score were Overall Peter Boland, AA Grade 1st Romeo Spagnolo, 2nd Margo Burke, A Grade 1st Ross Aston, 2nd Richard Van Heythuysen, B Grade 1st Andrew McWhirter, 2nd Clayton Smith, C Grade 1st Liam Pollett, 2nd Doug Thistleton.

The final shoot for the weekend was the 30 target Mixed event. AA Grade 1st Peter Boland 2nd Romeo Spagnolo, A Grade 1st Richard Van Heythuysen 2nd Ross Aston, B Grade 1st Andrew McWhirter, 2nd Clayton Smith, C Grade 1st Liam Pollett, 2nd Doug Thistleton.

With all events shot, the books written up, the scores tallied, and the afternoon tea ready, the only thing left to do after such a great weekends shooting was to award the High Guns for each grade and acknowledge the team (Michael Carter, Anna Malone, Andrew McWhirter, Chris Wright, Terry Dawson, Saasha McKinnon, Ken McWhirter and Lesley Langer), who helped ensure a great weekend was had by all. Their efforts were very much appreciated as was the work that they tirelessly performed prior to the shoot and all weekend which helped to ensure the smooth running of our two day shoot. Thank you again for all the work. Finally listed below is the list of High Gun recipients who deserved their awards for shooting consistently all weekend. Well done.

High Guns: Overall: Peter Boland, AA Grade: Margo Burke, A Grade: Ross Aston, B Grade: Andrew McWhirter, C Grade Doug Thistleton, Ladies: Lesley Langer, Veterans: Chris Wright, Junior: Clayton Smith.

After all the accolades and words of thanks, the competitors started to dissipate and head homewards. There was talk about the ones that got away, the winds, the targets and the great weekend of shooting they had enjoyed. There are many who are planning to put this weekend shoot into their calendar for next year. Hope you will consider coming too as we would love to shoot beside you. You're always welcome at Port Macquarie Clay Target Club.

See You Round the Traps

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Why should we have a pre-shot routine?

During the July school holidays, I spent some time with the Junior Development Squad again, which I wrote about last month. One of the topics that Suzy Corry and the other

coaches addressed was pre-shot routine. When this article is published I will be overseas, so I have revised the article I wrote about pre-shot routine in 2013.

Anyone who plays golf knows the importance of "addressing the ball". It is the moment when you have put the ball on the tee and placed your feet in the correct position and sit the club behind the ball, ready to commence the swing. In shooting the process is pretty much the same. For the skeet shooter it is walking onto the pad and setting your feet in the right position. For the sporting shooter it happens when you walk into the cage and position yourself, and for the trap shooter it happens when you step onto the next mark and position yourself ready to shoot the next target.

But a pre shot routine is just not about putting your feet in the right position although where to stand is an important aspect of the pre shot routine. The pre shot routine is the switch for you to change your level of attention. It is the trigger for you to start to concentrate.

According to Burton and Raedeke (2008) Attention is the process that directs our awareness to information available through our senses. Most of the time our senses are attacked and bombarded with stimuli. For instance you may be reading this article but you might also become aware of external stimuli of something cooking and you may feel hungry. You might smell something burning and you might feel worried. When you notice certain sensory information you make a decision on what action to take and this process requires attention. Thus, according to Raedeke and Burton, attention involves perceiving sensory information and using it to make decisions and choose responses. The sensory information in shooting can involve smell (the smell of the burnt gunpowder), touch (the feel of the gun in your shoulder, the recoil, the weight of the gun, the feeling of the sun on your neck, wind or rain on your face, etc), sight (the target flying through the air, the target smashing or the target not breaking at all) and hearing (the gun closing, the explosion, the call of the referee).

Each sport is unique in the sensory information that needs to be attended to for an Ideal Performance State (IPS). Nideffer (a renowned US sports Psychologist) has developed an applied theory of concentration, which should be considered by all athletes and coaches. To understand this theory it is necessary to realise that for each of us an optimal level of arousal will coincide with efficient use of attentional capacities; this is referred to as our ideal performing state (IPS). At this IPS, we efficiently match the attentional demands of the situation with use of appropriate type of concentration. When we are not at our ideal performing state it is because the types of attentional focus becomes inefficient and mismatched with the situational demands. Nideffer believes that we all have an individual *concentration style*, which means that we have characteristic ways of using our attentional capabilities. Nideffer describes concentration as being either broad or narrow. An analogy here is like a torch with a variable beam: broad type of concentration is when the beam is broad and wide and narrow type, is when the beam is focused on a small point. Jeffery

Bond argues that Nideffer also sees influences on concentration as either external or internal. We can now measure our concentration style in each of these types of concentration:

1. Broad -External: awareness of everything that is going on around – seeing, hearing, feeling. Necessary for good court/field vision. Probably more critical in team sports than individual
2. Narrow – External: Ability to concentrate in a focused way, to focus on the one thing, to narrow onto the relevant aspects of a task. Very useful in target sports and as a way of blocking distractions.
3. Broad – Internal: Need to analyse, organise and plan. The ability to mix it with what is going on and draw some logical conclusions. Being able to deal with a large number of ideas at the one time.
4. Narrow – Internal: Ability to focus on a single thought or idea and stay with it. Needed to enhance awareness of aspects of body reactions to stress (tight muscles, too high heart rate, etc) Usually indicates extreme dedication and capacity to follow instructions, to stick to a performance plan.

Beyond focusing on the task relevant cues (attention) shooters need to be able to block out all internal and external distractions. This ability to sustain focus and effectively block out distractions is called concentration. Effective concentration allows shooters to apply appropriate attention to the internal and external cues. According to Perry, a shooter who can focus, or pay attention, on the task at hand and avoid distractions enjoys the greatest possibility of success.

So, this is the secret. And we need to use the pre shot routine to help us narrow or focus of attention so that we only focus on the target. The difficult part is, we have to do it every time we step onto the tracks or into a cage to address the target. So when we are shooting twenty five targets we have to have our 'one shot' pre shot routine twenty five times. Because our attention broadens (when we are not shooting) and narrows when we are about to shoot, we have to learn how to turn on and off continually.

Therefore, our pre shot routine can have a number of steps.

Walking on to the pad, track or into the cage.

Putting our feet in the correct position.

Taking a breath to centre yourself.

Closing your gun.

Mounting the gun for the gun up disciplines or holding the gun ready for the gun down disciplines.

While this process is being followed the focus of attention will be moving from broad to narrow. When this has occurred, you are ready to call 'pull'. Our pre shot routine is the all-important step required to change our focus from broad to narrow: from the environment to the target. We can make the pre-shot routine more sophisticated and elaborate by adding visualisation. We will deal this in the future.

2018 ACTA ISSF Nationals to be hosted by the VCTA at Echuca

The ACTA has negotiated an agreement with the VCTA for the 2018 National ISSF Championships to be conducted at the joint State/Echuca ground in Echuca.

This will be the first major ISSF event at the ground since the upgrade of ISSF facilities. These facilities were supported and co-funded by the Victorian State Government and represents a great boost for the ISSF disciplines in the State.

State President Mal Dyson commended the Club, the State and Zone for coming together to host the

event already making good on the requirements of the development by hosting National and State ISSF events into the future.

Project co-ordinator for the building and installation of the traps and equipment Gary Hayden said the facility and all of the infrastructure should be built and installed by November 2017, allowing a number of months for use and testing to ensure all the equipment is working in time for the National event.

Full details of the events and nominations details are on the page opposite.

Kerang High Gun to Roger Lehmann

The weather could not have been better for our competition on Sunday 13th August. Warm sunny day and a number of travellers from Castlemaine, Moulamein, Cohuna, Callawadda-Stawell, Mildura, St Arnaud, Patchewollock and our own members.

The first event a 50 Target Continental Points Score Championship. Overall and First in AA Roger Lehmann 145/150, second Chris Dalrymple 148/159 after a short shoot off. First in A Andrew Ataliotis 135/150, second Les Comensoli 128/150, first in B Phillip Waite 121/150, second Jim Absalom 118/150, first in C Ivan Dower 115/150, second Doug Harris 115/151 after a very short shoot off.

Second event 25 Target North West Zone single barrel continental Championship. Overall and first in AA Mark Vistarini 23/25, second Ricky McKinnon 28/31 after a short shoot off. First in A John McVitty 22/25, second Andrew Ataliotis 24/28 after a short shoot off, first in B Slap Comensoli 22/25, second Stephen Ash 20/25, first in C Douglas Lennon 18/25, second Kayla Ash 17/25. High Gun winner Roger Lehmann 97/100.

I would like to thank the people who helped out on the day to make it a great success.

***Note:** Reduced Nominations shall apply to Juniors and 2nd family members, they being husband or wife who are entering into the same event whose nomination is lodged at the same time as a member paying full nomination fees. Shooters paying reduced nominations are eligible for overall grade and section prizes. Competitors nominating at the Carnival may find themselves shooting late in the day and will then join in the squad rotation. You may nominate only once at the Carnival and must decide on that day which events you are shooting. Shooters will remain in their allocated squads for the duration of the Carnival. Squads will rotate daily. Optional Purse will be paid out 1st, 2nd, 3rd overall and will be divided 60%, 30%, 10%.

First time Junior shooters to the VCTA State Trap Carnival will be refunded their Double Barrel, Single Barrel & Points Score nominations.

Shooters will be pre-squadded. Shooters wishing to nominate in the same squad with other shooters need to send all pre-nomination forms and payments together in the ONE envelope, or you will NOT be squadded together.

At least one nomination form must carry the names of all shooters wishing to be squadded together.

5 Stand Sporting Clay Championship

Shale Top Gun Again

Local top shot Adam Shale continued his run of success at the Wangaratta Clay Target Club on Sunday 13 August, winning Overall and AA grade, dropping only 6 targets out of the 100 target event. Any shooter that has competed in the sporting clay discipline would realise what a brilliant achievement a result like this would be.

Magnificent weather conditions greeted the competitors at the club on the day and as usual, everyone enjoyed the first rate facilities and friendliness that the Wangaratta club is famous for.

Colin Crittenden, Neil Plumridge and Phillp Smith were out early to expertly set up the traps on the two grounds. 5 Stand shooters enjoy a good variety of targets that include a combination of some easier and others more challenging to hit. The club was again successful in providing

this balance, guaranteeing a very satisfying day of trapshooting for all skill levels.

After a shoot off, Mark Reynolds claimed 2nd in AA grade with another top score of 110/120. A grader Allan Seccull nicely smashed 83/100 winning his grade ahead of Chris Kloppenborg on 76/100. Marc Connell may not remain in B grade much longer, with a winning tally of 86/110, followed by Colin Repacholi on another potential grade changing score of 85/100. Lady shooter Nicki Jory settled down after a patchy start, winning C grade 47/100, leaving vintage shotgun specialist Barry Ellis in 2nd place with 38/100.

The Ladies High Gun was well claimed by welcomed visiting shooter Lyndall McNeil on 70/100 and the Veteran's trophy was awarded to Colin Repacholi.

The club has just set its program for 2018 and will continue to shoot on the second Sunday of each month.

Queensland Clay Target Association Shooter Profile Travis Streeter

We would like to introduce up and coming Callide Dawson junior shooter Travis Streeter.

We believe Travis has a great future ahead in clay target shooting, a terrific attitude and some excellent advice.

Name: Travis Streeter
Nickname: 'Streeter'
Home Club: Callide Dawson
Discipline: DTL
Grade/Handicap: A19
Favourite Event: Continental
Favourite Gun: Beretta DT10

Favourite Club: I have no favourite club because they are all equally friendly and inviting.

Career Highlights: My first High Gun sash, Qld Junior team High Gun

sash and making the Qld Junior team. Also to be selected to go to Wagga for the National Junior Development Camp with Suzy Corry

Shooting Mentors: Alex Dallas, Suzy Corry and Dad

Goals: Win a National championship, make the Australian Junior team, then the Australian Open team and become an Olympic shooter.

Other Interests: Reef fishing, chasing pigs and working on the farm.
Tips or Advice: Always believe in yourself and don't let anyone put you down, but most of all enjoy what you do and you will do it well.

Anything you would do differently?: Not try new things in the middle of an event.

Other comments or information you would like to share: I have been shooting for 12 months and in this time I have met many people. I may be only 13 but I know because of clay target shooting a lot of these people will now become lifetime friends.

The Squire reports from West Wyalong

West Wyalong Clay Target Club July 2017

An unfortunate clash of dates with the Riverina Zone meant that numbers were down for the Central Zone Sporting Clays Championship held at West Wyalong Clay Target Club on the fifth Sunday in July.

On the Saturday afternoon prior to the event Graham Duncan, Bruce Dent and Allan

L-R: Erik Geltsch 1st C, Mick Munro CZ Champion, Laurie Redfern 1st A, Winston Jones 2nd C & Graham Duncan 2nd A

CZ Team L-R: Graham Duncan, Mick Munro & Laurie Redfern

Schirmer set up a challenging course using seven traps and incorporating coloured targets and a midi sized "quail" target to add variety to the layout.

Special thanks to

Clive Foster and Central Zone President, John Wason who took the nominations and kept the organisational side of things flowing throughout the day.

It was Laurie Redfern 23/25 who set the pace in the first round although Mick Munro and Allan Schirmer both scoring 22/25 let him know he was not going to have it all his own way in the 100 Target Central Zone Championship.

The overcast conditions meant that some shooters were having problems sighting the targets early in their flight pattern but Mick Munro did not seem to be having too much bother finishing only ten targets down 90/100 and winning the Central Zone grey and maroon sash.

Laurie Redfern shot consistently during the day to win A Grade with his score of 87/100 and Graham Duncan who has been shooting very well lately claimed second in A Grade with 84/100.

After a shoot off to decide the winner in C Grade, Erik Geltsch from Leeton 69/110 proved too good to win ahead of Winston Jones, 67/110 from Bathurst.

Clive Foster who had done a great job as Secretary all day, deputised for the President to make the presentations and announced the Central Zone Sporting Clays Team to compete in the State Championship as being Mick Munro, Laurie Redfern and Graham Duncan.

Clive congratulated the winners and thanked everyone for their attendance at the shoot.

Annual two day shoot a great success

Richmond River Gun Club May 2017

The Richmond River Gun Club held its Annual Two Day Shoot Carnival on Saturday the 27th and 28th May. The Weather Gods were very kind to us on the first day and the events commenced on time, however on Sunday the 28th of May the Weather Gods were not as kind, a fog that has not been seen in fifteen years at the club set in. Pictures can be seen on our Face Book Page of this heavy fog. This unfortunate event made it impossible for us to start early and it was decided to wait for the fog to lift in order to be fair across the park. The gala event of the first day, the 50 target Double Barrel event was eventually won by Dan Johnston. Congratulations Dan.

OA winner Dan Johnston

Solid competition soon got underway on the afternoon of the second day. The usual shoot offs

were carried out, but most of the interest was with the Overall High Gun which saw quite a lengthy shoot off between Ben Arbour and Dan Johnston. Eventually a second barrel by Dan was all that was needed to decide the High Gun. Dan showed great humility in defeat, bad luck Dan, but congratulations to Ben for great consistency. The Richmond River Gun Club would like to thank our many loyal supporters whose attendance makes this annual event so great, to our sponsors, both inside and outside of the club, and to our loyal workers. The club looks forward to making 2018 an even better year.

It is never taken for granted that those who have to travel long distances, over a short period of time, and the pressures to leave on time on Sunday to get back to reality. The sport of clay target shooting could not survive without committed travellers, and I am sure that each club within our sport always strives to finish as early as possible. For further information please refer to our Face Book page.

HG winner Ben Arbour

GOOD ROLL-UP AT KERANG

The weather was fantastic, a good roll-up of competitors from Swan Hill, Mildura, Bendigo, Cohuna, St Arnaud and our locals. This combined made for some keen competition.

Michael Schmidt, Phillip Waite, Stephen Pearson and Dale Reyne

Event 1 Was a 50 target double barrel championship. First and Overall in AA Stephen Pearson 50/50, second Russell Barnes 49/50. First in A Mick Schmidt 48/50, second Fred Siciliano 46/50. After a short shoot off, first in B Phillip Waite 50/52 second Slap Comensoli 49/52. First in C Dale Reyne 47/50, second Craig Cleave 41/50.

Event 2 Was a 25 target Handicap. First place Dale Reyne, second Brian Amy, third Peter Akkermans, and fourth place Slap Comensoli.

Thanks to everyone who helped out on the day.

Left: Winner event 2 Dale Reyne

Third round of Fimac Shield for Bega

Glorious sunny conditions greeted the twenty-five shooters who turned up for the August shoot at the Tarraganda ground of the Bega Gun Club. Supporters and participants came from Bermagui, Bombala, Cooma and points south. Highlight event for the day was the third round of the Fimac Handicap Shield, supported by 40 target Points Score and 20 target Double Rise.

George Toyne winner HC Shield and 1st C PS

C Grader, George Toyne continued his great form from last month to take round three of the Fimac Engineering Handicap Shield. Shooting off fifteen metres, George collected 23 of the 25 targets to take the first prize with a group of nine shooters sitting one target back on 22/25. After the shoot off, C Grader Lindsay Blewitt placed second with B Grader, Simon Buckley taking out third. The results are now stored till the final round at November's shoot.

President and Fimac sponsor Shane Platts, 2nd in A PS & 20pr DR

The Club once again thanks President Shane for his ongoing sponsorship of this key event of our year's program. Overall winner is announced at the annual Christmas day of merriment.

Proceedings opened with the 40T Points Score to allow shooters to warm up before the Fimac. AA Grade went to Phil Body with a score of 116/120 with Chris Rowland taking second with 115/120. Close scoring again in A Grade where Robert Taylor took the honours with 108/120, with second going to Shane Platts 107/120. Veteran and super shooter, Doug Blewitt took out B Grade with a score of 113/120,

Lindsay Blewitt 2nd Fimac Shield, C Grade PS & DR

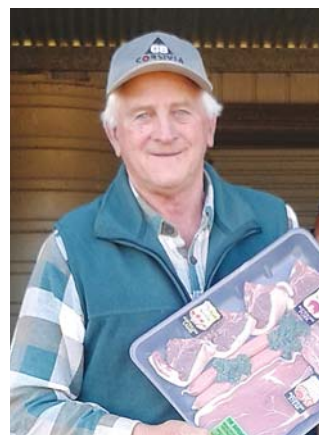

Simon Buckley 3rd, Fimac Shield

two targets ahead of Craig Field on 111/120. George Toyne once again featured in C Grade with a score of 98/120, one target up on Lindsay Blewitt with 97/120.

Following the Shield, the final event of the day was the 20T Double Rise. Once again, in AA Grade, Phil Body won on 40/50 from Chris Rowland on 39/50 after both finished the main round on 33. Michael Diss cleaned up A Grade with a score of 25/40, whilst Shane Platts took second, after a shoot off with Robert Taylor with a score of 32/50. Bert Deacon and Kevin Hurt weren't happy to shoot only 20 pair to sort out B Grade and it took an extra 5 pair for Bert to emerge winner, 36/50 to Kevin's 35/50. George Adamopoulos took out C Grade with a score of 28/40, with Lindsay collecting his third second place for the day with 26/40.

High Gun went to Phil Body with a score of 171/185 and the raffle gave visitor Brian Hutson a meat tray for his efforts.

Len Bird Cowra Gold Cup

**Cowra Gun Club
August 2017**

The 2017 Len Bird Cowra Gold Cup was taken out by Keith Beddie with an outstanding score of 369/375 over the two days of competition. Keith was shooting against a class field of 131 competitors from all around NSW & interstate.

The number of shooters competing is testament to the local club's commitment to providing top notch facilities coupled with an excellent program of events. The organisation & smooth running of this major event keeps drawing a large contingent of top clay target shooters.

Both days of competition provided varying weather conditions challenging competitors, but good scores were posted across all events.

Telescope Tyres Cowra 50 tgt Single Barrel Championship was won by Tony O'Leary from Cowra with 50/50.

The Cowra Services Club Double Barrel Championship was taken out by John Wason from West Wyalong with 121/121.

Sunday's competition started with the Cowra Diesel Service Points Score Championship which was won by Keith Beddie from Goulburn with 150/150.

The Railway Hotel Cowra 50 tgt Double Barrel Championship went to Anthony Bartolo from Sydney after a shootout with a score of 165/165.

The office staff & ladies in the kitchen again excelled in processing everyone's needs in an efficient and orderly manner with the addition of Cliff on the coffee machine a much appreciated & wonderful initiative!

Our volunteers before, during and after the event did a fantastic job – well done to all.

The shooters & their families enjoyed the weekend in Cowra, boosting the local economy whilst in town, and particularly enjoyed a friendly meal on Saturday night at the Railway Hotel one of our major sponsors.

This major event on the clay target shooting calendar would not be possible without the support of the following businesses and the Club would like to thank you all. Telescope Tyres Cowra, NC Bellamy Pty Ltd, Cowra Diesel Service, Railway Hotel, Superb Jewellery, Allan Gray & Co Pty Ltd, Cowra Shire Council, Hunt's Shooting Supplies, Cliff Dykes Photography, Geronimo Farm Equipment, Pat Dwyer Electrical, Keith Philpott Funeral Directors, Ray White Real Estate Cowra, Clay Target Australia, Cowra Bowling Club, Cowra Bus Service, Cowra Machinery Centre, Cowra Motor Inn, Cowra Locksmith, Cowra Services Club, Geoff Amos Transport, Marks Pumps,

VCTA South East Zone School Persons Championships

**Frankston Australian Clay Target Club
August 2017**

On the first Thursday in August each year, the South East Zone round of the State organised and Zone implemented School Persons Championships are held. 128 participants provided seventeen teams, arriving early and some in the fog, which cleared to be an overcast but wind and rain free day.

Using five grounds and with a 20 target Single Barrel competition, shot in two visits, the event started right on time at 10am. Round one failed to produce any clean tens but a large number with just one down. At the half way mark, Wonthaggi One had a healthy lead in the Teams section.

During the morning the students had the opportunity to meet and talk with Olympic Gold Medallist Catherine Skinner, who spoke and had "Selfies" with many of the day's shooters. Catherine from the Mansfield area shot at the

*Overall winner Dylan Cunningham
with Winchester's Daniel Johnson*

Hill Side country club of Woods Point. Catherine also remembered shooting at this venue at these School Championships very early in her progress

to the ultimate achievement in our sport.

The second ten targets which were shot after an early lunch break, produced only one ten, this allowed Dylan Cunningham to claim the overall with 19/20.

Senior Boys: A. Moto 22/25. (McKillop). C. Goodwin 26/30 (Wonthaggi), T. Grimes 24/30. (Traralgon).

Senior Girls: A. Preston 21/25 (McKillop). D. Suckling 19/25 (Wonthaggi). S. Incani 15/20 (Our Lady Of Mercy).

Junior Boys: M. Bird 16/20 (Wonthaggi). S. Russo 15/20 (Padua). C. Vanhgrwerder 17/25 (Aquinus).

Junior Girls: R. Jones 16/20 (Nagle). J. Kent 13/30 (Wonthaggi). G. Pistone 10/20 (Hoppers Crossing).

The winning school team was Wonthaggi Secondary College represented by N. Bradley, C. Cook, D. Cunningham, C. Goodwin & D. Suckling with the score of 80 /100.

Many thanks to the supporters of this event

Bendigo – Maryborough Annual Sporting Challenge

Maryborough Gun Club
August 2017

Victorious Maryborough Team – Glenn Phillipson, Bryan Rafferty, Jim Sawyer Phil Stowe and Bruce Jennings with Maryborough President Garry Cassells receiving the perpetual trophy from Rod Wallton Bendigo Tream member

This Sporting competition is conducted over 2 rounds of 100 targets. All club members are entitled to shoot the events with the top 5 scores to count in each round. In the first competition shot in July at Bendigo, the Maryborough team, made up of Bryan Rafferty, Craig Jennings, Darren Watts, Glenn Phillipson and Keith Cruickshank, resulted in a very narrow win for Maryborough. A single target separated the teams – Bendigo 411/500 and 412/500 for Maryborough.

The second round at Maryborough saw the local team, this time made up of Phil Stowe, Bryan Rafferty, Jim Sawyer, Bruce Jennings and Glenn

Phillipson, stretch their lead to win the perpetual trophy. The final score over the two rounds saw Bendigo on 831/1000 and Maryborough

848/1000. In the eight year history of the challenge, this was only the second time that Maryborough had won the trophy with Bendigo having to settle for the losers "You Dug Your Own Hole Shovel" award.

The overall winner of the Bendigo round was Bryan Rafferty shooting 87/100 while Phil Stowe won the Maryborough program, with a memorable score of 94/100.
